

I like the feeling of this strap on dangling under my skirt.

I only wore it to smuggle it out of the locker room, but I'm starting to enjoy it. It's like having a kinky little secret.

Thank god my purse is right where I left it. I was afraid the janitor might have found it and locked it in the lost and found room.

But luck seems to be on my side today.

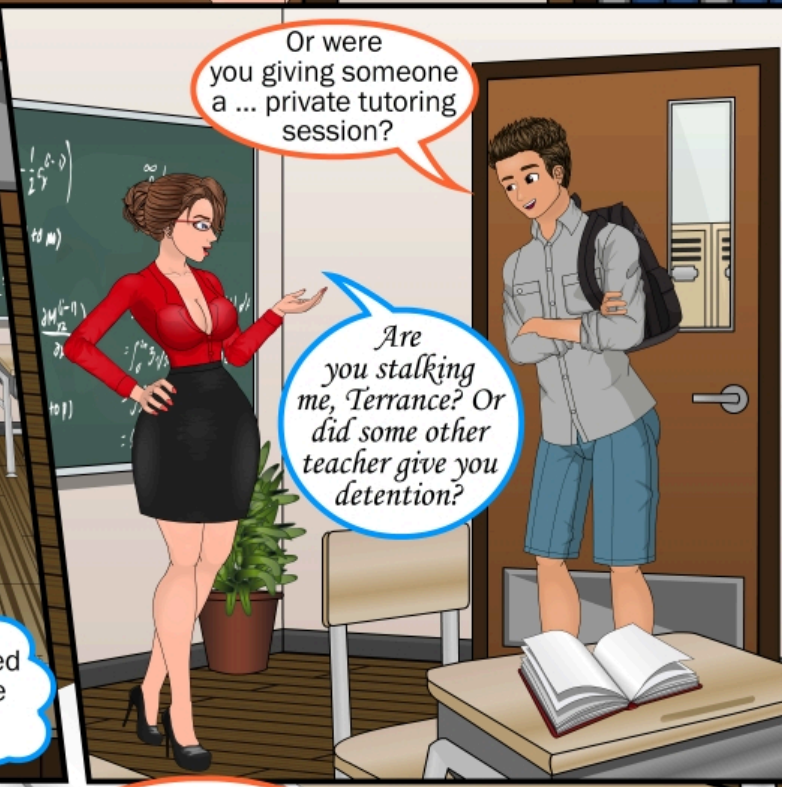

Late class tonight, Miss Stewart?

Terrance!

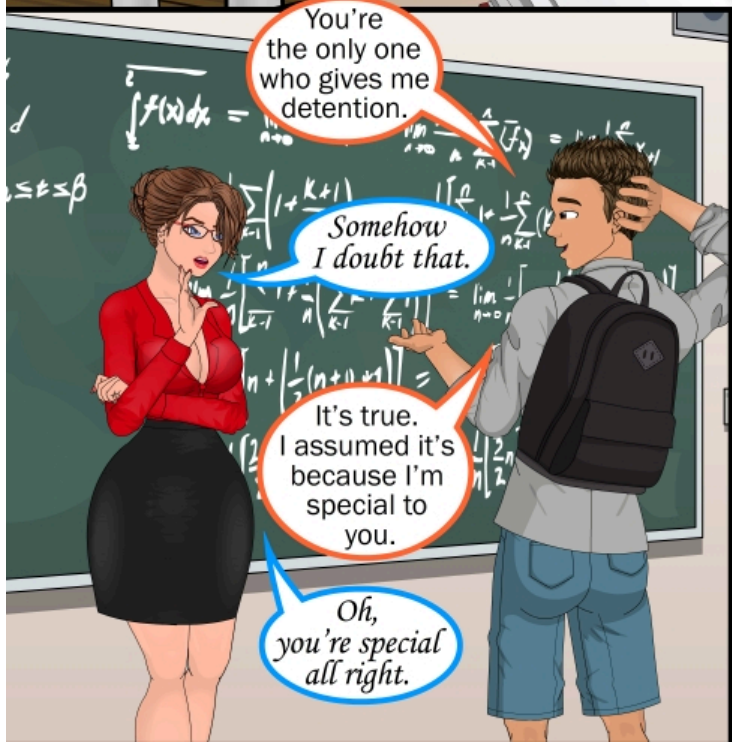

**GASP!**

I can't believe he waited around this late just to bother me!

Or were you giving someone a ... private tutoring session?

Are you stalking me, Terrance? Or did some other teacher give you detention?

You're the only one who gives me detention.

Somehow I doubt that.

It's true. I assumed it's because I'm special to you.

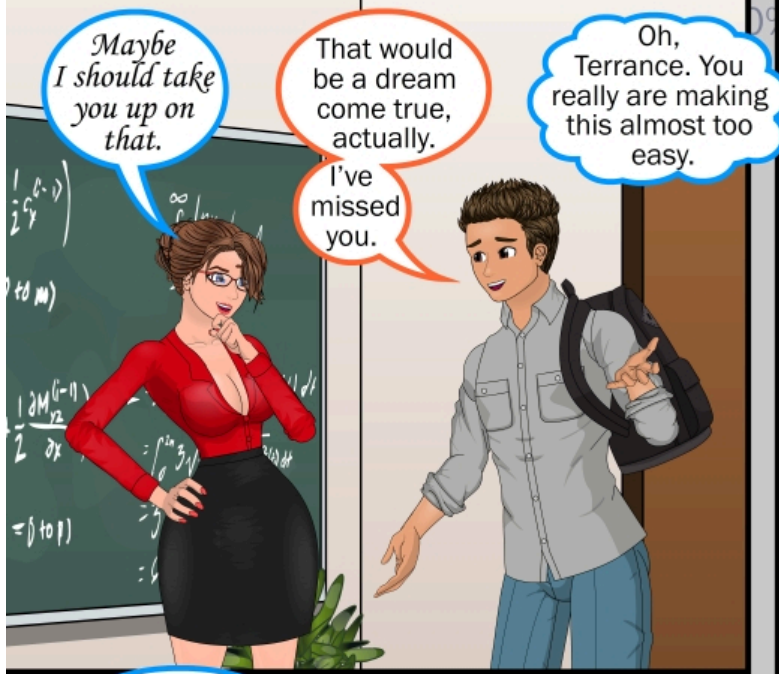

Oh, you're special all right.

Why are you so mean to me, Miss Stewart? You know I'd bend over backwards for you if you asked me to.

Sounds like Terrance has got bending over on his mind.

You would, wouldn't you?

Maybe I should take you up on that.

That would be a dream come true, actually.

I've missed you.

Oh, Terrance. You really are making this almost too easy.

I've missed you too, Terrance. In fact, I was just thinking about you before you startled me.

For real? You were thinking about me?

Are you really so surprised? We had quite an afternoon together.

We sure did. I think about it every single day, Miss Stewart.

Are you thinking about it right now?

You sound a little obsessed with me.

To be honest Miss Stewart... I can't think of anything else.

Yes. I mean no. I mean... maybe a little.

Sounds like we're on the same page tonight.

The idea of fucking Terrance with this strap on is making me so hot.

I'll be on any page you want me to be.

I'm feeling adventurous. You think you can handle it?

It's okay, you don't have to answer. I like you better when you're quiet.

Gulp!

Terrance looks nervous but he's not even trying to get away. I think he's enjoying this.

It's such a turn on to dominate Terrance. His lust for me makes him helpless to do anything but accept my commands.

No matter what they are.

I want you to be mine tonight, Terrance. All mine.

I want that too, Miss Stewart.

PANT! PANT!

Do you see this, Terrance? This is what a real, big cock looks like. If you know what I mean.

Whoa...

Take these off.

Whatever you say, my queen.

Queen? I like that.

I want you to make me your slave.

You just want to be told what to do, don't you, Terrance? All that alpha male crap is nothing but a put on.

Only you bring out that side of me.

Lucky me.

Trust me Miss Stewart I'm not gay, but the sight of you wearing that thing just makes me feel so -

Less talking and more undressing.

I don't have all night.

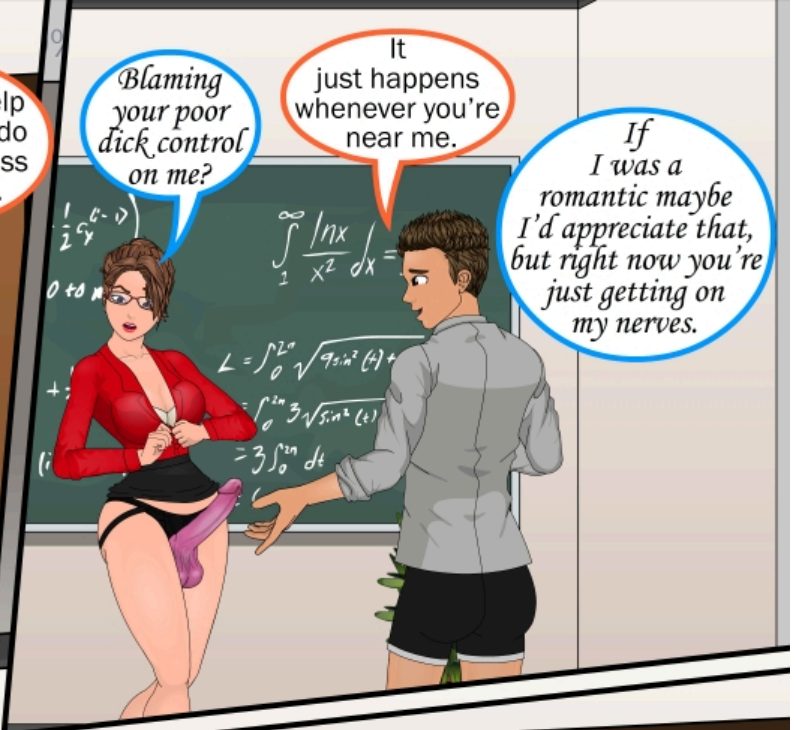

$$0 = \sum_{i=0}^n m_{i,j} \psi_i^{(j)}$$
$$\frac{2M^{(j)}}{2x} - \frac{1}{2}$$

I see you're nice and hard already.

