

-Hey, I'm Catherine, 36 years old, mother of one, divorced and now that my son finally left for college I have time for myself again

-I haven't
been to the
gym in 18
years and only
just recently
got to start
going again

-Those years
sure did their
number on me,
exercising isn't
near as easy as it
used to be

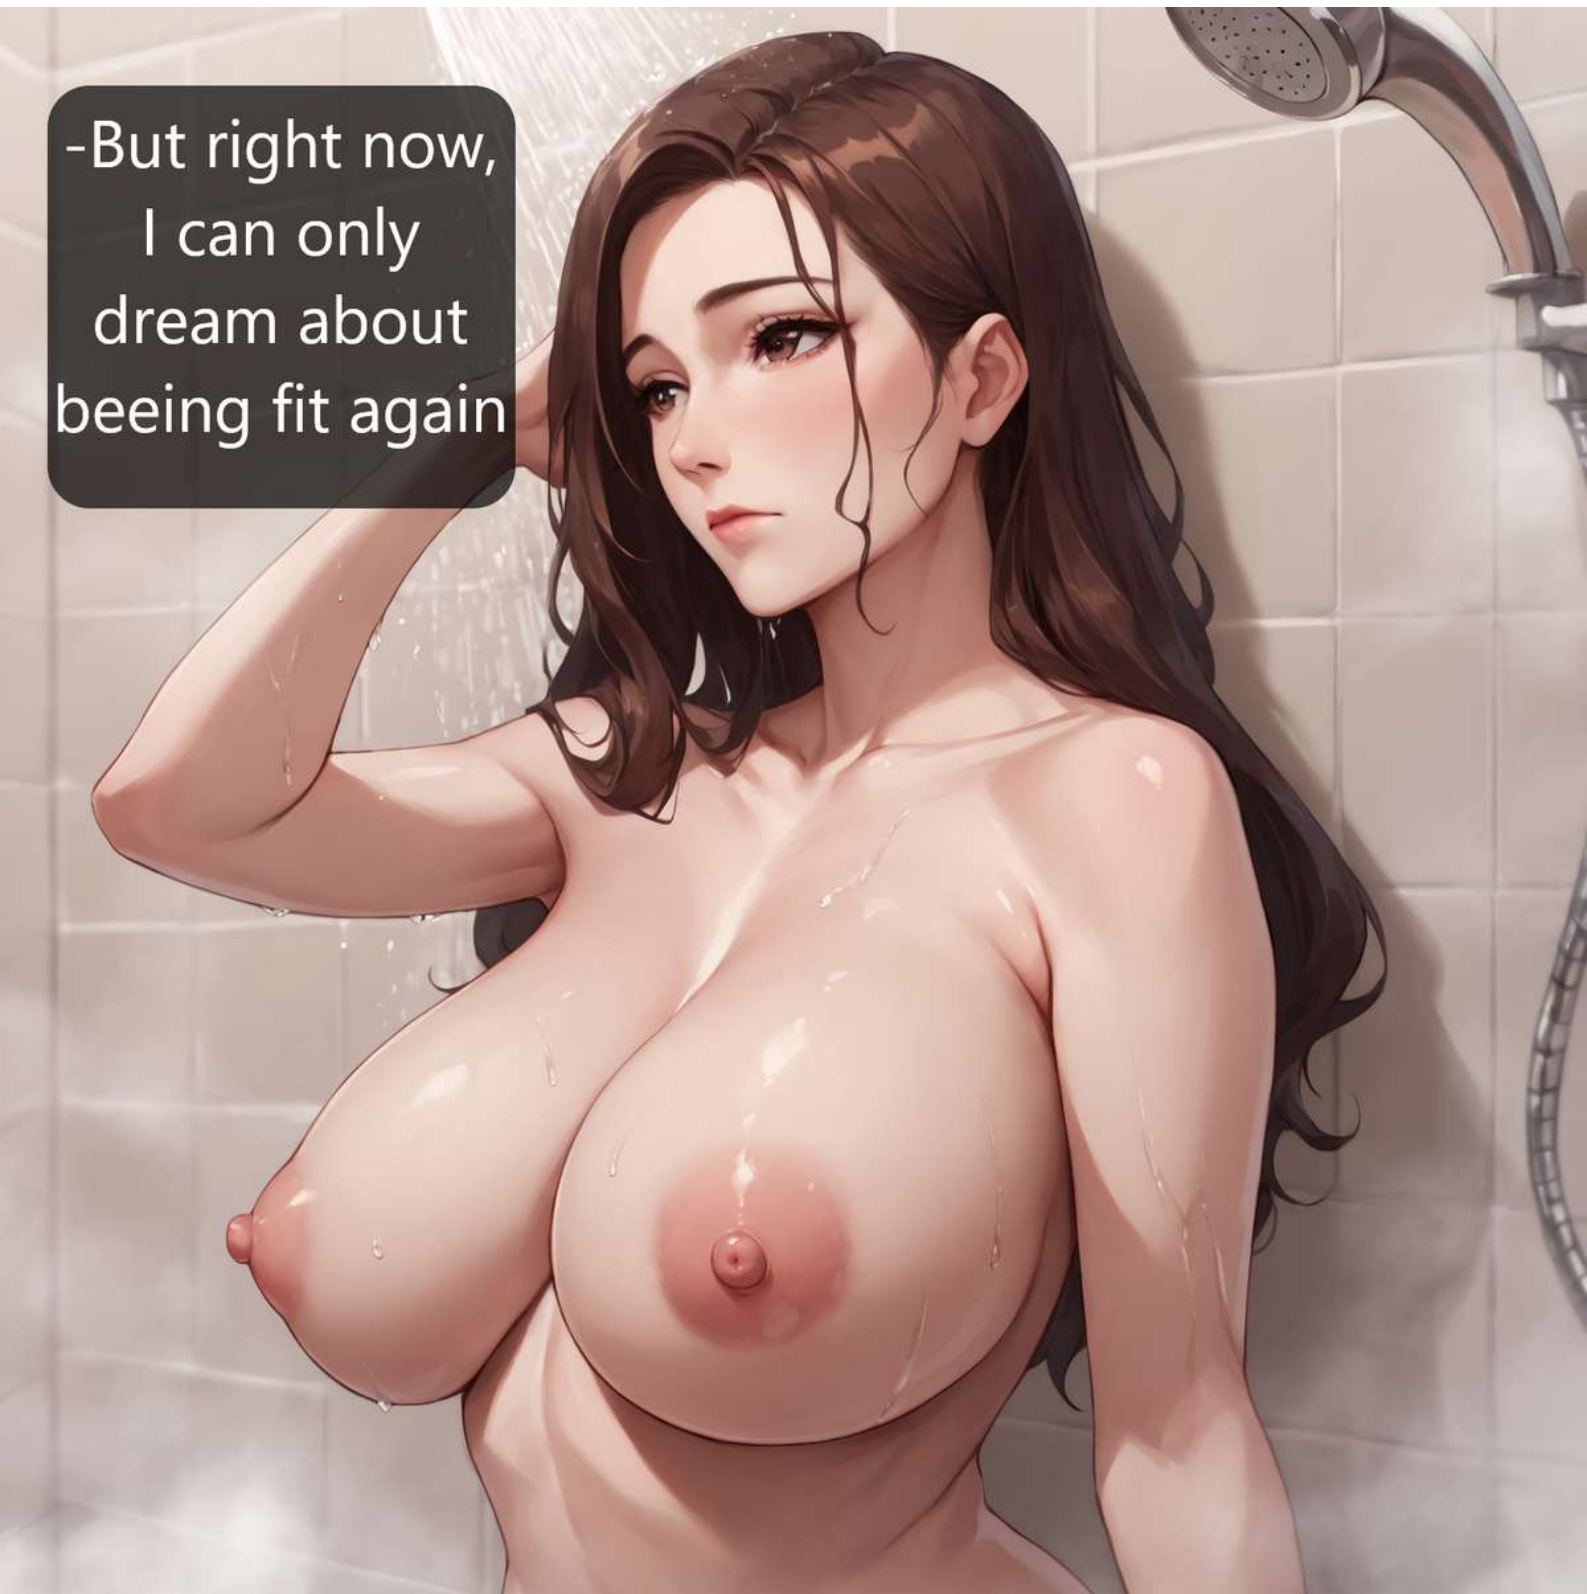

-But I am determined to do anything to restore my vitality I even bought some medication online to help

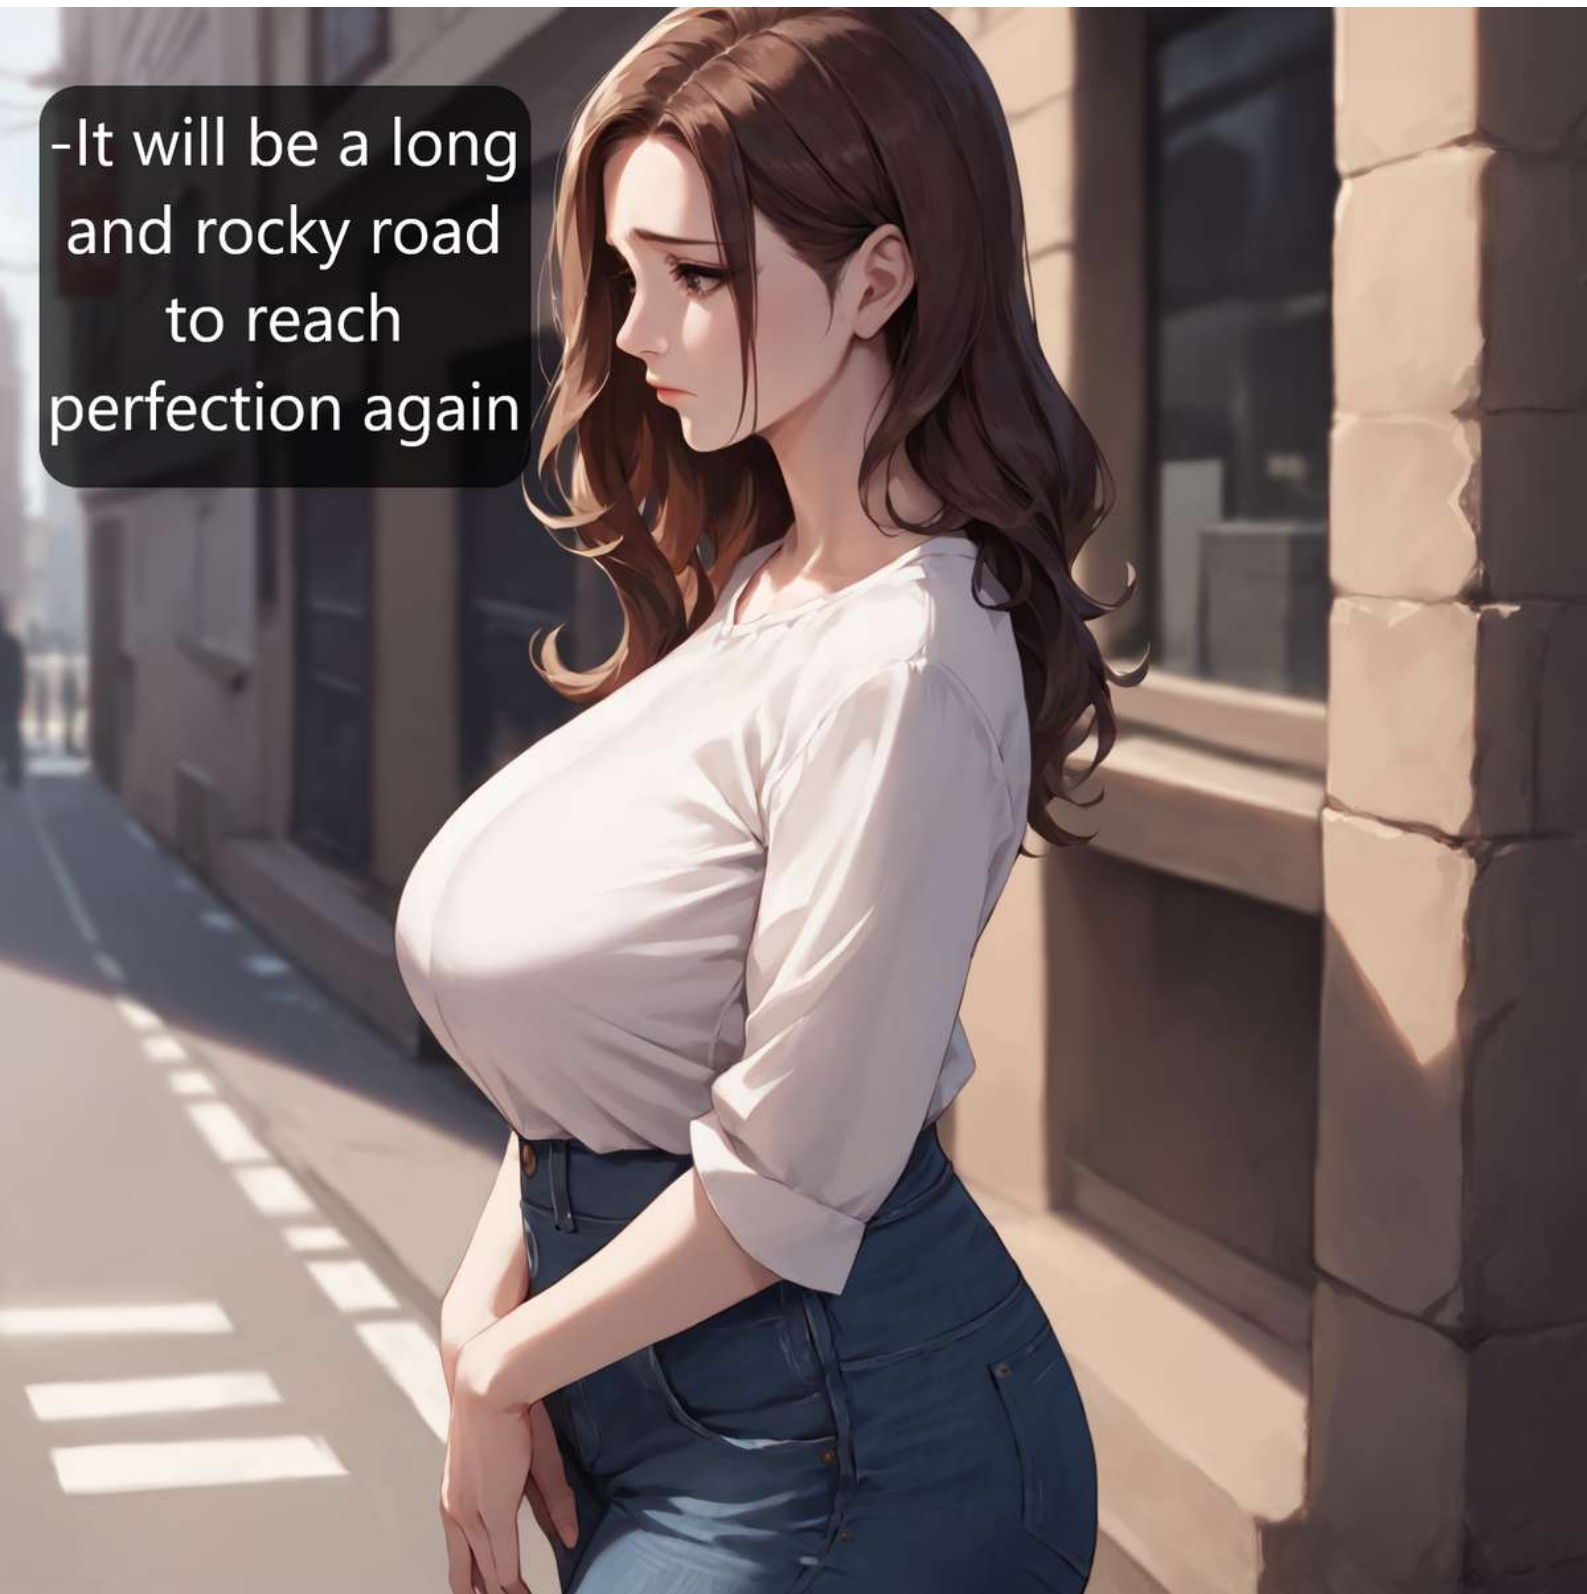

-And maybe, I'll be able to train away some of my boobs, they look great but my back is killing me

-But right now,
I can only
dream about
being fit again

-It will be a long
and rocky road
to reach
perfection again

-The landlord let
the postman in,
maybe my order
is among the
boxes

-What a stroke of luck, I waited so long for this, it finally came

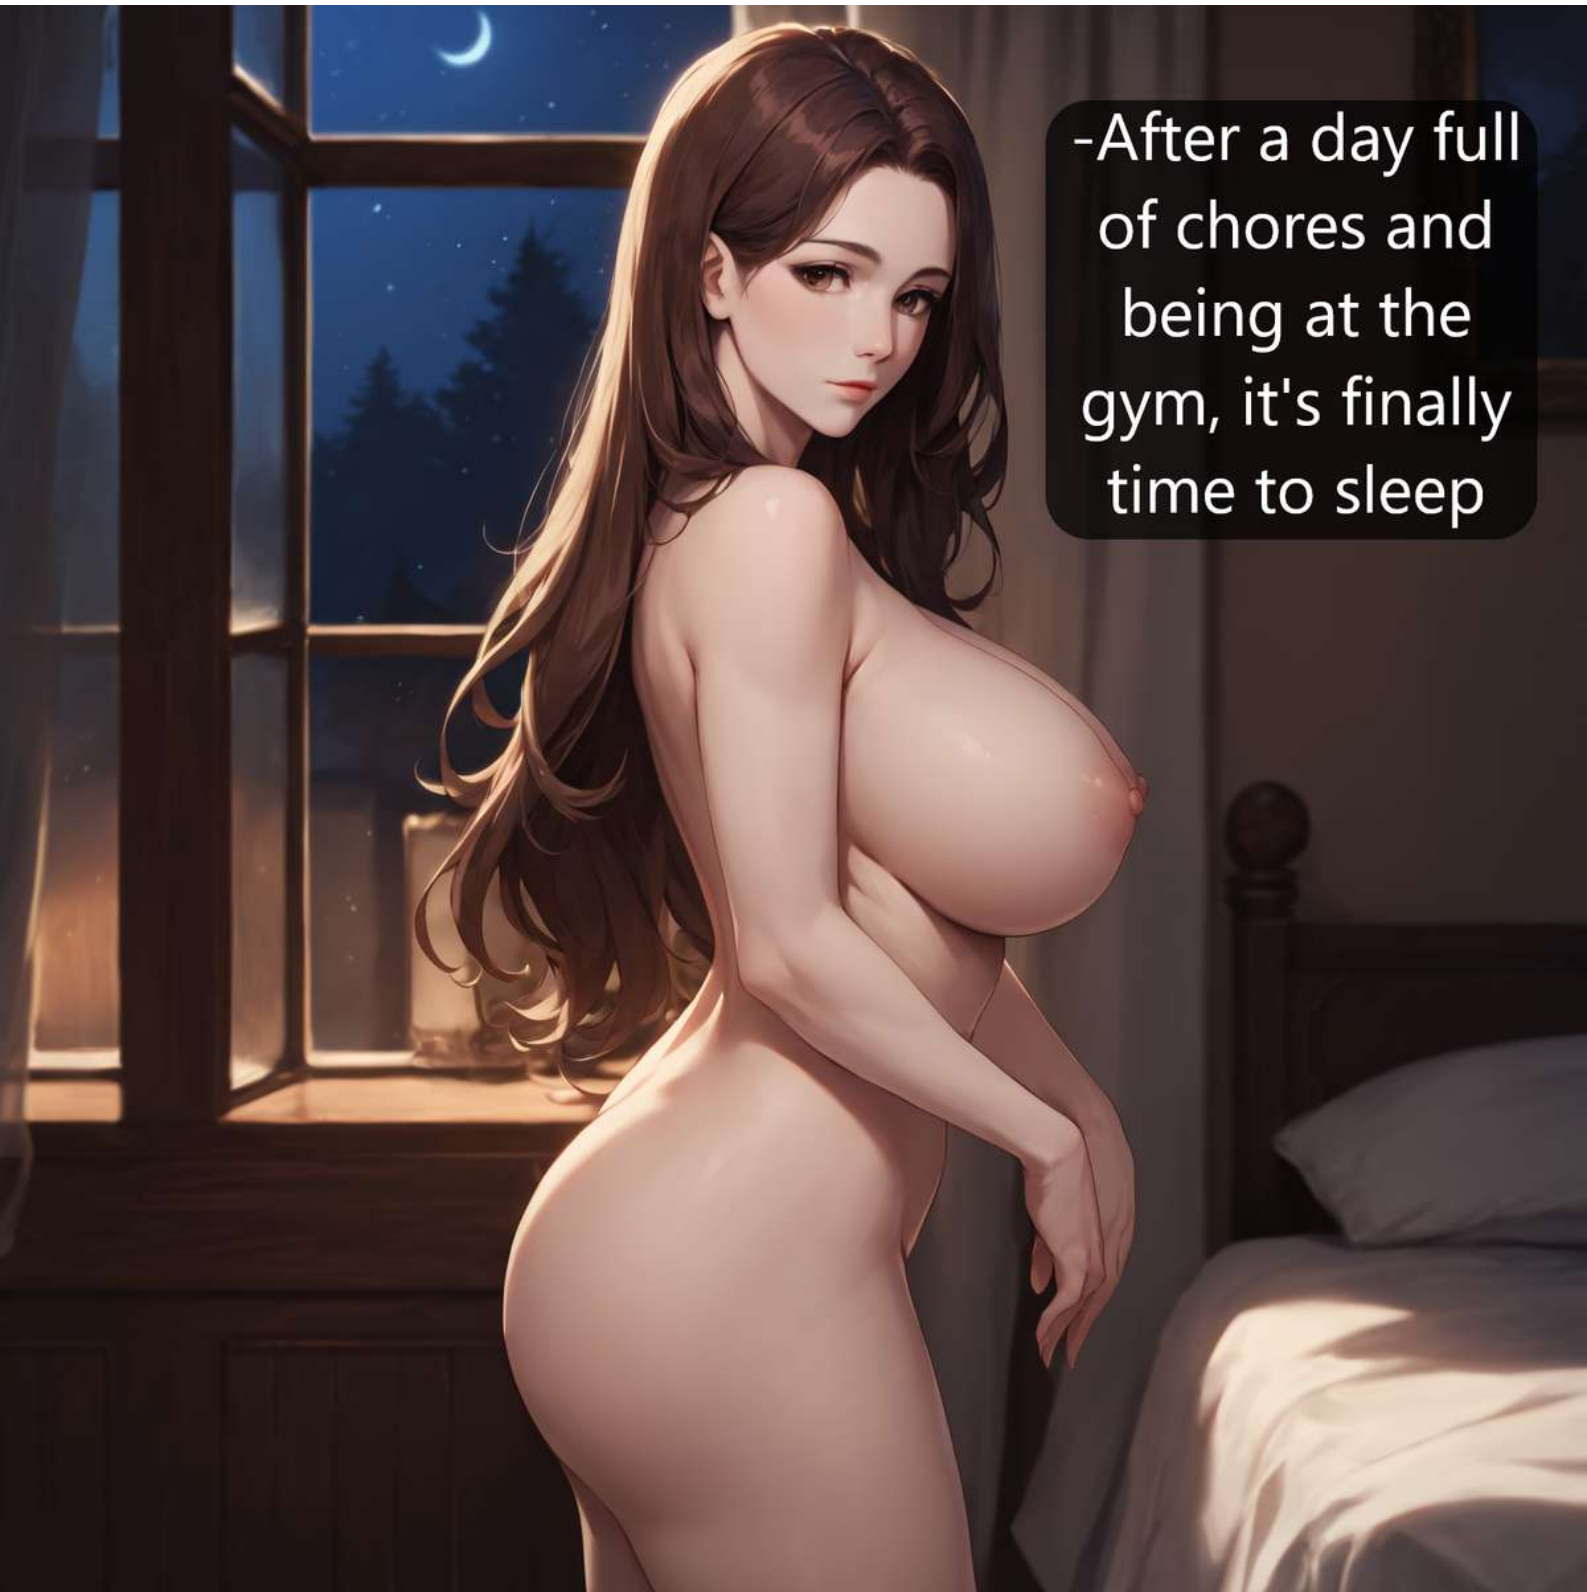

A digital illustration of a woman with long, wavy brown hair, wearing a white long-sleeved shirt and blue jeans, sitting on a red sofa. She is looking towards the camera with a slight smile. In the foreground, on a wooden table, is a small box of MELI. pills. The box is white with blue accents and the brand name 'MELI.' is visible. The background shows a window with white curtains and a framed picture on the wall.

-The reviews online are overwhelmingly positive, people say that these pills really are vitality restoring

-Well, here
goes
nothing

-After a day full of chores and being at the gym, it's finally time to sleep

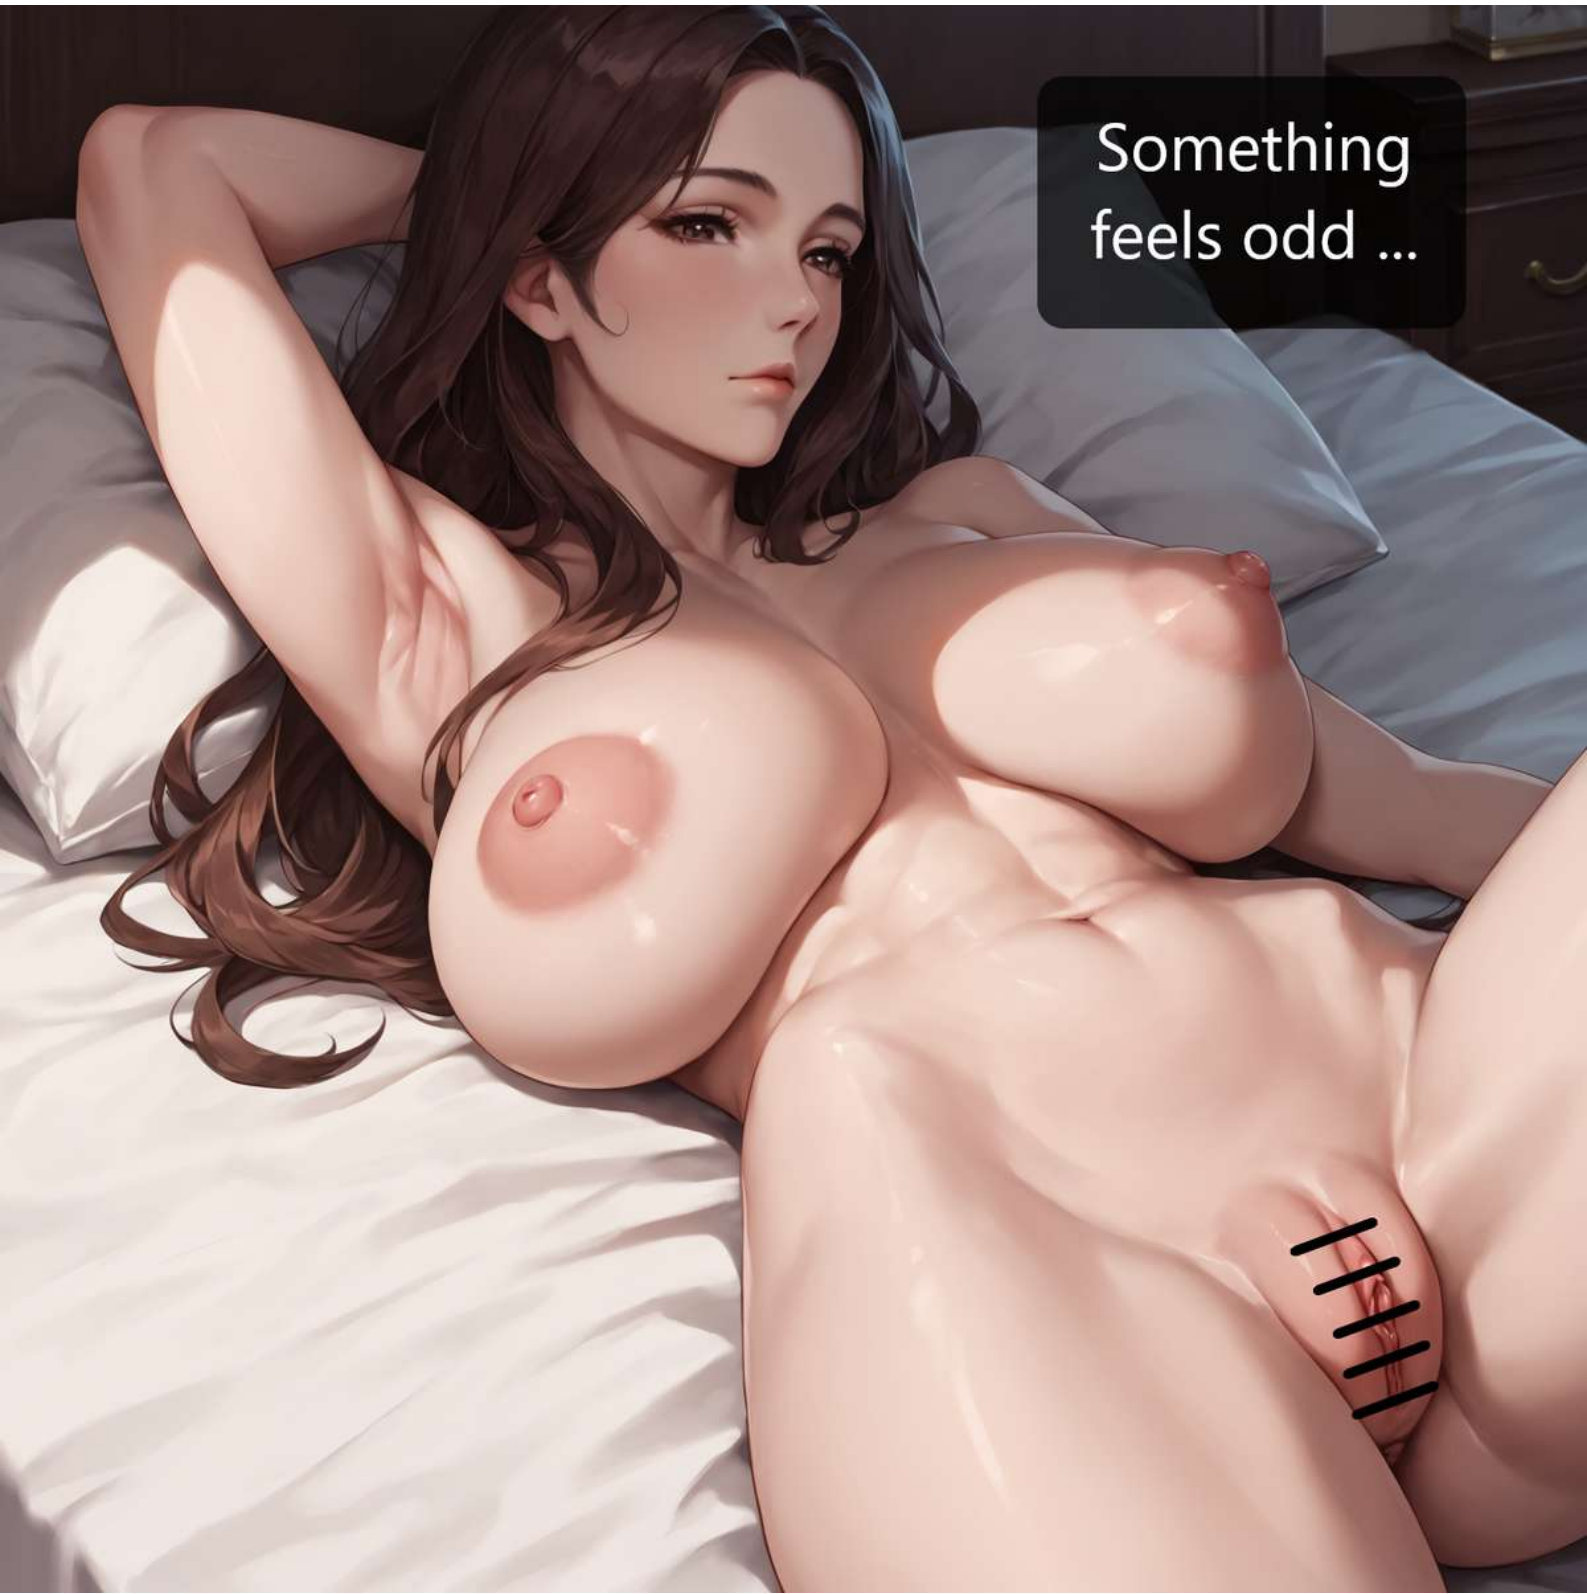

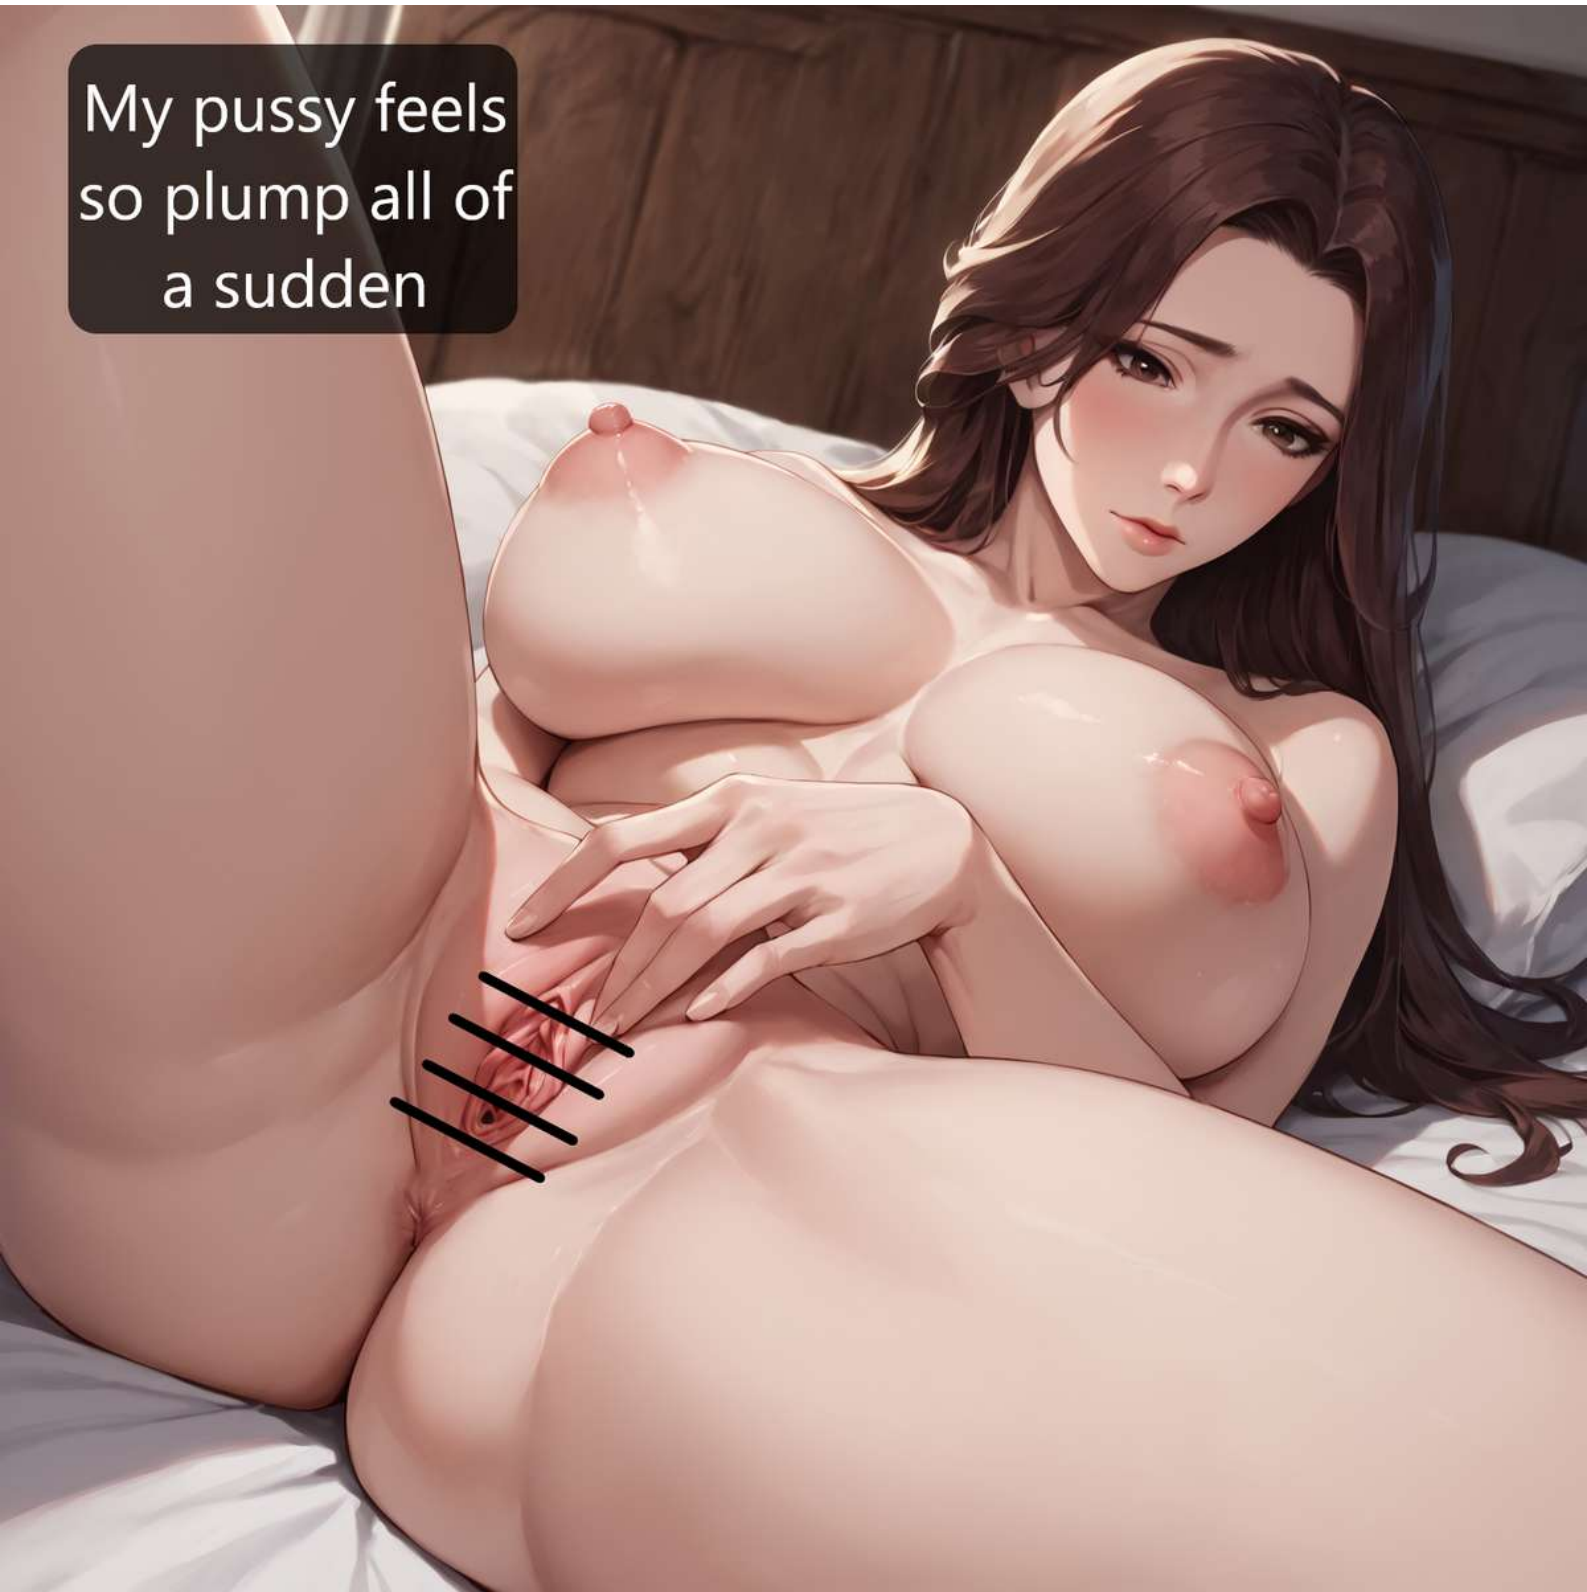

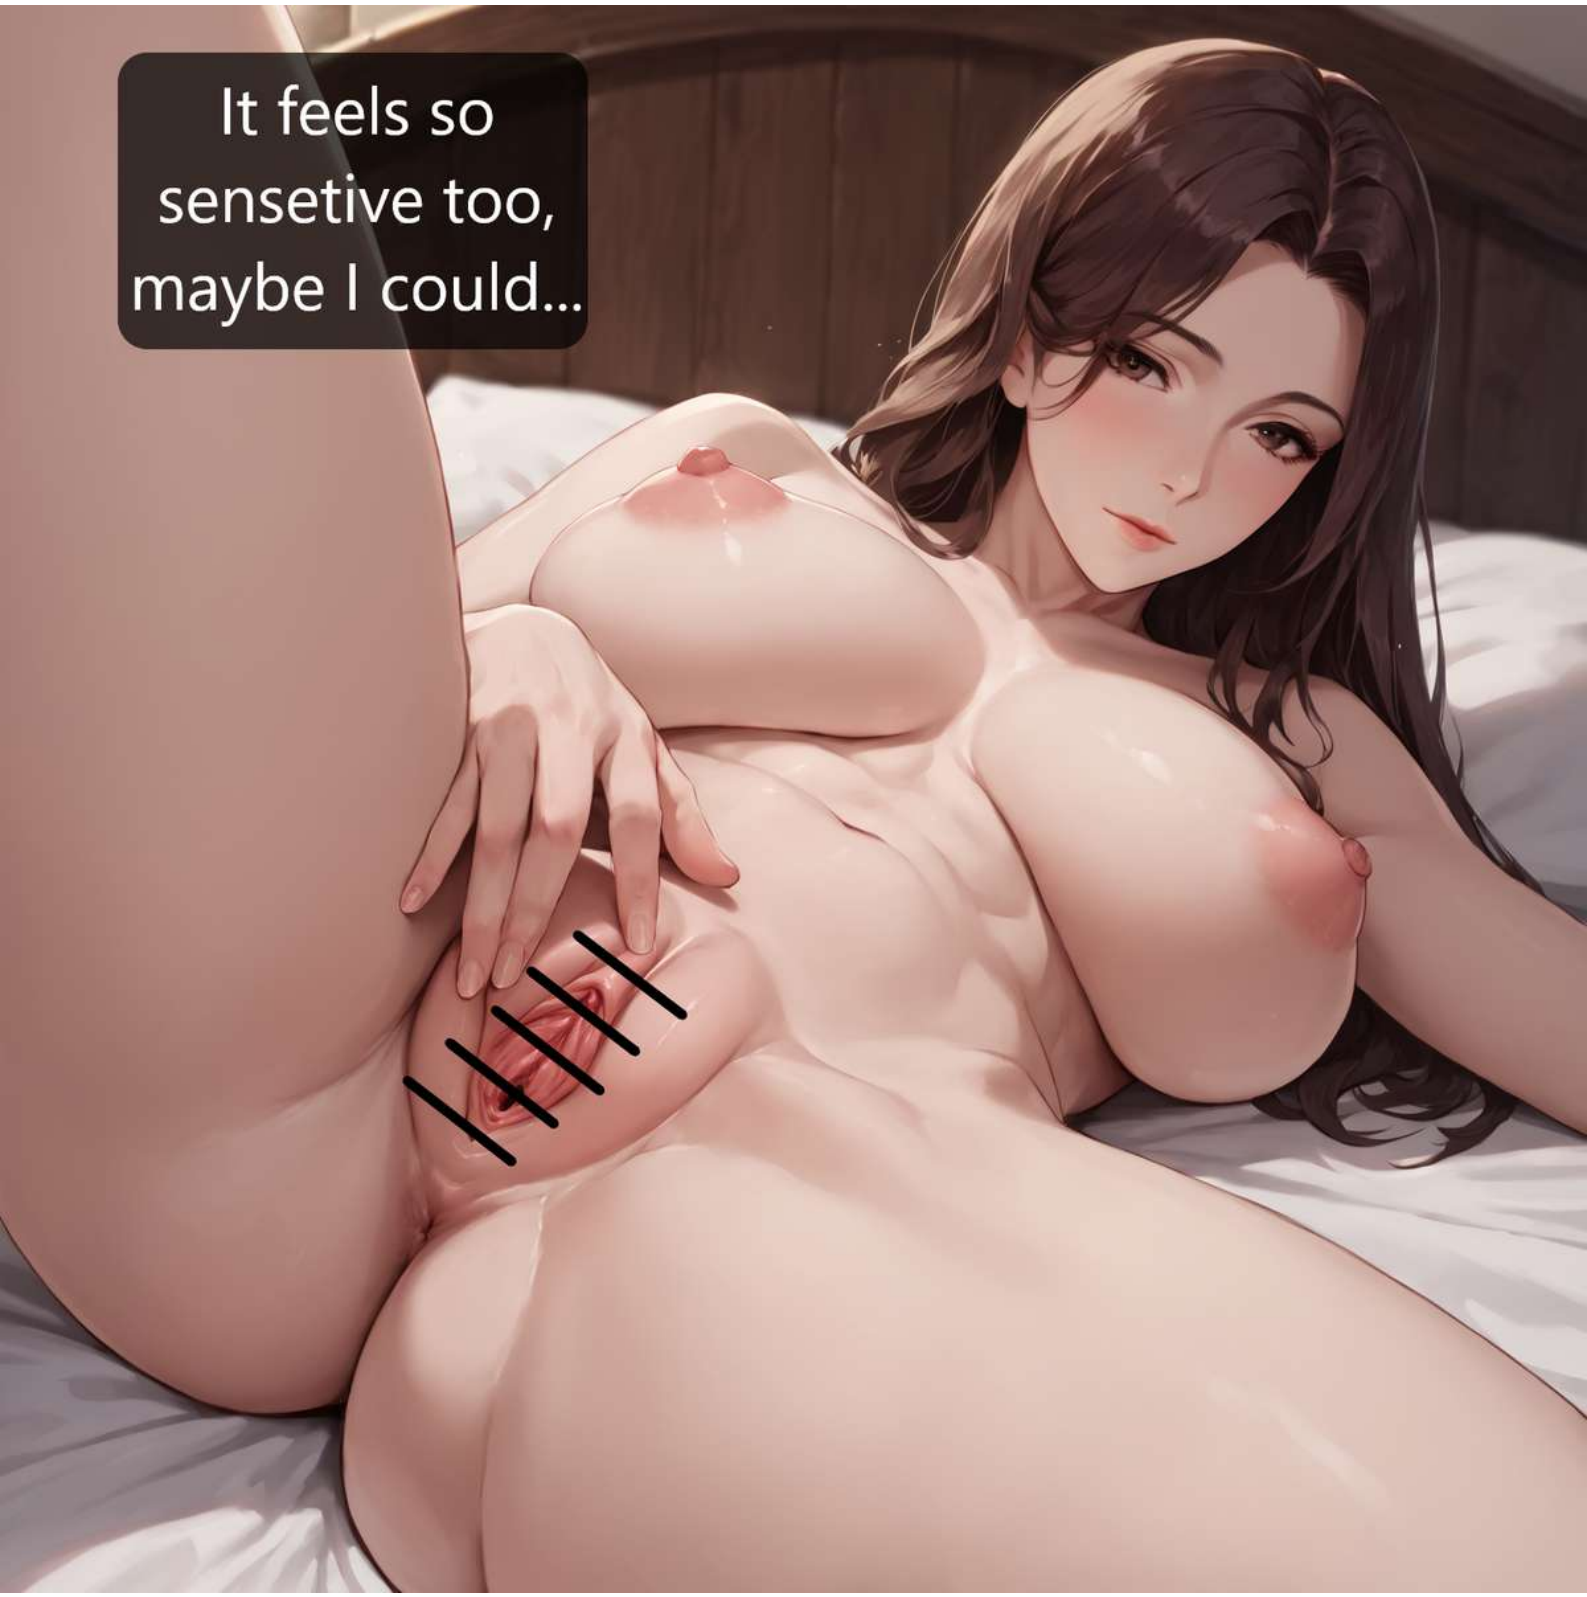

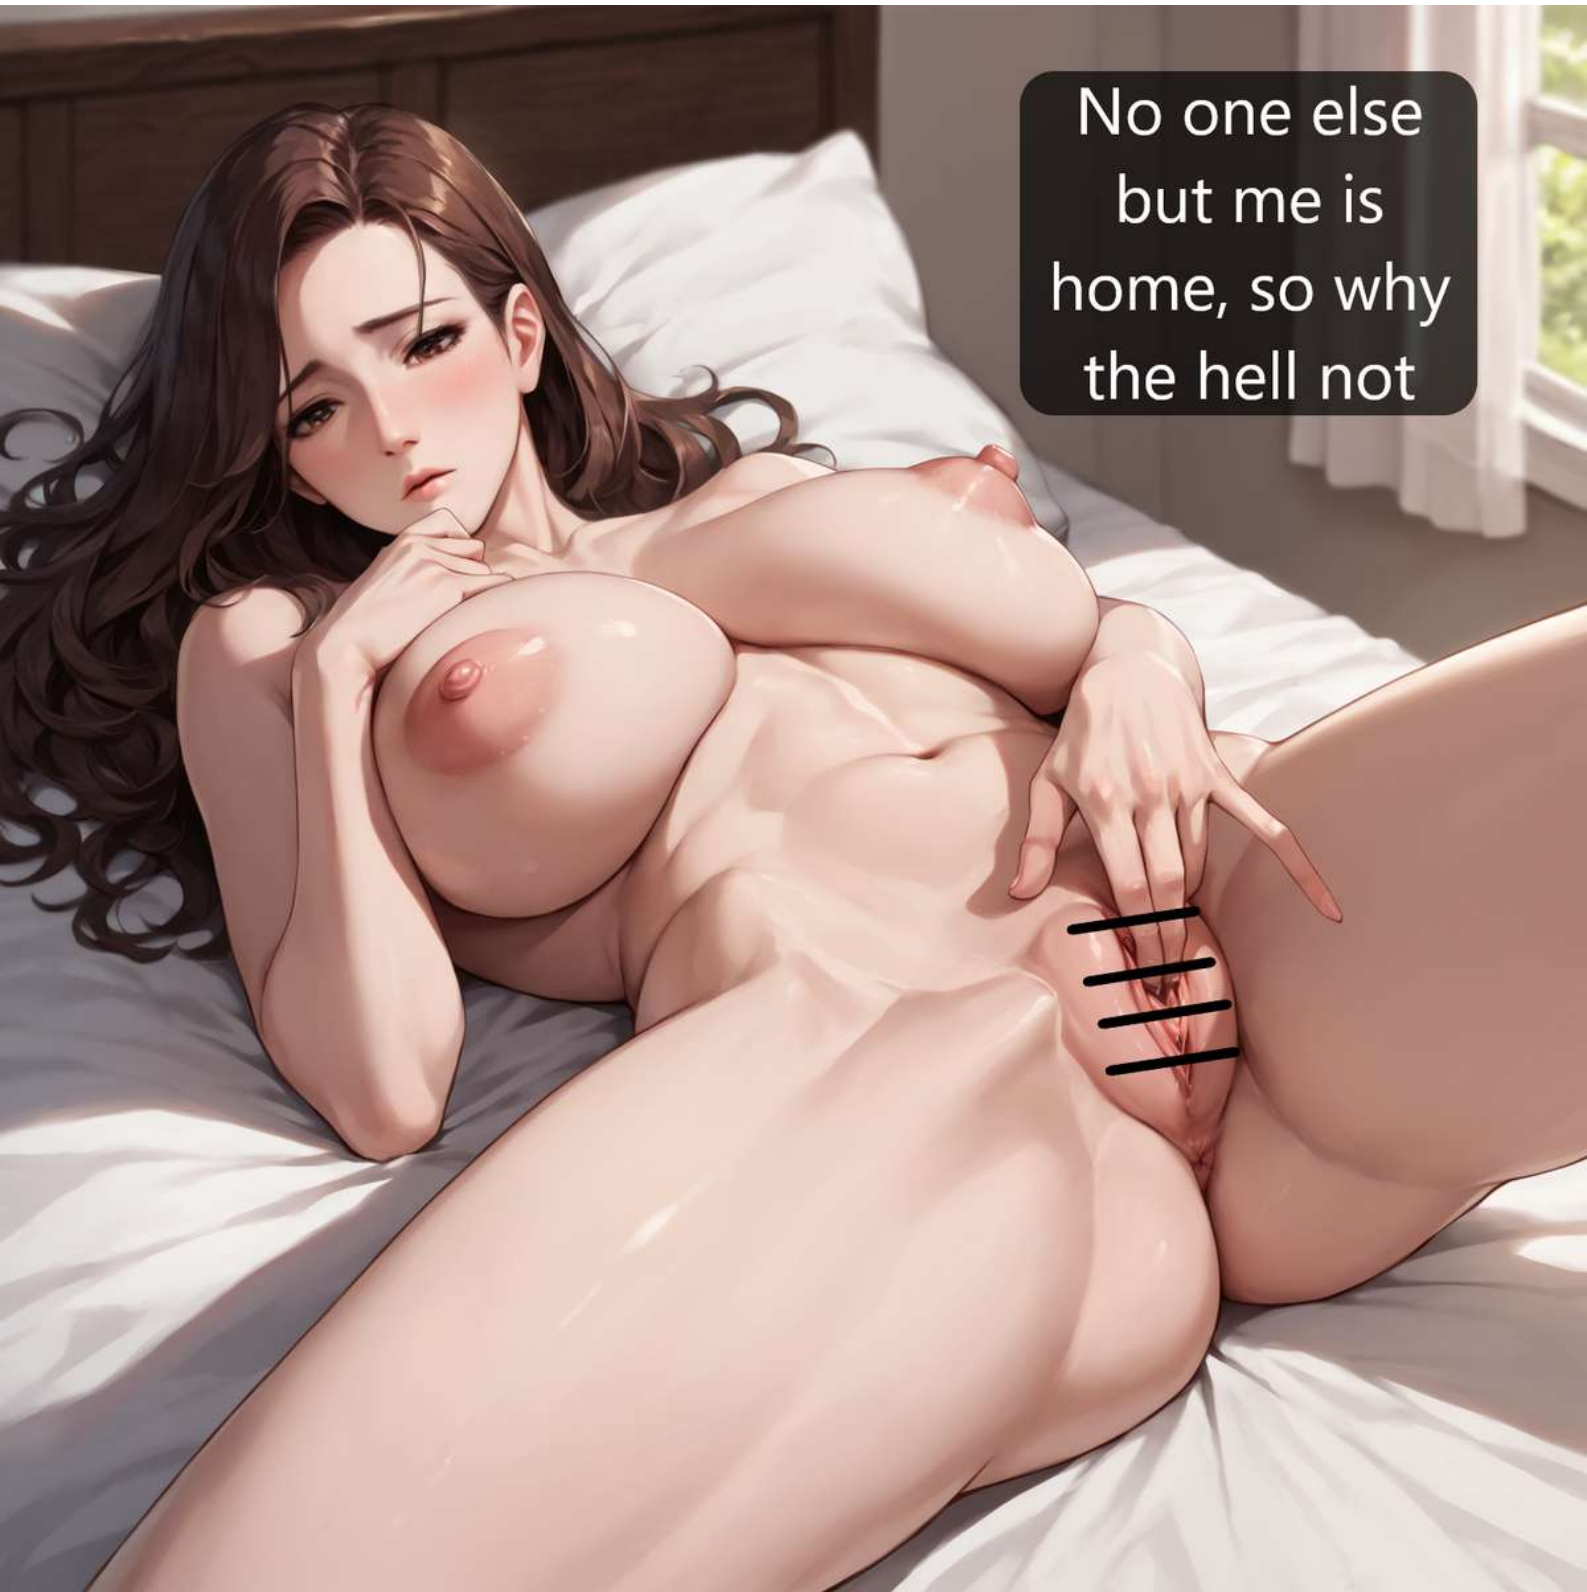

Something
feels odd ...

My pussy feels
so plump all of
a sudden

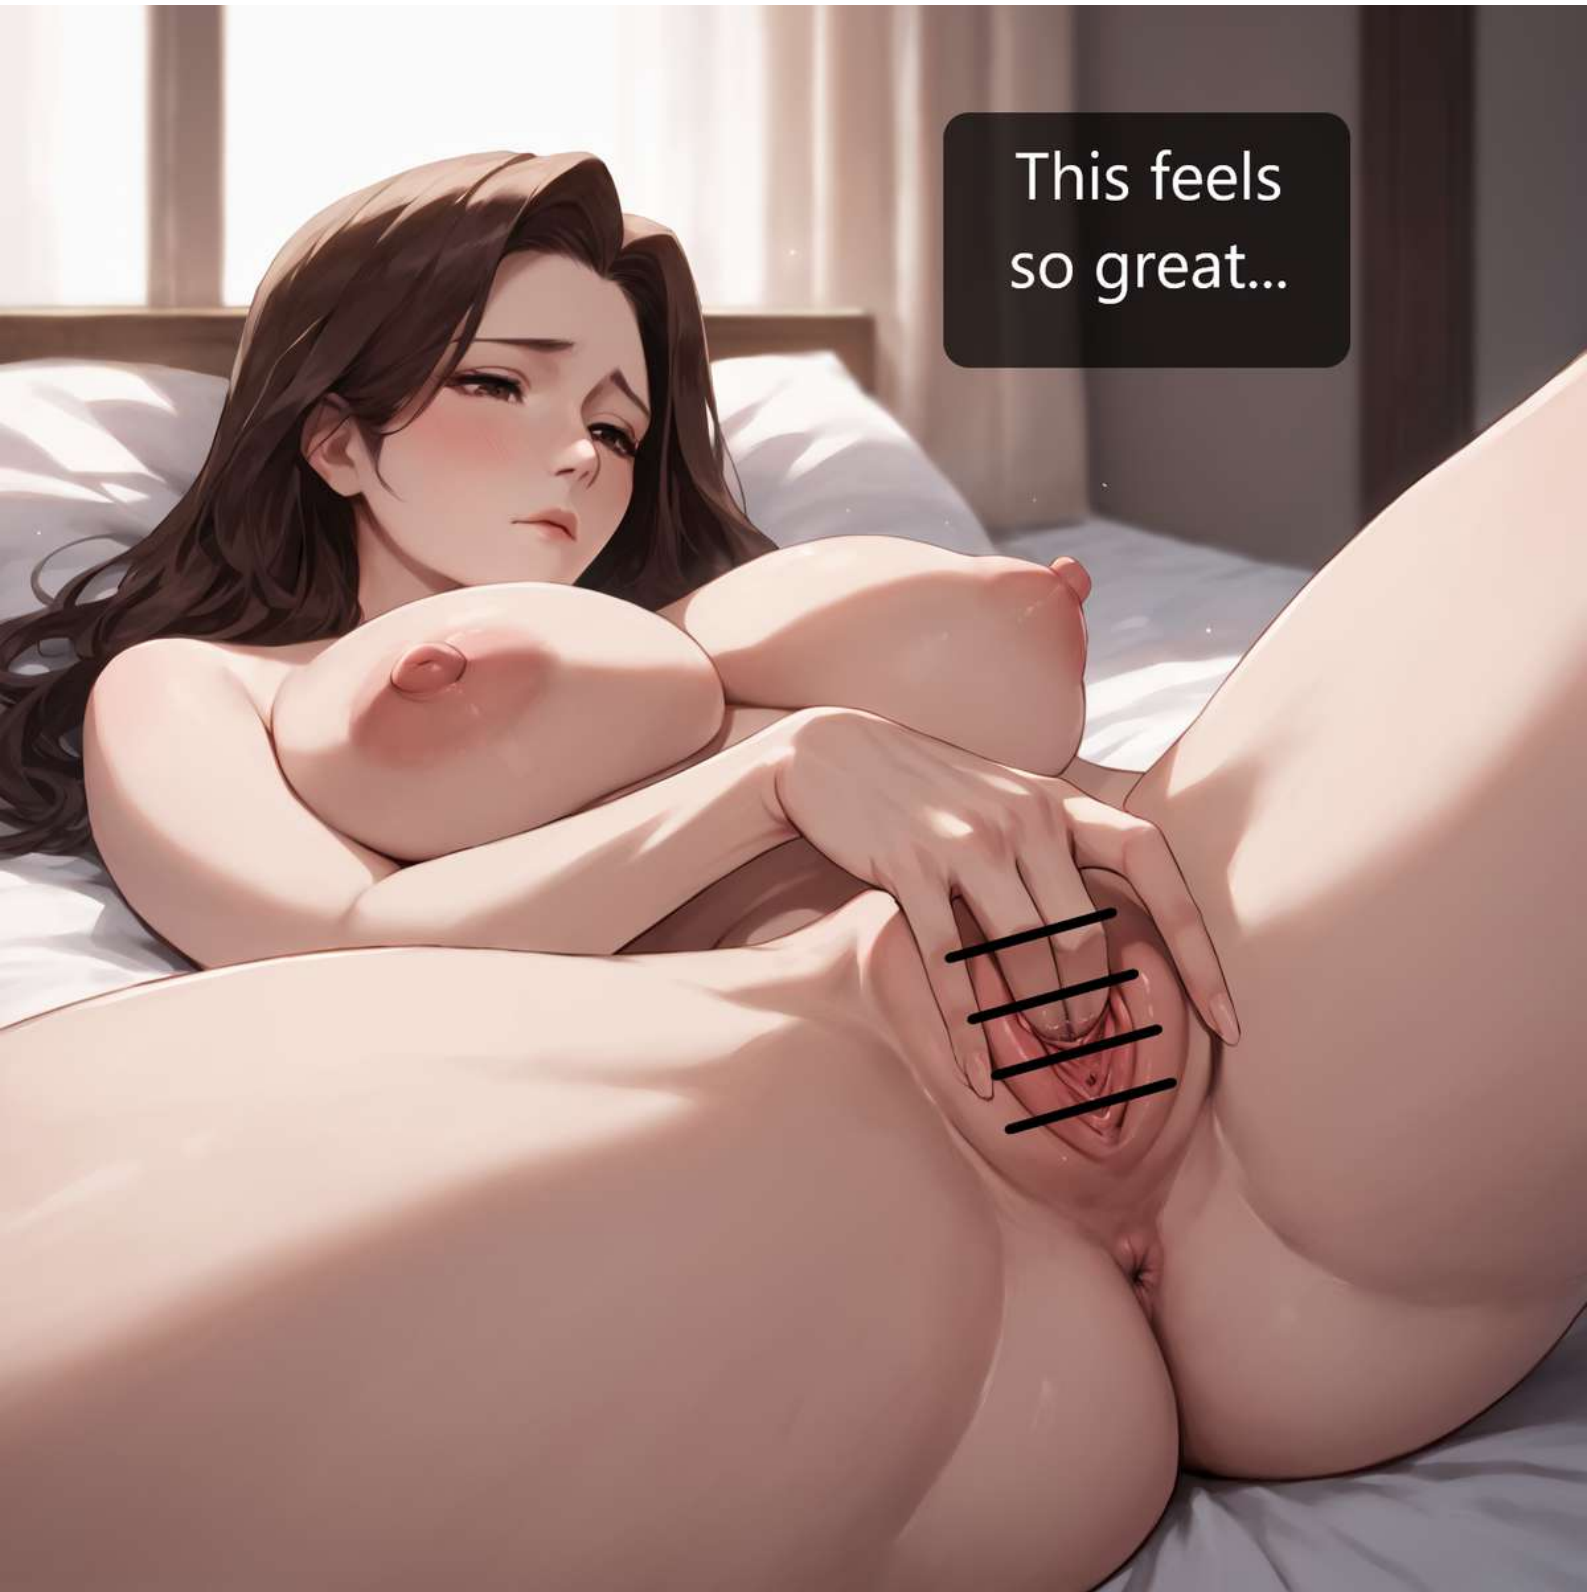

It feels so
sensitive too,
maybe I could...

No one else
but me is
home, so why
the hell not

This feels
so great...

it never was
this good
before...

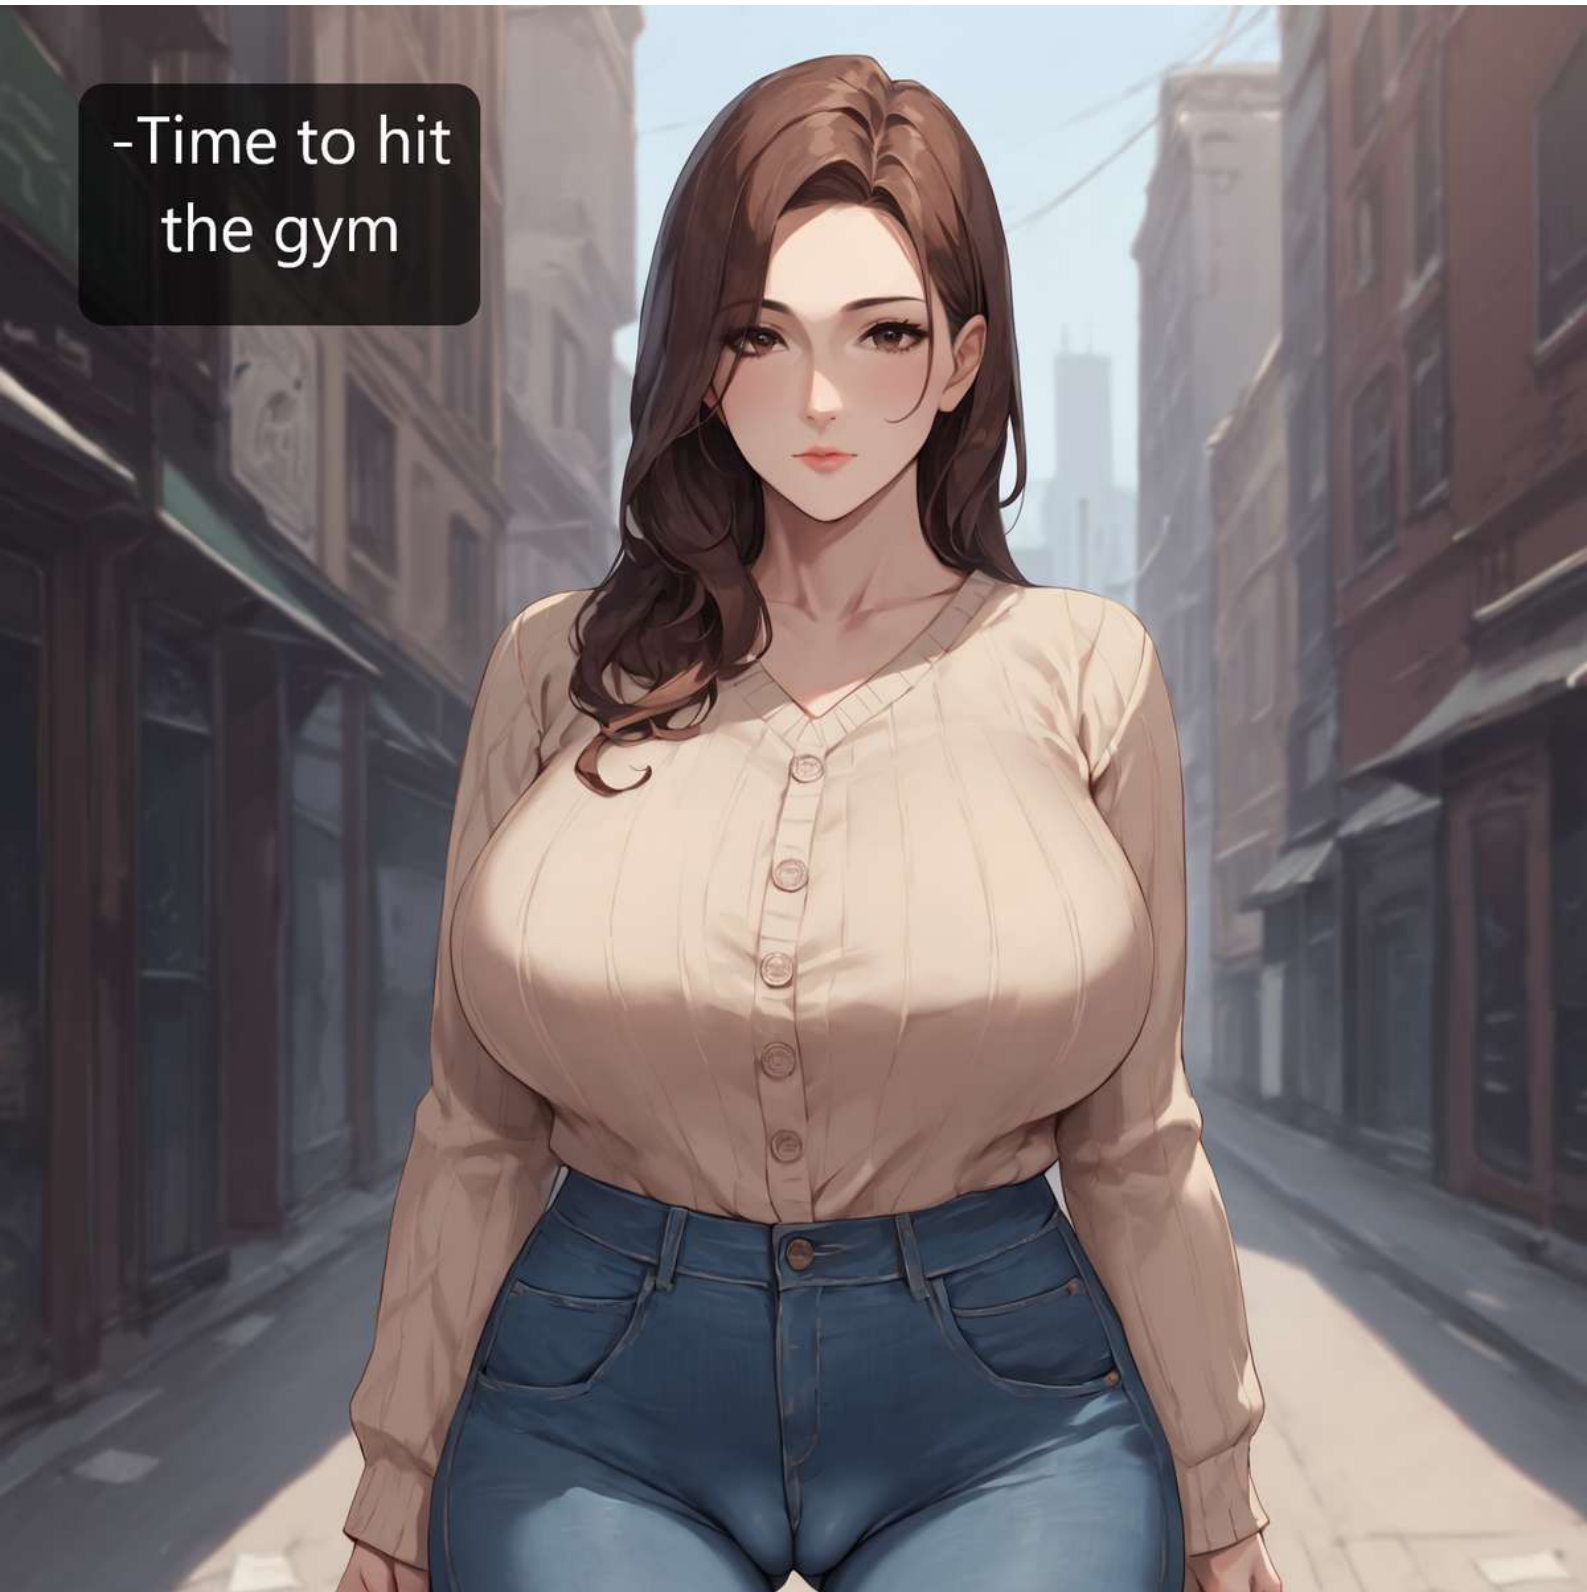

uuugh, yeah,
ahh, ahh,
yeeees!

I don't remeber the last time, that I had this much energy

-Time to hit
the gym

-I feel like I
could do
about anything
right now

Stretching feels so easy right now, my joints don't even hurt

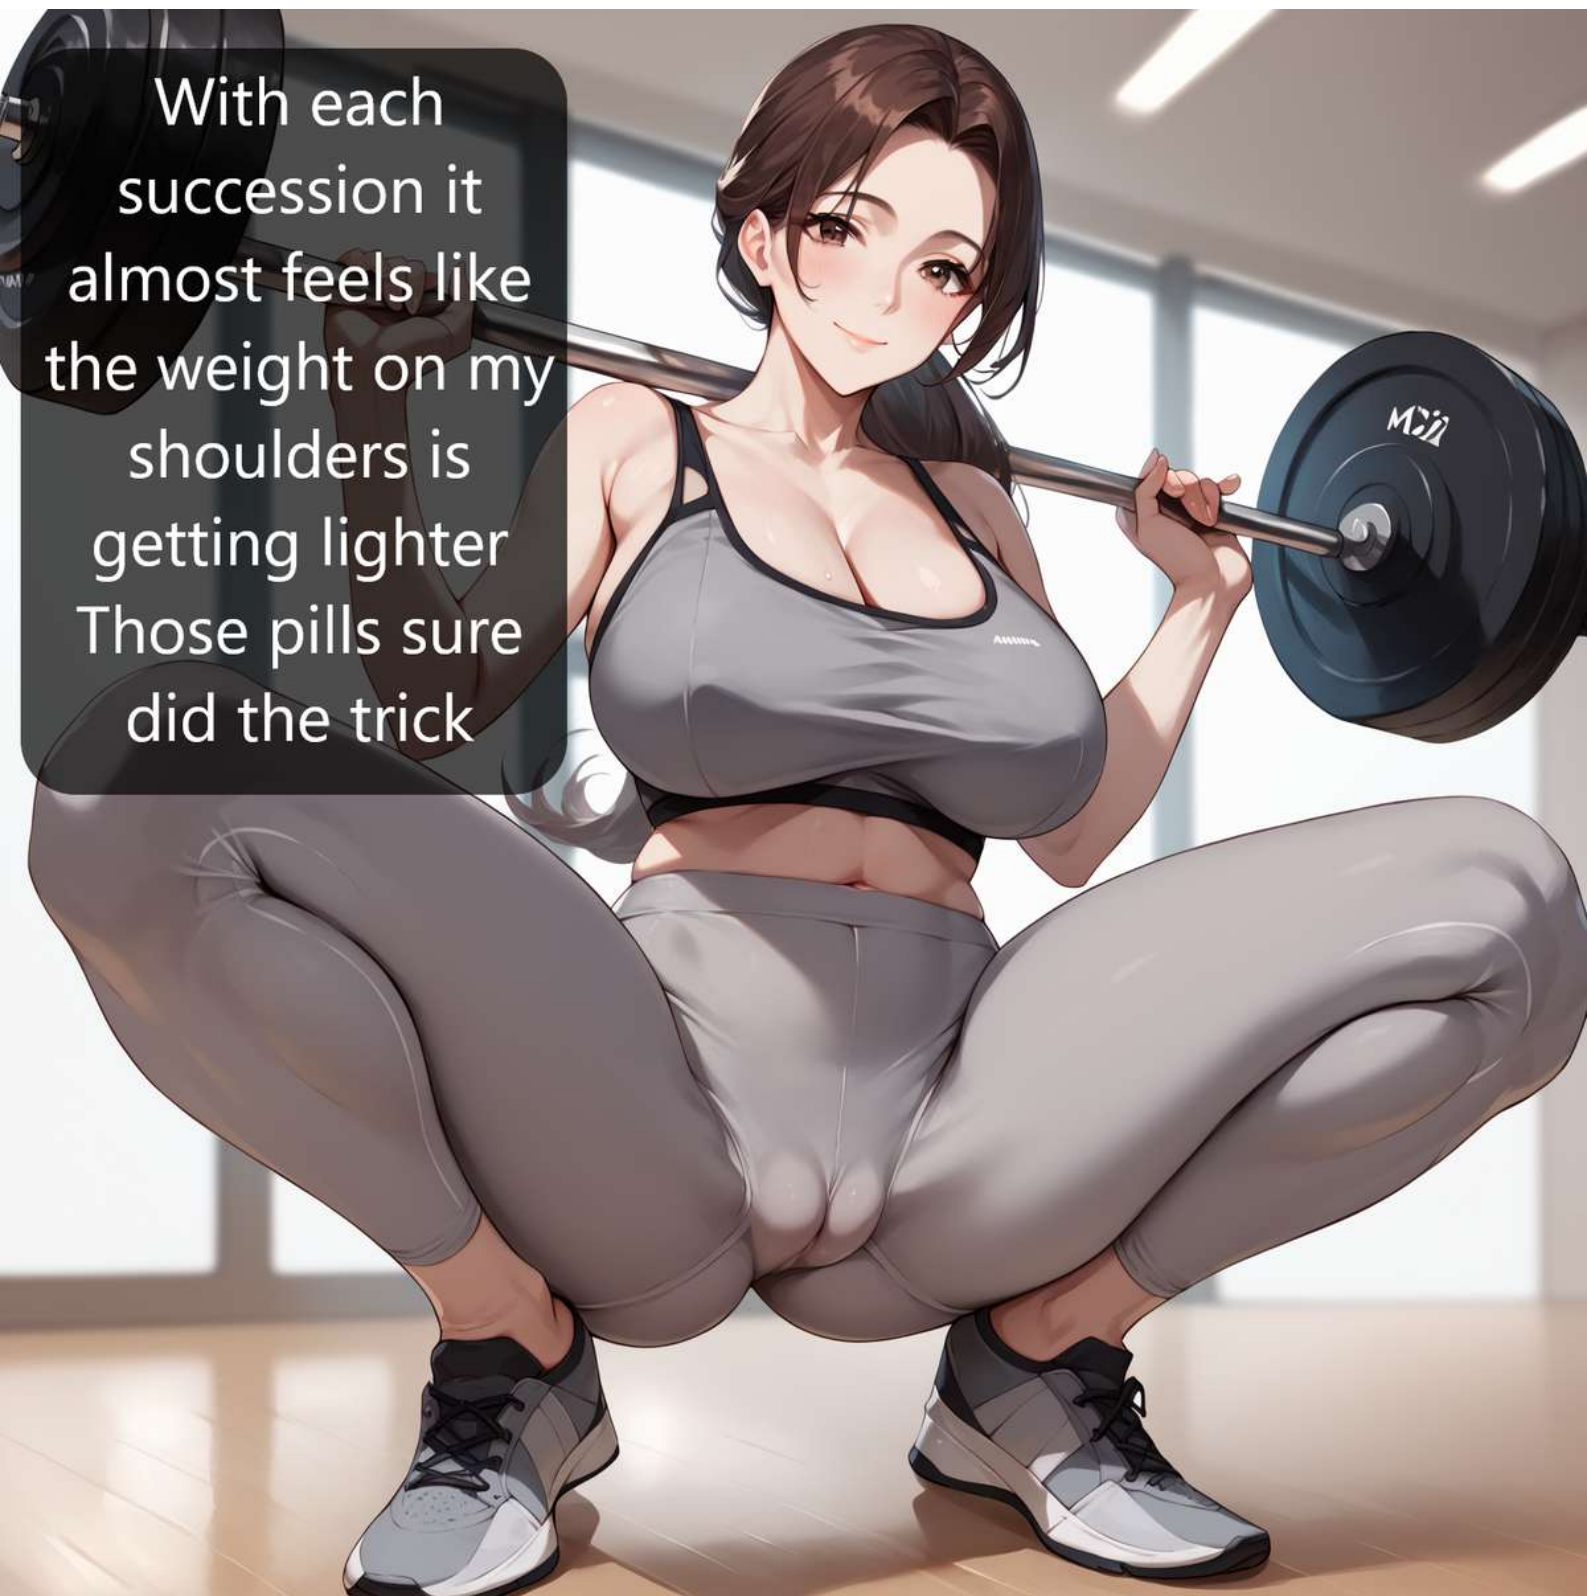

I can't believe it, I am lifting 40 kilo without trouble

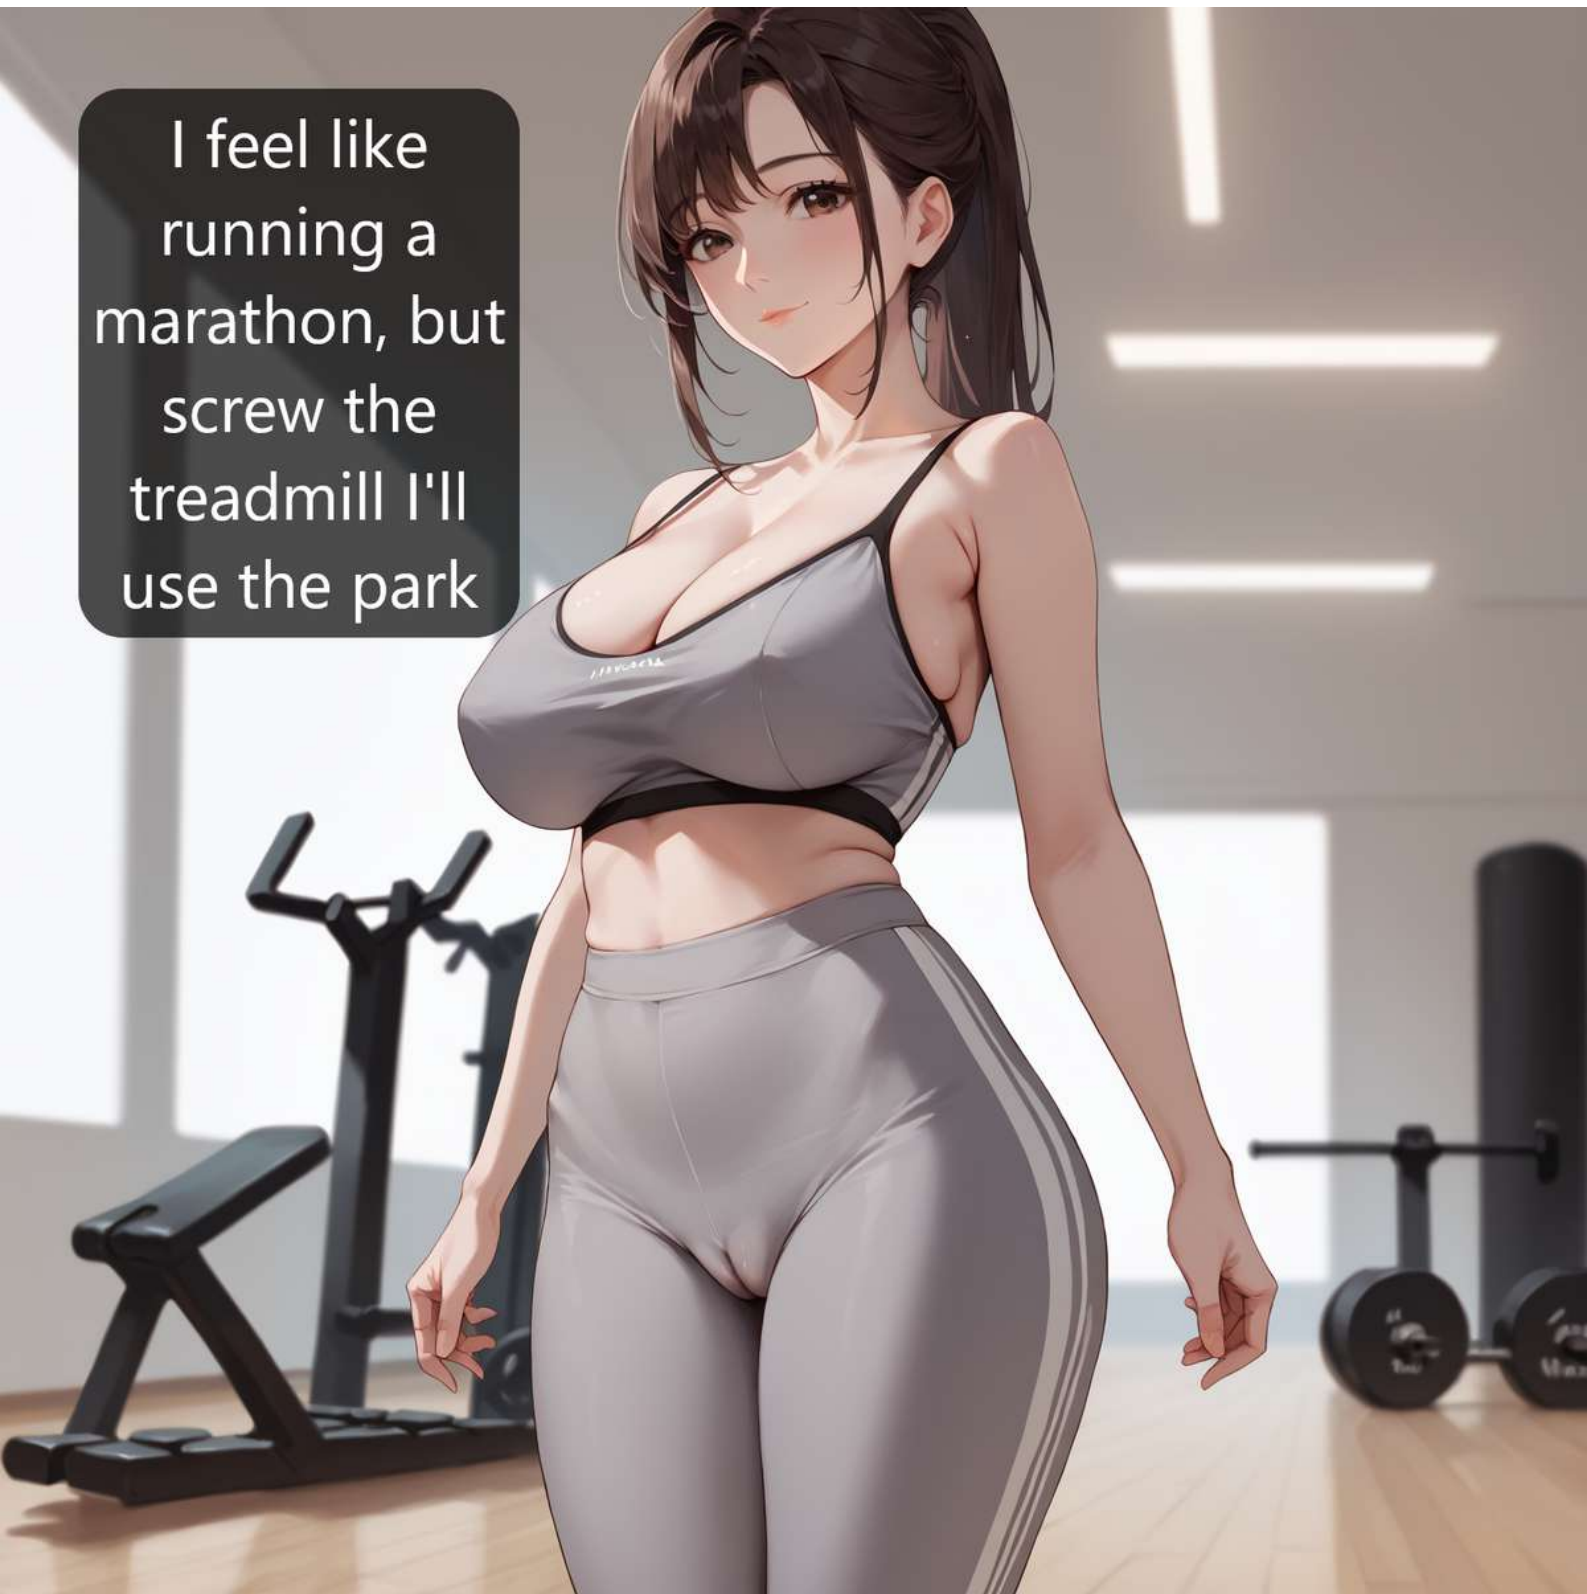

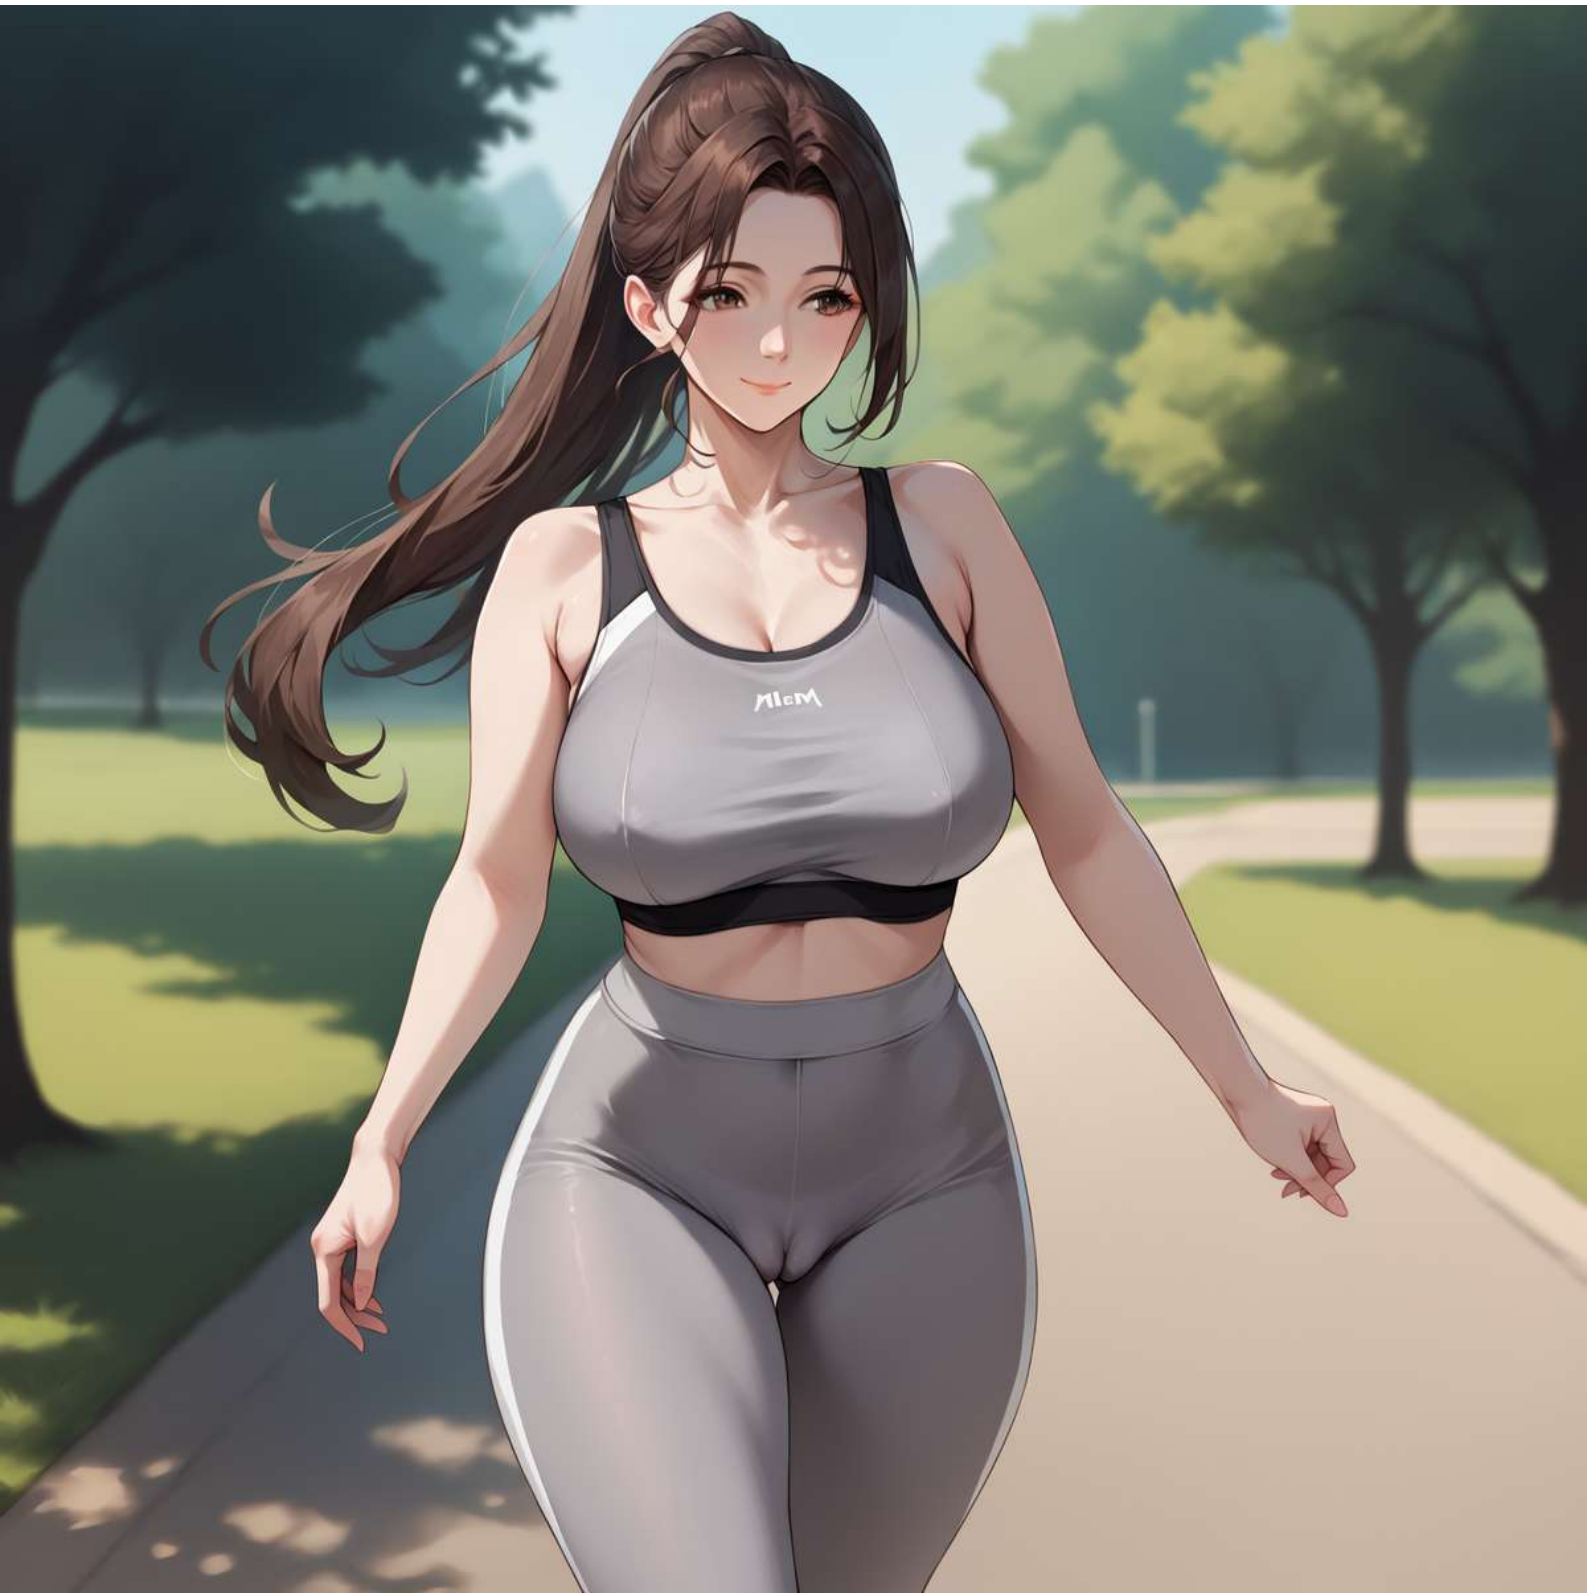

With each
succession it
almost feels like
the weight on my
shoulders is
getting lighter
Those pills sure
did the trick

