You're really... hard to satisfy,  
aren't you?

Epecially \*here\*...

Who' s there?!

You jerk, stay away from Elena!

Wait, Elena?  
We broke up a long time ago.

Oh~ baby,  
why did you stop?

You brought your friend too?  
That's gonna cost extra.

Oh... maybe I got it wrong...

A 3D rendered character with a dark complexion and a shaved head. He is wearing a dark grey sweater over a light blue collared shirt. He has a shocked expression, with wide eyes and a slightly open mouth. His right hand is pressed against his forehead. The background is a dark, dimly lit room with some furniture visible in the shadows.

Oh my god...  
Don' t tell me Seraphina lied!

Who are you,  
and how did you get in here?

I... uh...

Oh, Seraphina wouldn't lie to me,  
she said she'd keep it a secret...

Ah... sorry,  
I think I mistook you for someone else.

Sorry to bother you,  
I' ll leave now...

Bulge.

How about we have  
some fun together?

uh.....

She's my old partner. What do you think?  
Would you be interested in joining our research

Alright .....then

Oh~

Oh my, your lips are wrapped so perfectly.

HEH

Is that it?

Don' t worry, bro.

Looks like you're not too familiar with it.

You need to take it slow, like this.

She' s already soaked.

Got it!

A 3D rendered scene showing three characters on a light-colored platform. On the left, a large, muscular, dark-skinned male figure stands with his hands on the hips of a smaller, dark-skinned female figure who is bent over. On the right, a light-skinned male figure with short blonde hair stands looking at the female figure. A speech bubble is positioned to the left of the female figure.

It' s so slippery...  
feels like I' m completely stuck.

EHHH

Oh no... I'm coming again.

I need to take a break for a moment...

Of course!

AHH~~

That's really enviable~

want it.....

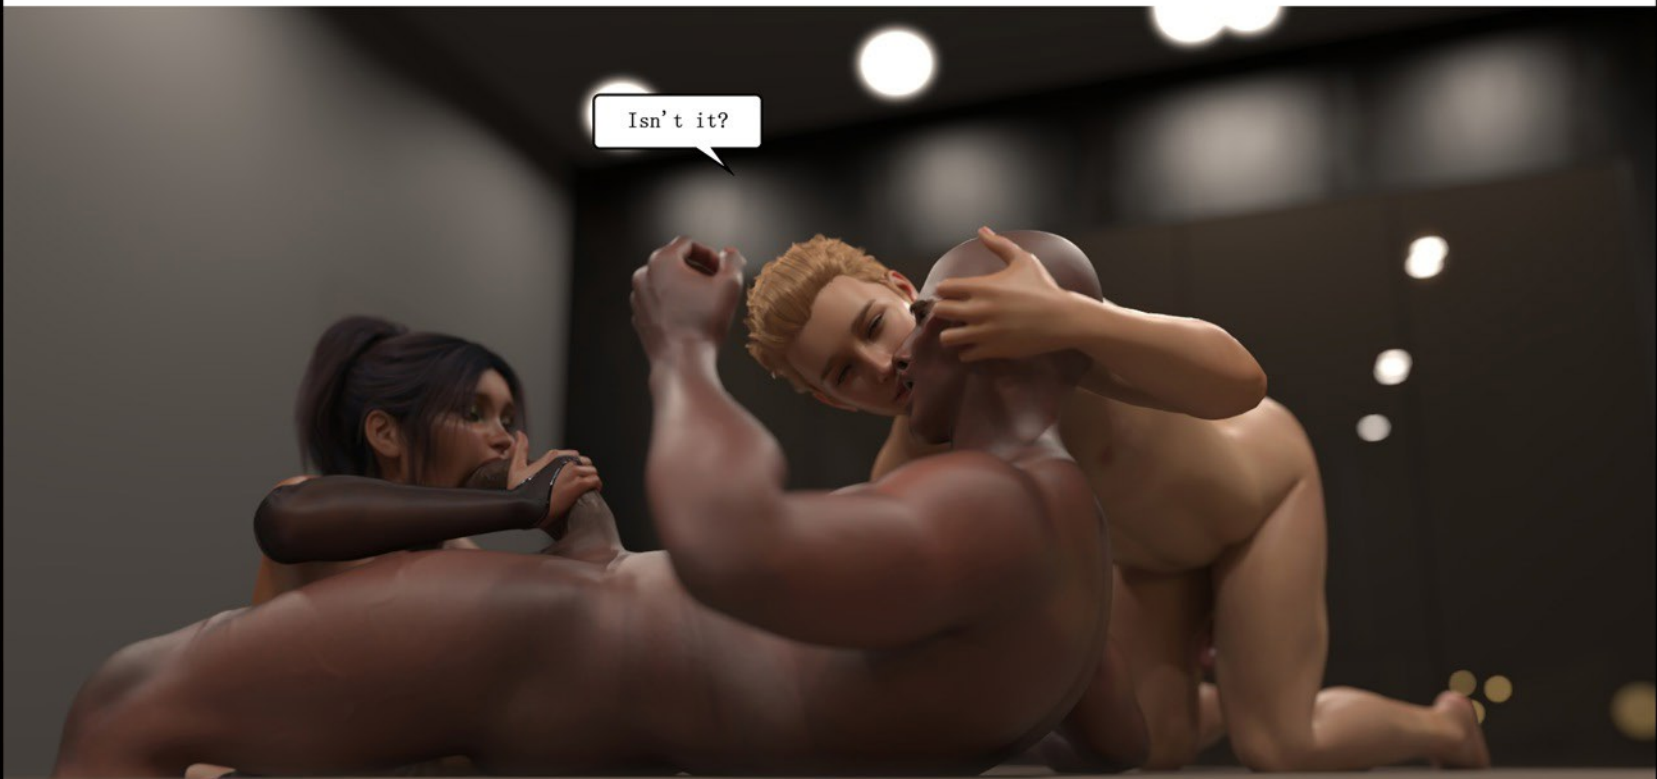

Let me clean that up for you.

