

Later

If you want to know so badly...
I'll tell you then!

... Phew!

Hoo~ The skinsuit is really stuffy.
Turns out it's not that easy to
be a beautiful woman!

Kai? The person who wearing my mom's skinsuit is actually you!

Surprised to see me?

Charlie, come on!
You don't even reach out to me
when you have something so interesting.
Do you still treat me as friend?

What are you talking about?
I'm here to see you!

But I have to say,
you act much more like
Charlie's mom than I do!

Of course,
I've worked hard on it!

Unlike you. Your disguise as
Ms. Jiang is full of flaws, and it would
be suspicious if I weren't there!

You guys... actually turned
my mom into a skinsuit
behind my back again!

What are you guys
up to for not telling me?
Is it funny to tease me like this?

A woman with dark hair styled in a bun, wearing a white short-sleeved button-down shirt and a black skirt. She has a thoughtful expression, resting her chin on her hand. A speech bubble is positioned in the upper right corner of the image.

Don't be mad, Charlie!
It's nothing else but worries about
this home visit not going well,
so I asked Kai to help me out.

That's right, and it's not like it can't be reversed. Why are you so mad, Charlie?

Issac can wear your mom's skinsuit, while I can't?

What? I can't be mad at you
for keeping me in the dark?

Would you not be angry if your mom
had been turned into a skinsuit
and put on by someone for fun?

If my mom were
as beautiful as yours,
I'd give her all as your buddy!

But my mom is an old woman.
Even if I wanted to,
you can't enjoy it!

Yeah, not to mention we're brothers. We can't hide something as powerful as this skinsuit gun from Kai, right, Charlie?

Even if that's the case, you can't simply go after me without saying anything, right? Don't people say a friend's wife should not be bullied? The same applies to a friend's mom!

What? I thought you'd be happy if we did this, Charlie. After all... don't you like your mom the most?

You! What are you babbling about? I... I just...

Okay, Chalie, you don't have to be duplicitous in front of your brother. We're intimates.

Besides, it's not your fault. If my mom had been so sexy and beautiful, I would have been attracted to her, too!

Eww... Put her head back on and talk again, okay? I'm about to throw up my breakfast when I see your face on her head!

Hmph! Still talking. Now you realize how I felt before!

Okay, okay, not to mention you guys, I'm a little uncomfortable with this look...

Oooh ah... so tight, I can feel the skin slowly fit in... my voice!

