

MY TOY

CHAPTER 16

BY: MAIDENEIR

She seduced me...
There was nothing I could do.
Sorry Gianna.

Is it my
fault she was stupid
enough to believe
that!?

LIAR! You
said that if we had sex I could
unlock some of Gianna's magic!
Then I'd be able to get
my body back!

I don't know how
you Demons work! For
all I know that could've
been true!

Enough...
I don't care. Hailey
get over here. I'm
taking my body
back...

~SOUL TRANSFER!~

Ah... It feels good
to be me again! Well a younger
me... with different... Hmm...
I guess I'm just happy to
be human again!

And, now
that I have access
to all of my power
again...

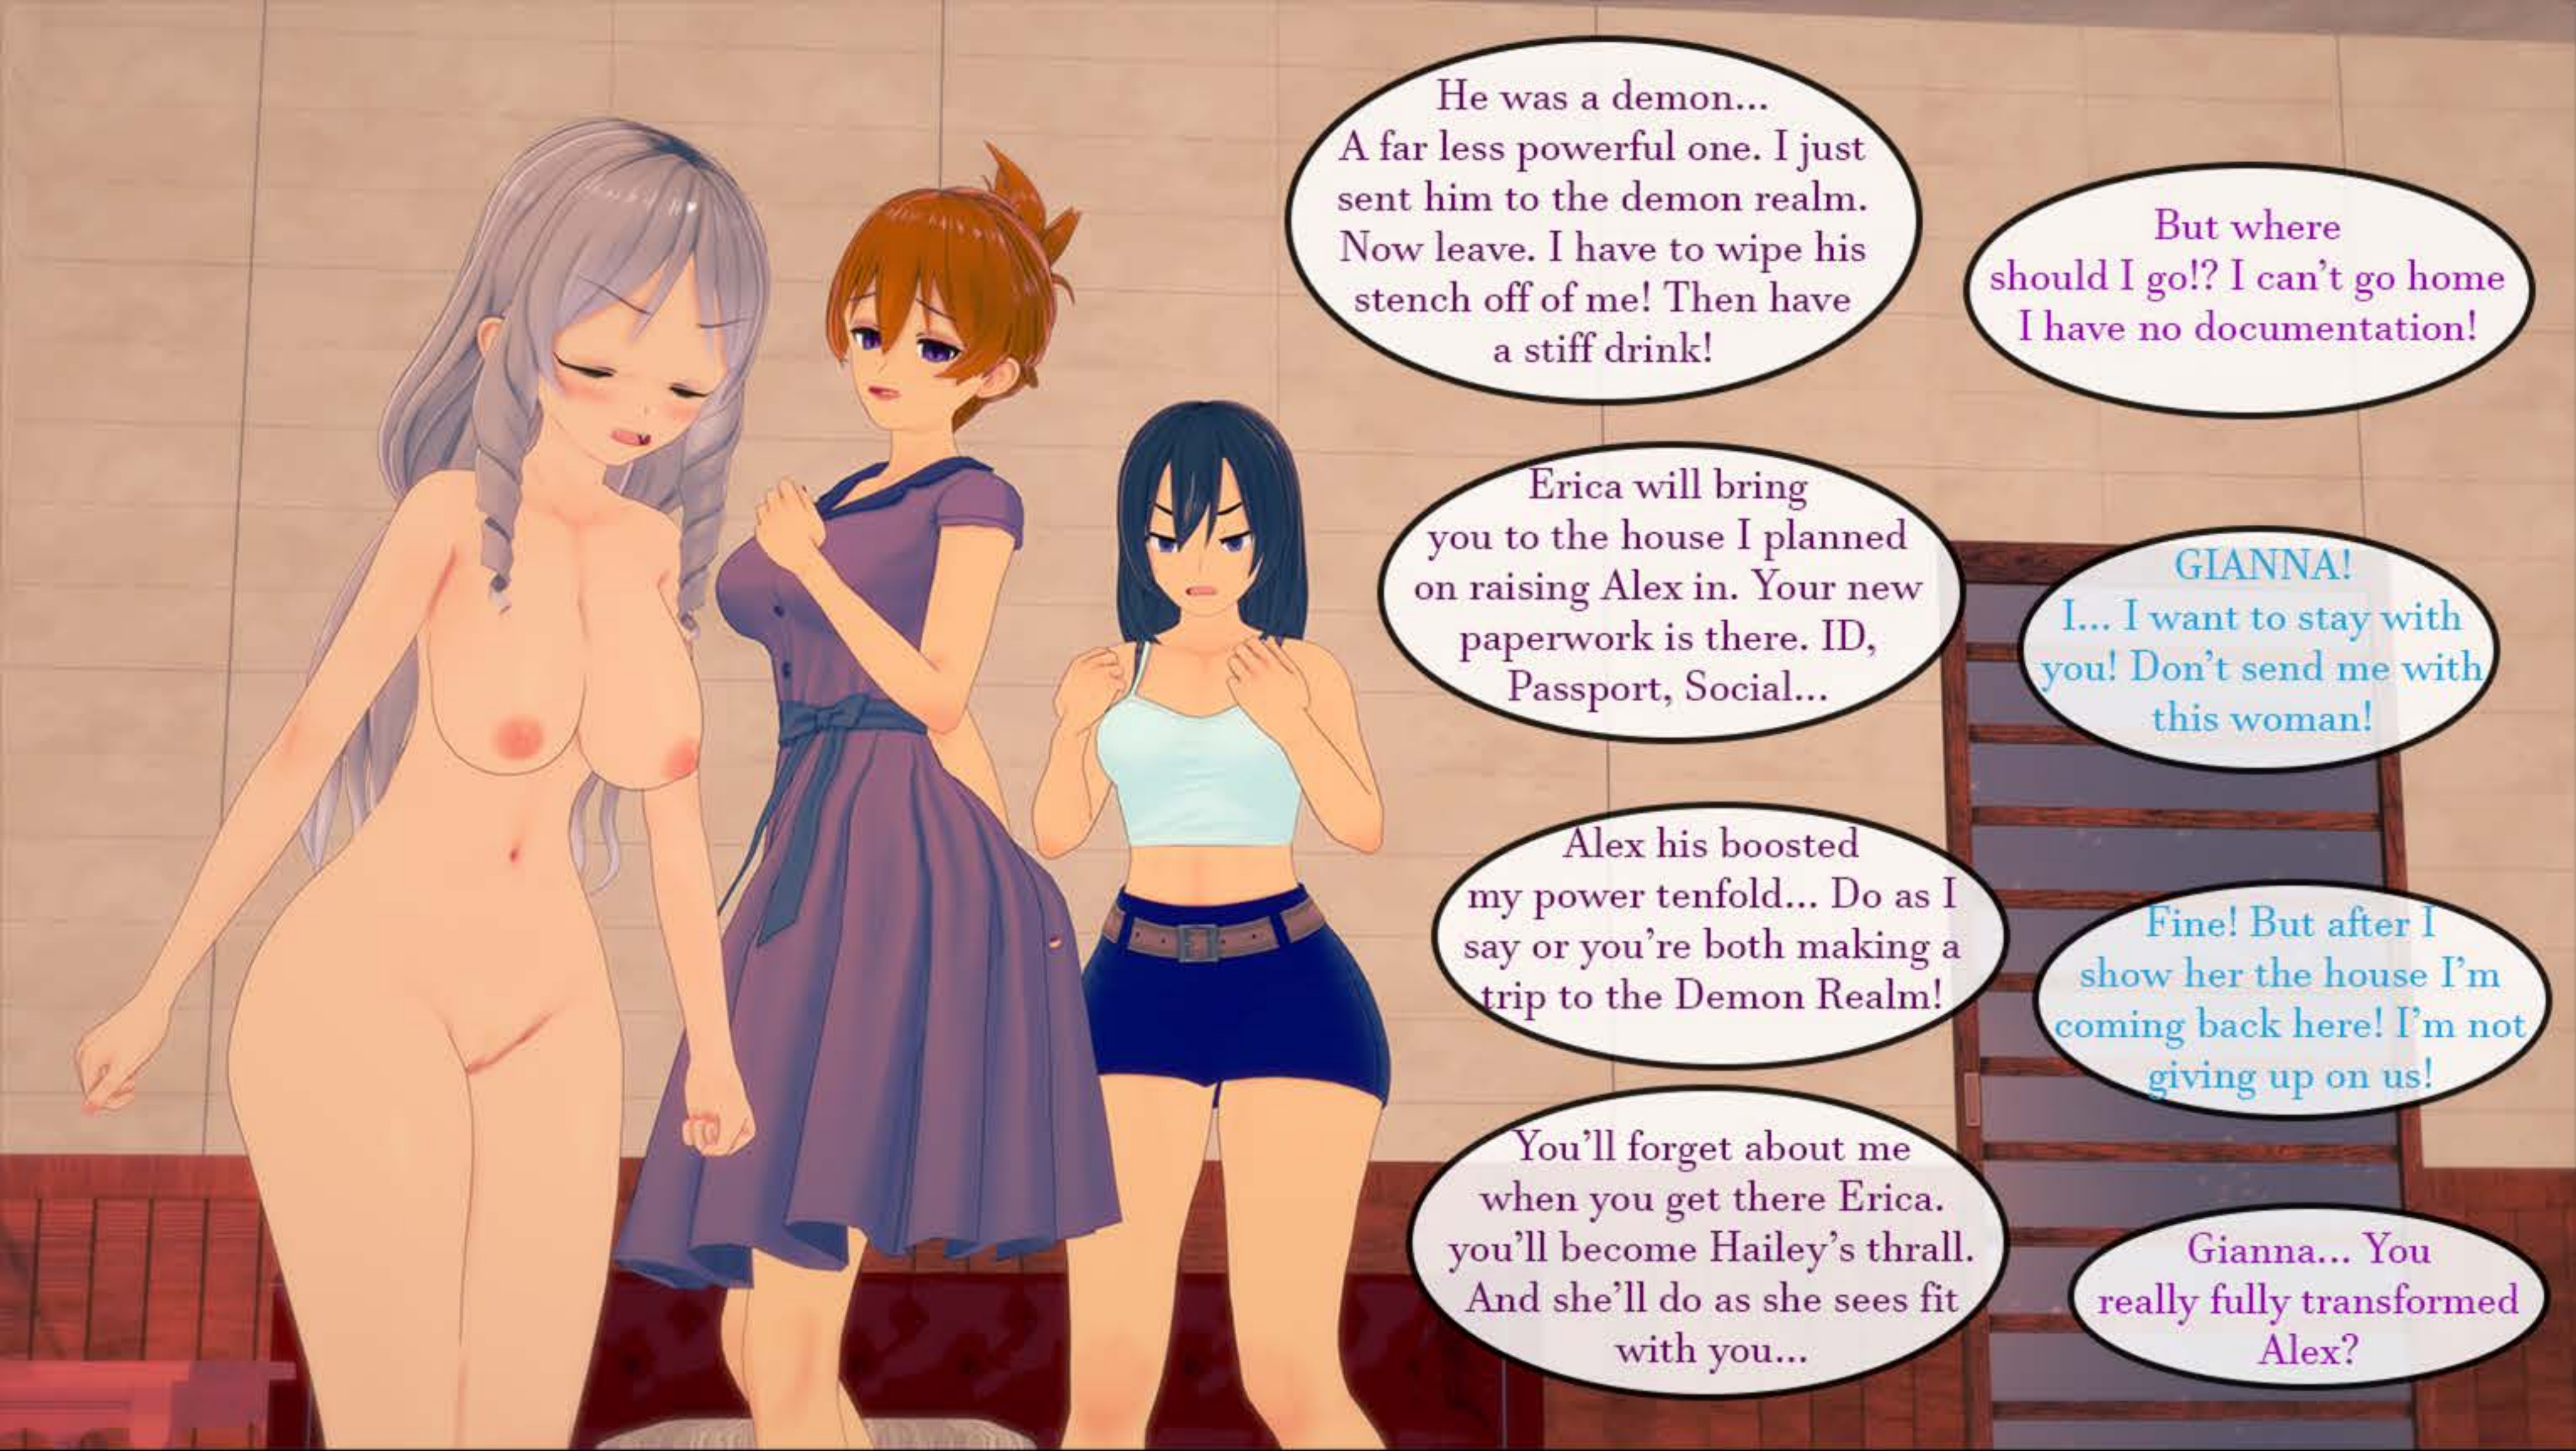

Goodbye Victor!
Say hi to my dad for me!
We are officially on a
BREAK!

Ya ya... Alright, see
you in a couple years
when you start to
miss me...

Not this
time asshole. I'm
done with you!

OH MY GOD!
What did you just do
to him!?

He was a demon...
A far less powerful one. I just
sent him to the demon realm.
Now leave. I have to wipe his
stench off of me! Then have
a stiff drink!

But where
should I go!? I can't go home
I have no documentation!

Erica will bring
you to the house I planned
on raising Alex in. Your new
paperwork is there. ID,
Passport, Social...

GIANNA!
I... I want to stay with
you! Don't send me with
this woman!

Alex has boosted
my power tenfold... Do as I
say or you're both making a
trip to the Demon Realm!

Fine! But after I
show her the house I'm
coming back here! I'm not
giving up on us!

You'll forget about me
when you get there Erica.
you'll become Hailey's thrall.
And she'll do as she sees fit
with you...

Gianna... You
really fully transformed
Alex?

Yes I did!
He also fully regressed into
an embryo... And that girl Aubrey...
JUST LEAVE ME ALONE!

But... Gianna...
I love you...

Hey, Erica was it?
I think we should go
before something
bad happens.

Hey I found those documents Gianna told us about...

Ya... She really wanted to have him! We were going to raise him together.

She really was planning on raising Alex. She even got him a crib...

It's better that Alex is at least with his family... It's too bad this crib will go to waste...