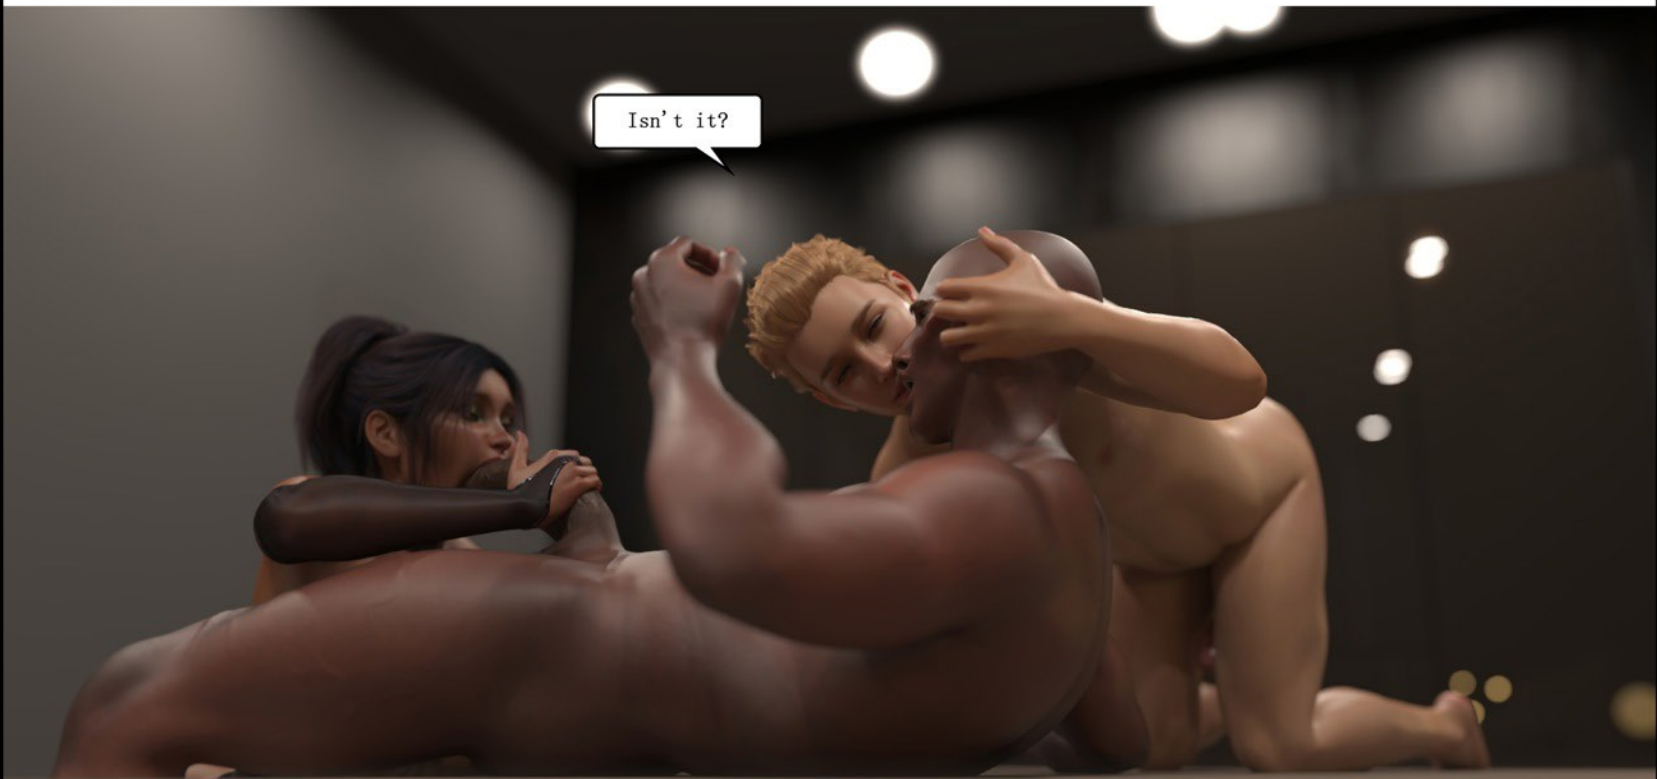

How' s this body?  
It must be quite addictive, right'

What?

A 3D rendered scene set in a dark room with bokeh light effects. In the foreground, a large, muscular, dark-skinned male character is lying on his back. Behind him, a woman with dark hair tied back is looking towards the right. In the middle ground, a smaller, muscular, light-skinned male character with spiky blonde hair is leaning over the larger character, holding his head. A speech bubble points to the smaller character.

Isn't it?

Hey, what are you up to?

Isn't that Nina?

I.....

Come on, don't be scared.

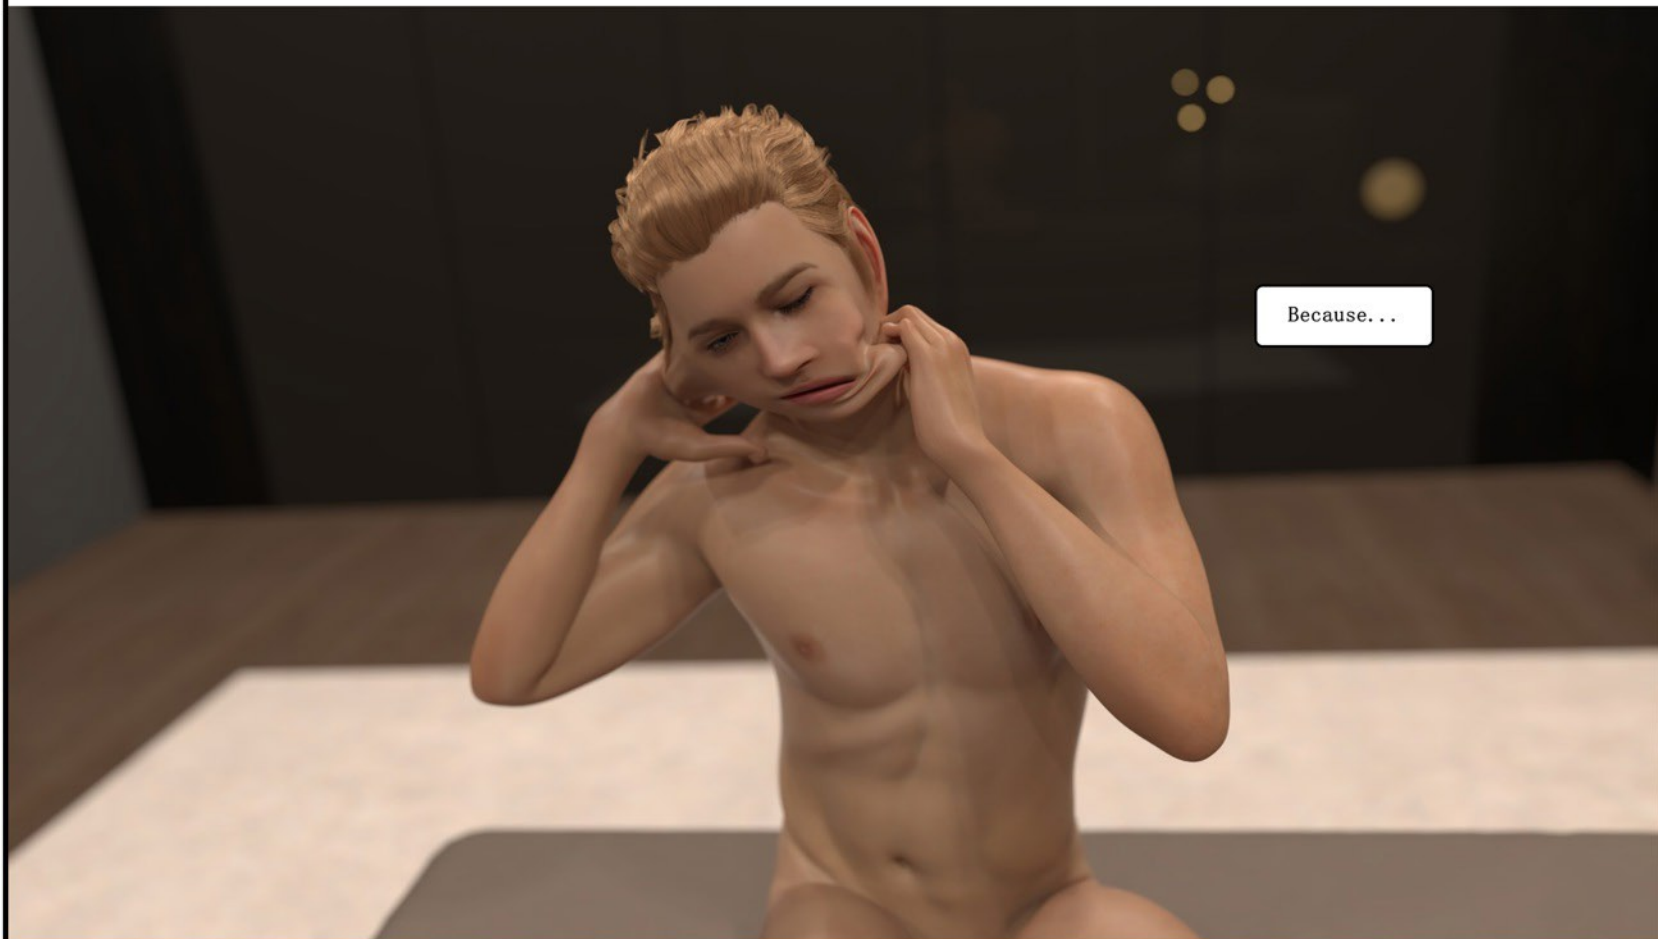

How did you know?

Of course, it's...

Because...

How about it?

Seraphina...?!

Wait, I...

Oh my god~

Elena? Is that really you?