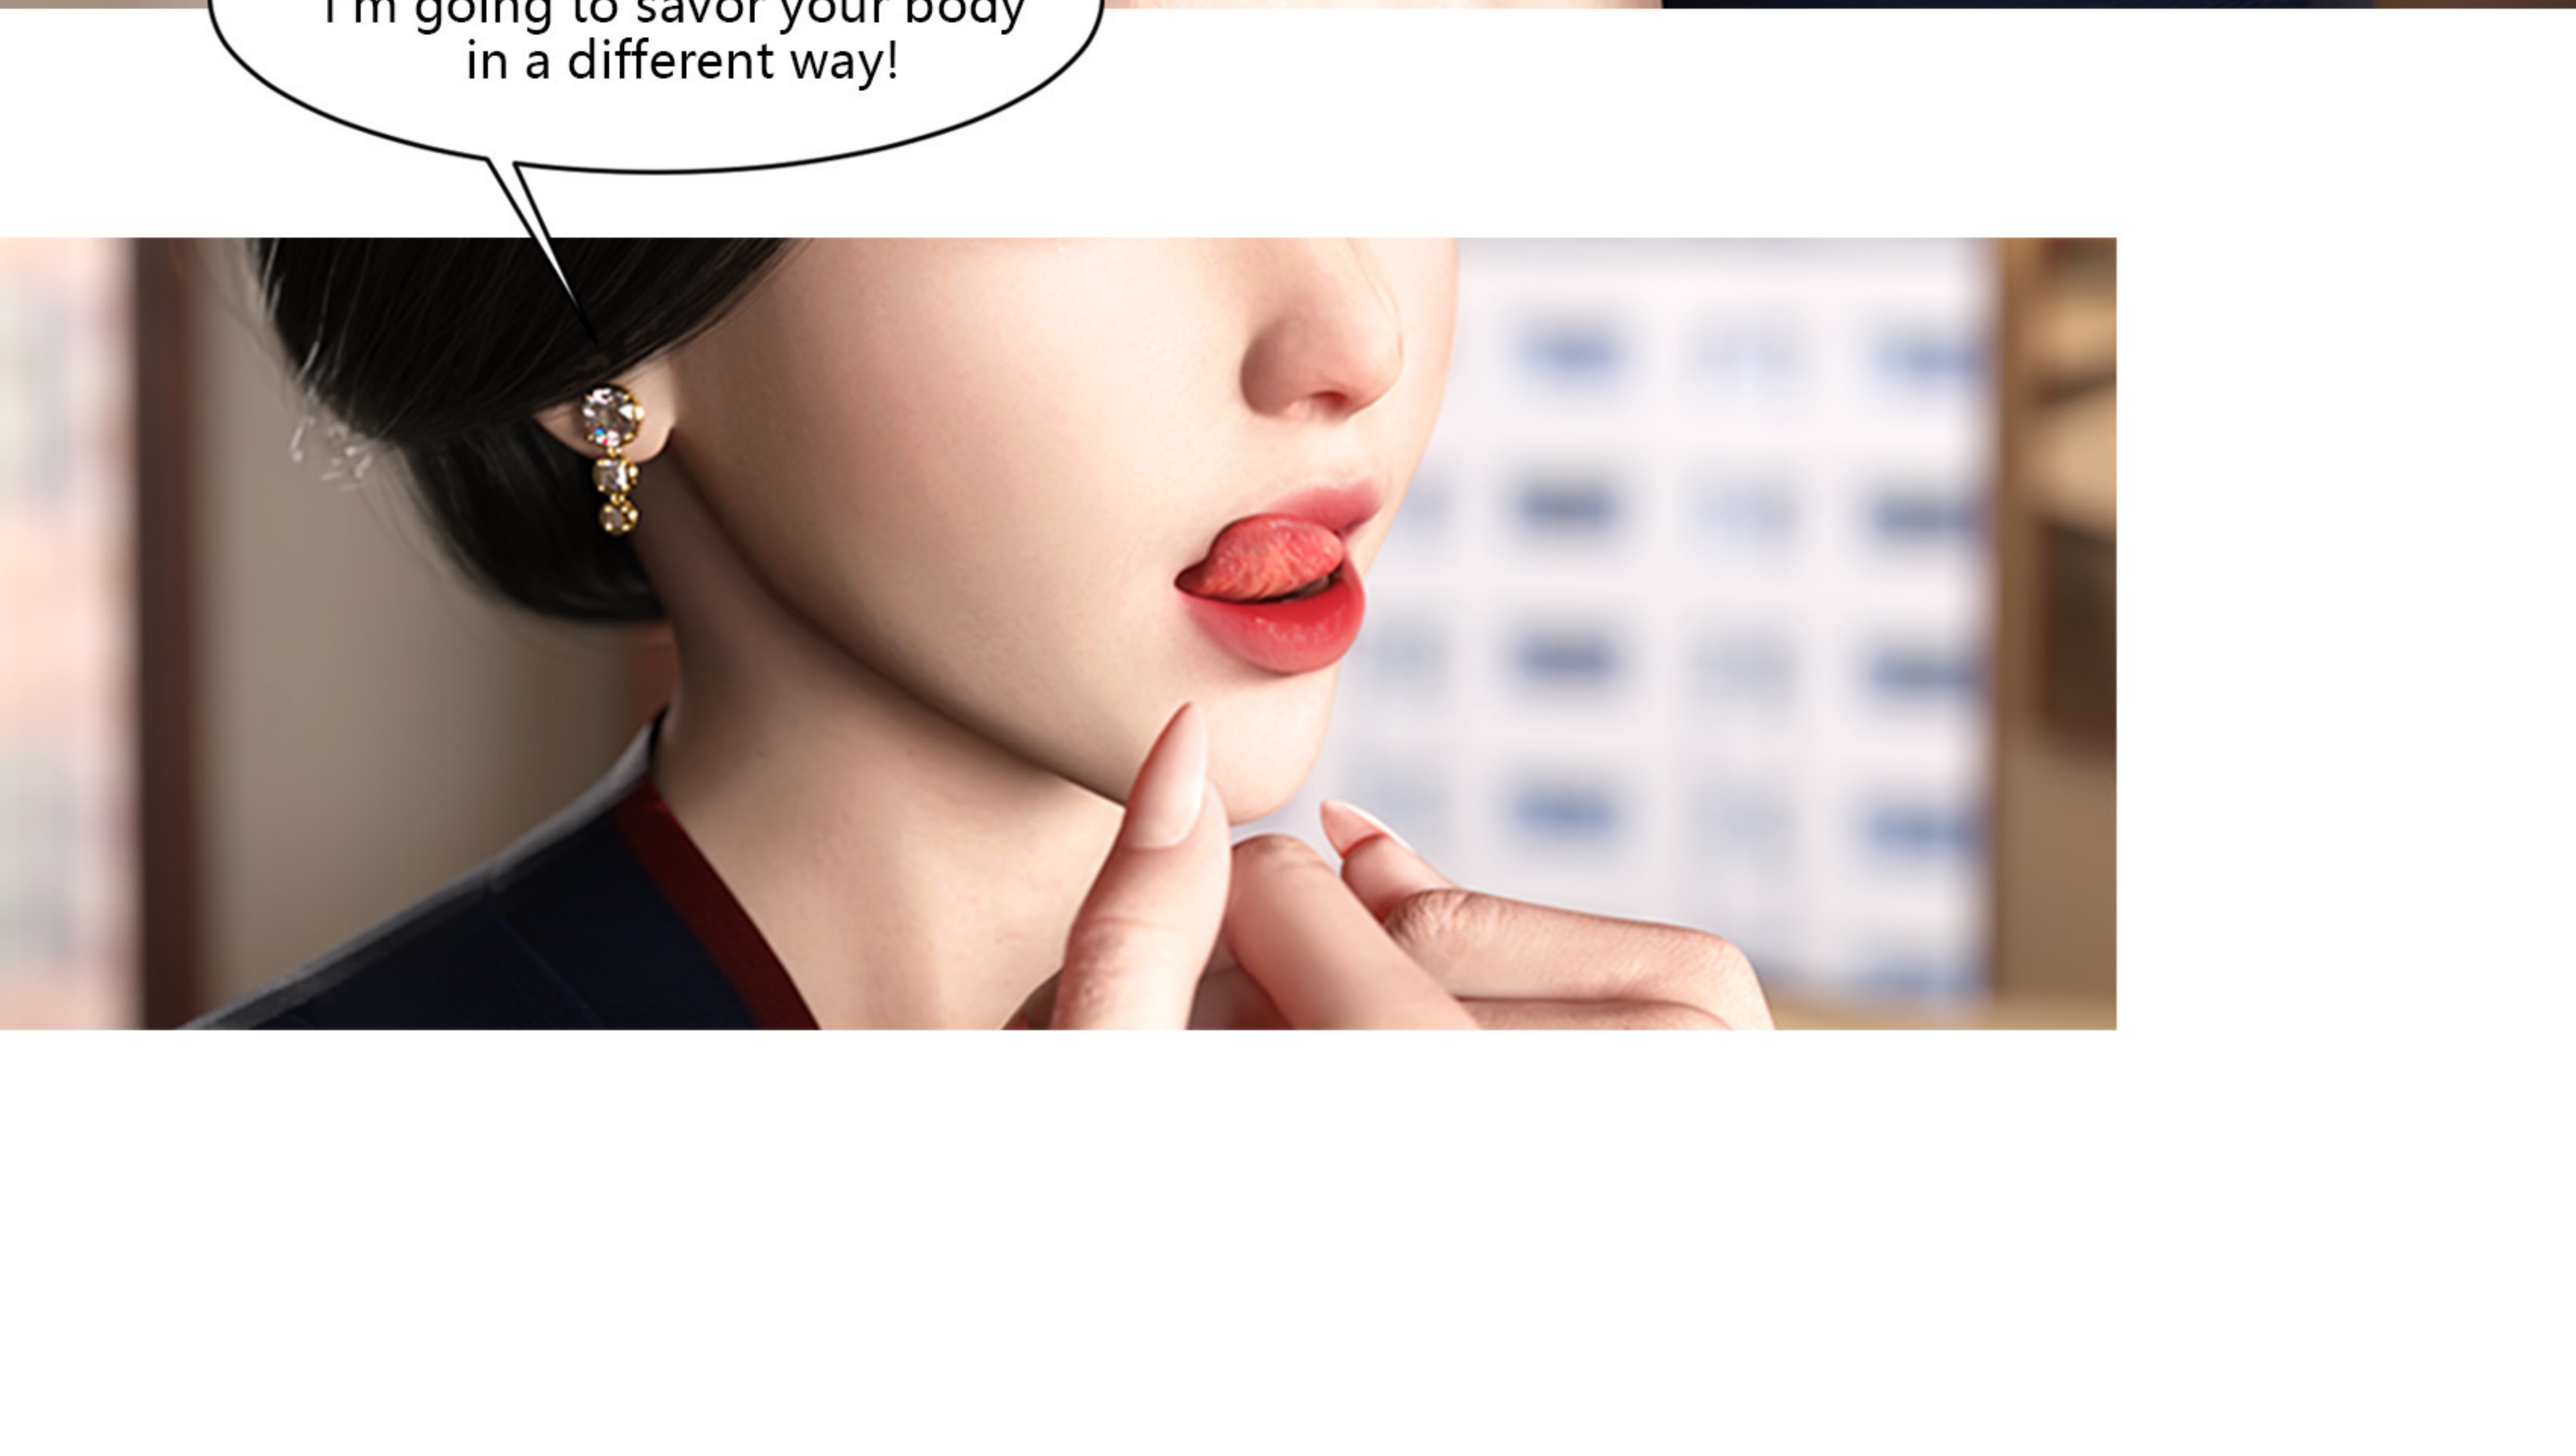

Ha, changed back to
this beautiful voice again!

Since I've changed back...
Now, Ms. Jiang, shouldn't we continue
what was interrupted before?

Hehe, of course! This time,
I'm going to savor your body
in a different way!

Wait a minute! You, you two,
how can you do this?
My mom, my mom...

