

Damnit...  
What happened...

Let's teleport out of there quick before someone sees me.

Am i back to normal?  
....  
What is this curse?

Pfoouu...  
I'm glad this nightmare is over

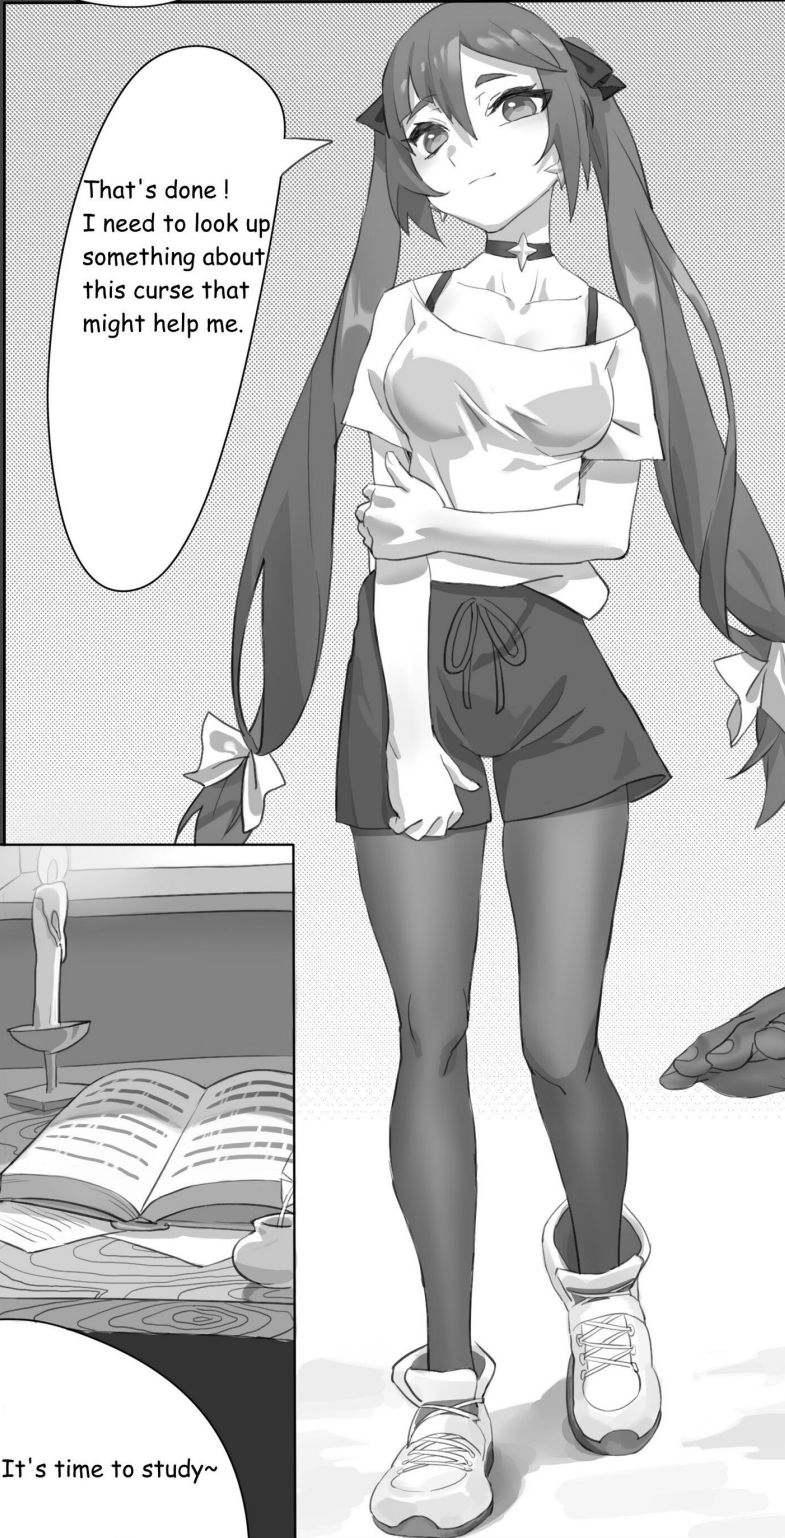

I have to be careful  
i only have this to wear !