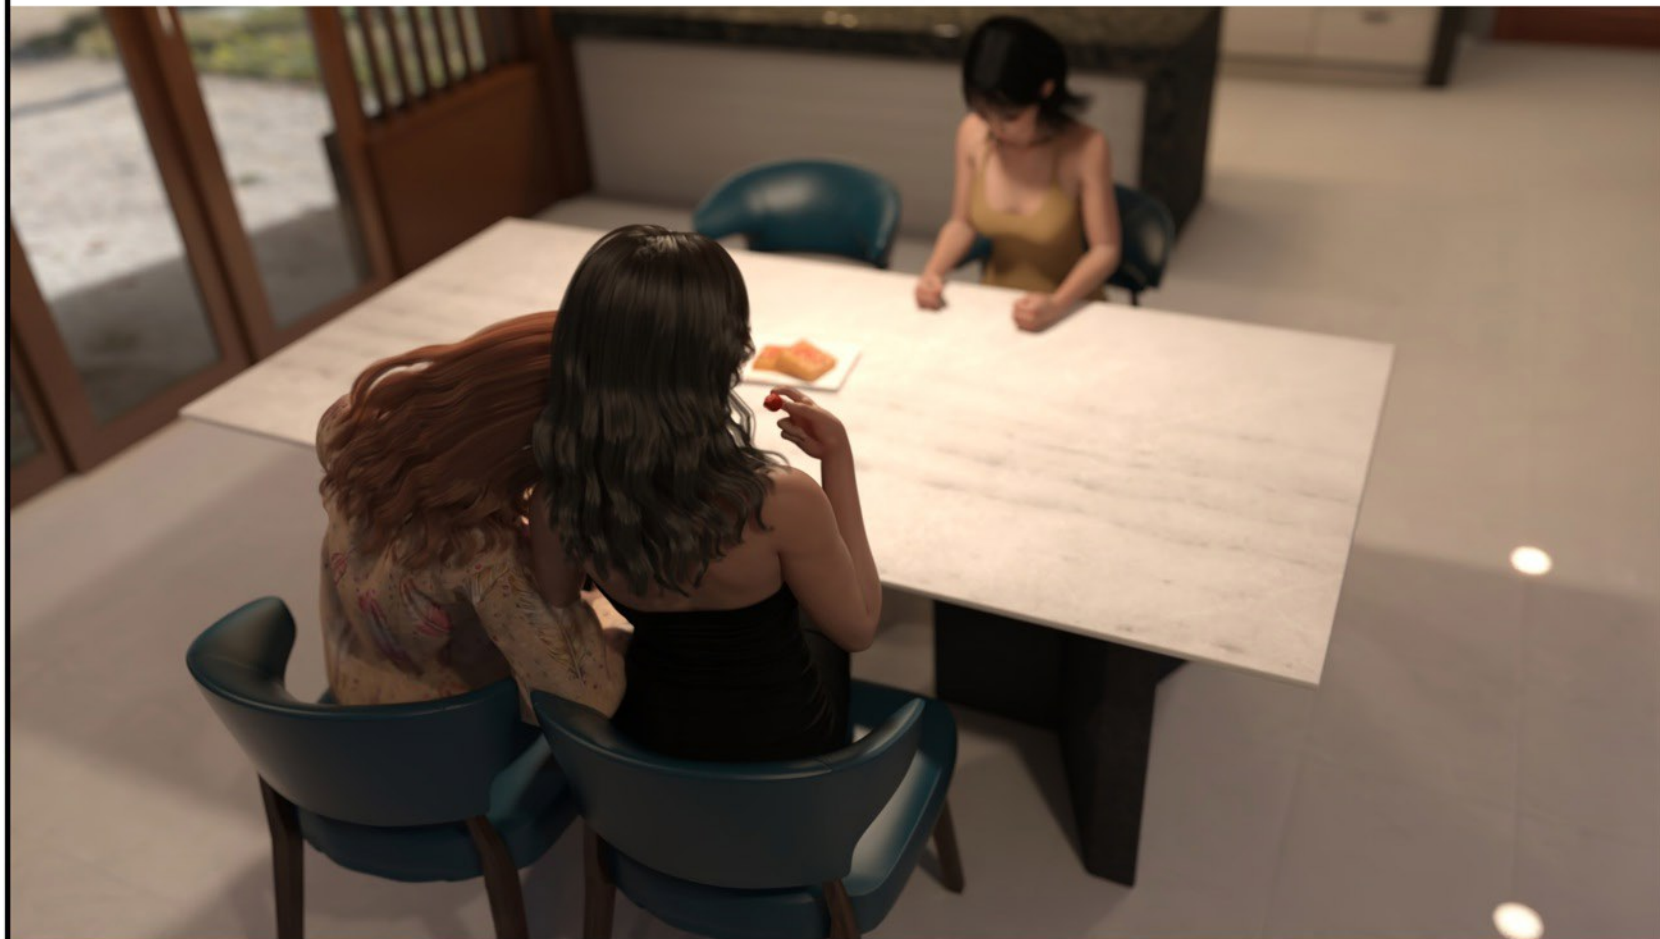

What' s going on? What exactly happened?

Seraphina' s House

Weren' t you the one who messed up first?

