Hey! No fair!

**I wonder if I'm
overdoing it?**

**She already surpassed 5m
(16'5") at her 19th birthday...**

I wanna have
some more fun...

...and by now she is way past that.

How tall? Who knows?

At the same time it seems a familiar face is back in town.

Chapter 2...

**Hm, might aswell give them
a surprise visit since I'm here.**

Nicole - an ex-roommate

I wonder if Layla
is still growing?

I haven't looked up her
height in a long time.

Last I've checked she just
became the tallest in history.

A tall anime-style girl with black hair and blue eyes stands on a city street. She is wearing a purple crop top tied at the waist, a dark purple skirt, and dark purple leggings. She is leaning against a building with arched windows. A smaller character with red hair is visible in the background.

The tallest human in history
Layla - adopted "little" sister

Well...

A close-up shot from a Japanese anime. A woman with long black hair and a white blouse is looking down at a small girl with short red hair and a blue shirt. The woman's expression is gentle and slightly smiling. The background is a soft-focus blue.

**...Just look up if you
want to find out.**

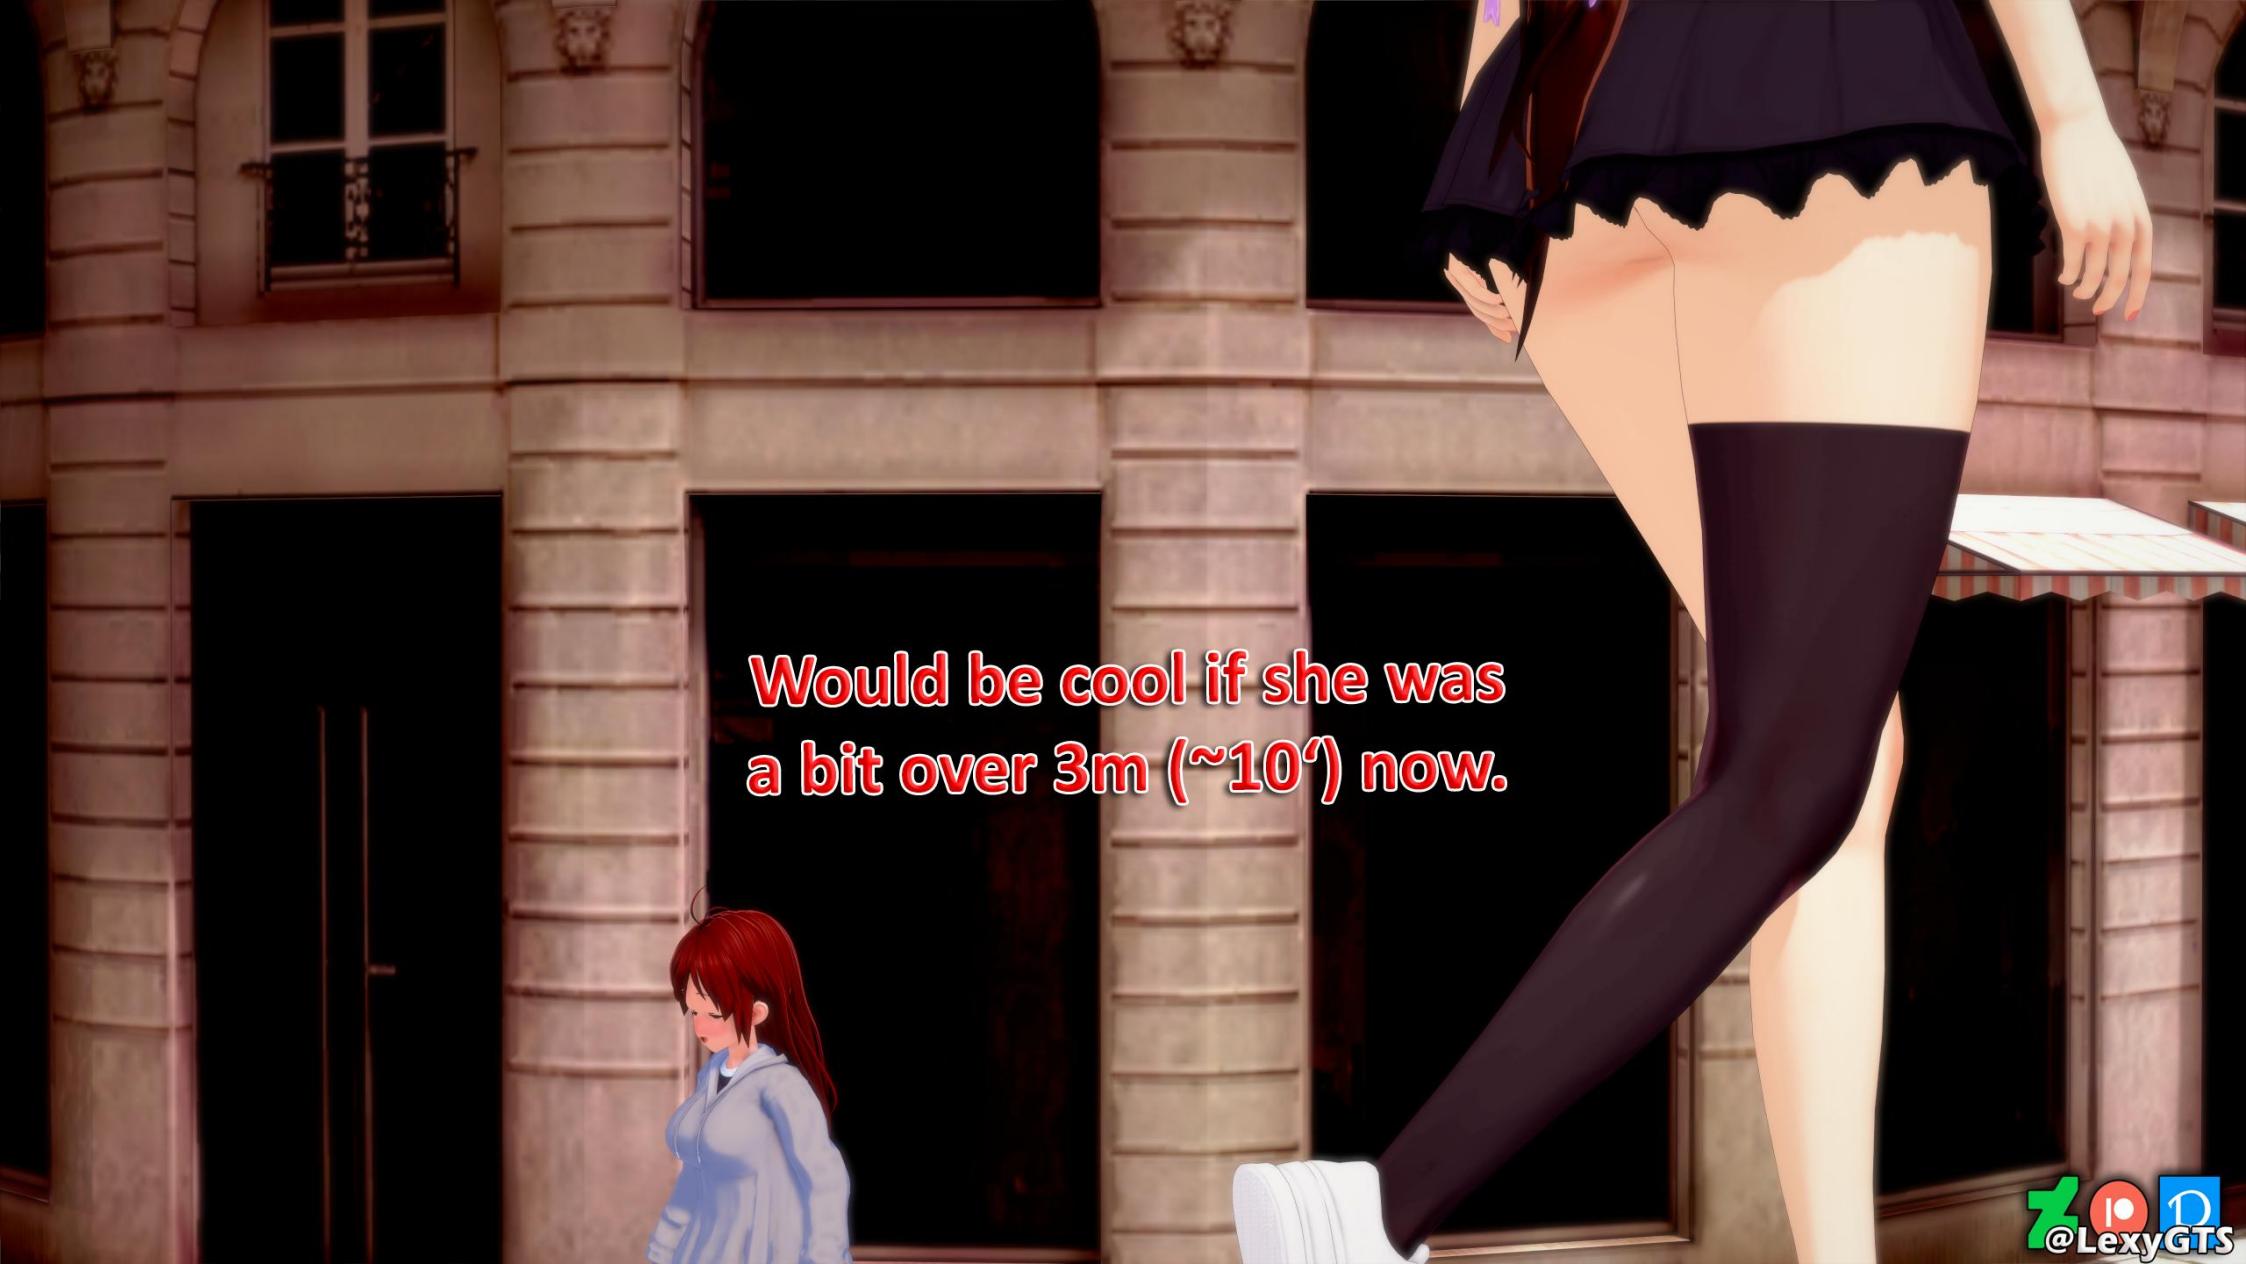

**Heh, maybe I am lucky and
she is twice my height now!**

Ah, her person
sized legs~

A screenshot from a video game. On the right, a large character with long dark hair and purple leggings is shown from the waist down, leaning forward. On the left, a smaller character with red hair and a blue hoodie looks up at the large character. They are standing in front of a building with large windows and stone pillars.

**Would be cool if she was
a bit over 3m (~10') now.**

Maybe I'm even closer
to her knees than her
crotch now?

**She might even be able to
just step over me then!**

**Oh, what if she stopped
growing? She is 19 now, no?**

**Oh well... not like she
is just going to appear
out of nowhere.**

If they aren't home I can
always look up her height.

hm?

**Did I just
hear Nicole?**

**Nah, she is too
short to be her.**

**On the other hand,
Nicole is a midget
and I grew a lot...**

**It might
check out.**

**Whatever, I can't play
with her now anyway.**

**I gotta get to the
photoshoot in time**

**She seems clueless on how
far off her guesses are...**

**Surprise, how have
you guys been!?**

Nicole? You're here?

I'm shocked, it's
been a while.

...and so many cardboard boxes. Are you moving?

The face... well Layla happened.
As for the boxes, yeah we are moving to a bigger place for her.

She doesn't really fit in here anymore.

**Oh, so she is still
growing? How tall
is she now?**

**Whatever number you
think off... double it.**

**Huh? Where is she?
Can I see her then?**

She has a photoshoot for
a fashion brand right now.

Like this?

Yep, great!

Aw, cute!

Yeah, let's go with
that disappointed look!

So big...

Such a powerful
energy, Layla!

**I always thought
I was a tall model... **

**...but now I feel
absolutely tiny.**

Perfect!

**I feel so insignificant
standing next to her**

**Aw, I feel so
powerful next
to her ~ **

An almost 3 ton heavy
giantess on a small and
old wooden bridge...

...what can possibly
go wrong?

CREAK

CREAK

SQUEAK

ZOD
@LexyGTS

Absolutely everything.