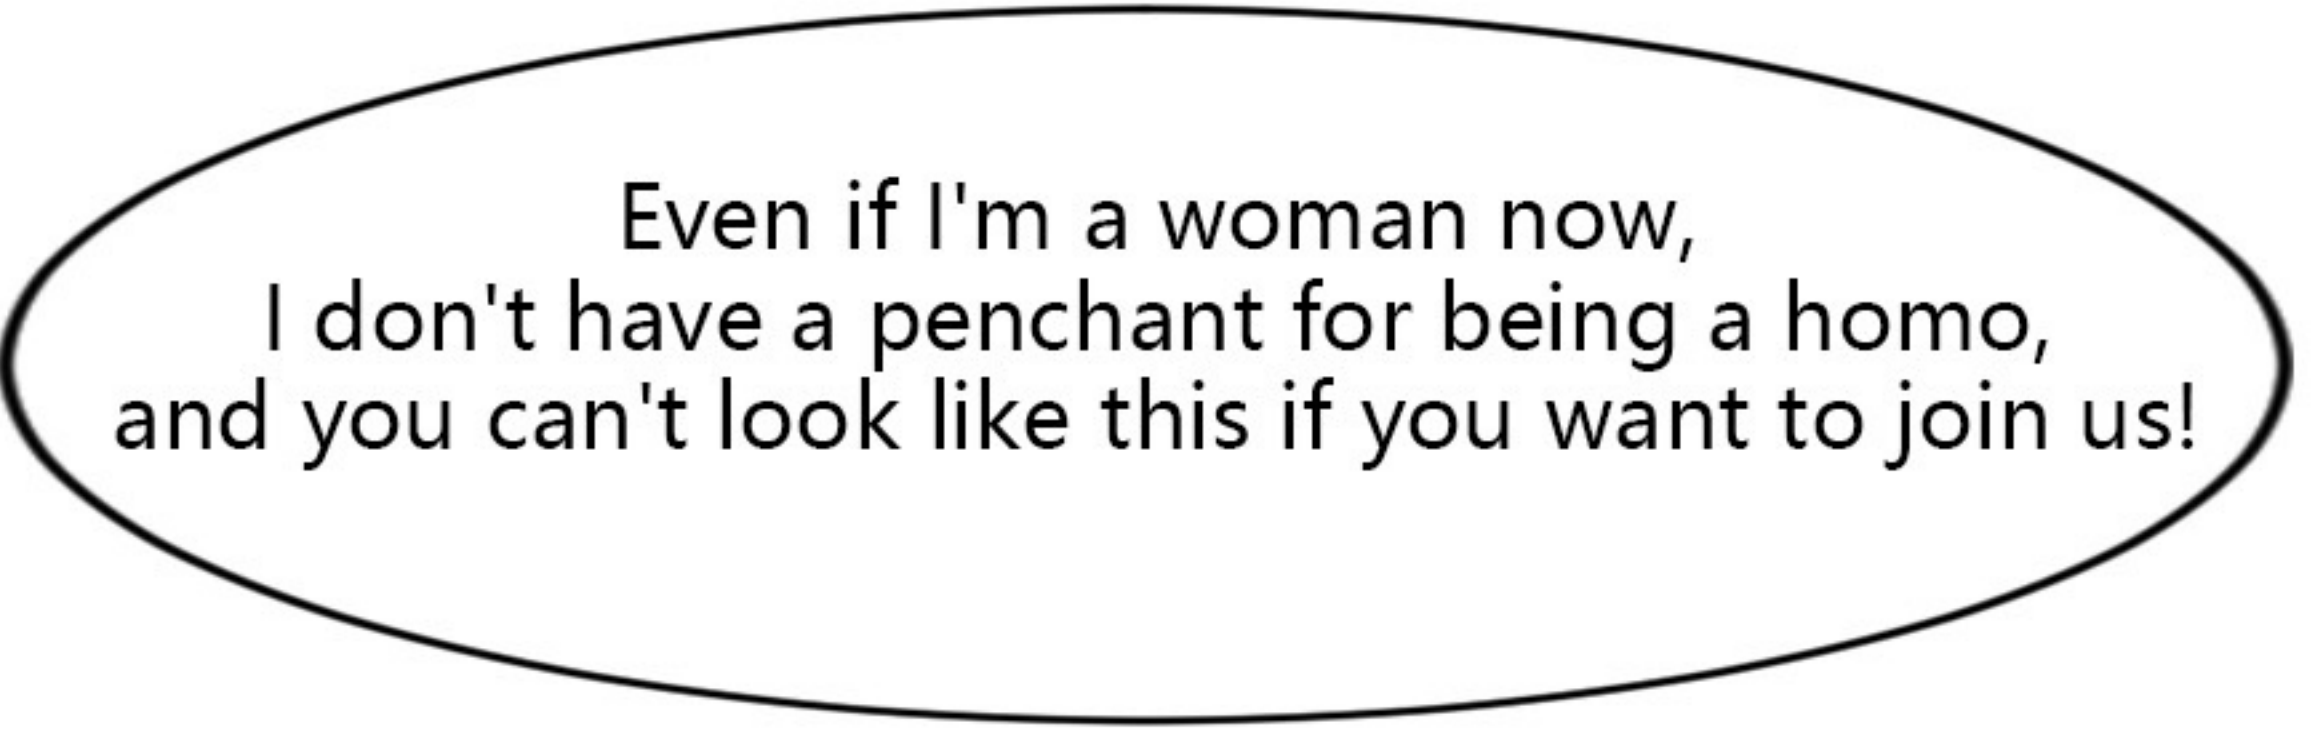

Well, it looks like Charlie wants to join us too. Mrs. Zhou, don't you think?

Hehe, my good son can join us if he wants to. It's just... although mommy is a beautiful young milf on the outside, there is a perverted male student inside!

Even if I'm a woman now, I don't have a penchant for being a homo, and you can't look like this if you want to join us!

Bingo! Although it's not your favorite mature woman type, the school babe that all the boys are into is not bad, right?

Today, I thought the three of us needed a really good time, so I took a shot on Eve. Am I not generous?

Ta-dah! This is the most beautiful school babe's skinsuit we've prepared especially for you!

What?!

The skinsuit... Is this Eve?

Bingo! Although it's not your favorite mature woman type, the school babe that all the boys are into is not bad, right?

Today, I thought the three of us needed a really good time, so I took a shot on Eve. Am I not generous?

The day I first turned Ms. Jiang into a skinsuit, I went to the health clinic and originally wanted to go after Nova...

I used Ms. Jiang's identity to take advantage of Nova and she did not suspect it at all. With that kind of excitement, I almost took out the skinsuit gun!

Who knows if she had something urgent, so I didn't make it. But Eve was not feeling well, she came to the health clinic in the meantime...

Originally, I wasn't interested in the school-girl type, but she was sleeping dead before me. Naturally, I won't miss this good opportunity!

I was also on a sexual drive,
jerking off right next to Eve,
and even came on her face!

For such a move, she woke up
even though she had slept deeply.
Seeing a female teacher grabbing a dick,
she screamed out on the spot.

So there is no other way.
