

Rustle

Put it on
I'm doing this to my sister-in-law Rebecca…

Rebecca is a warm and motherly figure, but now everything's changed…

How did it come to this?
I need to explain this from the beginning.

My name's David.
I'm a run-of-the-mill 18-year-old high school student.
My parents divorced when I was young.
Since their divorce,
I've been living with my older brother.
He raised me single-handedly.
He's a lot older than me, successful, and married to a beautiful wife.
His wife is Rebecca.

In recent years, because of work,
my brother's been away on business trips a lot,
leaving me and my sister-in-law alone at home.
I feel bad for him, but at the same time,
I treasure these happy days of
living with my gorgeous sister-in-law.
Part of me even hopes this life could go on forever…

Ever since I hit puberty,
my eyes have been glued to her.
Even though she dresses simply,
it's impossible to hide her killer figure.
Not only that, she has a sweet face,
gentle voice, and mature feminine charm.
She's so much hotter than
those immature schoolgirls!

Since puberty began,
I knew there was a line that should not be crossed,
but deep down, I've secretly adored her.
I crave to see and know everything about her.
Rebecca is my ideal type.
I jack off while thinking about her countless nights!

I don't know when it started,
but after sneaking peeks at her changing,
I'd pick up the panties she'd just taken off and jerked off
while savoring her most intimate scent.
Imagining I'm right next to her dripping pussy,
smelling her rich body aroma,
and I climax again and again, unable to stop myself…

Well....

Ohhh… Today's scent is as rich
and intoxicating as ever!
It's so addictive!
Just sniffing it gives me
goosebumps all over my body.
I'm so turned on!

My sister-in-law…
The beautiful and sexy Rebecca…
I will do anything to take off
her panties with my own hands.
Ohhh! Just thinking about it
gets me turned on again!

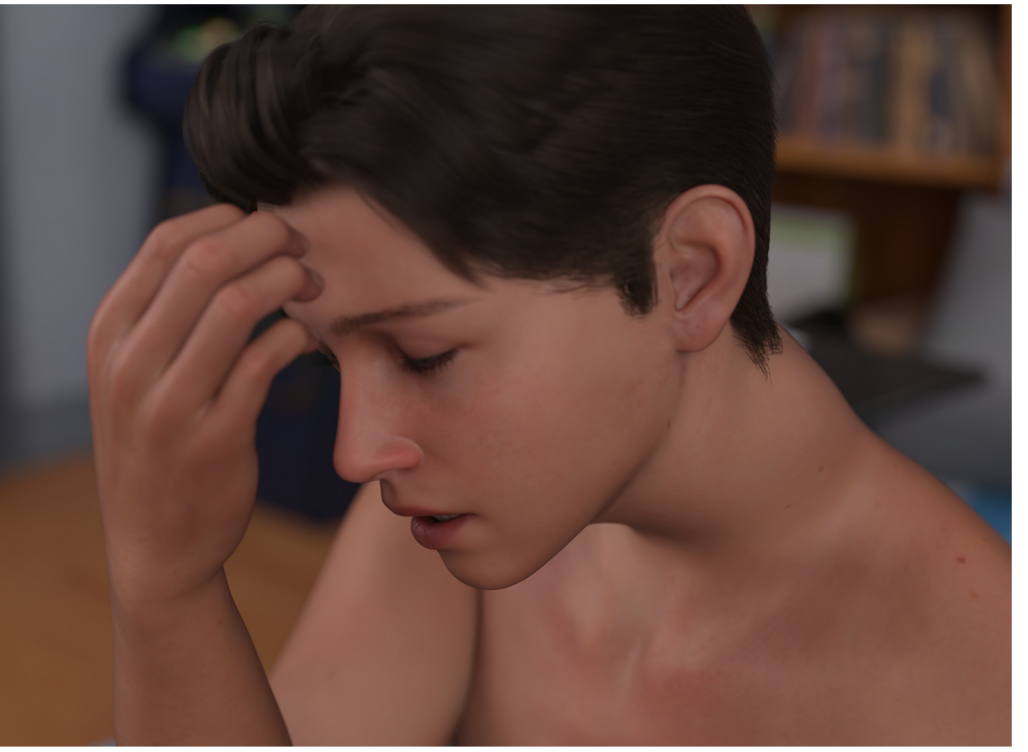

Hehe, greedy human!
Let me make your
dream come true!

