

You better start explaining yourself! How did I not know you worked at the school? You said you were a nurse!

Why am I here? Why didn't you tell me you worked for my school? How did you convince...

Plan? What plan?
The "game" was just for you to teach me how to be a better boyfriend for Aubrey!

I would change that tone of voice you filthy boy. I said I was a nurse, but that was a while ago. I've been your school's social worker for a few years.

Stop talking. You're failing our game. Just relax it's all part of the plan.

Sigh
You don't understand. Let me start from the beginning.

The day Brad beat you up, I had heard shouting and was running to intervene...

What the hell is going on over here?

I uh... I found him like this!

I knew he had hit you. I wasn't shocked to see it was you. I had read your file earlier that day. Social outcast and prone to anger, all from the loss of your parents 6 months ago. You never seek help and the school can't do anything because you usually know how to stay out of trouble, at least not get caught. As I looked at you lying on the ground a thought occurred to me... I want to make this boy **MINE**.

After making our deal I set the pieces into motion. Your ultimate test. I told Brad that I wouldn't tell the principle what had happened as long as he kept pressuring you. He didn't seem to mind. He was to keep bullying you to see if you would break.

I then convinced the principle that you needed to go to the week long intensive. He said that the school could only pay for it if you got in trouble. Which was perfect. If Brad got to you, you would flip out, which in turn would make you fail the test, which would allow you to be able to come to this week long intensive.

So... You're the reason Brad kept being such an asshole to me? You're the reason why my brother is sending me away? Y... You're a monster!

I wouldn't go that far. Brad would've still done what he did because he wanted Aubrey. You still would've gotten suspended. The main difference you're forgetting is OUR arrangement...

You keep saying that. But I thought it was just that you were going to teach me how to be a better boyfriend.

You forget the second part. That if you failed. You would become mine.

Become yours? what does... That mean?

Well you'll be finding that out this week.

But... I thought I was going to a week long intensive? What do you mean...

You're not going to any week long intensive! For the next week, you'll be living with ME!

WHAT!?! Wouldn't the school know I didn't go?

I set it up so Brad is going under your name. Don't look so defeated! Don't you remember what I said? You have one more chance! Think of this as a taste of what happens if you don't convince me men are worth anything!

I knew it...
You're hard. You haven't
learned a god damn
thing...

That's
not fair. I haven't
gotten to touch
my little...

OOOWWW!
TOO HARD
STOP!

~Hrrrrk!~

~CRUSH~

This will not be
tolerated Alex. Your
dick is the reason you're in this
position. You will be punished every
time I see your tiny little prick
even begin to stand up.

Here's the ground rules... You are no longer Alex. You are Ariel now.

You are to address me only as mistress.

You do anything I say now Ariel... You're my little sissy slave!

You speak when spoken to. You don't ask any questions. You just do as you're told! Be a good girl this week and I'm sure that you can still be a boy again next week... Or maybe not!

COUGH
I did...n't realize...
COUGH You were such a... CRAZY BITCH!

You and I will be having a lot of fun this week Ariel. Let's start your punishment...

What are you planning on doing to me?

AHA!
Found it!

Come on
Hailey! Don't you think this has gone far enough!?

It has not.
You clearly don't understand women. This will help with that!

Is that a butt plug?
Don't tell me that you plan on putting that in...

Of course!

NO!
NO!
NO!

STOP SQUIRMING!
Come on, it's not even that big!

You'll be the best boyfriend after this!

One who actually gets it!

But first, you need to learn how to appreciate a woman beyond her body!

Now stare at my tits... I already feel you getting hard you disgusting boy!

Please don't...

CRUNCH!

I'll be with you 24/7 this week. I'm going to crush your balls every time you get hard looking at me!

I STILL DON'T GET WHAT THIS HAS TO DO WITH MY FIGHT!

Simple, I balance your toxic masculinity with femininity. Girls are less likely to resort to violence. After you learn how to be a girl you can relate to Aubrey and be a better boyfriend because of it!

It's too much, you have to stop doing that!

Why? You seem like you're enjoying it! You came sooo much!

~SCOOP~

Why don't you try some of it?

~HYACK!~

HAHAHA!
The look on your face!

What's the big deal you men expect us to eat it!

SERIOUSLY!
You just made me eat CUM!

Point taken!
I won't ever make Aubrey swallow!

Sigh

This week I'm treating you like how a crappy man treats a woman.

