

In the morning.....

EXIT

Haaah...

Hey!

Good morning, Charlie!

Mor...morning, Issac.

Hey, lend me that math paper from last week. I've been busy for the past two days and completely forgot about it. It will be a big trouble if I get caught by that old witch!

You tell me. You've been busy roleplaying as my mom the whole weekend. Having time to finish homework will be nonsense!

You remember that we have a language quiz today, don't you?

Oh, fuck! No way! I'm screwed....

It's only been a short weekend,
but it feels surreal to be back
in school...

COMPARATIVE TIME OF DAY

Blackboard 1 use to show & show how correct answer
Blackboard 2 use to show & show how correct answer

Especially looking at Issac's acting like usual,
everything that happened in the past few days
seemed like a dream...

Flashback...

Issac! You...
you actually used my mom's body
to mess around with other men!

You're making my mom
betray my dad! How could you?

A woman with long, wavy black hair is shown from the waist up. She is wearing a pink, form-fitting, sequined dress with a large cutout at the waist. She has a serious expression. She is wearing gold jewelry: a bracelet on her right wrist, a ring on her right ring finger, a bracelet on her left wrist, and a ring on her left ring finger. A speech bubble is positioned above her head, and another is to her right. The background is dark and out of focus.

What betrayal are you talking about?
It's not like I'm having an affair.
Just think of it as a one-night stand.

Besides, if you want to talk about
messaging around, you and I were...

You, me...that's not the same!
Anyway, we can't be like this.
I must let you change my mom
back today!

A woman with long, dark, wavy hair is wearing a pink, sequined, off-the-shoulder dress. She has her hands clasped near her neck and is looking slightly to the side. She is wearing gold jewelry, including a bracelet and earrings. The background is a blurred indoor setting with a patterned screen and a plant.

Wait, are you sure?
Won't you miss the fun times
we had together, my son?

