Story &
Artwork

By Amay2k12

Hi everyone! This is Dana, my little Sister. Well, she isn't so little anymore, she celebrated her 18th birthday last month.

She is a freshman at College here in our Hometown and want to become an Atorny of Law one day.

Ohh, excuse me. I forgot to introduce myself. Well, I'm...

I'm Aaron Paul, 24 years old. After my dad died many years ago by a car accident i helped my mum and breaked school. Now i repair cars at my own small garage and the money is for my family. I'm very happy that my hard work helps Dana to fulfill her dreams one day.

Mum is for a few days on business trip so Dana and I are alone at home. Nothing unusal for Dana and me. Today, I was still working on an old pickup truck, as I heard some strange noises from Dana above.

Moan!

Is she moaning?
What the? I hope nothing
happend to her...

uhh....yea...

It sound...
like sex???
Dana and Sex?
Never!

She didn't
have a
Boyfriend yet.
There must be
another
explanation for
this sounds!

Dana?
Are you there?
Is someo...

Moan!

No....
please....!

NOOOO!!!

Someone hurt her!
I've to help her!

SLAM!

Help is coming
Sister!

What I see was a shock. Dana was naked....and another girl was eating her out...My little Sister...I can't believe it...

Moan!

Dana!
What the...?!

Aaron!...mhh
Noo!! Hel..p..
mhhh...

But something different was happening.
Her Lips seems to be fuller...

And right before my eyes she changed
even more...her lips become huge and
Make-Up appear on her soft skin.

Even her hair startet to bleach out...
and becoming more and more blonde

Her hair changed...becoming more blonde by the second...

As my view wander down her changing hair I saw her tiny bumps start to jiggle

...and growing....her tiny A-Cups looks now more like C's...maybe D-Cups...

...and her soft tit flesh expand into new shapes...and gaining new weight.

The body of my Sister changemore and more... but her room also change...her old decoration fade away, replaced...but then the other girl stood up and came up to me...

You must be Aaron.
giggle

You wonder what happen here, hmm?

I'm Keisha.
Your Sister and I
was in the same class
at college.

And she
was a total bitch
to me

She gave me names like
Bimbo or Slut, because
I have big breasts...

But...I'm the one
with more talents
then big Tits:

I can alter
the ...

Reality!

And now...
I'm going to
change...

ohhh

bzzz
bzzz

That hurts....

THAT
WAS
A
MISTAKE!

bzzz
bzzz

So...you are a big, strong guy hu?

This time is past,

YOU and every part of your fucking family will spend the whole time being fucked...you will be...

ALL!
BIMBO'S!
SOON!
hehe

Let's start with her and you can watch, Bitch!

bzzz
bzzz

Unabel to move I had to watch what this Whore was doing to my dear Dana.

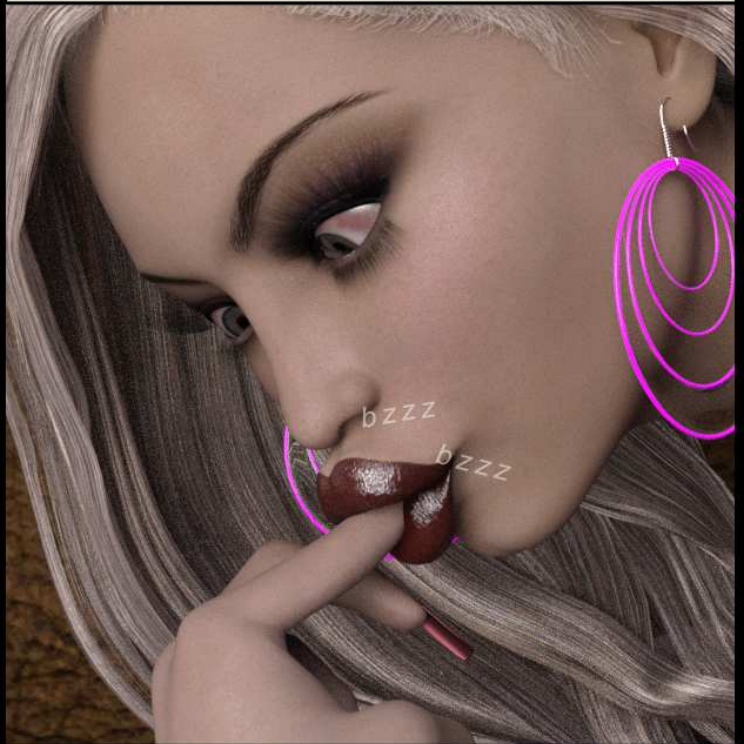

Her Lips swell even more, looking like some BlowJob Pillows...her Skin darken, and dark Make Up apear, giving her an very sexy touch...

