

Ah...
worked all day
today again

That's all
I only made

But this
month's rent
should be able
to pay.....

Huh?

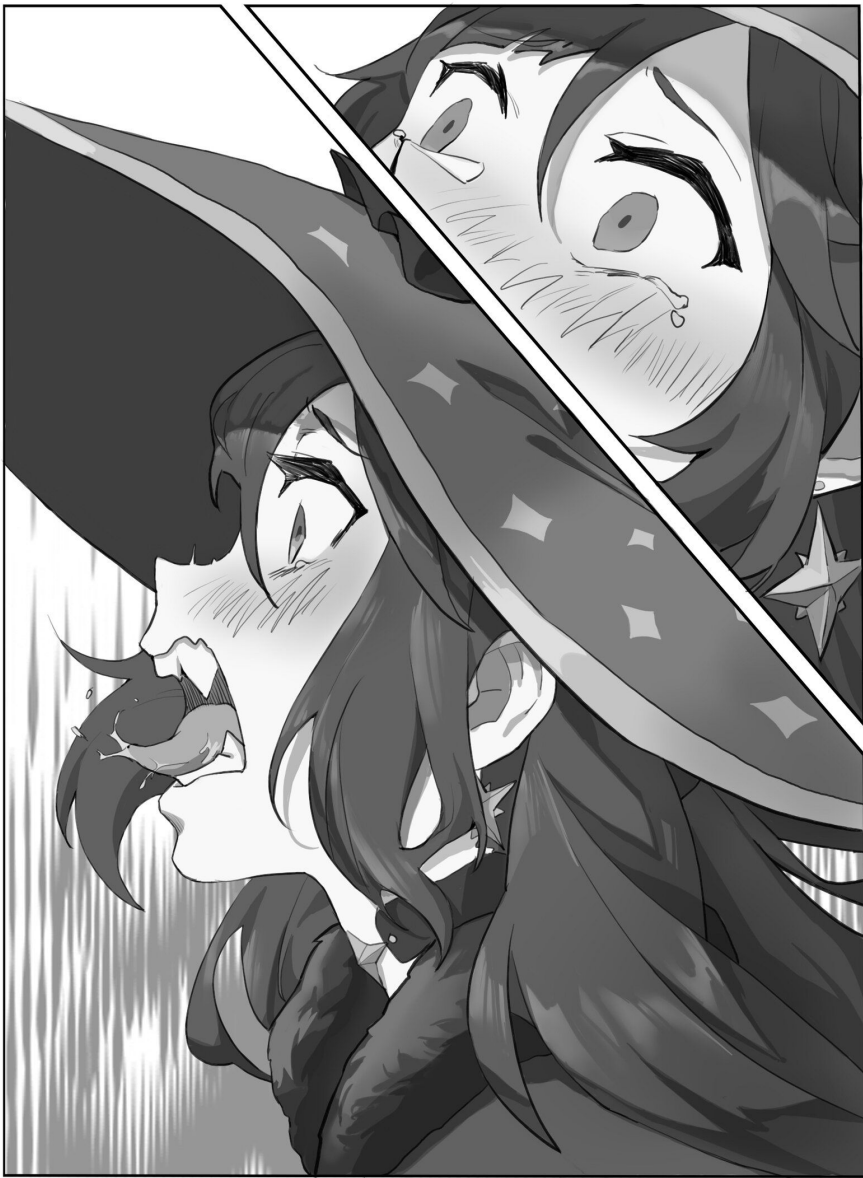

How do I
feel.....
A little bit...

Huh.....
Strange
.....

