Final Chapter

A LexyGTS H-Comic

Layla dear, there might
come a time where I can
no longer be around...

Why is that mommy?

It's just how things are
but I'll always be
watching over you...

...mommy's necklace
will then be yours and
protect everything.

...so when you are older
you should always wear it!

Especially during fun times!

Fun times?

Ah, you will
understand
that when
you are older~

But I don't want
mommy gone!

I'm sure you are
going to find another
special person...

I have a special
person now...

...but that dummy is
doing stupid things again.

Don't you realize that all you
need in this world is me?

I'll go and bring you back
home. After all, you are MINE!

...hand over the
money pipsqueak!

I-I don't have
anything on me...

Yeah right...

I-if you hurt me,
you could die...

Pfft... What
are you going
to do?

Just shut up
weakling...

...Ben?

BEN??
BEN!!!

She's ignoring me?

An anime-style illustration of a young girl with short black hair and large blue eyes. She has a surprised or relieved expression, with her mouth slightly open. She is wearing a light blue shirt and a blue choker. She is holding a small baby in her hands. The background is dark blue with small white stars, suggesting a night sky. The text "You are okay! Thank god!" is written in a pink, outlined font in the upper right corner.

You are okay!
Thank god!

Just hang on, I will
get you to the hospital!

Ben...

Please get better
you poor little thing...

How is his condition?

Will he be okay?

**Most likely... but he is
in critical condition.**

I see...

I wish I was at a size where
I could also treat him now...

...If only I was more domineering
and didn't hesitate.

Don't blame yourself. There
was nothing you could have done...

...and besides, being the size
of buildings is really cool and hot!

Even if you didn't hesitate,
you still can't be
everywhere at once!

Yet...

I guess I'm just not
tall enough for that.

**N-no matter how tall you are,
it's just how the world is Layla!**

It's a cruel place! You can get unlucky!

The world is
a cruel place, huh?

Then I need to abolish it
and replace it with myself...

Layla?!

Thank you for opening
my eyes, Nicole...

Now I know what
I have to do...

I have grow. Grow until
I become a safe world
for my loved ones!

**I-I didn't
mean that!**

**The people inside are
already starring at me...**

**Let's walk with
grace and confidence....**

**This should be a good
first goal to outgrow**

**This spot is nice and open...
Let's give the people a good show!**

THUD

**Ah, this really
feels liberating**

Ooh, already have
an audience~

Do you guys like
what you're seeing?~

Wait, let me get closer
so I can see you better~

Mhhh~

Dear lord,
she is huge!

The whole
street...

Ooh, that is a nice car!
May I borrow it later?

Uhm, aren't you
a bit too tall to fit?

Nono, I won't fit into it but
it will fit me perfectly instead!

I just need a few more inches
so why don't you guys rub my clit?~

JIGGLE

Yes right there,
that's good~

Mhh, yes!

seems to be at the right height...

Ooh, this should be perfect~

Doing it with a building...

...here goes nothing~

MHHH~

GROW

Mo- huh?

It's too small already?
Aww, I barely started...

I guess it's time

MOAN

Ugh, where am i?

**You are suffering
from a head trauma...**

**Can you tell me how
many fingers I'm showing?**

Uhm... I see... two. Yes. Two.

**Quick! You have to
come with me!**

I'm sorry but he
shouldn't leave fo-

The world could end
if he doesn't come!

**Your growing sister
is going crazy!**

**If she keeps on growing
like this we will all be
wiped out!**

**The only person who
can control her is you!**

„Big brother“ Ben
~~*irrelevant self insert*~~

Come, grab my hand!

**A train car hm~
Still quite huge...**

**I can still try to make it fit.
After all my growth is speeding up~**

**After that I'll try some airplanes,
maybe some ships and buildings...**

Wow, what
happened here?

There she is!

WOW...

