in class

I'm so anxious for my
first lesson...

This... Seraphina's...

It' s so... so uncomfortable.

Teacher? What' s wrong?
Your face is so, so red^

Seraphina... Teacher...
I' m feeling a bit uncomfortable...

Class, please self-study for now.
The teacher has something to take care of..

I can't...
I need to get away quickly...

Hmm

I... I caught up...
this feeling...

What's this?
So thick...

Huh.....

So sensitive...
my body feels uncontrollably...

Seraphina?!

Ah! Teacher,
what are you doing?

Let me see,
so you're a Futa, Teacher^

Seraphina, let me explain first...

Seraphina,
after I sent you to the infirmary earlier,
it turned out like this. Do you know what happened

Seraphina,
Seraphina has always admired you,
Teacher~ I' m so happy to see the real form of Teacher Taylor

Seraphina wants to help the teacher relax~

Could it be you, Seraphina?
Uh, okay~ Seraphina... no~

Teacher,
Is Seraphina's little tongue comfortable

My whole body is soft.

Huh~

Teacher, it's just too big,
Seraphina can't handle it on her own.

I'm going now.

NO

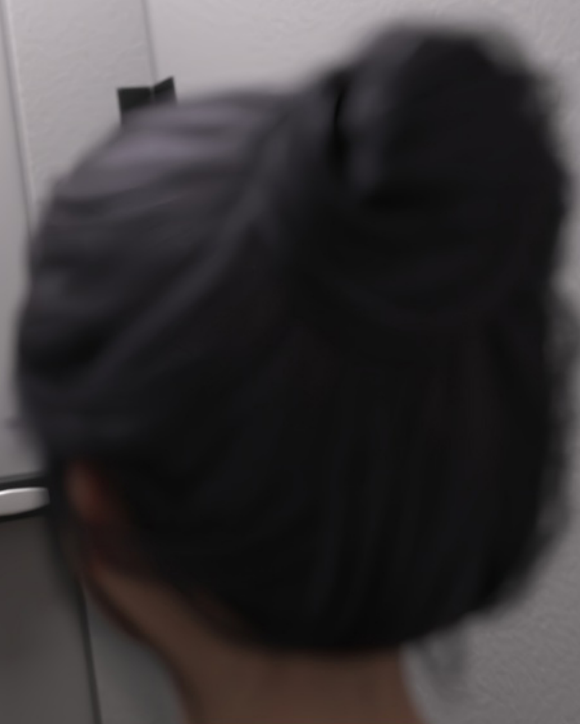

Teacher, you're really sensitive.

This is what you did, Seraphina.
Why did you do this?

Because I need you to be obedient, Teacher.

Teacher, you seemed to enjoy it just now, didn't you?

Teacher, come to my house this weekend,
if you still want to.
Dress up nicely.