Chosen mortal,
standing before you is
the legendary “Witch of Lust”.
My name is Lunetta Lucianna de Amor.
But you can just call me Lulu!
Now, sign the contract with me!
I’ll help you build a magnificent harem,
and together, we’ll create endless glory!

A beautiful woman floating in the air…
Wait! What? Did you get the wrong guy?
I'm just an ordinary high schooler!
What Harem? I never had that crazy idea.
Are you using some magic gadgets to trick me?

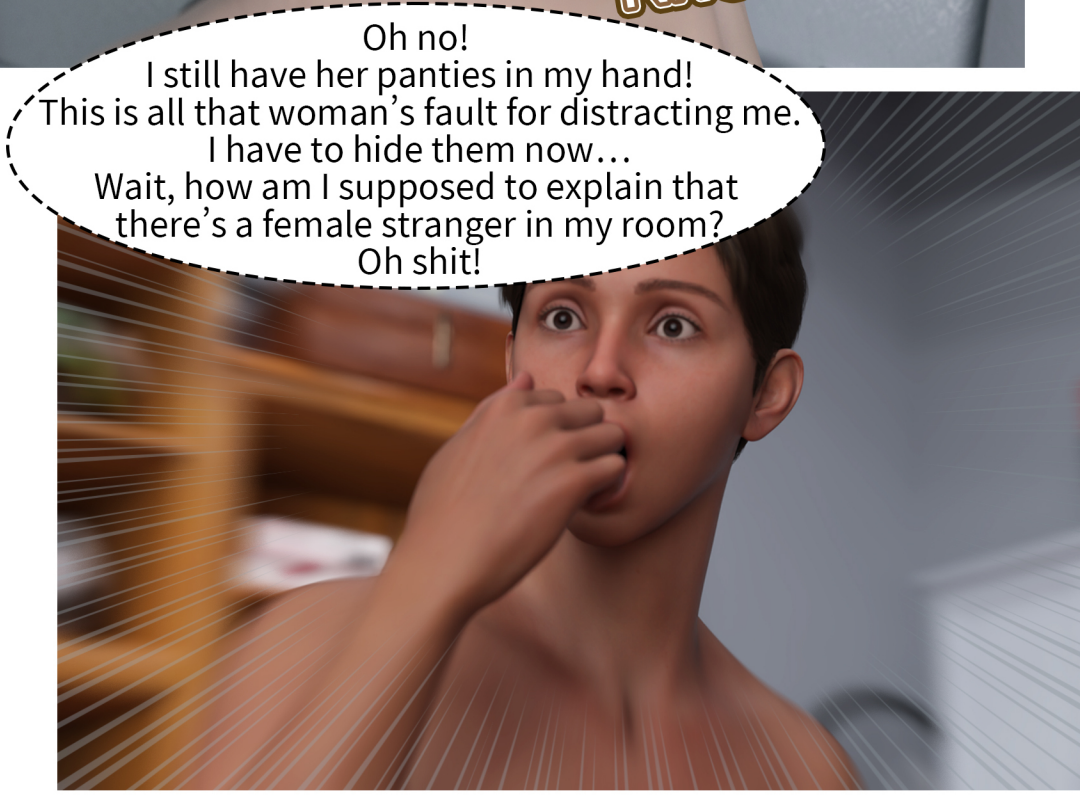

Wrong person?
Your name's David, human age 18, right?
Your favorite food is fries.
Your favorite person is your sister-in-law Rebecca
Your hobby is stealing her panties
and jerking off…

Okay, okay! Stop! It's so embarrassing!
If you can read minds, just say it!
Witch of Lust, huh? Fine, I believe you.
But please, at least explain
why you want to help me to have a harem!

