It was a hard night for the asylum's new patient: Ashley. A night full of stress, aphrodisiacs, and excitement. With everything happening she found it really hard to get some sleep, but in the middle of the night, she reached a point of exhaustion and just fell asleep.

ZZZ...

VRRRRR...

The next day, in the morning, nurse Michelle came to visit her patient who even didn't notice somebody opening massive steel doors and kept catching up on her missed sleep.

WAKY WAKY DEAR ASHLEY. WE HAVE LOTS OF THINGS TO DO TODAY. I HOPE YOU GOT SOME SLEEP CAUSE IT WILL BE A LOOONG DAY FOR YOU.

Nurse Michelle looked even more sexy. Her miniskirt technically didn't exist and the heels she was wearing now were even higher. She probably didn't like the way Ashley, even without boots, towered her yesterday.

WWW.DBCOMIX.COM

MY GOSH, SHE IS EVEN MORE BEAUTIFUL THAN I REMEMBER.

COME ON, WAKE UP. WE DON'T HAVE ALL DAY.

MMMMMM

OH NO SO THAT WASN'T A DREAM!

THE GYM WAS IN FACT A VERY SOPHISTICATED FITNESS ROOM.

WE ARE HERE. PITY YOU CAN'T SEE ALL THOSE GIRLS TRAINING.

SOME OF THEM HAVE A HARD TIME HERE, BUT FOR SOMEBODY IN AS GREAT A SHAPE AS YOU IT WILL BE A PIECE OF CAKE.

FINALLY I CAN STRETCH MY BODY. I FEEL LIKE MY ARMS ARE GOING NUMB.

DON'T WORRY, ASHLEY, WE START EASY ON YOU, JUST 50 MILES ON A WORKOUT BIKE. OF COURSE IT IS SLIGHTLY MODIFIED TO HELP YOU KEEP PEDDLING AND NOT FALLING DOWN.