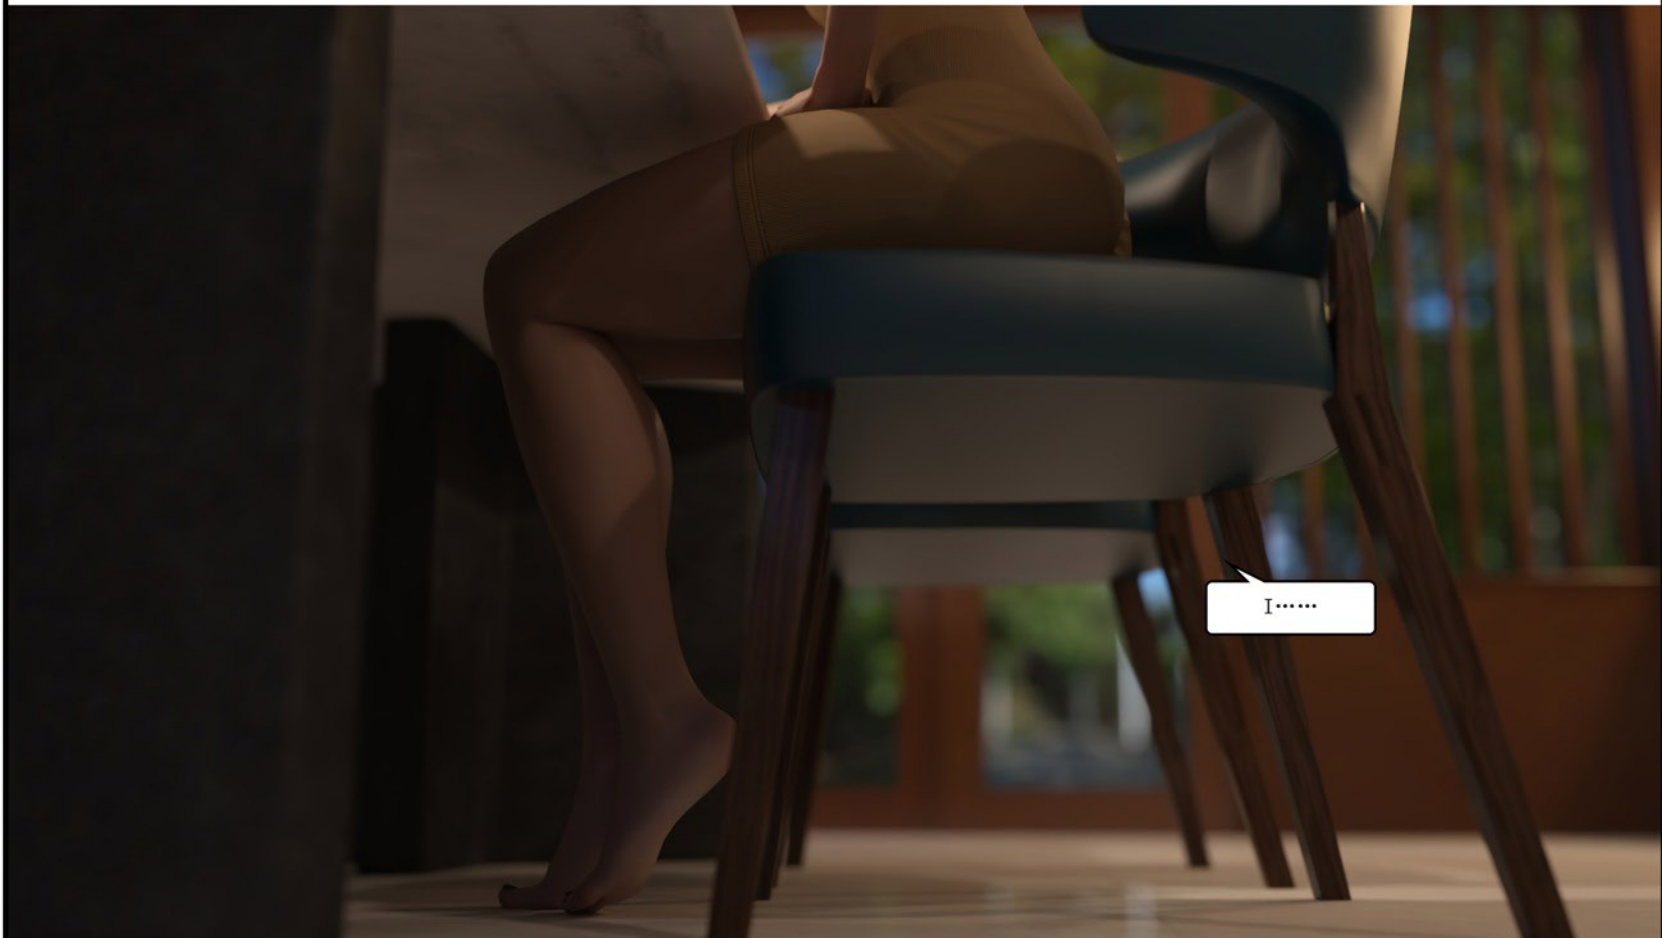

Still acting tough, huh?

A woman with long, wavy dark hair, wearing a black sleeveless dress, is seated at a long, light-colored wooden table. She is looking down at a small red object in her hand. On the table in front of her is a square cake decorated with strawberries and cream. The scene is set in a room with wooden paneling and a tiled floor.

But it seemed like something else was harder last night~

It's not like that.

Wasn't that feeling hard to forget?

So what? Don't you want to do it again?

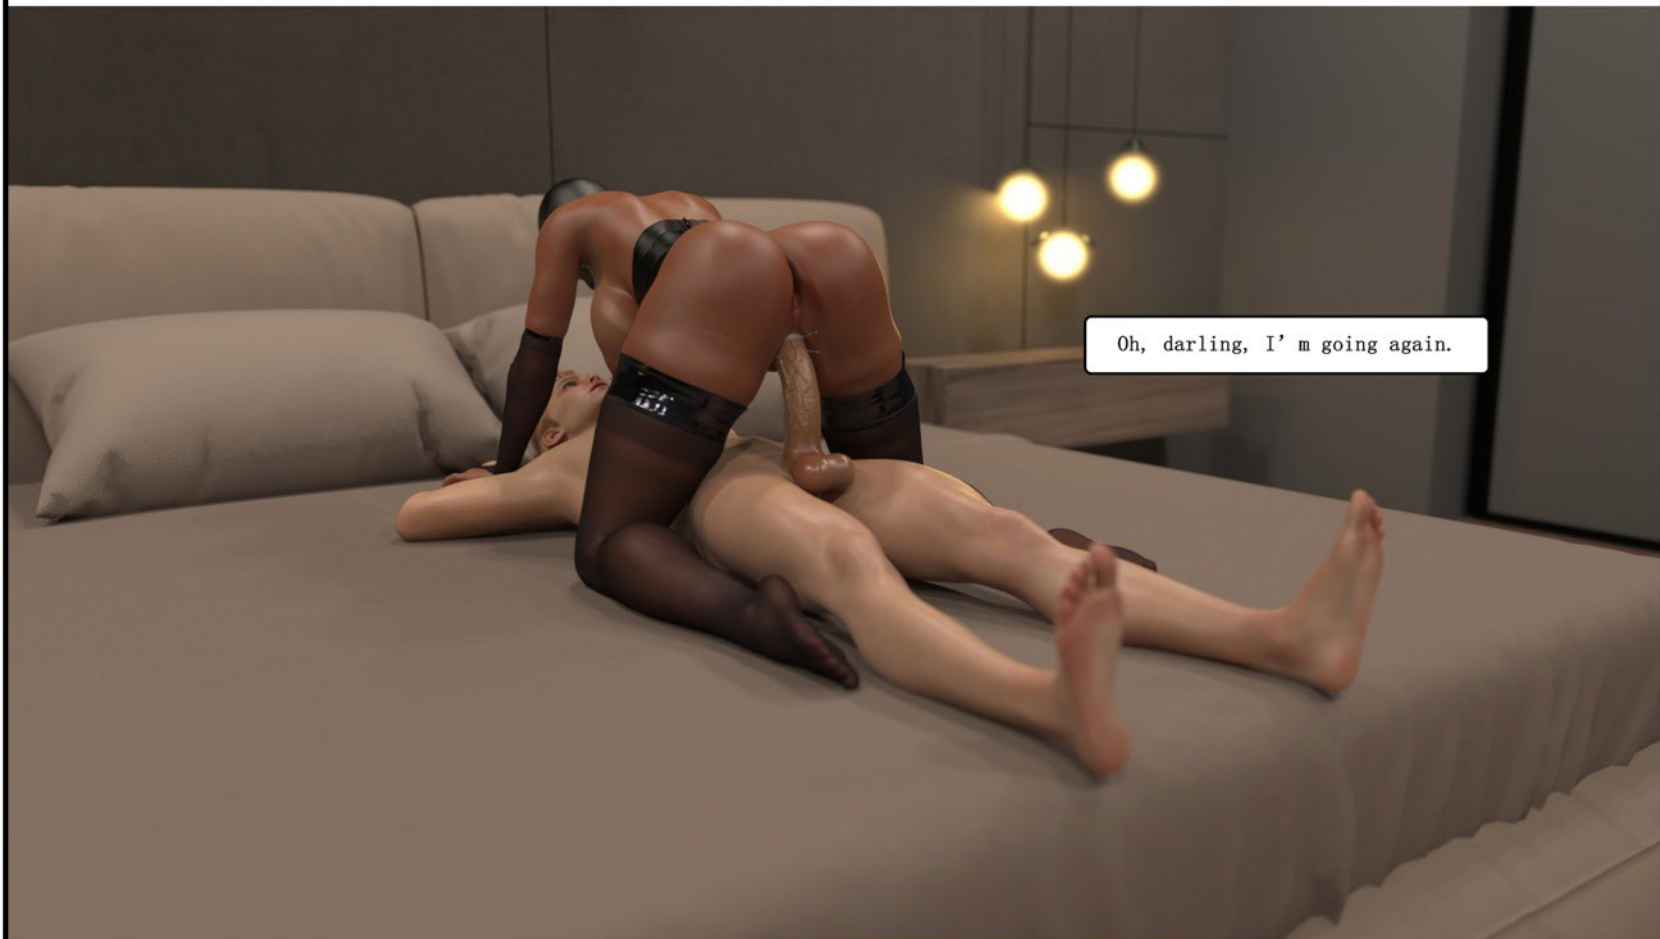

MEMORIES, ELENA JUST PUT ON THE MASK.

This is a feeling I've never experienced before.

Is that so?  
Well, you'd better take your time  
and experience it properly.

Oh, darling, I' m going again.

What' s wrong, darling?

Hey, what are you doing?

Oh my gosh!

How did you find out?

It's not hard to guess, you know me too well.

Is that so?

You even know that I change dramatically  
when I put on the mask.

I once only told him that I liked these...

That' s probably why we broke up...

That' s a bit of a stretch.

