

Just a quick peck! That's all I'm asking!

I already said NO! Let go of me!

Come on, am I really that bad looking?

Alright, I didn't want to do this, but I'm a guy!

Really? You would rather lie than a quick kiss?

I'M NOT LYING! Can't you tell a guy from a girl?

This guy seriously can't tell I'm a boy? Holy crap, that hurts the old ego...

Hahaha! Alright Casanova, my daughter said no, so could you please let her go?

WHAT??? DAUGHTER???

You probably shouldn't do that in the future. I could call the cops on you for assault. Get in the car Alex...

Oh crap! I... I'm sorry. I didn't realize...

Shut up and move butthole...

Sorry for the confusion! Have a great day!

Drive us home before I kick this guy's ass...

Trust me, I would love nothing more than to cut his balls off... Alas, we have to be the bigger people and just drive away...

Later that night at Aubrey's House...

It was a great date! He was so kind and gentle. We did Karaoke and had some good food!

So what's the problem? You seem upset by something?

Well... It's just that I was... Well I was expecting a bit more... intimacy! He barely touched me. And when I invited him in he left really quickly!

I could tell he wanted to come in. But he had a look of panic and ran off...

Well... If you ask me, it sounds like he's gay!

OH MY GOD! SHUT UP! He's definitely NOT gay!

No way! He's just being a gentleman! I was just horny and wish he had come in!

How do you know? He takes you out, then when you invite him in he leaves? That's pretty gay.

You seem pretty sure that he wanted to come in so why didn't he?

I don't know...  
But when I gave him  
his goodbye hug, I felt  
his...

His what?

Well you know,  
his "thingy..." It was  
really... hard...

Come on!  
Don't hold out on me!  
Was it big? Is that why  
you won't let this one  
go?

NO! Hahaha!  
I can't tell you that!  
It's not fair to  
Alex!

Oh come on!  
Tell me! Tell me!  
You know I'll get  
it out of you!

Go ahead Aubrey!  
You might as well let  
me know now!

Oh no! What's  
with all of this hype  
then? You're not going to  
stay with him are  
you?

Alright alright!  
It was... Actually pretty  
small!

Come on Lisa!  
Dick size isn't everything!  
And he's really sweet! I  
want to see where this  
goes!

If you ask me,  
no dick is worth you! You  
should just stay with  
me!

Don't worry,  
nothing will ever come  
between us! I just really want  
a boyfriend. And when the  
time is right... I'll tell them  
about us!

Lisa... Come on  
don't look at me like  
that!

I just don't  
understand why you  
want a boyfriend? You  
already have me!

Do you promise?

I told you when  
we got together that I  
wanted a boyfriend and a  
girlfriend.

I know...  
I was just hoping that  
you would change your  
mind.

I haven't,  
But why is this  
only getting to you  
now? I've gone on  
dates with tons of  
boys!

It's just  
you've never talked  
about any guy like you  
do about this Alex. I'm  
scared you might like  
him more than  
me...

Trust me when  
I say, no **BOY** will  
get between you  
and me!

