NEW YEAR NEW ME

MADE BY
DANNISTD

Day 1

I can't believe you already have plans for New Year's, and I'm left out. This is absurd, Amelia!
Nikolas, it's not my fault you didn't make any plans. You had plenty of time to figure something out.

Day 1

You know very well why I don't have plans. I cut ties with my friends because of you! And now? I'm completely alone!
Seriously? You know they all had a problem with you, saying you manipulate me and that I spend all my time with you. If I hadn't done it, it would've been endless fights.
I didn't ask you to do that, Nikolas. You made that decision on your own. I never told you to give up anyone.
And what am I supposed to do now? Give up my friends for you?

Day 1

I'm not asking you to give up anyone, Amelia! But at least include me in your plans. I don't want to spend New Year's Eve alone!
A tradition? And what am I supposed to do? Sit and watch the clock until midnight?
Nikolas, I already told you. The girls don't allow guys at our party. It's a tradition!
Maybe you should find a solution on your own, Nikolas. It's not my job to fix your problems.

Day 1

You know very well I won't be able to find anything, even if it's still early. Everyone already has their plans set. I'd do anything to come with you! Just try to talk to your friends and convince them to let me join!
You said anything? Alright, then I'll talk to them, and we'll see what we can do about this. *giggle*

Day 1

I don't know what I would do if I don't spend New Year's with her. I love her too much, and she's too good for me. I have to be there with her for sure. Maybe it's just a lie to stop me from coming just to cheat on me with another, better man!

Day 1

I think he fell asleep.
I need to prepare what I need
for tomorrow morning.
He doesn't realize
what he's gotten
himself into.

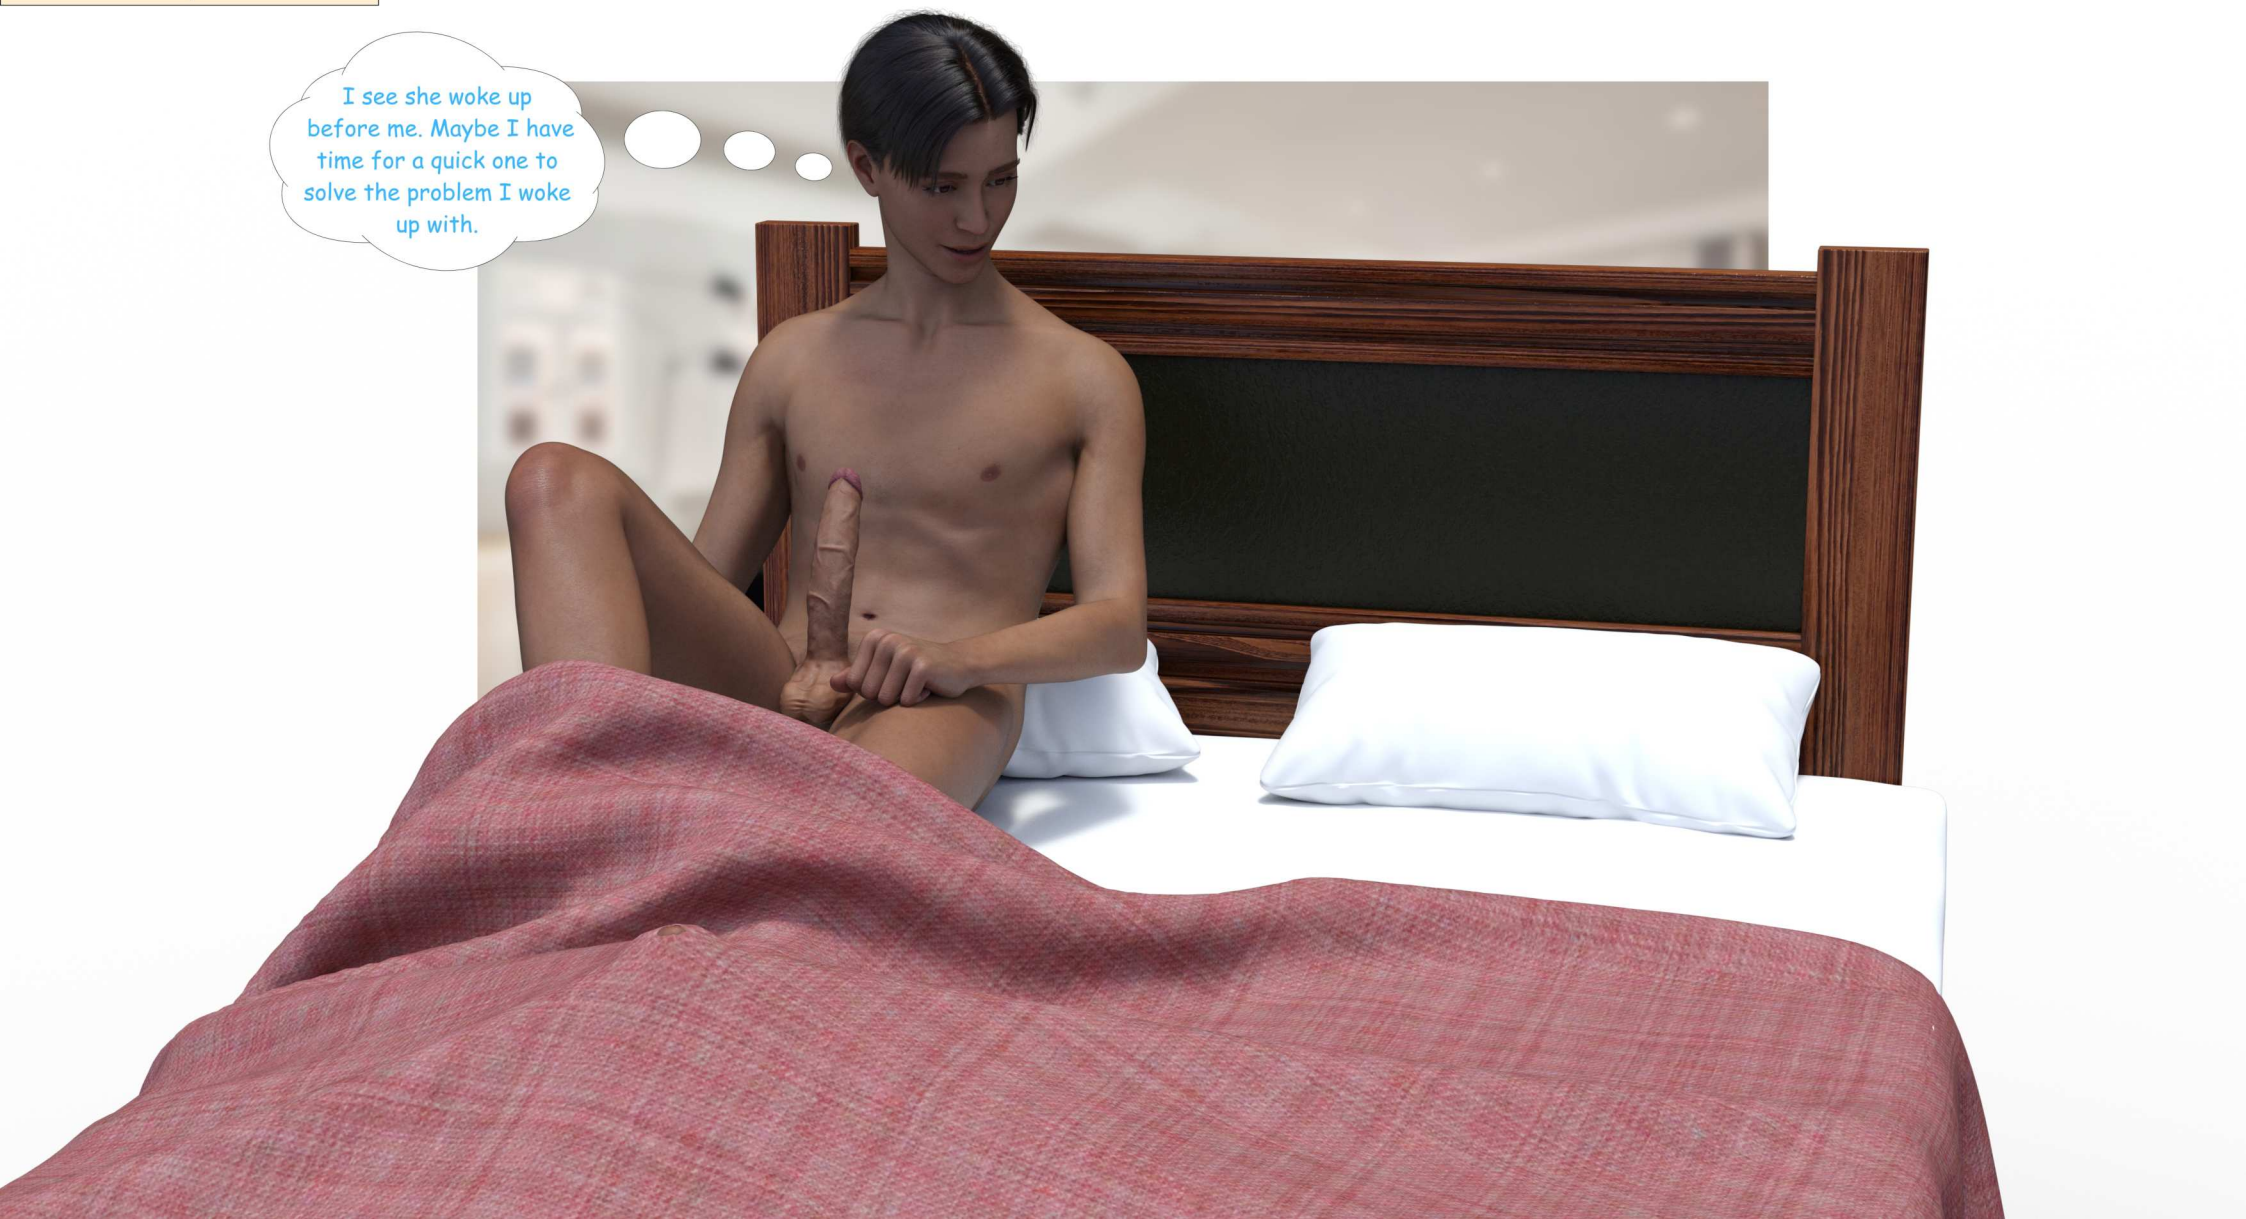

Day 1

I wanted to break up with him sooner, but now that this opportunity has come up, I don't want to miss the chance to have a little fun. He's too much of a fool for me!

