My Life as a Teenager's Fuck Fantasy

A TG Comic

By

Teysia

Stuff sounds amazing. I can't wait to try it out.

TAKE AWAY PIZZA

I don't know, Mark, I think you're being had.

Dude, Richard, what's the worst that can happen?

It not working? It's sold, and FDA approved.

Still seems sketchy to me. You be careful with that, you hear?

Dude, I'm a grown man. I got this.

You wanna chicken out, fine.

Don't come crying to me later when I get all the sex and you don't.

Okay,
time to learn the
secrets of the
other side.

One pill in 24 hours is all it takes, they say.

Here goes. Down the hatch.

Dang,
that shit isn't
messing 'round.

Fuck, it's stretching my shirt already.

DEATH METAL

Ergh, and now my pants.

TAKE AWAY PIZZA

Huff.
Slight relieve.

Why does this hurt so much?

Is that how it's supposed to go?

I feel
like going through
puberty again.

Oh fuck.

Argh! Now it's all over.
TAKE AWAY PIZZA

Shit. It's too much.

groan

I think it stopped.

Jeez, I thought I was gonna die.

Why does my chest feel so heavy?

My... voice?

Wait... did it really...?

OMG,
it worked.
I have
massive tits.

Holy shit,
are they fun to play
with.

moan I think I... Ahhh. Oh fuck.

I think I almost came from rubbing my new curves.

This is gonna be so fun.

Time to get dressed.

Look out, city.

A new girl is about to go to town.

TO BE CONTINUED...

Later, at a dining place.

Well, food is just as good as a girl.

Finishing food, not that easy, seems like.

Also
bad, pockets.

There's only
so much stuff you can
stick into a bra.

These fake hot pants pockets are a joke.

Where do girls put stuff to carry?

Hey, sweet cheeks. You come here often?

Wanna go for some fun?

Sure, I could be convinced.

Depends on a few factors.

Like,
your sexual stamina,
your cock size, and if you
want to fuck me.

PFFFFRT

Moments later, in a nearby alley.

Okay, stud. Do your thing, so I can learn how girls want to get fucked.

MOAN

Nipple and breast play already feels amazing.

This, I'm
not sure about.

Smells nice, though.

Maybe
just a bit...

Oh, god. This is something else.

Why does this feel so good?

MMMHHHMMMM

Wow, you're an eager one, aren't you?
Ready to take it?
Yes!

Give it to this slut.

Here it comes.

It's in.
Iiiit's iiin.

Ooohhhh,
fuuuuck, iiiiiiiiiiit's
iiiiiiiiiiiiin
meeeeeeee!

Holy shit,
you're squeezing
me so much.

I'm close already. Ima cum outside.

Oooooohhh!!!

Good fuck, slut. If you want more, come around again. See ya.

I... hang on... ermmm...

Seriously?
A quick squirt on my butt
and a 'fuck you later'?
That's all I get?

Gosh, my pussy is still burning.

What a fucking disappointment.

After a frustrated walk home.

Blasted fucking shit freak.

Suck your own cock next time, loser.

Shit.
Seems I need to do more research.

Not going through that painful transformation again, though.

NOW
Let's just take a bunch.

Should be fine, right?

Beware of potential pregnancy.

If your original gender is male, do not overdose on Bimb-XXX.

DO NOT DRINK.

TO BE CONTINUED...

After a night's sleep.

Urgh. Sleeping with big tits, no fun.

Who knew they could be so bothersome?

SNIFF

Blerg.
What's that
stench?

Holy smokes. When did I let garbage pile up that much?

How did I even live here before?

A thorough clean up later.

Much better.

I guess
now I should go for
new clothes?
Guess I
need a few more sets if
I'm gonna stay this way
for a while.

At a local boutique.

Hey there, welcome to the shop.

I'm Shana, how can I help you?

CLOTHES BOUTIQUE

Hi. I'm Ma... ry. Mary.

I need new clothes, since I have none.

Oh, girl, don't we all have that problem.

What size are you?

Uhm, large? Like, really big?

Had a augmentation lately, huh, Mary? No shame in that.
Follow me to our fitting room, we'll figure out what you need.

In the fitting room.

You weren't kidding, honey. You're indeed very big now.

Let's hope we find something your size.

There's something off about this shopkeeper.

SNIFF

A familiar smell.
I wonder...

