

I don't know what's going on. But I'm ready for any challenge Mistress!

I realized that you can't keep me here forever! My brother would come and find me!

You can try. But I'm a boy! No amount of mind games can change that!

That shower did wonders for you!

Oho? You figured it out! I bet you'll be begging to stay by the end of this week! I'm making you my perfect sissy!

Mmmhmm... We'll see... I'll make a new deal with you. If you still think you're a boy by the end of the week I'll let you go. But you have to do whatever I say!

A few punishments... A few lessons on how to be a girl... And now you're throwing your ass back like a pro!

~Ha...~
~Ha...~

~HARDER~

Why am I letting her fuck me so easily?

You were such a good girl last night I think you deserve to wear real clothes again!

WOW! Thank you so much Mistress!

Hmmm... That voice is a little too butch for you honey. Let's work on that today!

OK MISTRESS!

L... Like this Mistress? Am I doing it right?

Very good Ariel! And you are starting to sound very feminine!

Thank you Mistress!

You're feeling all of this pleasure... And you're not even hard! Good, You don't need that pathetic excuse for a dick to enjoy pleasure!

I shouldn't be playing Mistress's game!

Wh... What's up with my reflection? I look different? Mistress didn't say anything... I must just be imagining things. Mistress would have told me if I looked weird!

Hurry up Ariel! It's time to work some feminine mannerisms!

Yes Mistress! I'm coming! I'll be there in a sec!

DON'T WORRY ABOUT THIS SWEETIE! YOU'RE A GOOD GIRL NOW!
YOU HAVE TO FIGHT THEM! REMEMBER WHO YOU ARE AL.....

I didn't notice how your titties are coming in! They look very nice Ariel!

Th... Thank you... AH! MISTRESS!!

DAY 5

Mistress said I could take today to reflect... What am I suppose to be reflecting on? Come on Ariel... You don't want to let Mistress down...

Maybe she wants me to masturbate? That wouldn't make sense... Maybe she wants me to think about what's going to happen when I go home Monday...

Mistress is probably upset that she didn't make me her little play thing! I feel bad though... When I leave Mistress is going to be all alone. But, I'm still a boy... My weiner is right there! It's no comparison to Mistress's but it's real nonetheless!! I have a life I need to get back to... I'll be able to be with Aubrey! I'll actually go to counselling to make sure I never fight again! Although I don't really feel the urge to anymore...

Day 6

How do I look
Mistress? You said I could
wear anything on our last day!
I thought this was the
cutest!

My oh my!
You look positively
ADORABLE!

Thank you
Mistress... So what are
we doing today?

For being such
a good girl this past week,
I thought we'd go out to that
cafe again!

That sound's like
such a good idea Mistress!
I can't wait!

So what
should I call you
Mistress?

M... Mom...
You... Want me to
call you mom?

For today, while
we are out, I think
people might get the
wrong idea if you call
me mistress...

You
should call me...
Mom.

Is that going to
be a problem Ariel?

N... NO!
Race you to the car,
MOM!

No fair!
You got a head
start!

Remember last time we were here? you were such a nervous wreck!

It was your first time out in public in a skirt.

You probably realize how good you look as a girl I would assume!

It's ok sweetie! You look great in that dress!

I... I was? I guess I was. Hmm... Why was I so nervous?

Right because I was... I am a boy! Why am I not nervous about this?

I do look good right Mom? Wait... I'm confused?

Oh right! Uh thank you Mom!

So why don't you go ahead and fill me in on your day yesterday! I'm sure you thought long and hard about our week together!

I did! I thought about how I was wrong to pick fights. I realize that I upset Aubrey by doing that. I also... Thought about how I won our game! But I feel bad leaving you all alone.

You know... The game that if I was still a boy by the end of the week that I could go home...

So I won the game then! I get to go home and be with Aubrey!

You won our game? What game would that be sweetie?

Oh right! I'm impressed you still remember that. Of course, you were always going to go home!

I didn't say you won the game! You have to go home. I can't kidnap you! But you're definitely not a boy!

Wh.. What do you mean by that?

You've already begun your journey to womanhood. There's no turning back now... It's my super power!

Her Super power? What does that mean? I won the game. I'm still a boy. So how can she sit there so sure that I'm still somehow hers?

Oh hey Hailey. What will it be today the usual?

You know me so well Lisa!

And what about for you? What can I get you?