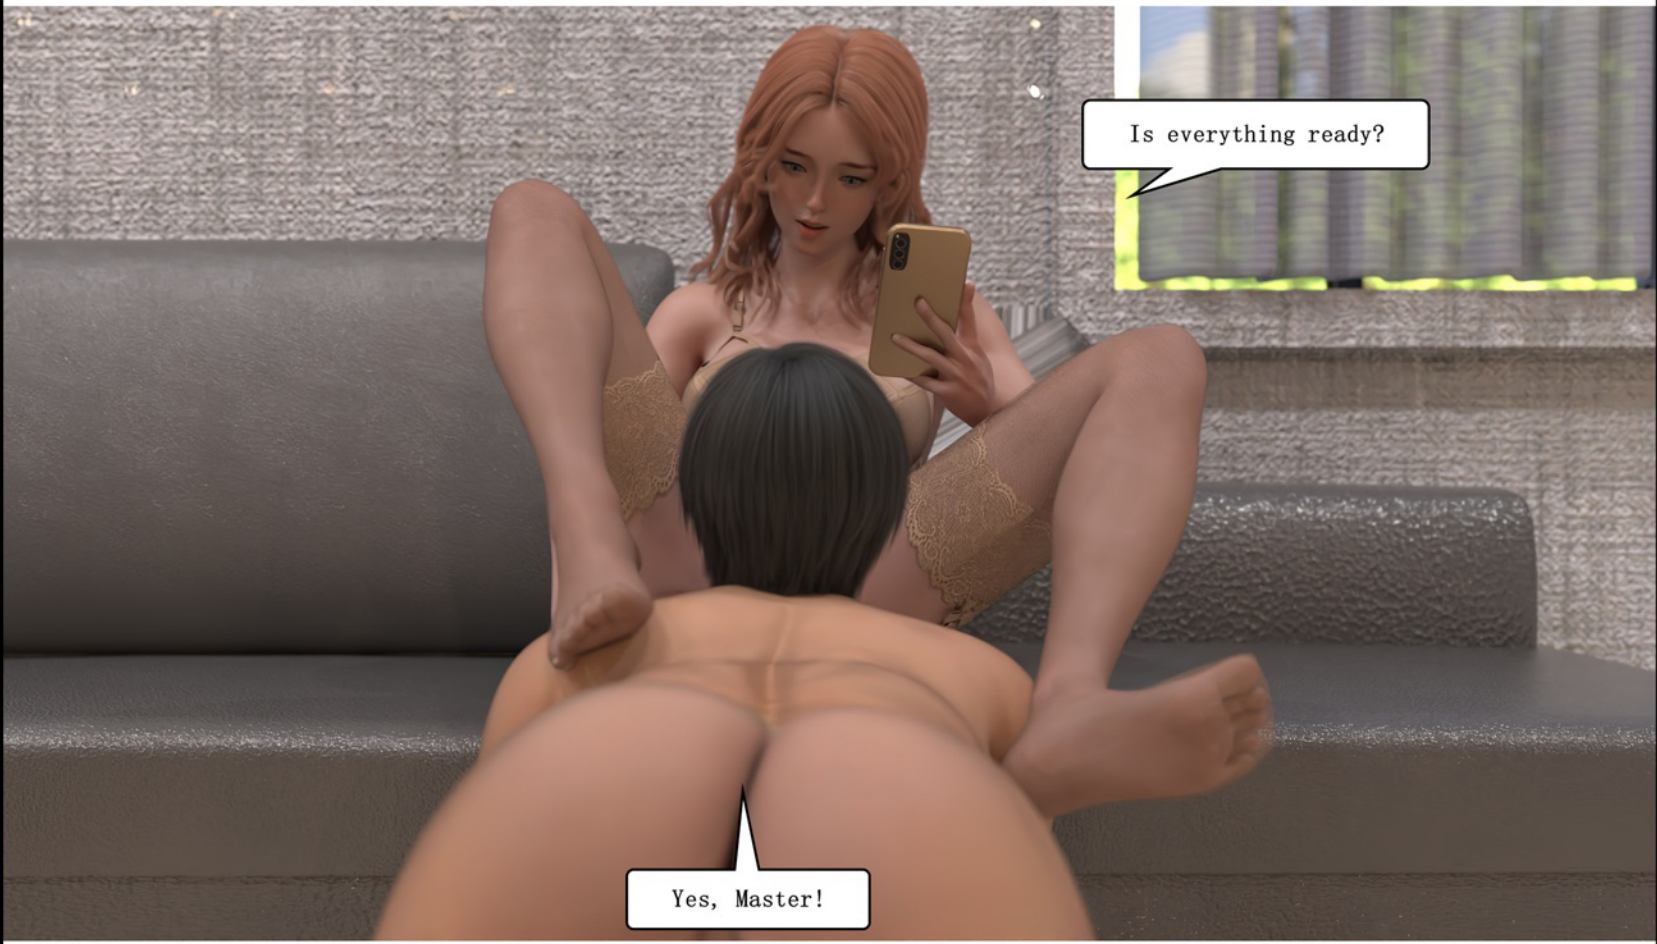

Weekend

What time is it now?
Still not here,
Could it be that you got so overwhelmed you passed out

Good puppy, keep licking.

Yes, Master!

Is everything ready?

Yes, Master!

