

Thats right!  
A sex dungeon is no place  
for a little girl like you. So we're  
going to a house I'm giving Hailey  
to raise you in.

But Hailey?  
Is it safe to go out?  
Aren't people looking for  
you?

This might be my  
chance to escape  
from Mommy!

Nothing a  
little Demon  
magic can't  
fix!

Stupid Gianna! Why is everything I wear have to be so frilly! I'm a boy for pete's sake! I still have my wee wee!

It's getting harder and harder to think straight. When I'm out of here I need to try and escape! I gots to find another grown up so they can help me...

30 minutes  
later...

I hate to say it,  
but I don't think she's going to  
stop anytime soon!

I guess we'll  
have to stay here one  
more night until she's  
a baby...

Nonsense!  
She just needs the right  
motivation. It's probably against a  
parenting code or something to bribe  
a child, but go ahead and grab the gift  
I was going to give Alex at  
the new house.

That's a great idea  
Hailey! I'll go and grab  
it right away!

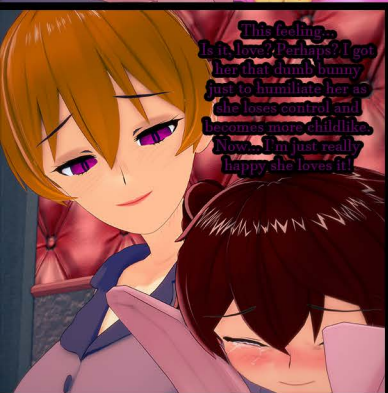

Do you think you can be a big girl and stop crying now?

It's probably because I'm a kid... This bunny is so soft and cute, it makes me forget all of my worries. It gives me the confidence that everything is going to be OK!

Oh wow, I think she really does like it a lot, I'm glad!

With Wobbly Dobbly, I'll have the courage to get out of this mess! I'm so happy I have him! Thank you Mommy so much!

This feeling... Is it love? Perhaps? I got her that dumb bunny just to humiliate her as she loses control and becomes more childlike. Now... I'm just really happy she loves it!

Wow, what a turn-around, you must really love that doll kid!

Now where are you off to?

Alex is so precious! And very soon she will be in this body! Is Haley going to raise her right? Is she going to feel the same way I do now when I let her go?

I sure do! His name is Wobbly Dobbly! And I love him very much! Thank you Mommy and Aunt Erica!

Mommy said we were leaving and I'm ready to go!

I'm ready to find a way to be a boy again! There has to be a way outside! Wobbly Dobbly and I are going to find it!

I don't know if she will! This might be all of the hormones coursing through this body talking but I want to be the one to take care of Alex...

Mommy? What are you waiting for? Aren't we leaving?

Yes sweetie! I'm coming... I just need a quick moment to use the bathroom! You and Erica wait outside!

I don't even want to go back to my own body! You know what Haley can have it because I'm not giving her this one back!

Ok Mommy!

I will truly miss my indestructible Demon  
body, however, that body can't pregnant.  
So it's unfortunately a necessary cost. I  
could just send Hailey's soul to the Demon  
Realm... No, she doesn't deserve that...  
Alright, enough thinking about this, I want  
this, I just have to DO IT!

**HAAAAGH!!!**  
**SOUL TRANSFER!**

Wha... Where am I? The last think I remember was talking to Gianna...

GAH!  
Who're you? Where am I? What happened to Gianna!? What about Alex?!

Calm down Hailey! It's me, Gianna! You're in the secret dungeon. You are in my body and I'm in your body... kind of, it was a little too old for child rearing so I made it 23 again and changed some of your features!

Gianna!  
What did you do?  
Child rearing!? Why do you need to do that??

To make a long story short, I'm regressing Alex to an embryo and I need a womb to finish the process.

Regress? Womb?  
AND YOU'RE GOING TO USE MY BODY TO DO IT?!

Gianna you can't do this! Please! Just stop!

My body doesn't have a womb. So I'm taking your body. But my body is basically immortal. So enjoy it! Just stay away from holy water!