Trust me.
It's all part of the process...

I get that but why do I have to do stuff like that?

So after this I'll be with Aubrey forever... Right?

Ya...
Ariel, are you starring at my chest?

This is going to be a long week!

...
No...

~KNOCK~
~KNOCK~
~KNOCK~

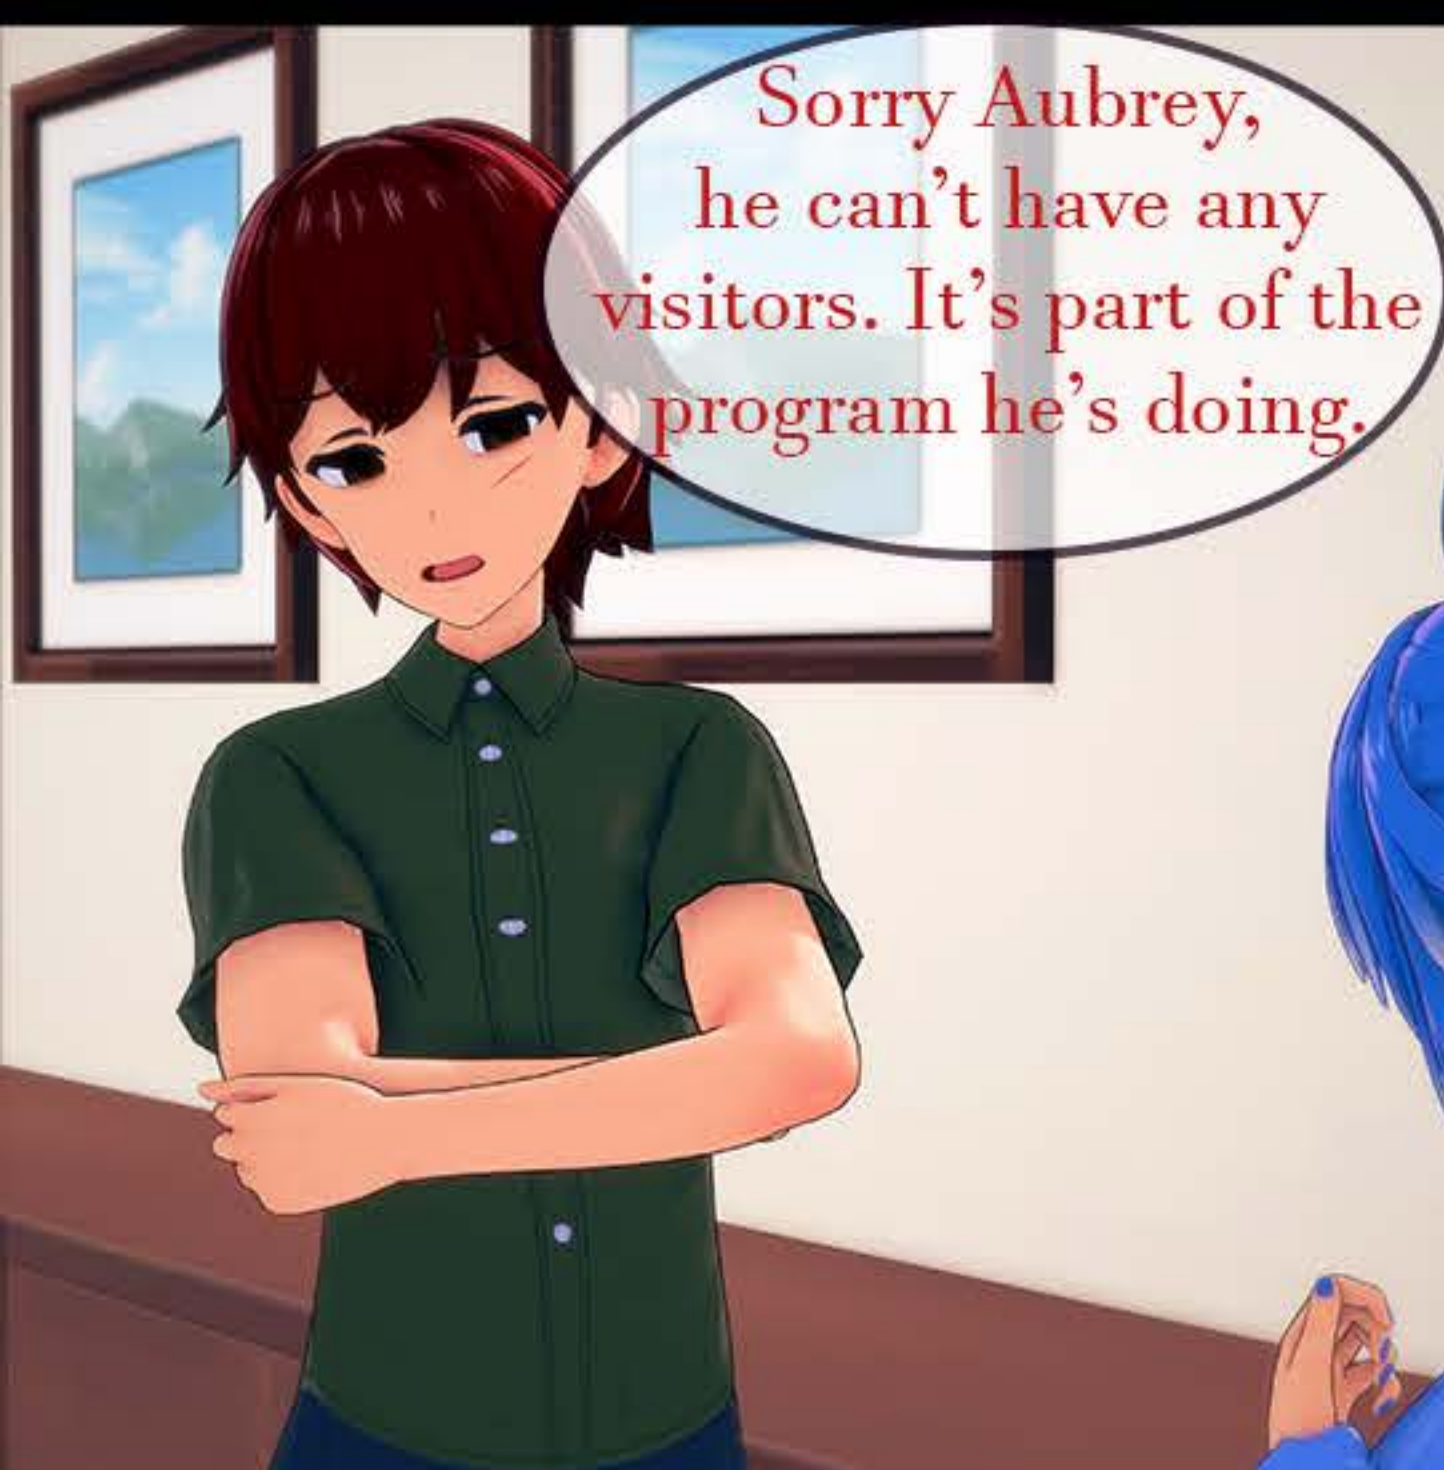

I'm Coming!

Oh hey,
Aubrey right? What
can I do for you?

No, he's not
here. He's busy for the
next week and he doesn't
have his phone

Sorry to show
up, but... is Alex here?
He hasn't answered any of
my texts...

Is there
any way I could
talk...

So that's pretty much the gist of it all...

It's been really hard on him. hopefully this retreat he's going to can help him through all this...

Sniff
I had no idea! Alex never told me about your folks...

But what about you? This must all be hard on you! I mean you don't look much older than us!

It's been tough but I have to be strong for Alex.

But you also have to take care of yourself.

Trust me Aubrey I'm fine, I don't need to burden anyone with my...

Come on! Everyone has to let it out sometimes.

I get what you're saying but...

No buts! What if you told me about it. I can be the ear you deserve.

Aubrey you don't have to do that.

But I want to, I can tell you're hurting! I want to be a kind ear for you!

And along the way I can learn more about your family and Alex!

Alright... Fine. I wouldn't mind talking to you

I'm so glad!
I can't wait to get to
know you and Alex
more!

I don't get why
you're doing this, but it
will be nice to talk to someone
other than my co-workers.

Everyone deserves
to vent and cry if they need
to! I love helping people through
the sadness!

**I shouldn't accept this... This is
my brother's girlfriend after all.
But, there's something about
her... Just her presence is
making me... happy? But she's
18 and I'm 25, she's just being
nice. It will be nice having
someone come to the house
while Alex is gone...**