The guest has arrived.

Doorbell

Alex... Alex?!
What are you doing here?!

Don't bully her.
Let me see your sincerity first, Teacher.

Seraphina, why are you doing this?
What else do you want me to do?

I... I...
I apologize to Alex, I'm sorry.
This is all Teacher's fault.

Teacher,
You always unconsciously target Alex,
letting rumors spread freely.
Have you ever thought about apologizing to him

An apology isn't enough,
how about joining us for some fun'

Good puppy, take off your mask.

Yes, Master.

This cost me quite a bit of money.

What is this?!

It's just Alex's mask, a skinsuit.
Come on, Teacher,
please wear this skinsuit.

So you are Alex?
I... have to wear this mask!

Hehe, guess what?

Alright then.

No, I' m just a little curious...

What?
Do you think it's disgusting?

The voice, the voice has changed too?!

Is this enough?

What! I... I didn' t!

Taylor, according to rumors at school,
did you get divorced because of your useless husband?
Is that true?

First... let's put it in first.
So hot...

Seems like it's been held in for quite a long time.

Sorry, since becoming a Futa,
I've begun to understand Alex's feelings.
Please, hurry... hurry up.

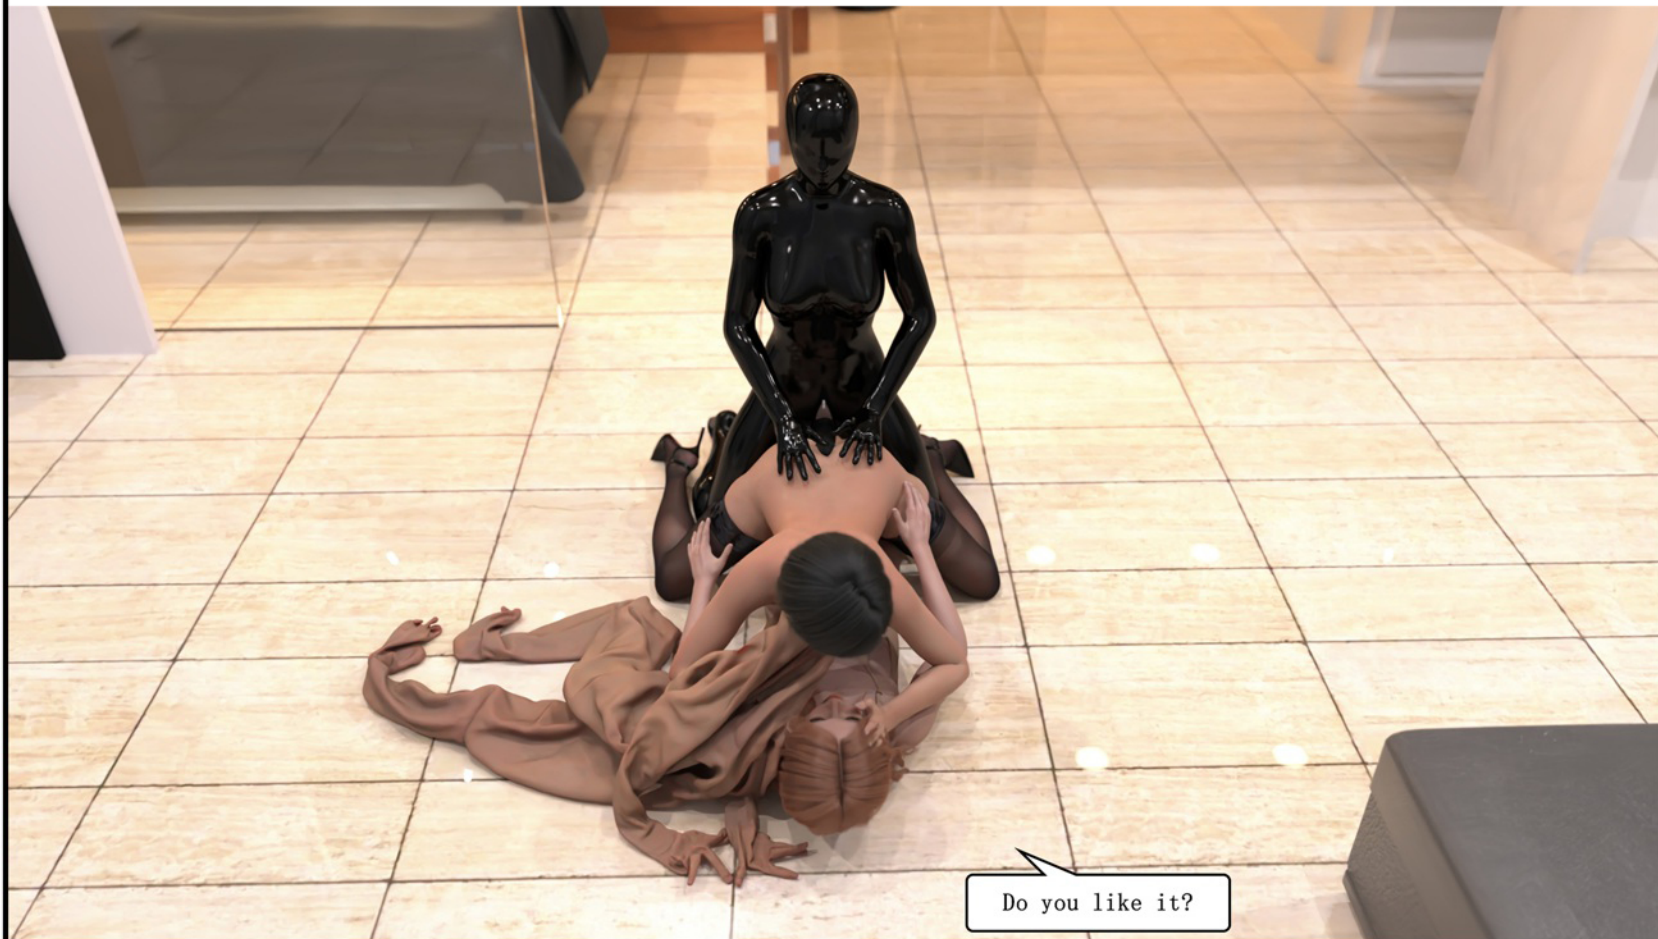

This, this is?

Taylor,
this is the gift I prepared for you.

So... so satisfying~ Huh.

The feeling I haven't
had in a long time.

Huh.....Ah

I... I' m going.

One day

What' s wrong, Taylor?
Why did you suddenly call me here?

When can you turn me back?

Alright, stop pretending.
