

There she is...  
She still works at  
the same shop.  
Hard to believe it's  
been 8 years since  
I've seen her... She  
looks exactly the  
same

Oh my... Look who  
it is! To what do I owe the  
pleasure?

Gianna...  
I... made a mistake. I  
changed someone who  
really didn't deserve  
it.

Someone  
who doesn't deserve it?  
I chose you to use my power  
because you think that all  
men deserve to be  
changed!

Hailey, you've gotten  
soft over the years. A few years  
ago it didn't matter, all men  
were scum.

I know...  
It's just this boy, he was  
just in the wrong place at  
the wrong time. He shouldn't  
lose his life as he knows  
it for that.

I still believe that.  
But this one time...

One time now.  
Who knows if you're going  
to decide that this man is worth  
saving or that man is worth saving.  
I was right to intervene and  
keep the spell on Alex!

Wait... How do  
you know about  
Alex?

Hailey, the  
eyes I gifted you are mine  
to control. Everything you see  
I see. Every man you changed,  
I've feasted on his  
essence!

You usually feed  
me slop... But this Alex,  
the way you manipulated him...  
The way you used him... It's  
made his essence quite  
the treat!

Just this once...  
Let him go. You can even  
take back your powers.  
Alex deserves...

That's enough out of  
you. Alex has to have done  
something to deserve becoming a  
girl. And if he hasn't, who cares  
don't you think he'll be better  
off this way anyways?

Don't forget what  
your husband did to you. Don't  
forget the dozens of other men you  
already did this to! They all lead  
better lives now. And this is  
no different!

Maybe we're wrong...

Hailey Hailey Hailey...  
I don't care. The spell is cast.  
And I intend to get my fill!

Please Gianna! I need  
to reverse the damage I've done!  
Even if he has to be a girl, he should  
at least have mind in tact!

After leaving him alone  
for so long, I can already feel the hold  
on his mind slipping. I need to take  
drastic measures.

**YOU ARE NOW  
UNDER MY  
CONTROL!**

I can't lose Alex, his essence is too delicious!  
I will personally take control of this situation from  
here. Don't worry Hailey, in the end, you'll get exactly  
what you always wanted...

I SENSE ALEX IS AT THE SCHOOL... I MUST  
RETRIEVE HIM, HE'S CLOSE TO REALIZING THE  
TRUTH!

Look that's not important right now! We need to tell someone what's happened...

\*KNOCK\*  
\*KNOCK\*  
\*KNOCK\*

Hello? Lisa?  
Is that you in there? Did I hear Allison as well?

CRAP...  
It's Aubrey! I can't let her see me like this!

Calm down Alex. Aubrey isn't one to eavesdrop so she probably didn't hear anything.

Guys, come on I can hear you whispering in there! Why are you in the toilet together? Are you cheating on me Lisa?

N... No way Aubrey! You know I only love you!

Love?

Haha! I know, I'm only teasing! So is Allison in there or not?

Uh...  
She is. We just need to have a private conversation.

I don't think a public bathroom is the best place to do that!

You're right...  
Look can you just give us a few minutes?

Hmmm...  
Ok, I didn't realize you two became such good friends last night!

Love... Cheating...  
Aubrey isn't you...

Thanks Aubrey!  
I'll see you in class!

Haha!  
I'm so happy you two are getting along. I didn't realize Allison went to this school... Just hurry up class is about to start!

YES JUST IN TIME! IT LOOKS LIKE ALEX WAS ABOUT TO FULLY ESCAPE OUR CONTROL...

I don't want to be a girl... I don't want to go with Hailey... I just... I just want to be happy...

\*DROP\*

Ughhh...

Now that I know what she is doing... I'll try and resist!

That's all I wanted  
Alex! Trust me, I was just bluffing  
I don't think I could actually have  
killed that girl!

Alex...  
What are you  
doing?

Don't worry Lisa, I'll be fine! You should be worried about Aubrey. Because once I change back... I'm going to marry her!

Welcome to my secret hideout Alex! This is usually where Hailey takes the men she changes for a little humiliation. But for us, it will be a safe haven to avoid the police! Hurry up and finish changing already!

That looks so cute on you! I love it!

W... Why do you keep talking in the third person... Unless you're not...

Bingo! I'm not Hailey. You can call me Gianna. I took over Hailey's body!

Oh right... Hailey never filled you in. I know you've figured out that your body is changing. Well! It's all thanks to my power. I'm a demon!

I'm what you humans would call a succubus. I feed off of male essence. Hailey wanted to let you go so I possessed her to make sure that didn't happen. And I thought it looked cute!

I... I...  
**WHAT THE HELL IS THIS?**

**A DEMON!**  
Why is a demon trying to turn me into a girl!? Why are you possessing Hailey? **WHY AM I IN THIS DRESS!?!?**

...  
Are you actually telling me the truth? Like for real?

Of course! My spell can't be stopped now so there's no use in lying!

That is correct! He thought that you deserved to be a boy and go about your boy life and do boy things! But I wanted your essence!

So Hailey wanted to change me back to how I was?

So why is Hailey even involved then? Couldn't you have taken me with your real body?

I'm a very busy demon.  
And Hailey's body is going to be  
useful for the final stage of  
your transformation!

I want all of your male essence.  
Subjects like you are one in a million. My spells  
don't usually work on you. But, I don't want you  
to die, I'm not heartless. So I need Hailey's  
womb to make sure...

I'm going to be taking ALL  
of your male essence. And to do that you'll  
regress to an embryo, and be reborn as  
a female...

What do you  
mean by that?

Woah what!? Her  
womb!? What do you  
need that for?

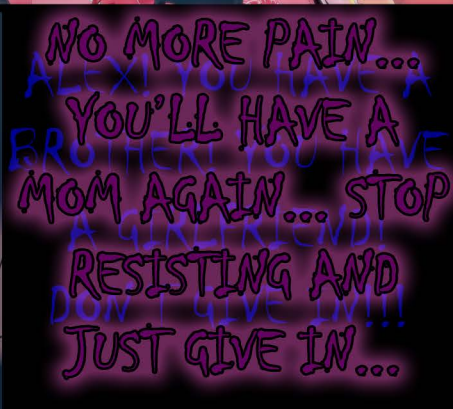

WHAT THE  
HELL!? I DON'T  
WANT TO BE BORN  
AGAIN!? What about  
my life!? What about  
Aubrey, my brother!  
YOU CAN'T DO  
THAT TO ME!

I know you're scared, and I  
don't usually do this to people. But I have  
to. Like I said, your essence is too pure to pass  
up. I need every last drop of it! But think about  
it, a fresh start. I know you've had a hard  
life Alex. And this isn't fair, but it's  
what's going to happen!

**WHAT THE FUCK!  
WHAT IS WRONG WITH  
HER!? THIS CAN'T BE  
REAL!!** Damn it... I know  
she's evil! She tried to kill  
Lisa! She really has fucked  
up my head. Even now... I  
want to do what she says...

**I have to find a way out of  
this! Before I lose myself!**

Born again...  
New life... A Fresh  
Start... I... Don't know  
what to do.

Look at yourself  
Alex. The regression has started.  
You're 12 years old...

No...  
This can't be  
happening!