Heh, yeah... but...

I also bought this skinsuit~

Wait, where did you pull that from?

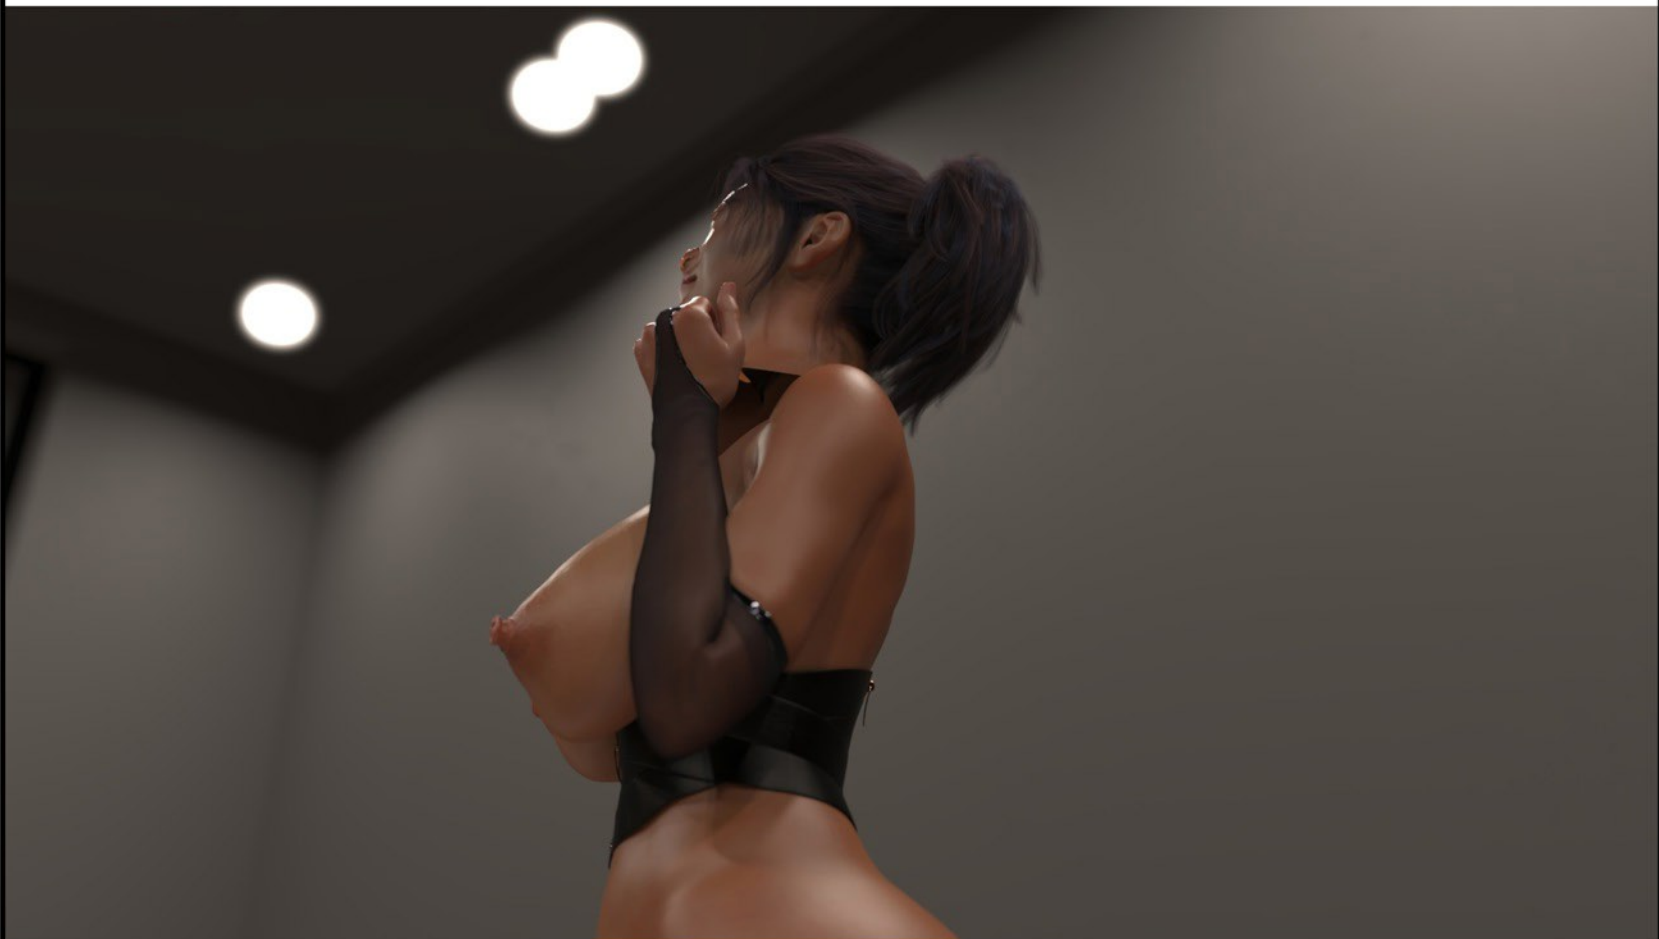

Yes, but I really like it.  
Do you mind if I put it on?

No problem.