Terrance seems really turned on by this strap on...

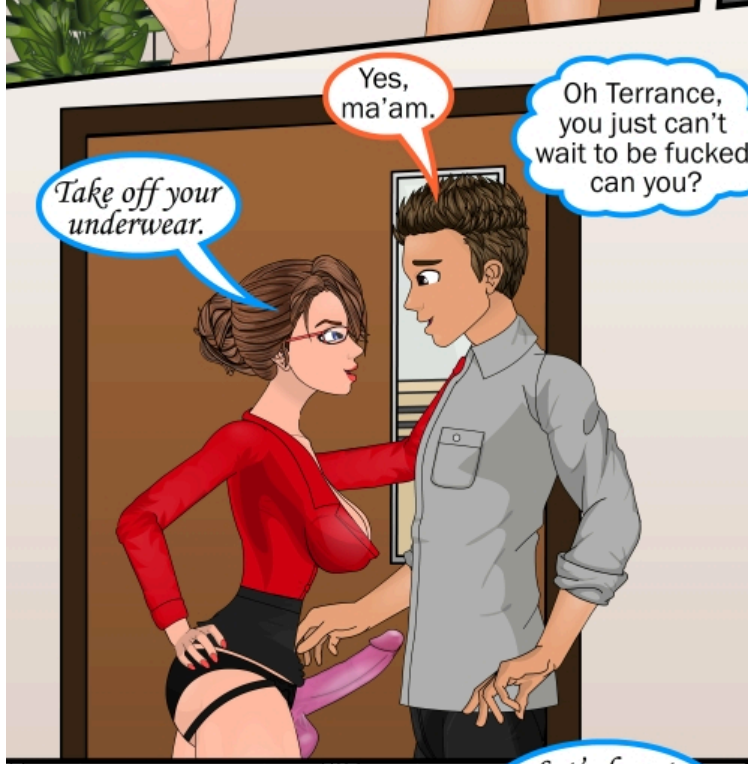

I can't help what you do to me, Miss Stewart.

Blaming your poor dick control on me?

It just happens whenever you're near me.

If I was a romantic maybe I'd appreciate that, but right now you're just getting on my nerves.

Take off your underwear.

Yes, ma'am.

Oh Terrance, you just can't wait to be fucked can you?

Are you ready to follow my instructions, Terrance?

I'll do anything you say, ma'am.

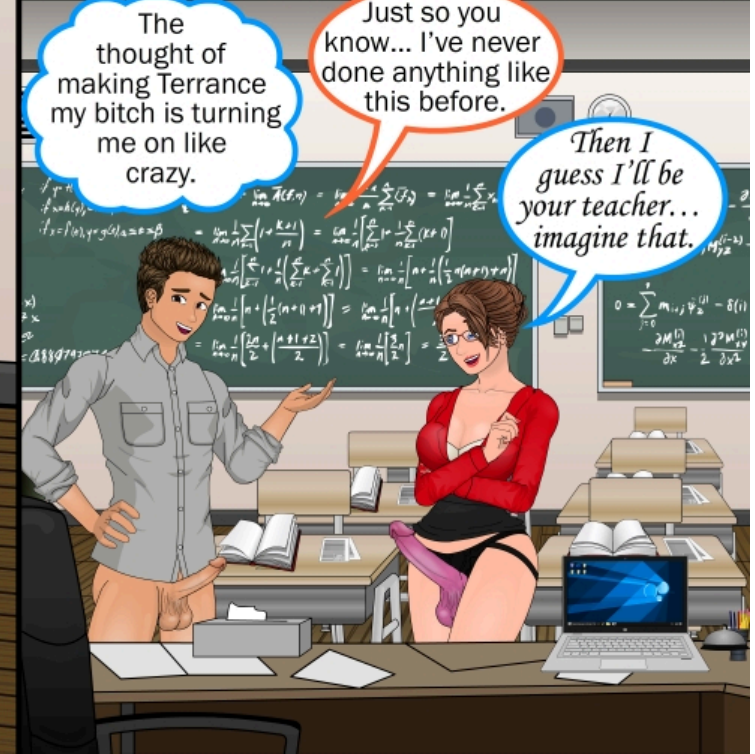

That's what I like to hear.

Bend over my desk.

Backwards or forward?

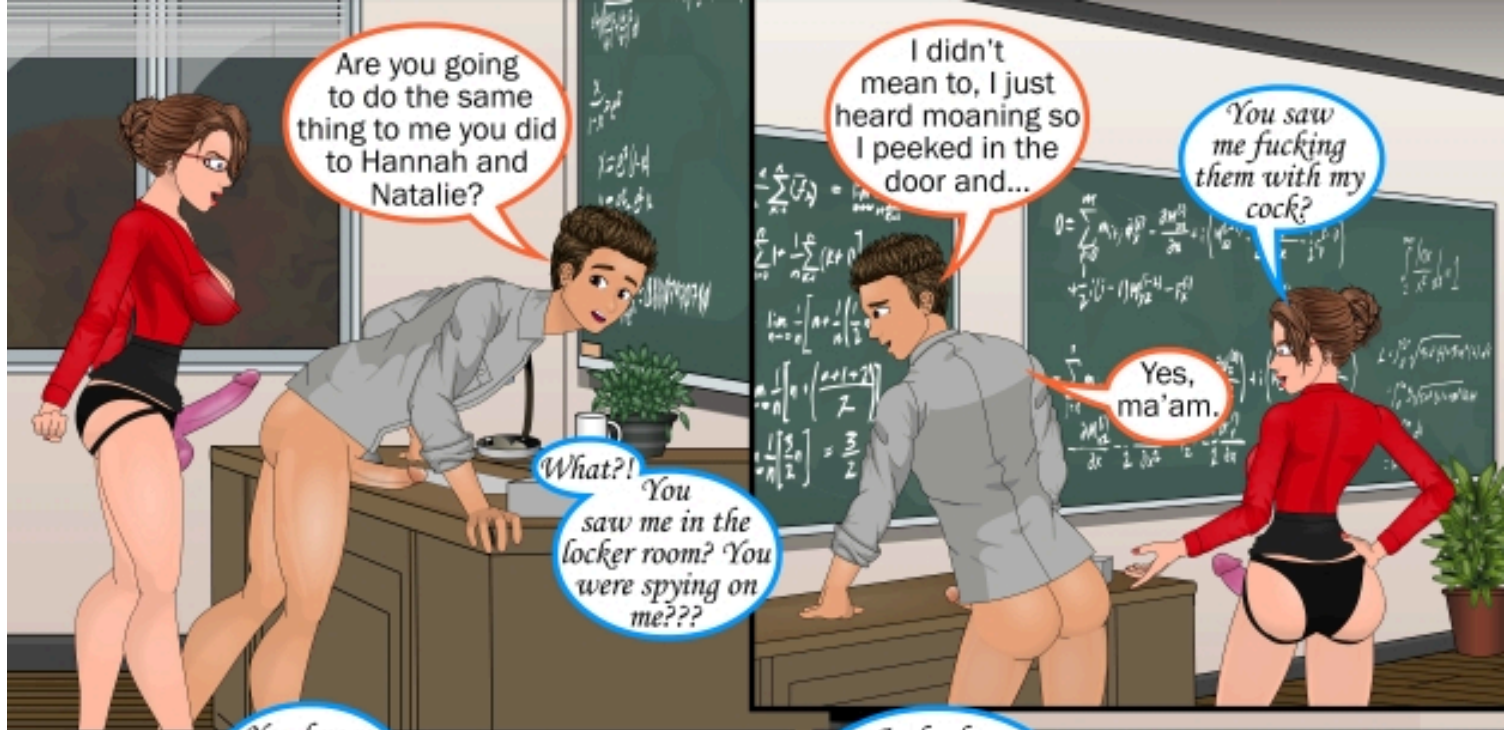

Let's forget about bending over backwards for now... I want to see that ass.

The thought of making Terrance my bitch is turning me on like crazy.

Just so you know... I've never done anything like this before.

Then I guess I'll be your teacher... imagine that.

Are you going to do the same thing to me you did to Hannah and Natalie?

I didn't mean to, I just heard moaning so I peeked in the door and...

You saw me fucking them with my cock?

What?! You saw me in the locker room? You were spying on me???

Yes, ma'am.

You know I can't let you get away with that, don't you Terrance?

I wouldn't expect you to, ma'am.