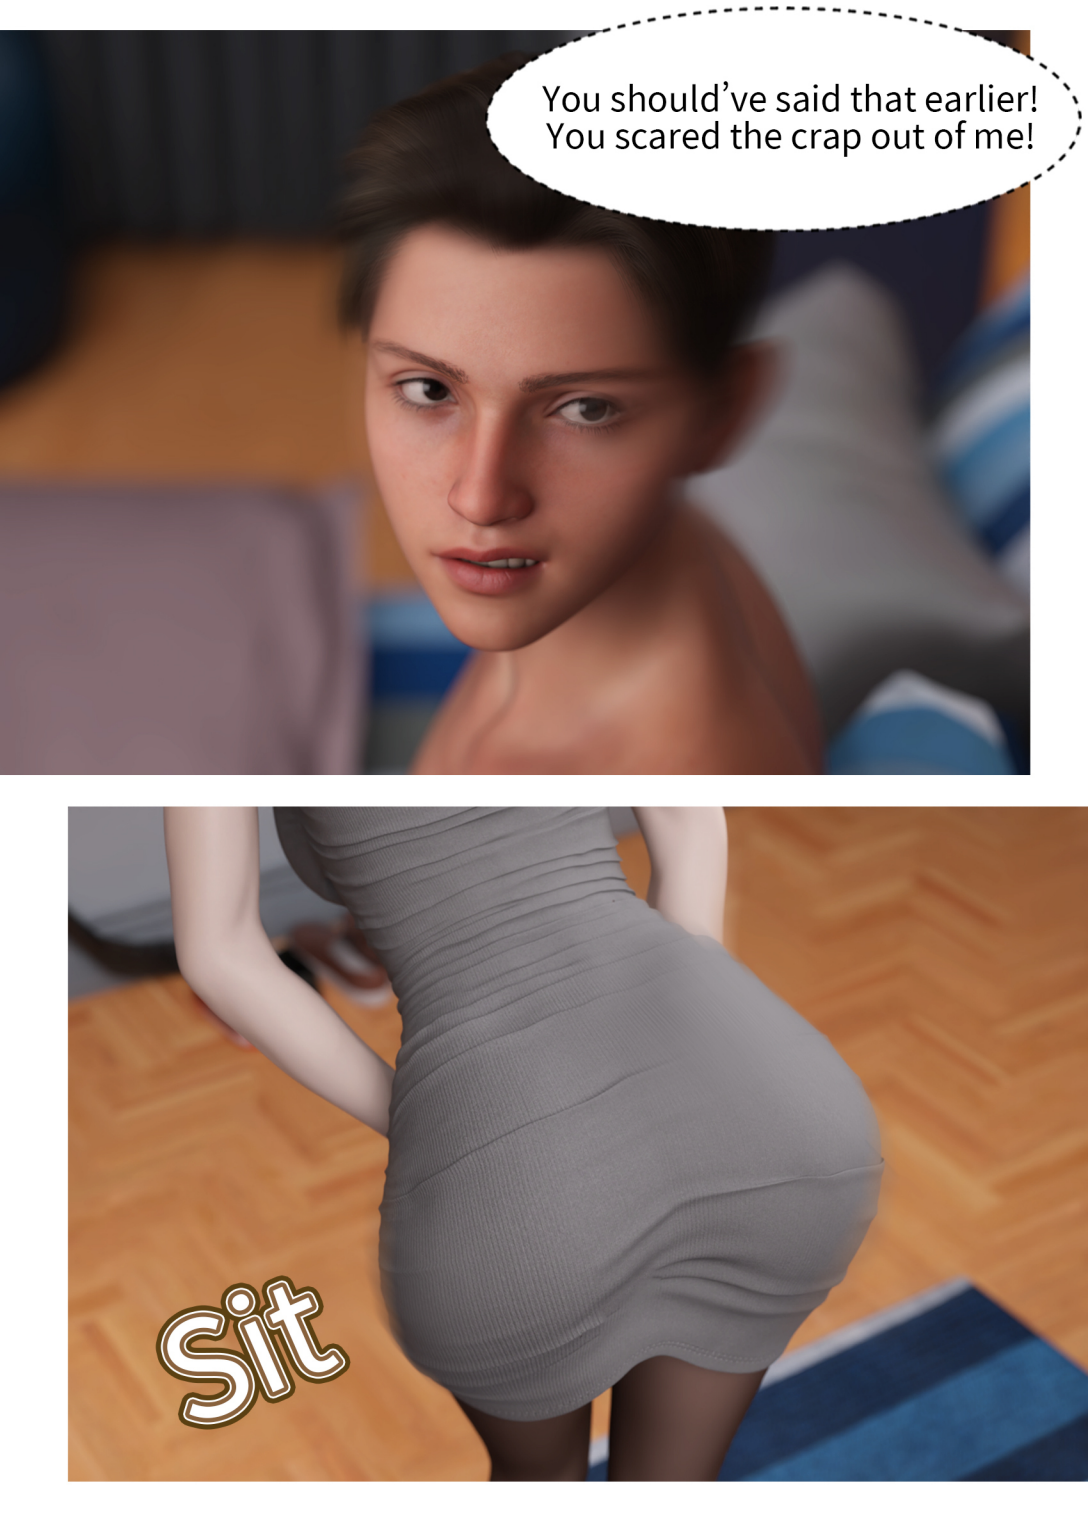

Based on my understanding of humans,
explaining is less efficient than experiencing.
Perfect timing. She's here!
Why don't you hear
what Rebecca has to say first?

David?
I need to talk to you.
Can I come in?
Knock knock

Oh no!
I still have her panties in my hand!
This is all that woman's fault for distracting me.
I have to hide them now…
Wait, how am I supposed to explain that
there's a female stranger in my room?
Oh shit!

I'm coming in… huh? David, were you just talking to someone?
Open

Hahaha…Well.
How should I say this?
Don’t worry.
Under normal circumstances,
humans can’t see or hear me
unless I want to show myself!

You should've said that earlier!
You scared the crap out of me!
Sit

David, I need to talk to you.
After you hear this,
please don't blame me.

Wow… Seeing Rebecca up close,
she looks even more beautiful!
She seems upset, but that fragile and pitiful look
makes me want to cherish her even more.

Listen. We…
We might lose this house.
It's all my fault.
I've let you down…

What?! What's going on, Rebecca?
Why are you saying this all of a sudden?
If there's anything I can do,
just tell me…Don't cry!

Heh heh heh!
Do you want to help your sister-in-law?
If you do, then sign a contract with me!
Once you do, I, Lunetta Lucianna de Amor,
will grant you the power
to turn everything around.
You'll become the harem lord
of this era!