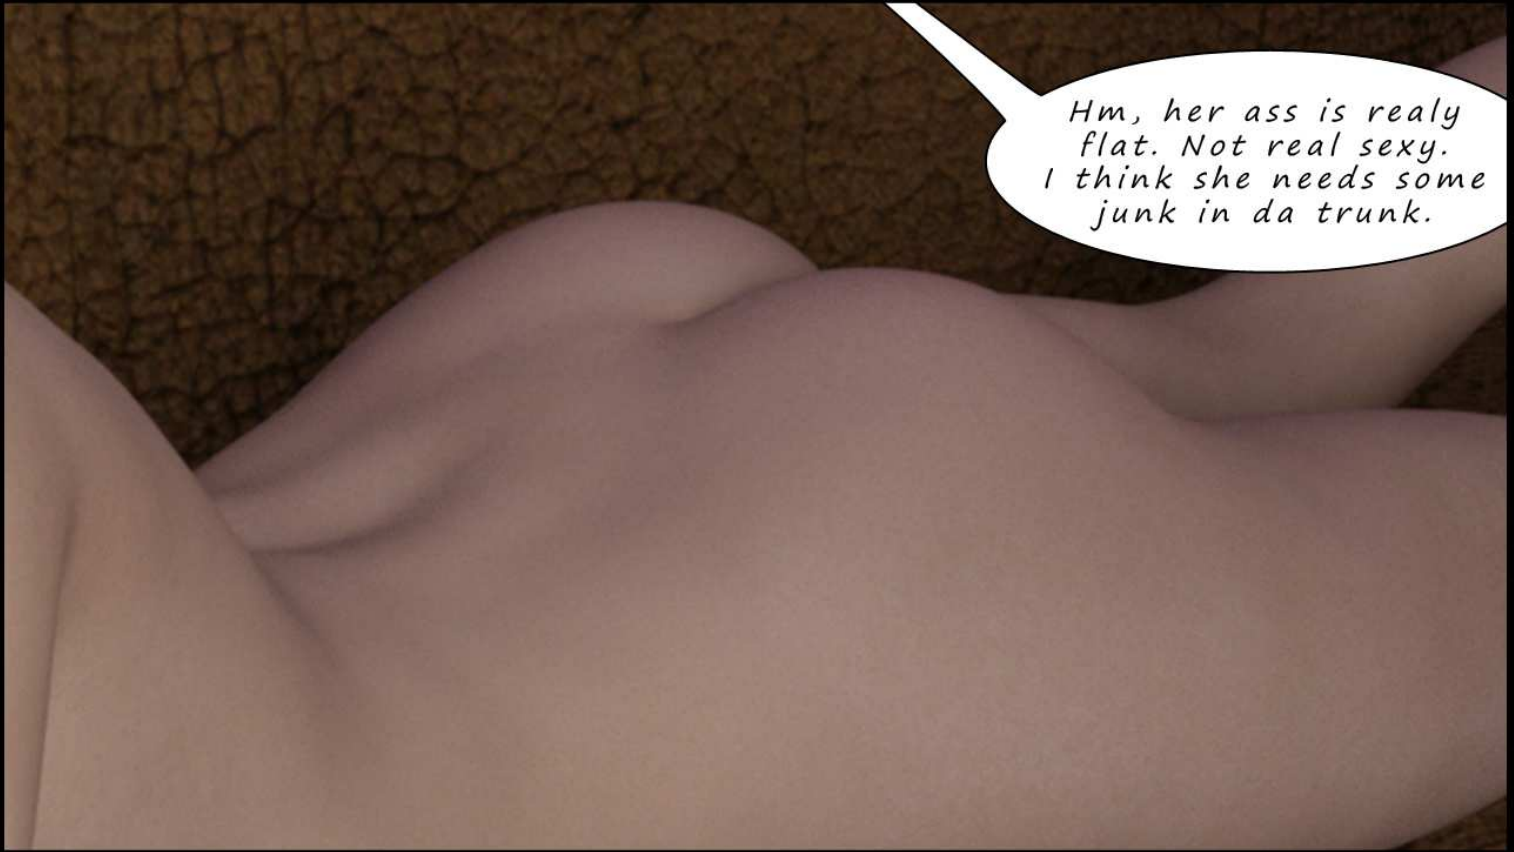

But not just her Lips changed. While her looks become more sexy, her nails grows into claws and Earrings appear.