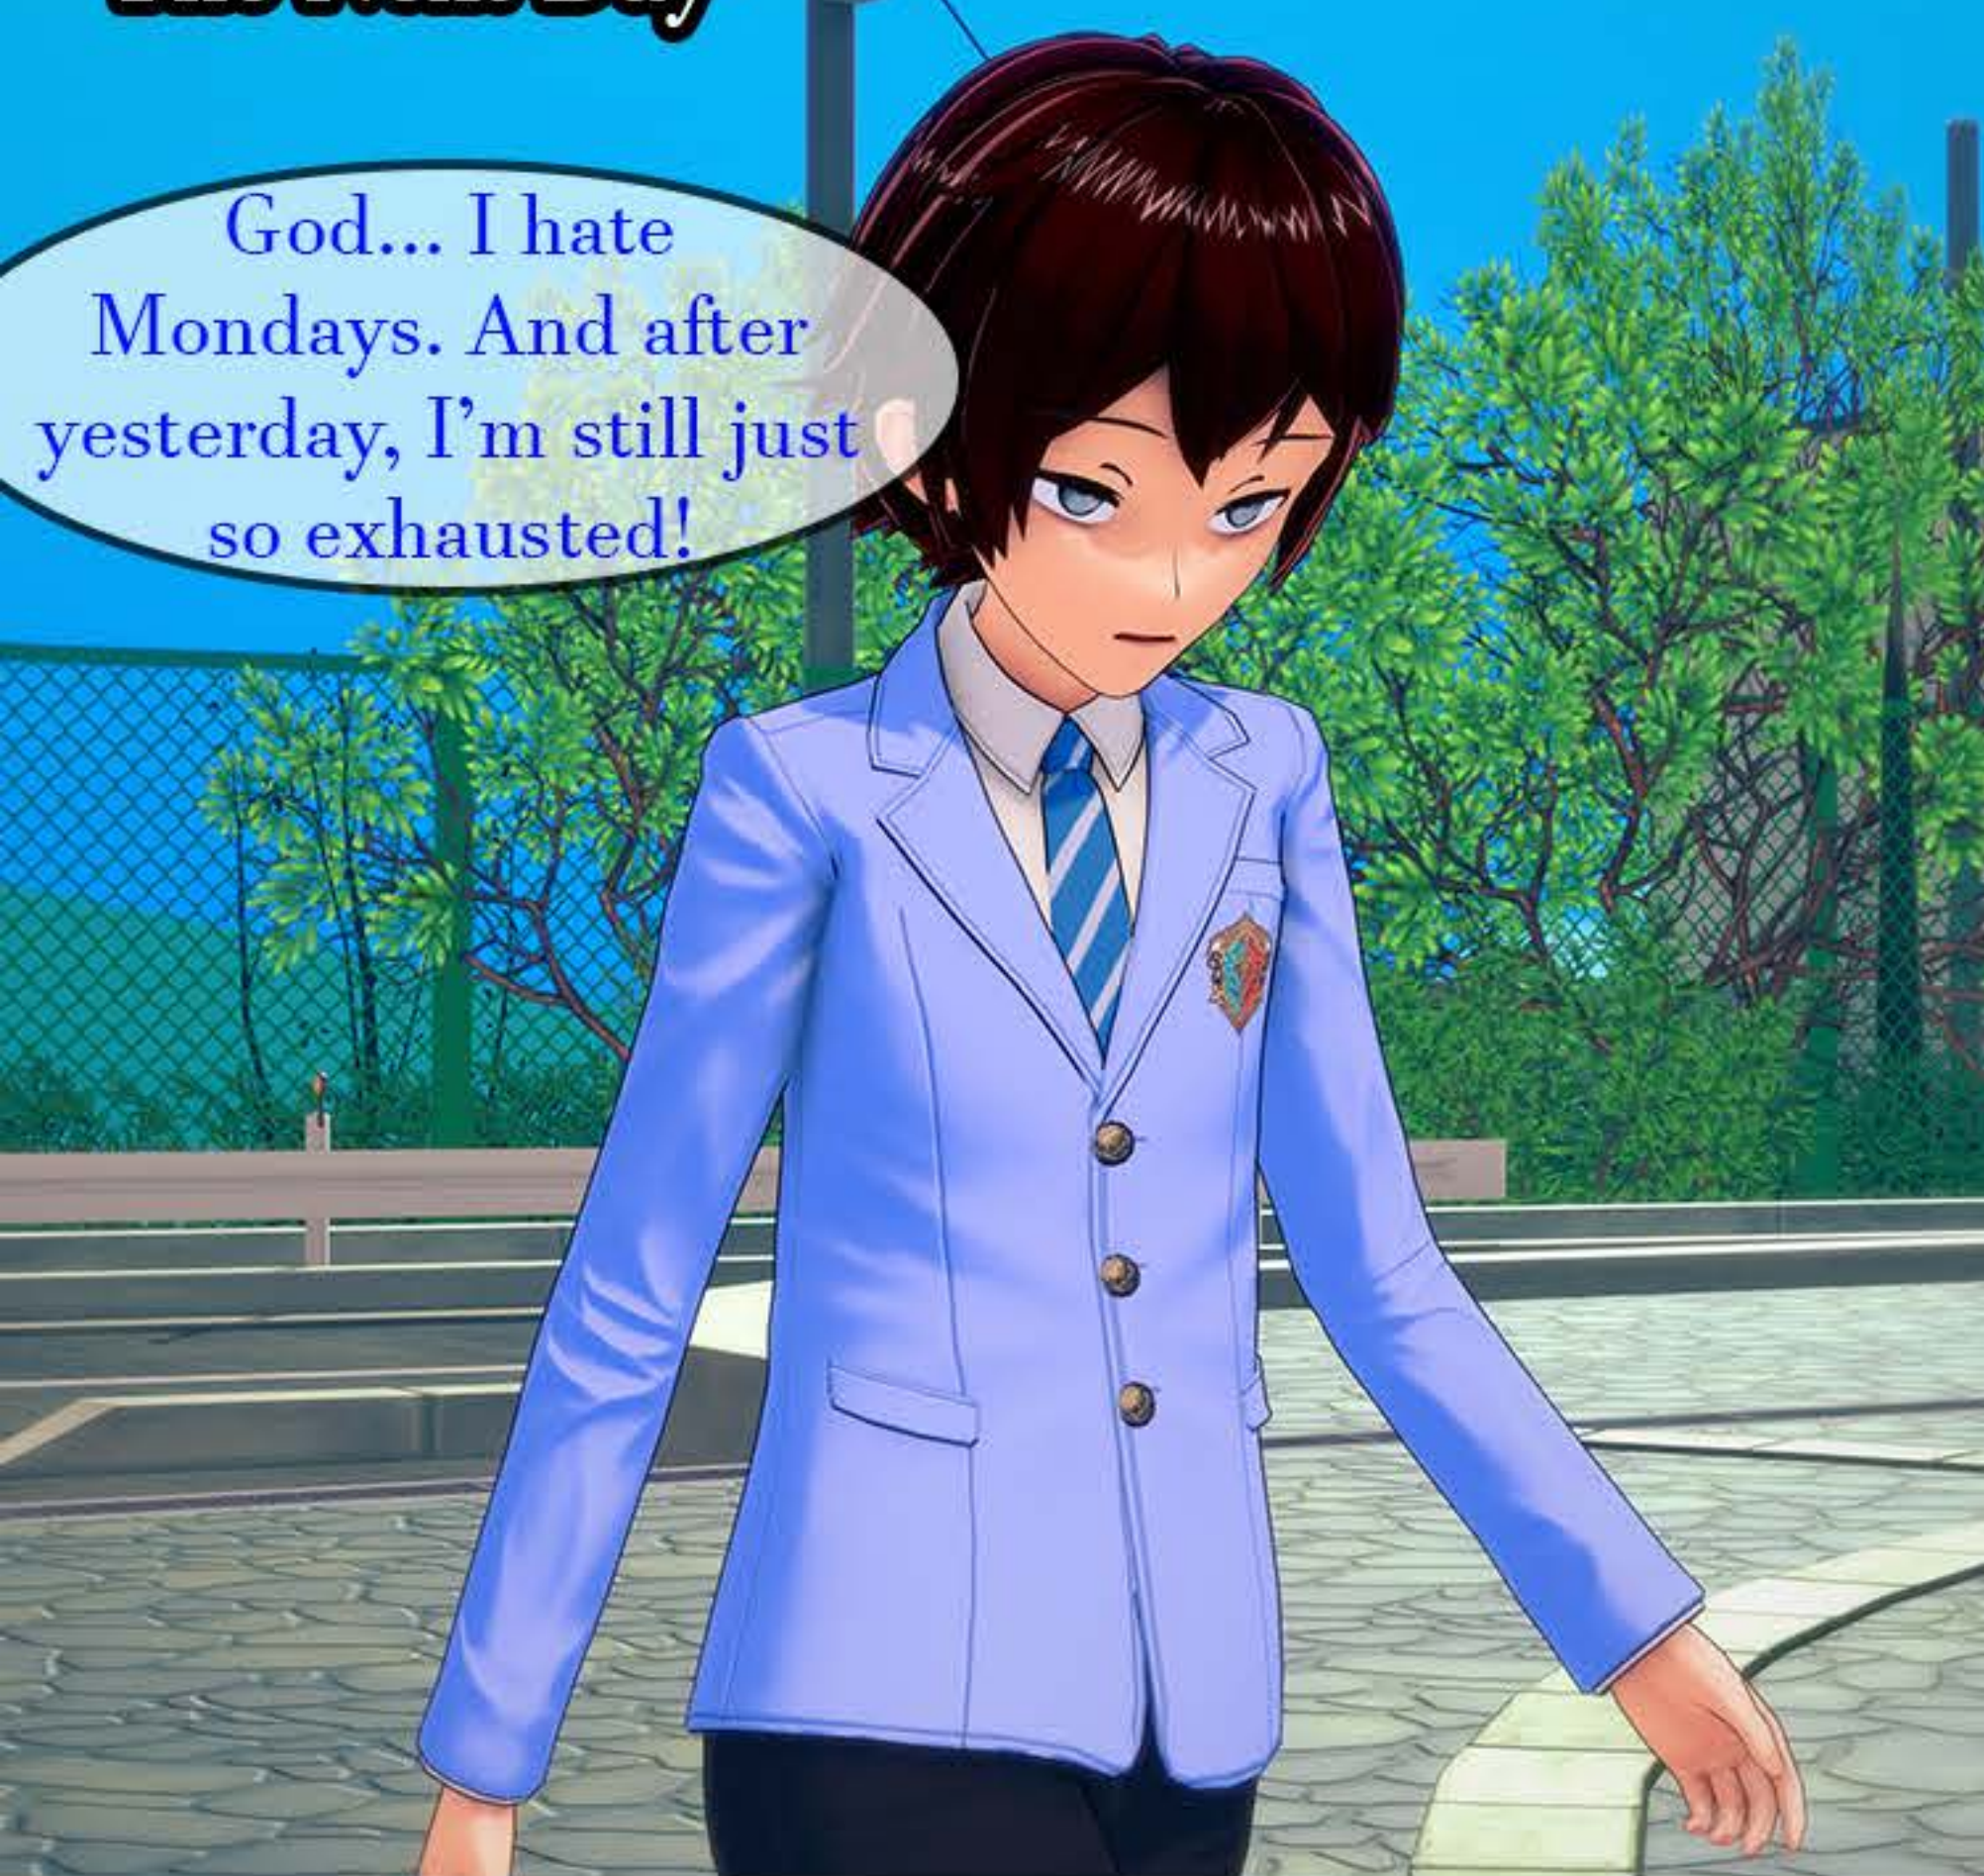

I swear it!

## The Next Day

God... I hate Mondays. And after yesterday, I'm still just so exhausted!