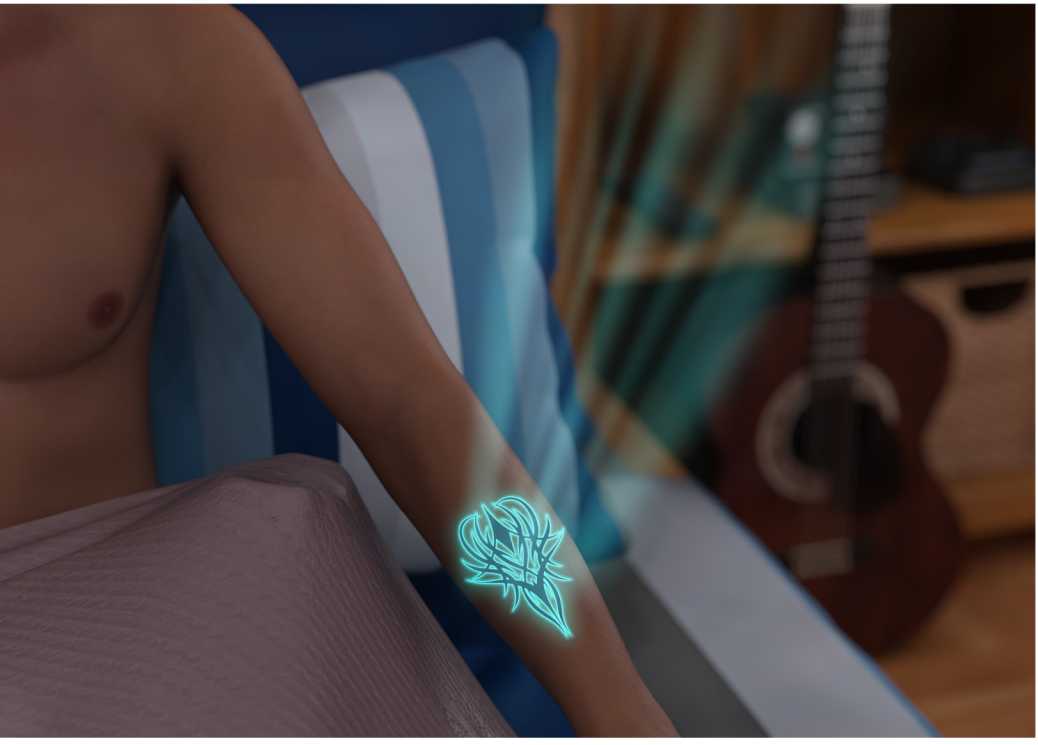

That’s enough!
You’re just some horny chick obsessed with harems!
For me, nothing matters more than my sister-in-law!
I’ll do anything to make her happy. Get it?

David… I don’t understand who you’re talking to, but I share your feelings. Thank you…
Hold

My sister-in-law is holding my hand,
and she's so close!
I can almost smell her scent…
Oh shit! I just used this hand to jerk off
while fantasizing about her!
I'm such a disgusting creep!

Humans always fuss over irrelevant details.
You are such an interesting human!
Very well! In the name of the “Witch of Lust,”
I sign a contract with you.
I hereby grant you extraordinary power, David!
Those you touch will fall at your feet.
Be the destined supreme ruler of the harem!

What…
What's
happening?

Ugh…
Why do I suddenly
feel dizzy…

Whoa! Be careful!
Rebecca, are you okay?

Waaah!
Rebecca's body
is deflating like
a popped balloon!
Rebecca!

It’s you!
That whole harem contract thing is a lie!
Tell me! What did you do to her?!
I don’t care if you are a witch or not.
If anything happens to Rebecca, I’ll kill you!

Hehehe!
If you want to know the answer, put on the skin suit in your hands!
I have high expectations for you, young human!
Hey!
Who said you could just vanish like that?!
Get back here!

To check what's happened
to Rebecca's body,
I have no choice but to strip her naked.
I feel guilty about it…

She told me to put this thing on,
but where did it even come from?
Am I supposed to believe that
my sister-in-law turned into a skin suit?
And what happened to Rebecca
to make her so upset?
I'm so worried. What should I do?

However, this skin suit looks so much like her,
especially those soft and delicate lips…
If I follow the witch's instructions and put it on,
will Rebecca really go back to normal?

So I slip in from the back here, right?
The opening on this skin suit is huge.
It's like Rebecca's naked back is calling me
to slide my body in and fill it up…

There’s no other choice.
This is all to save Rebecca!
扔
Let’s try slipping one foot in first…

I didn’t expect
the inside of the skin suit to be so warm.
Is this the lingering heat from Rebecca’s body?
As my toes slowly slide in,
it feels like I’m rubbing against her body.
This is pure bliss!

