

People in school are already talking thanks to that business in front... And Aubrey looks miserable!

Hey Aubrey, Everything Brad said was a lie... I would never say something like that.

I believe you, Brad is a jerk. You don't need to worry.

Wait... If you know, you have to say something. Rumours are already going crazy!

I... I know... But, it's not that simple!

So what, You're just going to leave me out to dry? These people are going to kill me!

Alex, you have to trust me people will forget about this whole thing by lunch and everything will be fine.

What if it's not?

I'll deal with it...

This guy, get out of way you sexist!

I didn't do anything!

Ughhh... It's him. Let's move guys!

I didn't do anything!

You disgust me! If I ever hear about you saying things about another girl... I'll kill you!

I... \*COUGH\* didn't do anything!

Don't worry she said! Everything will be fine she said! I'm public enemy number 1 here!

Well... If you are in such a good relationship, it should be no problem for me to change out of my work clothes right?

Woah... wait... No you shouldn't do that... \*GULP\* in front of me.

Oh my... Don't tell me you're staring at me changing! I thought you only had eyes for Aubrey!

No way! I'm not staring! You can finish changing now, please!

You're not stopping me Alex...  
What, cat got your tongue?

We could have sex right now. Forget Aubrey, it could be weeks or months before you see her like this! Wouldn't you rather just do it with me? What? Nothing to say?

Disgusting BOY!  
Can't even muster up the backbone to feign disinterest!

Why don't you just lie back and let me take care of you!  
I promise to be gentle!

Ok...

I doubt he  
even noticed I already took  
his pants off...