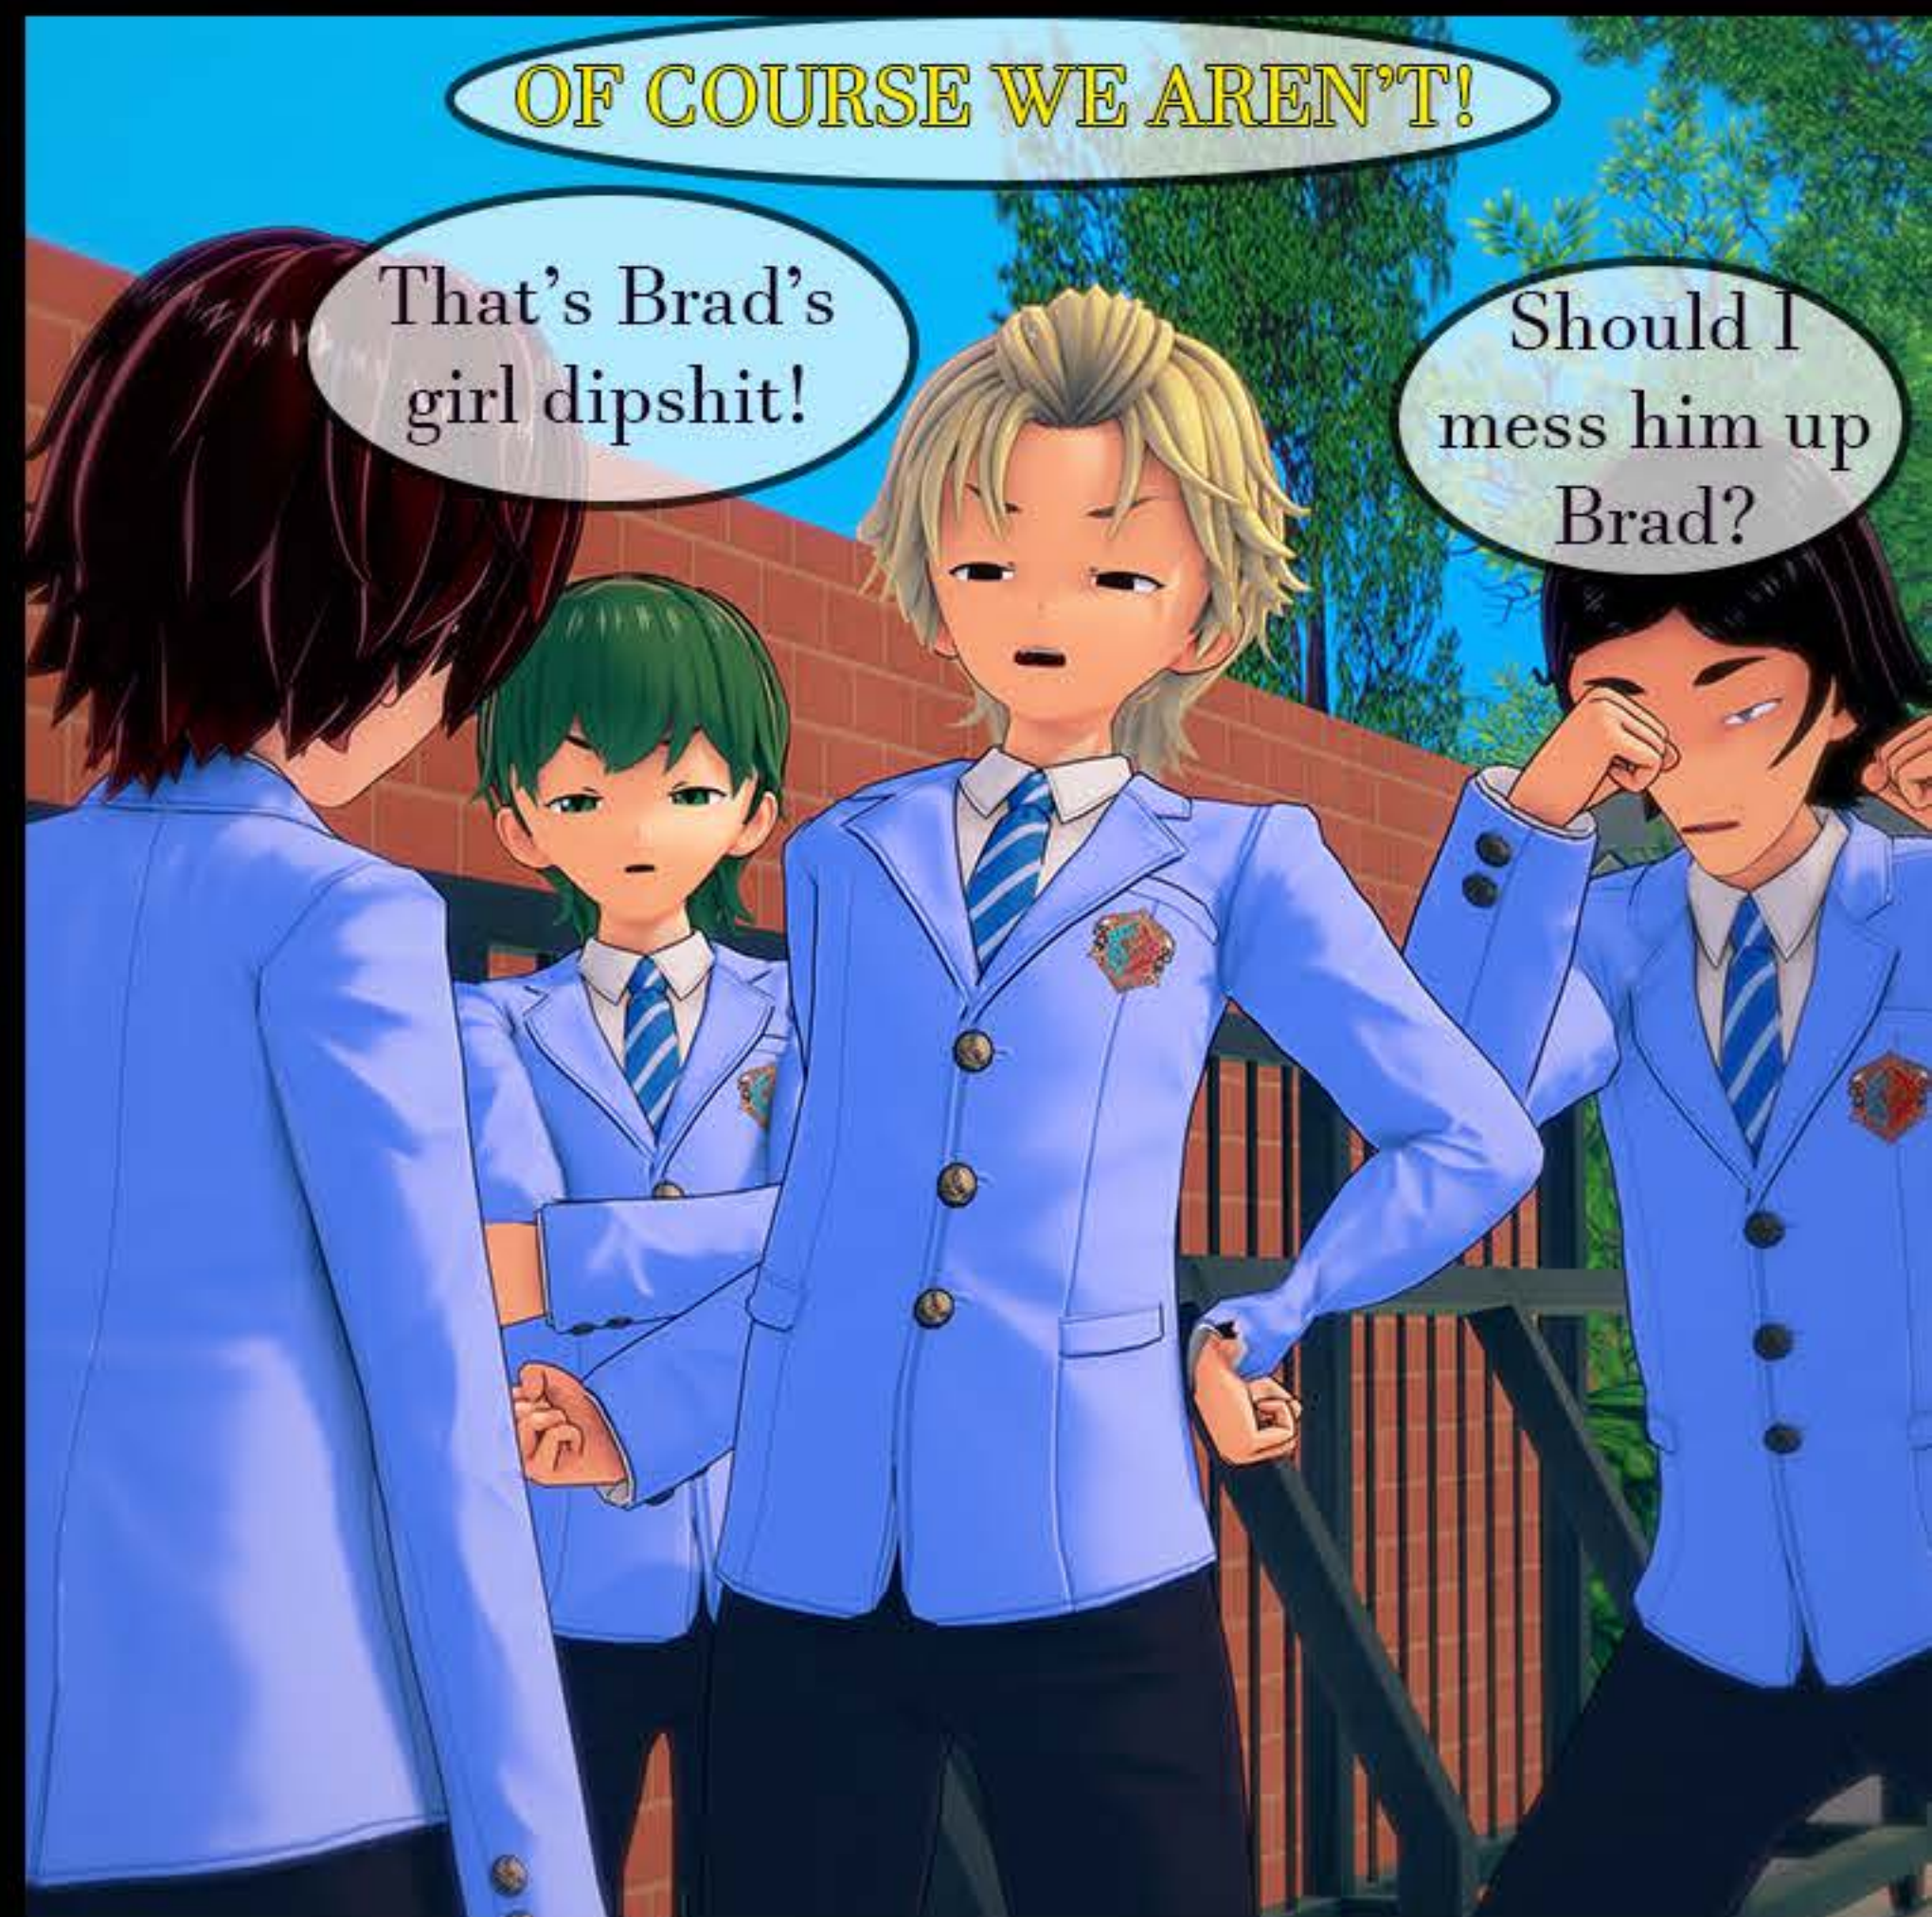

Alex! Get over here! I heard that you went on that date Saturday!

Damn it! Just what I needed this morning.

Braaaaad! You know ya, I did go on a date. with Aubrey.

But I thought after our chat last week we were all square?

OF COURSE WE AREN'T!

That's Brad's girl dipshit!

Should I mess him up Brad?

Holy shit, this is so dumb... I'm leaving.

HEY! Where are you going we're not done!

Let him go.

Dang I wanted to kick some ass...

I'm done Brad... If you or your goons touch me, I'm just going to tell a teacher and get get you in trouble...

**I said that we're not done!**

What are you trying to prove dude?

**I'm not trying to prove anything! I just hate cocky fucks like you!**

You think I'M a cocky fuck? Take a look in the mirror pal.

Oh shit... I think Brad might actually kill this guy.

I actually can't get in trouble right now... I don't want to be thrown out of the debate club.

**Put 'em up! Let's settle this once and for all!**

Settle what? I had nothing to do with you until I asked Aubrey out and you sucker punched me!

Look even your friends know this is pointless.