I feel like
running a
marathon, but
screw the
treadmill I'll
use the park

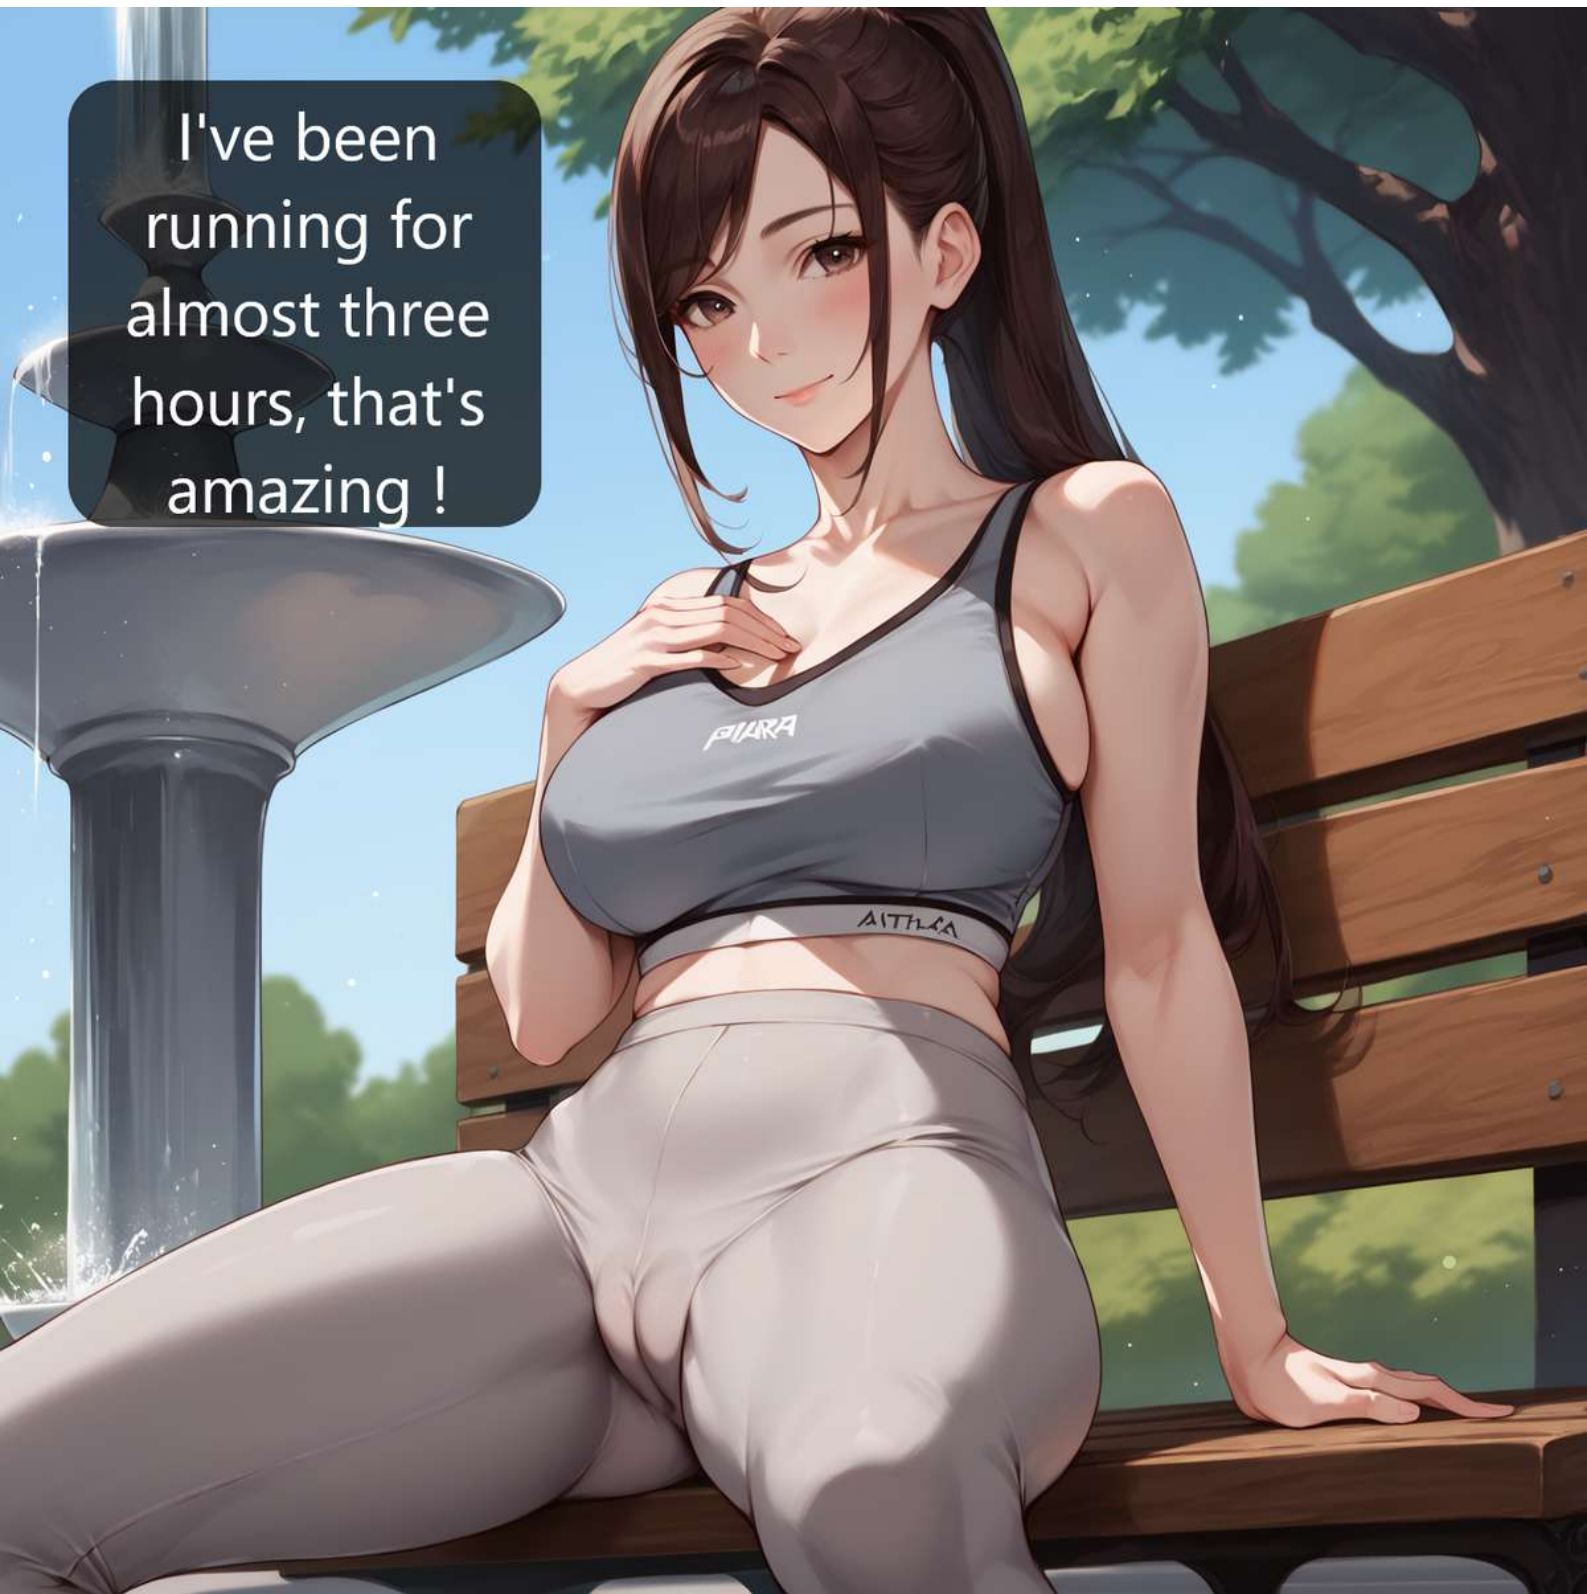

-I don't
think I was
ever able to
run this long

I've been
running for
almost three
hours, that's
amazing !

What a day, I
haven't been this
active in years,
time to sleep

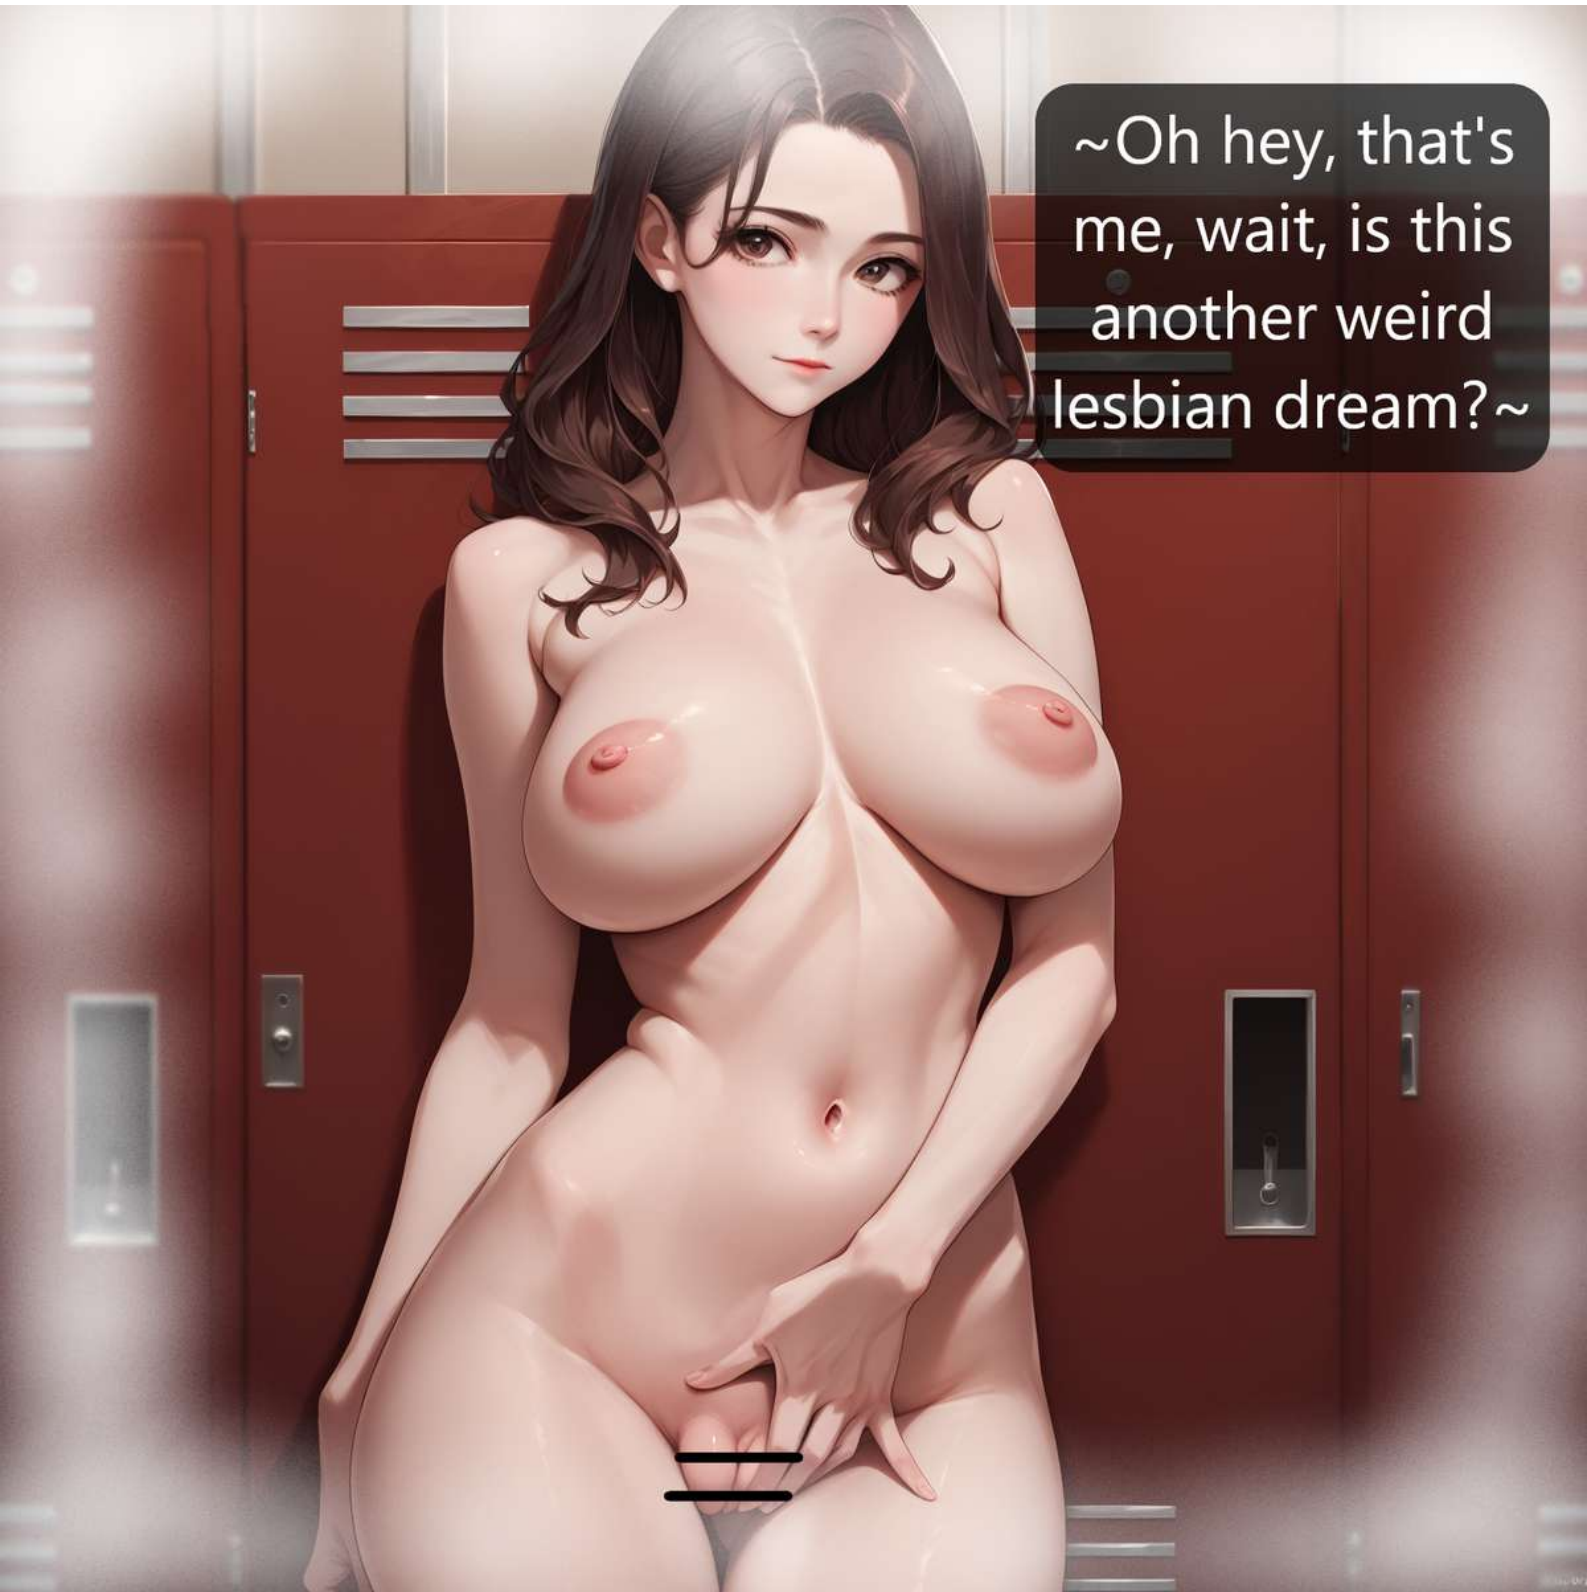

~I don't know who she is, but she is hot, look at those tits~

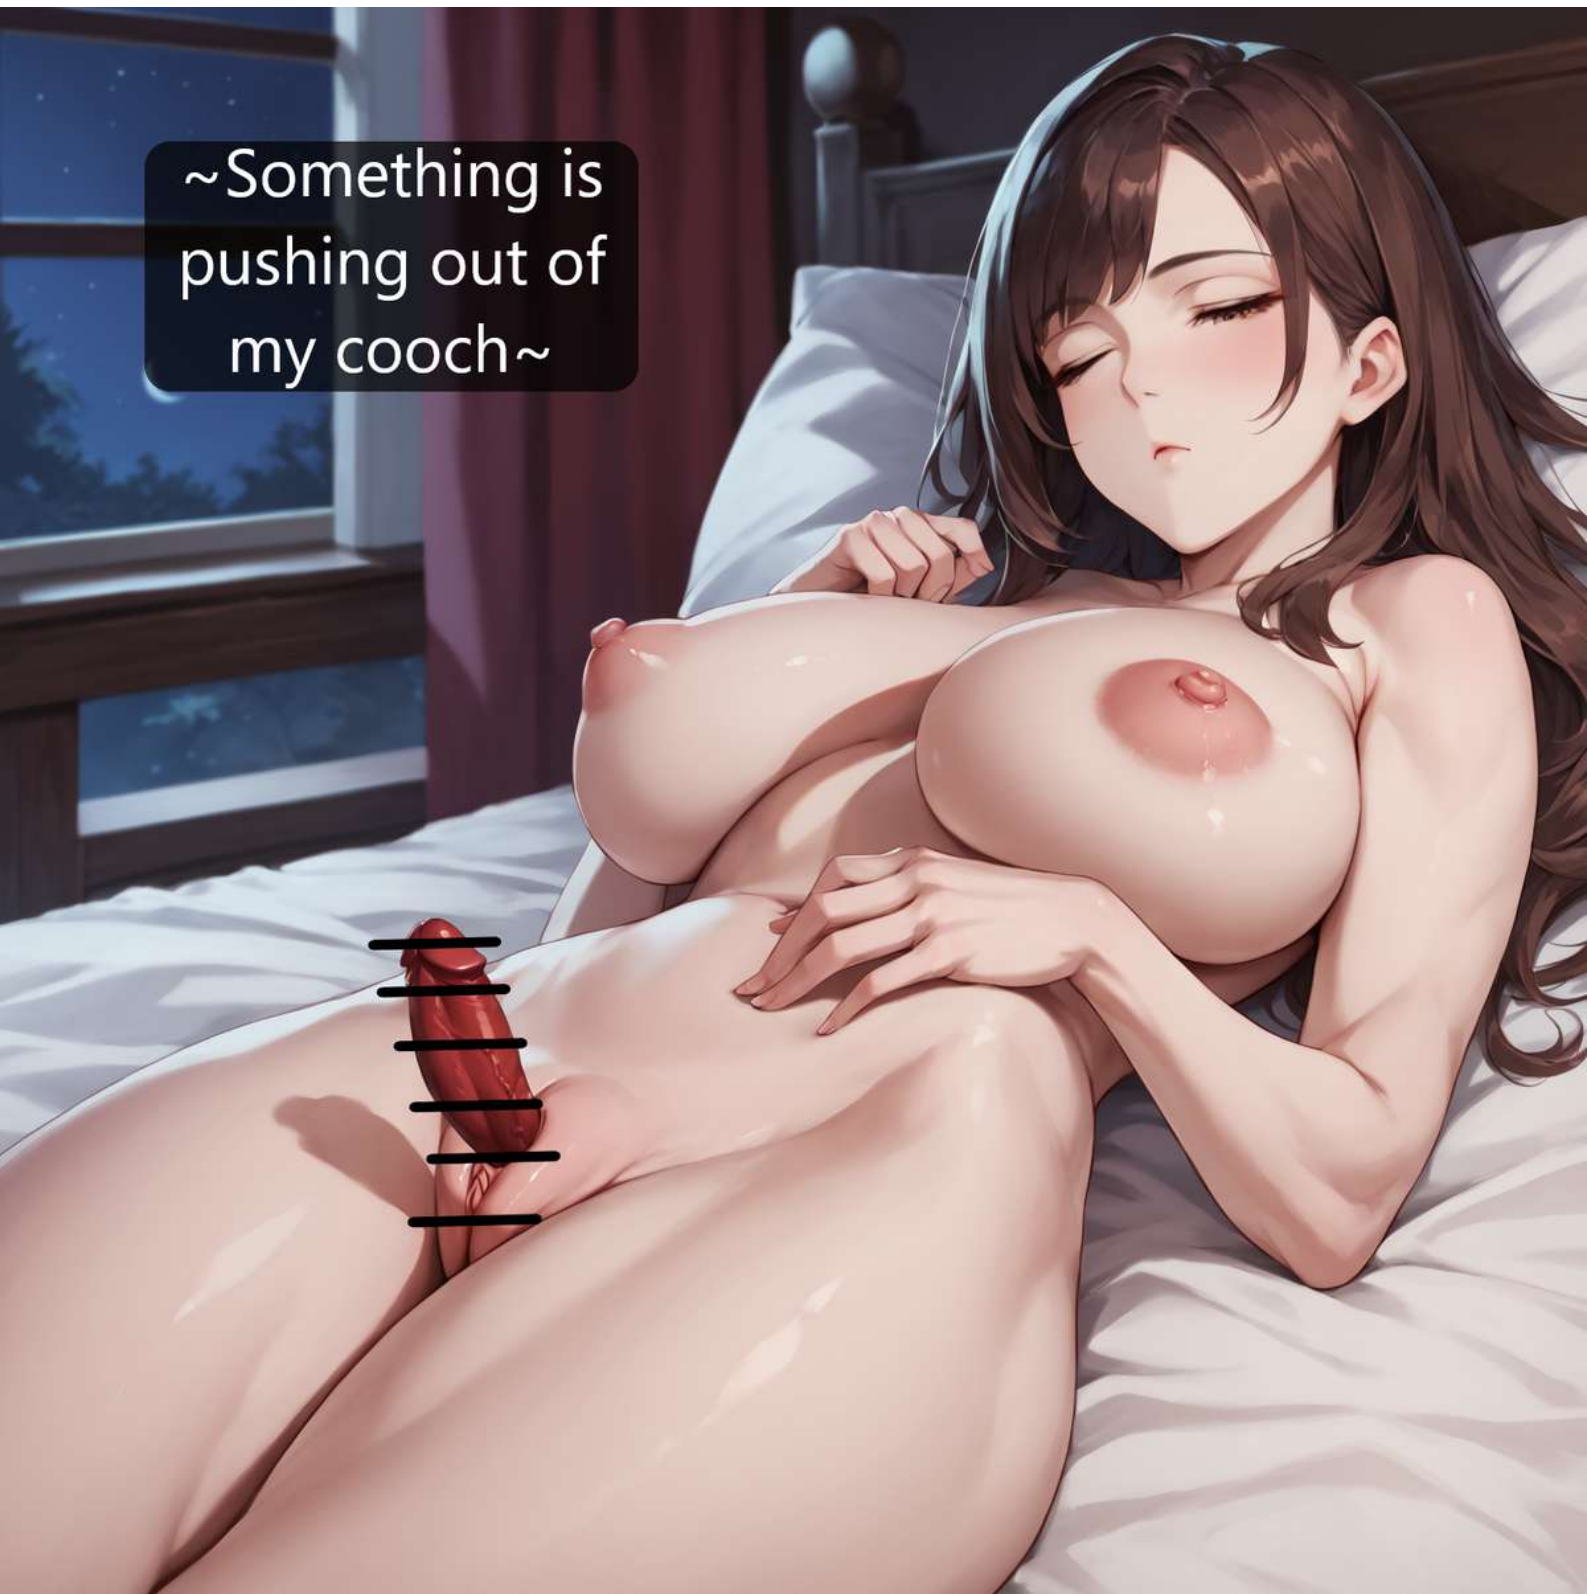

~Look at the size of those things, I don't envy her back, but they sure look great~

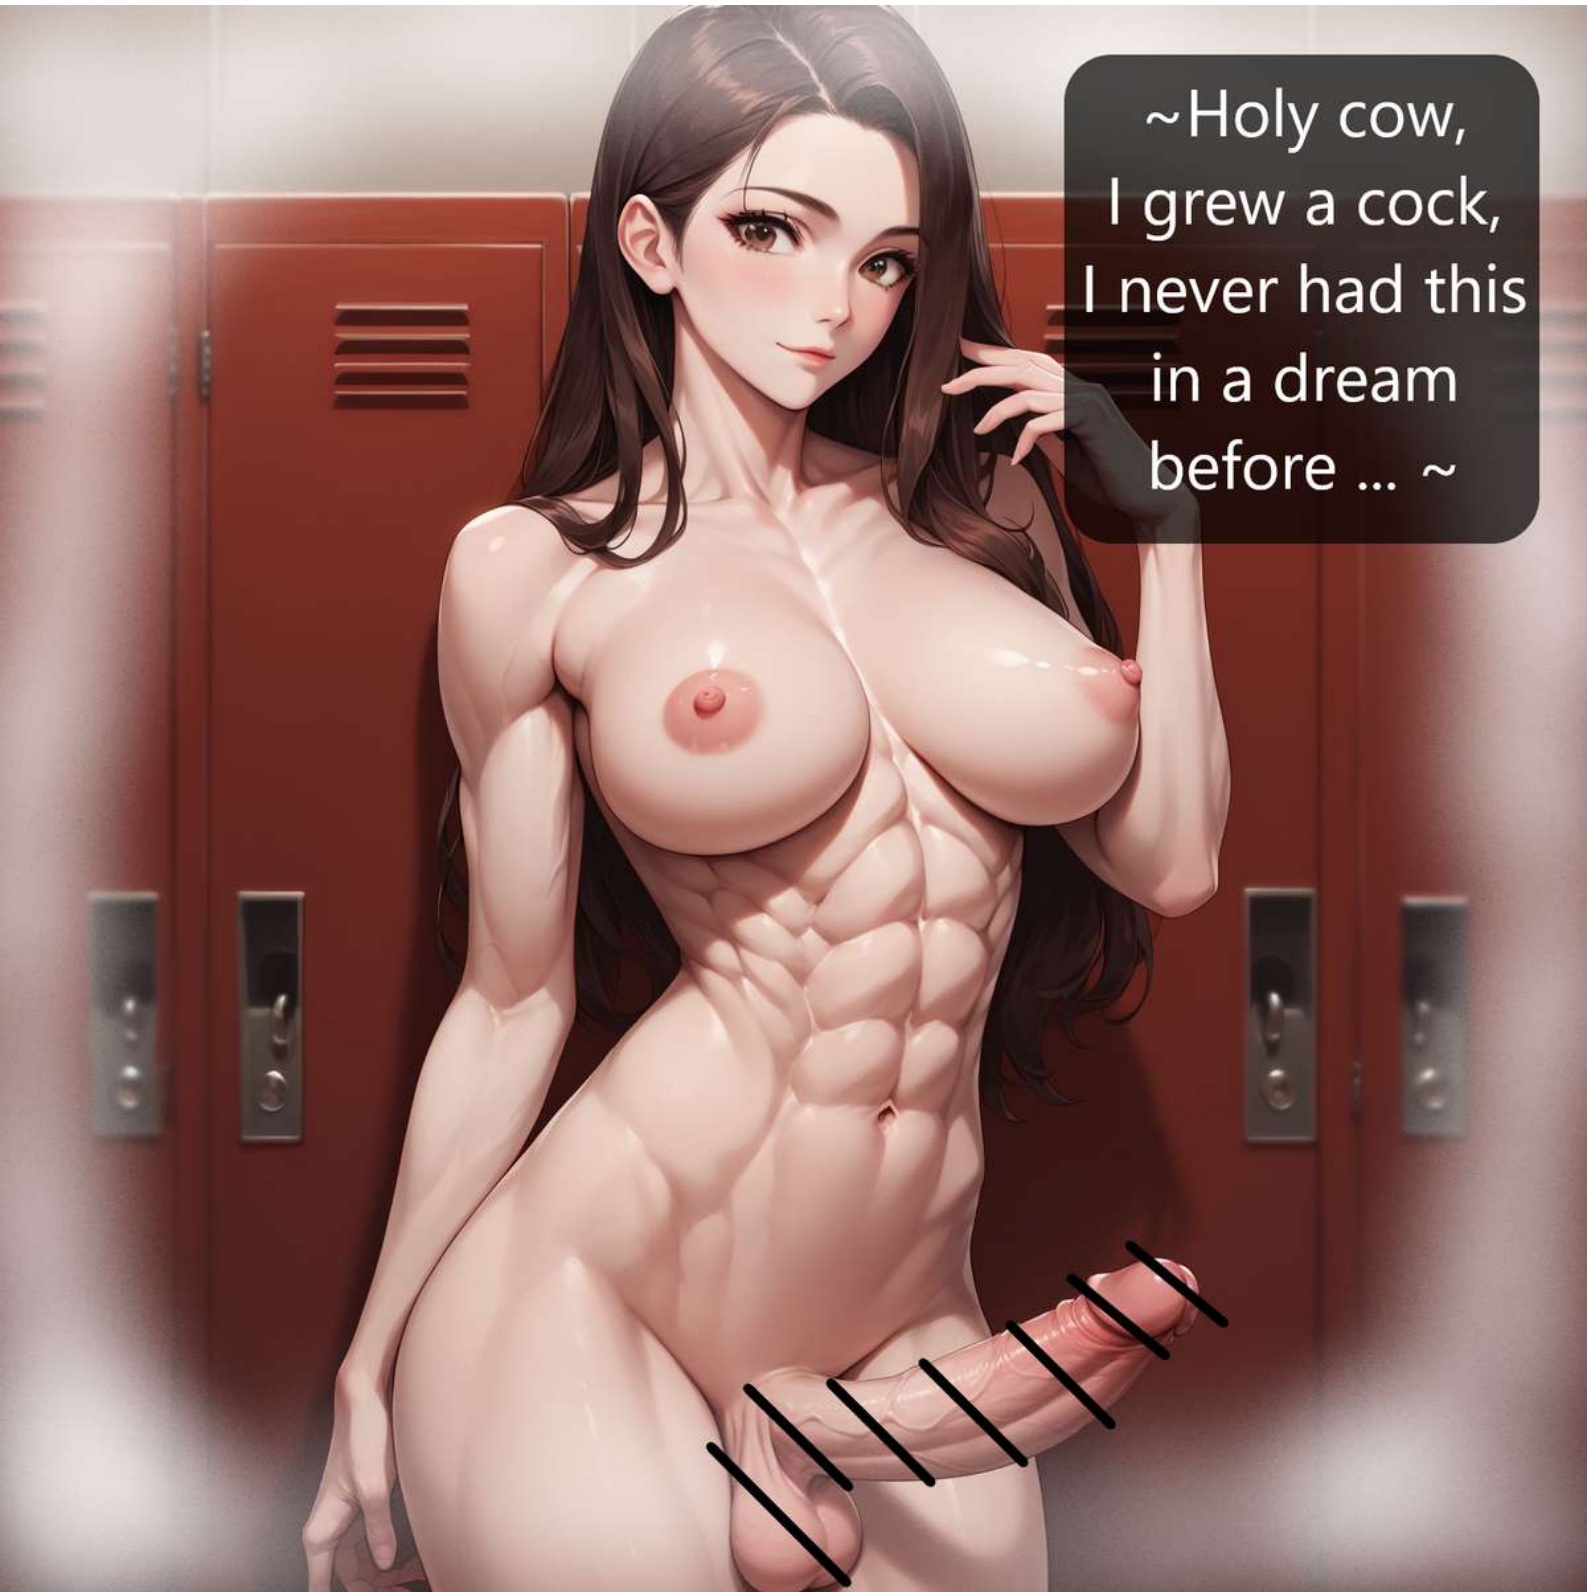

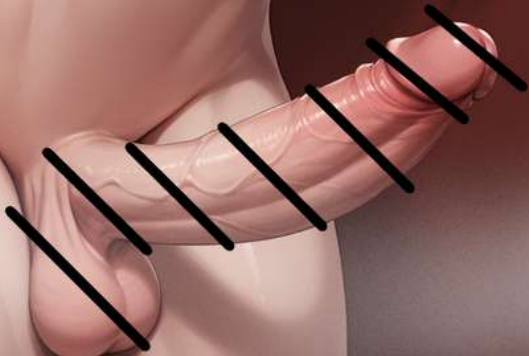

~Oh hey, that's me, wait, is this another weird lesbian dream?~

~Something is
pushing out of
my cooch~

~Holy cow,
I grew a cock,
I never had this
in a dream
before ... ~

~That thing sure
looks hot on
me, wait 'till she
sees me...~

~What a surprise attack, she didn't see that coming~

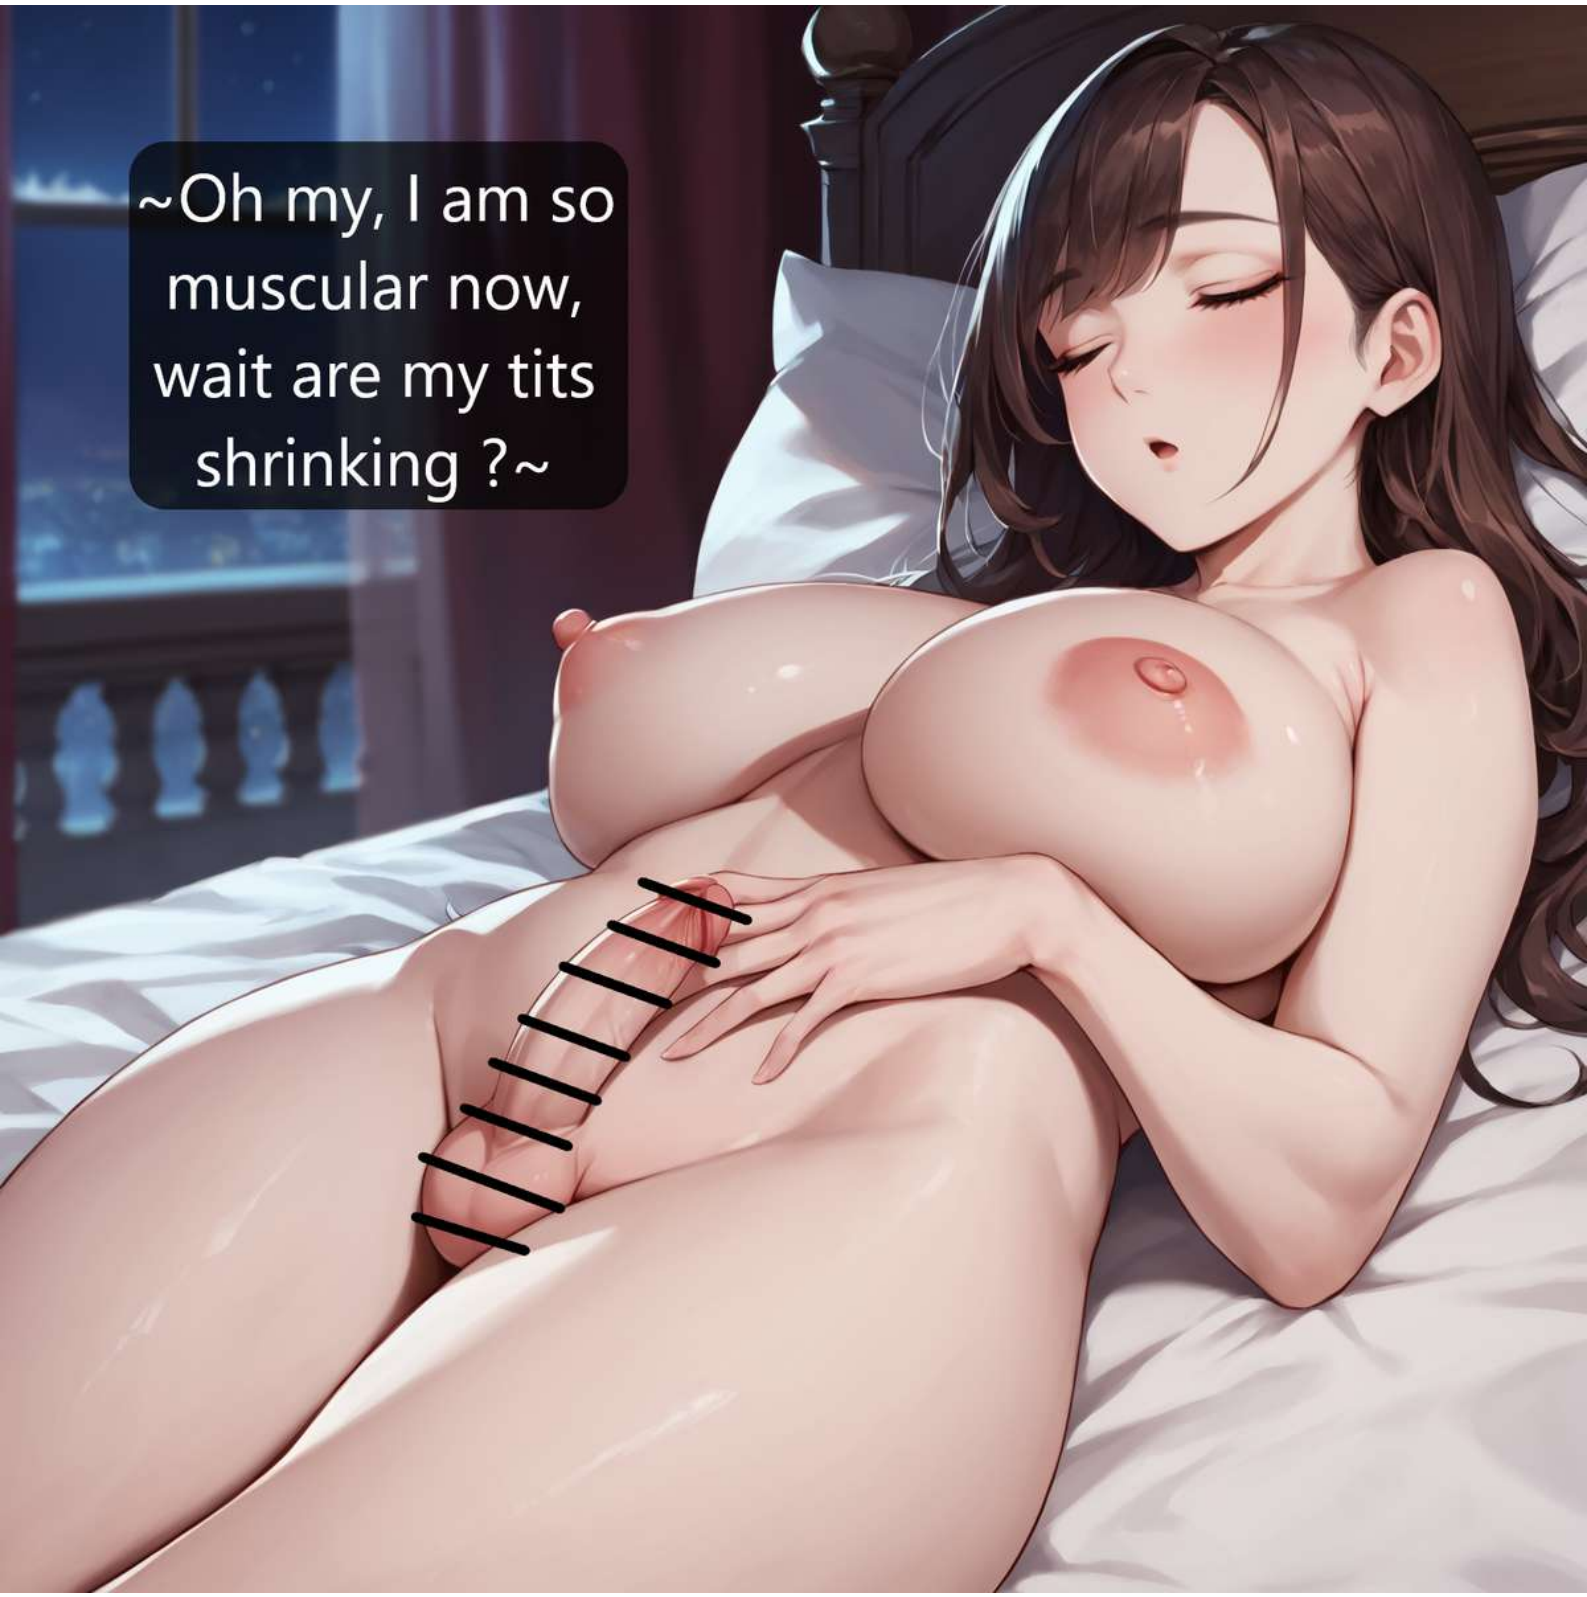

~Look at her magnificent tits bouncing, they are HUGE~

~I'm really
making her
my bitch~

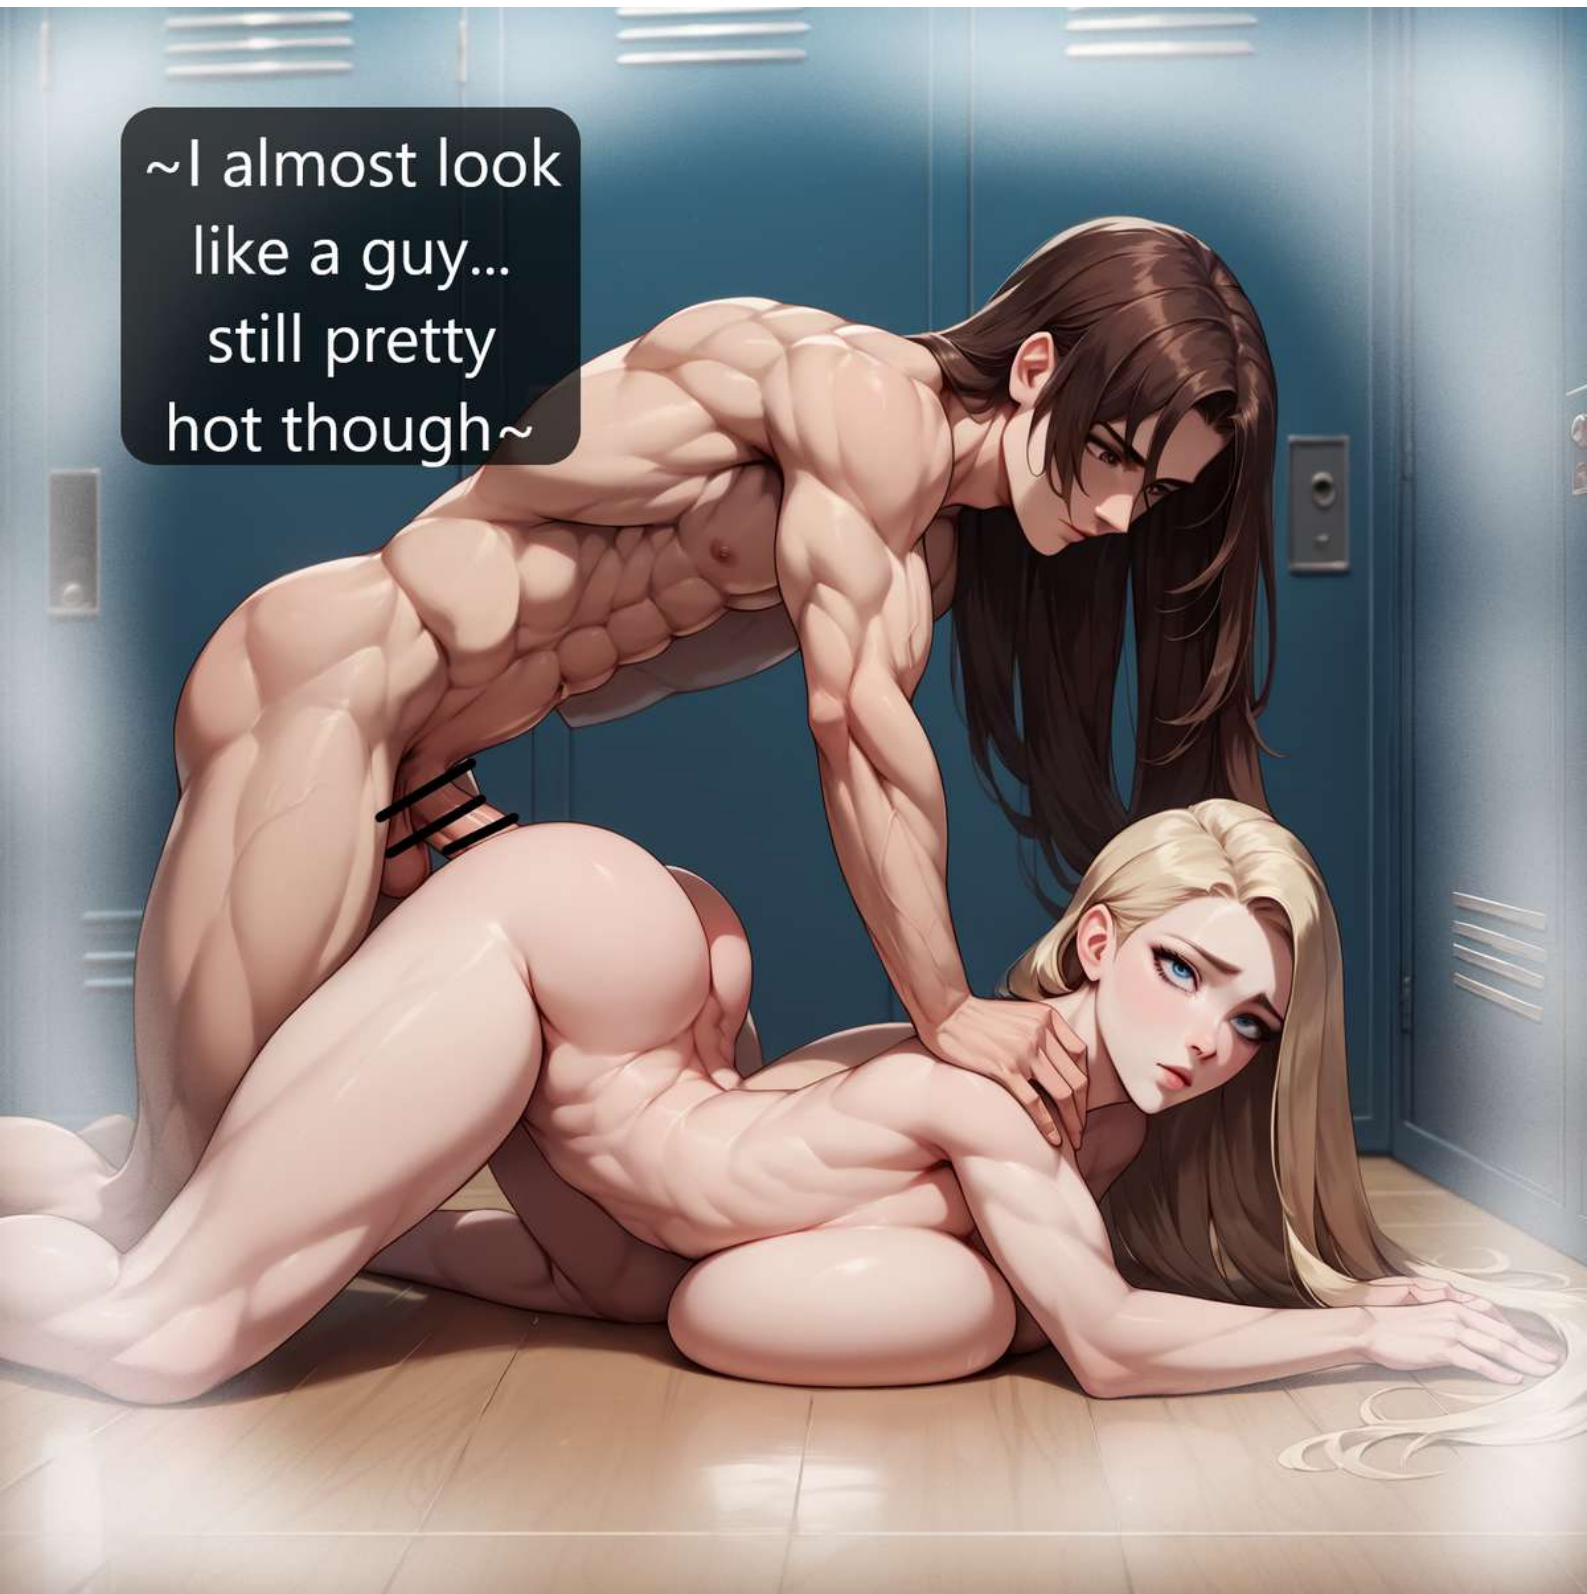

~Oh my, I am so muscular now, wait are my tits shrinking?~

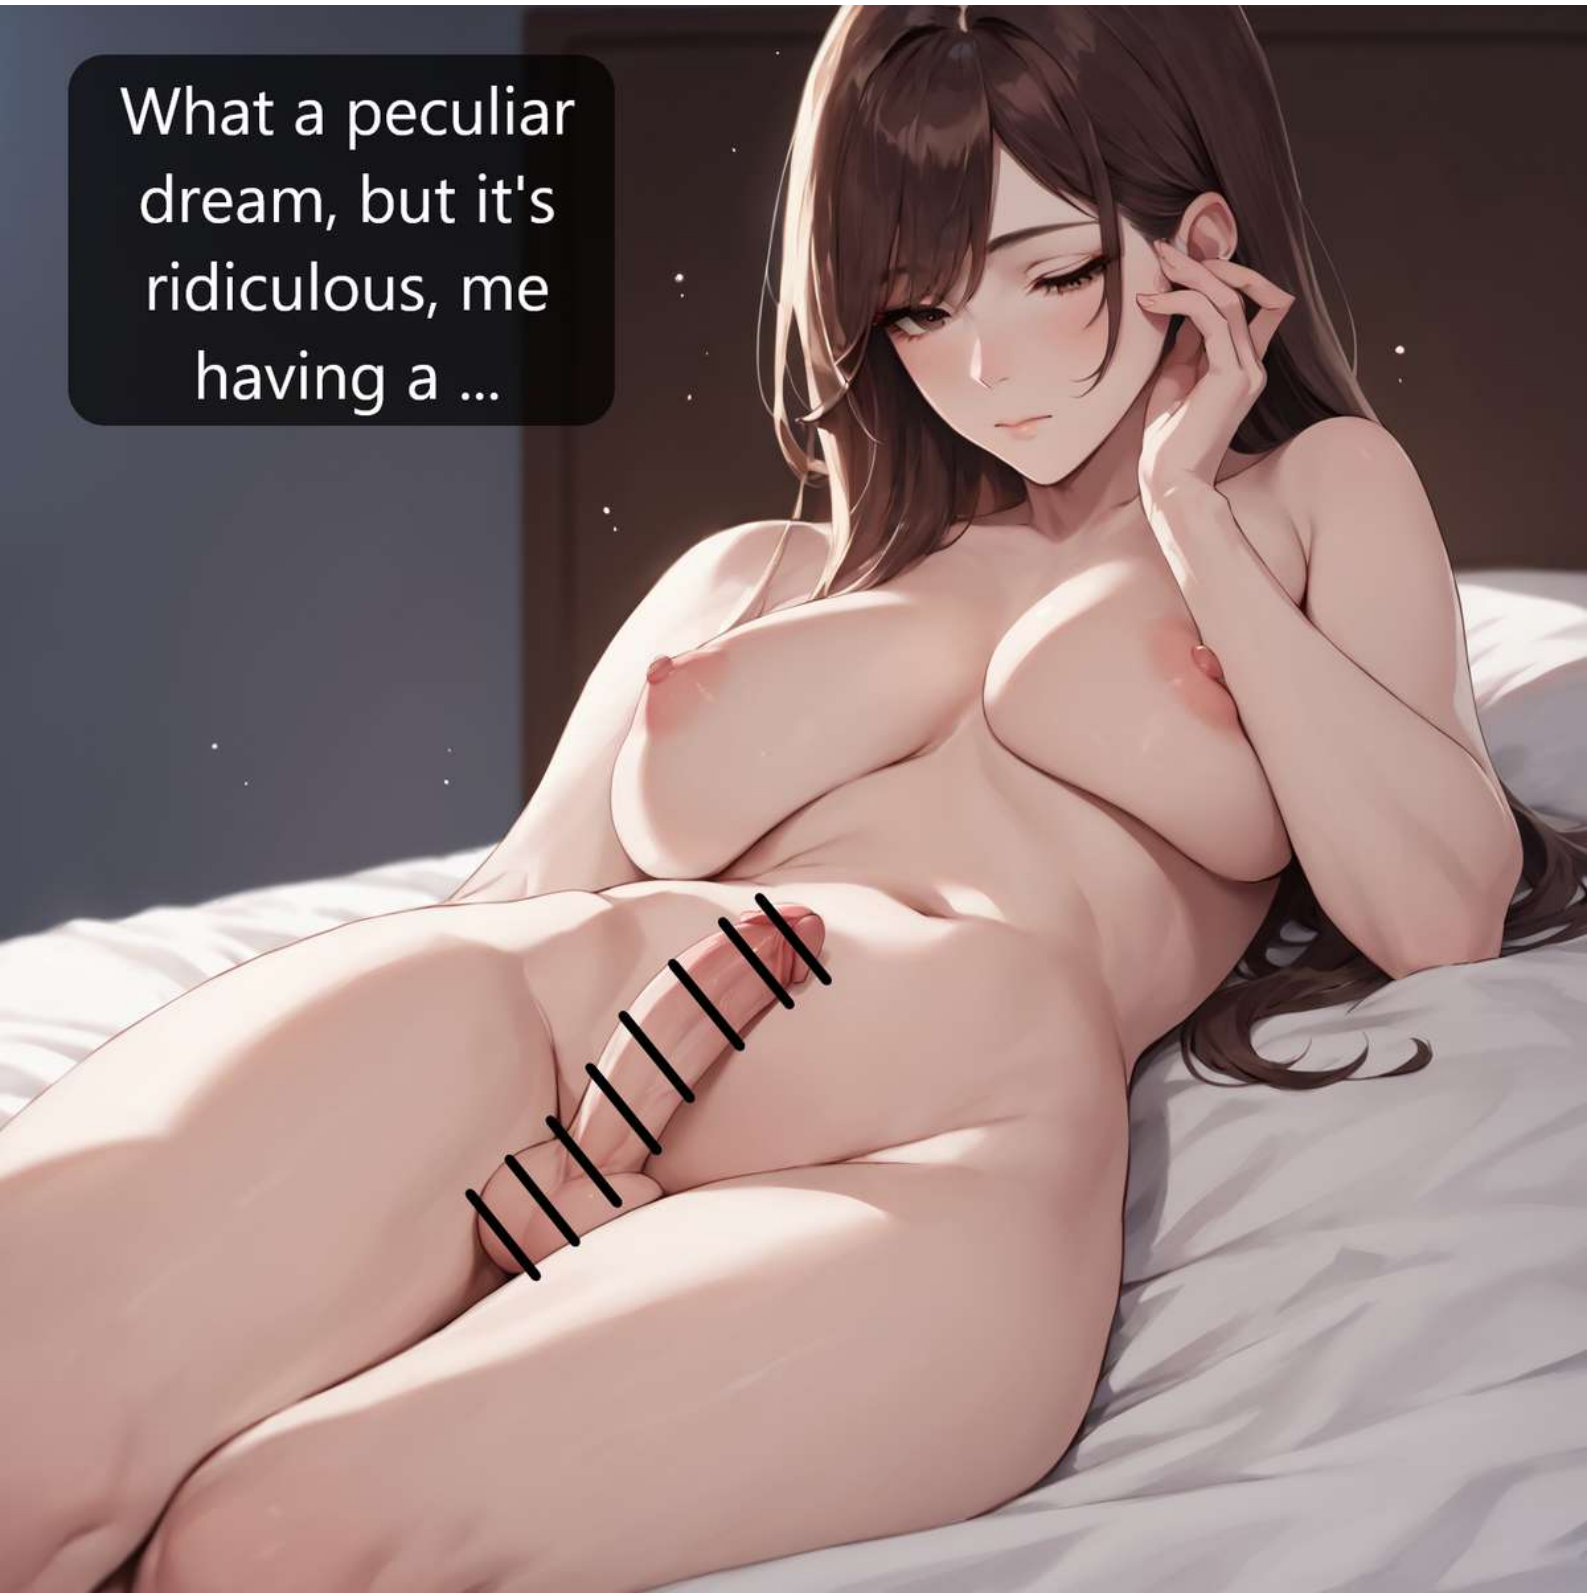

~This is so hot,
I can almost
feel her grinding
insides, mhh~

~I almost look
like a guy...
still pretty
hot though~

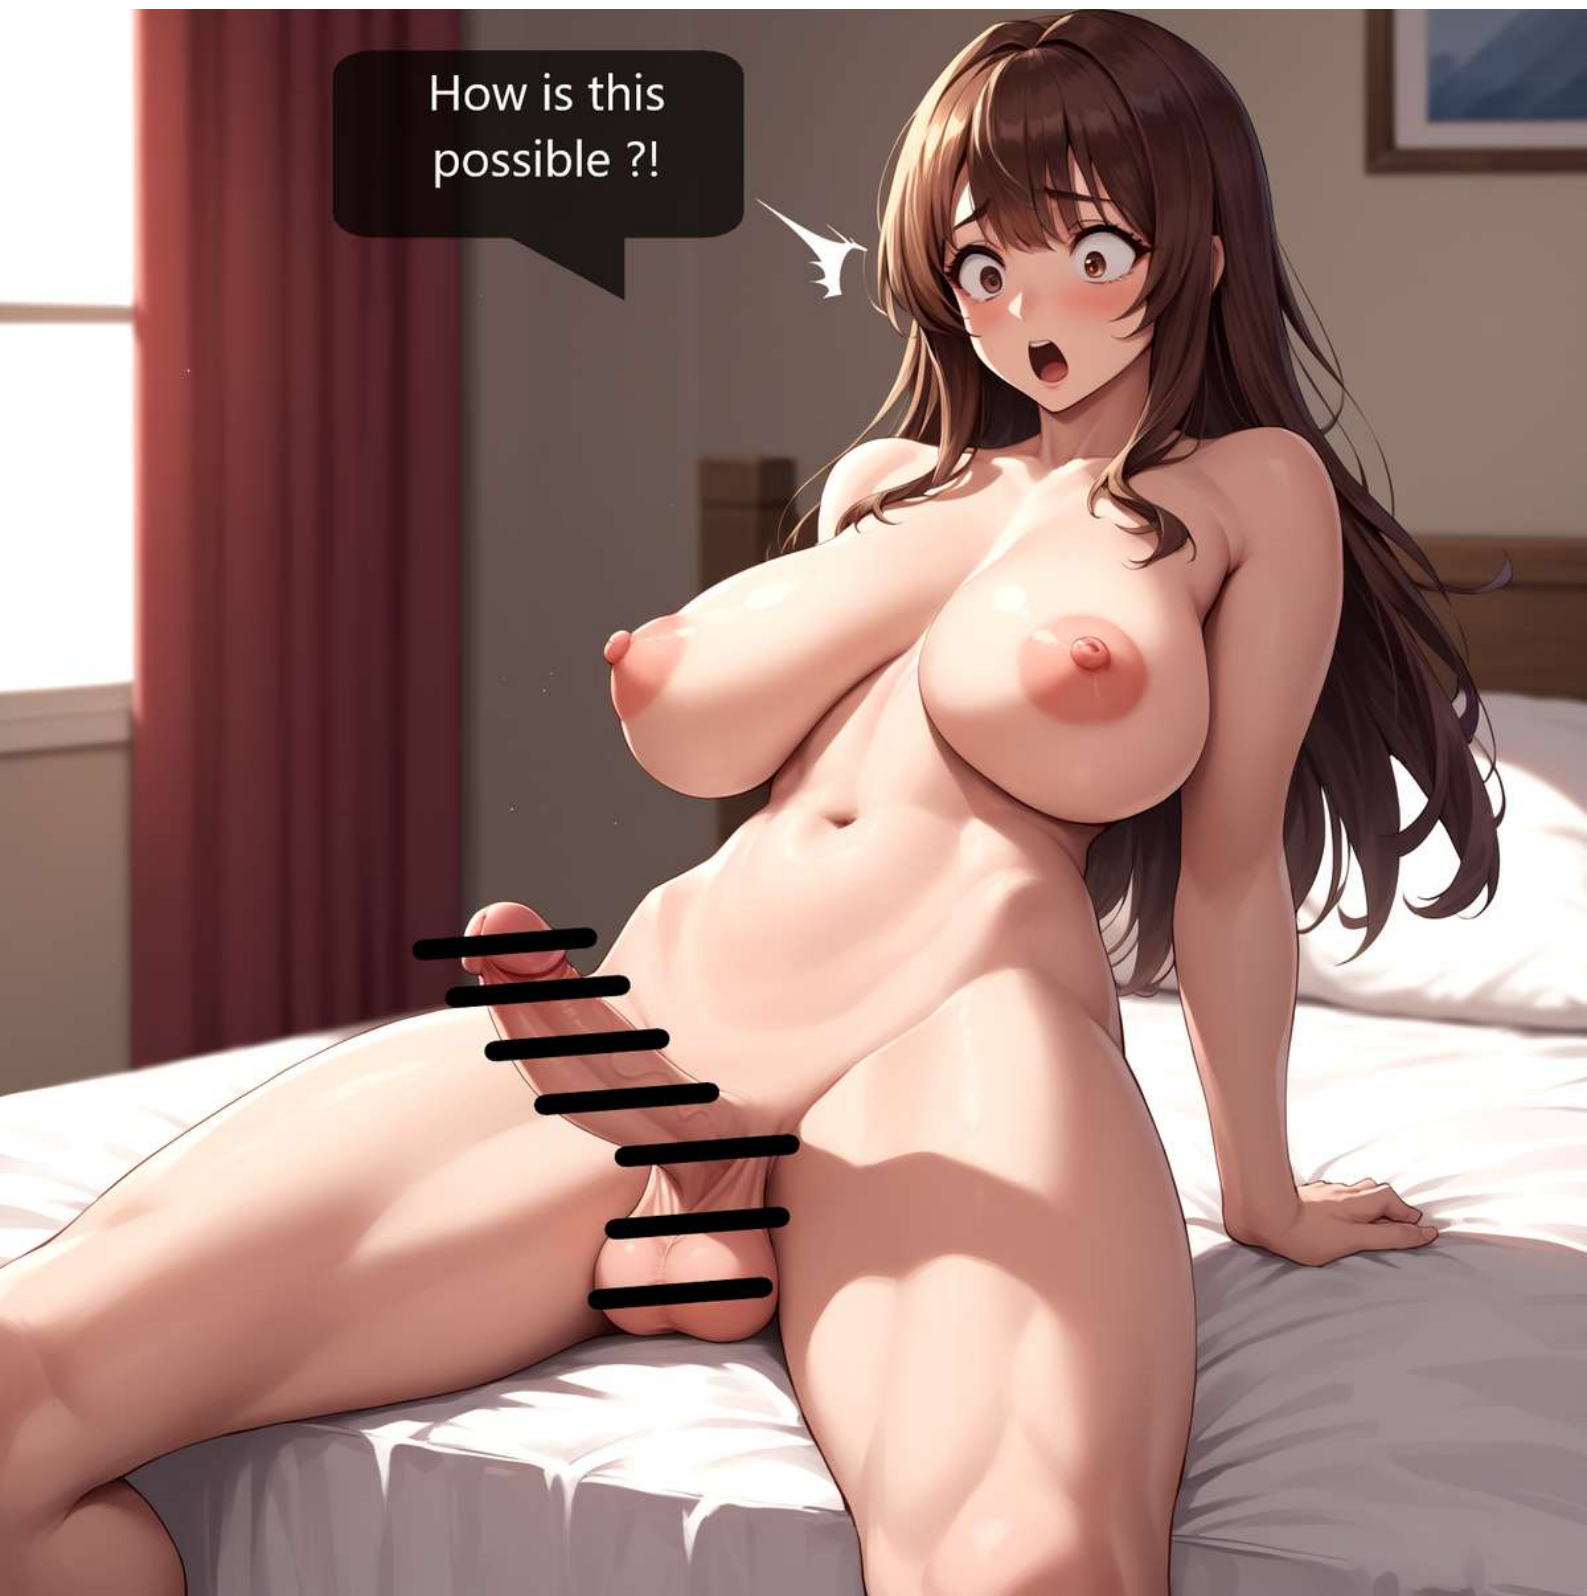

What a peculiar
dream, but it's
ridiculous, me
having a ...

DICK ? !!!

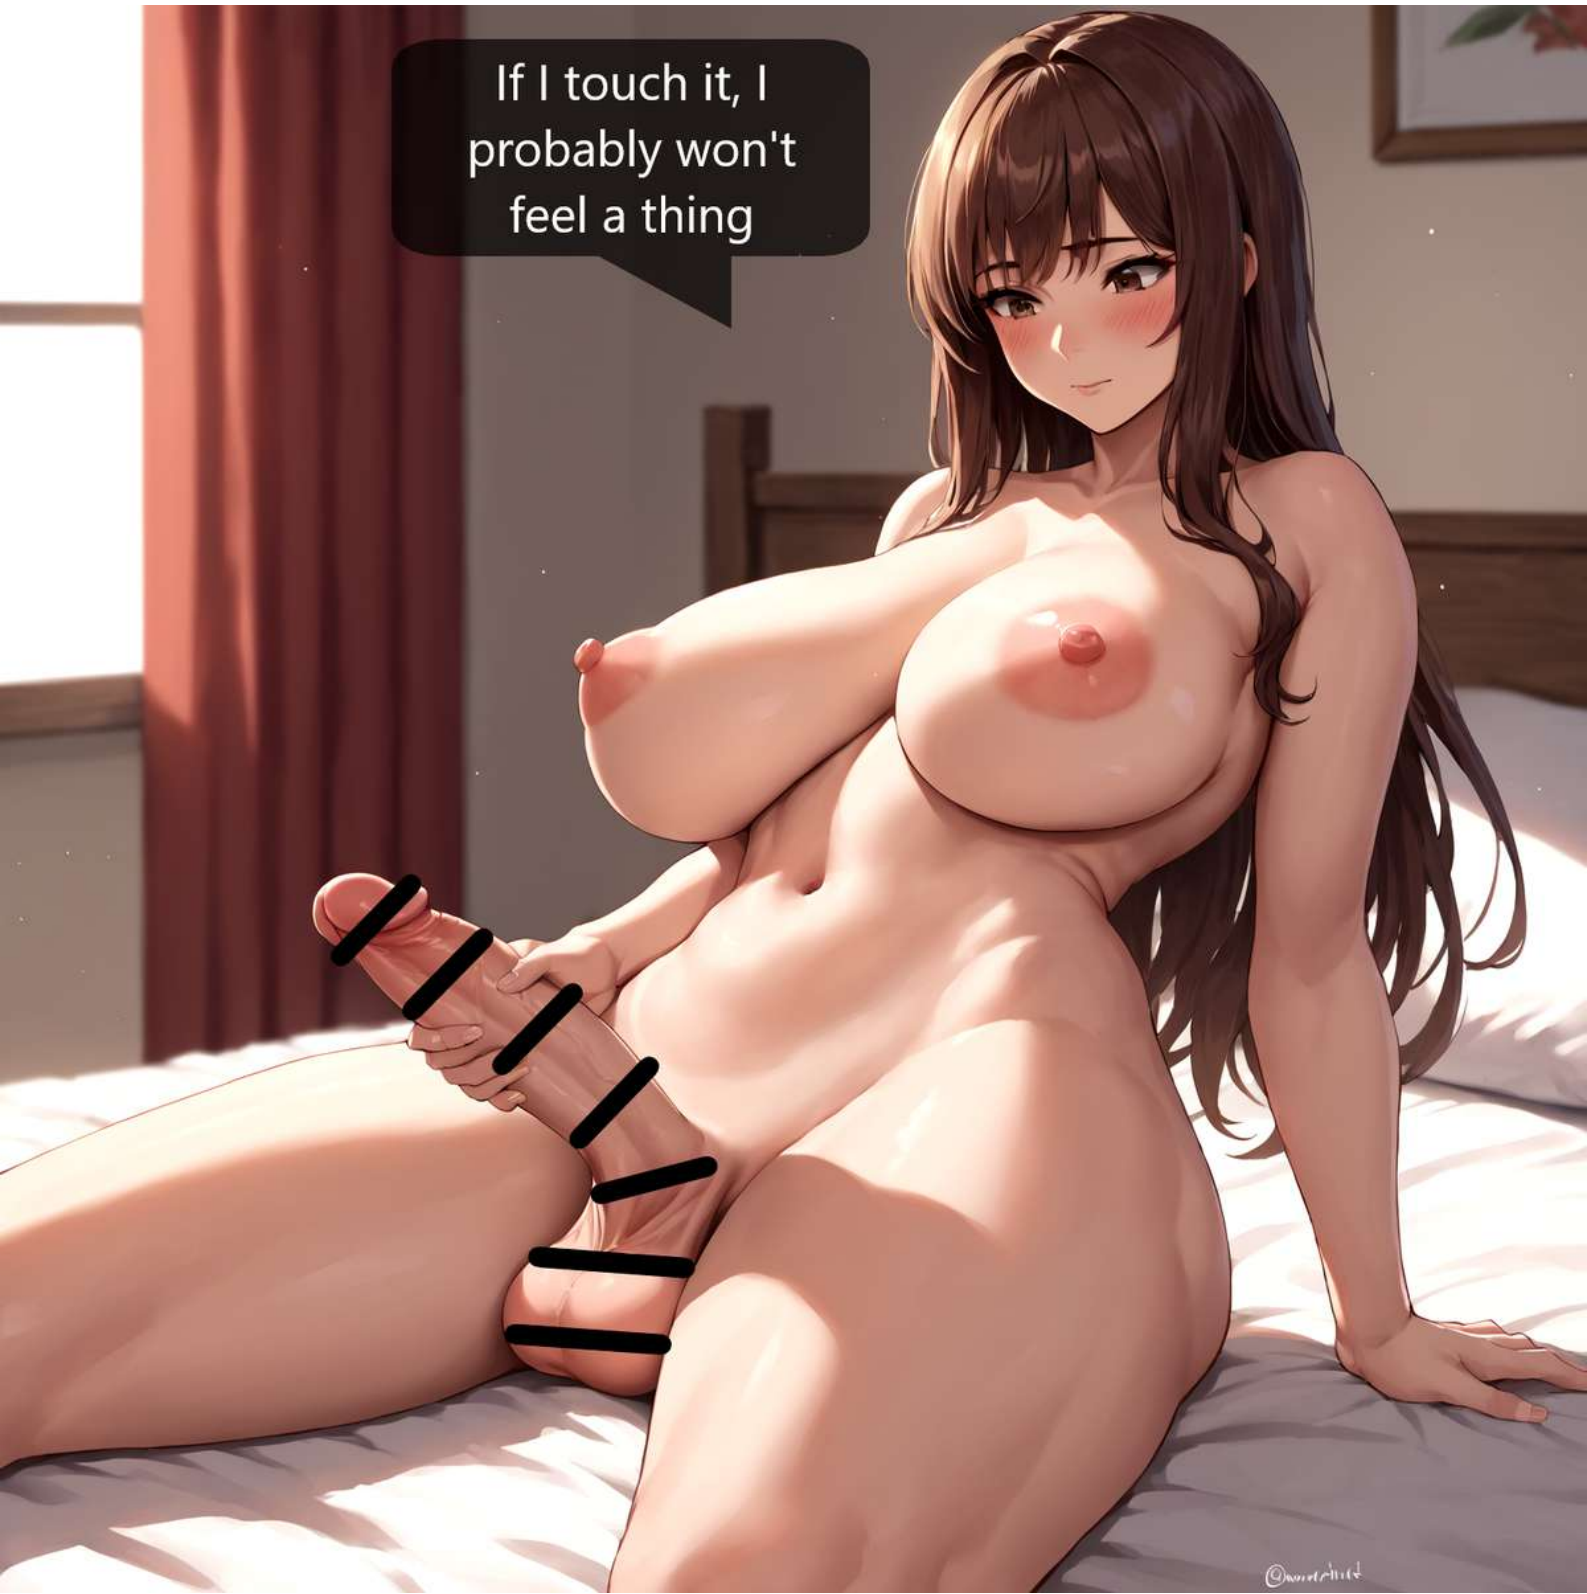

How is this possible ?!

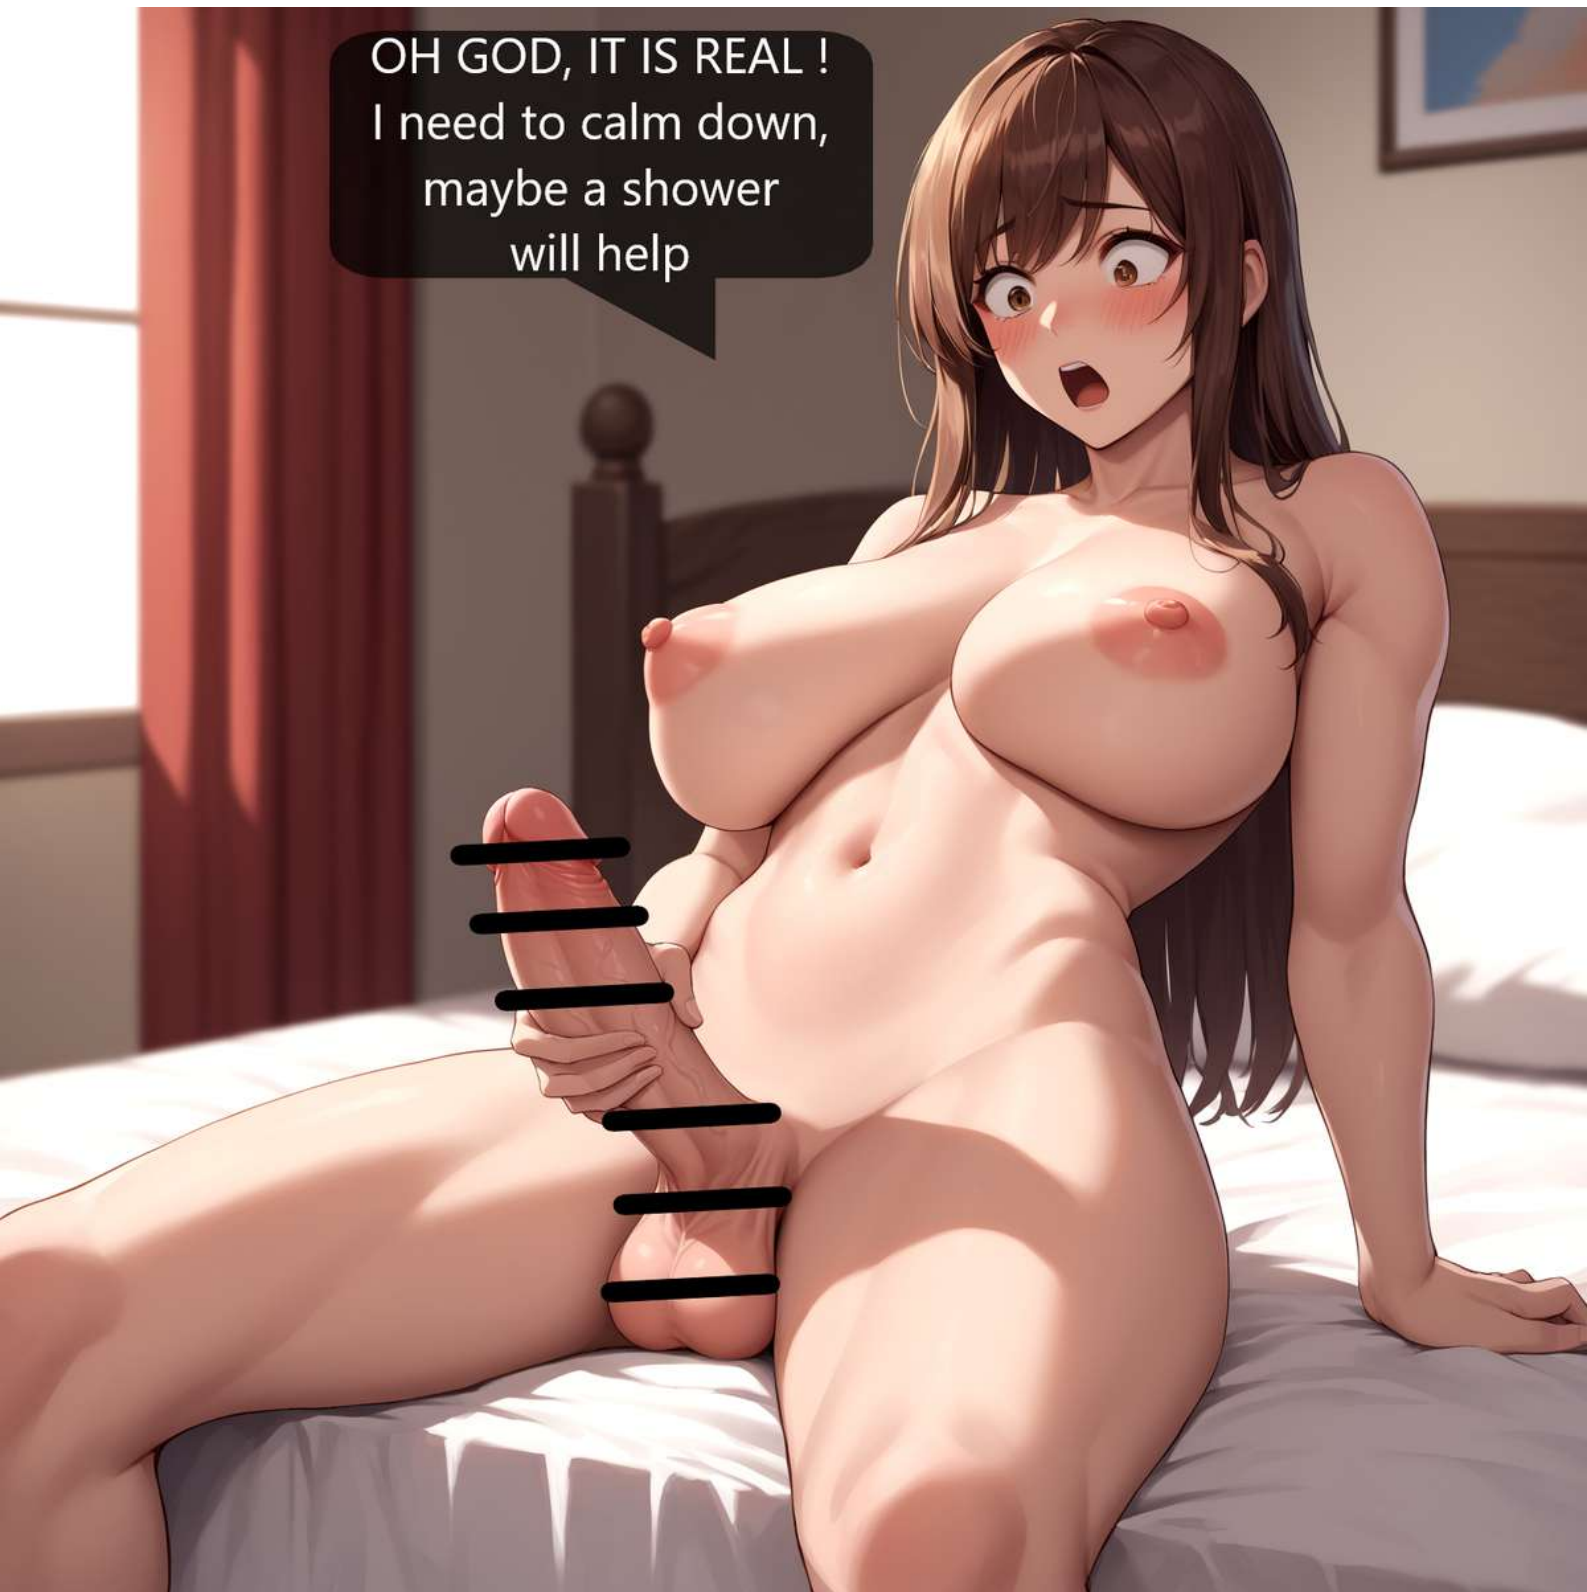

Oh no, no, no, no!
This can't be real, it
must be part of
my dream

If I touch it, I probably won't feel a thing

OH GOD, IT IS REAL !
I need to calm down,
maybe a shower
will help

At least that "thing"
isn't stiff anymore
There must be an
explanation to it

It say's that a few people,
depending on their genetics,
may develop male features
when using the product,
it can be treated, if done so
in a timely manner and the
user isn't overly stimulated
WHY ME THOUGH !