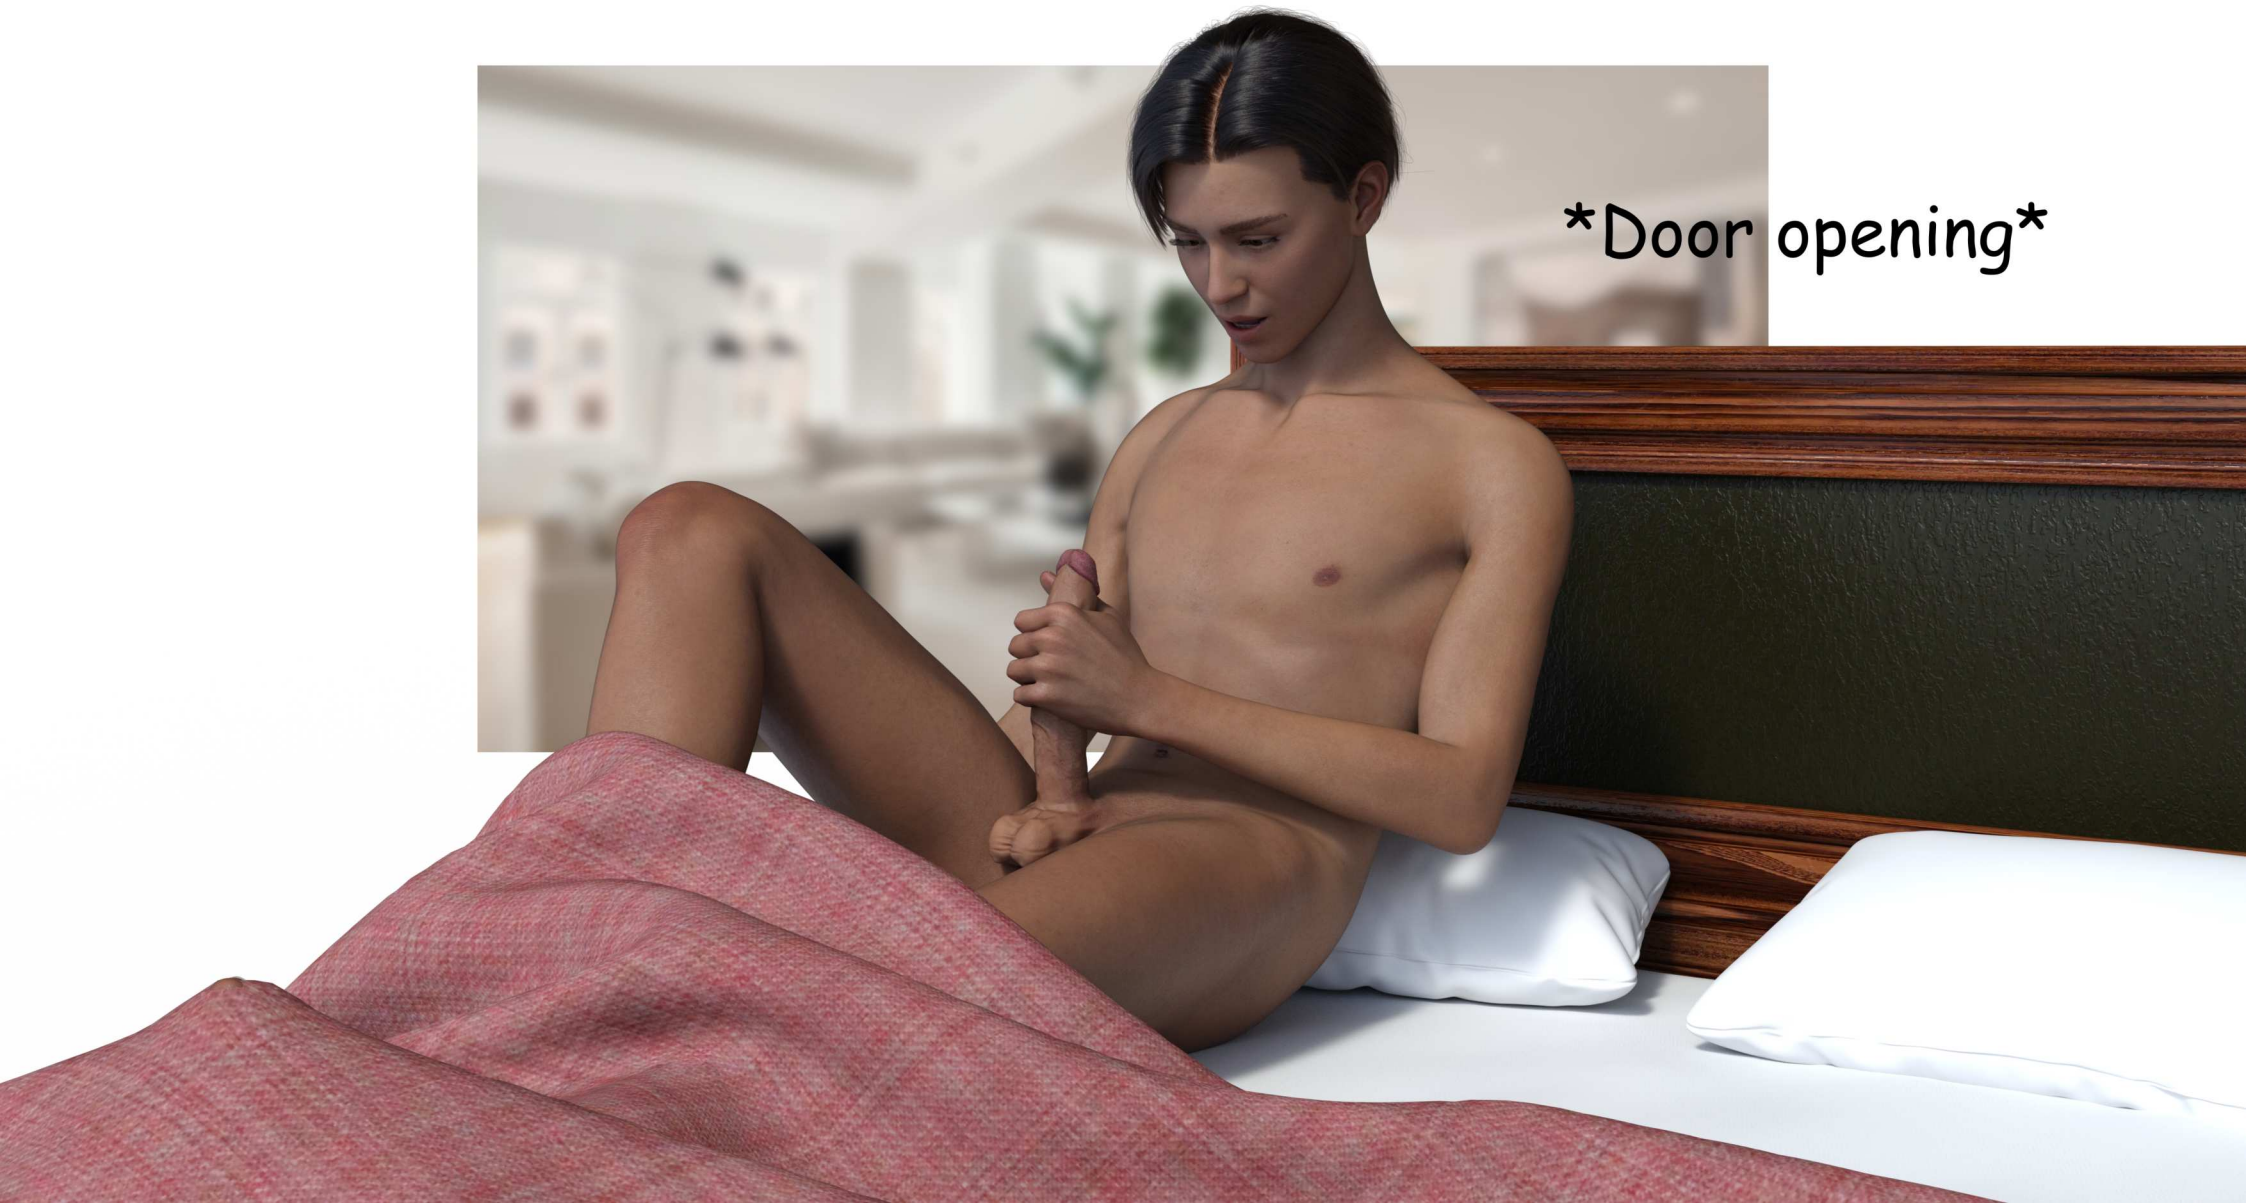

Day 2

I slept so well, especially the dream with Amelia was wonderful. I even forgot when the last time was we did it, but I believe her that she's not feeling well.

Day 2

I see she woke up before me. Maybe I have time for a quick one to solve the problem I woke up with.

Day 2

Day 2

What are you doing, Nikolas? I see you woke up in a good mood. *giggle*

Day 2

It's not what it looks like; I just wanted to get rid of this boner so it doesn't make you feel uncomfortable when you see me.
Just stop that and come to the bathroom to help me with something. If you do what I say, I promise I'll help you get rid of that boner.

Day 2

Is that all? Do I need to take a bath?
It's not just that, you fool. Get in the bathtub and bring the other things, make sure your skin softens well.

Day 2

This water is so fragrant, I think she mixed up the lotions that I put in the water with hers. I'll smell like her afterward.

Day 2

But I have no reason to complain, I'm glad she prepared this relaxing bath for me. Who knows what surprise she has in store, maybe she'll come dressed in lingerie like in my dream!

Day 2

Stop wasting time and wash your whole body, you need to get rid of that dry skin of yours.
Oh, sorry babe, I didn't realize.

Day 2

And now? What else needs to be done? Can we move on to what you suggested?
Not so fast, we still have a lot to do! Sit on the edge of the bathtub and close your eyes.

Day 2

Perfect, now let's see what shade would suit you well! You're going to look so cute!!
I don't understand what she means by shade, but I'm sure she knows better what she's doing.

Day 2

Babe, what is this on my lips? It feels really weird!
Relax, it's just a little lipstick, don't panic, it suits you perfectly!

Day 2

LIPSTICK????
Why did you put lipstick on my lips?? Take it off quickly!
What do you mean you're doing this for me? Just give me something to wipe it off!
Why are you so upset? I'm doing this to help you, and you're being so ungrateful!
I've found a solution for you to come with me to the New Year's party. I thought that if you dress up as a woman, you won't be an uncomfortable presence for my friends. I'm sorry, but I don't think there's any other option!

