See, there is our guinea pig. Do you know her Andrew?

Sure, that is Leonora the biggest nerd on campus. President of the chess club and Egg Head Misstress of the Year.

*Correct *snord* She is the one who is smarter than I. I can't accept that!*

Huh? What do you planed Mortimer?

I'll test my newest invention. With this device I can alter reality. Want to see?

Sure! Why not. I think you are just another scientist who get crazy...altering reality...This idea can came from an Egg Head only...

By Amay2k12

Huh? What happend? My..clothes... I swear...I wore other clothes a second before...but I like them...

Theater →

YOU call me crazy? I show you! Let's change her taste in clothes...ever seen a nerd who wear clothes like a Slut?

Yea, yea what ever buddy. This is a toy remote that you have here...

A TOY? Look... I point it on her... and fire...

Oh my god...her clothes... they...holly shit!

As excepted. Now... let us make her a little sexier, should we?

Mortimer! Stop this. You are playing with her life!

By Amay2k12

OH...MY...GOD!
My breasts...they...
they are growing?

heater →

And? Well...
let us fix her ugly
short hair *snord*
and give her some...
curves, hehe.

You said it would
alter Reality. Look
at her face...she
remember everything.

Oh...that's calculated.
It's called butterfly
effect. Her Brain needs
some time to rewritten.

So...she truly remember?
Mortimer...thats...thats
barbaric!

By Amay2k12

By the power of quarks...my body is changing faster. I...must...cover up. This clothes are a failure!

heater →

Humbug! See how big her breasts got? I think...they can expand even more.

I...i...I'm speechless Mortimer! You..are...a monster.

Then shut up! You are too dumb to fully understand...

....and I thought you are a true friend...

Hm? Dumb? I should make her dumber... much dumber! *snord*

You don't even listen...I think there is just one chance...

By Amay2k12

What...my... thoughts...my mind... it's changing...Leonora feels how she get... dumber...No...Lee want be a dumb dumb...

Theater →

That's a good idea... slow down her idea machine...hmm... removing all higher thoughts...increasing lower...like a real Slut. *snort*

Mortimer! You're turning into her into a complete Bimbo...

And? World needs more Bimbo Sluts like her...

...and she still remember who she was...

That's only temporary. See? She already start to forget her past...even who she once was...

.....

By Amay2k12

Hey there...
do you like my titties?
Lee got really big melons
tihehe.

Ohhh...your
Girlfriends boobies
start to become large
too *giggle* Lee
next please!

Theater →

HAHA *snort*
I've done it! I AM
the smartest mind
around! Leonora
is nothing more then
Lee, an horny Bimbo
Slut! I CAN RULE
THE WORLD!

Yes...you are...
but not for long!
GIVE ME THAT
DEVICE!

SMACK!

Andrew! What the...
give it back to me..
Damn...why are you
that tall! I've to change
that...make you a little
mice *snort*

Of course...you could do.
Hm...it's seems very easy.
Well Mprtimer...do you
always imagines how it
would be to be a Girl?
No matter...Now you'll
gain this experience!

YOU can't be...holly
shit...I...i feel my penis
tingling...it's shrinking.

Of course...Girls
don't have dicks...
they have tight little
pussy's...as you have
Mortitia...but...you
aren't smart enough
to remeber hm???
