Well, well. I see you have made it this far! Then I guess you're ready for..

Mr.
Roachcock's
Bug Zapper

Mandy likes her new studio apartment. It's clean, spacious and very bright. The only thing she doesn't like is her eccentric new landlord, Mr. Albert Roachcock. Today he's giving her the keys.

He's also giving her the Bug Zapper, a bug repellent spray that he made himself.

Thanks.

Just incase.

Mandy starts planning in
her head where her
furniture will go.

Where
do I begin?

But then, she feels something scratching her right boot. She looks down and finds a roach standing on its rear coxas.

**Hey watch
where you're
stepping, doll!**

Disgusting!

**Oh
my thorax!**

Mandy sprays the roach with Mr. Roachcock's Bug Zapper, making sure that it stays dead.

**Not
in my new
apartment! You
die now!**

But it isn't dead. In fact, it's beginning to feel very much alive!

**What
- what is happening
to me?**

Nice ass!

The roach begins to increase in size.

www.erofus.com, then it triples
and then it triples its triple size.

Well hello.

What the fuck!

**To her horror, it is exactly what
she fears. The coach is indeed
speaking to her and it is huge.**

Without wasting any time, it begins investigating Mandy's tight, beautiful body.

What have we here?

Lovely.

**My
goodness me!
What a lovely pair
of tits indeed!**

The roach holds its ungues to her neck, threatening her not to yell for help.

Don't even think about calling for help! You and I are going to have us a roachin' good time. Heh, heh, heh.

After ripping off Mandy's top, the huge roach monster emits a pheromone that acts as a powerful aphrodisiac, causing Mandy to shut down all her rational thinking and elevate her sexual desires.

**Good.
Very good.**

Your tits look so yummy.

**The roach tears off Mandy's Jeans.
She is now fully intoxicated with lust.**

What is
happenning
to me?

Oh, me
so horny.

A woman with brown hair, wearing black high-heeled boots and black stockings, is embracing a large, detailed black beetle. The beetle is standing on a wooden floor and has its front legs raised towards the woman's neck. The scene is set in a room with a white wall and a wooden floor. A speech bubble is positioned above the woman's head.

**Yes!
Take me!**

Take me
now!

**Mandy without being given instructions,
falls down to her knees and starts
servicing her lover's love shaft.**

**Well, well,
well. Look who's
licking my cock.
That's right! No
more stepping on
poor defenseless
little roaches.
No, no, no!**

**Damn!
He tastes
so good.**

Now this is how it's done!

www.erofus.com
The roach has enough of Mandy's pathetic lick job. Quickly, he scoops her up and starts some licking of his own.

**Wow. His
tongue feels
so fucking
amazing!**

**Mandy slides her pussy down
the roach's cock and starts
fucking it reverse cowgirl style.**

You like that?
SHUT THE FUCK UP!

Oh yes I do!

The roach enjoys the cowgirl very much, but now it decides to fuck her from behind.

Mandy cannot believe how good it feels to be rammed by this monster's hard cock. She feels so owned right now.

**Oh yes!
Fuck me!
Fuck me!**

How about
a little
missionary?

**Whatever!
Just fuck me!**

Roach
me.

Oh yes!

ROACH ME!

**OH
YEAH!**

Mandy's whole body shutters

with ecstasy.

**Roach me!
Roach me!
PLEASE FUCKIN'
ROACH ME!**

**YEAH
BABY!
YEAH!**

**Mandy gazes into her lover's eyes.
It is by far her best orgasm yet.**

**After the
intense
orgasm
from the
new lovers,
a new friend
decides
to come
out and
say hello.**

What's
goin' on
here?

Mandy has an idea.

Well I hope you enjoyed the show. Until next time friends. Good Night or shall I say
Good Blue Night.