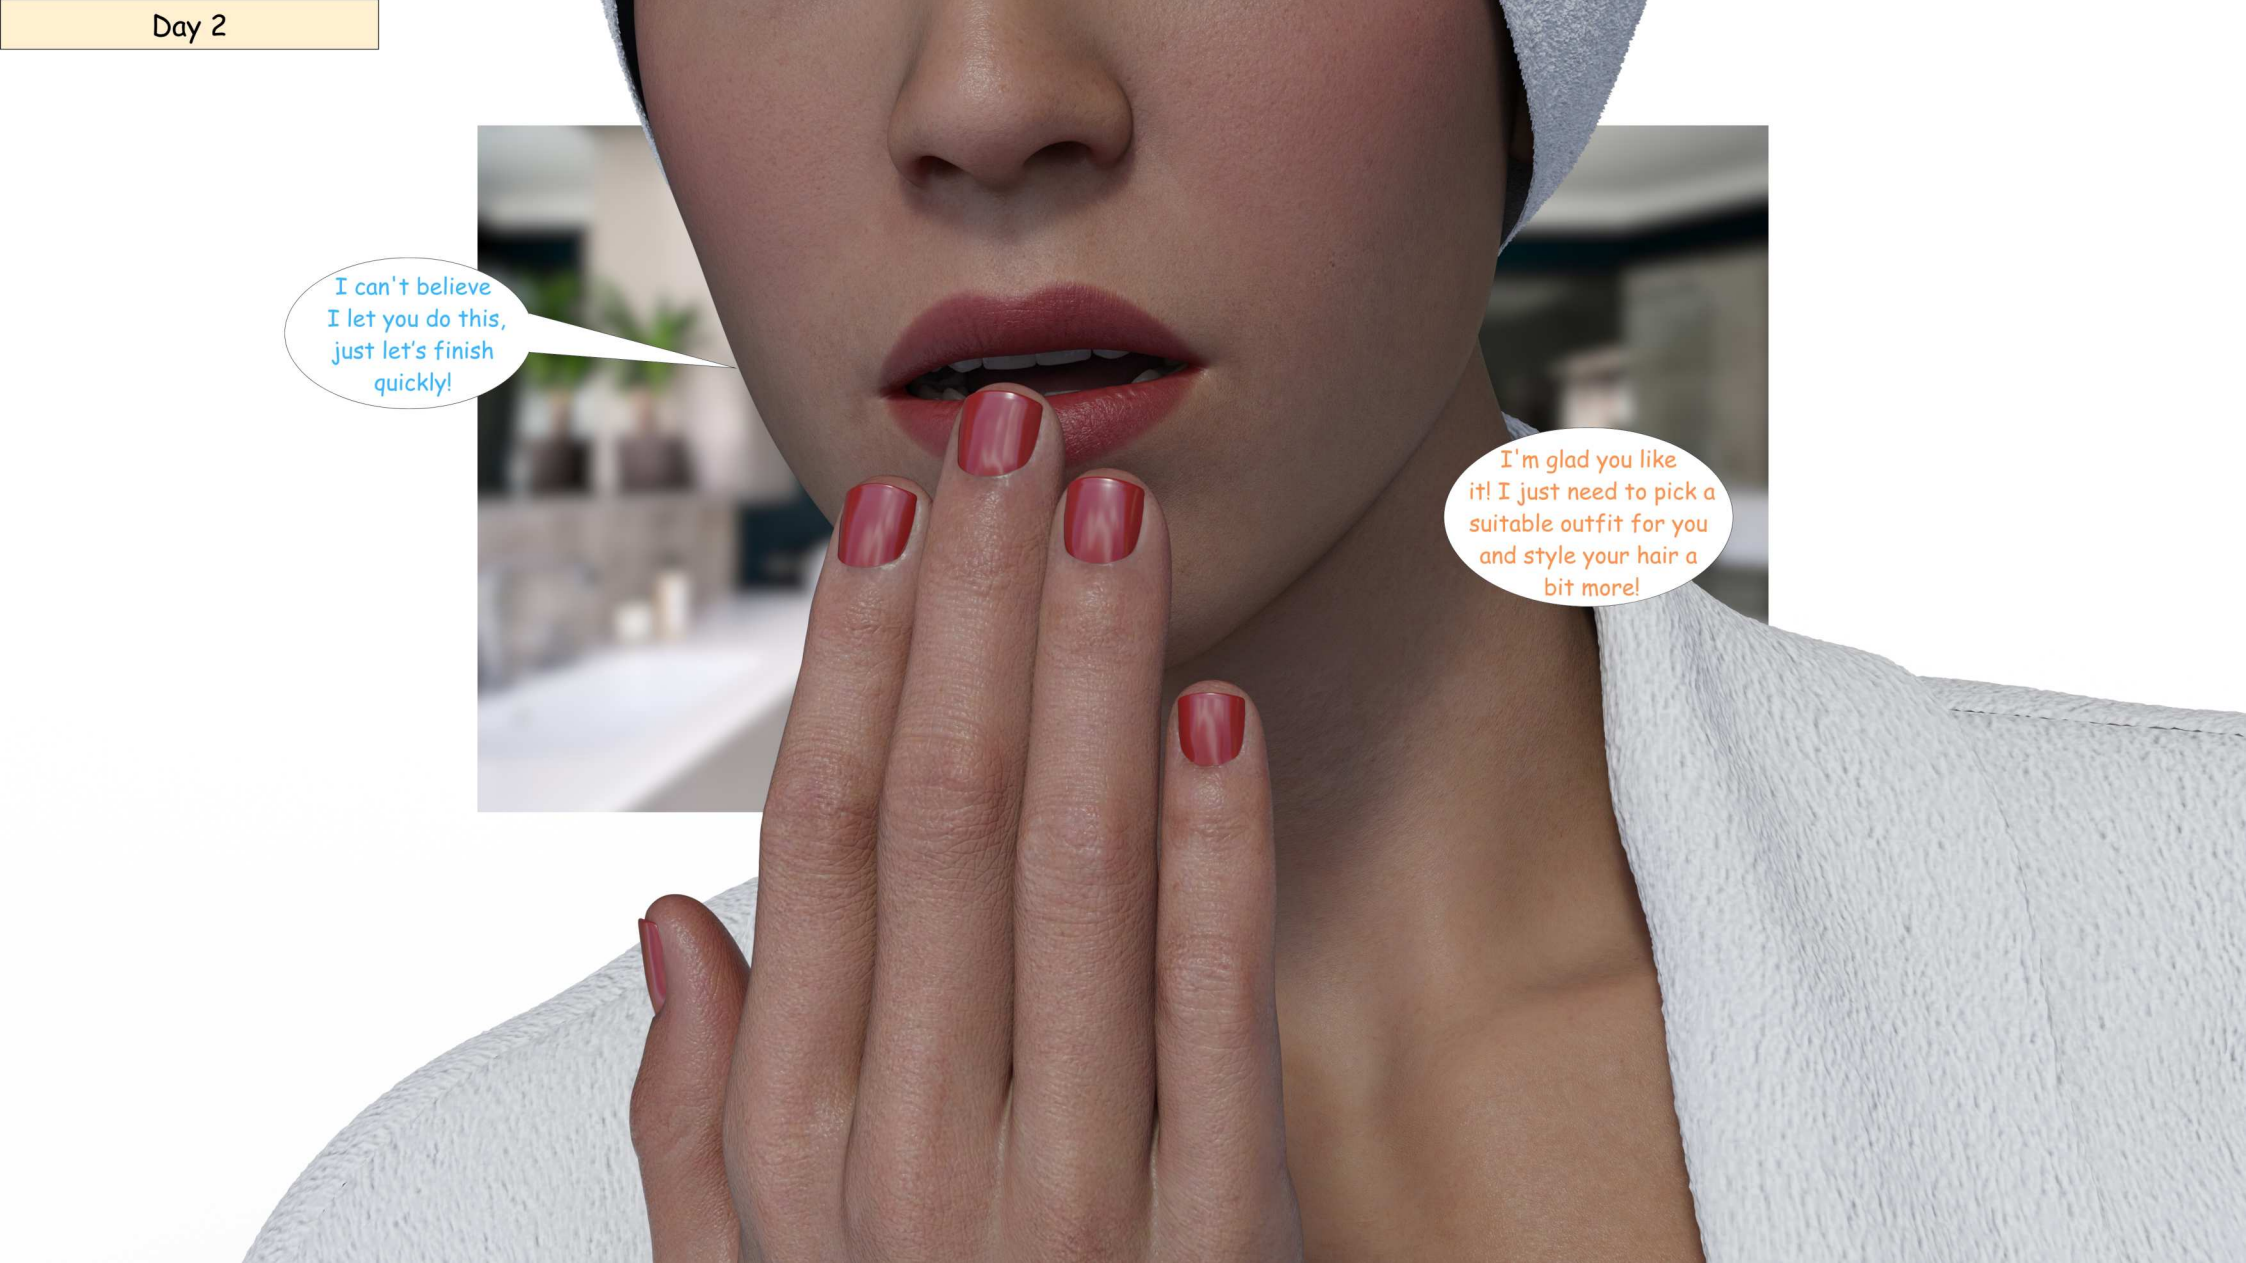

Day 2

This is impossible, I'm never going to dress up as a woman for the New Year's party!
You promised you'd help me with what I need, don't forget what I proposed! At least let me dress you up now to see if you look decent as a woman!

Day 2

Okay, let's try it, but if I don't look convincing enough, it's not my fault!
Relax, I've prepared everything we need, you're going to look perfect!

Day 2

I can't believe I let you do this, just let's finish quickly!
I'm glad you like it! I just need to pick a suitable outfit for you and style your hair a bit more!

Day 2

Don't you think it's too much? This corset is squeezing me really tightly, take it off quickly!
What??? For the rest of the day??
If you want to fool someone into thinking you're a woman, we have to take drastic measures!
Let me fix your hair and finish the outfit you'll be wearing for the rest of the day.
Yes, it's necessary.
You just need to get used to the clothes, I'm sure it will be very easy for you, you just want to be rewarded in the end!

Day 2

Why do I have to wear heels? Not only do I almost fall, but my feet hurt so much!
You need to look your best, and besides, you don't expect to wear sneakers to the New Year's party, do you?

Day 2

And yet, these pants, even though they're long, make me feel very exposed, they're too tight on my body.
I said, since you love seeing me wear them, I'll offer you a taste of your own medicine.

Day 2

I think it's already too much, I can barely recognize myself anymore!
Which means you can come with me to the party, you look really good babe, but w e'll need to work more on your appearance. You know very well that my friends are very beautiful, and you'll attract attention. Luckily, we still have enough time!

Day 2

I don't know what to say about this, but if this is the only solution to accompany you to the party, it means I have no choice. I have to admit, I do look very feminine with my hair like this.
And for what I promised you, you will get tonight after you spend the whole day dressed like this, I don't want you to trick me.

Day 2

Later That Day

Day 2
No way, you need to get used to wearing heels like these. Maybe tomorrow we can try something taller if you don't follow through.
My feet are going to hurt so much!

Day 2

If you keep complaining, I might send you to do the shopping dressed like that!
Sorry... I promise I won't take them off.

Day 2

I can't believe how much I can compromise for our relationship. I just hope Amelia appreciates the effort I'm putting in and loves me.

Day 2

I haven't even started the day properly and I already feel so tired. Maybe I'll take a quick nap until Amelia gets back from shopping!

Day 2
20 Minutes Later
Has she already come back? It feels like she just left, she came back so quickly!
doorbell ringing

Day 2
doorbell ringing
doorbell ringing
I understand she might have a lot of shopping and needs my help, but why is she insisting so much with the doorbell? I can barely move in these heels, let alone carry shopping bags!

Day 2

I don't understand why she doesn't unlock the door herself, I think her hands are full with shopping.
doorbell ringing

Day 2
Good afternoon, I'm the plumber. I spoke on the phone with someone named Nikolas about a problem with the pipes in the kitchen. Did I get the right address?
Oh crap, I completely forgot the plumber was supposed to come today. How do I explain the situation I'm in? He might think I'm just a sissy if I explain.
I look more like a woman than a man right now. It would be easier to pretend I'm a woman and avoid this whole embarrassing situation.

Day 2

Uh...., yes... You can come inside to fix them. Nikolas isn't home right now, but yes, this is the right address. I totally forgot you were coming today!
Uh... sure, come with me.
I'll get to work right away, miss! Just show me where the pipes are leaking.

Day 2
Uhh... my name is... Alexia.
Thanks. I'll get started right away, and if I need anything, I'll call for you. By the way, may I ask your name, miss?
Wow, a name as beautiful as you are, Alexia!

Day 2
Oh no... he's flirting with me. What do I do? I need to keep pretending. Just keep it together, Nikolas. Just stay calm.
Uh, thank you... I just... felt like trying something different today.
You know, I've been doing this job for years, but I can't say I've ever met someone quite like you. You look... really striking today.

Day 2

Well, you definitely pulled it off. You look amazing. I bet every guy compliments you!
He's getting too close. I need to keep him focused on the job. I can't keep up this act much longer, but I have to.
Thanks... really, but, uh, let's focus on the pipes, okay? I'm sure Nikolas will appreciate it when he comes back.

Day 2
I feel so vulnerable, it's like I can't do anything!
Even though your chest is so small, you have a really nice ass! I'm sure Nikolas wouldn't mind since he isn't home!

Day 2
I can't get him away from me; this is too much!
Just let me kiss and then I promise I will take care of the pipes.

Day 2
What's going on here! What is this man doing in our apartment?
Thank God you finally got home! You saved me from this awkward situation, I was starting to panic!
Uhh... Alexia was just showing me where the pipes are that I need to work on, and we both got carried away...

Day 2
Alexia?? And why are you speaking like that??
She told me Nikolas was away for a bit, but I didn't expect another beautiful girl to appear!
Come to the bedroom right now, we need to talk privately!
Amelia, wait, I can explain everything...

Day 2

I was only gone for half an hour and you're already trying to cheat on me? And what about the fact that Nikolas isn't home and your name is Alexia?
What do you mean, cheating? This is another man, I would never do such a thing, and the story about Alexia was just to get out of an awkward situation!

Day 2
What have I gotten myself into? Amelia doesn't believe me that it was just a mistake! I don't understand how she could think I'd cheat on her, especially with another man. I didn't expect her to be this jealous!

Day 2

Later That Day

Day 2

There's no point in being upset now, I know how much you've been waiting for this moment. Just relax, I'll take care of everything!

Day 2

I love the fact that Amelia is not shy like me. I can see that she also likes being more dominant. I think that all this dressing up will help our relationship!

Day 2

I can't even imagine that this is really happening, I don't even know when the last time was.
Keep the heels on, babe; you are so hot like this.

Day 2

Day 2
moan
moan
I can't hold on much longer! I feel like I'm going to explode!

Day 2
Huh? Are you already done? We've started like 2 minutes ago.
Sorry, babe, it's been so long since the last time.

Day 2

No problem, babe.
I told you I have a surprise for you. I went especially today to buy it for you, but I didn't think I would use it so soon!
What surprise do you have for me? You haven't given me a gift in a long time!

Day 2

Since Alexia had so much fun today with the plumber, I thought maybe you should prepare for such a moment, so you need to get used to this until you have a real man all for yourself.
I've explained before, it was just a simple misunderstanding, and the plumber tried to hit on me!

Day 2

I hope you don't want to put that in me?!
Don't worry, if you don't do it, you can say goodbye to the New Year's party. And on top of that, don't complain, you're lucky I didn't get you a bigger one!

Tomorrow, you need to wake up early, we have a lot to do. I hope you've learned your lesson for what you did today!

Day 3

Is this really necessary? I know you want to punish me for yesterday, but I can't even walk in these heels!

Day 3

And this nightie feels kinda nice to my skin but is too short, it barely covers my ass.
You're just complaining, Alexia. Don't forget what I told you about your voice. You were lucky yesterday that the plumber didn't figure out who you really are. It would be better if you start talking like a girl from now on.

Day 3

I've told you before that it's very hard for me to speak like this for a long time!
Because of this, you'll practise from now on. And since you don't like the clothes I share with you, today we'll go shopping to get your own clothes. But first, you need to put on make-up.

Day 3

At least I'll be able to buy something that's not so tight on my body. I'm going to sit down so you can do my makeup.
I hope you're joking. I'll only go back to my normal life after New Year's, I don't need to learn how to do my makeup.
Don't get any ideas, because I'll still pick out your clothes, just that now they'll be yours. Well, maybe I'll borrow them if I like them. And as for the makeup... you'll have to learn to do it yourself, so you'll start today!
Then, if you don't want to learn, you'll go out like this outside, so everyone can see that you're just a man crossdressing.

Day 3

I've got everything ready for you on the table, good luck!
I can't believe I have to learn how to do my makeup. I know I made a mistake, but this is just too much!