What an awful
way to start
the day

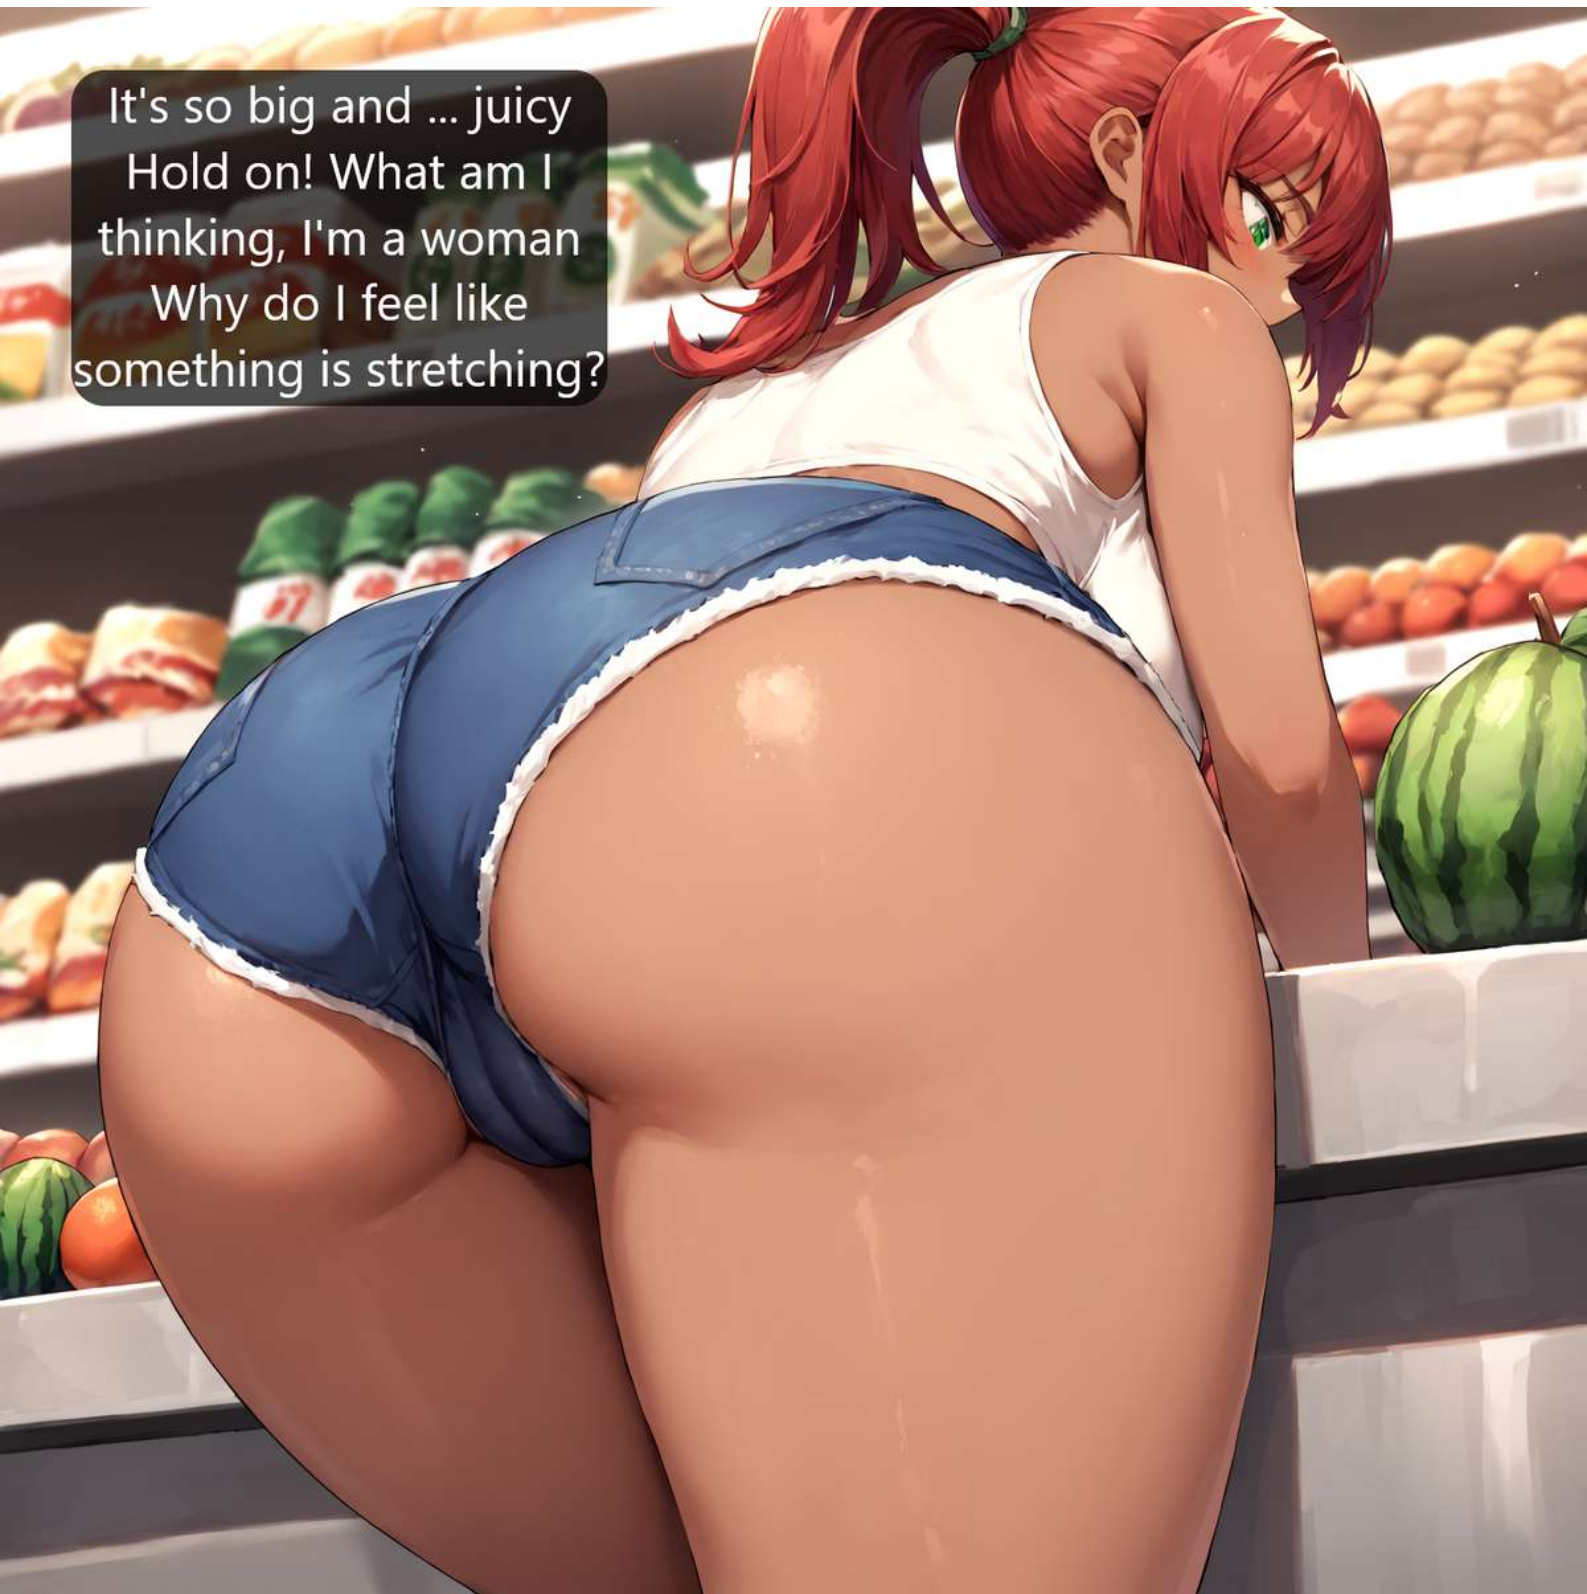

But I still need to
do my chores
What do I need
again? Ah yes, fruits

Oh my god, would you look at that ass
Teens these days

It's so big and ... juicy
Hold on! What am I
thinking, I'm a woman
Why do I feel like
something is stretching?

Oh god, this can't be happening now
I hope nobody sees me, I think it's better to leave

I can still buy groceries tomorrow I need to find a place where I am alone

Quickly, into one
of the less
crowded alleys

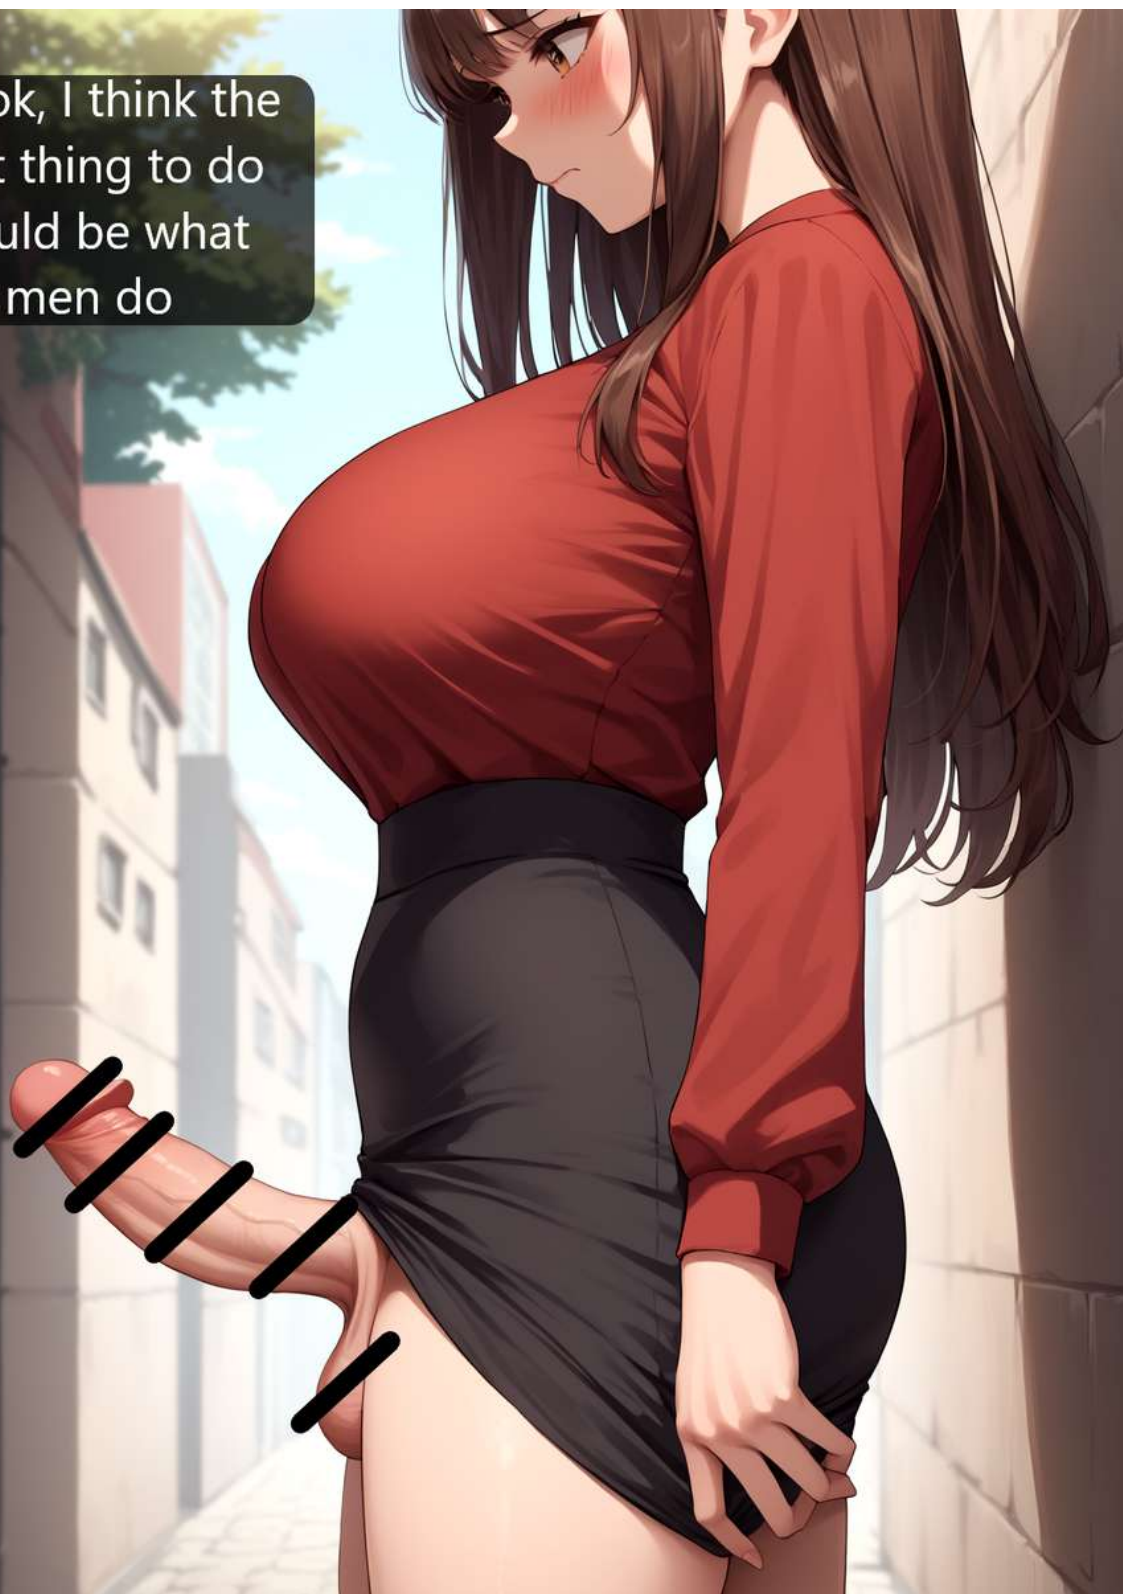

This is so awkward

Finally, solitude
I need to calm
this "thing" down

Ok, ok, I think the best thing to do would be what men do

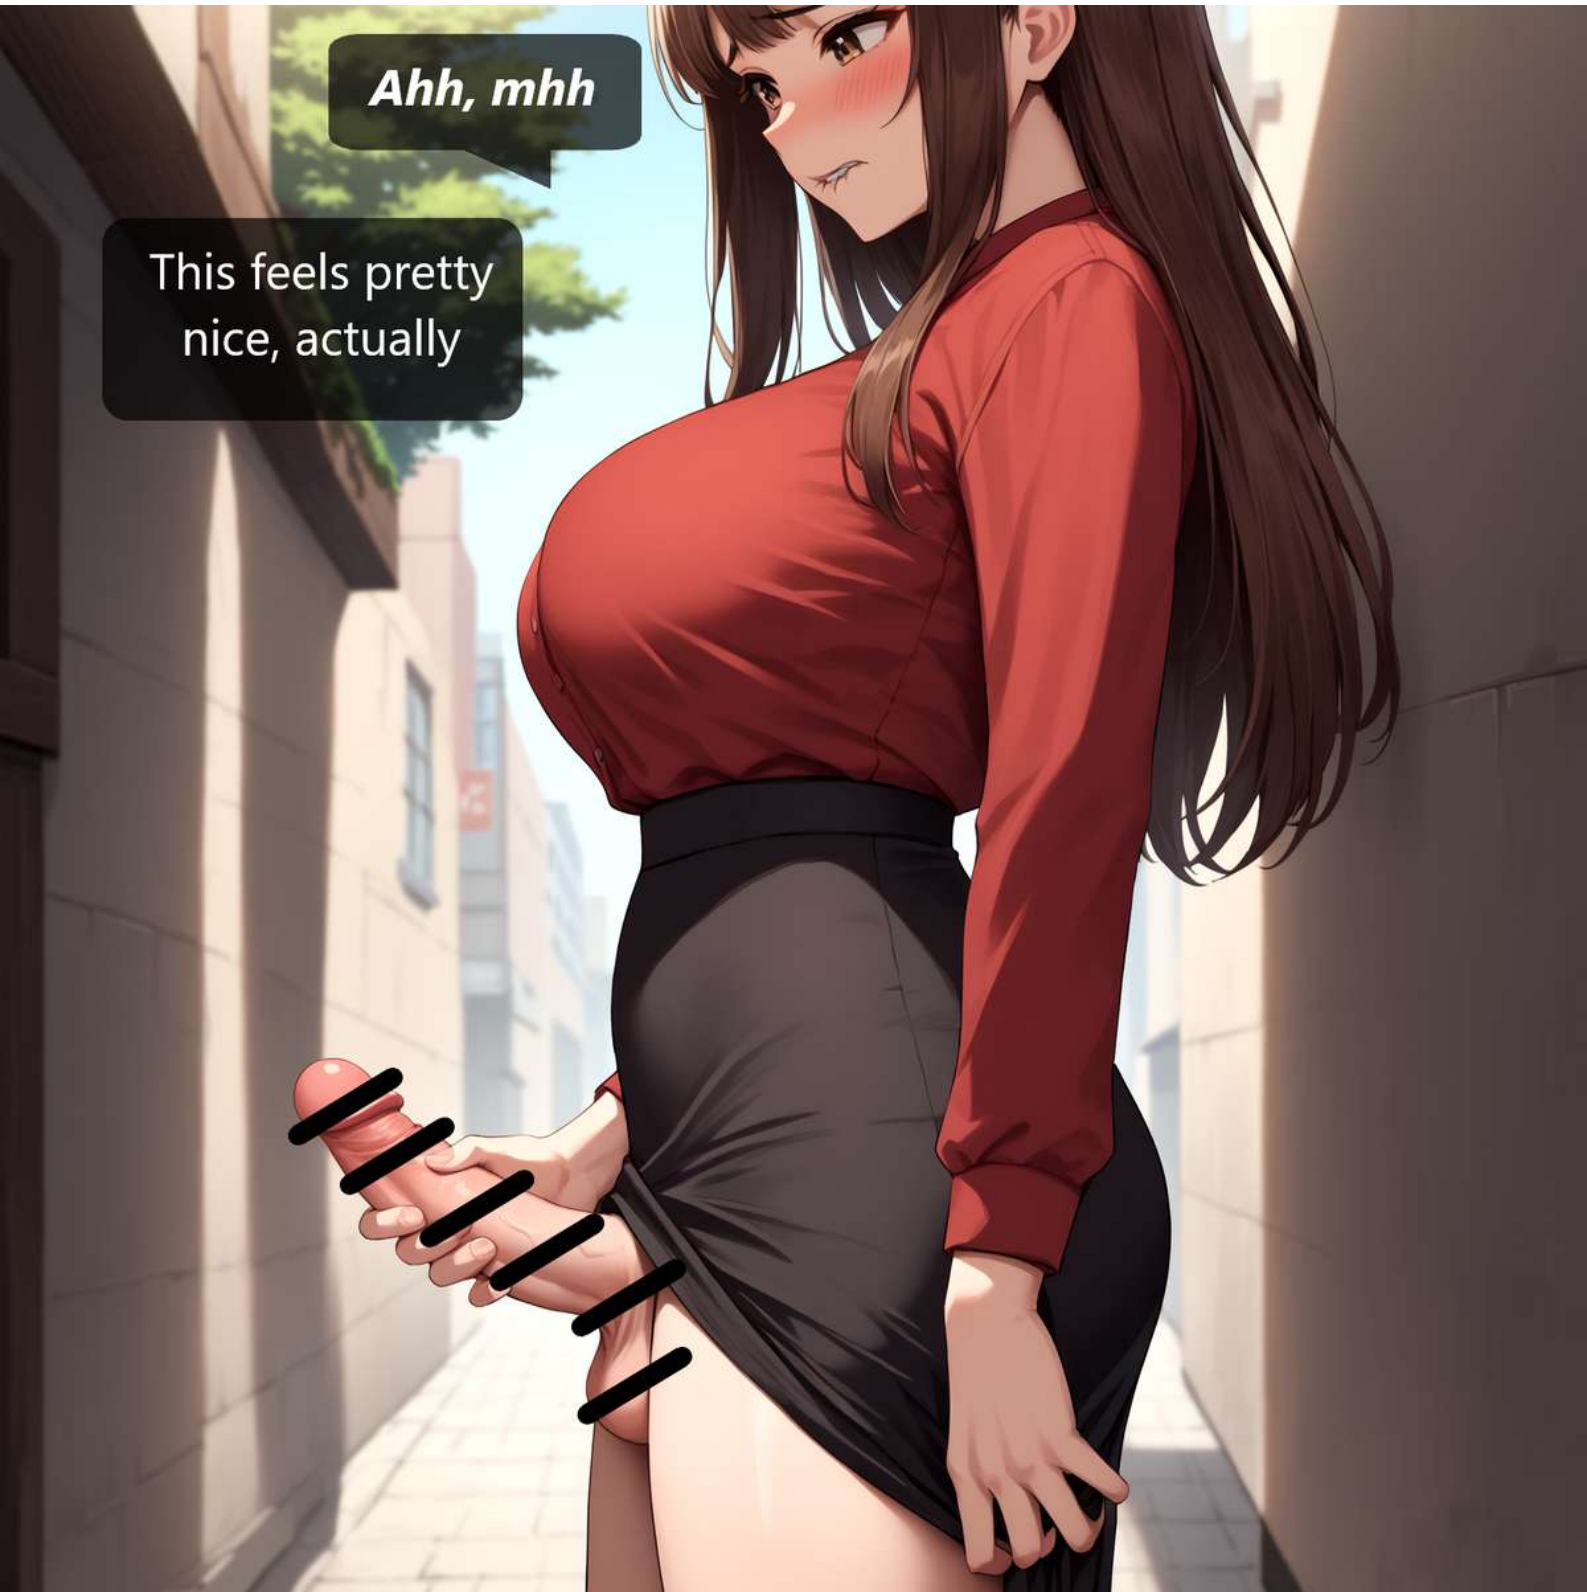

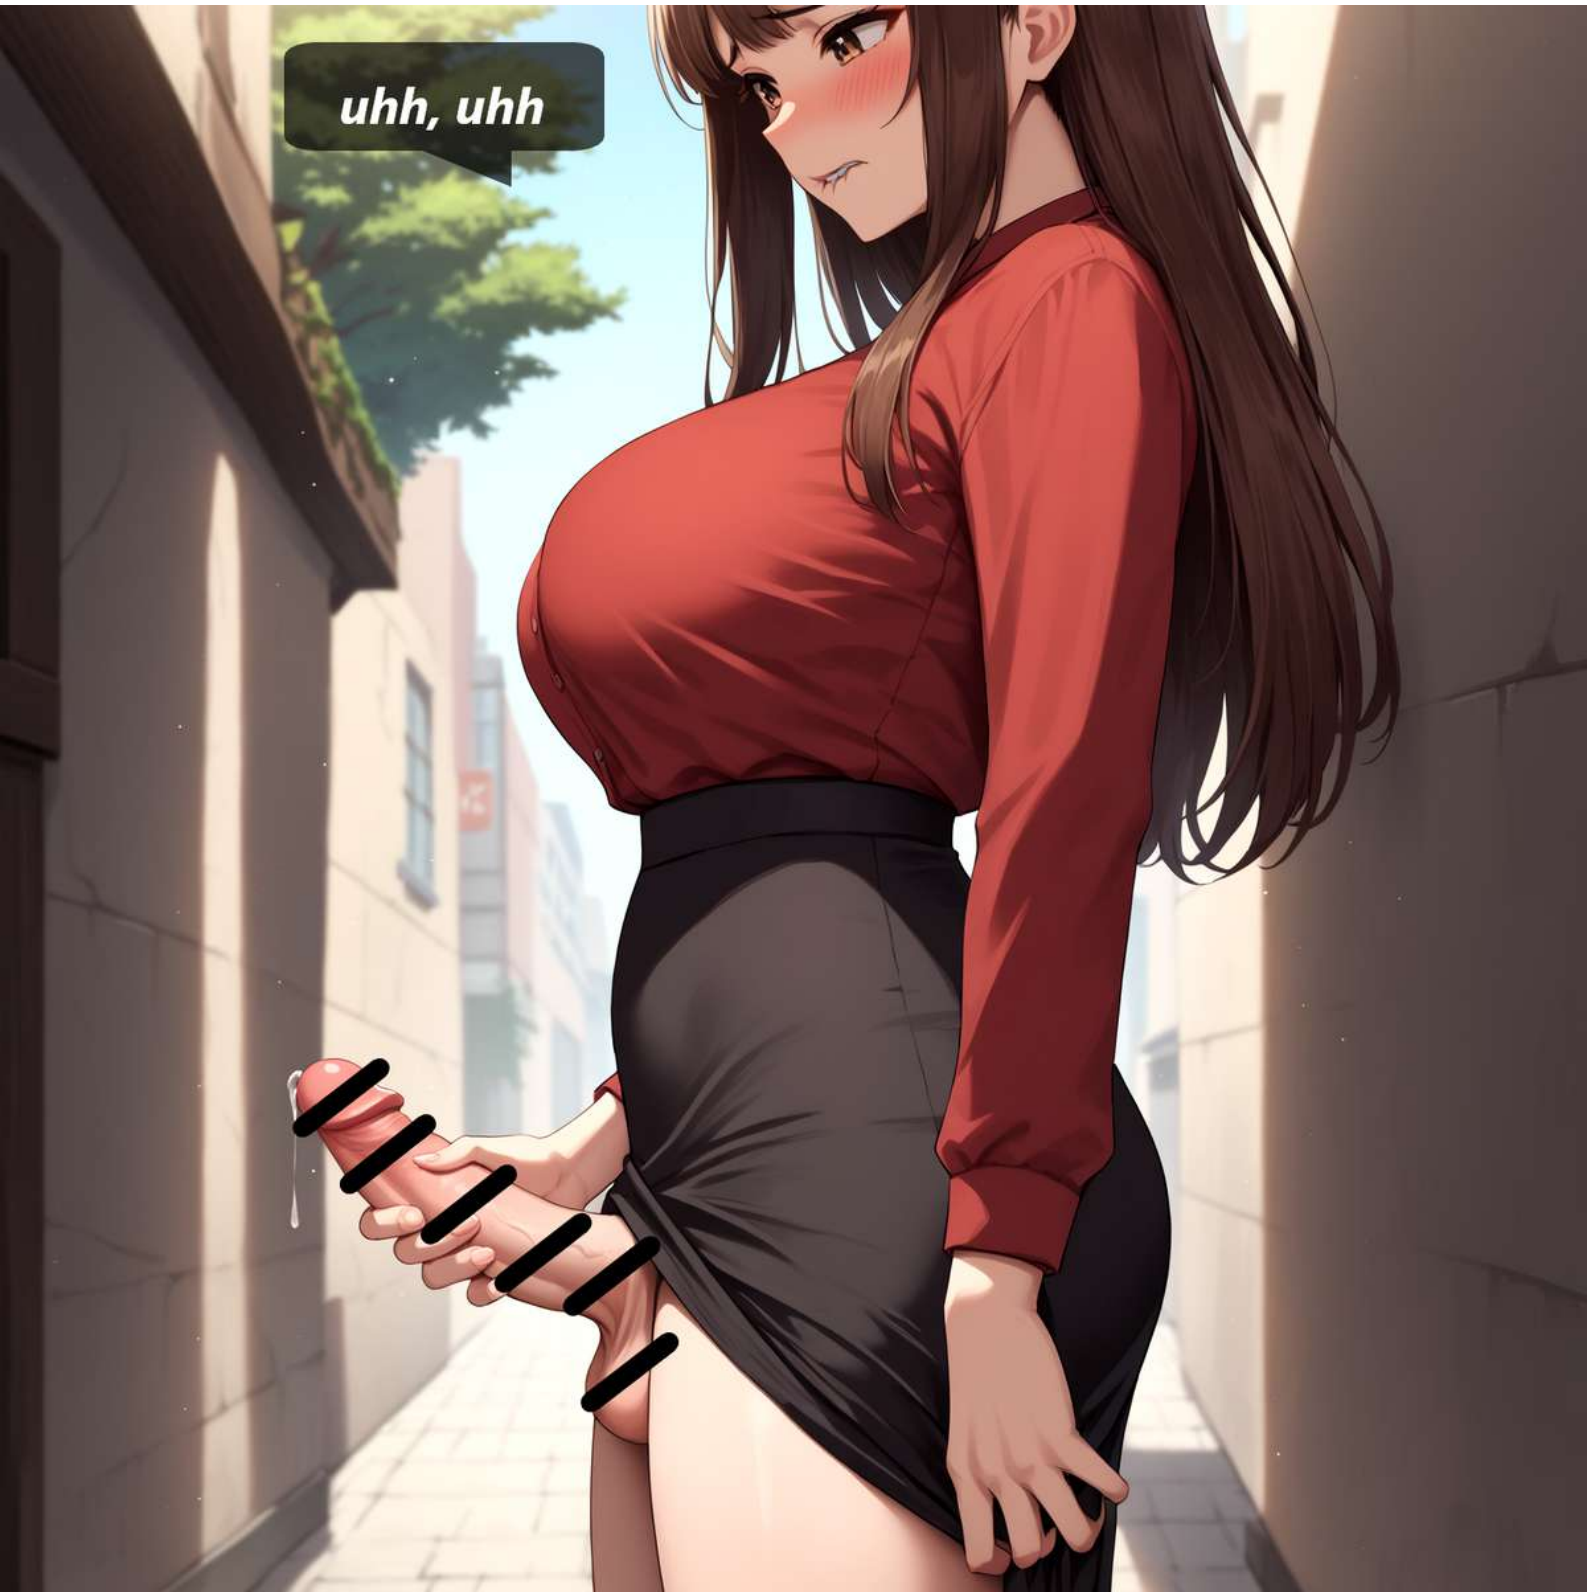

Oh god, it so
sensitive to
the touch

Ahh, mhh

This feels pretty nice, actually

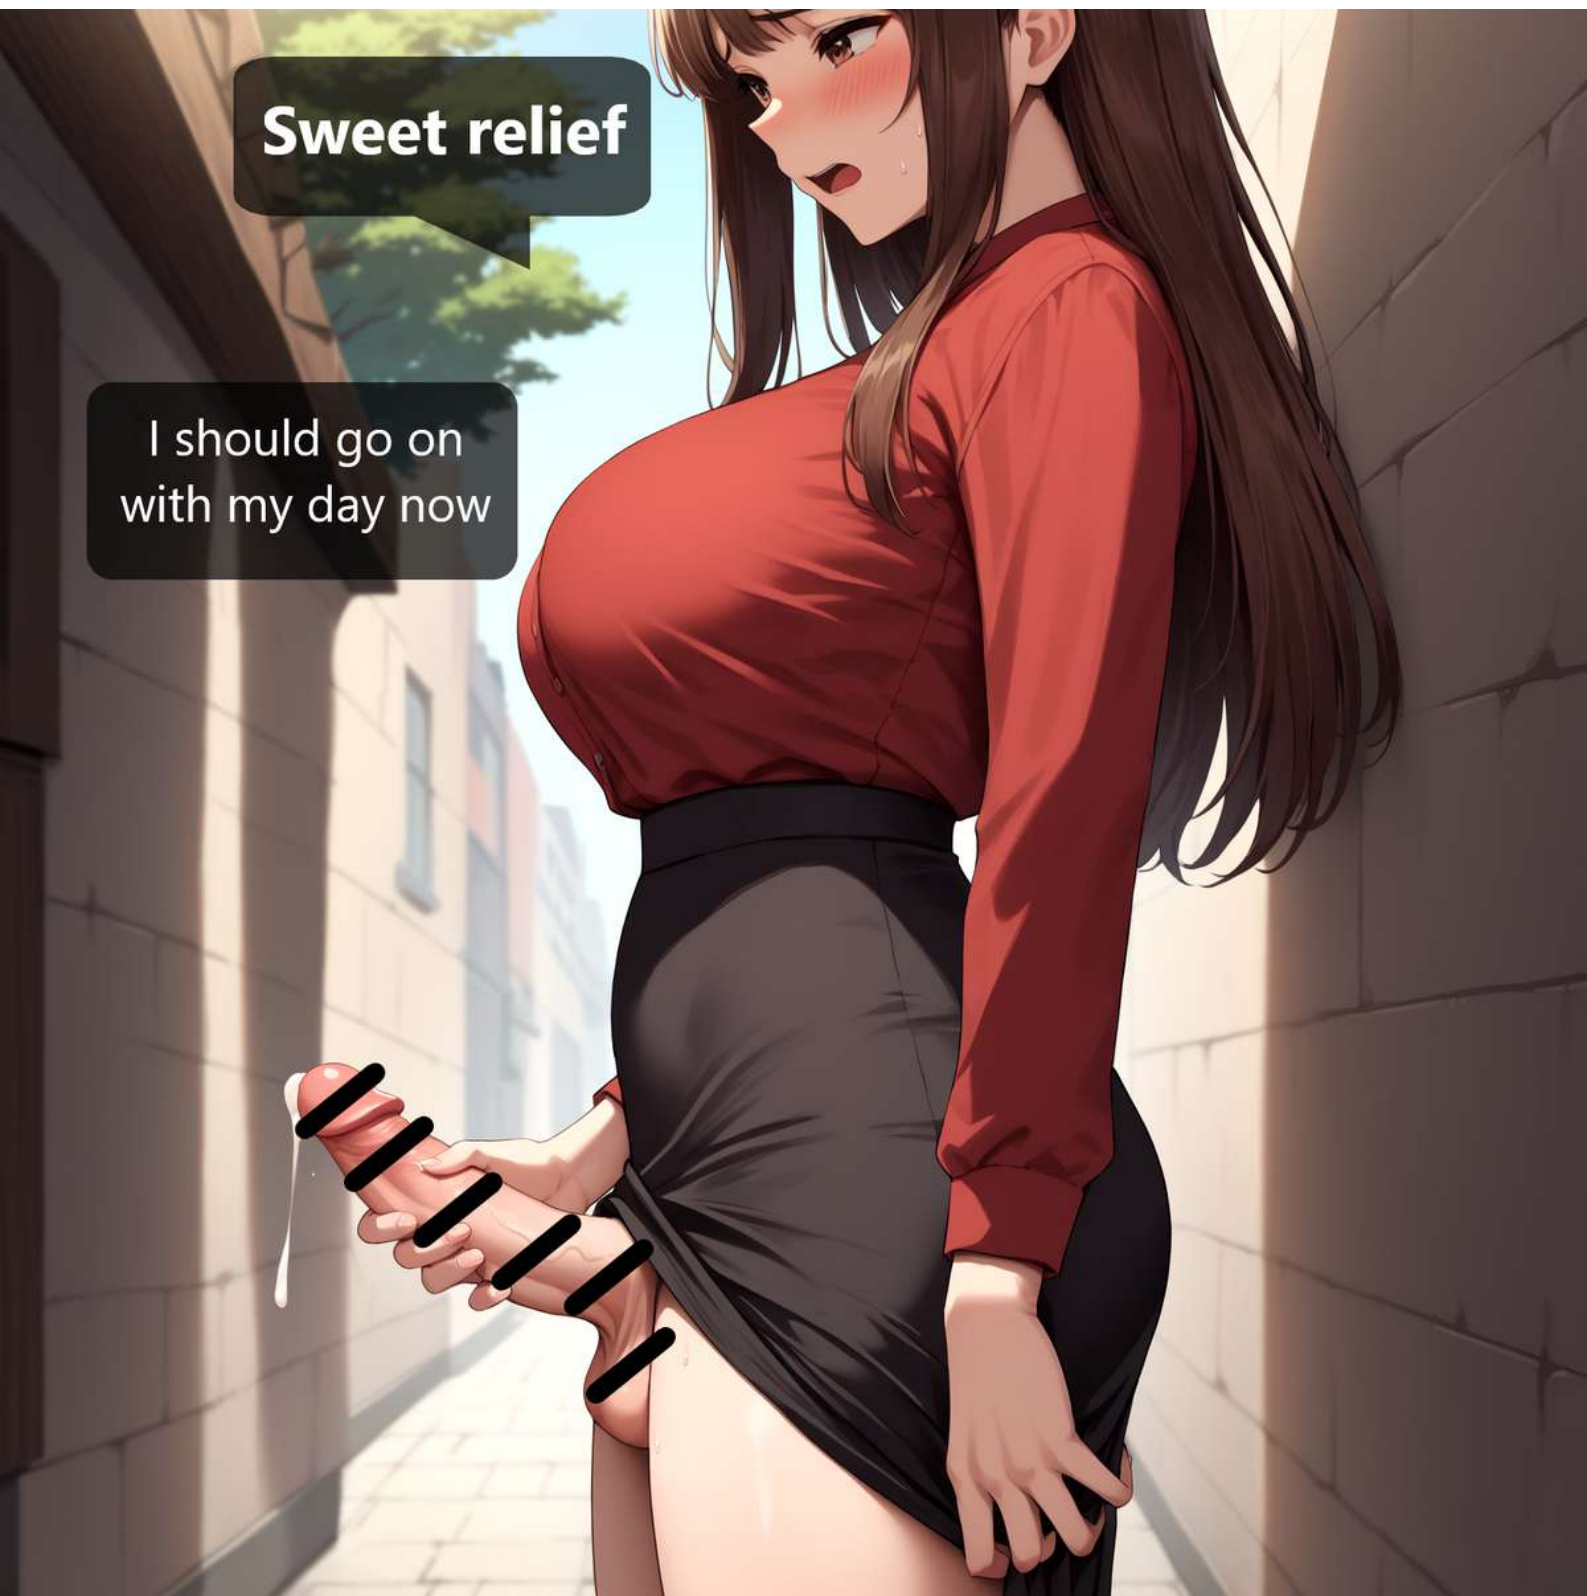

uhh, uhh

ahhh! Yes, finally

Sweet relief

I should go on
with my day now

Oh damn, I hope she didn't hear me

Mhh, something
feels different
than usual...

my breasts cause
less pain than they
normally do
The training paid of

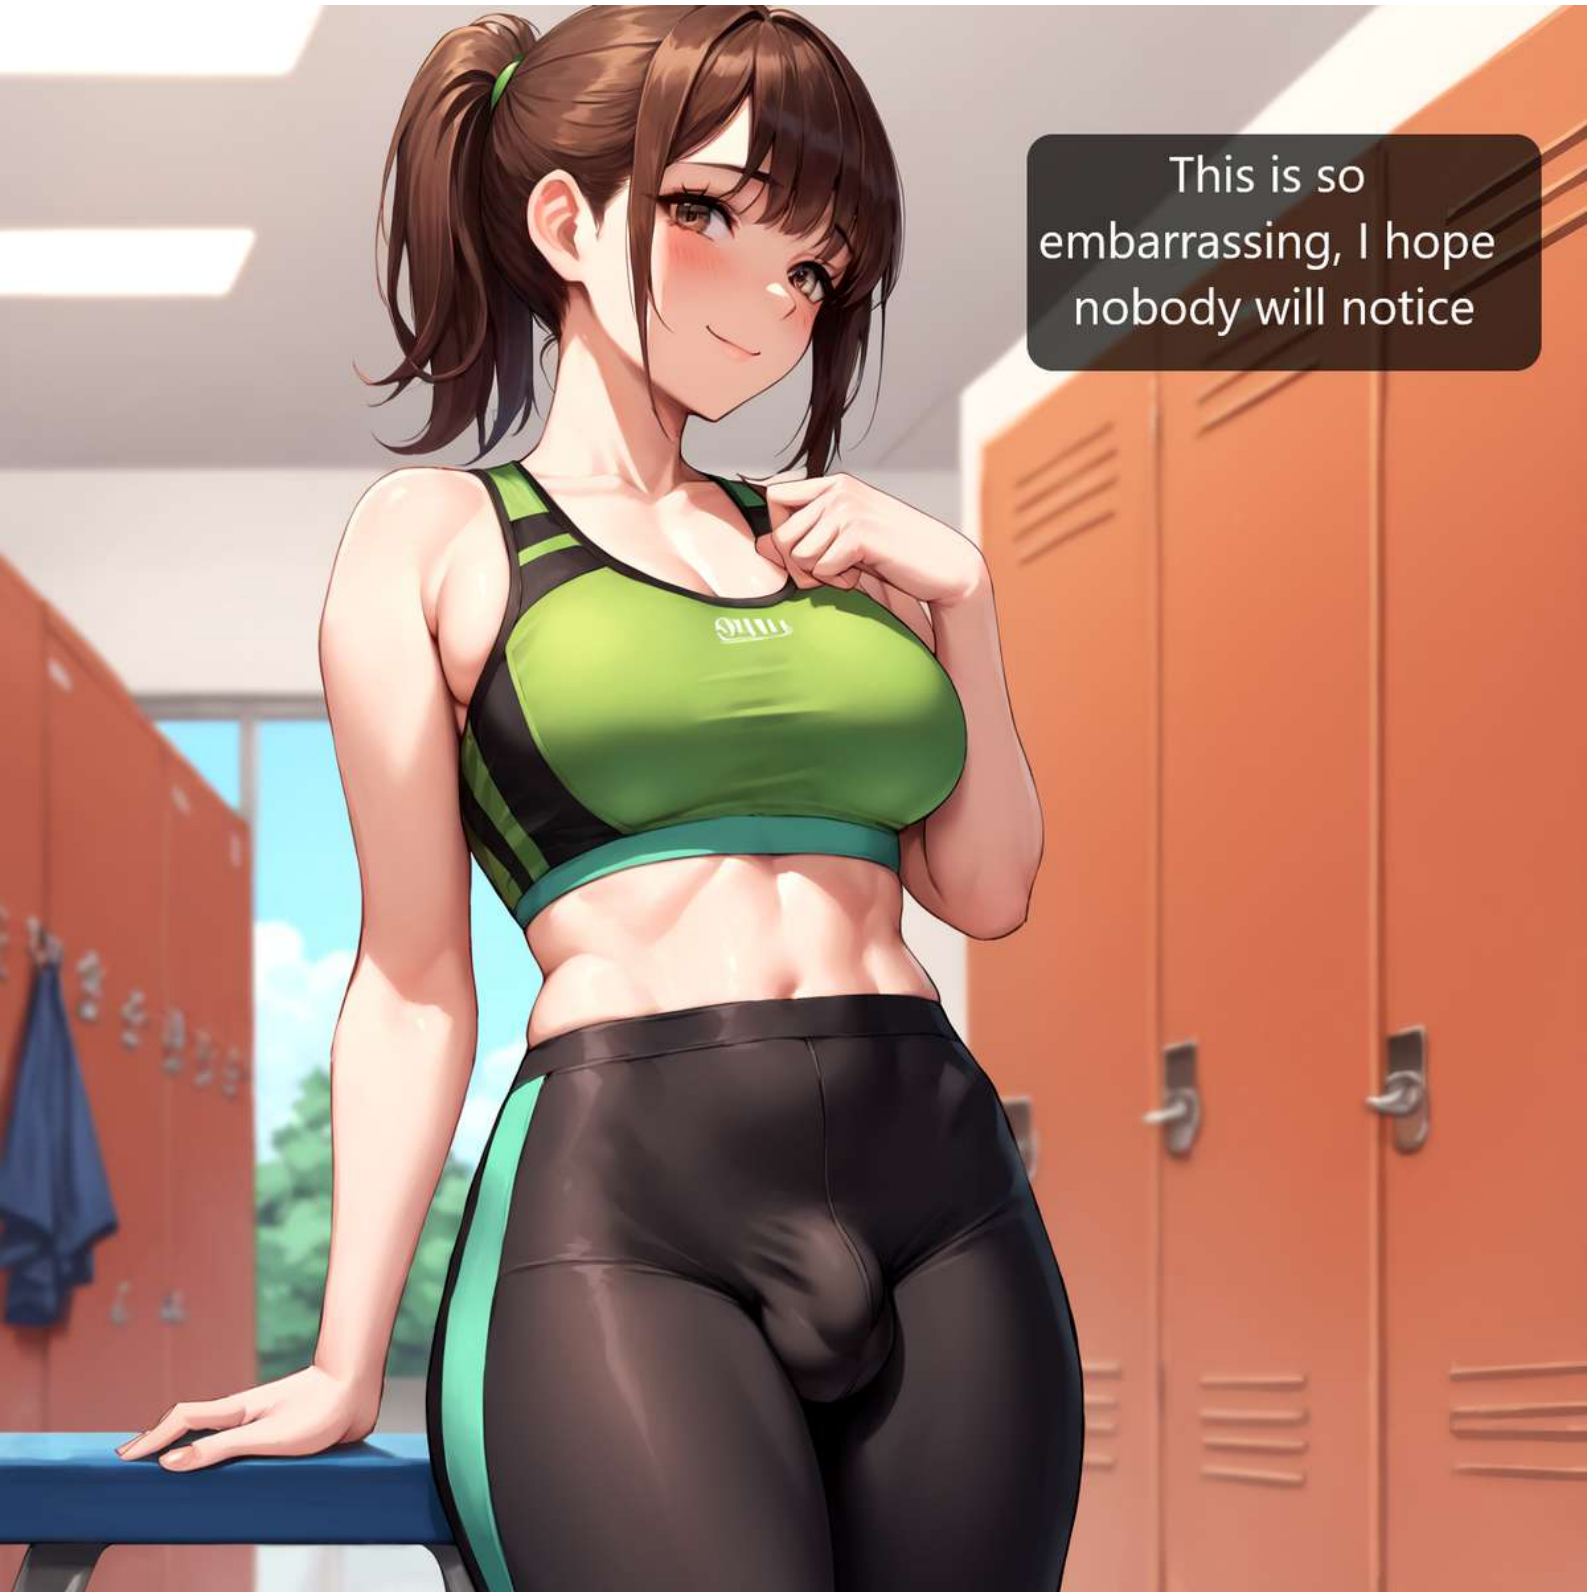

Finally, the gym
About time,
it's noon already

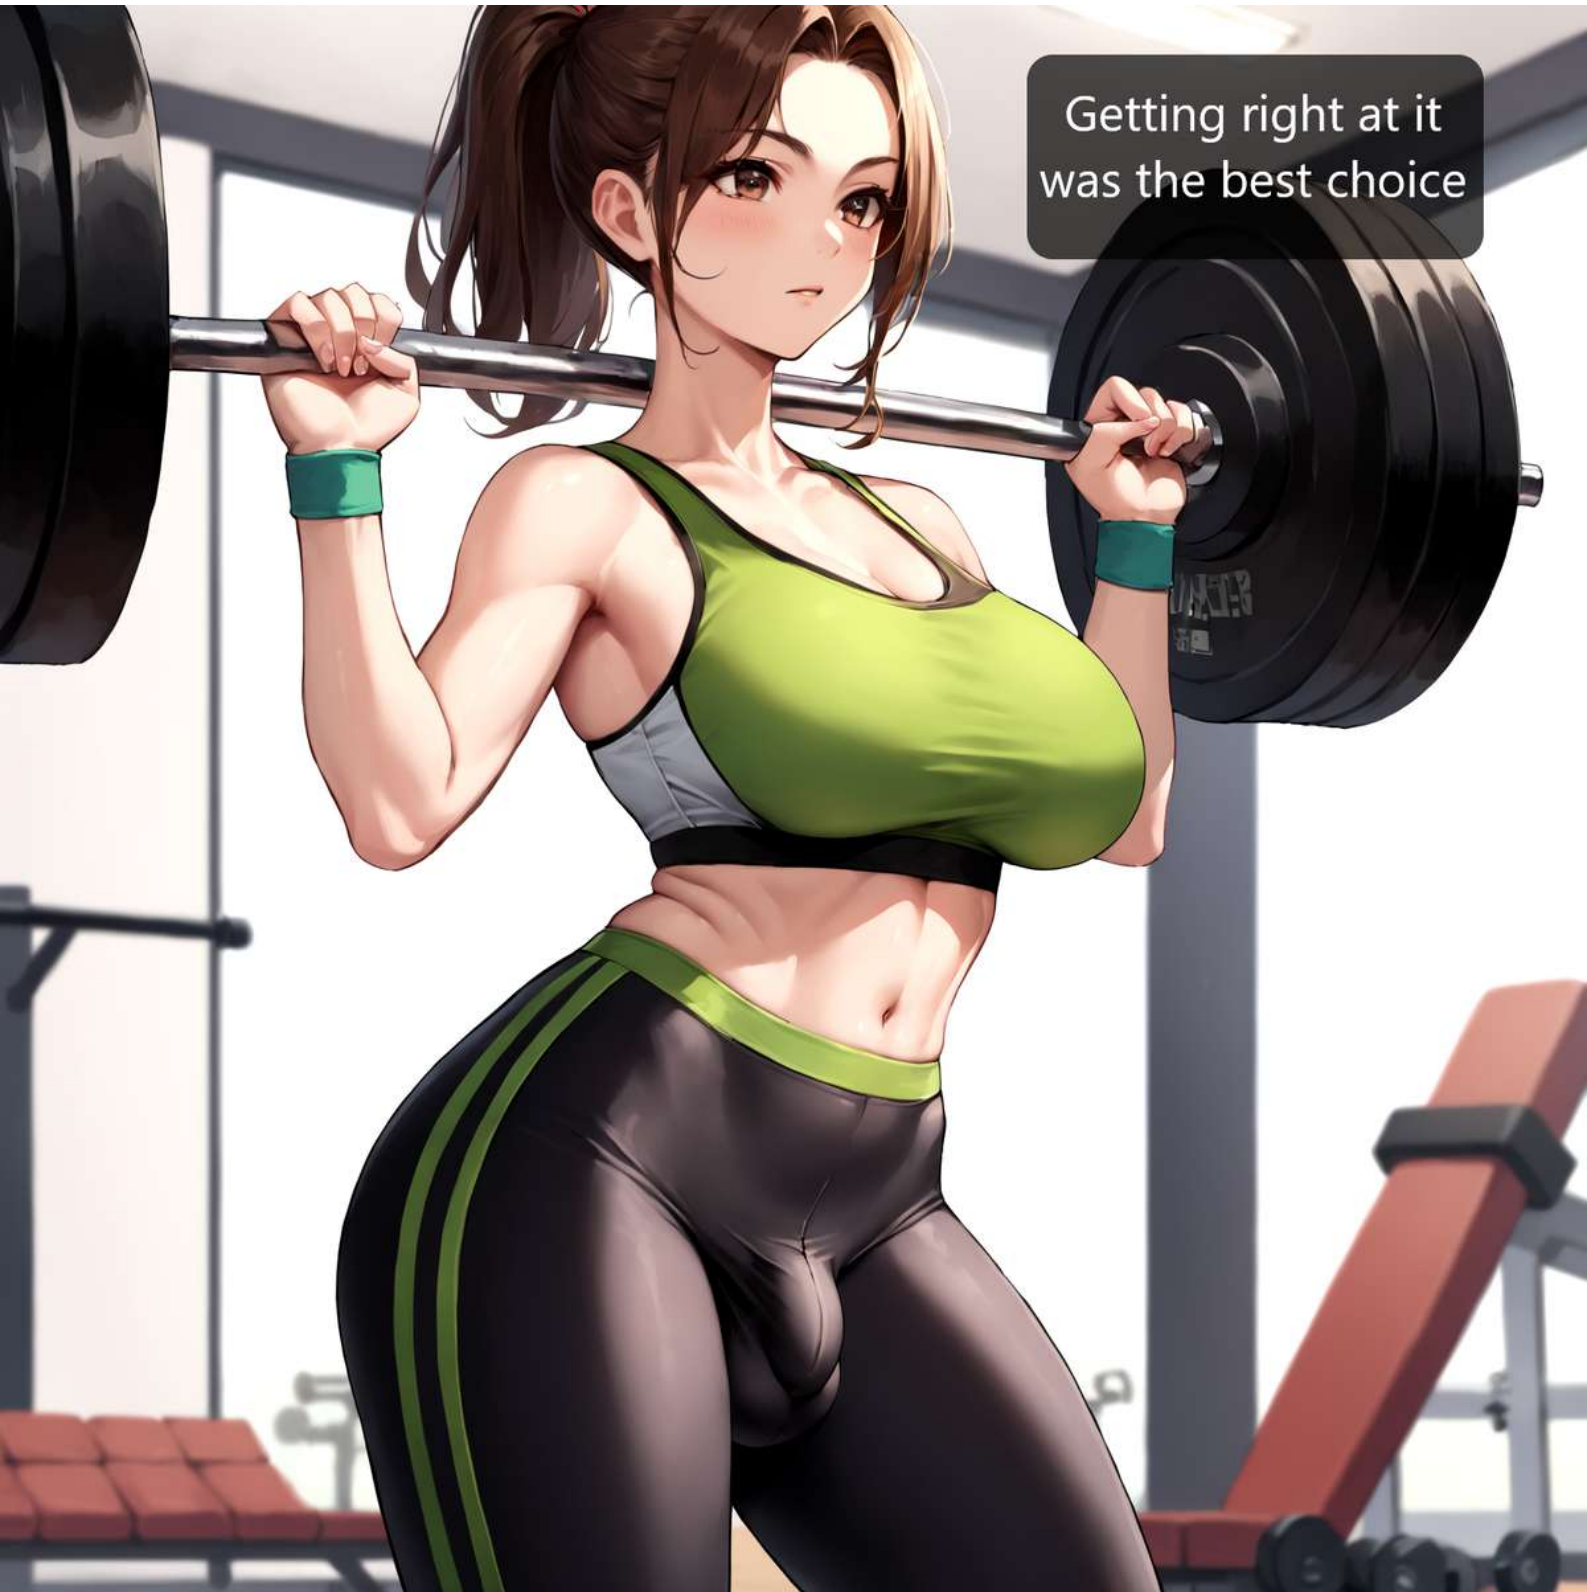

The best thing of
my day is being
here to train

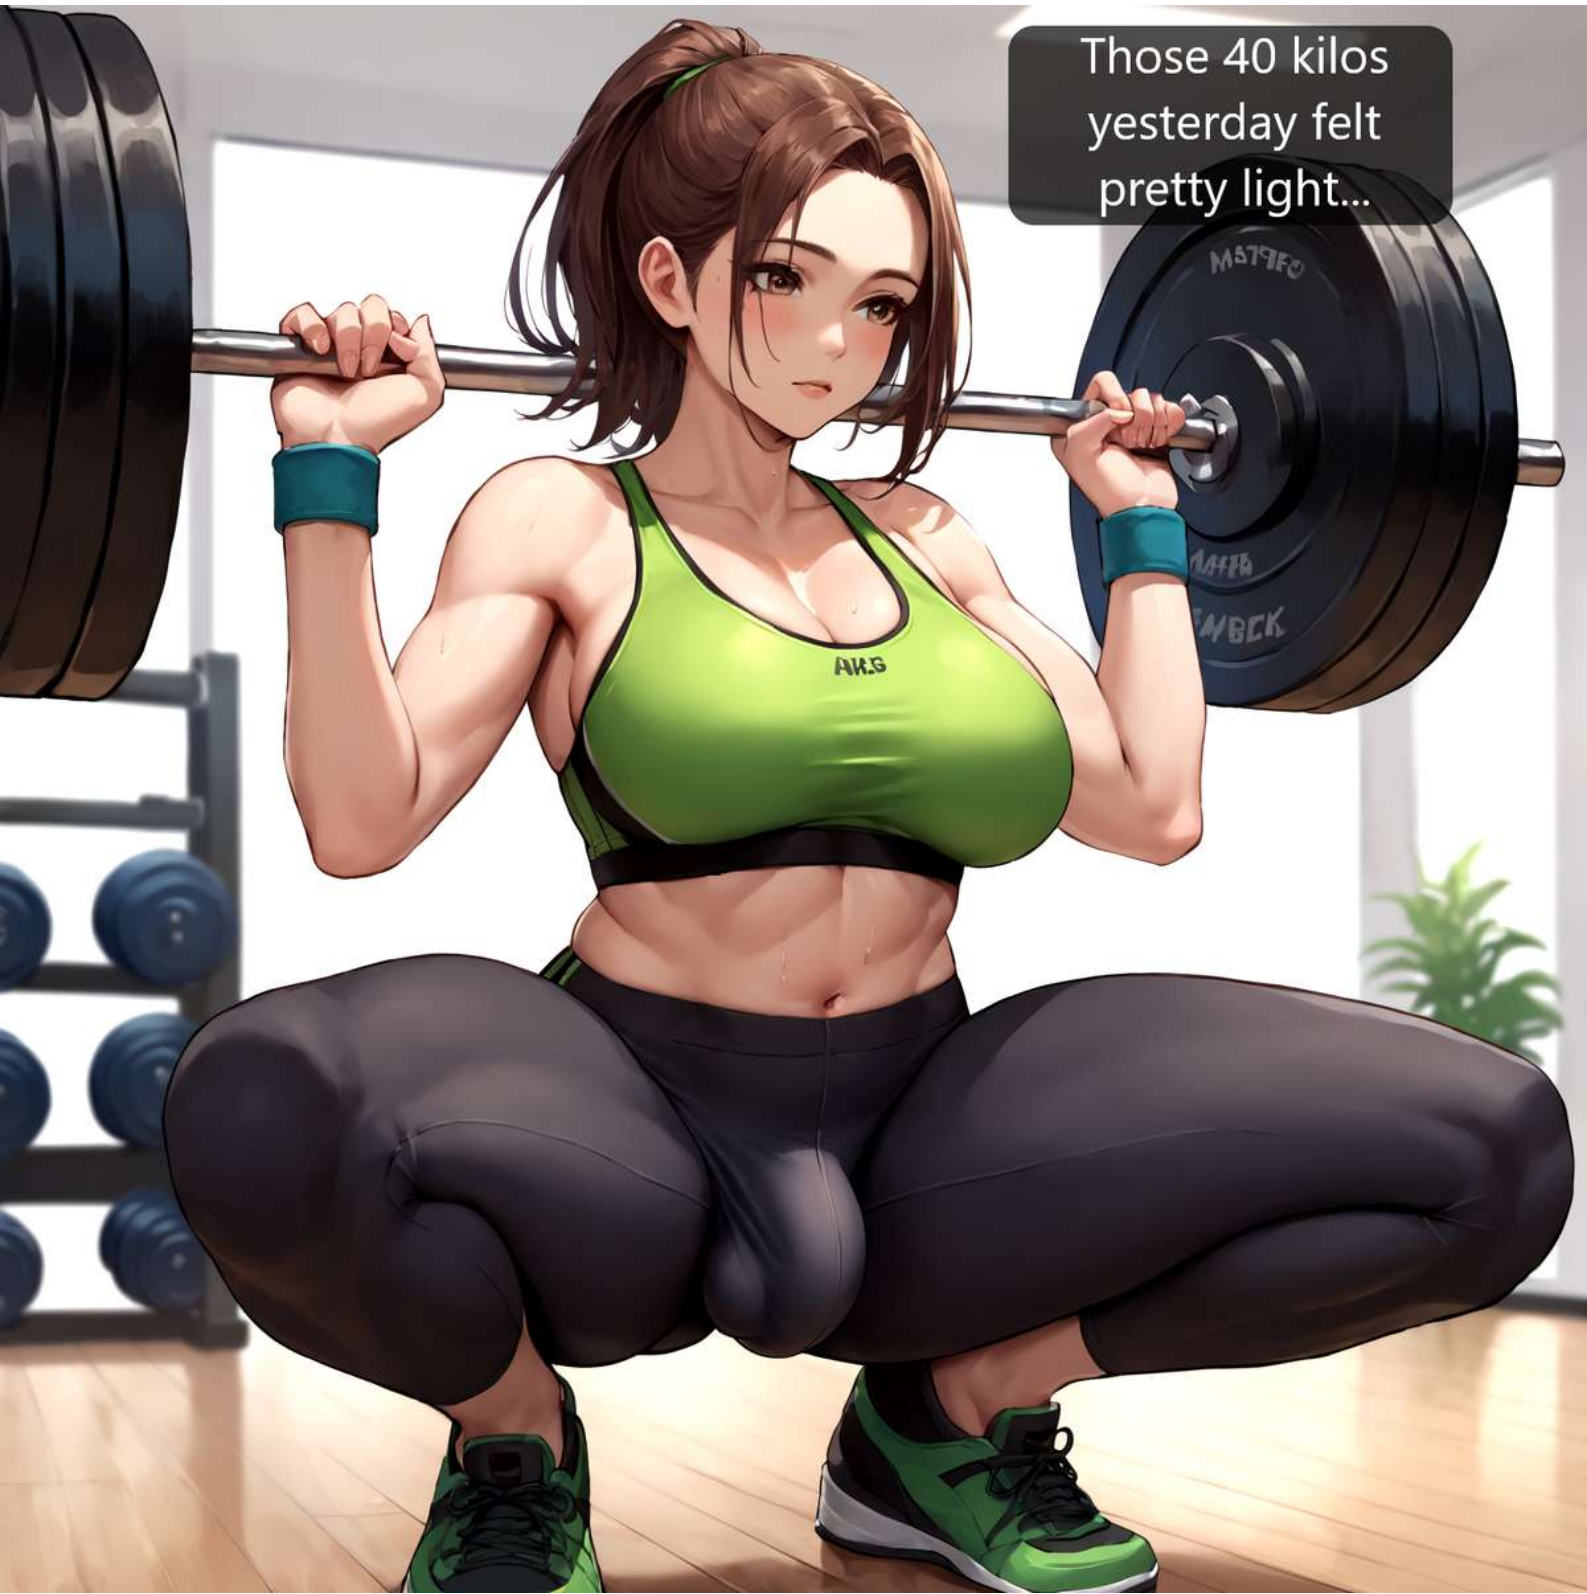

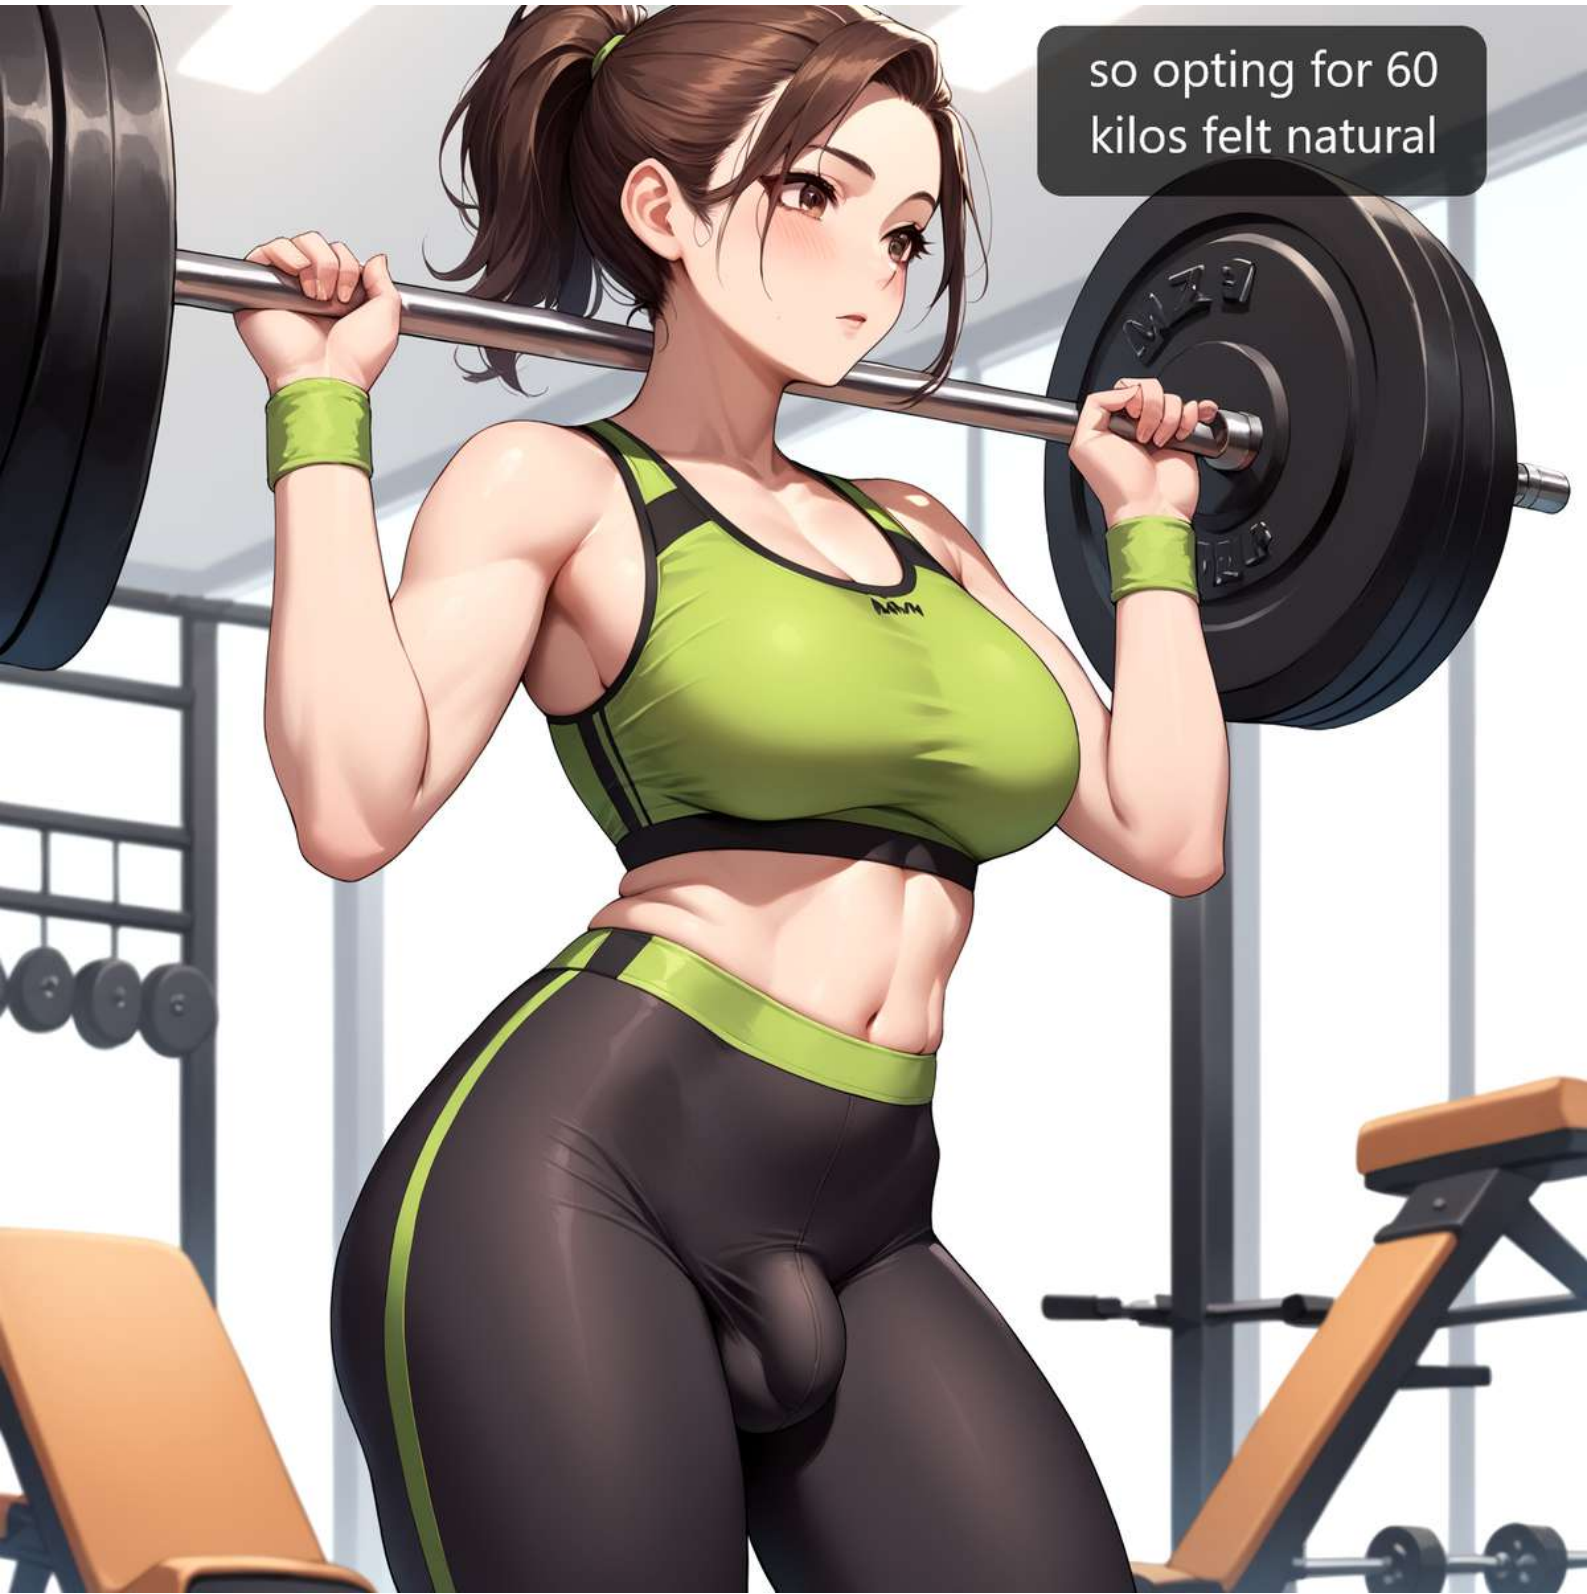

This is so embarrassing, I hope nobody will notice

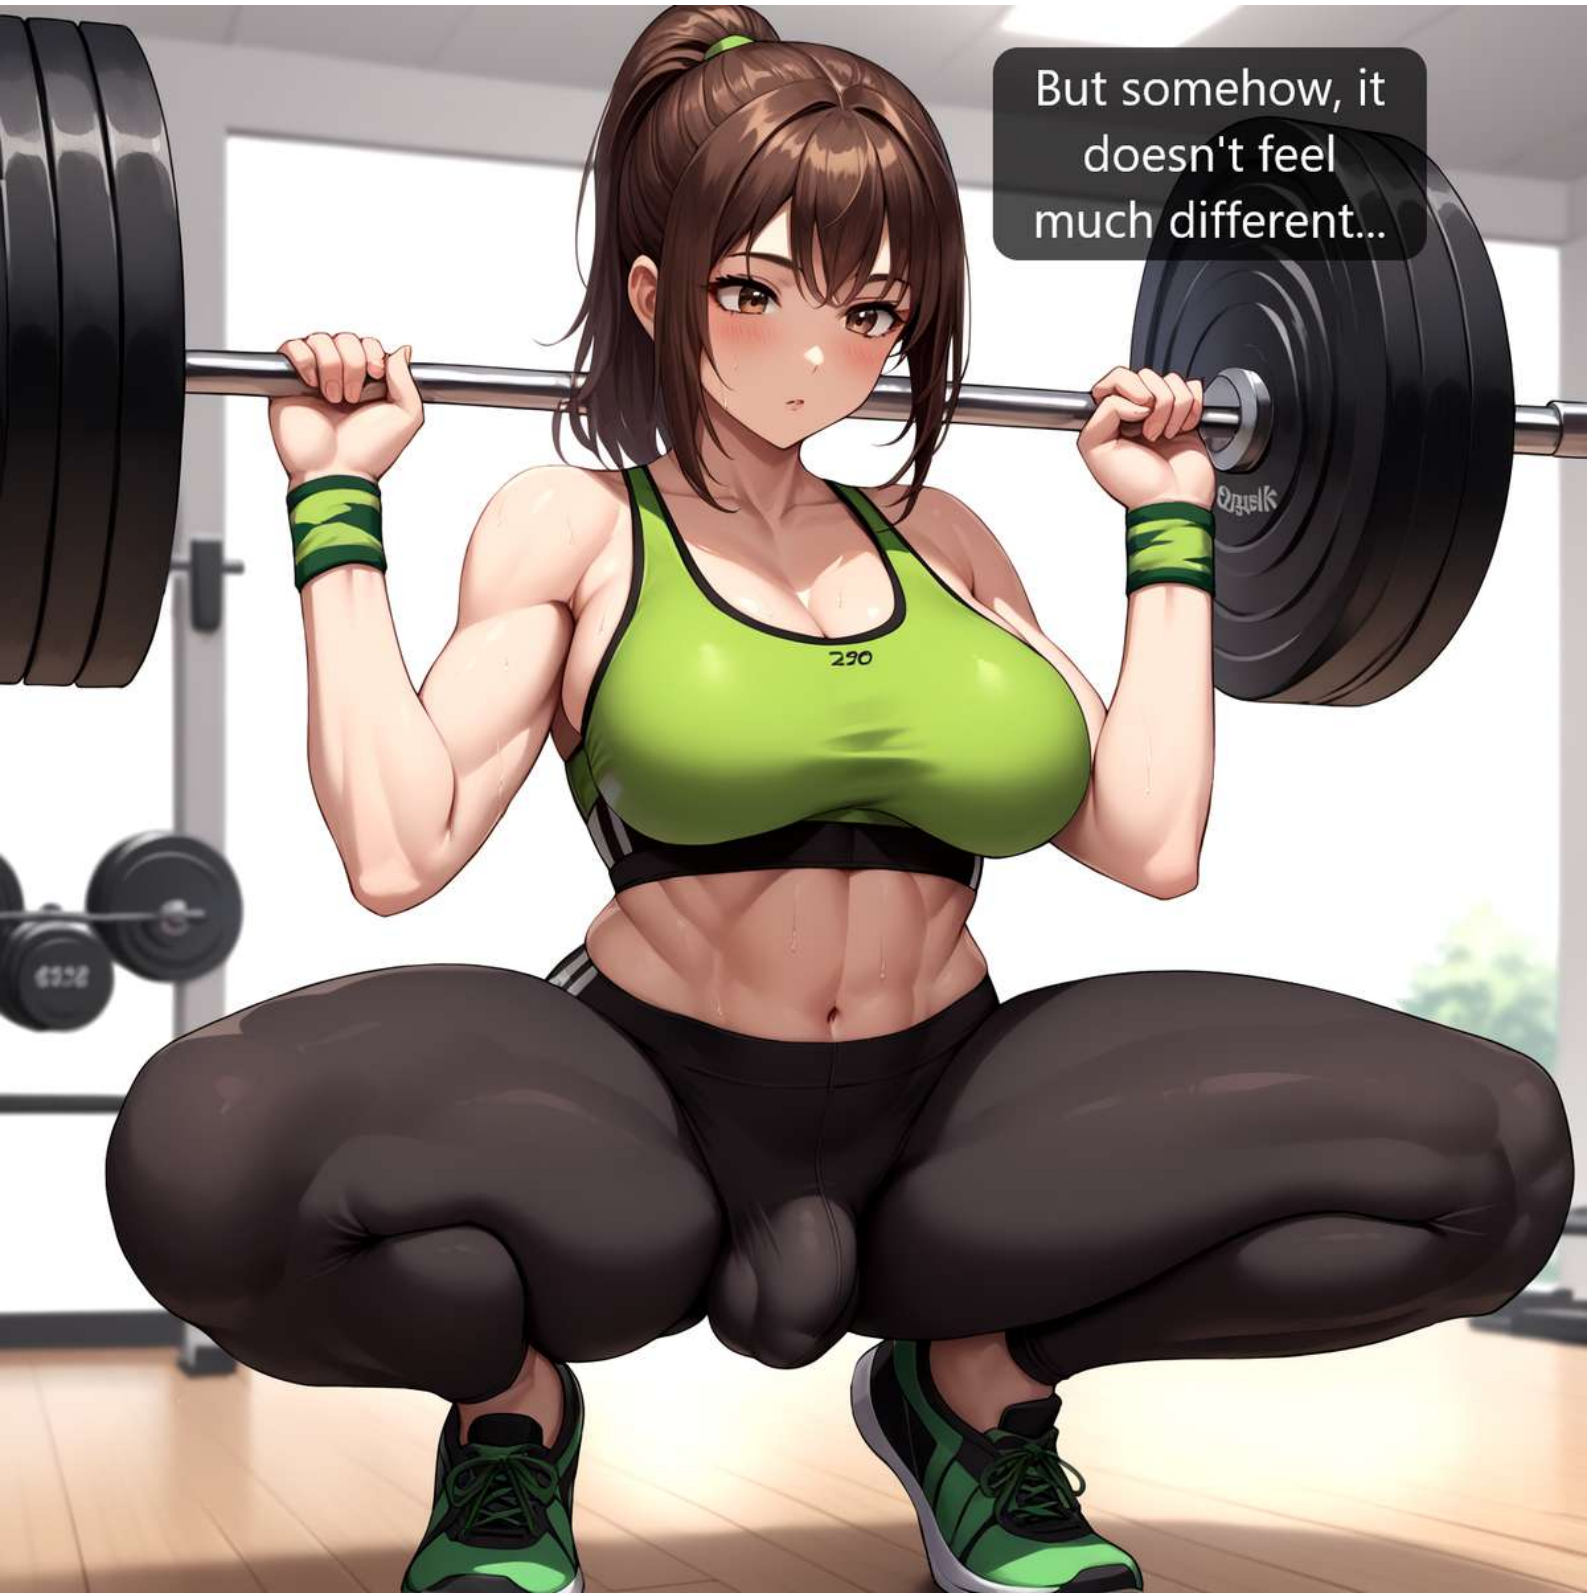

Getting right at it
was the best choice

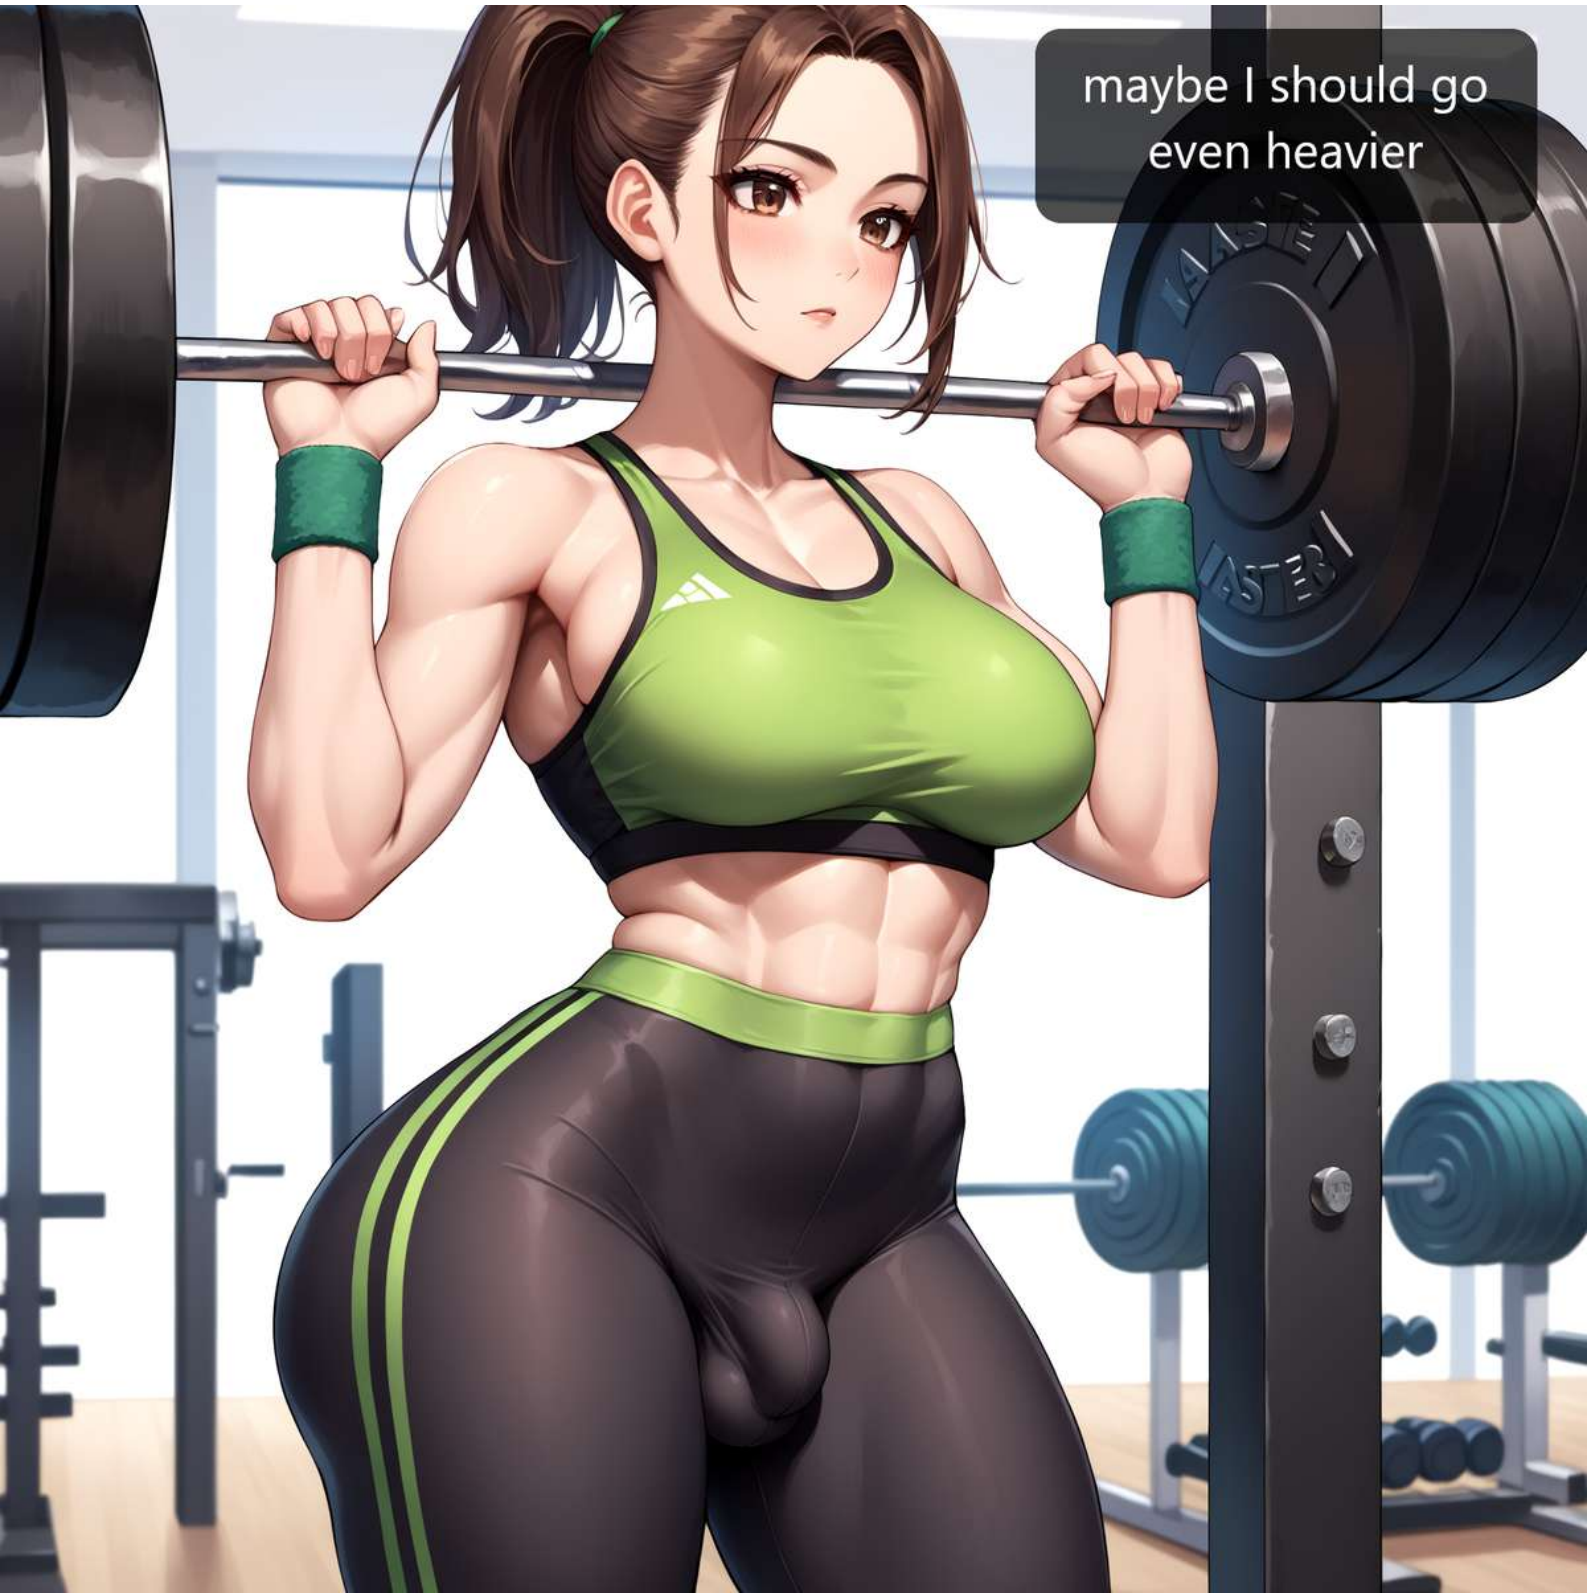

Those 40 kilos
yesterday felt
pretty light...

so opting for 60 kilos felt natural

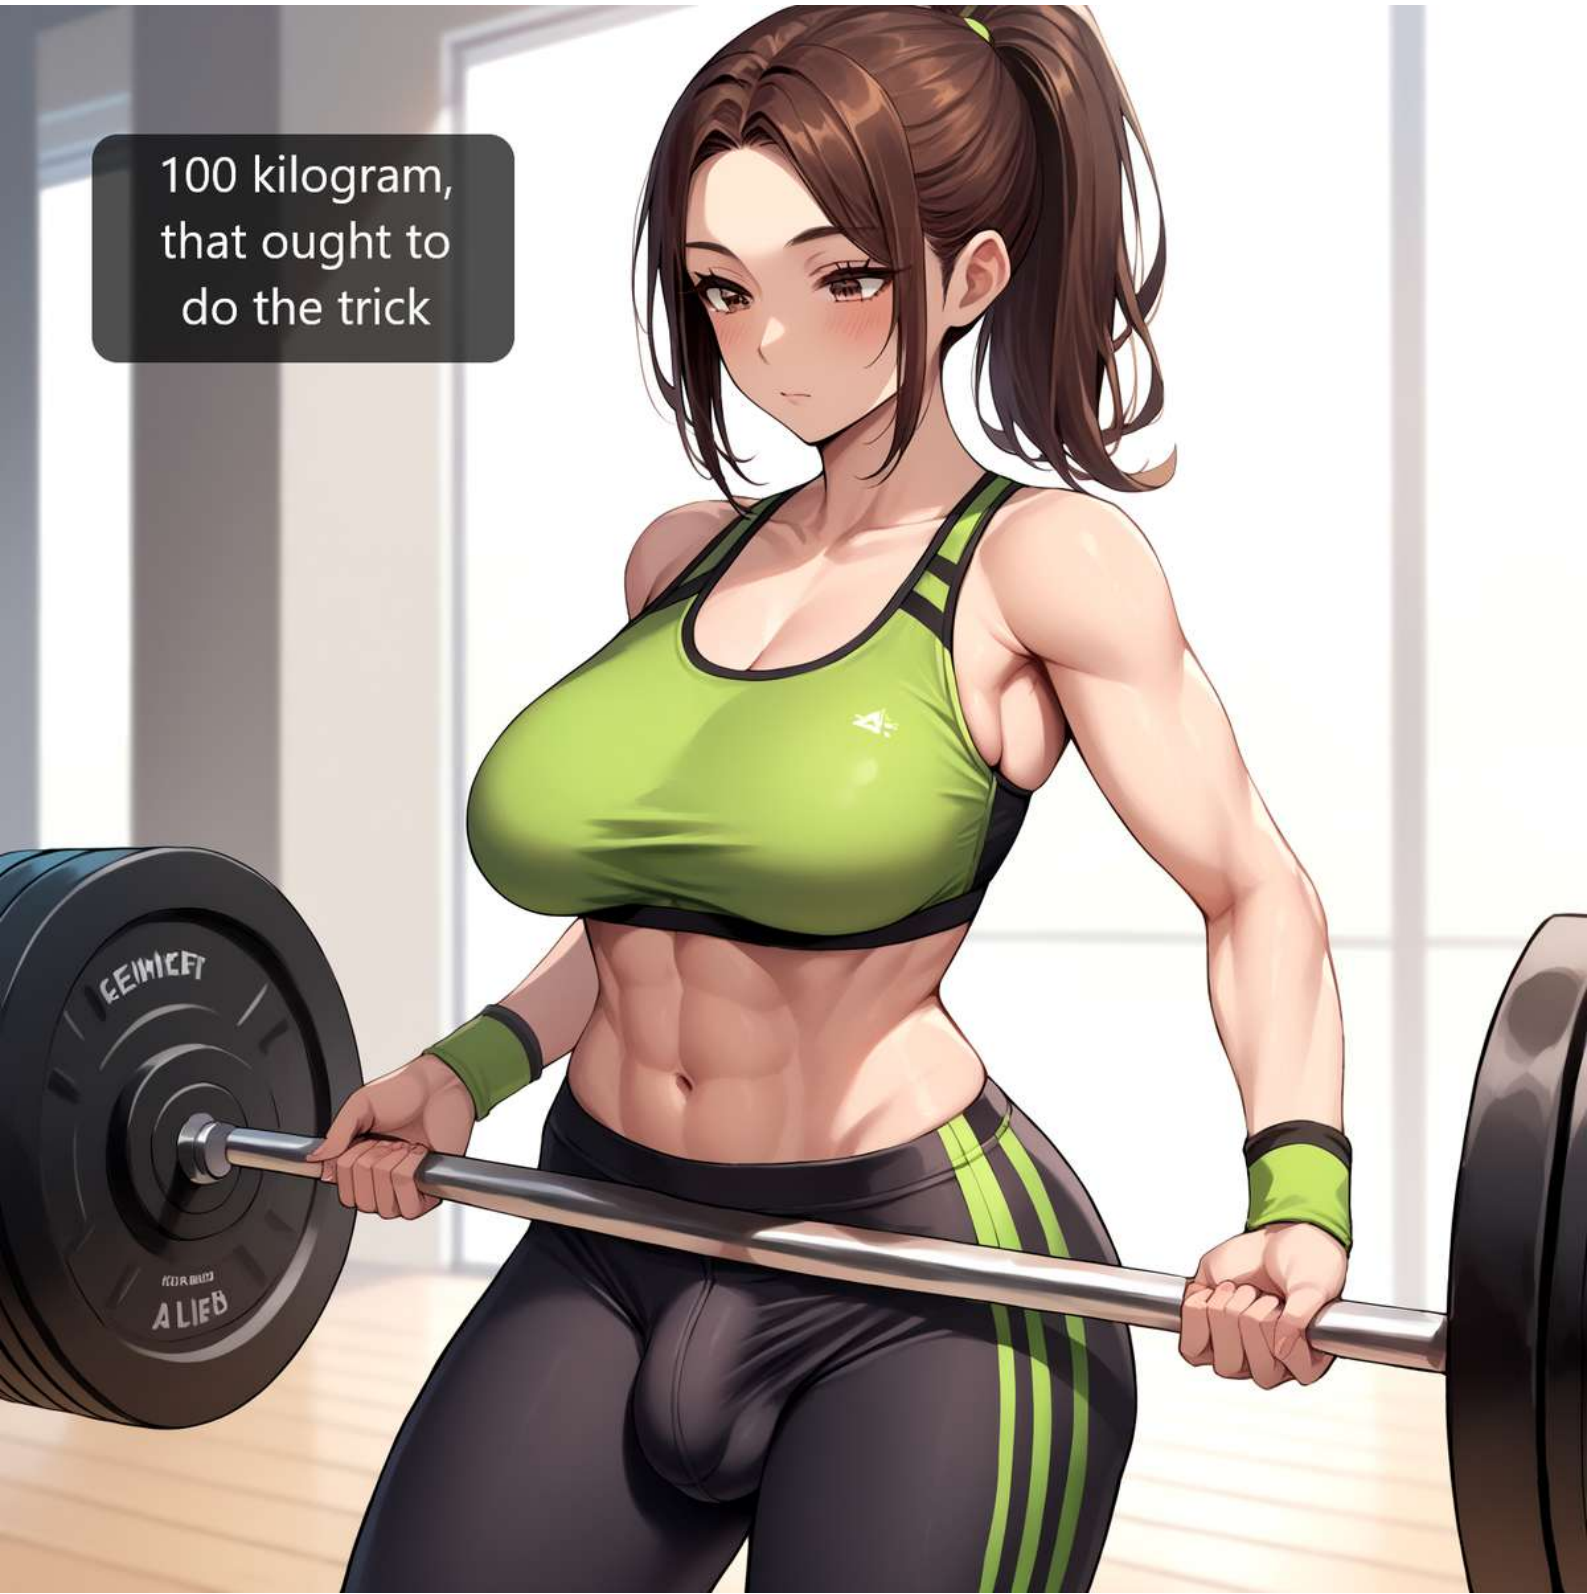

But somehow, it
doesn't feel
much different...