Sorry Hailey, Alex is waiting for me. So long...

GIANNA!  
NOOO!

That might have been a bit impulsive... I guess I've always been that way though! Either way being a Mom will be a whole new adventure in my life! And if I ever want to go back I'm sure I could...

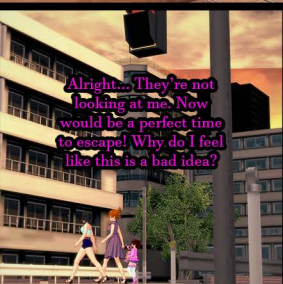

Hmm... I wonder how Victor is going to react to Hailey...

Oh hey, you finally came back. Nice...

Where am I!? Who are you!? Am I really Gianna?

Alright, cool, I guess you're NOT Gianna. I don't really care, you wanna fuck?

Uh... Gianna,  
it looks like Alex is  
running away.

I had a  
feeling she might.  
Don't worry I can  
track her.

Shouldn't  
we stop her  
now?

No, I have a  
feeling this is going to  
be a good learning  
opportunity.

**-HUFF-**  
**-HUFF-**  
**-HUFF-**

**I did! Me and Wobbly  
Dobbly escaped! Mommy  
can't keep a hold of us  
anymore! I gotta go find my  
brother! I need to find  
Aubey!**

**... Mommy is  
really just walking  
away? She doesn't  
see that I'm gone?  
H... How could she  
just leave like that.  
Leave me... all alone.**

That's the last  
poster for today. I'm  
sure I'll find you  
soon Alex!

What the?  
Is that a little girl?  
What's she doing out  
alone so late?

**I'm all alone!  
Wobbly Dobbly... I  
don't know how to  
get home! I'm lost  
and I'm afraid! I  
need my Mommy...**

Hey... little  
girl? Are you lost?  
Do you need  
help?

What's your  
name? Did you lose  
your mommy?

I... I...  
I know you...  
Brother?

Hey I finished putting up all of my posters... Who's the kid?

So did I Ken! I think we should... Wait did you say kid?

Me? No, I'm not your brother. Are you looking for him?

OH... MY... GOD!!!

THIS LITTLE GIRL IS ADORABLE!!

Aubrey, we don't even know who's kid that is we shouldn't be picking her up like that.

You really don't know who I am?

We just met sweetie! How would I know who you are?

Auby. You're Auby, and Ken and Lisa!

H... How do you know our names? Who are you little girl?

**\*Sniff\***  
**How do you not know me! It's Alex!**

# WHAT!?

# WHAT!?

# WHAT!?

Damnit!  
No no no! What are  
the odds that she would  
run into her brother  
of all people!

Gianna...?  
What exactly was  
the plan here?

She was supposed  
to just get scared and then  
realize she needed me!

If Alex keeps  
regressing... Does that mean  
one of those girls over there  
might become Alex's  
new mom?

I won't let that happen...

Ok... Wait, so  
Gianna took Hailey's body  
and changed it? This is  
just...

Crazy...  
I wouldn't believe  
it if this... Gianna  
hadn't broken my  
damn arm!

Ya...  
Mommy can be a  
real meanie!

Alex, you're  
safe now, you don't have  
to call her mommy.

Ya, and you  
can let go of that bunny  
too.

I can't stop  
calling her Mommy and I don't  
want to let Wobbly Dobbly  
go.. He's my best  
friend...

Ken, she really is just like a little girl. What should we do? Tell the police?

No... It's not like they'd believe us anyway. I barely believe what's going on.

But if what Alex says is true, he's going to keep regressing until he's a baby in that crazy ladies tummy!

I know. That's why I'm going to find her and put an end to this. Get her to change Alex back!

WAIT!

Alex!? What's gotten into you?

Don't go after Mommy!

\*GRAB\*

Mommy is a demon! You can't fight her! She will win! I don't want you to hurt! And... And... \*Inhale\*

ALEX!

\*DROP\*

Oh no... I'm... Sleepy... I don't wanna... change... ZZZZZ

Lisa! What are you doing?