That day, your true side was clearly exposed.
What's the matter? You want it again?

It must be the mask's fault!

Don't... Alex, Seraphina. Don't go.

Can you... help me one more time?

Didn't you just say it was the mask's fault?

Huh?
Why is it standing up now?

Sorry, sorry...

Emm

So, it turns out you're a foot fetishist, Taylor~

Would you wear my pantyhose?

What about this?

Seems like a hassle.
Is this better now?

That's right, that's right.

AHHHH

You sure know how to play, Taylor.

How about we switch clothes for a roleplay?

It's a bit loose...

The problem is that your chest is too small!

Huh? Is that alright?

Taylor,
How about we head to
the classroom for the lesson?

This one will do~

Taylor, you're so stiff.
Is it uncomfortable holding it in'

Seraphina,
Can I come in?

Of course, I...
I'm eager too~

AHH

Seraphina, you're so tight...

Taylor, yours is too thick!

Taylor, come on.

Seraphina, I, I put it all in!

WUUU

Seraphina, I'm coming!

Good dog, let's go!

Hey, when did they get this close?

Nina, you seem a little distracted during training today.

A scene from an anime or manga set in a locker room. Two young women are sitting on a yellow wooden bench. The woman on the left is wearing a grey short-sleeved top and black shorts, looking down with a sad expression. The woman on the right is wearing a white short-sleeved top and a dark skirt, looking towards the first woman. The background consists of blue lockers and a white ceiling with a light fixture.