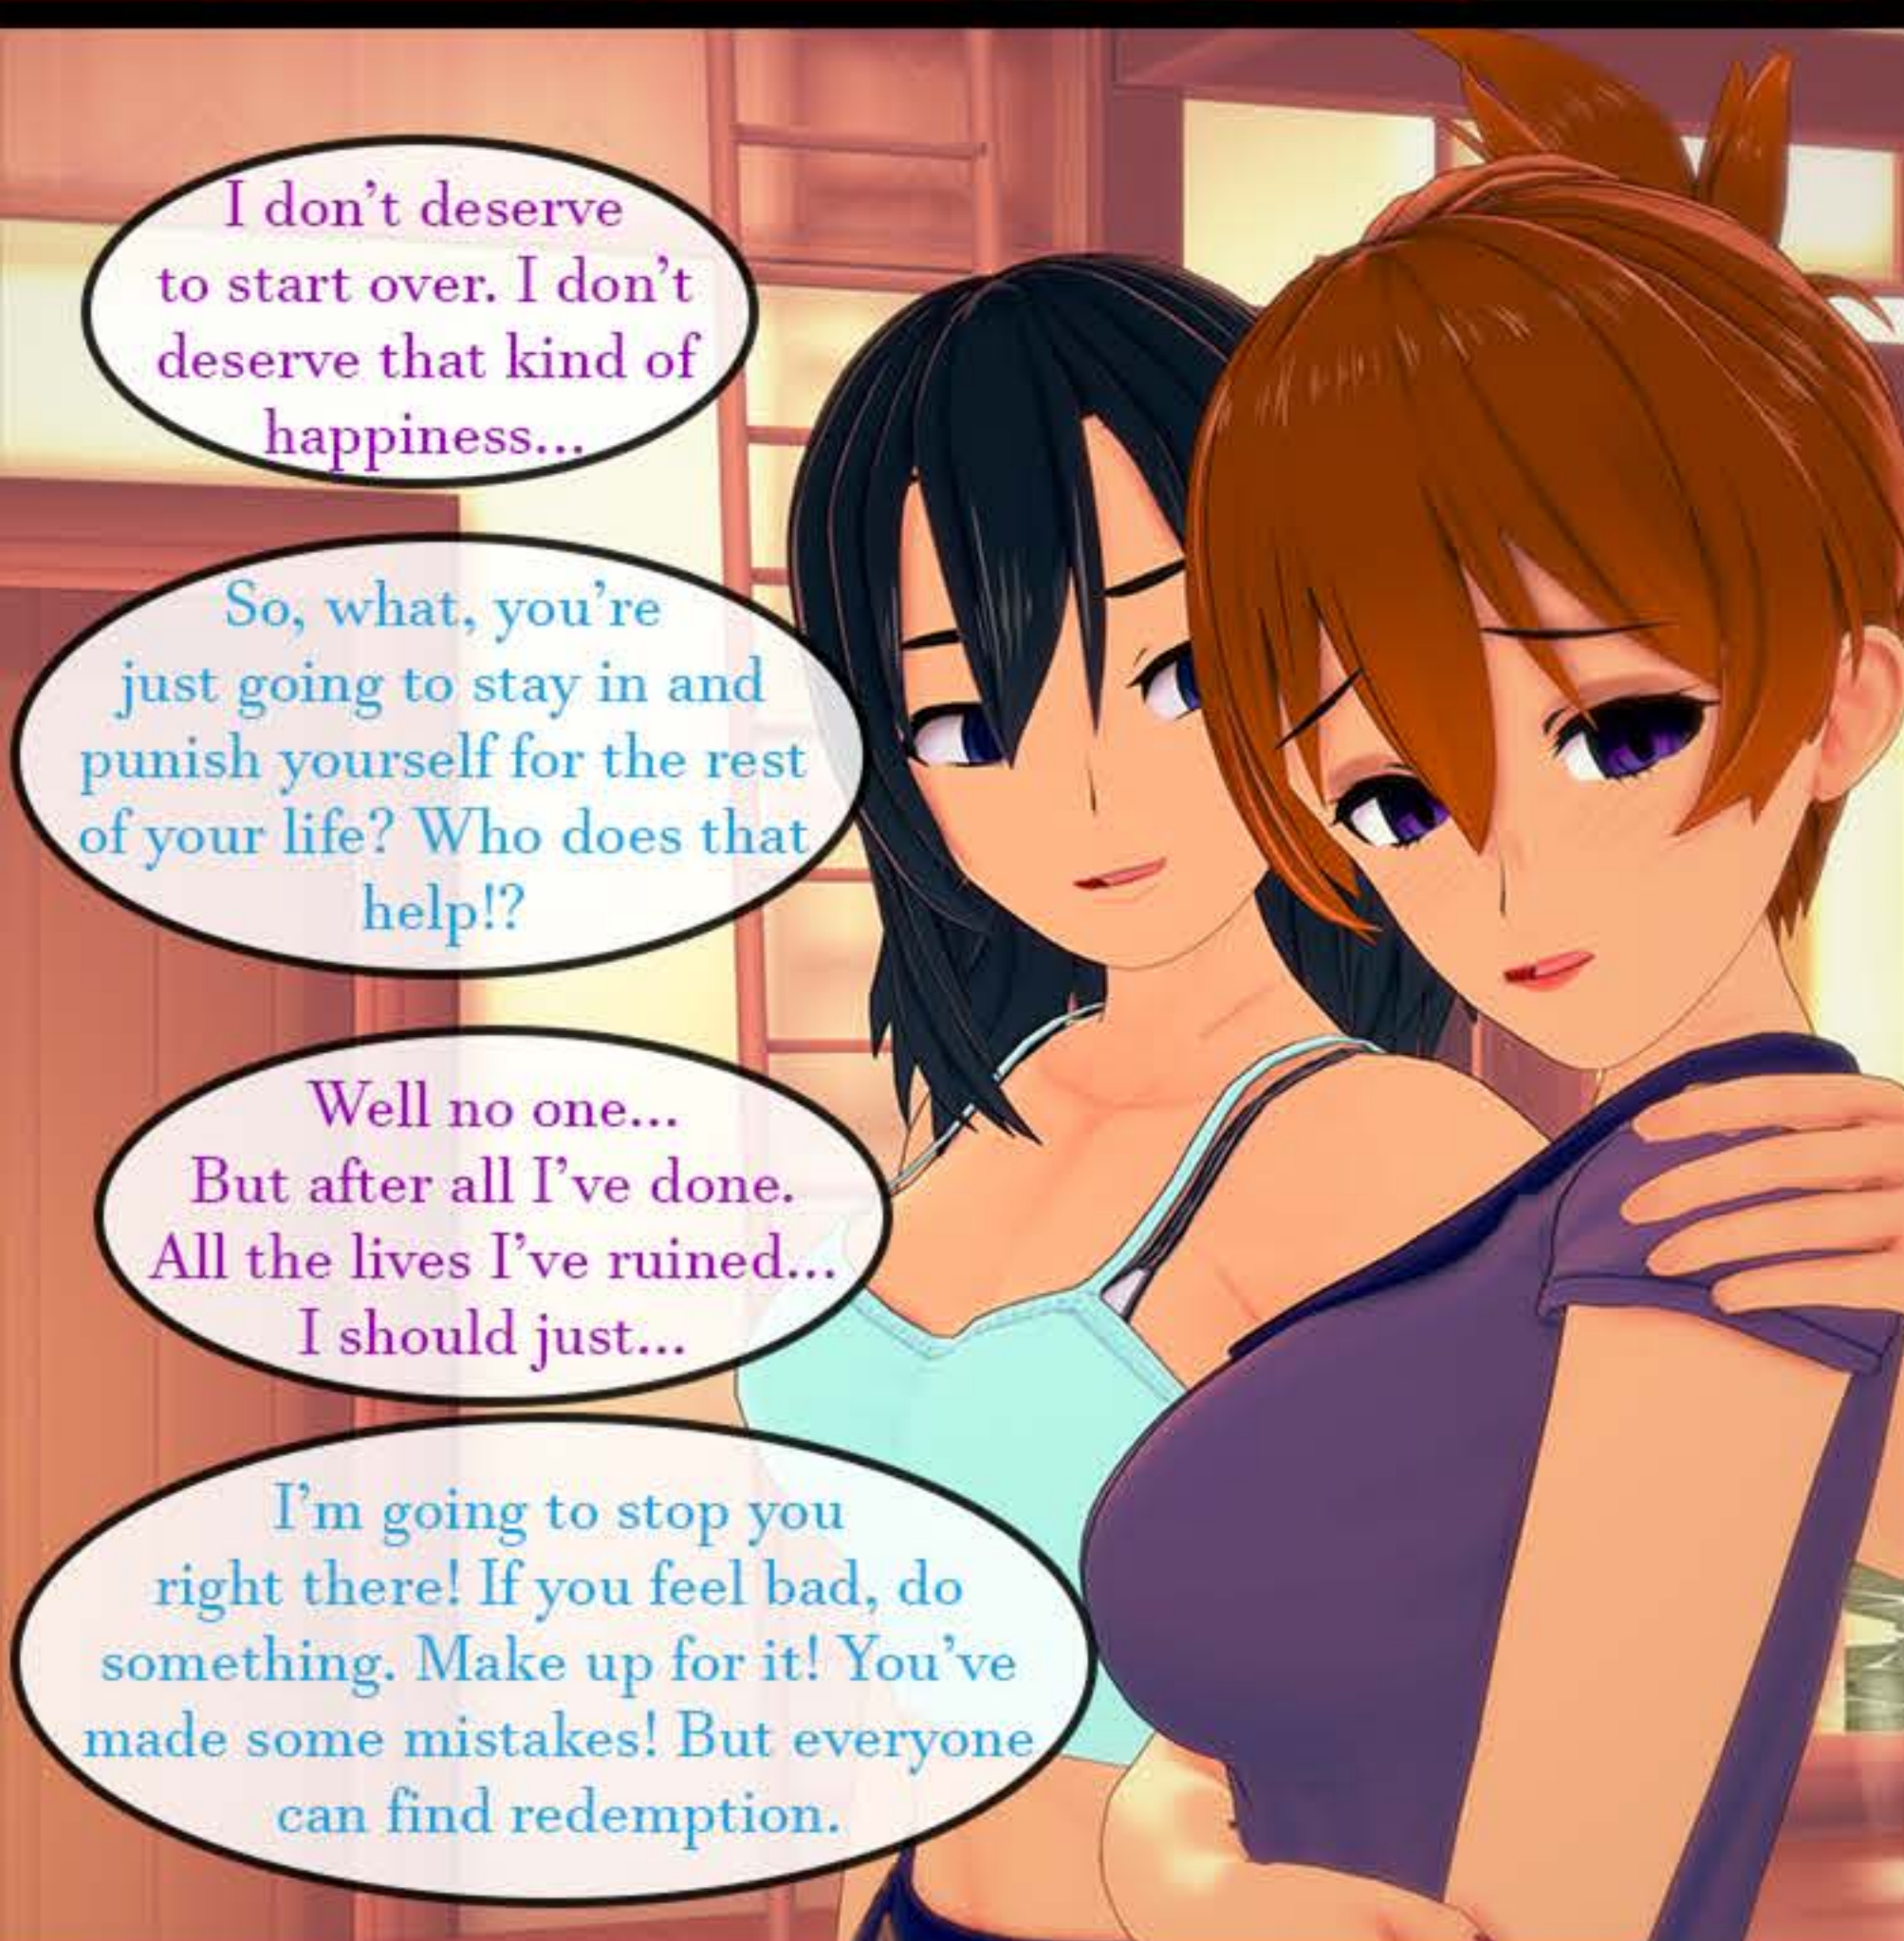

It doesn't have to! You could donate it... Or have your own.

Not anymore! You're only 24 now!

My own what? Kid? No no no, I'm far too old for that!

I guess you're right... I get a fresh start... While all those men I've hurt over the years don't.

I don't deserve to start over. I don't deserve that kind of happiness...

So, what, you're just going to stay in and punish yourself for the rest of your life? Who does that help!?

Well no one... But after all I've done. All the lives I've ruined... I should just...

I'm going to stop you right there! If you feel bad, do something. Make up for it! You've made some mistakes! But everyone can find redemption.

Redemption? After all the men I've forcibly turned into women...

YES! EVERY SINGLE PERSON is capable of it! But you have to choose to be better than you were yesterday! And you have to follow your heart to get on the path of the righteous

What the hell were you before you met Gianna? A damn preacher?

No... Better! I was a football player from Texas...

Haha... Jeez Erica that was a silly thing to say!

There's a smile! Now we need a plan of attack! What do you want to do?

Well I spent the last 10 years of my life forcibly feminizing men. I should... become a Demon Slayer!

Maybe a little far-fetched... Could use a bit of workshopping but it's a step in the right direction!

I'll do something to earn my redemption! I'm going to make the world a better place! Next time I see Gianna I'll have to thank her for sending Erica with me... I don't know where I'd be without her optimism!

Stupid Victor... Stupid Hailey...