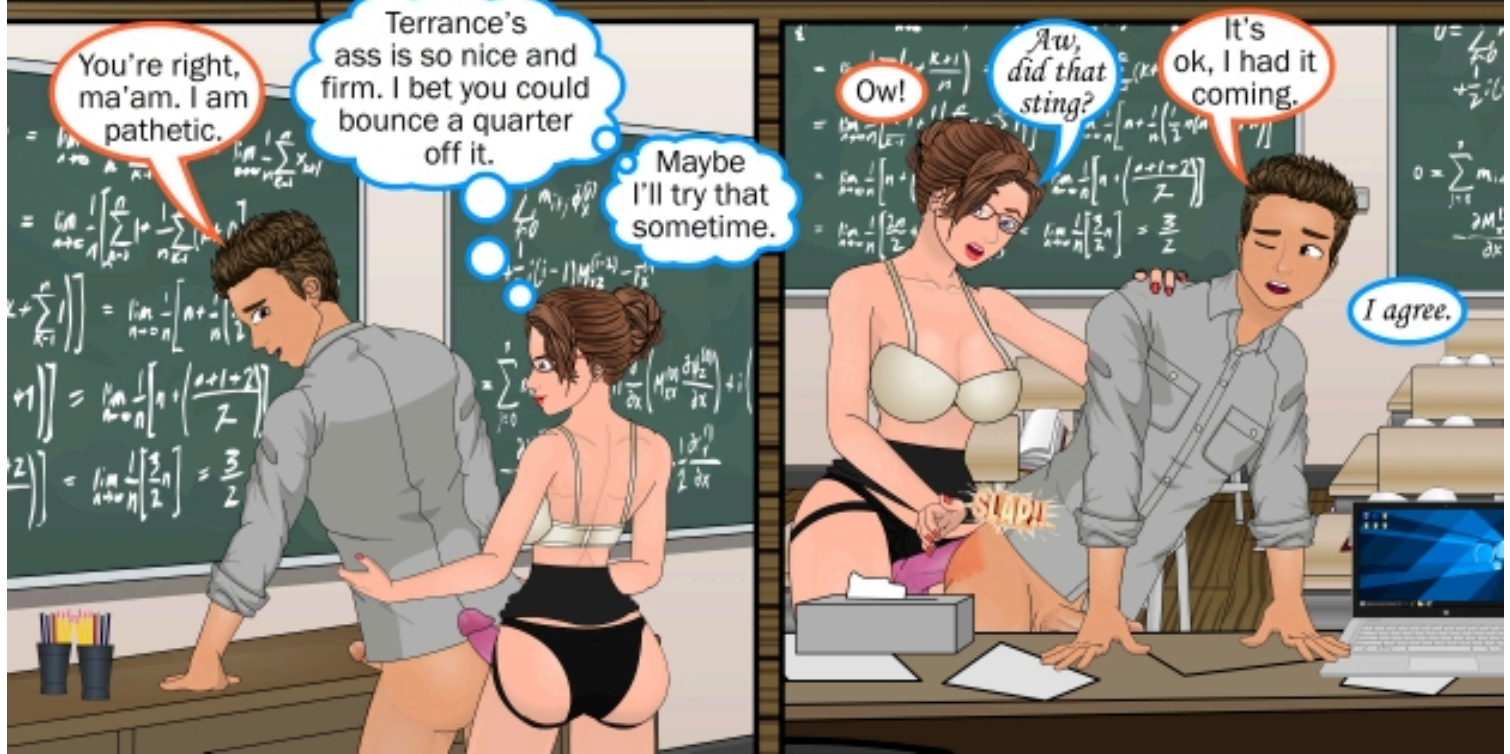

I should have known Terrance was secretly a bottom!

And when you saw me fucking them with my big, hard cock, did you get jealous?

Yes, Miss Stewart...

That's why I waited for you.

What a pathetic little stalker...

You're right, ma'am. I am pathetic.

Terrance's ass is so nice and firm. I bet you could bounce a quarter off it.

Maybe I'll try that sometime.

Ow!

Aw, did that sting?

It's ok, I had it coming.

I agree.

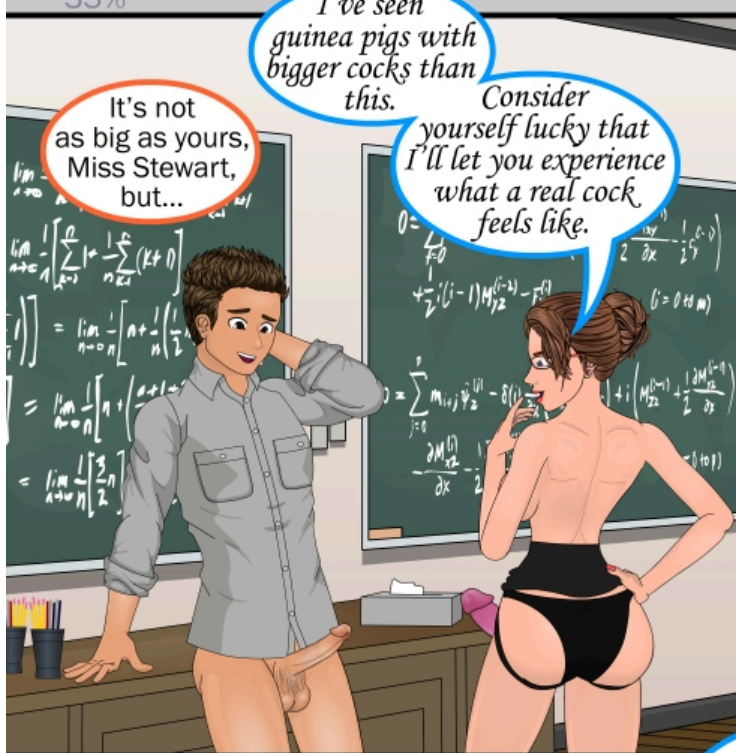

I apologize Miss Stewart. I didn't mean to invade your privacy.

You did mean to, Terrance. We both know you followed me in there intentionally to spy on me.

Looks like Terrance is enjoying this interrogation even more than I am.

Now, stand up so I can see that weak little boner of yours.

It's not as big as yours, Miss Stewart, but...

I've seen guinea pigs with bigger cocks than this.

Consider yourself lucky that I'll let you experience what a real cock feels like.

You really are a disappointment, Terrance. In every possible way.

I'm sorry Miss Stewart...

moan...

Do you like it when I stroke your itty bitsy cock? Tell me how much you like it.

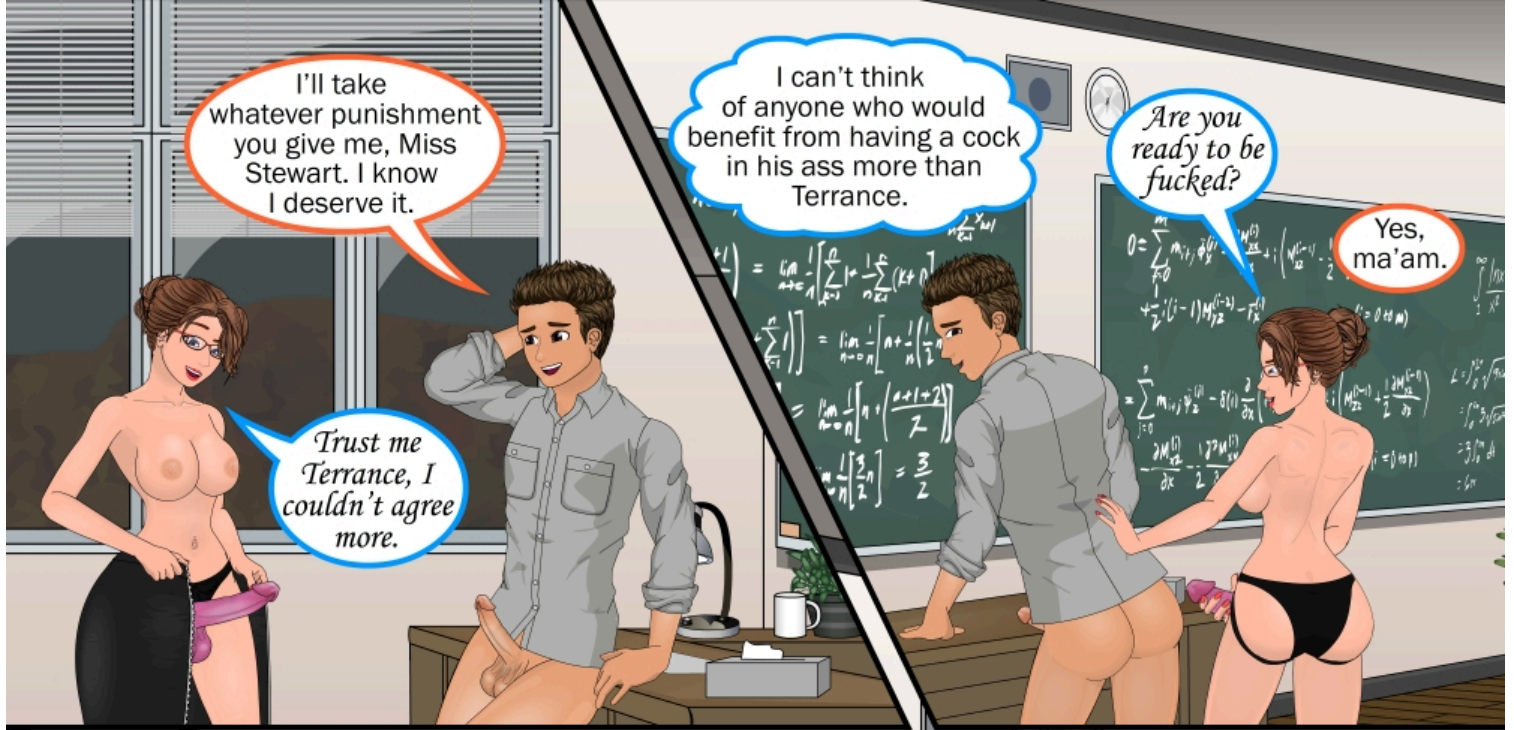

Please, don't stop, Miss Stewart...

I said tell me how much you like it.

I'm sorry, Miss Stewart!

You still can't do as your told, can you? Still can't follow basic commands.

I'll take whatever punishment you give me, Miss Stewart. I know I deserve it.

Trust me Terrance, I couldn't agree more.

I can't think of anyone who would benefit from having a cock in his ass more than Terrance.

Are you ready to be fucked?

Yes, ma'am.

I better go in with my fingers first. He's a virgin, after all.

I can't wait to feel her inside of me. It's like she's taking my virginity.

There we go. Nice and slippery and smooth.

