The tallest human in histoy
Layla - the „little“ sister
@LexyGTS

Wow, holy shit!
Look at her!
@LexyGTS

My god, how tall is she?!?
@LexyGTS

She is by far the tallest
person I have ever seen!
@LexyGTS

Hey! How is the
weather up there?
@LexyGTS

What did you eat to grow that tall?!?
@LexyGTS

Wanna go on a date?

Hm, I've answered these questions my entire life already...
I just want to find big brother...
@LexyGTS

Ara~, so many questions...
@LexyGTS

First up, no I'm
not up for dates...
@LexyGTS

There is only room for
one person in my heart!
aww
@LexyGTS

Secondly, I'm the tallest person to
have ever lived... so yeah - hi ;)
@LexyGTS

Oh and yeah... the weather
is nice up here, alright.
@LexyGTS

As for my height? I don‘t know the exact number...
@LexyGTS

Now if you excuse me,
I'm looking for my big brother.
@LexyGTS

B-big brother?
E-even taller?
@LexyGTS

Ben – the „big brother"
Irrelevant self insert
Him? Taller? Come on...
This is a GTS fetish story!
@LexyGTS

Onii-chan has no idea that
I'm coming to surprise him.
@LexyGTS

DRIP
He should be in this building apparently...
@LexyGTS

Hey you there,
nerd guy!
@LexyGTS

E-eh, me?
@LexyGTS

Yeah I'm talking to you!
She is like a titan...
@LexyGTS

You see... I am new here.
Maybe you can help me
with directions?

U-uh, y-yea I th-thi-ink I c-can...
@LexyGTS

Great, I'm looking for my big brother...
So close...
@LexyGTS

He should have a lecture in... what was it again? Room 207 I think.
stare~
@LexyGTS

Y-you want me t-to tell you where room number 207 is?...
Yeah, that would help!
@LexyGTS

I-it's actually right a-above us.
Go right, upstairs and then
i-it is already the first room.

oooh, I see!
@LexyGTS

So it is actually quite close.
*yes you are quite close,
I can't stop starring... *
@LexyGTS

Thank you nerd guy!
@LexyGTS

Maybe I can even tease
him from the outside?
@LexyGTS

...but the second floor is quite high for once and I'm not tall enough (yet).
@LexyGTS

Onii~chan
JUMP

Hm? Did I hear Layla?
I must have imagined it...
@LexyGTS

Let‘s fuck
JUMP
@LexyGTS

Am I going nuts?

I can‘t even concentrate...
Shit, I must be really fucked up.
@LexyGTS

This isn‘t working.

I need a different plan.
Let‘s see...
@LexyGTS

Maybe I can try climbing
up this roof here?
@LexyGTS

Hngh
@LexyGTS

Alright, that was easy so far.
@LexyGTS

Now as for
Onii-chan...

BEN...

WOOOOOOAAAAAA
I need you~
@LexyGTS

What the hell is that
crazy girl up to...
@LexyGTS

Hello tiny people~
You look even smaller
from up here!
@LexyGTS

Would you perhaps
reconsider dat- ?

@LexyGTS

Layla! Are you nuts?
Get down here!