I'll have an omelette please.

YOU HAVE TO REMEMBER! SHE'S SCRAMBLING YOUR MEMORIES!!!
Mistress is good. You shouldn't question her... Don't think too hard about it! Why would Mistress hurt you?

I'm sorry MOM...
But, what did you mean
by your super power?
Does it have something
to do with your
eyes?

You're right on
the money sweetheart! My
eyes have been helping
you on your way
to womanhood!

What? How?
You keep saying I'm on
a journey. But I feel fine!
I'm not anywhere close
to womanhood!

All these questions...
Just because I take you out to
breakfast does not mean you can
forget yourself whelp... At any rate
it's more fun when you don't
know what's coming!

Y... Yes
Mom...

ALEX! AFTER A DELICIOUS BREAKFAST! THE
After a delicious Breakfast! THE
FRANCE!

Ahhhh!
That was delicious!
Do you mind paying again
while I go and get the
car?

What? Oh, uh, No
problem Mom... I'd be more
than happy to do that for
you.

Good girl!

Mmmmph.

I feel like I
can faintly
hear the call
of someone...

Staaaaaaaaare

Her again! And
she's staring at
me just like
before!

Here's the
money. And you
know it's rude to
stare...

Thanks... You know you look vaguely familiar.

Well, I was in here like last week.

That's not it... You look just like how my girlfriend describes this one dude...

Maybe I just have one of those faces?

Maybe. Or maybe you're related? The dude's name is Alex.

A.. A.. Alex... Why does that name...

No I don't know that guy...

Hmm... Ok. Sorry for staring at you!

Have a good day, thank you for eating with us today!

Ya, you have a good one too! See ya next time!

What the hell was that? Who is this Alex? And why do I feel so weird hearing that name? It's like, I have a strong connection with that name...

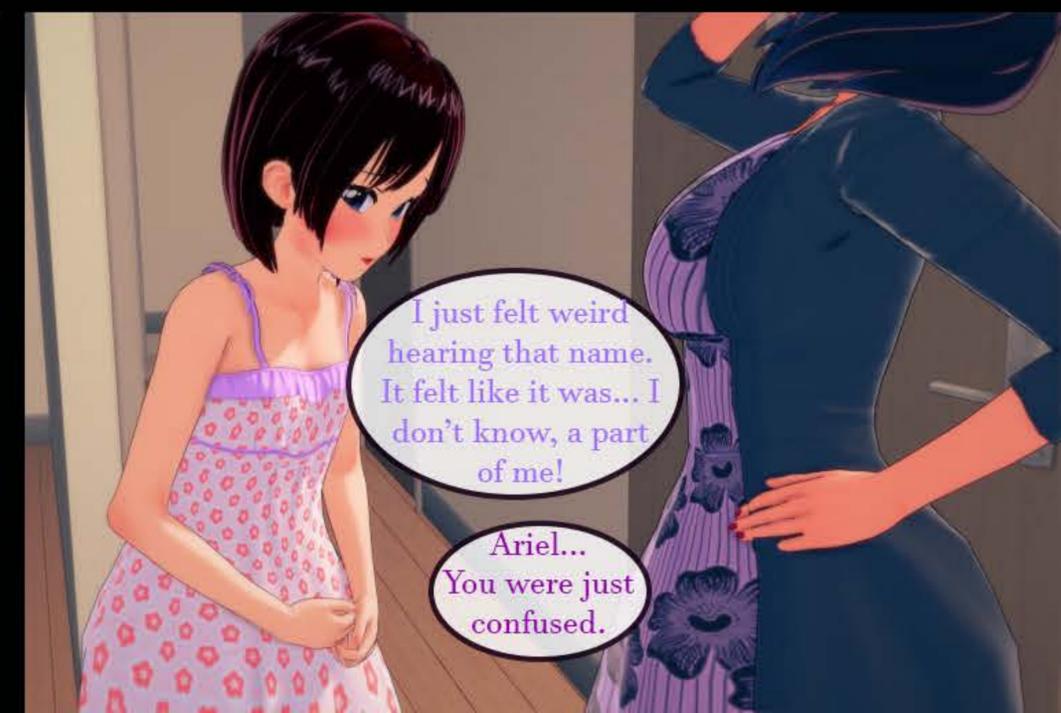

You were pretty quiet on the ride home. Is something bothering you?