Mmmhhhmm.
Looks like you DO have something that's my size.

Long. Thick.
Beautiful big.

I want that.
Oh, god, this is so wrong.

But I fantasized about this so long.

Go for it, Mary. Make my dream.

This is so different from the dude in the alley.

She deserves this so much. I gotta give it my all.

GLOMP

Hah- Oh, honey, you can't possibly be...

Oh, god.
You did!

SCHLORK

HAH-
I've never been this deep inside a girl's mouth.

Sorry, hon, I can't hold back.

MMMMH HHMMM!

AHHRRR

gasp
SPLIRT

huff *huff*
gasp

Mary? You okay, honey? Please say something.

You... taste... amazing...

No, you're amazing, girl. I never had anyone go that wild on me.

You rest here a moment. I'll find you something nice to wear.

A bit later, back at home.

What a nice lady. And such a delicious cock.

I hope I can find more like that.

Wait a sec.
Am I starting to fantasize about cocks?

TO BE CONTINUED...

Some intense porn watching later.

sigh

Fifty clips of my normally most beloved porn stars.

And nothing.

No reaction from my body whatsoever.

I miss how easy it was to get my dick going.

I guess I should make the reverse test.

Look at some cocks.

Hah-

Oh,
fuck...

This can't be real.

No, no,
no, no, no.

Ahh,
no, hah-
Stay down.

POKE

Please don't.

Fuck,
it's burning down
there.

What am
I doing?

Yeeesssss-

Hah-
My whole body is on fire.

How can I get release?

My nipples are ready to burst.

So why can't I get there?

It can't be that hard.

Hard...

Thick.
Like a...

No!
Impossible.

I can't be thinking about THAT.

HAH-
Don't make me...
HAH-

I can't want a...

Big, hard,
fat cock...

AAAAAOOOOOO
HHHHAOOAOOOOHHHHH!!!!

SPLURT

Fuck.
All this mess from looking at a single dick pic.

I think I need help.
TO BE CONTINUED...

At a doctor's place.

This stuff's messing with my head.

Glad I found a female doctor to help me.
Morning, Miss.

There seems to be a mistake here.

It says you registered as "Mark Sombrance"?

Okay, that's bad. Take off your upper garments.

What are you planning to do?

I need to gauge your reactions. So if I do this...

SQUEEZE

MOAN

Interesting.

Nurse Thompson?
Can you join me in here for a moment?

Yes, Doctor. What can I help with?

NO! He's a NURSE?

We have a potential Bimb-XXX victim here. I need to see their reactions.
Would you please drop your pants?
Sure, Doctor.

No, no, no, no.
Don't look. I can't...

Well, Miss, I got some good news and some bad news.

Good news is, we can indeed take some steps to reduce the intensity of sexual urges you fell.

That's nice.

Bad news is, you're suffering a severe overdose of Bimb-XXX.

Which means?

Which means you're done for.

Whoever Mark was in the past, there's nothing we can do to bring him back.

This lady you're now is your new reality.

TO BE CONTINUED...

On the way home.

This is so bad.

I can't believe I'm stuck.

I can't believe this is my life now.

Lugging around those giant tits.

Slave to this greedy snatch.

This was so much more fun when I thought it was temporary.
How can I even deal with things?

Hey there, Miss. You okay?

Or, given this town area, should I rather ask 'How much'? Ha ha.

Oh, god. Money. How can I even get any?

I can't return to my old job. What even can I do?

Grahhhh
Shut up, slit.
Nobody asked your
opinion.

SNIFF
I can't...
Oh, god... No...
don't make me do
this...

Sorry,
guess my joke was
out of line. Can I make
it up to you?

Hundred bucks.

I'm sorry?

For a hundred fifty, I'll deep throat you before.

Are you serious?

You like to ask my twins if you're unsure?

Dang.
I'm not saying no
to those.

Okay, focus. You did this before, it's not that hard.

Technically,
I guess it IS hard.
But that's the point.

SLOOP

Give it to me, Mister.

Fuck my cunt. Hard and deep.

YEEEEEES!!!!
MOORRRRREE!!!

POUND INTO
MY PUSSY!!!!

Nobody ever fucked me this good.

Yes! Yees! Faster! Fuck it! I'm about to...

...CUUUUUUUMMMMMMMMMMM!!!!!!!

