I met a cute
slime girl in a
park that night.

I thought she was some kind of monster, still, I offered her a shelter.

She happily agreed and we lived together since then.

A slime in your house.
Can I consider lucky?

And she even has
shapeshifting abilities!
Can you believe that!?

She also serve me with some "tricks"! Thank you God for this gift!!

"Hm.. A life that I can enjoy."

A young girl with short, light-colored hair is lying in bed, looking surprised. She is wearing a white shirt and is partially covered by a white blanket. Her eyes are wide open, and her mouth is slightly agape. The background shows a dark doorway and a light-colored wall.

"W-What is she..
doing over there?"

H-Hey.. Are you exercising?

Ah yes. This is called "Yoga" on television.

I think you should
work out sometimes.
Better for your health.

Hah.. Feels
so hot and
hungry, too.

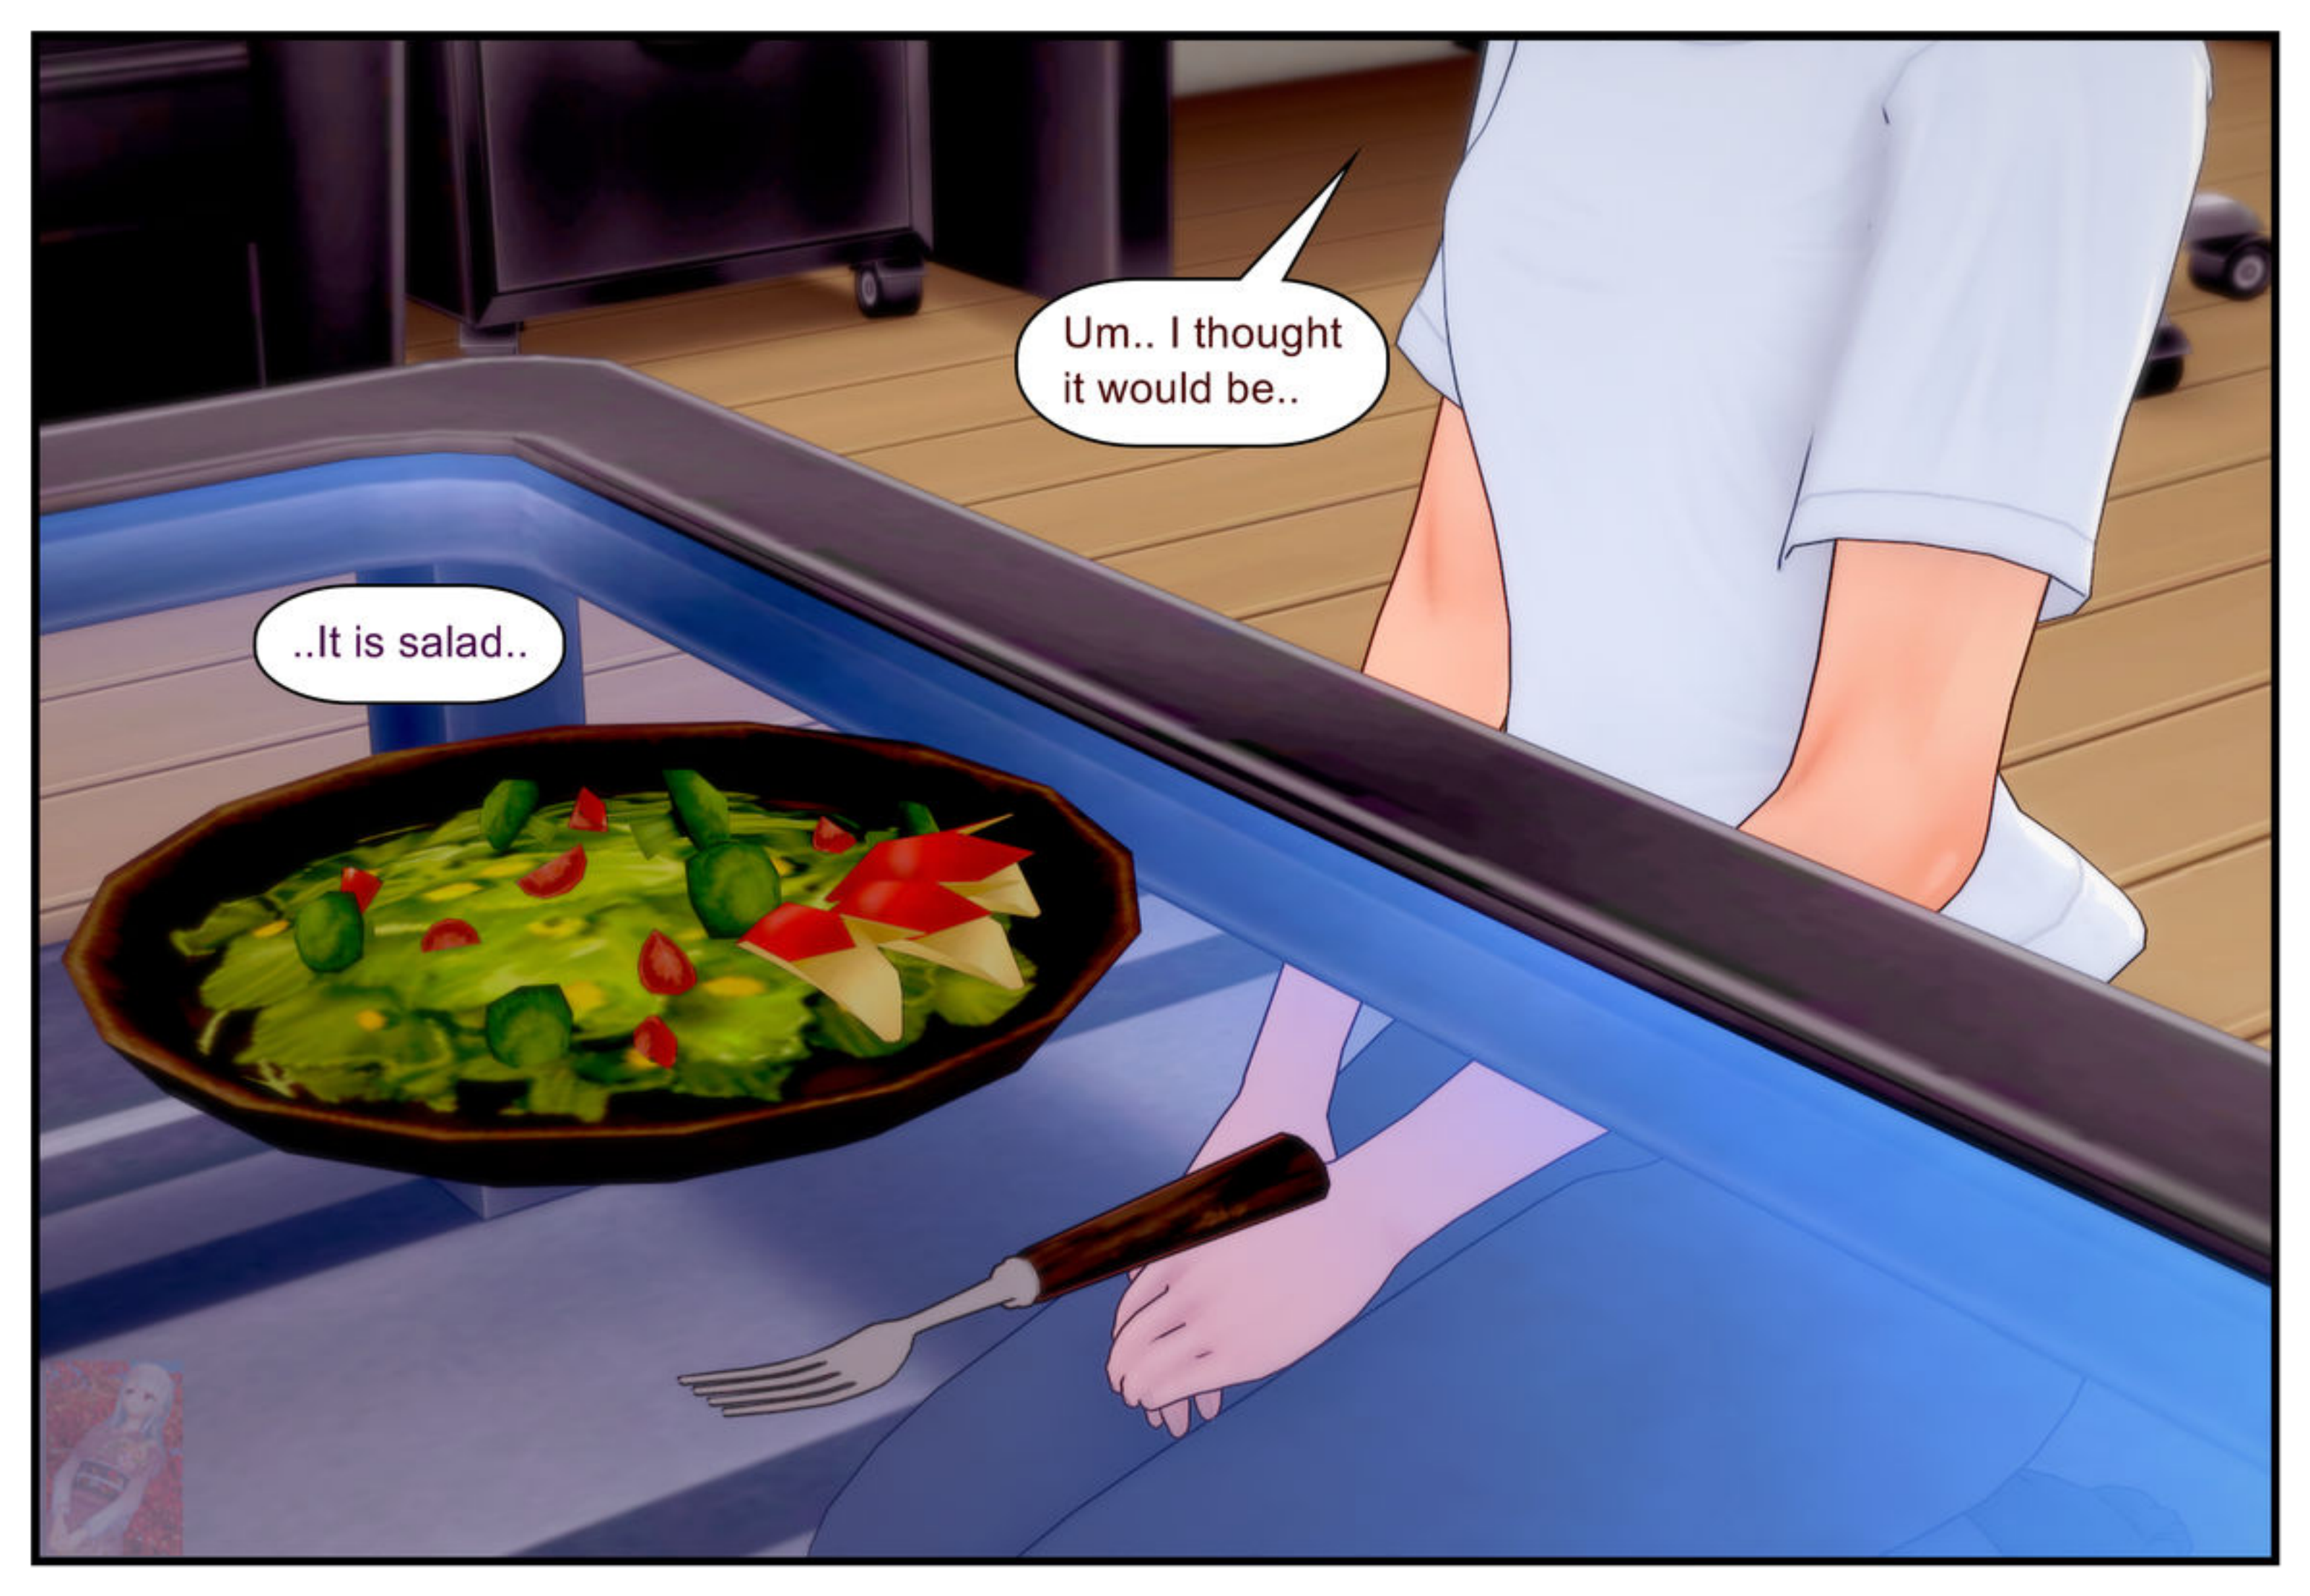

Alright! You hungry? Let me cook for you!

Yeah, I could eat something.

Very well. I will serve you the most nutrition dishes ever..

A person wearing a white uniform is holding a blue tray. On the tray is a dark brown bowl filled with a green salad, topped with sliced cucumbers, cherry tomatoes, and cheese. The person's hands are visible at the bottom of the frame, holding a silver fork with a dark handle. The background shows a wooden floor and a dark cabinet on wheels.

Um.. I thought
it would be..

..It is salad..

..hamburg or..
beefsteak.. Uh..
Are you okay?