If this nightmare  
start again i'll have  
serious clothing  
problem....héhéhé...

That's done !  
I need to look up  
something about  
this curse that  
might help me.

It's time to study~

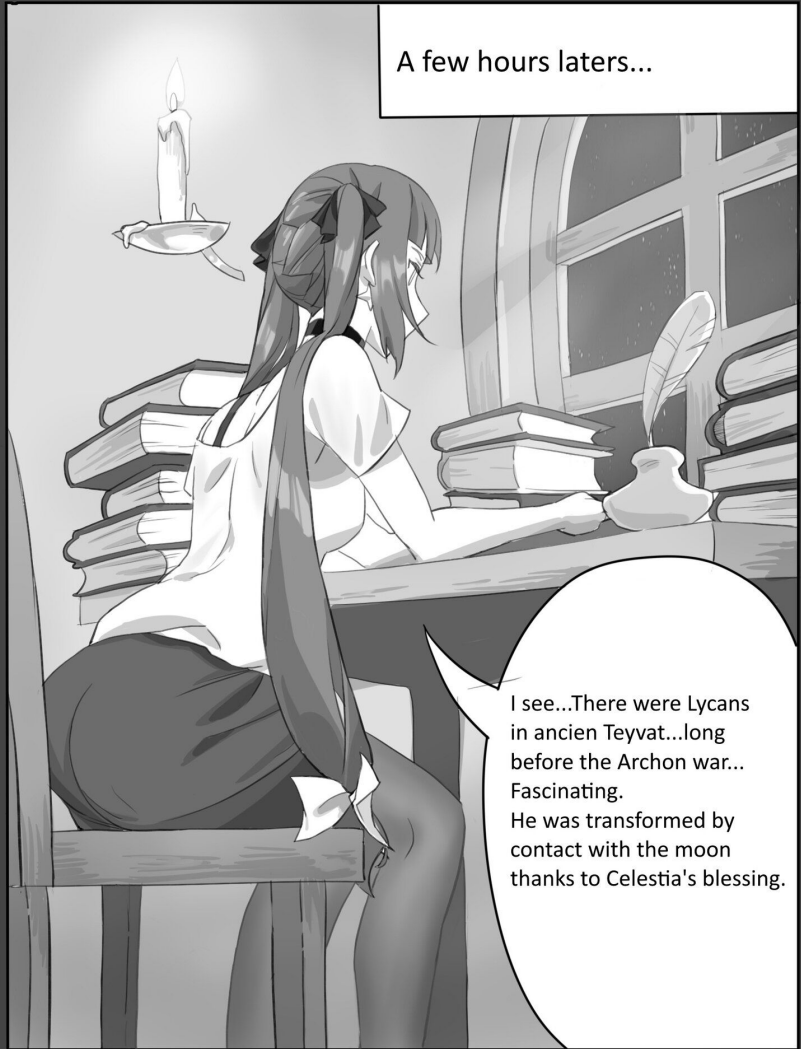

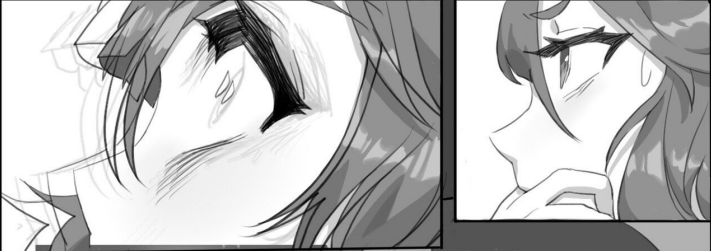

Anyway, this is  
not the time for  
the lamentations !