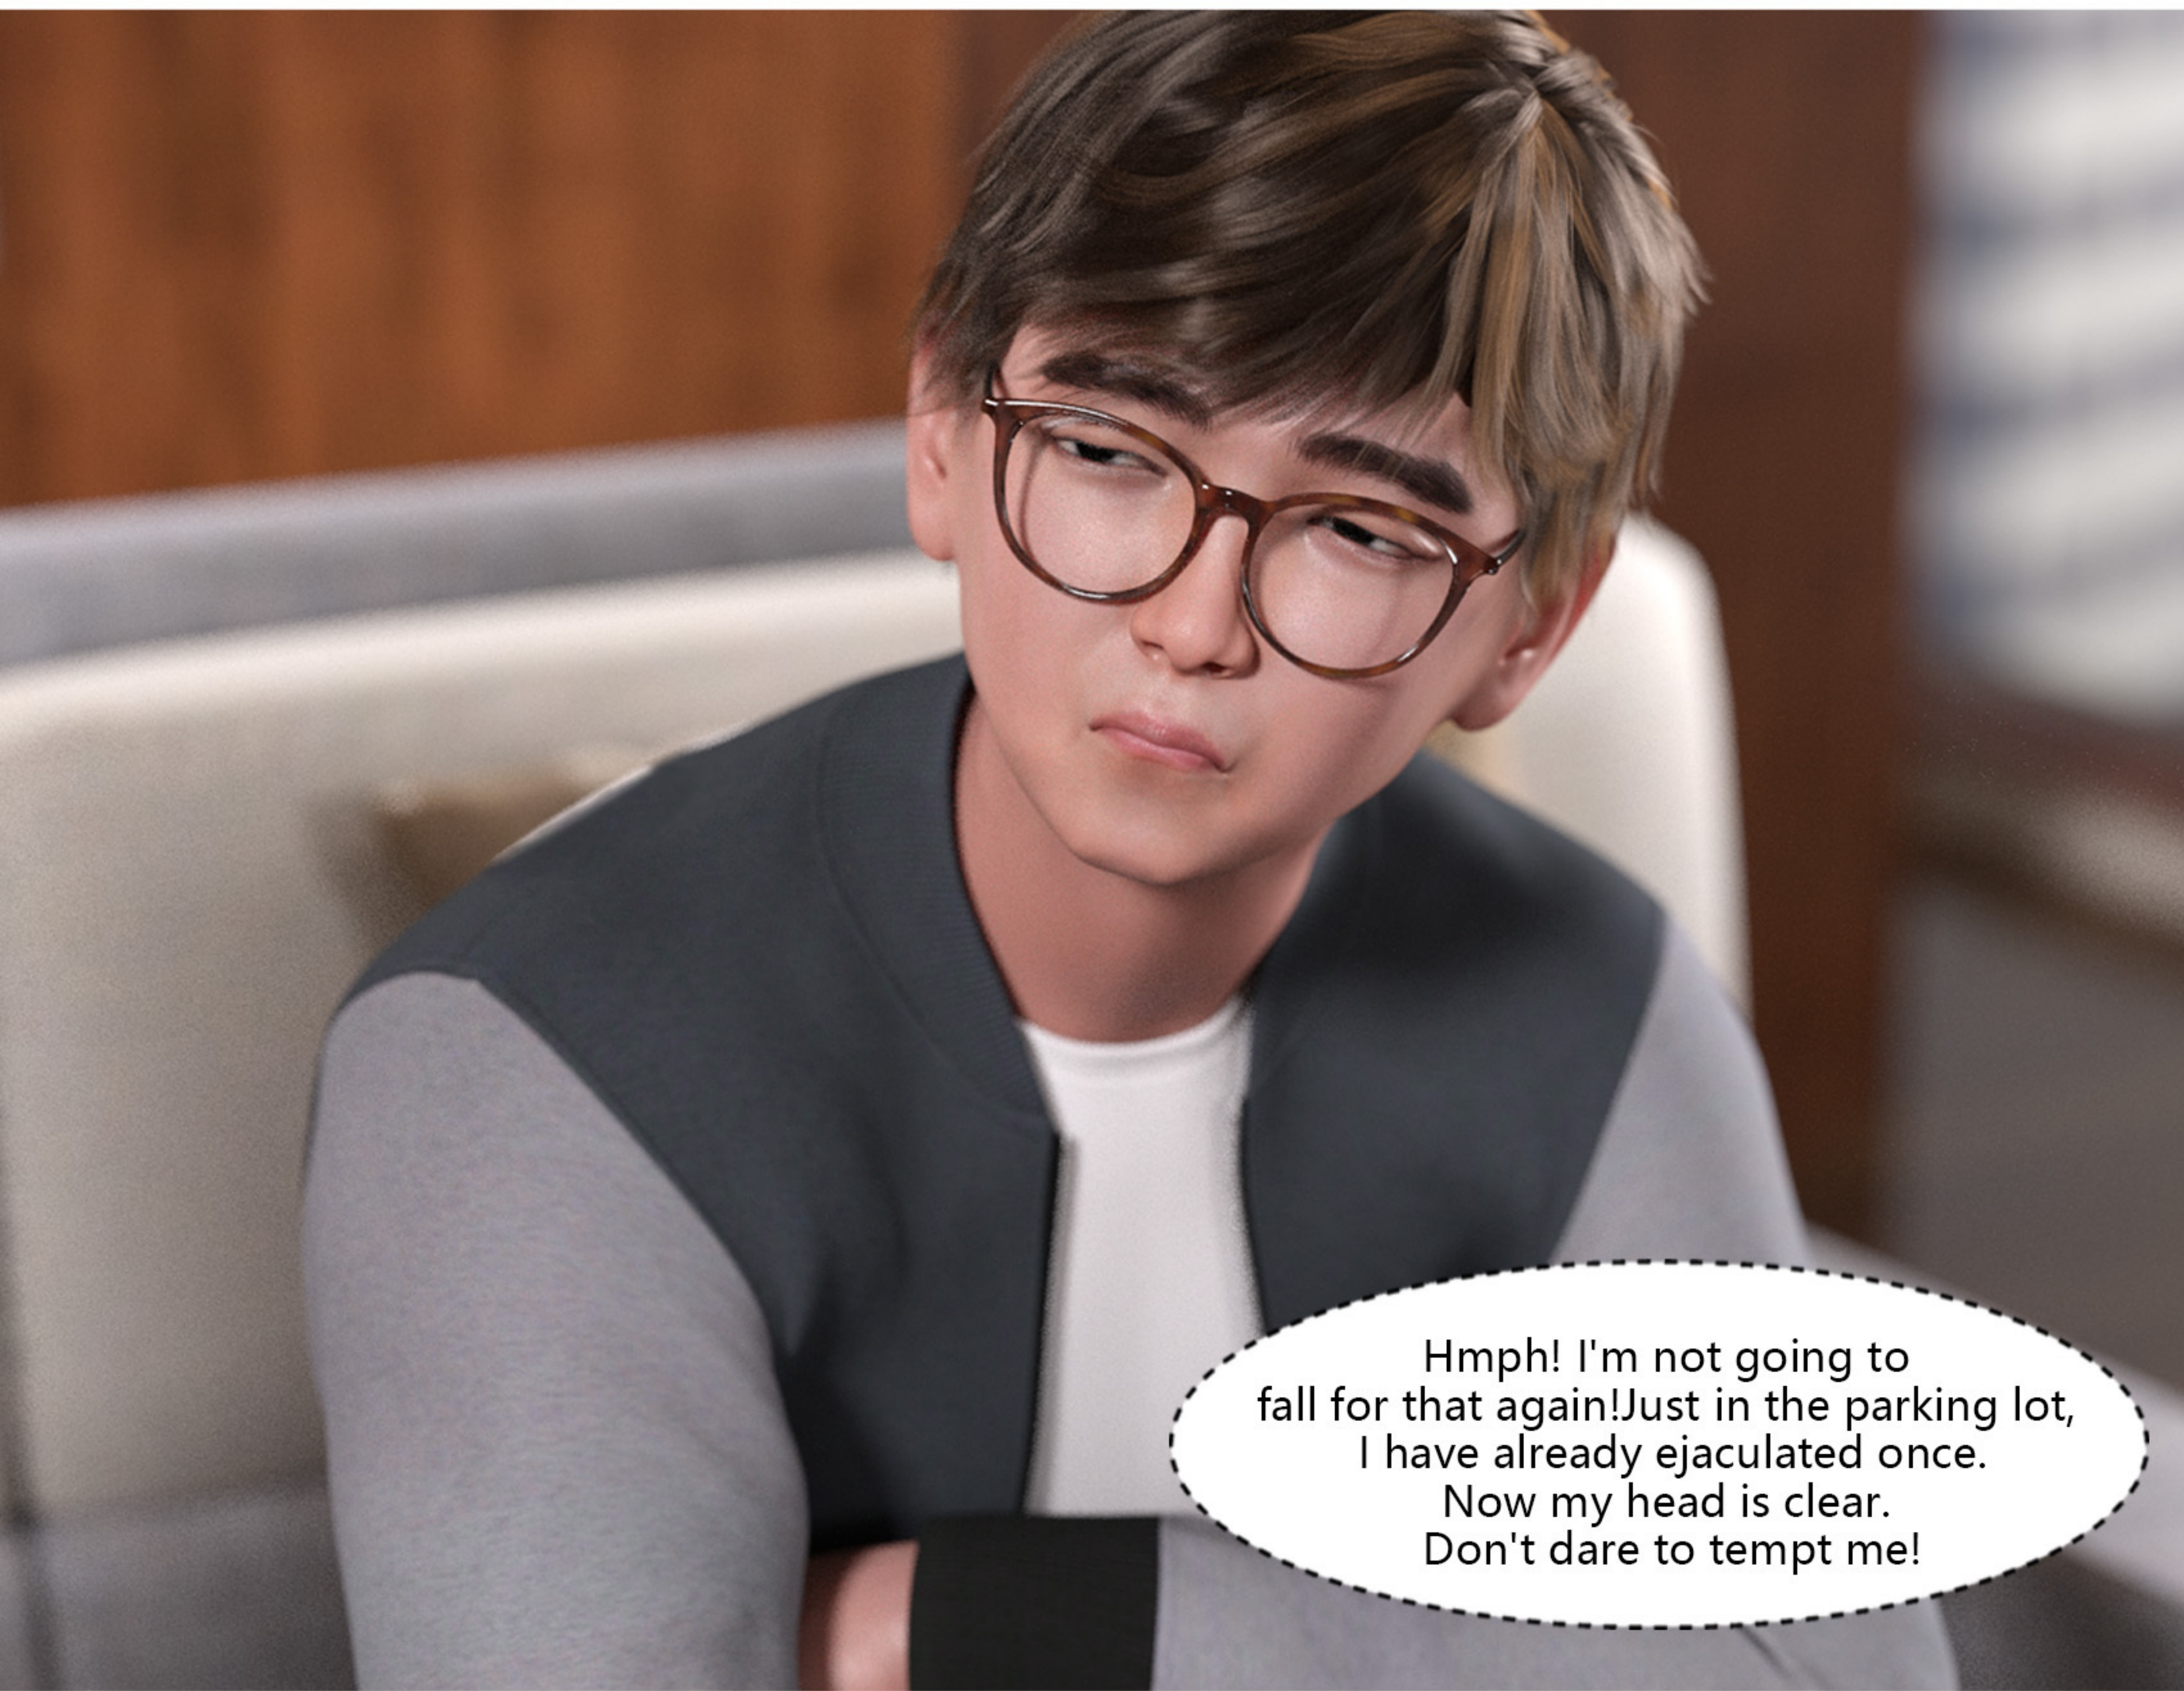

Don't you dare, I won't let you get away with this today! I'm warning you: bring my mom back immediately, or we won't be best friends anymore!