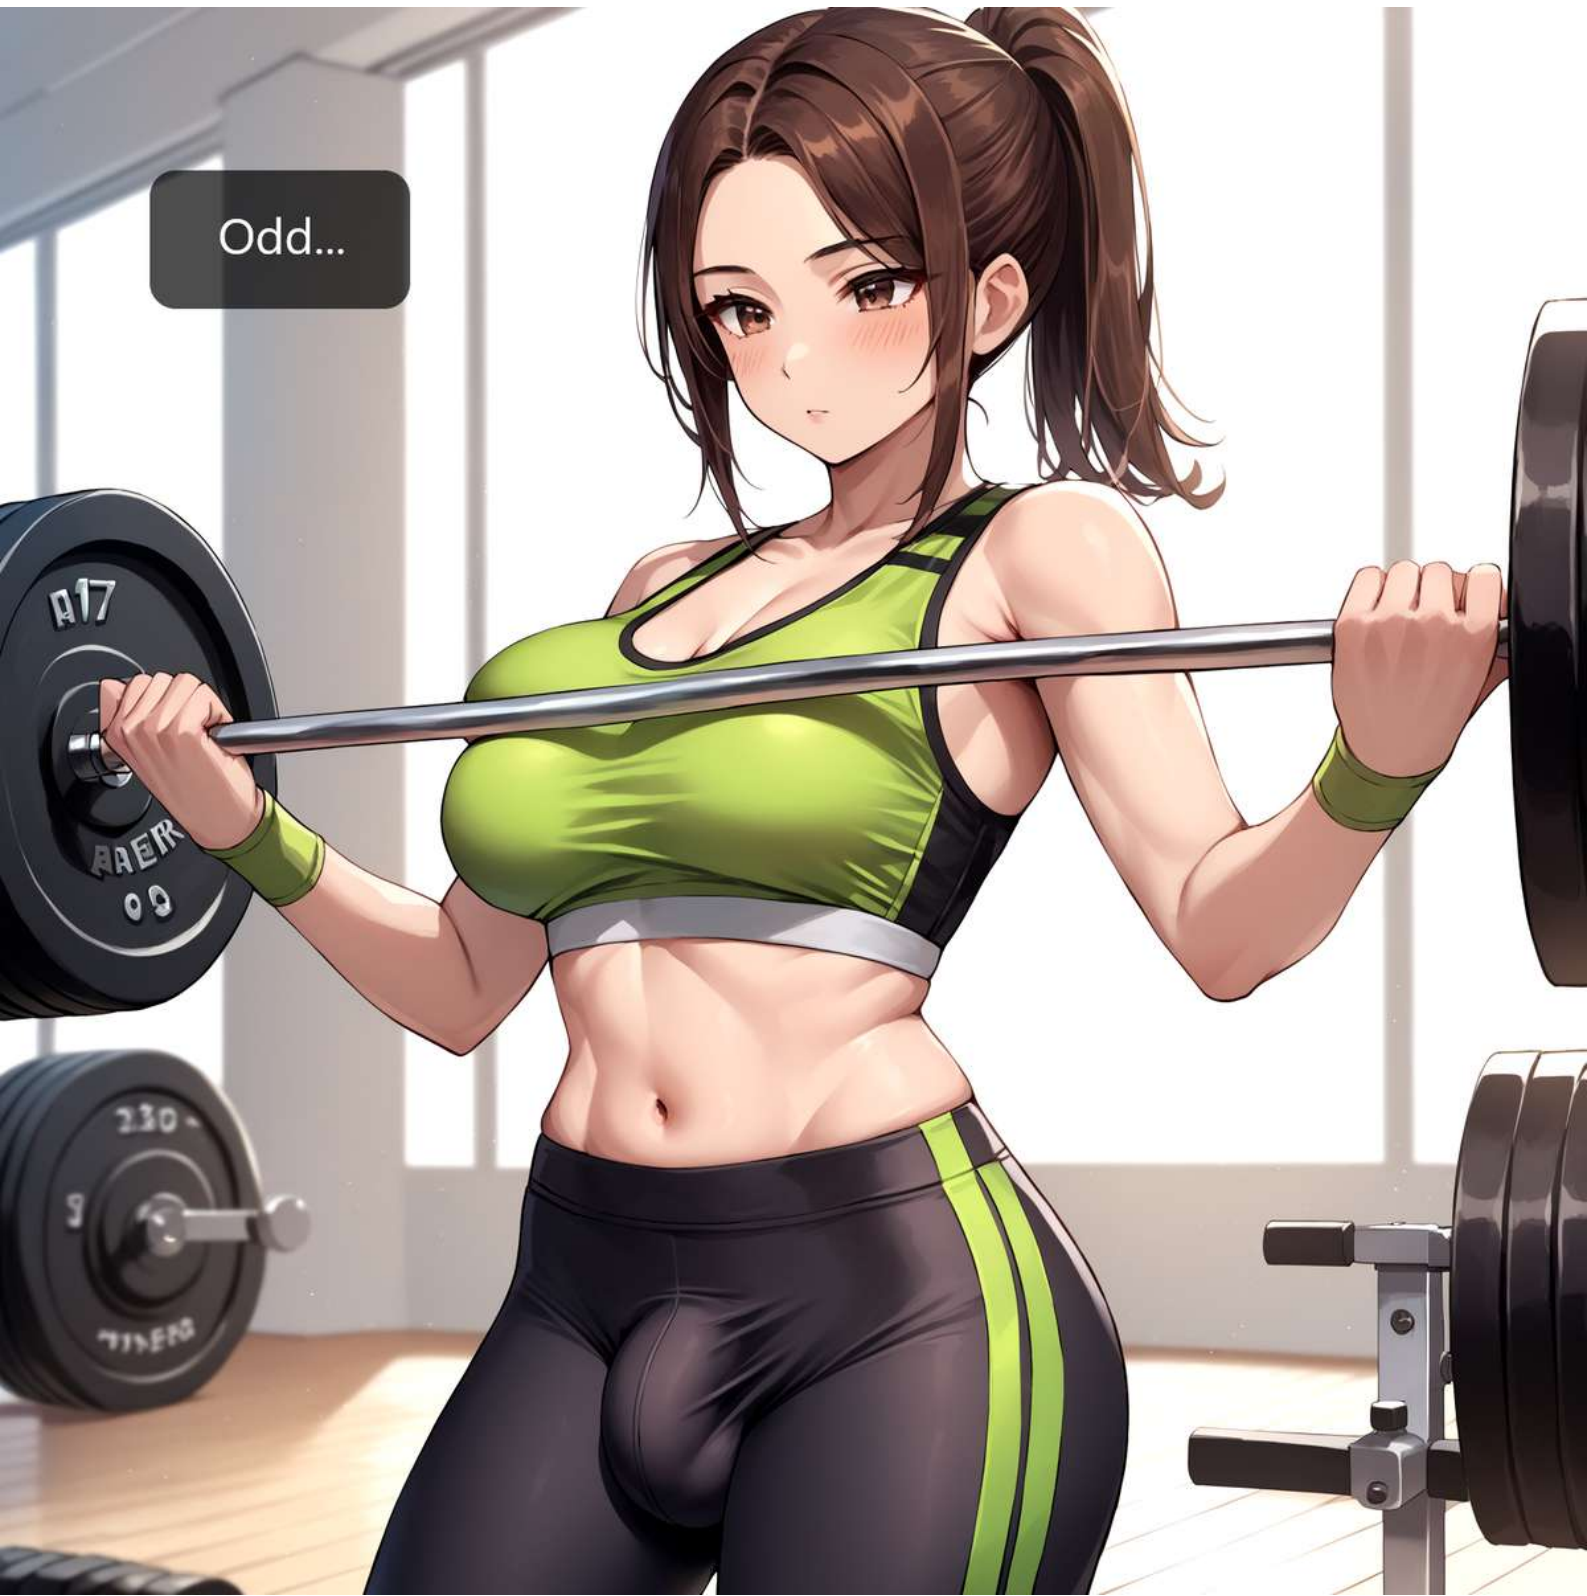

maybe I should go
even heavier

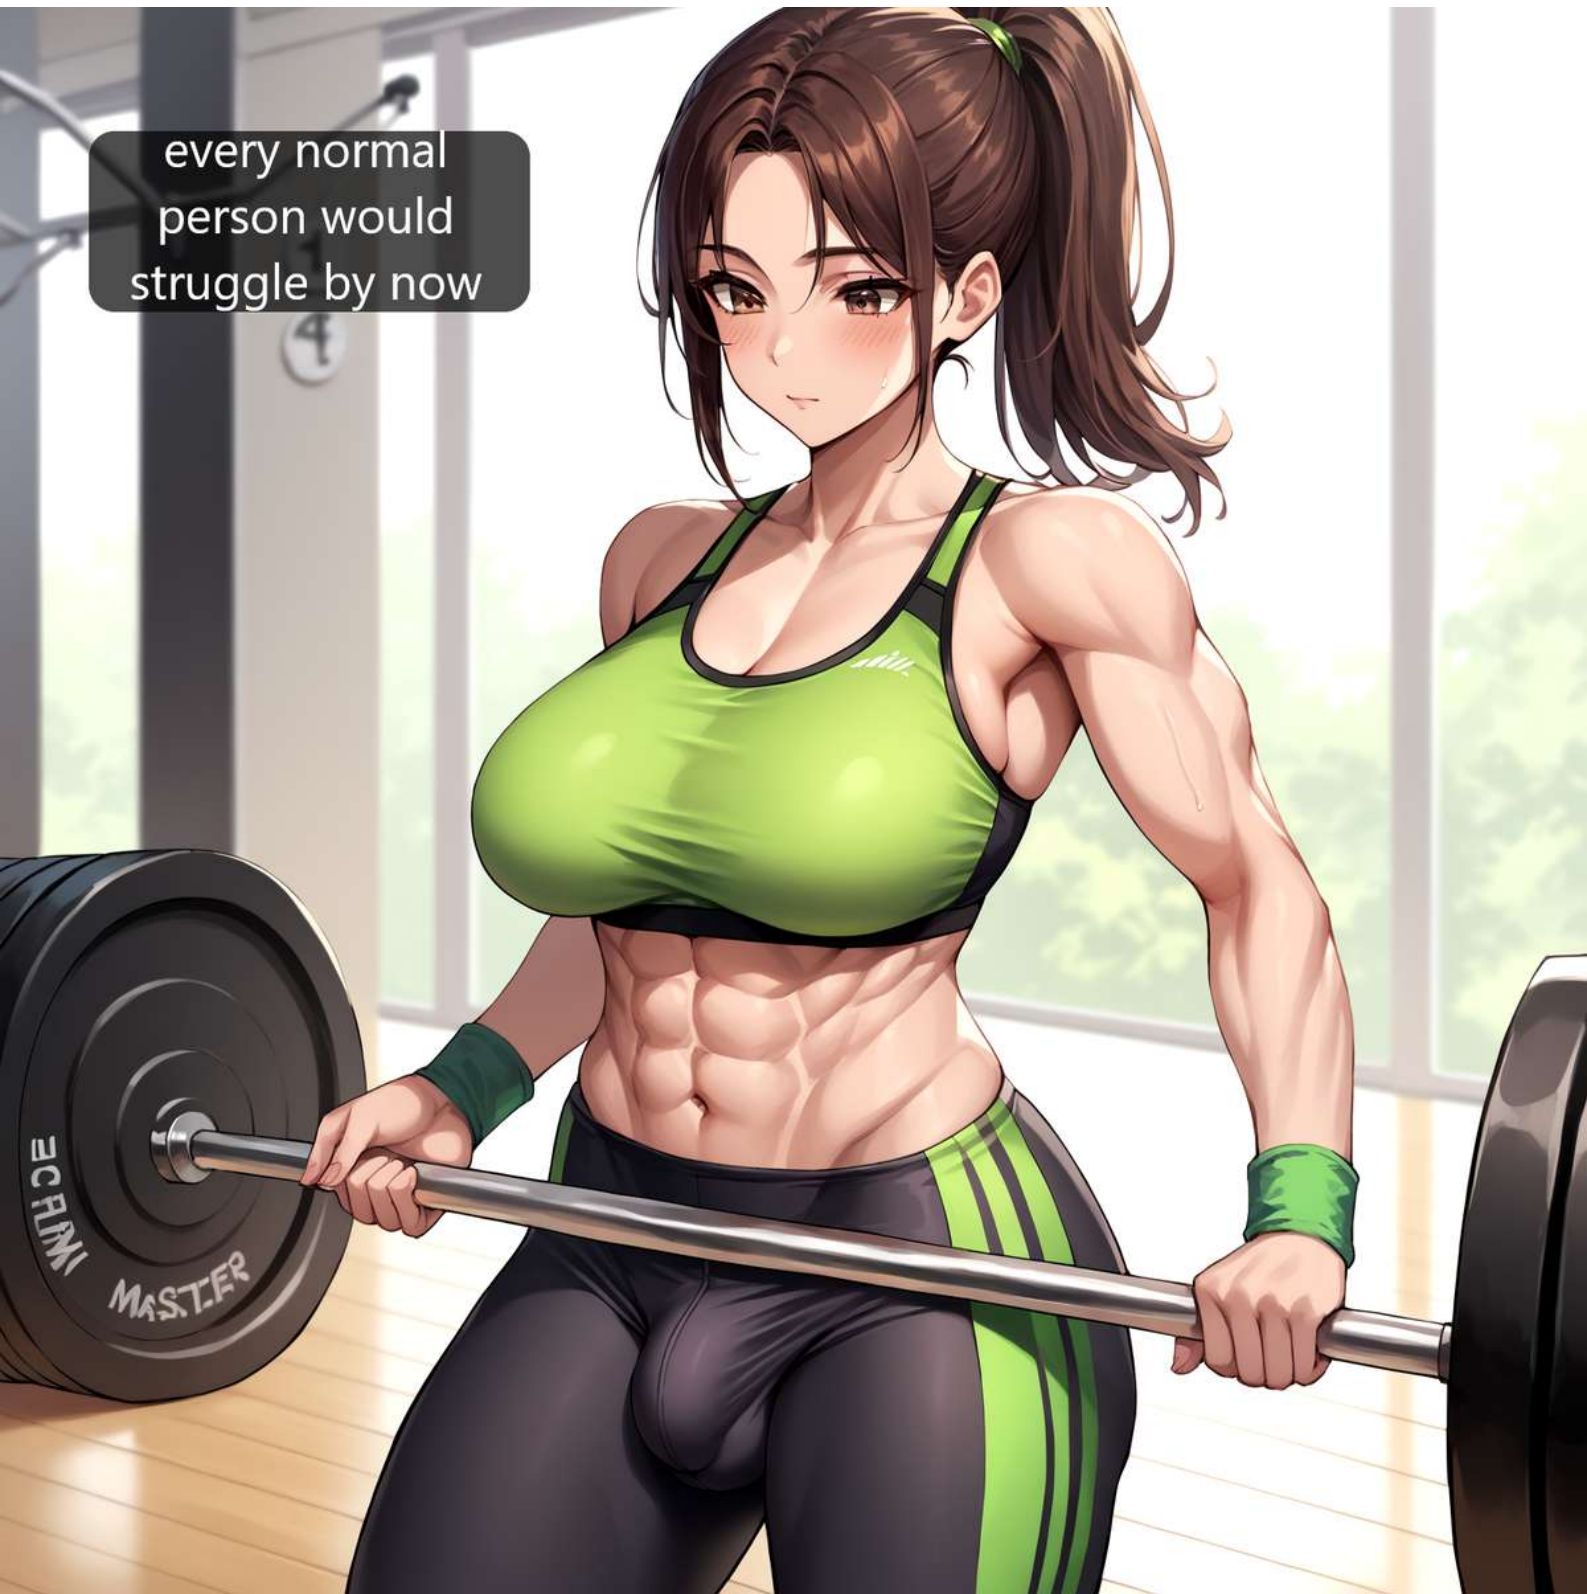

100 kilogram,
that ought to
do the trick

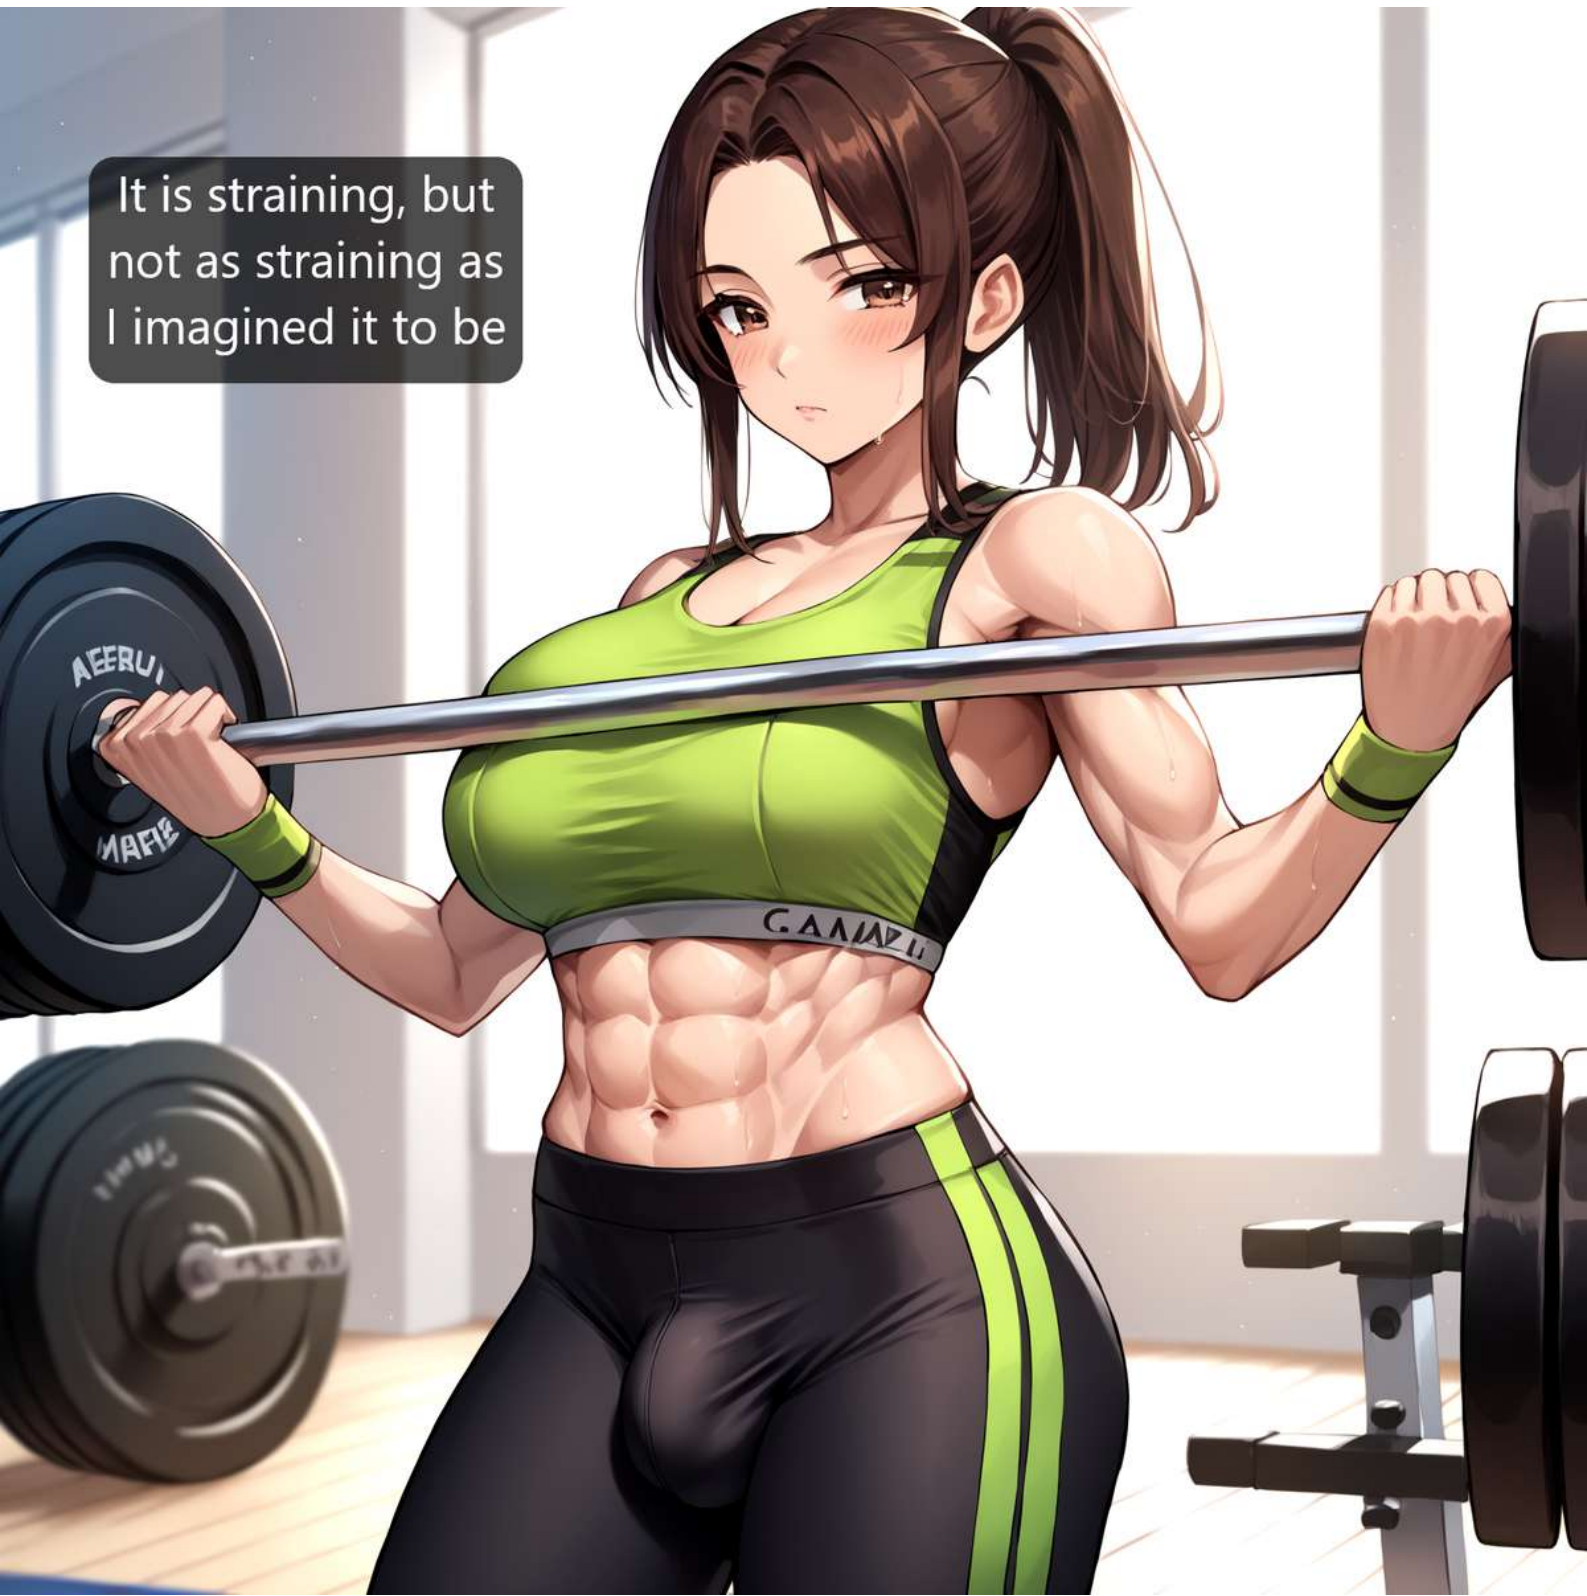

Odd...

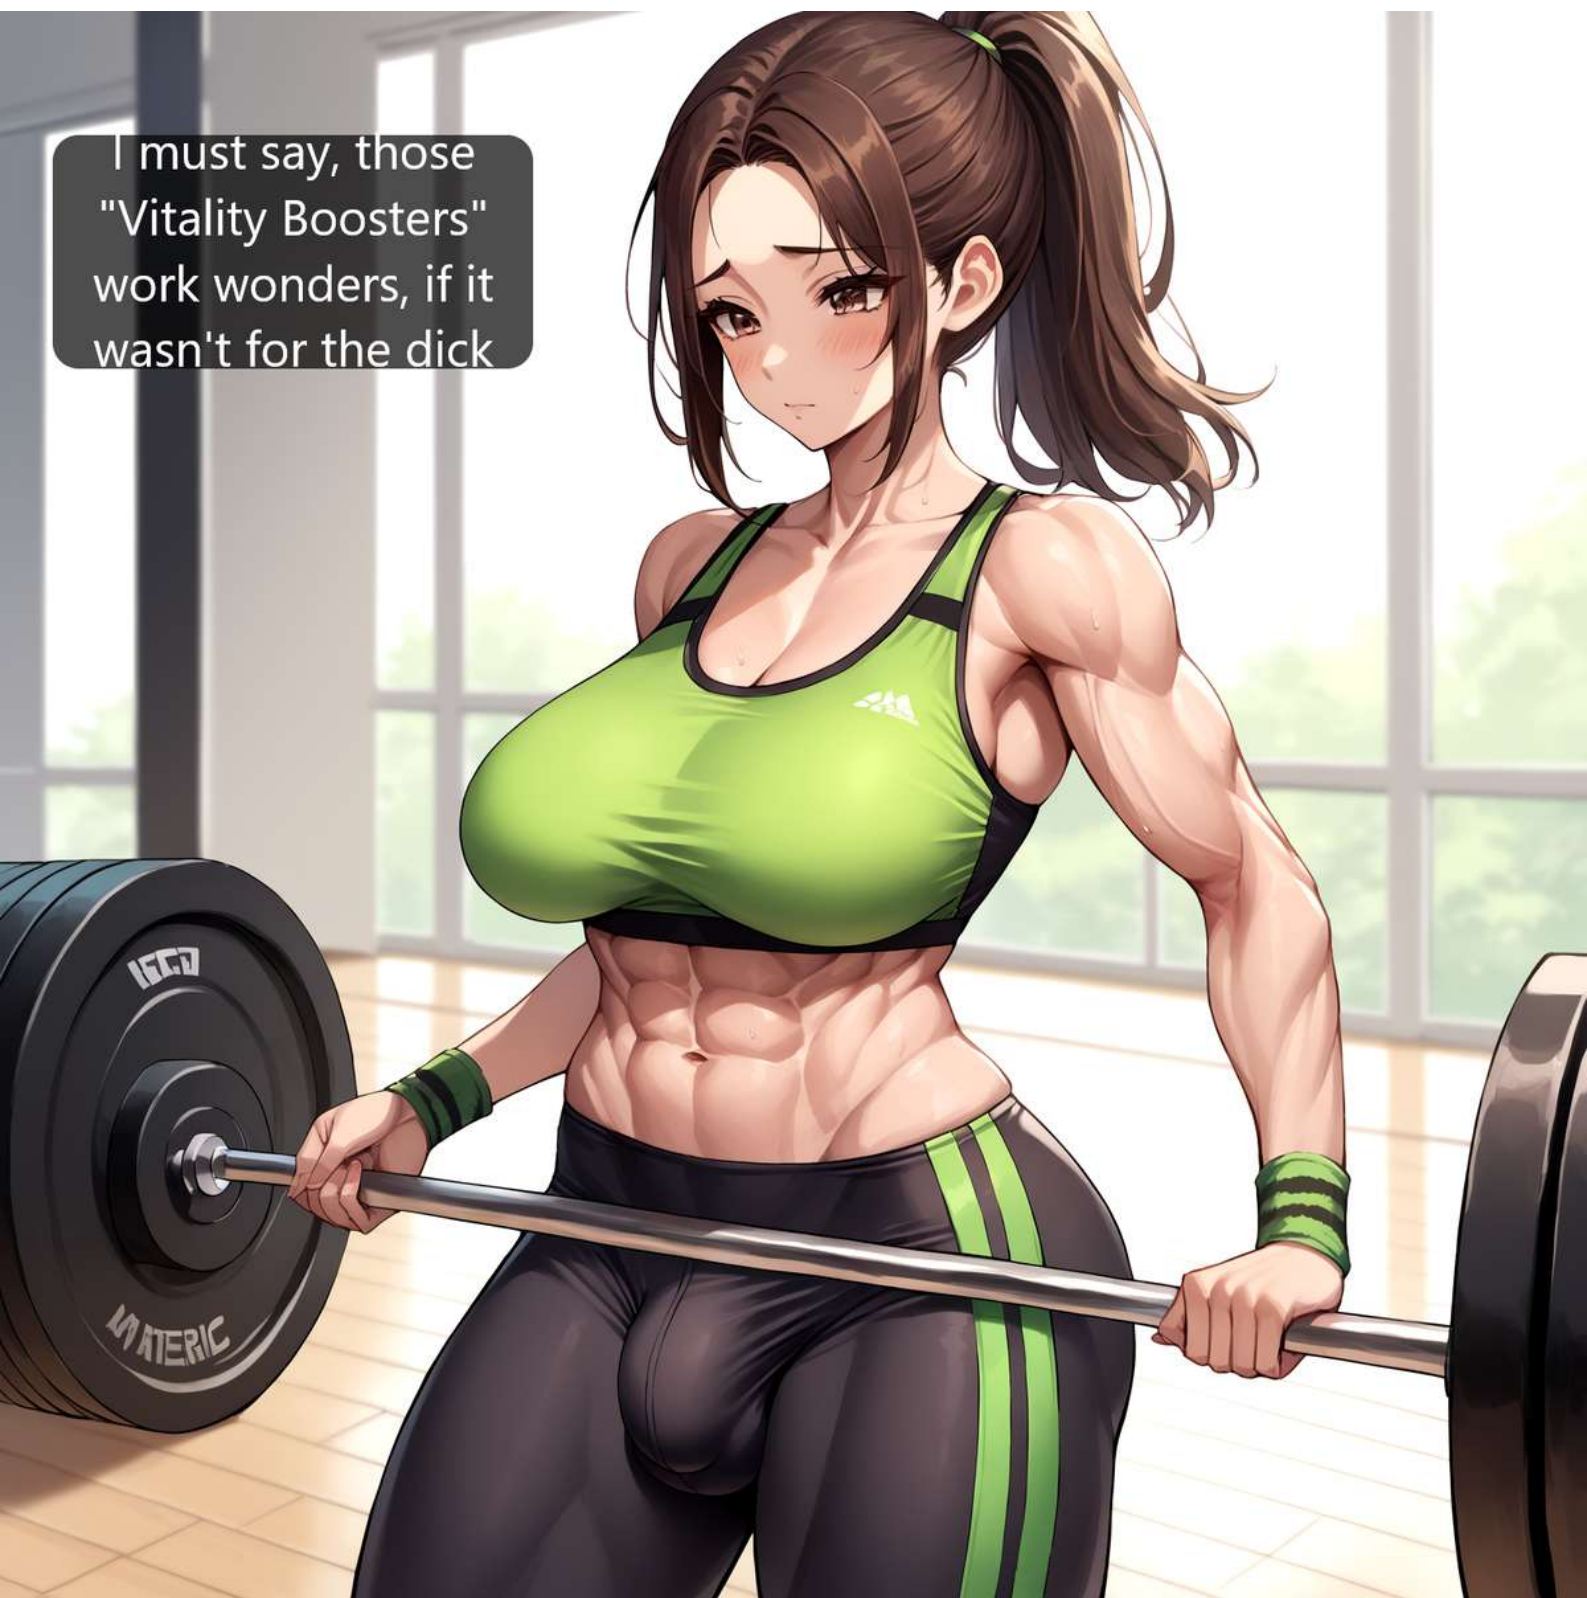

every normal
person would
struggle by now

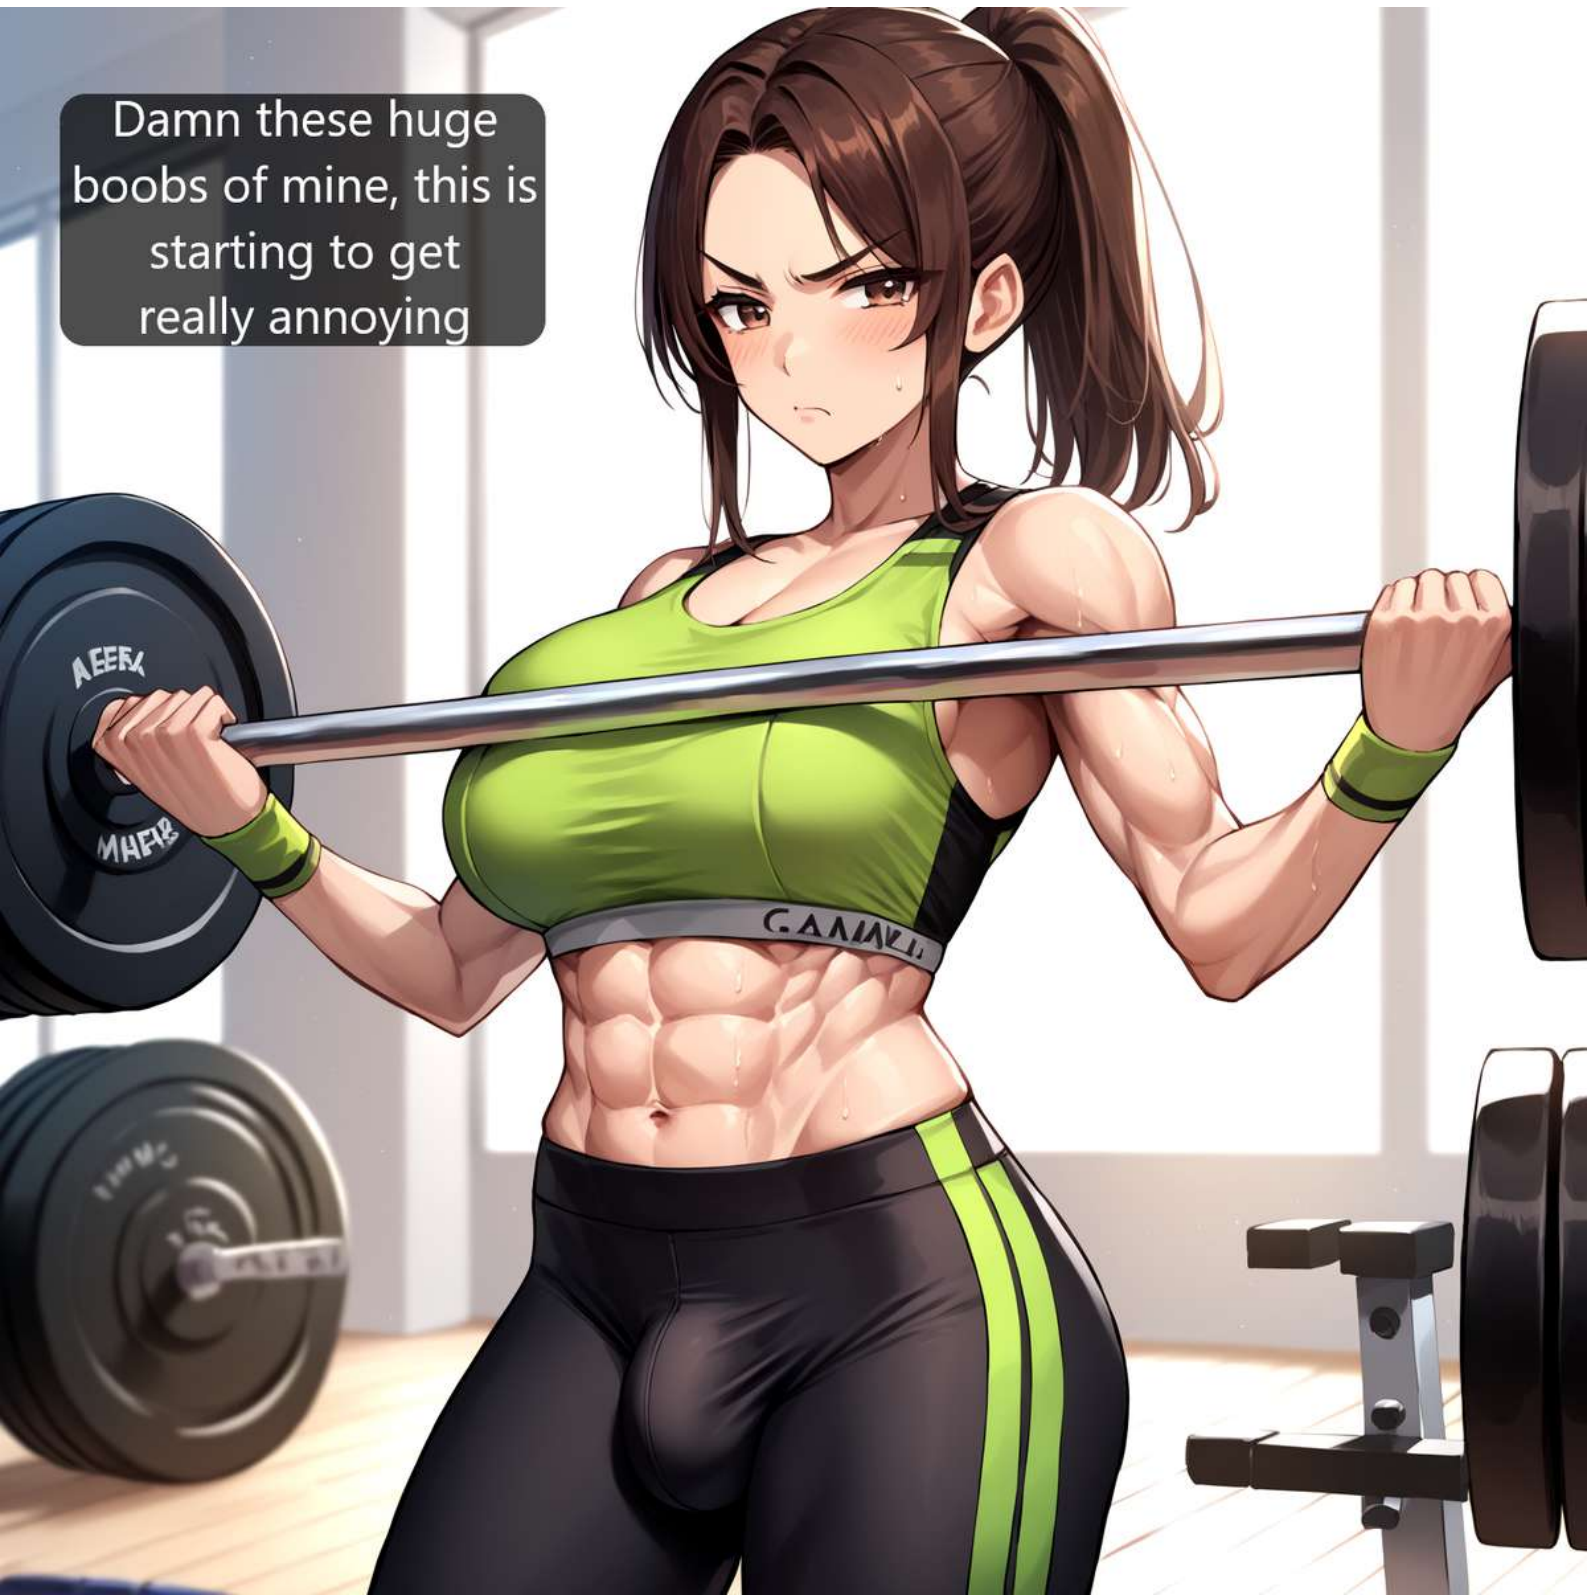

It is straining, but not as straining as I imagined it to be

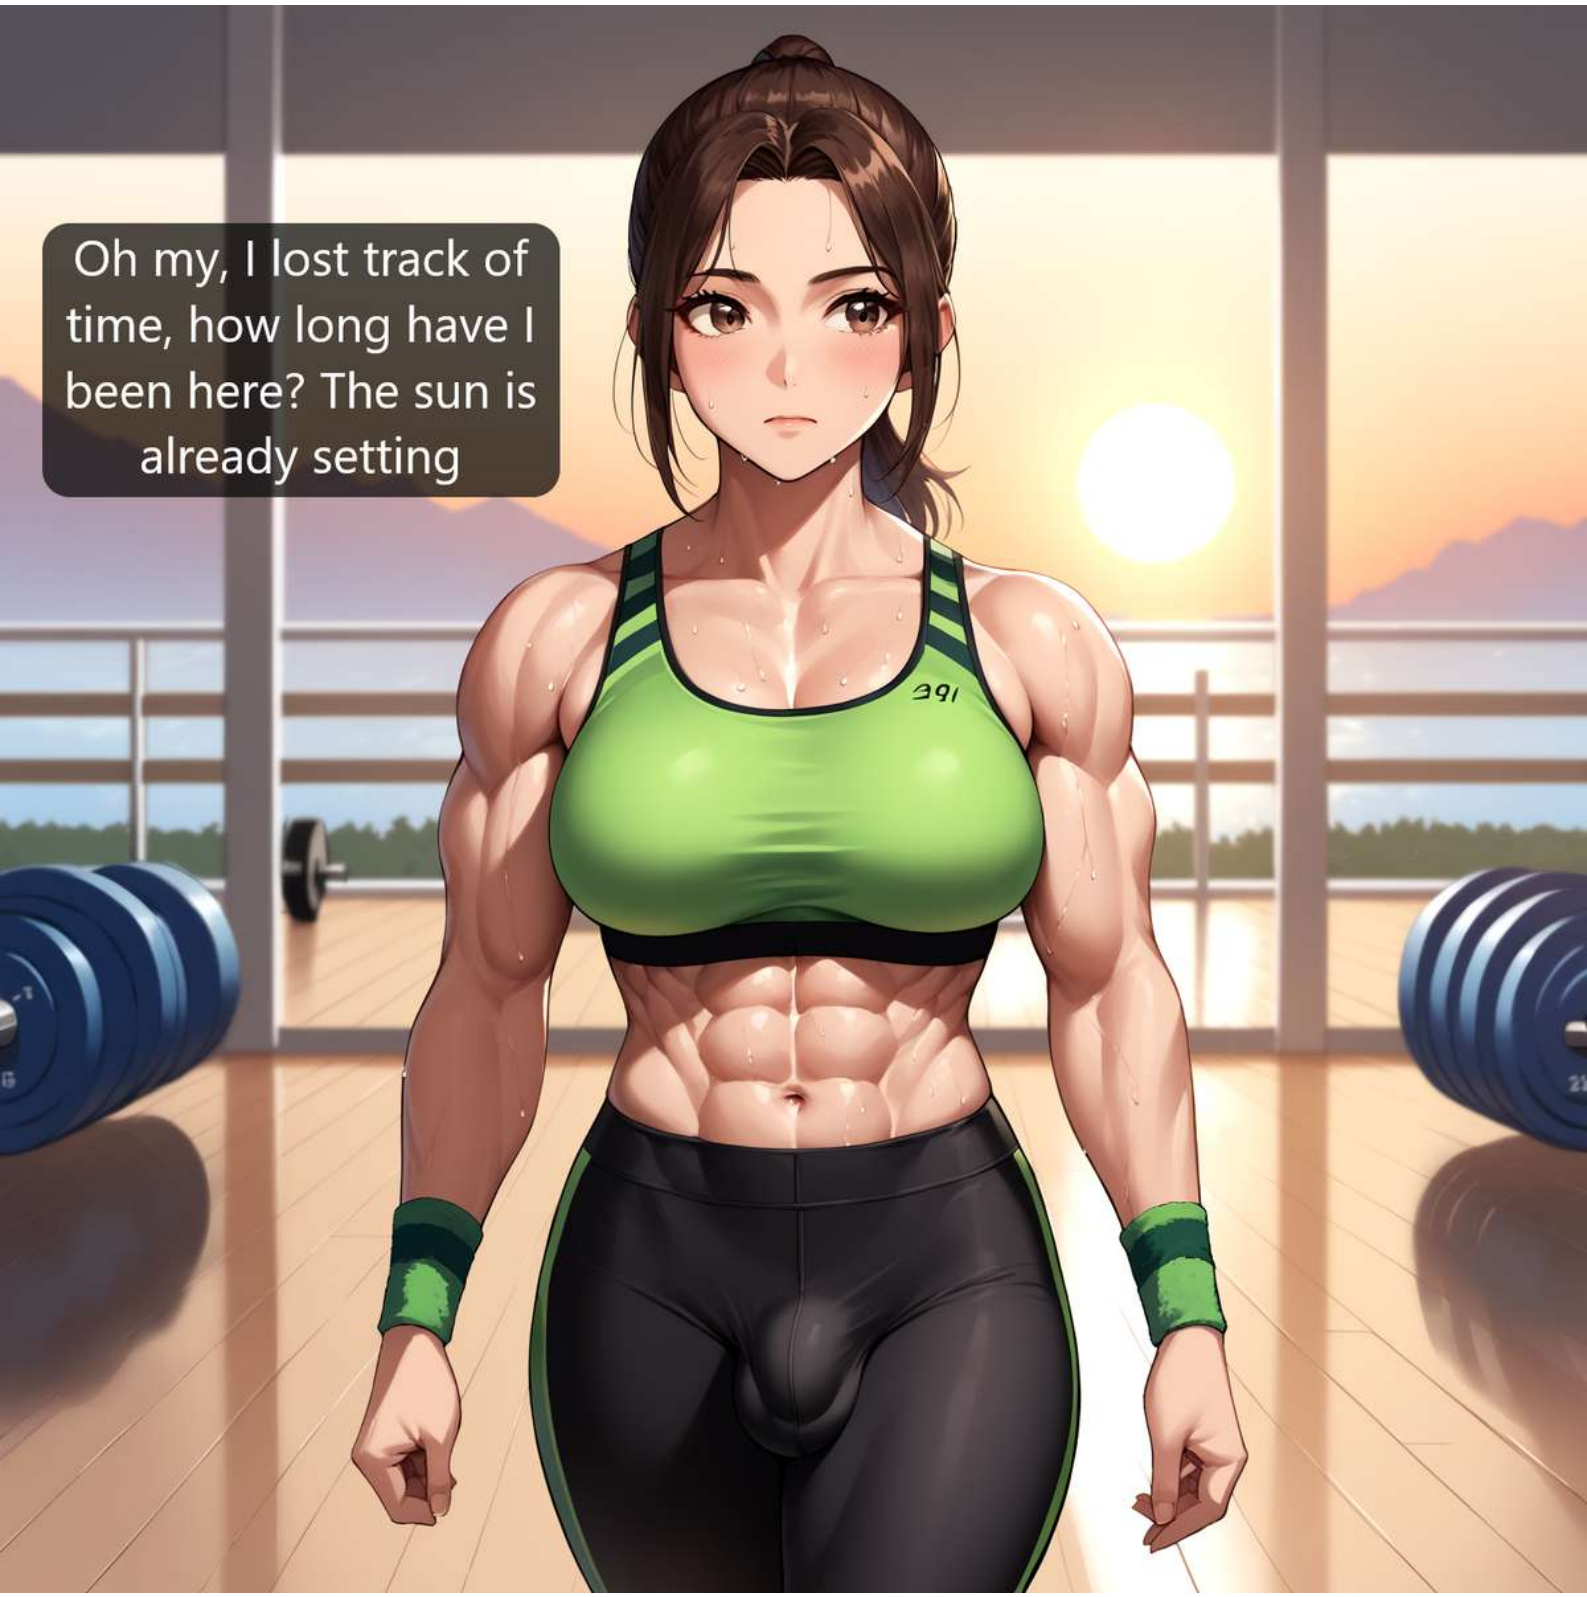

I must say, those
"Vitality Boosters"
work wonders, if it
wasn't for the dick

Damn these huge
boobs of mine, this is
starting to get
really annoying

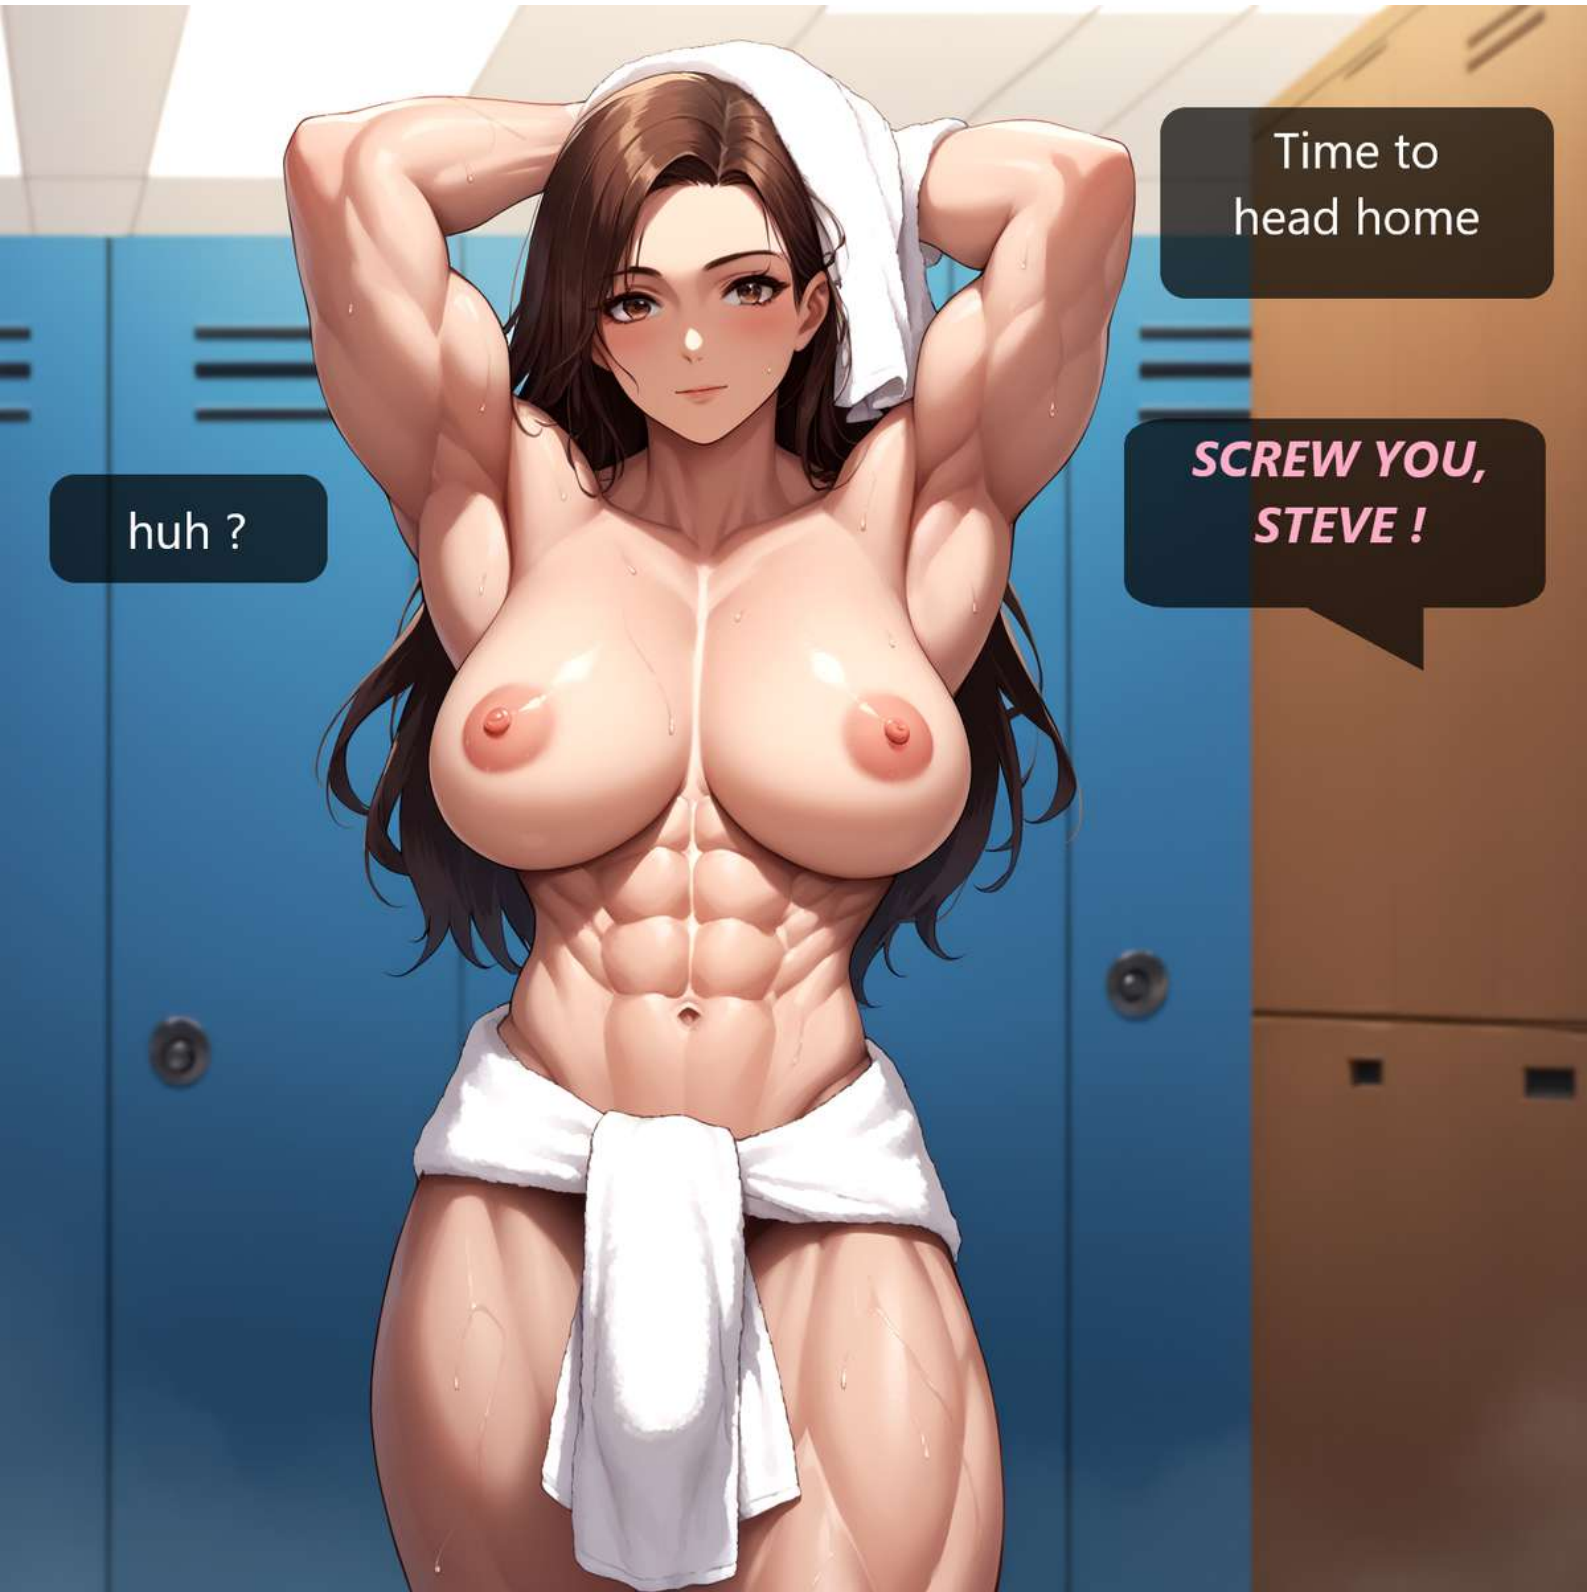

Oh my, I lost track of time, how long have I been here? The sun is already setting

There is nothing better than a good shower after an amazing workout

Time to
head home

**SCREW YOU,
STEVE !**

huh ?

An anime-style illustration of a woman with long, dark hair, extremely muscular, and unclothed. She is standing in a locker room with blue lockers in the background. She has a white towel draped over her lower body. Her physique is highly detailed, showing prominent muscles on her chest, abdomen, and arms. She has a slightly concerned or questioning expression. Two speech bubbles are present: one on the left and one on the right.

Is everything
allright ?

What, who ?

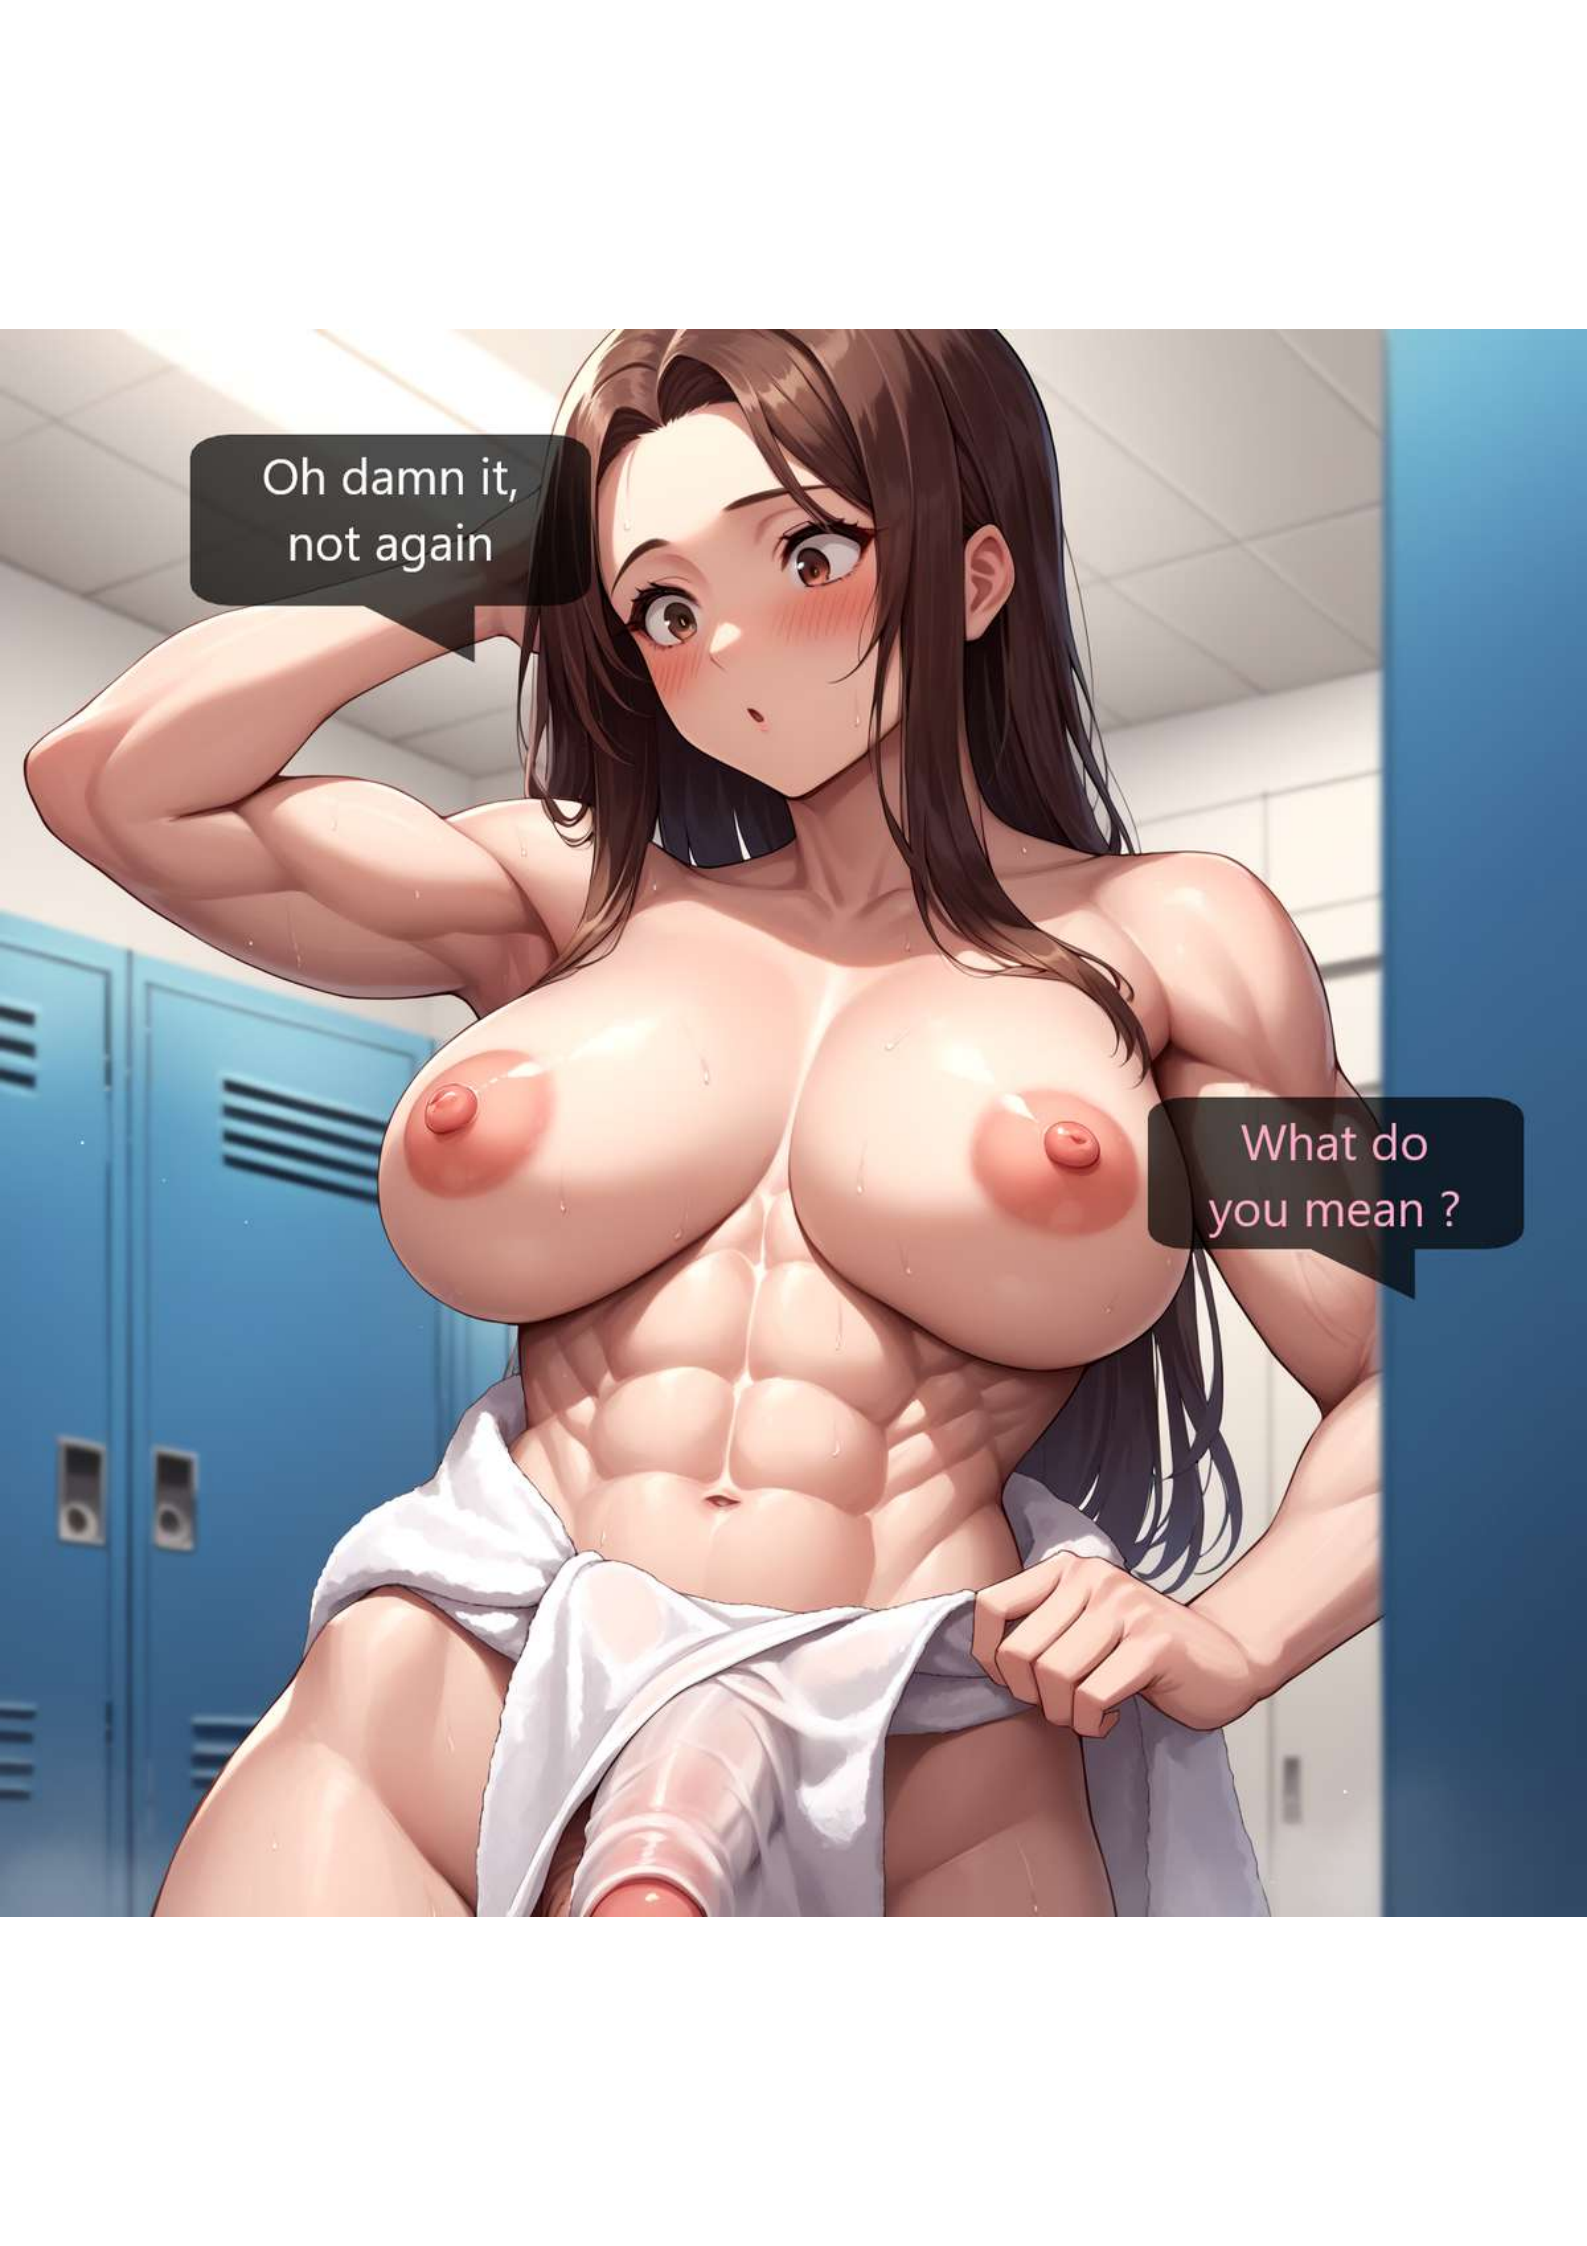

Yes... well no!
It's my, now ex,
boyfriend, he
cheated on me

Oh my,
she looks great...

Wait, is that a dick?
Why do you
have a penis?

An anime-style illustration of a woman with long, dark brown hair, extremely muscular, and very large breasts. She is in a locker room, with blue lockers visible in the background. She is wearing a white towel around her waist. Her expression is one of surprise or embarrassment, with wide eyes and a small open mouth. She has a speech bubble above her head. Her right arm is raised, and her left hand is holding the towel. Her skin is glistening with sweat.

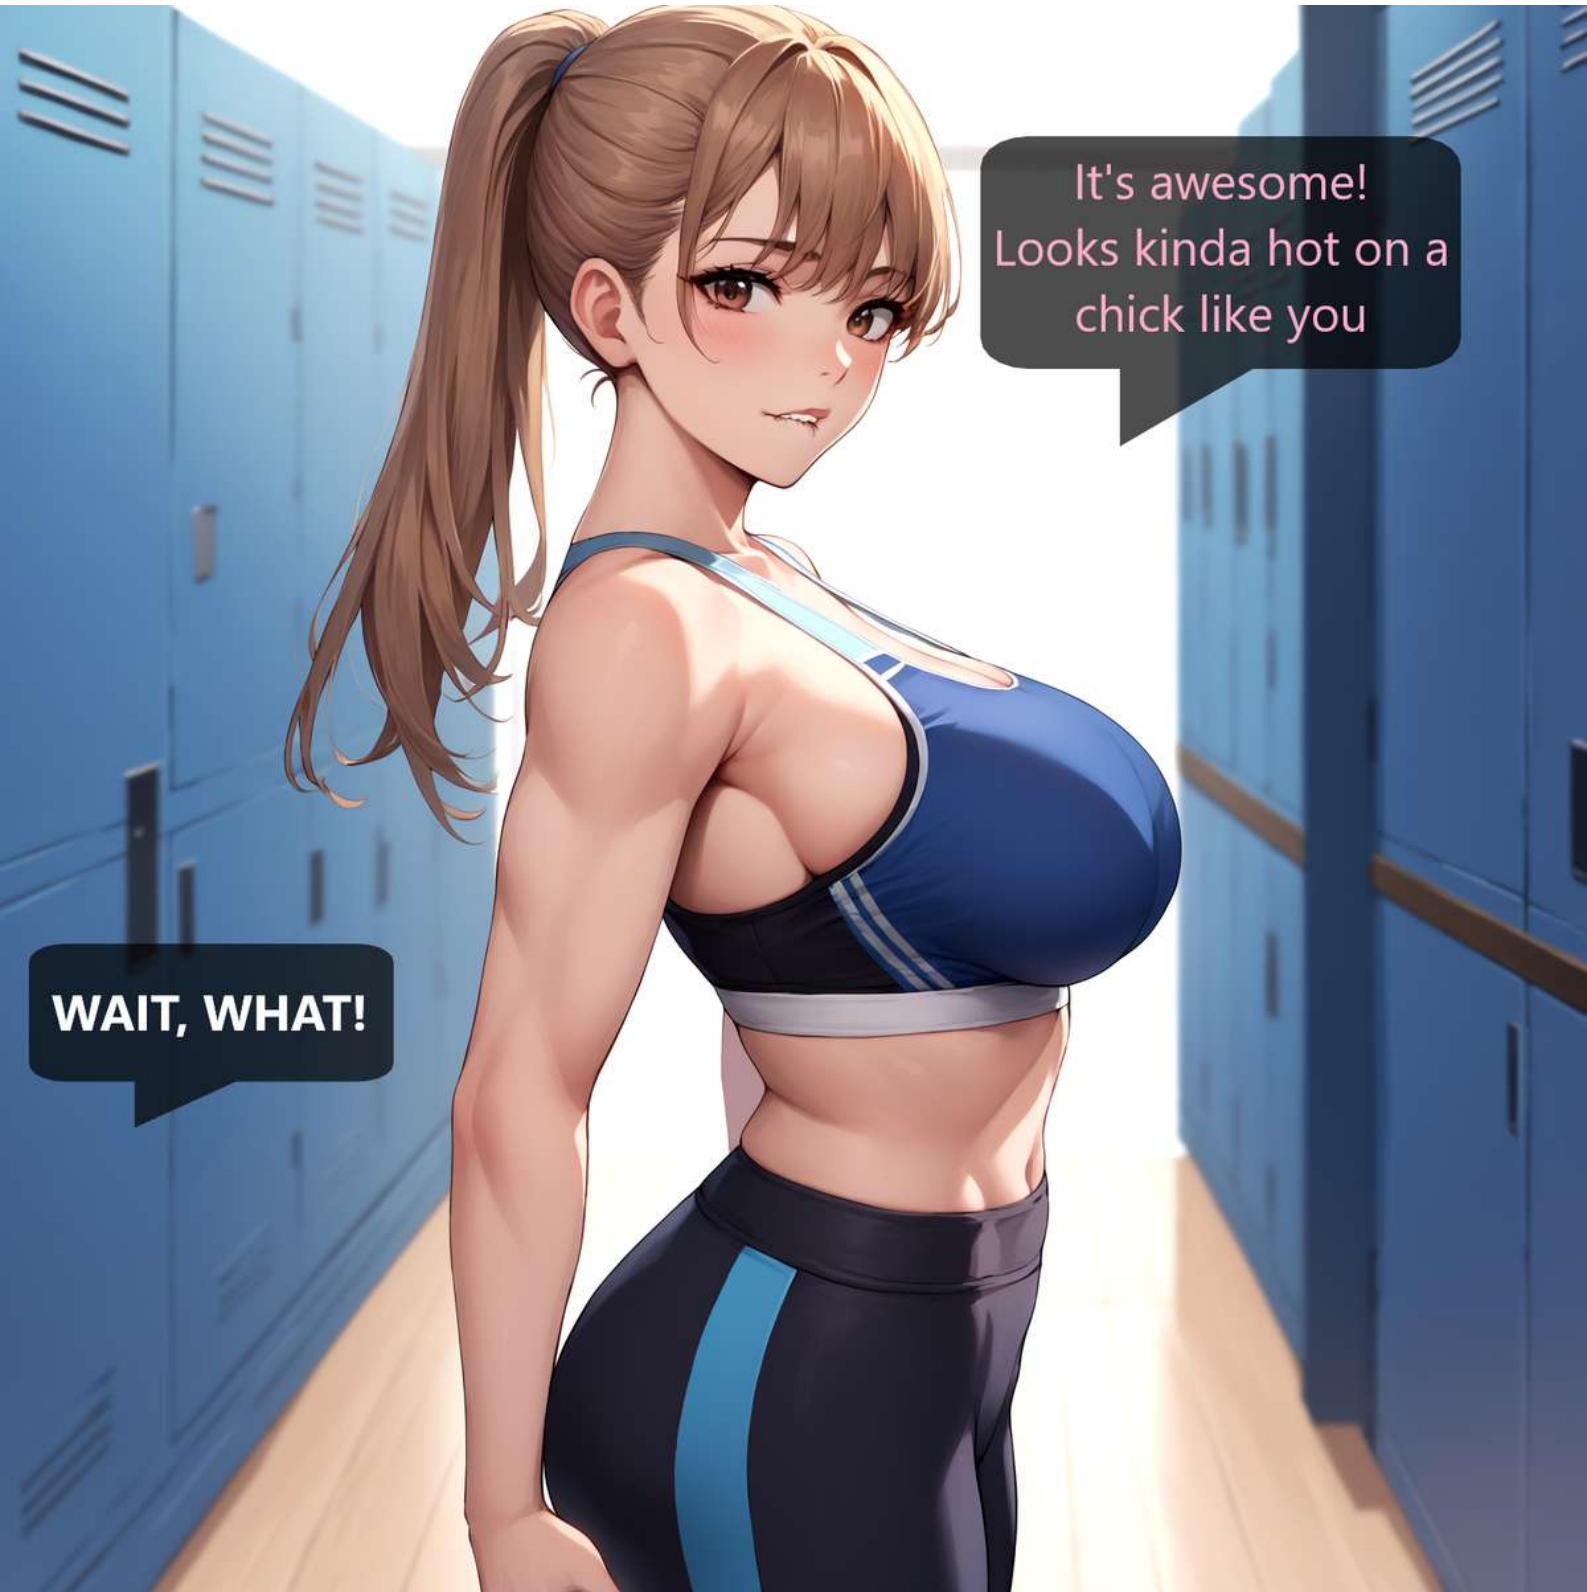

Oh damn it,
not again

What do
you mean ?

An anime-style illustration of a very muscular woman with long brown hair, standing in a locker room. She is shirtless, with a white towel draped over her waist. Her body is highly detailed with visible muscle groups, including her chest, abdomen, and arms. She has a slightly annoyed or exasperated expression, with a small frown and a sweat drop on her forehead. The background consists of blue lockers.

It's a very long and complicated story, you see

Whatever

It's awesome!
Looks kinda hot on a
chick like you

WAIT, WHAT!

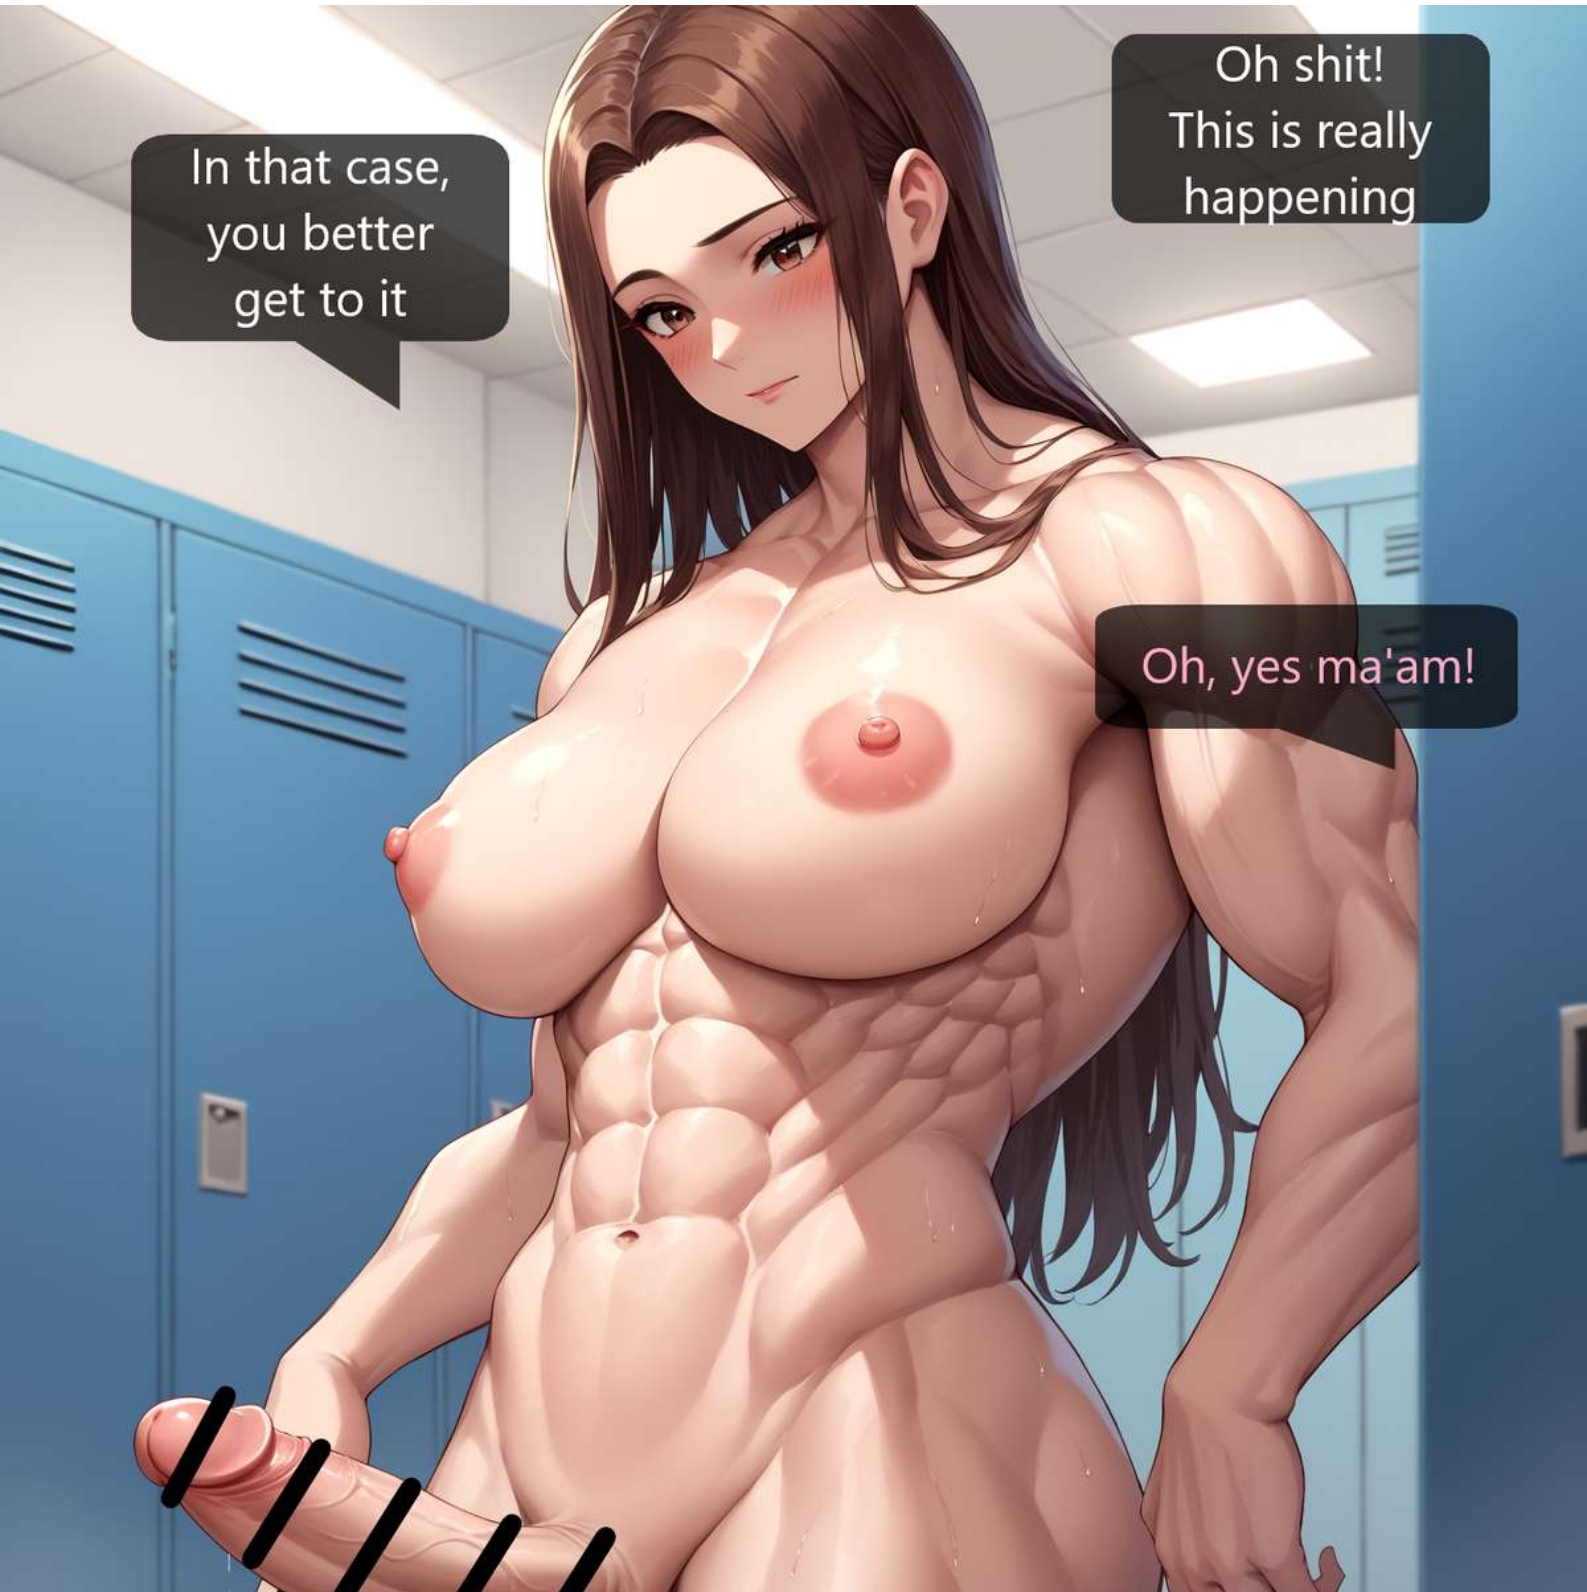

Do you really think so ?

Oh my, you are naughty

HOLD ON !
Am I really flirting with a girl

As a matter of fact, yes
And I think, I want to inspect it a bit closer

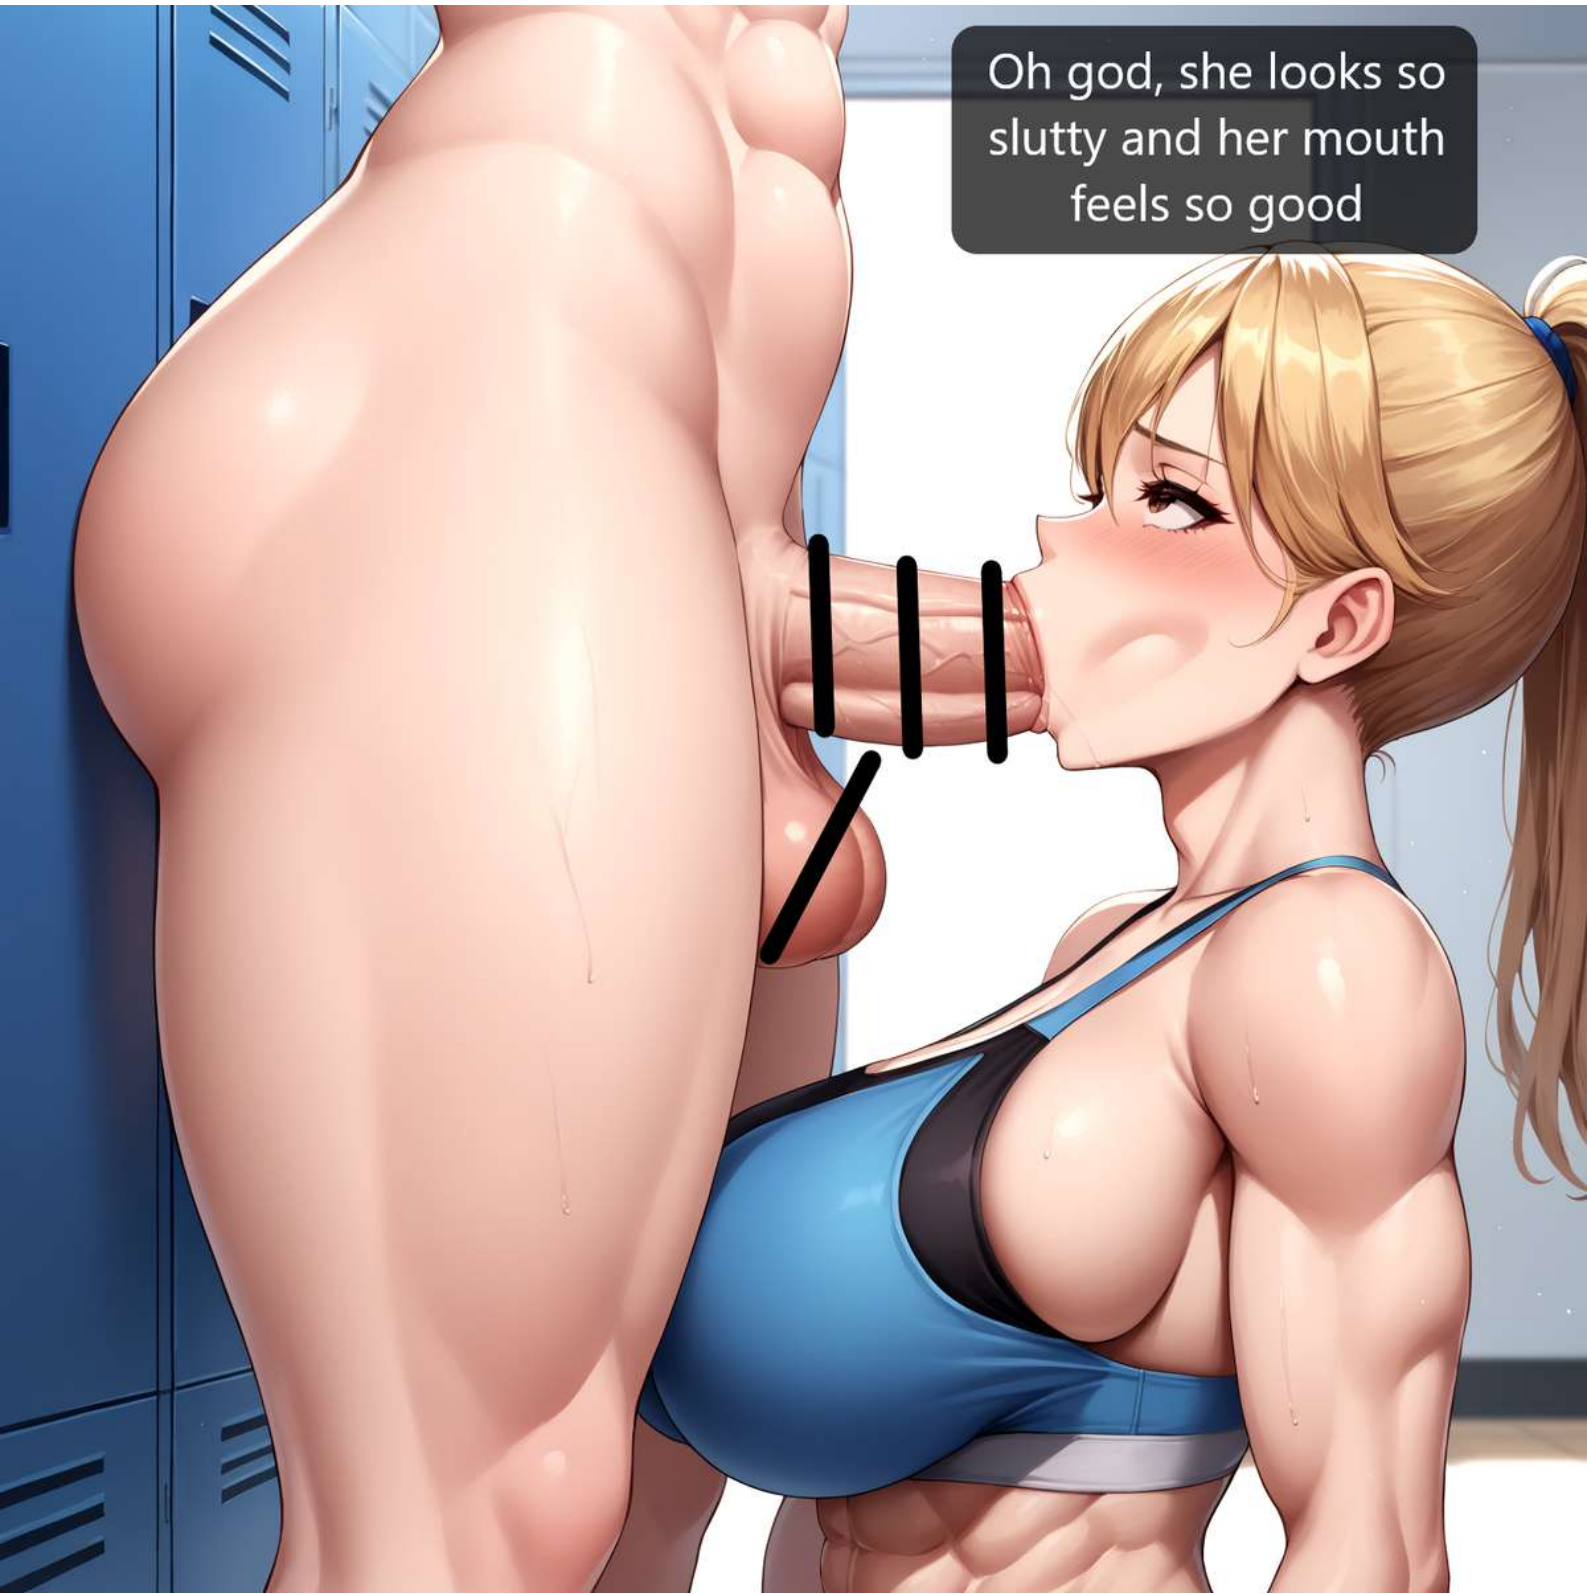

In that case,
you better
get to it

Oh shit!
This is really
happening

Oh, yes ma'am!