I like it when he's desperate.

Miss Stewart... please... I can't wait any longer...

I can feel it going in...

This is just foreplay, Terrance.

Ma'am?

I'm breaking you in, nice and easy.

Mmm... Thank you Miss Stewart.

I'm being a lot nicer than you deserve.

Just relax...

Yes, ma'am. Anything you say.

That's what I like to hear.

Ahhhh!!

Yes, Terrance... good boy. Good boy.

I think he's ready for me to bust his cherry!

How does it feel, Terrance?

MOAN! Oh my god...

Oh, he's definitely ready.

That's it, baby... give Miss Stewart that big, round ass.

Ugh, Miss Stewart... this feels so good.

I knew you'd like it you bad, bad boy...

I get so turned on watching Terrance squirm.

I can't wait to see what he does when I fuck him with this strap on.

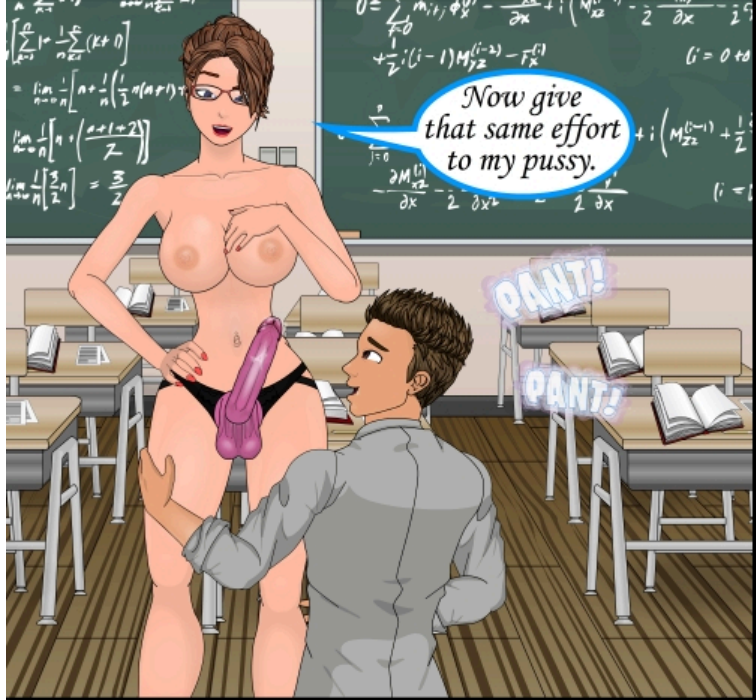

Ah! Miss Stewart!

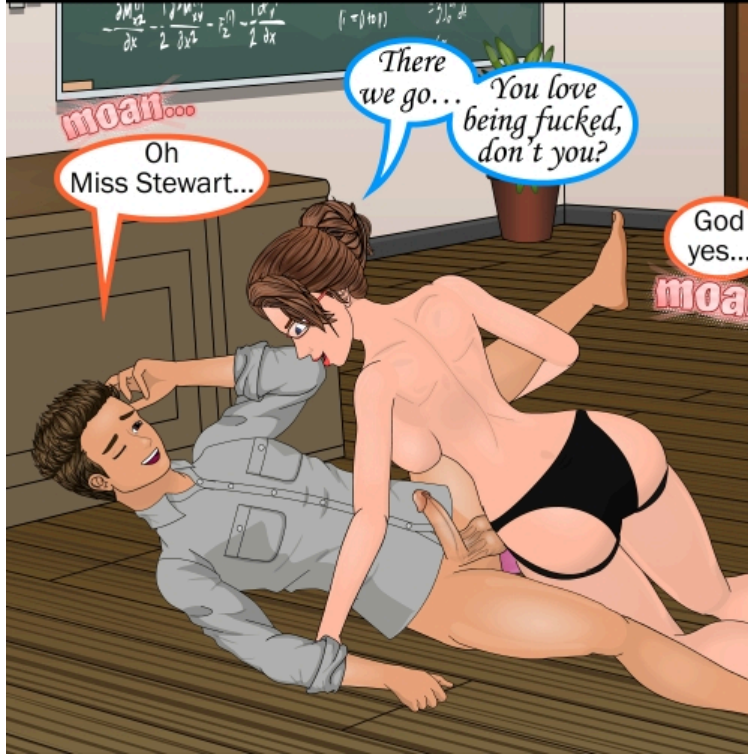

Don't worry, I'm not finished with you yet.

Not by a long shot.

Turn around.

Ah-ah-ahhhh!!!

Don't you DARE cum without my permission Terrance!

I'm - I'm sorry Miss Stewart!!!

That should bring him back to earth.

Mmm!!

Ugh...

How dare you cum before I tell you to. Now I'm stuck with your limp little dick, and I haven't even cum yet.

I'm sorry Miss Stewart... it just happened.

He's definitely not the stud I thought he was.

You idiot! You sprayed cum all over my breasts!

I'm sorry Miss Stewart. I didn't mean to get it on you.

But you did get it on me, Terrance. And now you have to clean me off.

Here we can use my shirt to wipe you off.

Your shirt?

It's the least I can do.

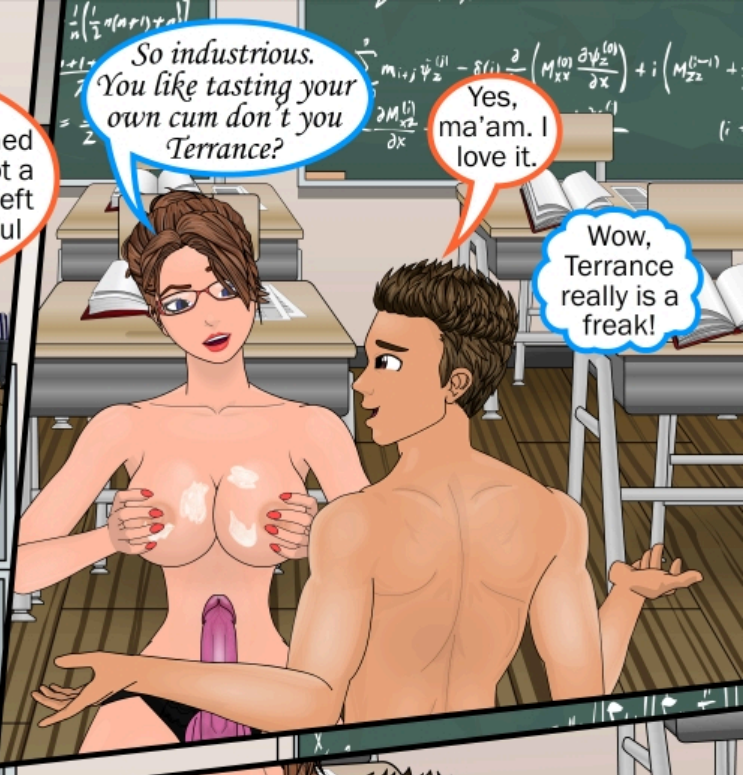

Oh, come on Terrance. We've been through this before.

I hope she's going to make me do what I think she's going to make me do...

If memory serves you're quite good at licking up messes.

You have a good memory, ma'am. I promise to get you all cleaned up, so there's not a drop of my cum left on your beautiful skin.

So industrious. You like tasting your own cum don't you Terrance?

Yes, ma'am. I love it.

Wow, Terrance really is a freak!

May I lick it off you now, Miss Stewart?

Yes, Terrance. And don't you dare leave even one drop of your dirty cum on my body.

Yes, ma'am.

Mm... good boy.

That's it. Lick it all off.

Mmmmpf.

It's yummy, isn't it?

Oh Terrance, how can someone who used to make me feel so bad make me feel so good?

Mmm... I like how enthusiastic you are. Keep going.

That's it. Get every drop.

Slurp!

You missed a spot.

Mmpf!

I think I'm pretty clean now, what do you think?

Mmm...

Slurp!

Such a good boy.

But you still have one more task to complete.

I haven't cum yet, Terrance.

Yes, I got it all, ma'am.

Eat my pussy, Terrance.

Yes, ma'am.

Yes, just like that...

moan...

Slurp!

Mmmpf!

Lick faster, Terrance...

MOAN!

I want to cum so bad!

MOAN!

I'm getting close! Keep licking me!

Stick your tongue in my pussy Terrance!

I'm gonna cum!

Mmmpf!

MOAN!!!

Slurp! Slurp!

PANT!

Gasp!

Damn, that orgasm was intense.

Good job, Terrance.

Thank you, Miss Stewart.

Come on, we need to get out of here.

Yes, ma'am.

So do you always wear this under your skirt?

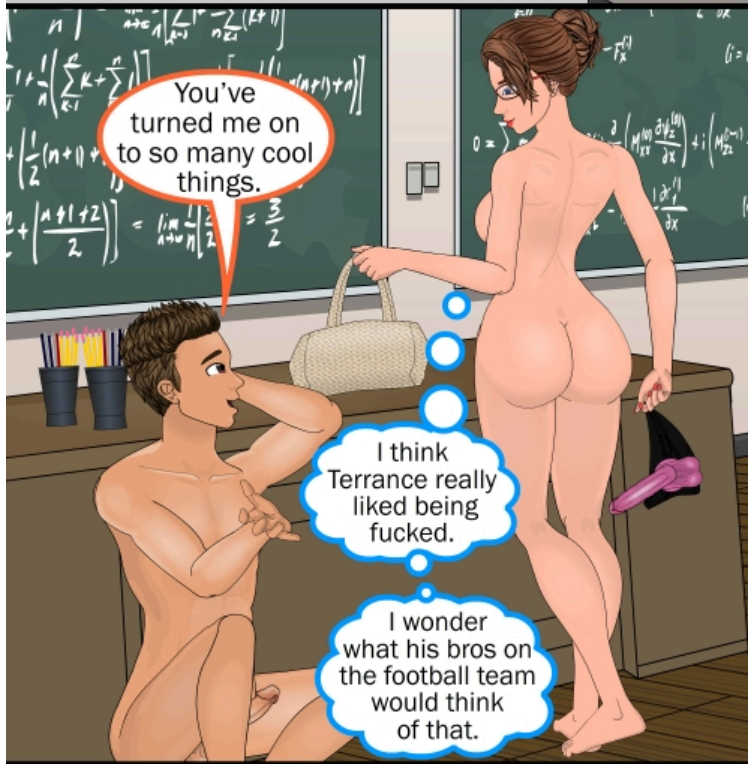

That's none of your business.

