

THE NEW NORMAL: EPILOGUE

Dinner-Kun
Captain Xero

Ugh... My head...

W-Where am I?

The hospital?

But last thing I remember is-

Yvonne?

Dinner-Kun
Captain Xero

Welcome back, sleepyhead.

Dinner-Kun
Captain Xero

Y-You're okay.

Dinner-Kun
Captain Xero

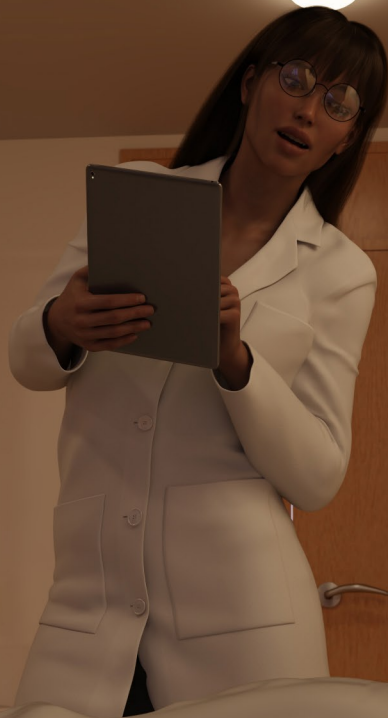

I... I fixed you!

Dinner-Kun
Captain Xero

Wait.

Dinner-Kun
Captain Xero

That's why it's best to rest after taking such a big fall.

Y-You're not... W-Where's Yvonne?

Don't worry, big guy. Focus on yourself first.

Can you tell me if she's okay?

By definition, yes.

She hasn't stopped keeping an eye on you the whole time.

Then where is she?

Just what the hell happened.

Dinner-Kun
Captain Xero

Dinner-Kun
Captain Xero

Wait. Who's there now?

Dinner-Kun
Captain Xero

AAAGH!

I see you!

Dinner-Kun
Captain Xero

Yvonne?!

In the flesh!

Dinner-Kun
Captain Xero

W-What are you doing out there?

Well I surely can't fit in there now can I?

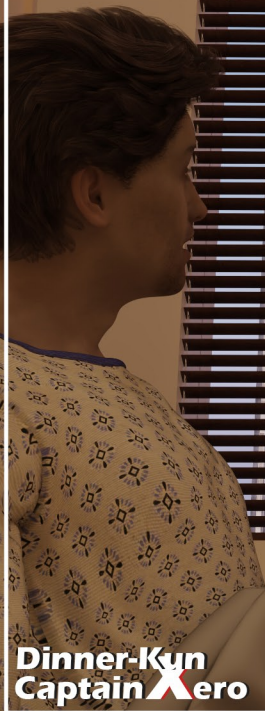

Don't worry though, your heroic trust fall did the trick!
I'm done growing for good they said.

Well that's good.

You're just stuck with the world's
biggest girlfriend from now on.

Wait.

Dinner-Kun
Captain Xero

You're staying that big?!