Oh god, she looks so slutty and her mouth feels so good

She seems very experienced

Slorp!
Slorp!

She really enjoys it,
not only her, me too
Never did I know
how good oral sex is

hng, hng

DAISYDOLL.COM

ahh, ahhh
FUCK YEAH !
That feels great

hng, mhh, mhh
gurgle
ha hnnn!

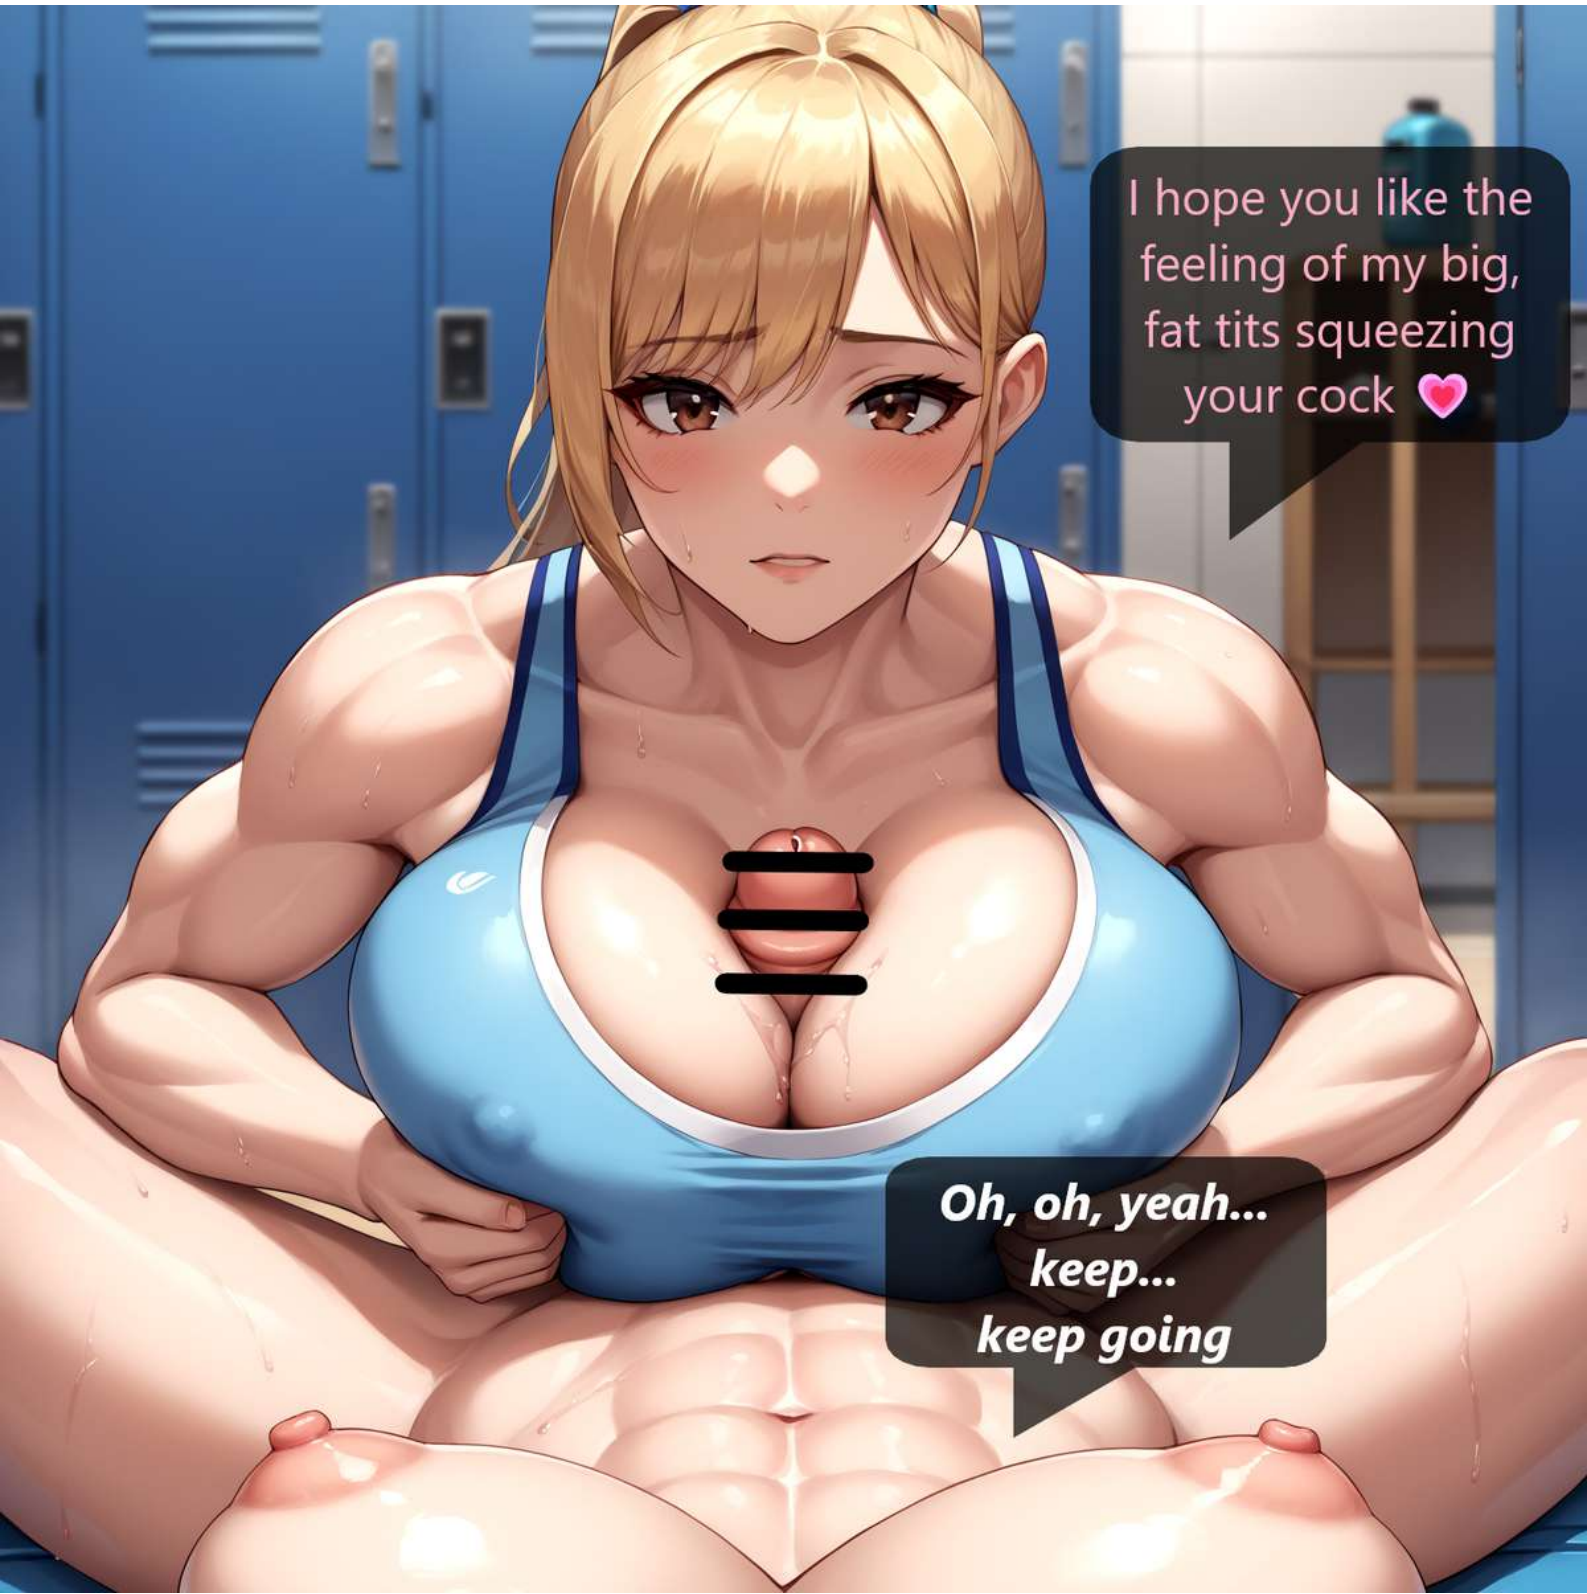

You were great,
you seem to be
very proficient

smack **ahh, ha** *gulp*
You taste amazing, far
better than any
I had before

pant let's keep
going, I **NEED**
more of it

I hope you like the feeling of my big, fat tits squeezing your cock ♡

*Oh, oh, yeah...
keep...
keep going*

I hope my milkers can
squeeze out more of
that delicious cum
I need more of it !

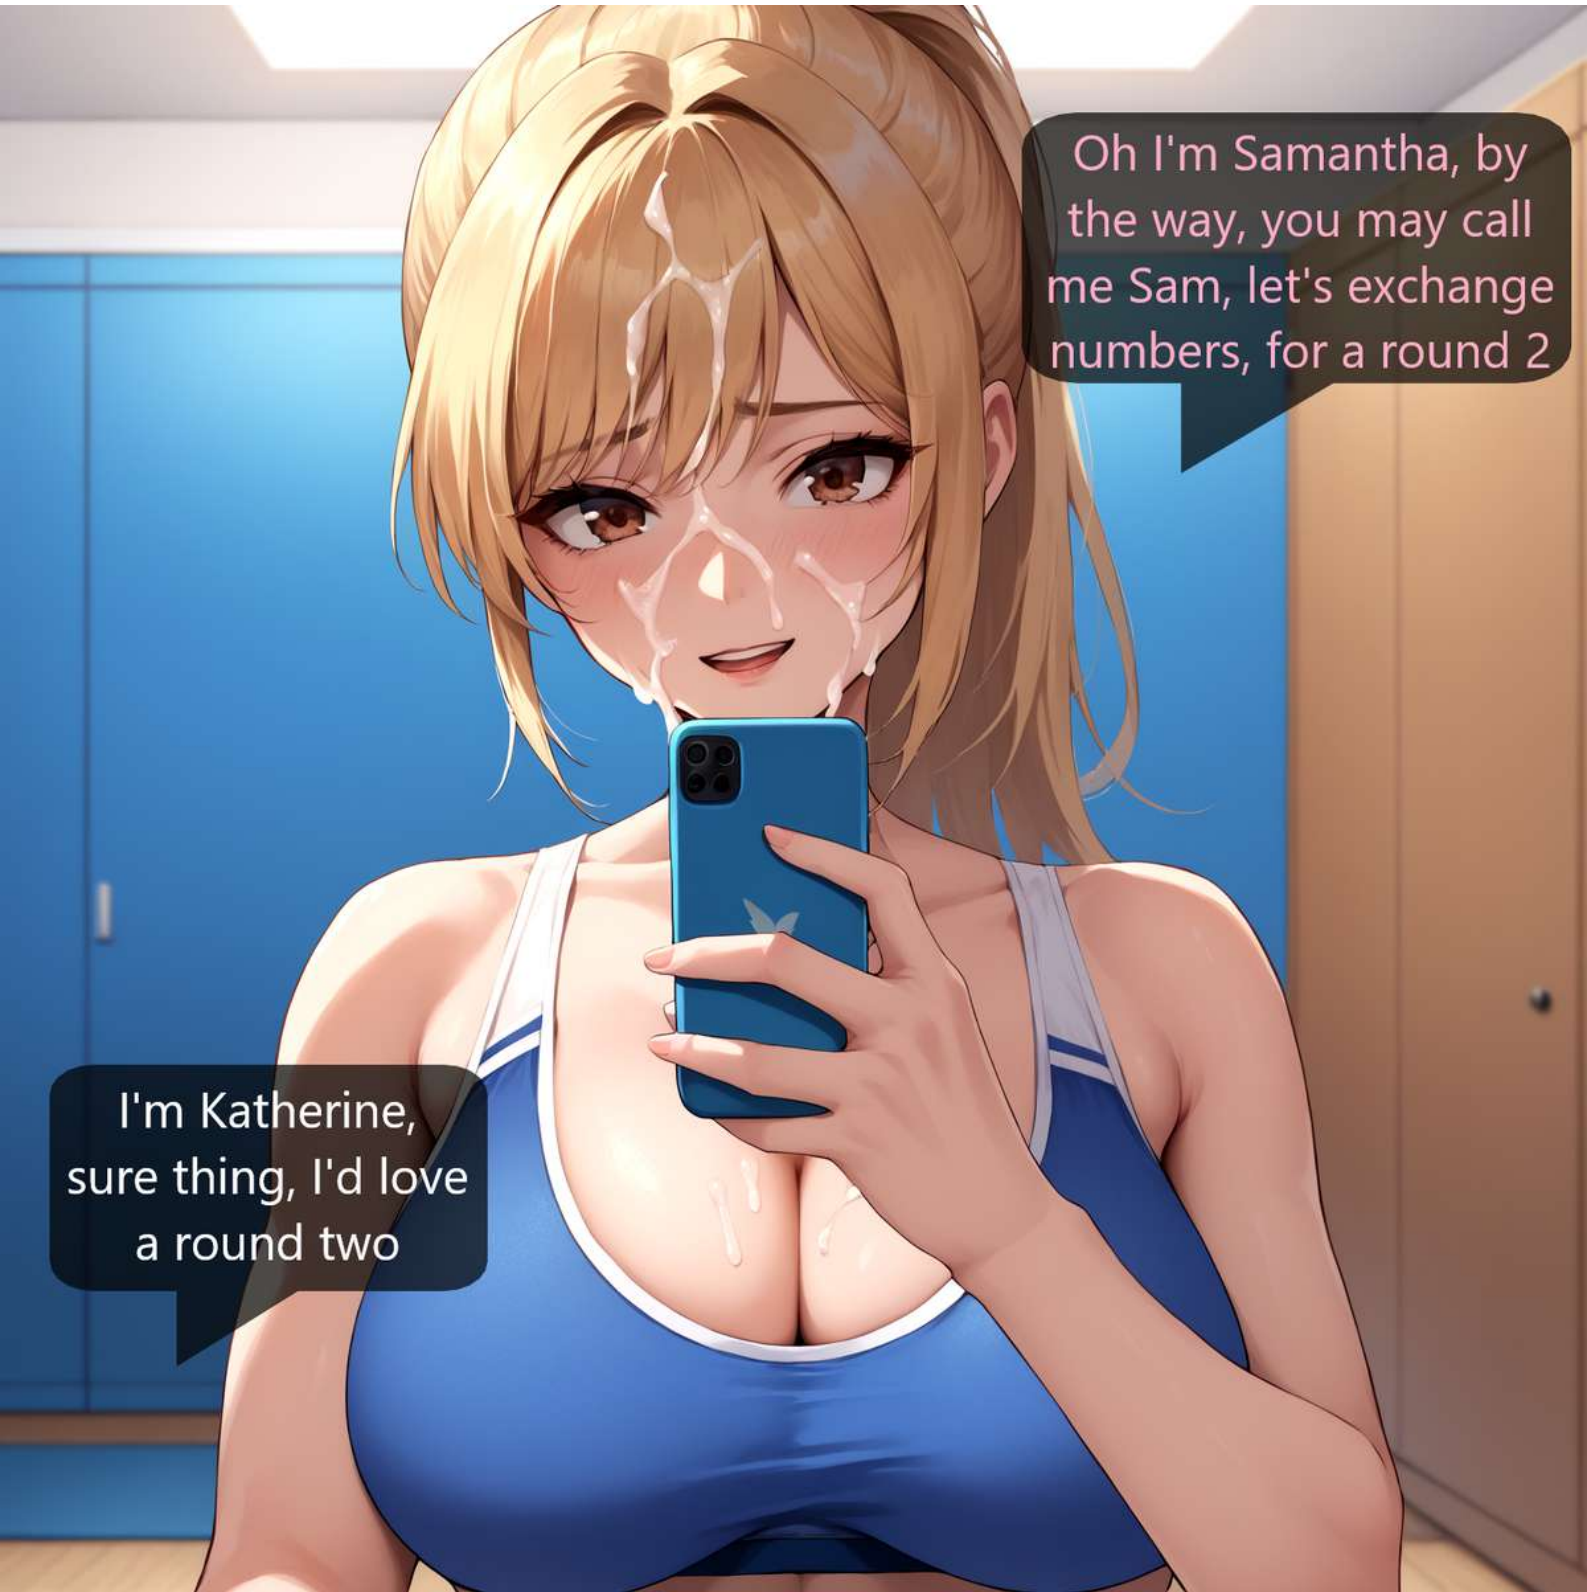

I can feel
it coming

mhh, yes !

|||
|||

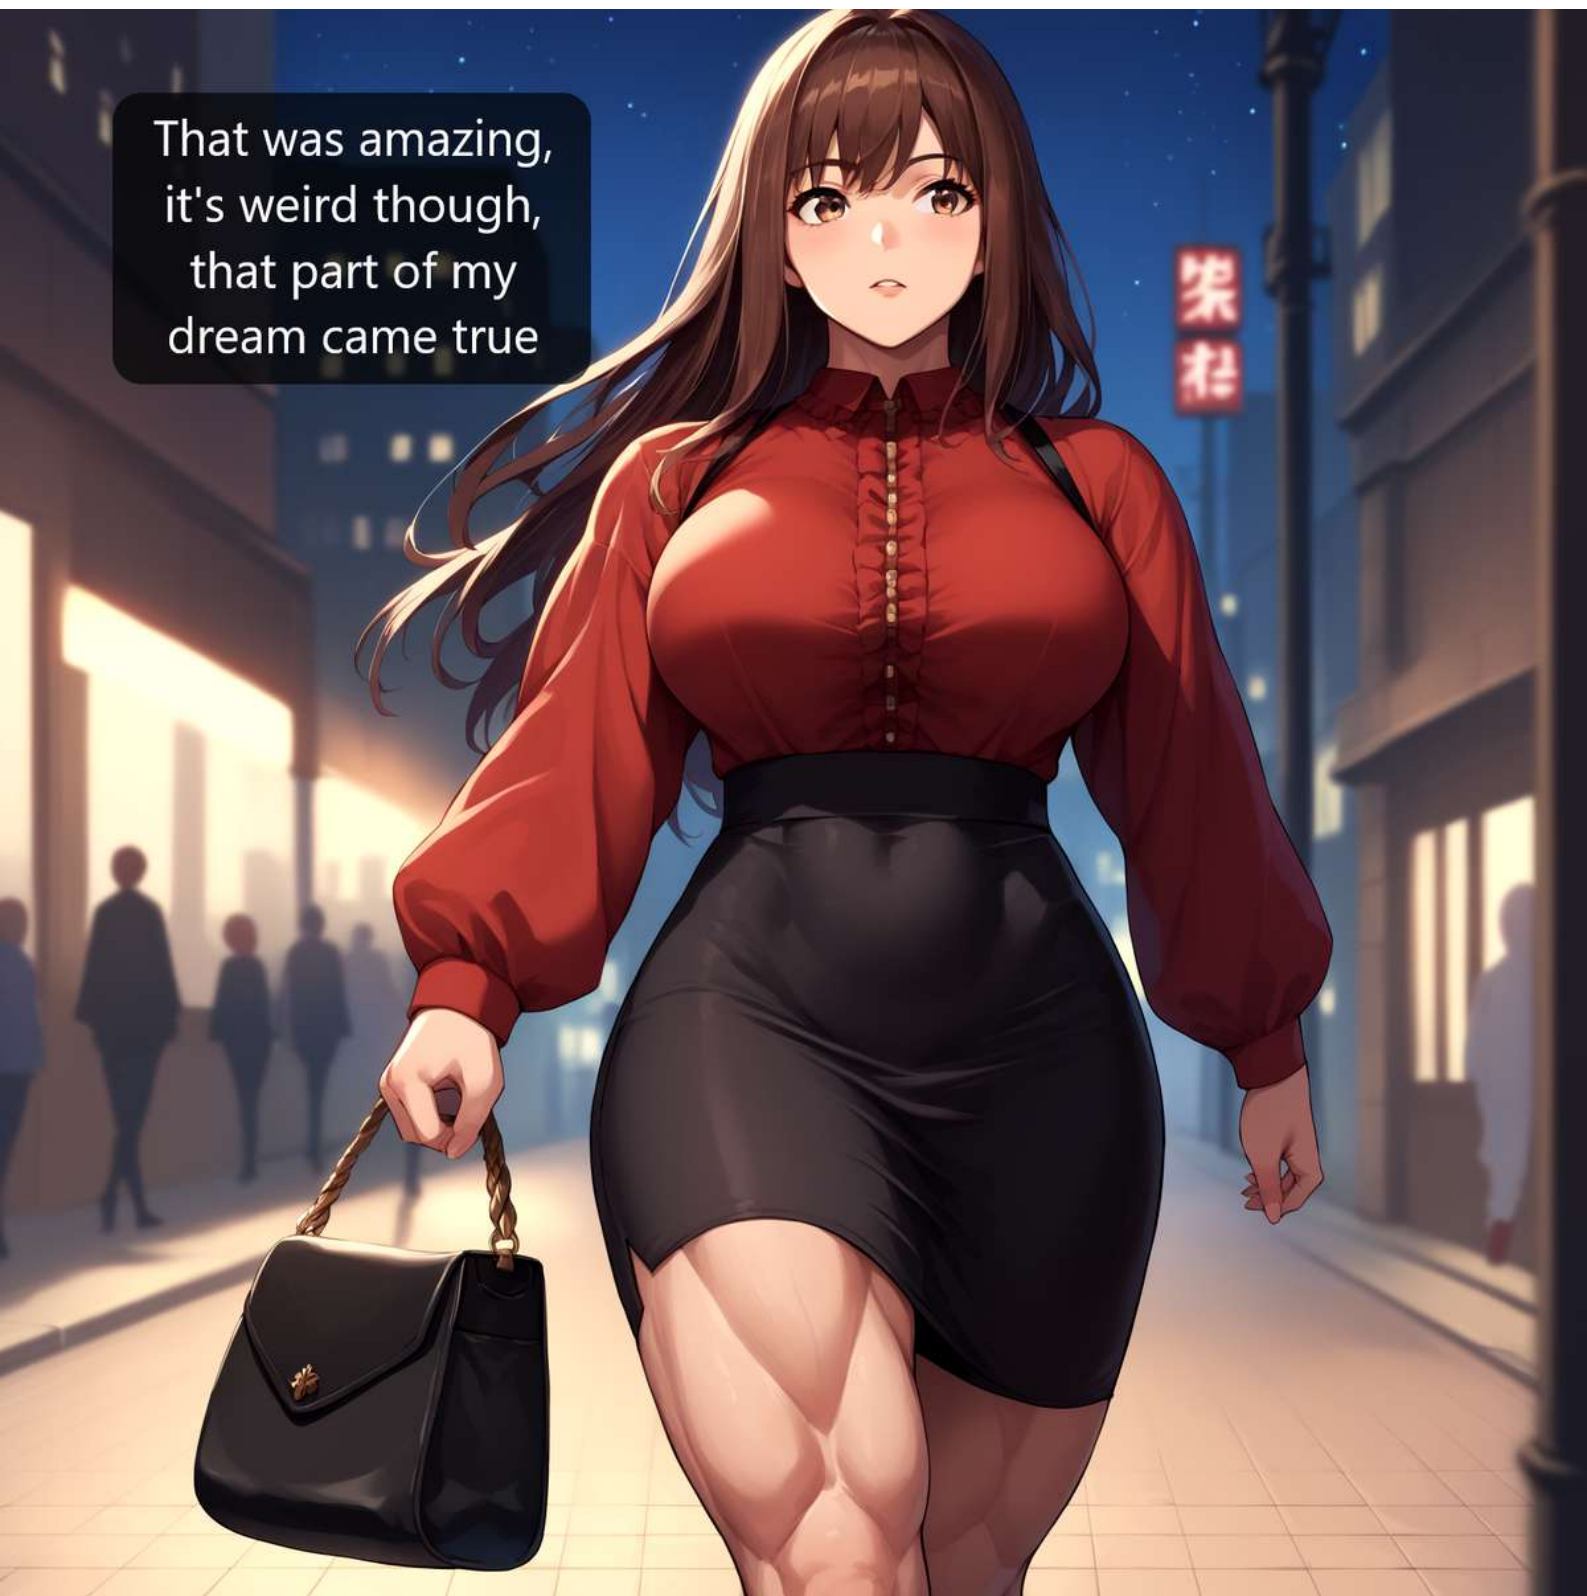

Oh my god !
It keeps coming

Oh I'm Samantha, by the way, you may call me Sam, let's exchange numbers, for a round 2

I'm Katherine, sure thing, I'd love a round two

That was amazing,
it's weird though,
that part of my
dream came true

Not only the sex
came true!
I am huge and I
didn't notice that I
got so muscular!

What an exciting day this was, that was the best sex of my life
But alas, I should really get some rest now

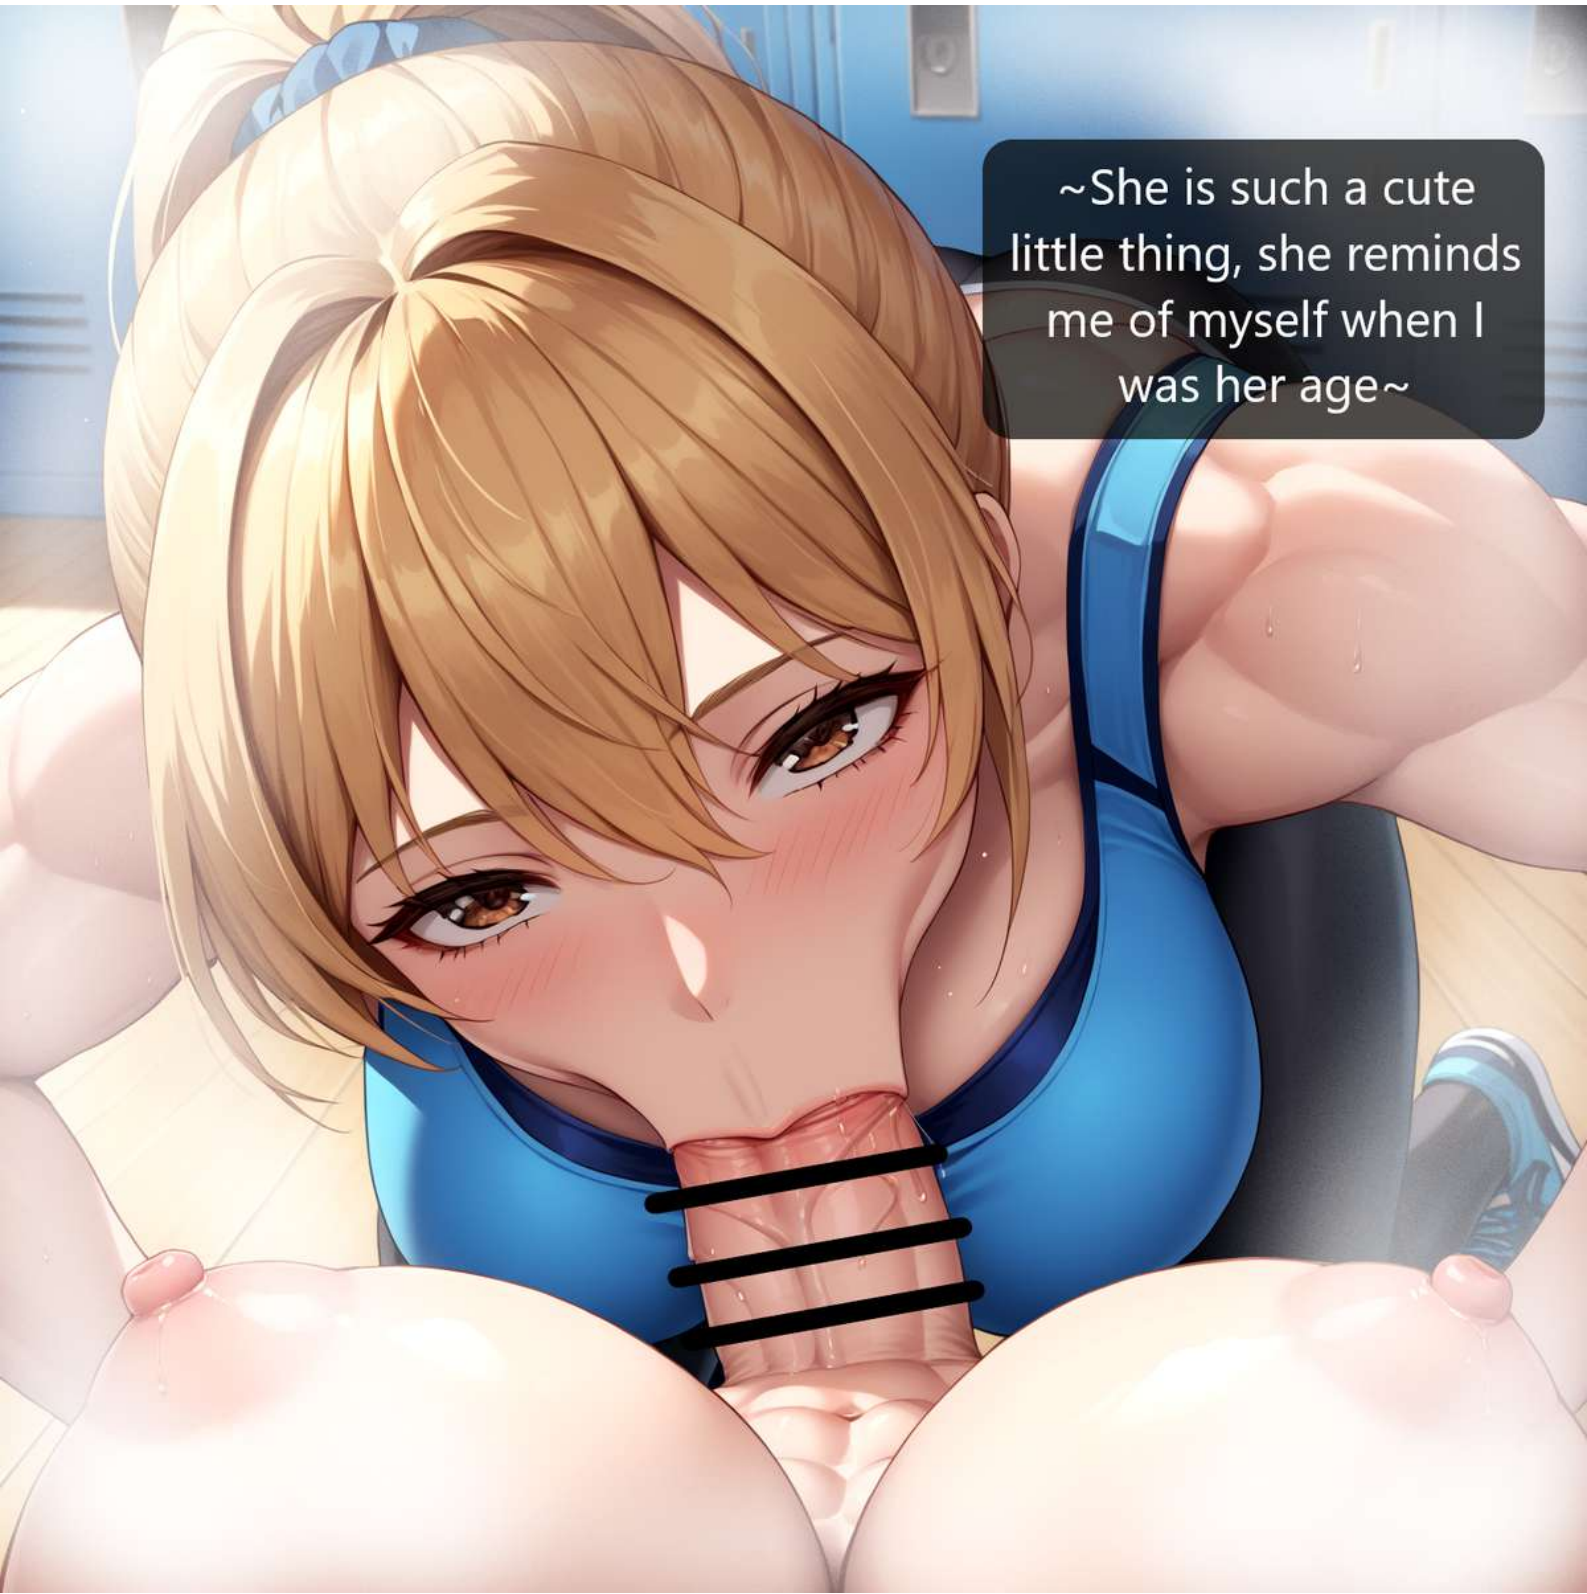

Thinking about it,
maybe I don't want
to get rid of that
penis afterall

~I should really pick up on that offer Sam made, she needs someone new in her life~

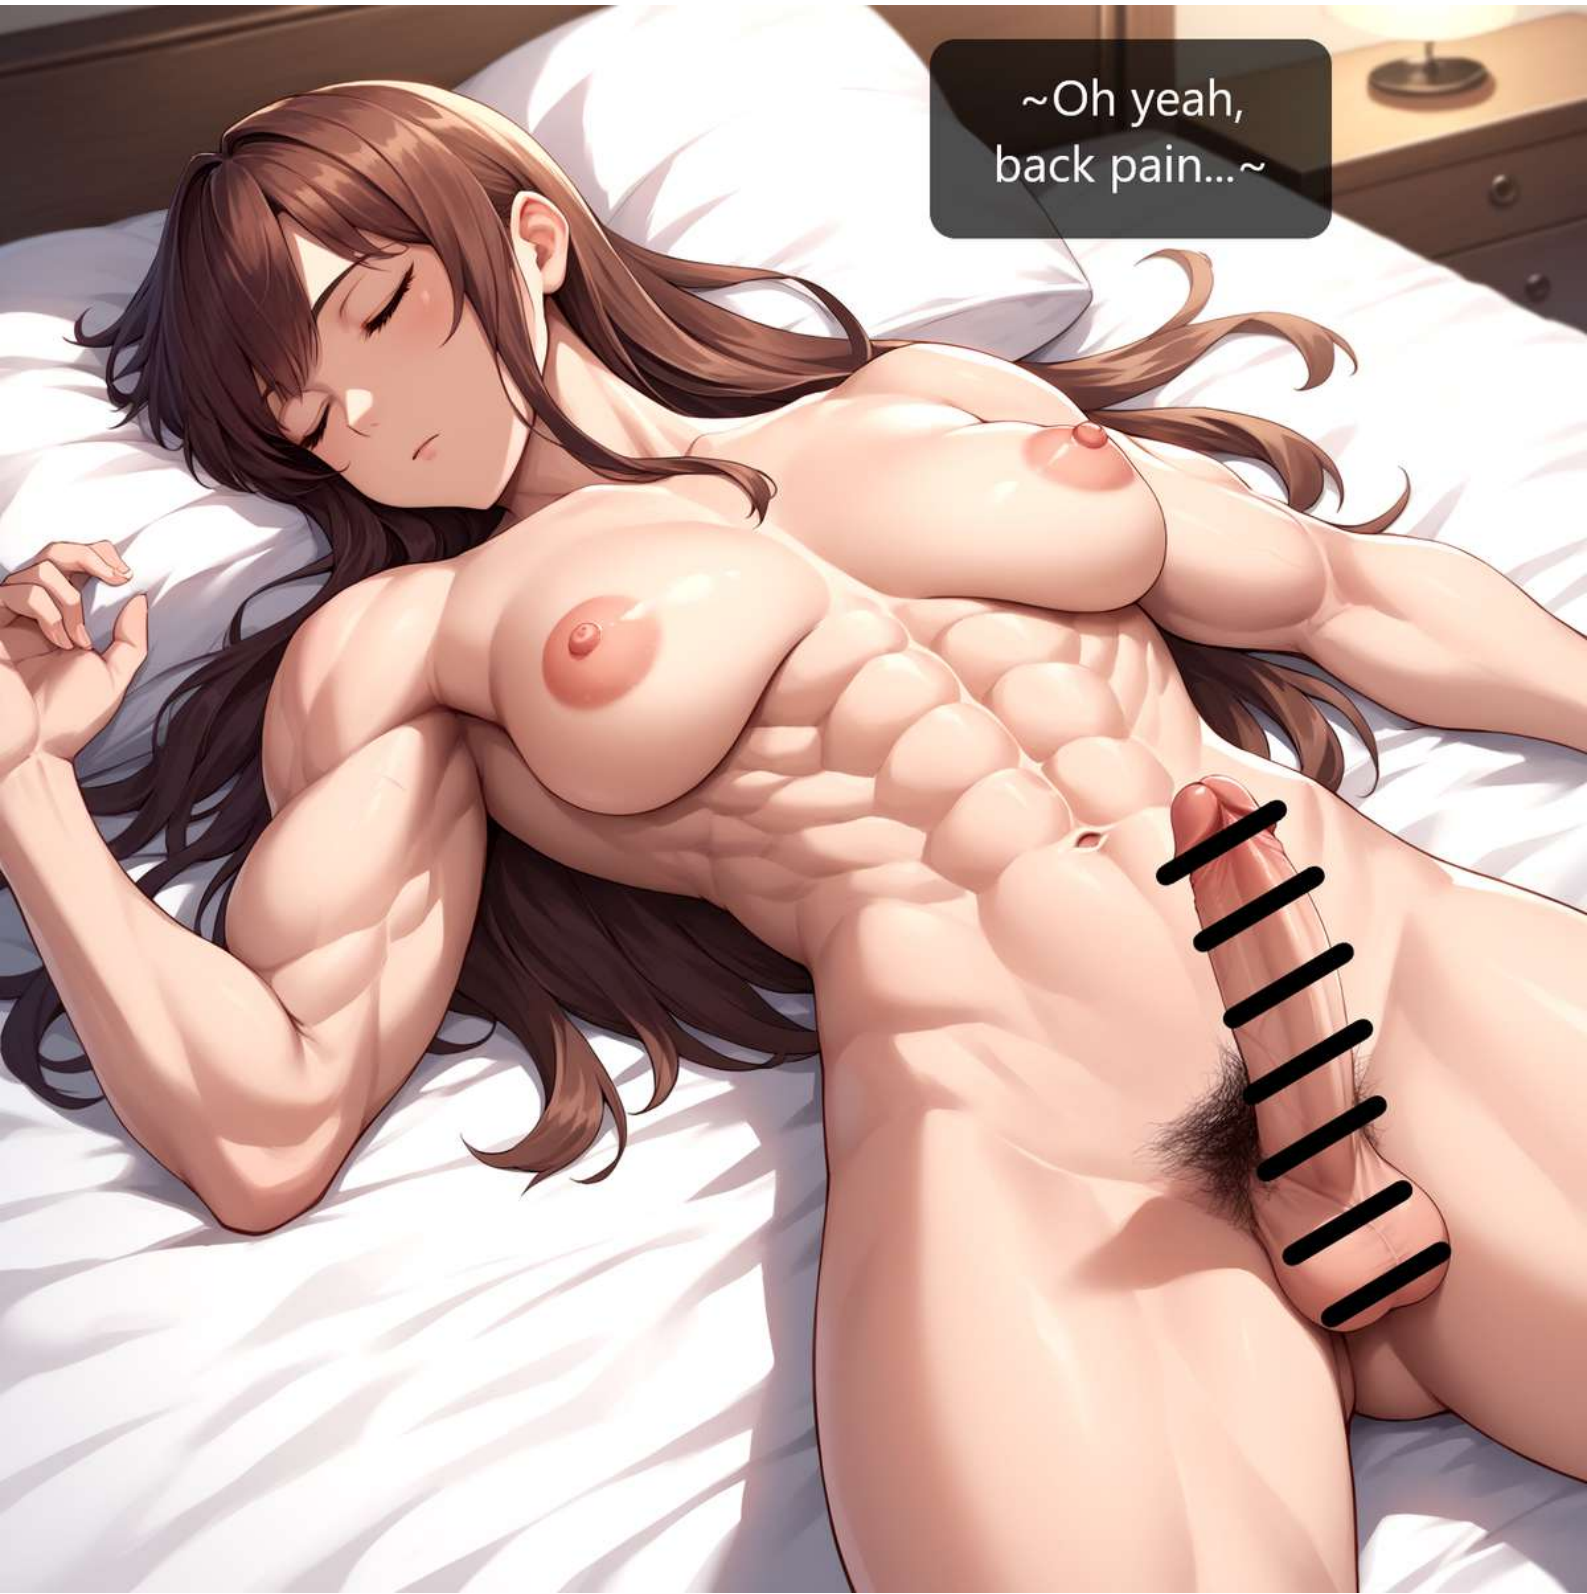

~She is such a cute little thing, she reminds me of myself when I was her age~

~And the ammount
my muscle grew today,
I am so happy
about that~

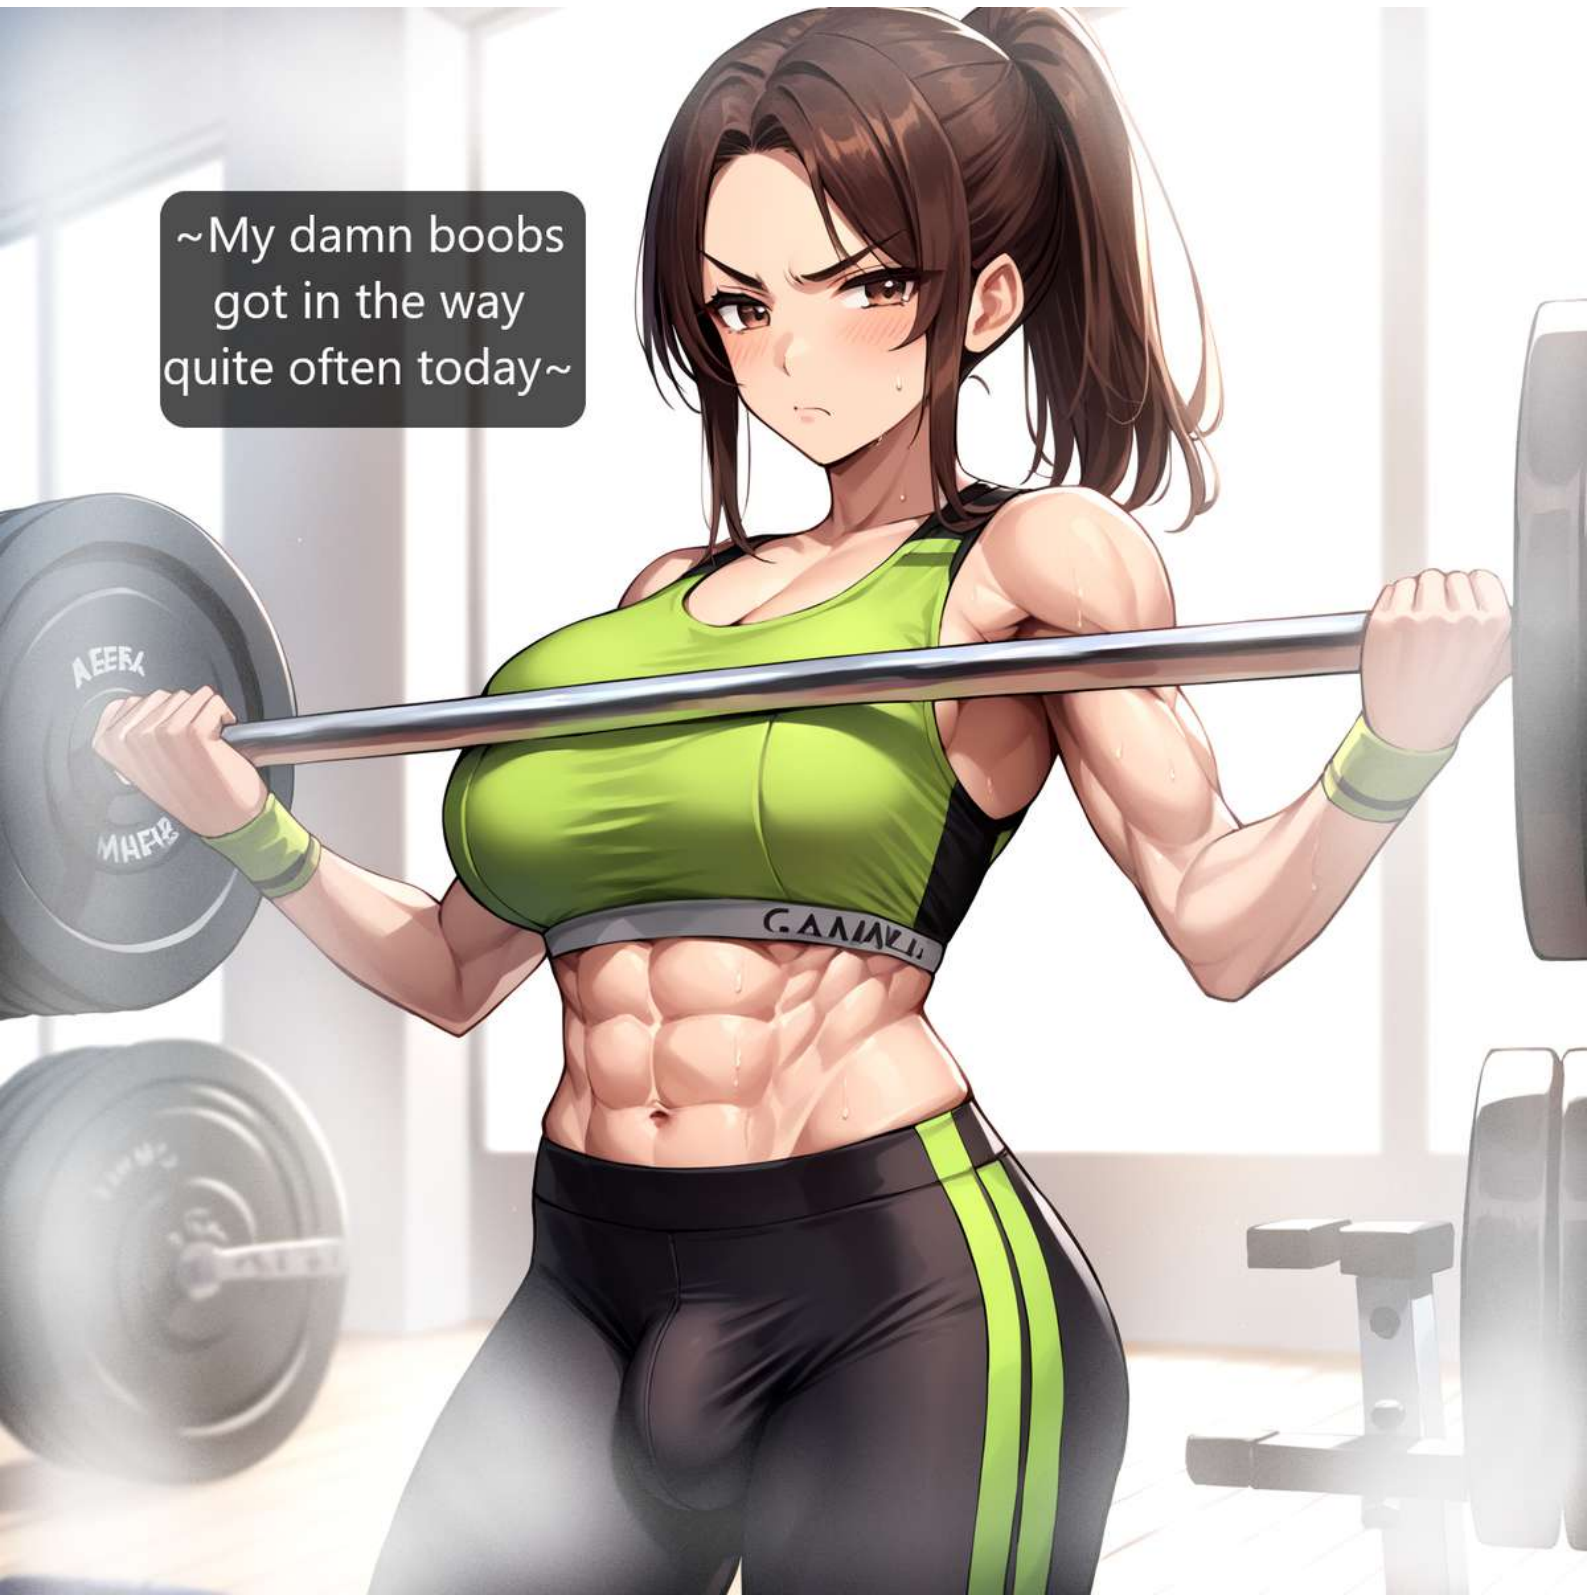

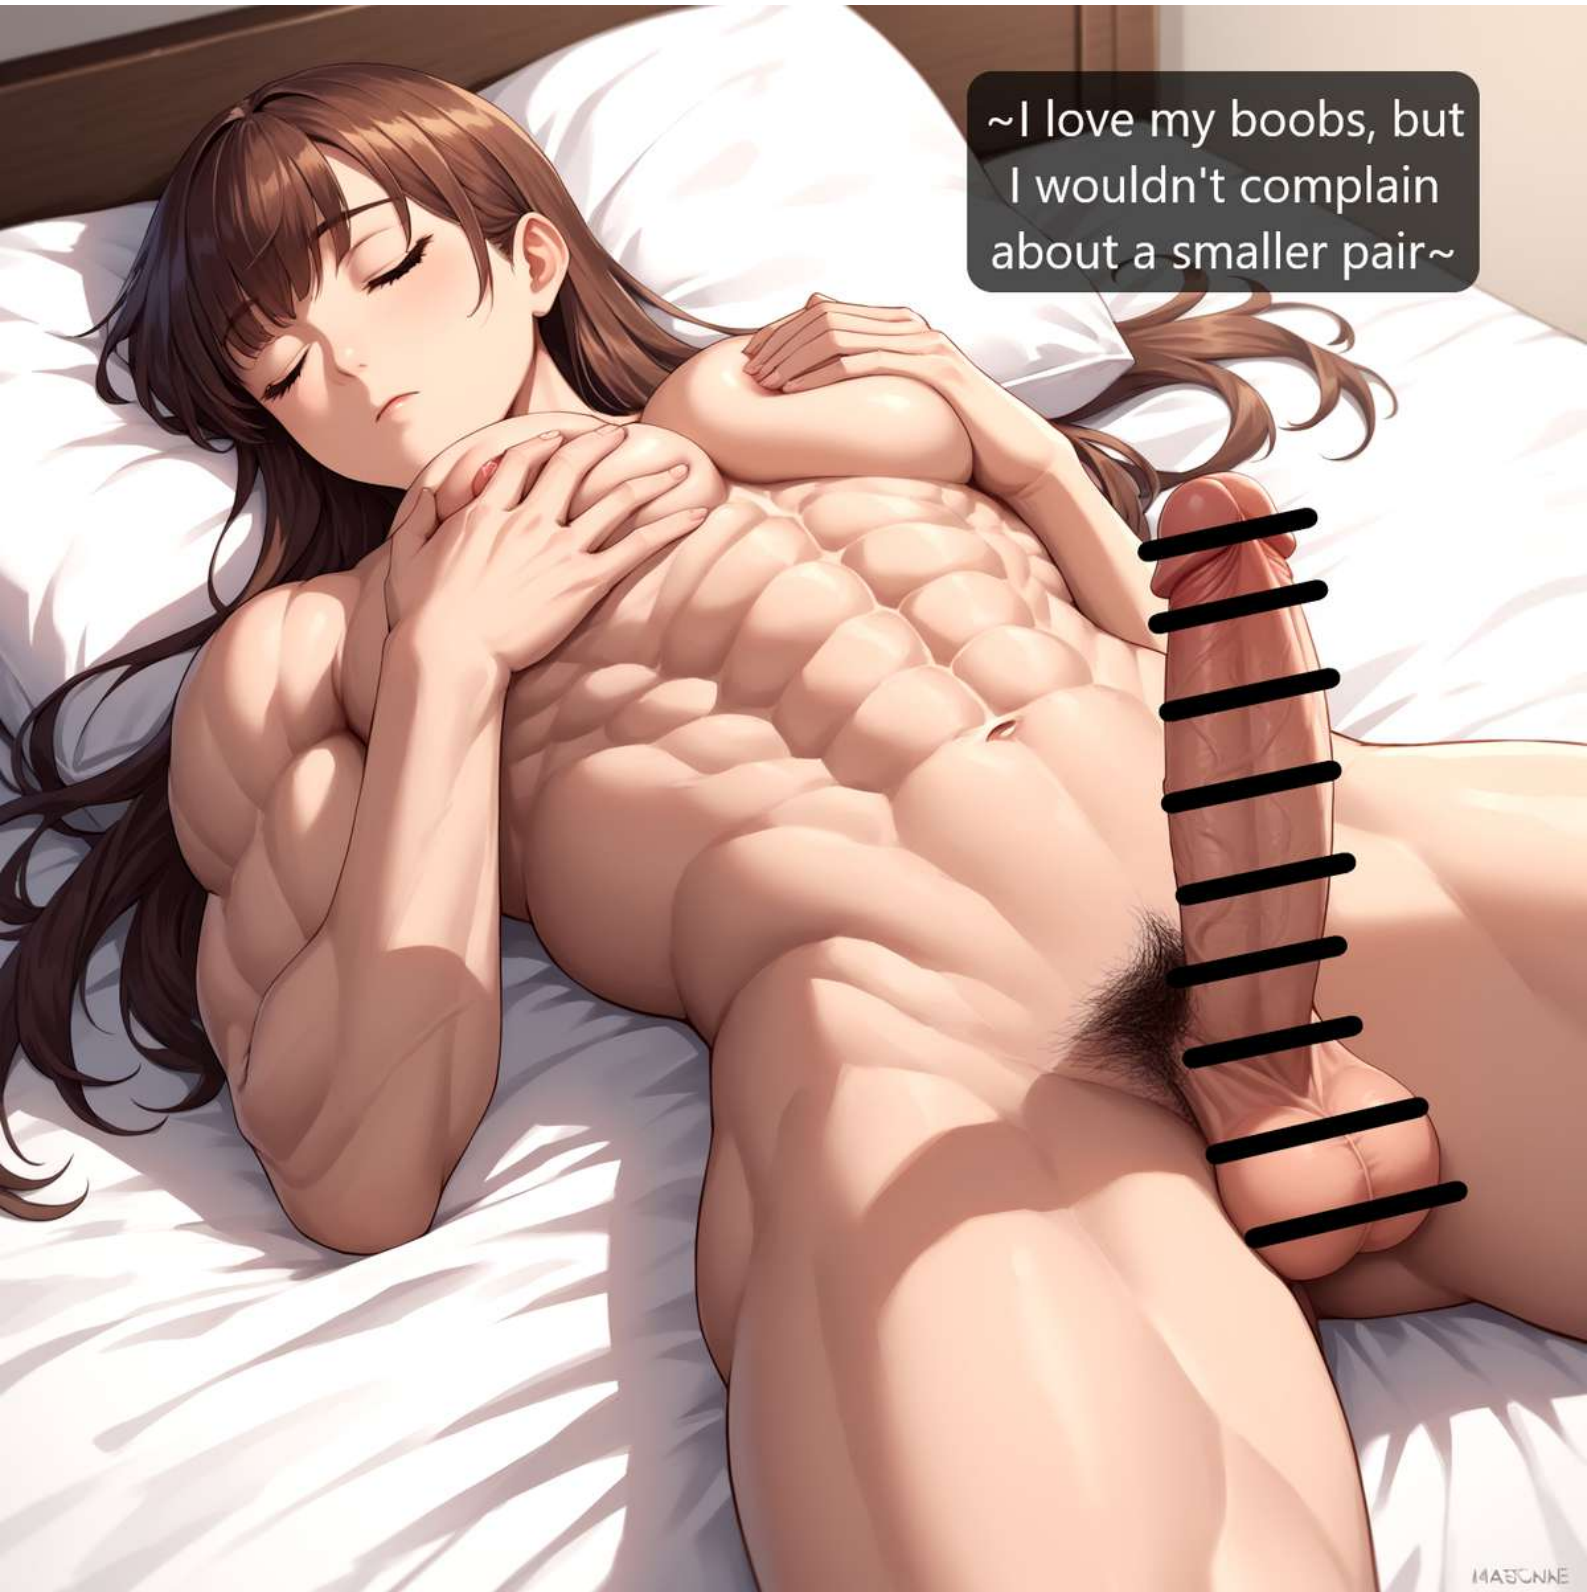

~I look almost herculean now, I feel so powerful and my back doesn't hurt anymore~

~Oh yeah,
back pain...~

~My damn boobs
got in the way
quite often today~

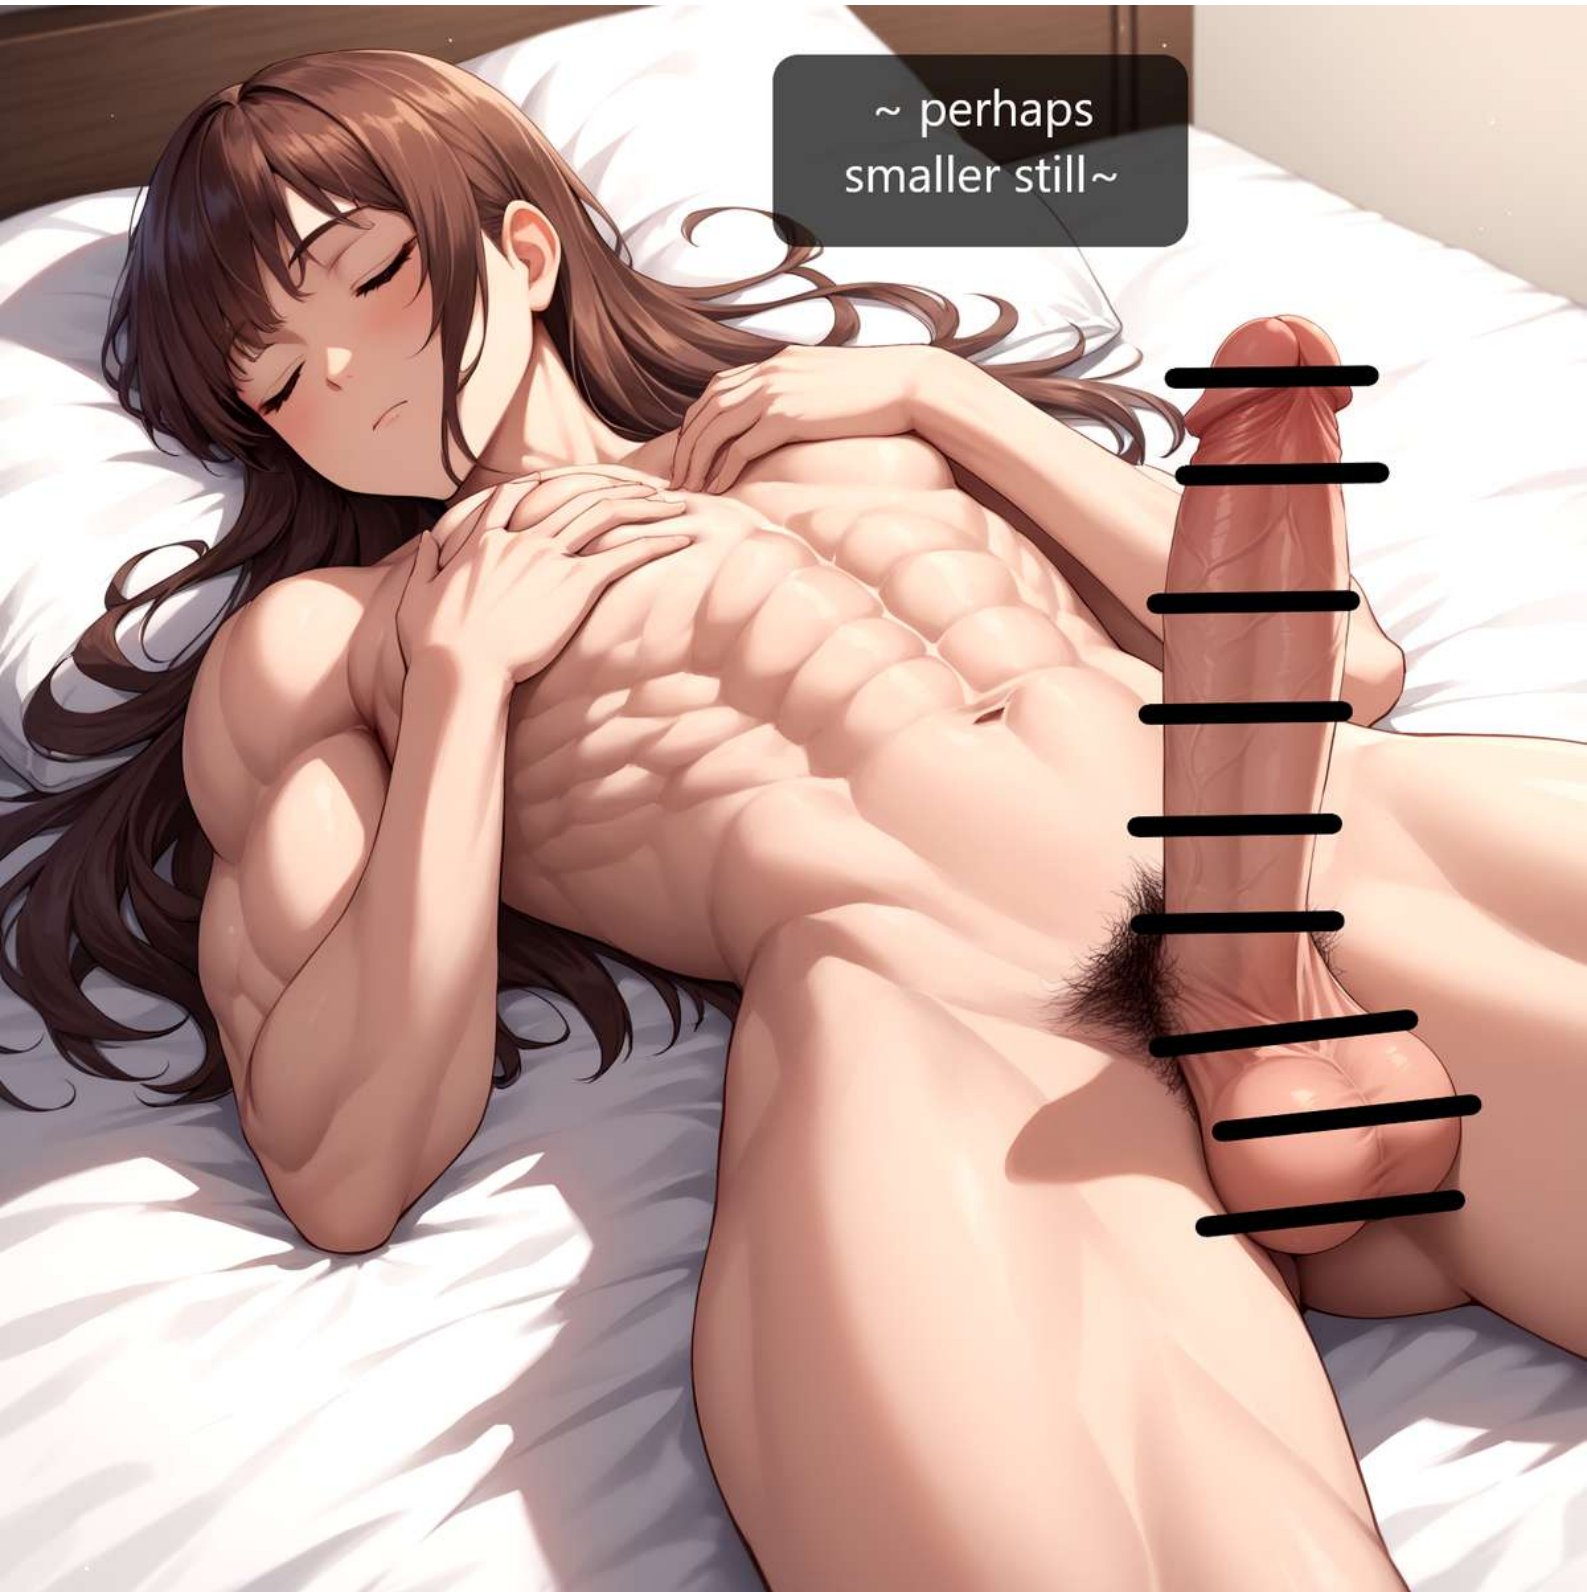

~I love my boobs, but
I wouldn't complain
about a smaller pair~

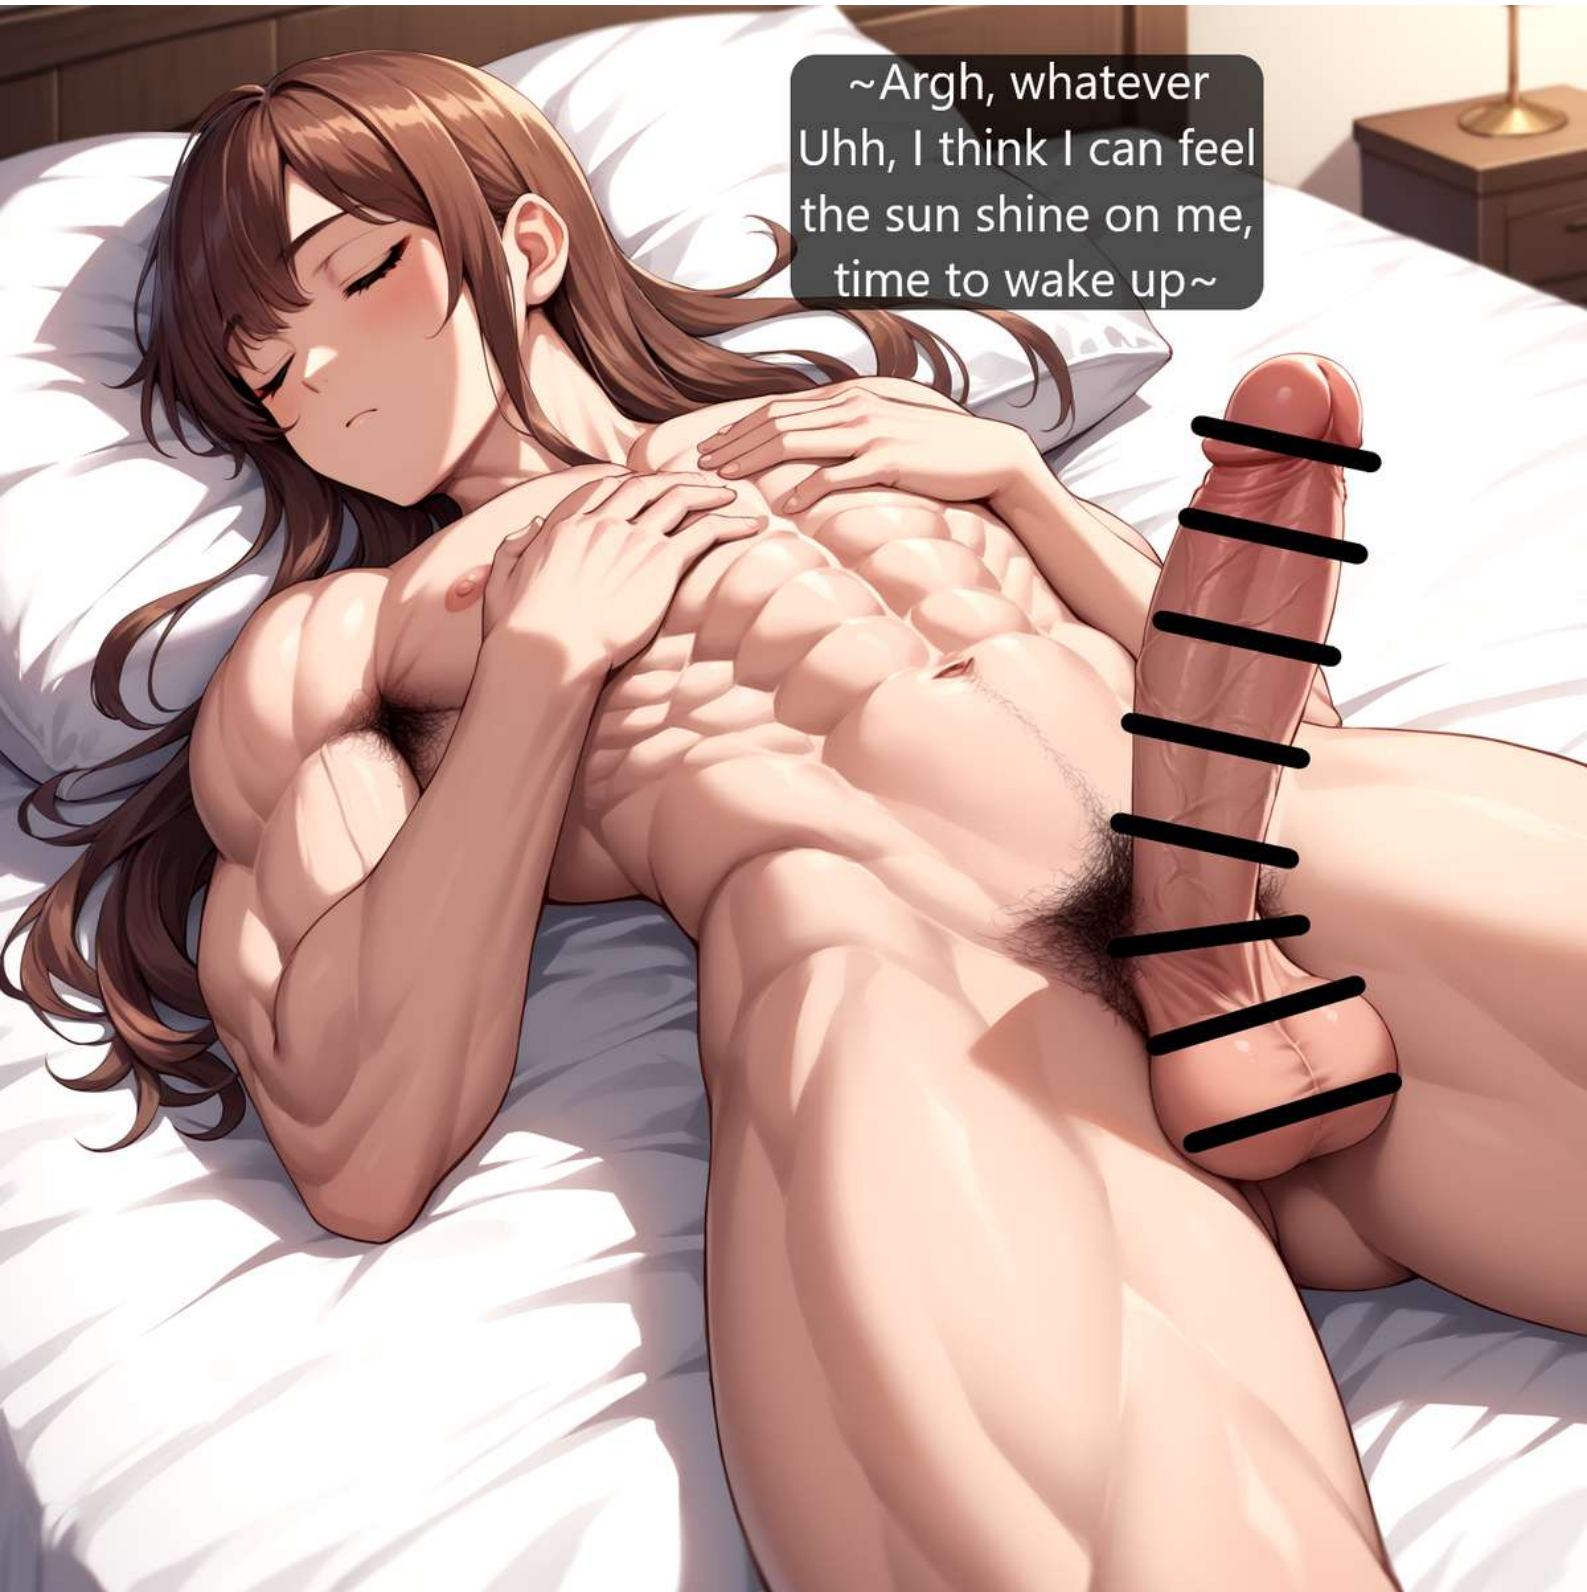

~That would be great, or perhaps...~

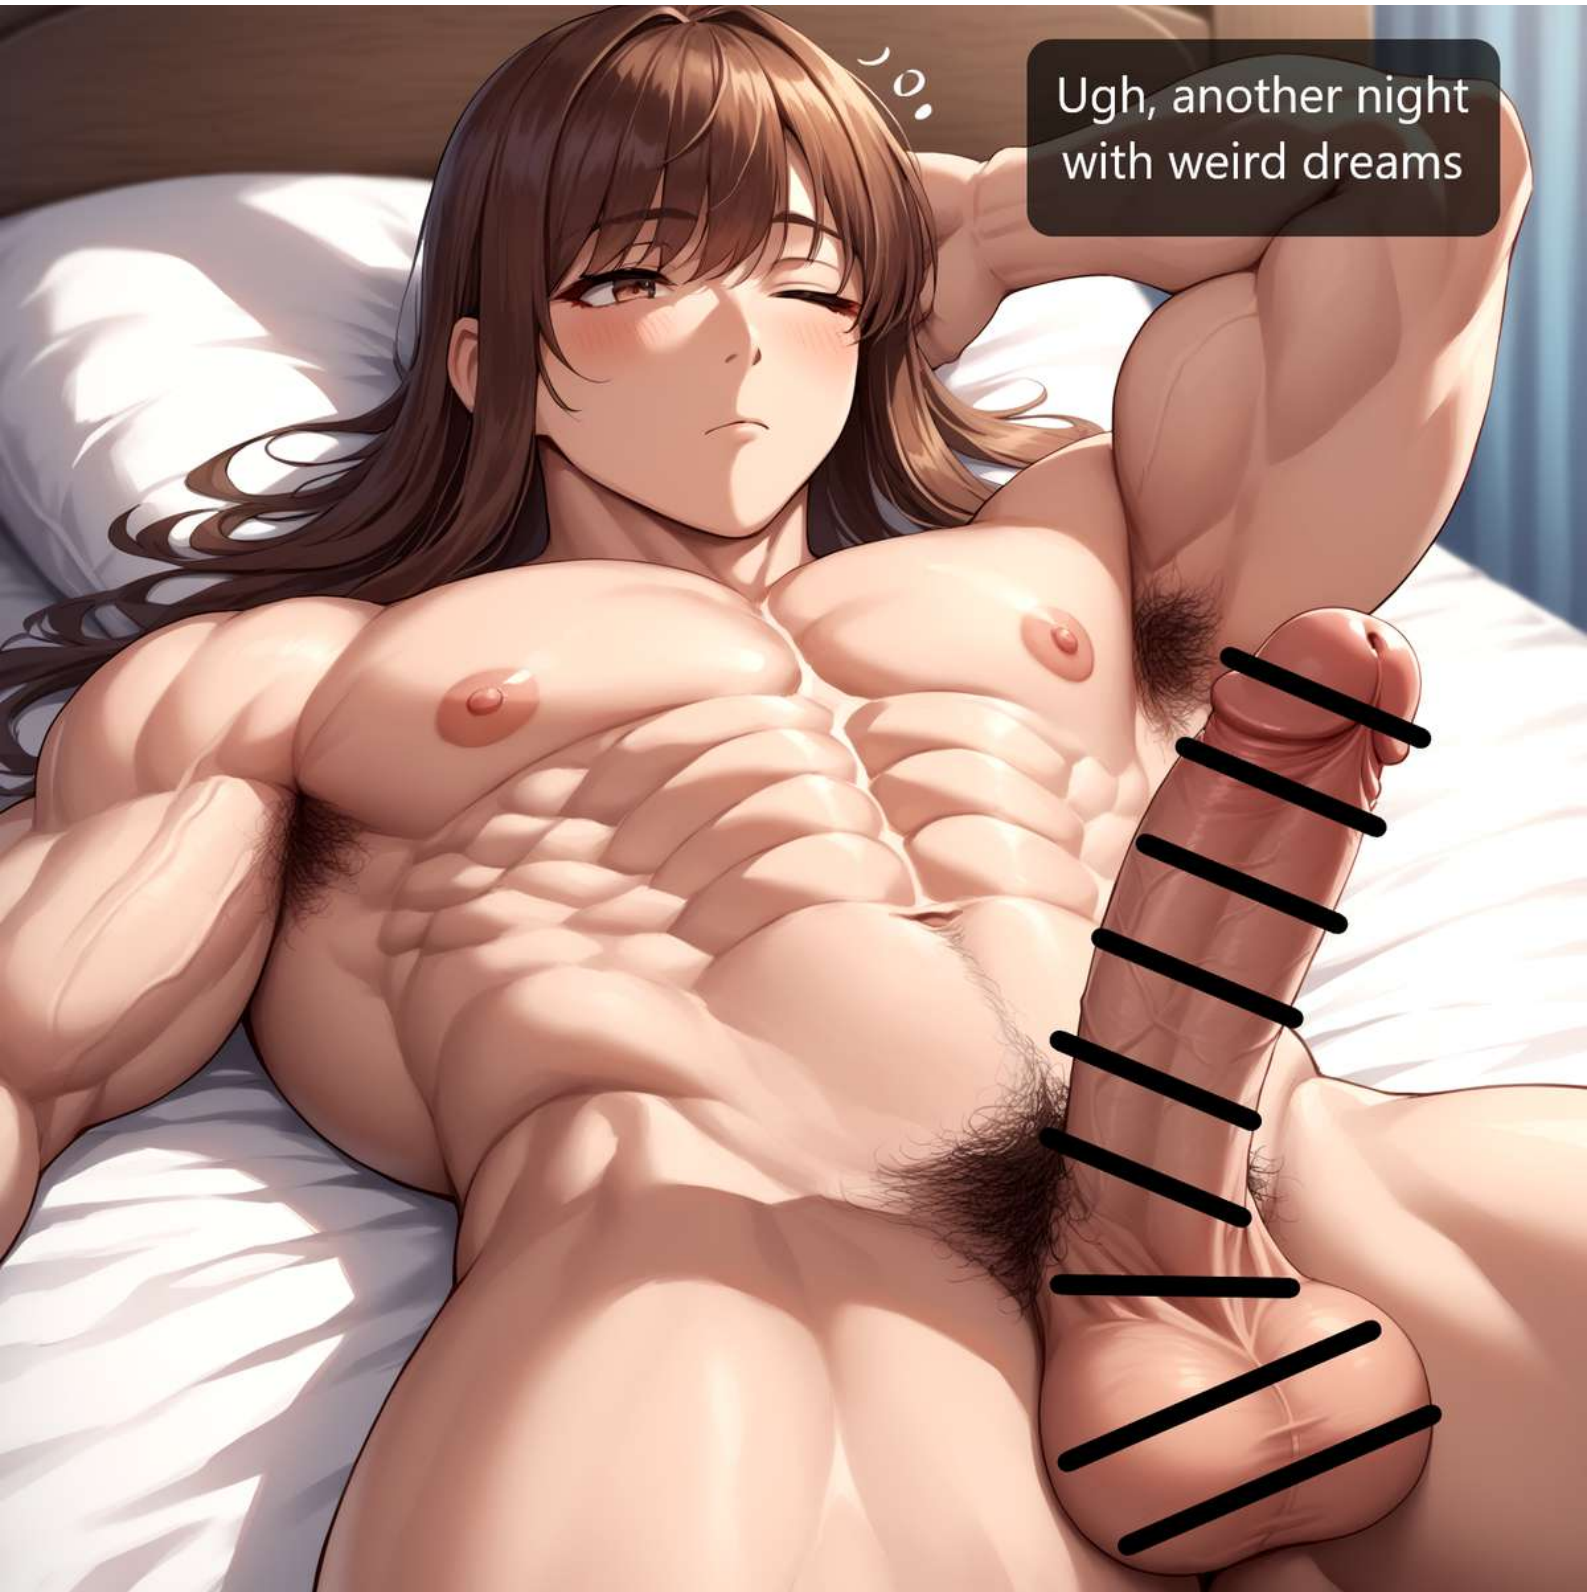

~ perhaps
smaller still~

~That's too flat,
Why do I keep
dreaming about
myself with a
flat chest?~

~Argh, whatever
Uhh, I think I can feel
the sun shine on me,
time to wake up~

Ugh, another night
with weird dreams

Uhh hello there little friend, you seem bigger than yesterday

Also...

something seems out of place...

**OH GOD !
My boobs
are gone !**

No! This can't be!
This isn't the body
I wanted! All I
wanted was for my
boobs to be
smaller, not for my
body to be so...
Manly...

Hmmm... Just look at me... I'm a freak... A hunky, strong... Sexy... Freak?

I mean, it's not like I mind the muscles. I may look manly, but isn't this the kind of body I always found attractive

I could do without the body hair though. Ugh, I need to shave it off ASAP

All my life I've
been clean
shaven and
suddenly over
nighth this!
It's so nasty !

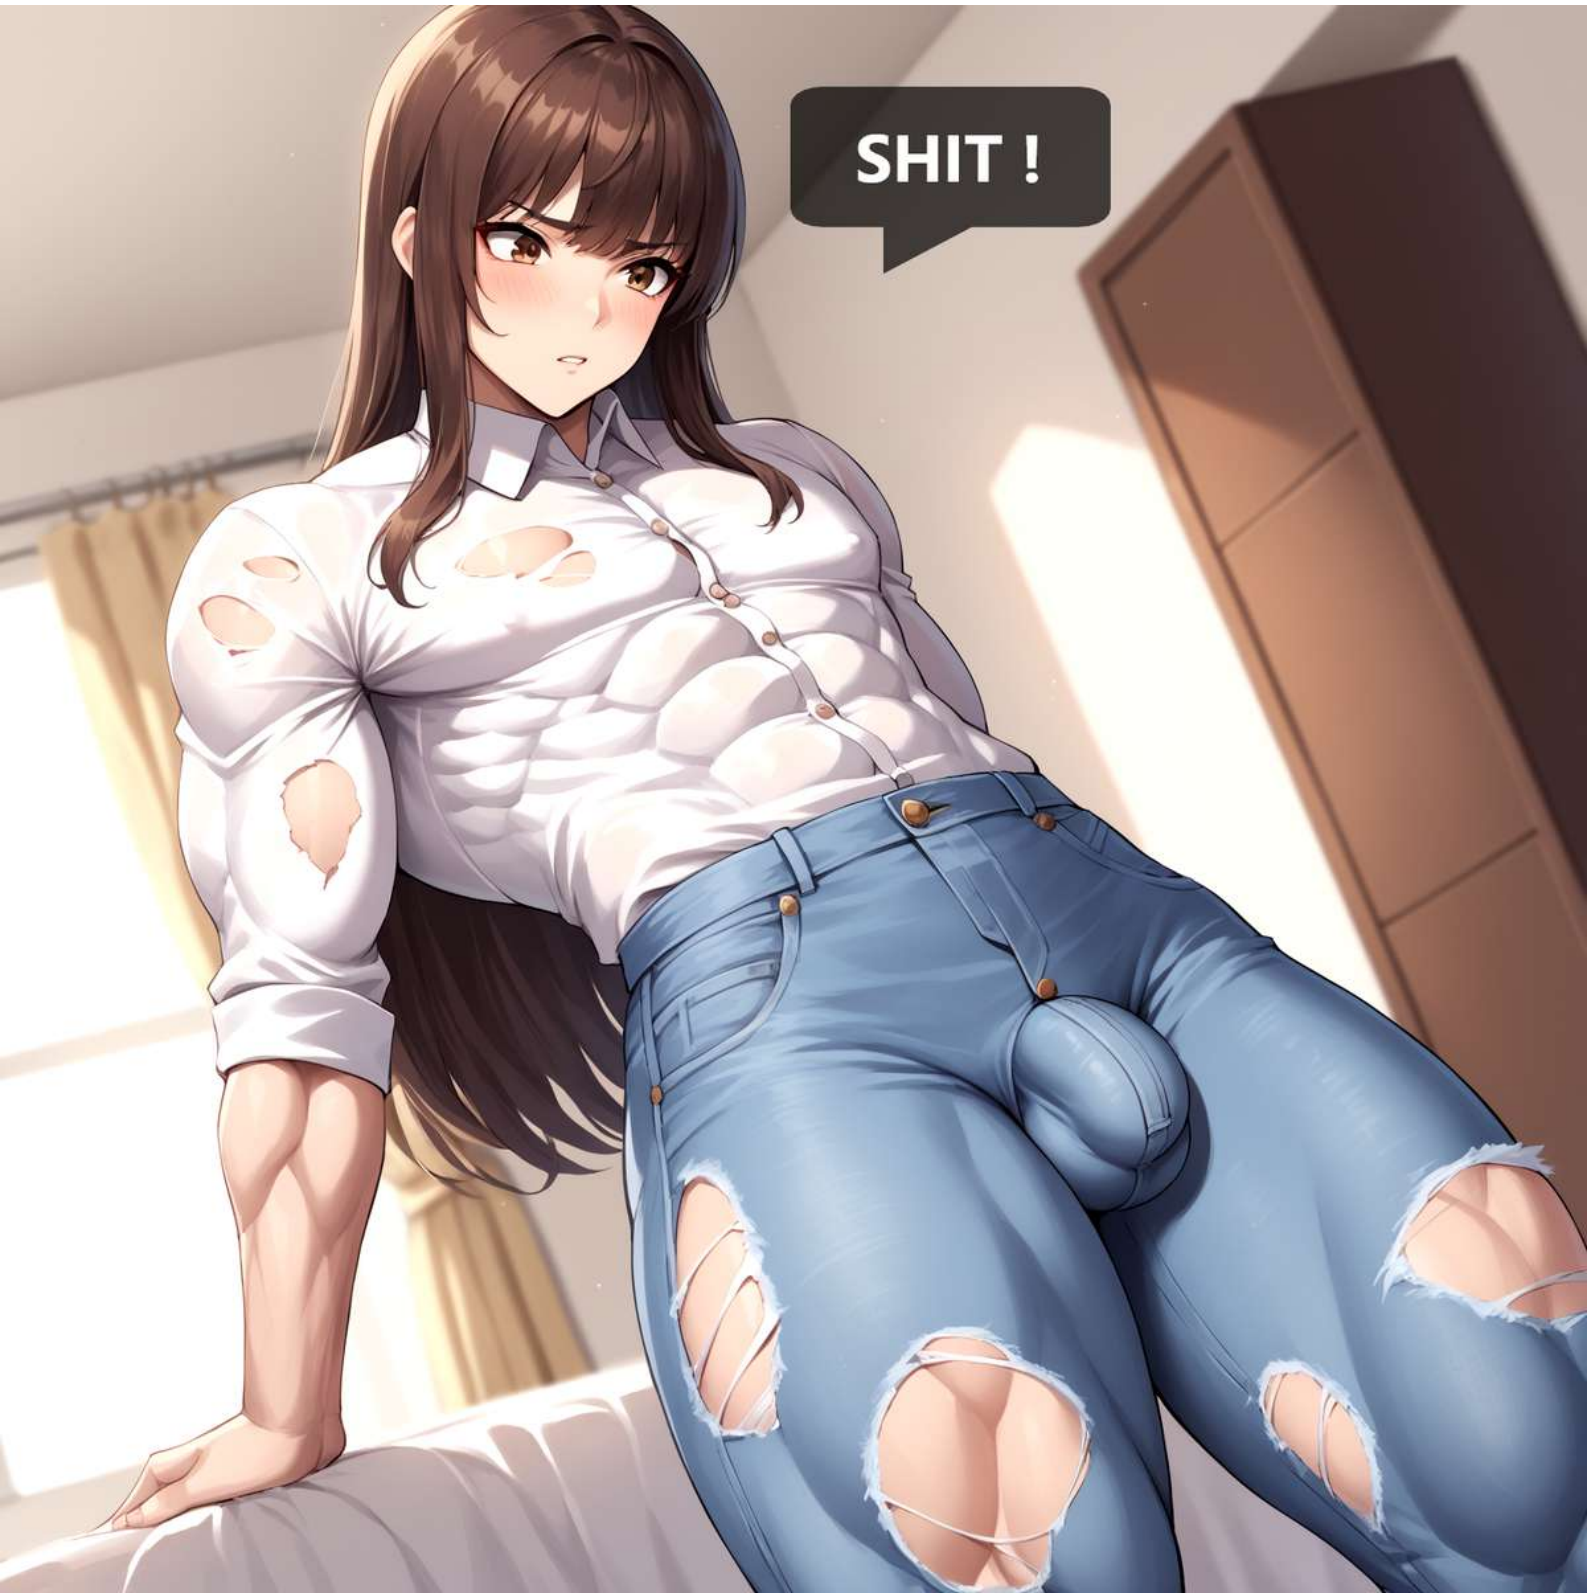

This is much better, but what should I wear today

Oh god, it's so tight, I need to be careful, one wrong move and...

