TGTony and TGComics presents:

So there I was, a gorgeous buxom blue eyed blonde wrapped in a beautiful vintage dress, wearing freshly clean pink panties right out of the laundry, looking sexy and smelling delicious.

The only thing I was missing to be the perfect **damsel in distress** was a pair of high-heeled shoes and a pair of strong arms to catch me and save me from certain death...

Did I mention I'm also wearing a wig, my pride perfectly tucked and disguised, trapped inside a corset so tight I can hardly breathe or speak, my body hair gone due to involuntary electrocution and my makeup done with acrylic paint?

DID I MENTION I WAS ABOUT TO BE EVICTED FROM MY APARTMENT?

DID I MENTION MY APARTMENT WAS ON FIRE?

DID I MENTION THIS IS ALL A REALLY IMPROBABLE SITUATION?

DID I MENTION I'M ALSO A GUY?

New shoes for **Julian** Revisited

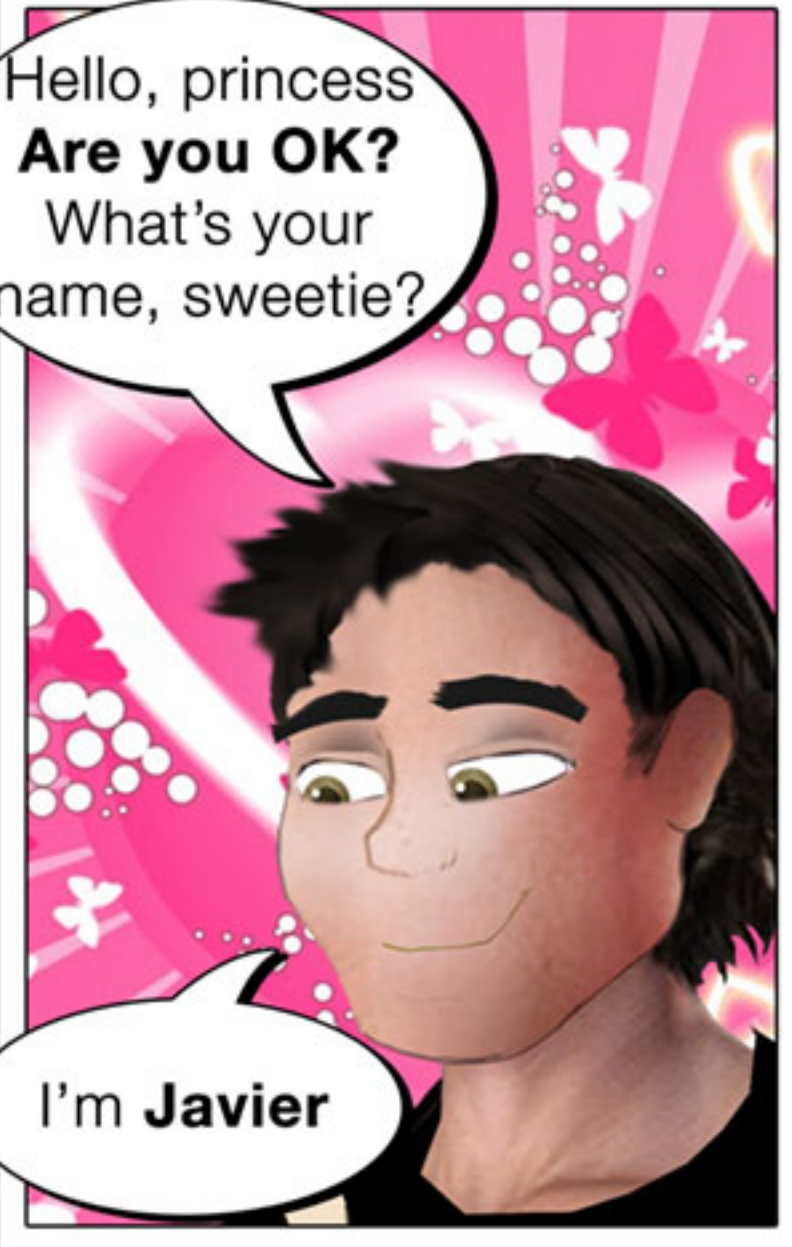

Don't worry, sweetheart I'll catch you.