Everyone sucks... Damn it! Now I'm
outta booze... Everything sucks!
Wherez Alex? I want my baby!

Well well well!
It must be my lucky day! how
often do you see a naked babe
just walking the streets!?

Who're you!? And
do you gotz any booze? I
just ran out!

Not on me, but
if you help me out, I can help
you out!

FIINE! What
do you want? And you better
get me my booze!

Don't you
worry! I'm a man
of my word!

I want you
to suck my dick and
I'll get you all the booze
you could ask for!

You look kinda
young... Whatever, I'll
eat your male essence
but then you get me
BOOZE!

Ya of course.
Let's go down that ally
over there!

This is the
best day ever! Get to
sucking girl!

Ok... But when
I'm done you better not
forget my booze!

Ahhhh ya baby!
That's good... What the hell?
What's up with your eyes!?
It... IT'S DISAPPEARING!

~AHHHHHHHHHHHHHH~

Wow... That was amazing.
I've never been eaten out in an
ally before... By the way I'm
only 18 so I can't buy you
booze.

DAMNIT!!

Haha! Dumb bitch!
That's why your eating
girls out in the ally! Have
fun being homeless or
whatever!

Ugh... Why did I wear this outfit today? It's so not my style!

Come back here! Give me my booze you cunt!

Up yours slut! I'm going home to sleep in a bed! Enjoy the streets!

Fuuuck! That guy sucked! I ate his male essence then he just didn't even give me what I asked for! My powers must need to be adjusted...

But I'm way more powerful now! I sucked his dick for all of 20 seconds before he transformed! I didn't even need to manipulate him!

Humans are the worst! Can't even honor their word! Why did I even try to be nice to them?