SHIT !

Hopefully this works a bit better or I'll...

Oh come on,
not my
favorite
sweater too

Thank goodness,
at least something
that somewhat fits
But it will still be
awkward with my
bulge sticking out

Everyone's
staring at me...
Oh no, what are
they thinking
about my
body now?

They must think
I'm a freak...
Wait... Or maybe
they think I look
good?

You know, I've only felt more pleased with my body ever since the changes started. I should be happy and confident about that!

Who cares if anyone thinks I'm a freak? I love having this big, strong body and I'm not ashamed to show it off anymore. Let them stare at it all they want~

Time to find something in my size, perhaps some new underwear as well

It's so weird...
My body looks
so firm, swollen
and masculine...
But I'm still so
irresistible!

Mmhh...
Am I getting
hard just from
looking at
myself in the
mirror?

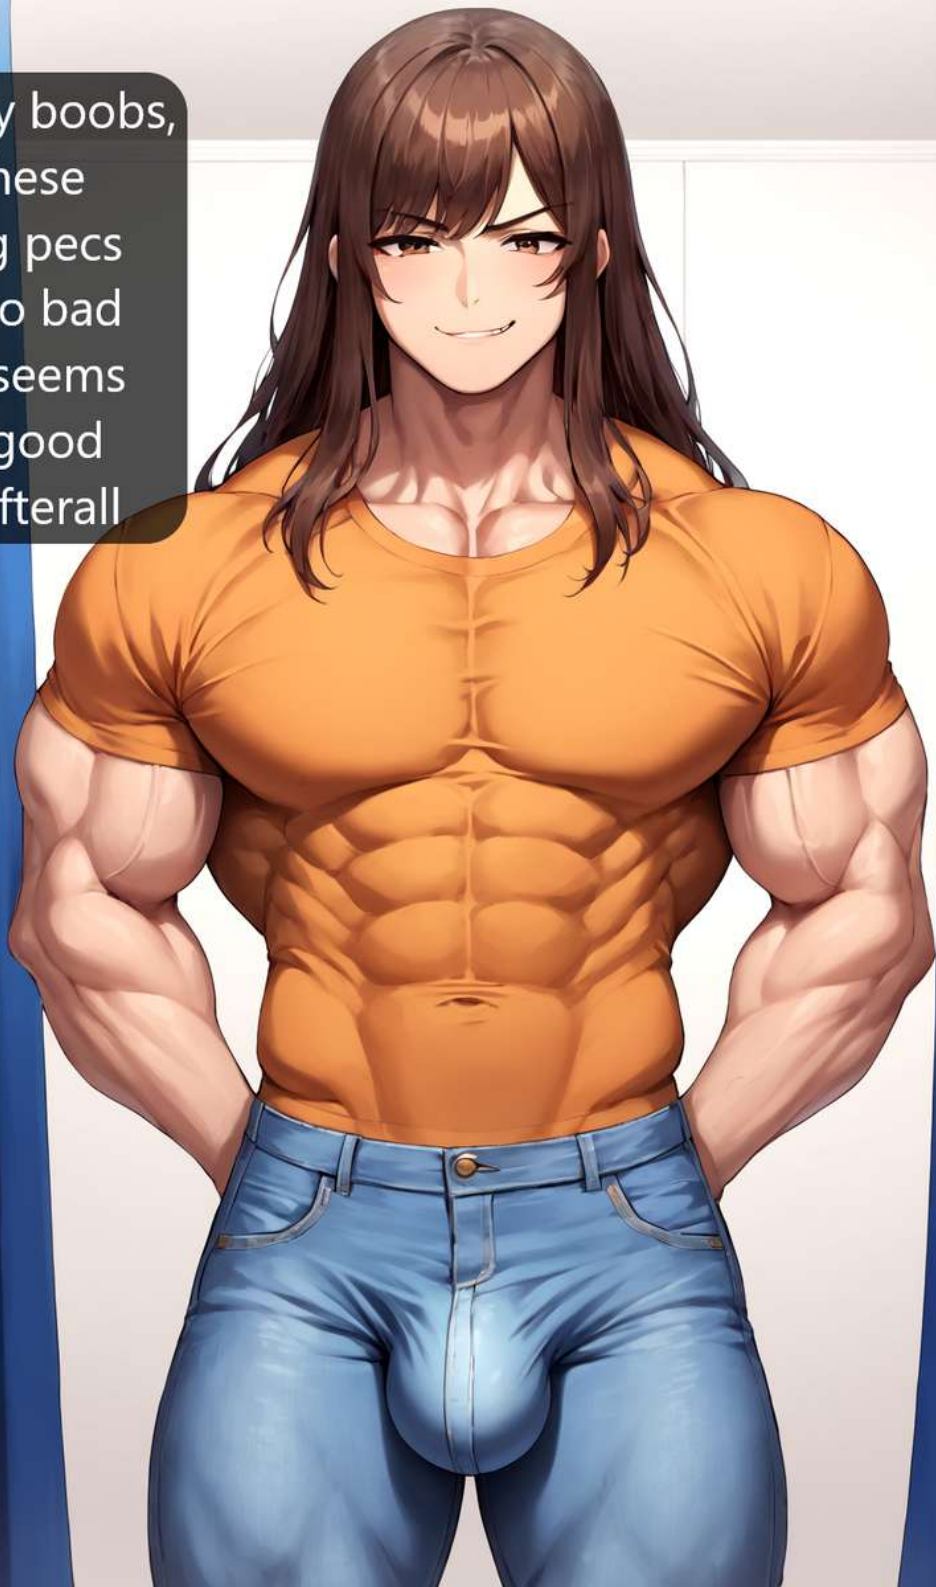

All this pent up
sexual energy
caused my body
hair to grow back,
I don't think
I mind it anymore
If anything, I think it
makes me look
even hotter

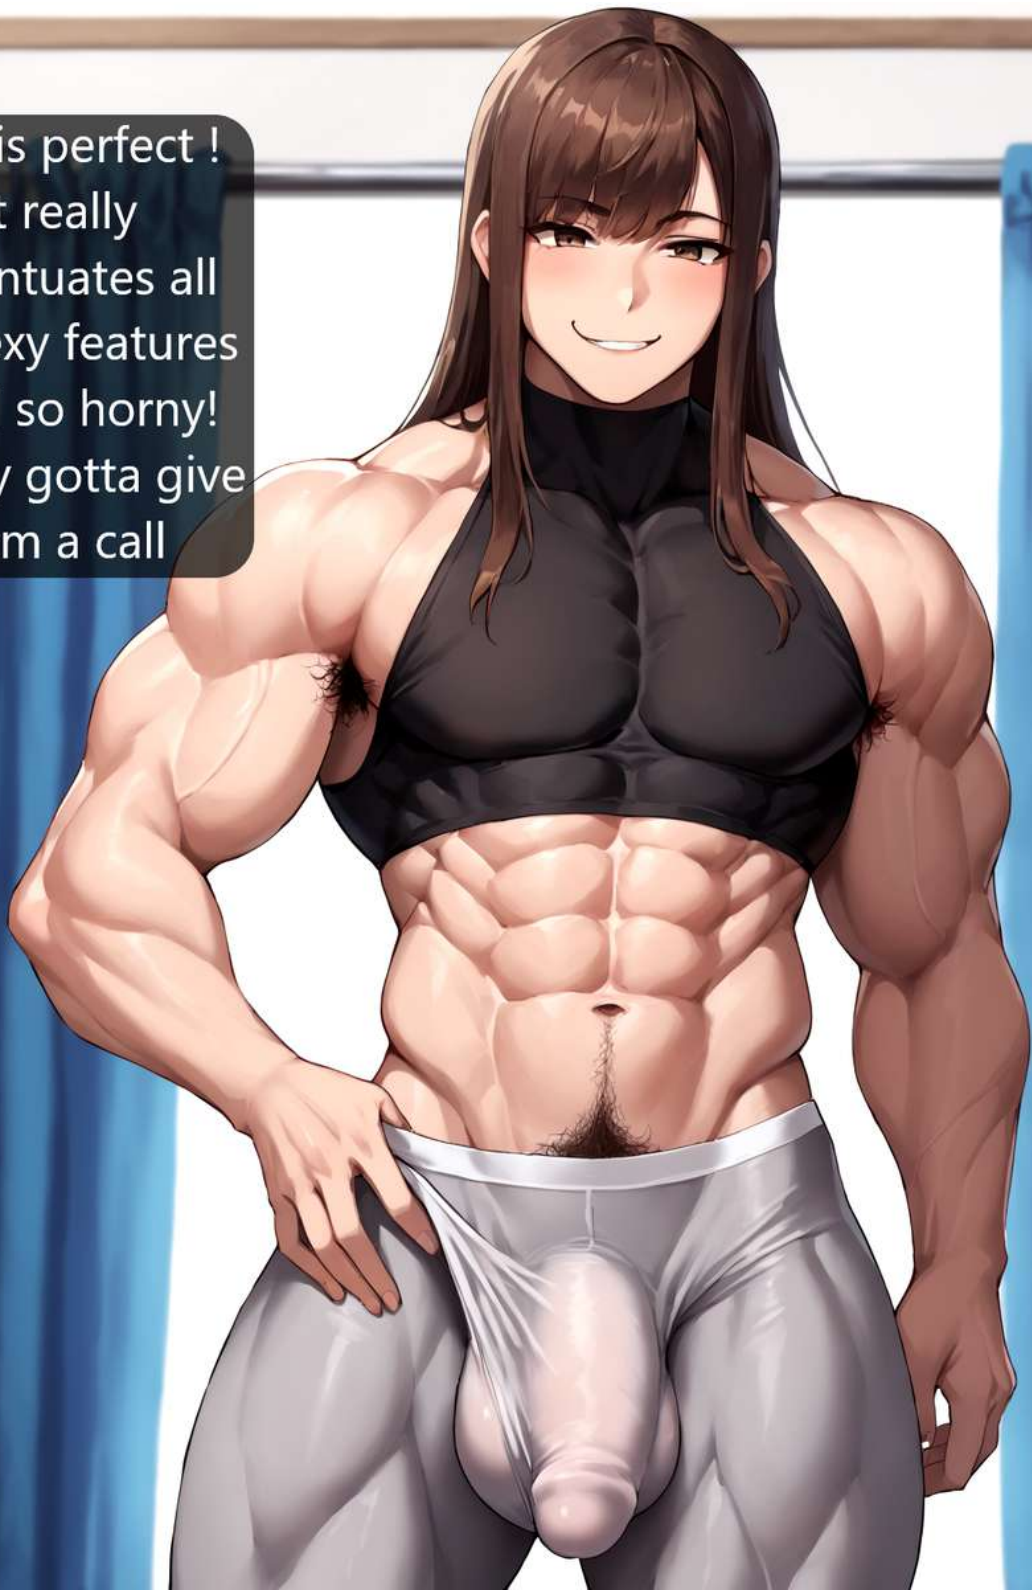

I look so fucking sexy with my three guns, if I could, I'd fuck myself right now!

I loved my boobs,
but these
bulging pecs
aren't to bad
either, seems
like a good
trade afterall

This is perfect !
It really
accentuates all
my sexy features
I feel so horny!
I really gotta give
Sam a call

I really need to
blow a load,
I hope she got
time to spare

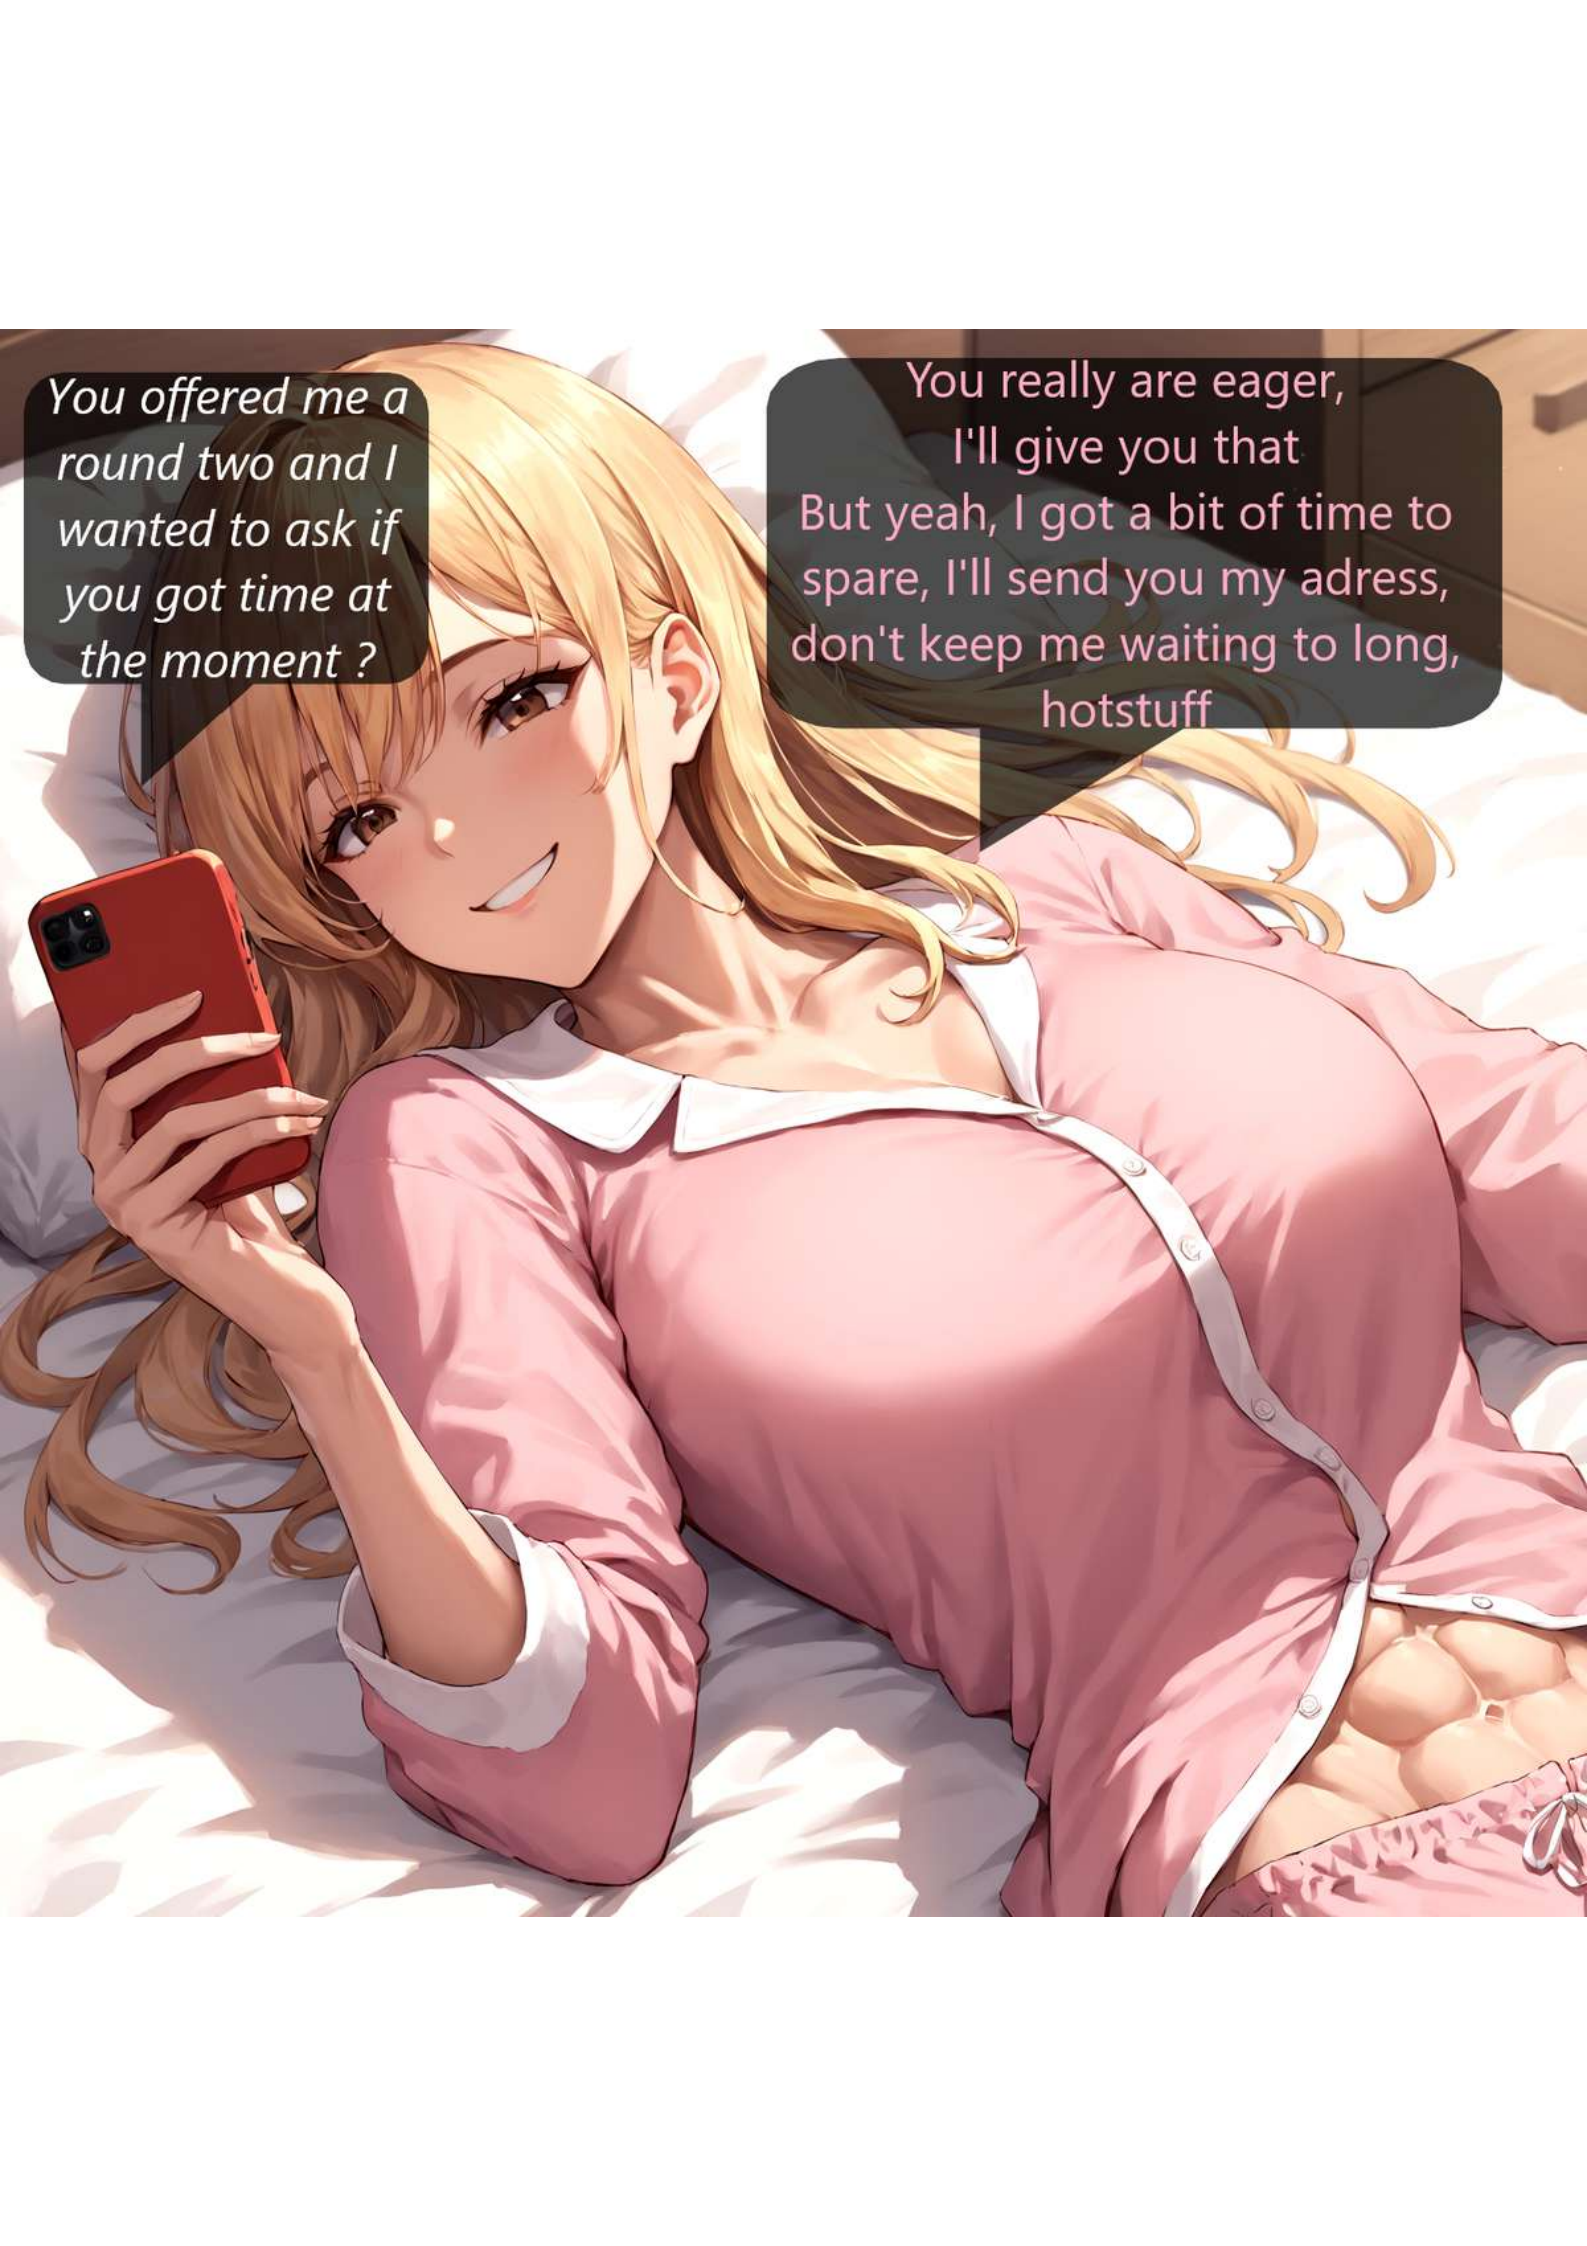

BZZZ
BZZZ

Huh...
Who is calling
me so early...

Good morning
Sam, I hope
I'm not
interrupting
you

No not really, I was
sleeping but I would
have woken up in half
and hour anyways,
why did you call ?

You offered me a round two and I wanted to ask if you got time at the moment ?

You really are eager,
I'll give you that
But yeah, I got a bit of time to spare, I'll send you my adress, don't keep me waiting to long, hotstuff

Oh, that's not far from
where I'm at
I'll be there in 10

Oh god,
all this got me so
excited, I guess
that's what men call
"blue balled", I feel
so pent up

Look at all of them staring I really think it is starting to turn me on

Sam lives in
appartement
25, that should
be down the hall

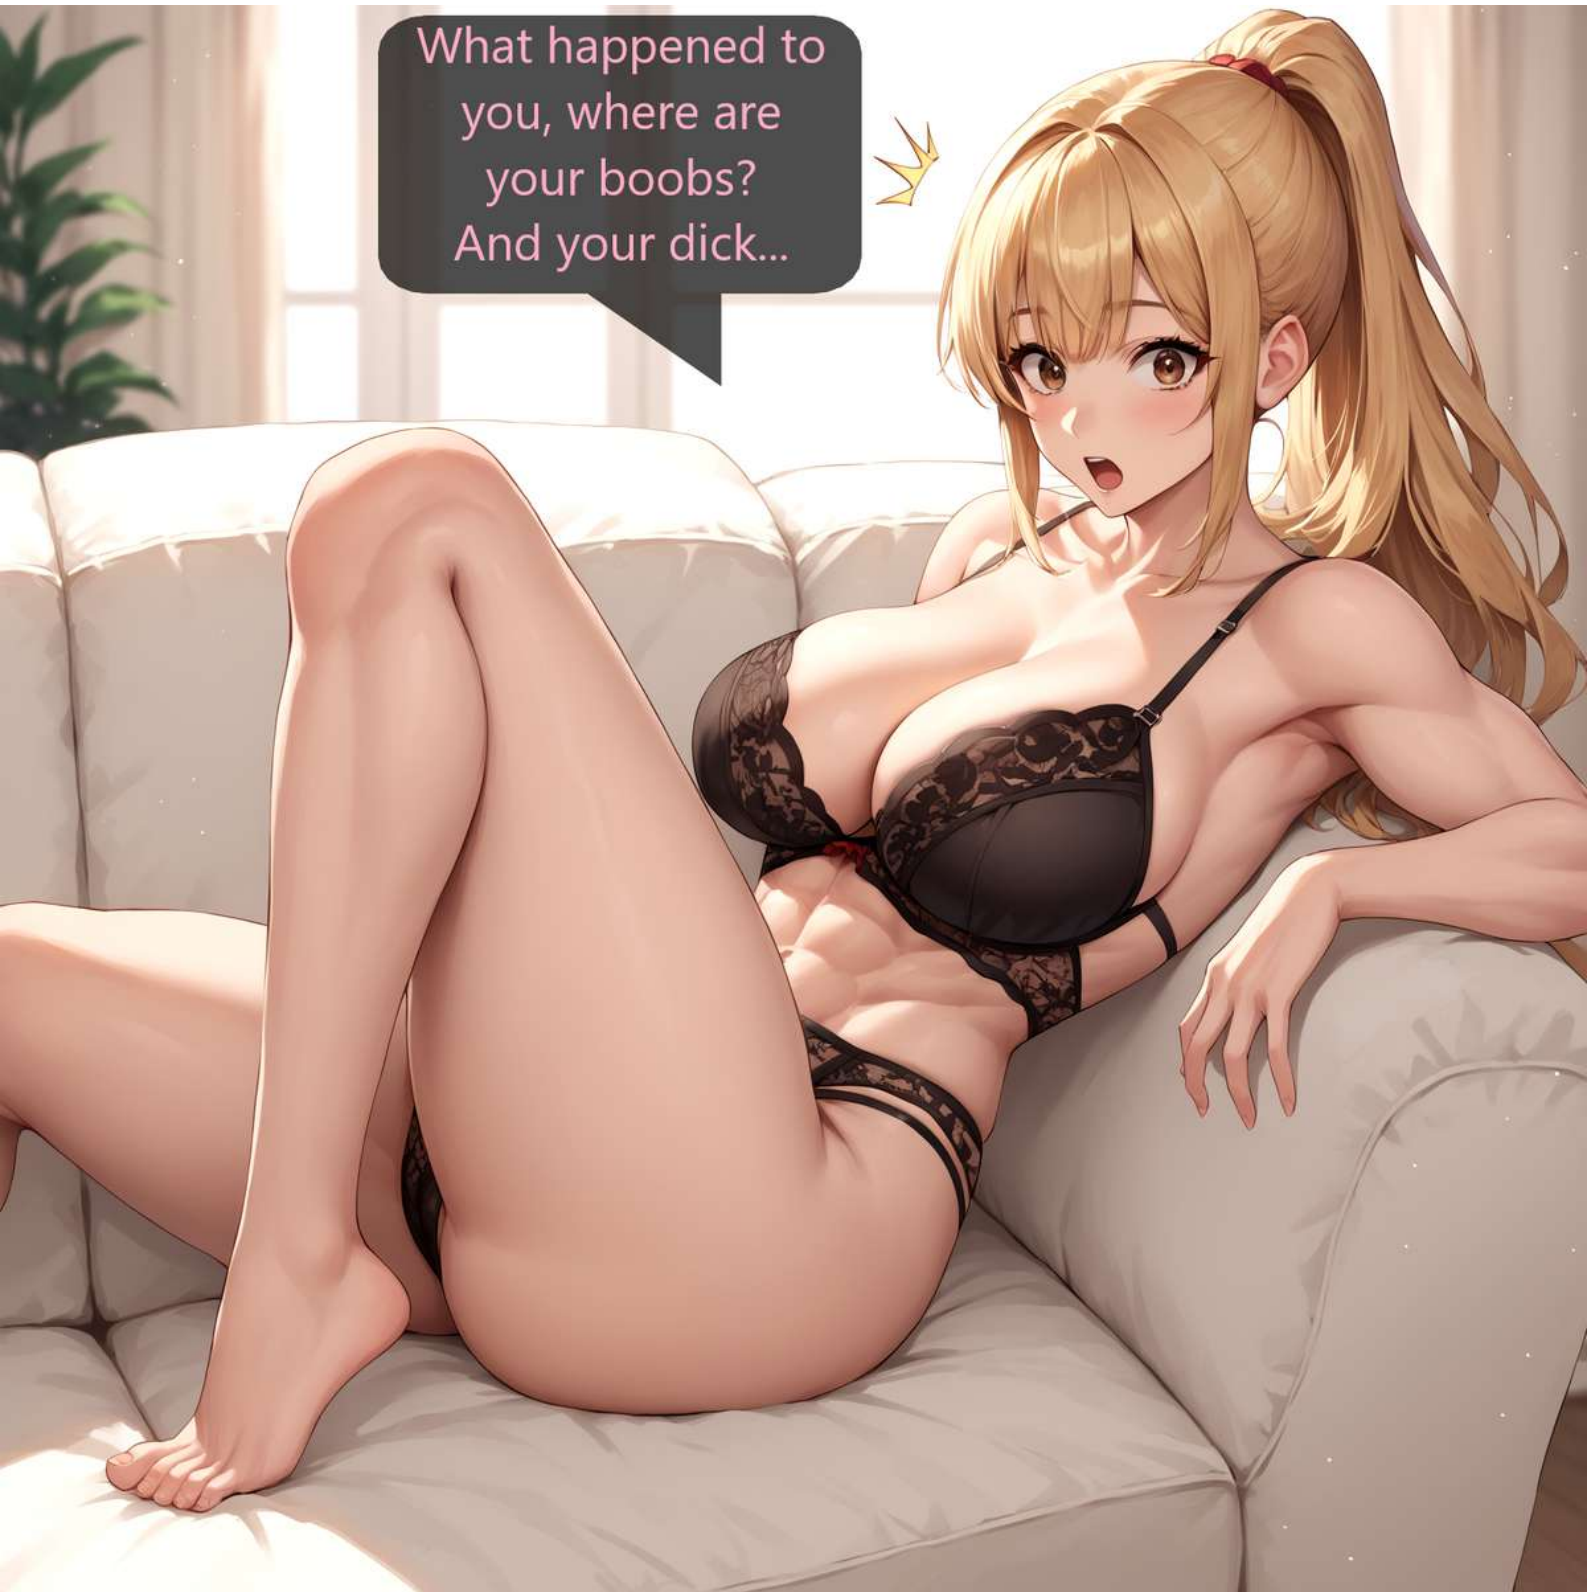

Come on in,
the door is open

Knock!
Knock!

Hey there cutey,
you look amazing

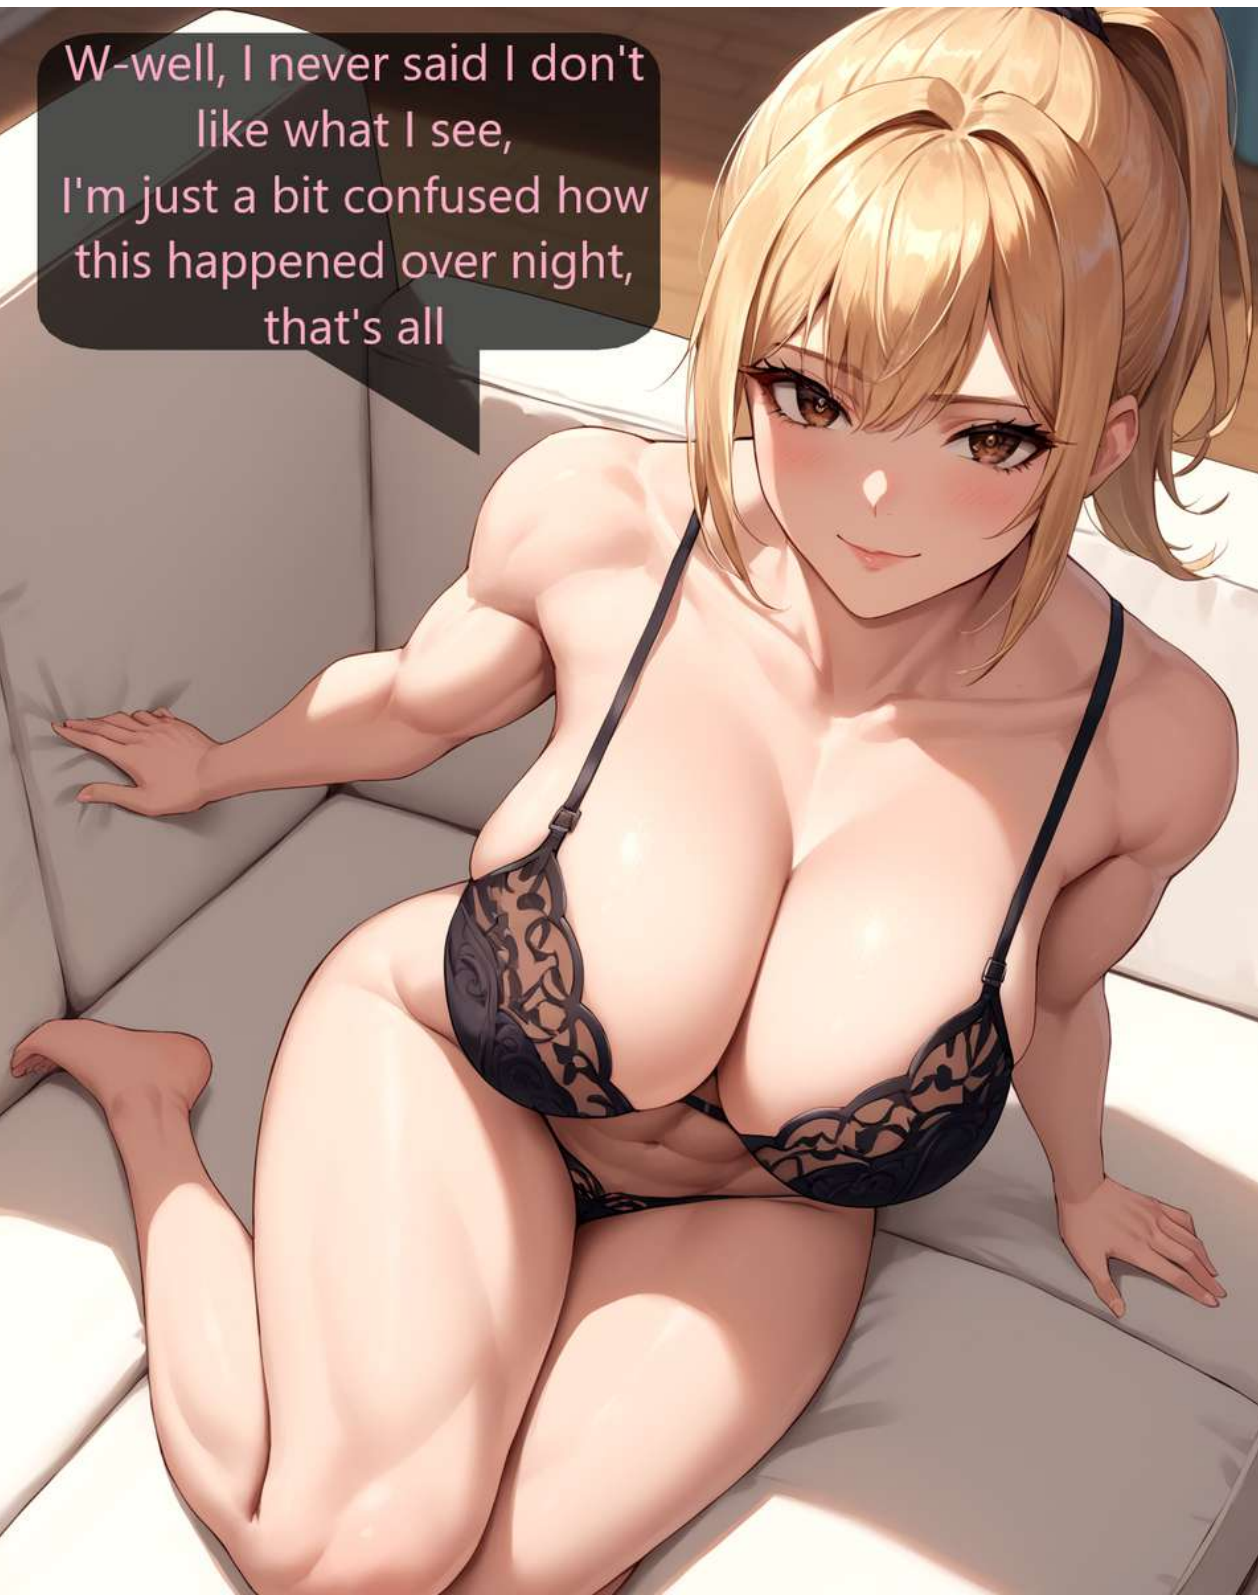

What happened to
you, where are
your boobs?
And your dick...

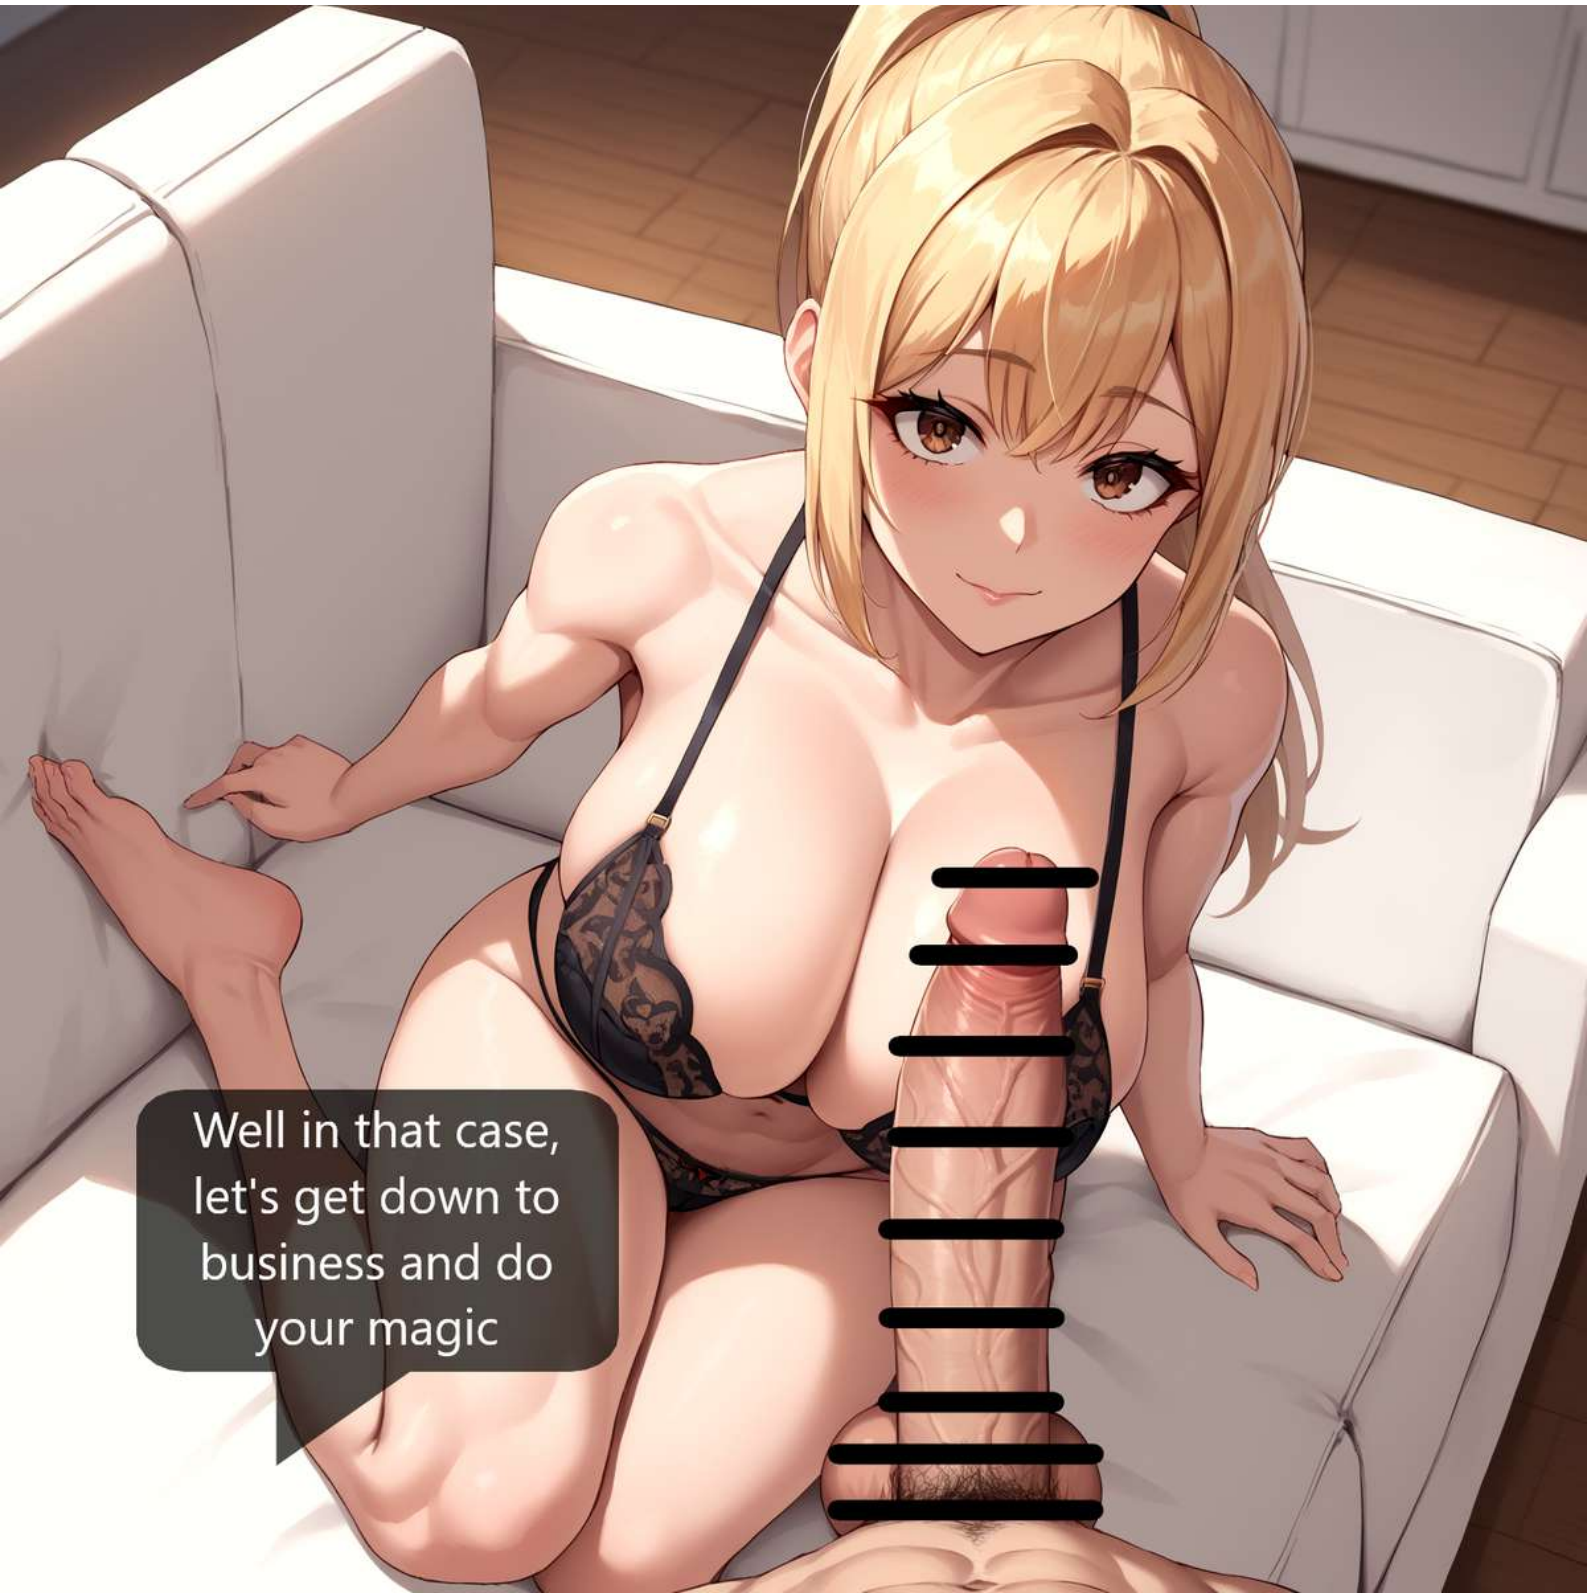

I told you, it's a long story
Don't tell me, you don't like my new look

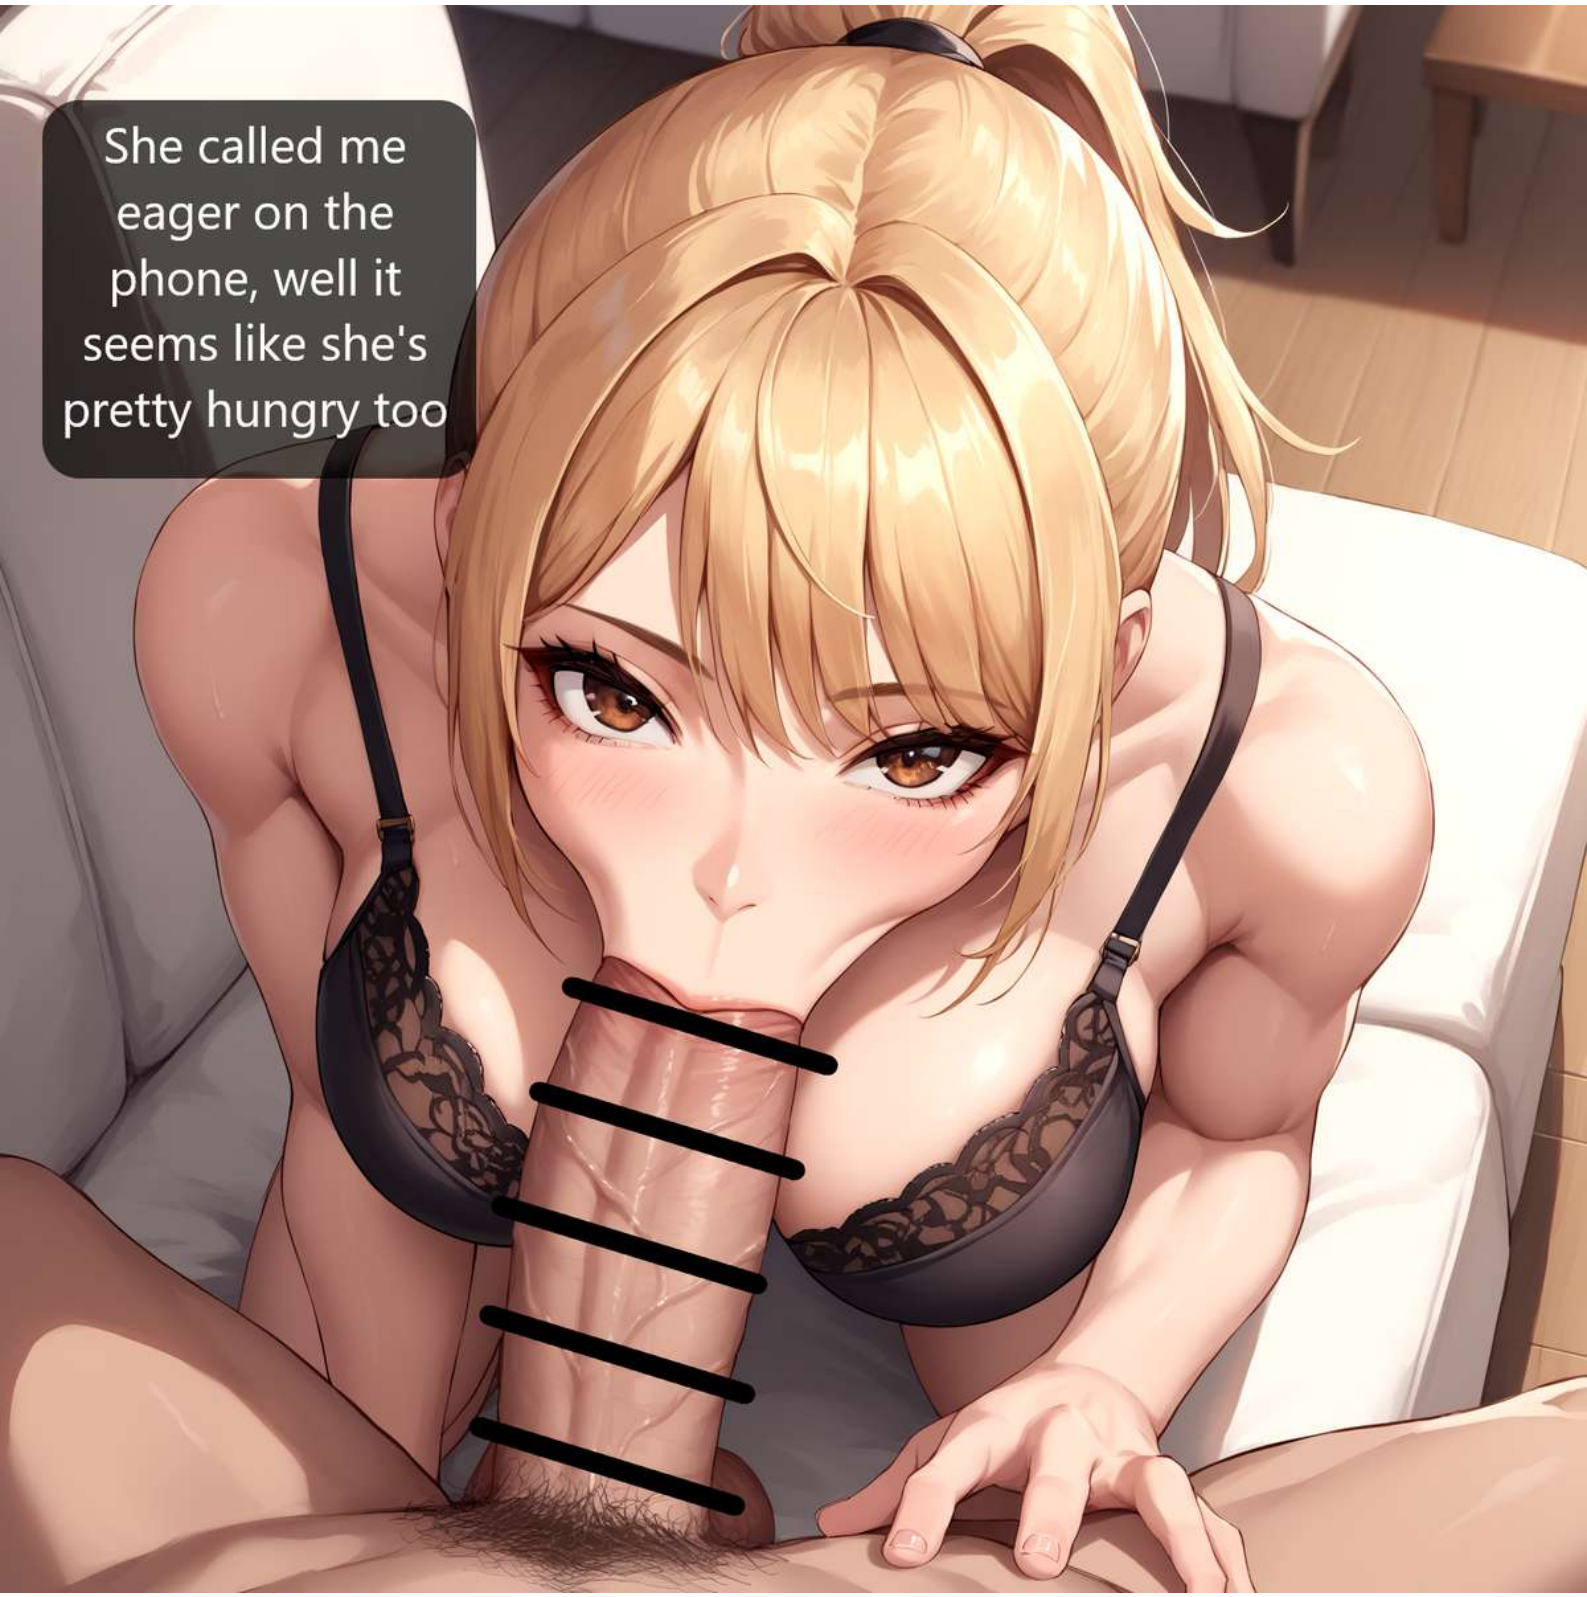

W-well, I never said I don't
like what I see,
I'm just a bit confused how
this happened over night,
that's all

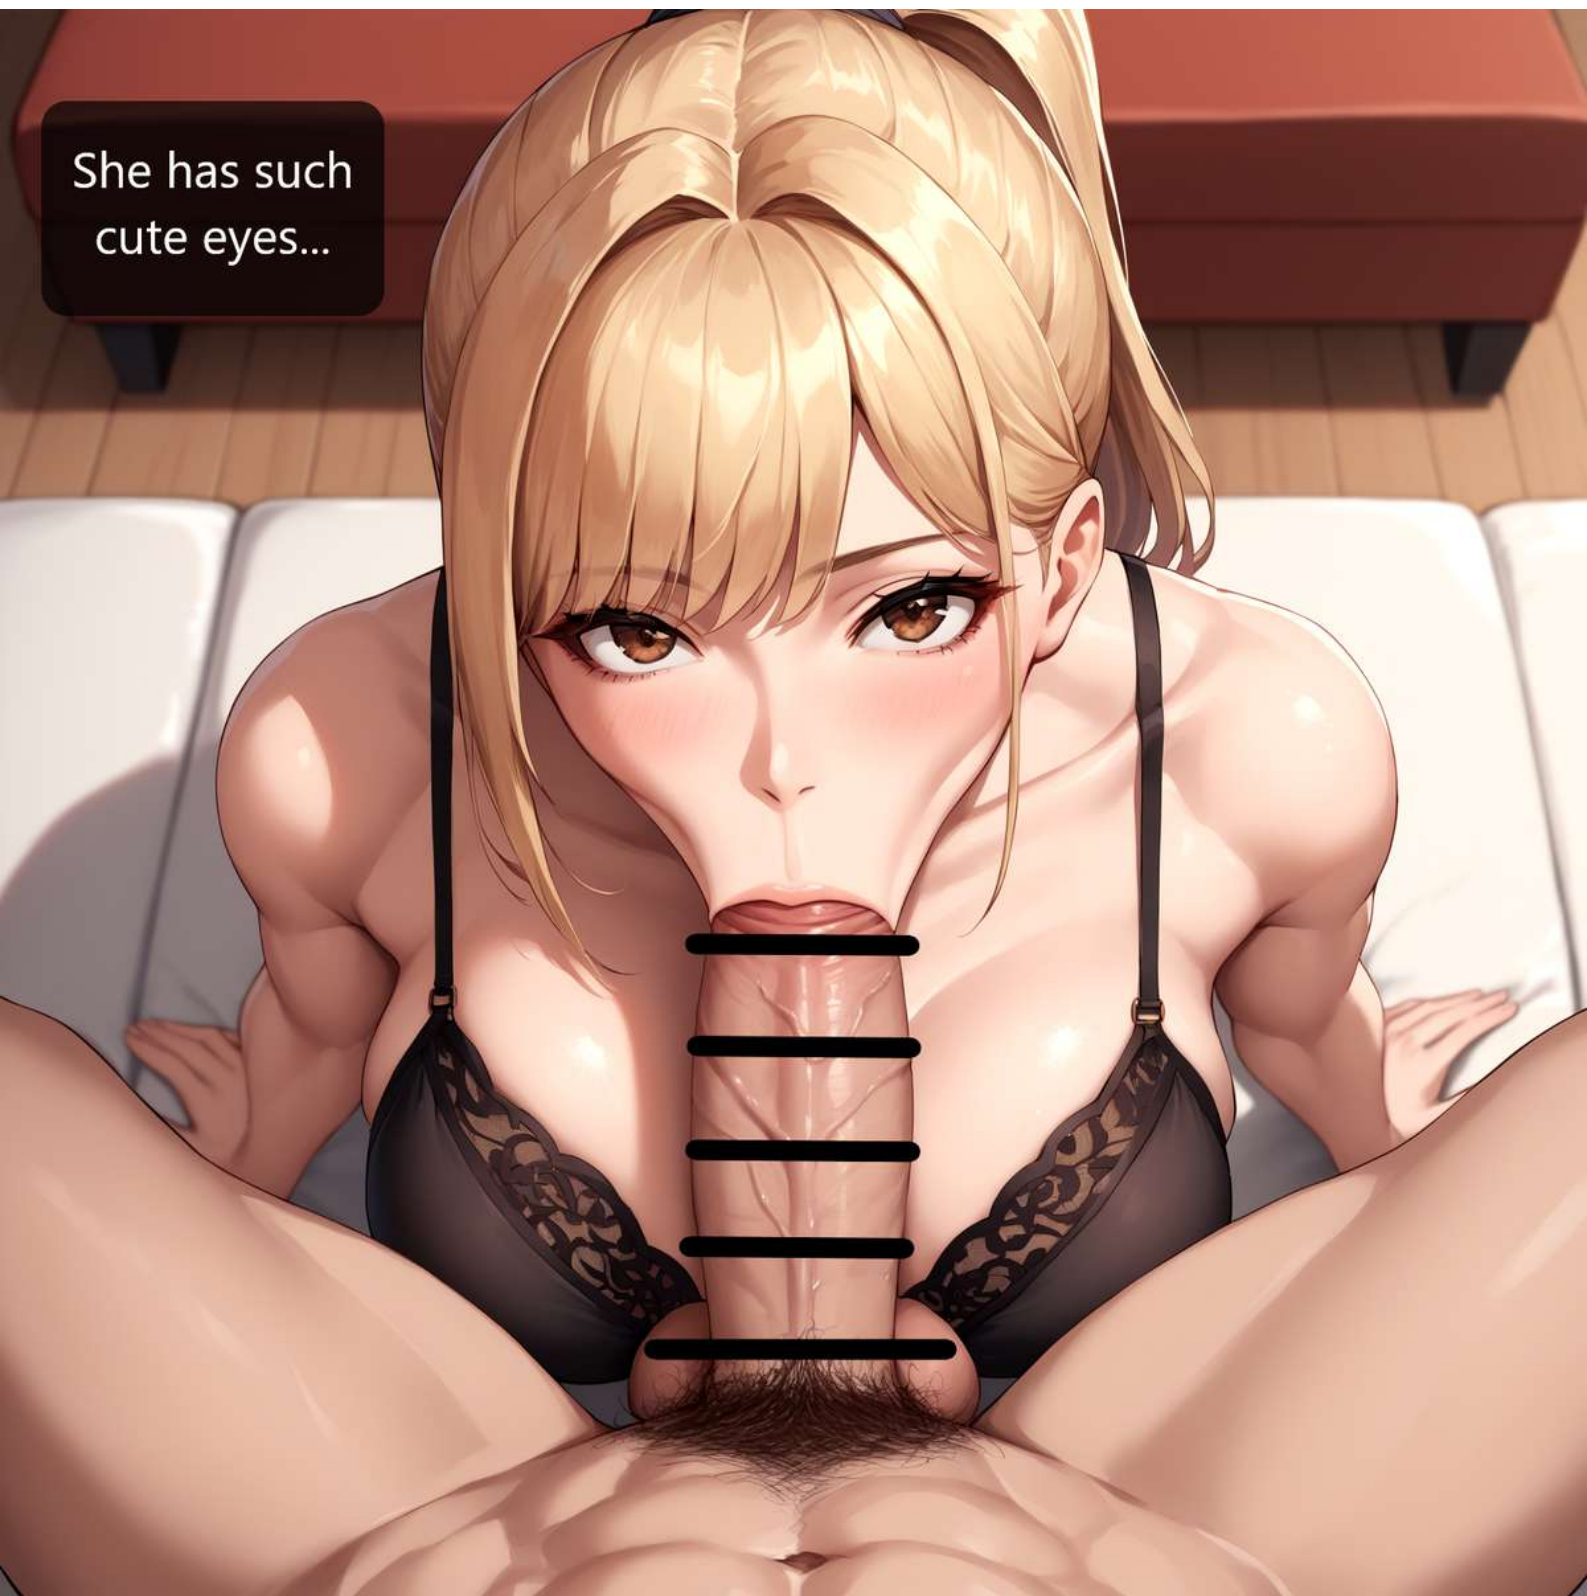

Well in that case,
let's get down to
business and do
your magic

She called me
eager on the
phone, well it
seems like she's
pretty hungry too

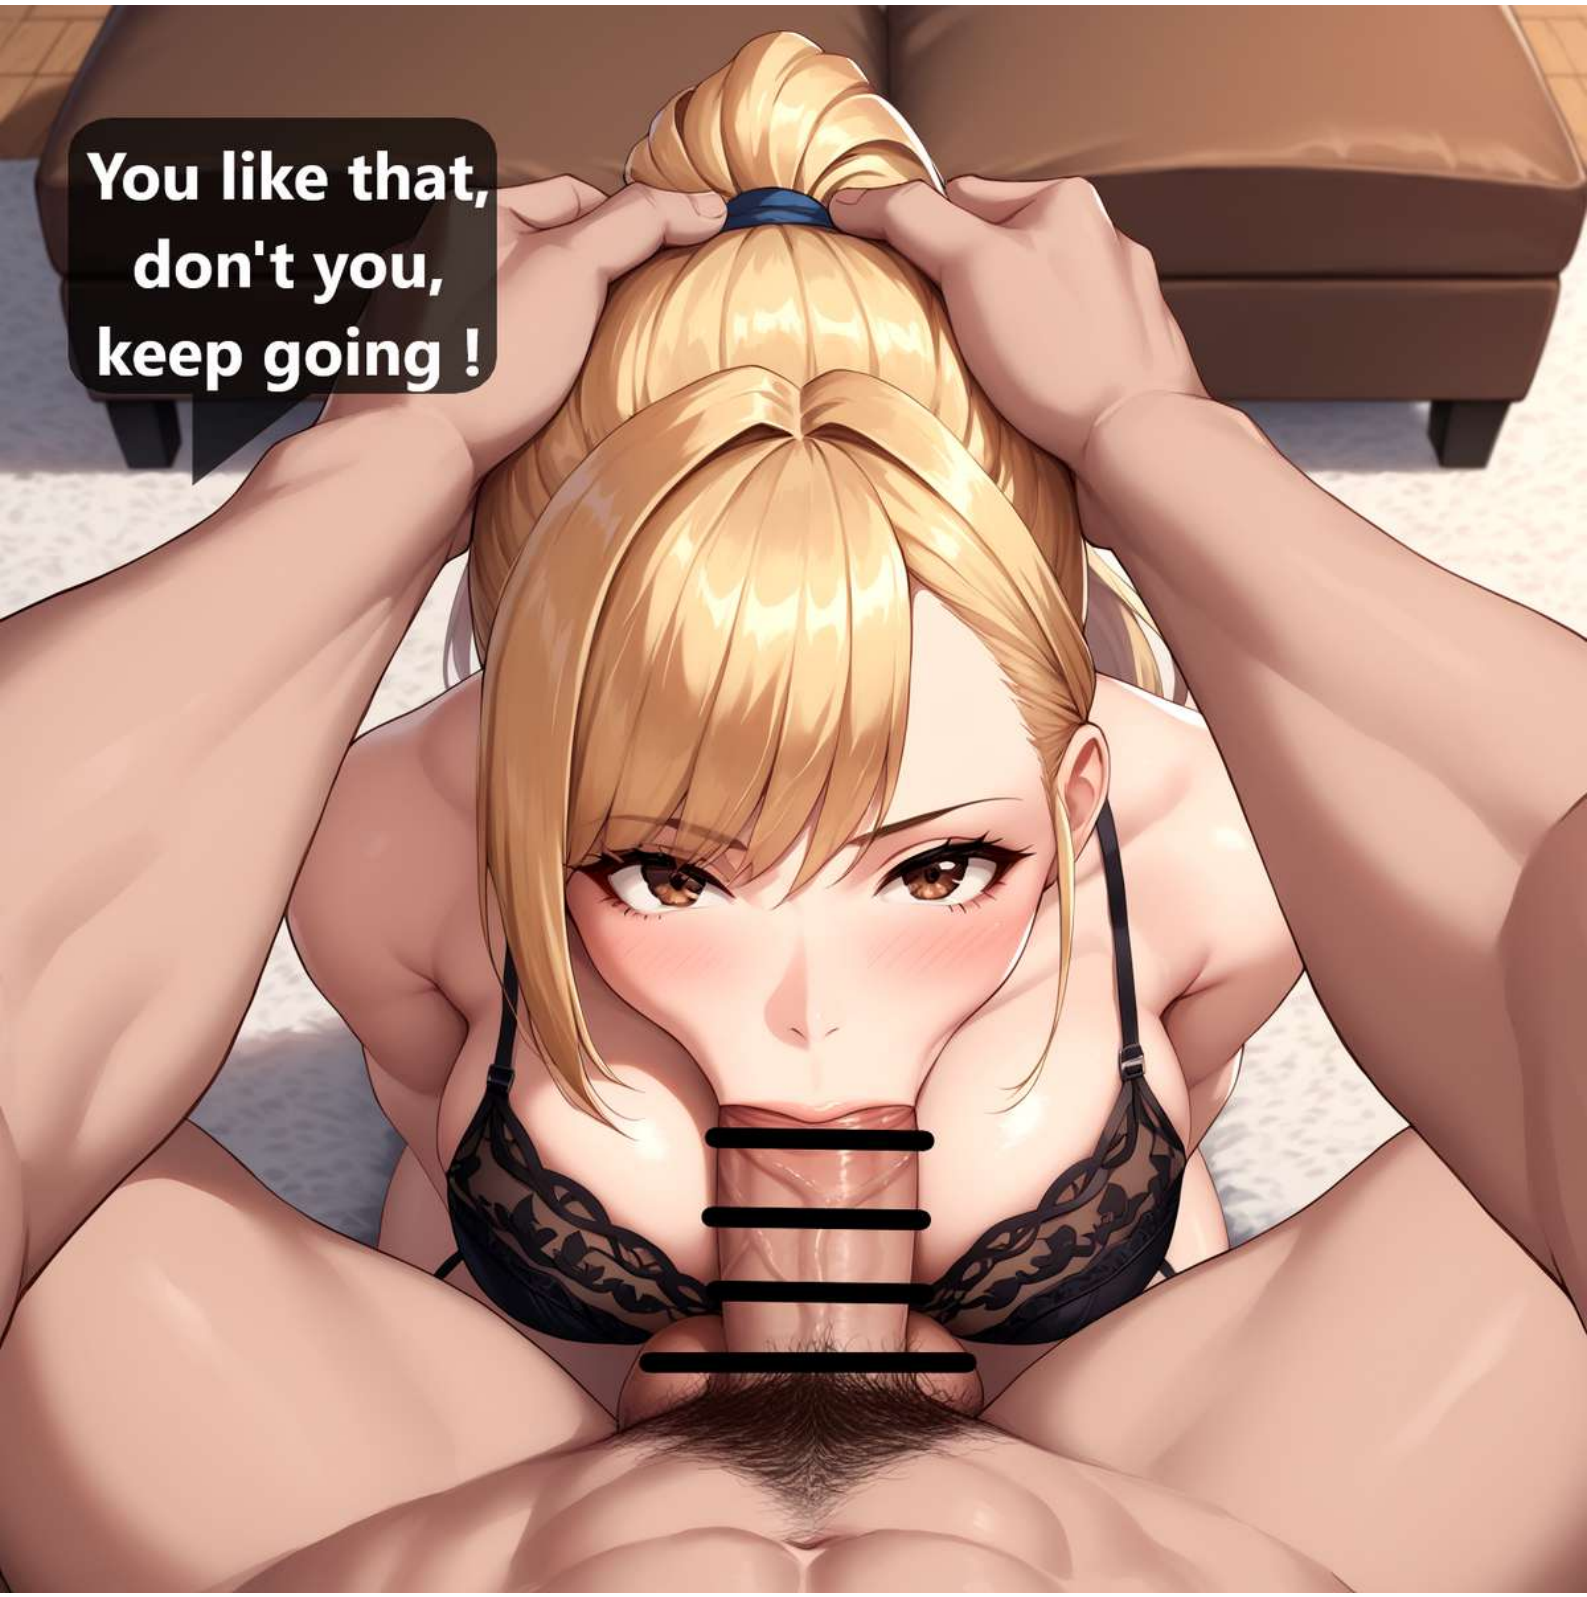

She has such
cute eyes...

...yet she looks like such an eager little slut

**You like that,
don't you,
keep going !**

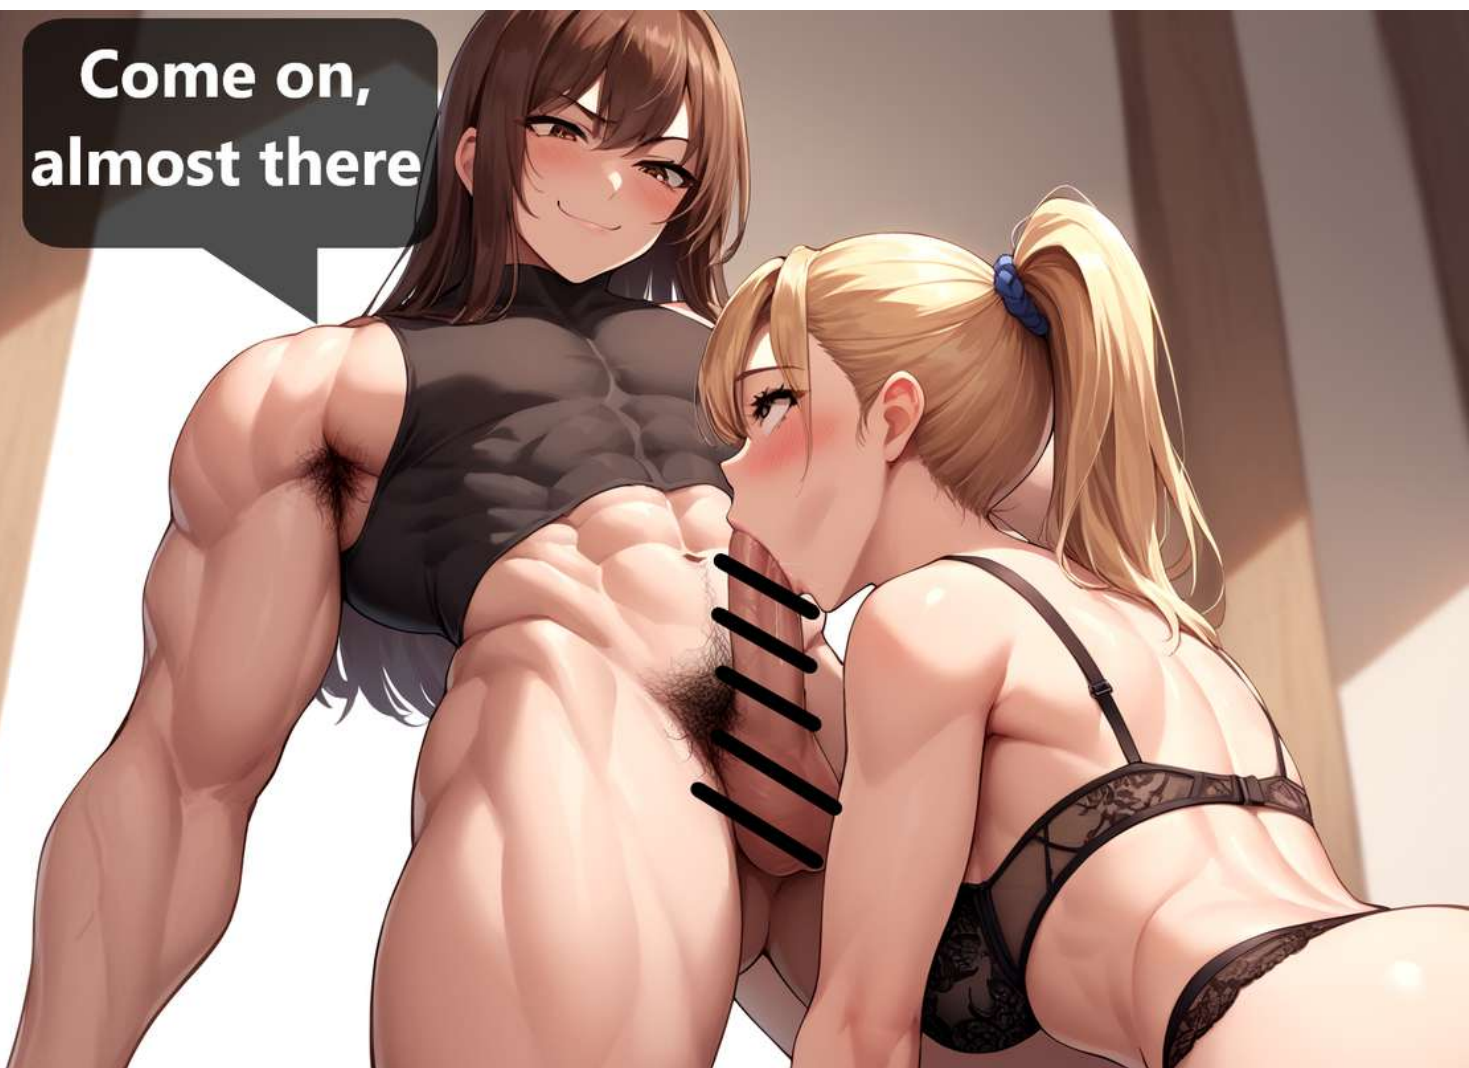

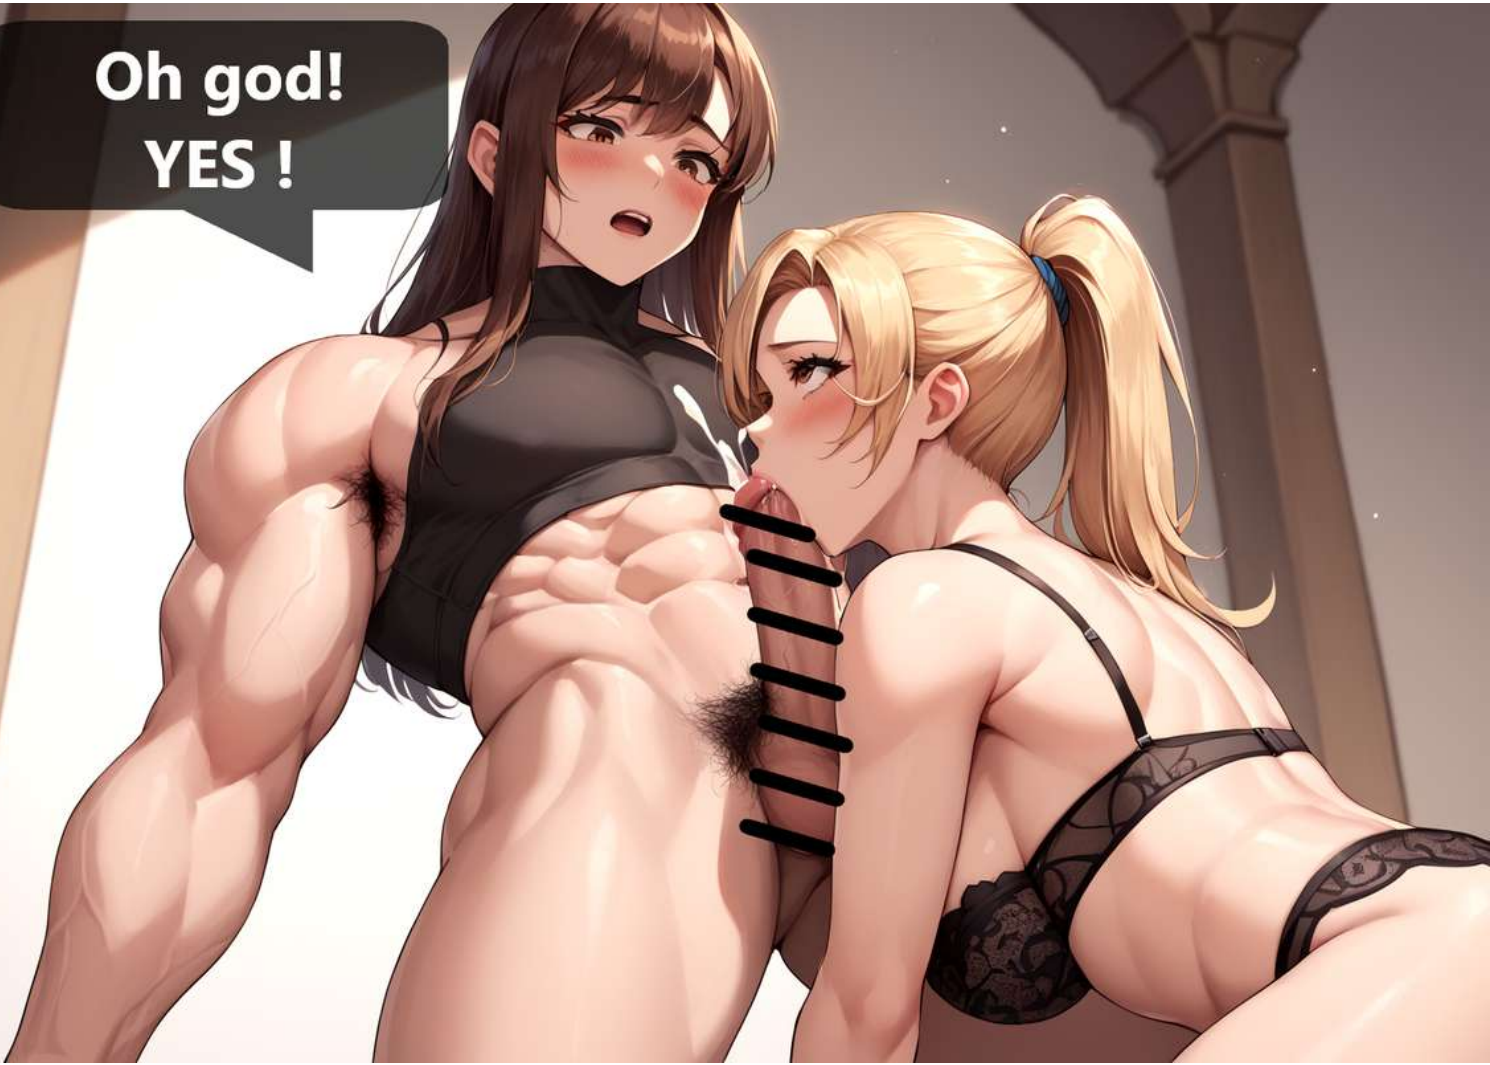

From now on,
you are mine!
You'll only suck
my cock!

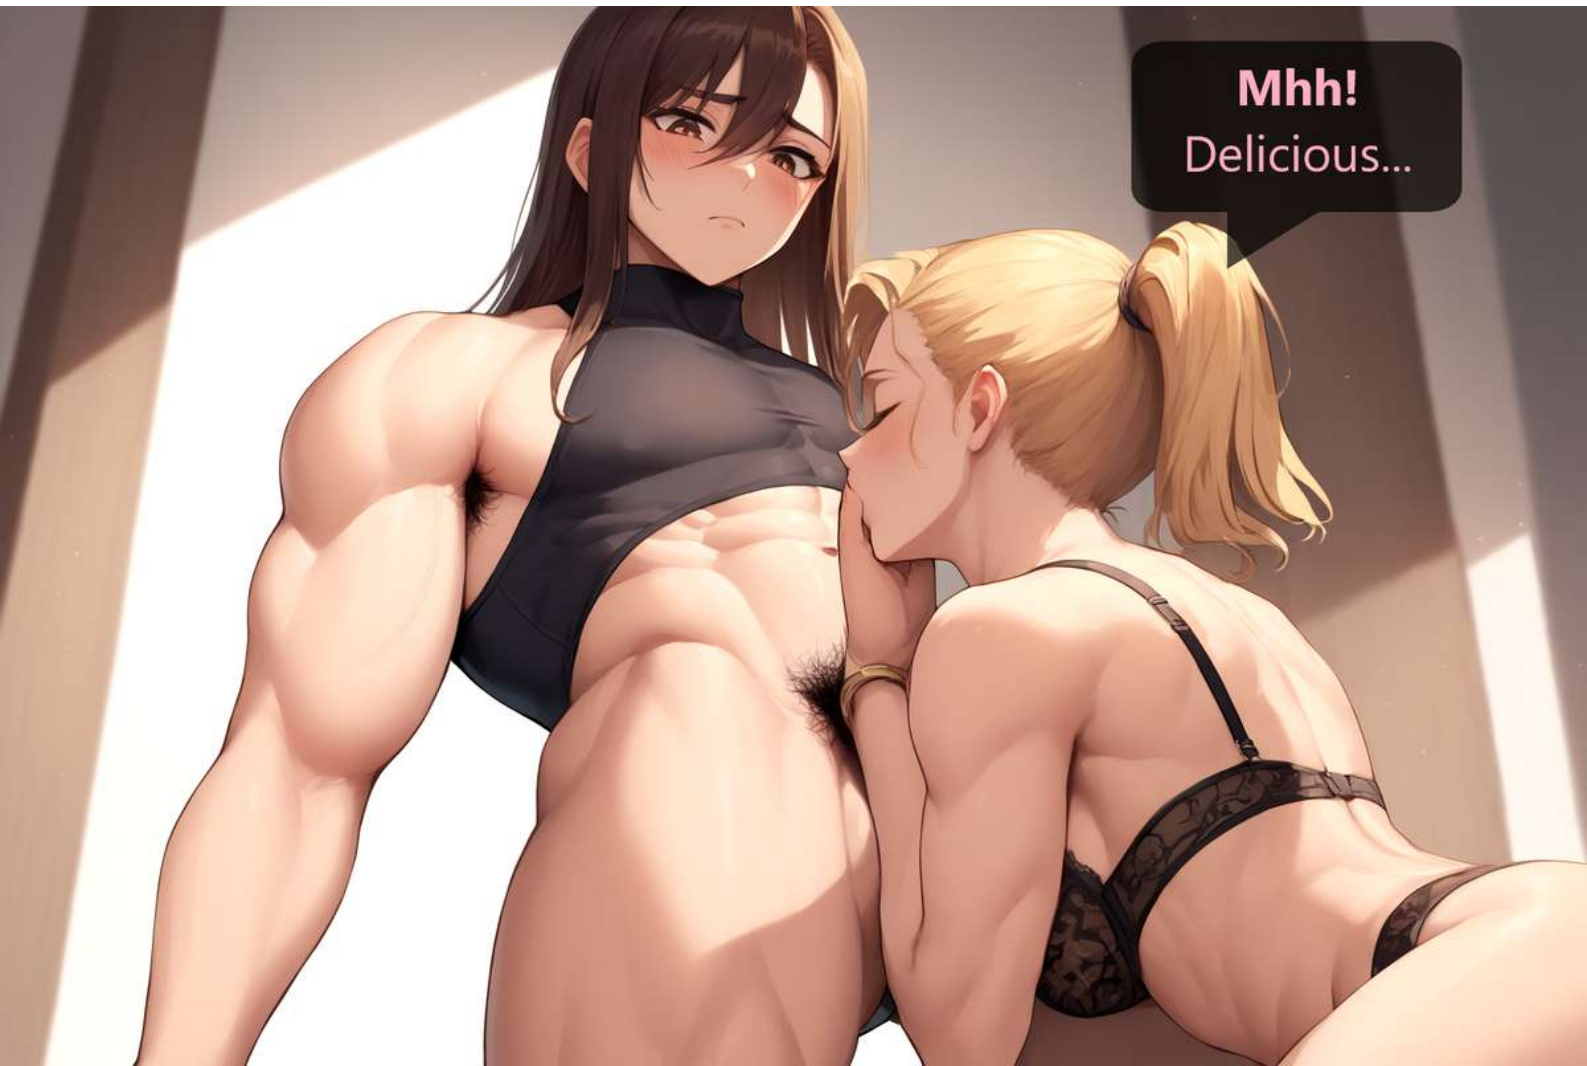

a-hem

Come on,
almost there

Oh god!
YES !

Mhh!
Delicious...