She must be the tenant from from the 5th floor. I've never seen her before. My God she is **HOT!**

Aaaaagh...

Hello, princess
Are you OK?
What's your
name, sweetie?

I'm **Javier**

W... WAIT A SECOND, PAL!
Thanks for saving me but...
This is not what it looks like.

I'm **Julian**

Julie Anne? Sweet!
Looks like you're missing
your shoes, **DOLL.**

Wait **those are not my shoes.**
I'm not **your doll.** I'm not a girl
My name is **JULIAN!!!!** With an **A.**
Please let me go.

I'm sorry **Julia** with an **A.**
But I can't let your feet touch
the dirty floor without their pretty shoes.
I'll let you go as soon as
I get 'em for you.

**I told you those
are not my shoes!**
This is not what it looks like.
I'm not a girl. I'm a gu...
LOOK OUT!!

She sure talks a lot.
But she also smells delicious
and she's got a set of killer legs.

BULLSEYE!

Are those tears of joy, sweetie?
Those shoes must be very special for you.

Wow she looks even hotter now that she's quiet. She's trembling all over.

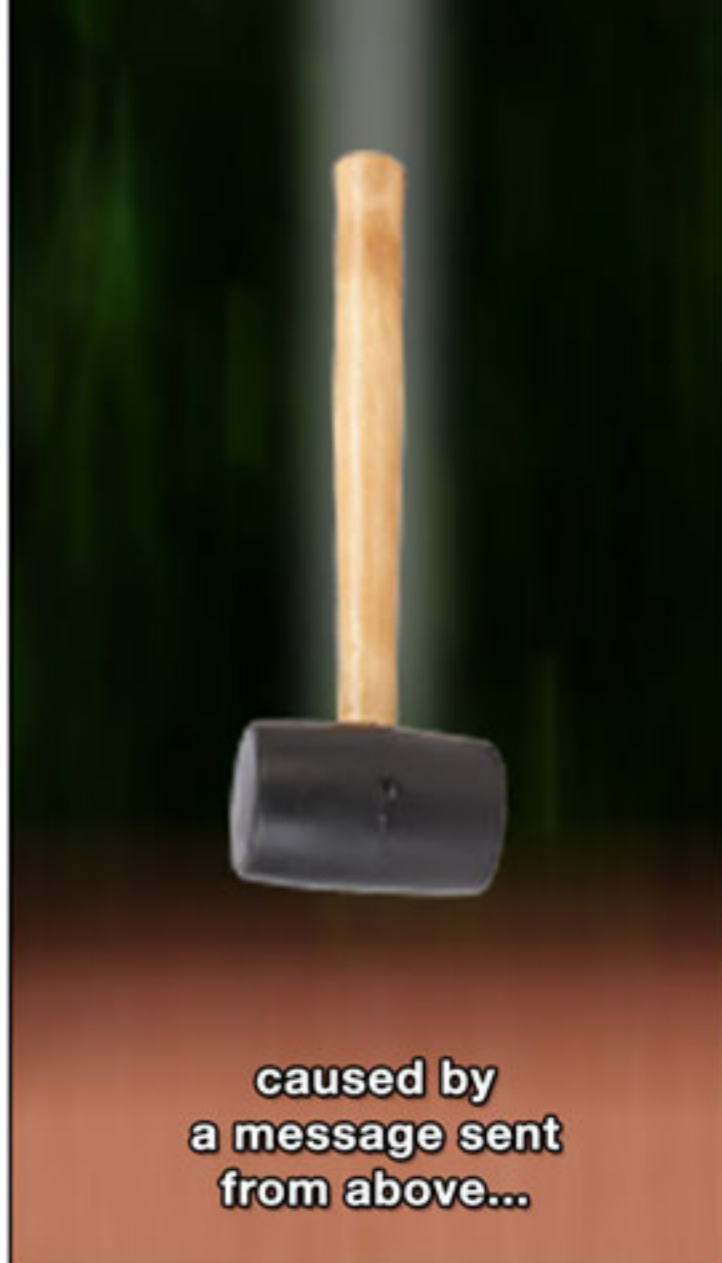

my balls...
can't breathe...