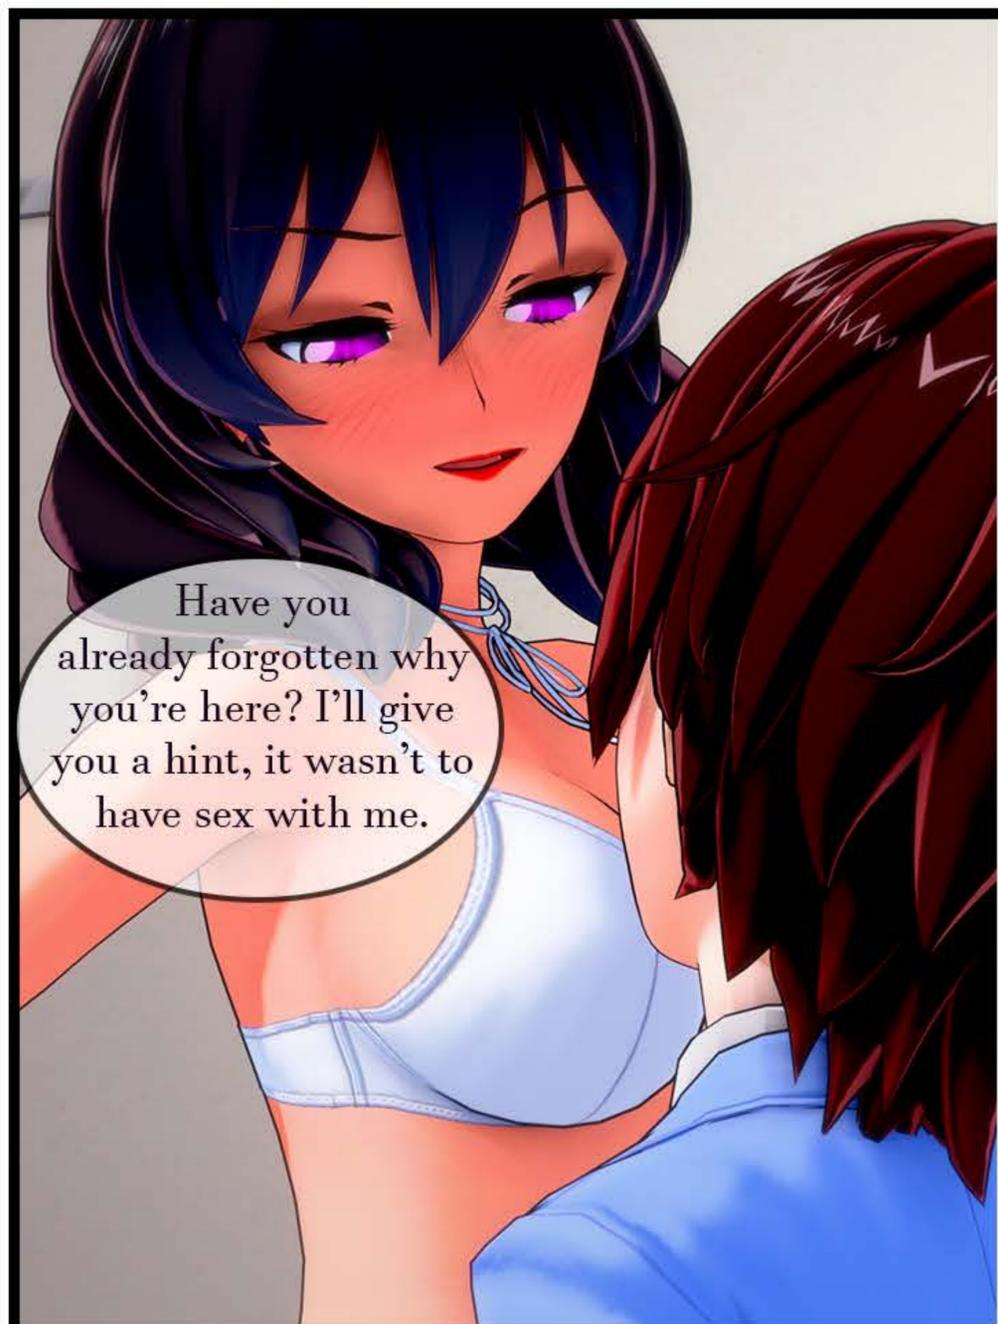

I hope you're  
ready for this Alex... And  
ready to accept the  
consequences.

I uh...  
Guess so?

You were going to teach me how to be with Aubrey.

Alright, fine! I was wrong take off this cage before I call the cops!

Wrong! I'm going to teach you how to be a gentleman and not a disgusting boy. And the first rule is to not accept sex from anyone else!

If you call the cops I'll make sure this picture goes viral!

Get over here. We're going to put on some clothes.

Wrong! Your punishment for failing your first challenge is that you've lost your clothing privileges!

What do you mean we are? I'll just put my pants back on!

This is crazy! I don't even know you lady!

THERE IS NO WAY YOU WANT ME TO WEAR THIS!

Grrrr... Fine...

Oh sweetie, you don't have a choice! It's called black mail!

You might have failed the first test but I'm still going to try my best to help you!

This is way too embarrassing

But you, look so adorable!

I'm not here to be adorable! I'm here to learn how to be with Aubrey!

And, I'm going to teach you! Trust me, this is the best way to learn!

How does wearing a skirt teach me anything about...

To understand a woman sometimes you have to step into her shoes!

I guess that makes sense...

Ok fine! Putting the clothes and chastity belt aside for a second... Can you talk to me about Aubrey!?

Good! Now sit up straight and put your knees together! Girls don't want to expose themselves!

There will be time for that later. Look into my eyes Alex. To truly understand Aubrey you have to do everything I say

Disgusting boys don't deserve to exist... Disgusting boys don't deserve to exist... Hear my voice in your SOUL!

I'll do whatever you say... I hear a voice in my head telling me I shouldn't worry.

But this is ridiculous I shouldn't have to dress like a girl! I'm going to leave...

Disgusting **BOY** HOW DARE YOU TOUCH ME!!

Play things such as you have no right to so much as raise a finger against me...

Hailey... I hear a voice, what is this?

It's probably just your conscious... You know that you are not good enough for any girl. You must stay here!

You're right...  
I need your help, I'm  
sorry, I'll listen.