The moment her
cum drenched
lips pressed
against mine felt
heavenly, my
whole body
felt numb

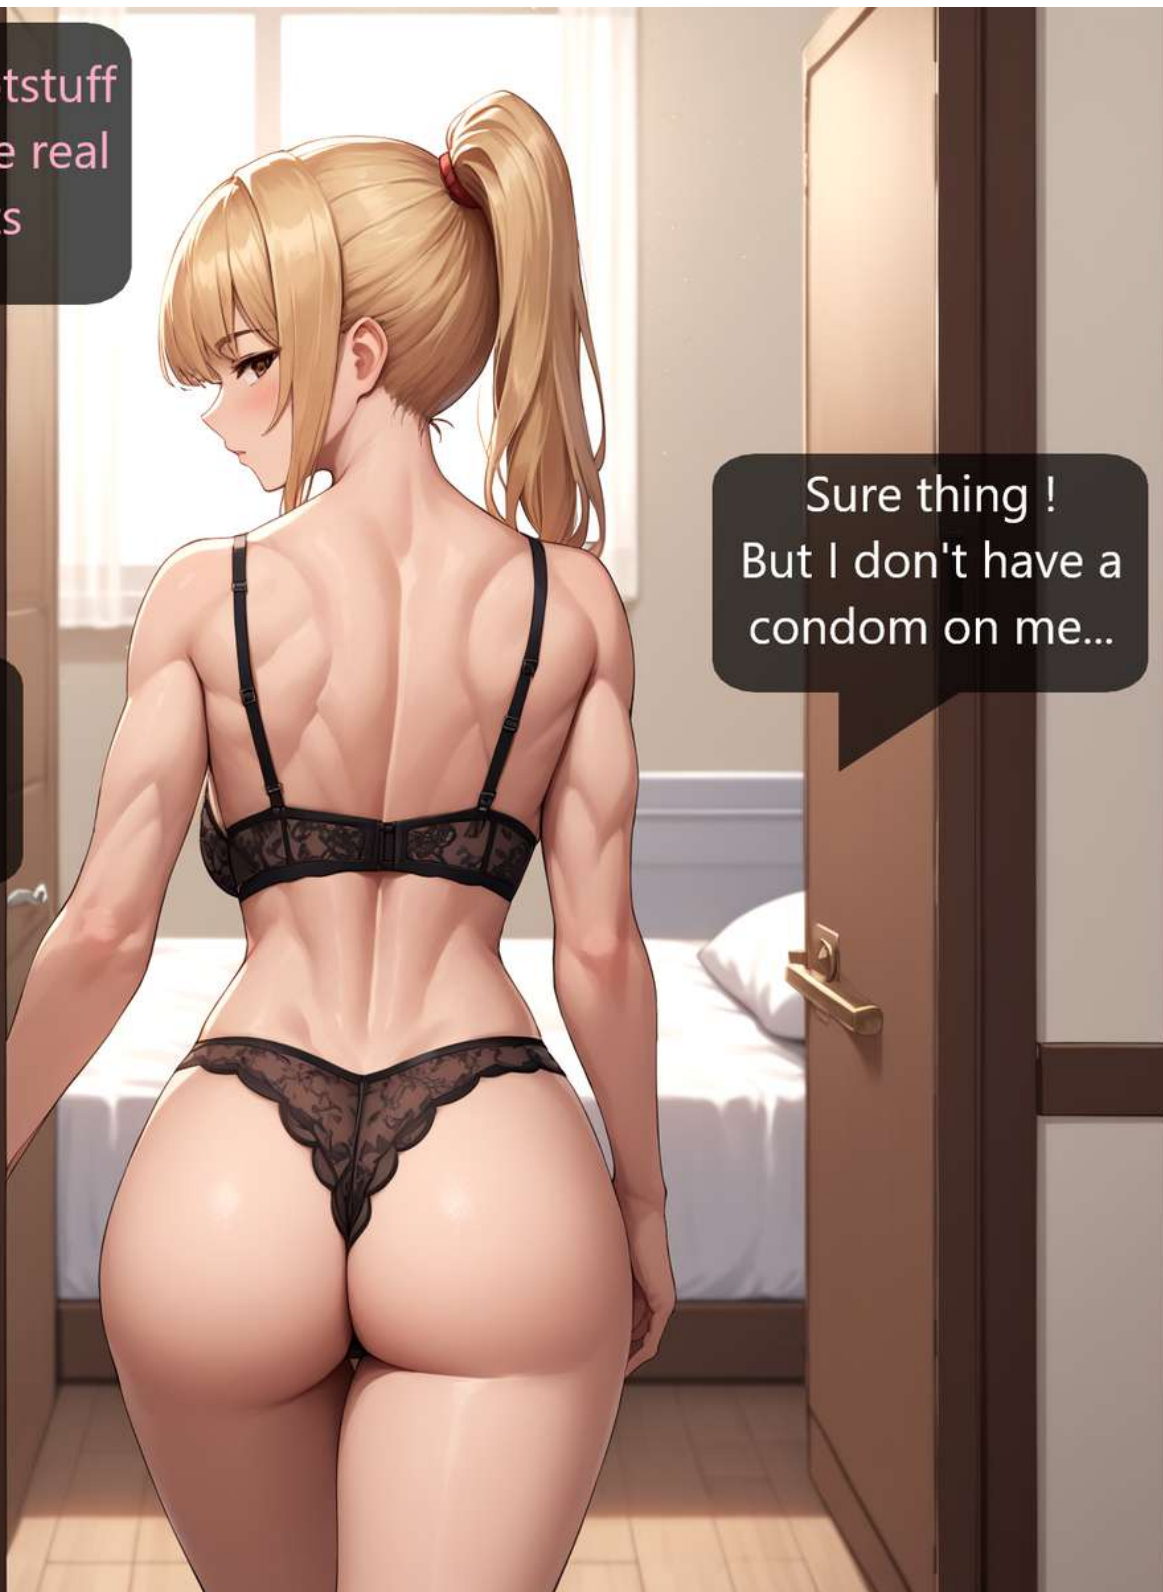

In that moment,
I fell in love with
her, I never
thought I'd fall
in love with
another woman

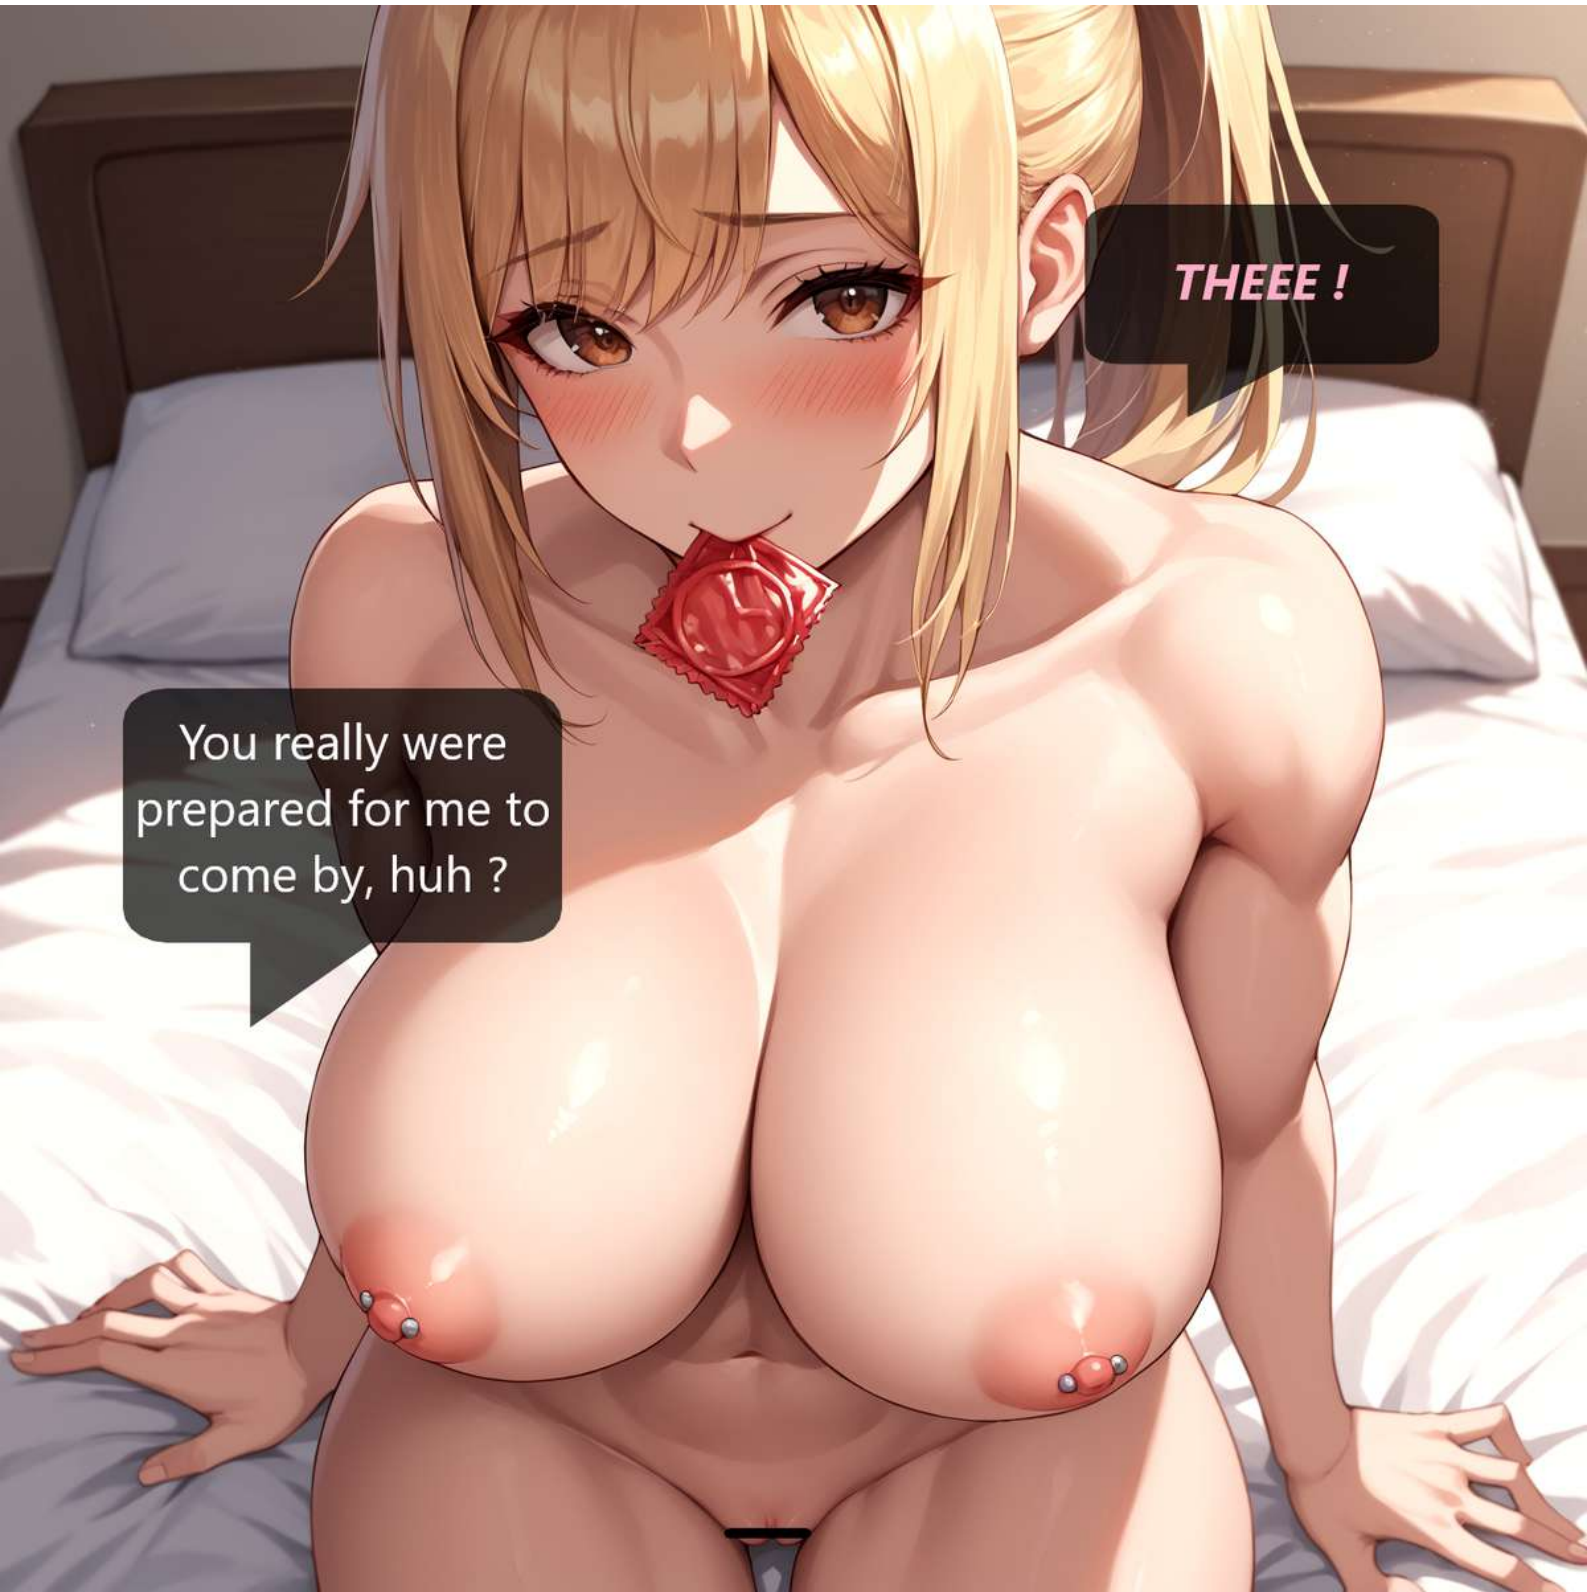

Follow me, hotstuff
Time for some real
bed sports

Don't worry,
I got you
covered

Sure thing !
But I don't have a
condom on me...

You really were prepared for me to come by, huh ?

THEEE !

It's so tight and warm inside !

Oh god...
Steve was nowhere near as big as you

I never had someone
your size before,
it hurts a bit, but at the
same **uhh** time...

*THAT
PLEASURE!*

*Do you like
what you see ?*

*Mhh, oh yeah!
I fucking love it,
you are gorgeous
everywhere*

**huff* Oh yeah?
You are pretty hot
yourself, you know*

An anime-style illustration of a woman with blonde hair in a ponytail, seen from the back. She has a very muscular physique. A large, red, ribbed dildo is inserted into her rectum. The scene is set in a bedroom with a bed and pillows in the background.

Are you done
already ?

...wait?
You wanna
continue ?

We are still
missing a hole

Are you sure?
Isn't your butt a bit
to tight for me ?

Don't be shy!
Stick it in, babe!

Ahhh!
Oh god!

ARE YOU ALRIGHT !?
I don't want to hurt
you, sweety!

Uhhh!
*It's fine *huff**
keep going, babe

Are you really sure about that ?

Just push it in deeper, I'll be fine

We continued to fuck like rabbits for roughly two more hours and both of us really enjoyed every second of it

Tanaka

An anime-style illustration of two muscular women with long hair (one brown, one blonde) kissing in a shower. They are both very fit, with prominent muscles. The scene is set in a shower with a showerhead visible on the left. Two speech bubbles are overlaid on the image, one on each side, containing text.

She is the
perfect girl
for me

She is the
perfect man
for me

You know what would make
you look even hotter?
I think a tan would really
suit you, big stud

Previously

A tan...?
Do you really
think so ?

I do!

You know what?
Sam's got a point.
A tan would look
nice on my
smoking hot bod

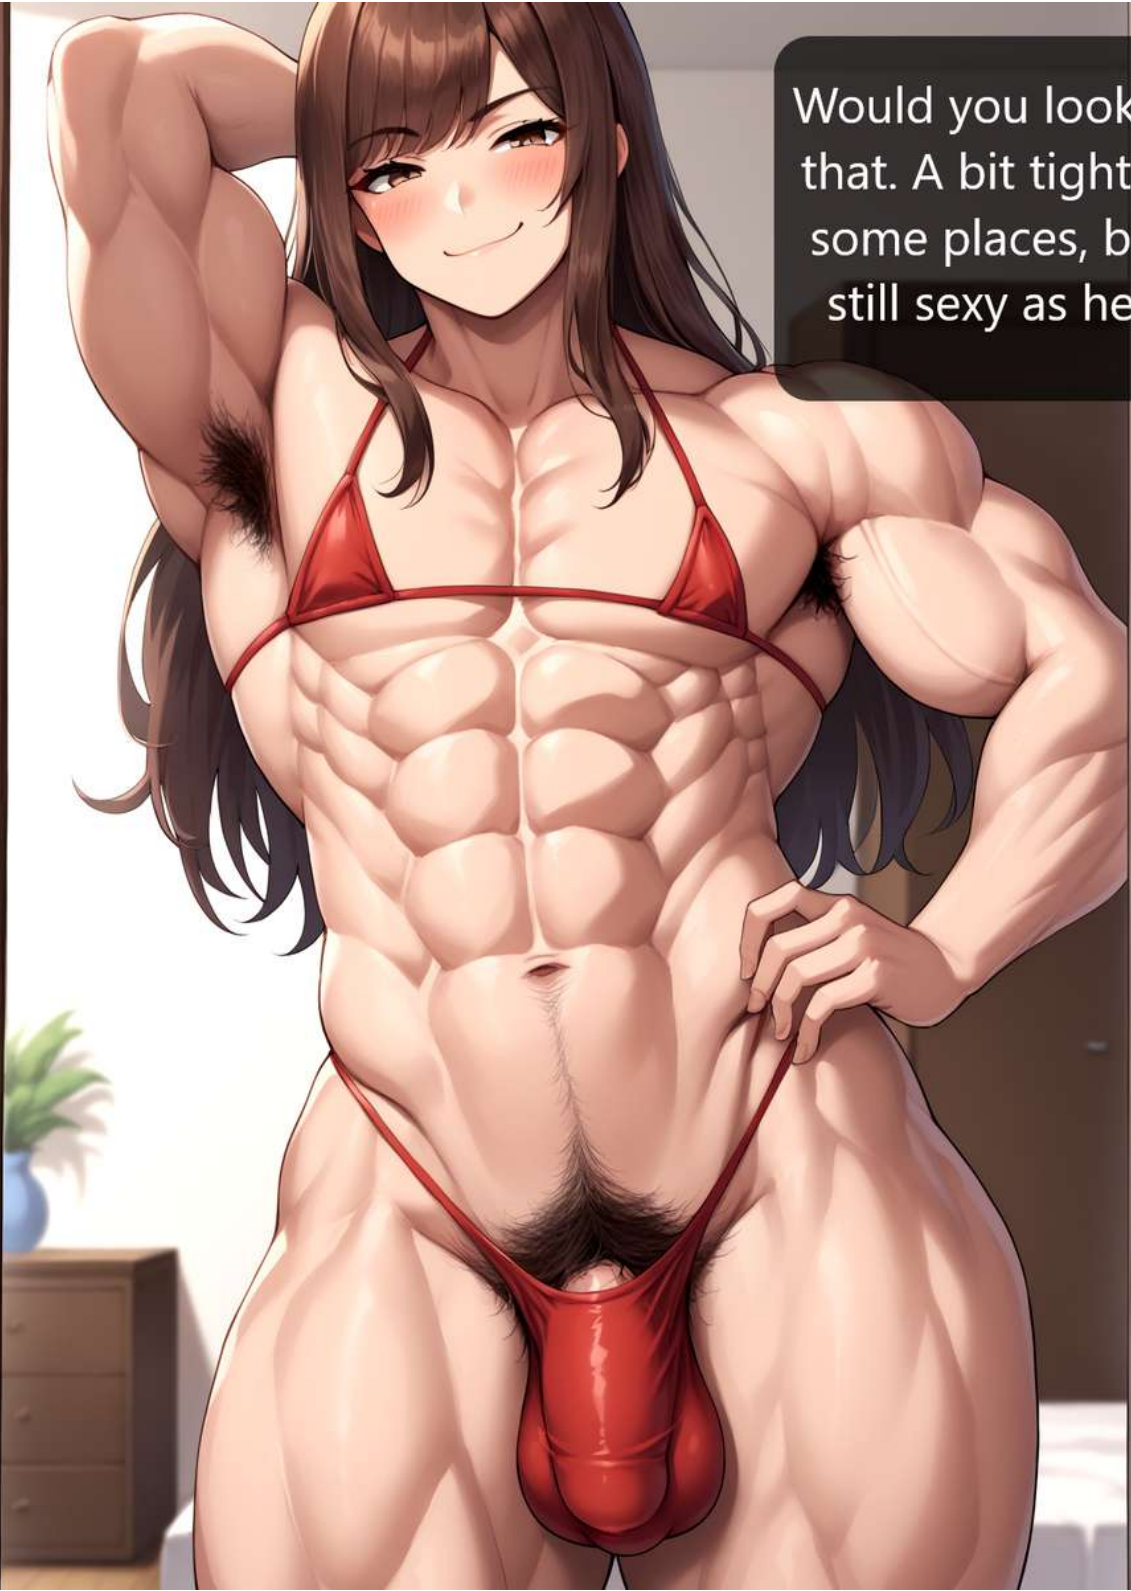

Fuck going to the tanning salon though. You'd catch me dead before getting a fake tan. I'm thinking something more...
Sandy

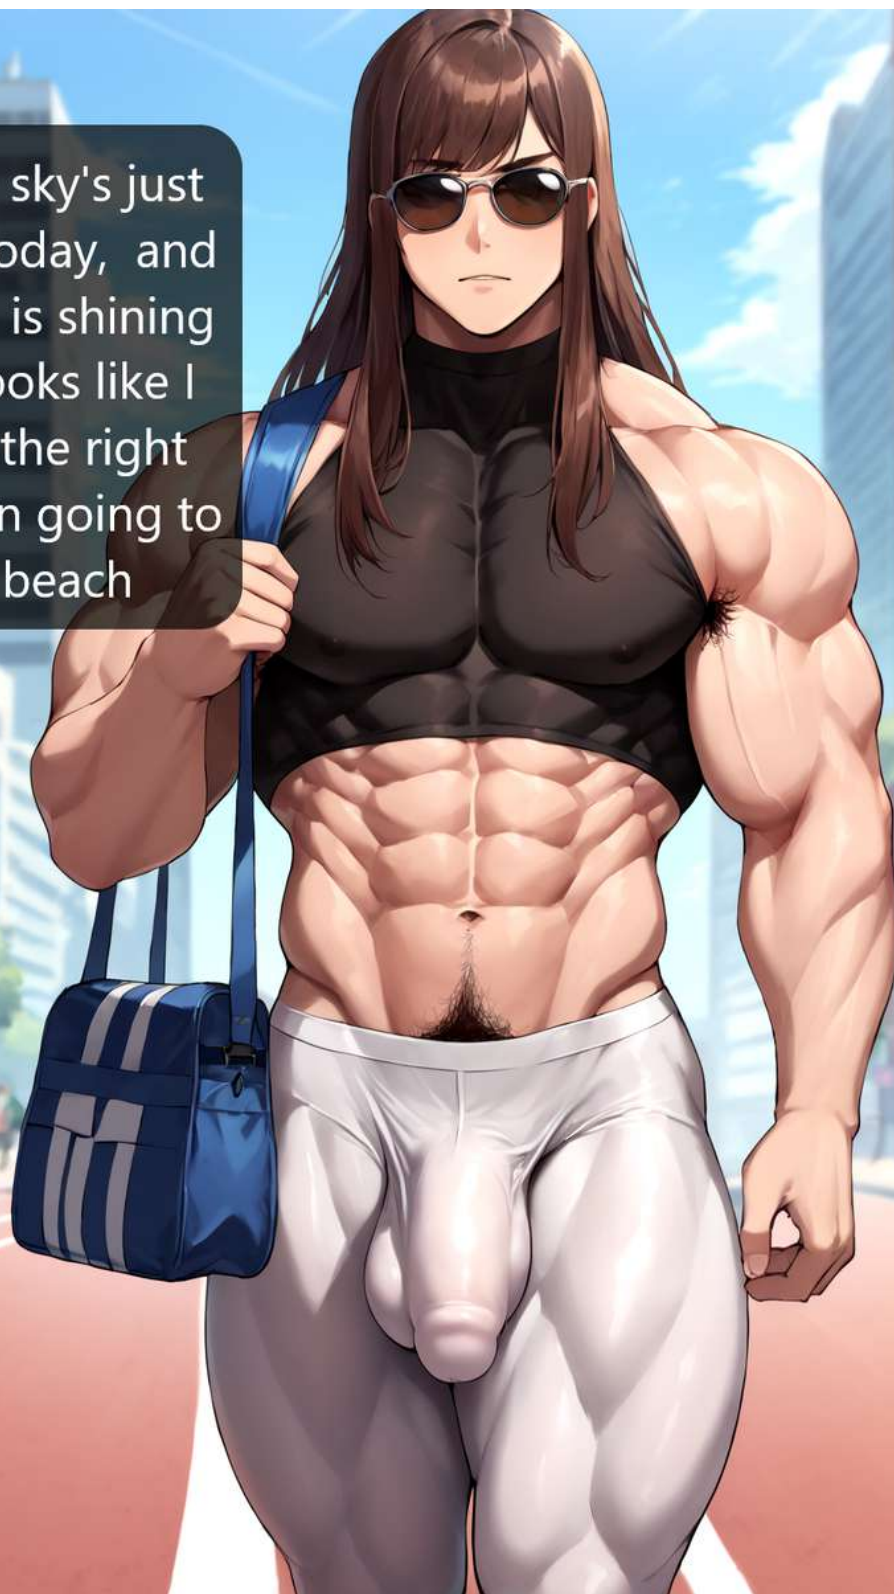

Maybe my old bikini
still fits?
Gosh, I haven't used it
on the beach since
Tom was eleven

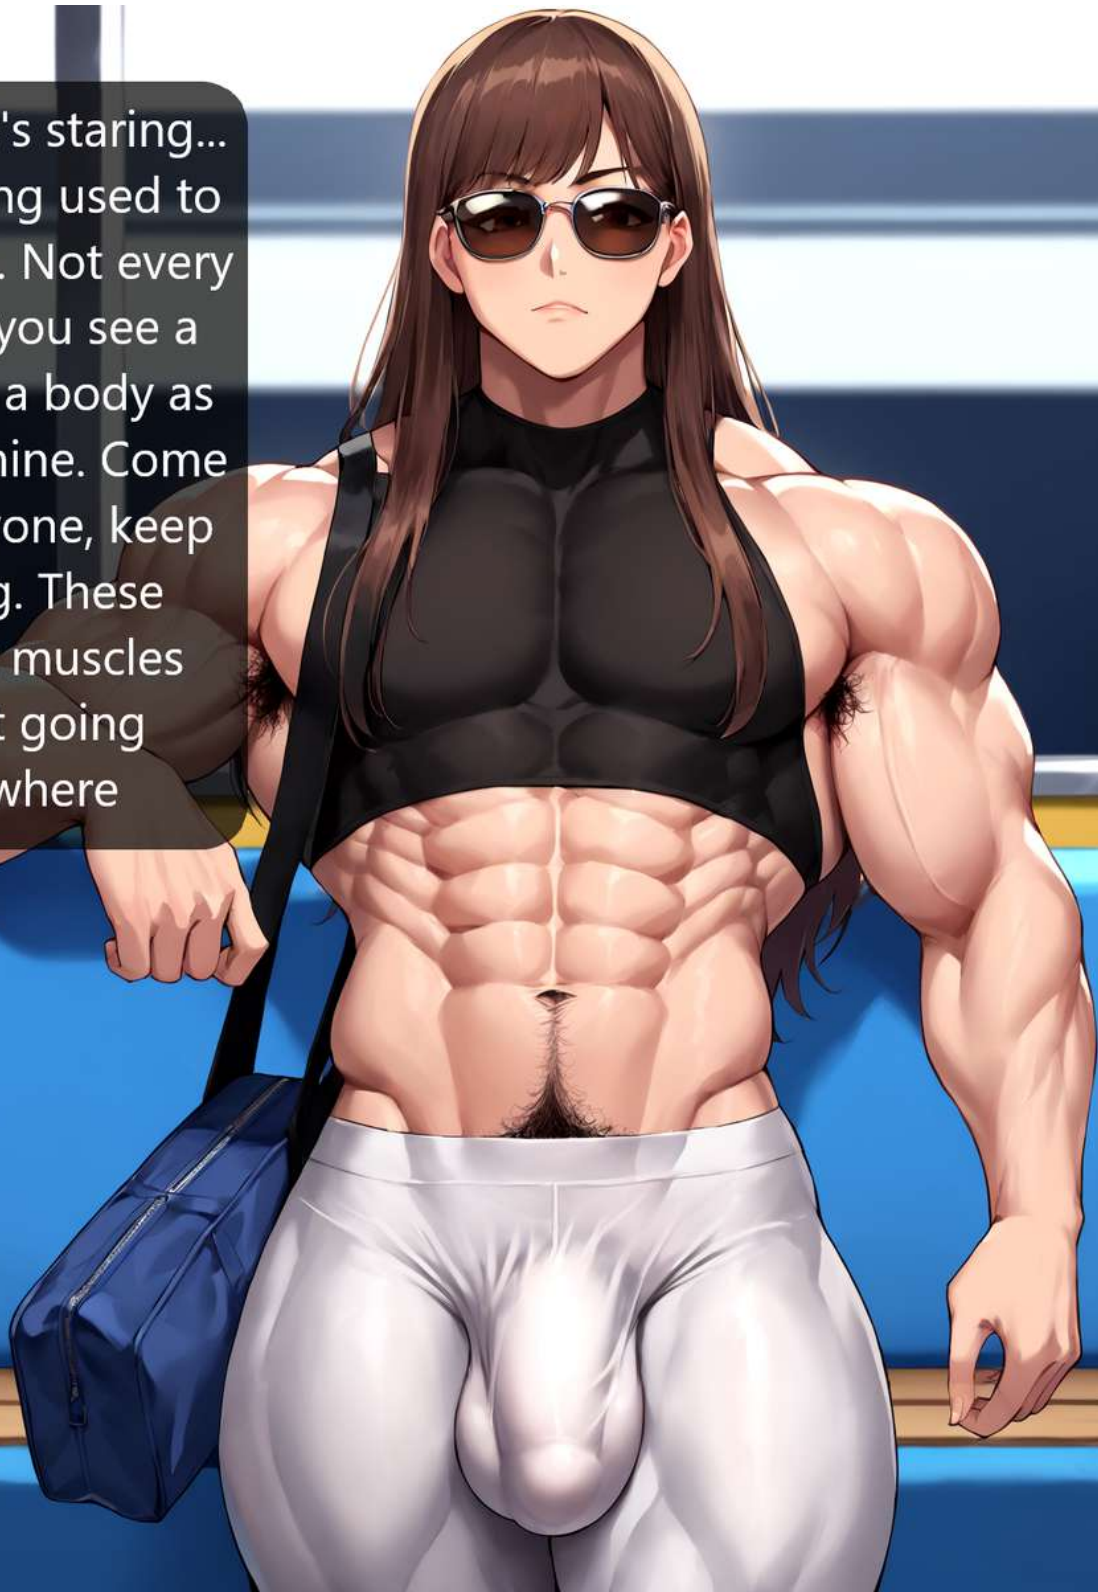

Would you look at that. A bit tight in some places, but still sexy as hell

Oh the sky's just lovely today, and the sun is shining too. Looks like I made the right choice in going to the beach

Everyone's staring...
I'm getting used to
it though. Not every
day do you see a
girl with a body as
sexy as mine. Come
on everyone, keep
staring. These
perfect muscles
aren't going
anywhere

Finally here!
Time to get
changed

Oh wow, it's really hitting me now just how much skin I'm showing. All those hot bimbos are staring too... Sorry gals, but this hunk is already taken

Might as well catch
some Z's while
my skin gets
some color

I must admit, it sure
is boring just laying
here like this

I mean, even way back then I couldn't really relax at the beach. Between taking care of Tom and my good for nothing ex, I'd always get fidgety...

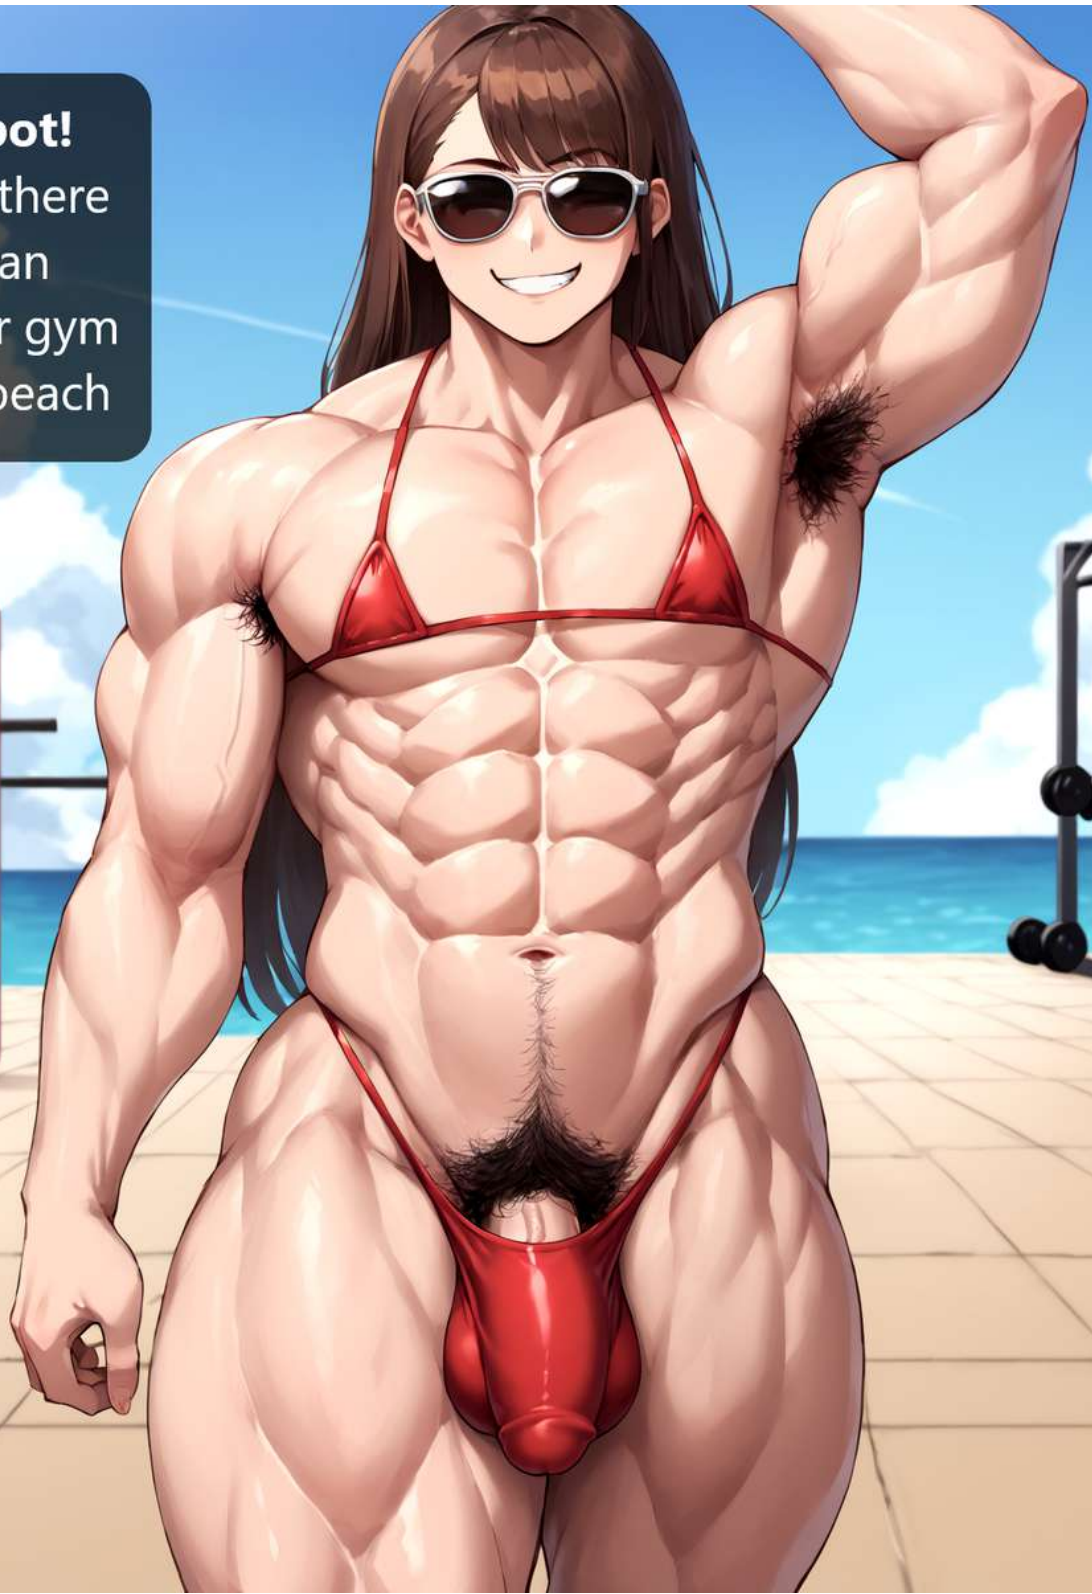

Ugh! Enough of that! I got too much energy to just sit still

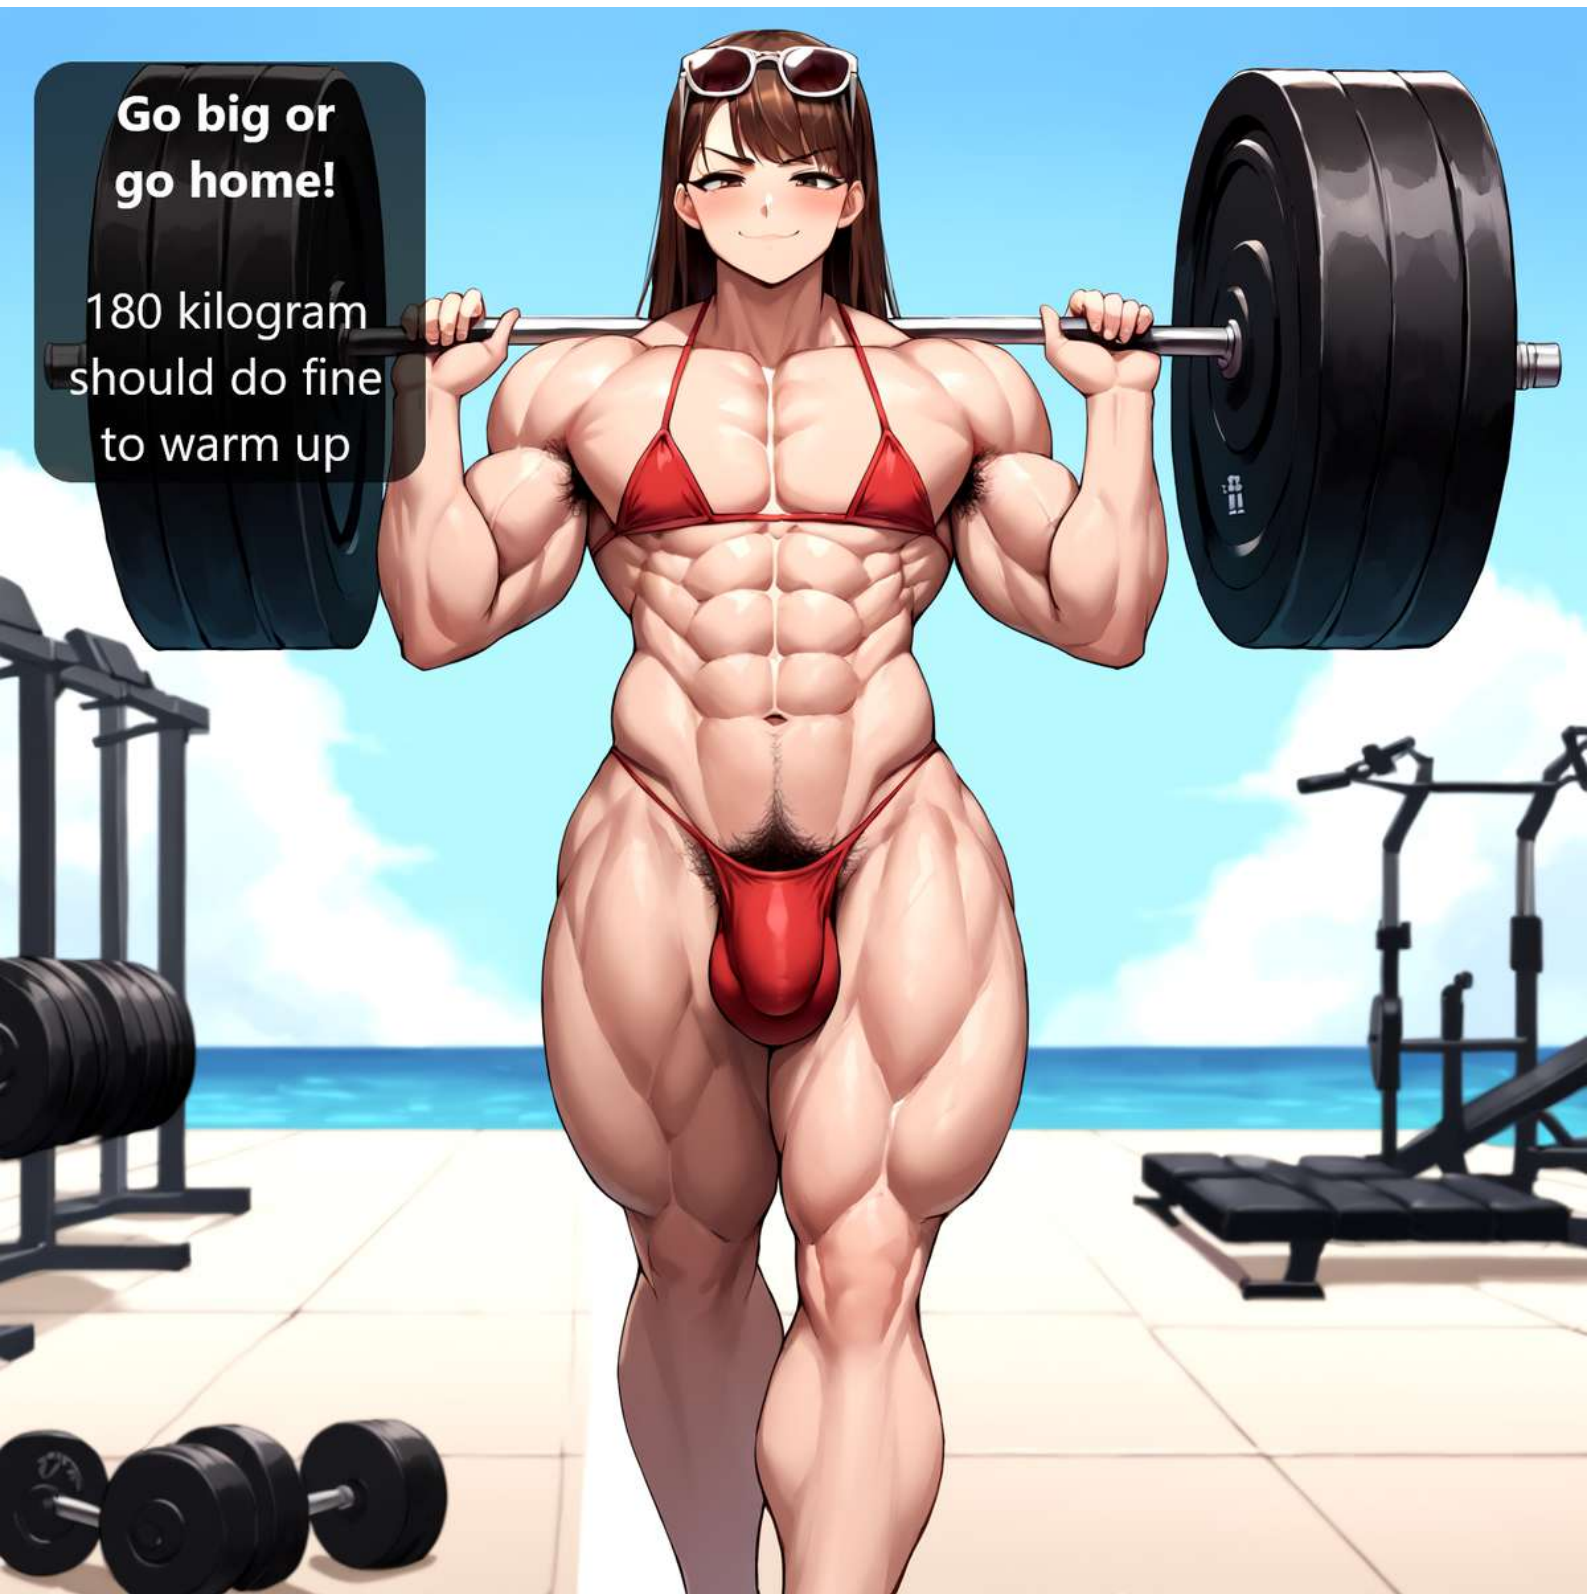

If my memory serves me right, there should be...

Jackpot!
I knew there
was an
outdoor gym
at the beach

**Go big or
go home!**

180 kilogram
should do fine
to warm up

Yeah, this is alright, but I suppose a bit more won't hurt

240!

Let's see
how it
goes

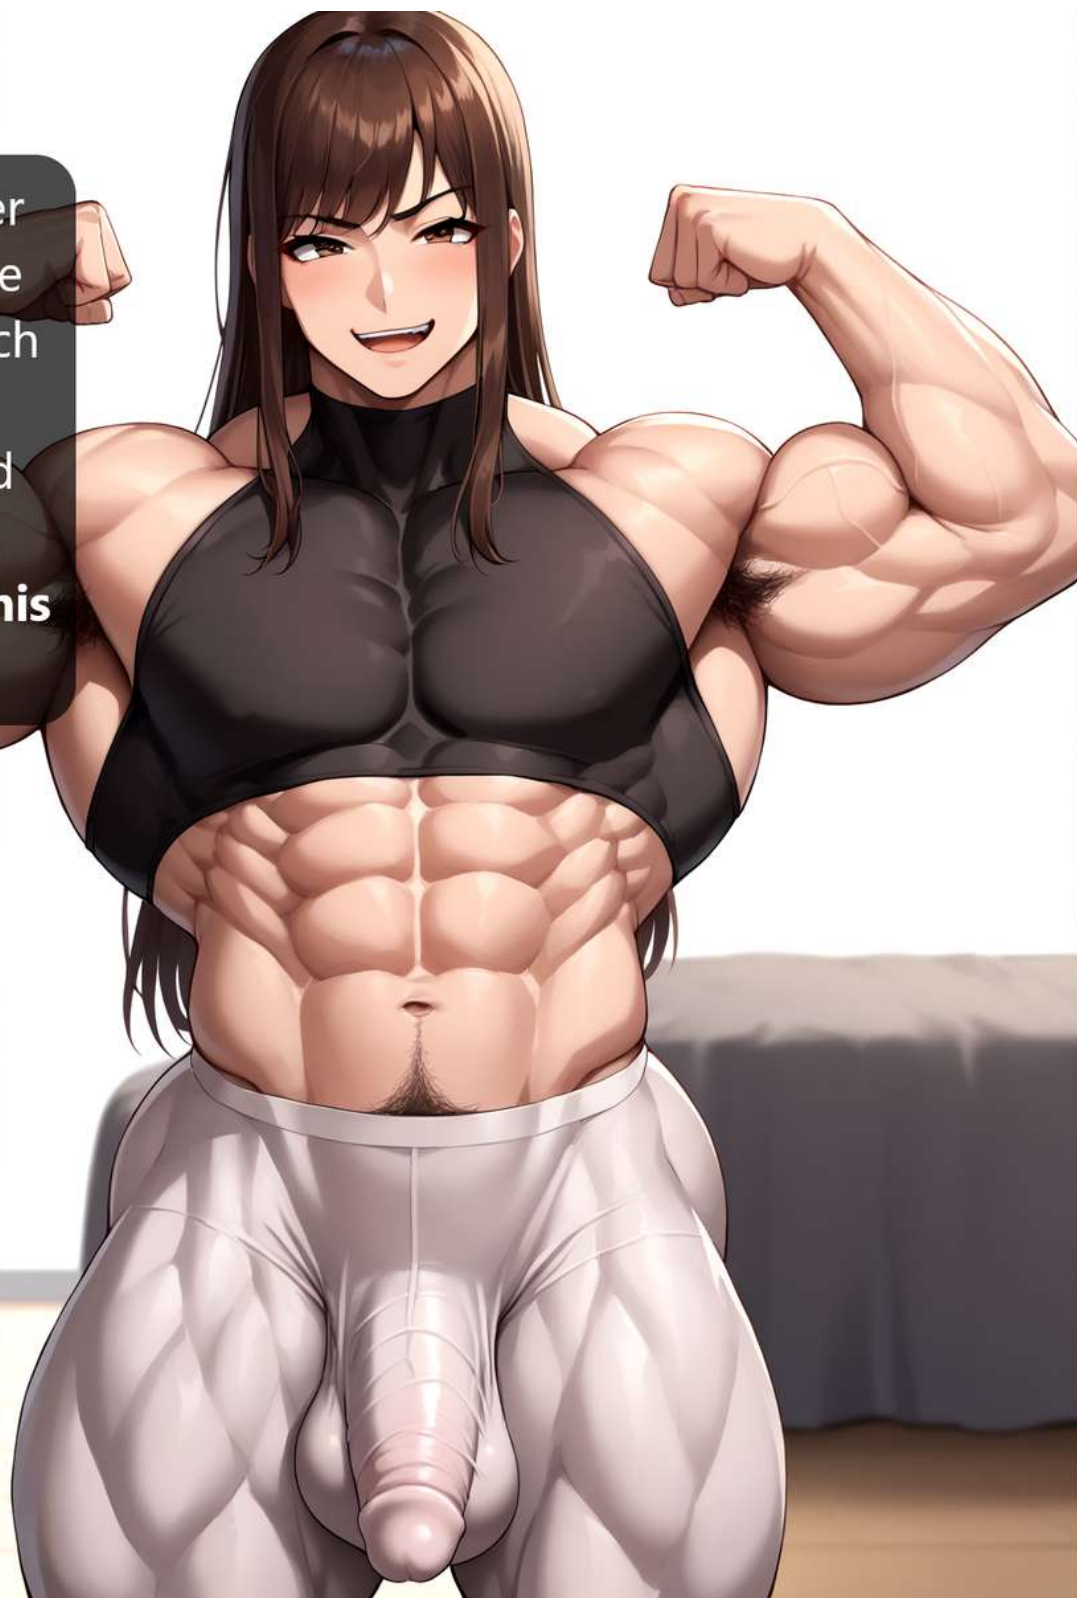

FUCK YEAH!

I love this
burning
sensation after a
good workout

It's been over
an hour since
I left the beach
and I still
feel pumped

**God, I love this
feeling!**

hmpf

Even after all the
time I spent there,
not the slightest
bit of color,
not even a
sunburn

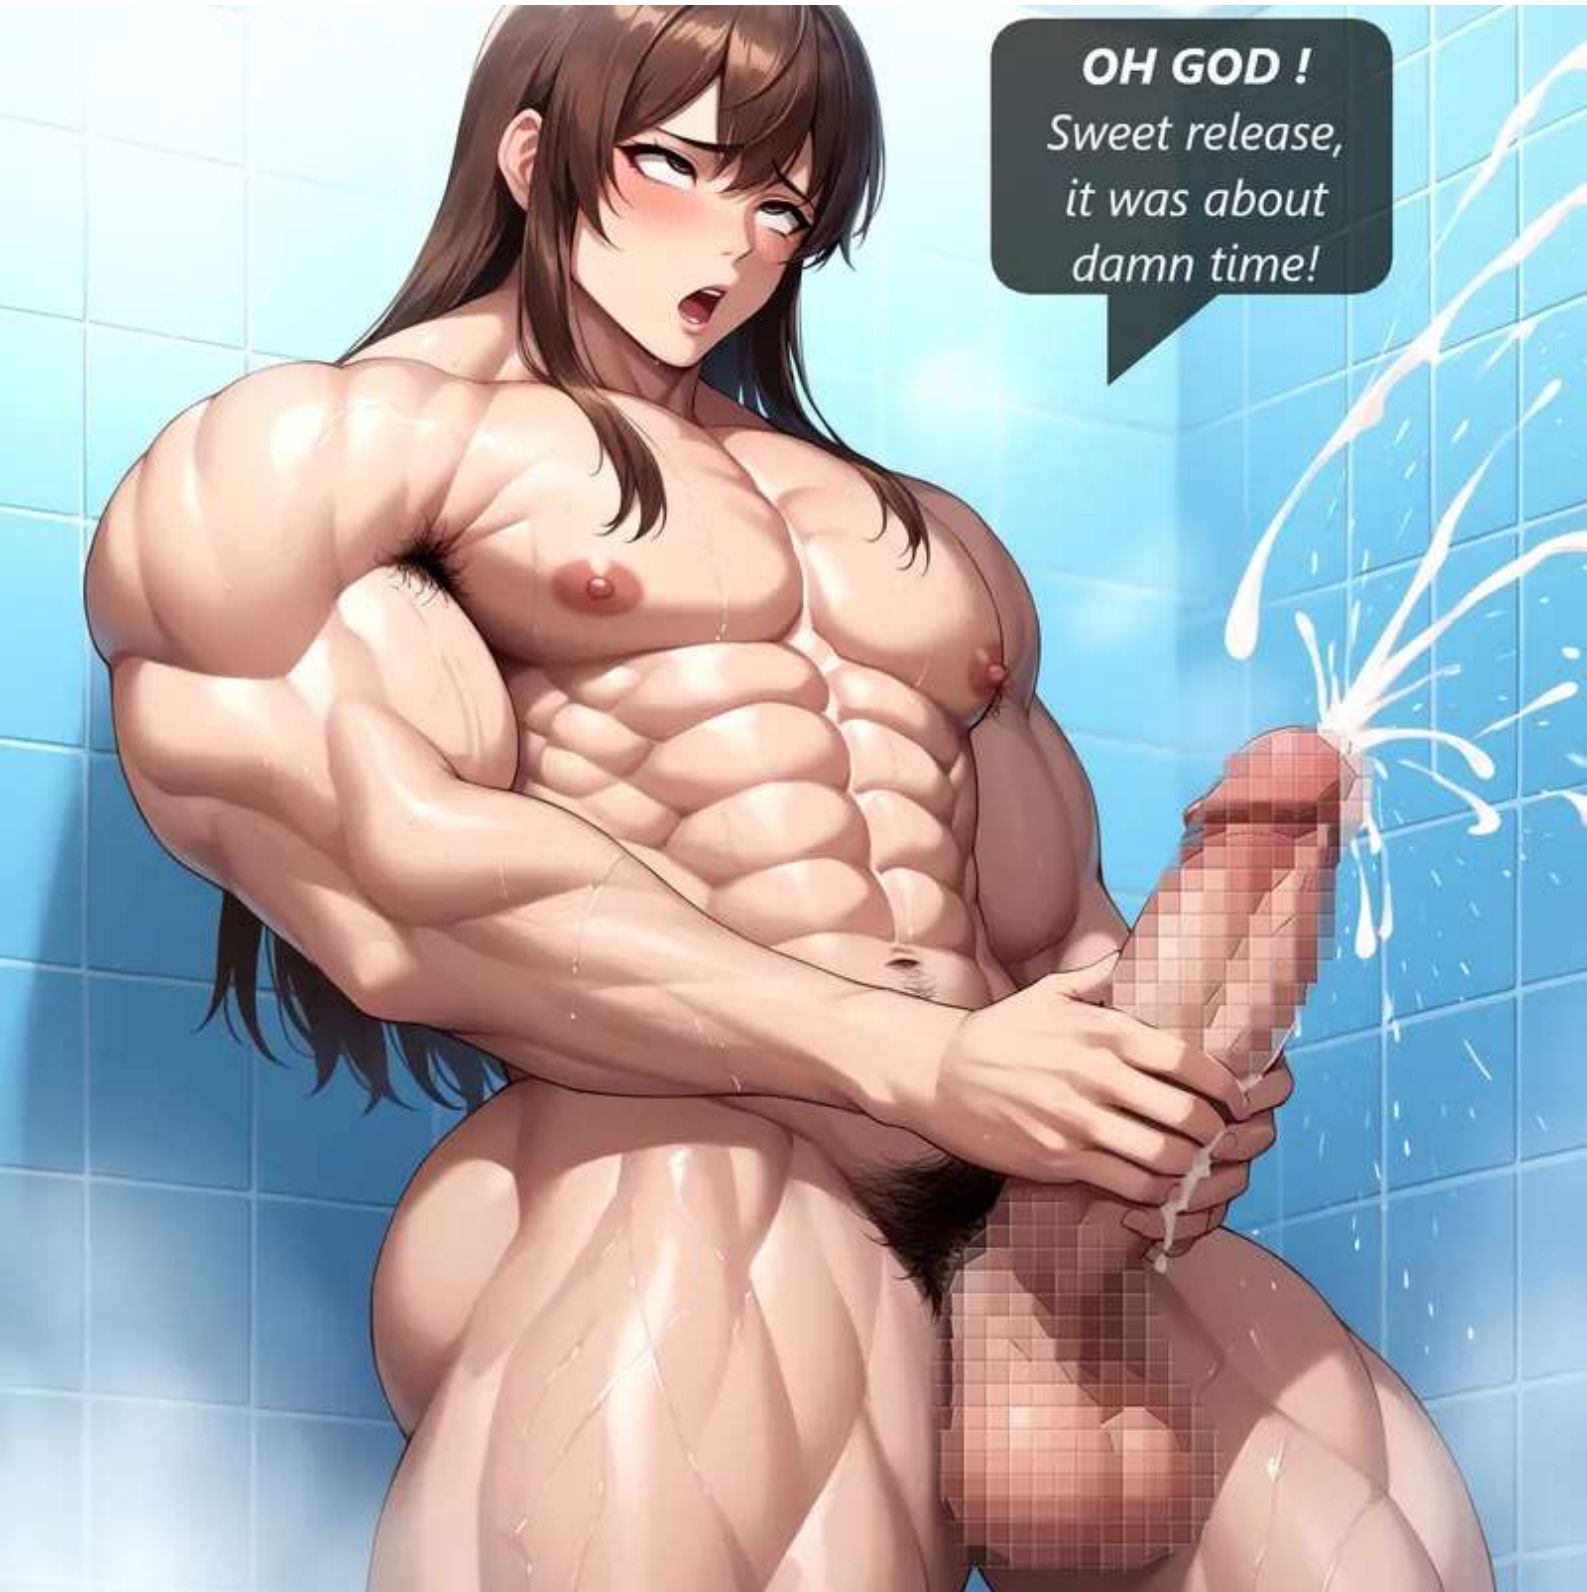

Those hot bitches
left me feeling so
horny. I can't
believe I'm already
so used to ogling
at women like
that...

Aah...
It's no use
thinking about it...
I can't think
straight when
my balls feel so
much pressure

OH GOD !
*Sweet release,
it was about
damn time!*

That felt fantastic and my heart isn't pounding anymore, all these naughty thoughts I have of late, sure keep me exhilarated

And cumming
sure makes
tired

I wonder,
will I change
over night
again ?

Well,
only one
way to
find out...

~Having a dick
is so much
better than my
old pussy~

~The pleasure it exudes when cumming... It feels like I can hear heavens bells ringing~

~And the sex...
Having a penis in
ones cooch is fun,
but the other way
around?
A pussy pales in
comparison, it's
almost unfair~

~How hot it would
be, if I actually
knocked Sam up,
she'd be such a sexy
bimbo milf~

~I wouldn't be just a mother any longer but a father too~

~Thinking about Sam, I hope she won't be disappointed with me~

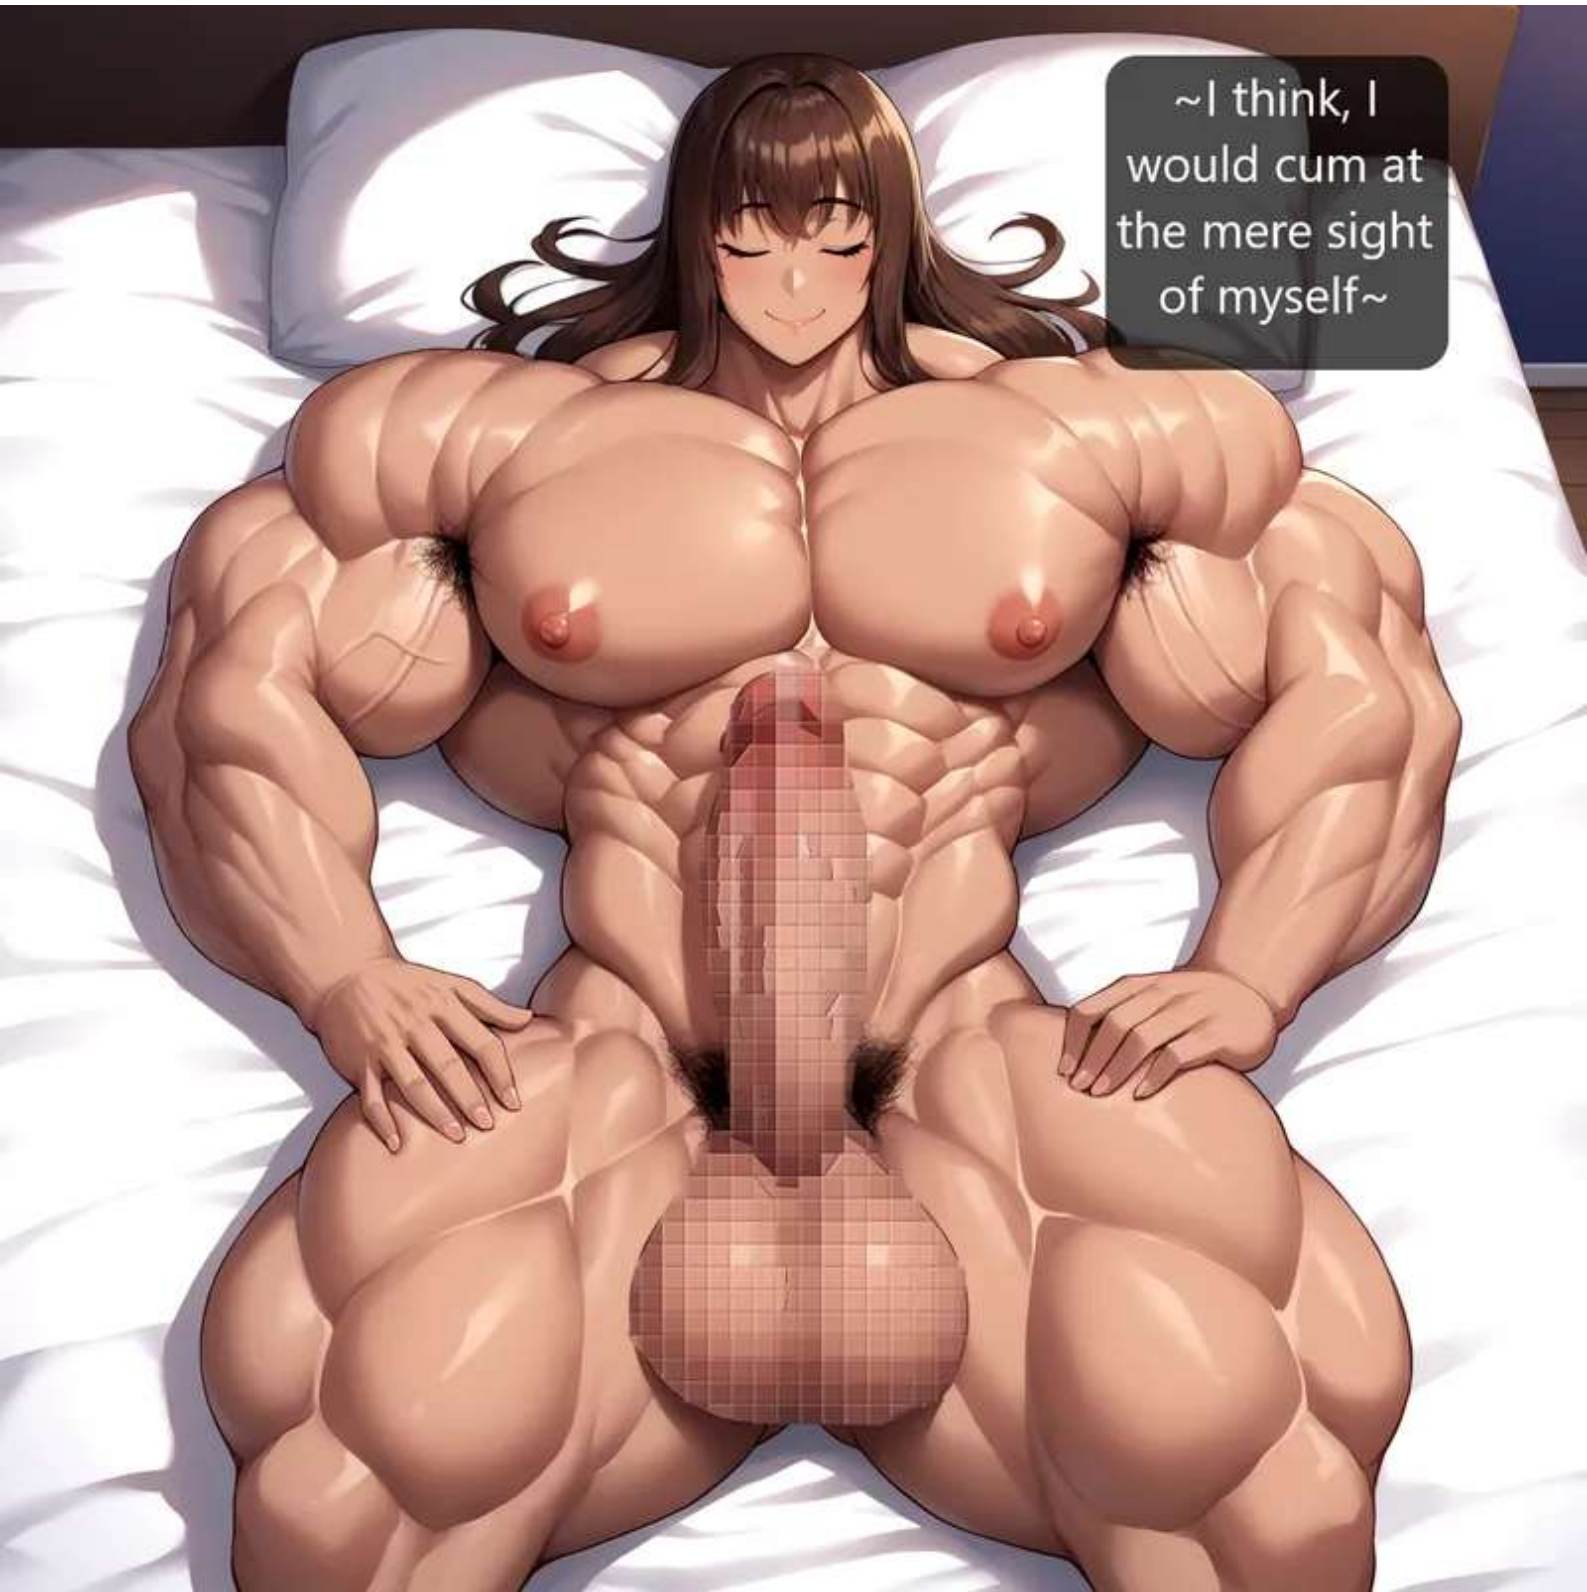

~I certainly
was rather
disappointed~

~But I suppose, it takes more than one visit at the beach to get a nice tan going~

~The results
would be pretty
amazing though,
my smokin' body
with a tan~

~I think, I would cum at the mere sight of myself~

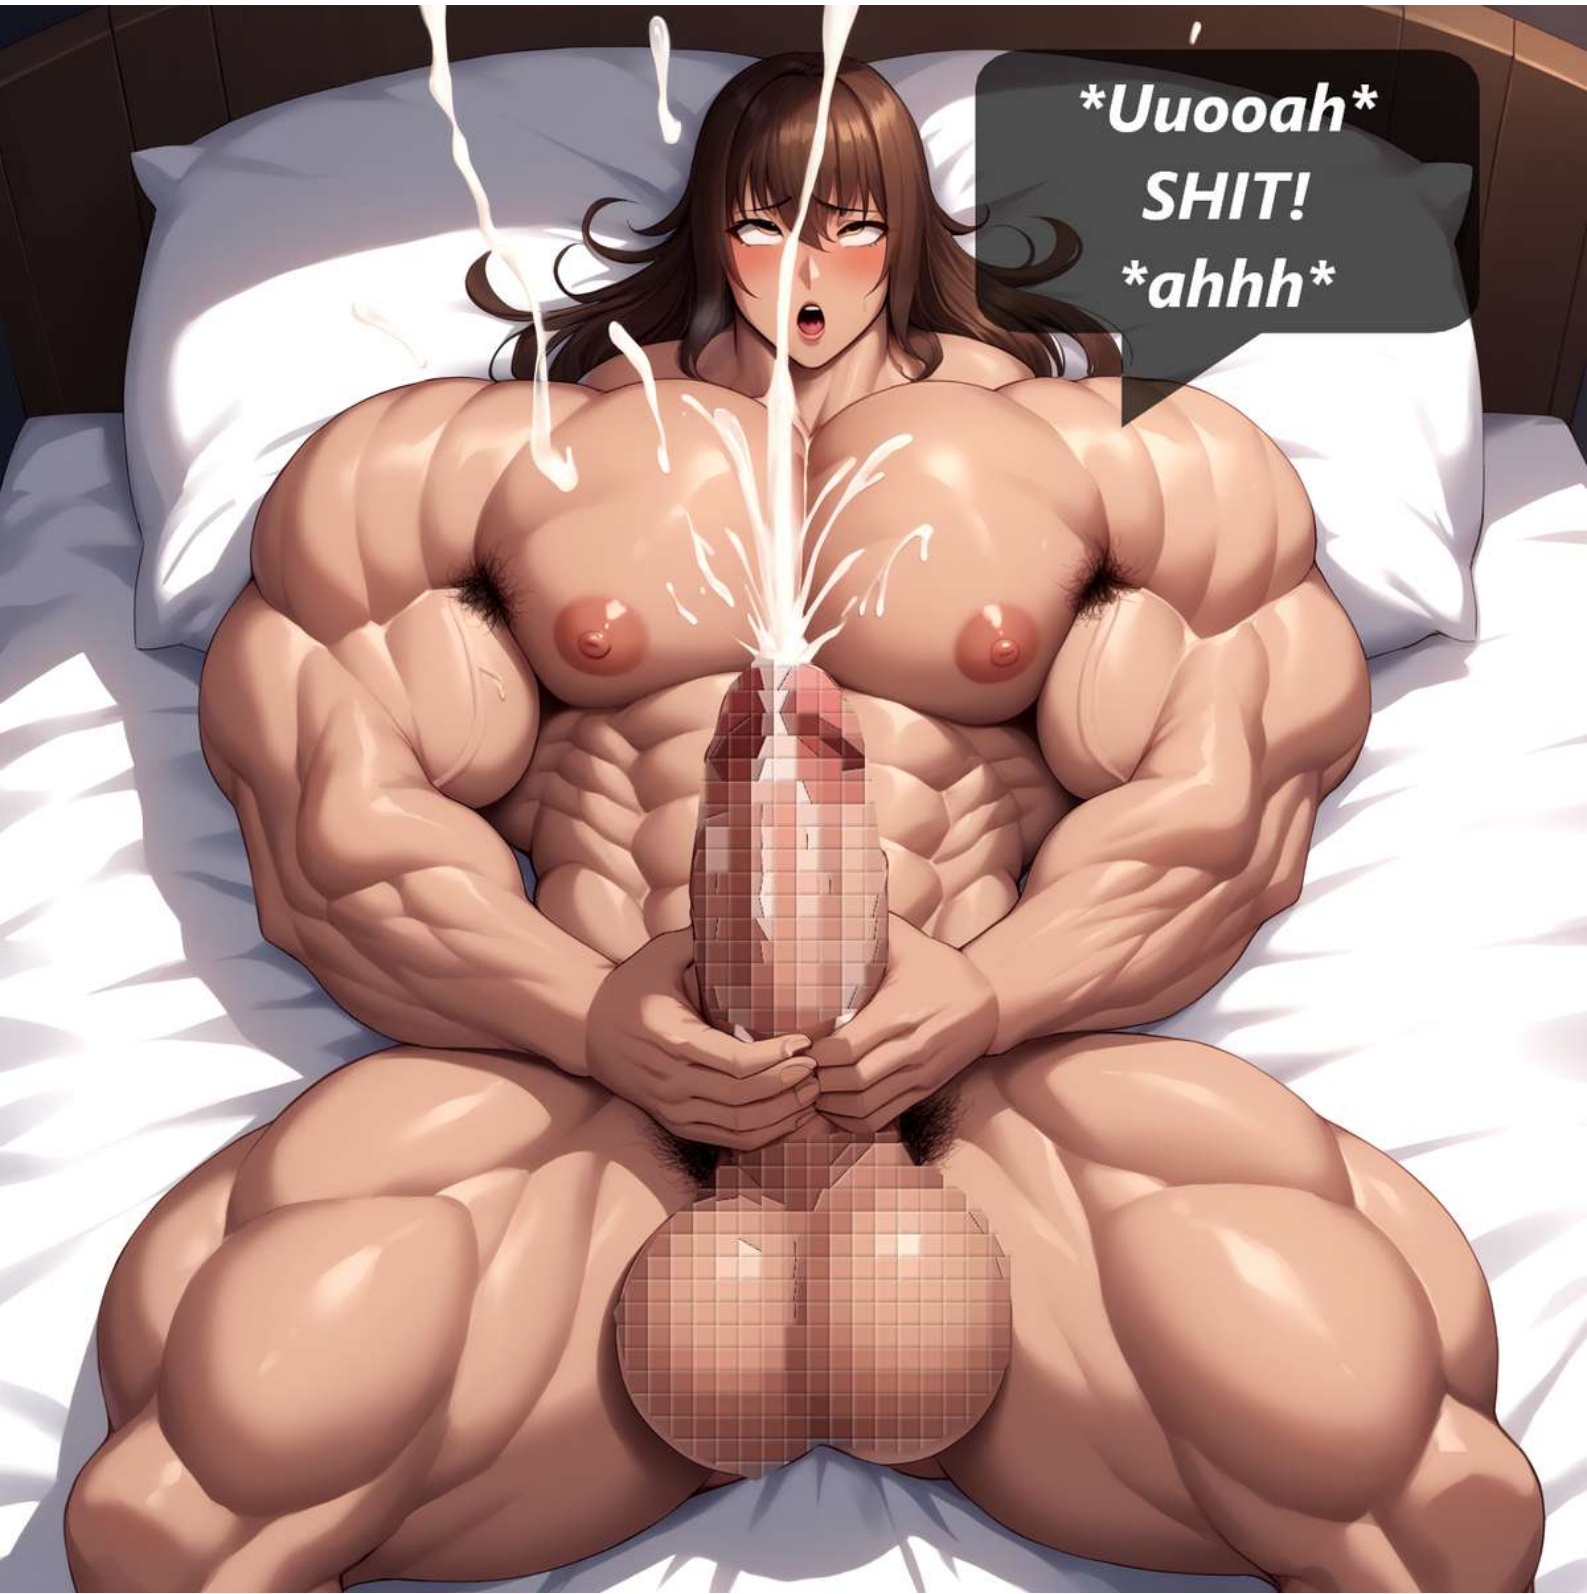

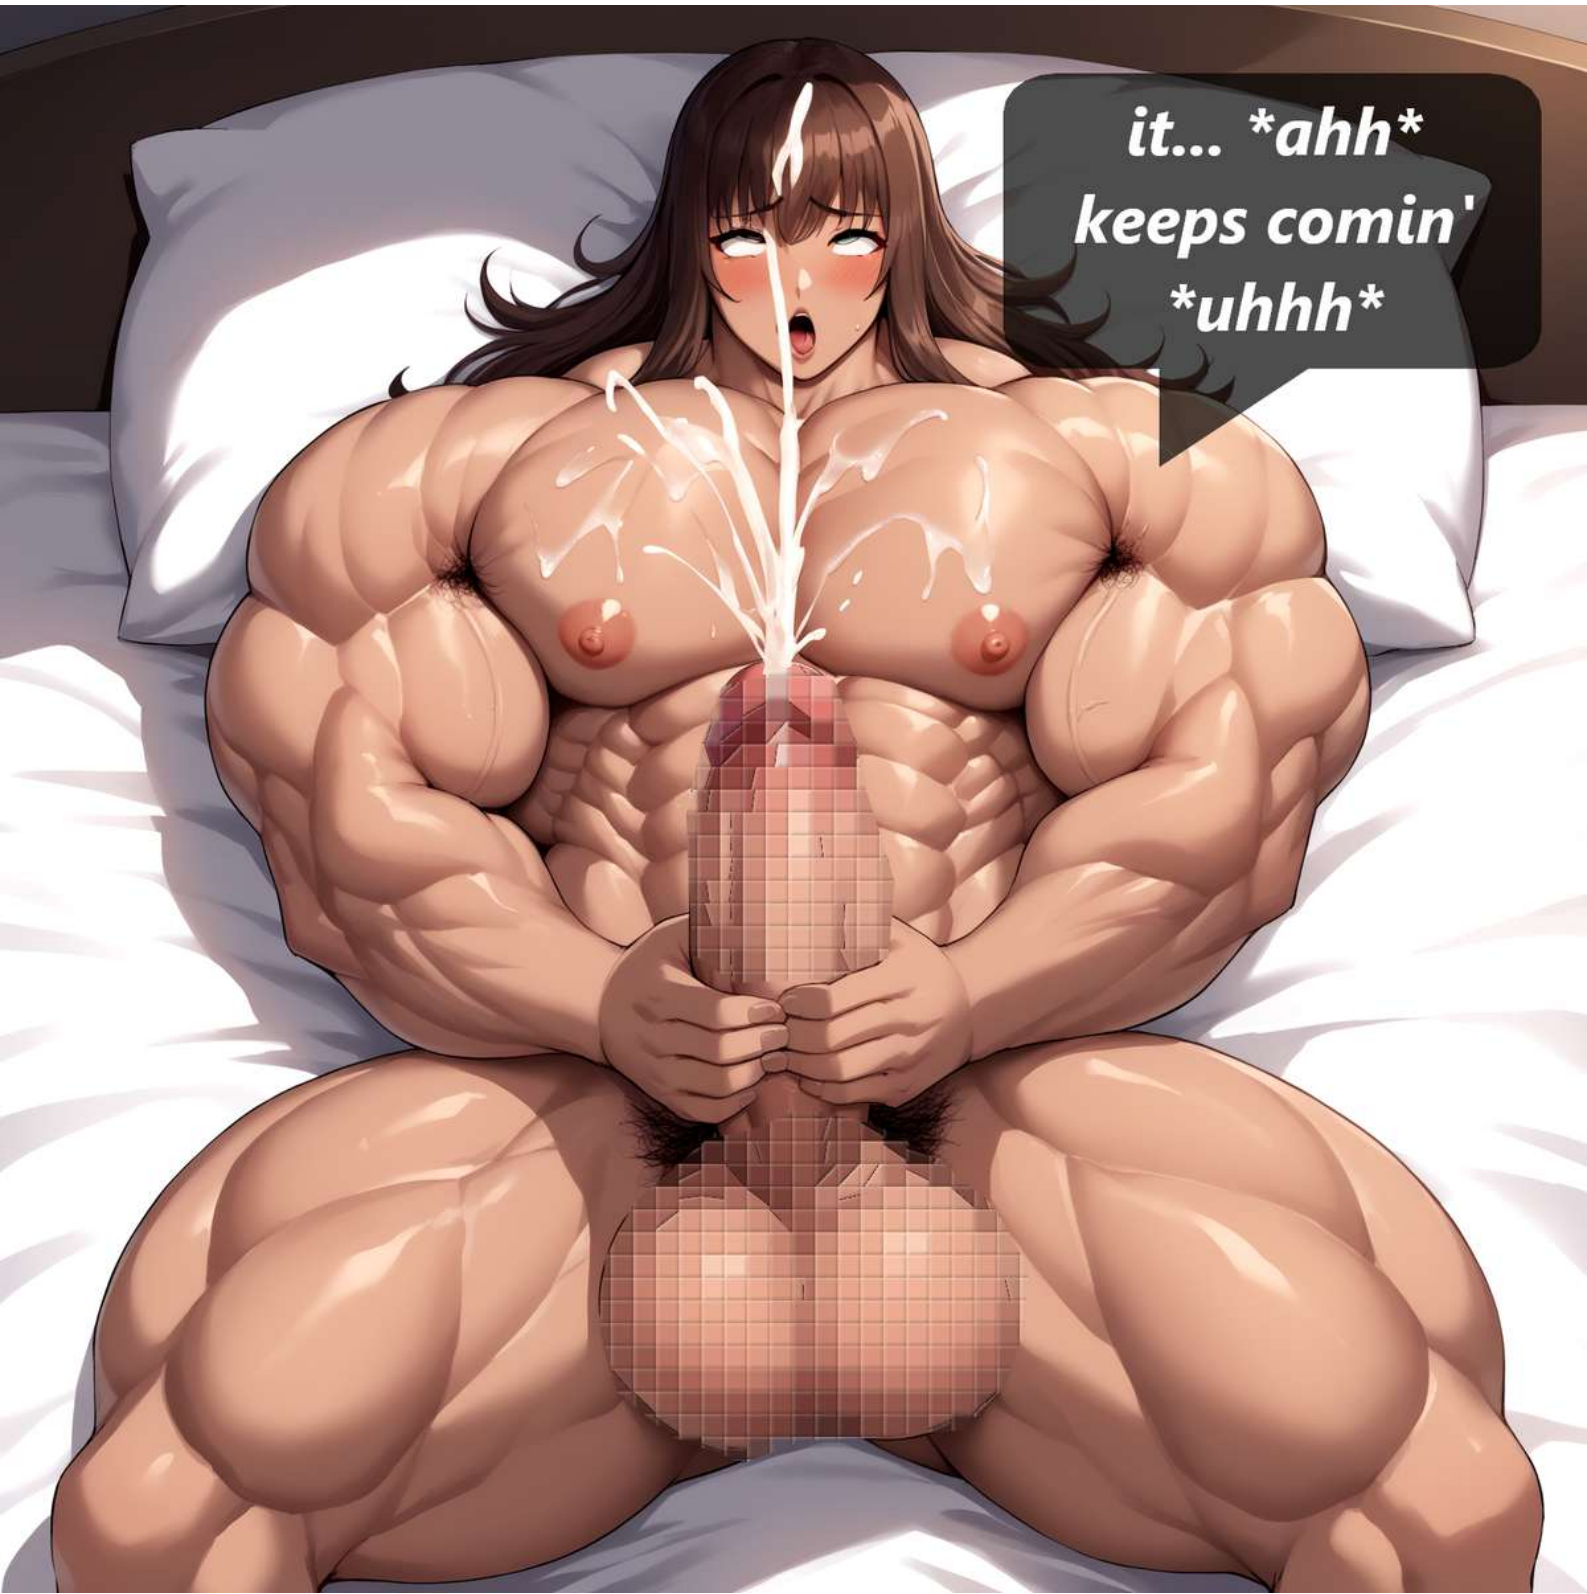

Hey there little guy, you seem even bigger than yesterday, wait, I grew bigger all over, a-and I got a tan, awesome!

I see you are pretty eager already, well in that case, let me help you get rid of that steaming hot cum

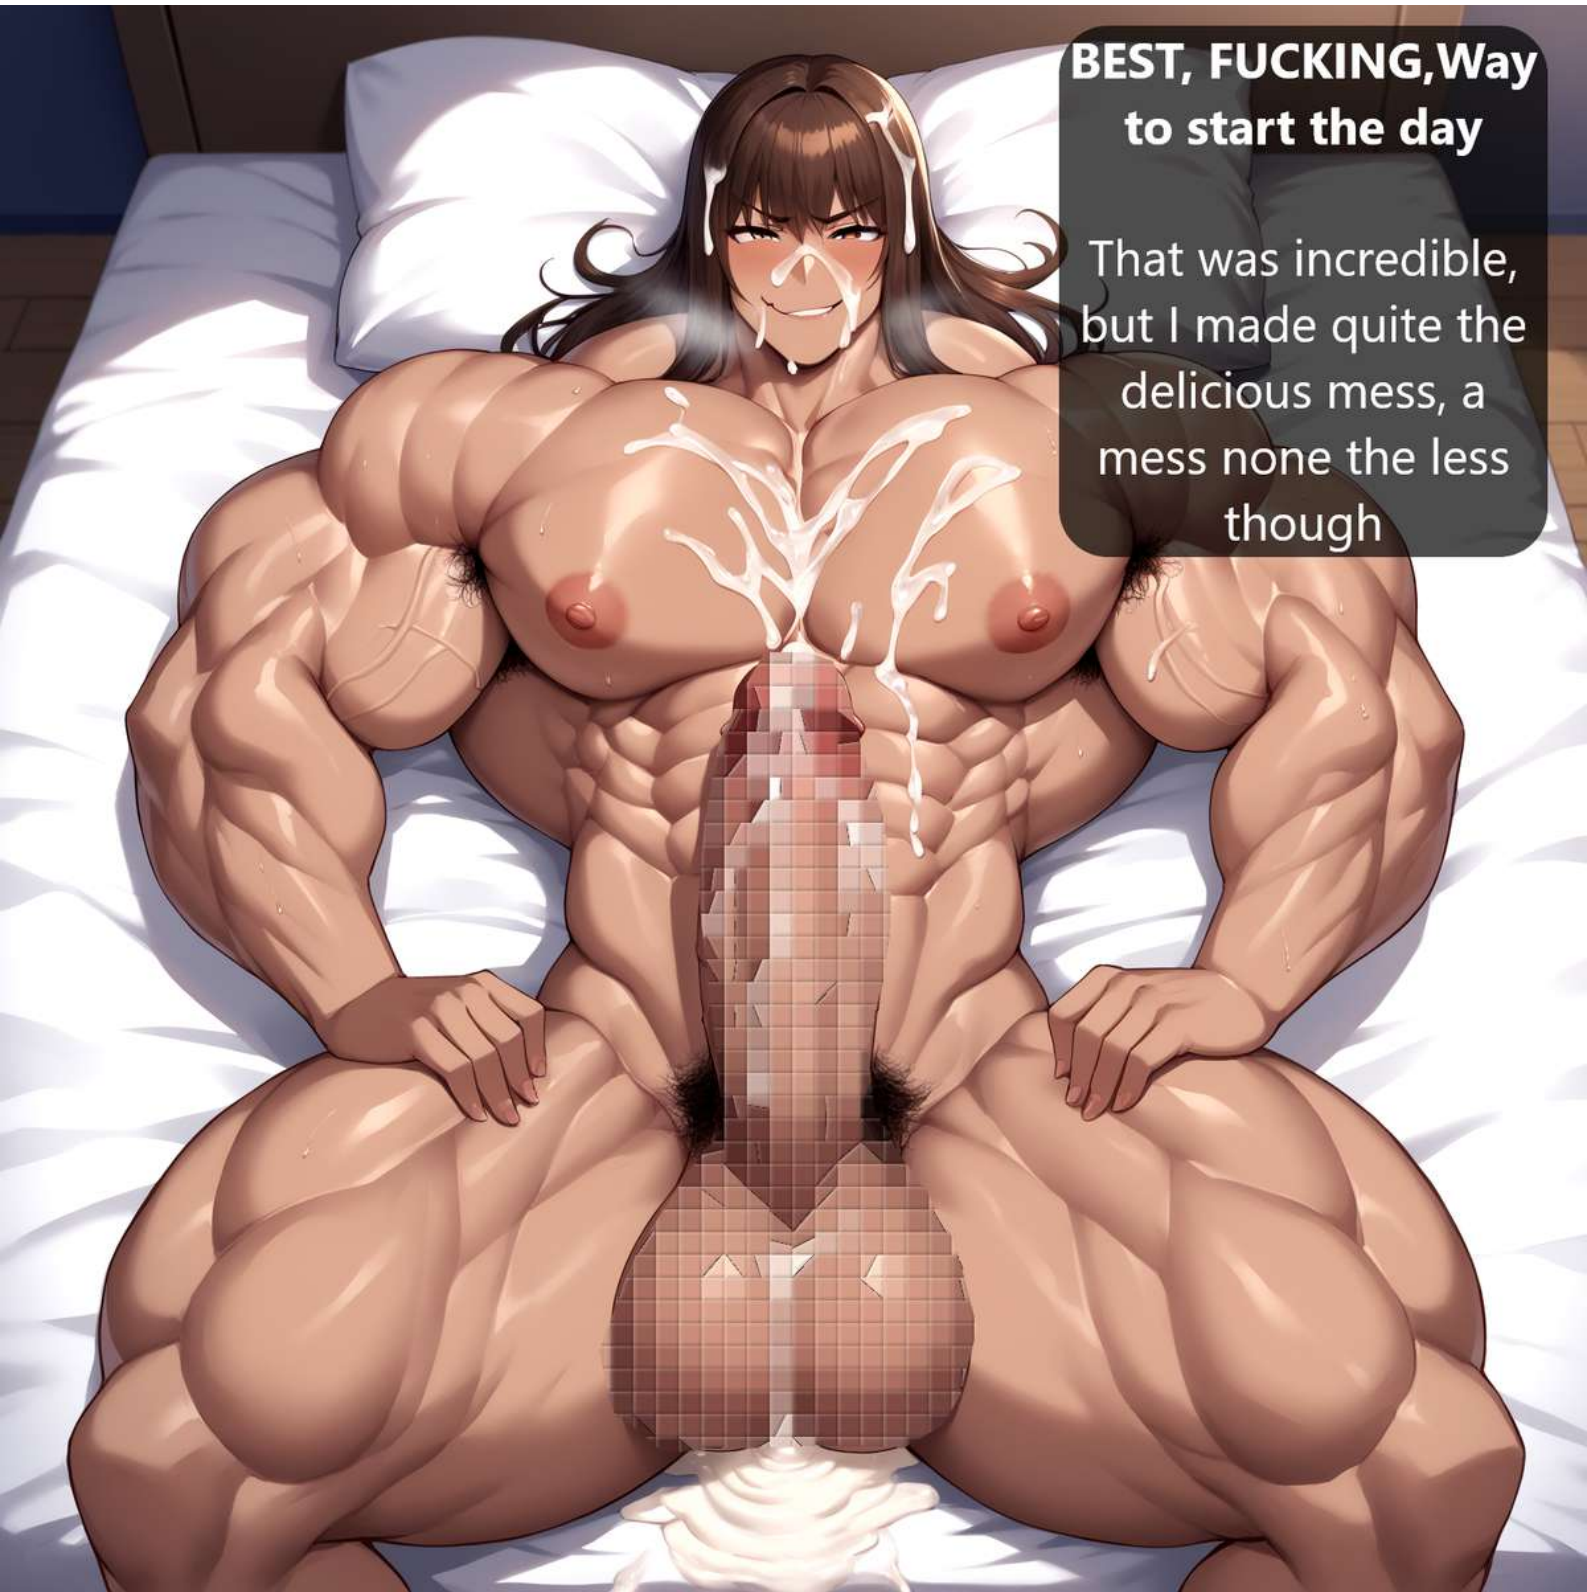

Uuooah
SHIT!
ahhh

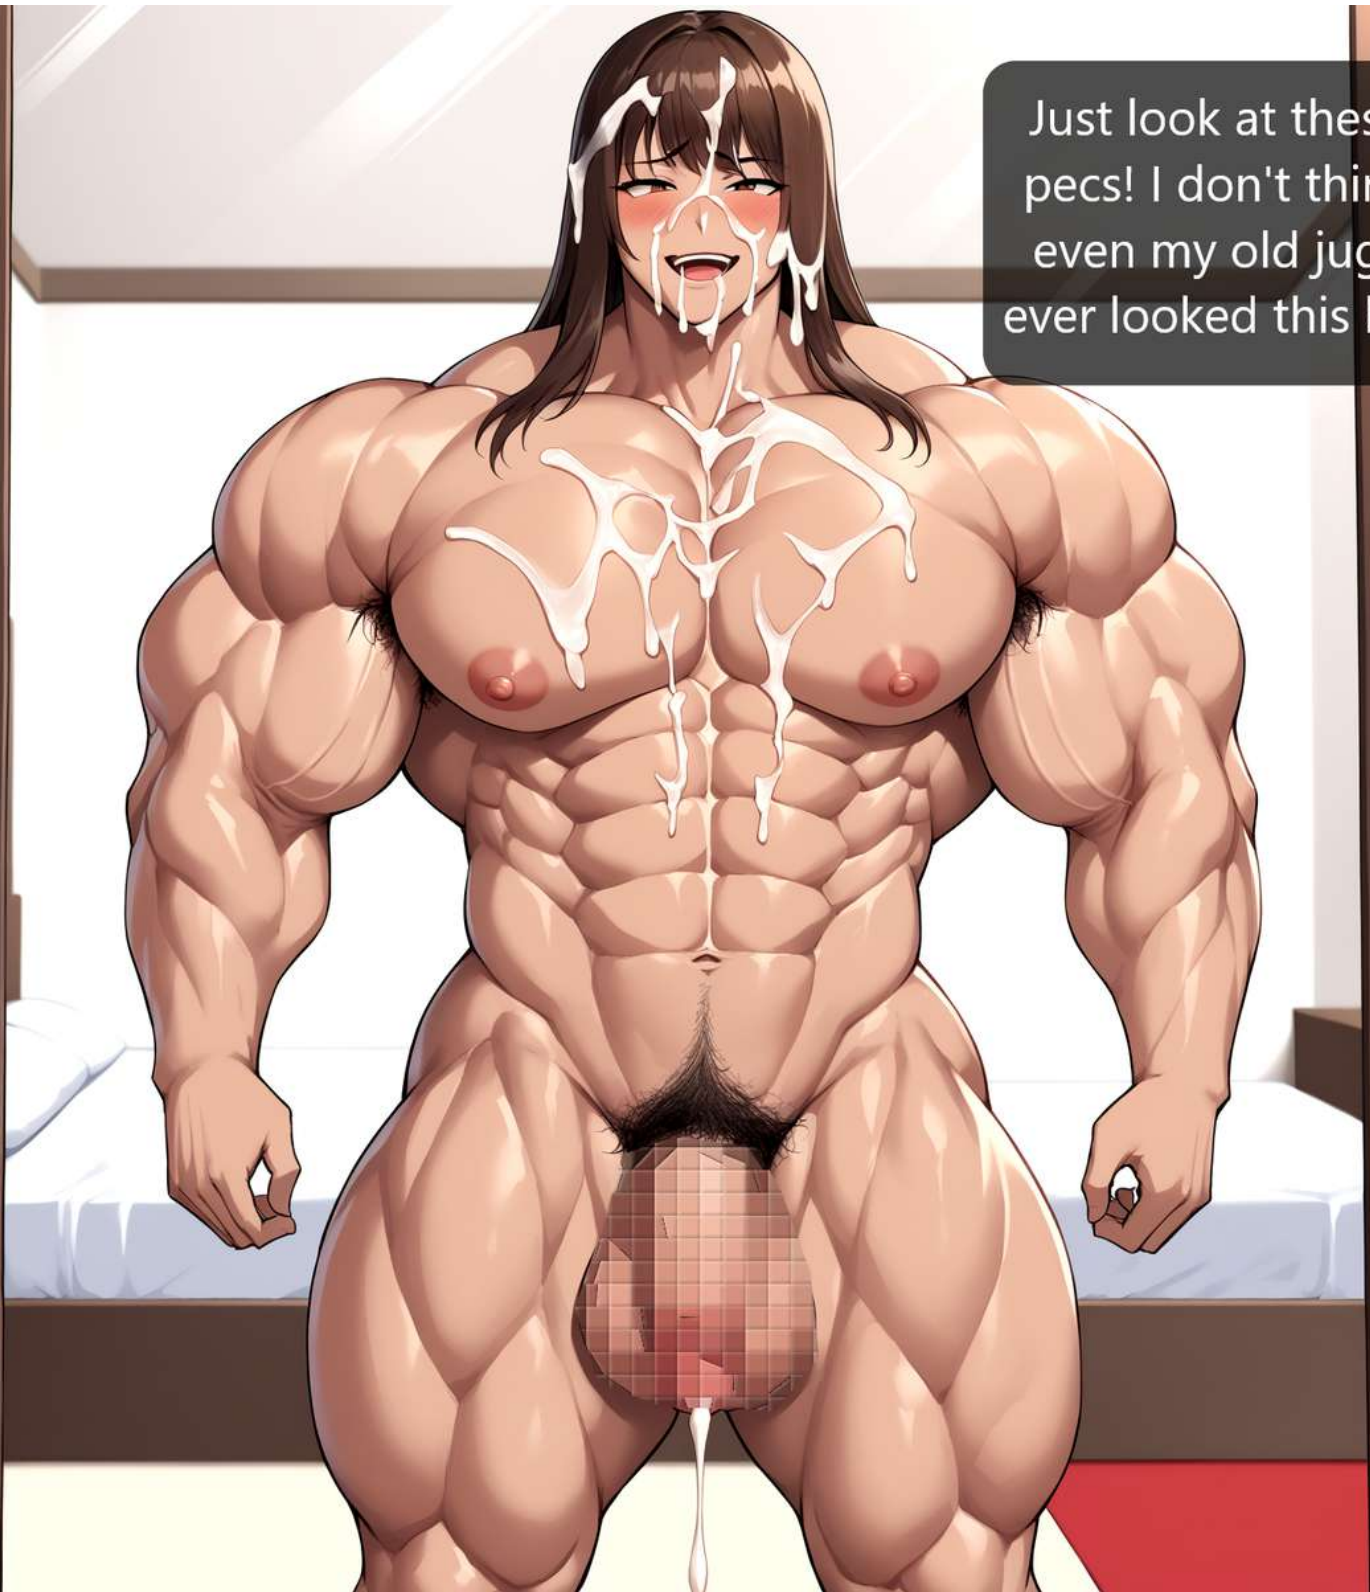

*it... *ahh*
keeps comin'
*uhhh**

**BEST, FUCKING, Way
to start the day**

That was incredible,
but I made quite the
delicious mess, a
mess none the less
though

Just look at these pecs! I don't think even my old jugs ever looked this big

An anime-style illustration of a woman with long brown hair, extremely muscular, flexing her biceps. She has white liquid splatters on her face, chest, and groin. The background is a simple room with a bed.

