Ben "Onii-chan"
Irrelevant self insert

**If there is one thing she
really started to enjoy...**

*It's lazing around and blocking
things at inconvenient places...*

Oh my~

Aren't you a biiiig car~

HONK
HONK

Hey! Honk at me one more time and
I'll crush your car whole with my tits!

Good boy~

reverses

@LexyGTS

She just loves showing off her enormous size that way...

My oh, my~

*...and all the attention
that comes with it.*

Come on, isn't it
your first day?

Y-you shouldn't be
running late you know...

Aww, you think we
won't make it in time?~

Are you forgetting
who I am?~

RUMBLE

SHIFT

N-no mommy-
I mean... Layla!

Relax, I'll get us
there in no time~

...but we'll take a little
detour first!

massive

Hold still~

GRAB

I can't pass up this opportunity
when we are this close by~

It should make for a
great size comparison

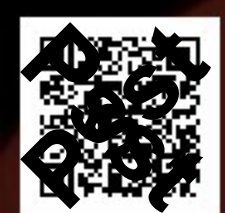

Just a minute later...

Look Ben! It's our
first own home!

Damn, it's so
small now!

**To think she used to fit into
one of those apartments.**

Ah, let's get
you down first!

There you go!

Yep. I've beaten
you little building~

And in those heels I'd
say... by quite a bit~

The balcony on which
we kissed before we moved out...