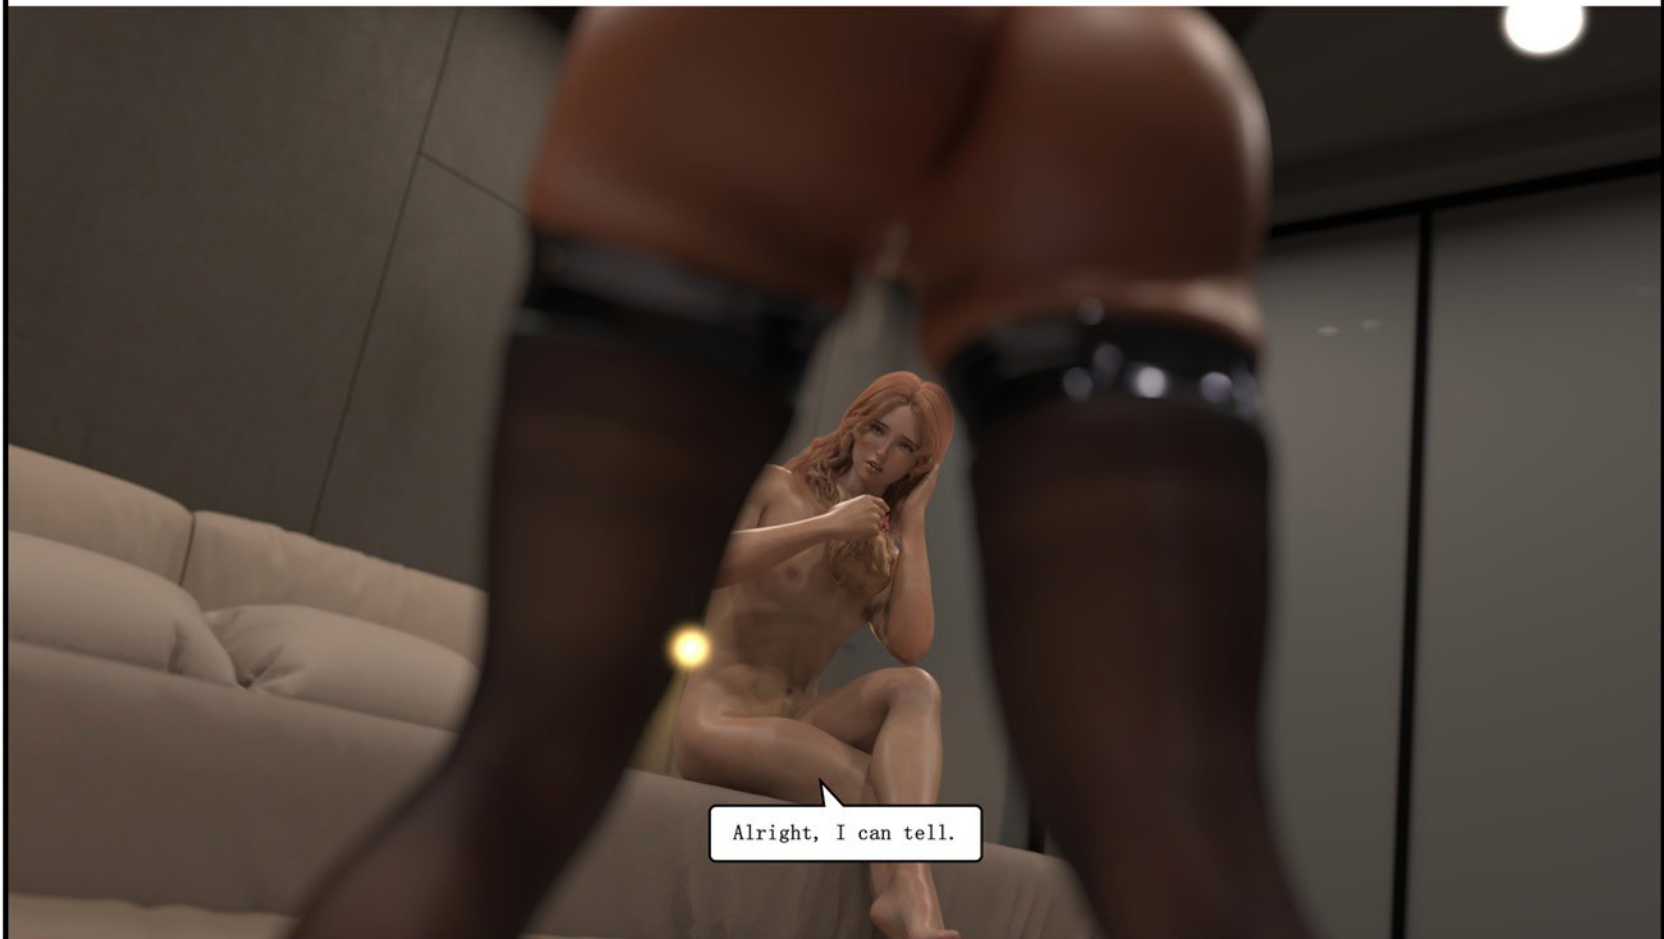

I wouldn't say it's that exciting...

HAH.....

Of course, it's like being reborn.

Alright, I can tell.

I' ve even come up with  
an even better idea.

Let's surprise Nina.

Don't mind the little details~

You two were planning to prank us from the start, weren't you?

You were also hesitating to tell  
Nina about all this, weren't you'

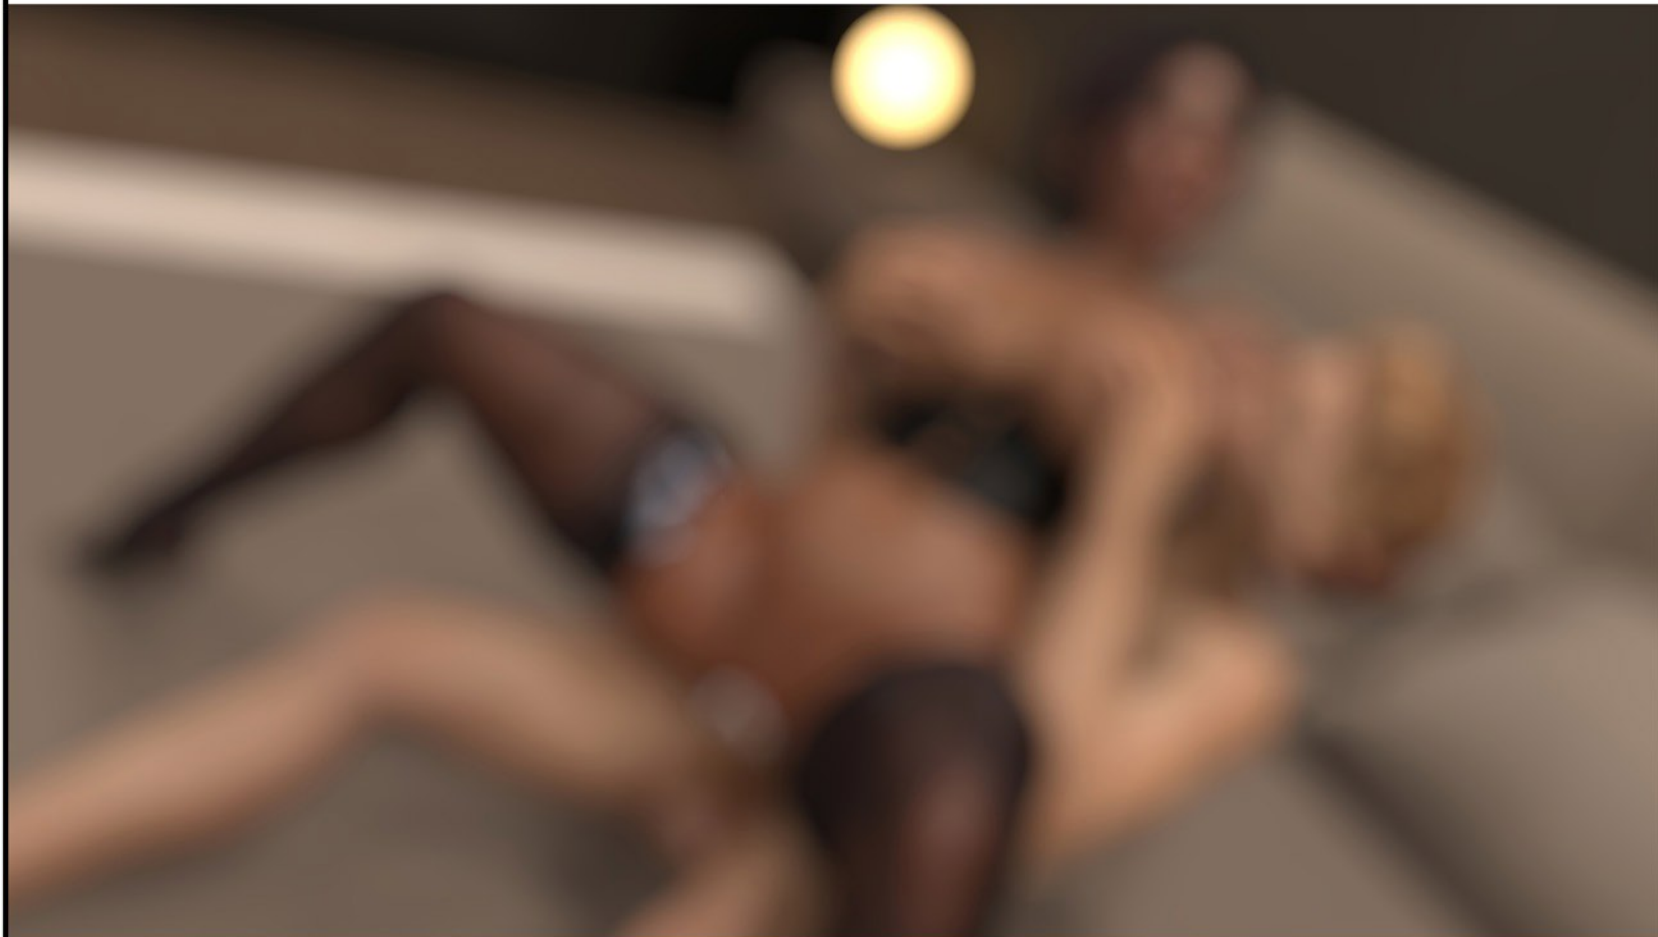

AH~

Listen to me...

AHHH~

This really is quite a twist...

That's how it is.

Alright, for the past,  
I think you owe me an apology.  
I' m sorry.

I shouldn't have said that to you...

Since that's the case,  
I have an interesting favor to ask from everyone

Wow, why is it so quiet today?