LAYLA?

SPLASH
ZOD
@LexyGTS

Oh and you didn't want
to go with her? Really?

Huh? Of course
I wanted to!

I'm just a bit too
exhausted right now.

It also doesn't really matter
if I want to go or not.

I'm not the one
to decide that.

Let's just say I'm not
the one in charge of
transportation.

She can drag me to
anywhere she wants.

We overdid it earlier
so she let me rest.

**From how you describe it
she must have grown a lot.**

**A lot is an
understatement...**

**You are even moving
to a bigger place now.**

The new house is specifically built for her (outdated) size...

If it weren't for all the donations and the sponsorship contracts we wouldn't be able to afford it.

Donations?

Haven't you seen it?
She has a twitter now!

No... I've been really
busy with work lately.

A while later...

**Stupid tiny bridge...
Can't even support
the weight of a girl.**

The crawling little giantess
seems to be in a bad mood.

**I hope Ben is atleast ready
to have some fun again.**

THUD

THUD

Huh? What is this noise?

Ah, that is
just Layla.

THUD

What a stupid day...

I'm also so tired of these
thigh sized doorframes.

A close-up shot from behind of a character with long brown hair tied in a ponytail. They are wearing a pink top with a white lace collar and a black skirt. A pink ribbon is tied around their waist. The character is leaning against a wooden railing, looking towards a doorway.

Getting in and
out of here is
such a hassle.

I want a bigger
environment to
grow in...

The new place will
be great to outgrow!

EHHH?!?

HNG

Ben, I'm back!

A 3D rendered scene featuring three characters. On the left, a large woman with dark hair and blue eyes, wearing a pink sleeveless dress, looks down at two smaller characters. The character in the center is a young boy with short black hair, wearing a grey t-shirt and dark pants. The character on the right is a girl with long red hair, wearing a light purple hoodie and jeans. They are in a room with a computer monitor on a desk in the background.

Huh? Nicole?

You are tiny!

H-hello?!

You are gigantic...

I knew I stepped
over you earlier!

Y-you did?

Did you come here just
because I'm down bad?

That is wonderful!

Let's do it just like
in the good old times!

As perverted
as always...

Well... you know how it is.

The bigger the girl
the bigger the needs...

...and I'm a really big girl~

Big...

MOAN

SHAKE

SHAKE

They can't be
serious!

It is an earthquake...

**EVERY SINGLE
DAMN DAY!**

Poor downstair neighbor...

**Pleasing a giantess that
size is no easy task!**

It requires creativity!

**...but a giantess is also
good at pleasing others.**

**Her vast body gives
many opportunities.**

A hardened nipple is all Nicole needs...

So...big~

**She really
devours that leg.**

**Her chest is moving up and down
pressing that nipple inside me**

I'm literally... getting fucked...
by you... breathing...

Poor neighbors must
feel really left out...

I can't let this slide any longer!

They have to stop!

A woman with long, dark, wavy hair is seen from behind, looking out of a window. She is wearing a dark top. The window has red curtains and white vertical blinds. To her left, a small brown teddy bear wearing glasses sits on a wooden shelf next to a vase with purple flowers. A yellow cat is partially visible behind her shoulder.

Hm? They left
the front door open?

The quake is coming
from the right.

Time to put an end
to this farce!

What the fuck?

Ehh?

What am I seeing here?

Uhm excuse me?

Hello?

**WILL YOU STOP
IT ALREADY!**

THE NOISE IS UNBEARABLE!

Woah!

Hmm?

You are moving
too much...

Mhhhh

Eh-sorry!!

SLAM

Interrupting her fun...

...is not a smart move.

C-can you just keep
it d-down a-a bit?

Huh?

Keeping it down...

...that can be arranged.

A different kind of down.

OOOOH~

That is the spot!

Ah, another day's
work is done...

...only a happy Layla
is a growing Layla.

I'm home-

W-what
happened?

Welcome back honey!

**Do you think we
humans are like ants?**

**Eh? Where did
that come from?**

I think we are...

I do believe we have a queen
of fertility in this world~

**She is in desperate
need of a lot more
breeding and feeding.**

TO BE CONTINUED...