...hardly comes
up to my knees

What do you think?
I've grown a lot lately~

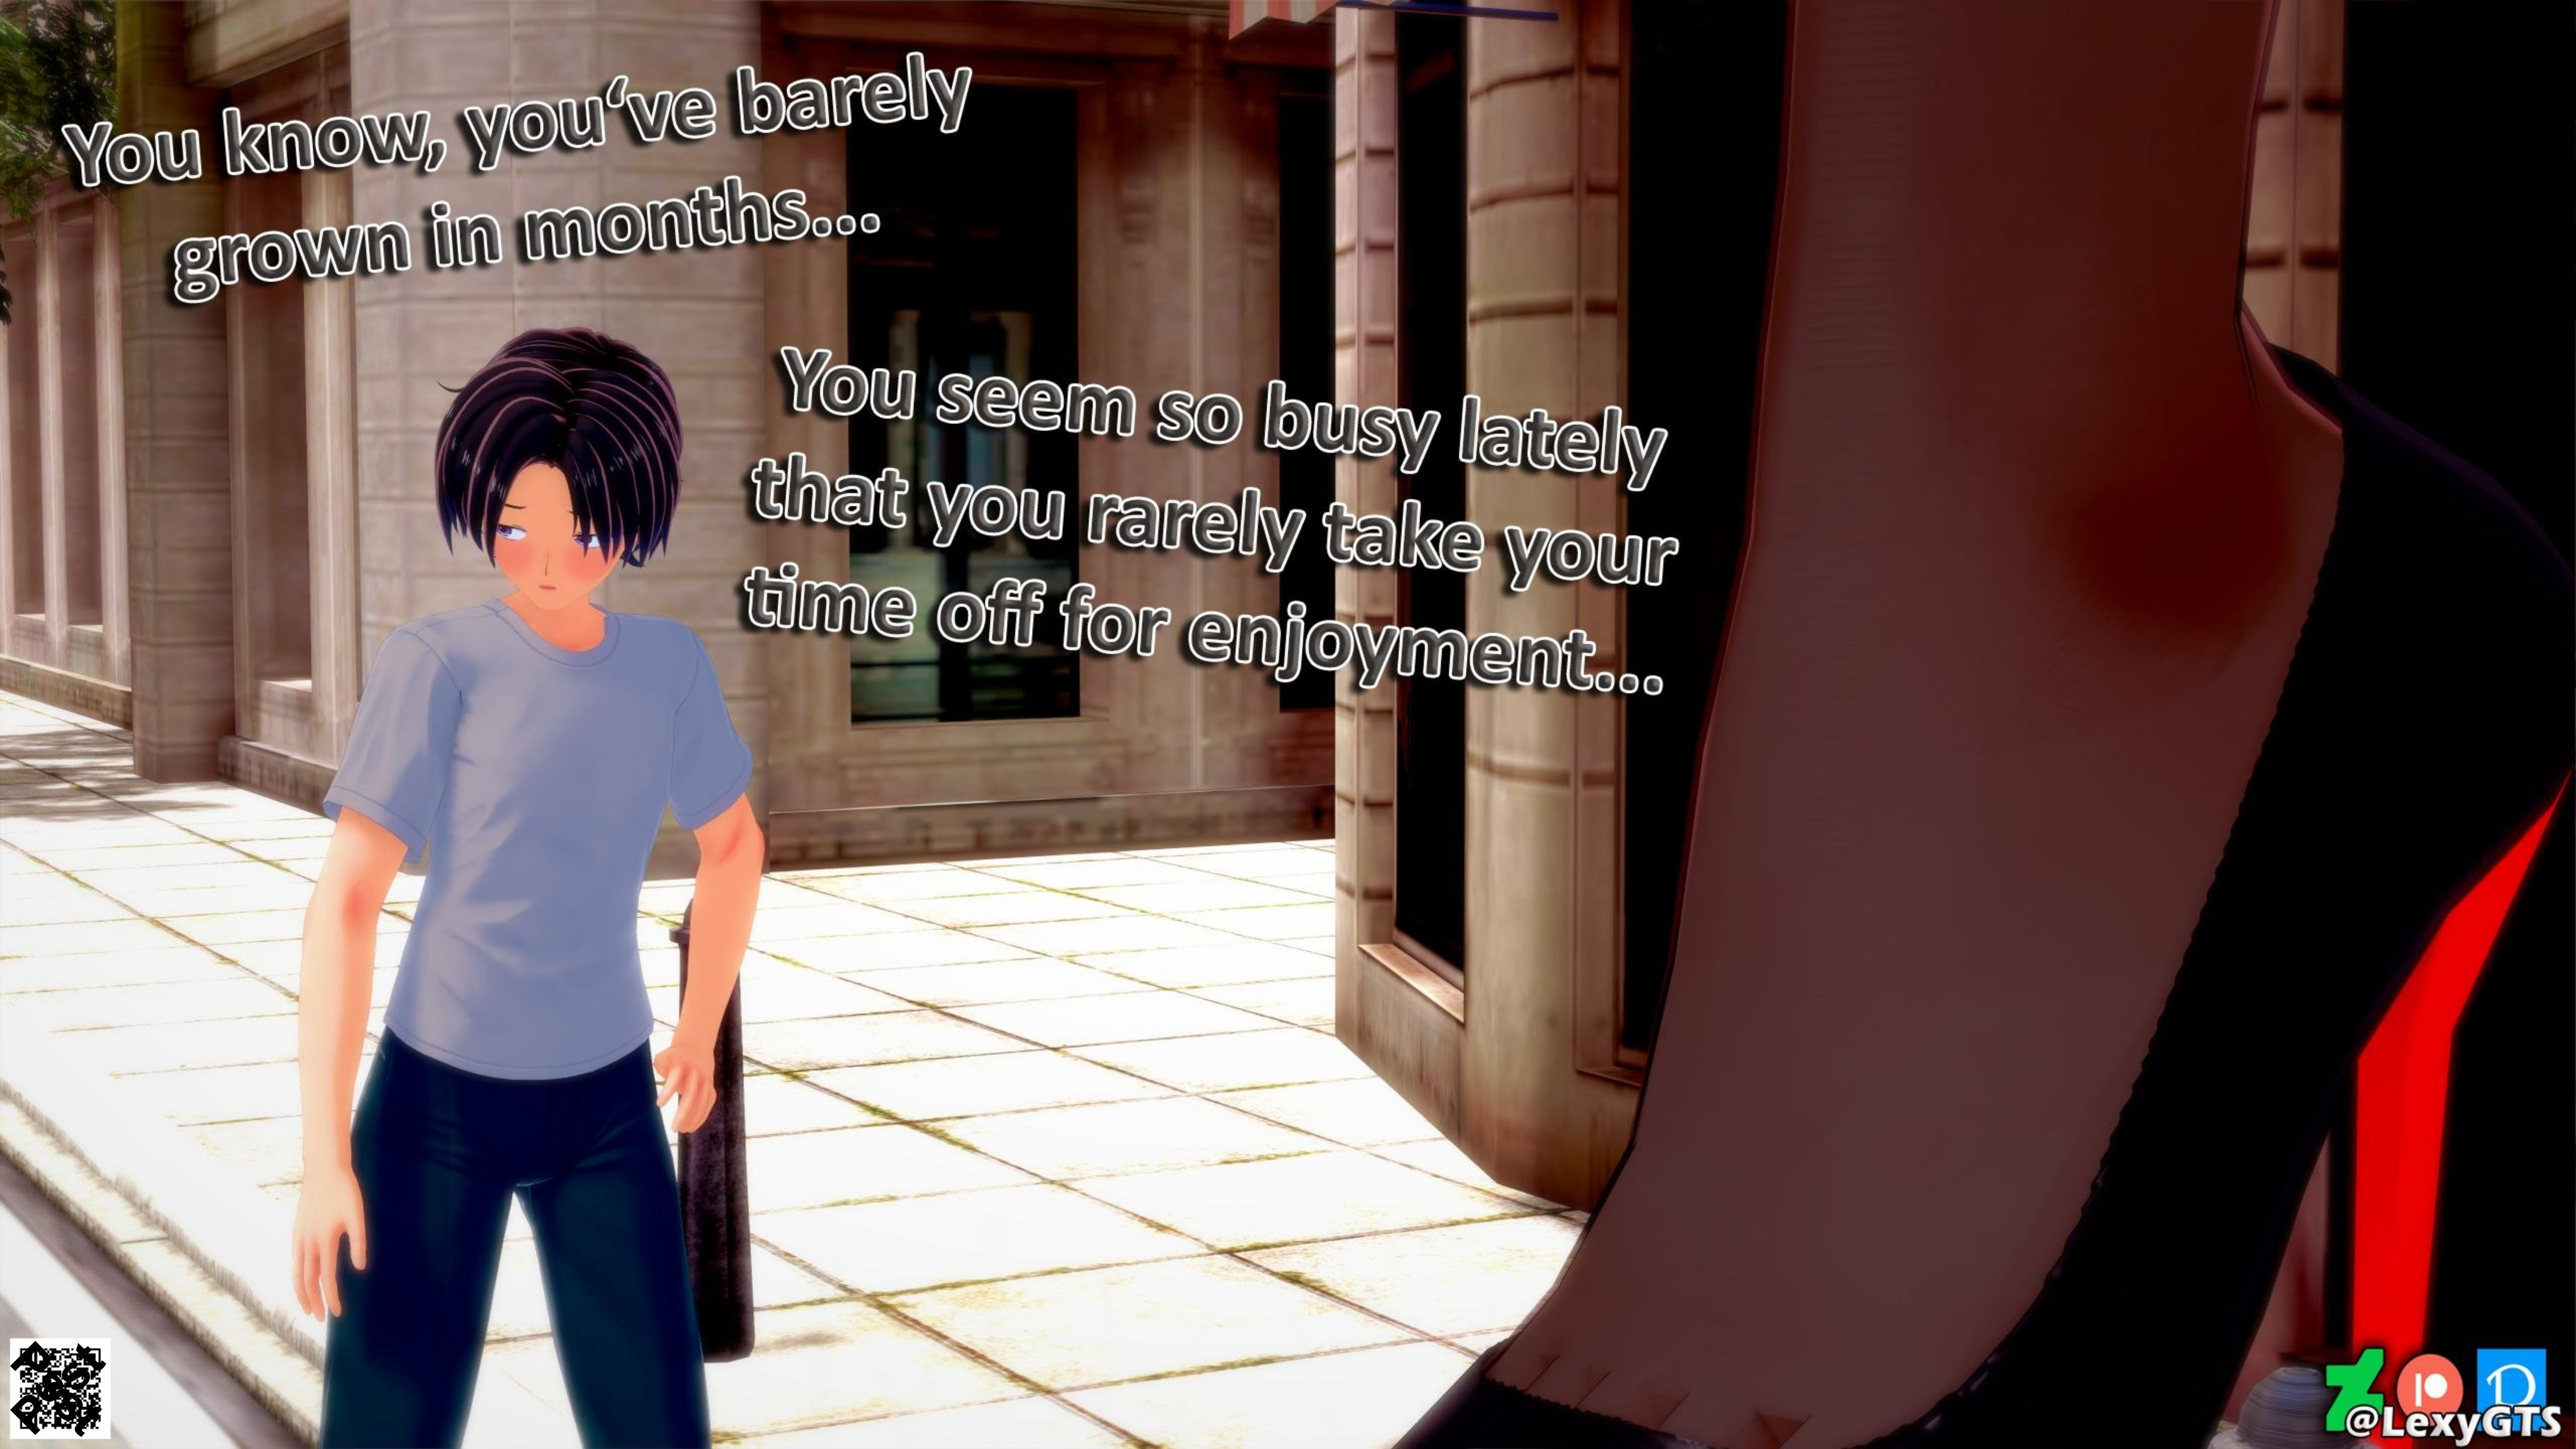

*I can't wait
to reach it*

Isn't that
right, Ben?

Nah, you fell off!

You know, you've barely
grown in months...

You seem so busy lately
that you rarely take your
time off for enjoyment...

EHH?!

Di-didn't you
like my current height?!

Could be bigger...

That's wonderful! I only
stopped for you, you know!

I just said that it's
a perfect height.

There could always
be more growth though...

Let's put you to
work then~

Eh?! What?
Right now?

This body won't grow
itself, so get to work dear~

oooooh~

**He makes my knees weak
every time I take a step...**

**Even the worlds most
powerful predator can
be brought down...**

**Pff, who am I kidding,
It's just me walking...**

*...with someone
wiggling inside~*

Goddess?

STOMP

She's back!

And she is taller
than ever!

I need to follow her!

...and without further ado
I give the word to our
newest faculty staff member...