Sorry, I was just... hoping the answer was yes.

Always trying to push it, aren't you Terrance?

Terrance seems pretty intrigued by my strap on... I wonder why.

Give me that!

You've turned me on to so many cool things.

I think Terrance really liked being fucked.

I wonder what his bros on the football team would think of that.

Who knows, maybe you'll see it again sometime.

I hope so.

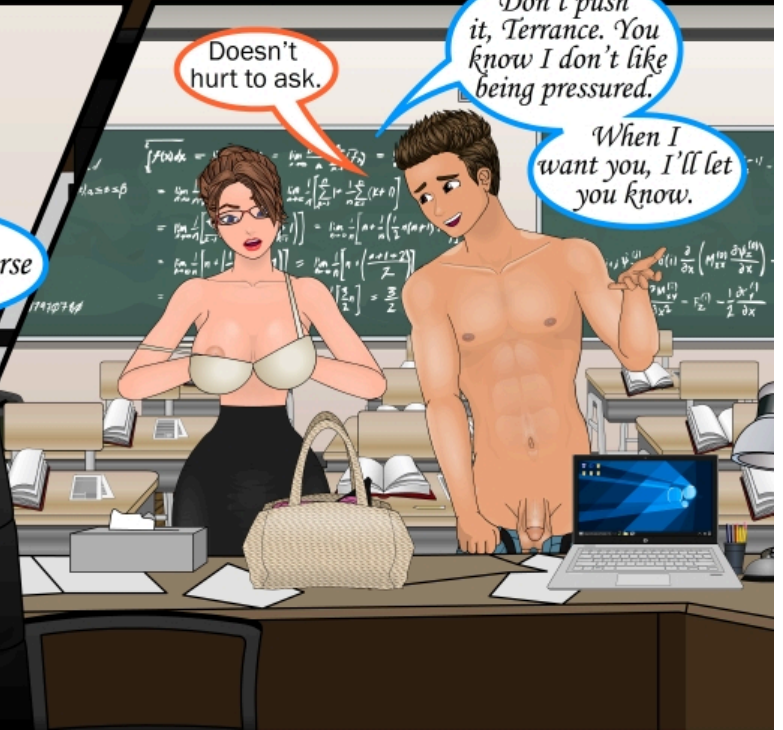

If you're lucky.

Get dressed, Terrance. You need to get out of here.

Can I come with you back to your place tonight?

Are you crazy? Of course not.

Doesn't hurt to ask.

Don't push it, Terrance. You know I don't like being pressured.

When I want you, I'll let you know.

I promise I won't violate your boundaries again, Miss Stewart. I've learned my lesson.

Good. Maybe you're not as dumb as I thought.

You really are growing on me, Terrance.

Thank you, ma'am. I hope you'll be even more impressed by me as time goes by.

We'll have to wait and see about that.

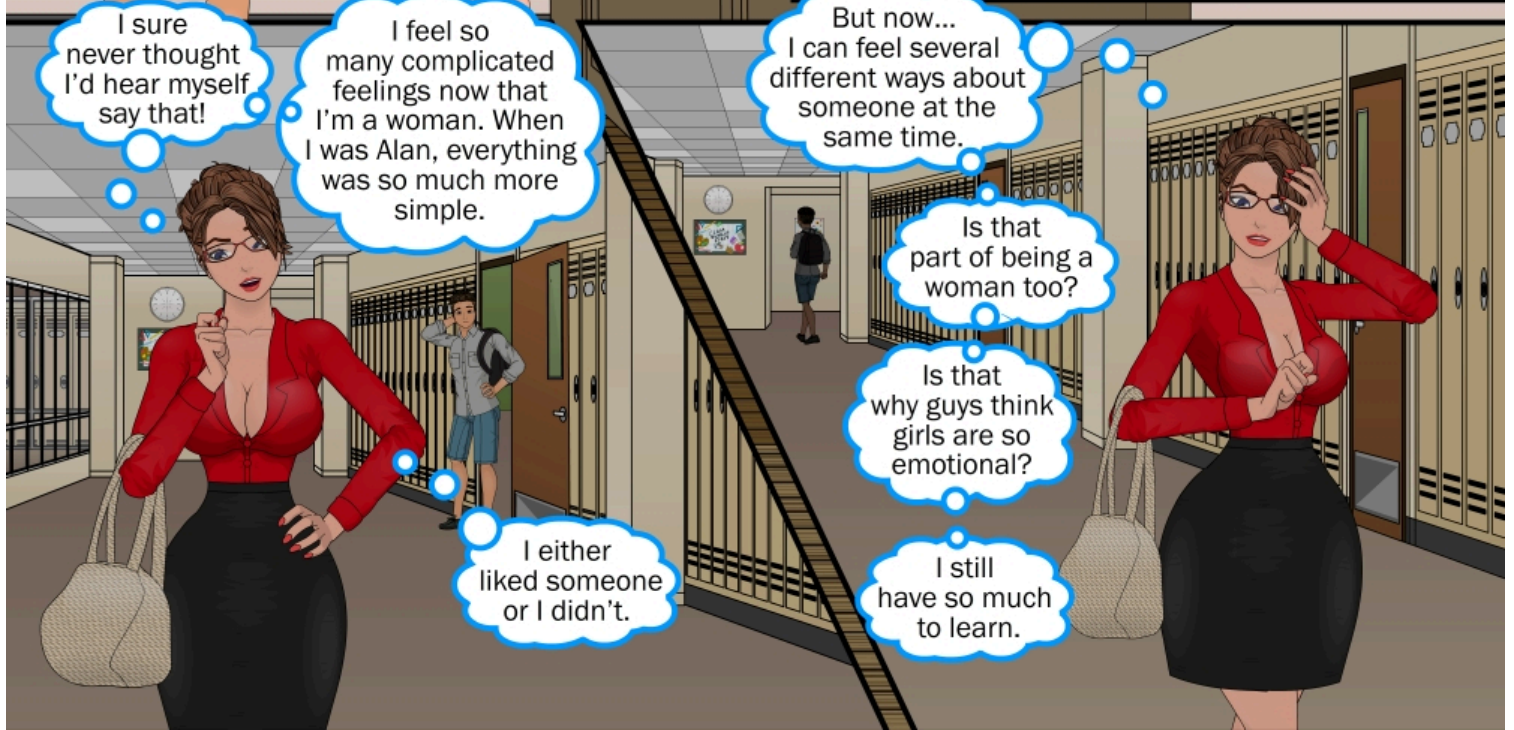

Goodnight, Terrance.

Goodnight, Miss Stewart.

I like fucking Terrance but I could really do without the guilt trips.

Why is he so emotional and needy?

But I wasn't lying, he is growing on me.

I sure never thought I'd hear myself say that!

I feel so many complicated feelings now that I'm a woman. When I was Alan, everything was so much more simple.

But now... I can feel several different ways about someone at the same time.

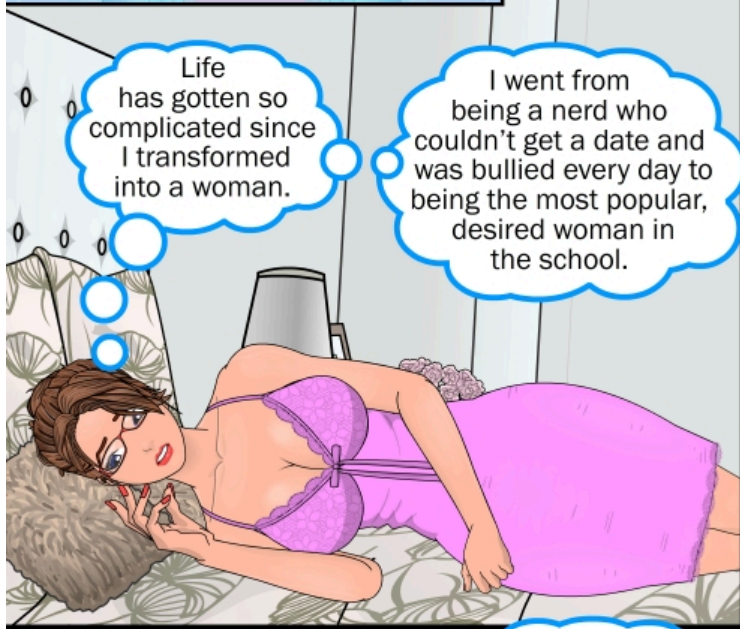

Is that part of being a woman too?

Is that why guys think girls are so emotional?

I either liked someone or I didn't.

I still have so much to learn.

# LATER THAT NIGHT...

Life has gotten so complicated since I transformed into a woman.

I went from being a nerd who couldn't get a date and was bullied every day to being the most popular, desired woman in the school.

There really isn't anything I miss about my old life....

Well, maybe one thing.

Jack.

It's strange not having him to talk to. I don't even get to see him in class anymore.