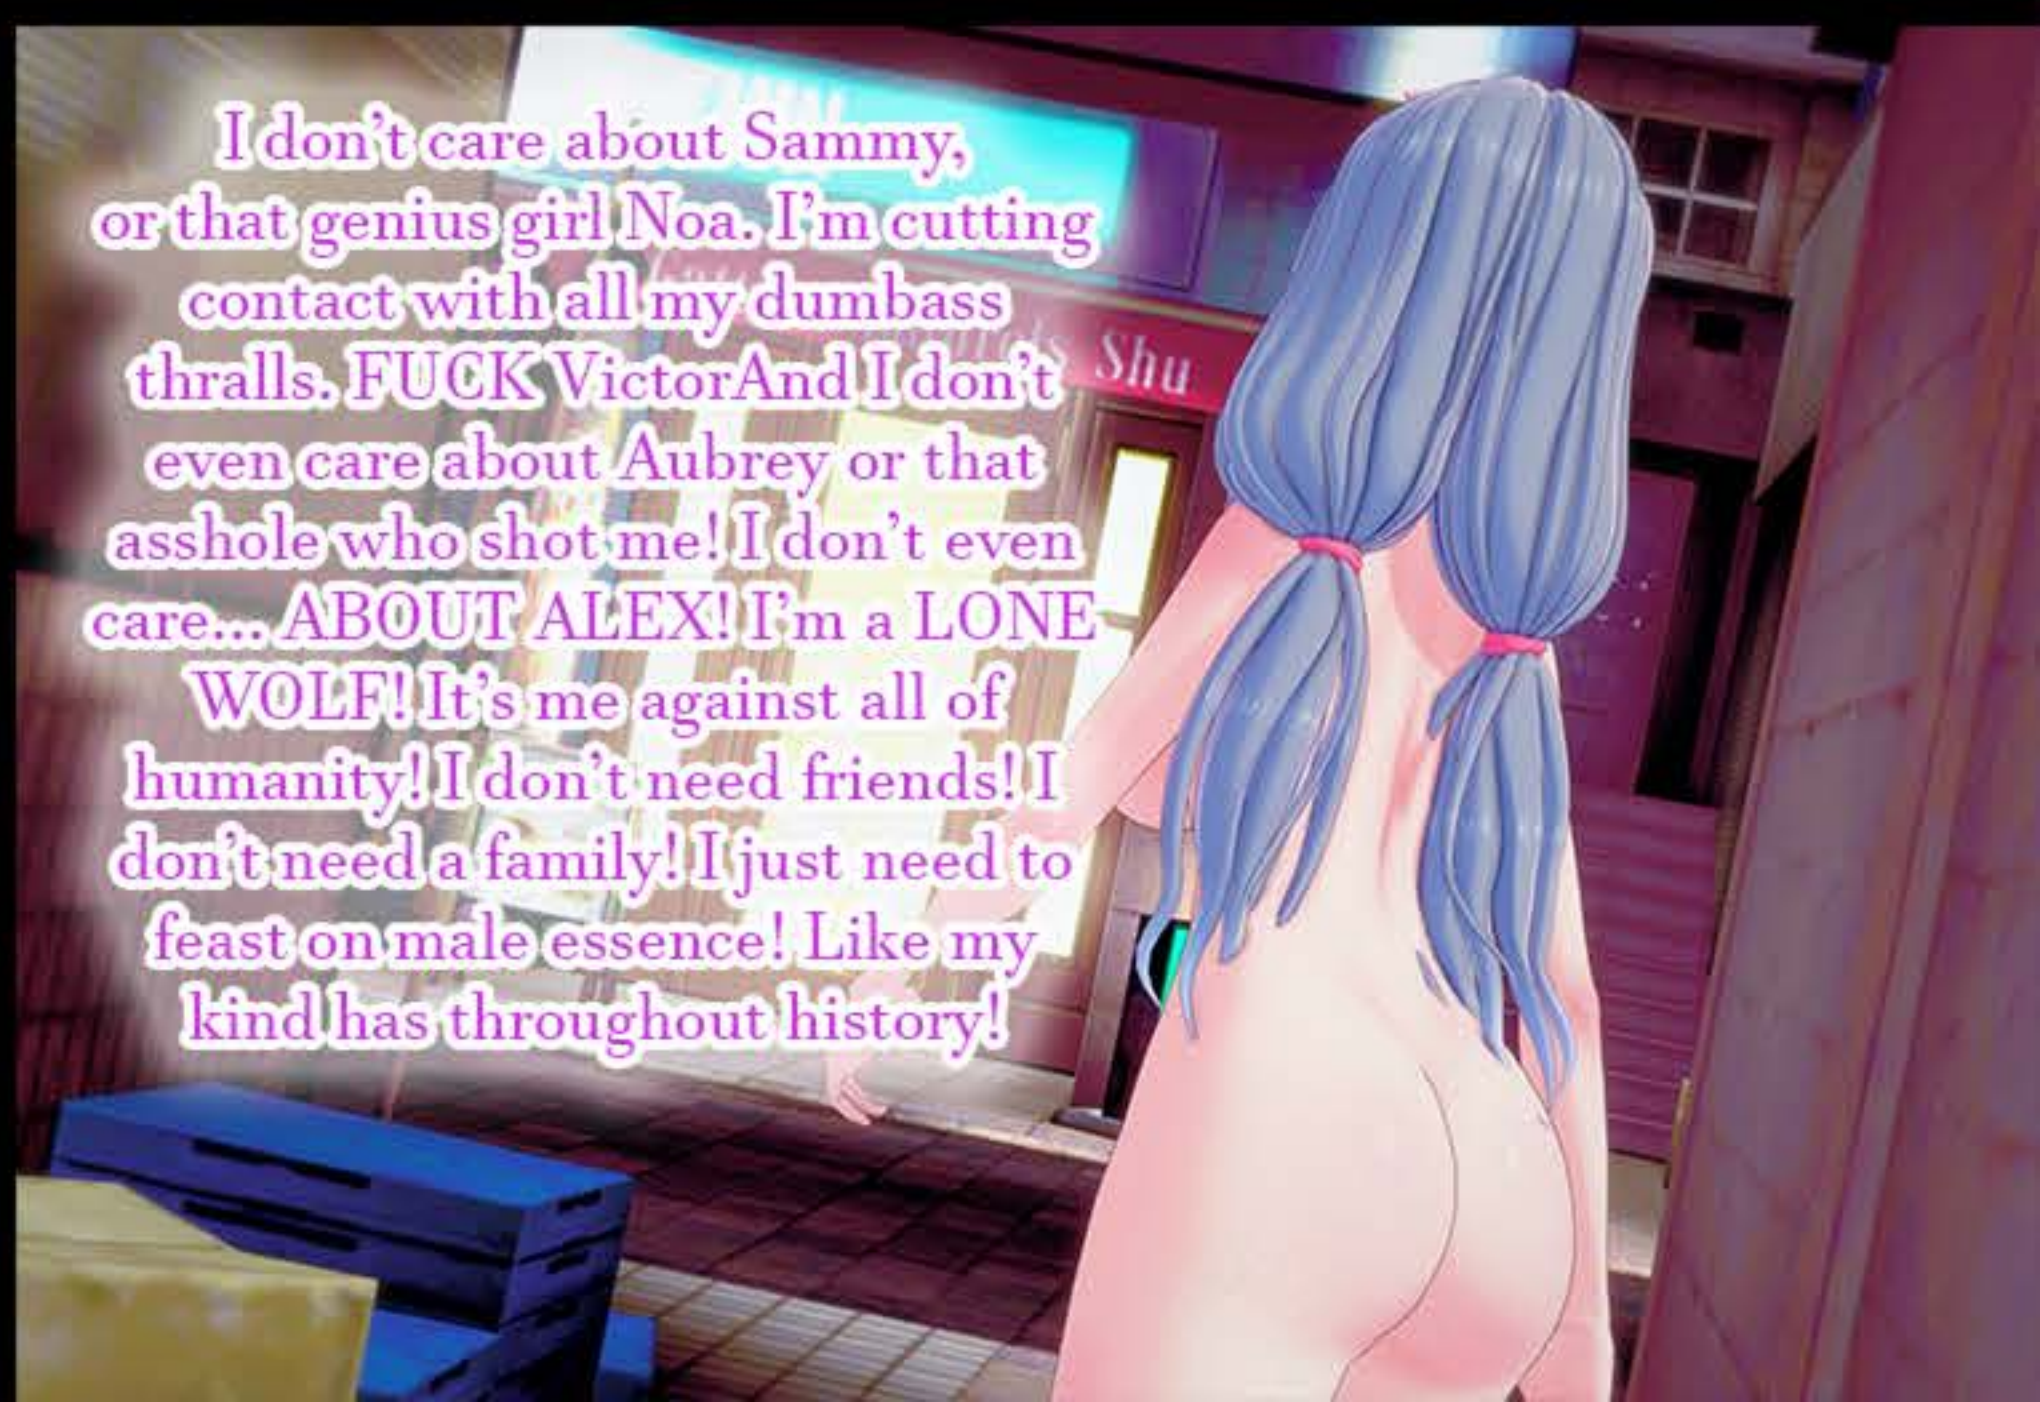

They're nothing but a food source! And I can eat anytime I want now!

... But Alex... He could've been my... Me and him and Erica could've been a... a.. family...

Know what!? NO, fuck humanity! I'm just gunna eat their male essence and drink their booze!

I guess I don't want a bunch of them after me so I'll keep a low profile and just go back to my normal life... But no more nice demon!

I don't care about Sammy, or that genius girl Noa. I'm cutting contact with all my dumbass thralls. FUCK Victor! And I don't even care about Aubrey or that asshole who shot me! I don't even care... ABOUT ALEX! I'm a LONE WOLF! It's me against all of humanity! I don't need friends! I don't need a family! I just need to feast on male essence! Like my kind has throughout history!

Finally Aubrey!
I feel like you've been
avoiding me the past
two weeks!

Lisa...
It's... Been tough.
These past two
weeks...

Why have you been
avoiding me!? I want to
know what happened
with Alex!

I'll tell you
everything... But
prepare yourself. It's
not exactly a happy
ending!

Oh no... Did
Gianna get him?
Is he...?

No Gianna
didn't get him...

I GOT HIM!
Gianna tried to take Alex
away and the only way to
save him was for me to get
pregnant with him!

OH MY GOD!
PREGNANT!?
NO WAY!

I am... With Alex...

Well then...
Let's get married! I
know I said I didn't
want kids but...

I knew you'd say
that... That's why I've
been avoiding you... There's
no easy way to tell you this.
I'm planning on being with
Ken and raising Alex with
him...

Raising with...
So you called me
up here... To break
up with me!?

Please don't
take this wrong
way Lisa! I still
love you!

NO! Aubrey!
You can't do that!
We were supposed
to be...

Together
forever...

Why did I ever
agree to letting you
date men!?

Lisa...
I wouldn't have been
happy if I hadn't gotten to
explore my heterosexuality.
Even if I hadn't gotten pregnant,
this was always a
possibility!

So... You just
never could've been
happy with me huh? I
was never enough for
you! Was I?

NO! That's not it at all! I want you in my life! You're my best friend!

I want more than that...

Lisa! My life wouldn't be the same without you! Who's going to do movie night with me? Stargaze? Bake cookies at 2 in the morning for the astro-club bake sale!?

You can do all of that with your new boy toy!

