

Mother's Urgent Aid

By Klrxo

Linda's voice was filled with shock and anger as she spoke over the phone to her son, Samuel. "They're fucking each other!" she spat out. "They're fucking their asses off, Samuel."

"Hold on, slow down, mother," Samuel said, trying to remain calm despite his rising suspicion. "Tell me what you saw."

Samuel, who was overseas serving his country in the military, felt a sick knot form in the pit of his stomach. His thoughts raced back to all those video calls with his wife, Aubrey, where she had that newly-fucked glow about her. He couldn't ignore the signs any longer - she was definitely having hot, nasty sex behind his back. The realization hit him hard and he struggled to keep his composure as his own mother painted a vivid picture of his wife's infidelity.

"They looked more like a sex-starved couple than mother and son," Linda exclaimed. "The way their hot, sweaty flesh was beating together, their muscles flexing and straining as they fucked each other like animals. It was obscene!"

"Are you sure it was Aiden who was with her?"

"Yes, I'm positive," she replied confidently. "I know my cute grandson's face and body anywhere. He was transfixed, staring up at her giant, bouncing tits like a starving dog, thrusting into her cunt as if he couldn't get enough."

“I can't believe the two of them are being sexual together,” Samual uttered. “Are you positive that's what you saw?”

“Oh trust me, that massive cock of his was wedged up her tight pussy, alright.”

“Massive?” Samual repeated in shock.

“Yes, I could see it sliding in and out, soaked with her cum-juices,” Linda answered. “It was the biggest fucking dick I've ever seen, and on my own grandson.”

Samual felt like he had just been punched in the gut as he processed her words. The image of his wife and son together, their bodies beating together in passionate sexual intercourse burned into his mind.

“Well...Aubrey does love sex,” Samual added, “but I didn't think she would ever stoop to this level.”

“Aiden didn't seem reluctant at all either?” said Linda. “He was fucking like a boy on prom night. You should have seen that huge, muscular cock of his pounding through your wife's pussy. It was obscene, Samuel.”

Samuel sat there, frozen in shock as his mother continued to paint the graphic and explicit scene she had witnessed. Her words were like a vivid and disturbing painting, each sentence adding more detail to the already disturbing picture.

“He grunted like some sort of beast every single time a fired a gooey rope of hot boy-cum inside of her. From what I could see, he WASN'T wearing a condom on his boner either,” Linda warned.

“No condom?”

“That's what I said, he was pounding through her cunt-slit completely bareback.”

“And he...he came inside of her?” Samuel asked, his horror palpable.

Linda nodded solemnly. “Yes, he did, pouring that potent boy-semen inside her unprotected pussy. All that hot, virile sperm. For all we know, Audrey could already be carrying his baby.”

“They wouldn't,” Sam uttered, horrified by the thought of his wife impregnated by his son's seed.

“And judging by the look on Aubrey's face, she really seemed to enjoy it and was climaxing all over his teenage cock at the same time. I could clearly see her juices running down his balls, her big tits beating all over my grandson while she cried out in orgasm. It was all so...so depraved,” Sam's mother added.

Samuel could hardly believe the words coming from his own mother's lips. To think that his wife and son had been engaged in such a sickening act, without any thought for the consequences or the hurt they were causing to him.

“What are they thinking?” he muttered, unable to wrap his head around the betrayal and recklessness of his wife and son.

“Trust me, Samuel,” Linda said with a mournful tone, “I don't think either of them was thinking about anything other than their own selfish desires and how much they love to fuck and cum.”

"I need to call and confront her," Samuel stated. "I need to put a stop to this madness right now."

"You can't just confront her, darling," Linda said. "Not now."

"Mother, I need them to know that I don't approve of their behavior."

"And throw me under the bus?!" Linda asked. "You can't do that. I won't let you. If Audrey realizes that I was spying on them, she'll lock all the doors and I won't get another glimpse into their sick escapades."

"Mother, I can't let this sort of thing go on," Samuel said, while wondering how he would even confront his wife about it.

"It's better if you play it cool for now so that I can gather more evidence. I'll continue to spy on them and document everything in detail. It's the only way to stop this disgusting act and save you from further embarrassment."

Samuel hesitated, unsure of what to do. He trusted his mother's judgment, but the thought of Aubrey and Aiden continuing their illicit affair made his stomach churn. "Alright," he said finally, "I'll wait a bit longer to confront them. But I can't let this go on forever."

Aubrey was getting fucked hard and deep when her husband called her awhile later. It seemed like all her and Aiden had been doing lately was beating their horny sex organs together in vigorous sexual intercourse.

Aiden was fucking his beautiful, brunette mother in the missionary position, his face cradled between her neck and shoulder. His lean, post-pubescent ass rose and fell in a blur, his hips tucked between the warm, creamy saddle of her splayed thighs.

The boy's giant rod thundered through her dripping, overheated vagina, his fat, puffy glans smashing against her back wall with every thrust.

"Fuck, it's your father," Aubrey said breathlessly, looking at her phone as it rang.

"Call him back," Aiden urged as he focused on his deep, steady fuck-strokes.

"I was suppose to call him back two hours ago, honey," his mother reminded him. "When I was busy fucking your cock with my tits, remember?"

"Oh yeah."

"I'll answer, but don't stop fucking my pussy and try to stay quite," the mother urged, then answered her phone in a sweet, innocent tone. "Hi, hon."

"Hey, what are you up to?" Samuel asked, hoping he hadn't called during one of their fuck-sessions.

"Oh, just, uh...taking care of some things around the house. You know how it is, sweetie, there's always something that needs to be done," Aubrey replied, attempting to keep the conversation light and her breathing under control.

“Where's Aiden today?” Samuel asked, suddenly becoming suspicious of what his wife was doing based on the sound of her breathing. Little did he know that his Aubrey was currently being ravished by their son in their marital bed while they spoke on the phone.

“He's just, um...out playing basketball with some friends,” Audrey answered, clinging tightly to her boy as he fucked his heart out.

Aiden's body trembled with pleasure as he felt the gurgling tightness of Aubrey's pulsing pussy. Her strong, slick muscles clamped down on his erectile flesh in a delicious suction, driving him wild with desire. He braced himself between her quivering thighs and thrust like a madman, plunging his thick teenage dong deep into her with each savage thrust.

“What's that noise I'm hearing?” Samuel asked suspiciously. It was the sound of his son's cum-filled balls beating against his wife's tan bubble butt, but she certainly didn't tell him that.

“Honey, I need to put you on hold for a sec,” Aubrey stated, pleasure growing in her voice.

As Samuel was put on hold, Aubrey let out a slow exhale, her body pulsing with the impending release of her orgasm. Aiden withdrew his cock with agonizing slowness, until only the swollen, crimson head remained nestled between the slick folds of her pussy. “No,” she whimpered and arched her back, desperate for more of his thick member. “Fuck me hard, baby!”

Aiden thrust with unbridled force, grunting as he felt her skilled, mature pussy cling to him like a tight, wet glove. Each

powerful stroke seemed to make his cock grow even harder, the veins bulging out obscenely, stretching her slippery walls to their limit. Underneath him, Aubrey's gigantic, naked tits heaved and bounced, her fat nipples grazing against his skin with each movement.

“Oh God, you pound my pussy so fucking good, young man!” the mother squealed, locking her strong, freshly shaved legs around his youthful frame. “You're gonna make me cum like a fucking whore!”

With each violent stroke of Aiden's big prick, her cunt exploded with pleasure. Her body convulsed with intense contractions, causing her fuck tunnel to tighten around his cock like a vise.

The sound of their naked bodies slapping together filled the air, mingling with Angela's moans and the splattering of ejaculatory juices onto the bedsheets.

“OHHH FUCK, SHIT, CUMMING!!” the busty mother cried out, squirting her sizzling love-juices all over his super-charged cock.