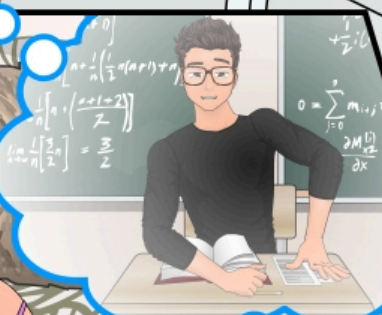

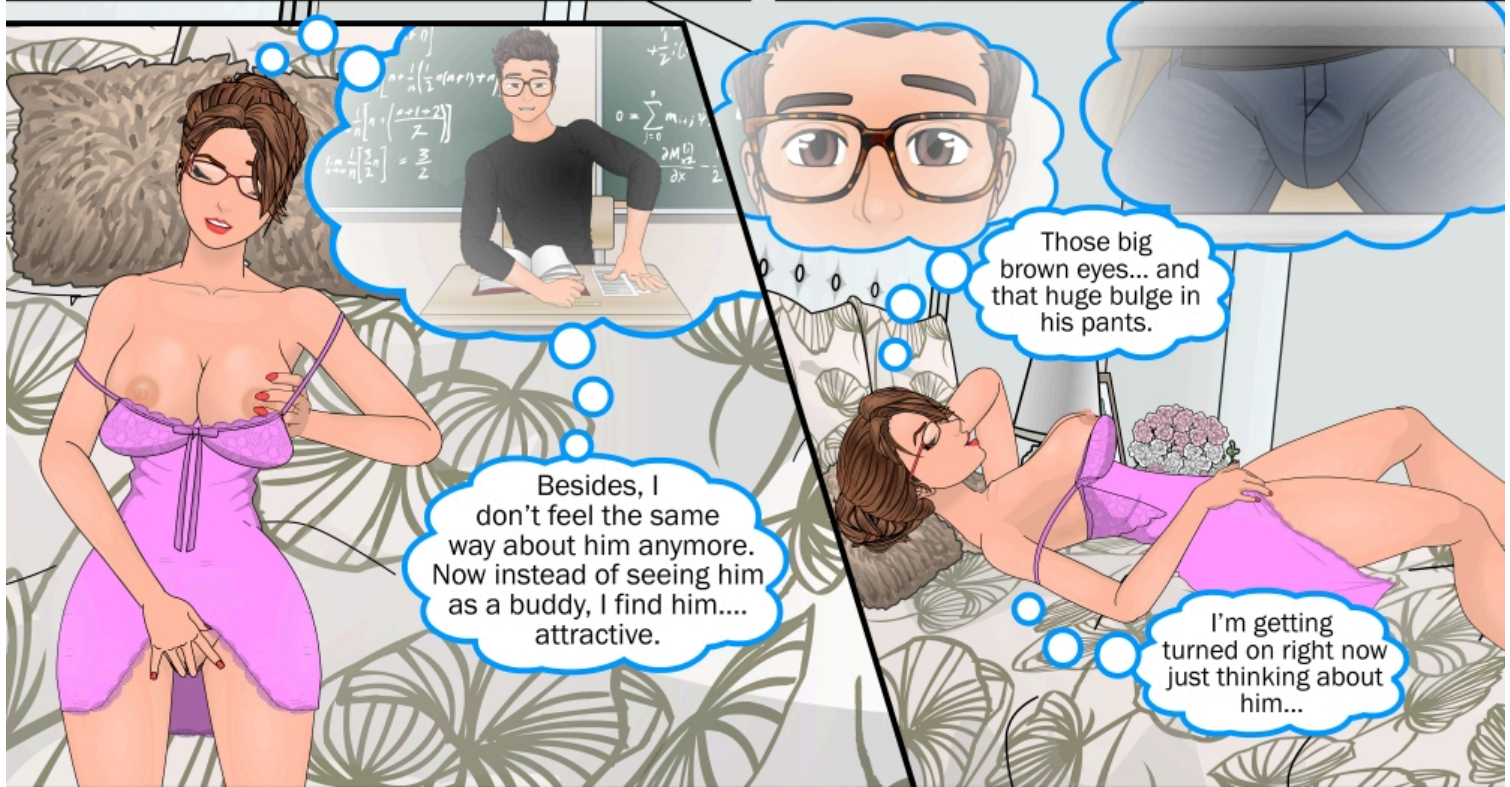

I know he must be missing me, too. I was his best friend in the world.

I knew all of his secrets, and he knew mine.

But now I have a secret too big to tell anyone - not even Jack.

If he knew his best friend Alan transformed into the hottest teacher in school... I don't think he'd even believe it.

Besides, I don't feel the same way about him anymore. Now instead of seeing him as a buddy, I find him.... attractive.

Those big brown eyes... and that huge bulge in his pants.

I'm getting turned on right now just thinking about him...

I'm such a sex fiend! How can I be horny again?

I've had so much sex today already.

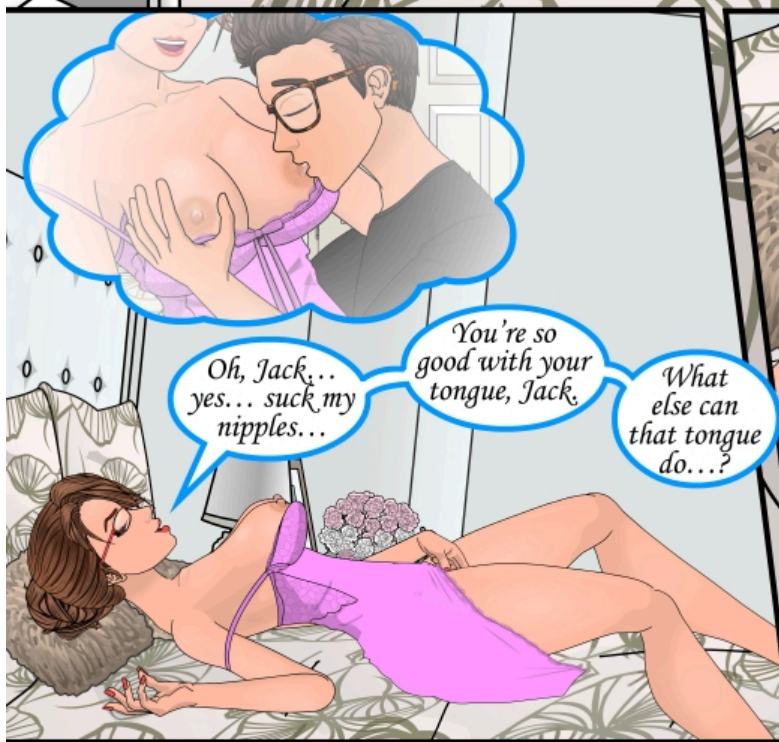

But one more orgasm does sound good right now...

I've never jerked off to my best friend before... I feel a little guilty.

But not that guilty.

Mm... that feels good...

Oh, Jack... yes... suck my nipples...

You're so good with your tongue, Jack.

What else can that tongue do...?

moan...

Yes, Jack... keep going... just like that.

Oh god, yes... yes...

moan...

Oh Jack... Jack you're going to make me cum...

MOAN!

Uhhh... yes... here it comes... here it comes!!!

Oh Jack I'm cumming! I'm cumming!

Aahhhhhhh!!!!

MOAN!!!!

PANT!

PANT!

Man, that was a good orgasm. Thanks Jack.

A FEW DAYS LATER...

I know Mr. Sankey wanted to take me to a fancy dinner tonight, but is it wrong that I just want to stay in and seduce him?

Not to sound slutty, but I'm not looking for some big romance with another teacher.

What I really want is a booty call who won't give me problems like Terrance does.

I need a grown man that can handle a casual sexual relationship. The only question is...

Does Mr. Sankey want that too?

I guess I'm about to find out.

Be right there!

Well, hello there.

I love a man who's punctual. Please come come in.

I'm glad he didn't do anything corny like bring me flowers.

You look ravishing tonight. I'm flattered.

Why is that?

Well, would I be wrong in assuming you dolled up for me?

What, this old thing?

Not that you ever look anything less than amazing.

You are smooth, Mr. Sankey, very smooth. Can I get you a drink? I see you as a red wine kind of guy.

A drink...? I thought we might head to the restaurant.

Or... we could just stay here.

Do you mind if I ask... why the change of heart?

I'm just in the mood for a more intimate setting.

Intimate? Am I her booty call tonight? She's so mysterious. It's hard to know what's going on in her mind.

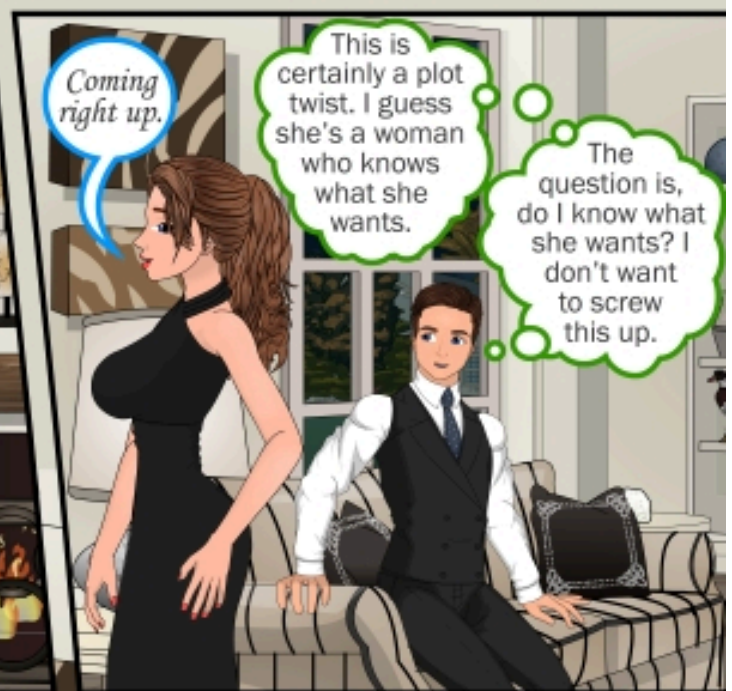

Well I'm not one to argue with a beautiful woman.