Day 3

I'm hoping it's good enough. My hand is shaking a little, but I think I managed!

Day 3

What the hell are you doing? If you think you can go out of the house like this, you're crazy. You started directly with the lipstick and put it on crooked. You're not leaving here until your makeup is perfect!
What do you mean it's not good? I really struggled a lot for this!

Day 3

4 Hours Later

Day 3

Finally, you're done! I've got a dress for you to put on, and then we're ready to leave!
I never thought I'd be this happy that I did my makeup! It took way too long.

Day 3

I see you're really happy that your makeup turned out well. I knew you liked this from the start, you don't need to hide it anymore.
It's just that I'm done with this nonsense. I absolutely hate all these stupid things, but I'm doing it for you!

Day 3

This dress is too short, how do you expect me to go out like this?! Better give me a pair of pants or a longer dress!
I told you, until you buy your own clothes, you're not allowed to comment on how I dress you!

Day 3

What do I do if the wind blows my dress and everybody sees my bulge underneath?
If I were you, I would be more concerned about people seeing that thing in your ass

Day 3

The store is full of people, but no one is looking at me strangely. Only a few men looked, but not because they suspected anything!

Day 3

Alexia, I found a few clothes. I can't wait for you to try them on. I'm sure you're going to love them!
I can assure you they're perfect for you!
I just hope they're not too uncomfortable or too revealing.

Day 3

Even though it's a skirt, at least it's longer than the dress you gave me.
I can't wait for you to see what I've got for you next!

Day 3

Every girl needs lingerie like this for special moments. Who knows when you'll need it, maybe the plumber will visit us again! *giggle*
Very funny... I knew I spoke too soon when I said you got me decent clothes!

Day 3

And such a cute dress for a night date, it looks so good on you!
I can't lie, it fits like a glove, but that's the problem, it's too tight on my body!

Day 3

Finally, something that's not so flashy! These leggings are actually really comfortable, even the sneakers are comfy. She didn't get me heels this time!

Day 3

Finally, something that's not so flashy! These leggings are actually really comfortable, even the sneakers are comfy. She didn't get me heels this time!
At least this time, you got me some more normal clothes.
Oops, I forgot to tell you, but these are for me. I thought, since I was at the mall, I might as well buy some clothes for myself. Sorry, but they're not yours!

Day 3

I didn't know what else to expect. Just hurry up and get home, I can't take it anymore!
Only after I bring you a few more clothes to try on!

Day 3

Later That Day

Day 3

This pill, you need to take it every evening before bed!
They're vitamins that will help with your progress, it's nothing serious. And before you go to bed, don't forget to take off your makeup!
What does it do exactly?

Day 17
Two Weeks Later
It's only been two weeks since I started taking those vitamins, and I already feel different... my body has changed. It feels like I'm not myself anymore. I've put on some weight, but... surprisingly, I feel pretty good about it. I don't look as skinny anymore. Yet, it's strange... my skin is much smoother than before.

Day 17
I know it's weird, but I've gotten used to this thing in my ass. There are still moments when I feel a jolt running through my body when I move, but it kinda feels good, it's not as strange as it was in the beginning.

Day 17
But why is my chest so soft and... fluffy? Are these vitamins really just vitamins? Something doesn't feel right here...

Day 17

Maybe I'm worrying too much. Amelia knows what she's doing, right? I should trust her.

Day 17

I've become pretty good at putting make-up. Though I know it's not exactly normal for a guy... But does that even matter anymore?

Day 17

Wow, darling, you look amazing! Those vitamins really did wonders for you.
Oh, honey, it's perfectly normal. Your body is adapting wonderfully. There's absolutely nothing to worry about.
Yeah, I'm happy that I finally managed to gain some weight. But... I don't know, something doesn't feel quite right. It feels like I've got too much fat in certain areas. You know... around my chest and butt... Is that normal?
If you say so, then I guess it's fine...

Day 17

By the way, we need to pay a visit to the salon. Your hair has grown quite a bit, and I think it's time for a new look. Besides, a little change will remind you who's taking care of you and knows what's best for you, don't you think? It'll be fun!
Salon? No, Amelia... I don't want to go there. I don't think it's necessary.
Come on, Alexia, don't overreact. It'll be fine, I promise you'll enjoy it. You'll see how beautiful you'll look once the girls are done with you. Go get dressed, I'll be waiting for you.

Day 17

Day 17

Don't you think this skirt is too short? Plus, it's pretty cold outside.
Nonsense, it would be a shame not to show off those beautiful legs of yours.

Day 17

I don't know, Amelia... What if people stare or say something?
Let them stare, darling. It'll just prove how stunning you are. Trust me.

Day 17
Amelia, this salon seems huge... Are you sure this isn't too much for just a new haircut?
Relax, sweetheart. Trust me, you'll love the results. It'll be perfect.

Day 17
You already look gorgeous! Once I'm done, you're going to look absolutely stunning!
Thank you... I guess.

Day 17
They suit you perfectly. So delicate!
They feel... strange. But... nice, I suppose.

Day 17

Now, don't worry, I'll just inject a little filler into your lips and cheeks to enhance your natural beauty. You're going to love it, I promise.

Day 17
They complement your new look wonderfully. Amelia will be thrilled!

Day 17
Amelia, we're all done here! Come and see Alexia, she looks fabulous!
Can I thee the mirror pleath?
Ugh, my face feels so numb... I can't even speak normally. How long is this going to last?

Day 17
Oh my goodness, Alexia! You look breathtaking!
It's more than good, darling. It's perfect. Go ahead, take a look in the mirror, you're going to love the new you.
Do you really like it, Amelia? Is it... good?

Day 17
Is this really me? I almost can't recognize myself... I look... beautiful. It's incredible.
You truly do! I'm so proud of how wonderfully you've transformed. This look suits you perfectly, Alexia.

Day 17

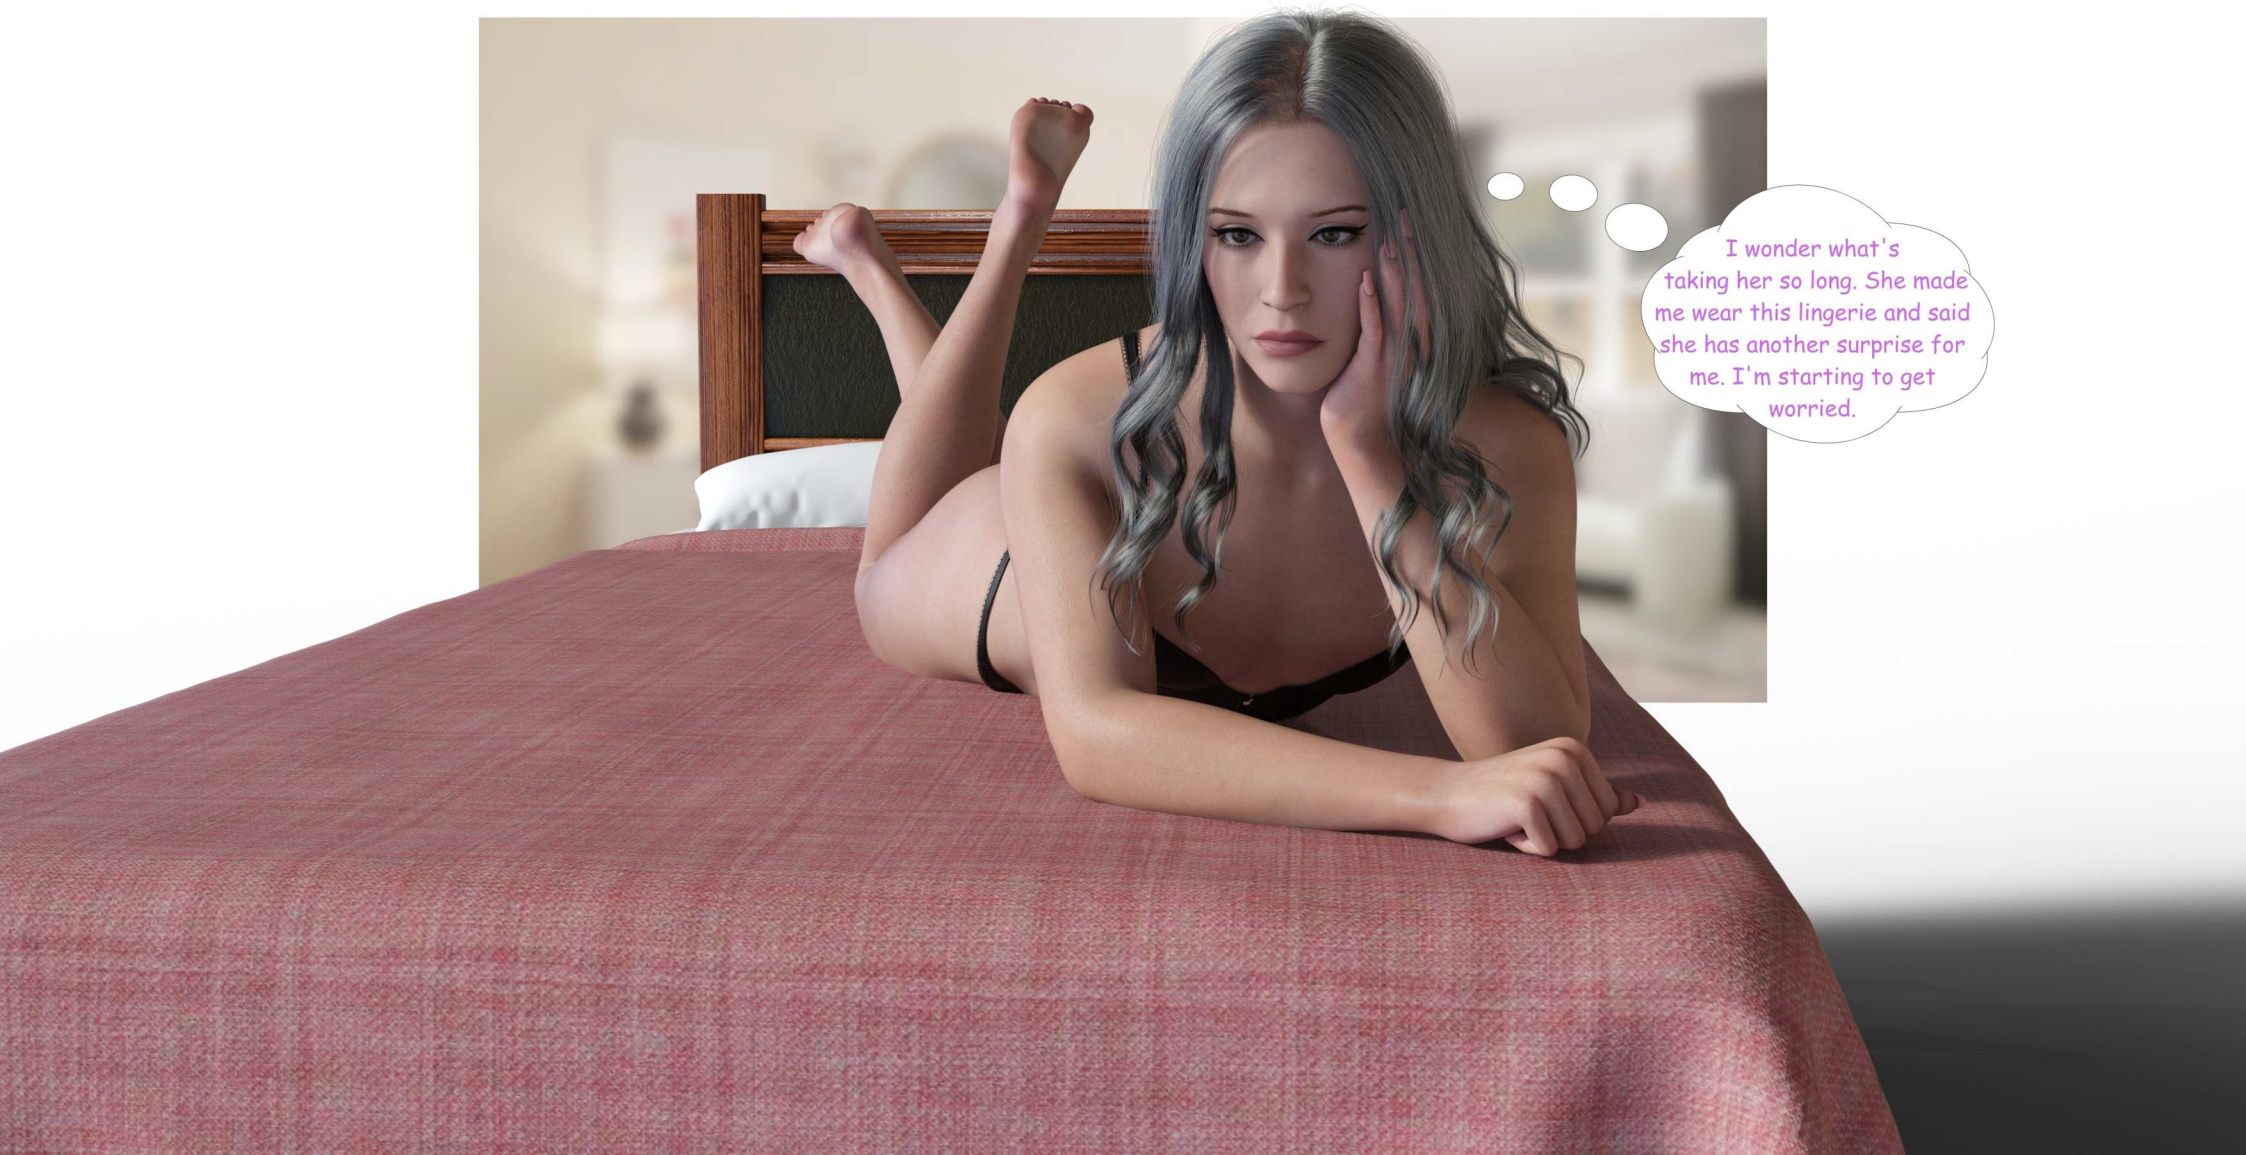

You didn't tell me we were going this far, Amelia. Facial injections? Isn't this a bit much?
I just wanted to please you... I knew you'd be upset if I refused any of the procedures.
If you really didn't like how things were going, why didn't you speak up to the beautician earlier? You could've stopped her anytime.