The scent of sex hung heavy in the air as Aubrey's pussy cream soaked into the sheet beneath her quivering ass, evidence of their intense, two-hour-long lovemaking session.

“Let me get rid of your father and then you can beat my thick ass against your midsection as long as you want to, baby,” Aubrey replied, her voice still breathy from her recent climax.

“Doggy style?” Aiden asked with excitement.

“You bet your cute ass,” his mother replied with equal excitement, then took her phone off hold. “Sorry, hon...that was Aiden. He needs me to pick him up.”

“Can't you talk to me along the way?” Samuel asked.

“Um, no...I can't,” she answered. “You know I don't like talking on the phone while I drive. I'll call you later.”

Aubrey hung up before her husband could question her further.

Mother and son looked at each other and giggled mischievously as Aubrey took position on all-fours, pointing her delicious-looking bubble butt his direction.

“Mmm, come gimme some doggy dick, baby boy,” she teasingly urged, wagging her rounded mommy-ass back and forth.

Aiden's gaze was fixated on the glistening folds of her sex, his tongue peeking out from between his lips in a primal display of desire. His erect cock remained slick and hard like a sturdy piece of lumber, its swollen head a deep shade of purple from the rush of blood. A thin strand of clear pre-cum dangled from his piss-slit, slowly descending towards the bed like deadly snake venom.

“I'll fuck you good that way,” he said.

He quickly mounted her haunches, grasping his enormous boner at its root and plowing his spongy glans against her engorged clit. They both sighed and shuddered as they felt their nerve-rich sex bulbs rubbing together, slickened by his

slimy pre-cum and the slippery mommy-oil that seeped from the coral pink vestibule of Aubrey's pussy.

“Stick it in my fucking pussy,” Aubrey whimper. “I wanna feel my son's cock-meat.”

Pushing forward slowly, Aiden's hips surged, driving his meaty member deeper into Aubrey's clenching pussy. She cried out as he filled her to the hilt, stretching her walls to accommodate his girth, his crotch mashing up against her soft, wet pussy-lips.

“Ahh, fuck...so good,” he gasped, feeling the tight heat radiate around his hard slab.

As his mom tightened her pelvic floor muscles around his shaft, he could feel the thick veins encrusting his rod pulsing against her walls. Her cervical entrance nipped at his knob eagerly, as if it had a mind of its own and was begging for increased stimulation.

“I'm gonna fuck your pussy so hard,” he hissed.

Aiden's fingers sunk into the soft, fleshy cheeks of her buttocks as he rammed his dick harder into her pussy.

She squealed with each thrust, her eyes rolling back in her head with pleasure as he took her with mammoth boner.

“Yes, push it all the way in,” she panted. “I wanna feel you nudging at the womb where I once held you.”

Their bodies moved in syncopation, Aubrey grunting like an animal as her son's cock plunged into her core. Her eyes were

glassy with lust as she looked back at him, reaching down between her legs to touch herself

Aiden's cock pounded relentlessly through the slick, cum-dripping tunnel of Aubrey's pussy as she pushed her thick ass back against him.

He leaned over, his breath was hot and heavy against her neck as he taunted her in a cocky tone, "I bet dad could never fuck you this good."

She moaned in response, the pleasure making her head spin as they moved together in perfect rhythm. She felt her son's hands reach down and grasp her huge, swinging tits. His fingers sunk into their dough-like flesh and he pinched her thick teats between his fingers.

The room was filled with the sound of skin slapping against skin and their ragged breathing. Each thrust sent waves of ecstasy through Aubrey's body, driving her closer to the edge of a second orgasm.

Aiden straightened upright, his hands gripped her hips tightly, pulling her back onto his steely cock with each thrust. In that moment, nothing else existed except for the intense pleasure they were giving each other.

"Damn, mom...are you making your pussy squeeze like that on purpose?" the boy asked, his face grimacing in pleasure.

"I sure am, baby," she smiled back. "I used those muscles to push your little body out of my cunt hole when I gave birth to you. Now I'm using them to stimulate your wonderful cock."

“You're gonna make me fucking cum!”

“I'm gonna explode right along with you, baby boy,” she stated, beating her rippling butt cheeks against his trim midsection even harder.

Both Aiden and Aubrey reached the peak of ecstasy simultaneously, their bodies trembling in unison as if struck by a jolt of electricity.

Aubrey's gigantic tits undulated like a turbulent sea, her hardened nipples resembling tiny aroused phalluses atop the soft mounds. She let out a primal scream and quivered with every sensation pulsating from deep within her core. The pleasure was all-consuming, leaving her lost in a world of pure bliss.

“AHH, FUCK..SHIT YES!!” Aiden groaned. His penis pulsed, unloading its hot, thick load deep within her gripping pussy. Wave after wave of his ropey cum sprayed into her, coating her walls and seeping out from between her soft, swollen lips.

Aubrey collapsed onto the bed, her body wracked with intense pleasure. Aiden leaned over her, his cock still pulsing inside her, his heart pounding in sync with hers. Their mouths met in a passionate kiss, their long tongues thrashing together like angry, pink serpents. The musky fragrance of their lovemaking still hung heavy in the air.

As the intensity of their orgasms slowly began to fade, Aiden carefully withdrew his cum-soaked boner from Aubrey's pussy, leaving behind a trail of cum. He lay down beside her, his arm wrapped around her waist, and they drifted off to sleep, their

bodies still connected in the afterglow of their passionate fuck-fest.

The next day Linda snuck in the house during a round of Aiden and Aubrey's hot sex sessions. She crept down the hallway and peeked her daughter-in-law's bedroom, seeing Aubrey sucking Aiden's cock on the bed, her pretty head bobbing up and down with practiced skill.

Aiden laid back on some pillows, his face masked with pleasure as his mom used her mouth, lips, tongue and throat to provide exquisite oral affection.

“Mmm, I simply love eating your cock up, baby,” the mother cooed, whipping her long, thick licker all over his swollen glans with a series of lashes and loops.

Linda's eyes widened as she took in the size of Aiden's cock. It was a mammoth rod, thick and long, and she couldn't fathom how Aubrey could fit it all in her mouth. But to Linda's amazement, not only did the mother stretch her lips around it, she took it deep down into her throat until her nose was pressed against his pubic base.

It was a scandalous display, yet Linda couldn't look away. Her heart ached for her son who was away in the military, who's wife was so blatantly cheating on him, but at the same time, she found herself becoming increasingly aroused by the sight of Aiden and Aubrey entwined like passionate lovers.

She licked her lips as she imagined that it was her sucking on her grandson's delicious cock. She imagined that such young, hard meat would be a thrill to lick, suck and nibble on. That the rich cum that bubbled up from his balls would be delectable and tasty.

Linda's voice trembled with shock and disgust as she recounted the events to her military son over the phone. "She was sucking his fat cock, Samuel," she stated, her tone full of disbelief and betrayal. "Fucking it through the ring of her lips like a cock-sucking whore."

"They're doing oral too?!" Samuel asked, his scowl morphing into a look of pure revulsion.

"Yes, her head was bobbing up and down, her lips stretched around Aiden's throbbing member shamelessly. And that long tongue of hers...it was curling around his knob like it belonged there. I couldn't believe what I was watching."

"How could she do this?" Samuel asked, his heart aching with sorrow and disgust. "I can't believe she was giving our son a blowjob."

"Not only that, but I could still see the glistening juices dripping from Aiden's chin. I'm pretty sure I got there just after he was done feasting on her honeyed hole."

"Giving her...oral sex?" Sam asked in disgust.

"Yes, darling. Your son was eating your wife's pussy. He was probably nursing on her juicy clit the same way he does her nipples. That's why she exploded her hot, female ejaculate all

over his handsome face,” Linda exclaimed. “He's probably as amazing at cunt licking as he is at fucking pussy.”