Alright Onii-chan,
here I come!
@LexyGTS

Catch me big brother!
@LexyGTS

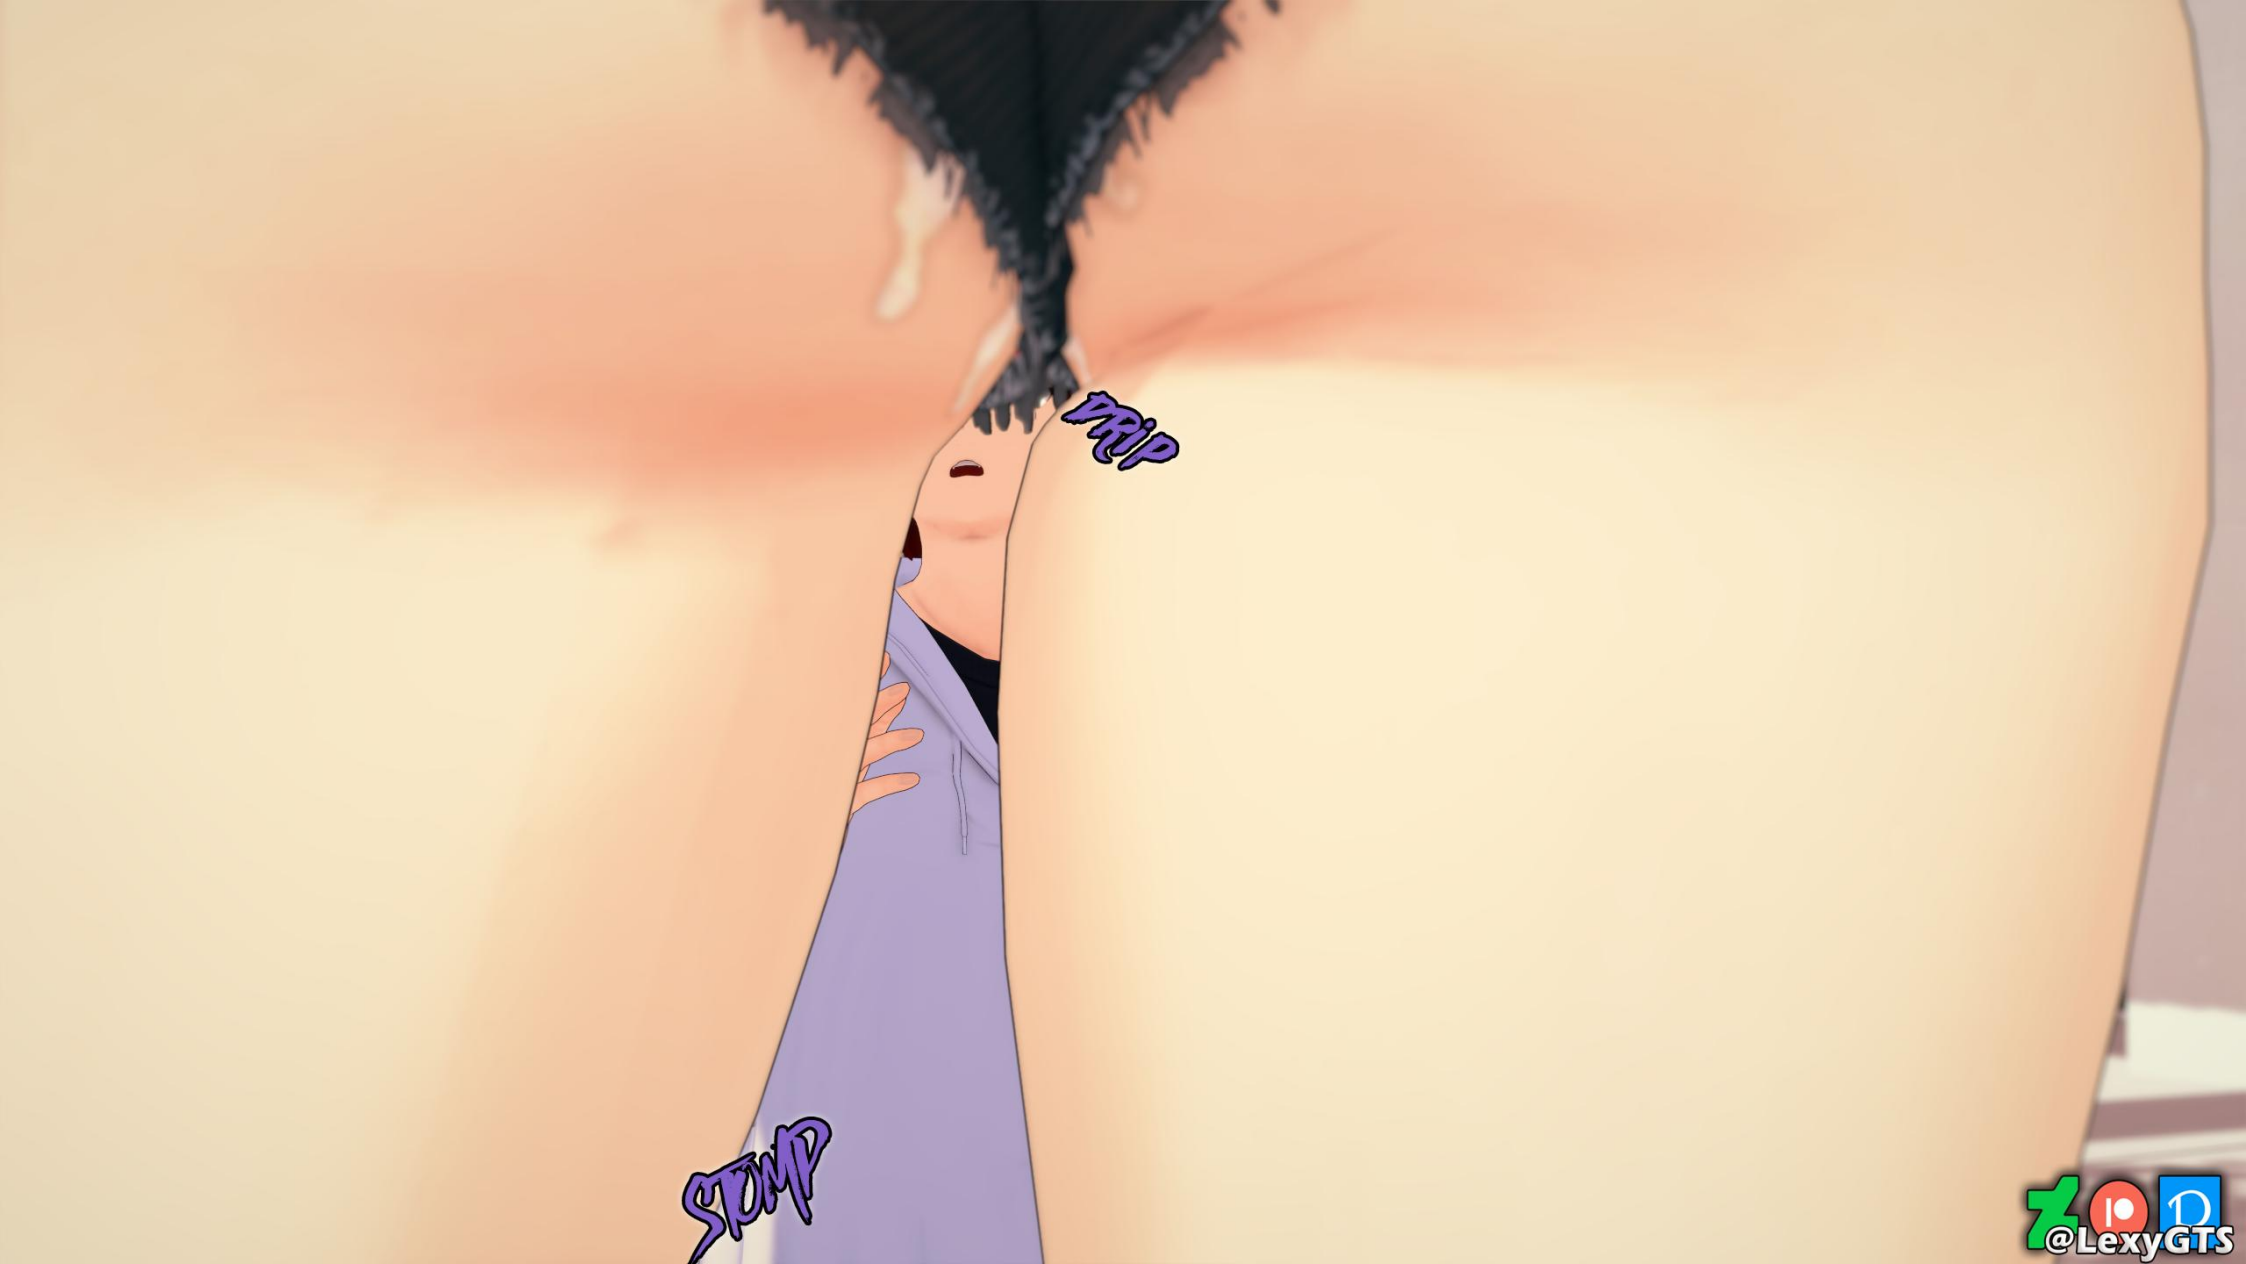
ARE YOU TRYING TO KILL ME?!?!!!! AAAAH
@LexyGTS