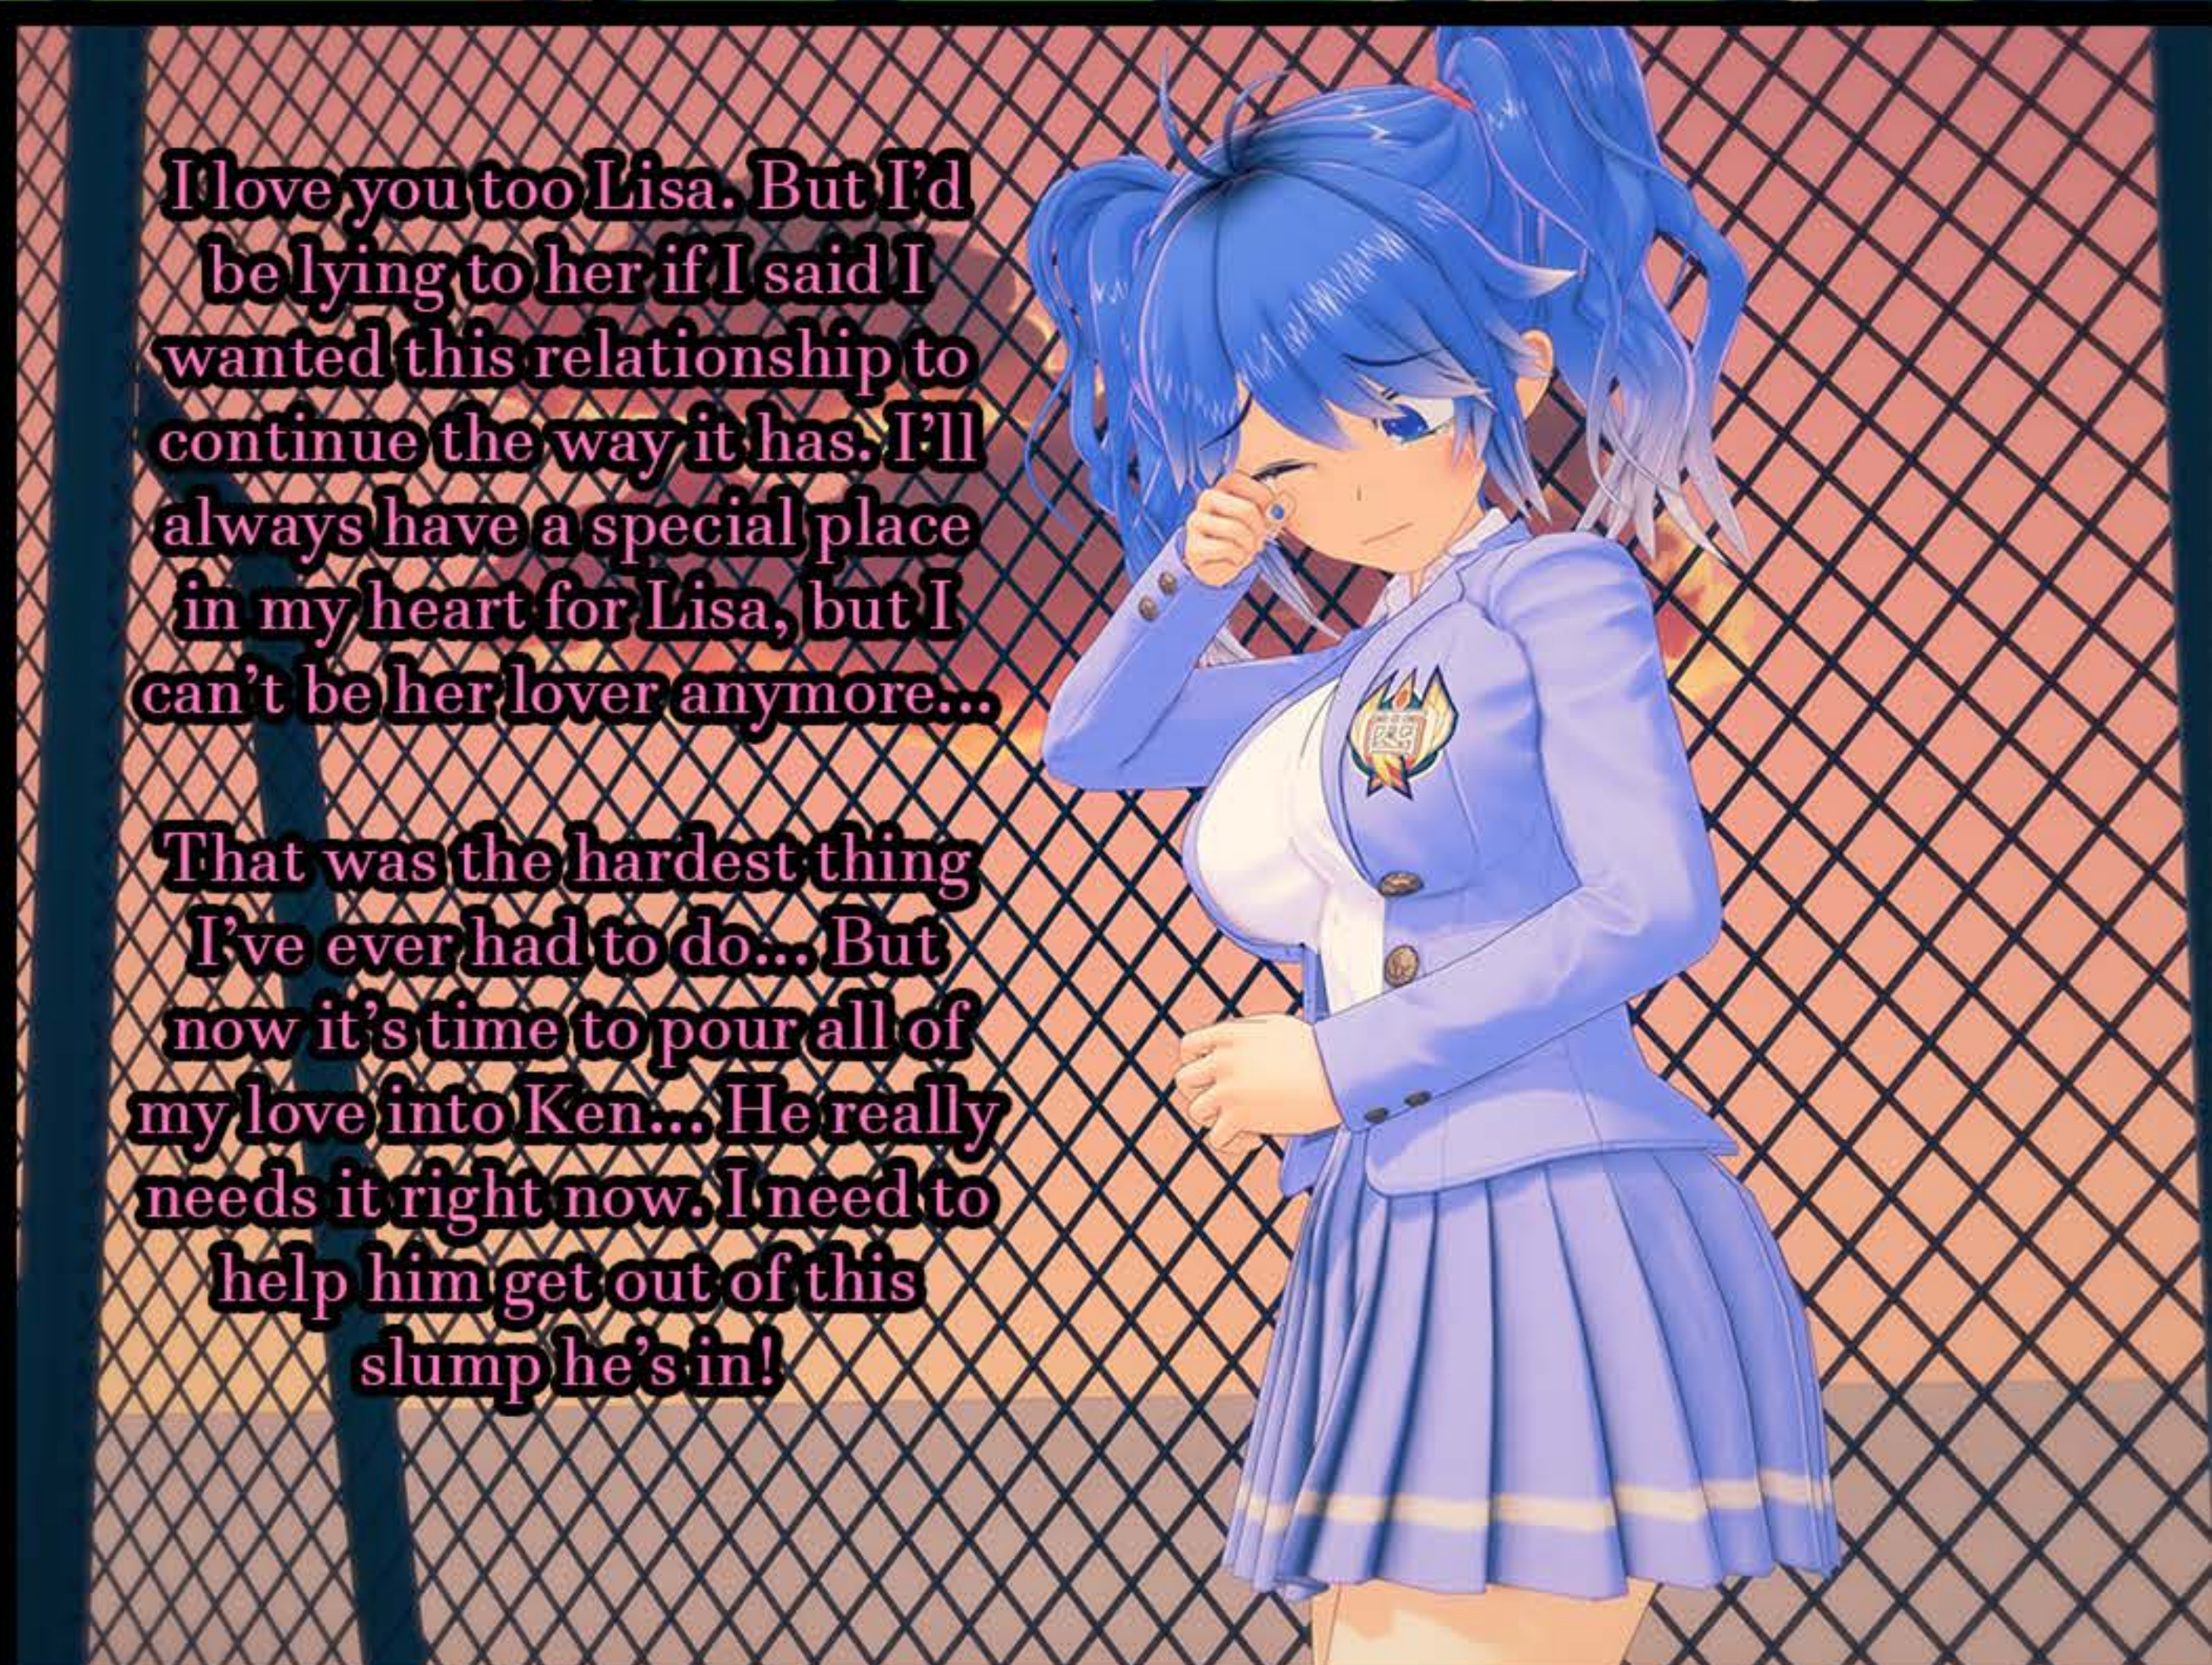

I understand you're hurt Lisa... But I don't want to lose you!