At just 21, she is now the
youngest professor in
our university's history!

...and arguably, the
tallest one, too!

Hello little things~

I'm your new professor,
Dr. Layla Larissa Huel!

A 3D anime-style character with short black hair in a ponytail, wearing a light blue long-sleeved shirt and a black skirt. She is standing in a field of pink cherry blossoms under a blue sky with white clouds. A white building is visible in the background on the left.

I-I want her t-to
step on me!

A-are you crazy!
You'd die!

A 3D anime-style illustration featuring a man and a woman in a cherry blossom field. The man, on the left, has dark hair and glasses, looking towards the woman. The woman, on the right, has short brown hair, glasses, and pink star-shaped hair ties, wearing a light blue turtleneck. They are surrounded by white cherry blossoms against a clear blue sky.

Atleast it would
be a good end!

...mommy...

I know it's unfortunate that
all my lectures will be outside...

...due to my inability to
fit into your small buildings...

...but despite that I still expect
you all to do your very best...

...and concentrate
on the issues at hand~

WOBBLE

BOUNCE

BOUNCE

I know a lot of you
may be older than me...

...and you may have difficulty
respecting a 21 year old as teacher...

...however I assure you that
you won't find it difficult
to respect my authority.

Discip-

!!!!

Heh! How do you like my
kicks and punches?!?

I'll get your titanic
ass down on your knees!

WHAM

Oh my god!

Such power!

Yes, mommy!

*She means
business!*

mhh~

GROW

GROW

**Damn, I should have pulled
him out before the speech...**

Please step on
me this time!

We better stay
in line!

Well, as I was saying, I expect only
the utmost discipline. Understood?

A few days later...

My students were trying to
do really well again today!

...but for some reason most
of the males do really bad.

Do you maybe have some
ideas how I can discipline them?

Oh, and before I forget:
We also need a new toilet!

Hm, why?

