

One morning...

Sigh...

What can I do?
This quiz is like this...

I was prepared for this,
but this score is just too bad!

Ah! In the end,
it's all Issac's fault!

Since the last time he came to tease me by pretending to be Ms. Jiang, I think about what happened then every time I go to class, and I can't concentrate on my lessons!

Ms. Jiang's seductive body,
towering over me like a queen...

Her long and sexy pantyhose feet,
and the pleasure from that feet job,
all made me remember it...

Once I get caught up
in the lustful memories, the lesson
will be over in no time...

Besides, sometimes it's hard enough
just to cover up my erection during class.
How can I pay attention to what's
on the blackboard?

Not only can't I listen to the class at school, but I can't concentrate on studying at home either...

When I see my mom now, all I can think about is the time I made love with her...

Every look and word my mom said,
even when she stood, her beautiful
figure would make me feel disturbed!

I can't remember how many times
I've gotten an erection in the middle of a
conversation with her, and several times
my mom has almost noticed
my abnormality!

Her beautiful body, her sexy moan,
and the pleasure of making love are all
in my mind, and I have to go back to
her several times a day, so I can't
study my homework properly...

Hey!

What's the matter, Charlie?
Why are you sitting here all mopey?

...it's you.
Why are you looking for me?

Yo, why are you so angry?
Look at you pulling a face at the
exam paper. What's wrong...

Oh, no, this is your paper?
You're a gifted student who actually
failed a test one day, hahaha!