I... I can't even look at you right now! I'm sorry Aubrey! But I need some time to think!

How long?

Sniff
I don't know...
Just leave me ALONE!!

I love you too Lisa. But I'd be lying to her if I said I wanted this relationship to continue the way it has. I'll always have a special place in my heart for Lisa, but I can't be her lover anymore...

That was the hardest thing I've ever had to do... But now it's time to pour all of my love into Ken... He really needs it right now. I need to help him get out of this slump he's in!

I may have lost Lisa, but I'm not going to lose Ken too! I'm going to help him find his love for life again!

KEN!
I'M BACK!

Have you moved at all today?

No...

I broke up with Lisa this afternoon.

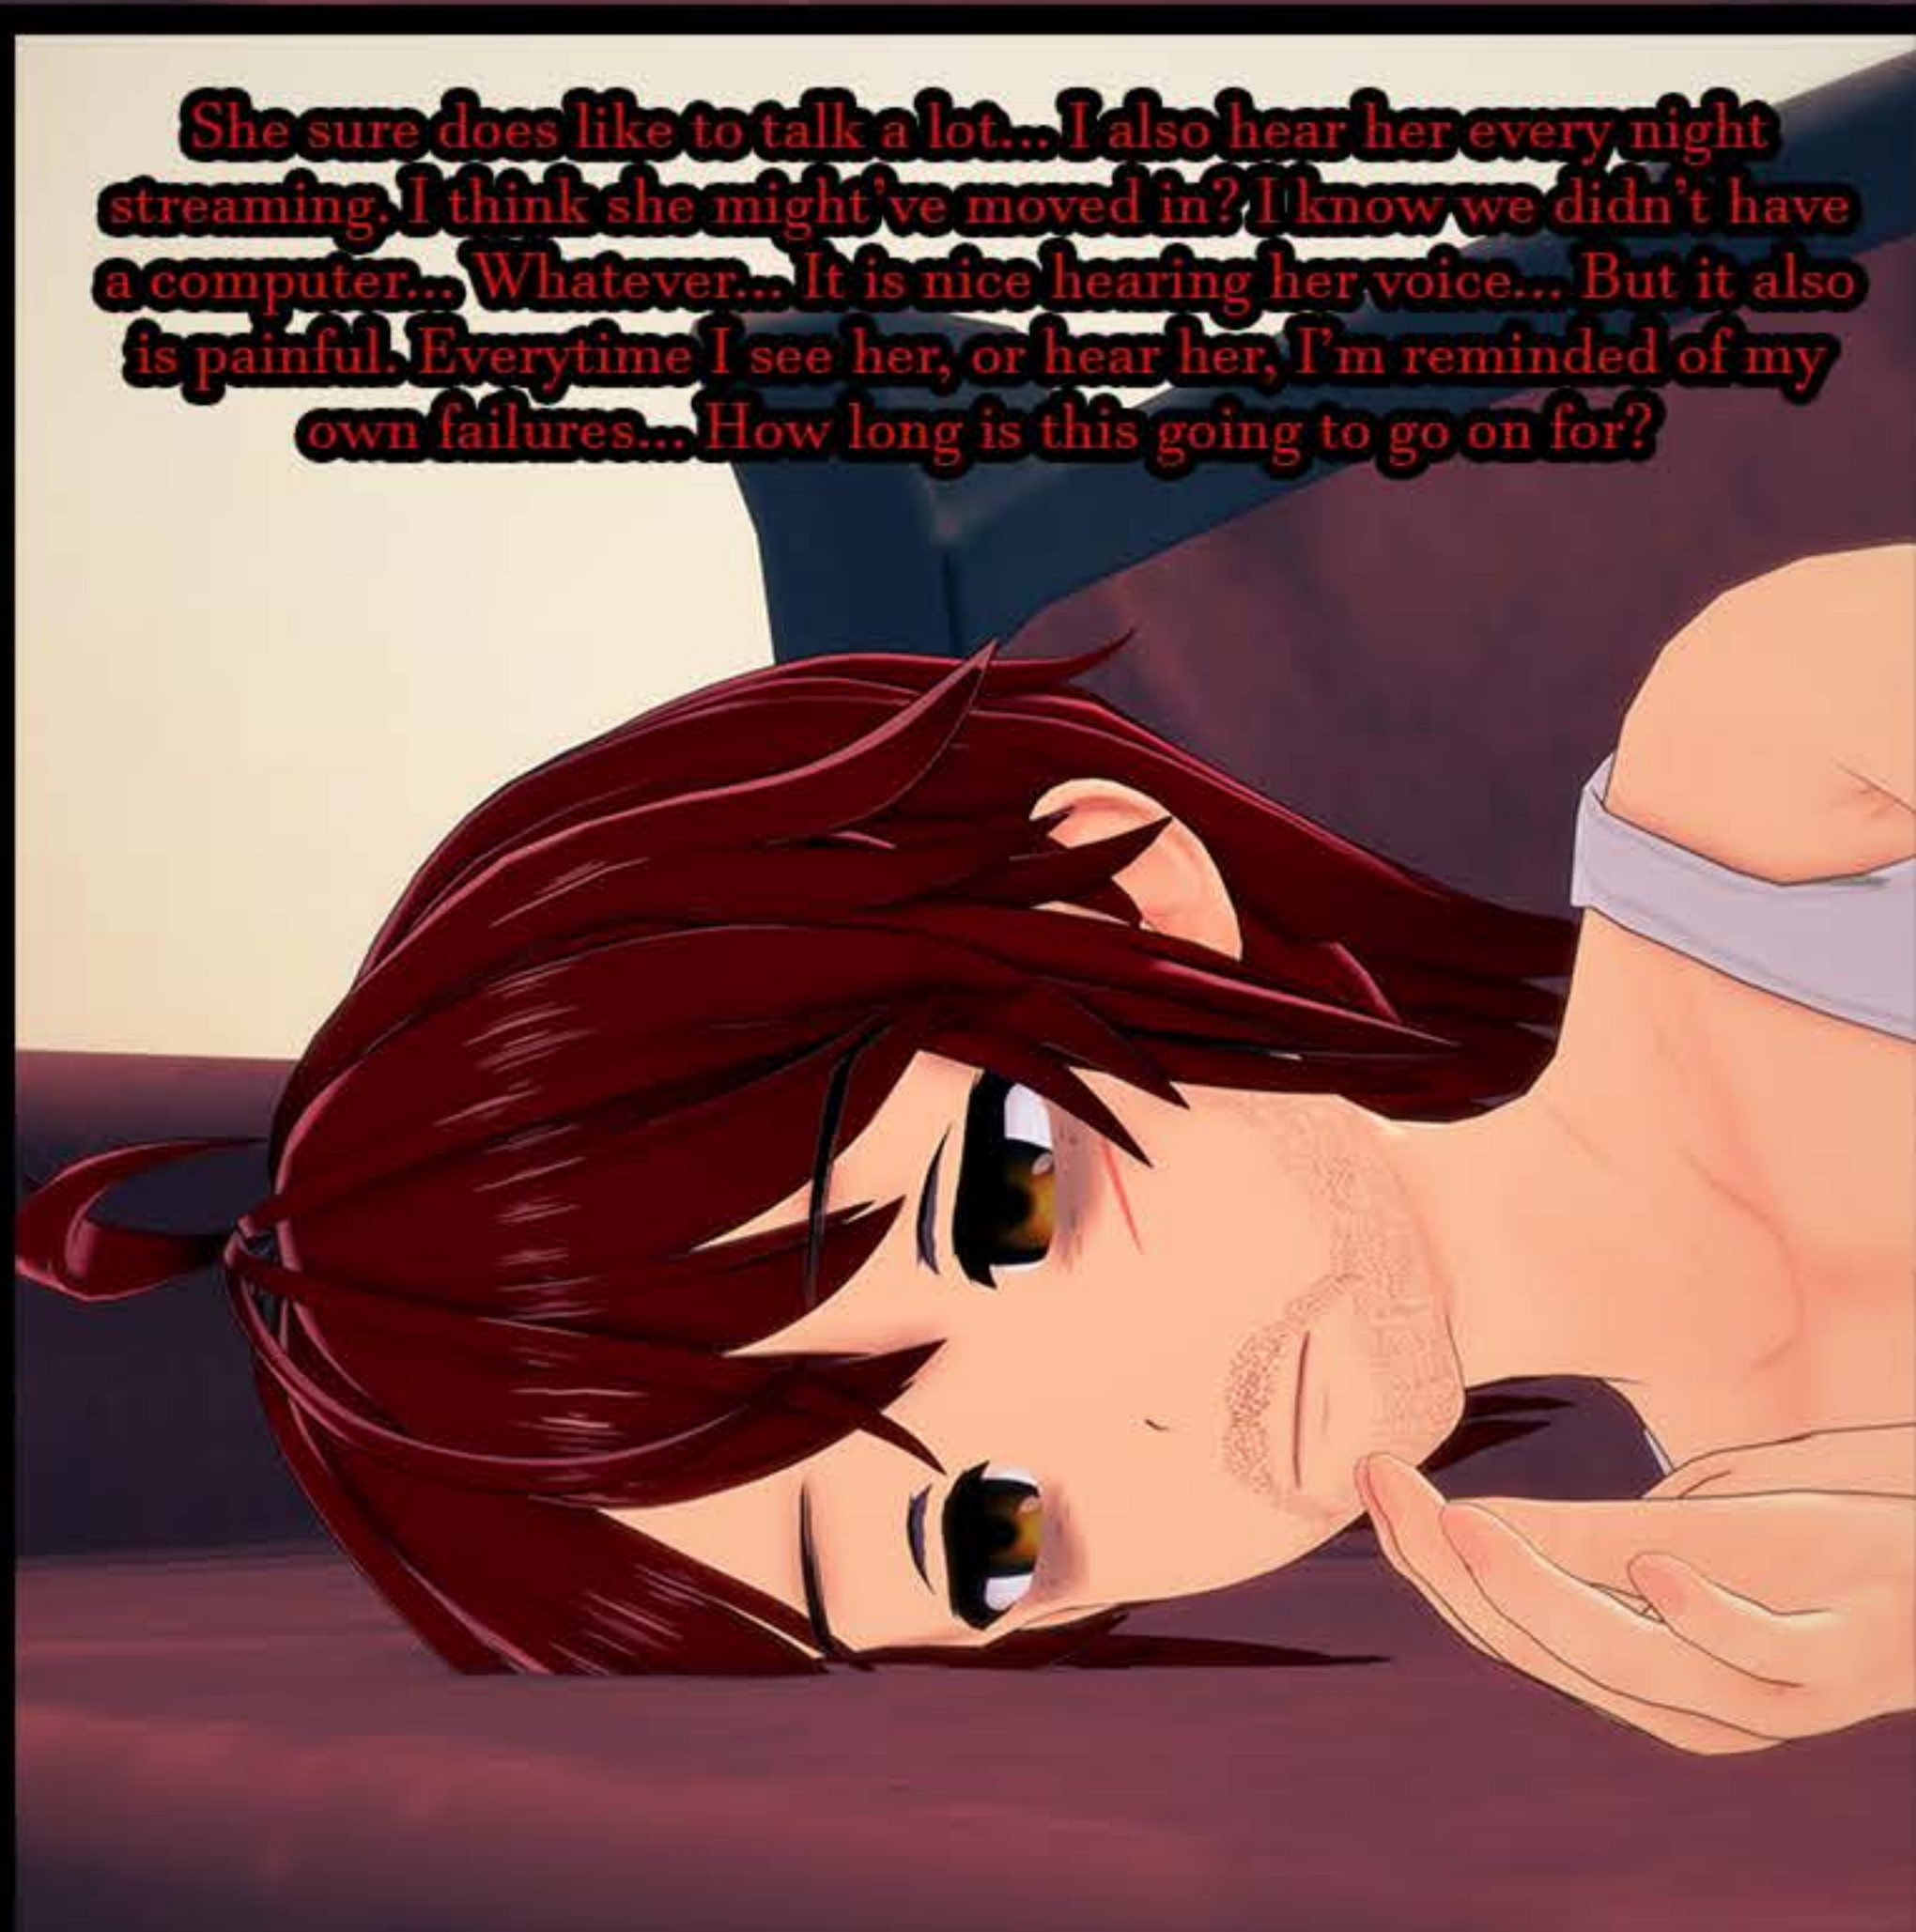

That sucks...

Come on Ken... I know you're upset. But we should really talk about our future here! Alex will be here in eight and a half months! I don't care if you raise him by yourself or with me, or with someone else... But please, get up?

No...

Fine, well you can take all the time you need to think about it! I'm going to go take a shower and change... I can't believe I only have 2 more weeks of high school left!

She sure does like to talk a lot... I also hear her every night streaming. I think she might've moved in? I know we didn't have a computer... Whatever... It is nice hearing her voice... But it also is painful. Everytime I see her, or hear her, I'm reminded of my own failures... How long is this going to go on for?

This is a pretty good movie right!? I love this director he's really good at really making the scene come to life!

Uh... Huh...

Come on KEN! I graduated today! I want to go out for dinner!

What...? I don't want...

DID YOU HEAR ME? I GRADUATED TODAY! For pete's sake, a month of lying on the couch is enough!

I wish you had come to the ceremony! It was very nice!

Mmmhmm...

Why did you drag me out here Aubrey?

BECAUSE! IT'S SUMMER BABY!!

I can't believe summer is already almost over! Feel how big Alex is getting!

!!! Wow... I can't believe how much he's already grown!

Don't forget, he's going to be a she!

HURRAH! IT'S OCTOBER! Spooky season is finally here!

Aubrey, will you take it easy!? you're 4 and a half months pregnant!

I'll relax when October is over promise!

Ooof... I think I overdid it last month! I'm wiped out!

It's fine, I'll take care of everything! Even Thanksgiving dinner! You can count on me!

I know I can!

Merry Christmas Ken! What a year it's been huh?

Yes it has... I'm glad... That I got to spend it with you.

THIS IS IT
HE'S GOING
TO ASK ME I
KNOW HE IS!
I'M SO
EXCITED!!