“This situation just keeps getting worse,” Samuel uttered, shaking his head in disbelief.

“Yes, and in case you don't believe me, I just sent you a picture to prove it.” Linda's voice was heavy with emotion as she spoke.

“A picture?” Sam asked.

“Yes, Samuel, a picture...on your phone. Check it and you'll see for yourself that I'm not exaggerating.”

Samuel's face twisted with anger as he glared at the picture Linda had sent him. It showed Aubrey on all fours on the bed, her gigantic, heavy titties dangling down so far that they nearly touched the mattress. Her mouth was wrapped greedily around Aiden's massive cock, her eyes locked on his son's face as she worked fervently.

It was hard enough for Samuel to hear his mother describing their depraved act, but seeing a picture of it made it even more real and painful.

“That's it,” he blurted out in frustration. “I'm having a chat with her tonight and telling her that I know what the two of them are up to.”

“Samuel, no...you can't do that!” his mother snapped.

“Why not?”

"You can't just throw me under the bus," his mother pleaded. "If you tell Aubrey that, then she'll know I've been snooping around the house and she'll hate me forever."

"Mother, I can't just continue to let the two of them go on like this. It's disgusting and it's wrong. I want to make sure that Aubrey knows I know what she's been doing and that I won't stand for it."

"Look, I know you're upset, darling, but you need to set your emotions aside and take the smarter approach here," Linda suggested.

"The smarter approach?"

"Yes. Coming on aggressive and accusatory will only drive a wedge between you and Aubrey and make her want to fuck and suck Aiden's cock even more."

Samual sighed, knowing that his mother was right. He took a deep breath and decided to approach the situation with more tact.

"Okay, so I'll just let Aubrey know that I know something is going on and that I'm concerned about it," he said, "But I won't be accusatory or confrontational. I'll just try to get her to open up and talk about it."

Linda nodded in approval. "That's the smart way to go about it. Show her that you care and that you're worried about her, and maybe she'll come clean and you can work it out from there."

Samual took a deep breath, his mind racing as he tried to figure out the best way to address the delicate matter of Aubrey's

infidelity. He ran his hand through his hair, feeling the weight of the situation bearing down on him.

“You know I love you, darling,” Linda stated, her voice as sweet as honey. “And I'll always be here to provide you aid.

As he thought about how to approach the conversation, images of Aubrey and Aiden together flooded his mind. He imagined them fucking in every position imaginable, their lips seal in passionate kisses as they shared their sexual body fluids. It was no secret that they were constantly entwined in passionate, carnal acts - much to Samuel's dismay.

But despite the hurt and betrayal he felt, Samuel knew he had to confront his wife in a tactful way. Taking another deep breath, he picked up the phone and called her.

“Aubrey, I know we've never really discussed it, but how are you managing sexually while I'm away?” Samuel asked tentatively, bracing himself for her response.

Aubrey, who at that moment was straddling Aiden and riding his erection with abandon, froze at the unexpected question from her husband. Her giant-sized titties went from leaping up and down to hanging motionless from her chest, right above her boy's eyes.

“Managing sexually?” she repeated, quickly formulated a lie.

She was caught off guard and struggled to find words to respond. The scent of sweat and sex filled the air around her as

she tried to compose herself and come up with a plausible answer for Samuel.

"Well, um, you know, I've been trying to keep myself busy and focused on other things," Aubrey said, hoping her response would be enough to appease Samuel's inquiry.

Samuel could hear the uncertainty in Aubrey's voice and knew that something was off. "I understand that, but are you getting your needs met? I mean, I know it can be tough when I'm away, but I just want to make sure you're okay."

Aubrey hesitated, not wanting to lie to Samuel but also not wanting to reveal the truth. "I try to just focus on myself and housework when you're away, but, um, I do manage some self-pleasure here and there."

Samuel's heart sank as he listened to Aubrey's response. He knew she was trying to protect him from getting hurt, but the truth was clear - she was having an affair with Aiden. She was fucking their son's huge cock and enjoying every second of it. He decided to confront her directly.

"Aubrey, I know there's more to it than that. I can't help but feel like something is going on between you and Aiden. Can we talk about it?"

Aubrey's breath hitched in her throat as she wondered how much her husband knew. She realized that denying it would only make things worse, so she took a deep breath and spoke the truth.

“Well, I will admit, Aiden and I have gotten a lot closer since you've been gone,” she confessed.

“When you say ‘closer,’ do you mean that the two of you are having sex together?” Samuel asked, the accusation barely escaping his lips.

Aubrey hesitated for a moment, trying to gather her thoughts. “Yes,” she admitted, her voice barely above a whisper. “It started as a way to cope with your absence, but it eventually became something more.”

Samuel's mind raced as he tried to process what he had just heard. His mother was right, Aubrey had betrayed him, and the thought of her with their son, fucking day and night, filled him with rage and despair. But he knew that going off on her wouldn't do any good. He had to think of a way to handle this situation without destroying their marriage.

Sam became aware of the familiar, rhythmic squeak of his marital bed as Aubrey began carelessly fucking again.

“Are the two of you having sex...right now?” Samuel boldly asked.

Aubrey hesitated, her eyes wide with guilt as she glanced down at Aiden over the swell of her jutting tits. He was still buried deep inside of her, her cuntal walls claspng the meat of his boner tightly.

“Yes,” she admitted, her voice barely a whisper. “We've been fucking for several hours now, and can't seem to stop.”

“How many times a day are you two doing this?” her husband asked, his stomach twisting in disgust.

Aubrey hesitated, knowing the answer would shock him, but she realized that the cat was out of the bag and it was time to come clean.

“Aiden is fucking my pussy at least five times a day,” she whispered, her voice shaking with the weight of her betrayal. “I guess you could say it’s become an obsession.”

Samuel felt like he had been punched in the gut. The thought of Aubrey and Aiden together, so many times a day, was beyond anything he could have imagined.

“Five times a day?!” he asked. “Aubrey, you and I never even had sex that many times a day and we're married.”

“I know, but you and I were different,” she replied, while moving her hips faster, grinding on Aiden's cock-muscle with greater intensity.

“How was it different? We were in love. We’re a married couple.”

Aubrey bit her lip, struggling to find the words that would explain her infidelity. “I-I don't know, Sam. It's just that... Aiden and I connected on a level sexually that I’ve never felt with you, ever. There's something about him that I find... irresistible.”

Samuel's heart felt like it was tearing apart. “So you're saying that you didn't love me, Aubrey?”

"It's not that I didn't love you, but..." Aubrey trailed off, staring down into her son's lust-filled eyes. "It's just that Aiden makes me feel things that I've never felt before. I'm sorry, Sam."

Samuel felt his world crashing down around him. He had loved Aubrey deeply, and now he was finding out that she was connected on a deeper level sexually with their son.

"So where are we suppose to go from here?" he asked, knowing that their marriage could never be the same.

"Well, I can't marry Aiden, obviously, so you don't have to worry about me divorcing you and running away with him," said Aubrey. "But he is a better match for me sexually than you are, and I certainly don't have any intention of stopping what him and I are doing and going back to having sex with you."

"Gee, thanks," Samuel stated. "Was it really that bad?"

Aubrey sighed, her eyes still locked with her son's. "No, it wasn't that bad. But it wasn't that good either. You and I have a great connection in other ways, Sam, but not in the bedroom. Aiden and I just click in that department."

"How can you say that? I always make you have an orgasm when we have sex together, do I not?"

Aubrey snickered.

"Sometime, yes, but not always. To be honest, sometimes I would just fake an orgasm so you would get off of me."

"Fake an orgasm? Why?"

“Because the way you fuck...well, it just doesn't really excite me that much,” she confessed. “I'm sorry, Sam. I know that's hard to hear, but it's the truth.”

“So, I'm just suppose to accept that my wife and son are having sex five times a day?”