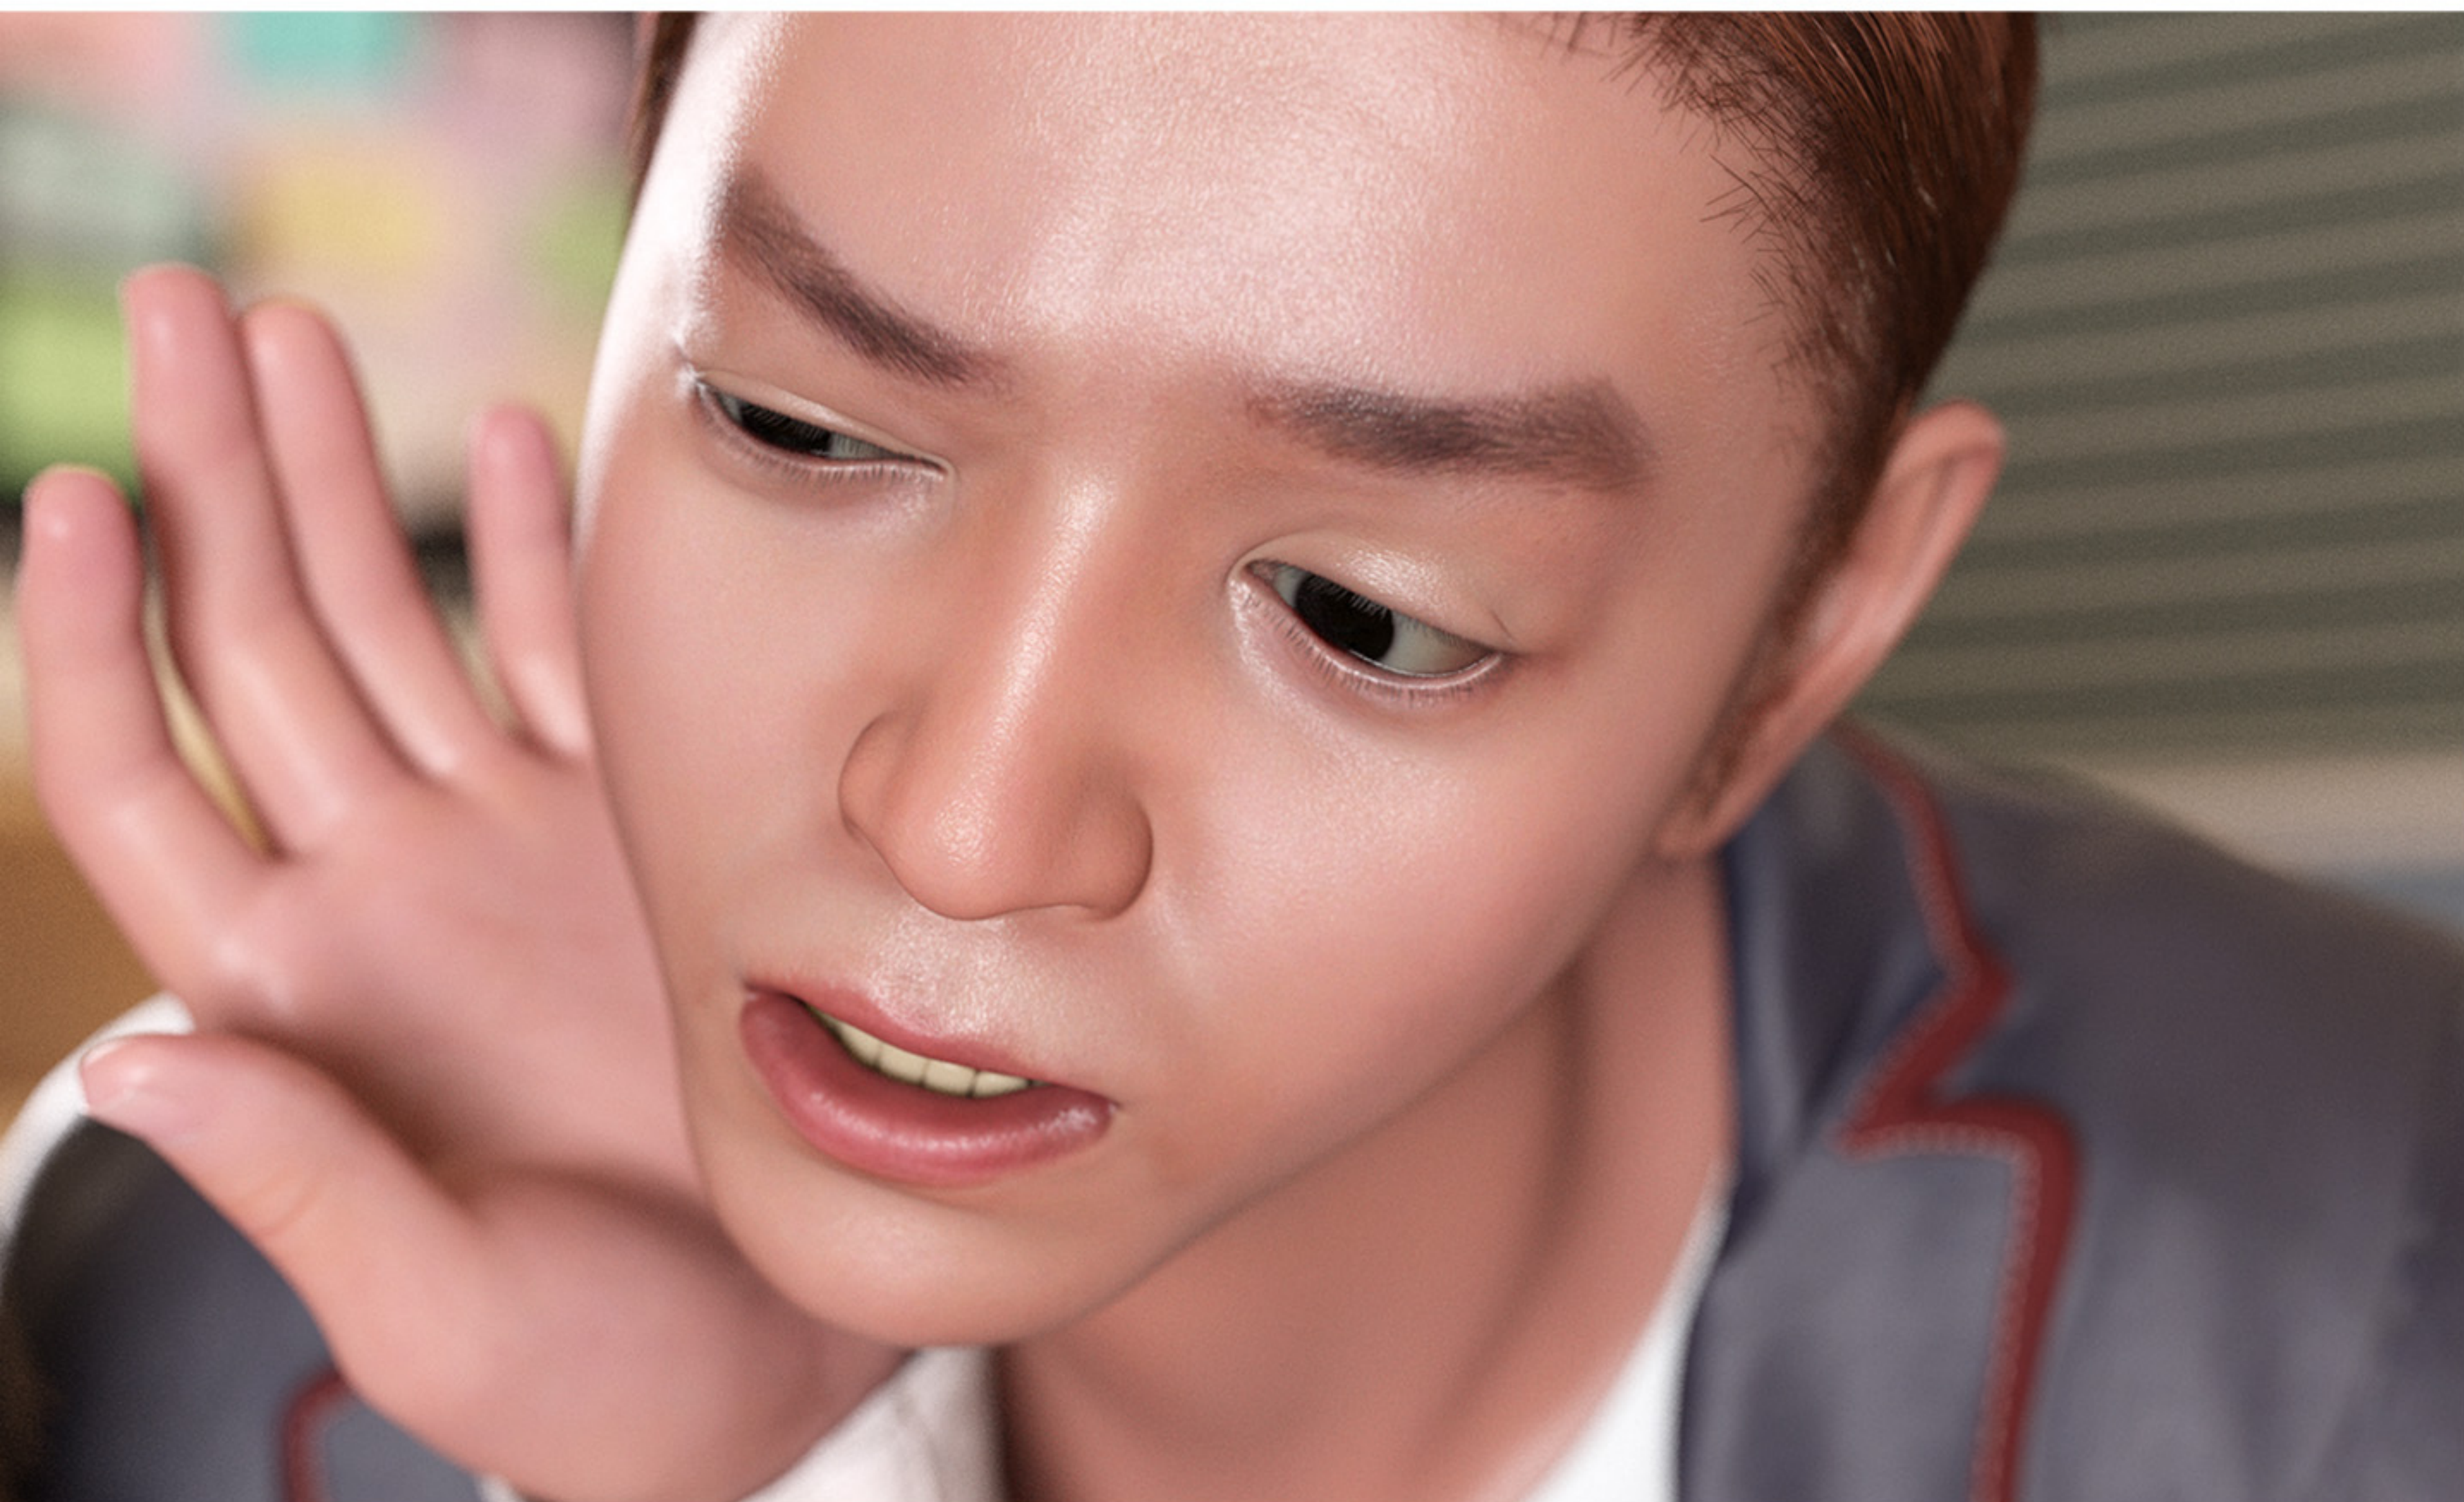

Get out of here,
My parents are about to be called,
and you're still over there gloating!

And in the end,
it's all because of you...

What the hell? They don't have to call your parents if you fail a test once, do they?

Like me, I'm always fluctuating on the passing line, and I don't see the teachers caring about it!

It's not up to me to decide.
Anyway, the teacher has already said she's
visiting my house for a home visit...

Once my mom finds out that
I flunked the test, I'm going to
be screwed!

Look at you.
Can't you be tougher?

No worries. I'll take care of it!

... What can you do?

Just wait and see.
I promise you this home visit
will be a breeze...

Charlie, is the teacher here?
Open the door!

Hoo... The day has come.
God, please don't make it a mess!

Good afternoon!

The gorgeous teacher is here!

What do you think of my outfit today?

I've been trying to pick out something sexy and nice from Ms. Jiang's closet for a long time, and I finally picked out this set!

Damn, Issac, can't you be a bit serious? The real Ms. Jiang wouldn't be like you!

Hey, it's not like we're in school,
and your mom hasn't seen Ms. Jiang,
so she won't notice it!

