

Hmph ~ Hmph ~ Hmph ~

Hahaha! Charlie's face of realizing the truth is so perfect, I'll never get tired of seeing it!

It's just as well that Ms. Jiang doesn't have any classes in the afternoon. There's plenty of time for me to kill!

Well, what am I supposed to do here? The school is full of old men and women, and I don't think it'll be fun!

Ah, here is one!
How could I forget about our
beautiful school nurse? There won't be
anyone there to bother me right now,
so I can have fun!

Cutie Nora, I'm coming!

Nora, are you busy
at the moment?

Ms. Jiang, is anything going wrong?

Wow, it makes sense for Nora to be the dream girl of all the boys in the school. With this body and this look, everyone wants to take forcible possession of it!

No wonder people are pretending to be sick to find her all day, and even the school leaders go for a look! The lethality of a beautiful woman is amazing!

I was going too fast down the stairs,
and I accidentally hurt my foot.
Please take a look at it for me!

Be careful. Come on,
sit over here. Take your time!

Nora's body is so soft!
And with the school nurse's office
full of disinfectant, there seems
to be a faint scent!

Which one of your feet is hurt?
Let me check it out for you.

A woman with dark hair pulled back, wearing a white short-sleeved button-down shirt and a black high-waisted skirt, is sitting on a blue medical examination table. She is looking down at her right foot with a concerned expression. She is wearing black high-heeled shoes and sheer black tights. A speech bubble is positioned above her head, containing text. The background shows a blurred indoor setting with a window.

It's this foot.
There's a slight pain at the ankle...

Don't worry, Ms. Jiang,
I'll check it out, and it'll be over soon.

The outside shows no signs of redness, swelling, or inflammation... Will it hurt if I do this?

Uh-huh... No,
it won't hurt...

Ahhhh! The feeling of a little beauty
holding the pantyhose foot is so good.
She could not have thought that
she was holding a man's leg!

And at this angle,
Nora's cleavage is looming.
This is so damn tempting!

Every day she comes to work
dressed so slutty. No wonder
there are complaints from parents
all day long!

Ha~ Now Ms. Jiang is also turned into a slut by me. The thought of the scenery with Nora and I having girls' love with pantyhose feet rubbing each other...

Aaah~ I can't hold it. Just imagining it makes me feel so excited, and it seems like I've already started to flow down there.

Well, it seems there is no injury
after checking... Huh?

Ms. Jiang,
why is your face so red?
Does it hurt? It's better to
go to the hospital.

No, I'm fine.
I just feel a little hot, but...

A close-up photograph of a woman with dark hair styled in a bun. She is wearing a white blazer over a black lace top. She has a small red earring and a gold ring on her finger. She is looking down and to the right with a slight smile. A speech bubble is positioned to her left, containing text.

Nora, I'm feeling a little pain in my inner thighs. Maybe there is a bruise after the fall. Would you mind having a check?

No problem, then you take off the pantyhose first and roll up the skirt for me.

Hehe, it's just as I expected...
The feeling of the tight pantyhose
sliding over my skin and the excitement
of revealing my private parts
in front of a beauty..

A woman with dark hair, wearing a white short-sleeved button-down shirt and a black high-waisted skirt, is sitting on a ledge. She has a slightly sad or apologetic expression. A speech bubble is positioned to her right, containing the text "Nora... sorry to bother you." The background is a blurred cityscape with blue and white tones.

Nora... sorry to bother you.

Mr. Jiang, where is the injury?
Can you point it out to me?

Uh, I think it's right there.
It hurts a little...

Well... but looking at the surface,
there don't seem to be any wounds.
Quite strange.

Ah ah! Nora is caressing my thighs.
Her sight is so hot that I can even
feel the heat of her breath!

This position feels like she's sucking my dick. If only the beautiful school nurse could serve me with her tiny mouth...

Oops! Fantasizing too much,
my dick seems to stick out
of the skinsuit!

With this position with Nora,
she'll find out!

Damn, it's just that this is the time
when my dick goes hard for me
to stuff it back in!

Ms. Jiang, what's wrong?
Did I hurt you?

No, not at all. it's just that I feel a little embarrassed when you go further up, haha!

Oh, Ms. Jiang,
don't be shy. We're all girls!

Uh, we are all... girls?
This I can not guarantee!

According to my assessment, there's no obvious concussion to your ankles or thighs, so it's possible that you just fell and bruised them.

I'll give you some medicine rub, but if it still hurts after a while, it's better to go to the hospital for a checkup!

Thanks, Nora! I don't have class this afternoon, and my leg seems to feel better if I lie down. Can I have some rest here?

