

Hey,  
neighbor~  
I need a strong guy  
to help me move  
some boxes...

Would  
you mind  
giving me a  
hand?

Y-yes,  
I'll do any—

I mean...!  
yeah... I  
can help

Oh,  
thank you  
so much...  
you're a  
lifesaver~

U-um...  
you said boxes...  
but I don't see  
anything here...

Just  
stand right there  
in the center...  
don't move, okay?  
I'll be right back~

O-ok...  
sure...

Thanks for  
being such a good boy...  
I actually need  
help with something  
else~

Let's turn  
you into  
something  
cuter~

H-hey—!  
this isn't funny,  
what is this?!

It's  
just a tiny  
magic trick,  
don't worry~

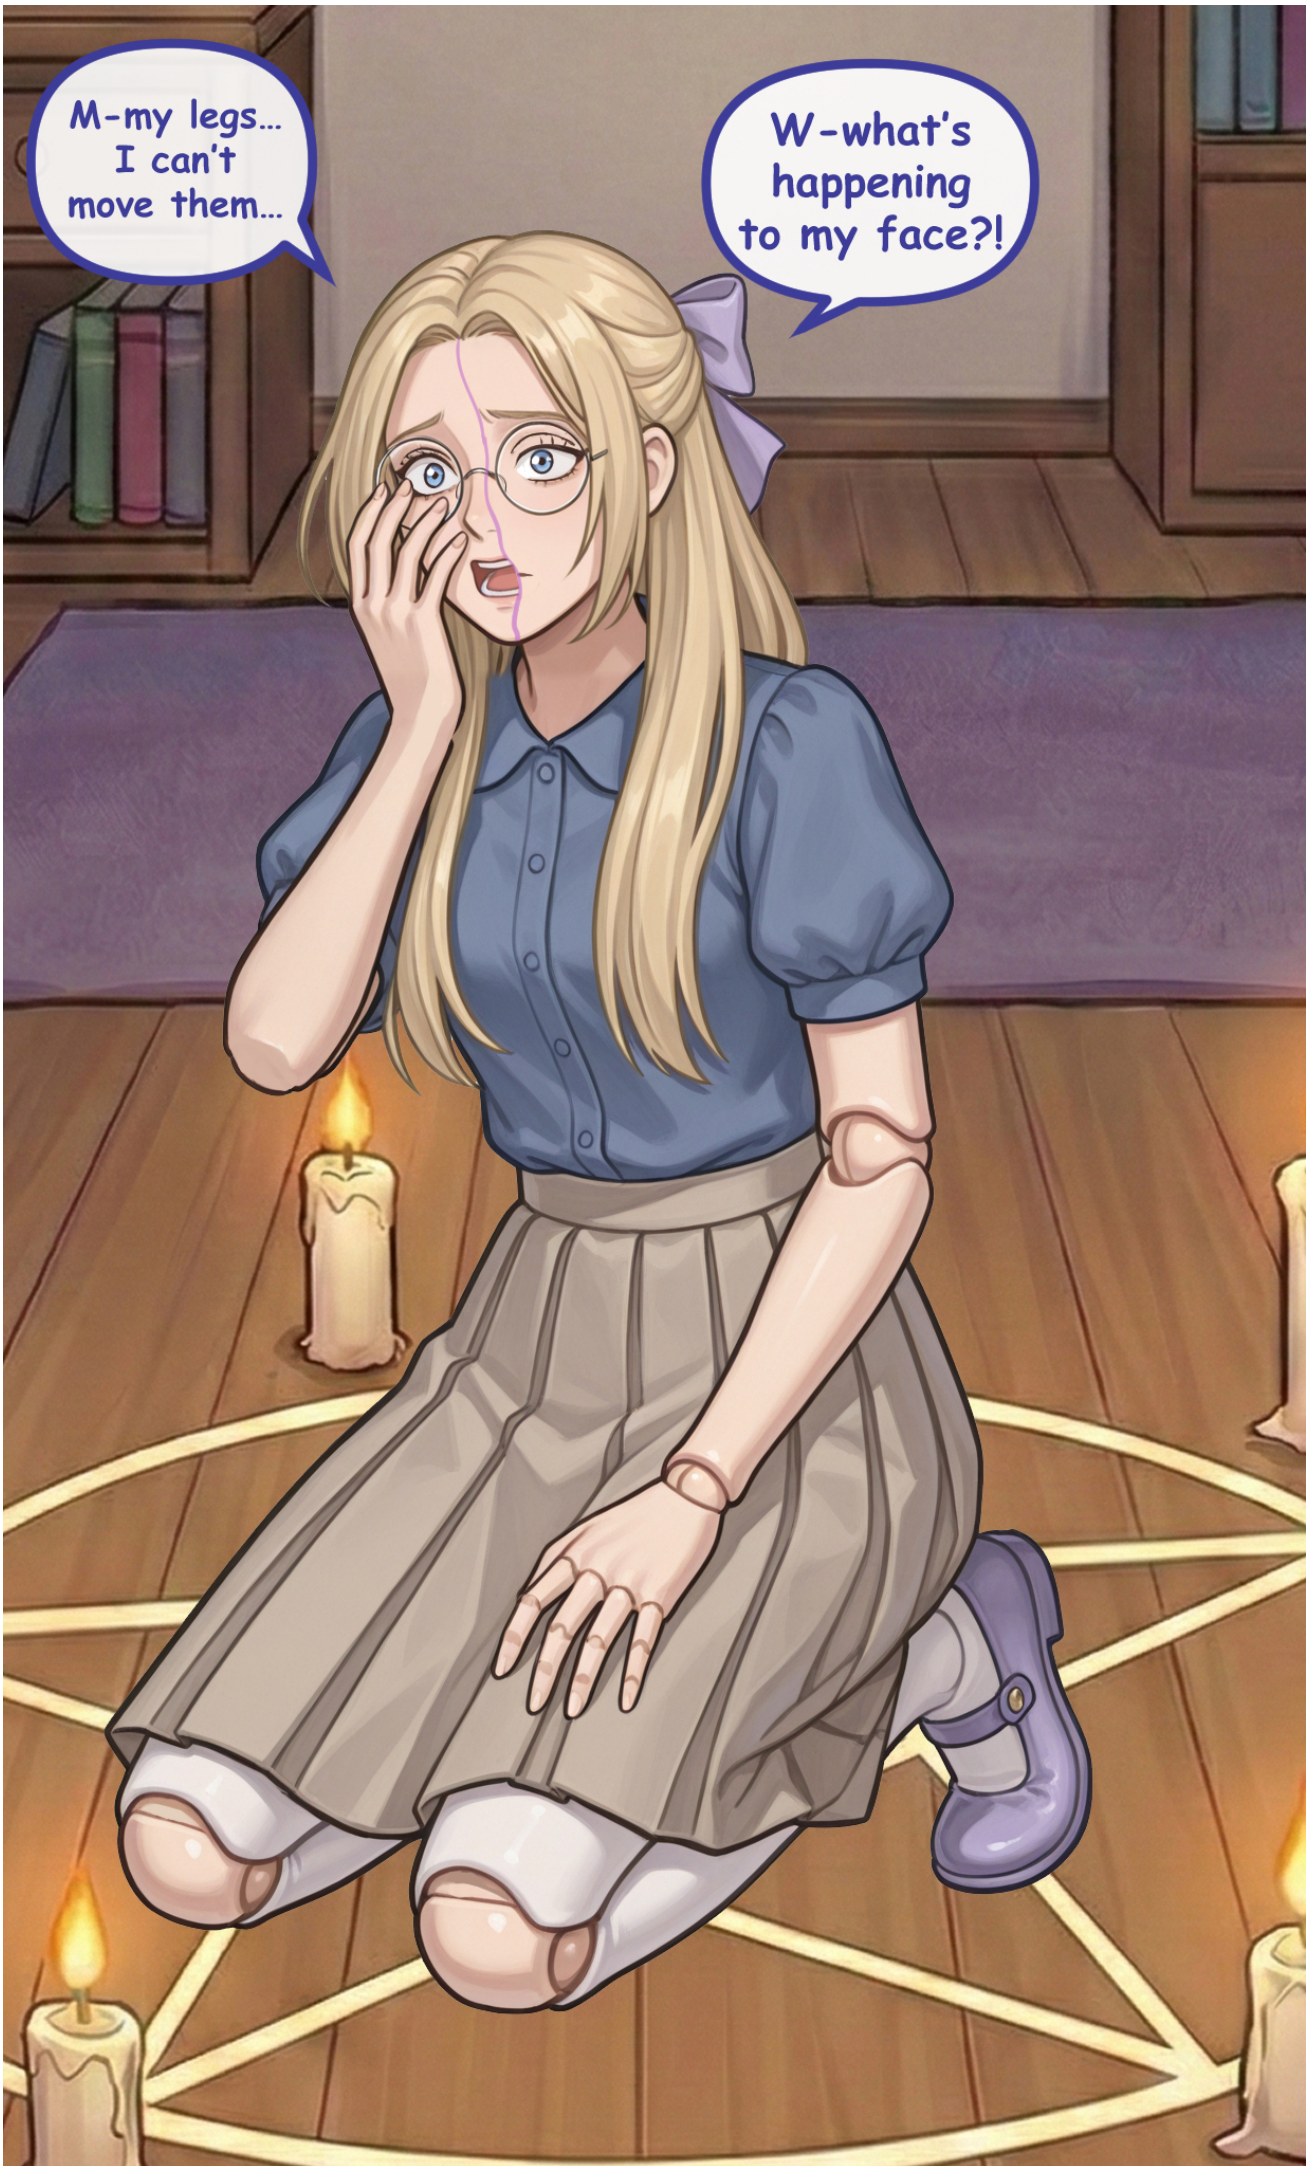

W-what  
the hell  
is wrong  
with you?!

M-my legs...  
I can't  
move them...

W-what's  
happening  
to my face?!