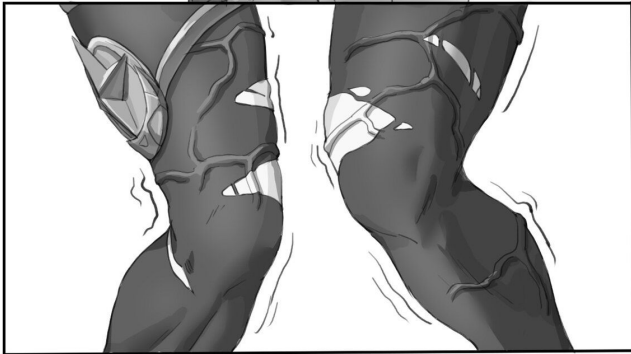

It's a full moon
tonight

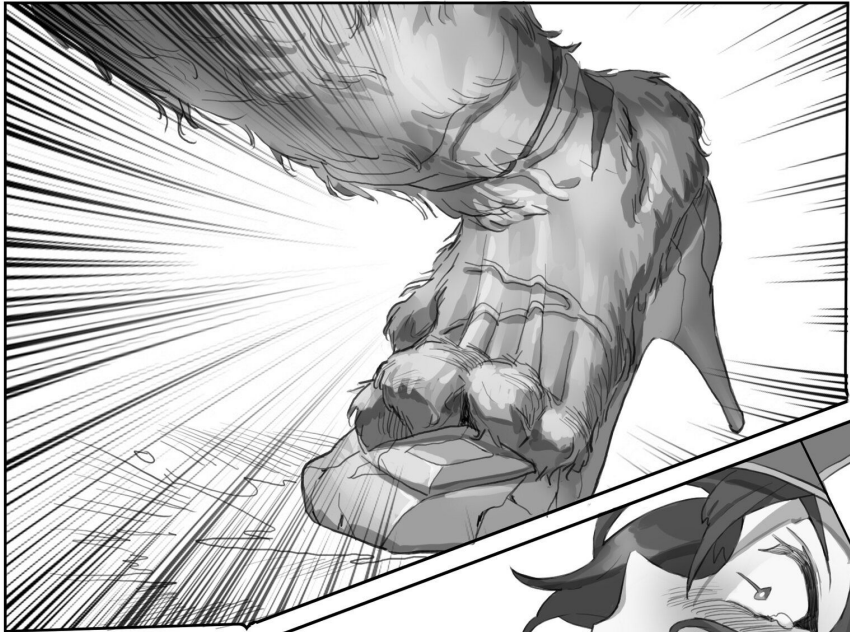