A woman with long, wavy black hair and red lipstick is wearing a purple, sequined, off-the-shoulder dress. She is looking down and to the left, with her right hand near her face and her left hand on her hip. She is wearing a gold watch on her right wrist and a gold bracelet on her left wrist. A speech bubble is positioned above her head, containing text.

Ah... fine! We are going back to school tomorrow anyway. I am taking off the skinsuit now, okay?

Although it's only been a few days with this skinsuit, I'm also really a bit reluctant to give it up...

Hmph! I'm not going to fall for that again! Just in the parking lot, I have already ejaculated once. Now my head is clear. Don't dare to tempt me!

Duh! Charlie didn't take the bait? Forget it. It's troublesome in case he makes a scene. Let's just go along with him for now!

HOO...

Phew~ Suddenly changing back to my own voice, I'm still a bit not used to it!

I'm more not used to seeing
your head on top of my mom's body!
Hurry up

I know.
What's with the hurry?

You know your mom's body,
and it's hard to take off the skinsuit
because it's so tight!

Taking it Off

I'm more used to my original body for sure!

This...this is mom's skinsuit...
As long as I wear it,
I can become mommy.....

Well, Charlie,
it's a rare opportunity.
Do you want to wear
your mom's skinsuit?

What...
what are you talking about?
I... I don't want to! But you,
you're the one who promised to
turn my mom back!

Don't worry.
When have I ever let you down?