It was when i looked the full moon too intensely that i inherited this blessing ? I need to know more....but..

A few hours later...

I see...There were Lycans in ancien Teyvat...long before the Archon war... Fascinating. He was transformed by contact with the moon thanks to Celestia's blessing.

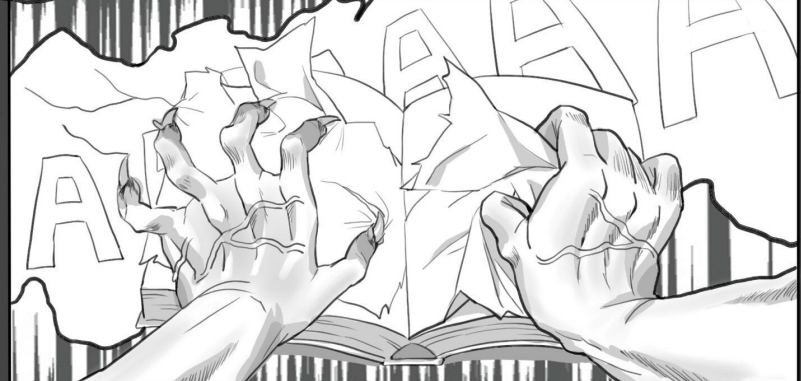

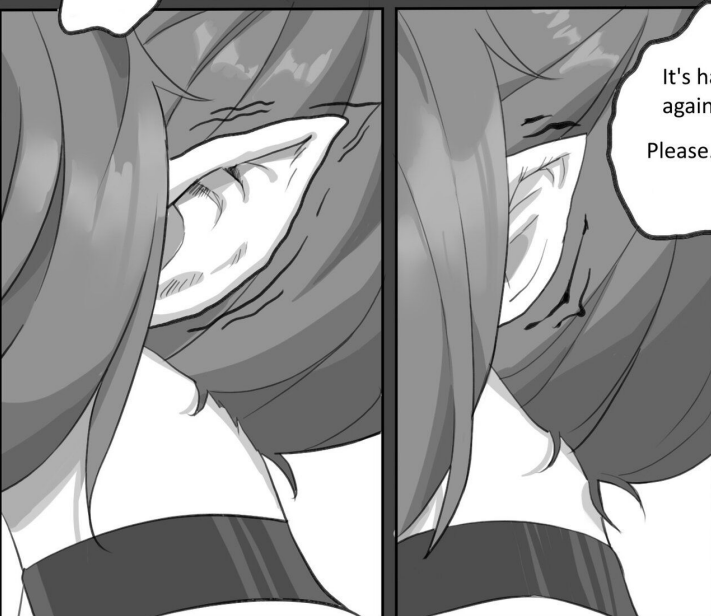

My hands....

It's happening again !! Please...

Please.. stop !

Argh !

I can't stop it!

My stomach... It hurts!

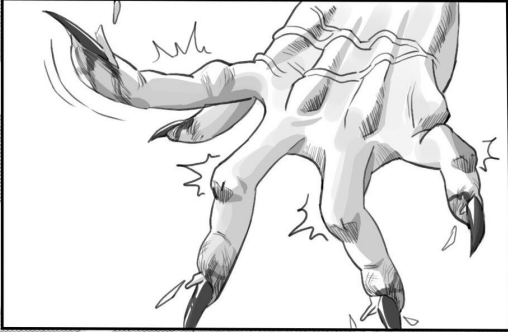

What is...

haa...

Guh...

hiiii!