Day 17

You know... After all this, Amelia, I think I deserve a special night with you, don't you think?
Since you've been such a good girl, I will make this night special for sure! You're going to love it.

Day 17

Later That Day

Day 17

Do you like what you see?
What the hell Amelia, what is that thing??

Day 17

I don't know what to say... I don't think I'm ready for something like this...
I was thinking you've had that thing inside you long enough; I think it's time we moved on to some real action! *giggle*

Day 17

Nonsense, I hear you every morning enjoying the pleasure that butt plug gives you when you put it inside. I'm sure the thought of experiencing something real has crossed your mind before. Now's your chance to try it, so turn around!
I just... you must've heard something else...

Day 17

Don't worry, babe, I'll make sure you won't forget this moment. I promised you it would be something special.
Please, just take it slow with me!

Day 17

Relax, there's no need to cry, if you stay tense, I'm sure it'll hurt even more!
I can't believe I'm crying. I'm sure those vitamins are messing with my mind, especially now that I'm crying in front of my girlfriend. It makes me feel even more vulnerable.

Day 17

I'm inside, breathe slowly, babe, I know you can handle it.
It hurts so mu bad, I feel like it's tearing me apart!!

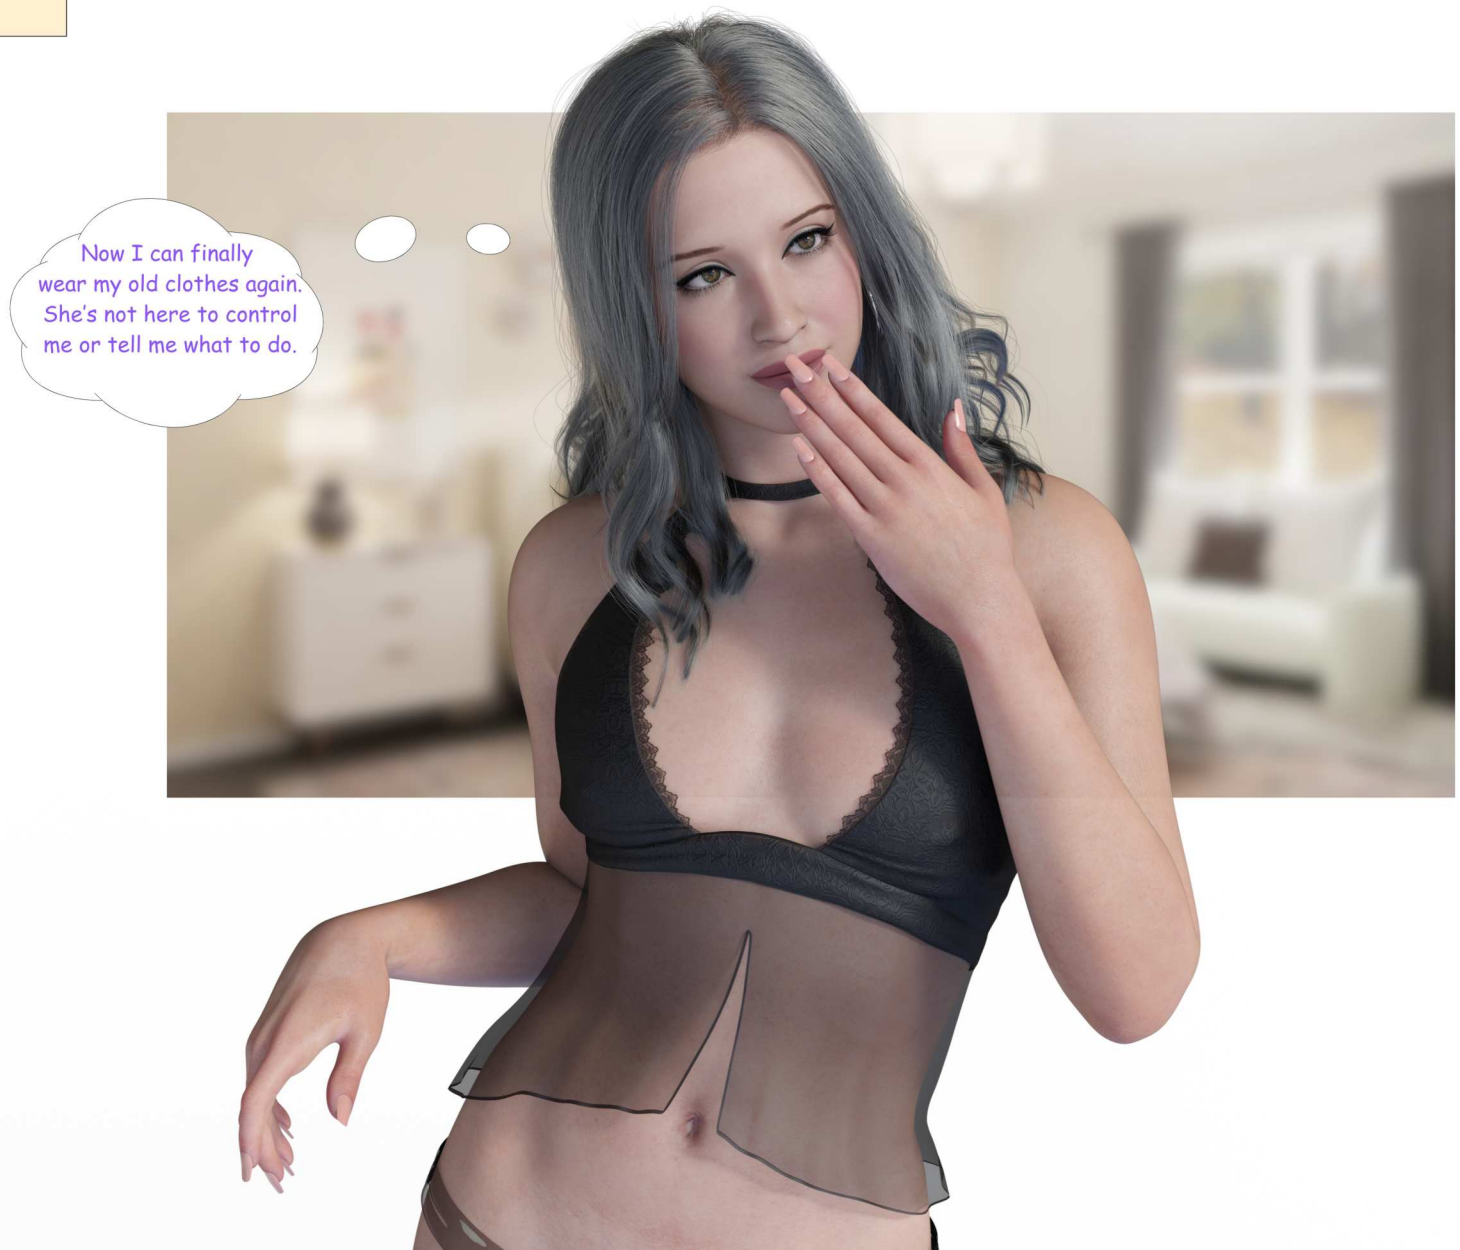

Day 17
But it's starting to feel kinda good, actually!

Day 24

One Week Later

Day 24

Now I can finally wear my old clothes again. She's not here to control me or tell me what to do.

Day 24
What the... Where did all my stuff go?

Day 24

Where are my old clothes? She couldn't have gotten rid of them... Could she?

Day 24
So she hid them all the way back here... Trying to keep them out of my reach? Well, too bad. Finally! I can wear these again. No more dresses, no more of her nonsense.

Day 24

Why do they feel so... uncomfortable? It's like my skin's changed. Everything feels so harsh.

Day 24

Have I gotten so used to this... that I don't even notice it anymore? Am I really losing myself? My masculinity... it's slipping away, and I didn't even realize.

Day 24

Have I really changed this much? It's like... I'm wearing someone else's clothes, not my own. What the hell happened to me?

Day 24

30 Minutes Later

Day 24

I hate to admit it… but these feel better. Softer. Easier to wear. Maybe… maybe I should just stick with them.

Day 24

I just hope these clothes don't attract too much attention... They make my hips and butt look... bigger. But I don't have much of a choice. Anything else I have is even worse.

Day 24
I should just stick to the diet... Amelia would be furious if she knew I was even thinking about eating junk food. I can't disappoint her, not after everything.

Day 24

Uh... I... I'm... Alexia, Thank you for... for picking that up. I must have looked so stupid.
Nice to meet you, Alexia. And don't worry about Bob. He's just an idiot who doesn't know when to shut up.

Day 24

You're... really kind, Most people... wouldn't have been so nice.
Hey, listen... I feel bad about what happened. How about I make it up to you? Maybe buy you a coffee sometime?. I mean, as an apology for my idiot coworker, of course.

Day 24

Um... Sure, I'd like that.
Thank you... Matthew.
Great! Here, let's exchange numbers. Just in case you change your mind or something.
Anytime, Alexia!

Day 24

Finally… home, What a crazy day… but… I made it, But… Matthew was kind. Really kind, No one's treated me like that in… I don't even know how long.

Day 24

If I do this... does it mean. I'm losing even more of myself? Or... or is this who I'm meant to be?
Maybe... maybe it's okay to just... try. Even if it's just once.

Day 24

Why… why does this feel so exciting? It's like… I'm finally free to do what I want. To feel what I want.

Day 30

Day 30
Missed me? Really? Because from what I'm seeing, you've been way too comfortable while I was gone. You didn't even bother to put on your makeup yet.
Hi... Welcome back, Amelia! I missed you...
N-no, I swear, I followed everything you told me... every single day...

Day 30

I didn't get the chance to do my makeup... I wasn't expecting you to come back this early. I barely managed to clean up the apartment before you got here.
I really missed you, Amelia... It felt strange being here without you.
I did everything you said. I stuck to the diet, the schedule, the training... I didn't miss anything!
Strange? Or guilty?
You better be telling the truth. Every little slip leaves marks, Alexia. And believe me, I'll notice them all

Day 30

Since you talking about leaving marks, I'm starting to notice that the pills are having a... strong effect. Are you sure all these changes can be reversed after the New Year's party?
I'm sure everything is reversible. But... if you could show me exactly what you're referring to?