Seraphina, it's been such a long time since we broke up, yet you chose Alex, and not me.

No, I can feel it.

Alright, don't be mad. Maybe they're not that kind of relationship after all!

Good girl, you still have me~

Wu

Mine is bigger than Seraphina's~

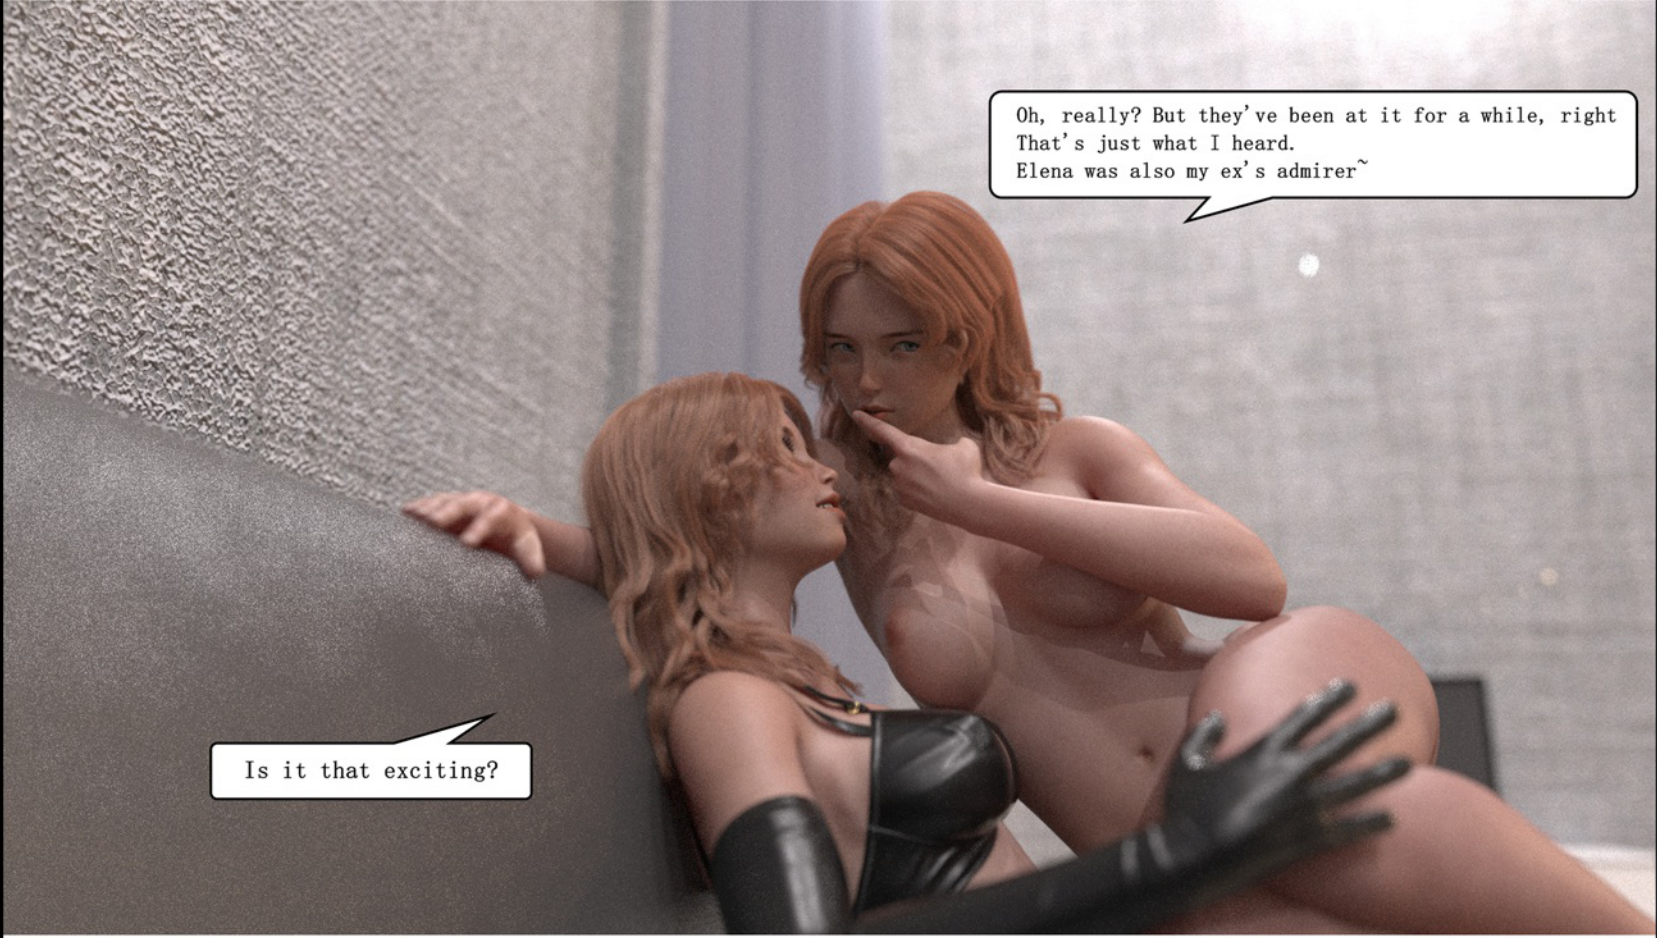

I forgot to take something.

But I saw something interesting.
Nina and Elena, they...
It seems like Nina has a crush on you.