Uh... it... it got stuck
in my butt earlier...

...It's quite small
you know.

Look, Layla not now.
I'm trying to concentrate...

Hey, you could throw me a bone
too for once... Especially after I
gave cupcake back because of you!

I mean, who is the
provider here?!

**I'm sorry but we
have to part ways**

**I can't have you scare or
hurt my little big brother**

Huh, I guess the tallest
animal is only at knee
level now...

*Dog
Toy
SQUEAK*

Oh my! You
found Bob!

Yes... I found cupcake- I mean
Bob and raised her.

You should take better
care of your animals...

It caused me a headache to
explain to the authorities
where I got the bear from!

boobs

Car sized honkas

I could take a dive in them

Hey! Pipsqueak!

AHHH! This is
exactly the problem!

I'm such a failure!

This is all so embarrassing!
My little sis is a professor

?!

Ben? Are you okay?

No I'm not... I started
studying way before you
and I'm still not finished!

You are even paying for
everything! I can't do
anything proper by myself!

That isn't true...

It is, you said it
yourself... You are
the provider...

I know I said that... but I'm
also obviously causing 99.99%
of our costs too...

Does that matter?
I'm the man...

Come on, you're merely
the size of a mouse to me!
You are doing just fine! A
comparison with me ain't fair.

You've done plenty of good
already! I'm proud of you~

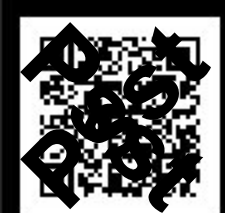

Besides, I wouldn't be here
and this size without you!

And you also don't
need to work hard!

You can just relax~

You are mine after all~
Don't forget that!

Well, maybe mommy can
help you with your work?