**I don't know of any ways to
shrink, do you?**

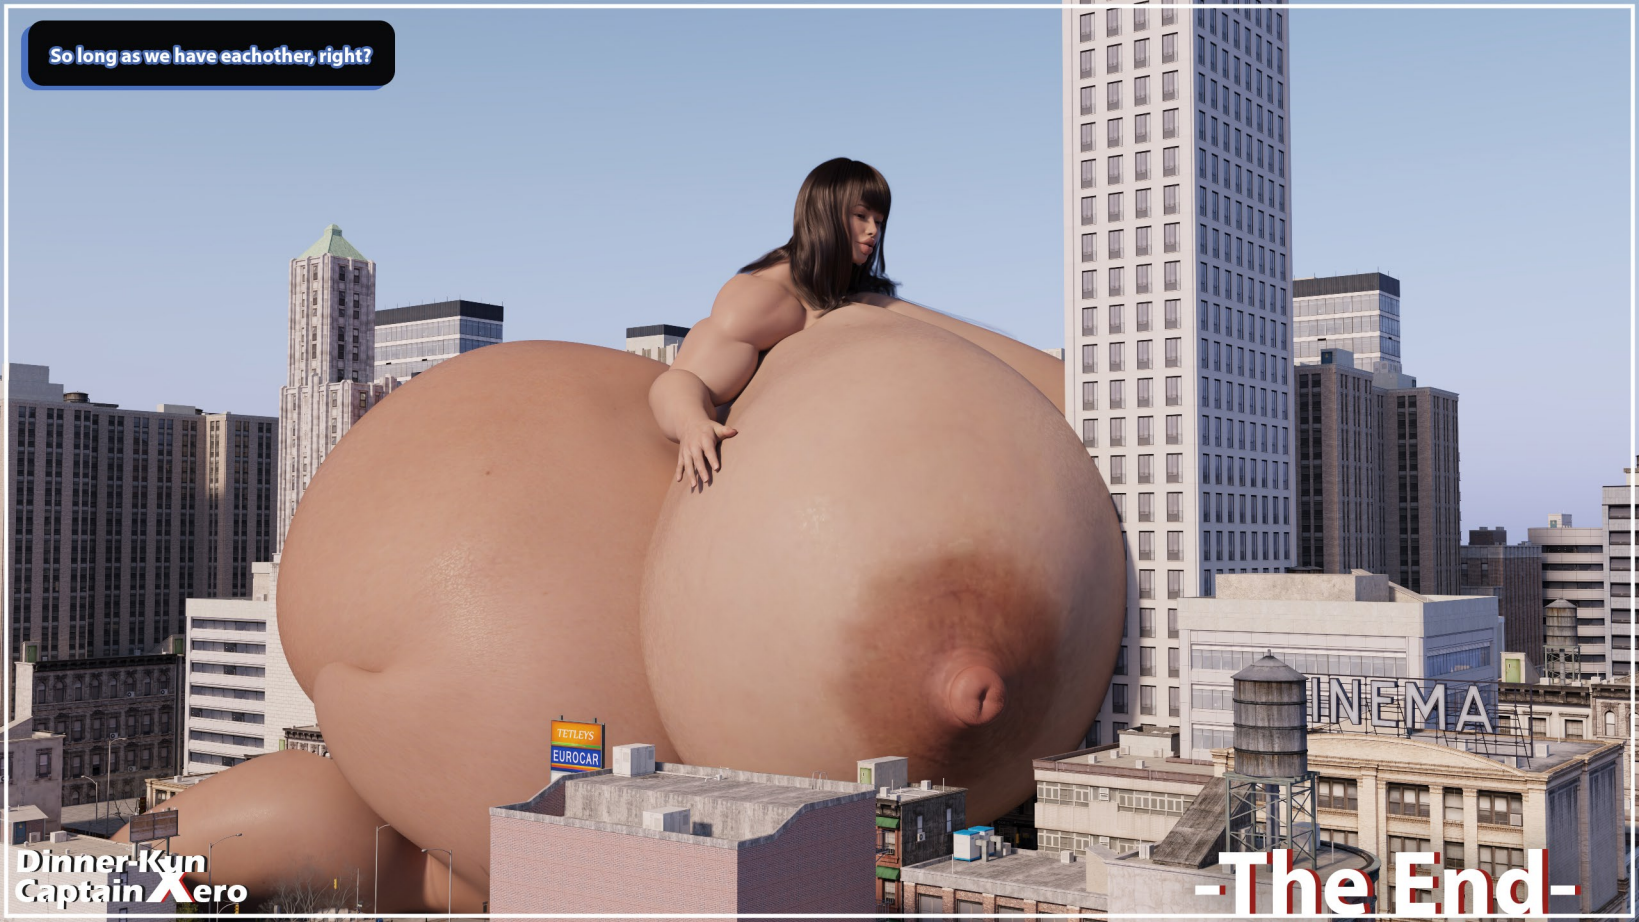

**Dinner-Kun
Captain Xero**

But it'll be alright.

Dinner-Kun
Captain Xero

So long as we have each other, right?

Dinner-Kun
Captain Xero