GROAN

Shower me. Give me that seed.

Holy fucks, honey. You're something else indeed.
I'm so glad I make that stupid joke and got to have you. See ya 'round.

That was so good. I needed this so badly.

Maybe this can work for me?

Lord. I just sold my body.

I actually whored myself out. And I'm thinking about even more?

What is wrong with me?

Why does this feel so natural to do?

TO BE CONTINUED...

A few days later.

Why is this so easy?

Why can't I keep my pants on?

Is this really my life now?

Hey! Rent, you bum!

BOOM BOOM

Mr Cholesky. Hi.

What's going on here? Where's Mark?

Well, you see, Mark kinda is... gone? He left for a long journey...

I'm his cousin, Mary.

Look, Lady. I don't care who lives here. But somebody owes me rent.

If that shithead Mark's gone missing, you better pay up if you wanna stay here.

Well, my finances are a little stretched at the moment, so...

Shit, my body is already reacting to him.
Fuck. Might as well lean into it, I guess.

...so, if you could be a dear and give little old me a teeny tiny extension to get you the money, that'd be swell. I could make it worth the wait.

Mere moments later.

Yes, Mister.
Gimmie that cock.

Plow my dirty pussy.

I love being taken by studs like you.

This is the best ever.

It was at that point something snapped in Mark's mind.

Mary had lost him what little inhibition he had remaining.

Very well, slut. You got a week to scrounge up that money.

She went out into the streets and fucked every cock she got her hands on.

She spread her legs to whoever flashed her cash.

Restlessly fucking anyone in the neighborhood.

Quenching her never ending lust in a mad fuck fest.

Weeks later.

There she is, Trong.

Heyah, boys. You looking for some fun?

I got a two for one special if one of you pounds my ass.

Actually, it's our boss who wants a word with you. Come along, Missy.

Oh, fuck. They're criminals.

Look, I guess your boss is a nice guy and all, but I'd rather not?
Can you please leave?

It wasn't a request, bitch.

Grab her.

SQUEEK!

Shut that filthy mouth of yours, slut.

Nighty night, poppet.

TO BE CONTINUED...

A few hours later.

So, this is the hooker that gave us trouble.

Grmbl

You think you can run around, flashing your twat to everyone as you please?

MHHHM!!!

Well, bitch, this is our turf.

You wanna rent out your cunt, you gotta work for us.

Shit. Am I dead?

They wouldn't, would they?

Get up. Let me see what folks are getting hyped about.

Mhhmmhh.

I can't believe I still feel lust at this level of degradation.

So that's
the magic cunt the
streets are talking
'bout.

NOO!!! Why does him looking at me make me so horny?

MMMMMHHHHHMMMMM!!!!

MHHMMHH!!

Har har.
Truly doesn't take much to get that slit going, does it?

MMMMM MHHH!!!!

Look at that wench squirm. She actually is getting turned on by this.

Well then, Trong. Give it to her.

She might be fun to play with after all.

Yes, boss.

YEEESS! Give it to me!

MMHHHMMM!!!

Mhm! Mhm!
Mhhm!

Sure
thing, boss.

I'll be off.
Put her into the bar when
you're done.

Oh, god. He's a big one.

MMMHHMMMiii

It's splitting me!

MMMMMMMMMMHHHHHHHMMMM!!!!

You really like this that much?

Mhm!
Mhm!
MMHHMM!
MMHHMMM!!

I do.
Fuck! I
fully do.

How can I like being so humiliated?

MMMMMMHHHHHHH MMMMMMMMM!!!!!

Give me more!

He came...
-huff
-huff

He came inside me. Nobody ever came inside me.

Mmmhhh hmmmm.....

Okay,
gonna bring you
downstairs.

Undoing the cuffs.

Don't make any trouble.

Like I even could after being fucked so good.
Hmmh. Mhhm.

Boss says you're to be at the bar.

HERE THE FUN BEGINS
Great.
Now I get to be
a showcase
pleasure girl.

This is so humiliating.

Now, you stay here and be pretty.
Mhm!

You tell me everything you hear in here, you got me?

HHHMMMHH???

I wanna know everything the boss says.

Great, now I part of an internal conflict as well. Fuck my life.

MHM!

TO BE CONTINUED...

Days pass.

Our heroine shipment arrives midnight at dock 37.