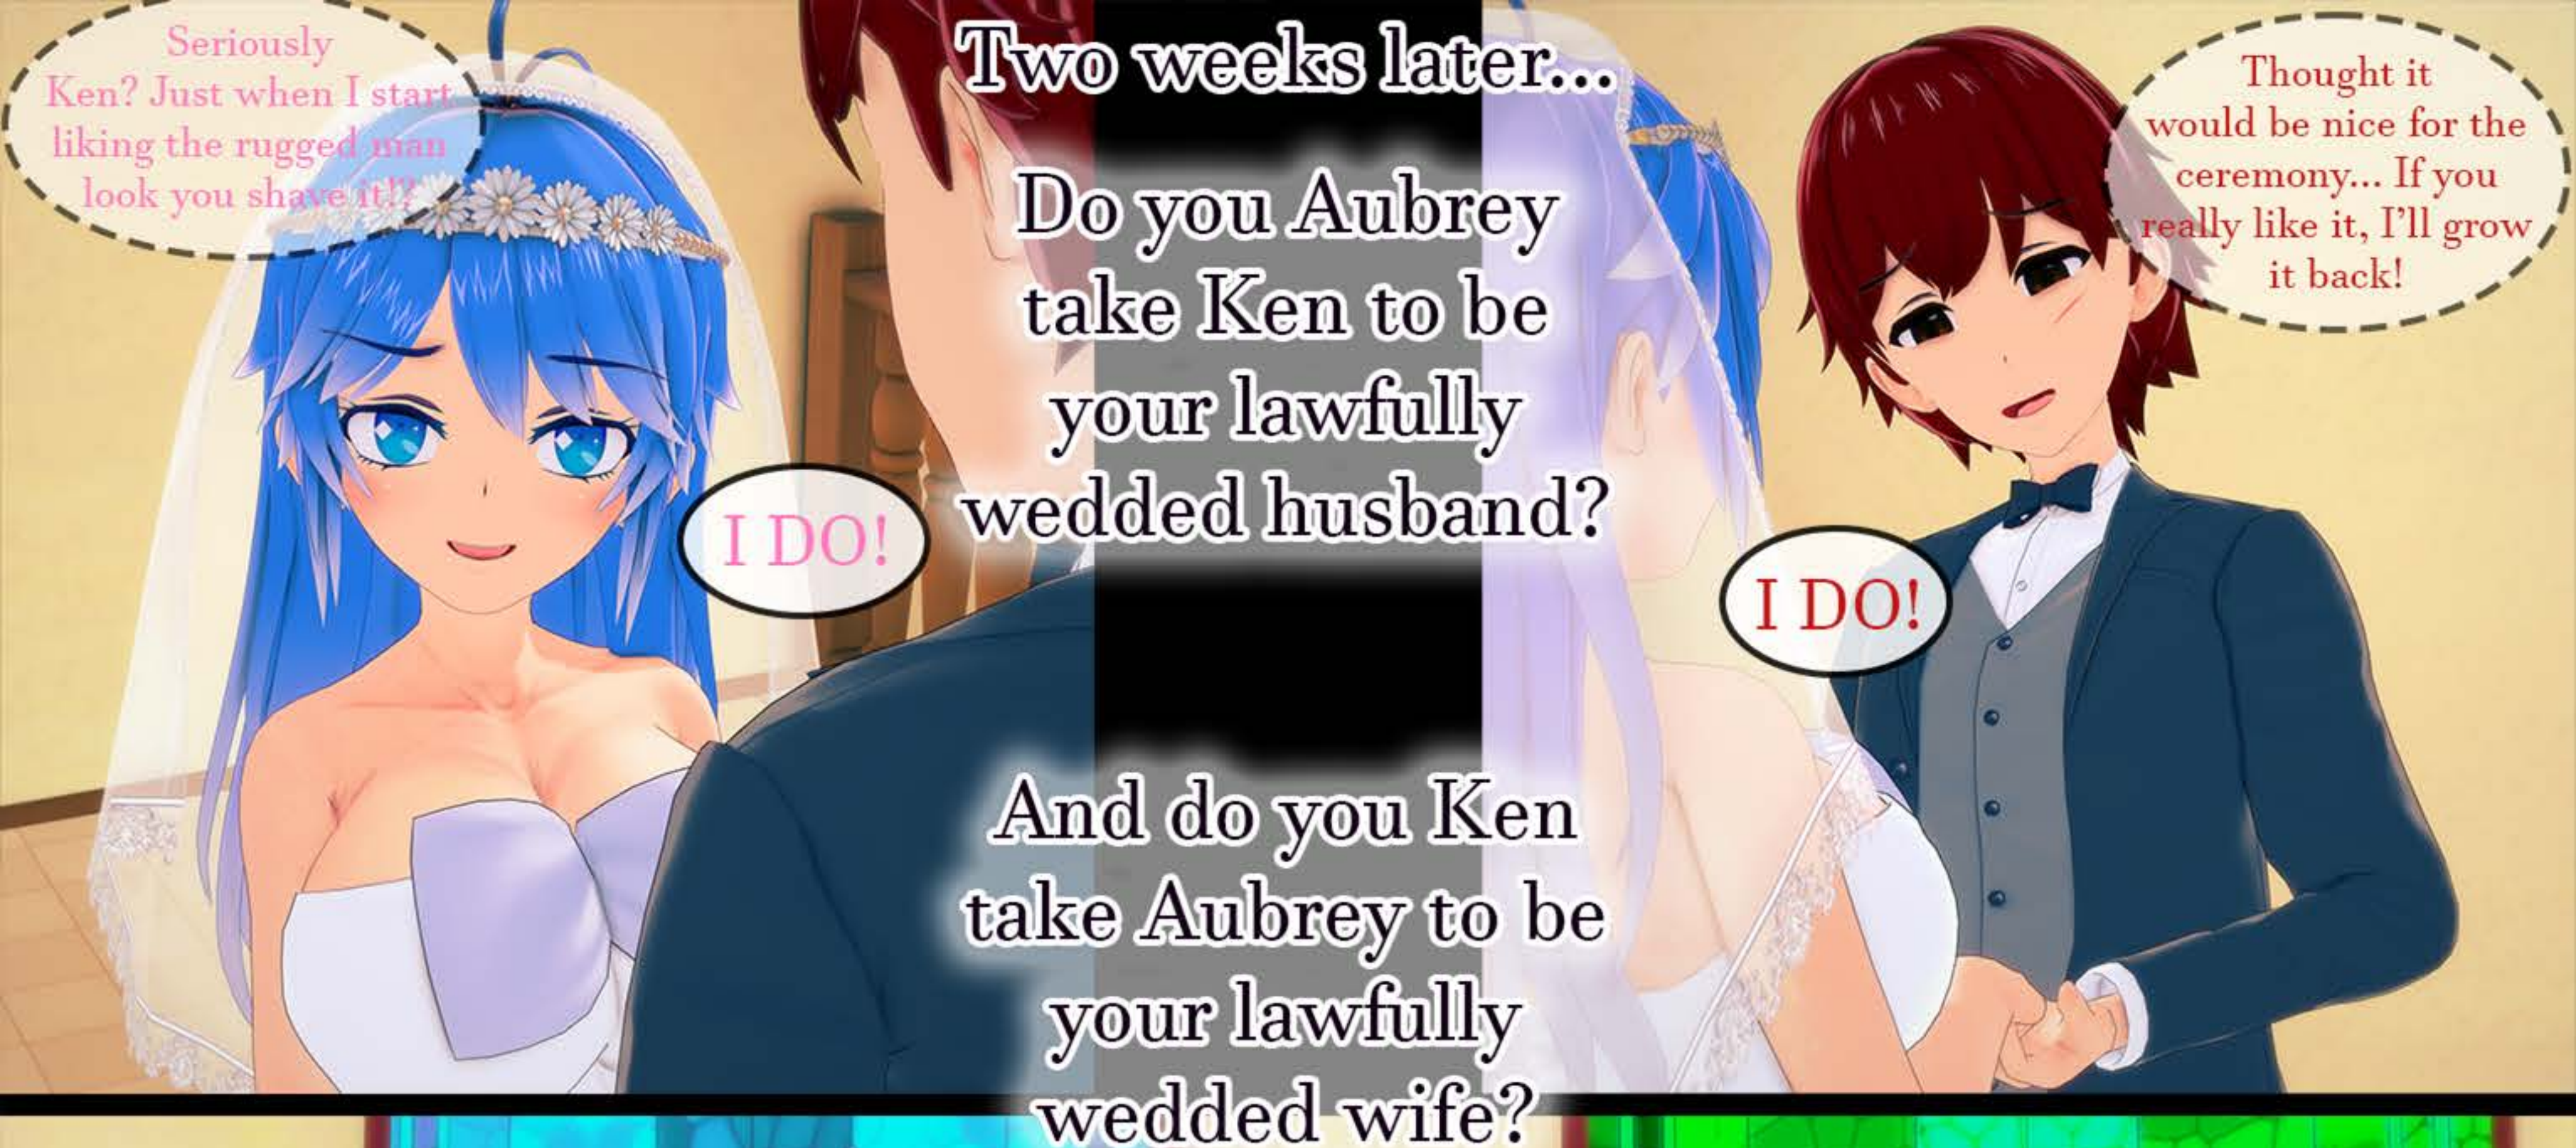

So what did you want to talk about Ken?

Gulp Well, Alexandria is due in a month... And after a lot of thought I decided I want to raise her with you!

I would love that! So when do you think we would...

Alright Ken...
You want to do
this! After all
this time, I'm
sure Alex would
be fine with it!

Then I pronounce
you husband and wife!
You may kiss the
bride!!!

Come on Aubrey!
PUSH! The doc can
see the head!

~NGHHHHHHH!!!~

IT'S A GIRL!

There there now...
Alexandria... You're ok, you can
stop crying now... Shhh...

Alex, you're safe now!
A fresh start. I'll make sure
you have the best life this time
around!

Oh, she's done
crying! I think she's
going to open her
eyes!

Oh my god!
Look at her eyes!
They look like
mine!

Aububuy...

They sure
do! You are her
mother after all!

Did you just
hear her try and
say Aubrey?

I think those
were just baby
noises...

3 Years, 9 Months Later

Can you feel the baby? They're kicking!

I feel it Mommy! But, why is the baby in your tummy?

Well... That's how babies are born! From Mommy's tummy!

But why not from Daddy's tummy? Why doesn't he have the baby?

Well... Having babies is something only us girls can do!

So I'm gunna have a baby too?

Not until you're much much older sweetie!

Cooooool... Mommy, why doesn't Daddy have boobies like you?

Well... It's because he's a boy! Boy's don't have boobies and they don't have babies!

And I'm... a girl too? So I'm going to have boobies and babies...?

Well... You don't have to have a baby if you don't want to sweetie!

Did you have fun at Grandma's the past two weeks?

I sure did!! Wait who's that? Is that the baby!?

It is! Meet Logan! He's your new baby brother! Say hi!

What? He's not my brother? Daddy is my brother.

Wha... What do you mean Alex? Why do you think I'm your...

R... Right!
I'm not your brother!
I'm your Dad... Aubrey... I think she might remember...
We should tell...

No Ken!
Remember, we agreed we wouldn't until she's older... This is too much for a 4 year old...

No sweetie!
He's just your Daddy remember!?

I DON'T WANT A LITTLE BROTHER! I WANT MY BIG BROTHER!!

Aubrey...

You should go and talk to her... I need to feed Logan...

Hey...
Sweetie, you want to talk?

We might...
I can tell that you can remember something...

I had no idea!
Why didn't you ever tell me or your Mom about this?

NO! You and Aubrey... Mommy, wouldn't get it!

I don't know. I've had the same dreams forever. I'm a boy. You're my brother... Aubrey is my... I smooch her. But, dreams are not real! I'm just a dummy!

Sniff
I don't know.

Alexandria... It's time I told you something... You have a right to know. And I think you're old enough. I DID have a brother.

You did...?

I did, and this is going to sound weird, but I think your dreams are his memories!

His memories?

That's right! I think you already know this. But, a long time ago you were my brother, Alex...

Sniff
I was... Your brother?

Yes, your dreams are little bits of your past. What do you remember?

Playing basketball, fighting, video games... Mom and Dad... Aubrey and I smooching...

When you think about these things... How do you feel?

I guess a lot of the time, I have those dreams and I wake up crying.

Why is that?

My life was going somewhere! I was going to graduate high school! I was in love... And now that's all gone! The more I remember, the more I miss my life! The worst part... I can't remember why this happened to me!

That's not all gone. You still have me. You still have Aubrey's love, just in a different way! And eventually you'll even graduate high school!

But don't you miss your brother, Ken?

No, because everytime I see you, I see Alex. Because you are. You're my beautiful daughter Alex, and my cool brother Alex!

What do you want Alex? If you want, I'll go to the ends of the Earth to change you back!

You would do that for me?