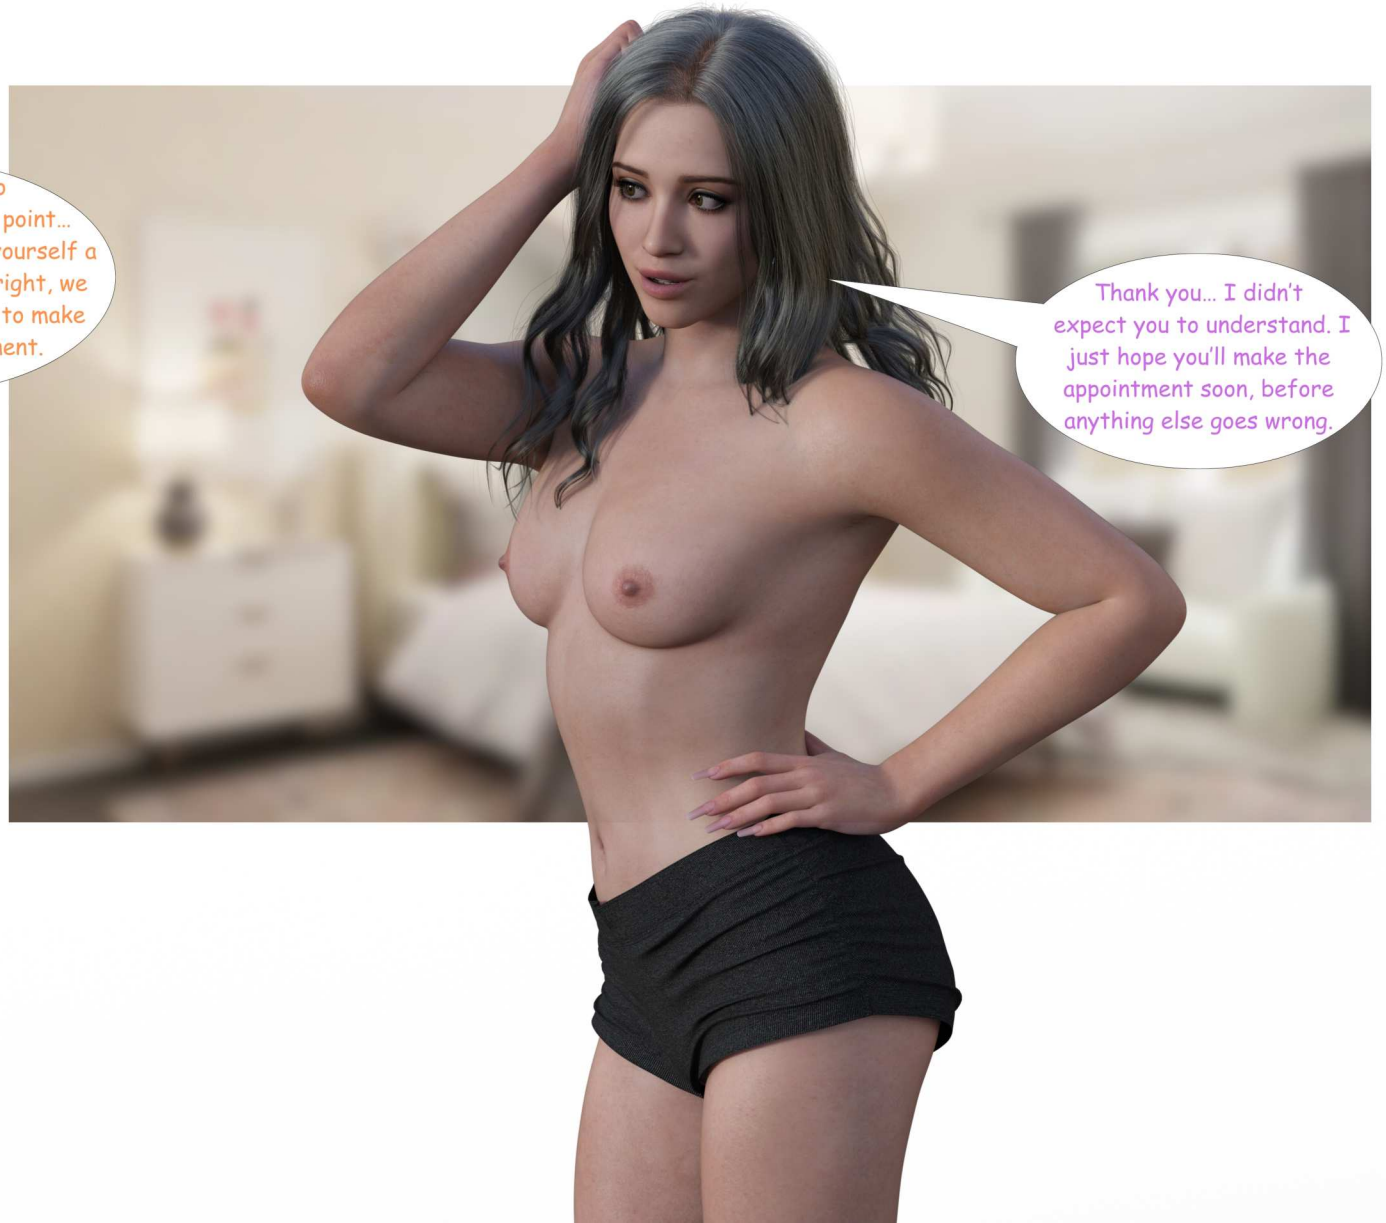

Day 30

OMG!!! they're so pretty! I didn't realize they'd gotten this big... *giggle*

Day 30

They're already huge for a man! I've started getting back pain because of them... I don't even want to imagine what it would be like if they got any bigger!
This isn't funny. Look how much they've grown in just a month! I just hope I can get rid of them as soon as possible...
I'm sorry, Alexia... but just think how good they look. Imagine if they got even bigger, you'd look absolutely stunning!

Day 30

Alexia, you need to understand that at this point... you can't really consider yourself a man anymore. But you're right, we should see a doctor, just to make sure this isn't permanent.
Thank you... I didn't expect you to understand. I just hope you'll make the appointment soon, before anything else goes wrong.

Day 30

I'm still a bit sleepy... I'll go do my makeup for the day so I don't fall back asleep. I'll let you unpack your things and if you need me, I'll be in the bathroom!
He really has changed so much... I didn't expect those pills to have such a strong effect on him. All I see now is a really beautiful girl. I'm almost jealous of how good he looks!

Day 30

God, why do I always pack so much? And now I have to fit all this into that tiny closet... again.

Day 30
Hmm. These weren't here before. He swore he'd keep everything in place... Looks like someone's been snooping where they shouldn't.

Day 30
I gave him clear instructions. Simple. Foolproof. And yet, he still found a way to disappoint me. Unbelievable.

Day 30
The moment he steps out of that bathroom... he's in trouble. He has no idea how badly he's messed up this time.

Hello? Alexia's a little busy right now. This is her best friend speaking. Can I help you?

Day 30

Meanwhile, in the bathroom

Day 30

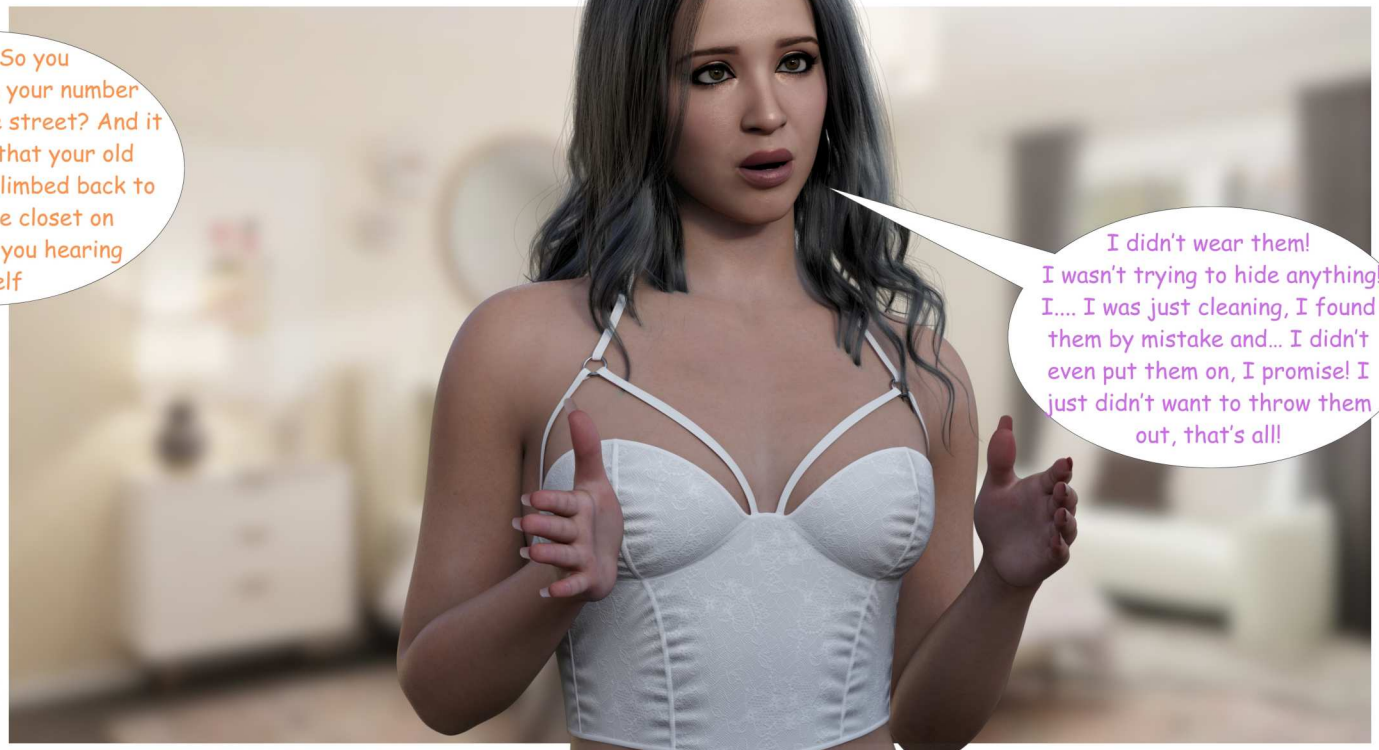

Okay… this outfit fits perfectly. Almost too perfectly. Getting dressed as a girl is so much harder than it ever was as a guy… But the result? It's… kind of amazing.
Amelia's definitely going to notice… I really tried this time. The makeup, the outfit, everything. She has to appreciate how much effort I put in… right?

Day 30
No... Please no... That's my phone... Who is she talking to?!
Yes, she'll be thrilled to see you too. I'll make sure she's ready.

Day 30

So... while I was gone, you've been busy. Really busy, apparently. Giving out your number, answering strange calls... You've been hiding quite a lot, haven't you?
I-it's not like that! I didn't mean to—Amelia, I swear! It's not what you think!

Day 30

Oh really? So you accidentally gave your number to some guy on the street? And it just so happens that your old clothes somehow climbed back to the front of the closet on their own? Are you hearing yourself
I didn't wear them! I wasn't trying to hide anything! I.... I was just cleaning, I found them by mistake and... I didn't even put them on, I promise! I just didn't want to throw them out, that's all!

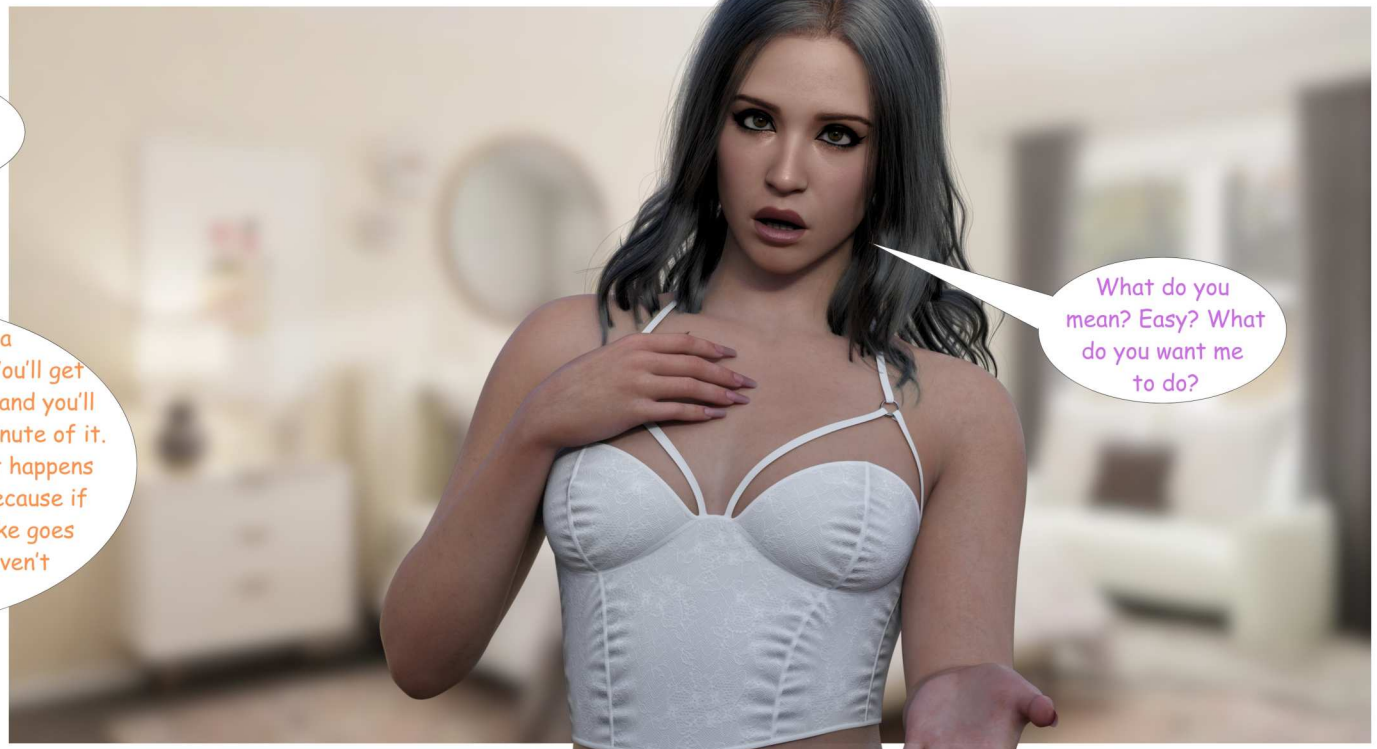

Day 30

Cleaning, huh? And what about Matthew? Was that also part of your cleaning routine? Maybe dusting him off while giving him your number? Tell me, Alexia... how many more of these little 'accidents' do I need to hear about before I stop believing they're accidental?