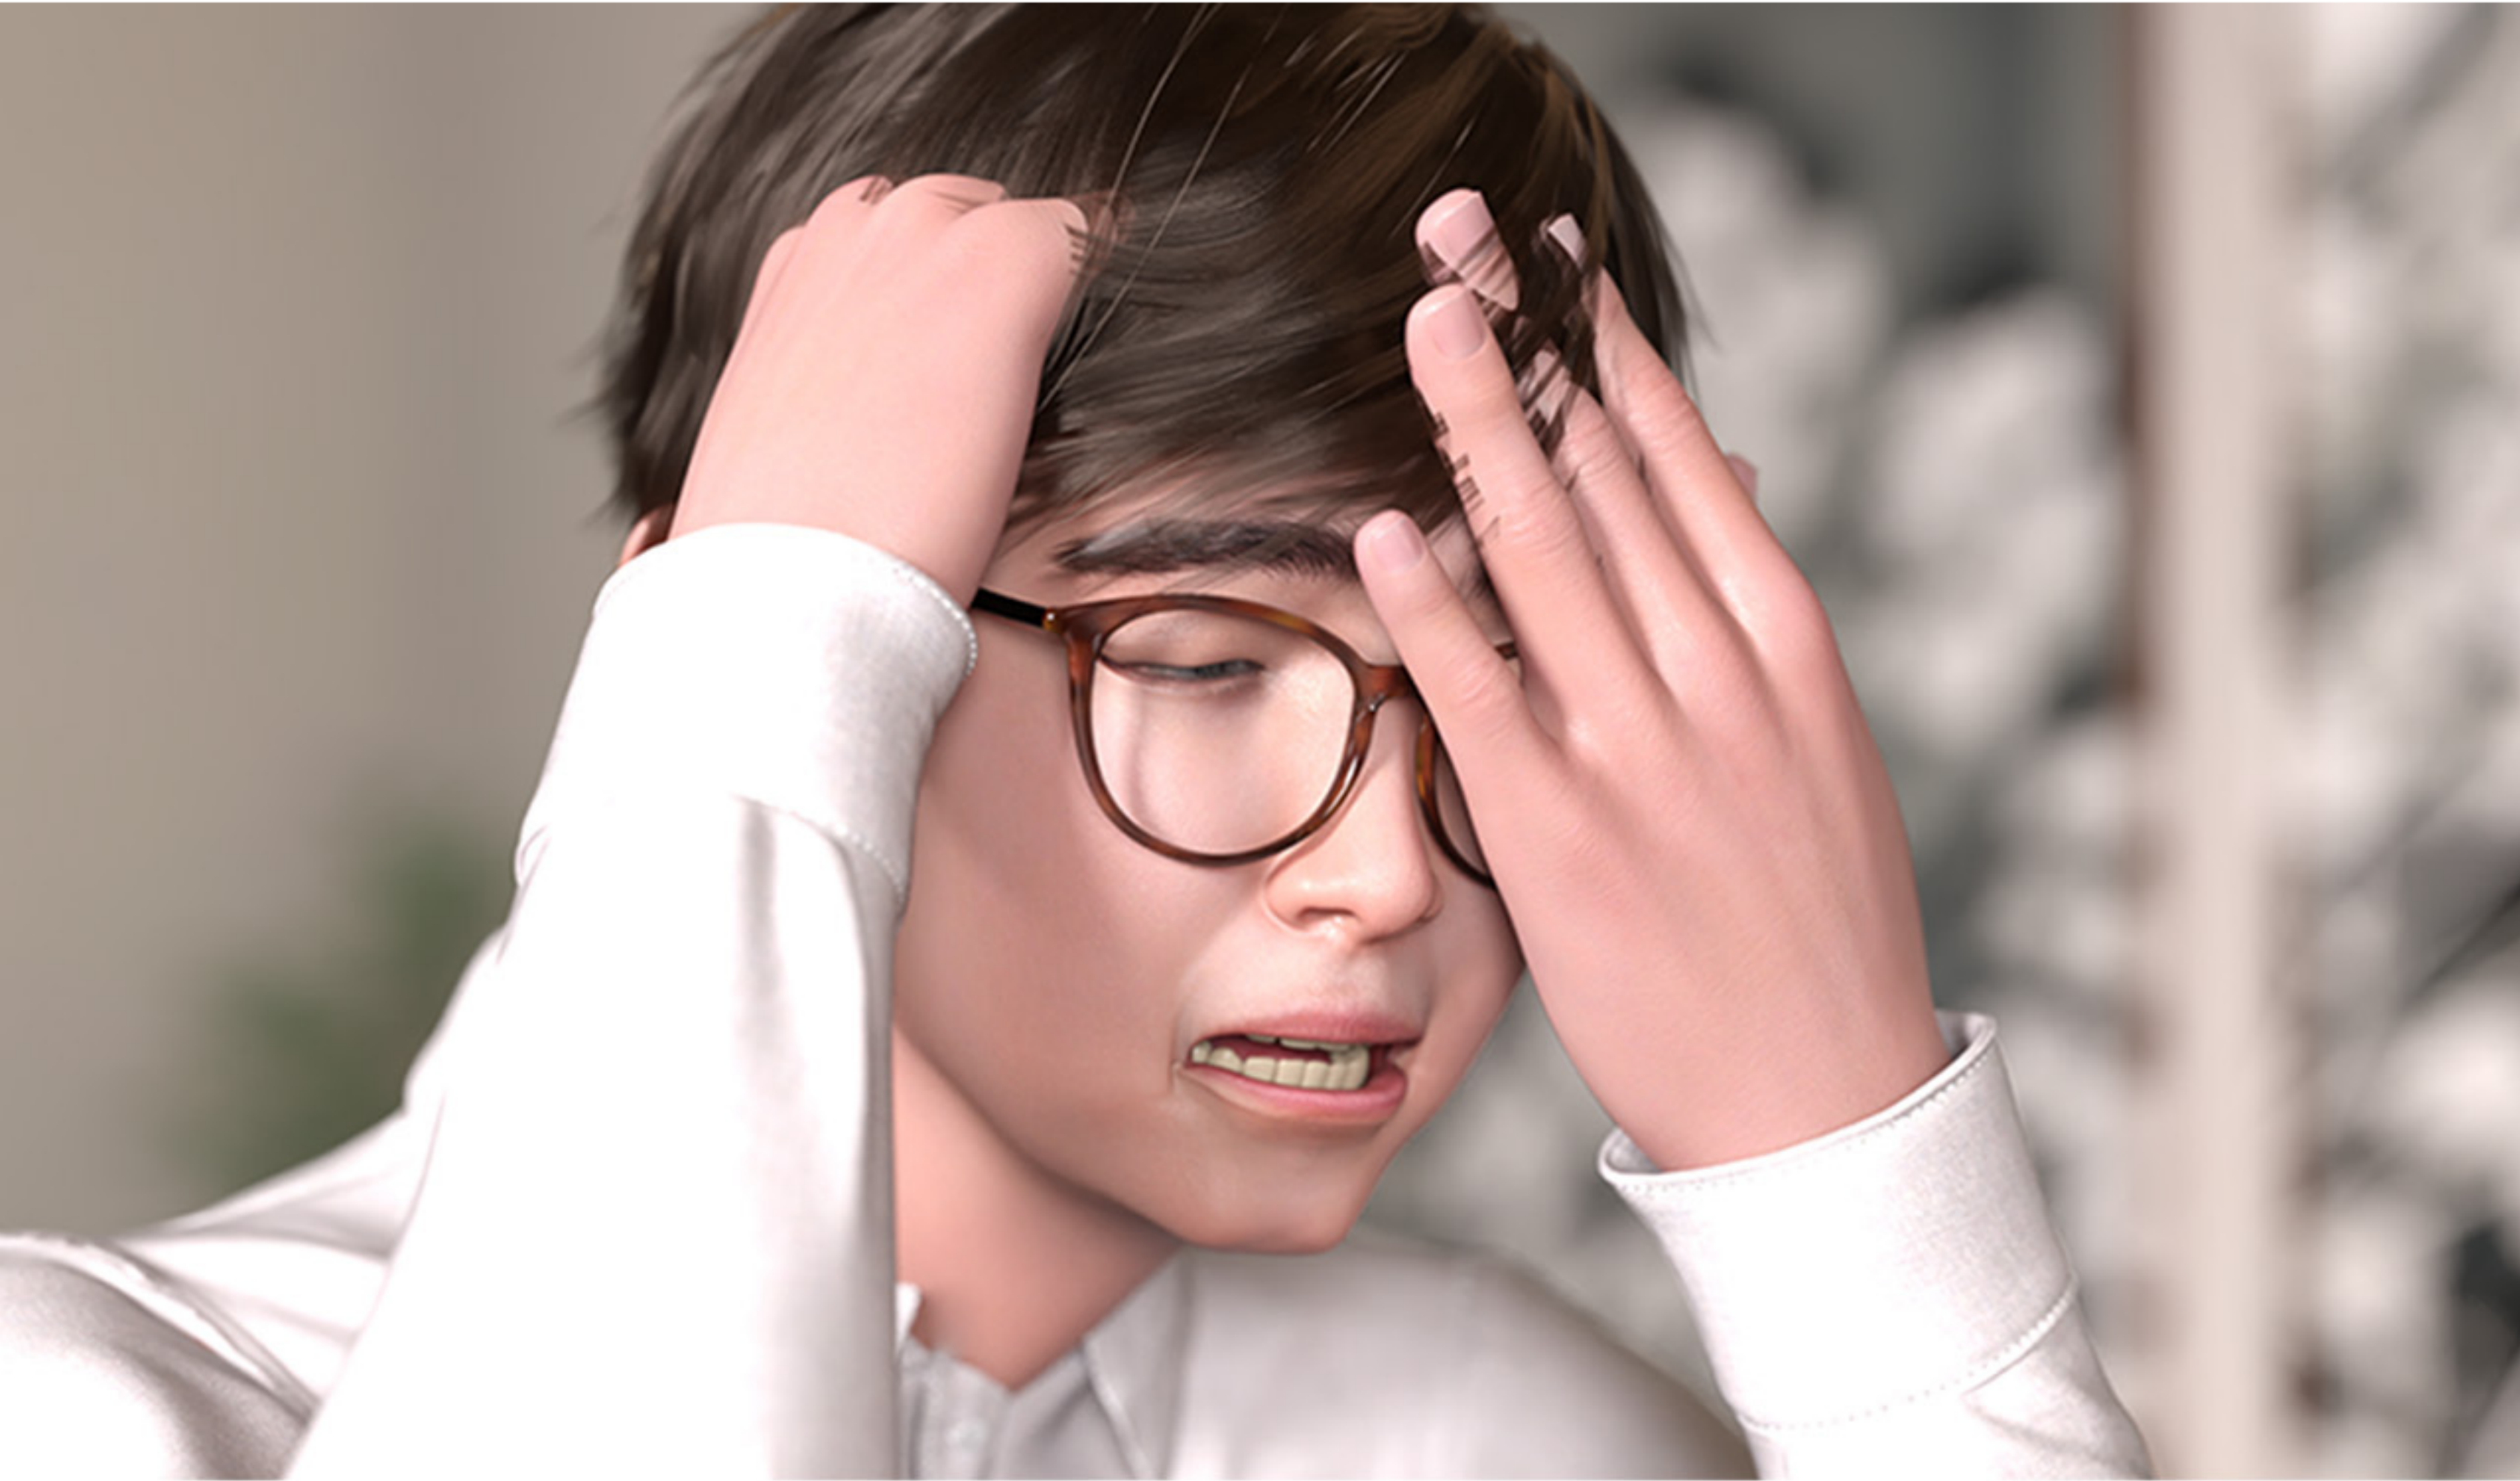

Issac, please don't screw it up today!
If my mom finds out I failed the exam,
I'll be grounded and punished
with a full deal!

Don't worry, I'll make sure
your mom is convinced!
You can just watch the show
from the sidelines!

I can't believe I'm putting my fate on Isaac.
I can only pray that he'll be careful not to
let my mom notice what's wrong!

I'm sorry I couldn't meet you at the door because I was busy with work. Please come in!

Hello, I'm Charlie's teacher.
My last name is Jiang.
Wow, you must be Charlie's sister
with such a stunning appearance!

Huh? Ha... haha... Ms. Jiang, I'm flattered.
I'm Charlie's mom, who contacted you earlier.
I'm sorry to bother you to come here today.

Are you Charlie's mom?
You look so young
and pretty!

I would have thought
you were a college student
if you didn't tell me!

Uh, you're too kind, Ms. Jiang...
Please take a seat inside,
