

## Mom's Seduction Guide – Teaser Scene 2 (with white bra & panty set)

After arriving home from the mall, Justin placed the lingerie and heels he'd purchased on his bed, in just the right position, so they could be seen from his doorway. He prided himself in the fact that they were an exact match to the outfit his mom had described in her Seduction Guide. The color, the style...everything was spot on. It was a few minutes before his mom, McKenzie, showed up in his doorway, wearing snug jeans and a form-fitting sweater. "Hey, sweetie...how was your shopping excursion?" she asked.

"Good...I found everything I was looking for," he replied, motioning to the lingerie.

McKenzie stepped into his room, her eyes fixed on the sexy negligee displayed neatly on his bed. "What's this?" she asked.

"Oh, just some lingerie I bought for my girlfriend."

The heavy-breasted mother lifted the white bra from his mattress. "How strange," she whispered as if in deep reflection.

"What's strange...the outfit?"

"No, the outfit's beautiful, it's just...well, I had something just like this, a long time ago. My boyfriend bought it for me...when I was your age."

"Wow, how ironic!" Justin muttered, trying to act surprised. Little did she know that he had already read all about it in her Seduction Guide, including what her and her boyfriend had done after she'd put it on. He could tell his mom was in love with it, so he mustered up all the courage he could to ask the big question.

"Do you wanna try them on?"

Justin's mother fed him a blank stare with her brilliant blue eyes, almost as if she couldn't believe he had just posed that question. "Try them on?" she repeated.

"Yeah...since they remind you of something you had once. I don't mind if you wanna try them."

"Oh, trust me...I would love to try this bra and panty set on, but they're for your girlfriend. I don't wanna—"

“She’ll have no idea you had them on, mom. In fact, if you like the set enough...I might just give it to YOU, and buy her something else.”

“Oh, Justin...I would never expect you to do something like that.”

“I wouldn’t mind giving it to you, but could I at least see you in it first?” he boldly asked, anxious to see how she’d react to such a question.

“In this?! Oh, sweetie...this definitely isn’t the type of thing I should be wearing in front of you.”

“Why not? I’m an adult now, plus I did spend a pretty dime on it. It would be cool to at least to see SOMEONE beautiful wearing it.”

McKenzie’s heart melted from hearing such a compliment. “That’s so sweet of you to say, but...well, you do know this lingerie set is sheer, right?” she asked.

“Of course! That’s one of the things that makes it so sexy.”

Justin’s mother couldn’t believe how closely the bra and panties resembled the set her boyfriend had bought her all those years ago. Even the floral-laced embroidery was the same. Not only that, but the matching high heeled mules were just her size. She was surprised that her son was offering the outfit for her to keep, but had mixed feelings about him seeing her in it. On the ‘lingerie risqué level,’ this rated up there pretty high. However, she knew she would feel terribly guilty keeping the outfit, without at least indulging him in his one simple request.

“If I let you see me in this...will you promise not to tell anyone?” McKenzie asked.

“Of course, why would I?”

“I’m not saying you would, it’s just that...well, IT IS pretty revealing. I wouldn’t want anyone knowing I modeled this in front of you, especially your father.”

“Trust me, mom...my lips are sealed.”

“Alright then,” said McKenzie anxiously, “I’ll be right back.”

It was the longest ten minutes of Justin’s life. He didn’t even know his mom had returned until he heard her sweet voice from his bedroom doorway. “Well...what do you think?” she asked.

The teen's jaw lowered in awe as he stared across his room at her. His mom was wearing the skimpy white bra and panty set, which was extremely sheer. This allowed him to see her supersized tits, almost as clearly as if they were naked. McKenzie's teats were thick and turgid, protruding from her wide areolar rings. The set was topped off with a sheer white robe, which was also beautifully embroidered. Justin could see the puffy outline of her shaved pubis through the gauzy fabric. "You look stunning, mom!" the boy exclaimed. His lust-filled eyes drifted down her silky legs, to her feet, which were propped in four-inch white mules, with a sexy single strap circling her ankles.

"You think so?" she asked proudly. "What about the back?"

McKenzie gracefully twirled around, making her heavy boobs wobble from side to side as she displaying the back-side of her outfit. Justin gasped at the sight of her thonged buttocks, which was plainly visible through the sheer silk. Her ass-cheeks were thick and rounded, crowning the backs of the most gorgeous legs the boy had ever seen. He suddenly remembered what she wrote in her Seduction Guide about how she loved guys that already had girlfriends dotting on her. "Dang, mom...you look WAY more amazing in that than my girlfriend probably would," he confessed, feeling his erect cock push against the crotch of his jeans."

"My, sweetie...you really know how to charm a girl with words, don't you?" McKenzie blushing remarked.