It wasn't like that! He wouldn't stop talking to me and I panicked.... I gave him the number just so he'd leave me alone! I didn't want anything from him, I didn't even think he'd actually call!

Day 30

Good. Then this should be easy for you.
You're going to go on a date with him. A real one. You'll get dressed, you'll act the part, and you'll make sure he enjoys every minute of it. Maybe then you'll learn what happens when you break my rules. Because if you think this little mistake goes unpunished, you really haven't learned anything.
What do you mean? Easy? What do you want me to do?

Day 31

Day 31

Relax, babe. You look freaking gorgeous. He's gonna fall flat when he sees you!
That's what I'm worried about.

Day 31

God, how did I end up here? Lip gloss, heels... If the old me... if Nikolas... were looking in this mirror right now, he wouldn't even recognize himself. He'd just see a... a beautiful girl. Shit. Breathe. It's just one dinner. Smile, nod, and survive.

Day 31

It's strange... how natural this all looks now. Like I was meant to fit into this image. But I wasn't. I know I wasn't. And still... when I look at her, I don't see someone pretending. I just see... her.
Doorbell rings
Doorbell rings
That's him. Showtime, princess!

Day 31

Wow... Look at you. You're absolutely stunning. That dress, that look, everything fits you perfectly. I knew you'd turn heads tonight, but this? You're on a whole other level.
Thanks... You look pretty good yourself.
Oh God. Compliments already? Keep it cool. Smile.

Day 31

A Ferrari? Really? Either he's trying way too hard... or he thinks this is a goddamn movie. No way this is his. It's definitely rented, just another trick to impress someone he barely knows.
Yeah, sounds good.....
So, I was thinking we grab some food. I'm starving, haven't eaten all day. And besides... I'd really like to get to know you better while we eat.

Day 31
Jesus. I used to dream about racing cars, feeling the engine, gripping the wheel, being the one in control. Not squeezing into them like some prom queen, hoping I don't wrinkle my dress and now everything feels upside down. This isn't me. Or at least... it wasn't.

Day 31
Oh God... he just put his hand on my leg. Say something. Say anything. But my throat won't move. Why am I frozen? I should stop him... I should pull away. But I can't.
Relax, Alexia. Make yourself comfortable. No need to be so tense...

Day 31

OFP 857
Calm down, Alexia.
Just get through dinner.
Smile. Laugh. Pretend.
You're almost there.

Day 31
Of course he picks somewhere flashy. Probably thinks he's gonna impress me into bed. Hate to break it to you, Matt... This is a one-time thing.

Day 31

You seem... a little tense. Nervous? Tell you what, why don't we order something? Talking's always easier over food. Maybe once we start, you'll feel a little closer to me.
Everything feels too formal... too exposed. I don't know where to rest my hands. I can feel him looking at me.

Day 31

You look like you could use a drink! I always say... a good glass of champagne fixes just about any bad mood.
Of course... champagne. Classic move. He probably thinks if he keeps my glass full, I'll be easier to impress... or easier to take advantage of. Good luck with that, Matthew. It's going to take a lot more than a few glasses of champagne to get me drunk!

You... you didn't have to spend so much tonight. This place must be really expensive...
And... thank you again. For helping me back then... in the street.
Hey, don't worry about it. I wanted tonight to be special. You deserve it.

Day 31

t's nothing, really. Anyone would've helped… But between us, I'm not just a simple construction worker. I own the company. That day I was just checking the site myself.
I didn't know you were that successful… That's… really impressive. And the fact that you still work side by side with your employees? That says a lot about you.
He's not what I expected at all. I thought he was just charming… but there's more to him. A lot more.

Day 31

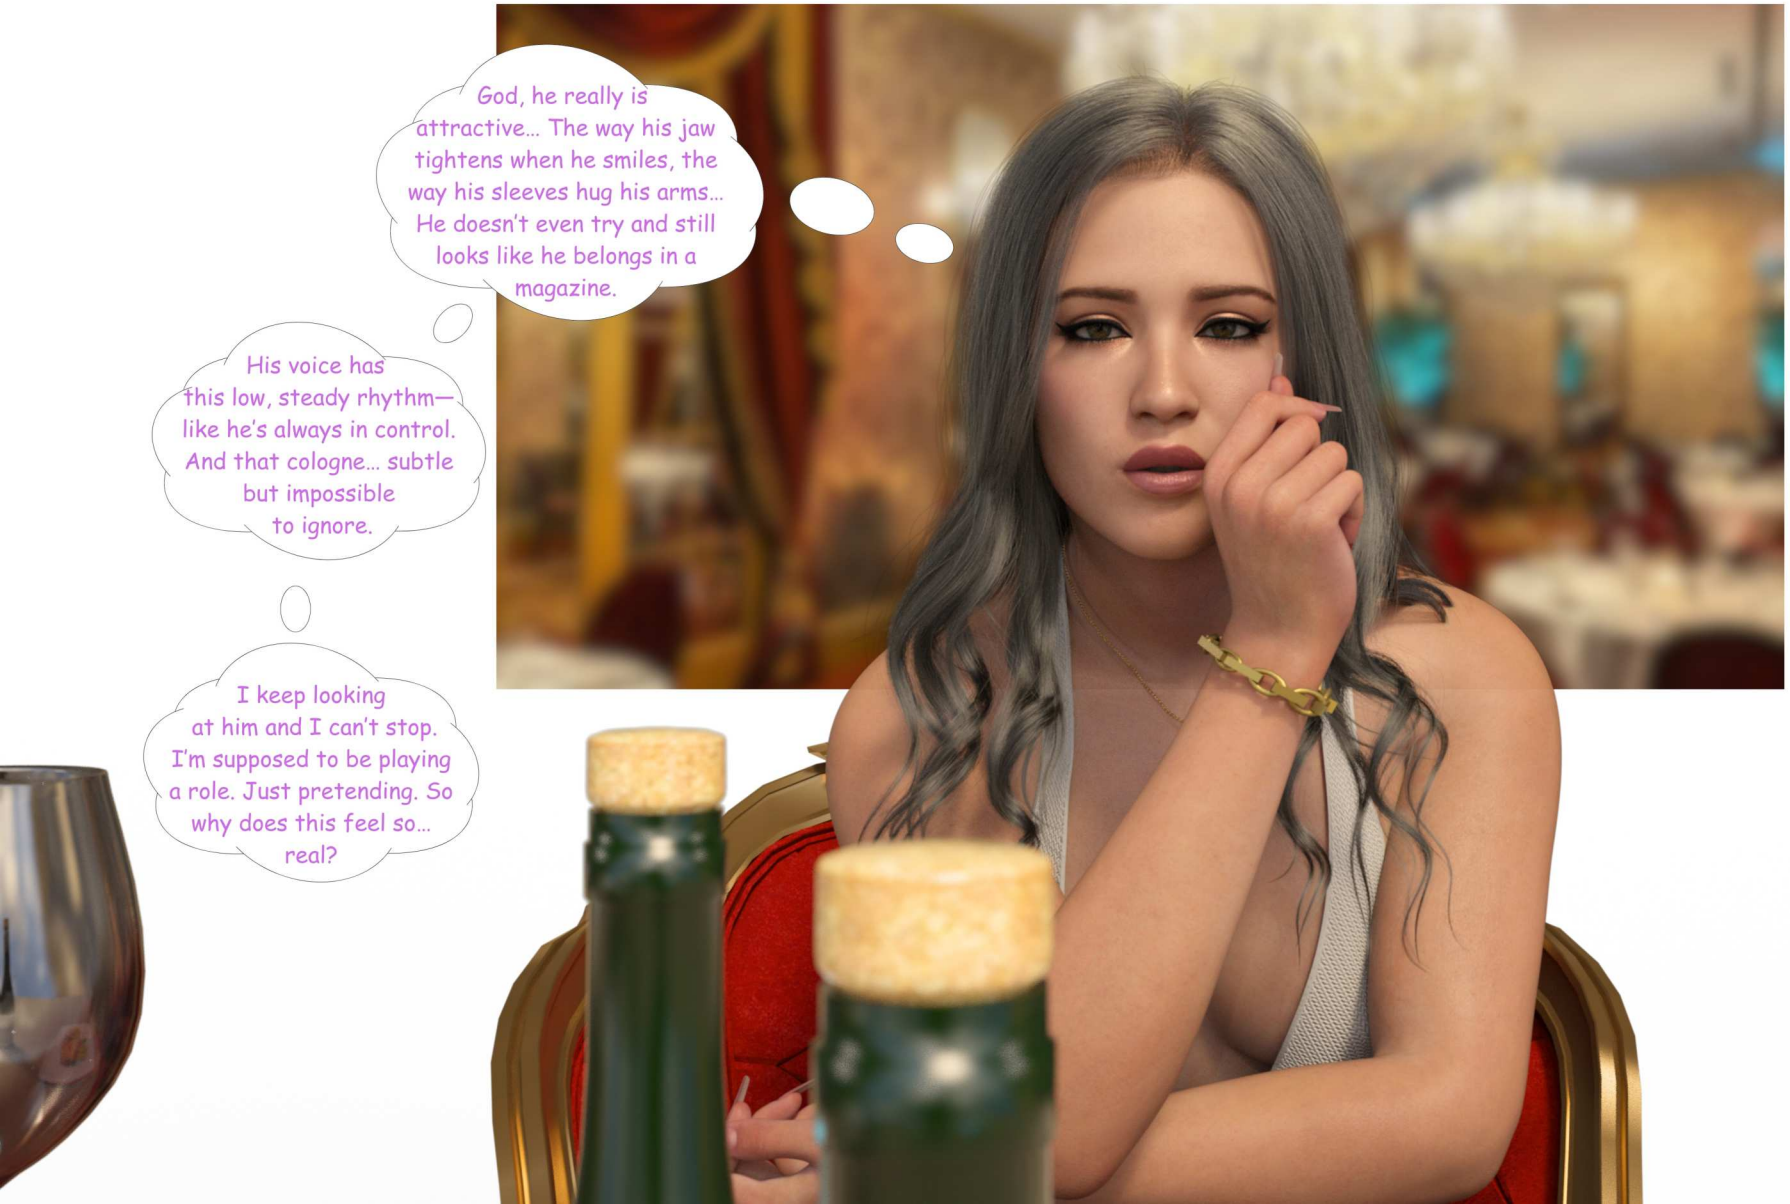

One Hour Later

Day 31

Look at him… confident, successful, respected. Everything he says, everything he does—it carries weight. He owns who he is.
And me? I was never that kind of man. Not even close. I could've worked a hundred jobs, pushed myself every day… and still, I wouldn't have come close to being someone like him.
It's not just the suit, the car, the company. It's something in him I never had. And maybe… I never will.

Day 31

God, he really is attractive... The way his jaw tightens when he smiles, the way his sleeves hug his arms... He doesn't even try and still looks like he belongs in a magazine.
His voice has this low, steady rhythm— like he's always in control. And that cologne... subtle but impossible to ignore.
I keep looking at him and I can't stop. I'm supposed to be playing a role. Just pretending. So why does this feel so... real?