I can only turn her into a skinsuit
to avoid leaking the secret!

Her bad luck is the only thing to blame for.
Who told her to come to the health clinic
at that time and woke up when
I had just finished cumming?

Still making excuses!
You wouldn't have thought of me even if
you impulsively turned Eve into a skinsuit
and desperately needed someone to wear her!

When I was temporarily called out of the
classroom, I thought I had gotten into trouble again.
I never thought it would be such a good thing!

Hehe. So how's that, Charlie?
You only watched me wear it from
the side before; it was not fun, right?

Now you finally have
the opportunity also to wear a skinsuit.
Aren't you happy and surprised?

This... I... But...

Should I wear Eve's human skin or not?
If I put on the skinsuit, I can become that
beautiful and elegant school babe and
experience the pleasure of a female body...

But then, wouldn't I be just like Issac and Kai?

Disregarding Eve's will to take control over her body, how can I still accuse them of messing with my mom?

But I can't just give up and let Issac and Kai have their own fun while I can only stare at them from the side. I can't do that either!

What should I do?

Oh, god, you're a real pain
in the ass, Charlie! Give it to me!

Look, this is the skinsuit
of the school babe,
the school babe!

For a nerd like you, you won't
even be able to talk to her,
not to mention becoming
the school babe that
everyone looks up to, right?

When you wear this skinsuit, you'll not only become the school babe, but you'll also be able to have sex with your mom in the flesh!

I don't understand why you're hesitant about this rare opportunity. Is your mom's charm so low?

... Yes, Kai is right. Boys with normal looks like me simply don't have a chance to reach out to beauties like Eve!