“I said A LEAST five times a day,” Aubrey answered. “To be honest, it's usually much more than that. We're both in our sexual prime, Samuel, so there's no limitations to the amount of times Aiden and I can fuck in a day.”

“That's suppose to make me feel any better about this whole thing?” he asked, shaking his head in disbelief.

“You want honesty so I'm simply being honest with you,” she replied.

Aiden tugged his mom down against him so he could be smothered in between her giant tits while they fucked. He loved his dad, but certainly not as much as he loved fucking his beautiful mother.

The boy's lips and tongue traveled upwards, tracing a path along the soft curves of her tit-cleavage. He relished in the sensation of sinking into her flesh, his cheeks enveloped by the squishy contours of her oversized melons.

Meanwhile, his cock throbbed and pulsed inside Aubrey's birthing tube, surrounded by the hot, wet grip of her pink pussy. Every thrust upwards caused his bulging veins to strain against his cock-skin, as he buried himself deeper into her warmth.

Their bodies trembled with pleasure as his bell-shaped glans found its way to her cervical entrance, sealing them in a deep and intimate sexual union.

With every pummel of his cock, Aubrey felt Aiden's coronal ridge dig against her clitoral root, stimulating her most sensitive areas. The last thing she wanted to do was have an orgasm with her husband on the phone, but her son's incessant fucking was driving her closer and closer to the edge.

As Samuel listened to the faint, muffled moans from the other end of the line, he felt a wave of nausea wash over him. He had always prided himself on being able to handle any situation, but he never could have imagined anything like this.

"You know, Aubrey," he choked out, "I think it's time for me to go. I can't even begin to comprehend what's happening right now."

Aubrey nodded, her eyes still locked on her son's as her body continued to writhe with pleasure, her thick, bare ass bobbing up and down.

"I understand, Sam," she said softly. "It is sort of a bad time to discuss this anyway."

"I'll say," he said sarcastically. "I'll call when the two of you aren't fucking each other," he finished, hanging up the phone before she could respond.

Aubrey reached down and grabbed Aiden's hand, their fingers intertwining as they continued to fuck in a deep, passionate rhythm.

“Is dad mad because I'm fucking your pussy?” Aiden asked, smirking proudly.

Aubrey let out a breathy laugh and nodded. "Yes, honey, he is. But don't worry about it, he'll get over it."

“He better because I don't have any plans of stopping anytime soon.”

“Well, I should hope not,” his mother added. “Getting fucked by you has become the best part of my day.”

Aiden moaned, his hips bucking faster and harder, driving himself deeper into his mother. The pulsing of his erection against her cervix was almost too much for her to bear. She felt him swelling within her, getting ready to release the powerful seed that he held inside his nuts.

"Look, baby, I know what we're doing is wrong, but I can't help it," Aubrey whispered, her voice filled with a mix of shame and desire. "I just can't feel the same passion with your father that I can with you."

"It's okay, Mom," Aiden said, his voice raspier than usual. "I understand. You love sex with me more than you do with dad, right?"

Aubrey nodded. “Yes, and when I’m not fucking you or sucking your delicious cock, that's all I think about.”

Aiden grinned, his eyes locked on his mother's face as he continued to thrust into her. The wet sounds of their coupling filled the room, along with Aiden's grunts and Aubrey's breathy moans.

Aubrey rode her son's rigid cock heatedly, her hips moving with a primal energy that drove him wild. Her massive, soft breasts bounced and swayed with each thrust, their weight brushing against Aiden's face as he gripped her hips for leverage.

Aiden latched on to one of her rubbery nipples, his lip stretching nearly half-way across her areolar ring. This drew her teat deep into his mouth, where he could really nurse on its flesh while pushing his face against the softness of her melon.

"Oh God, the way you suck my tits turns me on so much," Aubrey gasped. "It makes me wanna fuck you even harder, baby."

The cheating mother rode him tirelessly and as the minutes passed, the intensity of their connection grew stronger, and Aiden felt like he was losing control. He wrapped his arms around his mother, pulling her closer to him as he thrust his pecker up into the sheath of her cunt harder and faster.

"Baby, play with my asshole while you fuck me," she purred, her voice laced with desire. "Oh god, yes, put your finger in my asshole and jack off my tight little hole."

Aiden eagerly reached around and pressed his forefinger against her puckered shitter, rubbing it in a circular motion as his massive cock pounded into her wet pussy.

"Like this?" the boy asked.

“Yes...just like that. Feels so fucking good,” her voice sighed as her pink asshole quivered and throbbed against his finger, slick with arousal.

With a low groan, Aiden pushed his finger deep inside her, feeling her tight muscles clench around him in response.

“YES!!” Aubrey gasped as her body trembled with pleasure, her pussy gushing with fuck-juice as it contracted around Aiden’s thrusting cock. The sensations from both holes overwhelmed her, sending waves of ecstasy through her entire body.

“Fuck me, baby!” she cried out, the words tumbling from her mouth in a desperate plea. “Fuck my ass off!”

Aiden thrashed his hips up from the mattress with the wild energy of a untamed stallion, his throbbing erection pulsing with intense force. The blood and muscles in his shaft fought against the tightness and heat of Aubrey’s wet, pink walls, carving their way towards ecstasy. His body trembled with pleasure as he pushed deeper into her velvety sex chamber, hungering for more with each powerful thrust.

Aubrey's moans and gasps filled the room, echoing off the walls as she rode the waves of pleasure crashing through her body. “I’m cumming, Aiden! Oh, please, keep fucking my pussy!”

The cock-hungry mother's fingers gripped the sheets tightly as she felt her climax building to an explosive peak. “Jack off my asshole, darling! Cuuummmiiinnngggg!” The sensation was overwhelming, a mixture of intense pleasure and raw desire coursing through her veins.

The orgasm seemed to last for ages, each climactic wave crashing harder than the last as the naked mother surrendered completely to Aiden's pounding cock. She could barely catch her breath, her body trembling and shaking as she rode out the aftershocks of ecstasy.

When she finally came back down to earth, Aiden was still thrusting into her with a primal urgency, his own release fast approaching. She could feel him panting against the warm, soft skin of her tits, his body tense and ready to unleash his hot, sizzling load.

"Pour it into me!" she gasped. "Give me your hot baby makers!"

Aubrey moaned, her body trembling as the pleasure built up inside her, drawing her towards another juicy climax.

Finally, Aiden felt the familiar sensation of his orgasm approaching, and he knew that he had to let go. He squeezed his eyes shut, concentrating on the feeling as it washed over him.

Aubrey felt it too, the powerful rush of pleasure that seemed to explode from her son's cock and fill her entire body.

"Aiden!" she cried out, her voice hoarse with passion. "I can feel it, baby, I can feel your hot semen!"

Aiden grunted, his eyes still closed, as he continued to pump his baby-making essence into his mother. He could feel her muscles clenching around him, milking his cock for every last drop of his virile seed.

"I'm cumming, mom," he groaned. "Oh God, I'm cumming!"

Aubrey felt the scalding hot jets of Aiden's semen blast into her womb, and she arched her back, crying out in ecstasy. The intensity of their orgasms seemed to reach new heights, as if they had been plugged into some kind of cosmic power source.

Finally, the pleasure subsided, and the two lovers collapsed against each other, their bodies still joined in this most intimate of ways.

Aubrey looked down at her son's face, which was wedged in the cleavage between her humongous tits, his pleasure-filled eyes staring back up at her.

"Your father finding out about us was inevitable, honey," Aubrey said. "But you don't need to worry. You and I will keep fucking each other and I'll keep sucking your delicious cock like there's no tomorrow no matter what he says or does. Our love is too strong to be broken by any man's jealousy or anger."

For the entire following week, Linda played the role of Samuel's personal reporter, sneaking into the house to spy on Audrey and Aiden as they engaged in intense and steamy sexual activity.