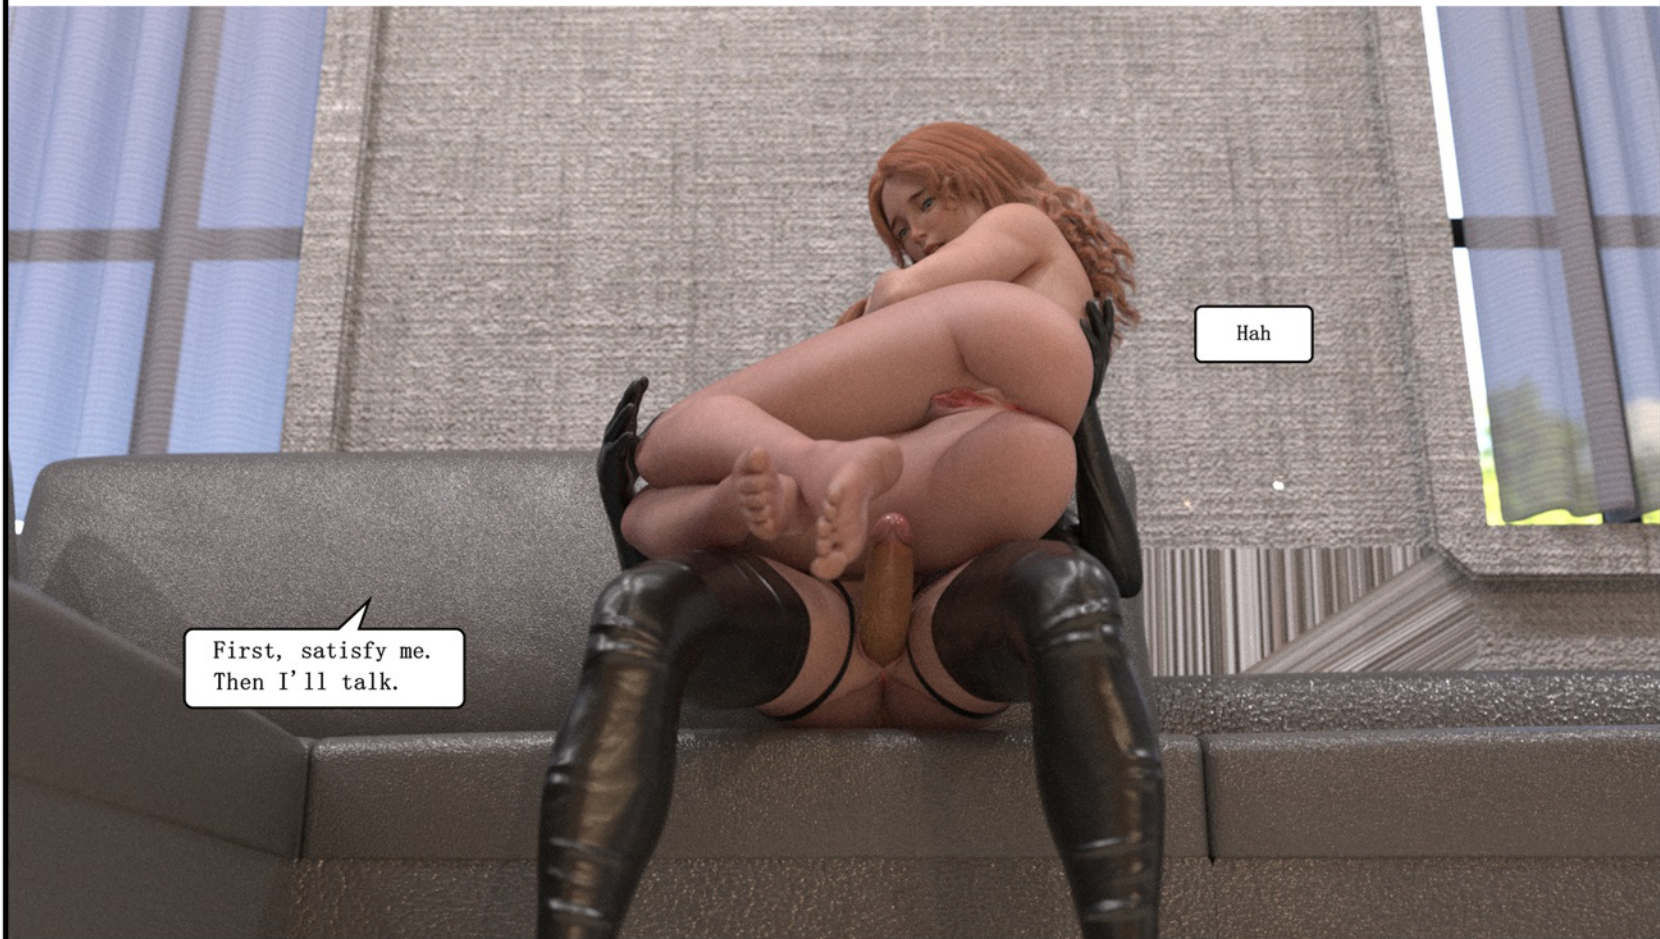

Oh, really? But they've been at it for a while, right
That's just what I heard.
Elena was also my ex's admirer~

Is it that exciting?