Moreover, looking at the Issac first put on my mother, and then later Ms. Jiang, although I hate to admit, in fact... I am actually jealous of him!

The skinsuit on my hands feels heavy, warm, and slippery to the touch, so tantalizing... Her empty face constantly attracts me like a black hole, as if clamoring for me to hurry up and wear her so that her original youthful and energetic body can be plumped up once again!

You look like
you want to put it on,
so don't dawdle any longer!

Hurry up, my dear son,
mommy really wants it now.
Let mommy make love
with your school babe!

That's right. Ms. Jiang
can't wait to meet Eve too!

Take off—

Ms. Jiang's cock is so hard right now,
I really can't wait any longer!

If you don't hurry up, mommy
will play with Ms. Jiang alone!

A man with short dark hair and glasses, wearing a nude-colored skinsuit, stands behind a woman who is bent over, also wearing a nude-colored skinsuit. He is adjusting the suit on her back. The scene is set in a room with a wooden floor and a window in the background.

... I didn't expect to actually experience this feeling personally today as I could only look at the side of the Issac put on the skinsuit before!

When this moment actually comes, my heart keeps beating wildly, as if my body is warning me that my life will be completely changed as long as I wear her!

But the fear and nervousness is nothing compared to the desire that keeps screaming inside!

Ahhhh! Eve's skin was attached to my body, and I could feel I was gradually becoming one with her!

So good! It feels so good!
Is it this comfortable to
become another person?

If Issac and Kai weren't here,
I'd be screaming in a shameful way!

It's just a skinsuit, but wearing her feels really happy as if I'm a butterfly emerging from a cocoon!

I can now understand why Issac was unwilling to take the skinsuit off. I wouldn't have been able to take it off if I was him! After experiencing this kind of pleasure, I really can't go back!

Eve, I'm really sorry.
I know you don't want to be worn
by a guy like me, but I can't wait
to be you now!

Woo...

Ah! My, my voice...

Did I... did I really turn into Eve?

Hehe, since Eve is ready,
then we can start!

Finally, mommy can't wait
any longer too!

Hey, school babe,
are you ready?

I... wait, I'm...

Uhhhh... Eve's lips
are so soft, hehe!

Miss... mmmm

The feeling of kissing, so,
so comfortable... Ms. Jiang's lips
were so soft and fragrant,
it was all a girl's aroma...

is this the feeling of a girl?
This unfamiliar touch from the body,
my hands and feet ran out of
steam because of the kiss...

Although it's good to behave
in front of your teacher, you
can't leave your mom out of it!

Ah...

Oooh!

I'm actually kissing my mom!
It's not the same comfortable feeling
as Ms. Jang's. It's passionate but with
a different flavor, a lesbian kiss
with my mom... oooh...

Hehehe, it seems my newborn daughter is enjoying cultivating a relationship with me!

Haa... haa...

Seeing this horny look on the school-babe daughter's face has turned mommy on too!

Good daughter, come and serve
mommy's little slutty pussy !

... Use a girl's body to lick
mom's pussy? What should I do?
It's so perverted but so exciting,
my body is burning like a fever!

I remember the last time I licked my mom's pussy to orgasm. The taste of her pussy juice and her lustful screams made me so excited that I couldn't sleep for countless nights!

Now I finally have the chance to taste my mom's pussy again!

Slurp-Slurp-

Em-ah! That's so exciting.
My daughter's tongue is so good,
mommy feels so good to be licked!

Ahhh, it's so good!
Served a beautiful teenager while
enjoying the pleasure of female bodies
is going to be so good!

Come on, use your school babe's
slutty tongue to stick in and play
with mommy's slutty pussy!

Hey, hey, don't leave me alone when you're having fun!

Since Eve is being filial to her mom, I'll give you a lesson as a teacher!

I will tell you where is the highest part of your pussy, our pure little school-babe !

Em-ah! Wai...wait!