What? After putting it on, not only did the hair on my legs disappear, but my skin tone and condition changed, becoming as smooth and fair as hers! And it feels just like my own legs. Is this some kind of cutting-edge tech?

Mmm…
I can feel her thighs clinging to my legs. So warm!
Wait, are women's butts always this heavy?
Or is it just because Rebecca has such sweet ass?
Heh heh! Getting to openly watch her ass
is such a thrill!

Oops! My cock got stuck!
Right, a woman's body
doesn't have a place for this…
Ahh…
My dick is being sucked
into her skin!
Her lower body feels
so warm and comfy!

It’s gone!
My lower half actually looks like hers now.
It’s the view I’ve dreamed of forever!
Just thinking about my penis
inside her body makes me so excited!

No! This isn't the time to mess around! Rebecca is still waiting for me to save her!
Open

Ugh… Her upper body is more sensitive.
The tingling from the skin suit rubbing against my body is even stronger now.
The feeling from my fingertips is so tight.
Rebecca is so gorgeous!

Her smoking-hot figure is so incredible!
I've snuck peeks at her naked body tons of times, but seeing it up close like this is a first!
I'm taking advantage of her, but how many high schoolers get a perk like this?
Heh heh heh!

Rebecca, don’t worry!
I’ll get you out of this soon!
Just hang on.
I’ll be careful and not hurt you!

Alright,
the face is starting to fit.
Just adjust it a little more.

Huh?
My voice is as gentle as Rebecca's!
I actually turn into another person.
This is amazing!
Wait, hold on.
If I've turned into Rebecca,
what happened to her?
Shouldn't she be back to normal
by now?

Waaah!
The opening on the back is almost sealed up!
Will I even be able to take this off later?
Healing

What should I do? What should I do?
Doesn't this mean I take over Rebecca's body?
If someone finds out, how can I explain this?
How do I bring Rebecca back?

Hold on. If I'm wearing her skin
and I've become her,
then her body is my body now.
So…does that mean I can do
whatever I want with it?

Like, say, squeezing these big tits hard… Ahhh! It feels so strong!
Or caressing her private parts… Wow…

This feels amazing!
What is this sensation?
It's like a switch flipped on inside me.
Ha ah! My whole body's heating up,
and all I do is touch it!

Ahhh… How can it feel this great?
Leaving your wife alone for so long.
Bro, that's not cool.
It’s a shame to let such a sexy
and sensitive body wait.
I’ll help her release all her pent-up lust!

Thrust
Ohhh…It's in!
My fingers just slipped
into her vagina!

Ugh! Is…
Is this a married woman's pussy?
My fingers feel being sucked in
by Rebecca's pussy.
It's so tight… Ohhh!
It's so nice!

I've fantasized about
Rebecca's tits countless times,
but I never thought one day I could feel them up.
They're even softer than I imagined!
I'm over the moon!
It's so unreal, like I'm dreaming!

Deep down, I know it’s wrong to feel up my sister-in-law’s body, but the pleasure of masturbating a woman's pussy is too intense. No matter how much I thrust, it’s not enough. I can’t stop!
Thrust

Ahhh… What's that?
Something's coming…
Pull out

Squirt
I'm cumming! Ahhhhh!

So much love juice….
Ugh! Why's my head suddenly all fuzzy?
Are these… Rebecca's memories?!

It's the landlord.
Why?
As Rebecca's memories flood into my mind,
I uncover the secret she's been hiding for years.
I see how the landlord,
who's always been so kind and friendly to me,
rape and blackmail her again and again
because her husband being away.
When she resisted, he even threatened
to kick us out of this place!

You filthy old pervert!
How dare you treat Rebecca
like a sex slave! Even I haven't....
Hmph! I'll teach you a lesson!

The next morning

Hey, Mr. Landlord,
you got here quick!
Did you rush over here the second
you got my message?

Heh heh heh! I'm a landlord.
Of course, I prioritize my tenants' needs!
Since we live so close,
if something comes up, just give me a call.
It's good to look out for each other!

