

I heard that the thirty-year anniversary of the hotel would be grandly held, and remember to submit the Business Case to manager before next week...

Pay another attention to the part of cooperators, before submission leave me for a check.

Of course, Mandy !

Get it?

Yes!

Fine ! Recently leaders has kept a close look at our work, it has been a long time since I make my own rounds, go to check the situation with me!

Hey, Alice.....

Have you noticed Mandy's change today?  
A sense of closeness and casualty? It seems that  
she has encountered something cheerful?

Eh? I think mom... I think she is no different from the common, too much consideration!

NoNoNo, take a close look, Alice~

Look at Mandy, compared to the resolution when checking the situation, it's strange for her to stop and walk like today!

She looks like a naughty child, don't you think it's strange?

This...this might be her not being able to check the floor, it's possible for her to feel novel for staying in the office for a long time!

.....Up till now , not only Mandy,  
but also Alice is a bit strange, didn't she l  
ove to pretend to be angelic bitch in the past  
and deliberately wanted to get in the position?

Char.....eh, I say Alice,  
Be quick and come here!

What's the matter,  
eh, Mandy?

Mandy pointed at a picture and laughed.  
Look! So strange the pose of the object!

.....Quite sure,  
real strange is she!

HAHAHA—

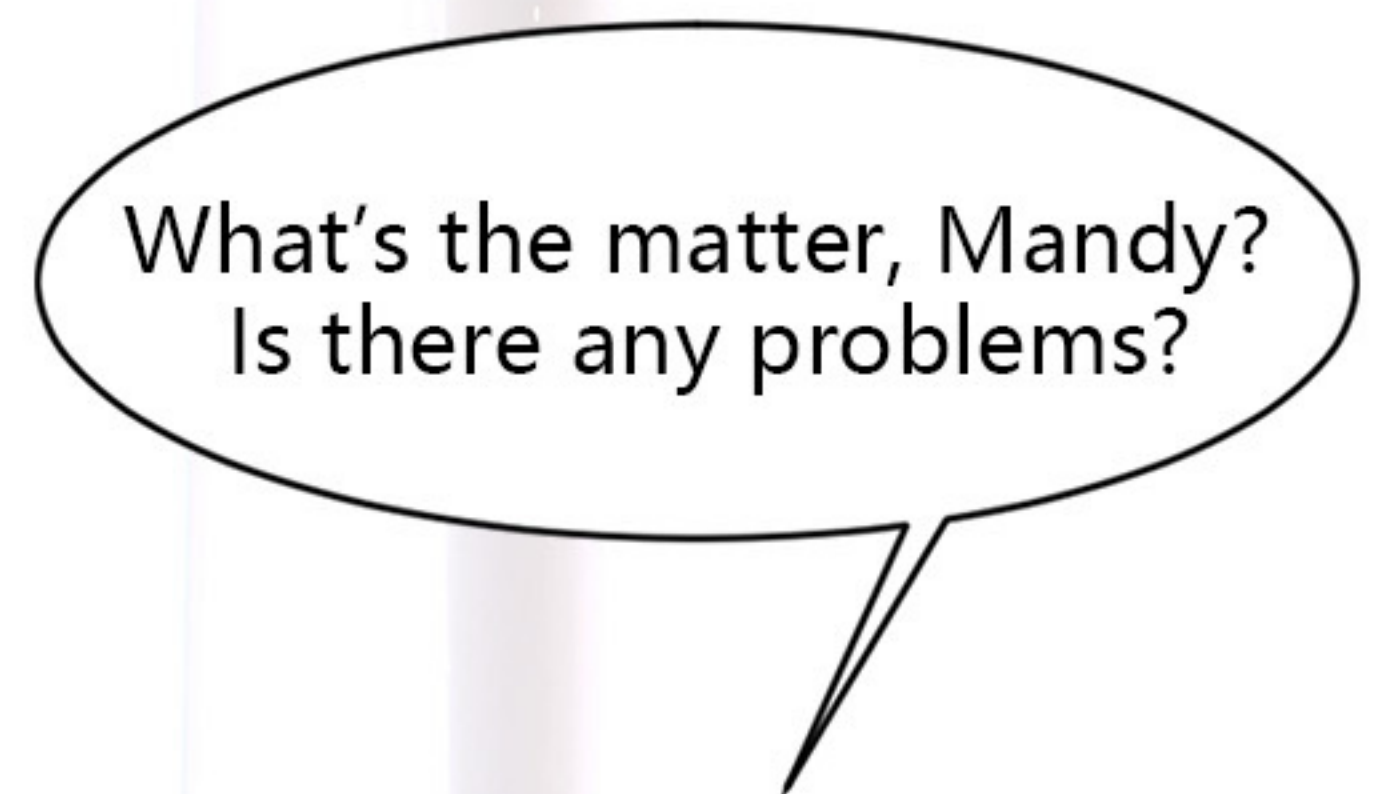

Please come in,  
Mandy and Alice!