Hey, you're not out on a date?  
How come you have time to come to my little place

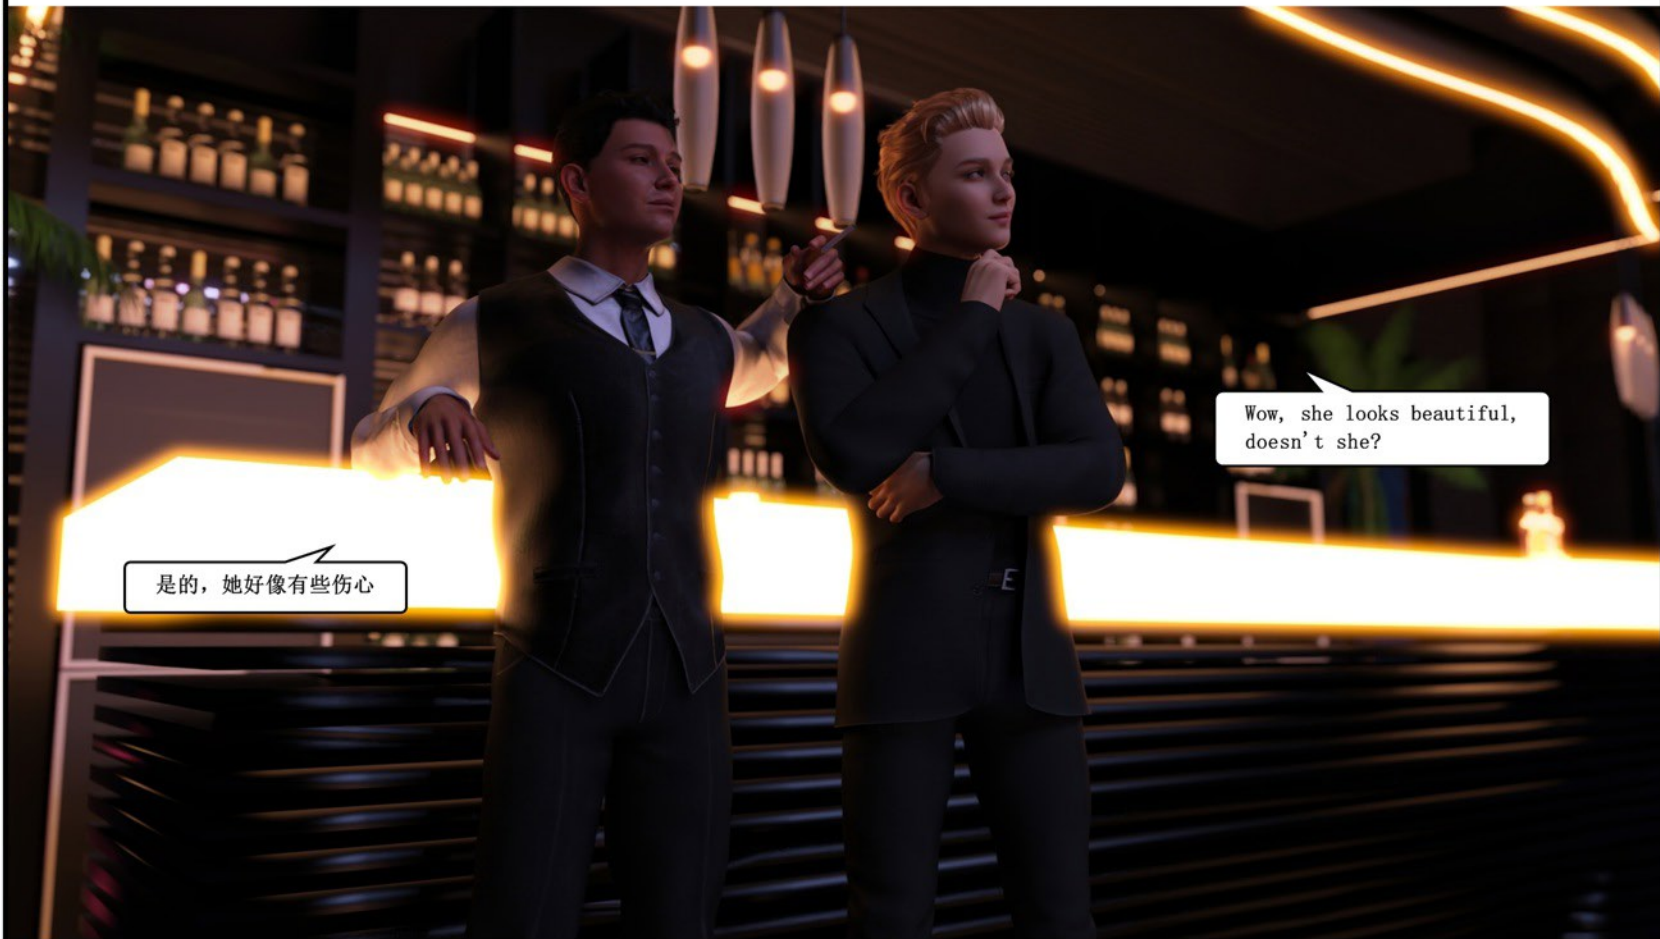

Oh, come on.

That' s just prejudice;  
we' re just having a friendly chat.

Hmm, there's someone  
over there as well.

是的，她好像有些伤心

Wow, she looks beautiful,  
doesn't she?

Beautiful lady,  
would you care to join me for a drink'

Go ahead...

Phew, you can really drink...

Why haven't you woken up yet?

I don't know, maybe you drank too much?

I feel so hot all over right now.