And I happen to have a great bottle of wine I've been saving for a special occasion.

You flatter me again.

You ain't seen nothing yet Sankey.

Coming right up.

This is certainly a plot twist. I guess she's a woman who knows what she wants.

The question is, do I know what she wants? I don't want to screw this up.

I like how agreeable Sankey is. He doesn't get all paranoid like Terrance just because I have a change of heart.

That's the difference between men and boys, I guess.

Can I help you with that?

No, I've got it!

Get ready to have your mind blown.

By you or the wine?

I hope that wasn't too forward. I definitely don't want to turn her off.

He's definitely got his mind on sex.

Filler up?

To the rim. It's been a long month, I've been looking forward to a night of relaxation.

I hope that's not all he's been looking forward to. I need some great sex tonight, and Sankey better not disappoint me.

Well this night is turning out different than I expected. I wonder what other surprises she has up her sleeve?

Mmm...

So what's the verdict, is it worth giving up reservations at the hottest restaurant in town for?

And we haven't even gotten to the main course...

It's sublime. Miss Stewart, I will never doubt you again. And might I mention, I love the ambience here, too. Five stars.

I'm glad you approve.

There's no way she's naïve to the sexual tension between us. If there's one thing I know about Miss Stewart, she's extremely sophisticated.

I can only imagine how delicious that main course will be. I'm chomping at the bit.

Patience is a virtue.

"Patience is a virtue", first uttered in the 14th century by poet William Langland.

Is this what happens when I get you buzzed on good wine?

I studied the Renaissance in graduate school. Sorry.

Poor Sankey has no idea that I was in one of his classes last year before I transformed.

Let's talk about you a little bit.

Me? I'm just a boring guy. Nothing to see here, folks.

I don't believe that for a second. If I did I wouldn't have agreed to go out with you.

Well whatever it is about me that worked for you... I'm happy it did.

More wine?

I better pace myself. I don't want to get sloppy.

Maybe it's time to show him the rest of my apartment... like my bedroom.

Then how about a little tour of my apartment?

I'd be honored.

It's not much, but I do love to decorate.

Just one more of your many talents, I'm sure.

He's about to discover even more of my talents...

This is my bedroom. My sanctuary.

Well it's certainly lovely.

Don't be shy. Come in.

God, she's bringing me in her bedroom. Play it cool, Sankey. Play it cool.

The linens on my bed were imported from France.

Well, your beauty sleep is important. They must be heavenly.

Wanna see for yourself?

See ... for myself?

Just lay on top of the blanket.

I must be dreaming... is she really inviting me to lie down in her bed?

Feels very nice.

No, silly. LAY on it.

Are you sure - ?

Whoa -

Diddle!  
Like this!

See? Isn't it soft?

It is... very soft.

Do you like soft things...?

It depends on what we're talking about...

Are you really going to make me spell it out for you...?

No... No, I guess not.

Mmm....

God she's a great kisser.

Your lips are... very soft. Speaking of soft.

Soft is nice... but I like hard sometimes, too. Do you know what I mean, Mr. Sankey?

Sorry but I couldn't help but notice your hard on the day we were in the teacher's lounge...

And I've been thinking about it ever since.

Gulp!

And I haven't been able to get these extraordinary breasts of yours out of my mind.

Really?

You mean these?

Wow.

I think it's time Mr. Sankey and I got down to business.

I hope they live up to your fantasies, Mr. Sankey

Miss Stewart, you have surpassed my wildest fantasies already.

And I haven't even gotten started...

Mr. Sankey sure is hot for an older guy. Ha - I keep forgetting that now I'm the same age as my teachers! It's a lot more fun being older, that's for sure.

Then what are we waiting for...?

All I know is I'm waiting to feel your hands on my body... like right now.

Your wish is most definitely my command...

Amazing? Really?

I think I died and went to heaven...

And to think this guy gave me a C in his class last year...

Oh my god...

Mm... that feels good.

It feels ... amazing.

Mmm...

Slurp!

Ahhh... I love that. Suck it nice and hard.

Mmpff!

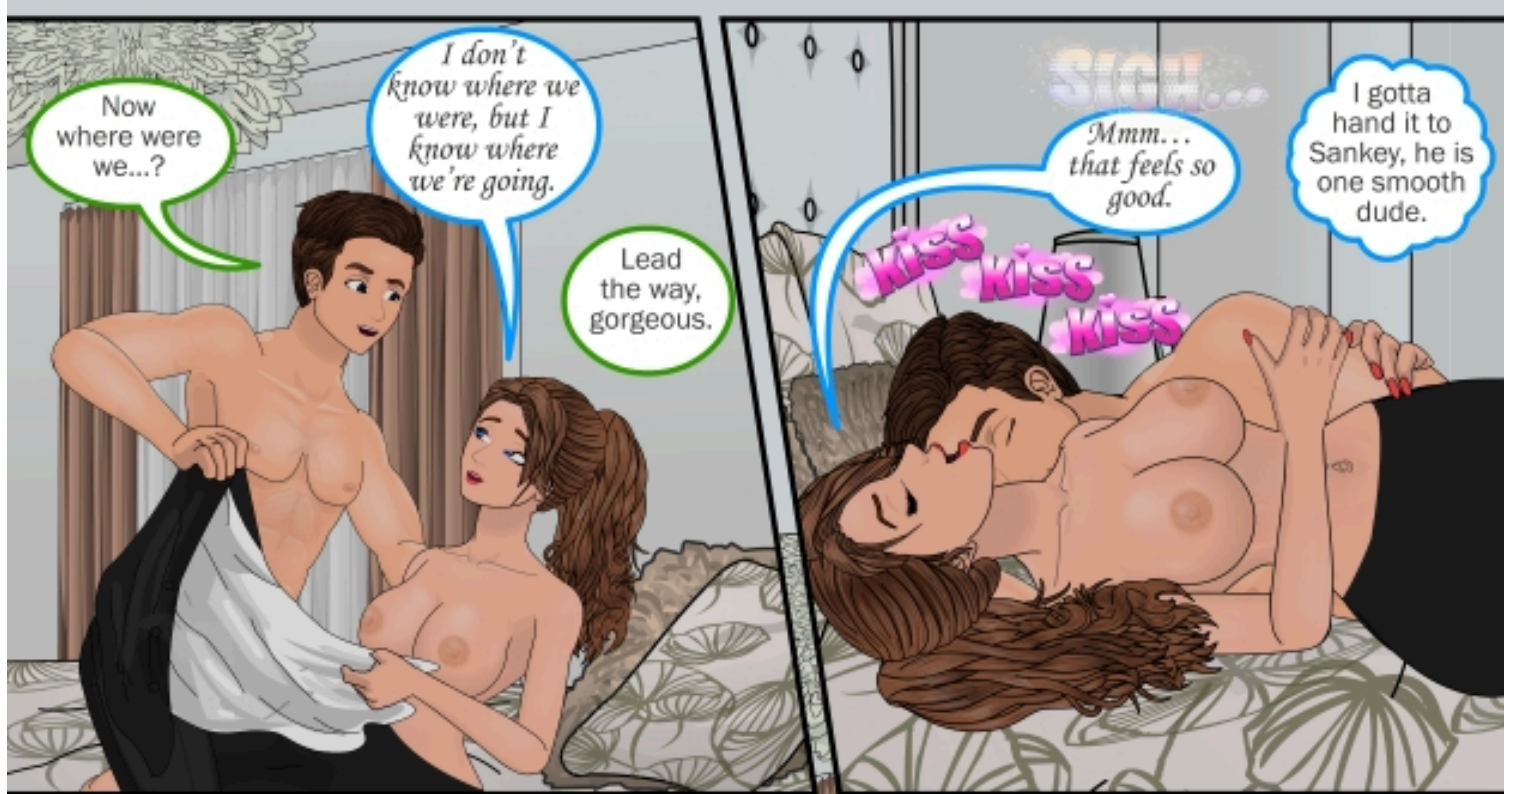

Giggle!

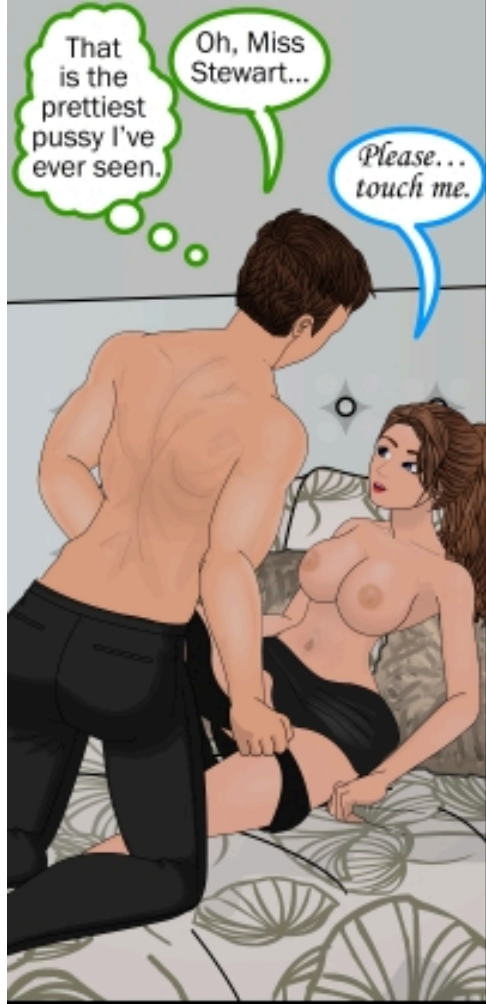

I hope I don't smother the poor guy... but there are worse ways to die.