AS she drove with her finger over her cock sucker lips it react by his own and Dana sucks her own finger, like a whore

Doesn't she look sexy as hell, Aaron??
What should we change on her as next?

Hm, her ass is really flat. Not real sexy. I think she needs some junk in da trunk.

First we make her hips wider...

Crack!

Look at her...
already willing to serve.
But her titties don't
fit anymore to
her.

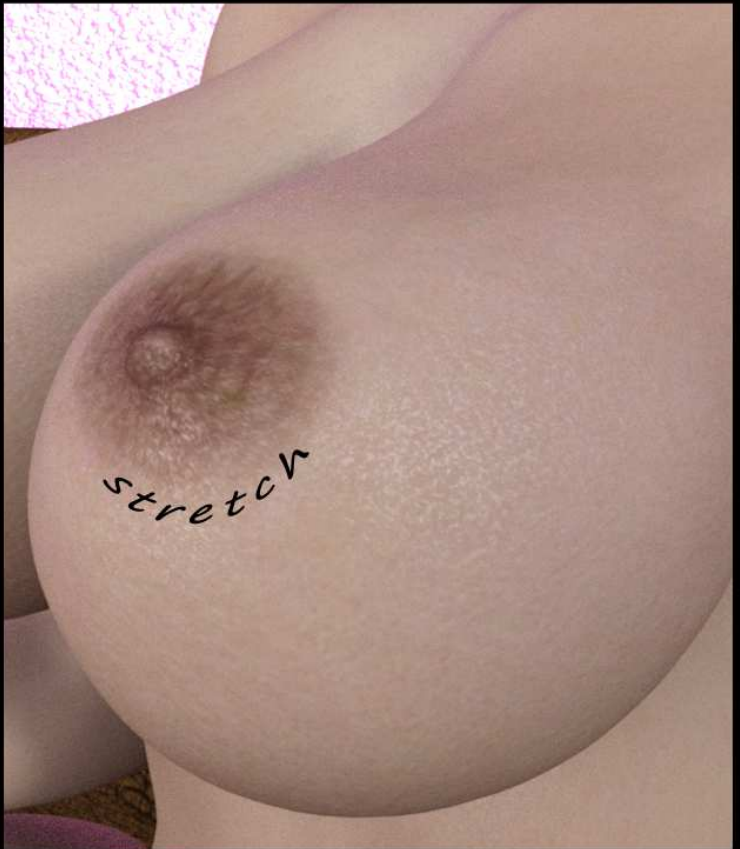

Her Tits are so much bigger then a few minutes ago. Do you like her natural shape?

Adding a little saline? Stretching her Areola and Nipples?

No comment? Very well...let's start filling those Babys up.

3000cc Saline sounds great hm? Dana will look so amazing with them!