**Fuck those guys! I don't need them! Let's do this!**

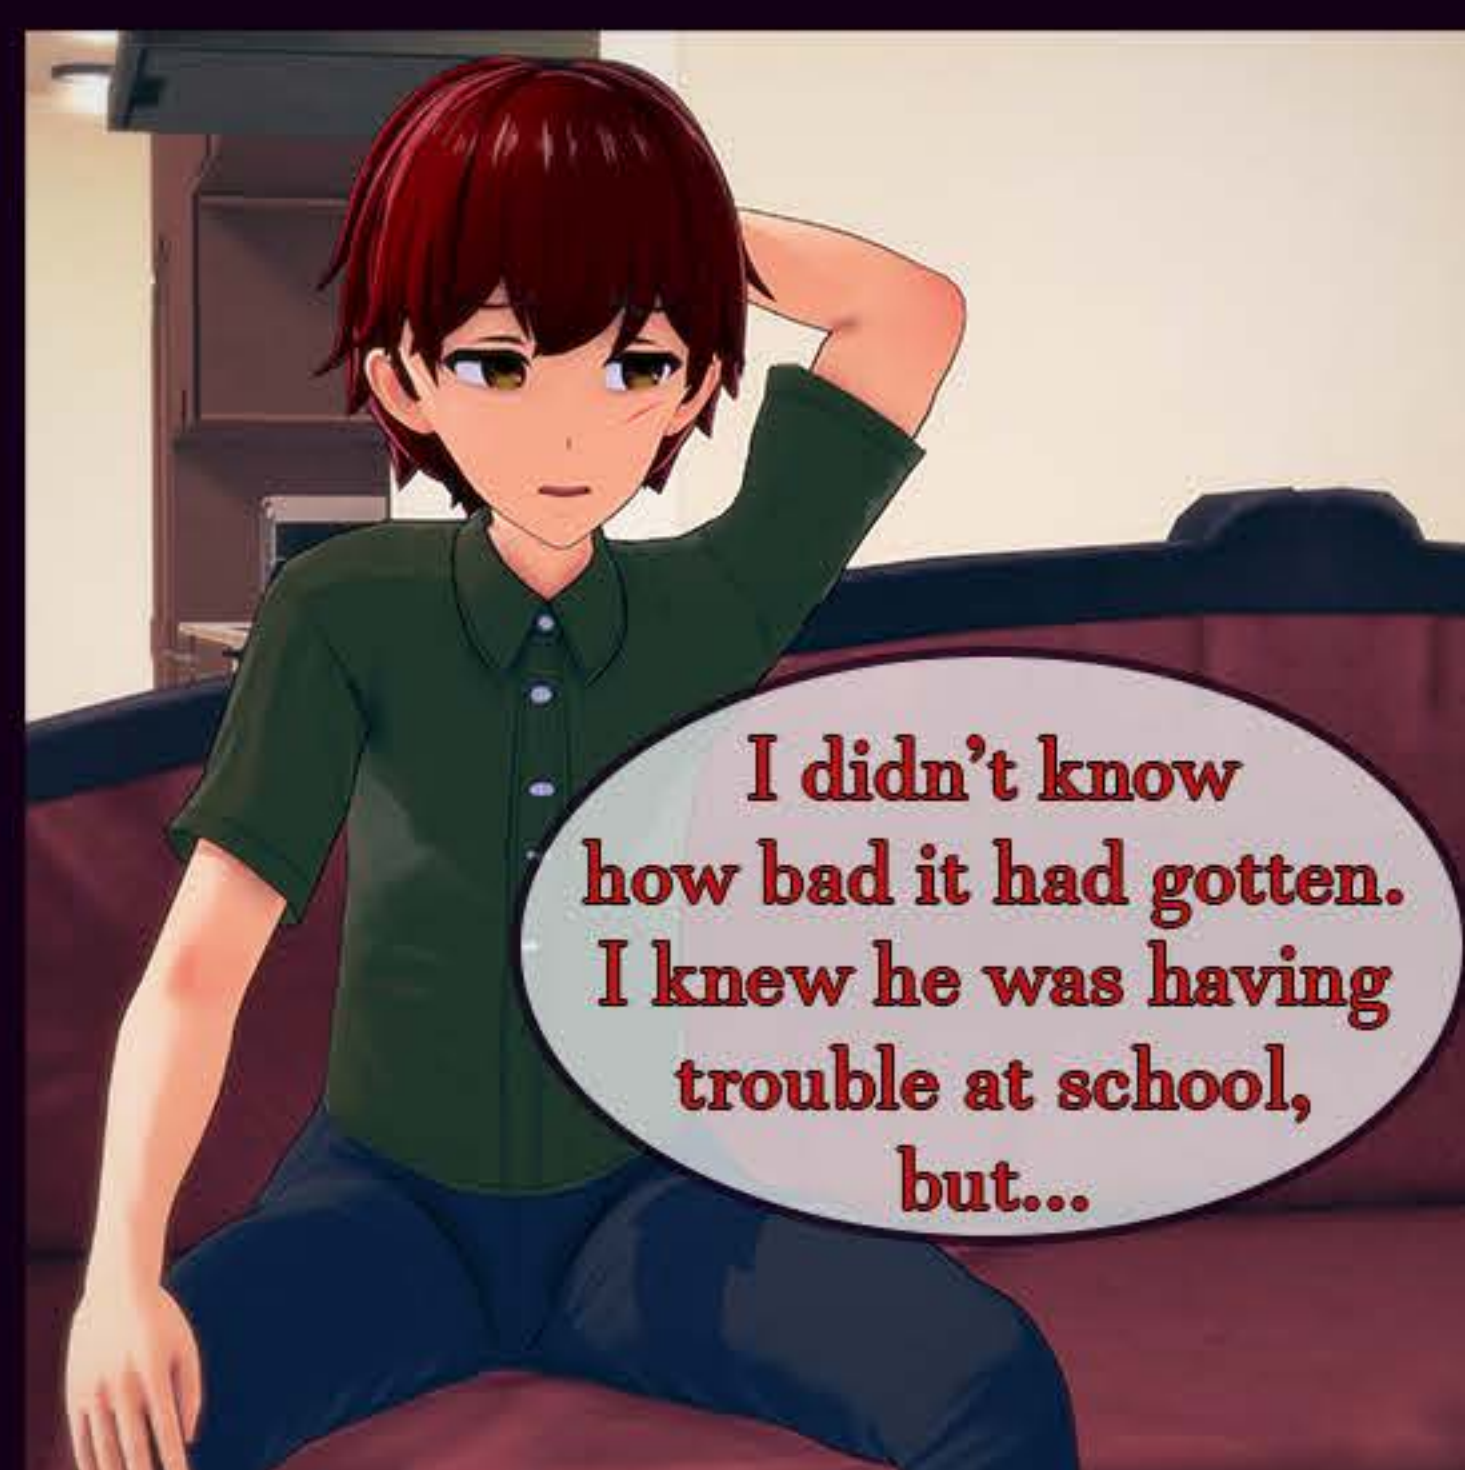

**WHERE ARE YOU GOING!??**

**This is a fight of passion for the Heart of Aubrey Foster!**

I told you, I have no interest in fighting you!

Do you really think if you beat me up Aubrey would like you? Get real.

We're sorry!

We're sorry!

I'm sorry boys,  
but sorry isn't going to cut  
it! This school has a ZERO tolerance  
policy for fighting! I'm afraid you'll  
both be suspended for  
2 weeks

2 weeks!

Brad, you asshole!  
My brother is going  
to kill me!

ALEX! I

heard you got into  
a fight with Brad  
again!

You look  
ok... I'm sorry, this  
was my fault again...  
wasn't it?

He really  
pisses me off! You  
can tell me all about  
it at home room.

No... It was  
that ratfink Brad! He  
started it! I was just trying  
to live my life!

Sorry Aubrey,  
I can't stay too long to  
chat. I have to vacate  
the premises!

Vacate the...  
**WHAT?** Does that mean  
you got expelled??

**WHAT???** But  
you were just defending  
yourself!

Not quite...  
I'm just suspended  
for 2 weeks...

The principle  
didn't care. It's a  
zero tolerance  
policy.

This is all  
Brad's fault! You  
shouldn't have gotten  
in trouble!

**It's nice of her to  
say that... But I  
shouldn't have  
let my anger get  
to me.**

I'll come by  
to visit you  
tonight!

**I made her cry. I am a  
disgusting boy. If I had  
just done what Hailey  
did yesterday... I  
wouldn't have hurt  
Aubrey...**

**Ken should  
be sleeping right  
now. He did  
have the night  
shift last night.**

**If I sneak up to  
my room quietly  
enough I should  
be able to...**

You can stop with  
the sneaking. I already  
know what happened.  
Let's have a talk...

Damn it,  
busted... Alright  
Ken

I know you  
think that I did this on  
purpose but I...

It's just this guy,  
he's been giving me shit  
for no...

**Damn it Alex!  
After all the fights you've  
been in... I thought you might  
be smarter than fighting in  
front of the school!**

**It's always someone  
else's fault with you! You're  
already 18! You graduate in a  
few months! Why are you  
still acting like a  
child!!**