I look so much better, ever since I took those pills I have become perfection!

An anime-style illustration of a female character with long, dark brown hair, standing in a shower. She has an extremely muscular physique, with her chest, abdomen, and arms showing highly defined, bulging muscles. She is unclothed. Her hair is wet and slicked back. The background consists of light blue square tiles. A showerhead is visible on the left side of the frame. A dark grey speech bubble is positioned in the upper left quadrant, containing white text. The overall style is detailed and emphasizes physical strength and bodybuilding.

Everything
about my
changed body
is amazing

I should write Sam and take her out on a date, she needs to see the changes too

Well... besides
the fact, that
most clothes
don't fit
anymore
But who cares?

Time to show
off my body
and whilst I'm
at it, I should
probably get
my groceries

My goodness, I never had to buy this much food, just for myself. This body truly needs a ton of energy to function properly.

Ah, Sam
finally replied
*"Let's meet in
the park, is
3pm alright?"*
Sure thing

Mhh, damn!
It's just 12,
maybe I
should eat
before the
date

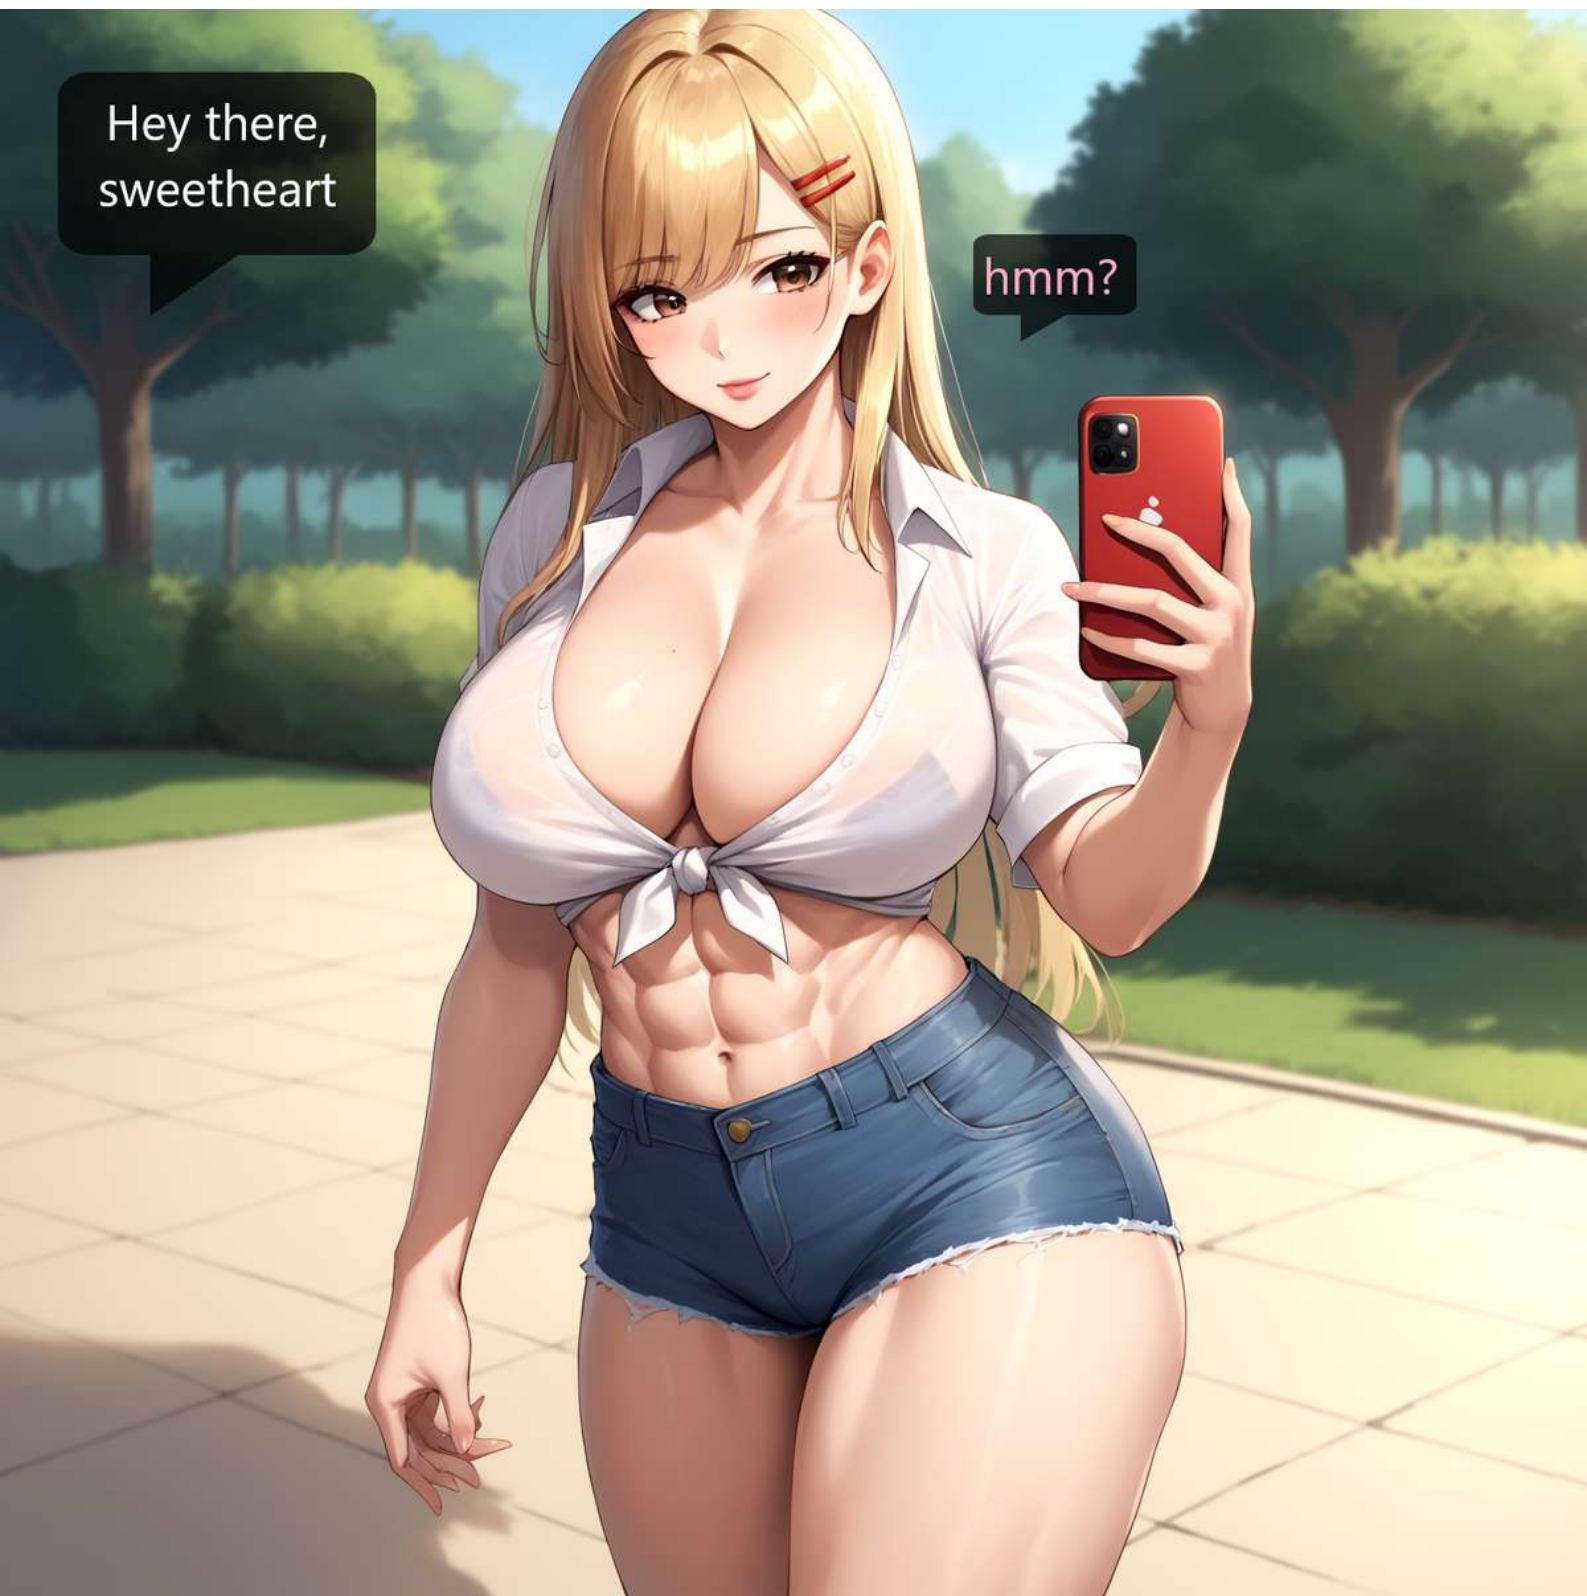

Oh there
she is,
I can't wait
to see her
reaction

Hey there,
sweetheart

hmm?

Thank you for the
praise.
Do you like what
you see?

OH,
MY,
GOD

Hell yeah!
Absolutely!

I planned to just go on a walk, but perhaps we should find a place more secluded instead

Oh, ok?

And that is
how I got
my first time
in the park

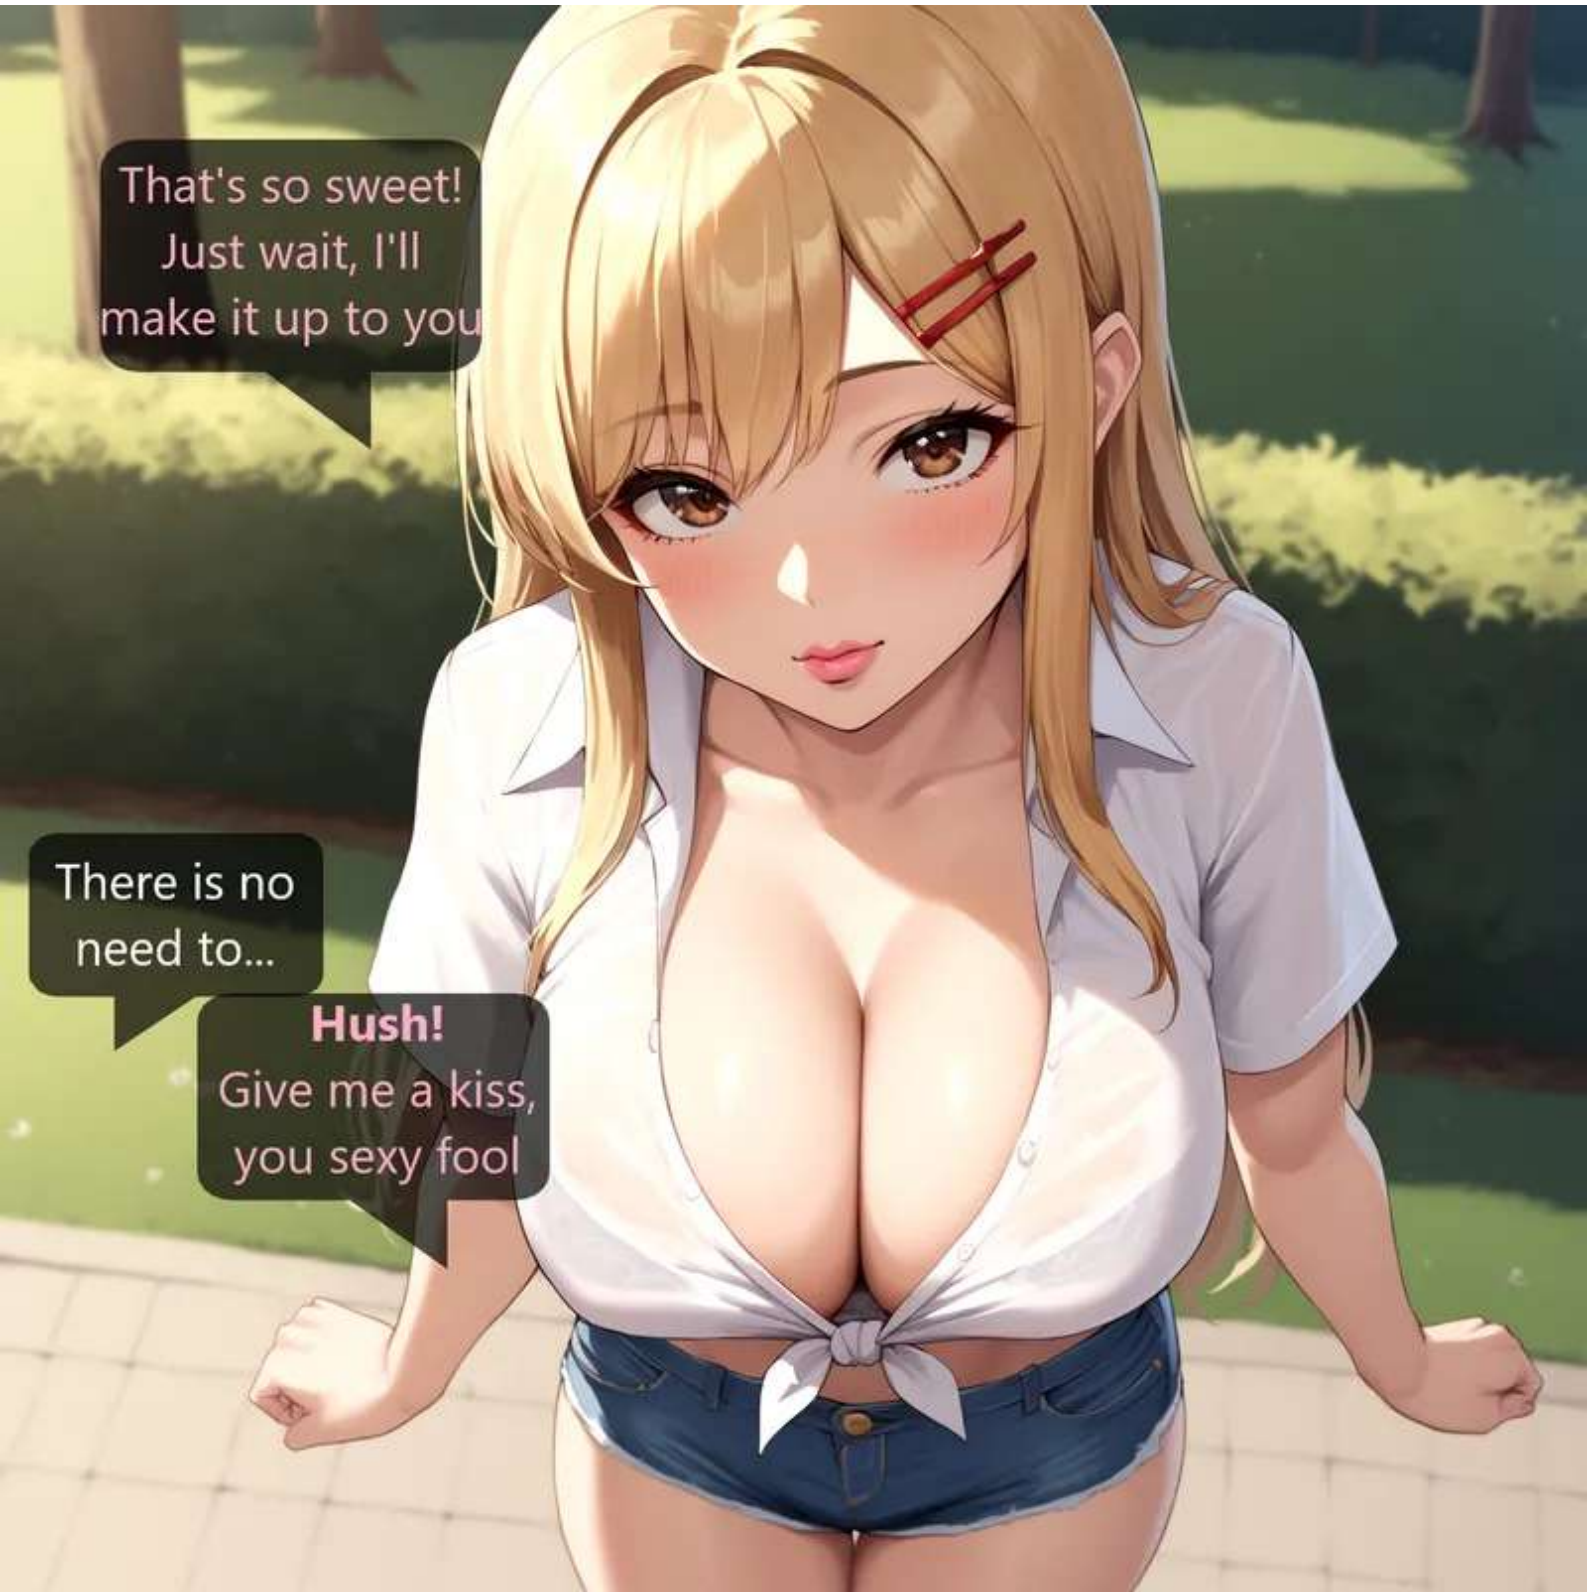

Her moans really got me going whilst I was pounding her cute butt with my newly enlarged member

I can't believe
that you actually
got the tan just
for me

I would do
anything for
you, sweetheart

That's so sweet!
Just wait, I'll
make it up to you

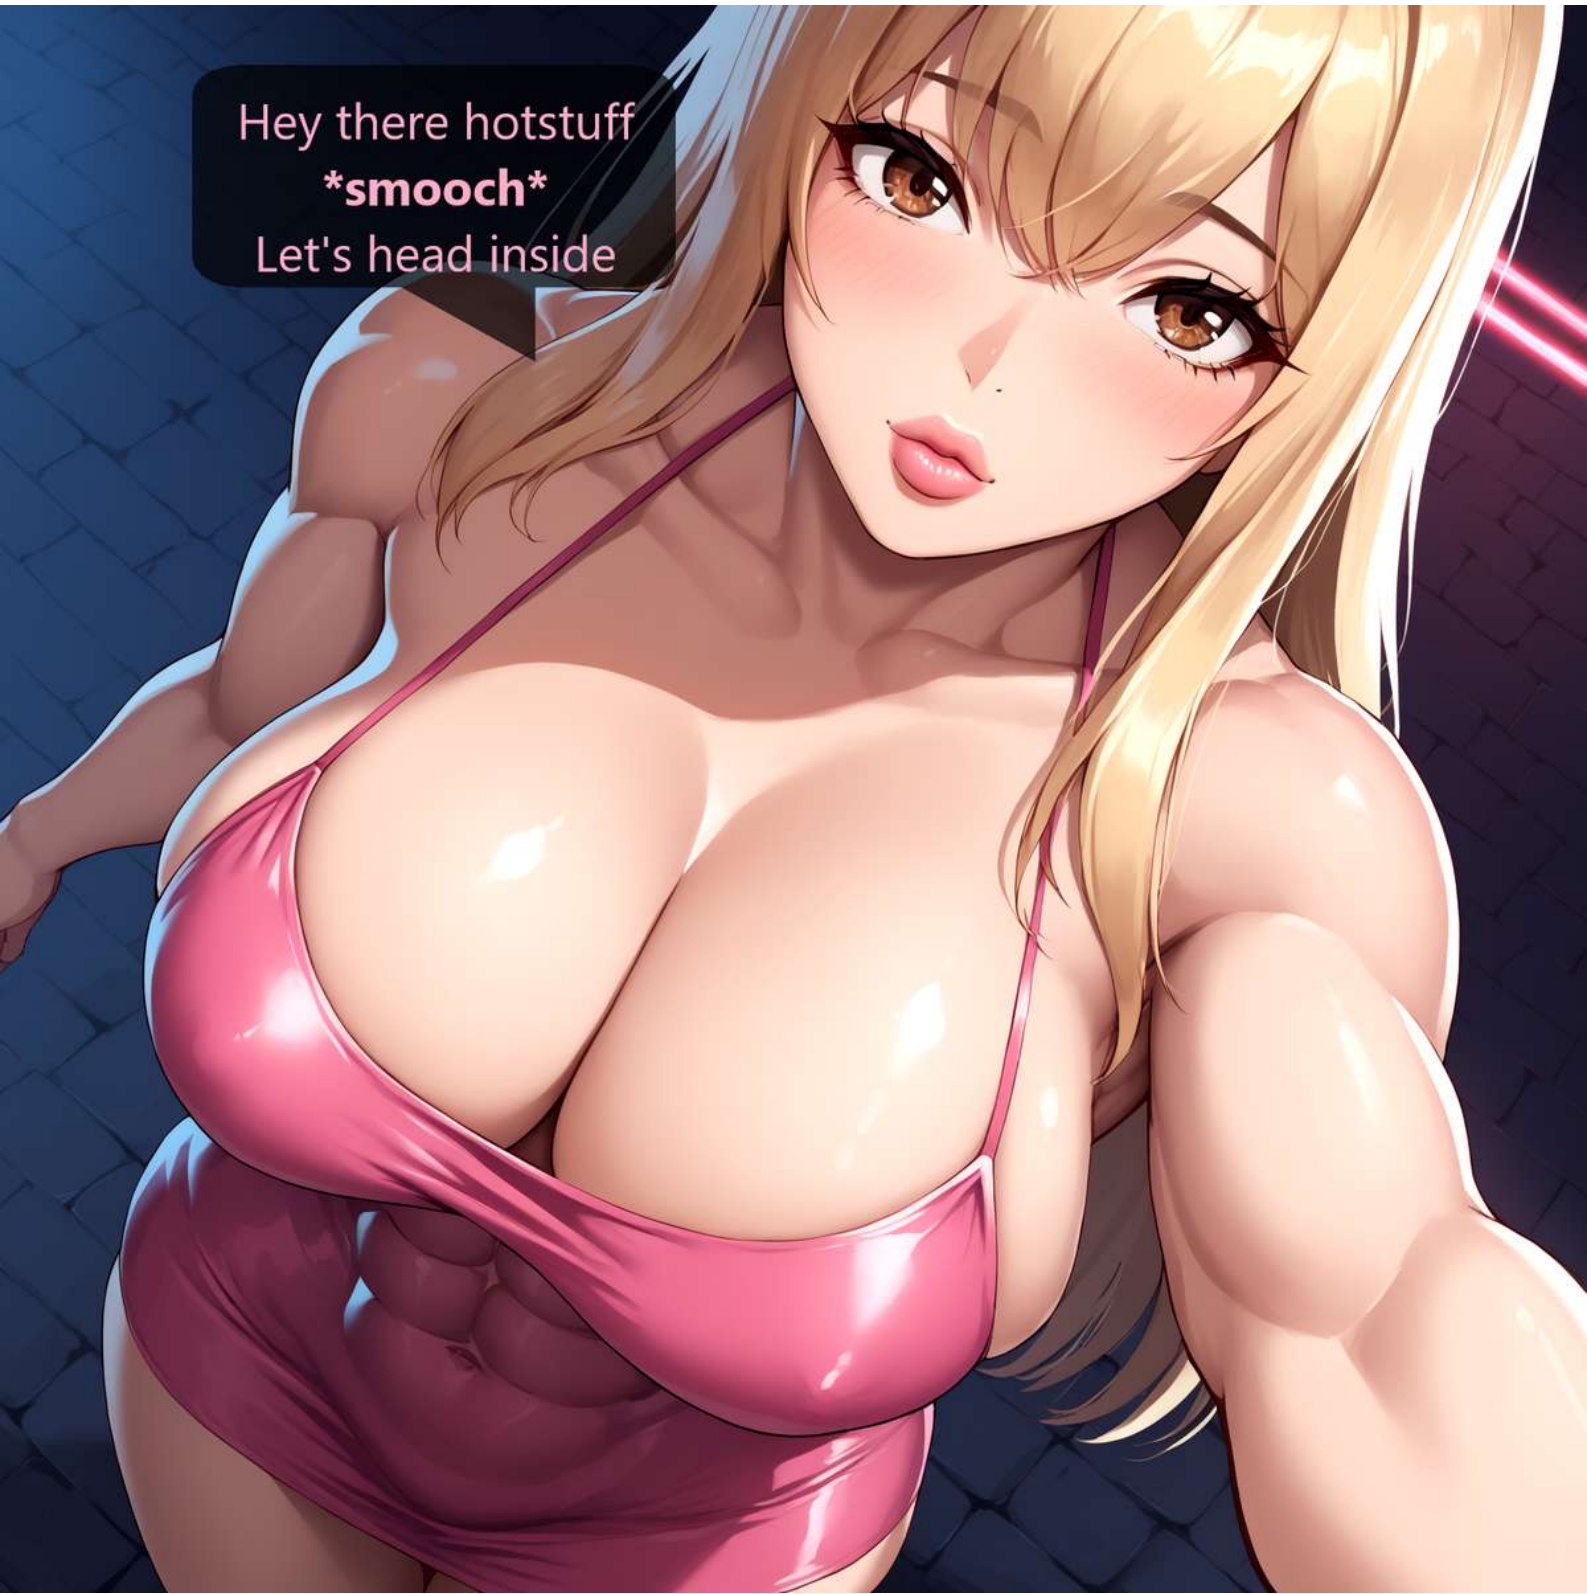

There is no
need to...

Hush!
Give me a kiss,
you sexy fool

A few days later
we went on our
second date.
Sam asked that we
visit one of the
local clubs to have
a bit of fun
God, she's perfect!

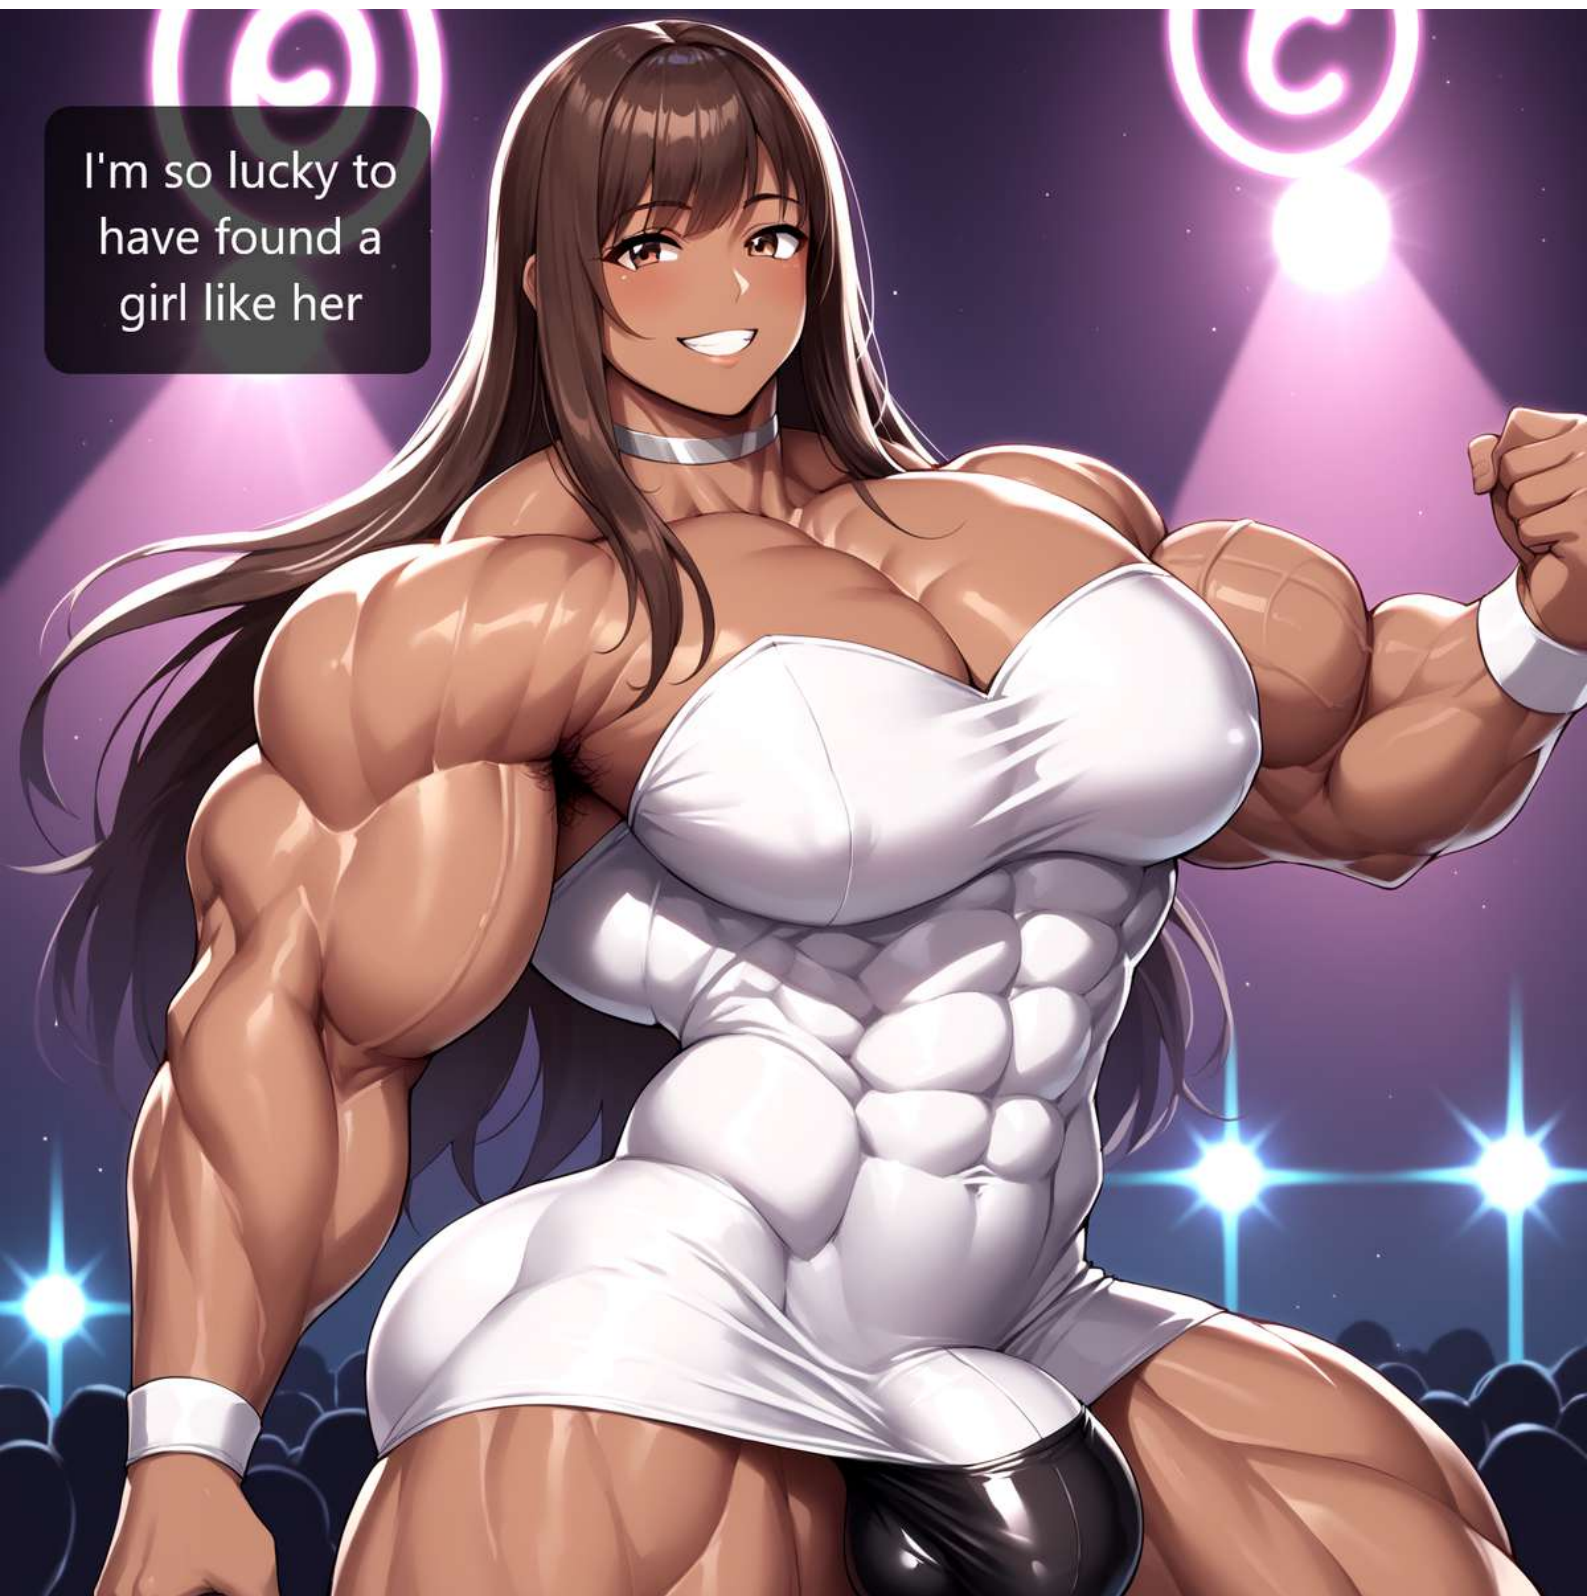

Hey there hotstuff
smooch
Let's head inside

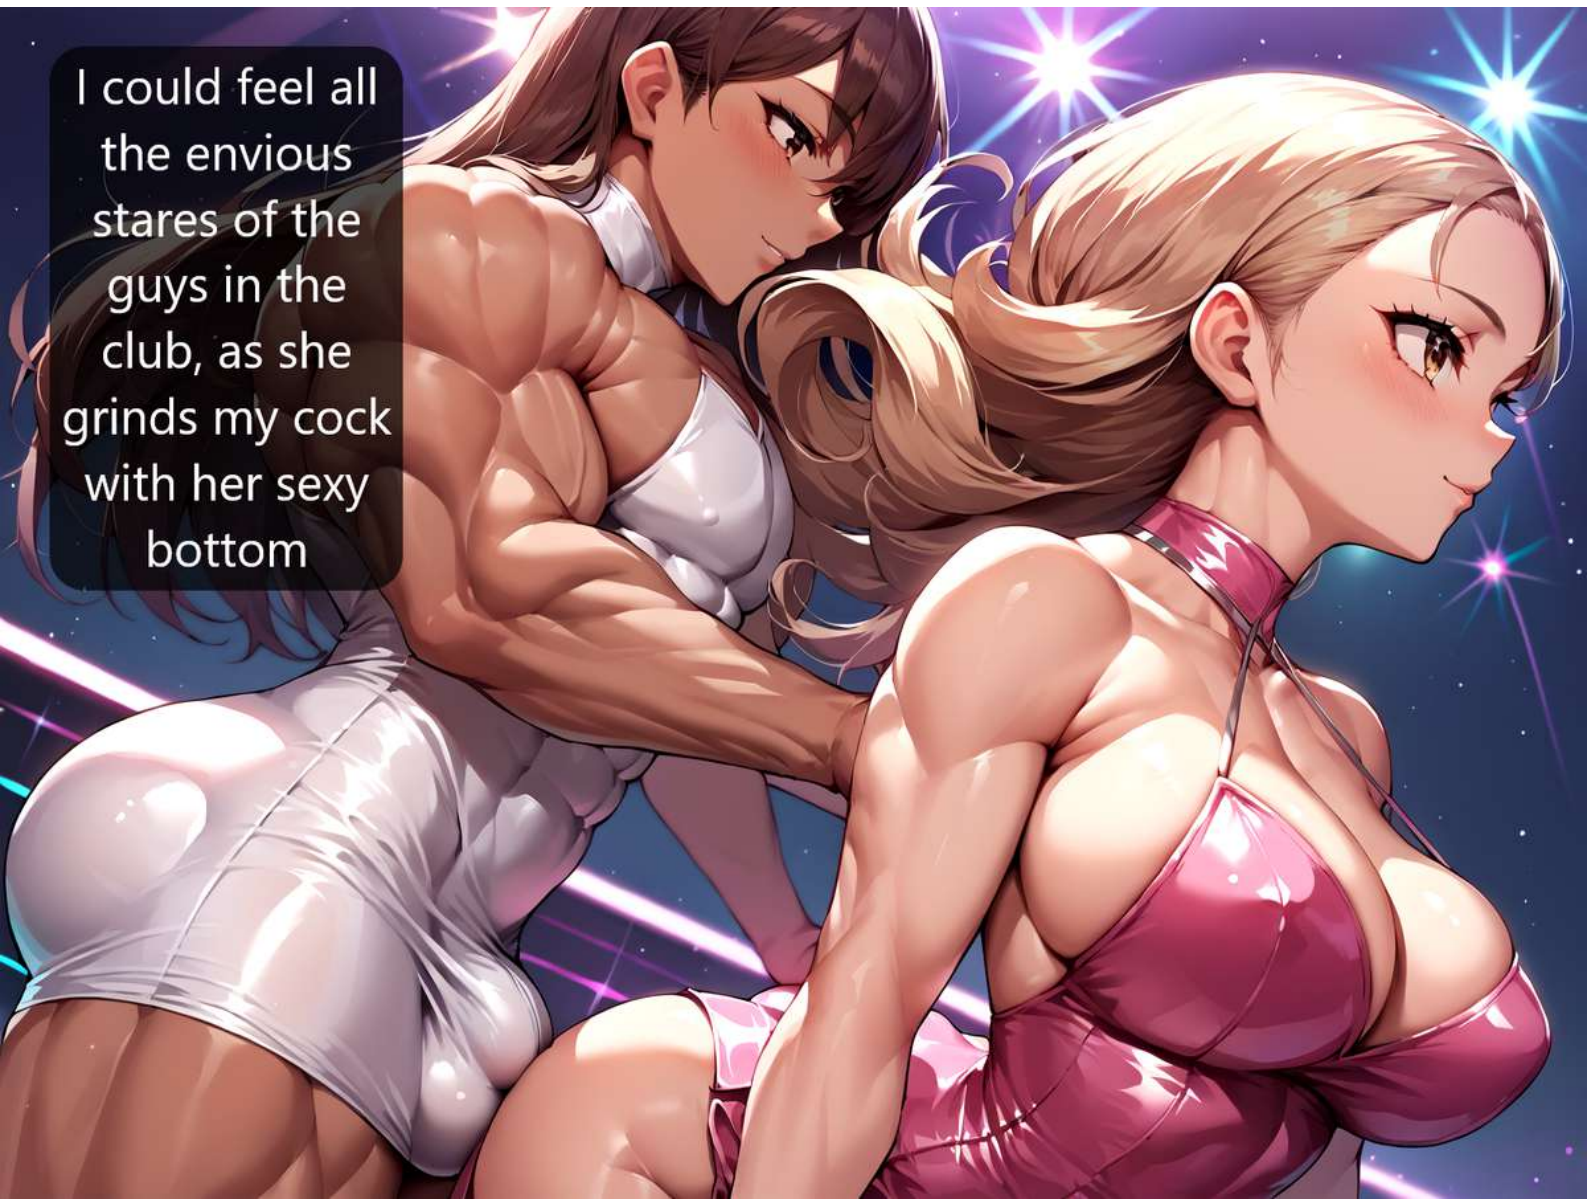

God, that tight dress really accentuates her gymbunny figure

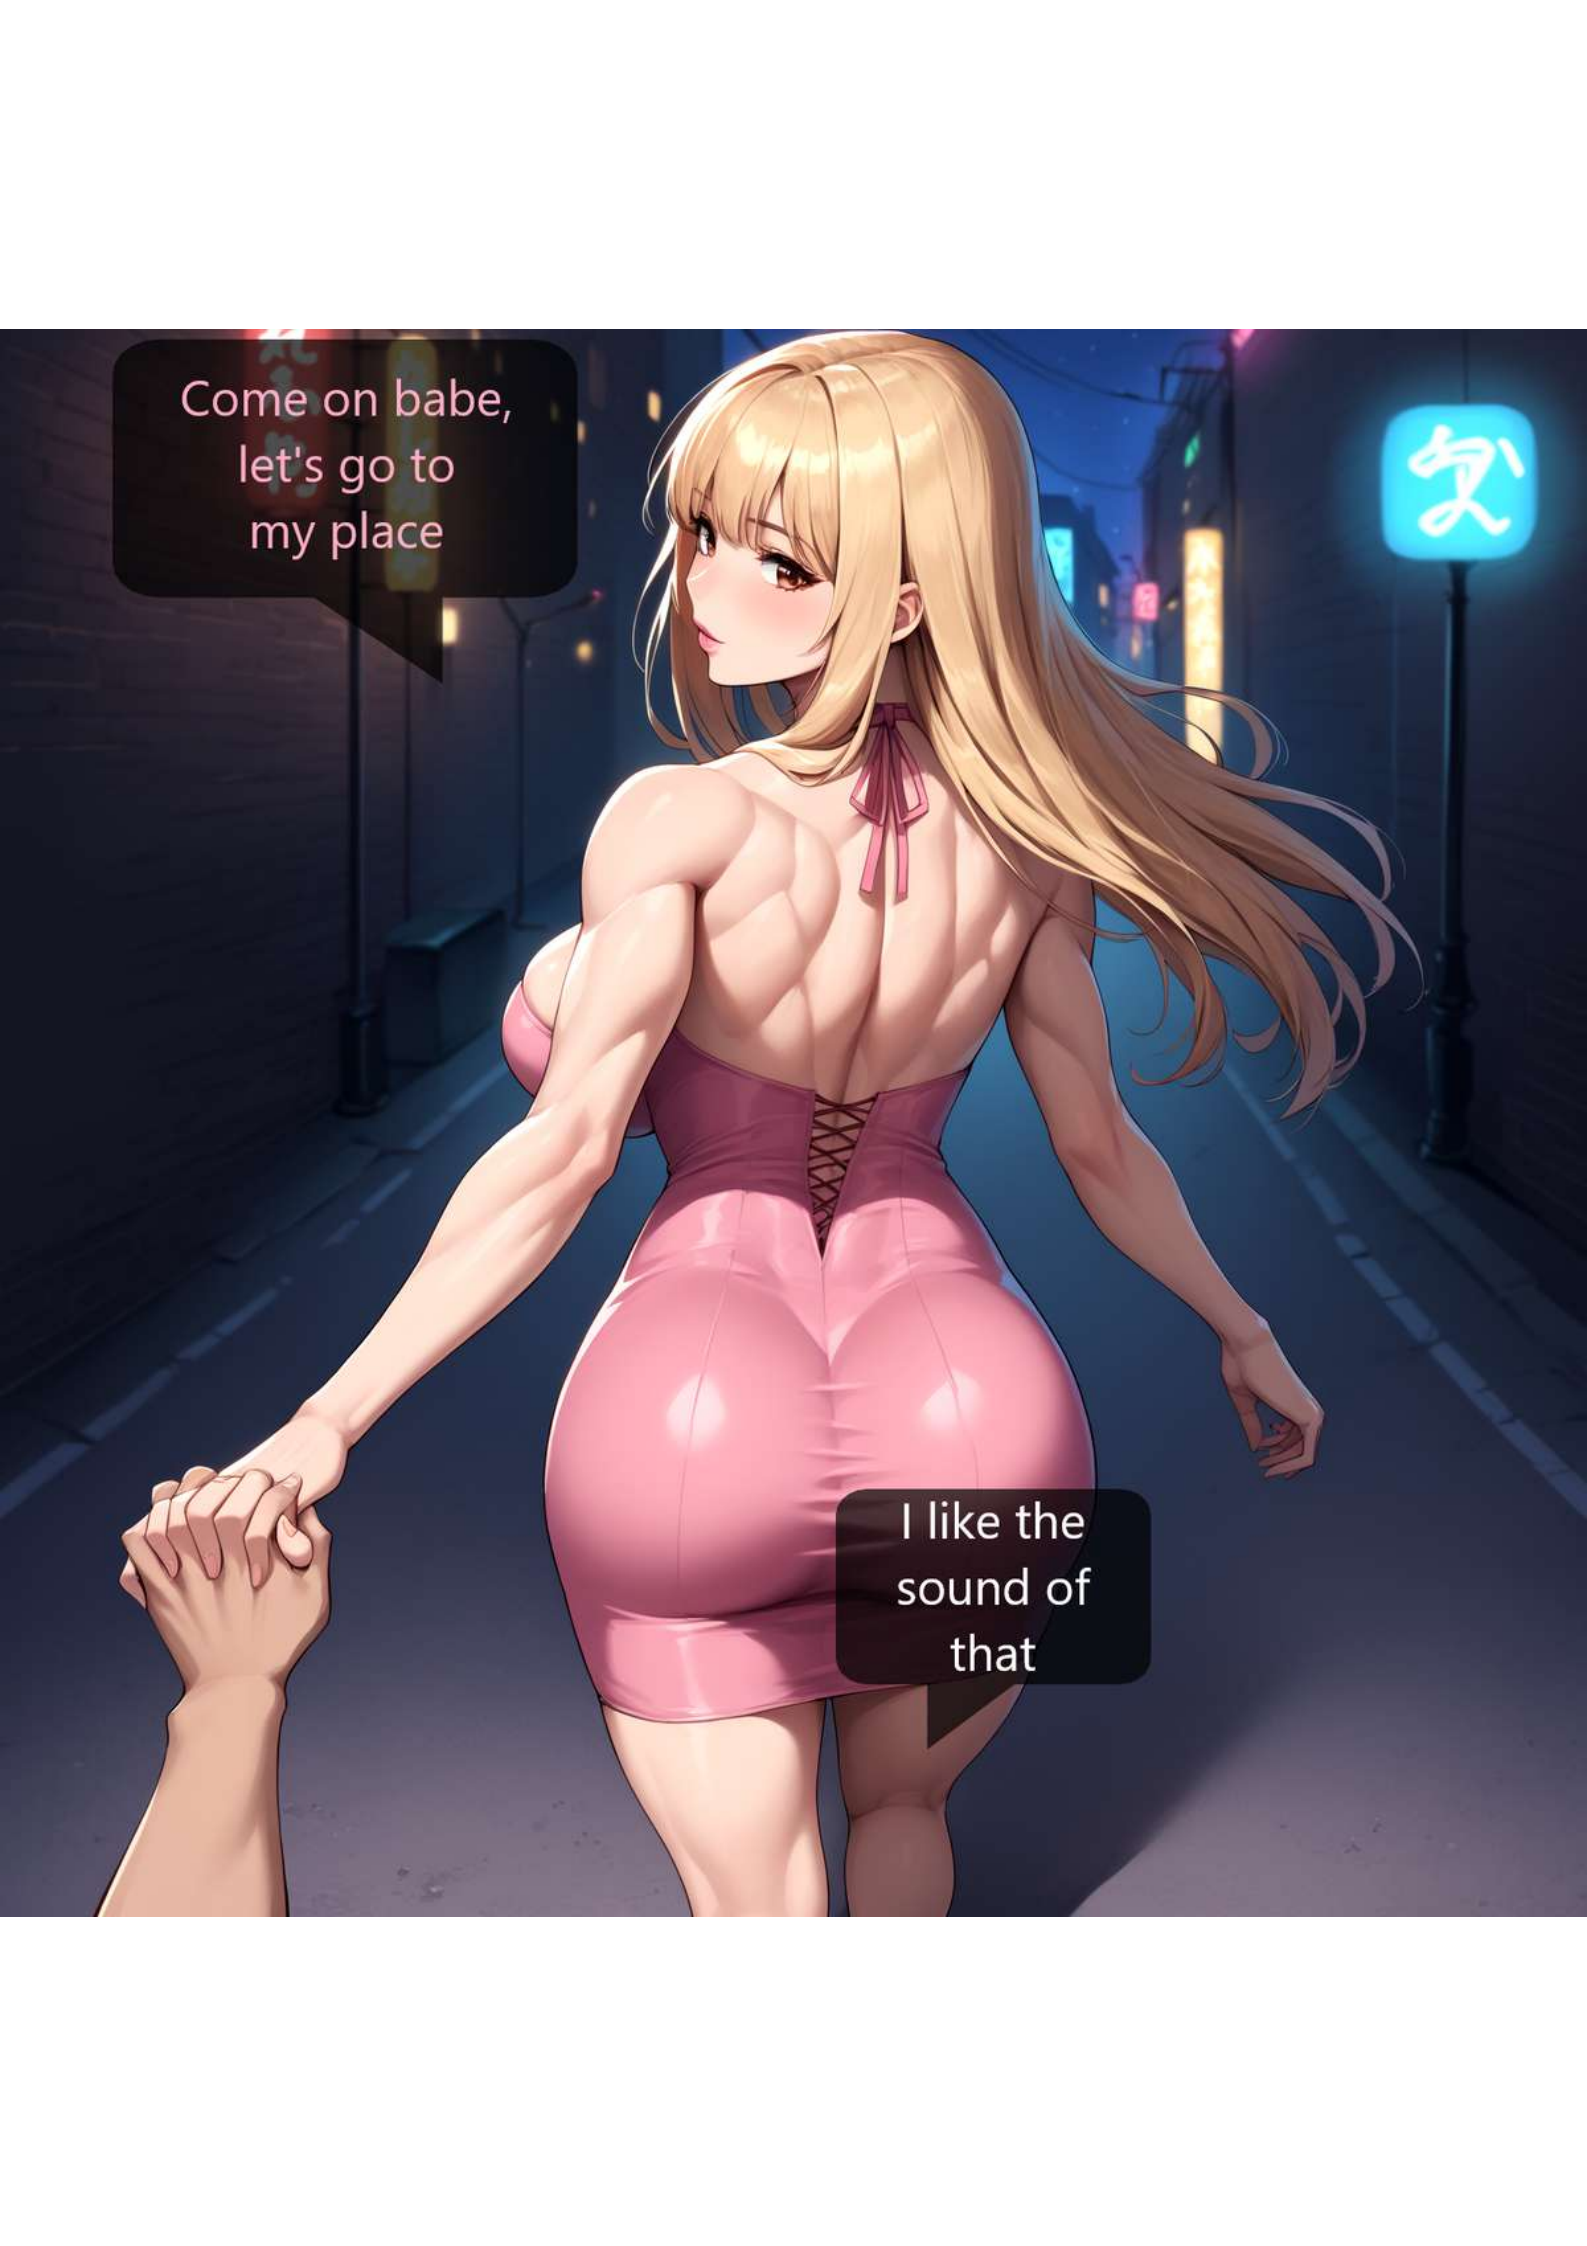

I'm so lucky to
have found a
girl like her

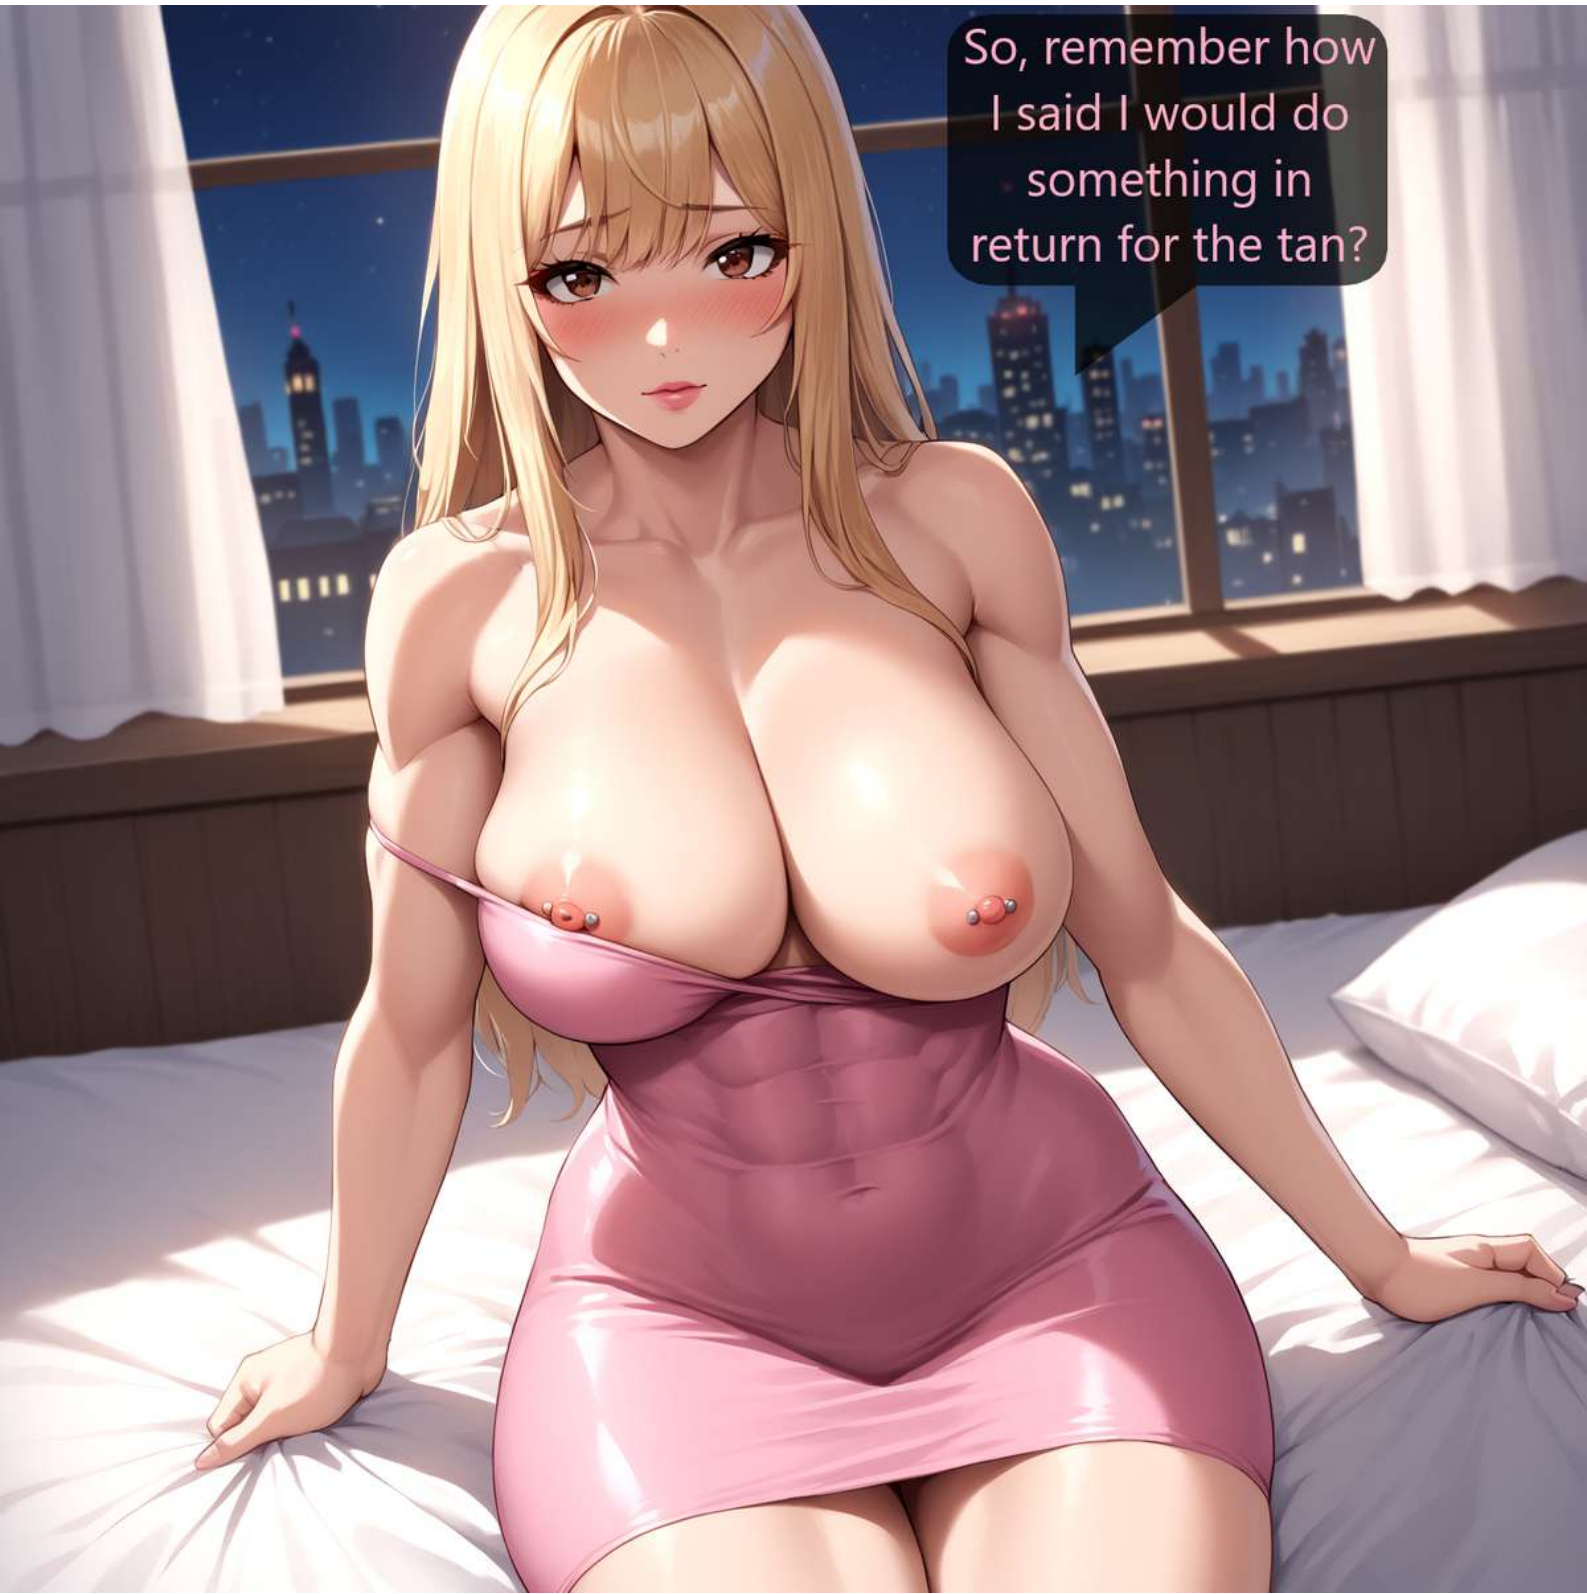

I could feel all the envious stares of the guys in the club, as she grinds my cock with her sexy bottom

Come on babe,
let's go to
my place

I like the
sound of
that

So, remember how I said I would do something in return for the tan?

I got my navel pierced, hope you like it

Oh honey, it looks really cute on you

After seeing what she did, just for me, I couldn't do any different but give her a nice reward

Oh Sam, I love you!
huff
Will you marry me?

*Ohh fuck,
~ahh~
YES!*

And there we were,
who would have
thought that the
true love, I always
sought, would be
another woman
I certainly didn't
expect that

Not that it matters though. I am the happiest I ever was in my entire 37 years

The sex after our
wedding was
incredible!
Fucking a pussy raw
felt ten times better
than with a condom on

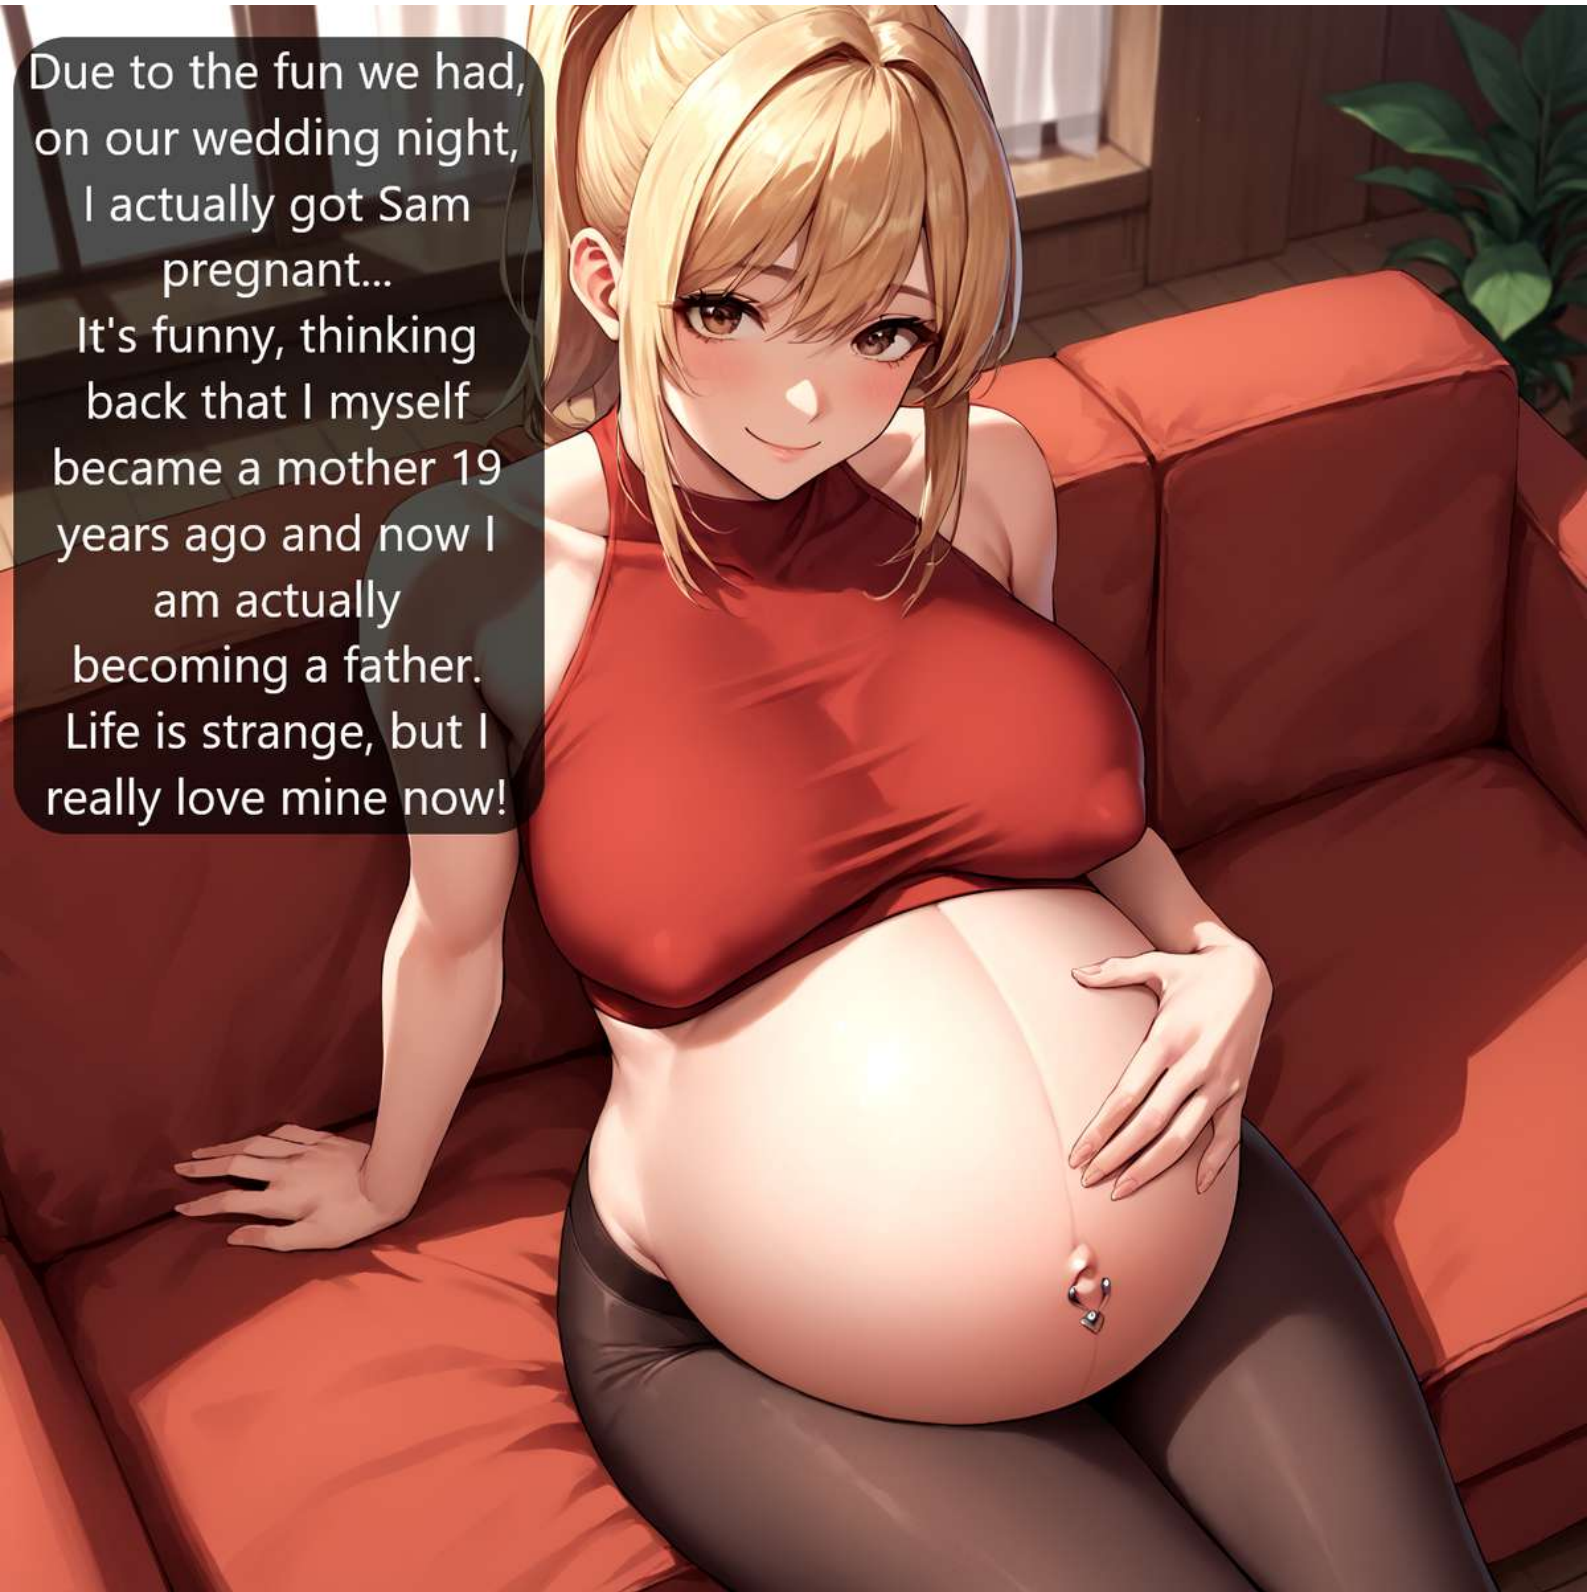

Sam also
enjoyed it, but
let's say, I left
her a bit bloated

Some time later,
I tried my luck
with professional
bodybuilding and
well, I'm on my way
to earn the title
"Mr. Cosmos",
though perhaps I'd
prefer Misses
After all these
changes, I'm still
one hot lady

Due to the fun we had,
on our wedding night,
I actually got Sam
pregnant...
It's funny, thinking
back that I myself
became a mother 19
years ago and now I
am actually
becoming a father.
Life is strange, but I
really love mine now!

The End...

or is it?

Honey,
don't you think
my costume might be
a tad bit too revealing ?

Nonsense!
You look great,
babe

That being said,
please smile, so that I
can finally take a
memory picture

Say,
cheese

ch-cheese...

Honey,
do you think
this is necessary ?

Babe,
are you doubting my
judgement?
Lilly is on my side too

huh? I-I'd never do that and I don't wanna upset either of you

I knew you'd
see reason

*Later
That
Evening*

~So this is the place where mom lives now, huh~

~Oh damn!
Her tits are at least
as big as mom's~

Oh by the way, I'm
Samantha, but you may call
me Sam and I know that I am
technically your stepmom,
but please don't call me that.
It has such a weird ring to it,
seeing as you are just a few
years younger than me

Oh you must be Tom,
we've been waiting for
you, it's so nice to
finally meet you

Likewise

Don't worry,
it won't happen

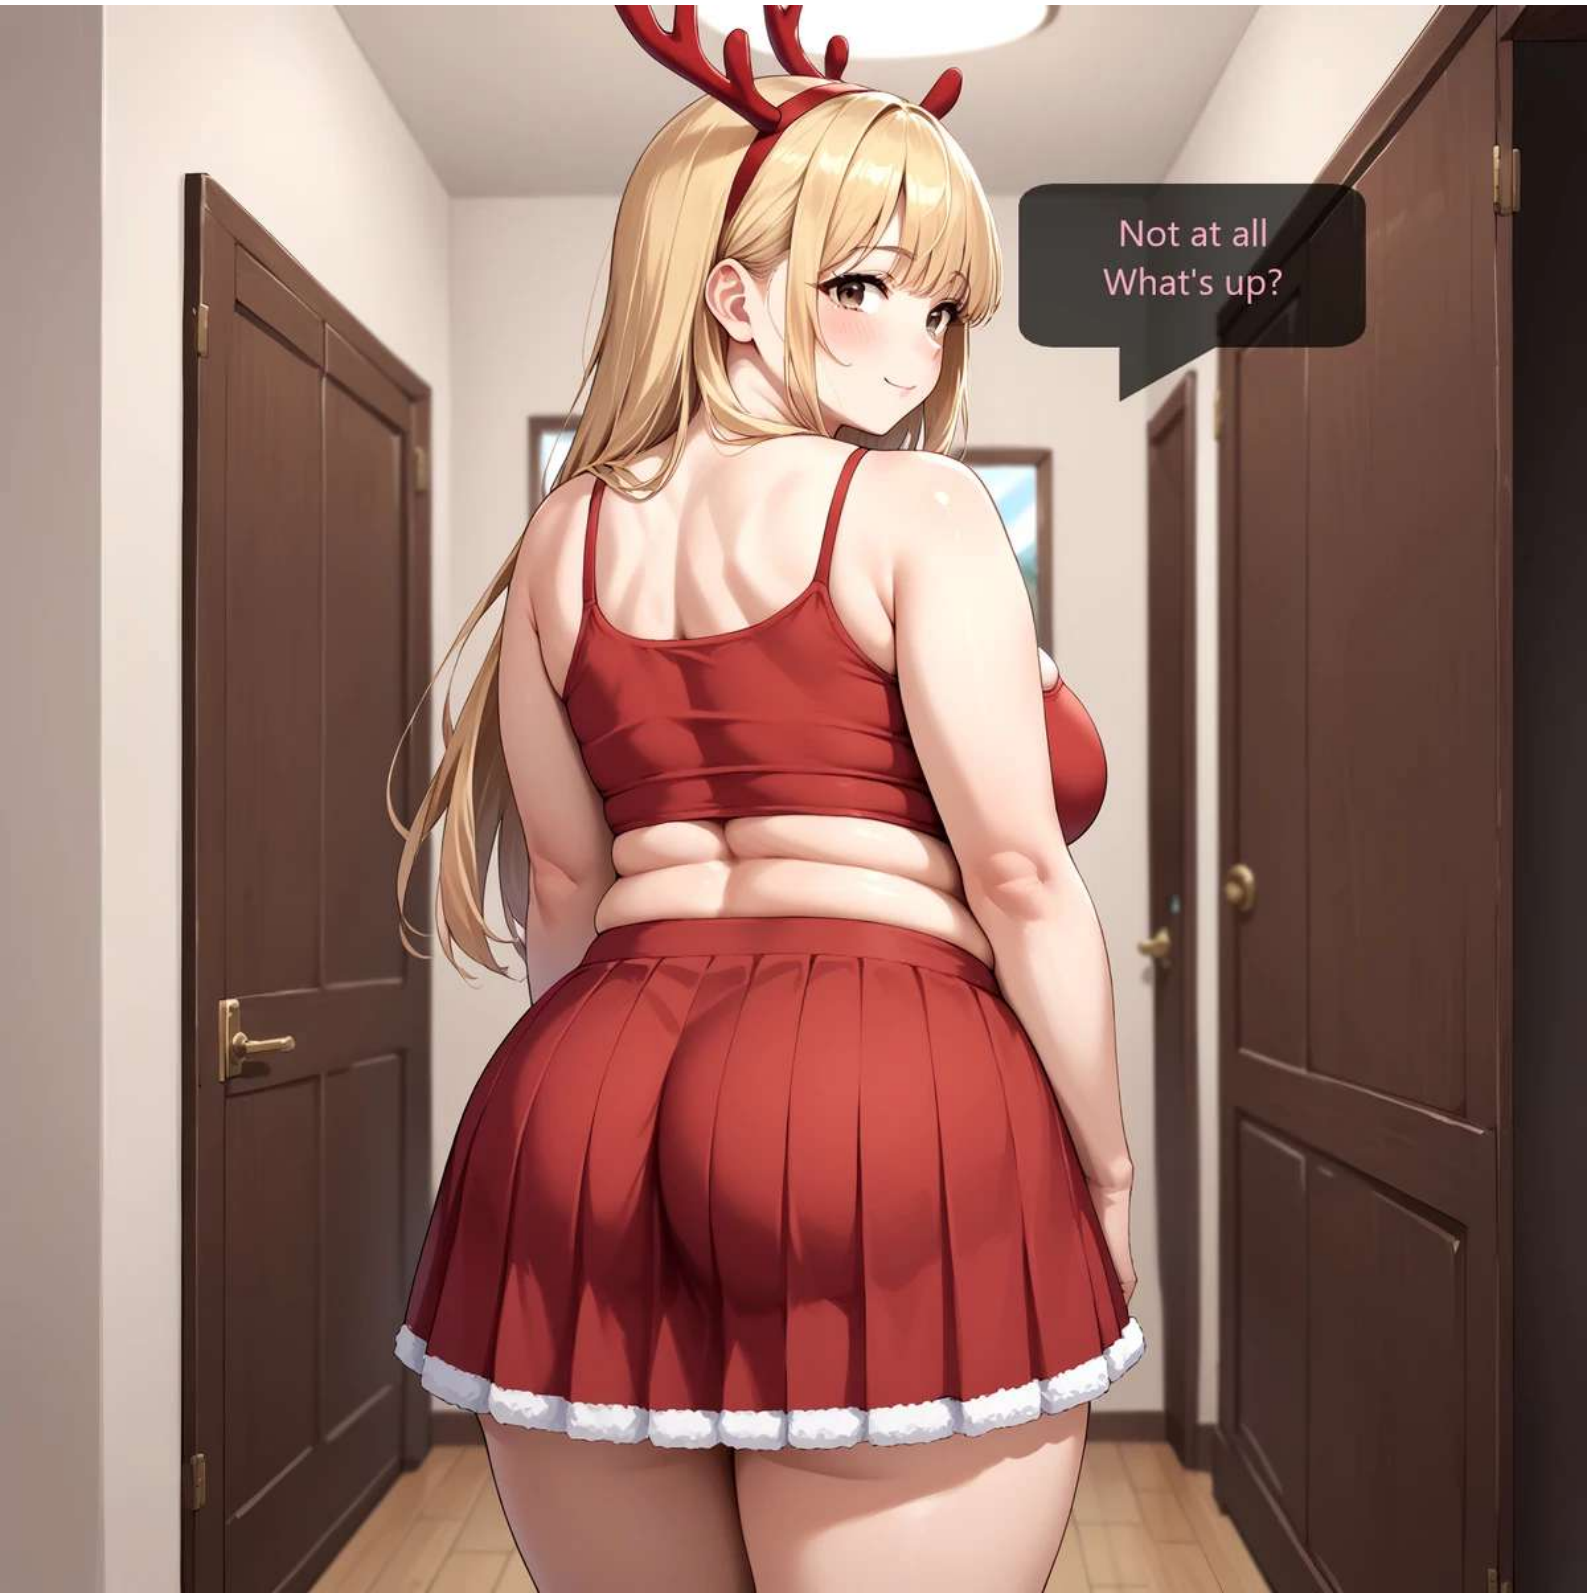

A young man with brown hair and a black beanie stands in a hallway. He is wearing a tan jacket over a black turtleneck and blue jeans. He has a neutral expression. The hallway has wooden floors and brown doors on either side. There are four speech bubbles around him, each containing text.

~She reminds me of
that fitness model I
follow on
Instagram~

~What was her
name again?
Come on think~

~Now I've got it,
her name is
Sam Jackson~

Hey Sam, do you
mind me ask
a question?

Not at all
What's up?

Could it be that your last name was Jackson before you married my mom?

'Cause you remind me of
that fitness model, even
though you seem a bit
thicker than her, no
offense

So it is you!
I knew I saw
that face before

huuuh!

Eh-ehm yeah, I-I... that
was ma-my last name
before

How the hell did my mom, of all people, get you marry her?

I-I guess I did gain some we-we-weight since your mom and I got your little sister
~this is so embarrassing~

Alright

It's complicated, I think it's best you ask her yourself, she's in the kitchen, down the hall to the left

~What did she mean by saying, her and mom got the child, I thought they went for adoption~

Hey mom, I'm home for Christmas

I'm so glad you could
make it honey,
dinner will be ready
in 15

my

**HOLY SHIT!!!
Who the fuck
are you ?**

THOMAS ANDREW DOE!
I thought I taught you better, watch your language young man

Wa-Wait, what!
Is that really you mom, since when...?

Of course it's me or did you take me for Saint Nicholas

Why are you so huge...
IS THAT A DICK?!

LANGUAGE!

s-so-sorry

NOW, how about this
You'll help Sam prepare our
table and I explain
everything during dinner

Ok...

ahem

Yes ma'am

Mom, if it's alright with you
I'd like to know how in the
world you changed so much
since the last time I saw you
That is certainly not normal

Oh yeah, do tell
You never explained it in
full depth to me either

Ehm, alright
I guess it's only fair
to explain it all...

**~She goes on to
explain that the
Pills she took
changed her,
due to her
genetics~**

... in the end I saw no reason to see a doctor about all this, since I never felt better in my whole life and even though my body is male, I still feel feminine

All this is because you took some weird pills I-I mean, if you feel good in your skin, great, but to be honest, I think it's gonna take me sometime to adjust

~This might actually be it, maybe that stuff could help me regain my sexy shape
When I was pregnant, I didn't much care for the baby fat, but seeing Tom point me out, what if others were to see me in this state, I can forget my career with a body like this~

huh?
Yeah babe

Everything ok honey ?

So, let me get this straight
You got so buff and grew the
penis because of your
genetic setup, meaning this is
normally not the case with
that stuff right ?

As far as I know,
that is correct
honey

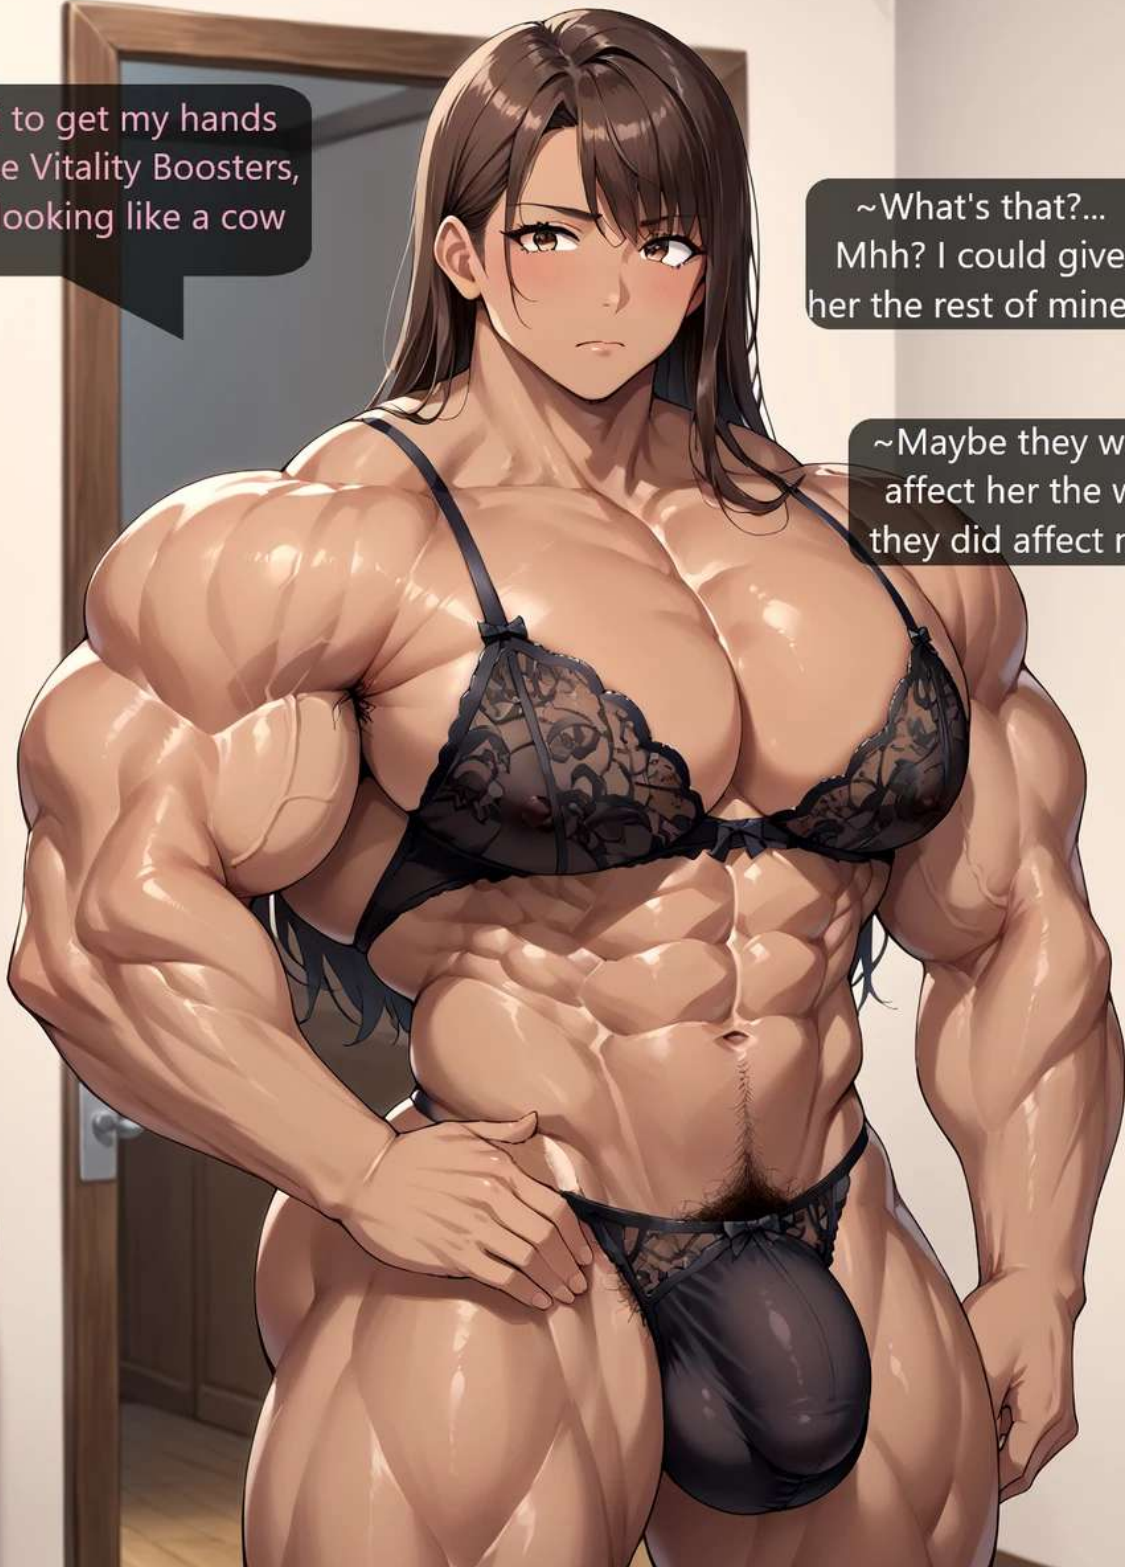

I really want that stuff, I don't like being fat

I need to get my hands on those Vitality Boosters, I hate looking like a cow

~What's that?...
Mhh? I could give her the rest of mine~

~Maybe they won't affect her the way they did affect me~

I know what I am gonna do, I'll ask babe, where she got hers from

To Sam
