

One afternoon...

Hello to all the

Today, I'm excited to show you the "Ackerman Business Hotel" in S City...

Just look at this stunning décor. Doesn't it make you want to visit here?

The end of the year marks the 30th anniversary of the hotel opening, they'll have some special celebrations then. Fruity will keep an eye out and share any updates.

Whew!

Alright, let's check the footage...

Hmm...It looks like I've got everything I need. Next up, it's time to head to the restaurant upstairs and review their food.

AH!

Ouch...  
That hurts!

Ugh, who  
bumped  
into me?!

Hey! Aunt,  
you blocked me!  
You made me fail  
my running challenge!

This isn't  
a playground and  
you're not supposed to  
be running here in  
the first place!

Who are you  
calling "aunt"?!  
You bumped into  
someone without  
even apologizing?  
You're so rude!

Whoa!  
The old woman  
is mad! Giggle~

YOU!

Excuse  
me.

A 3D rendered woman with dark hair, wearing a dark blue long-sleeved business suit with a red belt and black heels, stands in a hallway. She has her right hand on her hip. A speech bubble is positioned to her right, containing the text "What happened and how can I help you?".

What happened and how can I help you?

I got knocked over by this kid, and it hurts so much!

Hmph! What a fuss, old woman!

I see.  
I'm sorry you've had  
an unpleasant experience  
at our hotel.  
Do you need to go to  
our infirmary to get it  
checked out?

Thank you, but that won't be necessary. It's not that serious. Don't worry, I won't file a complaint against the hotel! I've got a reservation at the upstairs restaurant, and it's almost time. I'll head there now!

Understood.  
If you need anything,  
please reach out to our staff.  
Once again, I sincerely apologize  
for this and greatly appreciate  
your understanding!

Phew. Thank God that she is not a "Karen". If this had escalated, it would've caused trouble for Mom's job.

What are you doing?

Hehe, Auntie,  
that's because you're  
prettier than her.  
Otherwise, I wouldn't  
even touch you!

Shithead, how dare  
a kid so young to tease  
a woman like that?  
What's wrong with  
kids these days?!

When he suddenly  
groped me, I made such  
an embarrassing moan!  
Sure, I might look like  
my mom on the outside,  
but deep down,  
I'm still a guy!

A woman with dark hair, wearing a dark blue long-sleeved dress and black high-heeled shoes, is leaning over a young boy. The boy is wearing a blue short-sleeved shirt and khaki shorts. They are in a hallway with a patterned floor and marble walls. The woman is looking at the boy with a slight smile, and her hands are near his shoulders. The boy is looking back at her.

What kind of  
parents let their  
kids run around?

Hey, kid.  
Where are your parents?  
Why are you wandering  
alone here?

Wanna know?  
How about this?  
Auntie, you kiss me,  
and I'll tell you.  
Hehe~

Hah.  
It looks like you're just  
asking for a lesson.  
You shithead think  
I'm scared of you?

Let's see...  
No security  
cameras here.  
Perfect!

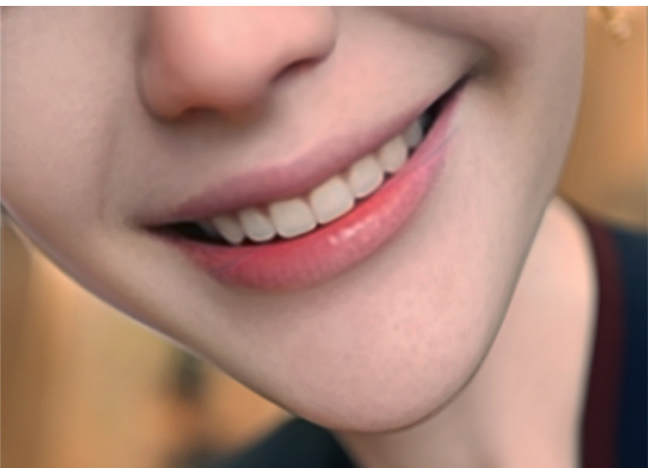

So,  
if Auntie kisses you,  
you'll tell me?

You kiss me and  
I will tell you!

Heh... fine!  
Then we have  
a deal...

No matter  
what Auntie  
turns into...

A woman with dark hair, wearing a dark blue or black dress, is shown from the chest up. She has her eyes closed and a slight smile. She is holding a red, fleshy, tongue-like object in her mouth with both hands. She is wearing a gold ring on her left hand and a gold bracelet on her right wrist. A speech bubble is positioned in the upper right corner of the image.