Every time she arrived, their bodies were entwined in a new sex position, lost in a frenzy of desire. What had initially disgusted Linda was slowly becoming an arousing spectacle.

"My grandson is so gorgeous," she thought to herself. "Such an amazing fucker with a huge cock."

As she stood in Aiden's bedroom doorway, watching his plump and youthful testicles slam against Audrey's rounded buttocks, Linda couldn't resist reaching down into her own panties. Her fingers found her engorged clit and began rubbing it with fervor.

With each thrust of Aiden's hips, Linda's mind wandered, imagining herself as the one being passionately ravished and experiencing earth-shattering orgasms at her grandson's skilled hands.

"My God, I can't believe how hard his cock is, and how skillful he's fucking her," she thought to herself as she watched his boner slam through the juicy grip of Aubrey's cunt.

"Baby..." Audrey's breathless voice said from inside the bedroom. "How would you like to try something new today? Something extra naughty."

As the sun began to set and Samuel finished another long day of work, he was interrupted by a video call from Linda. Her face appeared on the screen, her voice hushed as she stood in the hallway just outside Aiden's bedroom. "Sam, you're not gonna believe this," she whispered urgently. "I've been discreetly watching them again, and I just saw something that... well, it's quite shocking."

Sam's heart raced with curiosity and fear as he wondered what could possibly shock him more than what he had already seen between his wife and son. "What are they doing this time?" he asked warily.

Linda turned the camera towards the bedroom, revealing Aubrey on all-fours in bed while Aiden thrust vigorously behind her in the doggy position. Samuel couldn't help but feel a familiar arousal at the sight of his wife's heavy breasts swaying free and wild, her fleshy butt cheeks bouncing against Aiden's abdomen in a relentless rhythm.

"I see it mother, but it's just the doggy position. Nothing too shocking compared to everything I've witnessed them doing at this point," Samuel replied dismissively.

"No, look closer," Linda urged. "His cock isn't in her pussy this time, Samuel."

With morbid curiosity, the military husband leaned in for a closer look and felt his stomach drop as he realized what Linda was pointing out - Aiden's cock was buried deep inside Aubrey's tight anus.

"They're having...anal sex?" Sam gasped in disbelief. "I thought Aubrey always hated anal sex."

Linda nodded, her eyes wide with shock. "Well, it looks to me like she's really enjoying it. I mean, look at how she's arching her back and moaning."

She paused for a moment, then added, "and you should see the look on Aiden's face when he thrusts into her tight asshole - it's like he's never been more aroused in his life."

Samuel felt a wave of nausea wash over him as he watched his wife being taken from behind in such an unconventional way.

"But...why would she enjoy it so much from him and not with me?" Sam wondered aloud.

Linda hesitated before responding, not wanting to upset her son further. "Perhaps she finds it more...intense with Aiden, or perhaps...perhaps he's just better at it," she suggested cautiously. "His cock is quite large, Samuel. Perhaps that makes a difference too."

"We need to put an end to this," Sam said, his voice shaking with anger and disgust. "I don't care what they're doing, it has to stop."

Linda nodded in agreement. "When they're finished, I'll talk to Aubrey and see if I can't find a way to make her see reason."

"Thanks, but it's probably best if I handle this my way."

"Which will only make things worse I'm sure," Linda added. "Darling, just let me speak to her woman to woman. It's the best way to resolve this peacefully."

"I guess you're right," Sam sighed. "I've tried talking to her about it, but it seems like nothing I say can dissuade her from wanting Aiden."

Sam's son grunted as he slid higher up inside Aubrey's jiggling ass, positioning himself for maximum penetration. His breath came in short gasps as his huge cock strained against the tightness of her bowels, the nerve endings in his cock exquisitely stimulated.

With a deep moan, Aiden began to hump harder, thrusting every inch of his blood-swollen member into her shit-tunnel.

Pleasure and desire mingled in his mind as he reveled in the taboo act.

“Fuck, mom...your ass feel so tight,” he panted. “I never knew anal fucking could be this good.”

Aubrey's face twisted in ecstasy as she felt her asshole contract around his thick shaft, pulling it deeper inside her. "Oh Aiden!" she cried out, overcome by the sensations. She reached down between her legs, frantically fingering her gooey pussy as their bodies moved together in perfect harmony.

"My asshole is so hungry for you," Aubrey moaned wantonly, encouraging him with her words. "Please baby, fuck it harder! My horny ass needs you!"

Fueled by her wild obscenities, Aiden increased the intensity of his thrusts, his pelvis pounding against hers with each deep stroke. The anal itch that had been plaguing Aubrey was finally satisfied by the repeated thrusts of Aiden's vein-encrusted boner.

Her fingers worked furiously between her legs, strumming her plump love-nubbin like a guitar string, matching his rhythm as they both gave in to their carnal desires.

As their pleasure built to a fever pitch, Aubrey's shameless passion was evident on her smiling face. She reveled in the feeling of her asshole being filled and stretched by his delicious prick, completely lost in the blissful moment.

“Come down against me and keep fucking my asshole hard,” she requested, lowering flat on the bed.

Aiden sprawled out on top of his mother, their naked bodies slick with sweat. He thrust his aching hard-on into her tight asshole with fervor, the bed springs squeaking in rhythm to their passionate movements.

Aubrey's fingers danced over her own wet pussy as she pushed back against Aiden's deep and forceful thrusts, a primal need for pleasure coursing through her body. Her stretched asshole quivered and convulsed around her son's throbbing cock, each movement sending waves of pleasure through her being.

"Fuck my asshole, baby boy!" she cried out, the words spilling from her lips in an ecstasy-induced haze.

Aubrey shuddered and moaned as she felt a familiar tingling in the pit of her belly, signaling the impending release of pure bliss.

"Unnnngghhh! Oh, fuck, oh, shit," she gasped as Aiden continued to pound into her ass with all his might. "Gonna cum now!"

Aiden's feverish pace only intensified as he too felt his climax building inside him. With one final thrust, he erupted into his mother's hot and welcoming hole, filling it with rope after hot, sticky rope of his seed.

Aubrey screamed in pleasure as she felt the flood of cum coating her inner walls, drawing every last drop from Aiden's pulsating cock.

Together they rode out the intense waves of pleasure, their bodies entwined in a taboo but irresistible act of passion and desire.

“Well, well, well...” Linda's raspy voice echoed through the room as she stepped into the dimly lit space. Her eyes widened in surprise as they landed on Aubrey and Aiden's tangled bodies, slick with sweat and writhing in passion on the bed. “That was about the most intense display of anal fucking I've ever seen,” she commented with a mix of shock and amusement.

Aubrey's face flushed with embarrassment as she quickly grabbed a nearby blanket and covered their exposed forms. “Linda, what are you doing here?” she asked in disbelief.

“Don't even bother covering yourselves. Trust me, there isn't a thing I haven't seen you two do at this point,” Linda replied with a sly grin, pretending to be disgusted by their explicit sexual acts.

“You've been spying on us?” Aubrey's voice rose in anger and confusion.

“Yes,” Linda admitted without shame. “I became suspicious after having you over for family dinner weeks ago.”

“Family dinner?” Aubrey repeated with a look of confusion.

“You remember, that night I caught you sitting on Aiden's lap, grinding against his cock, while everyone else was occupied. You thought it was subtle, but I noticed. And I also saw how

hard his cock was through his pants when you finally stood up, leaving a tell-tale wet spot from his leaking pre-cum.”

Aubrey took a moment to recall the situation and how she had given her son a hot, sloppy blowjob in the car after, before they even arrived home.

Linda placed her hands on her hips and her big tits heaved beneath her tight dress as she shook her head disapprovingly. “I suspected you two were fucking and it seems that my instincts were correct.”