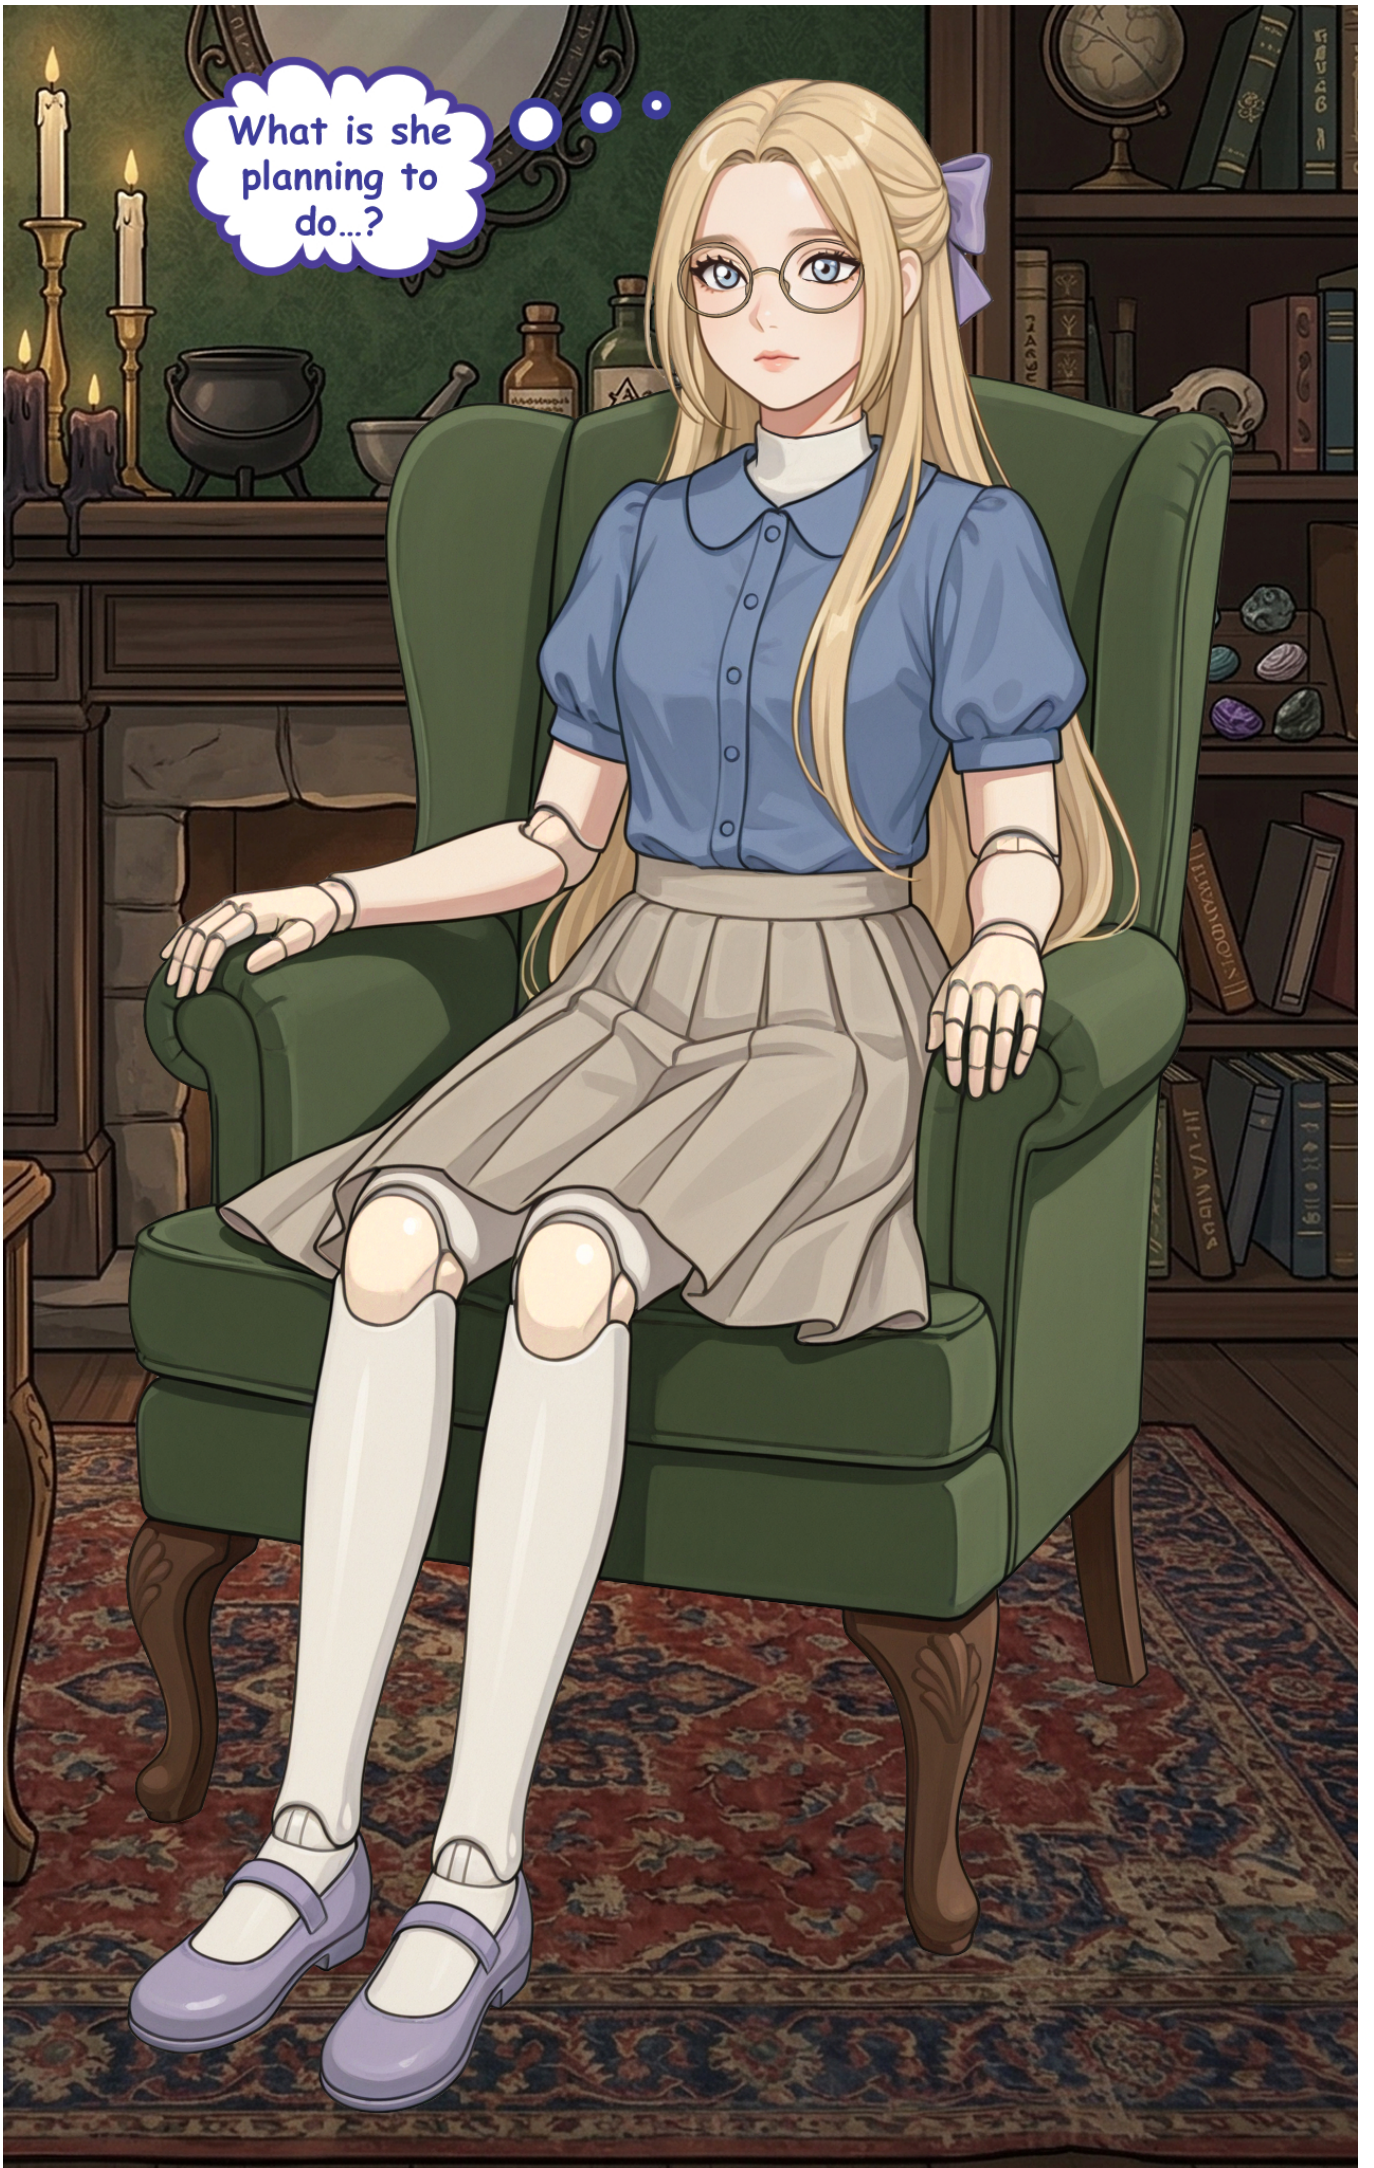

Heeey~  
psst...  
neighbor...

W-wait...  
I can't move—!  
I'm stuck?!