But what about your arm?!

I'm bringing Alex to his room. It's all I can do for him...

He really doesn't weigh that much. And I think someone else might need you...

Oh... It looks like Alex dropped his baby bunny.

Come on Ken. Don't look at me like that you'll make me cry. Alex is going to be ok. We'll figure this out together!

And I'll be here with you the entire time.

Thank you Aubrey, you really are a great person.

I'm just doing what I can. You're the one who is great for your strong resolve!

Aubrey... When this is all over... Do you think that we could... I shouldn't even be asking this with Alex...

Ken... I've felt the same way. We can all talk about it, once Alex is back to normal!

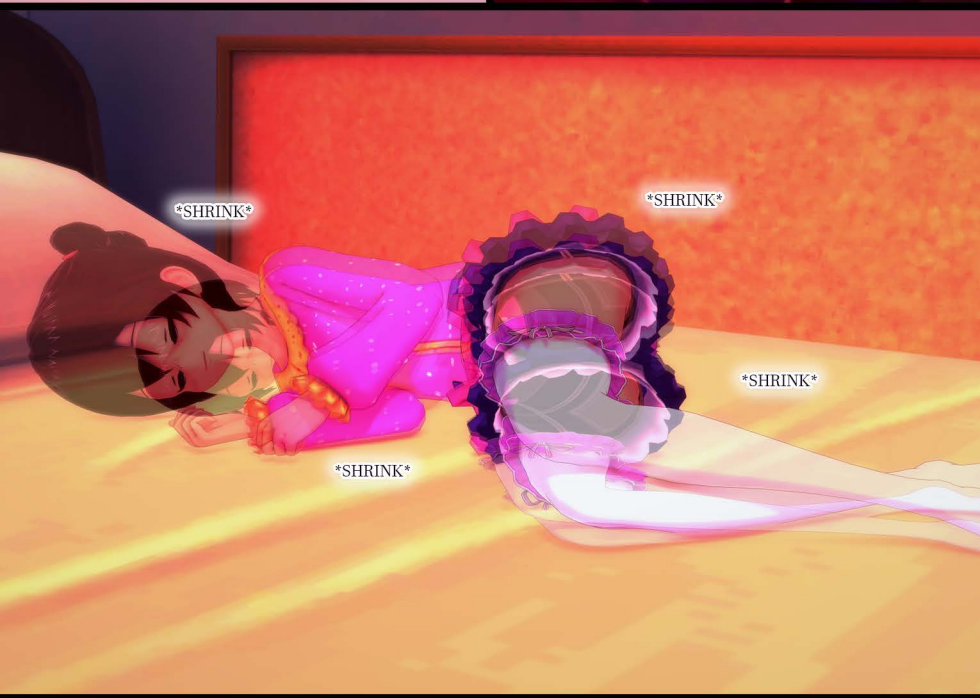

Ok... Ok... Aubrey, I want you and Lisa to head out. I'm going to take care of this.

Woah wait! What do you mean by that? Do you have a plan? How are you going to find Hail... Gianna?

She has Alex calling her mommy... I have a feeling sooner or later shes going to show up here. And we're going to have a talk.

Ok... But, please just be careful!

Oh... There she is.  
She's so precious! And she's  
ready!

It's time to  
put you in Mommy's  
belly Alex.

You're Alex's  
brother, aren't you? Well,  
even if I wanted to change  
Alex back, I can't at this  
point...

Bullshit.  
Change him back now  
or I'm going to put a  
bullet in you.

Put Alex down you  
crazy ass bitch! And turn him  
back to normal while you're  
at it!

\*CLICK\*

You utter fool!  
Do you think your puny  
mortal weapons can harm a being of my  
immense power? And what if you miss?  
You might hit poor little Alex? I know  
you won't risk that!

I won't miss...

*GAHHHHH!*

*\*BANG\**

*\*SPLAT\**

It looks like that hurt quite a bit. We can do this all night. Or you could change my brother back...