So, since we're alone here, I assume you've finally decided to accept me, right?
Just be mine. I will treat you well, Rebecca…

Dude, let me be clear! I'm a married woman!
Don't think you can fool me that easily.
If you don't want your reputation ruined,
keep your dirty hands off me. Get it?

You fat pig!
How dare you call Rebecca
like that?

Rebecca, you…
Since when did you get so feisty?
It's like you're a completely
different person…

Hmph,
now the landlord will know
my sister-in-law isn't a pushover.
She's way out of your league.
Give it up already!
Mmm… Nice!
This unexpected feisty
gets me more turned on!
Snicker

What? What's wrong with him?
Damn it! I can't break free!
Why's this old guy so strong?!

Lick
I get it. Rebecca, baby.
Deep down, you're starving for it, aren't you?
Stop playing hard-to-get with me.
This time, I'll make sure you're satisfied!

Don’t you dare touch Rebecca
with that nasty mouth!
Ewww! This pig’s using his weight
to pin me down, and I can’t move!
What should I do?
My body’s getting hotter.

You were all tough talk just a second ago, but now you've got that familiar look again!
Do you want me to touch here?
Grab

Ahhh!

You monster!
He's grabbing a woman's tits this roughly!
But… ahh… This feels so different from rubbing them myself. It's too intense!

Ahhh!

But… Now's not the time to savor your stocking legs.
I can't wait to get butt naked with you!

Do you…you know what you're doing right now is a crime?
Why is he calling the shots? Am I really about to do that with him? No way! For crying out loud, I'm a guy!

Heh heh heh,
Madam, I think you got it all wrong.
From where I'm standing,
this is totally consensual.
Don't believe me? Look…

See! Your love juices are dripping from your pussy. You're totally wet. Just how much are you dying to get fucked by me?

Bullshit!
That's not true
at all!

Aw, shit! It's so gross,
but somehow Rebecca's body is heating up,
like it's secretly craving something…
My mouth is so dry.

Shove in

Hiss…
I got sucked right in!
Rebecca's pussy is as amazing as ever…

Ahh, so thick!
My vagina's being stretched wide open!
This width is a different level from the fingers.
Just thrusting it in feels so great
that I almost wet myself.
If he starts thrusting for real…

Heh heh, are you ready?
The landlord's big dick is going to pound this married woman's pussy!

Wait! Wait!
I'm not ready yet…

slap slap slap slap
Easy! Easy!
AHHH!

Ahhh… The tip's scraping my pussy!
Every thrust slams so deep into
that sweet spot, and it feels so incredible!
Rebecca, you've been secretly enjoying
something this amazing?
That's so unfair!
Haaah...

I used to only fantasize about
Rebecca's pussy getting stuffed
but now I'm watching a penis thrust into me
from an angle and feeling pleasures
no guy could ever imagine…
Ohhh! I can't take it!
The thought of wearing her skin
while getting fucked is driving me crazy
that I'm gonna wet myself!

Ha ah…
Has it been too long since you got fucked?
Your cunt is gripping my dick
even tighter than before…
Ahh hiss! I can't hold back anymore!
My cock is going to cum inside and
your pussy will be flooded by my semen!

Ahhh! Oh yes!
Your huge cock is going to make me cum!
Go ahead! Cum inside me!
Hurry up and creampie
my married woman’s pussy! Ahhh!

It’s in!
My pussy is
full of semen!
Creampie

Ah… I peed on the couch…
Oh no! Getting fucked so hard
that my legs shaking like crazy.
That is so fucking amazing!
Rebecca…I…

Huh?
Was it a dream?
David,
you're awake?

Rebecca?!
What are you wearing?
Hee hee! Why are you so surprised?
Doesn't David love me in this outfit?
I even know you secretly sniff
my worn stockings!
But it's fine. David's a boy, after all.
And I like you the most!

To be continued…