What a coincidence.
The director wants me to come over.
If it's convenient for you,
Ms. Jiang, can you help me stayed
the school nurse's office?

Of course, of course.
Go ahead and do your things!

Ha, lucky! Now I can have some fun!

Thank you, Mr. Jiang.
Call me on my cell phone
if you need anything!

Bang—

Whew! That was close,
but I'm finally alone!

How my dick ran out by itself?
Fortunately, I muddled through,
otherwise it would have been bad!

A close-up photograph of a person's hand holding a penis. The penis is covered in a reddish-orange condom. The hand is positioned at the top of the frame, with the thumb and index finger gripping the condom. The background is blurred, showing a person's torso and a blue surface.

Hmm~ But I can't put it back in
when it's hard like that...
In that case, hehe...

Ooohhhhhhhh!
Masturbating with Ms. Jiang's
hand is a different feeling!

Experiencing a girl's sensitive breasts
while enjoying the pleasure of
jerking off is so damn good!

I can't believe how hard and horny
my dick feels when I'm masturbating
with Ms. Jiang's hand!

I should have just grabbed
Nora and fucked her... A pretty teacher
with a cute and sweet school nurse...
I would have cum at her!

Ahhhh! Nora, you're making me feel so good. Does my dick juice taste good?

I'm sorry I lied to you. I'm not Mr. Jiang, I'm just a perverted male student pretending to be a female teacher!

Uh-uh-uh-uh! Little beauty,
do you feel good when I fuck you like this?
Your pussy must be so tight and juicy!
It makes my dick feel so good!

I can't do it anymore,
just imagining it makes me feel
so excited, I'm going to cum!

Sis Nora, are you there?

Shit, shit, shit! Why is someone here
at this time of the day?

I'm not feeling well.
Can I get you some painkillers?

Uh-huh? Is sis Nora not here?

A close-up photograph of a hand with light-colored nail polish gripping a silver, textured metal pole. To the left of the pole is a large, bright blue tarp. The background is a blurred grey wall with a window and a light fixture.

Well, she is busy with something else.

Are you feeling sick?

Uh, yes! You're Mr. Jiang,
the English teacher, right?
Hello, Miss. I'm Eve from class Three.

Sis Nora isn't here...
I want to get a painkiller from her!

Painkillers, right?
I'll give it to you.
Go sit on the bed inside!

Thank you! Miss.

A 3D rendered woman with dark hair styled in a bun, wearing a white short-sleeved button-down shirt and a black high-waisted skirt. She is looking down and to her left. Two speech bubbles are present: one on the left and one on the right.

Hiss! Damn, I was in such a hurry that I didn't get my dick back yet!

And I just masturbated halfway through, and now my dick is super excited, so I can't even hide it!

Woo.....But then again,
I didn't expect to meet the school babe.
I don't know if it's lucky or unfortunate!

She's not feeling well right now
because of her period, so she probably
won't notice my bulge, right?

Ahhh! Ms. Jiang's soft thighs are sandwiching my dick, and every time I take a step, they rub against me, and my dick juice is going to flow down, damn it!

Here, take the painkillers,
then go back to class and rest!

Miss, because of my physical condition, every time I take painkillers, I become very drowsy. Can I lie down here for a while?

Damn, I wanted to get rid of you as soon as possible, but I can't jerk off while you're here!

But wait a minute. She said the pills make her drowsy, right? I might...

Of course. Sign up on the form over there, and I'll talk to Nora when she returns!

Thank you, Ms. Jiang...

Hey, don't worry,
I'll take good care of you here...

Eve? Eve?

Yo, you're sleeping well!
Although I prefer Charlie's mom's kind of
slutty mature woman, I also want to
have a taste of the school babe!

Besides... my dick can't hold back any longer!

Eve, since you have disturbed my precious masturbation moment, I'll use your body to pay for it!

It's a sweet smell different
from that of Ms. Jiang and Nora!
It's youthful and energetic, sweet and charming.
No wonder she is the school babe!

Smell~~~

It's a pity that her breast size is no match for the sexy, mature ladies!

But don't be discouraged, Eve, let me rub them for you, and you might get some huge boobs! Haha!

No way! Are you still asleep?
The school babe is a
real sleepyhead!

But it looks like you're
enjoying my services!

A woman with dark hair pulled back, wearing a white short-sleeved shirt and a necklace with a red pendant, is leaning over a person lying on a stretcher. She has a thoughtful or slightly smug expression, with her hand near her chin. The person on the stretcher is wearing a blue garment. The background is a blurred indoor setting with large windows.