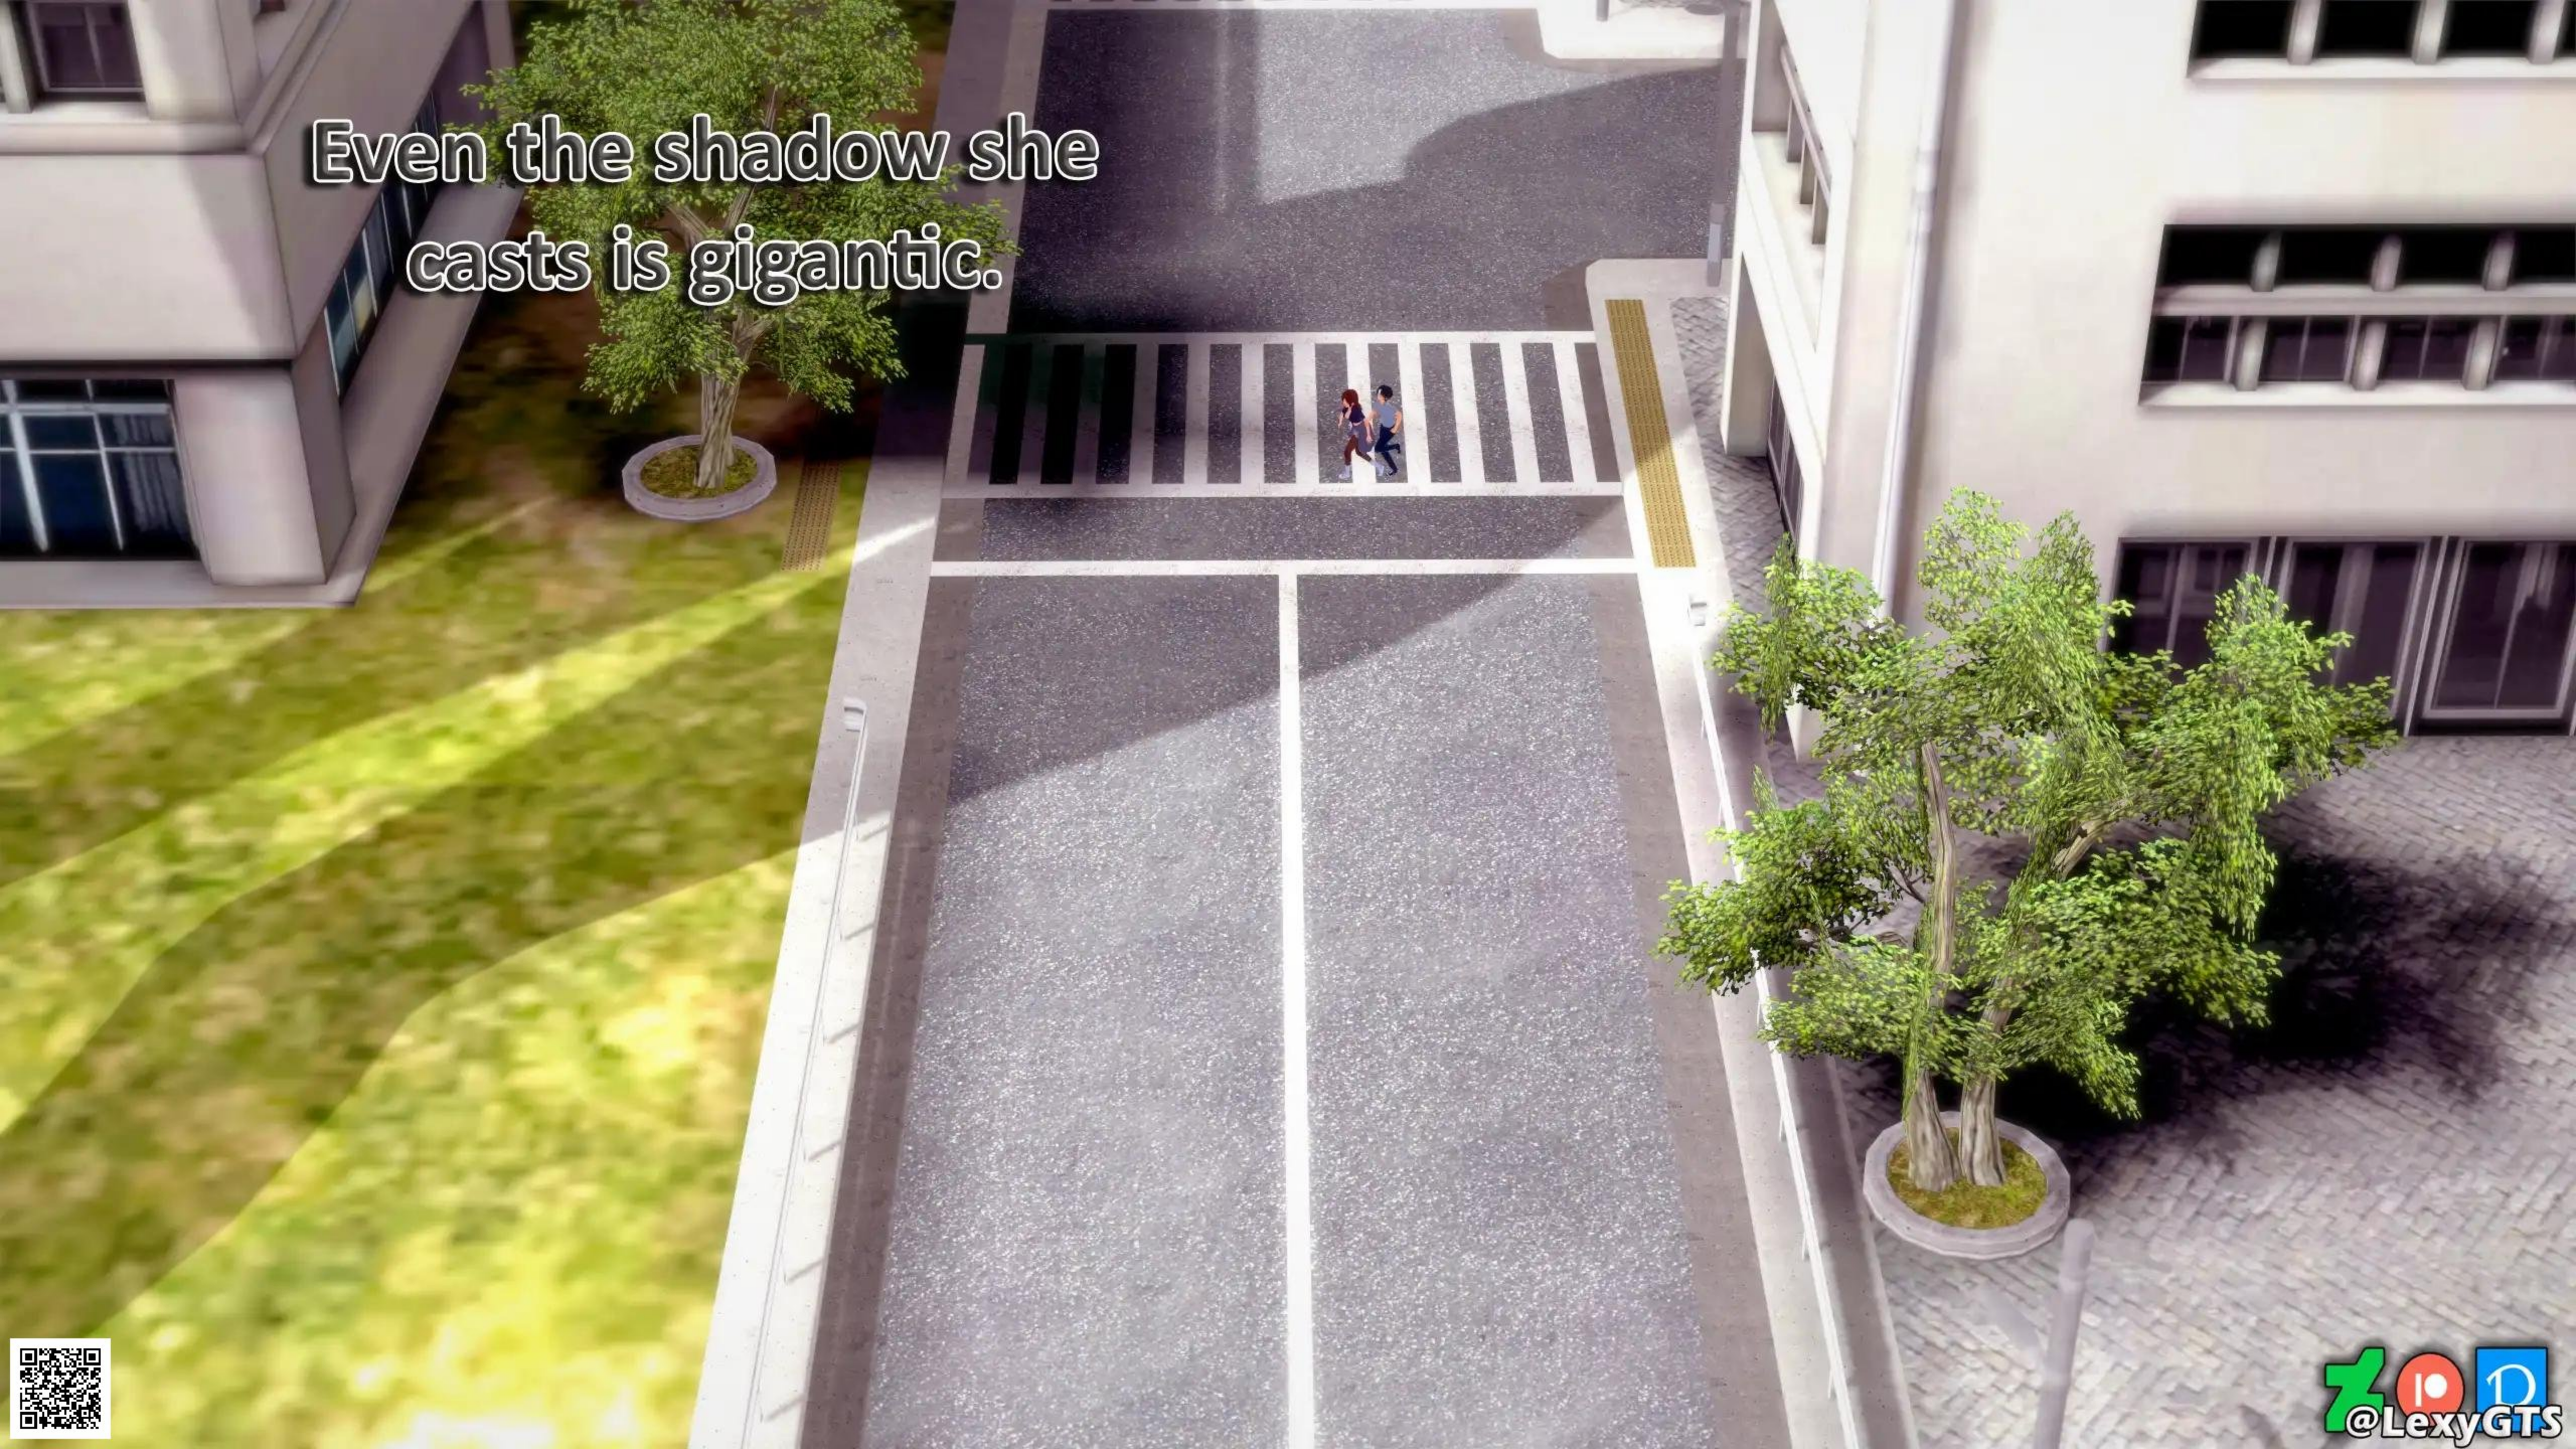

She grew quite a bit...

Even the shadow she
casts is gigantic.

A 3D rendered city scene featuring a giant, stylized leg in the foreground. The leg is light orange with a black outline and is positioned as if it's about to step down. In the background, there are several modern buildings, including a prominent one with many windows. A red and white train is visible on the left, and some green trees are scattered throughout the scene. The sky is blue with white clouds.

Hey! Layla! Layla!
Can she even hear us?

WHAM

Yeah, that isn't working.
I'm not tall enough...

I have to grow through
different means first...

Let's put you
here for now.

Is there a bus maybe,
or something similar sized?

Guess the fingers will do.

It doesn't have the same feeling
of power, but oh well...

It should -mhh- bring me
to where I need to be~

GROW

Taller~

GROW

More~

Layla! You need to stop!

**You are growing
like crazy!!**

Taller~

GROW

GROW

YES! MORE~

MORE~

GROW

GROW

GROW

**Let's get you up, at least
before she grows out of range!**