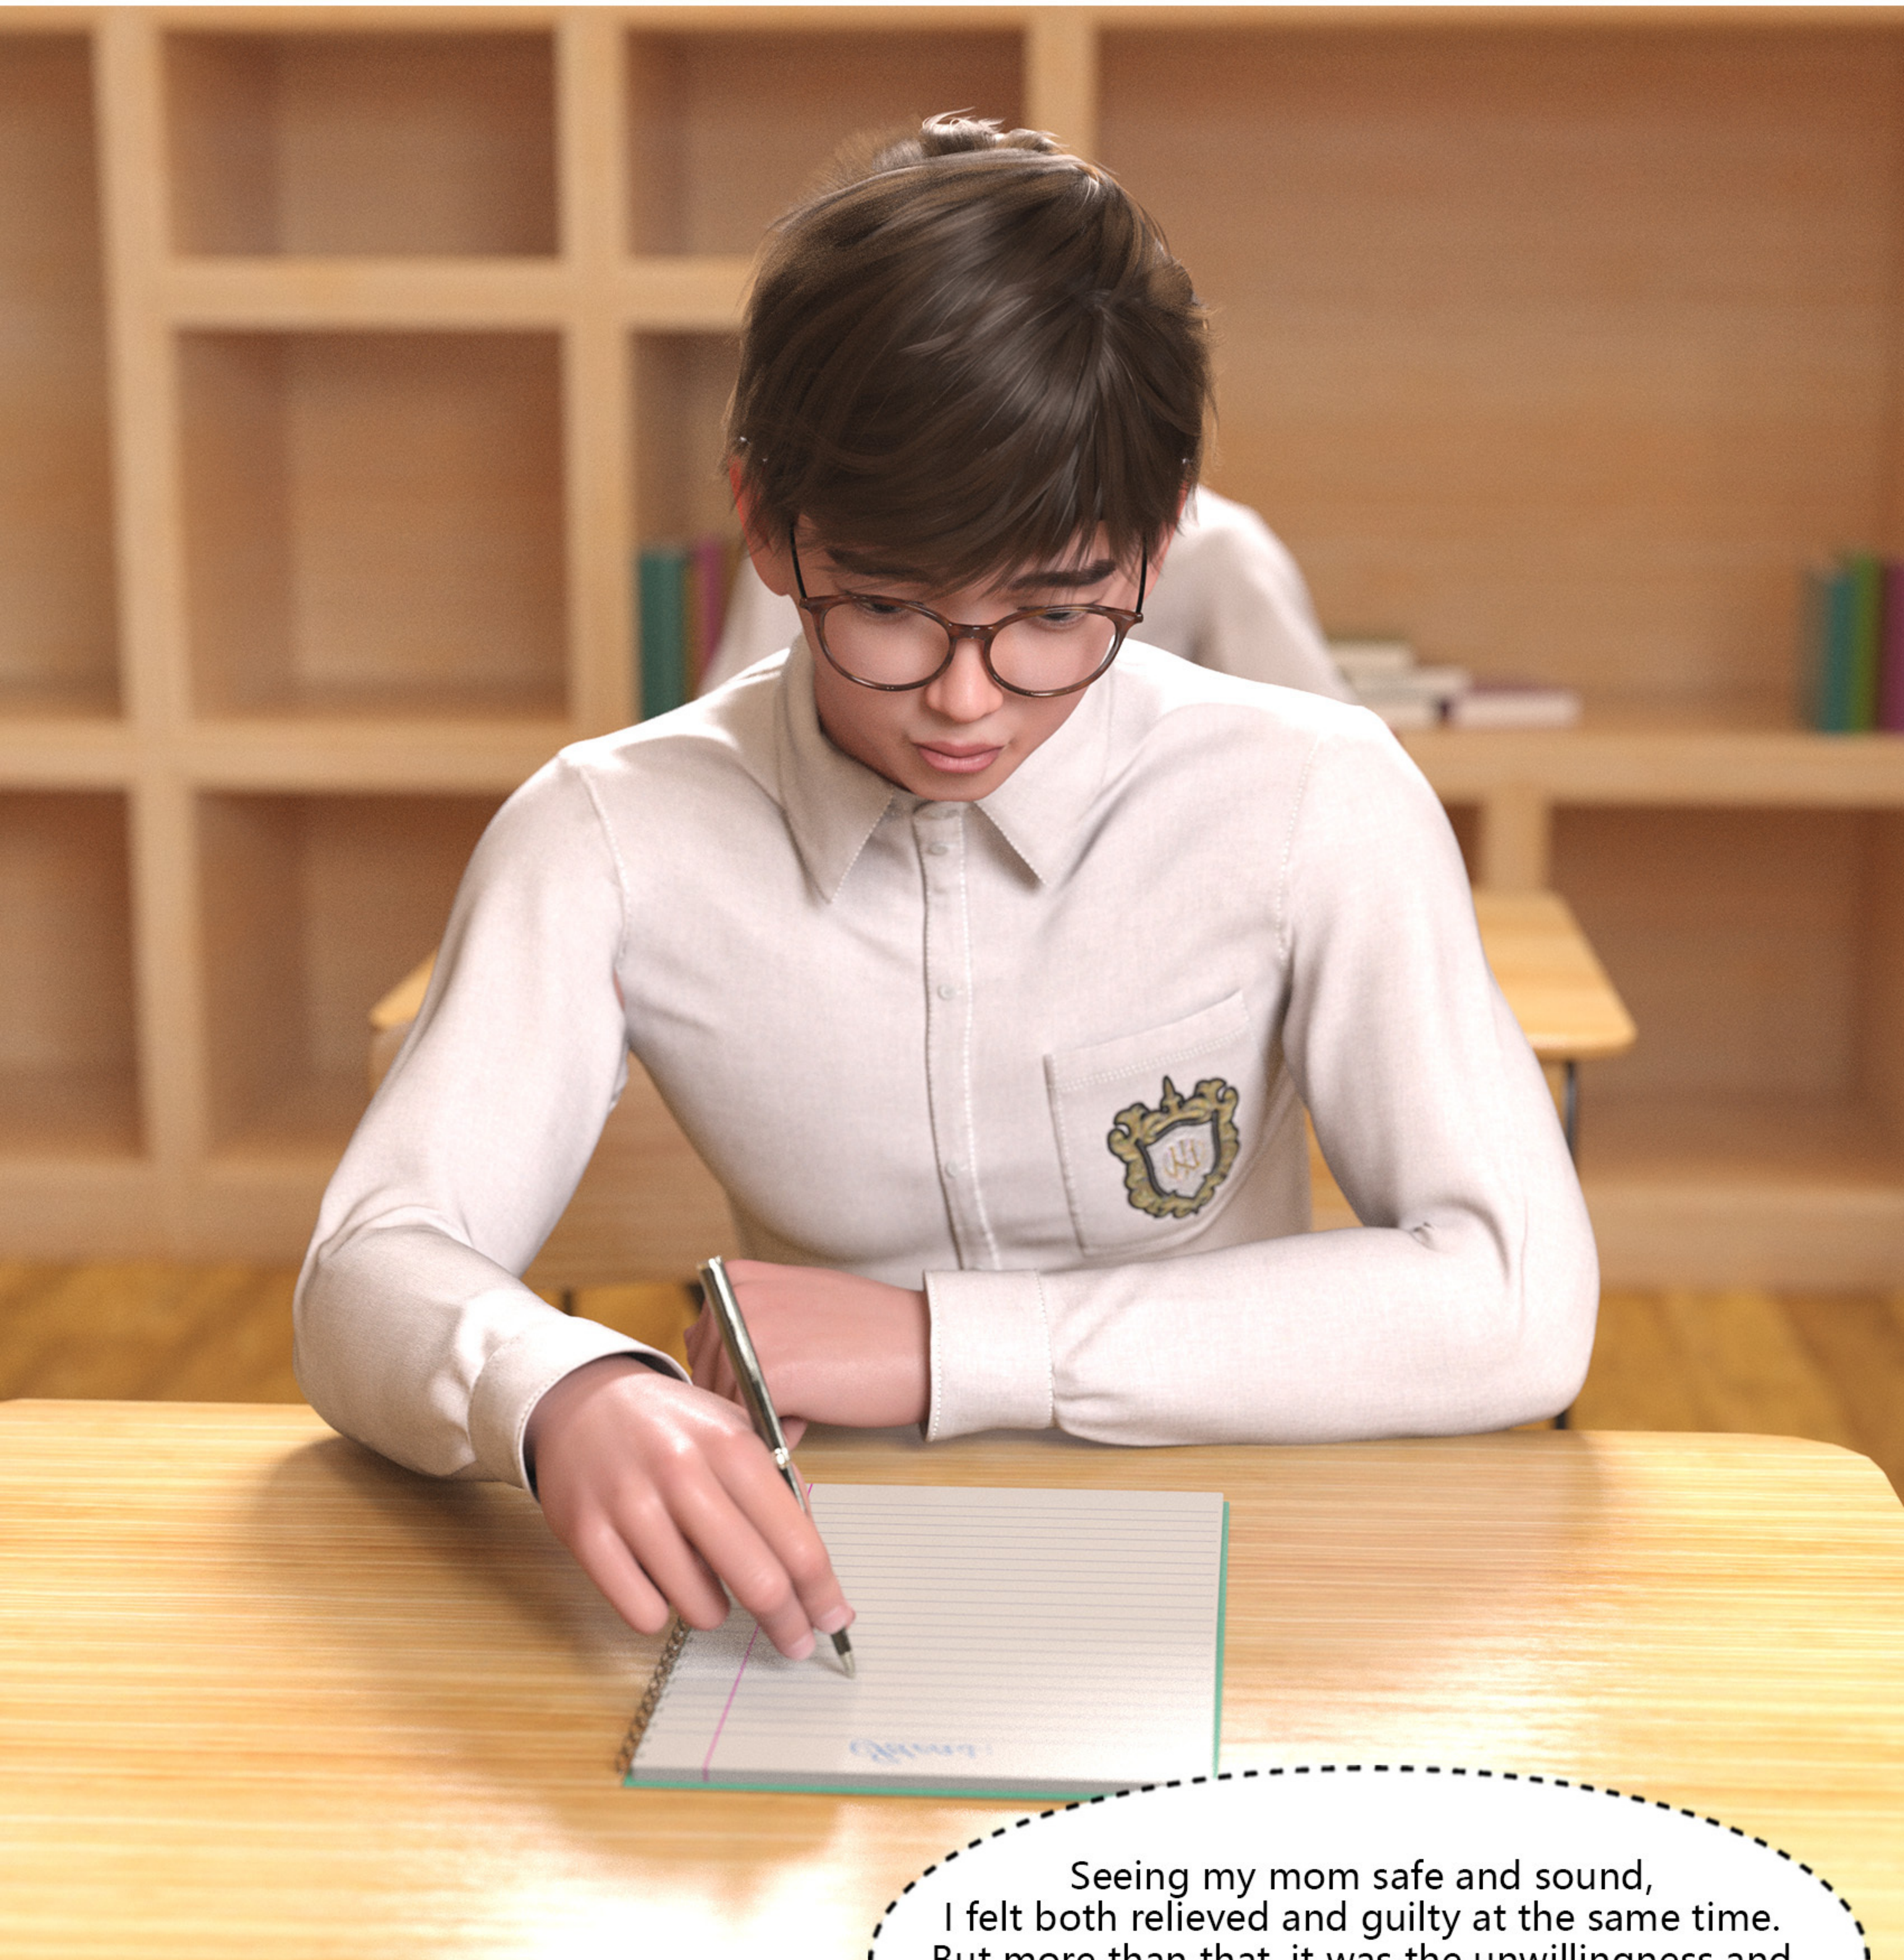

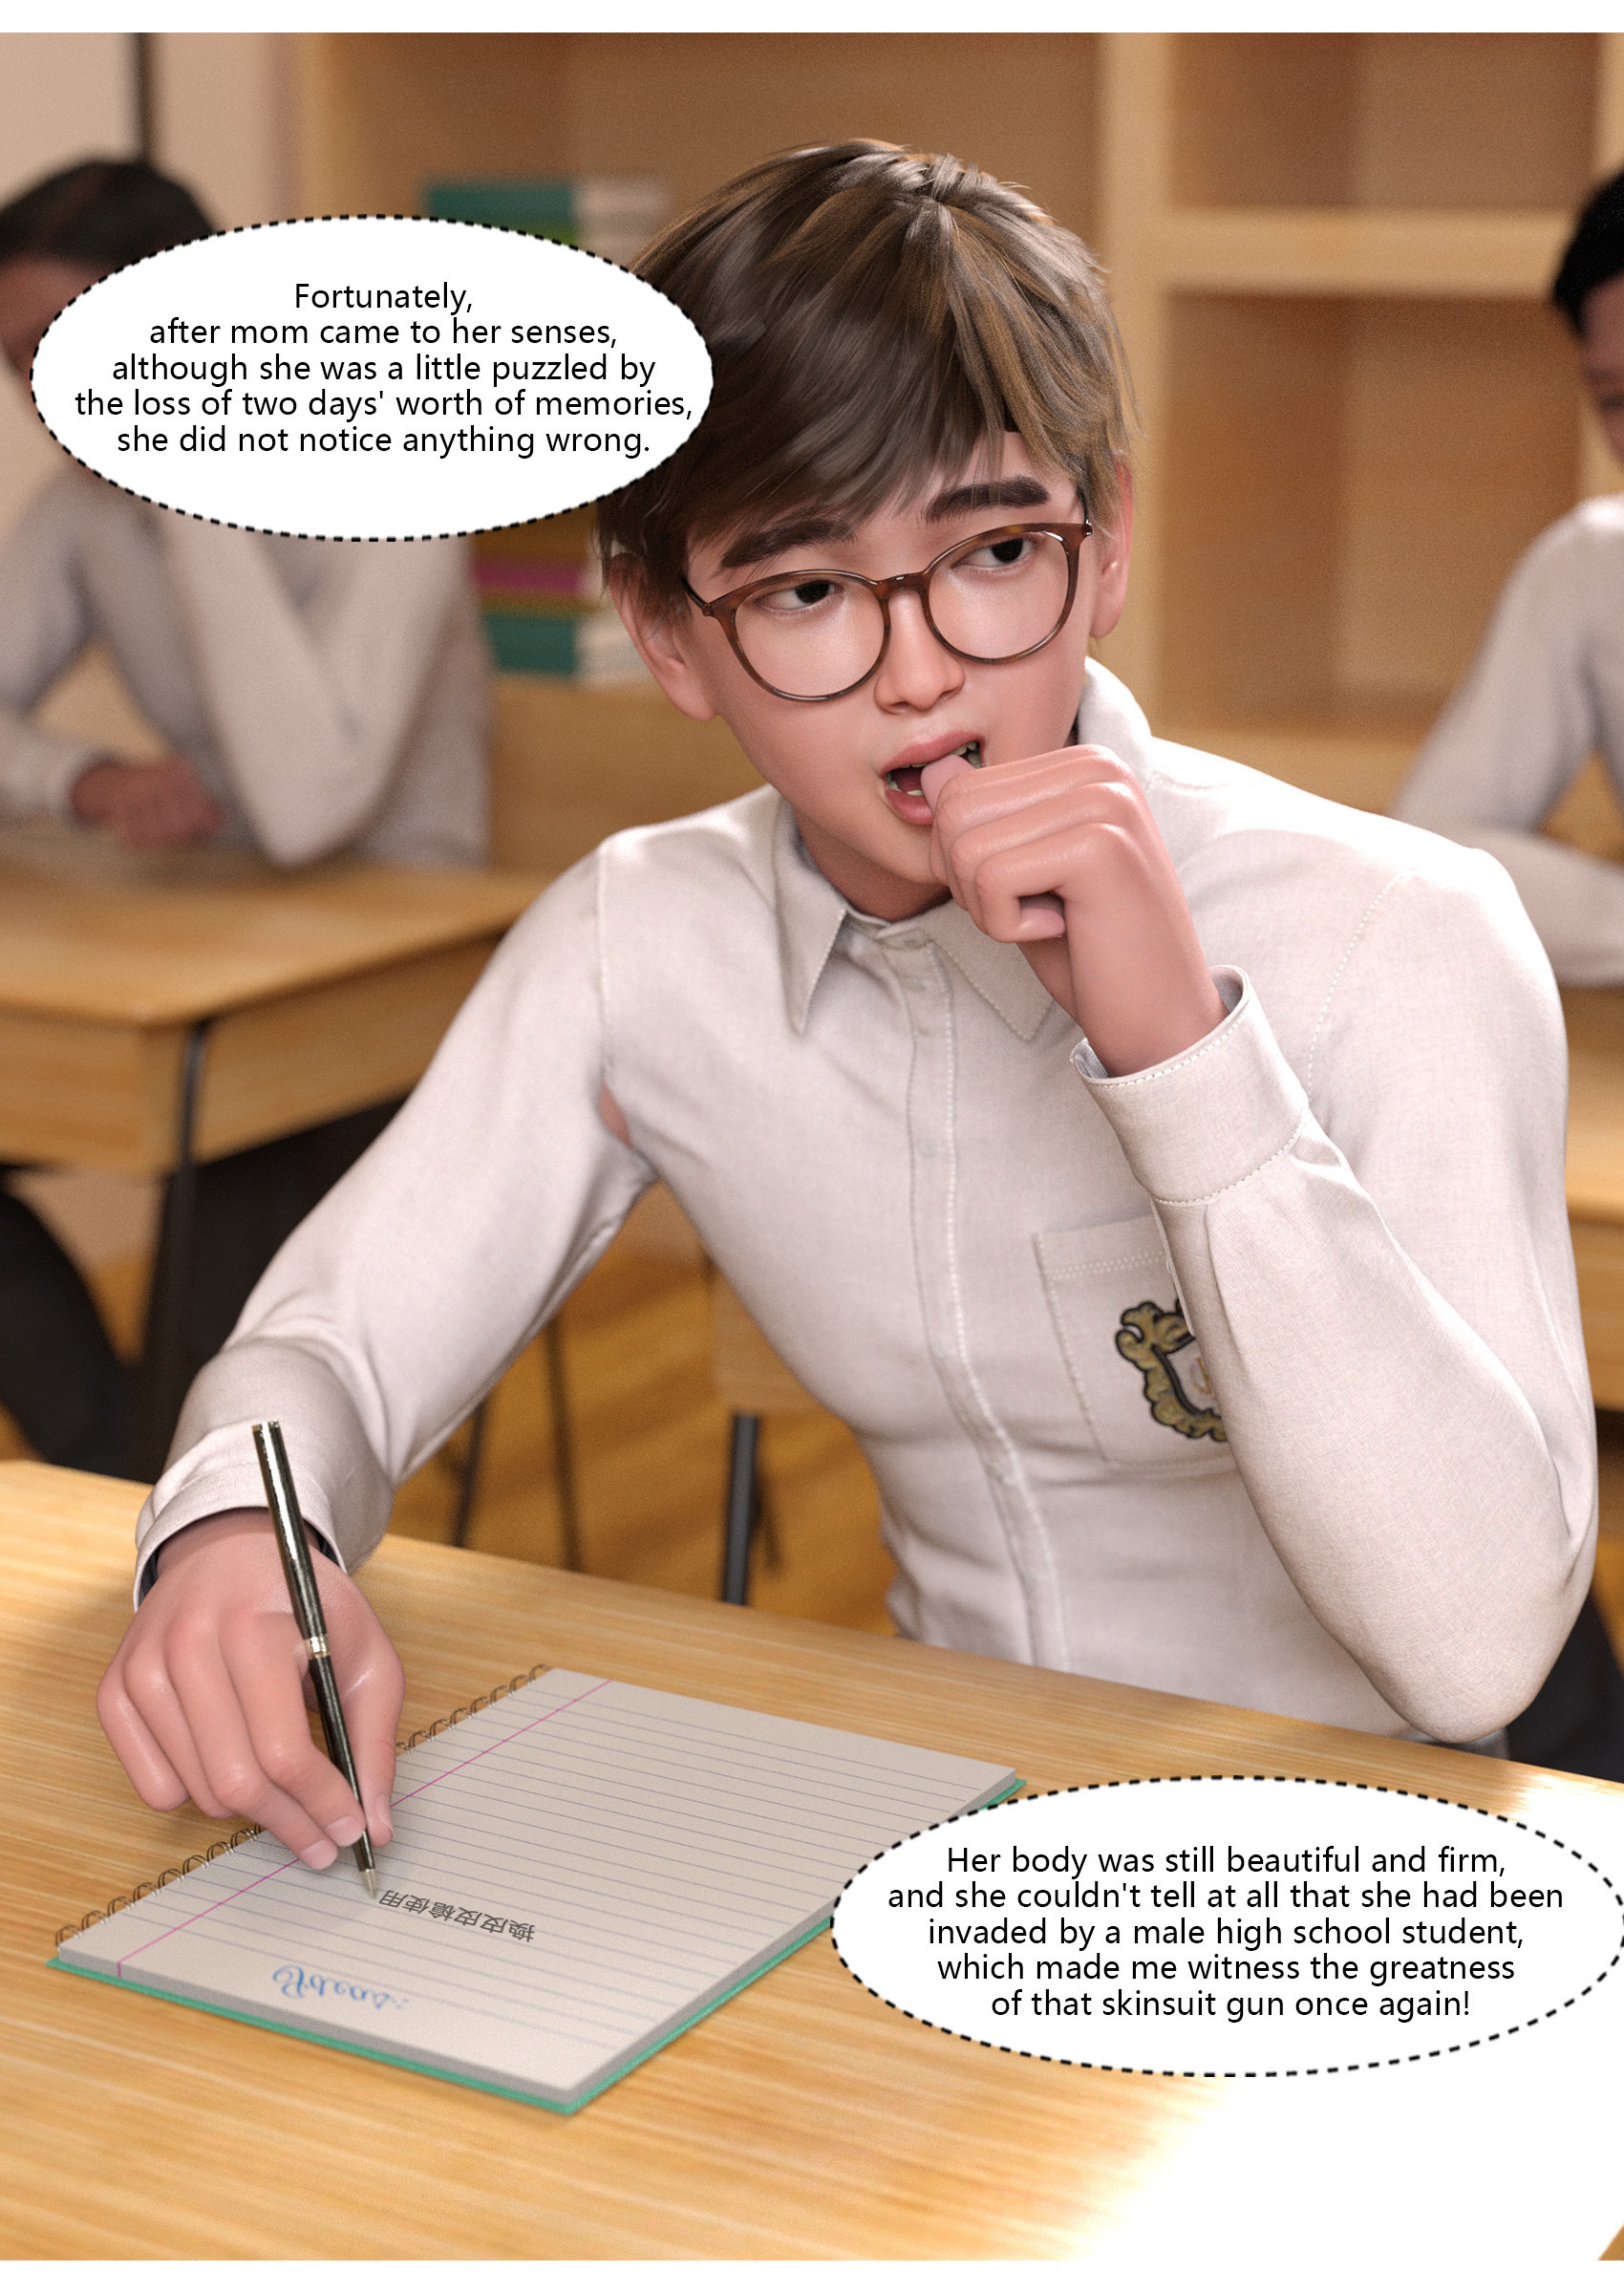

Thank you for your hospitality these past few days! However, I think... we'll see each other again soon!

As the skinsuit gun in Issac's hand
fired a weird beam, mom's limp body gradually
swelled up and transformed back into normal...

Seeing my mom safe and sound,
I felt both relieved and guilty at the same time.
But more than that, it was the unwillingness and
disappointment deep inside my heart
that couldn't be ignored...

Fortunately,
after mom came to her senses,
although she was a little puzzled by
the loss of two days' worth of memories,
she did not notice anything wrong.

Her body was still beautiful and firm,
and she couldn't tell at all that she had been
invaded by a male high school student,
which made me witness the greatness
of that skinsuit gun once again!

Speaking of which, where on earth did Issac get such fantastic stuff? I'll have to go and ask him adequately when I have the chance!

But I haven't seen him since the last class. Is he skipping class again as usual, or is he...