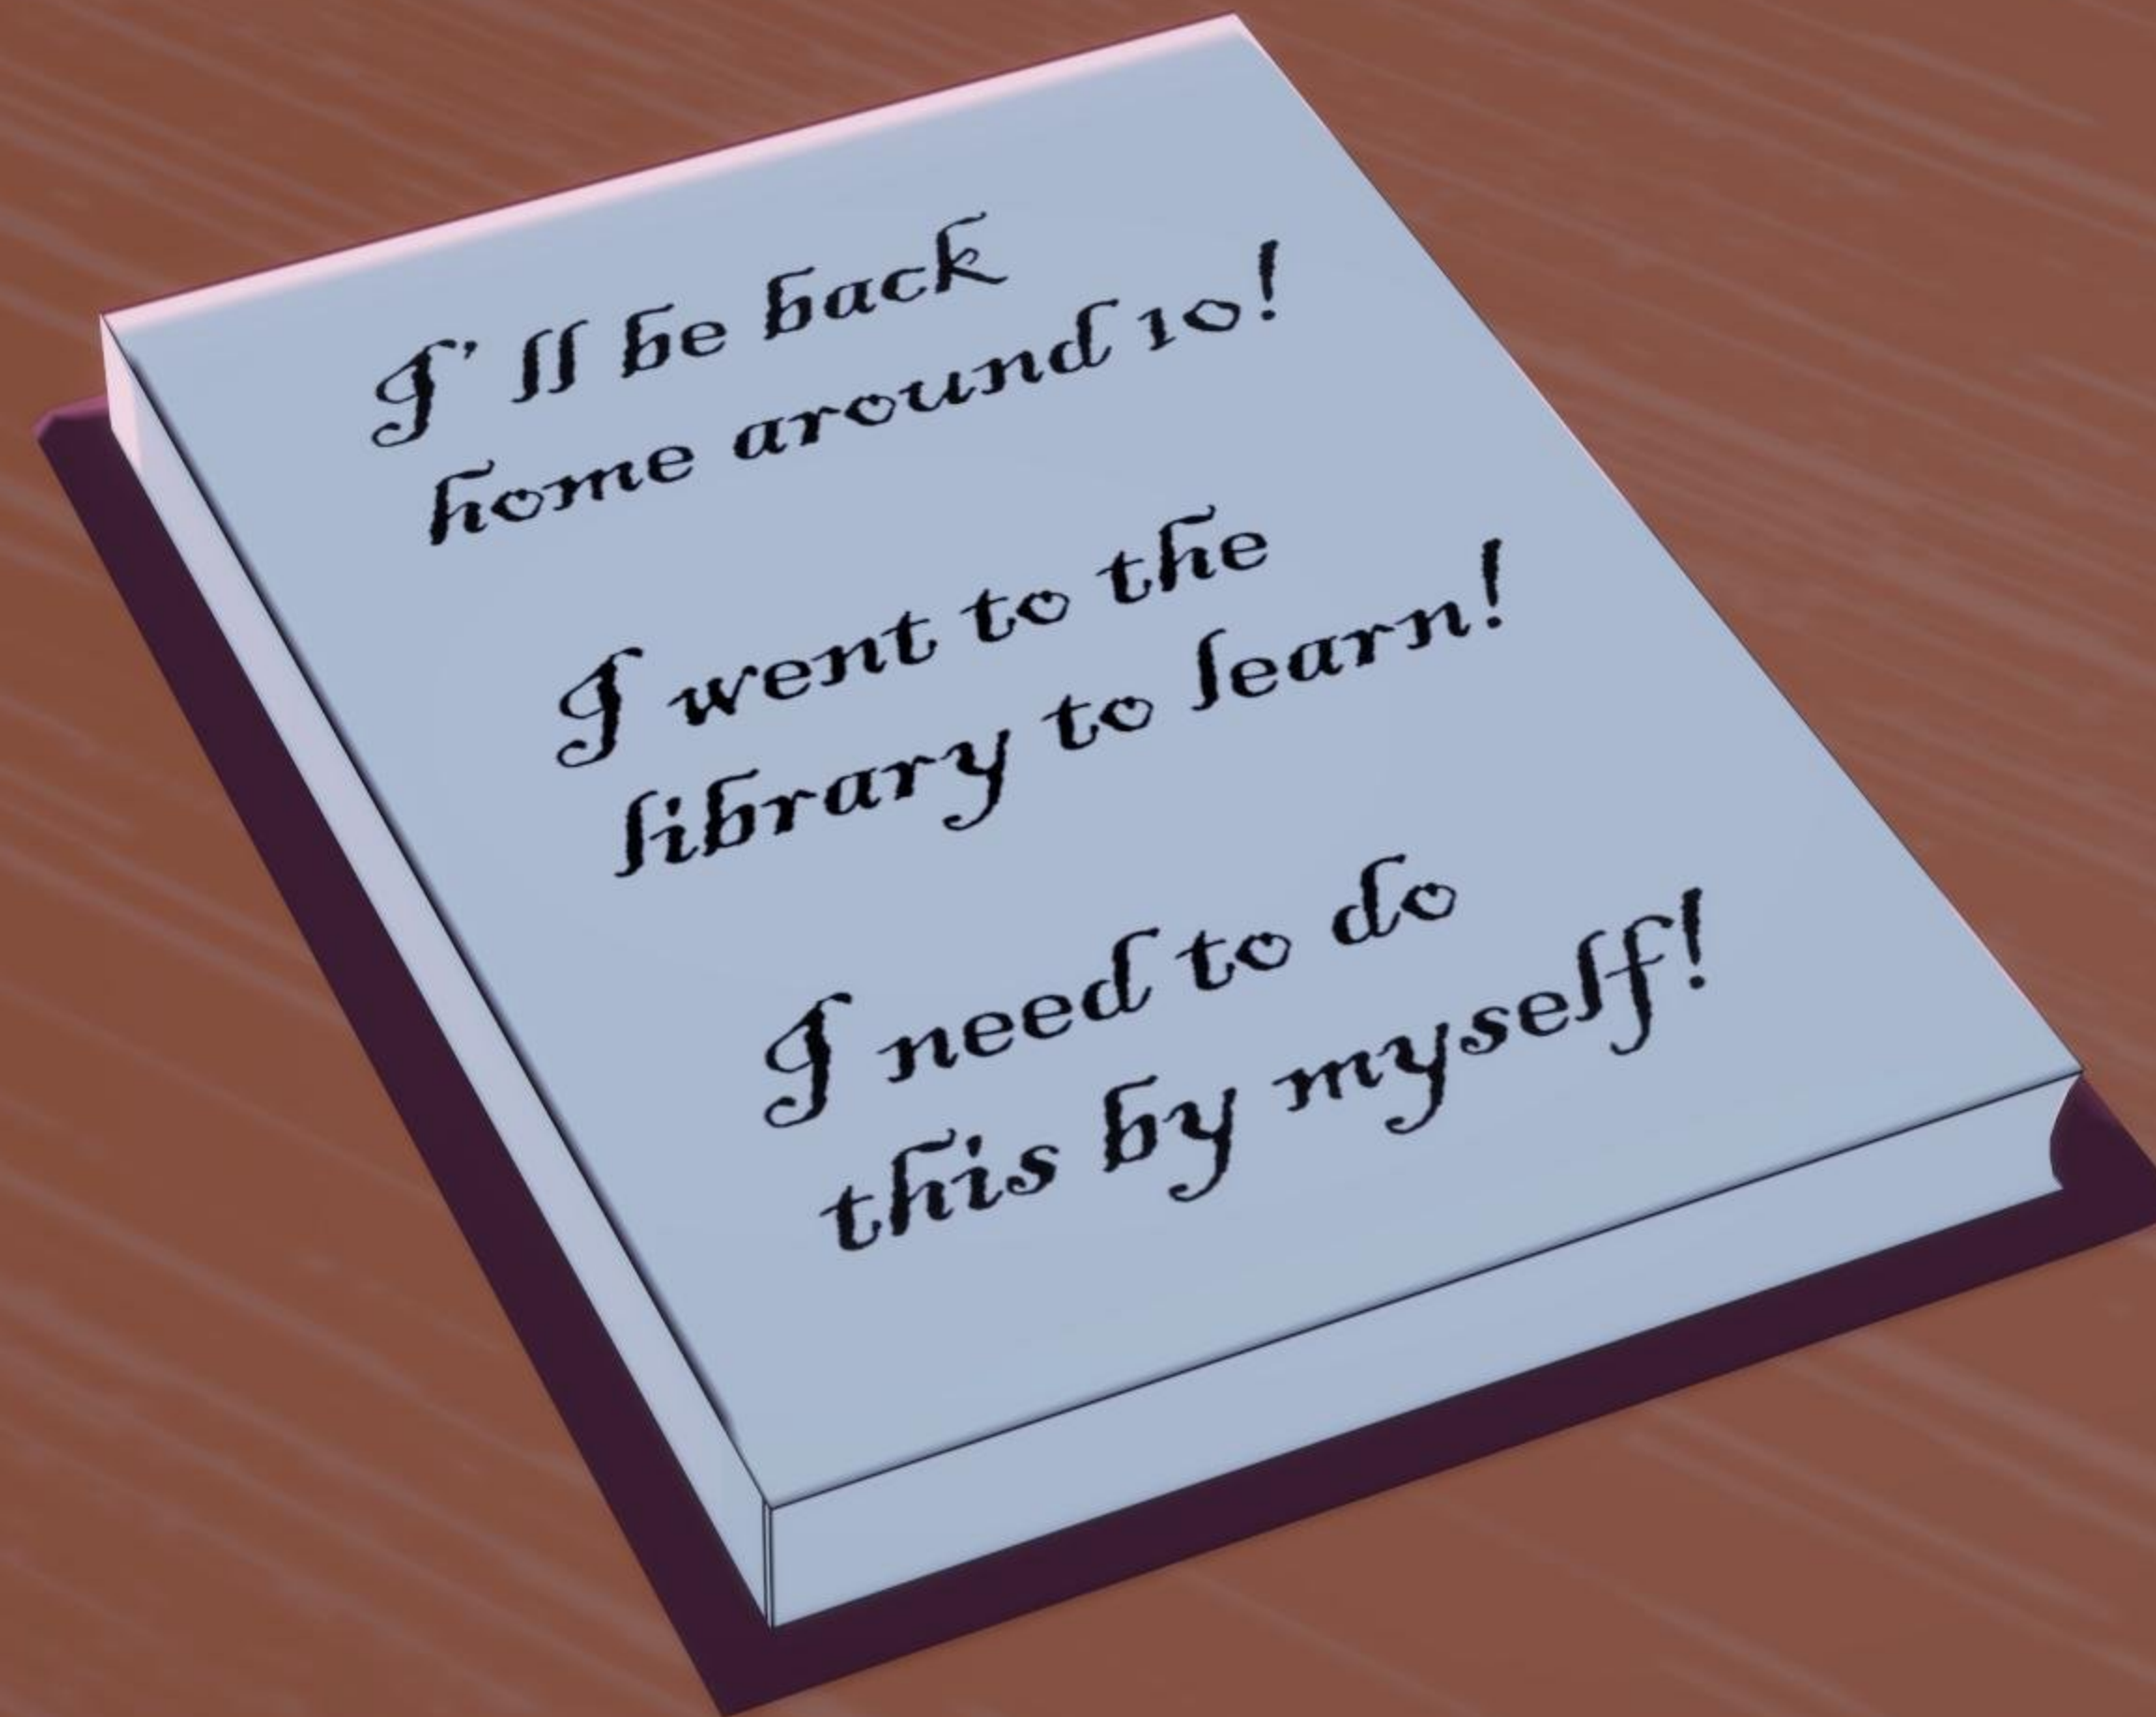

What is your assignment?

Mommy

Alright, this should be
large enough for her to read!

An anime-style illustration of a character with short black hair, wearing a light blue t-shirt, dark blue pants, and a black backpack, walking from left to right. They are walking on a brown, sandy ground. Above them is a massive, pinkish-red foot, which is part of a giant character whose leg and foot are visible. The foot is positioned as if it's about to step down. In the background, there are some dark blue structural elements, possibly part of a building or a bridge. The overall scene is set in a desert-like environment with a warm, orange-toned sky.

***I'm sorry, I don't wish to
rely on you all the time!***

***...but damn, she's massive.
I can walk right beneath her...***

...let's cuddle some