But you can't just enjoy yourself!
Didn't your teacher teach you
to return the favor?

Oh, yeah! These legs are so slender and delicate. They're the kind of legs that all leg fetishes dream of! If she wore stockings, they'd give Charlie a nosebleed on the scene!

Ahhhh! I can't believe
I'm actually enjoying Eve's legs
so closely, it's so horny!

She must have never imagined
that a female teacher whom she trusted
would actually fantasize about
her like this!

I can't hold it any longer!
My dick wants to ejaculate!

I don't care if anyone finds out.
All I can think about is cumming!

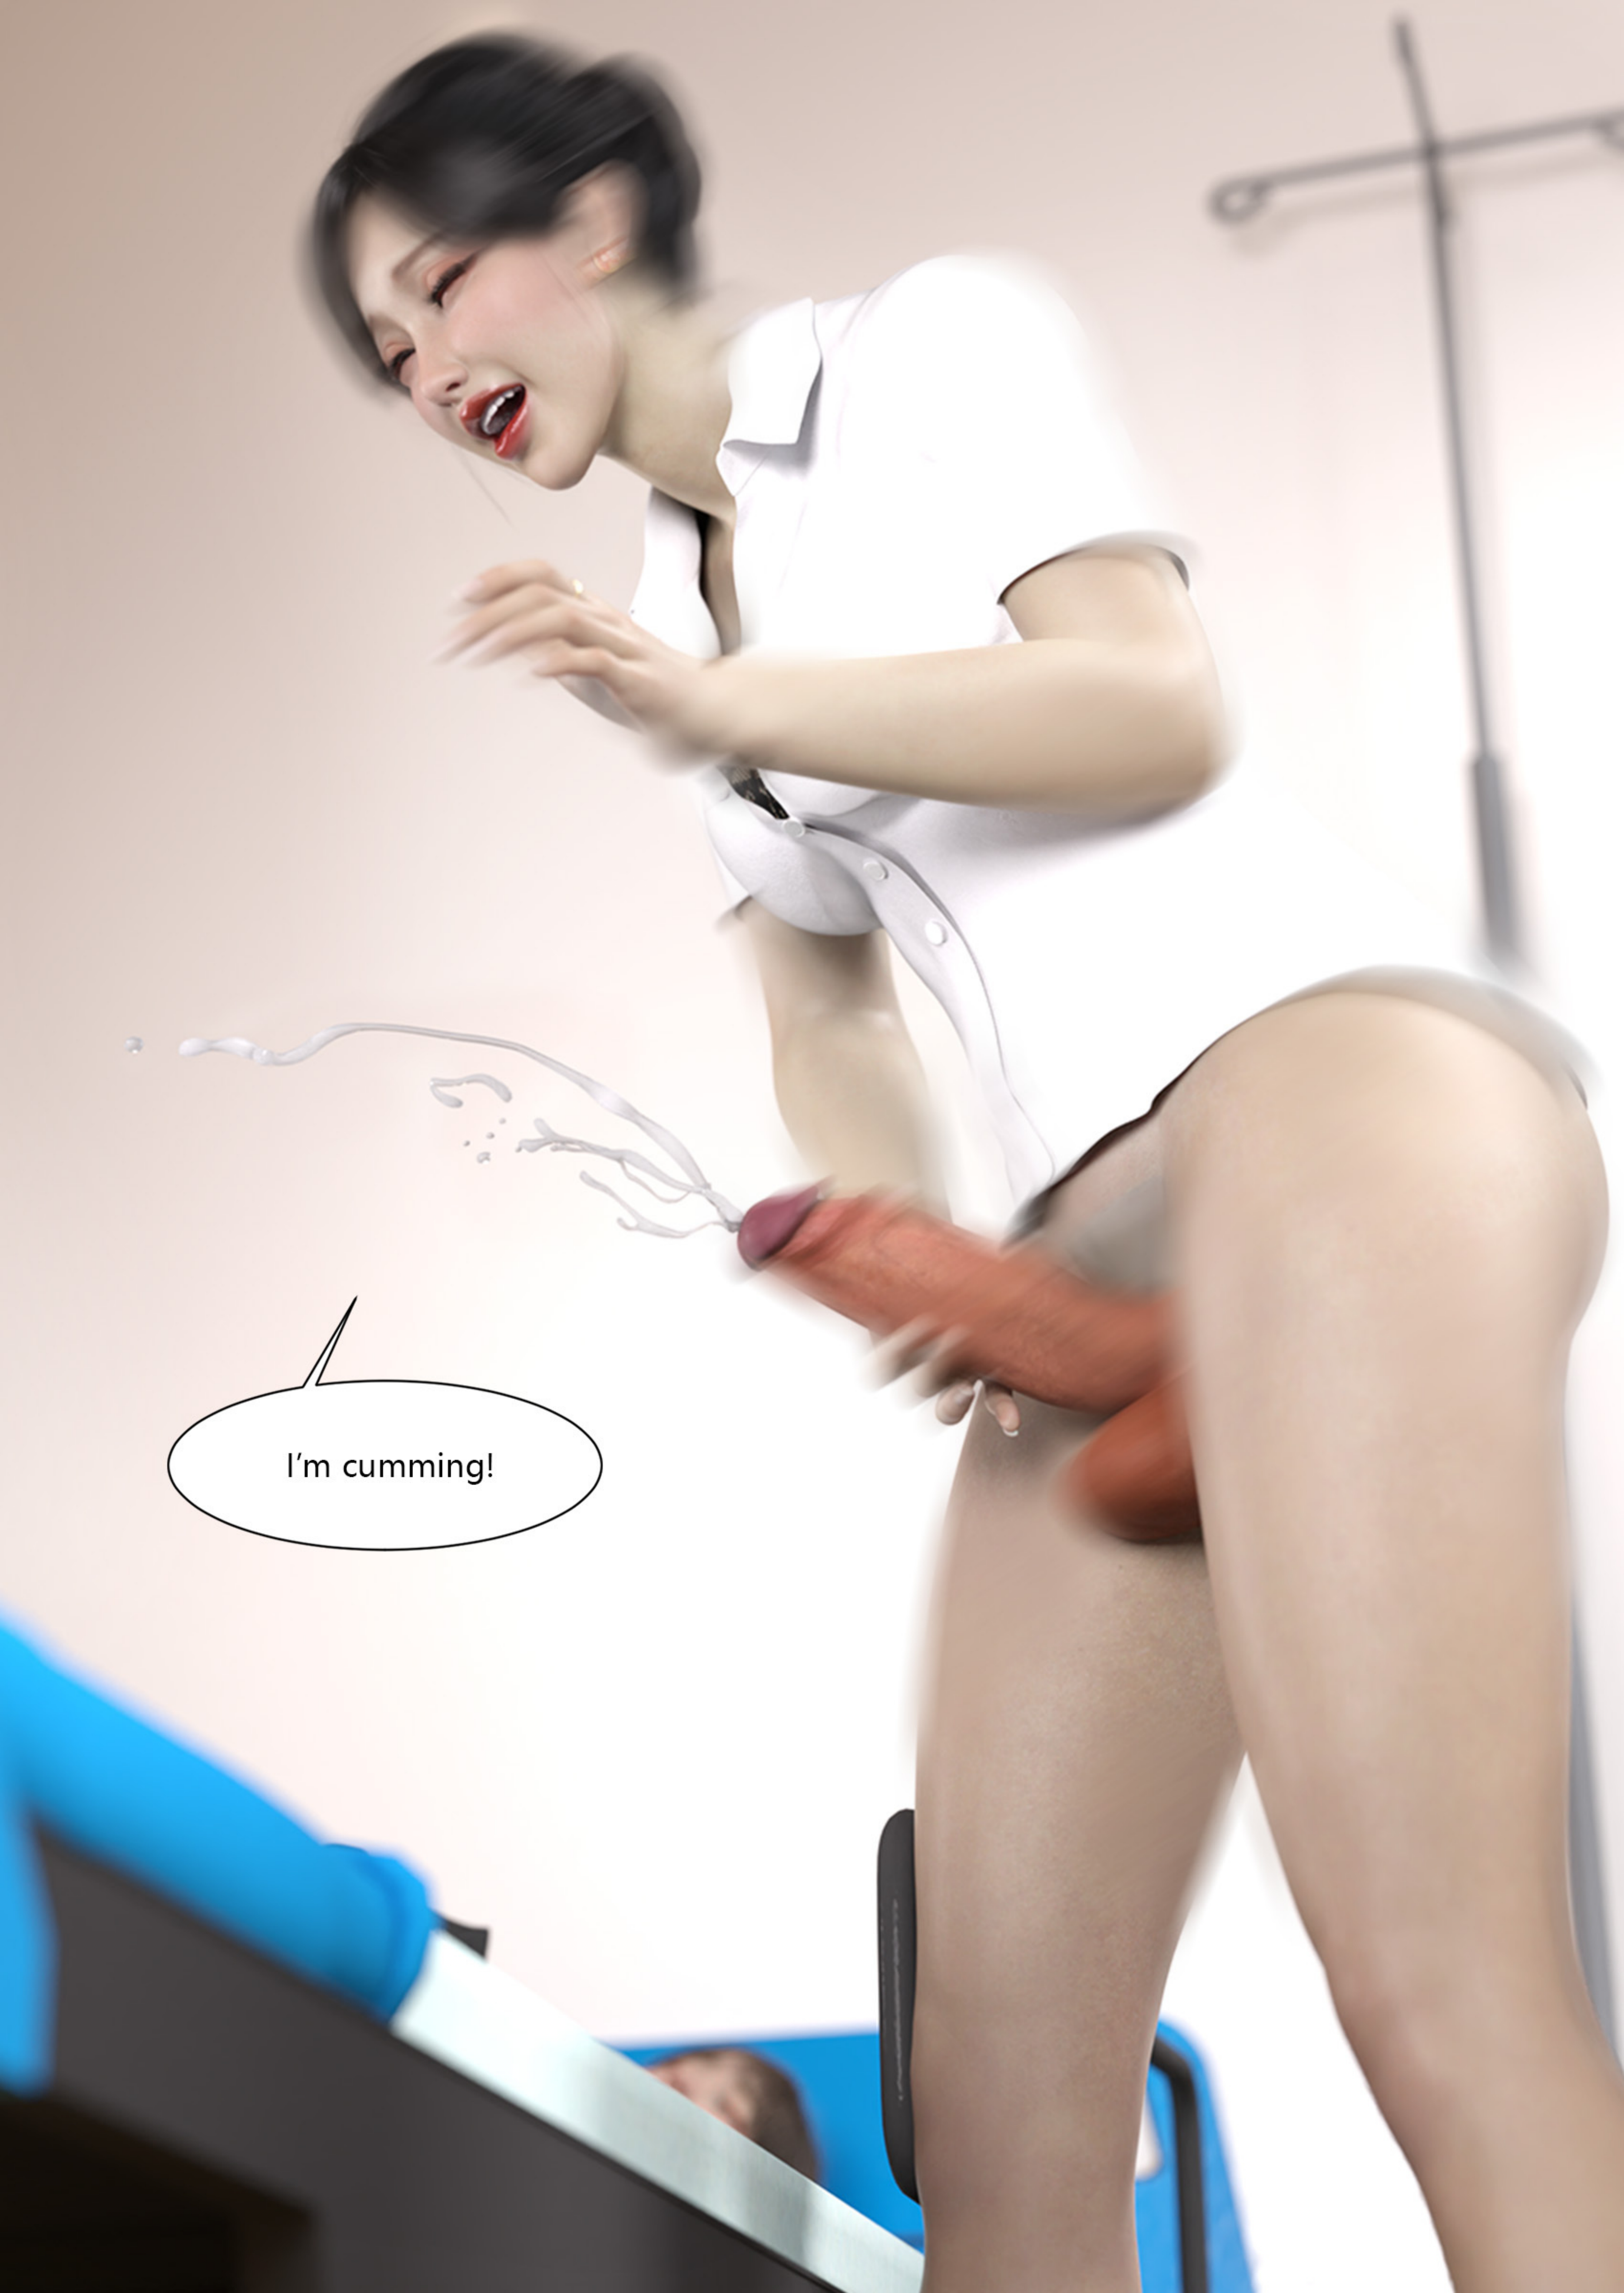

I'm actually using Mr. Jiang's identity to jerk off next to the school babe. This is too exciting!

No matter how exaggerated I want to be, I can do it as long as I have the skinsuit gun! It's too fascinating to do whatever the fuck I want!

Ahhhhh! I can't take it,
I'm going to cum. The perverted
shemale teacher is going to
have an orgasm ahhhhh!

I'm cumming!

Ha... haah! All...
semen ejaculated to
our school babe hehe...

Ejaculate!

Ejaculating as Mr. Jiang
is so fucking awesome...

Sigh...

What the hell is wrong with me?
My memories of the past few days are blurry,
and my body even has an inexplicable
feeling of fatigue and discomfort...

But I can still remember things before the weekend very clearly, where it started to fade... Woo! Seems like the time after I opened the door for someone.

Was it Charlie? No, the person's body type in my memory is too different from my son's, but from his clothes, I seem to remember a little...

Could it be one of
Charlie's classmates? Yes,
I remember in a trance, it seems
to be his classmate...

But it's not right,
Charlie never brings his
classmates home...!

Forget it. The more I think about it,
the more my head hurts. I'd better wait for
Charlie to come back and ask him again...