A close-up, low-angle shot of a person's legs from the knees down, wearing black, pointed-toe high-heeled shoes. The person is walking on a light-colored wooden floor with a visible grain. The right leg is in the foreground, stepping forward, while the left leg is slightly behind it. The background is a light-colored, possibly marble or stone, floor with some faint lines. The overall lighting is soft and natural.

clunk—

Morning, everyone.

A young man with brown hair and glasses is shown from the chest up, wearing a white button-down shirt with a crest on the pocket. He has a confused expression, with his mouth slightly open and his hand near his chin. The background is a blurred indoor setting with wooden paneling. A speech bubble is positioned to the left of his head.

Huh? What...

No way! What's wrong with the "Witch" Jiang today? Why is she dressed like this? Doesn't she always like to dress up like an elder? Usually, she'd lecture a student if she saw him or her in an informal outfit!

Is it...! It's Issac,
did he lay his hands on "Witch" Jiang?

(whisper)

Wow! Are you serious?
Is her dating someone?

Oh, is she going on a date tonight?
Why is she dressed up so beautifully?

A woman with dark hair pulled back, wearing glasses and a white short-sleeved button-down shirt, is pointing her right index finger towards the viewer. She has a serious expression. The background is a dark green chalkboard with a white vertical line.

Quiet! It's none of your business how a teacher dresses. As students, you should come to school and study hard, not focus on outfits or gossiping about relationships all day!

Okay, take out your textbooks. Today, we are going to talk about the use of definite clauses...

...What she said
is really the content of this class,
is she the real Ms. Jiang?

But if she is the real Ms. Jiang, this appearance is way different from her usual look...But with Issac's crappy grades, he can't speak such fluent English!

...Charlie,
why don't you focus in class
and stare at me all the time?

A young man with short brown hair and round glasses is shown in a classroom setting. He is wearing a white long-sleeved shirt and is sitting at a wooden desk. He is holding a white tablet in his right hand and has a surprised expression on his face, with his mouth open and his left hand raised to his forehead. In the background, another person is partially visible, and the room has a neutral-colored wall and wooden furniture.

Ah... Miss, I was just thinking about the content of the textbook...

Hmph! To some students,
don't think you can't pay attention in class
because you have good grades!

You're the one who will
pay the price if you don't listen well to
what teachers say in class!

...Hiss, this kind of snarky tone,
it really is the witch herself!

It's not like you're going through
menopause early for being this rough.
If I got mad, I would have let Issac
turn you into a skinsuit.....

dodge.....