GROW

Wow.... She has truly
become a giantess now!

GROW

Hey! Layla! It's me! BEN!

BEN?!

You are okay?!!

B-but what are you doing?
It's dangerous here!

I could ask you
the same thing...

Me? I'm trying to
outgrow the world!

It's all so you have a
safe place on me!

Then I can nurture you forever
and nobody can hurt you!

For someone of your intellect
to have such a dumb plan...

Hm? Why?
What's wrong?

Don't you get it you big dummy?!
I want to live in a world with you...

...not have you turn into
the world itself!

It's because **I love you** and
I want to be with you!

EHH!!!

I just want to grow
old with you together...

...in some remote
place - just for us...

I see...

I know what to
do then...

This thing caused
nothing but trouble...

SQUASH

An anime-style illustration of a young woman with long black hair and bright blue eyes. She has a gentle, slightly sad expression. Her right hand is raised, with her index finger pointing towards the viewer. A tiny, dark-skinned person with short black hair is sitting on the tip of her finger. The background is a deep blue sky with soft, white clouds. The overall mood is contemplative and poignant.

What did you do that for? Isn't it the
only connection to your actual family?

You know, we can always
start a new family ♡

So... how about a private
island in the Caribbean?

ooh, sounds great!

Wait! What did you
just say before that?!!!!

A close-up, low-angle shot of a character's face, likely from an anime. The character has dark, spiky hair and is looking slightly upwards and to the side with a smug or confident expression. The lighting is soft, highlighting the character's features. The background is a solid blue color.

Oh did I say something?
I don't think I did :P

**Yes I asked you about
the necklace and...hold up!**

**Isn't it kind of suspicious
that it grew always with you?!**

Maybe it caused
your growth?

Size limiter

Hm, so how about
an island in Indonesia?

Hey! Why are you
ignoring my question?!

THE END

**THANK YOU FOR READING
THIS STORY**

**I HOPE YOU ALL ENJOYED
IT. NOW IT'S TIME FOR
A NEW SERIES!**

**IT'S NOT THE LAST
WE SEE OF LAYLA EITHER.**
