

The background of the poster is a dark blue-toned illustration of a hospital room at night. In the center, four women are shown in silhouette, standing in a row. They are wearing form-fitting, dark clothing. Behind them is a window with a large, glowing full moon. To the left and right are hospital beds with their respective side rails. On the far right, there is a medical stand with a drip chamber. The overall atmosphere is mysterious and nocturnal.

"Well... I'm afraid not."

"What happened? Everything OK?"

"Well, I was preparing to leave, but..."

"...something BIG came up..."

"Really?"

"...REALLY, REALLY HUGE!"

"I'm so sorry to see that, baby."

"Yeah, I know. But, anyway..."

"...I guess I'm going to be here for a while, OK? Don't wait for me. Gotta go. Love you."

"Wh - what... Doc - Doctor Summers?!?!"

"Sshhh... That's OK. Don't be scared. I'm just here to help you."

"I'm sure you don't know but, lower extremity trauma like your case, can cause **sexual dysfunction** in men, which can last for months."

"But, don't you worry! Like I said before I'm here to **take care of you and make you feel really good!**"

"So, to **avoid any sexual problems** in the future, I need - I mean, we need to **stimulate your sexual organ**. And that's why, as your Doctor, I'm here! **To help you! In whatever way appropriate!**"

"Oh my! This is... ..really... ..very... ..impressive!"

This cock is worthy of a God! Fuck! Its throbbing so fucking much!

Fuck! My pussy is completely melting, begging for this meat monster!

...don't you worry! I won't leave you with this gigantic, I mean... condition. As your doctor, I must find... other solutions!

D-Doctor?!

Few hours later...

Good morning, nurse Chan. You're very early.

Good morning, Dra Santiago. Full schedule. So, need to start very early.

LIAR!!!

Oh, yes. Me too.

LIAR!!!

PUTA MIERDA !! This little perra is ruining all my plans !! I thought about giving this guy a "special cleaning," but it seems I wasn't the only one thinking the same... As her superior, I could send her away, but that would raise a lot of suspicion !!...

YANZHÓNG DI ! This old cow had to show up !! Cleaning kit ?? Did she think exactly the same thing as me ?! Fuck !! Now what !? If I leave now and don't do my job "naturally", I might raise suspicion. And, being my superior, I also can't order her to go away !!...

Well, let's get to work, si ?

The cleaning staff should be arriving later.

Yes, Dra Santiago.

Damn it !! That old bitch !! And also wearing a short skirt !?! Definitely, this latina Jinu had other plans for this guy too !!

Well... I won't be able to do anything, but neither can you, you fucking old cow !!

Got to find another way to be alone with this monster cock !!

Put a mierda ! And the little puta is even wearing a short skirt too !?! This maldita perra tenia other plans !! Sin duda !!

Mala suerte for you, maldita !! You won't be able to do anything with him either, puta !!

I have to think of another plan. Yo tengo que tener esta gran polla de caballo solo para mi !!

Good morning. How are you feeling ?

Y buenos días a ti tambien, mi pedazo perfecto de sueño. Joder ! Es, realmente, un pollazo enorme !!

He's a deep sleeping. Maybe he didn't sleep well last night.

Hello my giant dragon cock ! Fuck ! Even though it's soft, it's so fucking huge and thick !!

Very well, Nurse Chan. Always comply with regulations: Gloves on.

Then first, the antiseptic cloth and after, the lotion. Always checking the patient's skin, and respect the "order of cleaning" areas of the patient's body.

HOLY FUCK!!

MADRE DE DIOS!!

No problem, N-Nurse Chan. I'm sure you've seen an... erection... before.

Not like this one, FOR SURE!! Dios mio, que BESTIA!!

Y-yes...

Not like this one!! Not EVEN close!! Its a MONSTER!!

What!? A patient cleaning correct order is top-to-bottom, but she went straight to his balls!!

This old mogou is taking advantage of this situation!! Fuck her then!! If she does it, I will too!!

Dios!! What a huge, heavy polla!!

Mierda! I was enjoying SO MUCH that olvidé que esto podía pasar!! Está hinchando y creciendo... ..INMENSO!!!

er... Doc-Doctor Santiago?

So, let's apply the lotion, si?

DIOS MIO!! Four hands on this HUGE BESTIA and there's still meat growing left!! Puta madre!!! QUÉ LOCURA!!

Is it still growing?! Fuck!! What a MONSTER!! I can feel his veins throbbing... and he's SO HARD!! Never felt anything like this!!

Good morning. How are you feeling?

Good morning.

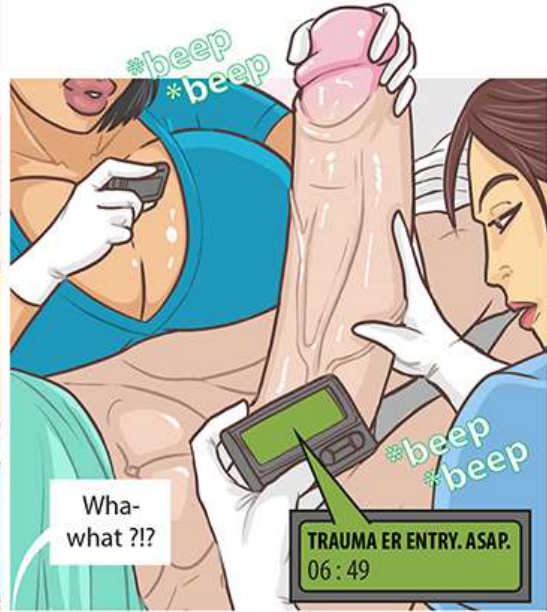

*beep *beep

*beep *beep

Don't worry. We've been washing you.

And now, we are just applying a moisturizing lotion to your body.

Wha-?

Wha-what??!

Lets go, Nurse Chan!

Mierda! Tengo que take off this skirt.

Y-yes, Dra Santiago!

Shit! Got to take off this skirt, first.