Hehe...  
perfect...  
it worked~

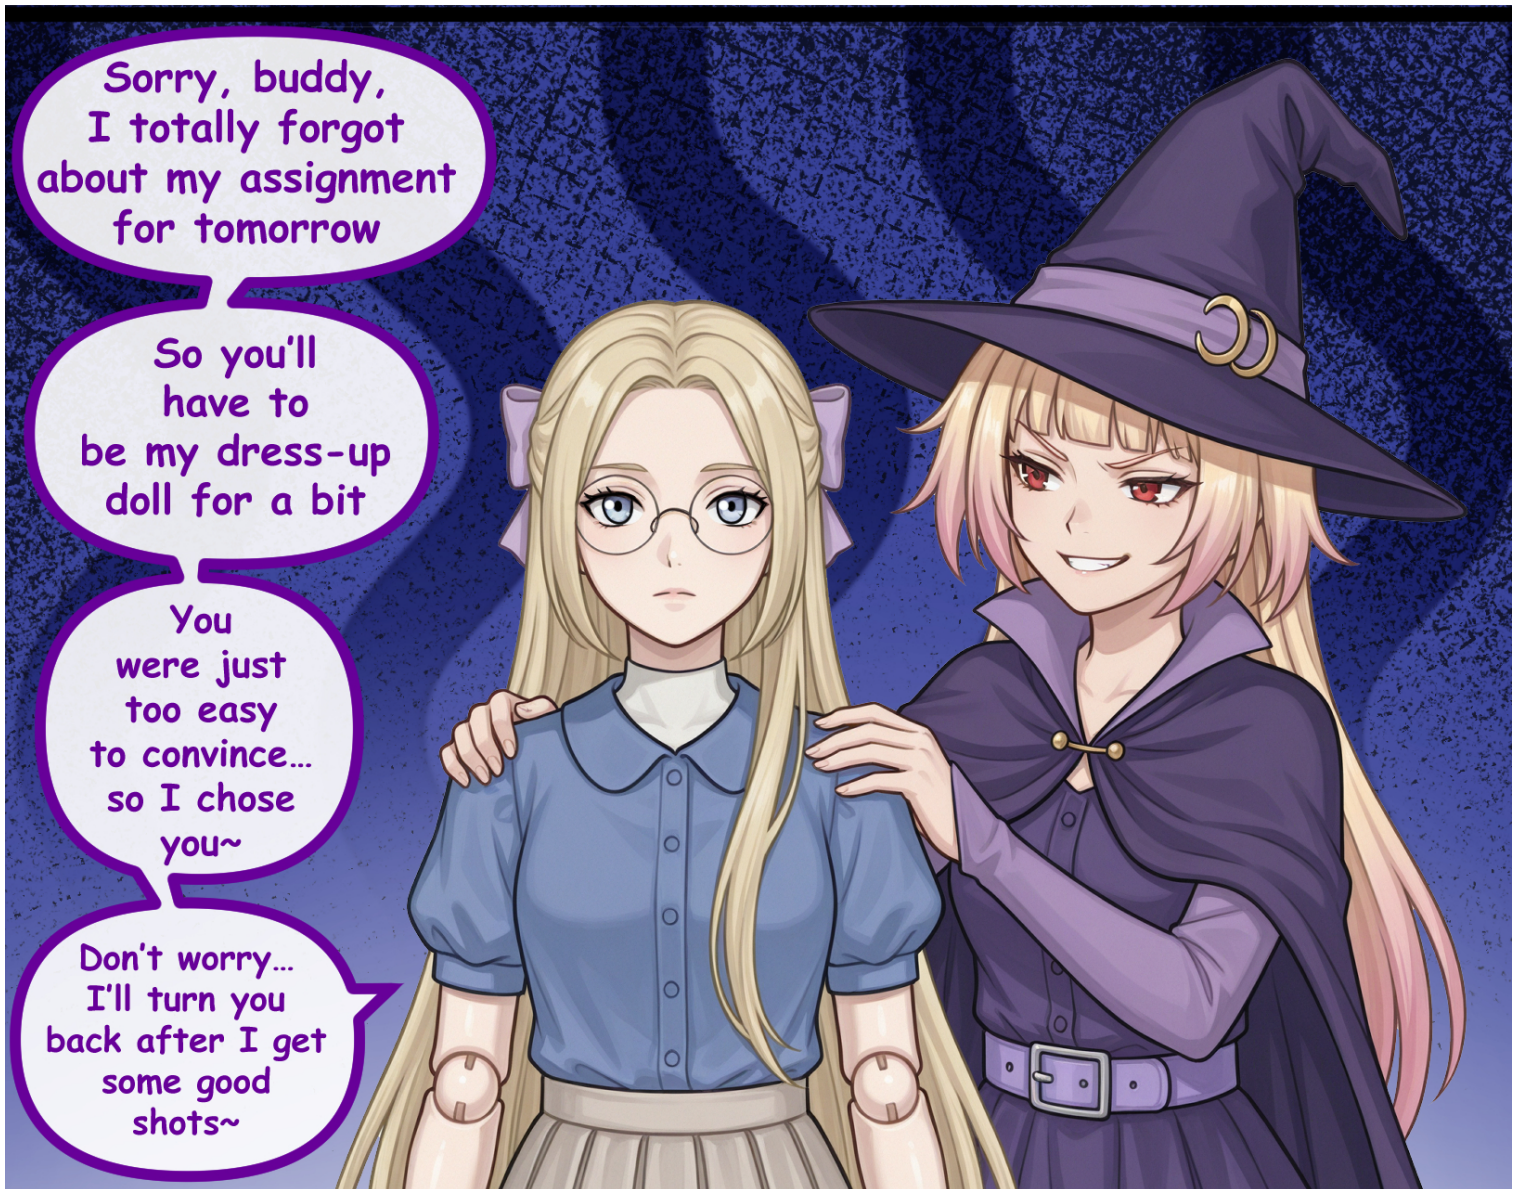

What is she planning to do...?

Aww...  
you're absolutely  
adorable now~

My professor  
is gonna love this...  
easy A~

Sorry, buddy,  
I totally forgot  
about my assignment  
for tomorrow

So you'll  
have to  
be my dress-up  
doll for a bit

You  
were just  
too easy  
to convince...  
so I chose  
you~

Don't worry...  
I'll turn you  
back after I get  
some good  
shots~

Aww...  
you make such  
a cute maid~

Mmm...  
it'd be such a waste  
to turn you back...

Maybe I should  
just keep you here...  
you'd be perfect  
as decoration~

She's totally  
insane!

Please tell me  
she's joking...

You look like  
a rich girl  
from a noble family  
in that outfit...  
I really love it~

She's such  
an idiot...  
just talking and  
talking...  
and I can't even  
see myself!

I've never tested  
this spell before...  
but let's see if  
this fixes you!

There we go,  
you're back  
to normal now!

Are you serious?!  
This is NOT "close  
enough"!

Did I just  
turn into  
a girl?!

Well...  
close  
enough

Sorry~  
I've never used  
that spell  
before

So you  
didn't even know  
the side effects  
and still used it  
on me?!

These doll joints...  
how am I supposed  
to show myself  
like this?!

Relax...  
it's just your  
looks...

you're  
still the same  
where it counts,  
right?

At least...  
I'm still a  
man...!

But that's not the point!

See?  
Nothing important is missing...  
you're fine~

fine?

You're insane!  
Don't ever call me again!

Since my clothes don't fit anymore, I had to borrow my sister's clothes...

This is the best I could do while still hiding most of those marks...

Damn... I still look way too girly...

Why did this have to happen right before my first day of college?!

This couldn't have happened at a worse time...

I really hope I don't draw too much attention...

Wait—  
seriously?  
You're a  
guy?!

Y-yeah...  
I am...

Bro...  
I almost  
made a move  
on you!

Aww, you're super cute!

I totally thought you were a girl!

I'm obsessed with your hair!

You definitely put a lot of care into it!

I... I don't really do anything special...

That first day of college... yeah... it was intense

My plan to stay low-key completely failed

But... maybe a little attention isn't so bad...