more big brother~

...big, hm??

Ben? Eh? Weren't
you on my stomach?

Ben? Where did you go?

What's this? A note?

*I'll be back
home around 10!
I went to the
library to learn!
I need to do
this by myself!*

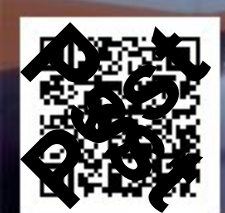

AHH! Big brother went out alone again!!!

He... he is just barely pussy sized!

What if he get's hurt?!!!

I wouldn't want a
world without him!

No, ah! I have to
calm down!

No more stalking.
Last time ended badly!

He can take care of himself.
I need to trust him...

It's not him who is tiny, It's
just me who is the size of a building!

People are around
his height too...

...something
like this?

No need to micro manage and
control his world all the time~

I'll just wait here like a
good giantess housewife...

...and discipline
the ant when
he comes back~

An anime-style illustration of a young woman with long, straight black hair and vibrant blue eyes. She is shown from the chest up, leaning forward with her head tilted down and her right hand near her chin. She is wearing a black lace-trimmed top. The background is a simple, light-colored room with a white wall and a yellow door frame visible on the left.

I'll make him regret
leaving a giantess alone~

If only my protection
charm would fit him...

...then I could do way
wilder things with him~

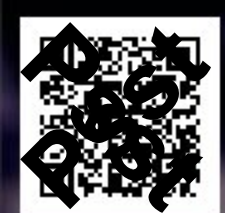

Why did I have
to think of mom again?

I have a bad feeling about this...

I better go look for
my tiny man!

AHH, but I shouldn't
stalk him!

FINE! I'LL WAIT!

BRACE YOURSELF BEN!

...you have no idea
what I'll be doing with you~

**A decision that wouldn't
be without consequences...**

TO BE CONTINUED...
