

Hey Kara, is that Gloria's 11 o'clock?

OOhh woow... She definitely needs to hire that.... Mhm!! I wouldn't mind working overtime if I could look at that everyday...

Mr. James, Ms. Montez is ready for you now.

That's understandable. Just relax and be yourself. Ms. Montez is very welcoming.

Thanks for the reassurance, I guess I needed that. Do you have any tips for interviewing here?

Thank you. So how has your day been so far?

Just be confident and show how your skills can benefit the company. Also ask questions. It shows your interest in the position.

It's been quite busy, but it's going well. How about yours?

Thanks for the advice, I'll have to keep that in mind.

It's been good, thank you. A bit nervous about the interview, but I've been looking forward to it.