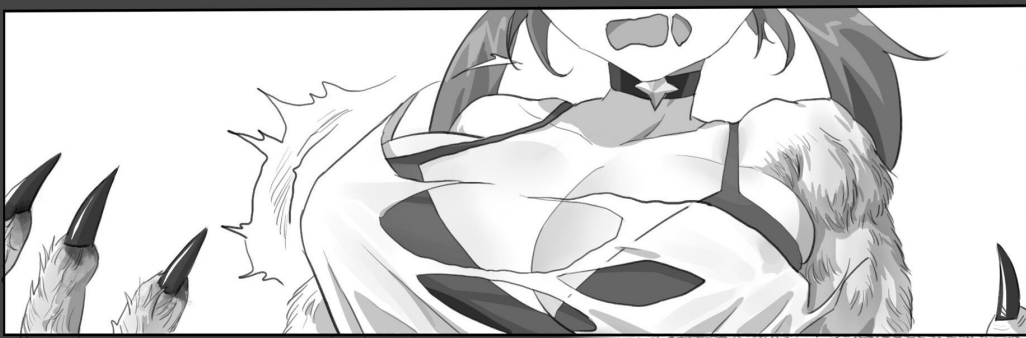

No...my hands...  
I don't want that!  
Why give me this blessing!

this pain...I don't  
want it...

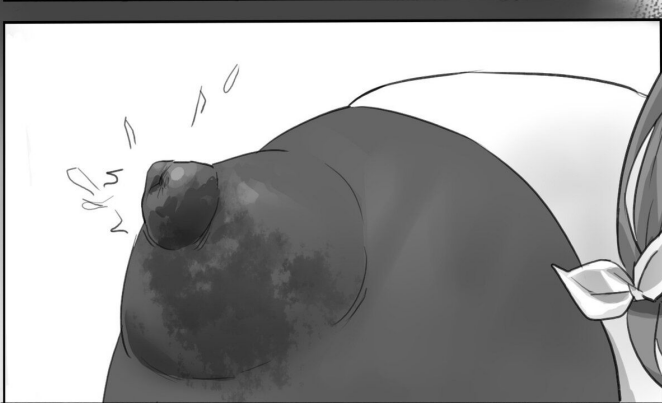

Snif...

Haaa...

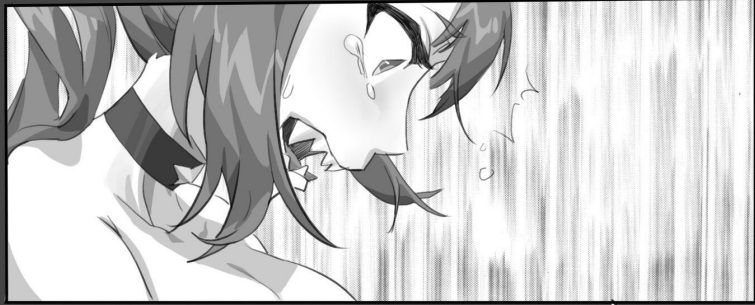

Haaa!

