

Alright "Alex..." So what's your deal? Do you like crossdressing on the weekends? You were with our school social worker, you working something out?

Wait, that's not possible. Alex was at a week long retreat last week. he couldn't have been at the cafe!

But "he" was. In a cute summer dress with Miss Hailey. So go on buddy explain all that!

~HABAABAAAABA~

IDEA!

I wasn't there! But I think my cousin... Ar... A... lis... son... Was! Right Alison was with her last week!

I can't believe I was about to use my real name as a fake name. That was close. They should buy that right?

Seriously dude? Cousin named Allison?

I didn't know you had a cousin close by Alex!

Ya... She's pretty close with Mis... Hailey too So it's not weird to see them together!

So you just happen to have a cousin that looks exactly like you with a super similar name, who also is good friends with our social worker?

Uh... Ya!

He or she is lying through their teeth Aubrey.

What? I don't think so! Alex is a good guy! He wouldn't do that!

It will be interesting to see how this all plays out!

I'll text you her number tonight!

Alright then, I'd like to meet her again! What's her number?

Oh ya! Me too! Can we all hang out soon??

Oh look at the time... I think I have to go! Principal will be mad if I stick around too long!

That didn't go as expected... Crap, I need to come up with another plan or everyone will find out about last week! First things first, I need to get a burner phone!

Later That Night

DING DONG

I wonder who that could be? Ha, as if I don't already know. Looks like Alex couldn't stay away for very long!

Welcome back Ariel! I didn't expect you so soon!

It's not what you think Mistress! I just really need your help!

So that waitress from the cafe goes to your school and is friends with Aubrey?

Then after Lisa almost outted me to Aubrey I came up with the idea to go by Allison!

Interesting... Why didn't you just go by Ariel?

Ariel isn't a girls name! It's my real name!

Ok ok... So why did you come here? What can I do for Allison?

Well... I bought a 2nd phone and have been texting them all day... And they want to hang out. So I need some... clothes.

But I thought you didn't want to dress as a girl?

I don't but these are extreme circumstances!

Alright... I'll help you out. But I want you to beg for it. Strip and kneel.

Is that all? Ok no problem Mistress!

Hmmm... Interesting I don't think I told you to wear panties. I'm surprised you're wearing them!

I... Well... They're just way more comfortable than my boxers are.

Mmmmhmm. Whatever you say. Just get them off! And start the begging!

Mistress... Please give me some girl clothes so I can keep my cover!

Oh come on! It's not just for your cover! Beg for them because YOU want them! And use your girl voice dammit!

Ri... *AHEM* Right... Please Mistress let me dress in girl clothes! I want them!

I know you want it because deep down you already know you're a girl!

Ahhhh... N.. No! I'm a boy Mistress!

I'm done playing this game with you Ariel! You ARE a GIRL! You are my GIRL! You will always be MY GIRL! Now just admit it! And just BE MINE!

I... I'm not yours! I'm Aubrey's! I'm in love with her! Not you...

WHY WON'T THIS JUST WORK! You're supposed to be mine... You're love for Aubrey can't be this strong...

Of course it is! I've told you that from the start!

No way! You're just trying to get her in bed! You've never really loved her!

No I'm not! I haven't even tried sleeping with her! You told me when I started coming here that women hate...

You can't be serious right now! With all the fighting, you must have gotten laid!

No way! I've followed your all your advice! Even when Aubrey wanted too I didn't sleep with her!

So you came here just because you valued my advice... You loved Aubrey so much you...

Ya, I let you do whatever you wanted to me because it was getting me closer with Aubrey!

You dealt with the hell I put you through for Aubrey... That's why my powers couldn't finish the job... You truly love her.

Powers? What are you talking about? Look I just don't wanna be a girl. I just want to be with Aubrey! So can I pleeeeeease have some girl clothes mistress! I promise you can punish me any way you want later!

HOLY SHIT! This was just some poor kid looking for dating advice! What the hell is wrong with me!? He didn't do anything to deserve the treatment I've given him! **FUCK!**

Uh Mistress...? Do you think I could get those clothes now or are you going to punish me?

Alex... You don't need to call me Mistress anymore. And you don't need to crossdress if you don't want to.

Well I already told Lisa and Aubrey that I was meeting up with them as Allison.

Even if I wanted to let him go... He's too far in now, the changes are going to continue until he is fully female. I need to try and fix my mistake! But I can't let him know anything is wrong!

Alright. I have some clothes that will work for you.