I'll prepare some refreshments!

Sure, Mrs. Zhou. Take your time!

Shit, Issac, what are you doing?
You should at least act like Ms. Jiang for
just a bit! Look at you, you're talking in a glib way,
and you're embarrassing my mom!

I'm just excited because I haven't seen your mom for a long time!

Besides, your mom and I are now peers of similar ages, so we can naturally speak more freely!

Is that a little bit casual?
I think it's a lot! Seriously, please be
more noble and serious! Okay?

Nonsense! Get it straight,
I'm here to help you for free!
How can you ask for so much more?

It's hard to put on Ms. Jiang's skinsuit again,
and I haven't even had a chance to have a good time
before I came to your house while you still have this attitude.
I should have known better and masturbated beforehand!

Masturbate your ass!
Please, don't put your
hands right there.

If you want to have fun,
wait until the end of the visit,
and you can do whatever you want!
My mom's back! Sit back!

Sorry to keep you waiting.

Ms. Jiang, here is milk tea.
I don't know if you're used to it.

This dessert is from a time-honored
brand near our company, I hope it's
to your preference.

Thank you very much.
I will treat myself then!

Yes, it's delicious!
But this tea is too bitter.
No Coke?

You'd better behave yourself.
Look at your table manners,
and you still think about Coke!
You finish the main business up
quickly and get out of here!

Micromanaging everying... Hum!

Ahem, Mrs. Zhou, I'm here mainly to discuss Charlie's learning progress today. He's doing well in school...

... Based on his current grades,
he can go to some of the top universities!

Issac is really good at bluffing about going to top universities! Although he said good words, this is too much of praise, right?

Anyway, at least my mom doesn't know that I failed the exam!