You can accept me, right?

啊啊啊啊啊啊啊啊!

AHHHH!

Hah!

Nice! Let's see if I can't straighten out you troublemaker once and for all.  
Hmph!

Ha ah!  
Punishing  
the troublemaker is a  
good thing for society!  
Feel so great!

If it were the old me  
dealing with a brat  
like this, I'd probably  
overthink it and  
have no idea what to do!

But maybe wearing  
Mom's skin suit  
gives me courage  
and strength so  
I have no fear now!

*Clack clack—*

Manager!  
Something's  
wrong!

You've got to be kidding me. I was just about to find a place to rest...

What's wrong?  
What happened?

Manager, there's...  
there's a pervert  
in the hotel!

What?!  
A pervert!  
Tell me what  
happened!

Here's what happened, Manager. A colleague went to clean a suite, and suddenly, a streaker ran out!

According to her, it was a young man, who was naked. He disappeared in a flash but should still be in the hotel...

A stalker?!  
Wait, which suite  
was it?

The one you and Alice used for the meeting. My guess is he snuck in after you were gone.

There's a search party for him but since we didn't want to alarm the hotel guests, we haven't called the police yet. What should we do next?

Oh no,  
that must be Issac!  
It's my fault that I forgot  
to reserve the room!

He woke up without  
a skin suit or any men's  
clothing. No wonder he had  
no choice but to run  
around naked!

Don't call the police just yet.  
Like you said, it would be bad  
to alarm the guests!  
Tell everyone to stay calm  
and remain at their posts.  
I'll search for him myself.

Are you sure?  
He's a stalker, after all.  
If you run into him alone,  
won't it be dangerous?

Don't worry.  
This is a hotel, after all.  
If something happens,  
I just shout, and people will come.  
Besides, he might not even be a pervert.  
For all we know, it could be  
one of the guests messing around  
with friends and taking things too far.

If that's the case and we call security or the police, they might even file a complaint against us! Anyway, leave this to me. You can go back to your duties.

Got it.  
Thank you,  
manager.

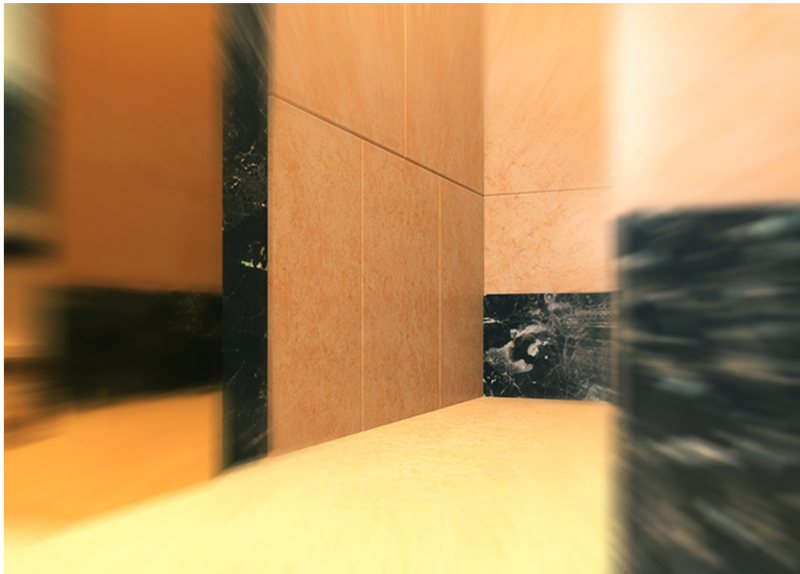

But he doesn't even  
have his phone...  
Ugh, what should I do?!

Phew,  
I managed to get  
her off my back,  
but I need to  
find Issac fast!

Please, Issac, don't make things worse!

Not here...

Not here either...

Where on earth  
did Issac go?  
Let me think... If I were him and  
naked, where would I hide  
in the hotel?

Hey!

Wait... I think  
I just heard  
Issac's voice.

Hey, I'm  
over here!

Issac! Thank goodness,  
I finally found you.  
What are you doing here?

How dare you!  
When I woke up and saw  
that you and skin suits were  
both gone, I thought  
something had happened!

You son of bitch!  
If you're going to wear  
your mom's skin suit, at least  
leave me Alice's skin suit!

Well,  
I didn't think it through...  
Anyway, sorry about that.  
This is entirely my fault!