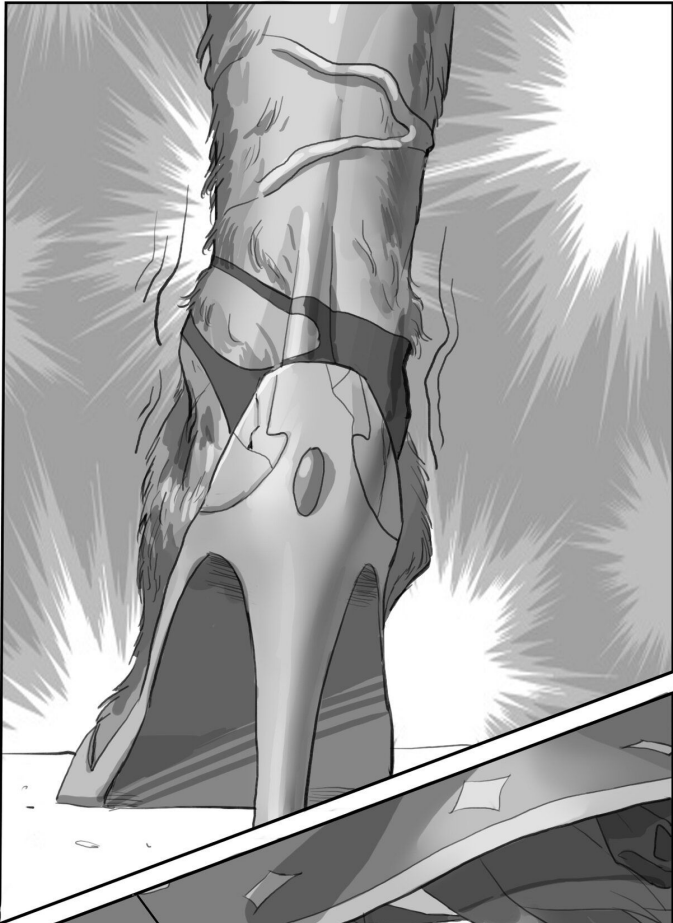

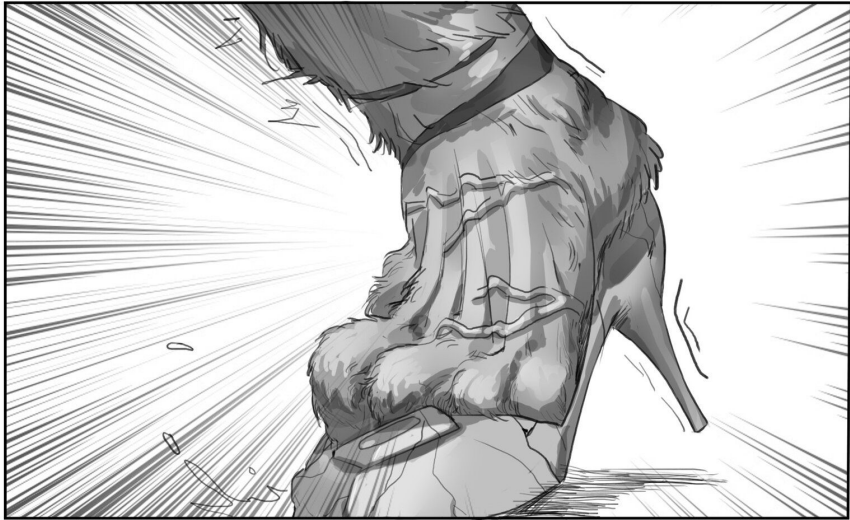

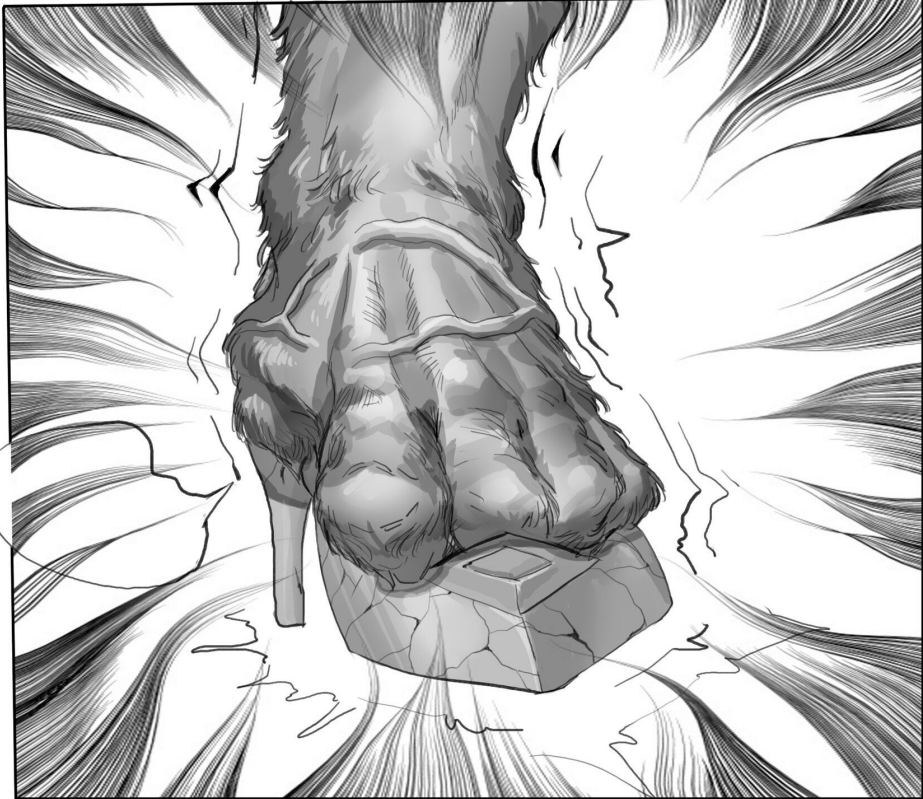

It's too hurt!!!