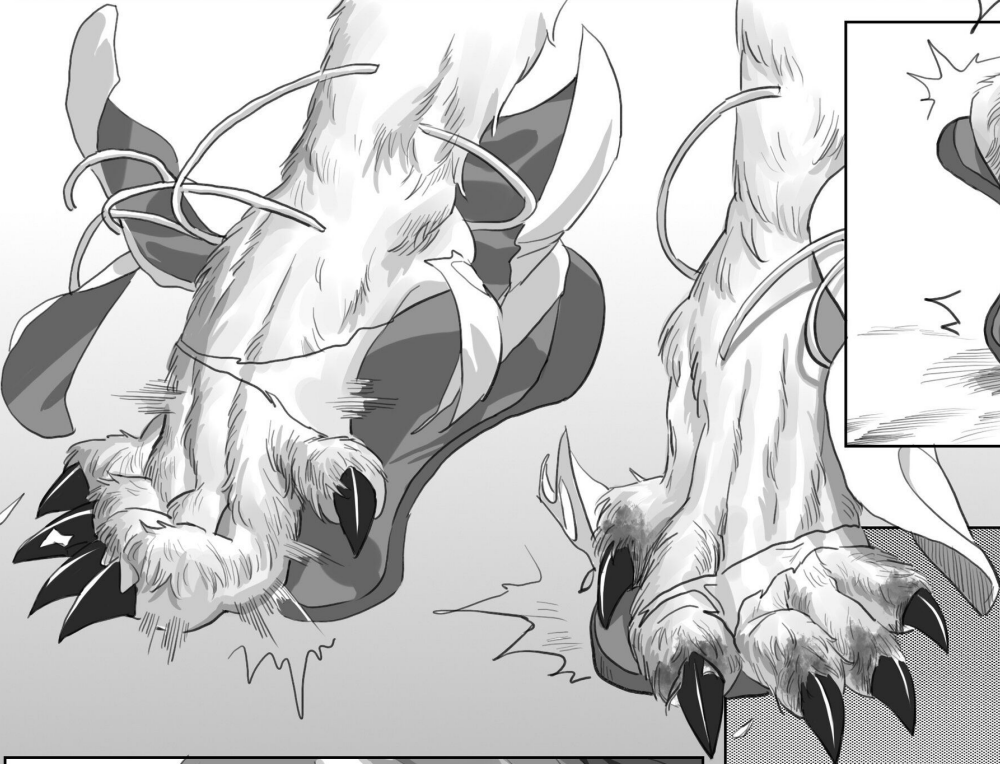

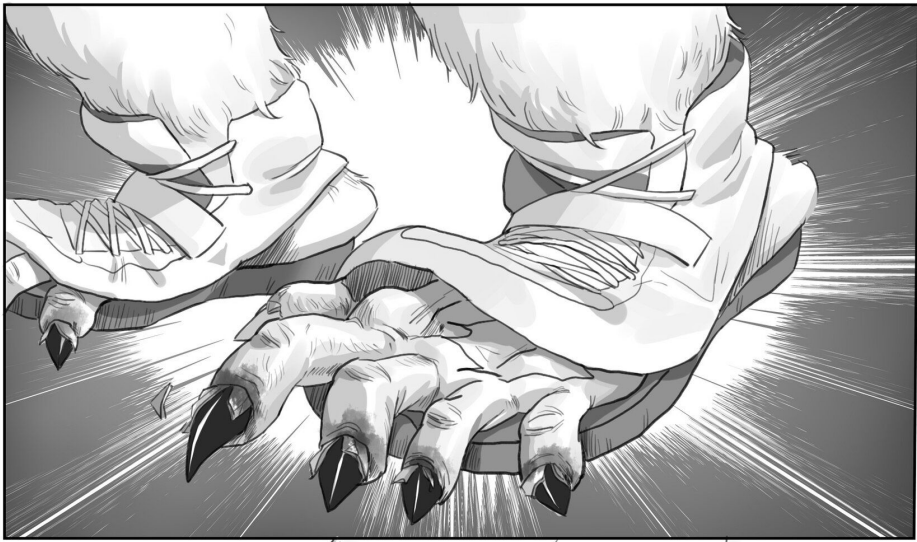

My bra is about to break !

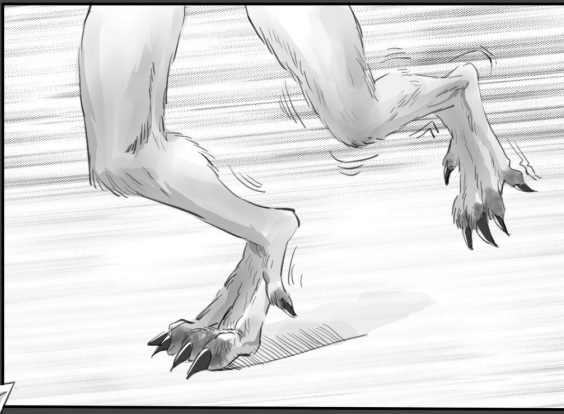

I can't go on like this.  
I have to find a solution!...  
Snif.....

This form is so much better!

Being a mere human is so boring!

Hoooo! beautiful!

Let's go find some new friends!

It's time to have fun!