Hey!

Now who's in control? Hmm?

That is the prettiest pussy I've ever seen.

Oh, Miss Stewart...

Please... touch me.

Ohhh... Oh Mr. Sankey, you're so good at this...

Slurp!  
Slurp!  
Slurp!

Oh yes... yes... keep licking me...

Mmmph...

Slurp!  
Slurp!

God she tastes good...

Mr. Sankey is so much more experienced than Terrance... he really knows what he's doing.

Oooh... moan...

I think he's going to make me cum already...

Oh Mr. Sankey... I'm getting close...

Slurp!  
Slurp!

Mmm....

Ahhh!! I'm cumming!!!

MOAN!

Slurp!  
Slurp!

Mmmph!!

You're delicious.

And you're ... amazing.

And now for the main event...

I can't wait to be inside you...

I want you, Mr. Sankey.

I've never wanted a woman more in my life.

Please, Mr. Sankey... fuck me...

I bet he can't get those pants off fast enough.

Miss Stewart, meet your biggest fan.

My biggest fan? Then I better give him a command performance...

Oh, god...

Wow, Mr. Sankey's dick is so hard. And it's huge!

Yes, baby... oh god yes...

Slurp! Slurp!

Mmm...

He's so big I can barely fit all of him in my mouth!

I could cum just watching her mouth on my cock...

Please don't stop... oh god, don't stop...

Mmm....

Oh god Miss Stewart... I'm gonna cum...

Slurp!  
Slurp!

GAG

Mmmph!

You can deep throat too?!?!

GAG

The power of pussy, indeed...

I know you know I'm not finished with you yet.

I should certainly hope not...

I'm still hard as a rock.

Giggle!

I've never cum from a blow job in my life.

Then I guess I get an A for effort, eh, Mr. Sankey?

I'm coming baby!!!

MOAN!!!

Gulp!  
Gulp!  
Gulp!

GAG

Ahhh...  
Oh, Mr. Sankey...  
you're so big...

God,  
that's a tight  
pussy...

**moan...**

You  
make  
me crazy,  
woman... this  
body of  
yours...

I love that  
big cock...  
ooh, fuck me  
harder...

Yeah, you  
like it hard? Is  
that what you like?  
You want me  
to pound your  
pussy?

Yes,  
please... pound  
it hard...

You like  
when I fuck this  
tight little pussy  
nice and hard? Like  
THAT?

Ahhh...  
yes! Yes!  
More!

I love  
Mr. Sankey's  
confidence.  
He's up for any  
challenge.

That's  
enough pounding  
for you... now I  
want some  
romance...

Mmm...  
yes, baby.

Smooth,  
Sankey.  
Very smooth.  
You're definitely  
passing every test  
today.

Your  
body is perfect,  
you know that?

Of  
course I  
know it,  
silly.

Just  
like that big cock  
of yours...  
**moan...**

This cock is yours baby... and so am I.

I hope that's just sex talk and he's not trying to wifey me...

Just keep fucking me... that's all I want, baby.

I love this pussy... god I love it.

**moan...**

Oh my god... Please never stop fucking me!

He really knows how to hit my G-spot... I think I'm gonna cum!

Oh god! Oh god I'm gonna cum!!!

I'll fuck you as long as you want, beautiful...

**MOAN!**

It feels so good...

Oh god! OH GOD! I'm cumming!!!

**MOAN!!!**

That's it baby, come all over my cock...

**moan...**

Oh god... oh god...

**PANT! PANT!**

Feeling you cum makes me so hot...

Oh god baby I'm gonna cum too...

Cum for me baby... cum in my pussy!

Yes! Oh god, yes...

MOAN!

Amazing. Just amazing.

I'm so spent...

This is definitely what I needed - to be fucked by a real man.

PANT!  
PANT!

You're the best fuck I've ever had.

You took the words right out of my mouth.

I'd say something poetic but I'm in a daze.

Me too.

You are an angel, Miss Stewart.

And you are everything I could ever want in a booty call, Mr. Sankey.

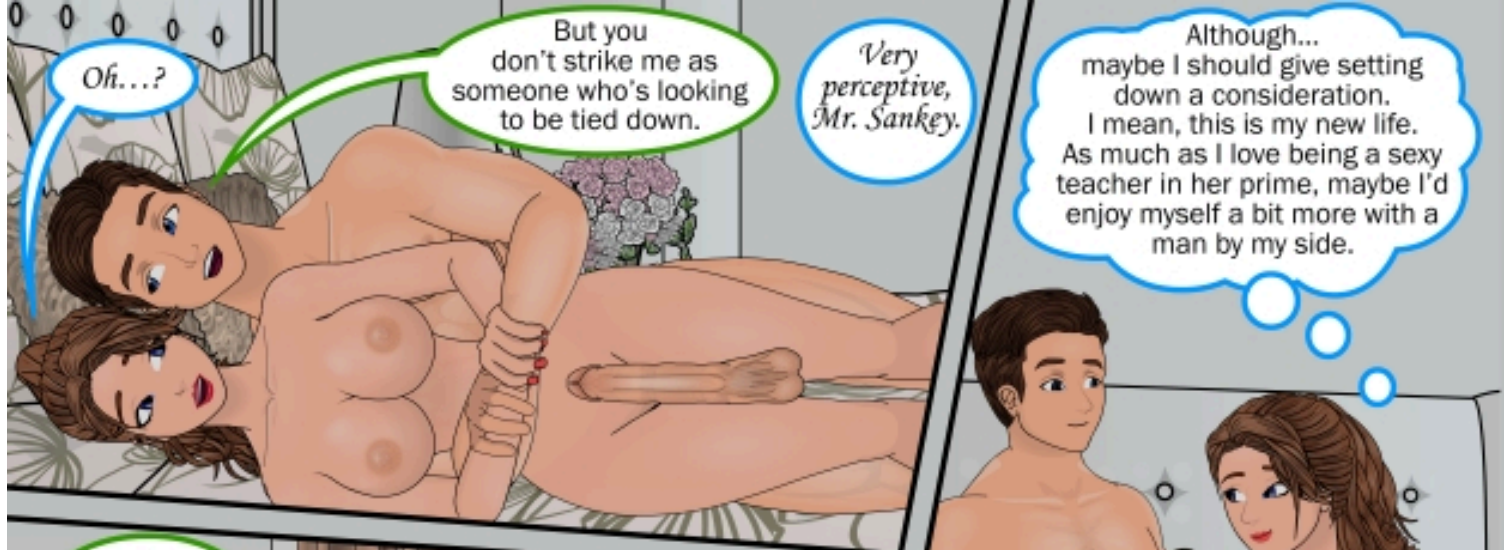

I really enjoyed myself. Maybe we'll do this again sometime.

I'd like nothing more than to be your booty call.

I love a man who can handle casual sex.

I'm not saying I wouldn't want more than sex...

Oh...?

But you don't strike me as someone who's looking to be tied down.

Very perceptive, Mr. Sankey.

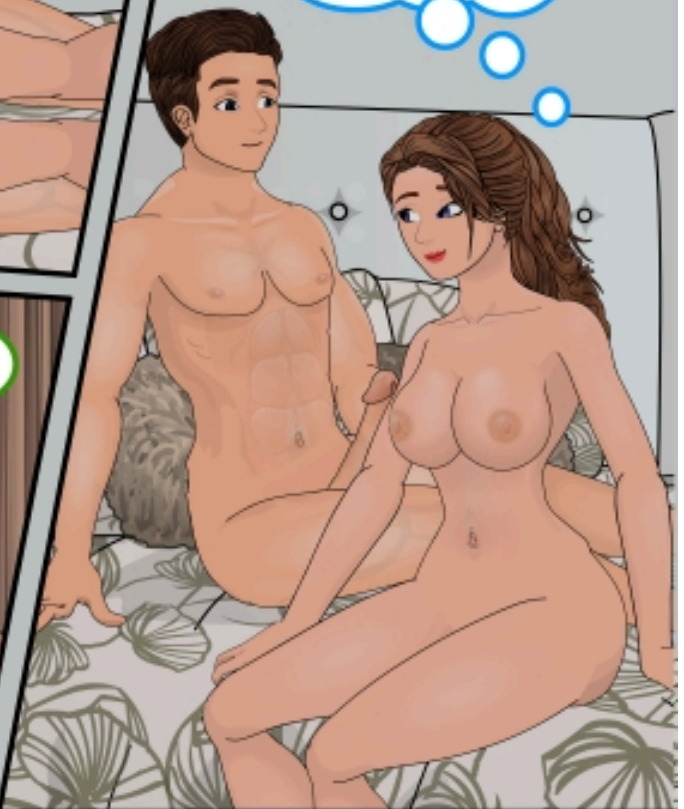

Although... maybe I should give setting down a consideration. I mean, this is my new life. As much as I love being a sexy teacher in her prime, maybe I'd enjoy myself a bit more with a man by my side.

But if you do ever decide you want to settle down...

I promise I'll let you know.

Perfect.

**YAWN!**

Coming to bed, my dear?

Yes, sorry. I just got a lot of my mind.

Something you'd like to talk about?

Maybe after a few more dates we can discuss-

A few more dates, huh?

Does Wednesday work for you, Big Boy?

Wednesday can't come soon enough.

Why wait that long? I was hoping we'd double dip tomorrow morning.

Now the morning can't come soon enough.

Trust me, you'll be cumming plenty when I'm done with you. But until then, I want cuddles, and I want them now.

What the lady wants, she will get.

Night, baby.

Pet names already?

Heh, I think you've earned it.

Yeah, I'm loving this new life of mine...

**THE END**