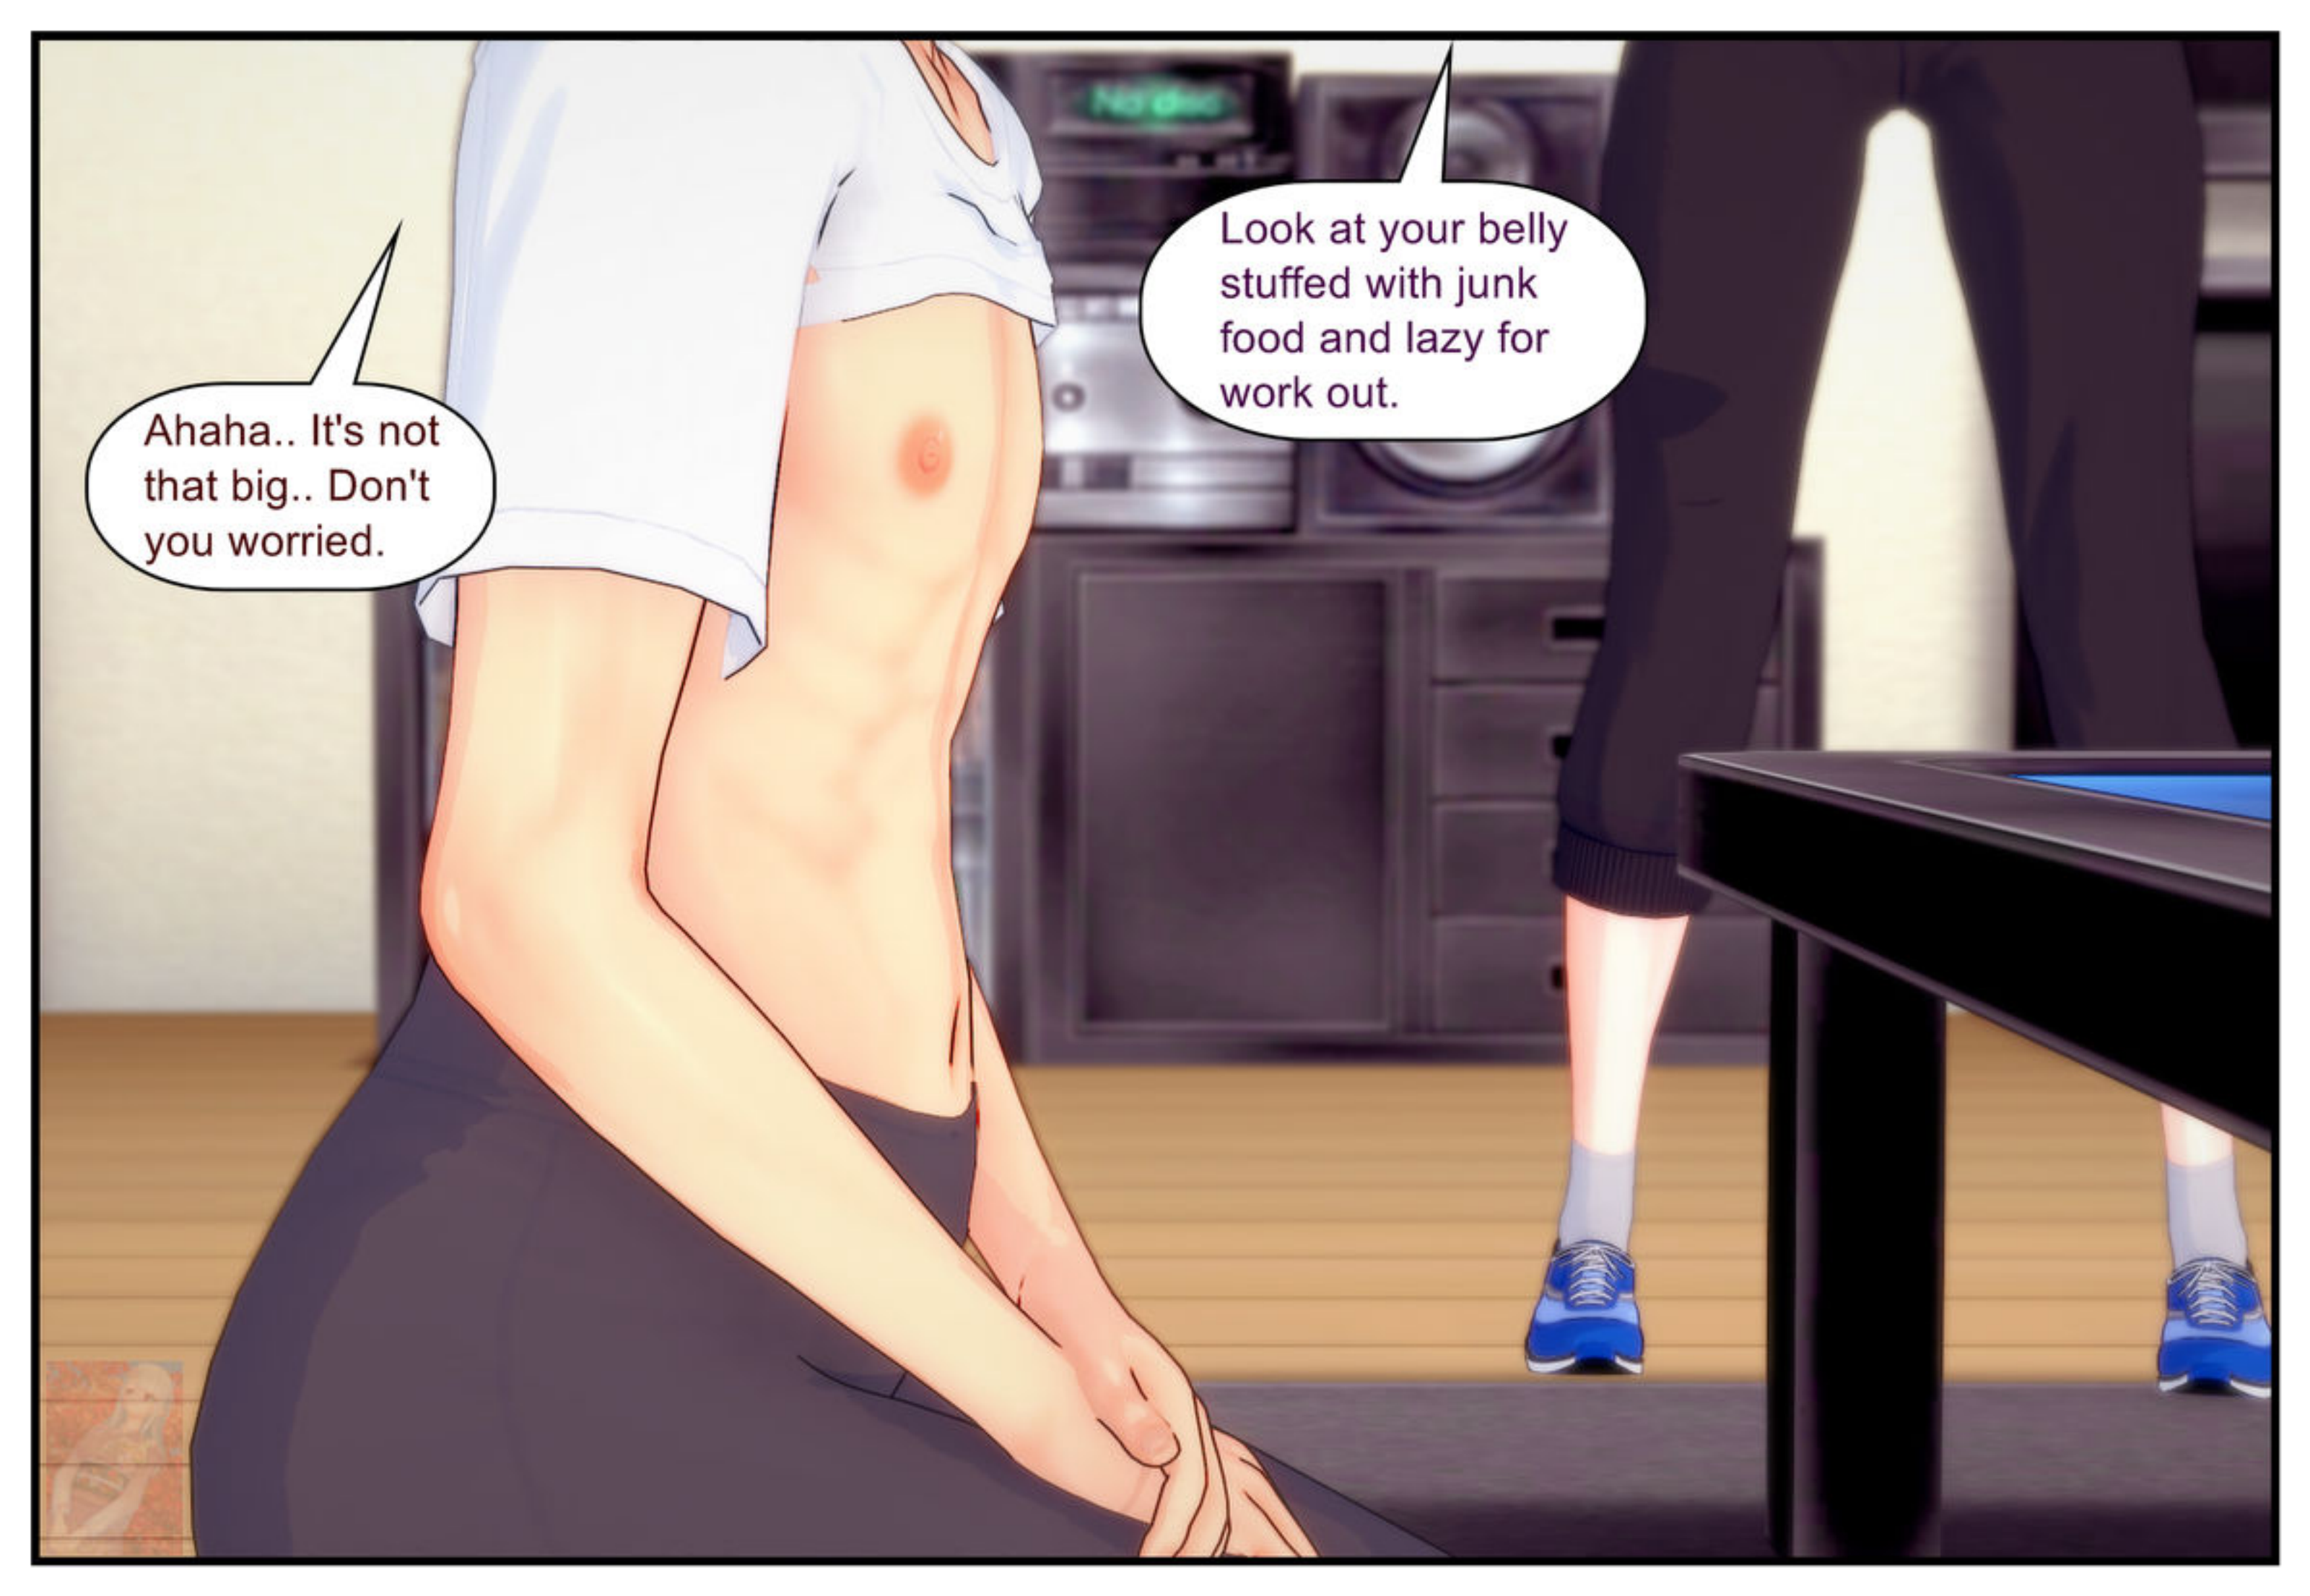

No disc

We have lived for
a week and I noticed
your daily behavior.

Ahaha.. It's not that big.. Don't you worried.

Look at your belly stuffed with junk food and lazy for work out.

Hm.. If you keep this up, I would leave you..

F-Fine! Let me
go to the gym
and eat more
healthy!

Great! I will show you what I learnt on the TV at there!

Oh and remember this. If you want a perfect shape, you should look at your own body health.

Eat healthy, provide enough water and exercise more, okay?

Hey, nice body shape you got there, girl.

Are you.. talking about me?

Yes, you have one of the fitness.

And I can provide you some "special training." How is that, hm?

S-Sorry.. She's here with me.

Oh, right. Girl, call me if you changes your mind.

"Ugh.. What with that man?"

"Heh.. A
lucky guy."

Okay. Let's stretch our body first.

"From a lover to a trainer.."

After finished
warm-up..

Next, I will show
you a move that
can help your
body better.

"I wonder if
she.. doing
alright. But look
at those breast!"

You are doing the wrong way of burpee, girl.

That's not simple burpee, but the hardest one. Here, let me show you.

First, hands flat, back straight. Shift weight into your hand for pressure.

And jump forward!

Land in a flank position then keep up the core.

"Wow.. Just look at that thighs."

You can add a push-up if you want challenging.

"Breast..
Thights.."

Also, be careful not
to let back sag or butt
stick up the air. It
can prevent your
continuation.

T-Thanks.. I
get it.

"*Sigh* Look like someone not paying attention."

Uhm.. Excuse me.. m-miss?

PRETTY BEAST

The head is large, but the eyes and pins are small and the jaws are small.
Many species have weak eyesight, but their sense of smell is strong.
The jaw is well developed. The incisors are not specialized, the canines are long, the

Ah yes, please
call me Keiko.

you can help me
in training?

As a gym trainer,