YES! This is perfect! No way they'll be able to recognize me like this! I really do kinda look like a girl!

Well ya! I trained you pretty good didn't I?

You sure did! I'm going to be the best boyfriend for Aubrey!

Bye Alex...

Bye Mistress! Ooops, I mean, bye Hailey!

I just assumed he was a disgusting boy... But I never stopped and actually talked to him. He's a nice kid and I probably ruined his life! **Crap I'm a monster!**

I did this as a way to bring her back. But Alex was never going to be Ariel. Ariel is gone and Alex had nothing to do with that. Why did it take me so damn long to realize that?? If I had just... No what's done is done... I guess Alex ended up winning our bet after all. I realize now that all men are like HIM! Some men are kind and just want the best for those around them. What a fool I've been. Punishing him for no reason. Turning him into a girl for no reason. There may be no way back for Alex, but I will find him a way FORWARD!

12 Years Earlier

Alright!
Got it! The pictures
should be ready in
about 3 days.

This was such
a waste of time and
money. Let's go
already!

It wasn't a
waste of time Daddy!
We don't have any
pictures of us!

I... I'm sorry
honey I shouldn't
have suggested it.
I won't do it
again!

*Ariel had told
me over and
over that she
hated her
father...*

But the pictures
were my idea Mommy!
Daddy is being a big ole
jerkface!

We just had to stand
here and smile he could
try and be happy once
in a while!

Don't talk bad
about your father Ariel!
He is just tired from
work! And I'd rather he
be frustrated with me
rather than you!

Shhhhh....
Calm down Ariel! It's
not that big of
a deal.

*I just couldn't
escape him. I
felt trapped.
And all I could
do was try and
protect my
baby...*

BLEHHHH!
You're a jerk Daddy!
Pictures are nice!

ARIEL!
That wasn't very
nice!

Ungrateful
little brat! I'll show
her... And that bitch
Mother of hers!

*He physically
beat us.*

*Emotionally
abused us.*

*Then one day
he took Ariel
from me.*

*And I never
saw her
again...*

Filled with grief I left my job. I lost my house. I spent every penny I had trying to track down my husband and daughter to no avail. I lost everything... One day while sleeping on a bench in the mall a mysterious woman approached me. She said she could tell a man had wronged me.

Then she asked if I wanted the power to make sure no man ever hurt me again. And I agreed. All she asked for in return was for me to send her a few guys here and there...

Never in my life did I imagine that the power she spoke of were these demon eyes. Eyes that can transform and warp the bodies and minds of men. While the woman said she did it to feed on male essence, I do it because I despise all men...

But of all the men I've transformed... Now I have to think that maybe, some of them are like Alex. Just good guys who love a woman. And I ruined their lives just like my husband ruined mine... I'm no better than he is...

I thought I was doing something good for the world. Maybe there is still time to make this right. I need to find that woman. But it's been so long. Can I actually find her again?

So Alex conveniently can't come out tonight. I'm telling you Aubrey, he is a she!