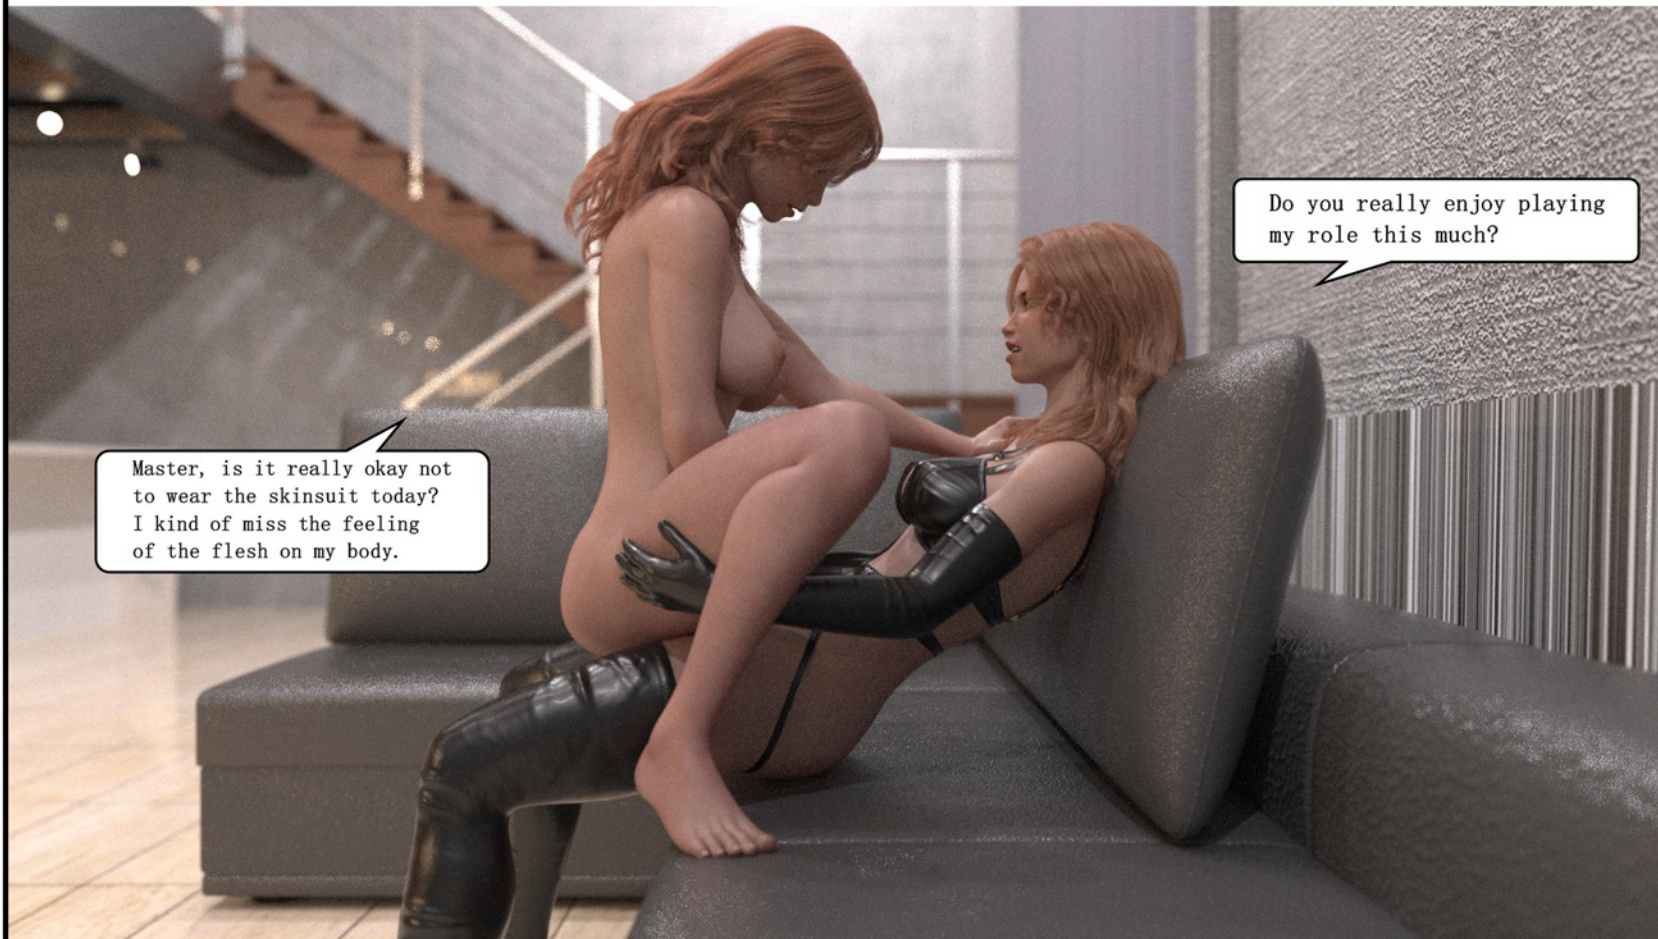

I've come up with an interesting plan.

What plan?

First, satisfy me.
Then I'll talk.

Hah

Master, is it really okay not to wear the skinsuit today? I kind of miss the feeling of the flesh on my body.

Do you really enjoy playing my role this much?

Hum~

I do, it's so cute with
the fleshy feeling~

Seraphina loves
Master the most~