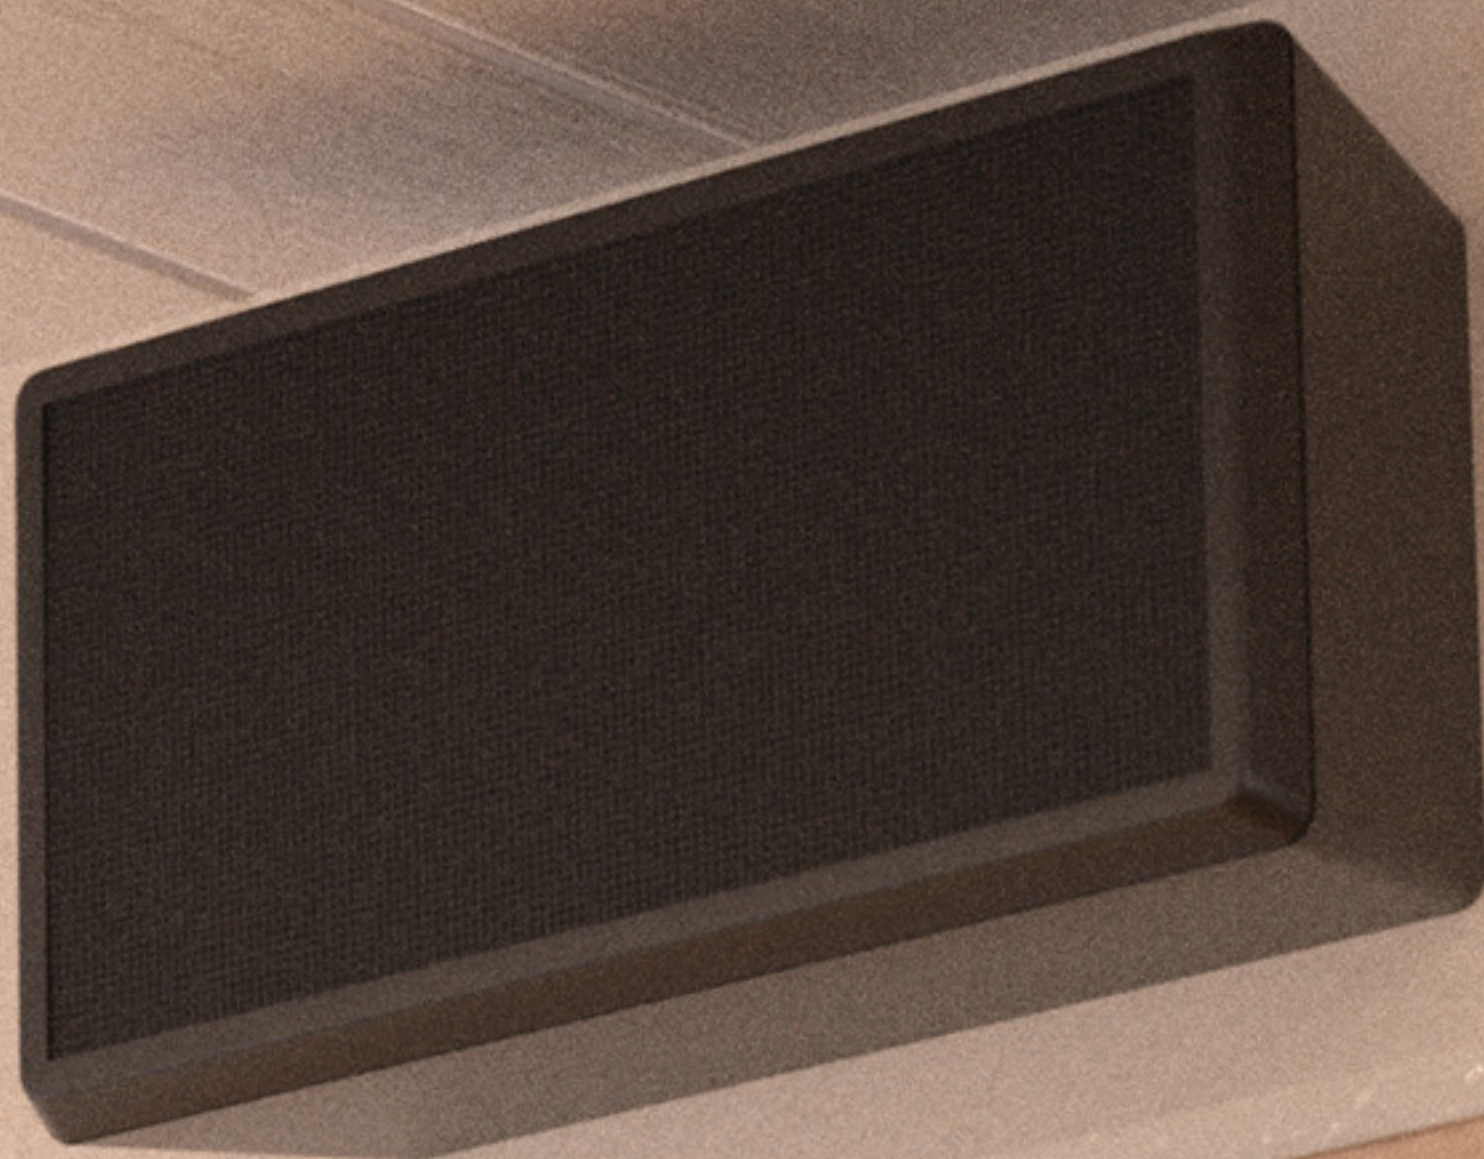

I've been tortured by the witch here,
but Issac may be outside with a skinsuit gun
for some kind of pleasure!

Ring-ring!

Ring-ring!

Yay! Come on,
let's get changed!

The PE teacher said we could
play basketball today. Let's go!

A woman with dark hair pulled back, wearing glasses and a white short-sleeved button-down shirt, is pointing her right index finger towards the right side of the frame. She has a serious expression. In the background, there is a green chalkboard and the back of a person's head with long dark hair. A speech bubble is positioned above her head, and another is at the bottom left.

Charlie, wait a minute!

Someone tell your PE teacher
that I'm keeping Charlie for a talk!

Miss, it is my fault of being distracted during the class. I... I apologize to you... You can demand me to write a statement of self-reflection or anything you want!

... Huh?

Heh..... I didn't leave you down here for something as trivial as being distracted in class!

Let me ask you: you and Issac are good friends, right?

Just before class, he intended to misbehave with me and was caught by the director!

In addition to explaining that weird skinsuit gun, he also confessed everything you two did to your mom!

Shit! Damn you Issac!
How could he have been caught?
And he also exposed everything!
What should I do, what should I do?

How dare two students do such a thing to an adult? It's just disgusting! The police will be here soon. Think about how you're going to explain it to them!

Miss! Please don't!

Kneel down!

I beg you. Don't call the police,
don't call the police, please!
Issac... he and I, we really know it's wrong,
we don't dare to do it again!

Oh? Do you really know
you're wrong?

Yes, we do!
We won't dare to do it again!

Even if you know you're wrong,
it's a big deal. I need to see your sincerity!
I'll tell you what, take off your clothes
for me here!

Eh? Wh... why?

You treat girls like playthings
and don't respect women. I am
now going to make you experience
this feeling, then you'll
know the pain!

Are you taking it off or not?
If not, I'll call the police!

I'll take it off!
I am taking off...

Time goes by.....

Hmph! Look at you!
How dare boys like you
make love like grown-ups?
You're just out of your league!

Oooh... so ashamed,
I, I'm actually at school,
naked in front of a teacher...
I'm so ashamed, I want to die...

Issac said that you like mature women's pantyhose feet, right?

!

He said you have a filthy sexual desire for your mom... He casually flicks you with the feet, and you ejaculate until you pass out...

Shake~~

Not only are you a premature ejaculator like your dad but also faint after you ejaculate... Love pantyhose, mature women, even incest and voyeurism.....

Charlie, you're
really a pervert!

Stiff!

A young man with short brown hair and round glasses is shown from the chest up. He has a slightly open mouth and a look of confusion or embarrassment. He is shirtless. To his left, a large, out-of-focus leg in a white garment is visible. The background is a warm, indoor setting with a lamp and a framed picture on the wall.

Woo... Why, my deepest sexual fetish was revealed, and she scolded me like this, but my body actually felt aroused?

Am... am I really a pervert, or a masochism pervert, like she said?

A close-up photograph of a woman's face, focusing on her eyes. She is wearing brown-rimmed glasses and has dark hair. Her eyes are looking slightly to the right of the camera.

Tsk, how can you get turned on
by me saying that?

A close-up photograph of a hand. The index finger is prominently displayed, with a purple or magenta-colored tip. The hand is positioned over a yellow surface, possibly a table or desk.

I never thought that
a gifted student would be such a
perverted and disgusting student!

No, no, I'm... I'm...

Heh, what, you still want to deny it?
It seems that your dick is more honest
than your mouth!

You're so hard,
and you're still trying to deny it.
Who would believe you if you're not a pervert?
You seem to get a lot of stuff in there!

I guess you're a pervert because
you don't know how to let it out properly!
I'll teach you a lesson today!

Ah...uhhh... miss, miss don't ah!

Rub~

Don't what? Don't want me to
step on your dick with my feet?
Or don't rub your glans?

Ahhh... I can't! I can't do it,
I'm obviously in front of that
horrible "Witch" Jiang, but I can't
think straight when I get horny!

Being rubbed by her nylon feet is really soothing and comfortable!

If she keeps this up...
if she keeps this up,
I'm really going to ejaculate!

!!!

Charlie, I have to warn you: if you dare to ejaculate without permission, I'll call the police right away!

What?

Miss, I can't take it anymore,
please, please let me cum!

That's not good.
You adolescent boys just don't
have enough willpower, that's why
you're so horny all day long!
Especially for a premature ejaculator
like you, I am helping you to train
your stamina, okay?

Circling~

Ahhhh! Hearing her humiliate me made me even more excited!

I can't do it anymore, I'm going to break down from both the physical and mental pleasure!

Ahhhhhhhhhh!

I can't! I'm going to be stomped and ejaculated by my teacher as a waste of premature ejaculator!

Shake!

I'm cumming! Cumming!
I'm going to cum all over
my teacher's nylon feet!

A 3D rendered female character with short brown hair and round glasses. She is nude and has a confident, slightly smug expression. Her hands are behind her head, and her legs are spread apart. The background is a simple wooden floor. A speech bubble is positioned in the upper left corner of the image.

It's so, so good... Ha, ha, ha...
I don't care if I get arrested
and locked up...

Ejaculation...ejaculation...
feels really good hehehe...