Since last month,  
the space fragrance of superior business rooms  
has been replaced by a new organic and natural brand  
that we have collaborated with, and adjustments  
will be made based on customer feedback....

OH MY GOD!  
The room is too~ big!

LOOK AT THE BATHTUB !

AND THE BED !

What's the matter now,  
is she joking? Or there are any cameras  
recording to make any programs?  
What is Mandy doing now?

Damn! What is Issac doing!  
Just a room. Does he need  
this kind of surprise?

You are now playing the  
role of my mother, captain of the hotel  
will not be surprised, you will  
be inviting doubt!

I guess Mandy must be simulating customers entering! Quite sure for the customers of our hotel, it's important to create a sense of surprise and comfort.....

Is it? Mandy?

Ah,,,,,yeah,  
that's right for Alice,  
isn't exciting for children  
entering hotel?

As the old saying goes,  
destroy the leader and the gang will collapse.  
Capturing the children's interest to the hotel  
and the parents will follow, that must be true!

But our hotel faces business  
and the customers are most business people.....  
According to the statistic last year,  
family only occupies a little amount.....

That's the reason why I refer to family! There exists a huge market for our hotel to develop!

That's it ! Look at the room,  
tidy but cold, with little fun!

Such a huge hotel,  
why there is not  
any chips for customers?  
It's too mean!

Why there is not any condom besides the bed, isn't it usual for hotel?

Sigh, there are so many problems that need to be improved, this is not the way to go.

..... Snacks? Condoms?  
Come on we are not love hotels,  
is it confused for Mandy for work load?

DAMN ISSAC!

I tried my best to help you muddle,  
how can you be that exaggerate!  
Becoming that look will let her  
lose her work!

I will not let him be that  
appearance and destroy my mom honor,  
I will try to get her away.....

I am sorry but I have something to communicate with Mandy, our check will come to an end. Please help us register this room and we will have a meeting here!

AH? Got it! I will go back to my work, goodbye Mandy , goodbye Alice!

Close—

Bang!

AH!

What are you doing,  
It is too aching!

What am I doing? That's the question I want to ask you! How can you be that appearance, you are playing the role of my mom ! Forgive your behavior at home, but what are you playing now will let my mom lose my work!

WHY SO MAD !  
Look what you do to my face.....  
It's too troublesome to adjust!

Come on, don't be that appearance.  
I am asking you, what's your aim to  
come to your mother's work place?

Get to the bottom,  
it's still your reason !

What has Issac sworn to me?  
He said that mom would not be conscious  
of that time, but a few days before mom suddenly  
asks me that whether there are my classmates visiting,  
which gives me a big surprise!

I have asked Issac but there is nothing for his memory! Our result of our discuss is bringing back to mom into skinsuit. Hope it will be helping to blur her memory, in case that she will remember something!

But letting Issac alone  
to wear mom skinsuit,  
and take her substitute work in hotel,  
I am a little worried!

There is none other solution  
but I have to follow her to the hotel  
and keep an eye on her!

Issac choose a most beautiful  
one in her coworkers,  
and that's the Alice I am wearing!

Ashamed to say but the skinsuit is  
beautiful and sexy, making me restless  
while wearing, and I want.....

Referring to the school,  
we have to count on Kai in Ms.Jiang's skinsuit,  
but it seems to be fun for him to do that!

What I only hope is today being spent  
with no problems, I have to keep an eye on  
Issac in case any emergencies!

How can I predict your mom memory,  
this is out of my consideration!

When it comes to that girl just now,  
no need to worry about, I only become that  
in front of you ! When playing in front of  
others I have tried my best!