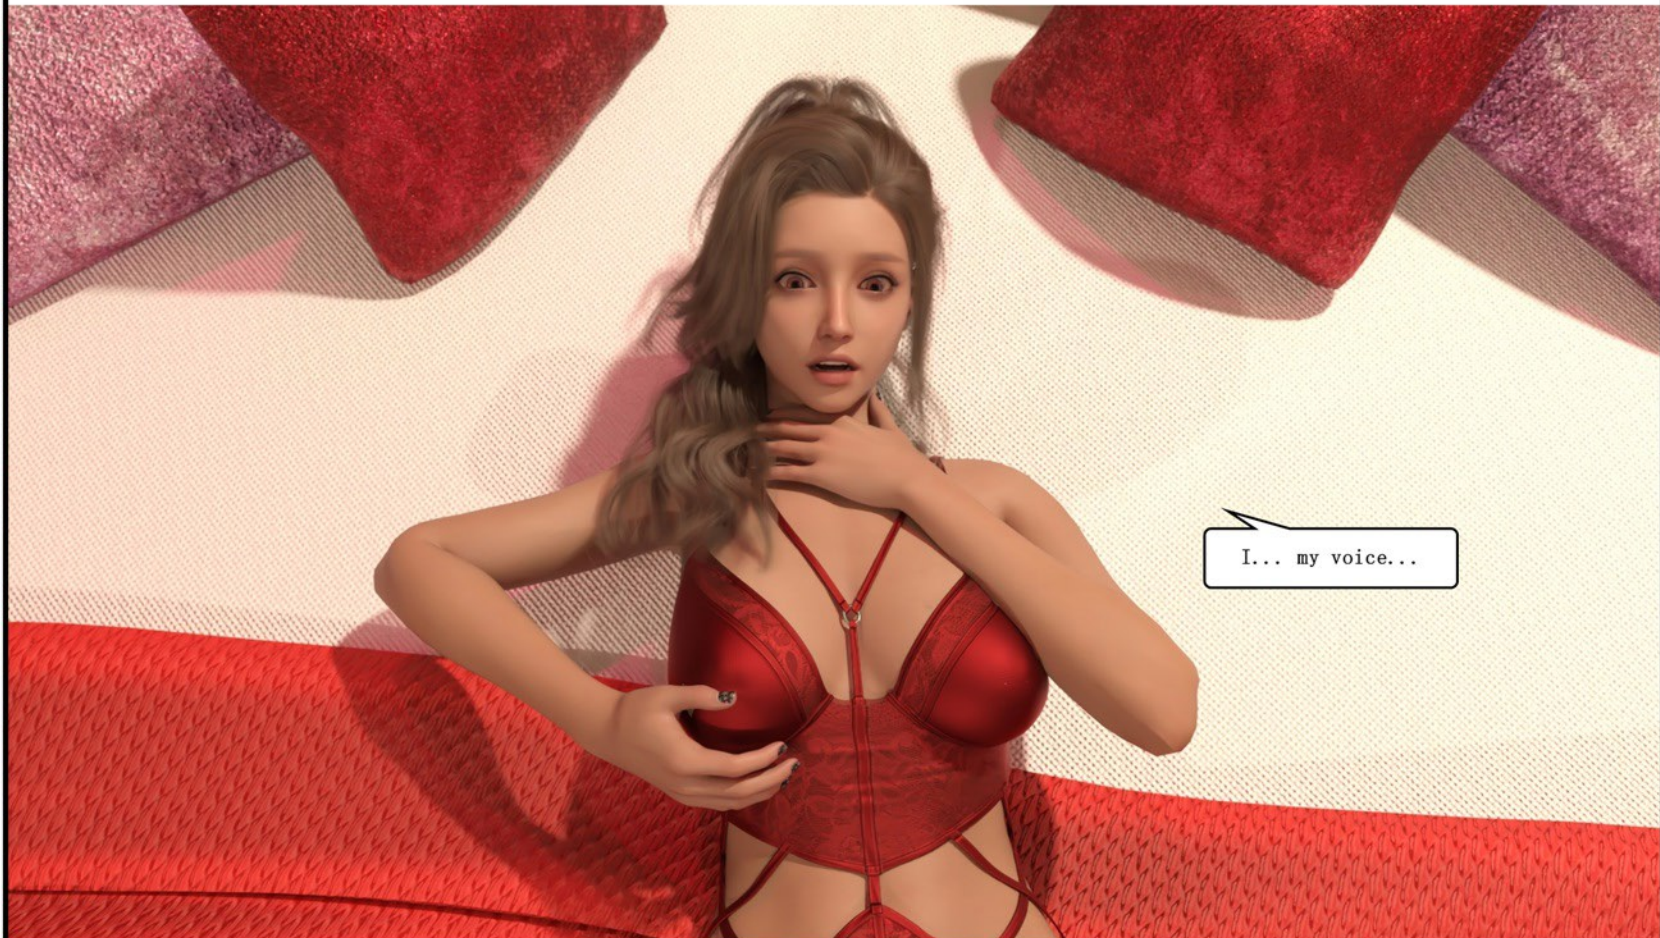

Let's wait and see.

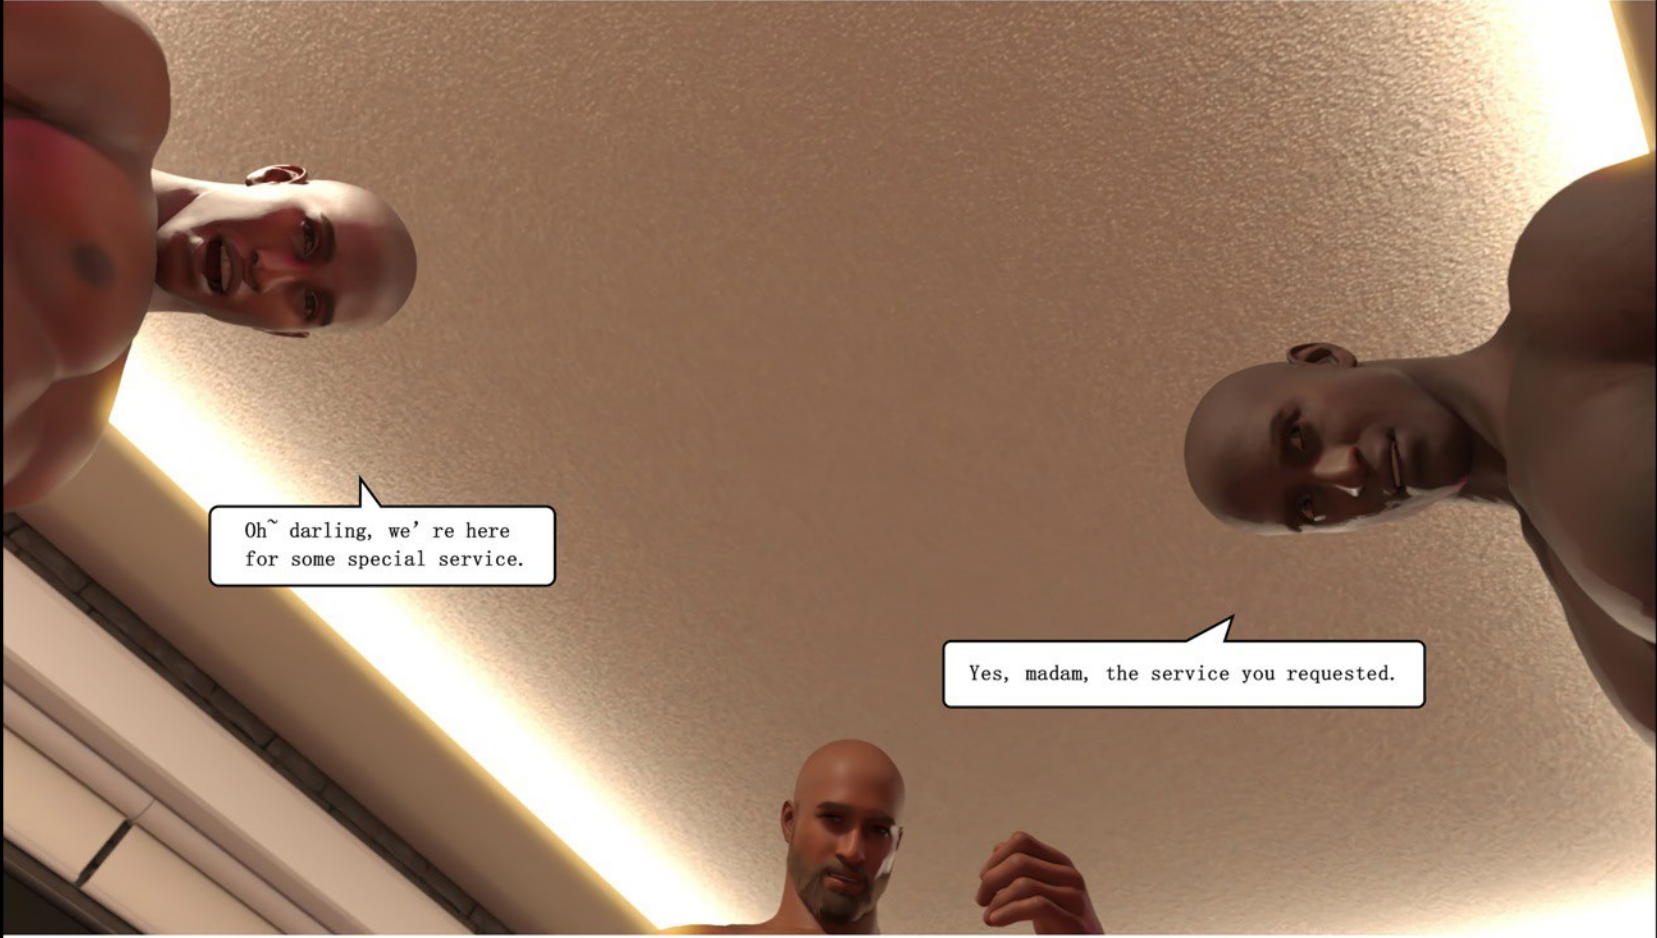

Oh, you' re awake!

Who are you guys?

I... my voice...

Oh~ darling, we' re here  
for some special service.

Yes, madam, the service you requested.

Me? I' m not, I didn' t...

You... don't come any closer...

That' s really bad.

Oh, it looks like she fainted?

What should we do now?

How about we go back and find Alex?

The master drank a lot last night~  
Let him rest a bit longer.

Just kidding~