Mary tries to be as good looking a doll as she possibly can.

Make sure you ice Tristan as you collect the stuff.

Men come and go.

We need to collect protection money soon.

We need more cash for our plans.

Mary gets fucked over and over.

Who has organized our mesh stashes?

She has given up offering any resistance.
She lets herself be taken whenever anyone feels like it.

MMMMHHHHHMMMM!!!!

Her only respite comes as she reports everything she heard in the evening.

...and that's all I remember. Can you please let me go?

I can't.
I need more from you.

MUUUHHMMM!!

Days turn to weeks.

How is our business doing so badly?

Why do we get foiled everywhere?

Weeks turn to month.

You imbeciles. Get out of my face, you morons.

Something else starts to develop.

Who of you idiots got the slut preggers?

Trong! Take that bitch out and snuff that fat whale, like the others.

Yes, boss.

Move it.

SPIDER-SMEAT

No, no, no.
Please, no.

Don't kill me. I'm begging you.

I told you everything you wanted to know. Please spare me.

Relax, girl. I'm not gonna kill you.

Take this coat.

Huh?

SOUL STATION

EMS

Your not out of the fire yet.

You'll find some cash, a key, and an address card in the pocket. Take a cab and wait there for me.

It's like he said. Strange. What's going on now?

Fuck it. I'm not gonna question it.

TAXI!

Had he wanted to kill me, he'd not given me that stuff.

One cab ride later.

This should be it.

Wow. Way more fancy than I expected.

Holy smokes. Who'd thought I'd ever be this glad about having a seat in a simple chair.

I can't believe I now have to deal with a new life growing in me.

What do I even do?

GROWL

Shit. I need food.

Grrrmmmm...

Screw courtesy, I need calories.

I hope your fridge is stacked.

I've got a giant hankering.

One feeding frenzy later.

Oh, god. I needed this.

TO BE CONTINUED...

I'm so full.

Is that because I ate like a pig? Or because of you?

I could really use some rest.

Just have a lay down.

Maybe
a quick nap.

Nothing too lo... ZZZZZ.

Couple hours later.
Hrrmm.

Blanket?
Huh? Where'd that
come from?

Morning, sunshine. Good to see you're doing well.

You!
You did this to me, didn't you? Made me pregnant?

Guilty as charged.
But it's a little more complicated than that.

Have some clothes, then we can chat.

CLOTHES
BOUTIQUE

To begin with, let me say how sorry I am me and my organization had to put you through such a trauma.

We've been gunning for that particular gang for month. I replaced this thug to try and spy on the leaders of the group.

Sadly, I was unable to gather any juicy information. Until you came around and became my little fly on the wall.

It might surprise you, but I'm not even like you thought I'd be.
I took a Jock Boost cocktail tailored to be able to impersonate that guy.

Excuse me for a moment, while I don new clothes.

Gah.

But if what you say is true, your sperm wouldn't have been viable.

So how did you make me pregnant?

You're correct.
I gave you a SimPregg injection. It basically made your body go into a fake state of pregnancy.

So you wouldn't suffer any lasting ramifications from your captivity. We can end that state with a second injection if you want.

Do it.

Mind you, this won't reverse the growth. It'll accelerate the process your body will go through, to a point it reaches the "birth".

But brace yourself, it's gonna be a ride.

BLOAT

-huff
Oh, fuck. How is this getting so much worse?

BLOOOOAAAAAT

The speed of process is amplifying the discomfort. Sorry about that.

OH, GOD! THERE'S PAIN NOW.

You're going into contraction. Hold tight, you're almost done.

AAAAAAHHHHHH!!!!!

Push down as the wave washes over you. Keep breathing. You got this.

BLOOOOOOOOOAAAAAAAAT

PPPP

Moments later.

Bloody hell. People go trough this willingly?

You've
been a trooper, hon.
Now, let's talk
compensation and trauma
treatment my folks
offer to you.

And then
setup your new identity
to protect you from
those goons.

A few days later.

What a journey my life was this past time. I can hardly believe I'm still around.

Hey there, Mary. Nice to see you again.

You remember me?

It's hard to forget an awesome girl like you. Can I help you again?

Come to think of it, not all things were bad.

You know what, there's one thing you could do.

-Ahhh!
Maybe we should do a date sometime.

I'd love that.
For now, fuck me harder.
THE END