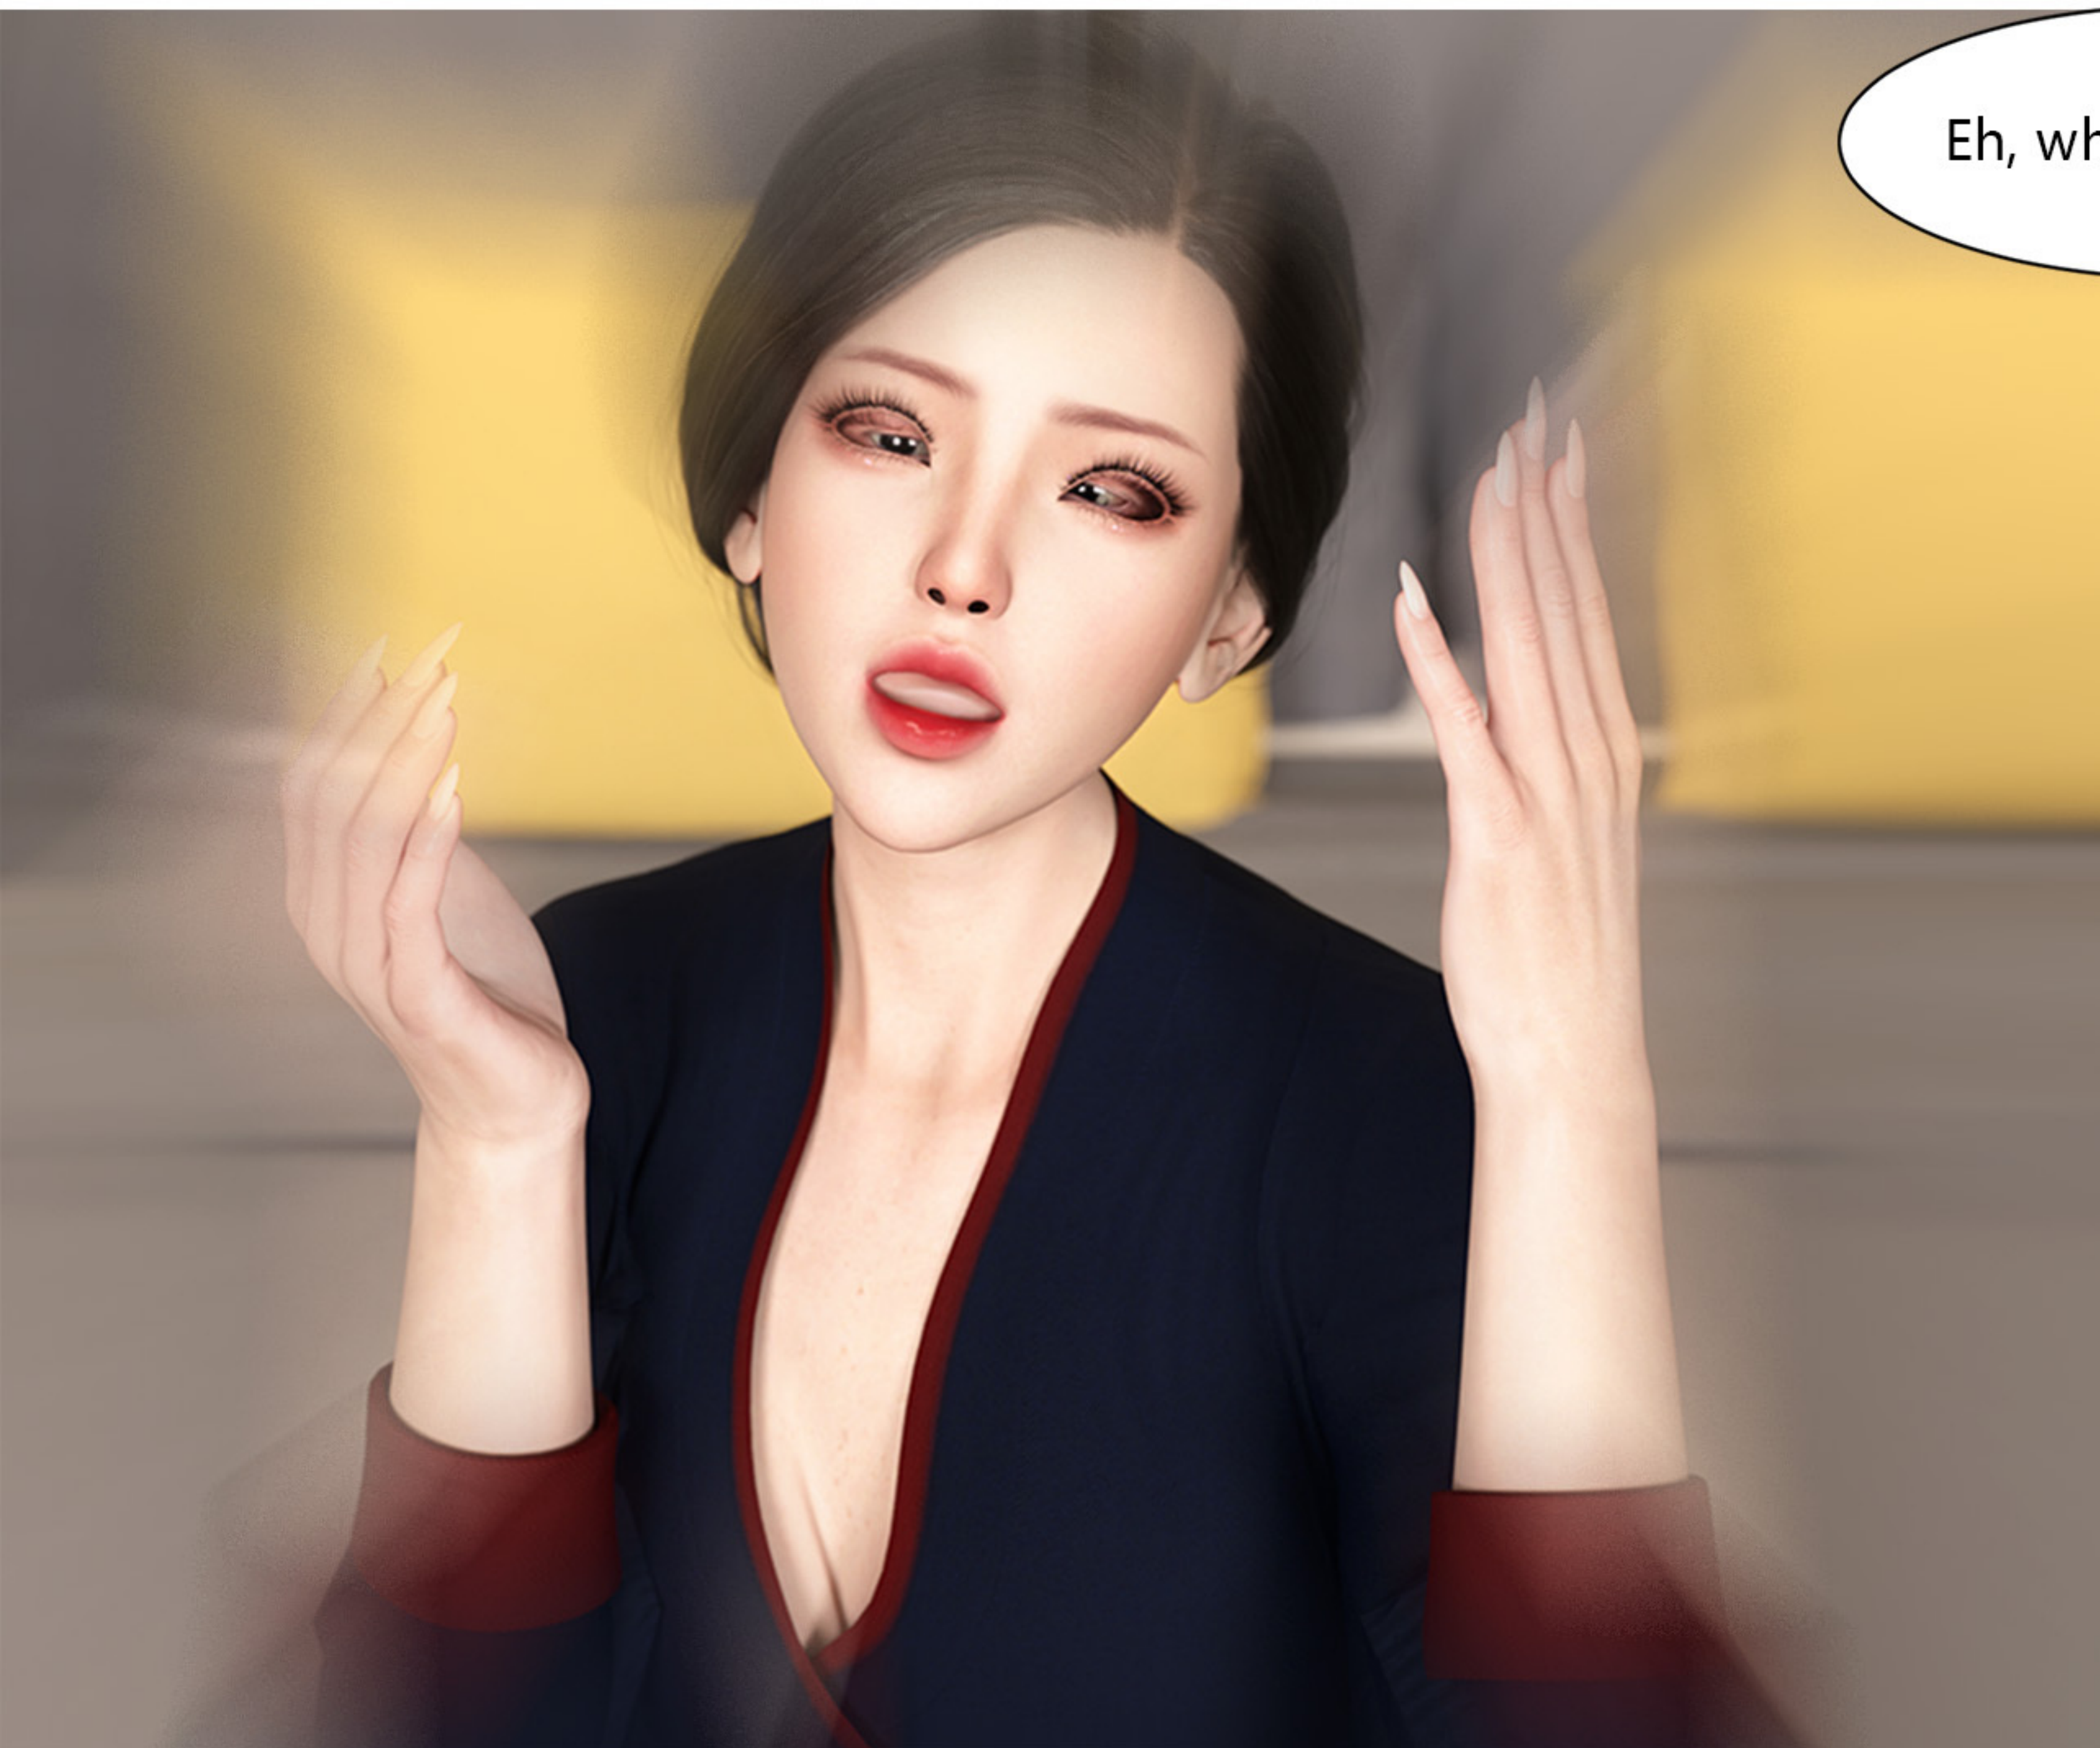

IT HAS TO BE ! Otherwise if  
you let my mom lose my work,  
you will have to pay for it!

AND! GET ON THE SKINSUIT !  
What if others come in ?

Come on, you are always  
worrying all day long!  
Don't be such a spoiler!

Eh, what about this?

Haa~ It's really good to be adults,  
not having to sit in the classroom  
being taught, I AM HAPPY!

What are you happy for?  
Not to mention the homework we have  
to catch up with, adults need to work!

Hum, I prefer to do work load  
like adults, not schools!

.....Damn look Issac is!  
I am scared to let him work  
in my mom skinsuit!

Although it is bad to skip work,  
but now is the free time for hotel,  
captain as my mom, it will be easy  
for her to skip one day work.....

Eh, this feeling.....

Too much water I drink ,TOILET!

What's the matter,  
such a strange face, constipation?

Can't you be polite?  
I want to urinate!  
Keep an eye on the door, I will  
take off the skinsuit.....

No need to be that,  
Just pee, with your skinsuit!

Haven't you experienced the  
feeling of girls making stool?  
Not comparable to sex but.....  
it's such a special experience !

Ah? But, it is offensive to.....

Eh, you are right,  
it's troublesome with  
the skinsuit, and I will go?

Come on,  
A man dishonest!

Wu.....

HOW TO DO? MY PUSSY!  
But it's quite ashamed to  
pee with the body of girls,  
I can't hold it anymore!

Not to mention I am  
borrowing the body without permit,  
when I think she is the wife of  
other man, what I do is no different  
than marriage cheating!

Or I must get my cock out and pee?  
But that situation where I must console  
myself ! But Issac is right outside!

I can't hold it! It will explode!

Uhhhh~

Haa.....Haa..... there seems to be a sense of electric! Less tense than consoling, but it is the most sensitive part, haa.....

I know why girls always need paper when entering bathroom!