I have to say that Mrs. Zhou is really good at teaching children, and it's not often that you find a student as smart and thoughtful as Charlie!

Mrs. Zhou is not only gorgeous but also smart and intelligent. Your husband is lucky to have a wife like you!

You're too kind.
Charlie is only as good as he is today
because of your guidance...

Ring ring~

Well... Ms. Jiang, I'm sorry,
the company called. I may have to
be absent for a while!

It's okay, Mrs. Zhou. You can go ahead with your business. And I can have a good chat with Charlie!

Uh... okay. Then, Charlie,
you take good care of your teacher!

Hello...

Manager, yes, yes, no problem!
I'll give you the documents later...

Shit, I told you to be more serious.
What kind of teacher hooks up
with a student like that?

If my mom gets suspicious and
goes to our guidance counselor,
I'm really screwed!

It's just a habit, and it's also a sign of a good teacher-student relationship. Don't make such a big deal out of it!

I've told you everything I need to tell you. When my mom comes back, you'll have to leave...

What... what are you doing?

Shut up! I'm jerking off, can't you see?
While talking to your mom in the process,
my whole dick in the skirt was super hard,
especially stuck in the pantyhose.
The sense is really..... ah hiss!

Especially when I saw your mom's slutty face, it reminded me of how much fun it was to wear her skinsuit! Ahhhhh! So good! It's great to use a lady's hand for jerking off, for sure!

Issac, what are you doing?
Are you out of your mind?
This is my house! Stop it!
What if my mom comes back
and sees this?

You don't understand. Putting on a woman's skinsuit feels really good, and getting my dick out of the pussy is even better. I can't stop it!

Issac, that's enough.
If you want to have fun,
go home, not here!

Get out now.
When my mom returns,
I will find an excuse to tell her
that you must leave first...

Sorry to keep you waiting, miss...
Huh? Charlie, what are you doing there?

No, nothing, I was just asking her a question!

Shit, shit, shit! Issac,
hide your dick right now, and
don't get caught by my mom!

With a female teacher
having a man's dick underneath,
my mom would be scared to
death if she saw it!

It's okay, Charlie,
it's not a bad thing.
How can you lie to your mom?

Actually, it's like this,
Mrs. Zhou...

I'm sorry, but seeing you look so pretty turned me on!

Oh, Ms. Jiang,
you...!

RITA

What's that thing underneath you?

Oh, my God! It's over!
I can't believe my mom saw
Issac being like this! What should I do?
What should I do?

What do you mean?
Mrs. Zhou, how can you not
recognize a man's penis
when your child is this old?

It seems you really
need me to help you with your
sexual health education program!

Ah, ah, ah! Ms. Jiang,
what are you doing?

You smell so good, ma'am.
The unique scent of a mature woman
is like a stimulant, and it's making
my dick harder and harder!

To tell you the truth,
I'm actually very familiar with your body,
so I'm sure I can give you a good lesson
and take you to unknown territory!

You can just enjoy it!

It's been a long time,
little pussy. You've been lonely
without me, haven't you?

I know, you'll be so happy
when I lick this place, and you
won't be able to stop flowing!

Issac... No, Ms. Jiang!
Stop it! Let go of my mom!

Miss, stop it! Not that spot.
It's very sensitive! I can't hold it
if you lick there like that!

Ahhh, you're making me feel so good. No wonder you're a teacher. Your tongue is so flexible! Lick deeper, I want more!

deeper! deeper!

... Huh? Mom, mom, why are you...

Hehe, a woman's pleasure is not finite, right? Just licking it can make you feel so good!

Wait until I put my dick into it. I'm sure you dirty girl will feel good!

Ha, ha, ha, my pussy
keeps dripping, I can't wait!

Miss, please hurry up and
use your big dick to fuck me!

Are you Issac?
No, Issac is Ms. Jiang!

So, who the hell are you?

What are you talking about, son?
I'm your mom! She's just a bit slutty and perverted.
How can you disown your mom
just because of that?

Don't be silly!
You must be a pervert like Issac,
wearing my mom's skinsuit and
pretending to be her, right?

Tell me the truth,
who are you?

Well, if you
want to know so much...

I'll tell you!