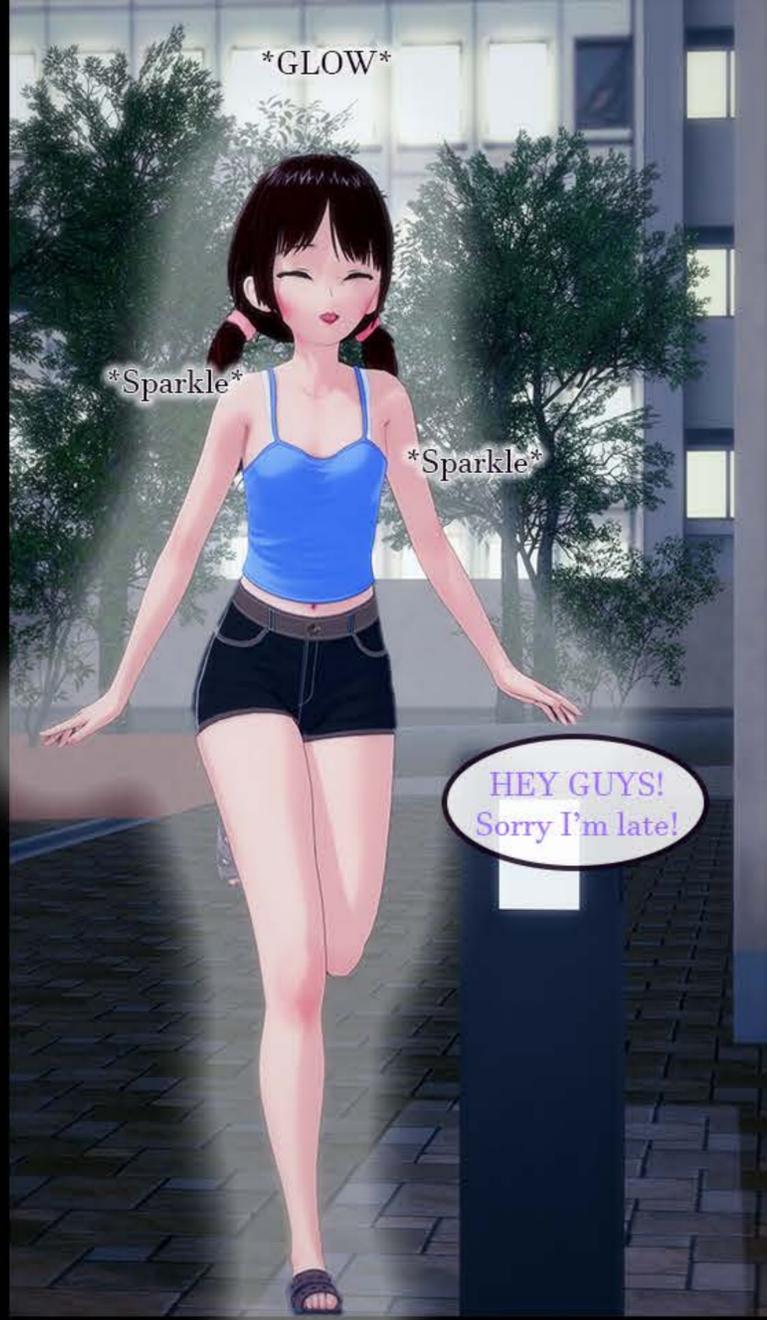

Because people are liars Aubrey! Alex is lying to you!

Petty!? I'm not being petty! I'm trying to save you from a potential psychopathic liar!

He has to do make-up work for all the school he missed! Why can't you trust anyone!

You just don't like him! You don't need to be so petty about all this!

He's not a liar Lisa!! Just behave yourself I think that's Allison now...

HEY GUYS! Sorry I'm late!

Phew! I ran all the way over here! I'm beat!

Oh right! Nice to meet you! I'm Allison! I guess I've already met you Lisa...

Are you kidding me... This is Allison HEY

So nice to meet you don't mind Lisa, she's a little crabby!

Alex was right you two look very similar!

Come on Aubrey! Look at her! This is Alex! He just threw on some make-up!

LISA! It's not very nice to say that!

Well it's also not very good for your "boyfriend" to lie to you!

If I had known you were going to be like this then...

HEY!

Can we please stop fighting? I just wanna have a good time.

You're right Allison! We should just be enjoying ourselves! RIGHT LISA!?

FINE! Let's just enjoy our night. But I'm watching you Allison...

Haha I guess if you want to that's fine!

I will...

I'm glad to see that Lisa's bad mood isn't rubbing off on you!

Not at all! I get I look a lot like Alex! I understand her all too much!

Great then let's head in and get some bubble tea!

So a night out with the girls... I never thought I'd do something like this. I've never even done this with regular friends. Sitting, sipping tea, and chatting. It's kind of nice!

So this is a chick flick. It's not bad... I could go without seeing all the half naked hunky dudes... WOW! That dude is ripped!

I never knew shopping could be so fun! Look at all the cute dresses and accessories! If only I hadn't spent all my money on that stupid 2nd phone. I'd have picked up some cute clothes!

This was a fantastic evening. I've never just hung out with friends like this! And now I know Aubrey a bit better, it will be super easy to plan our next date!

Do you mind waiting for me before we go. I need to use the restroom...

Of course! We'll wait out here for you!

Gotta hurry! I feel like I'm about to explode!

Aaaand "she" just ran into the men's room. I've got her now!

Phew! That was a close one! I almost wet myself!

I knew you'd slip up eventually... So you actually are a guy. I'm actually surprised!

Hey Aubrey, I have to go too. You mind?

No that's fine. I'll just be waiting here.

L... LISA! Oh crap! I went in the men's room! I forgot!

I knew you were a liar since the moment I met you!

No look... I know this is bad... But... I... Well I can explain!