It's just... When I was paying the waitress mentioned someone named Alex.

Oh?

SHIT! I forgot that people in the real world are going to call him Alex! He probably had a bit of a shock hearing that name for the first time since I started his special training...

I just felt weird hearing that name. It felt like it was... I don't know, a part of me!

Ariel... You were just confused.

I... I was confused Mom? I... Mean Mistress?

Yes dear, you may have forgotten, but people tend to call you Alex.

Wait what? Why would they do that?

It doesn't matter. You know your name is Ariel. Your real name is Ariel... You just let others call you Alex for their convenience. You are a rather accommodating person!

~Hehooooo~

Heh... Heh... Right... How could I forget that people called me Alex?

My training can be pretty intense. It just wasn't important this week because I've been using your real name!

Right... I remember now Mistress.

Good girl. Make sure when you leave here. You don't make too much of a fuss about your name!

Yes Mistress...

Now come over here. You deserve a reward for being a good girl today!

What are you waiting for? Let's go!

You have a strange mind Ariel. Fine. You can be a boy today. Now come!

Mistress, I'm a boy not a girl.

Yes Mistress.

I can convince this person that everyone calls them Alex for no reason. I can get them to call me Mistress and wear girl clothes. I can even get them to grow tits but they still think they're a boy... I don't understand! It doesn't matter. I'll get what I want in the end.

Strip and Sit.

Alright Ariel. Here's the deal this is the last day you're here. It's time for the ultimate test. If you pass this you pass my training. And I will admit that you are a good man!

I'm ready Mistress!

Yes Mistress.

This will be fun...

For this test you are allowed to do anything you want to me! I want you to show me how you are going to have sex with a girl.

Good. Yes that was that test. But I mean it. You can do whatever you want to me! I've been pounding your ass all week. Showing you how a disgusting boy has sex. Show me how a good boy does it!

No way! I remember this from last time! This is how you got the penis cage on me!

A... Alright! I'll show you that I'm a good lover and that Aubrey will be very happy with me!

Well then go ahead! Show me what you've learned!

R... RIGHT!
Be prepared Mistress!
I'm going to...

Why are you hesitating Ariel? Could it be my body doesn't excite you?

You told me that I shouldn't get excited Just from seeing a naked woman!

Good Good... You have learned something this week! But it seems to me that you're staring at my cock. Do you want to play with it?

I'm right. You're more interested in my cock then fucking me!

NO WAY!
It's just in the way. L...

I'm just going to take this off!

Go ahead Ariel! Do whatever you want!

I thought you were going to take it off? No you just want to suck it don't you? You love my cock!

WHAT AM I DOING! I should be having sex with Mistress! Why am I sucking on her cock? I should be focused on her... Pussy...

That's a good boy! You're passing the test with flying colors!

Bonus points for playing with your nipples like I taught you!

I passed the test? How I thought you said to show you how I'd have sex with Aubrey?

That's why you passed! It's a little known fact that women actually love a man who sucks and fucks cock!

Wait really? I've never heard that before!

Mmmhmmm...

He should be at the stage where he believes anything I say... Except being a girl for some reason...

AWESOME! So you've been teaching me how to be a good lover this entire time!

Uh... Ya of course! I definitely didn't just do it because you pissed me off and it was fun...

So you hadn't forgotten our deal! I was worried I had actually failed somehow!

Well you did... But that doesn't matter! As long as you know getting fucked in the ass and having your nipples teased is very manly...

I get it now! That's what this whole week was about! I can't believe how wrong I was about sex!

Yup... This was all a long test!

SWEET! Then I'm going to show you exactly how I'll have sex with Aubrey!

I don't understand. My powers are working fine in all aspects... Except making him accept he's going to be a she. It's going to be a problem down the line when she develops further and she can't admit to her friends and family that it's because she wants to be a girl... I'll have to stay close over the next few weeks.