It couldn't get it off

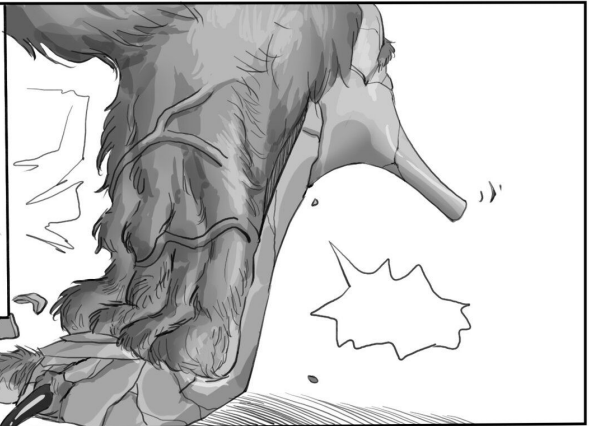

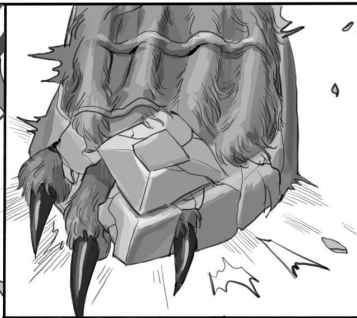

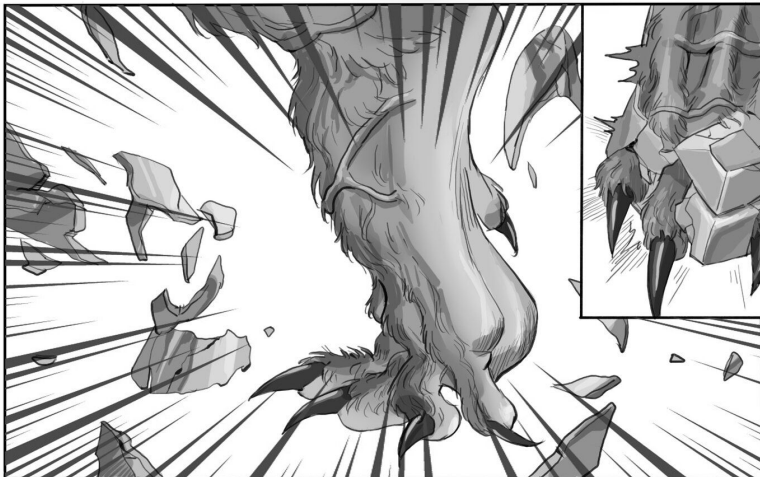

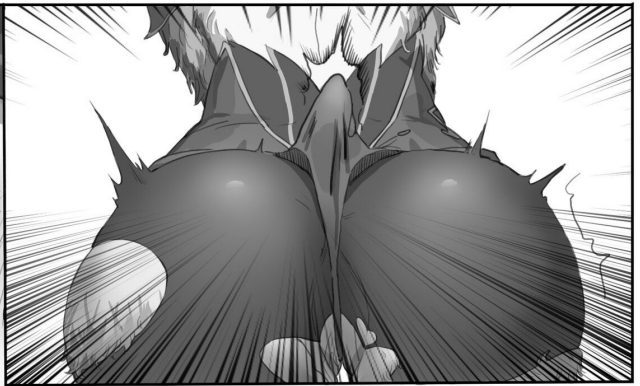

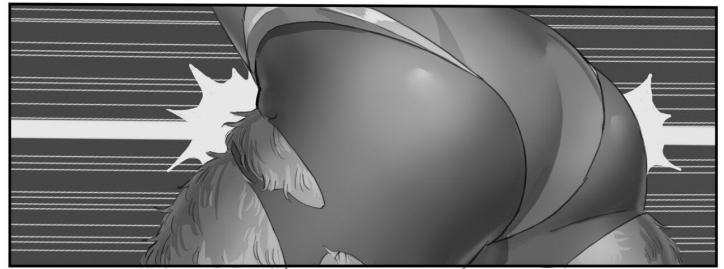

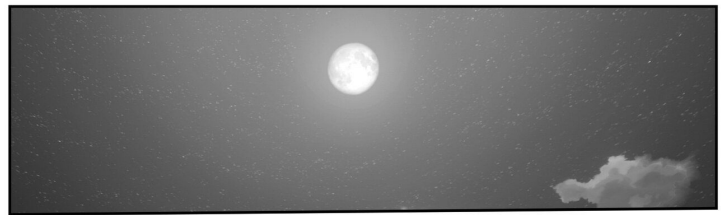

It..... it's too hard to get rid of

Oh! My feet are still swelling.

I... My shoes... It's about to burst!

Really not again
