

Hey I'm home!

It was good...
For the most part. I kinda
fumbled at the end.

Come on Ken,
it wasn't any of those
things!

Ah... My brother,
returned from his triumphant
date! And on time for once! I'm
shocked! Haha, how was it
buddy?

Fumbled at the end?
Oh no, did you give her an
awkward kiss? Or did you say
goodnight and used some other
girls name? Oh OH,
maybe you...

Well come on
spit it out! I want the
details!

I took her to
dinner and Karaoke. Then
she wanted to... uh... kiss
me. But I turned
her down.

MY GUY!
That took guts! Save that kiss
for the right place and right
time!

Exactly!
It didn't feel right!
I knew you would
get it! I don't think
Aubrey did...

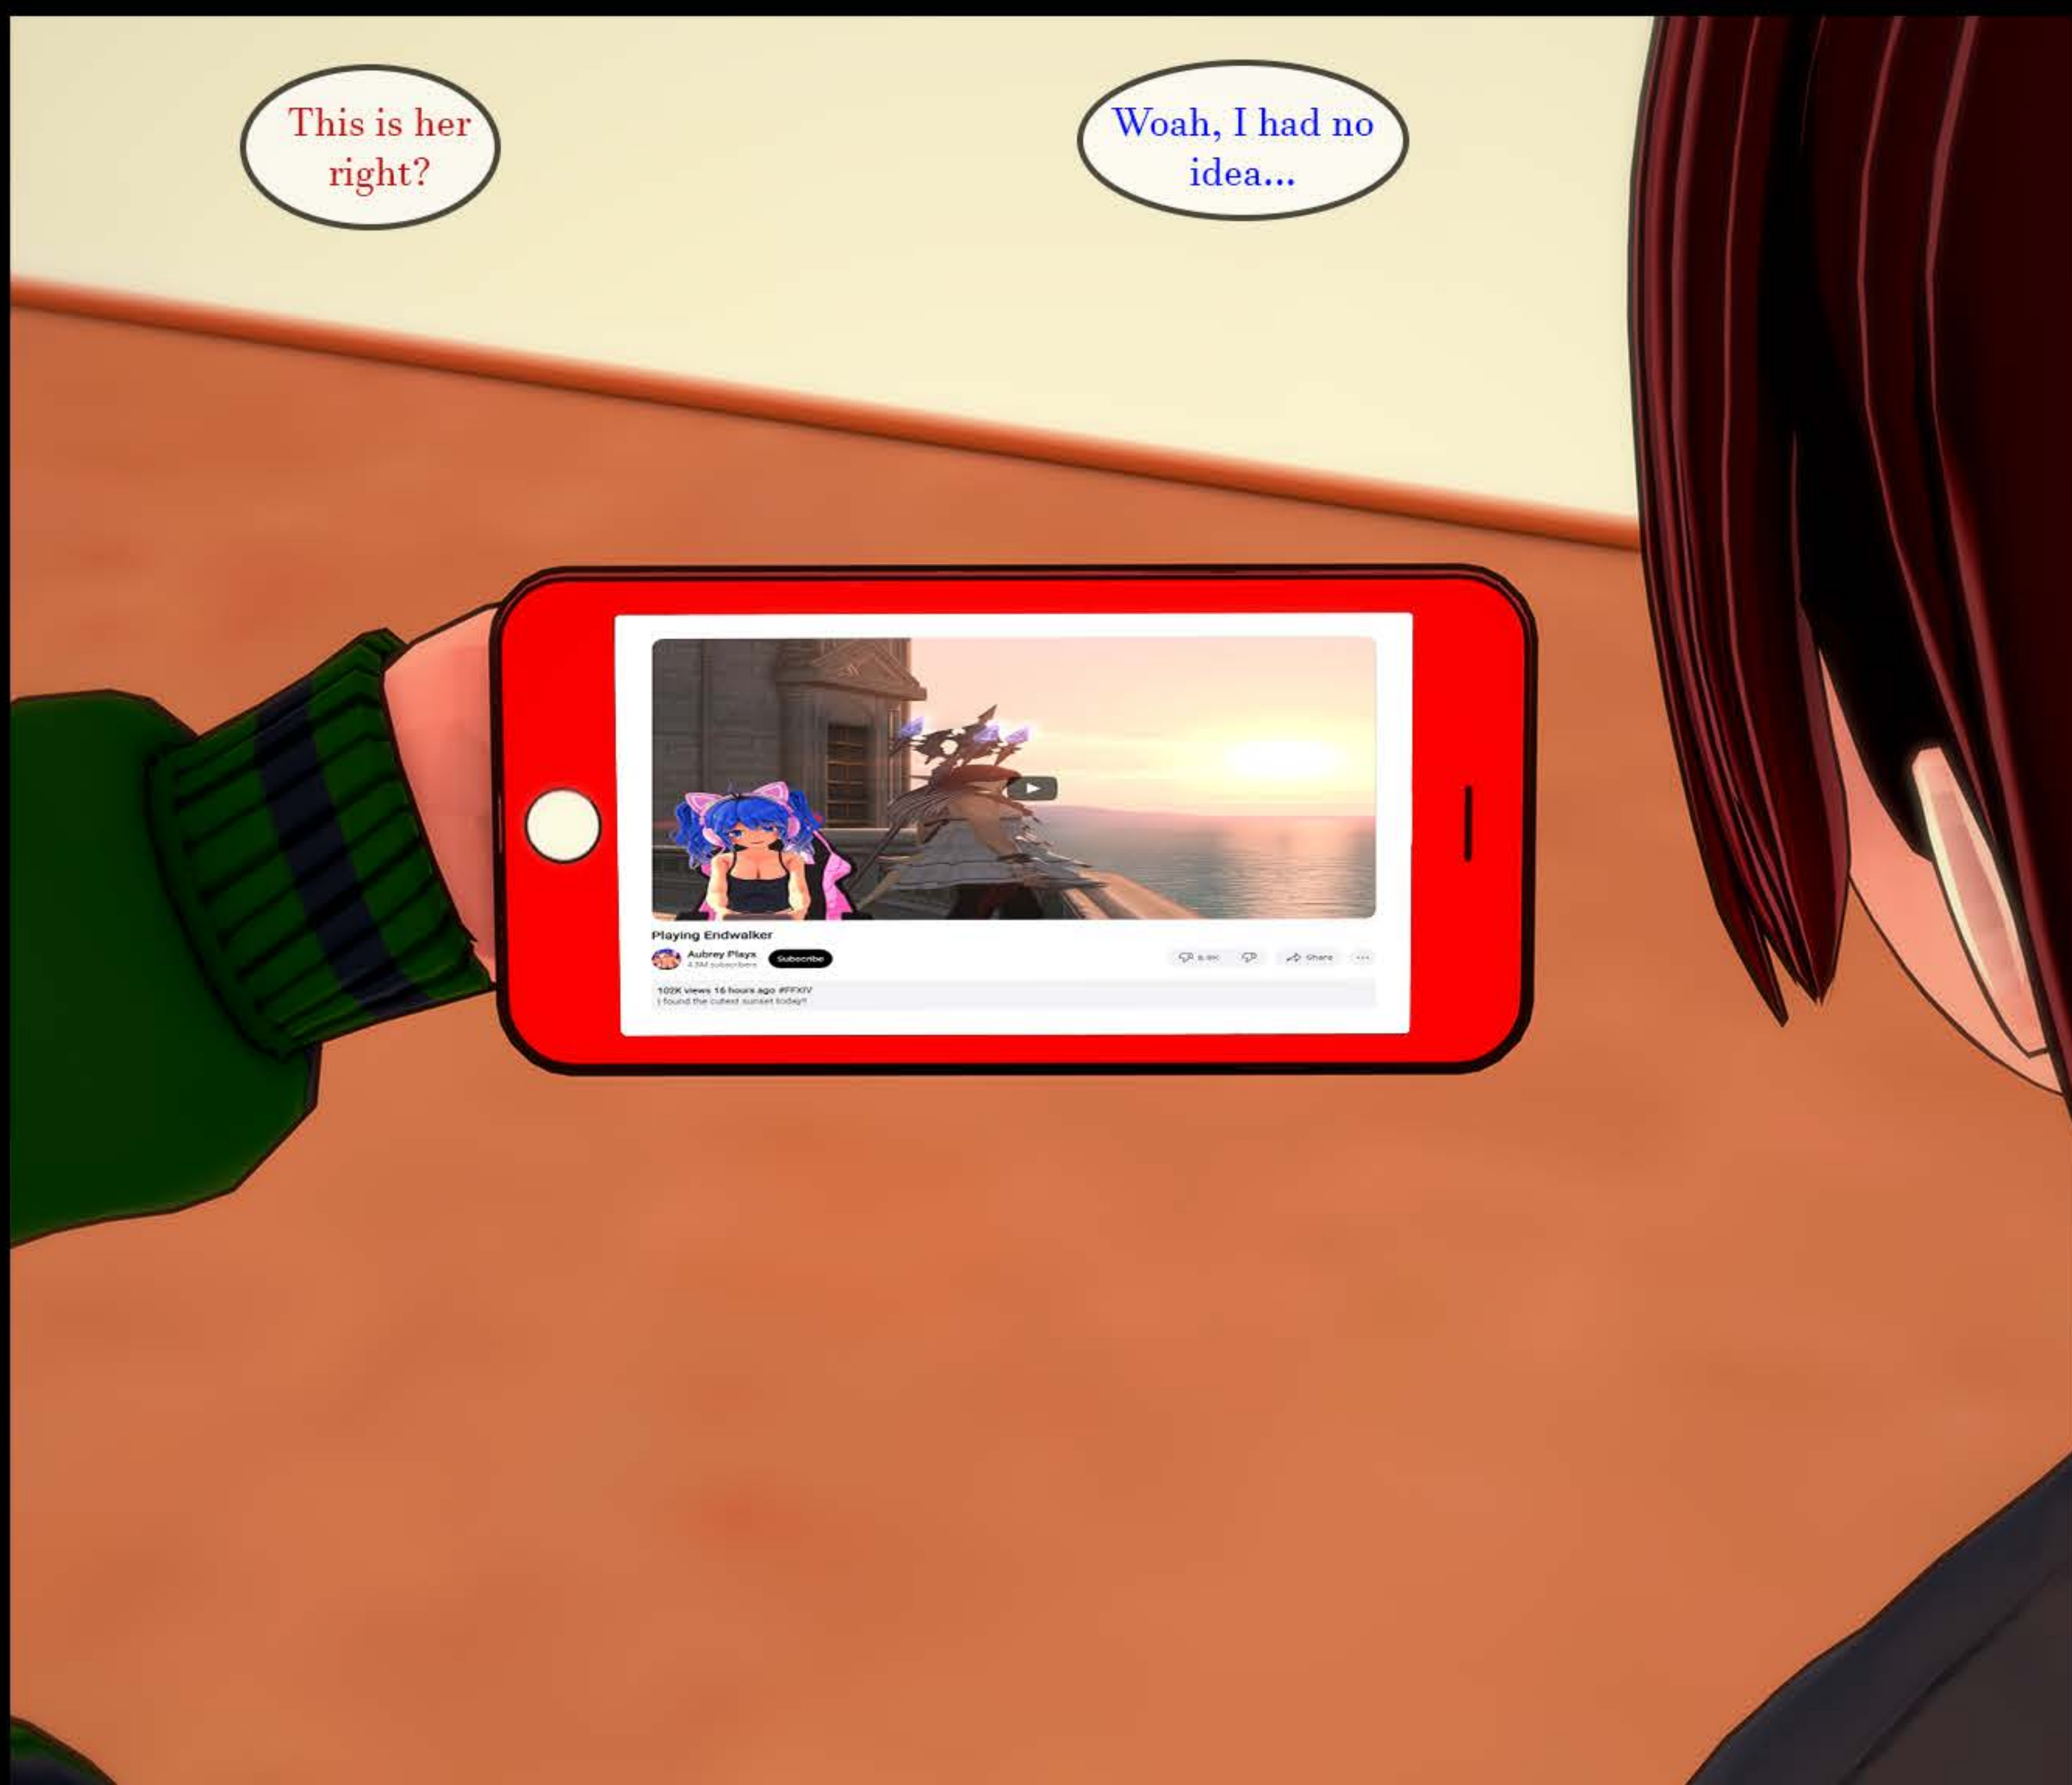

A buddy of mine
at work has a sister named
Aubrey. Would her name happen to
be Aubrey Foster?

Ya it is.

What do you
mean?

Well well well.
Alex, I have a feeling you
have no idea how big you
scored.

I know you
don't play a lot of video
games. But Aubrey is quite
the big streamer.

This is her
right?