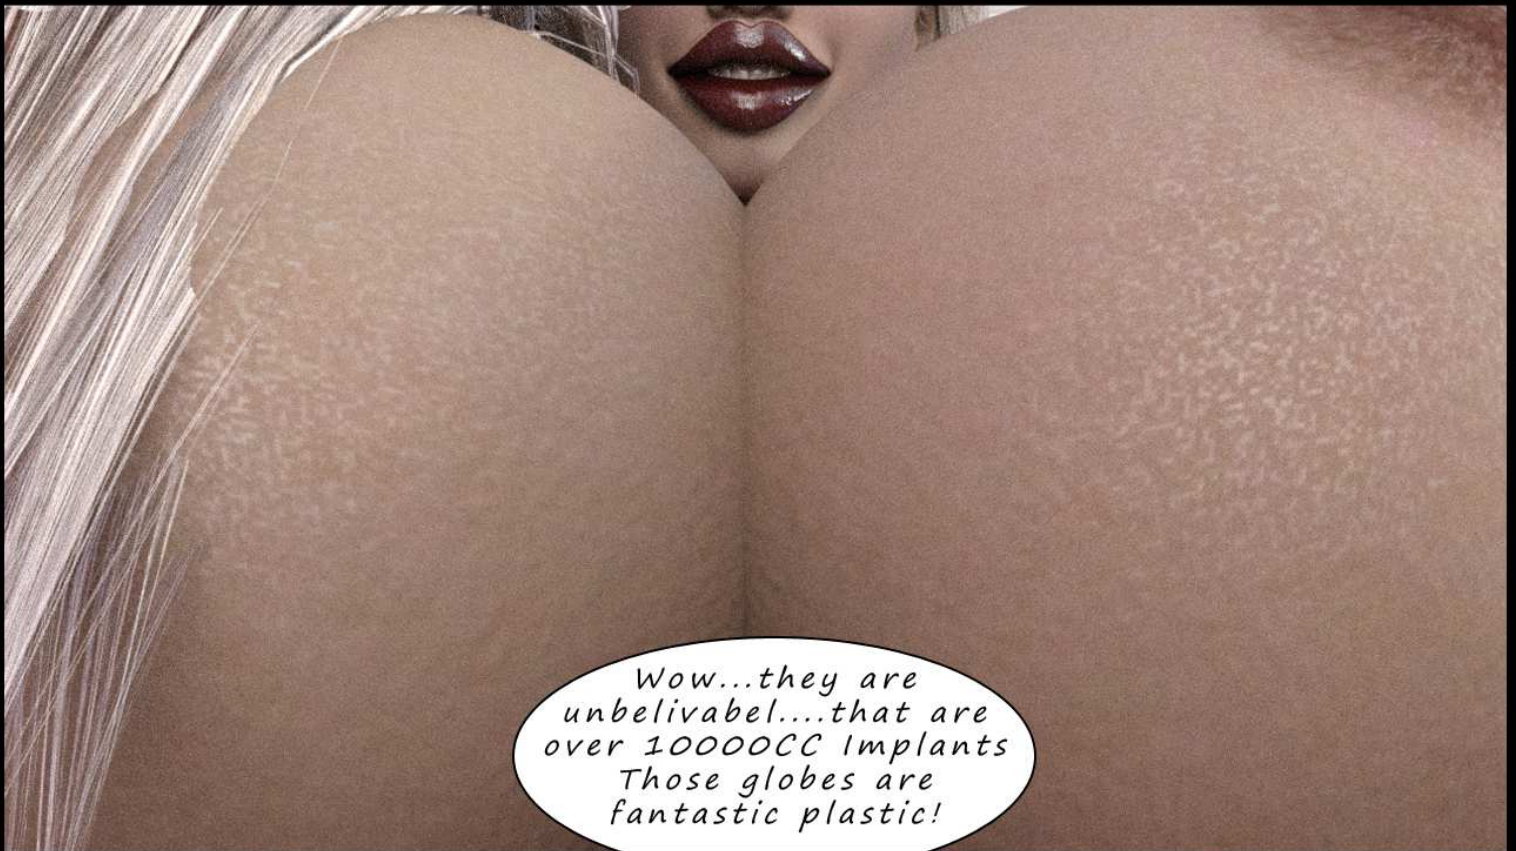

3000cc

grab

Hmm...or should they even bigger? Yes, they should!

Wow...they are
unbelivabel....that are
over 10000CC Implants
Those globes are
fantastic plastic!

I was still unable to move, but to see my dear, intelligent Sister in this sick form... more Breast and Ass Flesh then normal hurt me extreme...

Dana is nothing more then a horny, dumb blonde Bimbo

Dana is not even Dana...she is now Boobsie, cause her Boobies are not only huge...they are ultra sensitive

and now another part of your BIMBO family...no...it isn't your turn yet.

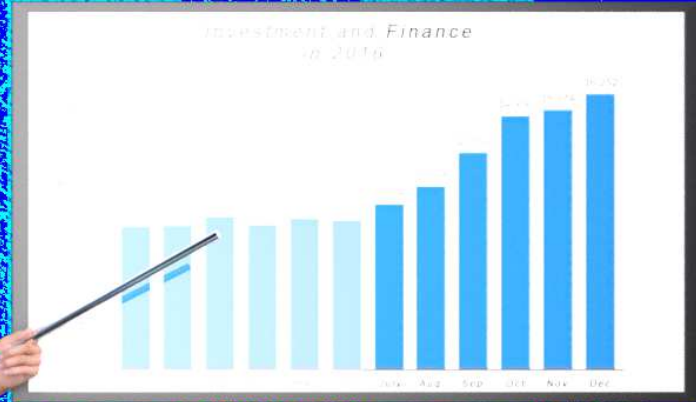

Your MOTHER will be the next!

Dana...sorry I mean Boobsie, told me that she is on a business trip. Awww, maybe she will enjoy her new business...and look.

How was her name? Not matter...your mother will be your older Bimbo Sister soon...called... hmmm....Tiffany!

Meanwhile on a Businessmeeting in Washington D.C.

Gentlemen! As you can see the monthly income of our business is on a good way to break the top 10. Our new marketing and the fact that we cut the salary for workers without an higher education degree over 30% helped us to reach that goal.