Of course I would! I'm your brother, and your Dad, I've got double duty!

Hehehe! I've got the best Brodad ever!

I'm probably the first one ever... I hope. Maybe we don't call me that in public sweetie!

Ok then!

So what do you think? Should we go on a crazy quest to find a way to change you back?

I don't think so...

Oh really? You're fine with being a little girl after knowing the truth?

In my dreams, I was so lonely. I guess what was bugging me was that I didn't know if they were real or not... I don't need to change back because I have the best Mommy and Daddy!

And we'll always be here for you! Why don't we go and get some ice cream... Then have proper introduction to your baby brother?

Sounds good Daddy!!

Aubrey and Ken... In my new life, they're my loving parents. I'll never forget them as brother and girlfriend. But, I think a fresh start is just what I need...

I promise to be the bestest big sister you could ask for Logan!

THE END

Epilogue 8 Years Later

I'm sorry I even have to ask this... But I have no one else to turn to. I'd rather die than go back to Mom and Dads. And I got evicted from my...

Will! Of course you can stay here! I'm not going to turn my own brother away!

Are you sure Ken isn't going to mind? He and I don't exactly get along!

What are you talking about!? Ken loves you, he's always talking about you when he gets home from work!

He does...? Alright well if it's fine with you guys. Thanks for giving me a place to live. It will only be short term...

Will, don't worry! You can stay as long as you want... As long as you can deal with a moody...

MOOOOOM!!!

Sigh
What is it honey?

Freaking Logan won't leave me alone! Can you do something about him!

Alex, I have company. Can't you just humour your brother for just a little while?

UGHH! WHY!? It's not like I'm his Mom! I have stuff I want to do!

Alright how about this. Play with your brother, or you're grounded!

THAT'S SO UNFAIR!!

Oh my! Is that really you Alexandria!? You've grown so much since I last saw you!

God... It's hard to believe she's not even 13 yet... She is so moody and bossy!

I remember a little sister who was just like that when we were kids...

Selective Memory much?

Please! I was a constant joy when I was her age!

UGHHH! Hey Uncle Will. Fine Mom, I'll play with him for ONE hour!

I seem to remember a certain little girl saying "I'll be the bestest big sis ever!" Hehehe.

JEEZE MOM! I was like 3! When are you going to let that GO!!!

Come on! You knooooow I'm right!!

Shut it Will! I'll kick your bony butt to the curb!

Ahem You were nothing like Alex when you were a kid...

That's better! Let me show you to your room.

You're going down
Alex! You suck! I'm gunna
kick your butt!

I've been playing Mario Kart
longer than you've been alive Squirt.
I'm gunna kick your ASS!

ALEX! Watch your
language! And what have I
said about trash talk
Logan!?

Whoops!
Sorry Mom! Kick your
BUTT!

Shoot... You said
I can only trash talk if I
actually beat Alex...

That's better...

So this is it?
It looks like a teenager
lived here...

Right... I forget
he had a brother...
Wait you two use to
date right!?

One did...
Ken's younger brother,
Alex use to live here.

Yes... But that was
a looong time ago Will.
And Alex...

I know he died!
So this room might be
haunted!?

Come on Will!
Don't be ridiculous
It's fine!

Well... You and
Alex might've done
stuff in here when you
dated...

The only weird
thing that happened in
here was Ken shooting
a Demon.

What does that
even mean? If you had sex
in here... I'll just sleep on the
couch.

GAH! WILL! Where I
sleep with my partners is none
of your concern! And I've never
had sex in here so you're safe!
And bold of you to assume
the couch IS safe...

GROSS AUBREY!
Hahaha... Anyway, thanks for the
room. I promise to try and not be
too much of a bother!

Of course!
Again, stay as long as
you need to! You're
not a bother!

Alright this is perfect!

my life back on track!