Audrey's voice held a smug tone as she spoke, her mouth twisting into a smirk. "If you're planning on surprising Sam with this bit of news, you might as well forget it," she taunted. "He already knows that Aiden and I have been fucking like animals, and he's slowly coming to terms with it."

Linda leaned in closer, her voice dropping to a low, almost conspiratorial tone. “But does he know about the fresh load of teenage sperm swimming around inside your tight ass right now?”

Aubrey's eyes widened, her face flush with embarrassment. “Linda, you can't tell Sam about that,” she pleaded, knowing that if her husband found out that Aiden was stuffing her ass as well as her pussy that he may just lose his mind.

“Well, he already knows that Aiden is pounding your cunt, what's the harm in telling him about your ass being used too?” Linda retorted, her eyes gleaming with mischief.

“Anal sex is something that Sam was always asking for, but that I just didn’t feel like a husband and wife should be doing together,” Audrey confessed.

“But it’s OK for my grandson to beat his boner through your asshole?”

“With Aiden it's different. I crave his cock in every hole in my body. I know that makes me a bad wife, but I'm perfectly fine with that.”

Linda's ass-ring clenched and tingled as she wondered what it would feel like to have such a huge cock digging through her rectum.

Her pussy was smoldering and she knew that this was her chance to get in on the action. “I’m willing to keep my mouth shut in regard to certain things as long as I can join you in experiencing the pleasures of Aiden's cock.”

"Join us?" Aubrey repeated, glancing over at her son.

“That's right. You’re not the only mother who likes to fuck and suck cock, Aubrey.”

"So, let me get this straight. In exchange for not telling Sam about some things, you wanna become my threesome partner and fuck Aiden's massive cock alongside me?"

Linda nodded enthusiastically, her eyes filled with lust. "Yes, absolutely! I've always been curious about getting fucked by a teenage stud, and I think the time has come for me to explore that with you two."

"Well, honey," Aubrey began, looking over at her son, "what do you think about your grandmother joining us?"

Aiden, still recovering from his recent orgasm, looked up from the bed and grinned. "I'm down for anything."

Linda smiled wickedly and began to undo the buttons on her tight dress. "That's what I hoped you'd say, darling."

Aiden's eyes widened and his body stirred with desire as his gran removed her bra, setting free her enormous udders. The weight of them hung heavily, swaying with each movement and begging to be touched.

He couldn't decide whose breasts were larger - Audrey's or Linda's - both were unbelievably oversized and seemed to defy gravity. Each one was topped with a wide, textured areola and a plump, rubbery nipple that yearned to be sucked and pulled.

"Wow...look at all that boobie-flesh," Aiden exclaimed, wrapping his hand around his rigid tool and giving it a few strokes.

Aubrey and Linda's laughter filled the room, causing their full, ballooning breasts to jiggle and sway. The weight of their mammoth bosoms pressed against each other, forming a long, dark cleavage. Their erect nipples stood out like beacons atop their enormous peaks.

"Now you have twice as many titties to suck on, darling," Linda stated, rocking her shoulders and making her meaty mounds swing back and forth teasingly.

Linda gracefully slid off her panties, revealing a fully shaved pussy with a neat strip of trimmed hair leading down to her swollen, pink lips. They glistened with arousal, eager to be splayed by the knob of Aiden's cock.

"Come climb on top of me, Gran," Aiden instructed, positioning himself in the center of the bed. His thick erection stood tall, its fat, crimson head just barely covering his belly button. The band of skin connecting his knob to his foreskin was pulled taut, creating a perfectly formed frenulum.

"Don't mind if I do," said Linda, crawling onto the bed like a hungry cougar.

Aubrey's heart twinged with a hint of jealousy as she observed her mother-in-law straddle Aiden's well-endowed member. But she understood the necessity of this act, to conceal certain intimate details from her husband. She also knew that the combined efforts of two women pleasuring Aiden's cock would bring him an ecstasy beyond his wildest dreams.

Linda eagerly positioned herself atop Aiden, lowering her dripping pussy down to engulf his throbbing erection. The two sets of vulvar lips locked firmly around his meaty shaft in full penetration, as his thick veins pulsed with an intoxicating mix of lust and excitement.

“Damn, Gran...you're pussy's tight!” Aiden gasped as Linda's slot engulfed his cock, his member throbbing as it found its way into her wet core.

Linda leaned forward, her heavy, gigantic tits dangling over Aiden, only inches from his face. She glanced over at Aubrey with a wicked grin. “Let's see how many times we can make this handsome stud cum today.”

Aubrey grinned, her own pussy dripping with anticipation. “I'm up for the challenge.”

Linda began to rock her hips, her wet pussy sliding up and down Aiden's thick cock. It felt incredible, the sweet sensation of her love juices coating his erectile flesh as he thrust into her. She looked down at him with her lust-filled eyes, over the swell of her giant, bouncing breasts, making sure to give him a sultry stare that would drive him wild.

“Come on, sweet boy...shove that fucking cock up into me like you mean it,” she urged.

Aiden obliged, lifting his ass from the bed and driving his dick home with every thrust.

Aubrey, meanwhile, was busy stroking her fat, juicy clit as she watched the scene before her. She fantasized about what it would be like to feel Aiden's enormous cock back inside her ass again, and she couldn't wait to get her hands on him.

“I can't wait to fuck him,” the mother whimpered, her fingers working her love-nubbin furiously. “Oh god, I'm so fucking horny again.”

Aiden was lost in the moment, his eyes locked on the sight of the two stunning women before him. Linda's talented pussy engulfed his shaft, while Aubrey played with her clit, her eyes never leaving his. He felt like the luckiest man on earth to be sandwiched between these two incredibly sexy women, and he knew that he was about to give them both the ride of their lives.

“Fuck me!” Linda voice cried out. “Work the juicy cum right outta me!”

Linda's body began to move in perfect rhythm with Aiden's thrusts, her massive breasts bouncing and rippling with each powerful stroke.

Aubrey couldn't help but moan with pleasure as she watched the scene unfold, her own pussy aching to feel Aiden's cock again.

As Aiden continued to fuck Linda, she reached down and began to play with her own blood-swollen clit, her eyes closing in pleasure as she felt the waves of orgasm building within her.

“Goddamn!” Aiden groaned, feeling his glans reach the back of Linda's pussy, crushing against the soft ring at the head of her cervix with each thrust.

The pussies of his mom and gran felt similar in many ways, but also uniquely different so that they each created their own individual sensations around the meat of Aiden's cock.

“Mm, I can see why your mother is so in love with your cock,” Linda panted. “It feels absolutely perfect inside my pussy.”

Aiden couldn't help but smile at the praise from his grandmother, the pleasure and appreciation in her voice making him feel even more aroused. He thrust into her harder, watching as her giant breasts bounced and rippled with each powerful thrust.

“Would you like to suck on these big boobies while you pound my pussy, darling?” Linda asked, her voice full of lust as she cupped her massive breasts and offered them to Aiden.

Aiden wasted no time, reaching out and eagerly latching onto Linda's left nipple, sucking it hungrily while he continued to thrust up into her. The sensation was divine; her huge, soft breast and plump, sensitive nipple providing a new level of pleasure that sent him even further into ecstasy.

“Oh god, fuck yes!” Linda moaned in delight, her body writhing atop the teen as he continued to suck her fat nipple, her pussy gripping his thick cock with each powerful thrust. She continued to play with her clit, her eyes rolling back in pleasure as she felt herself come closer and closer to the edge.

“Oh fuck, you're gonna make me cum, darling!” she gasped, her cunt contracting around Aiden's cock as she climaxed.

With his face masked in the spongy flesh of Linda's tit, Aiden groaned, his teeth clenched around her nipple. Her quivering cunt felt like it was turning inside out around his burrowing prick, orgasmic love-juices seeping from her folds and running down the sides of his nuts.