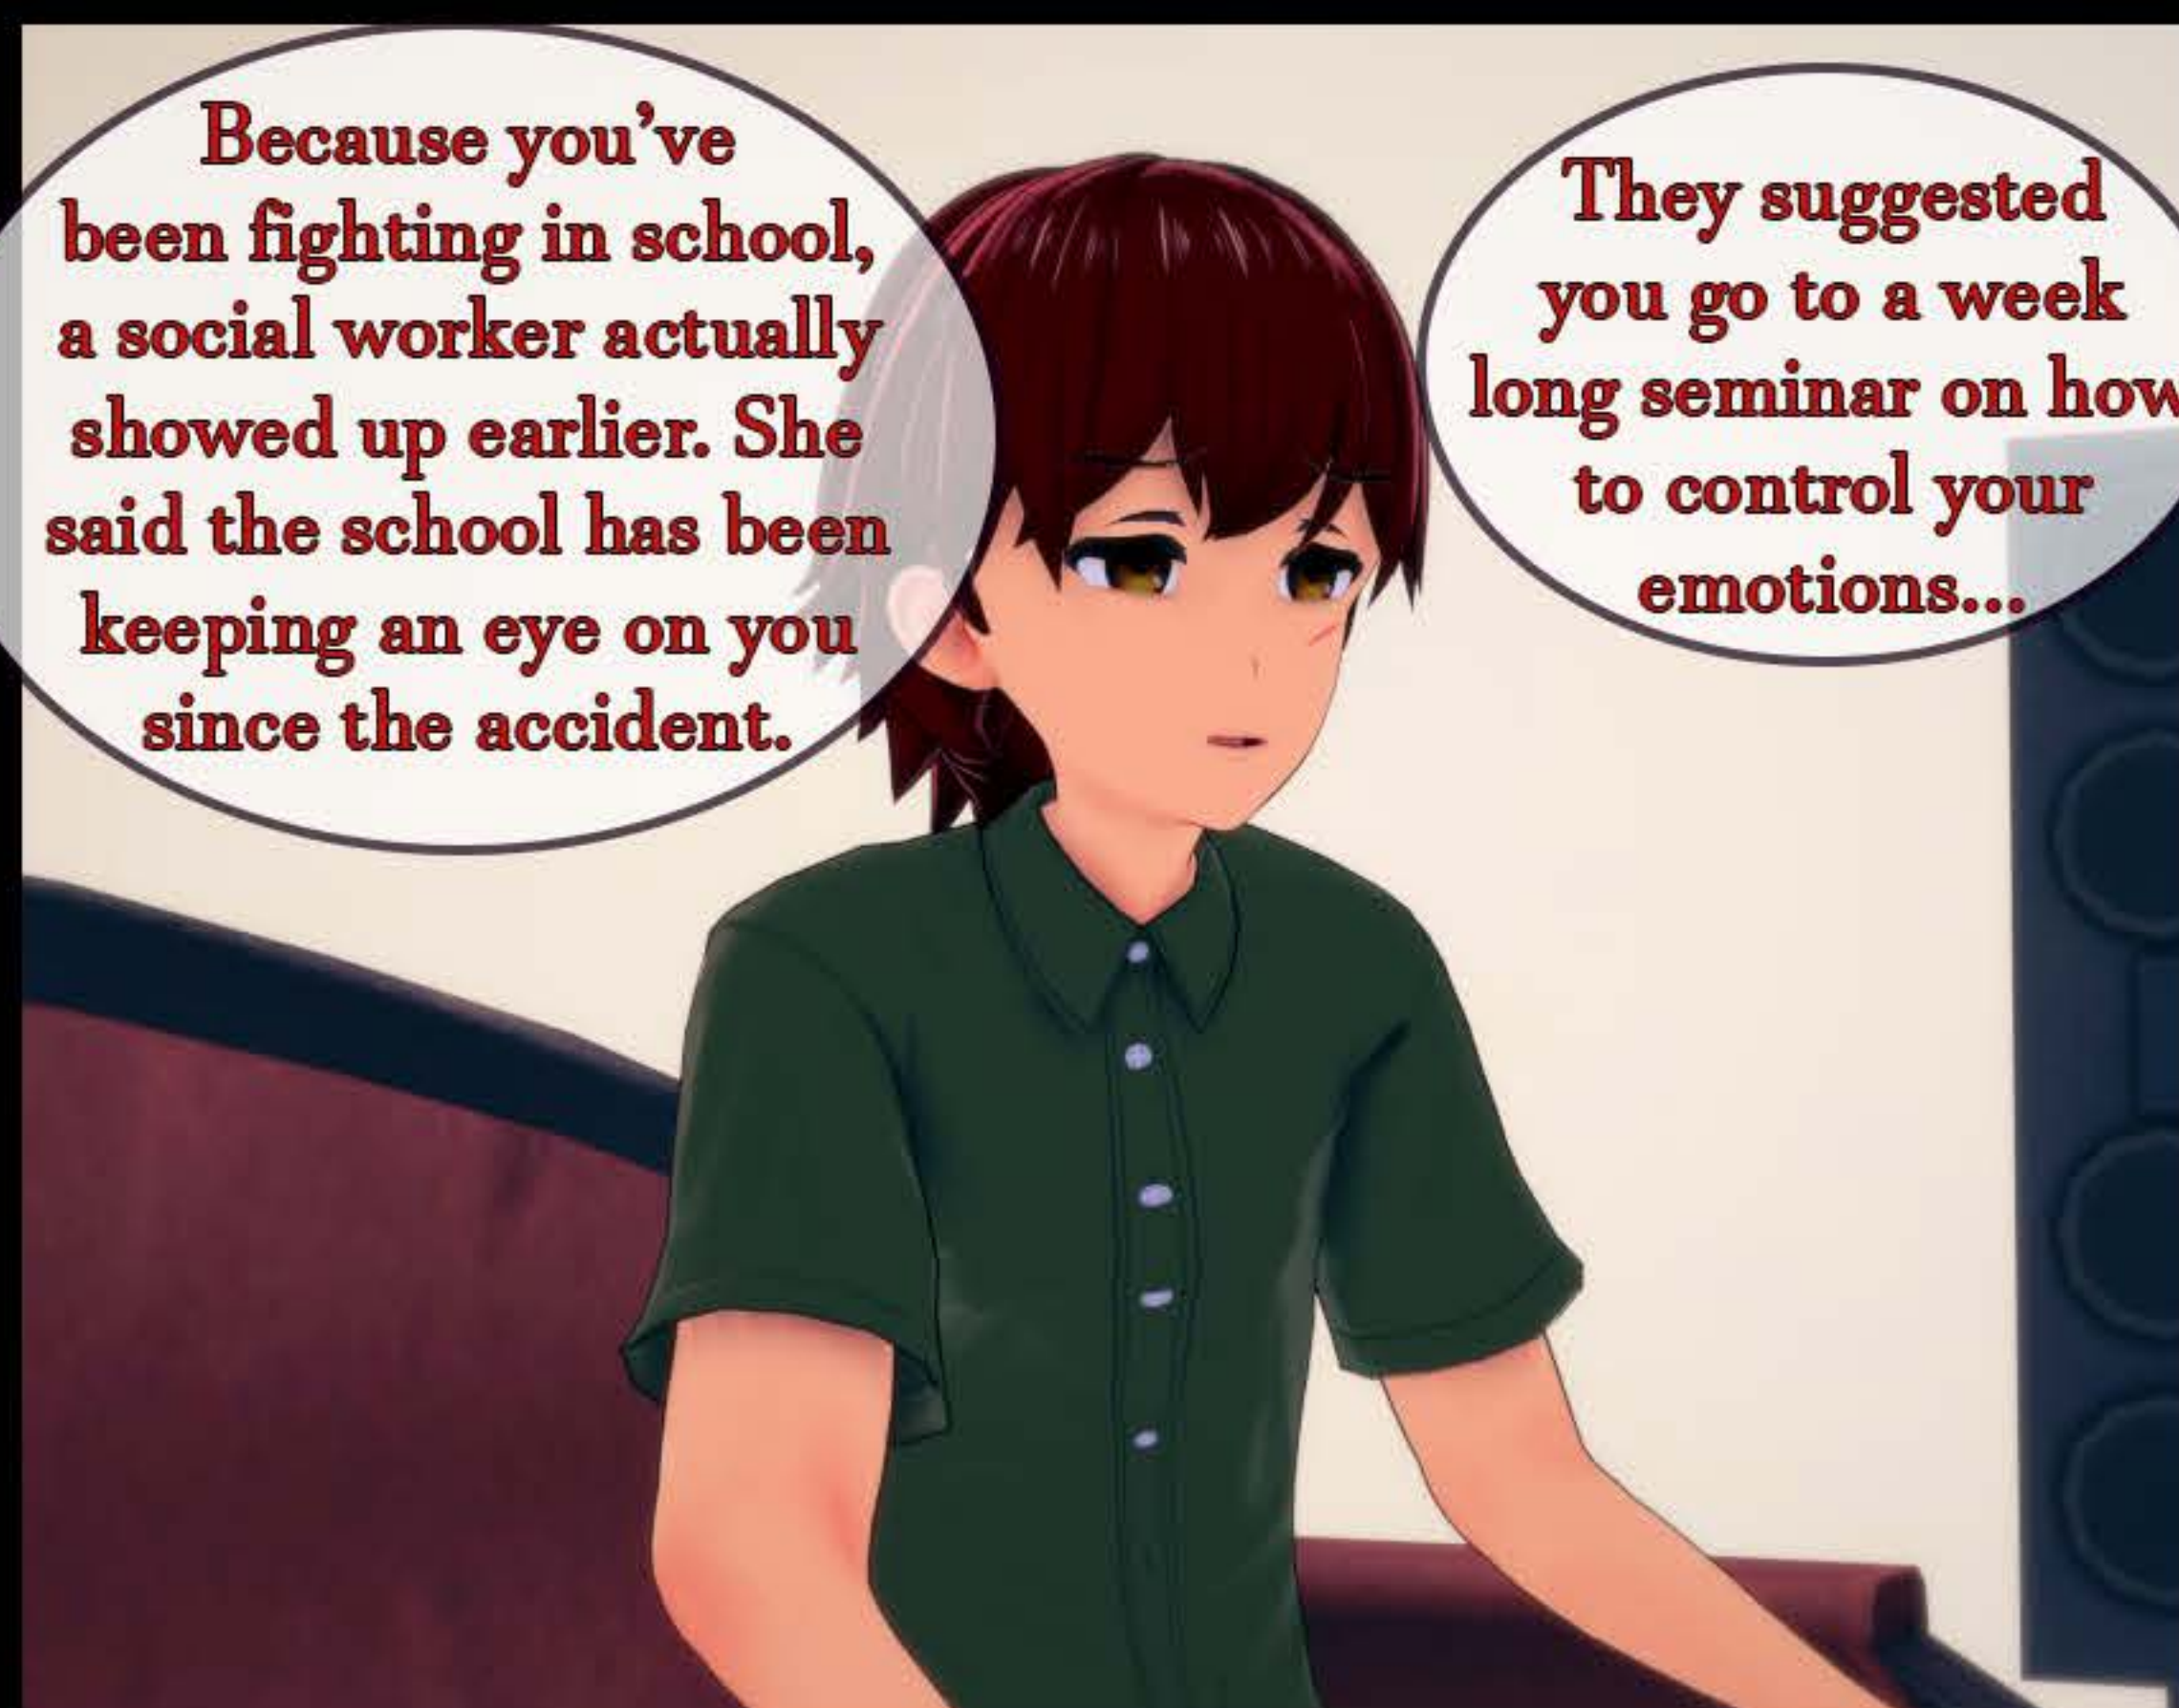

It was the same guy who gave me that black eye! He's been harassing me for a week! He deserved what he got!