If you excuse me
studs, I need to
visit the bathroom.
Need totally to refreshing
my Make Up and stuff...
giggle... see all your hot
dicks later, heheh

Moan!

Ohh goodie, so many hot studs are in here. Super kewl! Everyone loves Missress house of big boobed girls.

Hiii everyone! I'm Tiffy... Tiffy McBoob.

Ohhh, I'm all wet just thinking to blow them all...

My sister Boobsie will be here soon too. And so long... have fun with me!

LOVE

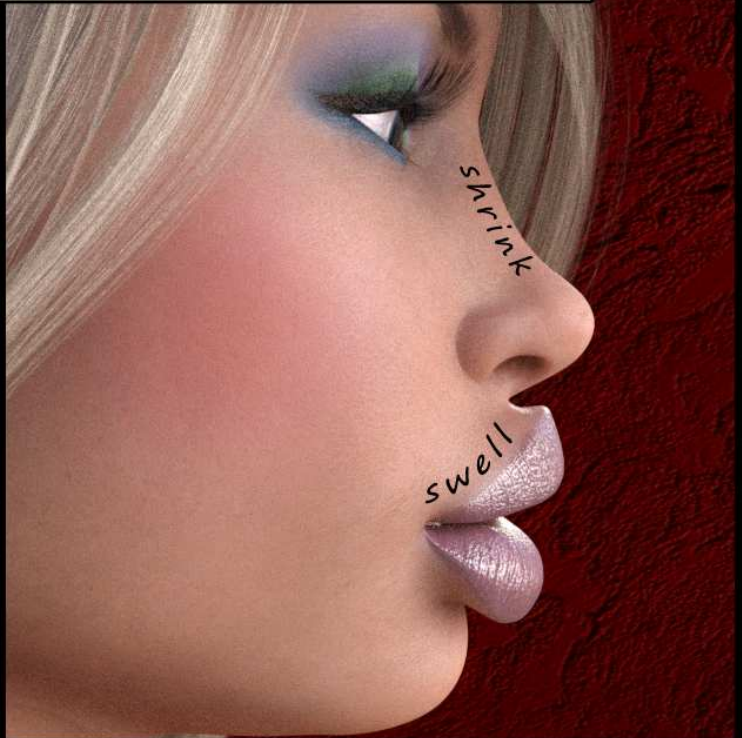

I love you Tiffy...but more Lips! I love big, soft lips... pouny and sexy!

So Guys, what do you want?

Your nose looks gigantic! You should have a cute, petite nose!

And her body wanted to obey those commands because Tiffy is not more then a horny, sexcrazed Bimbo. And so is her body willing to change, change whatever her customers want her to be....

teehee, command and I will do any thing you want!

LOVE

OHH GOD YES!

You can't
...do that!

Oh...
you will be
sooo pretty
soon...
hehe

You
can't
...

OH BOY!

WHAAAT?

And now it was my turn to feel the pressure...behind my chest...

I feel that my muscles melt away, at the same time tiny lumps start to bulge out...

the tingling on my back told me that my hair was cascading down my back..

And soon two petite, round boobs was jiggling on my chest,

and I could feel, now very sensitve, how my nipples got hard and pointy...as my areoula stretched even more.

OHH
FUCK!

Finally my manparts starts to tingle and with one loud sucking tone a new emptiness was between my legs!

Ohhh
nooo...
plea...
unnggh

SUCK IN!

As my pants melted away I could feel how my hips widend out...not much.. giving me the body of a young woman.

swell

ohhh

I'm a
GIRL!

Sure! You never
was a guy...
you was born as
a Girl, honey.

jiggle

bump

squish

...but you aren't so innocent as you look...you love your titties...

jiggle

...so much that you enhanced them as you was old enough and earned enough money as exotic dancer....

grow!

...and every few months you need another injection with Saline...

...because you love it to feel them grow. So round, so fake. Perfect Tits need to be fake. And you...

Mmhhh!

...you love it to be touched. Your skin is so sensitive. Your boobs ...

grab!

Woa! Girl!

...still grow, just to get more and more attention...you are an Whore. An attention whore and you love it.

grow!

Amy couldn't do anything. Her feelings...
he was confused. Was she really born as Girl?
And her body was still changing.

She wasn't sure, why she kissed
that other girl...but her body needed
it. And her ass ballooned to
ghetto size, premium booty.

...Ohh
ohhh m..my...
God...

That feels,
like, sooo...
Mmhhh...

...my Power...
is...melting..
like totally...

...it
feels like
super strong
...

Yay! Boobsie

fun too!

boing!