Aubrey watched her mother-in-law's incredible orgasm, her pussy still dripping with desire. She knew that it was now her turn to experience the pleasures of Aiden's massive cock.

As Linda came down from her orgasm, and slid her cunt-sleeve off, Aubrey slid her wet pussy onto Aiden's still erect member, feeling his throbbing cock penetrating her tight hole.

She moaned in pleasure as she adjusted to the sensation, her pussy already familiar with the feeling of being filled by Aiden's strong, teenage cock.

Aubrey began to ride her son, her hips gyrating in perfect rhythm with his thrusts, her massive mommy-tits leaping wildly up and down her rib cage.

“That's it, Aubrey...fuck his big, juicy hardon!” Linda urged, furiously rubbing her clit to the sight of them. “You're gonna make that teen cum so fucking hard!”

Aiden met his mom's eager thrusts, feeling the spike of his cock thunder through the tube that birthed him. He groaned as she increased the pressure around his cunt-smothered shaft. His pinkish-purple crown ballooned and throbbed with blood as it carved its way through her tender, silky walls, reaching the very depths of her womb.

“Ahh, fuck, mom...I love it!” His voice quivered.

Aiden wrapped his arms around her waist, pulling her even closer to him, feeling the weight of her colossal tits pressing against his face as she rode him faster and harder. The contrast

of her soft, voluptuous frame against his smooth, muscle-toned body created a perfect dance.

Aubrey's moaned as she felt her own climax building. Her nipples, as big and thick as Linda's, became engorged with blood and tightened against Aiden's chest. She bit her lower lip, her mouth twisting into a grimace of ecstasy.

"Fuck! Fuck!" her pretty voice cried out. "Fuck me, fuck me, fuck meeee!!"

She began to move in a frenzy, screaming and moaning as she thrust her pussy hard against Aiden's cock, feeling the tender bulb of her clit rub against the base of his boner.

"Oh god," Aiden moaned, pressing his face into the warm, slick valley between her breasts as he felt her tight walls pulsing around him. Her jumbo-sized boobs jiggled against his cheeks, a sensation that sent shivers down his spine.

Aubrey's body trembled with pleasure as she reached the peak of her climax, her muscles clenching and releasing in waves around his throbbing cock.

Aiden thrust harder and faster, his balls slapping against her cushy ass in a sweet rhythm. Her juices flowed down his shaft, lubricating his cock with the warm fluid. Each thrust sent her bigger-than-life tits bouncing wildly around his pleasure-filled face.

Linda couldn't help but watch in awe and admiration, her own orgasm reverberating through her body as she played with her horny clit.

"Mmm, look at how much cum you're making her spurt out!" she yelled at her grandson, her voice tinged with both lust and envy.

Aiden clenched his teeth together, his eyes closed as he felt the tight, quivering heat of Aubrey's pussy contracting around his cock. It was the most unbelievable sensation he had ever experienced, her love canal milking him like a relentless sex toy.

"Fuck, I'm gonna cum!" he gasped. "You're gonna make me nut inside you, mom."

As the pleasure built inside him, Aiden's body began to prepare for release. Rich, sizzling sperm traveled from his prostate to his testicles, mingling with fluid to form a creamy mixture. His vas deferens contracted forcefully, pushing the hot, thick load of semen towards the base of his penis.

"AH, YES...FUCK!" Aiden groaned. He could feel his muscles and tendons working in tandem as they squeezed and pulsed at the base of his engorged member. With one final surge, a powerful force shot through him, sending a torrent of milky white ejaculate up his shaft and bursting out of his piss-hole in wild, explosive ropes that splattered through the gripping, pink walls of Aubrey's pussy.

Aubrey's eyes rolled back in her head as she felt the intense pleasure of Aiden's cum flooding her tight canal. Her pussy

clenched and released around his cock, trying to milk every last drop of his cum from him. She moaned loudly, her orgasm reaching its peak as her body shook with pleasure.

Linda watched in awe as her grandson and daughter-in-law fucked each other in the most passionate way, the sweat glistening on their bodies, their MOANS filling the room. She knew that she had to have Aiden's cock too, and she wasted no time in crawling over to where Aubrey was fucking him.

Aubrey, still in the throes of her orgasm, watched as her mother-in-law joined them. She felt Linda's hand on her hip, and she knew that her turn was over.

“Mmm, I want more of that delicious dick,” Linda stated, knowing full well that boys Aiden's age didn't lose their erections and could continue to fuck after an ejaculation.

Second's after Aiden's cock was released by Aubrey's pussy, it was greeted by the warm, wet embrace of Linda's. The older woman wasted no time, sinking down onto Aiden's length and letting out a deep, guttural groan.

Aiden's body contorted on the mattress, his torso arching upwards as Linda's tight, clasp pussy pulled at the pink skin of his cock. The intense friction sent shudders through his body and his balls tightened, ready to release another burst of sticky white semen. A long, gooey strand dripped and oozed from his quivering meatus, painting the back of Linda's warm insides with virile sperm.

“Oh yes,” Linda sighed in pleasure. “I knew you had more of that warm, sticky goo in there for me.”

She moved her wide hips in a slow, sensual gyration, stirring Aiden's throbbing cock inside her like a wooden spoon swirling through a bowl of warm, wet cookie batter. With each movement, more slimy cum bubbled out of his quivering piss-tip, adding to the already slippery mess between their bodies.

"Mmm, now you can roll me onto my back and fuck me like an animal, good and hard," said Linda.

Aiden, not one to argue with a woman in the heat of passion, obeyed Linda's command without hesitation. With a few well-placed heaves of his powerful arms, he flipped Linda onto her back and slid back into her snug confines.

Linda let out a low, pulsating moan that would have made any man's knees buckle. Her humongous breasts, like two lush pillows, heaved with each of Aiden's deft thrusts.

She reached up and grabbed the back of Aiden's neck, pulling him down for a pulsating kiss. Her tongue delved into his mouth, exploring every crevice and corner, mimicking the way Aiden's cock was exploring the depths of her now-drenched pussy.

Their lips parted, and Linda's breath came out in soft, pleading moans. "Harder, Aiden. Take me harder."

Aiden, eager to please, thrust into her with renewed fervor. The sound of their bodies slapping together echoed in the room, mixing with their gasps and whimpers.

Every time Aiden thrust into her slick pussy, he could feel the spasmodic clenching of her muscles around him. It was a

delicious sensation, driving him to push deeper and harder. As he pulled out slowly, his eyes fixed on his cock as it emerged from Linda's glistening depths.

"Faster, darling!" Linda cried out, her voice filled with need. She wrapped her smooth, powerful legs tightly around his waist, grinding against him like a wild animal in heat. The swollen head of his cock pressed against her sensitive clit, sending electric shocks through her body.

"I'm gonna cum again!" she mewled. "Fuck me harder, Aiden!" Her words were punctuated by sharp gasps and moans as she surrendered to the pleasure coursing through her. With each thrust, she urged him on, lost in the intensity of their lovemaking.

Aiden savored the tight, wet warmth surrounding his cock as he thrust it deeper into his big-titted Gran's pussy. With each plunge of his hips, he filled her to the hilt and then withdrew, only to thrust back in with a steady, relentless rhythm. Her moans and cries of pleasure spurred him on, and he couldn't resist the urge to go harder, to fuck her with every inch of his hot, huge cock.

"Harder!" Linda begged, her body writhing beneath him as she approached another mind-blowing orgasm. Her strong, curvy limbs clung tightly to the teen, creating a knot of flesh that jerked around wildly, rocking the bed in a feverish fuck.

Aiden's cock throbbed at the thought of giving her such immense pleasure. She dug her fingernails into his back, pulling him closer, desperate for more of him inside her slick

cunt. "Fuck me, darling! My cunt's creaming for you! Fuck the shit out of me with that huge fucking prick!"