**ALEX!** The problem isn't that you beat the dude up! The problem is where you did it!

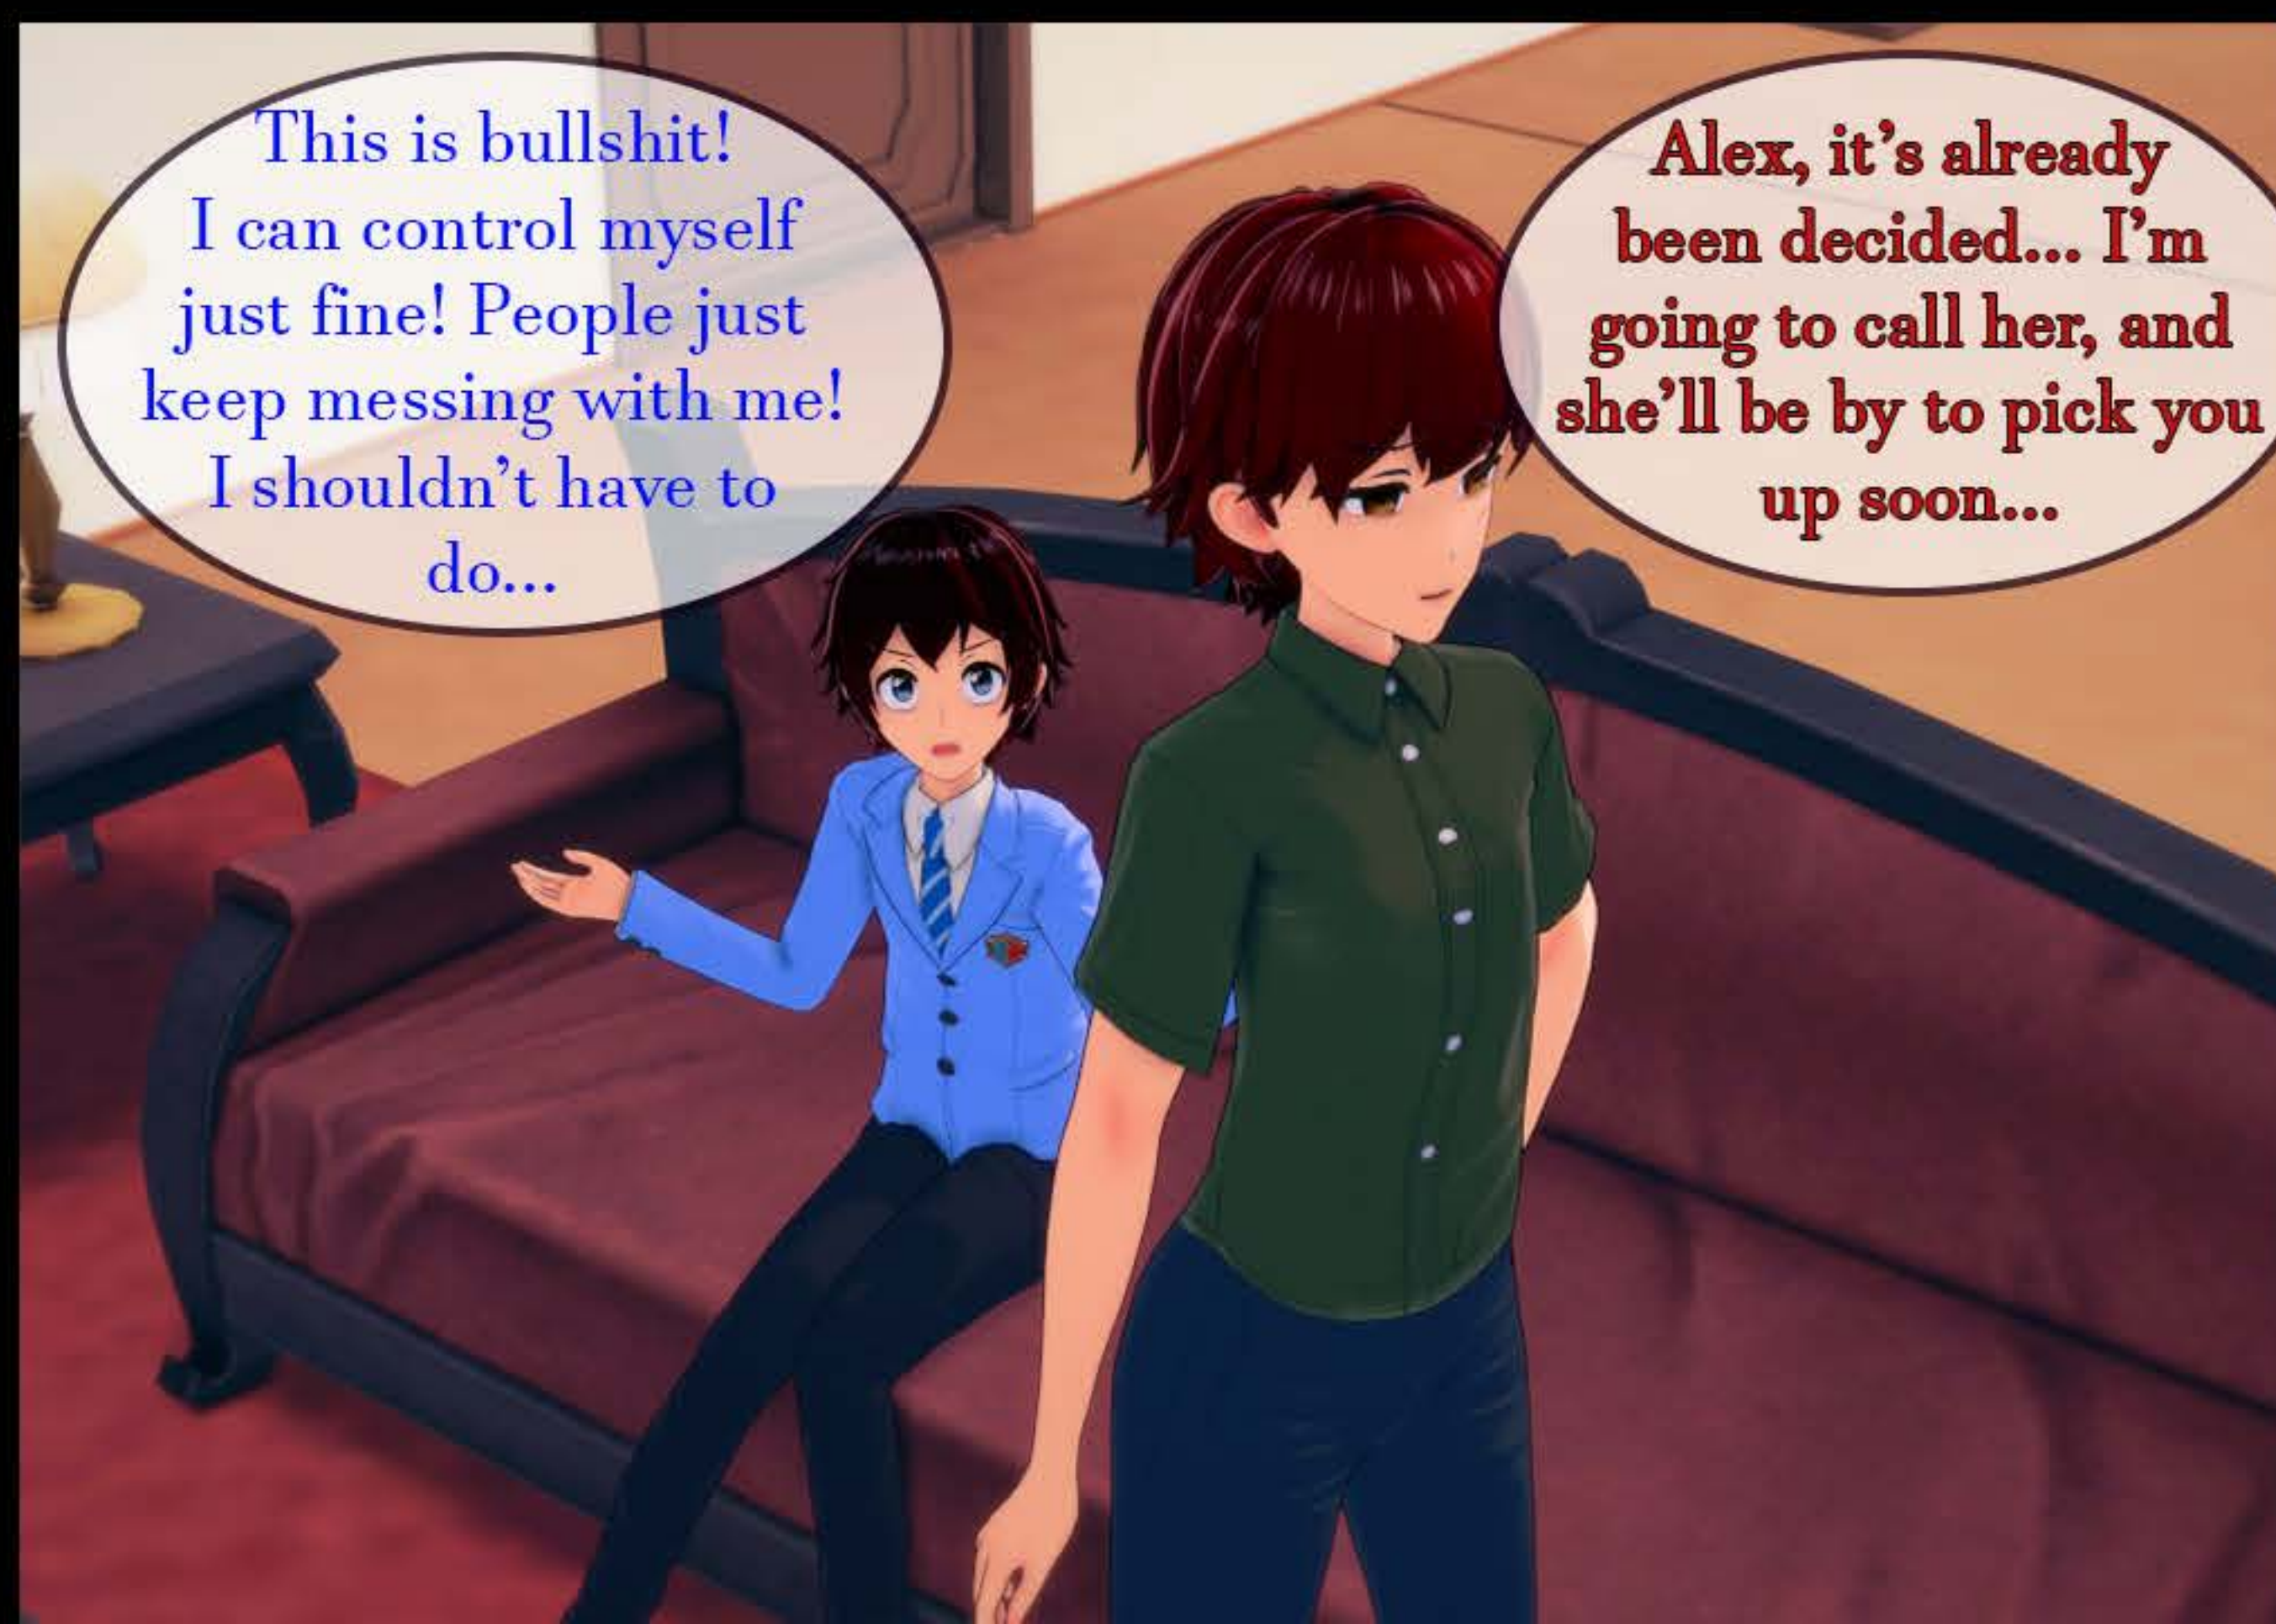

Because you've been fighting in school, a social worker actually showed up earlier. She said the school has been keeping an eye on you since the accident.

They suggested you go to a week long seminar on how to control your emotions...

WHAT!?!?!?

This is bullshit! I can control myself just fine! People just keep messing with me! I shouldn't have to do...

Alex, it's already been decided... I'm going to call her, and she'll be by to pick you up soon...

This is bullshit. And since when does the school have a social worker?

*\*WHISPER\**

Yes, I work for the school Alex,  
and yes we set all this up though them.  
I told you didn't I? It doesn't matter,  
you're coming with me. You failed my  
test. You have but one more chance at  
redemption. So shut your mouth  
and come with me...