So there I was. Trembling all over. Breathless... Paralyzed in fear from my sudden fall, not to mention the unbearable pain in my crotch, safely held in the arms of my unsuspecting neighbor who just saved my life.

He thought my name was Julia. And that I was blushing and crying tears of joy because he managed to slip my feet into a pair of high heels in mid-air. But the thing that scared me the most was **what his eyes told me he was about to do** to my recently plumped, puckered and juicy lips.

I was royally screwed...

Little did I know I was about to have a sudden change of heart.

caused by a message sent from above...

KLUNK!

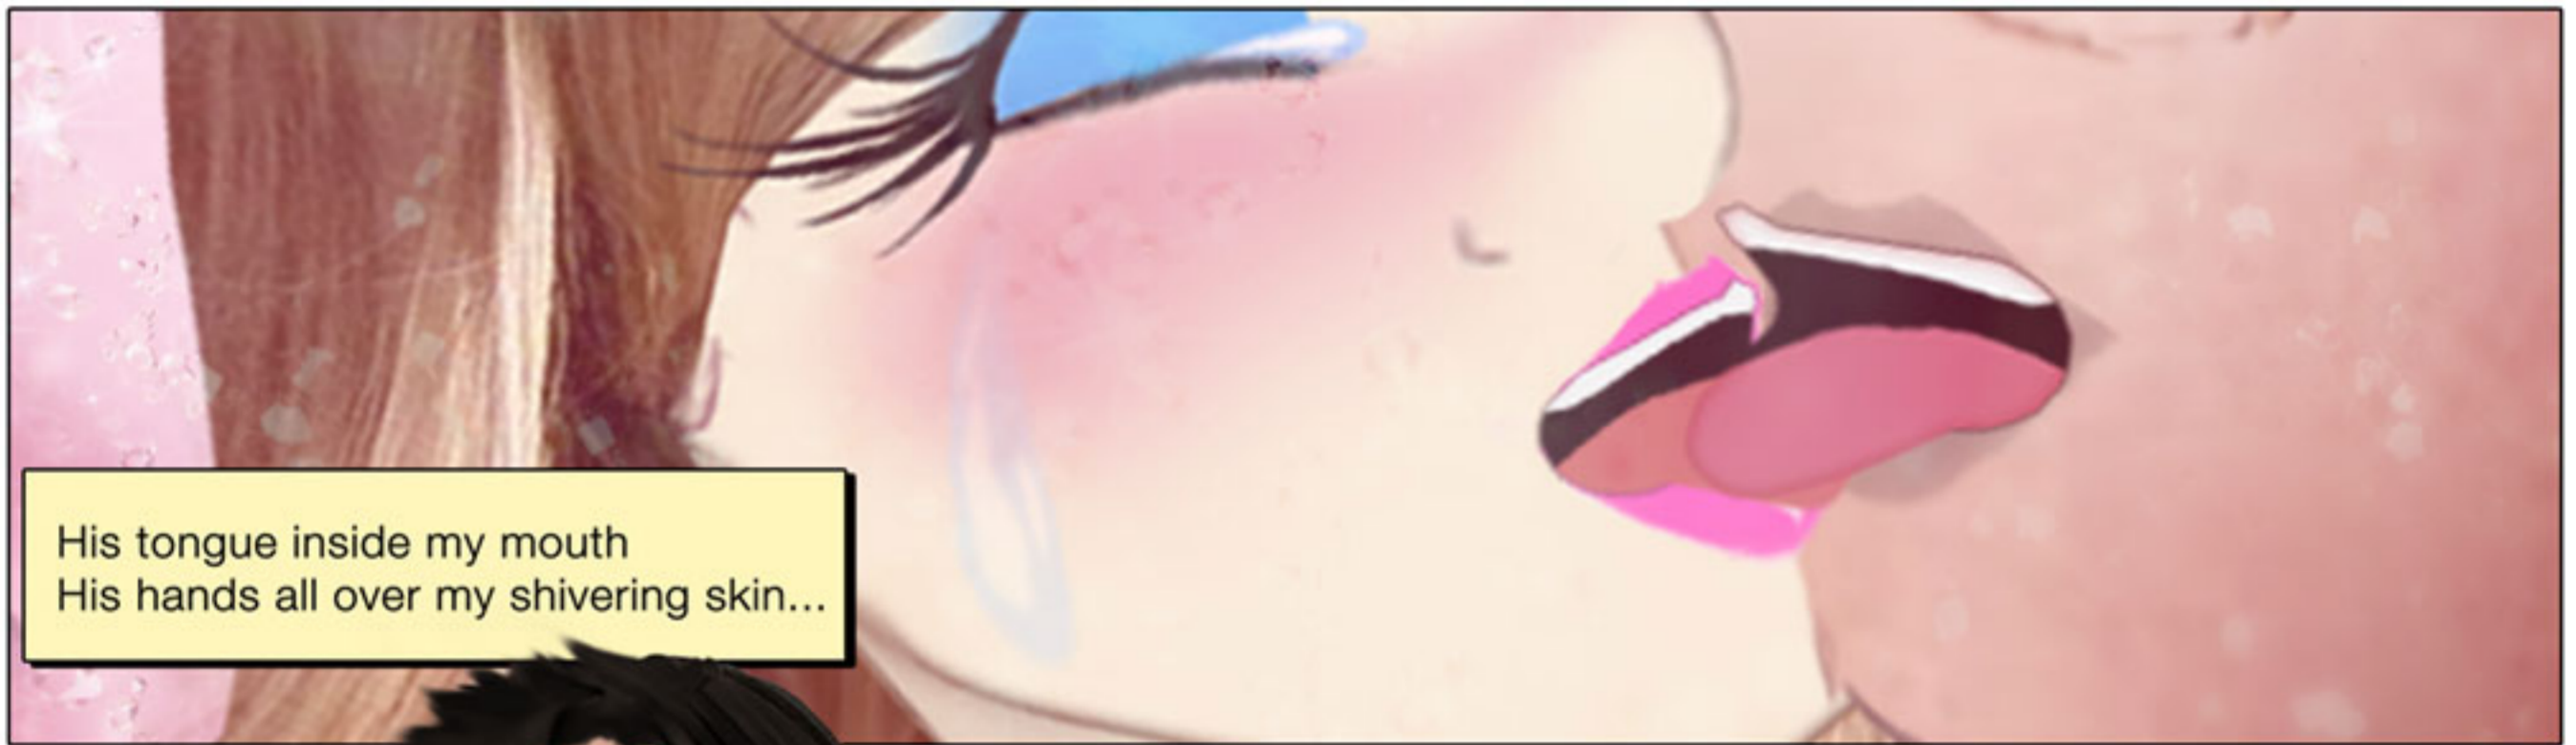

Wait NO...
mmmpffff

What's going on? where am I? what happened. Why am I pressing my lips against this guy's. How did I get here? But most important **Why does it feel so good?**

Did I mention I've never been kissed before?

His tongue inside my mouth
His hands all over my shivering skin...

Suddenly all my fears were gone.

Suddenly I fell in love with my rescuer.

I was planning to let you go after getting your shoes back. But judging from the look on your face I think that would be the stupidest idea ever. So... how about I take you in my arms to my apartment and I cook some delicious pancakes just for you?

I love pancakes.

So there I was. Trembling all over. Breathless... Paralyzed in fear from my sudden fall, not to mention the unbearable pain in my crotch, safely held in the arms of my unsuspecting neighbor who just saved my life.

And I couldn't be happier.

The End