Emm...Em-ah...So fragrant
the school-babe pussy! How could I
just console with your sexy legs
last time, what a pity!

Haa~ How it feels Charlie?
Have you enjoyed the pleasure
of girls?Em-ah...

Ahhh! No,sensei, not there!
So sensitive...Aaaah!

Hehe, It seems that my little daughter tastes the pleasure of being girls, so lusty~

Your lusty look makes me mother rut!

Aha, so comfortable,
the continuous pleasure coming from
beneath stimulates the sensitive parts of
mine which shamfully clamps my legs!

Completely different from the
stimulation of cock, bringing the pleasure of
a mixture feeling of fullness and emptiness,
I want it... I want it...

Ah! I can't hold it!

Eh?!

Ah! Iss...sensei,
what are you doing?!

A 3D rendered woman with dark hair, red lips, and a small orange earring. She is nude, wearing a white string bikini bottom. Her right hand is holding a large, thick, reddish-brown penis. A speech bubble is positioned above her head, containing text. In the background, another woman with long black hair is visible, looking down. The scene is set in a brightly lit room with a white sofa and a window in the background.

What am I doing? My pervert cock
will taste the school babe pussy!
My cock is too hard-on to hold back,HAHA!

Wai...wait! Are you going to FUCK me?
No, plz don't! I am still man despite the
current appearance I take!

Man? No man here!
Standing by is a sexy babe tempting
me with her tender pussy!

Tell me, your scratchy empty
pussy is dying for a huge cock!

Purr...she is right,
just a little lick drives myself scratchy...

The anterior and post-aft drop
of pleasure makes me mad!

Be easy! I can assure you that
nothing can be compared to the
pleasure of being fucked !

Have you remembered the feeling
of fucking mother? Have you remembered
I rocked off by a stranger? How can I scream
like that if being fucked is such boring?

Issac is right,
such a woozy man he is,

being fucked in a skinsuit
makes himself so high, which
must be the pleasure of pussy!

Then... please be gentle...

Heehee, be reassured,
after all this is the first time of
Charlie and Eve both !

I must tell you the real
pleasure of copulation!

En-haaaaaaaaaaa!

Insert!

OH~FUCK!
Virgin pussy of school-babe!
Tooooo tight to gripppp my cock!

Em-ah! Tooo thick,
I am melt to death!

This is the feeling of girls having sex?
Hot underneath, with each stroke deep
in the body, feelings of electric
shock assaults me!

Fuuuuck! Listen to your sweet gasp!
NOW YOU ARE A BITCH,
NOT A MAN, Charlie!

Ahhhh! Warm and slippery of
your virgin pussy! No stopping
of cumming!!

Female am I? How I can...
oppress my moaning? It's too ashamed
to hold back the pleasure!

Huh?

It's forbidden to have fun
with yourself my little daughter!
Lascivious pussy of your mother
is sooo lonely!

A woman with long dark hair, wearing a black bodysuit and stockings, is lying on her back. A man's hand is visible near her groin area. The scene is set in a room with a white sheet and a blurred background.

Be quick, kiss your mother
pussy with your sweet mouth!

Wai... Whoo!

Enveloped with smelt of lascivious mother,
pussy continually being stroked, strange body
and mixed pleasure, I am sooooo good!

Now I am a bitch
waiting to be rocked off!
All I want is being stroked
by a big cock!

I want it.....

I want more.....

No.... not enough.....
I WANT SEX!

I want to keep the female body
to have sex continuously!

Ruuuuush!!!!

after a while.....

Whoo.....

My body.....
seems to be melt.....
Pleasure filling up the body,
I am so good!

How is it, Charlie?

Enjoy the female skinsuit buddy?
Soft body, beautiful face
and sexy pussy.....

I think it impossible for you
to take it off!

Eh? I am so attached to my little daughter~

Don't you want to continue the taste of extreme pleasure with your dear mother?

I.....I.....

Surely I am.....