Look, I really do like Aubrey. And I was getting advice on how to be a good boyfriend from Hailey! And that's why you saw me in a dress. And I didn't want Aubrey to know so I came up with Allison!

M... M... Mistress... She told me that it would help! And my first date with Aubrey went really good. So I just wanted to do whatever Mistress told me!

What? Hormones no way! I'm still all guy! I just wear these girl clothes sometimes! And it was all part of the training to make me a better boyfriend!

Seriously!?! That just raises even more questions than before! How is putting on a dress equate to being a better boyfriend??

Mistress? You're still talking about Miss Hailey, our school social worker? Is she also giving you hormones?

So you're telling me that those aren't real titties on your chest? They look pretty real to me!

~Aahahahaa~ Pl... Please, don't! They're really sensitive!

Buddy these are real... I just wanted to make sure you didn't end up with Aubrey... But now I of feel bad. You were big time manipulated by Miss Hailey.

N... Noo way! I'm just sensitive I'm not a girl!

Look at you! You're like a second away from an orgasm from just a little nipple tease. That's not normal for a boy!

Y... You're wrong... Please don't tell Aubrey!

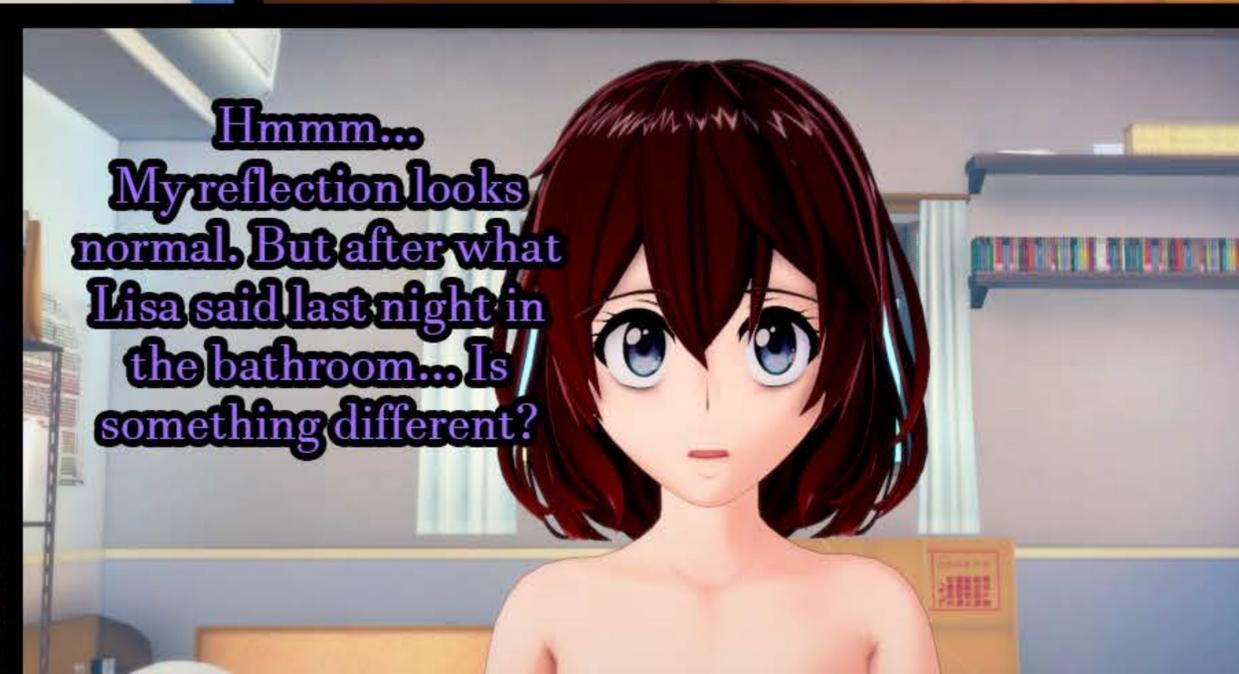

Fine, your secret is safe with me. But you should at least let me help you with the Miss Hailey situation! She has to be doing something to you!

Thanks for the concern, but I don't think that's a good idea. Mist... Hailey is not a bad person...

After that we left the bathroom... We all walked together until we went towards our separate homes. Lisa didn't mention anything that happened in the bathroom... Is it possible that Hailey is doing something nefarious to me?

Your Mistress may wish to finish your transformation. But I won't pass on such a meal!

I can't tell. Mistress... Did you actually do something to my body? Should I go ask her? Or should I go and talk to Lisa about this?