So, what should we do now?  
I can't just take my skin suit off here and give it to you!

Damn it!  
This is all your fault.  
Get me some men's clothes, or go to the bathroom and take off your mom's skin now!

Uh,  
excuse me...

Ah! It's...  
It's you!

Oh shit!  
Not now!

It's you. What a coincidence!

Hello, ma'am,  
nice to see you again!  
Did you just finish  
your meal?

Yes,  
the hotel restaurant  
is fabulous.  
The food is delicious and  
the service is excellent.  
It truly lives up to  
its reputation!

Thank you for  
your kind words.  
We're glad to hear  
that you're satisfied  
with our service!

Ugh... Please,  
don't get any closer.  
If you get any closer,  
Issac is going to be busted!

You're the hotel employee. I happen to have a few questions about the hotel. Is it okay if I ask you?

Well...  
it's still working hours,  
so it might not be  
the right time.

Ah~  
Beautiful lady, please!  
I just have a few questions,  
I promise it won't take up  
much of your time!

A man with a distressed expression is sitting on a gym machine. A woman's hand is on his head, and she is leaning over him. The scene is dimly lit, focusing on the man's face and the woman's hand. The background shows parts of gym equipment and a white wall.

Hmm...  
okay, fine.

Aw, man!  
Just reject her already!  
Seriously, dude!  
A hot chick makes  
you dizzy again!

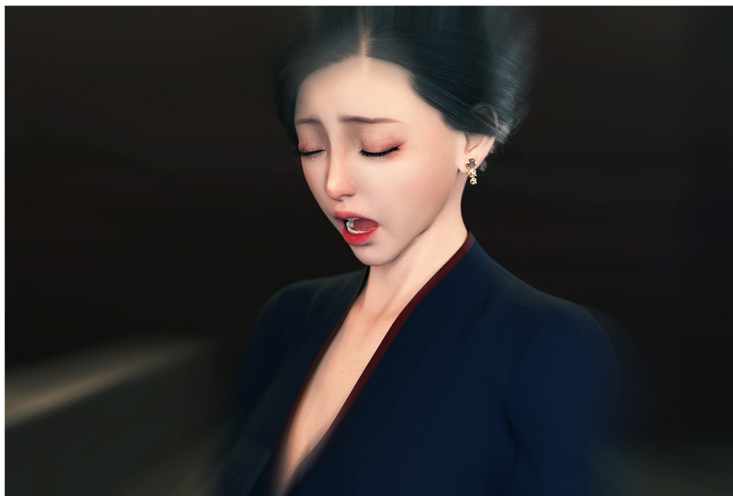

First, you made me  
run around the hotel naked,  
and now you're  
making me wait here.  
You put hoes before bros!

Well...  
Since you messed with me  
first so don't blame me  
for this!

The upcoming hotel's  
30th-anniversary...  
Um ah!

Hmm?  
What's  
wrong?

It's nothing,  
my phone just  
vibrated....

Damn, Isaac!  
Not now!  
Come on!

Hehe,  
you left me behind.  
You had it coming!

But I have to admit,  
the woman I just impersonated is  
now standing right in front of me,  
being disguised by another man.  
It feels so strange!

Shit!  
God damn Issac keeps  
groping my erogenous zone  
and his fingers are very agile.  
The feeling when his fingertips  
caressing my thigh.... Oh!

Please,  
there's a girl right here!  
What if she catches me that  
I don't wear a skirt and  
let a naked dude grope my crotch?  
What should I do?

He he...  
His legs are shaking!  
Well. I know this body  
more than anyone else!

Ha ah~  
There's a racy scent  
coming from her pussy!  
I knew it. Just some slight  
groping, your pussy will  
be like a running faucet!

Ah ah.  
That aroma is so strong!  
Just thinking that I make this graceful  
lady can't control her love juice.  
The accomplishment  
is truly no joke.

Um ma...Um ma...  
It's very juicy.  
What a slut!  
Your clit  
feels great, right?  
Use my tongue to  
draw circles  
and lick it....

AW!

Um ahhh! No!  
Issac, you have to  
stop now or you will  
make me moan!

Oh fuck!  
I can smell  
a MILF's sexy scent!  
It's so incredible!

The smell is  
aphrodisiac!  
My cock is so hard  
that it's going  
pop!

Alright, thank you  
so much for your help.  
Now my store review  
video is even better!  
You are the employee of the month,  
beautiful and kind-hearted.  
How about we take a photo to  
remember this moment?