Aiden spread his knees between her spread-eagled thighs, changing the angle at which he speared into her gurgling depths. He began to fuck her even harder, driving deep into her with brutal force. The bed creaked and groaned beneath them as they eagerly fucked, their bodies slapping together in a sweaty frenzy.

Linda's head tossed and turned on the pillow, her face twisted in pure ecstasy as she neared the peak of pleasure from his stabbing cock.

"Oh, Aiden," she moaned breathlessly, her body writhing with desire. "Take me, fuck me, fuck me!"

With each thrust of his hips, the sound of their skin slapping together filled the room. Her rounded ass bounced and jiggled as she ground herself onto him, her slick and swollen pussy eagerly taking in every inch of his throbbing cock.

Her nipples stood at attention, hard and sensitive atop her heaving tits. As she felt the heat building inside her, she couldn't help but cry out in pleasure. "Harder, darling! Harder!" She encouraged him, her voice becoming more urgent and primal. "I'M GONNA FUCKING CUM! CUUUMMMIINNNGGGG!!"

And then it hit her like a wave crashing down on the shore. Linda's body spasmed and quivered as she reached her climax, her tight walls clenching around his shaft with each delicious spasm.

Aiden groaned and continued to thrust into her, feeling the pressure building in his own balls.

Finally, with one last powerful thrust, he erupted inside her. His hot seed flooded her velvet walls as he collapsed onto her trembling form. They both lay there for a moment, breathing heavily and basking in the afterglow of their intense lovemaking.

Aubrey joined them, mashing Aiden between their soft, fatty tits. For the next hour the two women kissed and caressed his young body while he sucked and chewed on their soft flesh. His mouth traveled every inch of their bodies, from their puffy nipples to their damp folds, tasting their salty sweet juices. His hands explored their engorged clits, rubbing them back and forth until both women cried out in pure ecstasy.

As they lay there, sweaty and spent, Linda reached out and traced a finger down Aiden's cheek. "You're the best fuck I've ever had, Aiden," she whispered, her voice choked with emotion.

Aubrey couldn't help but chime in. "I agree. I can't imagine cheating on your father with anyone else."

She winked at Linda and their eyes twinkled with mischief. They were both cheating on their husband with Aiden, and they couldn't get enough of him.

As Samuel answered the video call, his eyes widened in shock at the unexpected sight before him. His mother sat on the edge

of his marital bed, her naked body illuminated by the soft glow of the laptop screen. A few feet away, Aiden and Aubrey were entwined in a passionate fuck-frenzy, their bodies contorted and slick with sweat. Aiden's powerful thrusts rocked them back and forth, causing Audrey's giant breasts to bounce and jiggle between them, their creamy flesh flushed and glistening.

"Mother...why are you so close to them...and why are you naked?" Sam's voice trembled with disbelief as he struggled to comprehend the scene unfolding before him.

"I'll explain in a few minutes, darling. They're both about to cum so hard, and I don't want to disturb their connection right now."

With a subtle shift of the camera, Linda captured the intense close-up view of Aiden's raging cock pounding into Aubrey's slick, swollen pussy. The sound of their passionate moans and grunts filled the room as they moved in a frenzied rhythm, their bodies pressed together in a primal dance.

Samuel watched, unable to tear his eyes away from the raw, carnal display before him.

Aiden's hairless balls slapped loudly against the crinkled ring of Aubrey's asshole with each forceful thrust, sending shivers of pleasure through her body. Each time his glistening shaft emerged from within her, it was coated with their combined juices, shimmering in the soft light of the room.

Sam could feel the tension building between them as they neared their mutual climax. Their heavy breathing and urgent movements were like a symphony of desire, reaching its crescendo as they came together in a wild explosion of passion.

“Look at how hard she's cumming, darling,” gasped Linda, capturing every detail with her phone.

Sam's eyes were fixed on the intense sight before him. Aiden's muscles tensed and his balls pulled tightly against his body, a sure sign of impending release. With each mighty thrust, Sam could see the powerful flexing of Aiden's cock-muscle, driving deeper and deeper into Aubrey's insatiable pussy. Her moans and screams echoed through the room, a clear indication that she was experiencing pure bliss.

The sheer force of Aiden's pummeling thrusts must have been mind-bending for her as she writhed beneath him, her body trembling with pleasure as she came on his steely erection.

Sam couldn't help but feel a surge of arousal as he watched his wife being taken to new heights of ecstasy by Aiden's virile penis.

Linda then stood up with her phone and stepped out into the hallway. She held it at waist level, making sure her military son could see her gigantic, jutting tits. “In answer to your question, the reason I'm naked is because I'm fucking Aiden now too,” she confessed.

“You're what?!” Sam asked, his heart sinking even deeper.

“Before you begin chastising me, hear out my reasoning for doing this.”

“I’m listening,” said Sam.

“My intention is to save your marriage by luring Aiden away from Audrey. By letting him fuck me as hard and as often as he wants, I’ll be drawing his attention away from your wife. This will free Audrey up to fuck you again. The end goal is to restore your marital sex life, Samuel.”

Sam frowned, his disbelief and disgust shone through his voice. “You’re telling me you’re basically cheating on Dad with my son to save my sex life?”

Linda nodded, her eyes wide and determined. “Exactly. I know it sounds crazy, but I’ve been thinking about this for a while. I want us all to be happy, and I think this plan can help us find that happiness again.”

Sam took a deep breath, trying to process what he was hearing. “Mother, Aubrey shouldn’t be sleeping with Sam and neither should you.”

Linda’s eyes narrowed, her frustration evident. “Samual, I’m doing this to help you. A little understanding and appreciation would be greatly appreciated.”

Sam nodded hesitantly. “I understand that you’re trying to help, but...I don’t know, it just feels so wrong.”

“Well, you’re going to have to get over that feeling,” Linda said firmly. “Because the alternative is a stagnant, unfulfilling sex

life with a wife who's basically cuckolding you. And I don't think any of us want that."

Sam took another deep breath, trying to wrap his head around the situation. He could see the sincerity in his mother's eyes, and he trusted her judgment. After a moment of consideration, he finally continued speaking. "Okay, I'll play along. But we need to keep this plan a secret from Dad."

Linda nodded in agreement. "Of course. We don't want to cause any unnecessary tension or jealousy. But we must all trust each other and stick to our roles for this to work."

With that settled, Sam watched as Linda stepped back into the room, her nude body catching the attention of both Aiden and Aubrey. They didn't seem to mind her presence; in fact, it seemed to drive them on even more.

Linda's eyes locked onto Aiden's fiery, hard cock as it slid in and out of Aubrey's wet pussy, her own pussy dripping with desire.

"Would you like a ride?" Aubrey asked Linda, her boob wobbling heavily as she crawled off her boy.

"Mmm, looks like it's my turn," Linda said to Sam, her voice thick with desire.

Sam watched as his own mother, the one he had lusted after when he was younger, mounted his son's throbbing cock. Her movements were slow and sensual as she positioned herself over him, her eyes locked onto his in a heated gaze.

She pointed the camera down to capture the sight of her ballooning tits pressed against Aiden's chest. Sam could see the sheer pleasure on Aiden's face as his cock slid into another woman's hot and mature pussy.

Linda turned the phone to her face and smiled slyly, her cheeks flushed from the intense sensations coursing through her body. "I hope you are appreciative, Samuel, because this is the length a mother will go to help her son," she purred, her voice husky with lust. "Don't worry about a thing, darling. I'll make everything in your marriage better."

With that, she set the phone aside on the mattress and Sam had a perfect view of her curvaceous body as Linda began riding Aiden's cock with skill and fervor, their bodies moving together in perfect synchronization. Sweat glistened on their skin as they reached new heights of ecstasy, and Sam couldn't help but imagine that he was Aiden, a young boy again, enjoying the pleasures that his mother's body could provide.

THE END