Woah, I had no
idea...

HOLY CRAP!
4.8 MILLION SUBS!!

How in the world
did I not know about this?
That's crazy!!

This entire time, I thought she was just a
girl in my class... But she is one of the most
popular streamers! HOW?

I just want
to let you know how proud of
you I am bro...

Thanks...
I think I'm going to go to
bed now...

Hell ya,
have some sweet
dreams!

So, I'm dating one of the most popular streamers on the internet... I wonder what else I don't know about Aubrey. I know she's cute, I know she's nice... but what else? I guess Hailey has a point. How can I love her when I barely know her...?

So that's everything that happened on my date last night!

Pretty much! Except that part with the dude and the end.

Sounds like you had a fun time!

How you handled that meathead was fantastic! Just leave, guys like that can't be reasoned with!

However, I think Aubrey only offered you a night cap because you probably were starrng at her like you were just starrng at my chest... Dirty boy...

Which means it's time for a practical lesson!

Hailey! I wasn't starrng at you I promise!

I knooooow you're lying! Us women have a 6th sense for this type of thing! At any rate, my advice helped you on your date, so it stands to reason that this exercise will help you too!

I... I guess... But does this involve more crossdressing?

Of course! How will you learn about how to treat a woman if you don't get first hand experience?

If you're going to keep questioning me I'm going to have to stop helping you. And I'll release those photos!

Nonsense, just do it here! I'll probably have to help you with the bra!

Woah! That's underwear! Why do I have to wear that? Last time it was just a skirt!

I'm sorry... Ok I'll put them on in the bathroom.

But... Ok...

This is so embarrassing!

This bra has foamy stuff in it. What's it for?

It's to give you the illusion of a chest!

Alright. I'm finished getting dressed. What kind of lesson are we doing?

Come over here, I need to do your make-up!

Make-up!?!
But my bruise is
already covered!

Ok...
Then let's do
it!

This is to
make you look
cuter! Trust me
you'll want it for
today's lesson!

Aaaand...
DONE! You look
so cute!

Uh... thanks...
So what's the
lesson?

Come on,
go look at yourself in
the mirror! Aren't you
curious how you
look?

I do a pretty good
job if I say so myself!

Woah! I really
am cute!

Looking at myself in the mirror, it finally clicked. I looked cute, I was cute, that guy who saw me last night wasn't hitting on me because he was gay. Well maybe he was... but with this haircut and the clothes I was wearing. He probably thought that I was a girl!

I'm glad you think so! I think you make a VERY convincing girly! Maybe you should just stay this way!

C... Come on! I couldn't do that! I'm a man!

Right, sure! I forgot for a minute! Any way onto today's lesson! "Societal Pressures!"

We're going out on a date! So you can learn the pressures a woman faces outside!

WHAT!?! I can't go looking like this!

Of course you can! You're so cute that no one is going to think twice!

~Sigh~ I guess we can go somewhere out of town. I'm buying, so let's go already!

Exactly! You'll be fine!

B... But what if someone I know sees me?

I guess, If I saw me at a restaurant I wouldn't think I'm a guy.

Ok... Ok, this is crazy, this is crazy! GAH! Let's go!!!

I love the place we're going! Great food and atmosphere! The wait staff is super nice too. The goal of today is to just have a nice meal, and for you to see what life is like for a woman.

I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke
I'm gunna puke

I didn't puke in her car. I wish I had, maybe we would have turned around and went home...

And what can I get for you miss?

...
I... *AHEM*
I'll have...
AHEM

I'll just have
what she's having...

Are you alright miss? You look like you're crying.

Oh don't worry about her Mary. She's just very shy!

Oh! Ok!
Well, then two Hailey specials coming up!

Thank you so much!

I guess my voice passes fine enough as a girl...

After we got our food we had a great meal. We talked about this and that while enjoying the café's delicious pancakes! Over the course of the meal I looked around the cafe noticing that nobody found it weird that I was there dressed like a woman. So gradually I was able to relax.

This should've been so simple.
But life has a way of complicating
things!

Why is she starring at me so intently?

He did it anyways... And he was complementing me the entire time. It felt really weird and uncomfortable. But he wouldn't just go away!

Alright, no number...
But, what about a kiss for the
guy who paid for your
meal?

~WAH~
NO WAY! Come on guy
let me go!! HAILEY!!