Swoosh

En, I've finished.

*Ping!*

AH!

A woman with short, dark hair and a shocked expression is holding a large, light-colored, textured pillow. She is wearing a dark blue long-sleeved top with a maroon collar and cuffs. The background is a blurred indoor setting with a window showing a view of a beach and ocean. A speech bubble is positioned to the left of her head.

Really scare me!  
What is that!

Coming to the hotel, of course  
it's time for pillow fight!

How you Issac,  
how can you sneak?  
I will give you a lesson!

HAHAHA.....

HuHuHu...

It seems that I have got the final round in the end!

It is all because you sneak without reminding!

Not to mention sneak,  
I WIN ! Being the winner,  
is there any gift for me?

HEY! WAIT!

WHAT!  
WHAT ARE YOU DOING?

A woman with dark hair, wearing a dark blue dress with a red lining and a gold earring, is leaning over another person whose dark hair is visible in the foreground. The background features a grey textured wall with a gold frame and a traditional Chinese ink wash painting of a figure. A speech bubble is positioned in the upper left corner.

You are asking nonsense!  
I am doing something about sex,  
don't tell me you don't want!

Wait, nono,  
the woman of this skinsuit  
is married!

You are talking as if  
your mother is single,  
girls playing is not betrayal!

Haa~  
sexy girl pantynose feet!  
I am eager for it all day long!

We are coming too late today,  
I think you haven't adjusted to your body!  
LET me train you, the new trainee!

WO! Wait!  
What you are doing will  
make me..... en—ah!

Wo..... I know it is not goodm  
but I am attached to the  
forbidden sense of betrayal!

Wet tongue and feeling of  
pantyhose keeping to touch my pussy,  
It is too suffering to experience  
this kind of feeling!

Especially observing mom  
helping me to rock off with a horny look,  
with tongue licking my pussy,  
this difference will make me.... AH!

Look at you!  
Your buddy stand up so high~  
Are you doing this to  
lure your husband!

OHHHHH!  
My buddy! Can not there.....  
Its soooooo good!!!

En-ahhh!  
Please more,  
I am diving for more!

WAA~ Our Alice  
takes on a horn face~  
Such lascivious behavior,  
our captain will award you~

En-ah❤️

En-ah❤️

Les-Bian kiss with mother,  
how sweet ! Just a kiss helps me  
to climax!

I an so eager to stay  
in the body all my life!  
Playing with mom forever.....

En-ahhhhhh!

Tsk, Alice's bottom is so wet!  
It's just a few touches, and so thirsty,  
how can you go to work like this?  
As soon as you go out, it's watery,  
isn't your husband ready to  
cuckold every day?

Not only do stilts, but also secretly do lustful things in the room, we are really bad lewd employees!

But seeing Alice sassy appearance, triggers my eagerness! YOU SAY, WHAT CAN I DO?

I want it so much, I want to cum,  
I want to have sex! I want to have a  
good time with my mother~

Great! YOU ARE MY FAVORIATE COWORKER! 

En-ah~

En-ah~

Fuck! This is as good as being fucked by a dick!

MOM, MOM  
I am so comfortable,  
dragging pussy with mom  
feels soooo good!

The clitoris keeps colliding with each other, as if I am kissing mom with the small mouths underneath!

And there's a wet piece below, I'm mixed with my mother's lewd water, It's so horny and perverted!

The sex between girls is fragrant,  
even the sweat is fragrant, who would  
have thought that there are actually  
two male high school students here?

The air is filled with the smell  
of lewd water, and this room has been  
polluted by the perverted smell of  
the two of us!

A photograph of two women embracing on a grey couch. The woman in the foreground has dark hair and is wearing a black top and black stockings with a silver bracelet. The woman behind her has short brown hair. A yellow cushion is visible in the background. Two speech bubbles are overlaid on the image.

En-ahhh~Mom~  
sexy mother, I am eager!

Wooh... Hah! Alice has become horny,  
and the lewd slut is the best!

I can't resist, such a sexy mother  
standing in front, I can't hold back!  
The body and heart all belong to a whore!  
I will rock off in a girl's body!

En-ahhh! Coming,  
the sense is coming!  
I AM GOING!

Erupt!

I can't hold it,  
and I will ROCK OFF ❤️  
WITH MY MOTHERRRR!

I AM THERE, AHHHH!

Hu...huhu.....

At one moment,  
feeling the brain being empty,  
trembling the body, It's really.....

It's soooo good.....