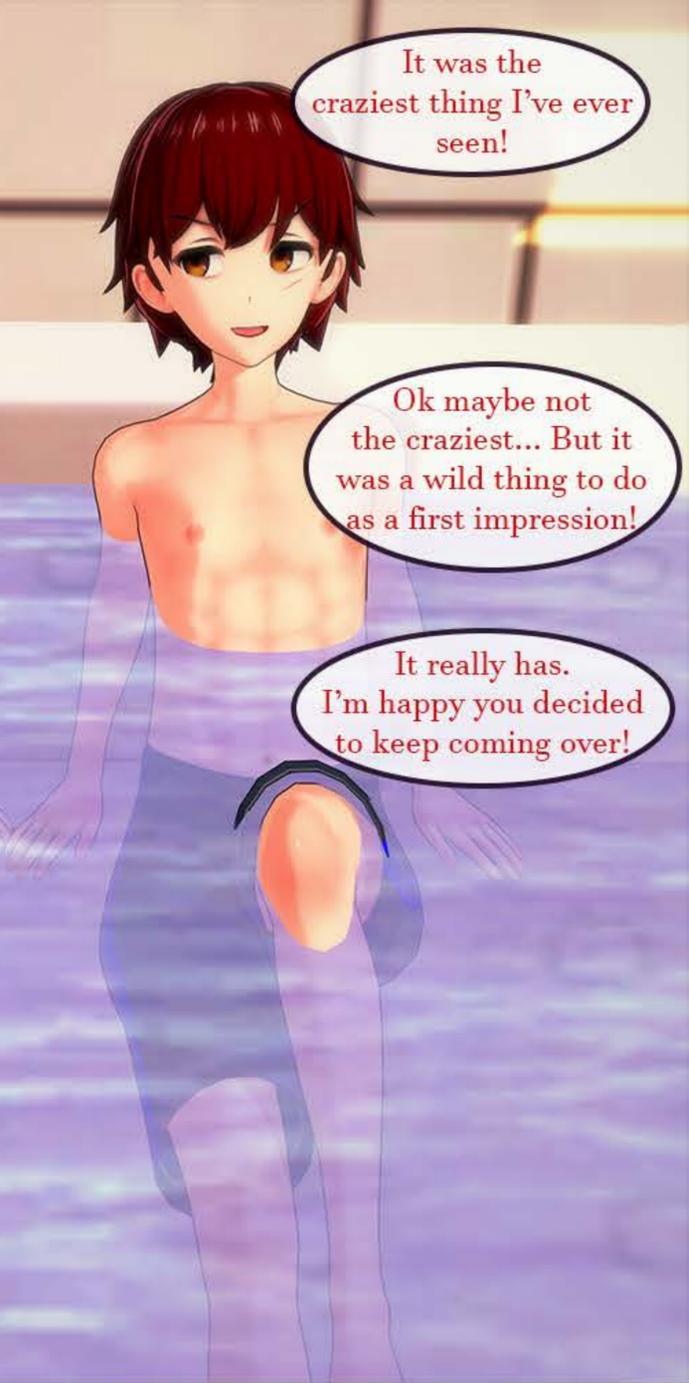

Ahhh...
What a perfect day!
I'm so happy you let me
use your hot tub!

As long as you're
not doing cannonballs
it's fine!

Come on no
it wasn't! It was just
a spur of the moment
thing!

You've got me
there... It's been a
pretty nice week
hasn't it?

It was the
craziest thing I've ever
seen!

Ok maybe not
the craziest... But it
was a wild thing to do
as a first impression!

It really has.
I'm happy you decided
to keep coming over!

Of course!
You probably would've
gone crazy from loneliness if
I weren't around!

Awww jeez!
You're gonna make me
blush!

Do you think
he's going to be
different?

That's for sure!
My brother is lucky to have
found someone as fun and
charming as you!

Haha...
I just can't wait to
see my little bro tomorrow!
I've missed him!

No way...
Alex has been the
same since he was a
kid. He just lost his
way. He'll come back
stronger than
ever!

I'm just worried.
Unpacking trauma like
he has this week... It
does change a
person.

If he does come back different, he's still my brother! I'll love him no matter what!

I'm just worried. He might not be the same guy I started dating.

Last week I didn't imagine I'd be chilling in a hot tub with you. Things change. Like you taught me, you have to go with the flow sometimes!

You're so right! I'm sorry for being such a Debbie downer! I shouldn't be thinking so negatively

Gulp
N... No problem. Trust me everything is going to be fine.

She's holding my hand... STOP! This is my brother's girlfriend! Nothing is going on between us!

Of course I trust you!
Honestly you're one of the most
trustworthy guys I know!
Everything is going to
be fine!

YUP!
NOW.... COULD YOU PLEASE
LET ME GO?

RIGHT!
Sorry, I forget that I
shouldn't be rubbing up on
ya! I just like being close
to you!