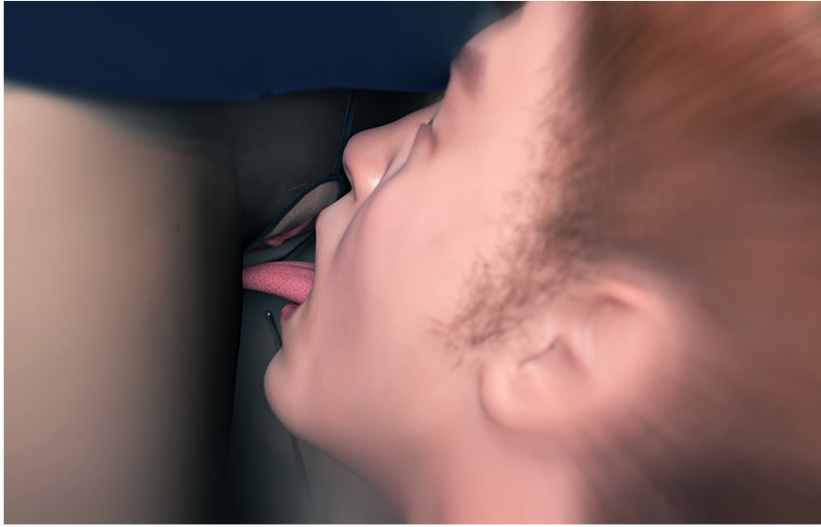

Huh?  
Did you...you say  
photo?

Mm... well...  
but...

Yes, don't worry.  
I won't upload the  
photo. It's just for  
my memories.

Ugh!

Ha ah... Ha ah...  
Damn it! Why is Issac  
so good at this?  
I'm going to moan!  
He keeps poking my  
erogenous zone!  
Ahhh!

YES! OH YES!  
I can't stand up without the counter!  
And it's my favorite Mom's body....  
I make Mom act like a slut in her workplace...  
Awww! It's too horny!

Hey, look at the camera....

Love juice....is coming out  
from Mom's pussy....  
My crotch...  
crotch is all wet....

3....

Sorry Mom.  
I made you a horny bitch and  
used your body to do dirty stuff  
in your workplace.  
However....However,  
your body feels incredible!

2....

No! I'm cumming!  
I'm cumming!

1....

I'm cumming!  
AHH!

咔嚓!  
Click!

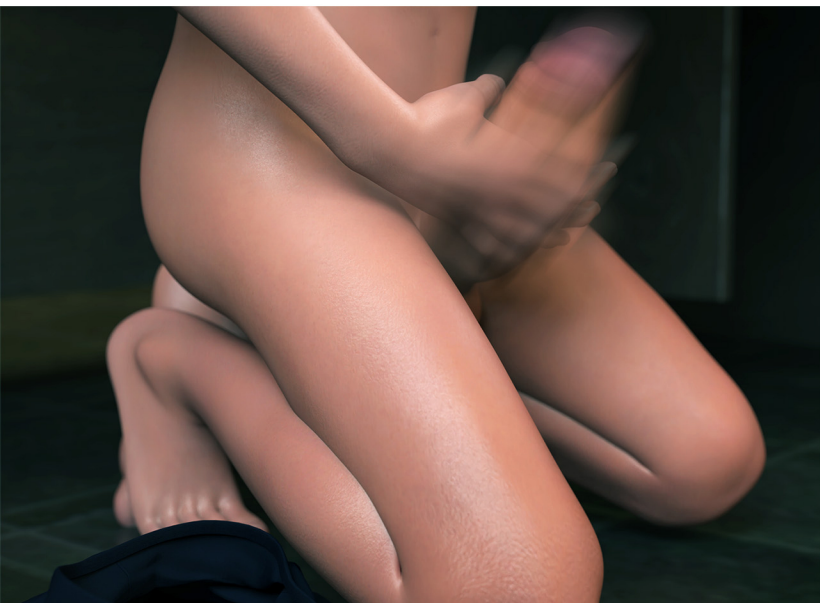

Hey. It's done.  
Thanks!

Ha ah...Ha ah...  
I squirted in Mom's  
body in public....  
It feels so fucking nice!

Holy shit!  
Dude, you're such  
fucking skank!  
You cummed?  
Oh jeez. That smell!  
A MILF's love juice  
is fucking sexy!

Watch her cums so close,  
I can't control myself!

OHHH!  
I'm cumming!

射精!  
Jizz!

I cummed a lot!  
I feel so  
satisfied....