@LexyGTS

WHAT THE HELL ARE YOU DOING!
SURPRISE~
Wait... she loves that midget?...
@LexyGTS

Hm? What was that!?!
Oh no...
Here we go.

Did you just insult Ben?
I-I...
@LexyGTS



DRIP
STOMP
@LexyGTS

Who are you to call
my brother a midget?
@LexyGTS

As far as I'm concerned
you are one aswell then!
@LexyGTS

M-m-mommy... s-sorry
@LexyGTS

Good...
This is your first and final warning!
@LexyGTS

Next time I'll crush you between
my thighs until you can't walk again.
@LexyGTS

Sorry about that bully Ben!
Layla...
@LexyGTS

Nevermind... why are you even here?
Shouldn‘t you be on the other side of the campus?
@LexyGTS

I-I was worried about you,
since you are so small...
Layla, we talked about
this a few times already!
@LexyGTS

I know but I‘m always
so lonely without you.
Won‘t you meet new friends?
What about your own studies?
@LexyGTS

...but I already memorized everything for this term.
You did what!?! It's your FIRST DAY!
Yeah and I have nothing meaningful to do anymore.
@LexyGTS

...so how about we have some fun instead?!
@LexyGTS

Come on, I need you!
DRIP
@LexyGTS

You want it too, right?
Doing it here on campus?!
@LexyGTS

Sigh, I'd be lying if
I said otherwise.
@LexyGTS

Yay, let‘s go!
@LexyGTS

Do you know a place with less stalkers?
Yep, go left!
@LexyGTS

One ride later...
Your first day on campus just
begun and you already want sex.
@LexyGTS

What can I say? The bigger the body, the bigger the needs!
@LexyGTS

PLUCK
@LexyGTS

DROP
@LexyGTS

...and nobody reached
such a size in history...
@LexyGTS

...so you better start working
on this giant body's needs!
@LexyGTS

Oh boy, believe
me I will!
@LexyGTS

Time to climb and
subdue this body!
@LexyGTS

At this rate I'll qualify as a professional mountain climber!
@LexyGTS

Red Buhl, sponsor me!
JUMP
@LexyGTS

It started to look like
a monkey humping a tree.
@LexyGTS

Or a mouse
riding a cat.
@LexyGTS

A crazy cat.
@LexyGTS

...to think your little body
has this much stamina.
@LexyGTS

I practiced on the best
woman in the world.
@LexyGTS

I was actually worried that a single person
wouldn‘t be able to satisfy you anymore.
@LexyGTS

Glad that isn‘t the case. Alright,
I have to go back and study.
Wait! Don‘t you want to
come with me later to my
doctors appointment?
@LexyGTS

Wait... the kind of doctor that measures you?
Yeah, what else? It‘s always about my growth.
@LexyGTS

Like I would pass on that opportunity!!!
Count me in!