Day 31

If you keep looking at me like that, Alexia... I might start getting the wrong idea.
Shit. I wasn't even aware I was staring. I should say something—laugh it off, deny it... but my mouth won't move. Why does it feel like he can see right through me?

Day 31

I-I'm sorry... I didn't mean to stare. I guess I've had more wine than I thought, and... I'm not used to this kind of attention. It's a little overwhelming.
Oh, it showed. The way you were looking at me? I could see every little thought running through your head.

Day 31

I think you've had a bit more than usual tonight. I'd rather not take any chances. Come on—let me take you home. I don't want anything bad happening to you.
It's not... I'm not what you think. This whole night—it's just... not really me.

Day 31

These heels are killing me... Who thought five-inch stilettos were a good idea for a dinner? I can barely feel my legs. Or maybe that's the wine. Probably the wine. Definitely the wine.

Day 31

Are you sure you're okay to drive? You drank too... I don't want you getting in trouble because of me.
Relax. I know what I'm doing. When you know the right people... legal trouble just doesn't happen.

Day 31
100
Finally... home.
I thought this day would never end.I don't know how I made it through dinner without breaking down.

Day 31
Thank you... for bringing me home safe. I know I wasn't exactly easy company tonight.
You were just fine. Believe me—I've had worse. Besides, I don't mind taking care of someone who's worth the effort.

Day 31
I had a really good time tonight... I mean it. You really know how to treat a woman right.
Thank you. But you're not just a woman, Alexia... you're a special one.

Day 31
He's going to kiss me.
I should pull away. I should stop this before it goes too far. But I can't.
My chest feels warm. My legs are trembling. And between my thighs...
I feel that awful, undeniable heat.
It's wrong. It's all wrong. But I want it. I want him.

Day 31
So... screw it.
And maybe it's a mistake. Maybe I'll hate myself for it. But I'd hate it even more if I walked away and never knew.
I had to test this. While it's real. While he's here.

Day 31
I can't lie... this feels better than I expected. Way better. I've never had a kiss like this before. I thought I'd pull back the second our lips touched, that it would feel wrong, disgusting even. But it doesn't. It feels... right.
And the worst part? I don't want to stop. I want more.

Day 31
I stopped it just in time. Not because I didn't like it. God, I liked it more than I should've. More than I've ever liked anything as Nikolas.
But this life—this body, this image—it's not mine. I can't give in to it. If I fall too deep into Alexia... how do I ever go back to being Nikolas? I can't lose who I really am. I just can't.
100
That wasn't the last time. Not even close. She left her purse in the car. Whether she did it on purpose or not... she's going to have to see me again. And when she does... she won't pull away so easily.

Day 31

What the hell did I just do?
I kissed him. I actually kissed him… like I meant it. Like I wanted it.
God, what's wrong with me? This isn't who I am. I'm not her. That wasn't me—no. It was the wine. Too much wine, too many mixed signals, too much pretending.
Yeah… that's all it was. Just alcohol and a really good liar inside this dress.

Day 31

You're back late. I wasn't expecting you to stay out this long... So? What happened? What kept you?
I-It's nothing, really! We just went to eat somewhere, that's all! I didn't think you'd still be up... I-I thought you'd be asleep by now.

Day 31
Are you sure... nothing else happened? Nothing you're not telling me?
I-It's nothing, No. Nothing important... at least nothing I can remember.

Day 32

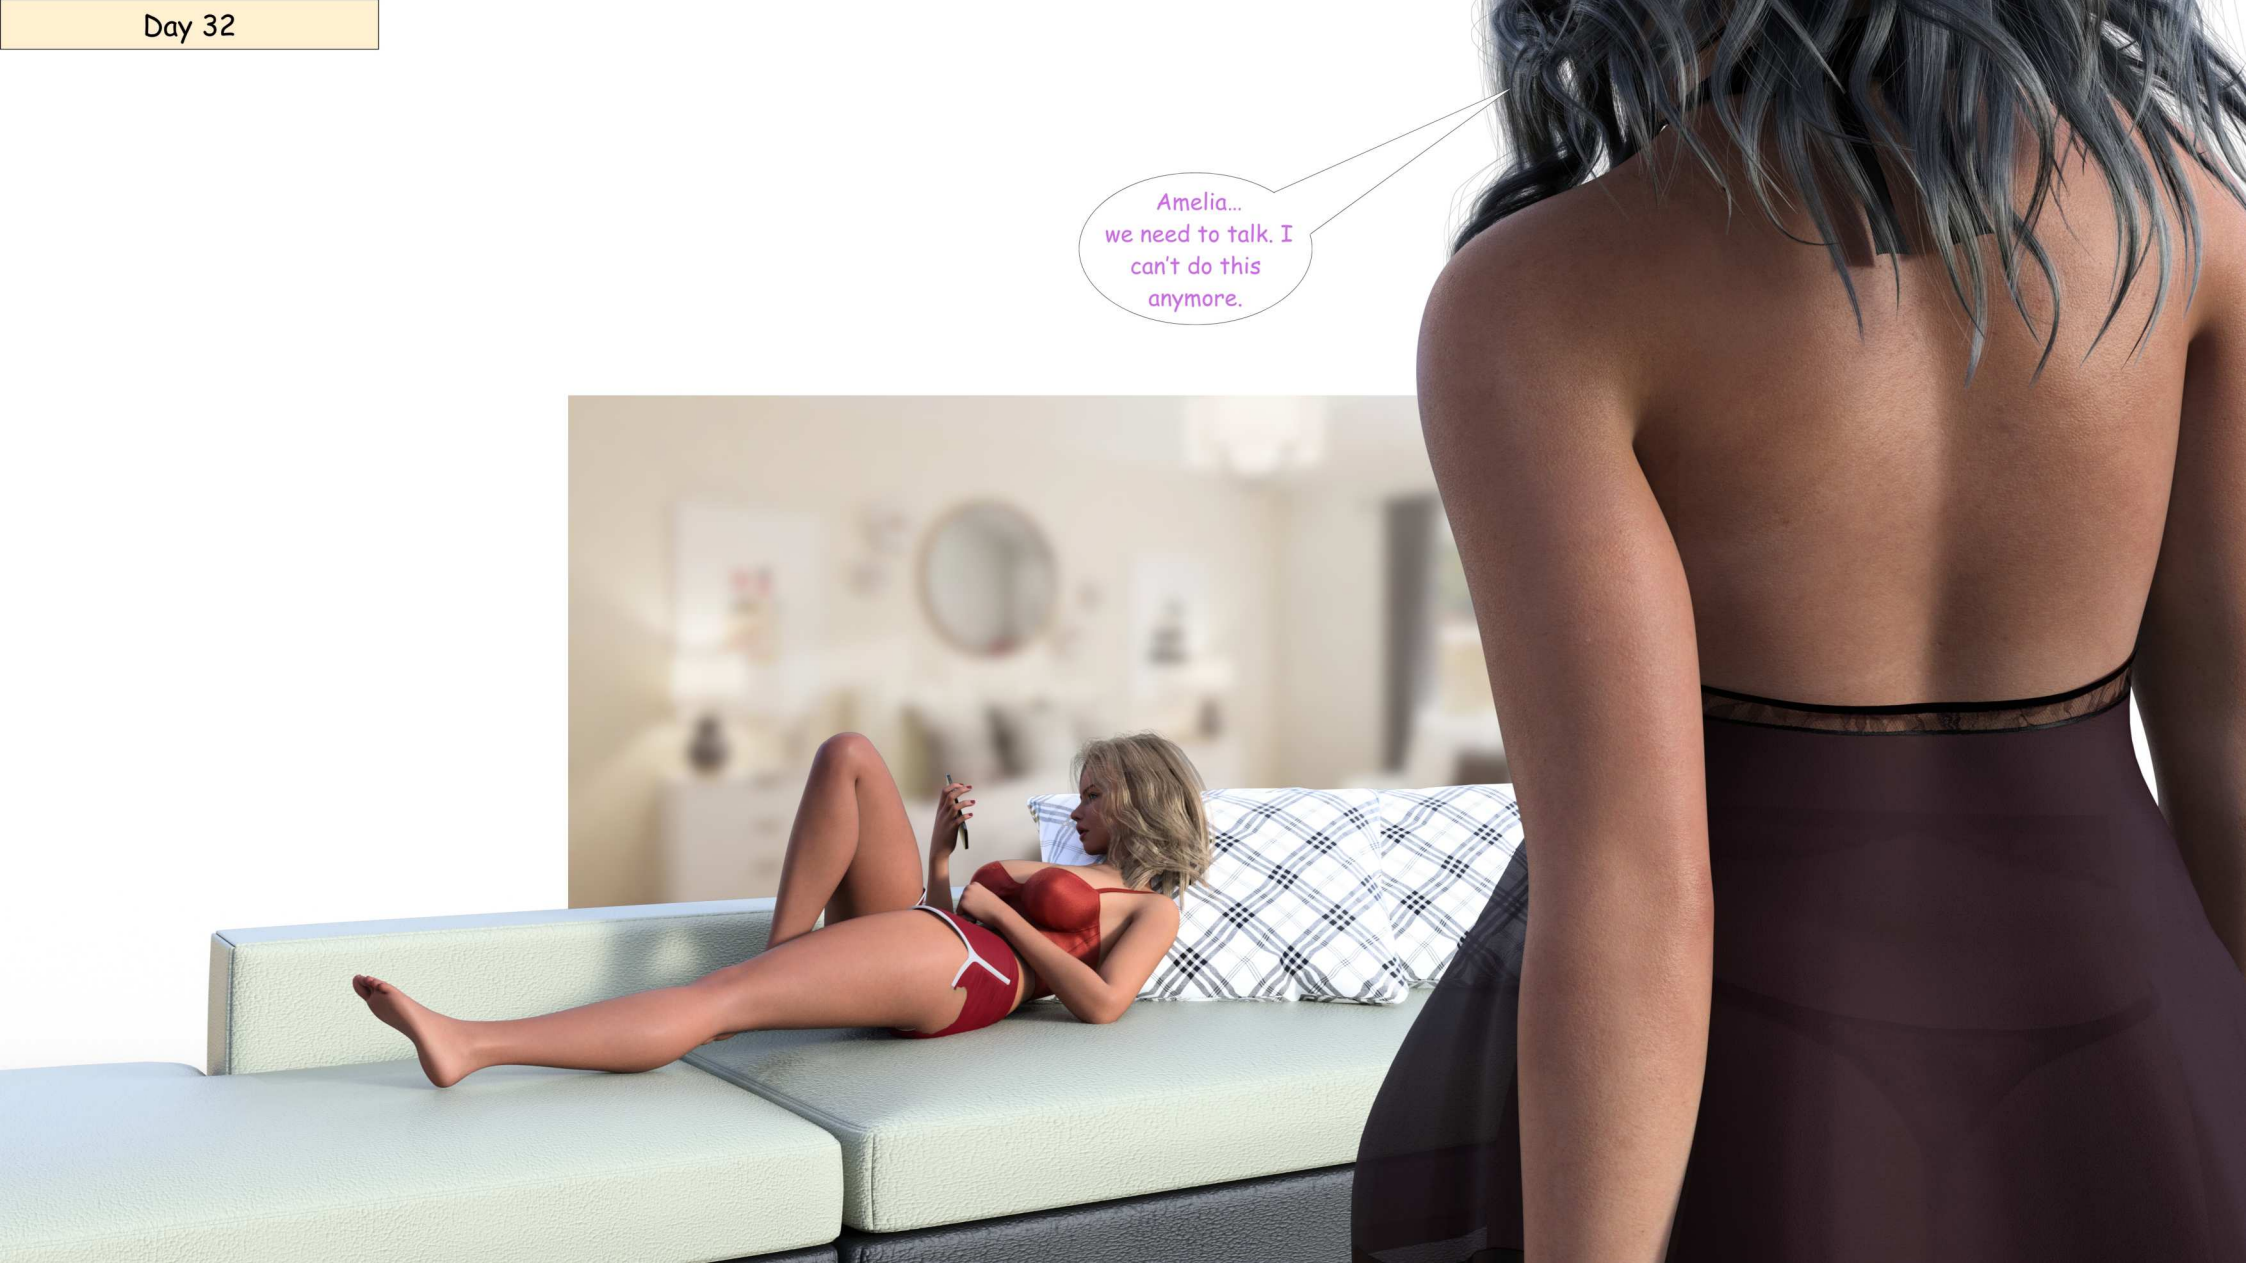

Day 32

This isn't me. It was supposed to be temporary... just for one party.What am I still doing here?
I didn't know how to say stop.
I let this happen. I didn't say no. I just kept nodding, kept dressing up.

Day 32

Maybe I should just throw it all away. Maybe if I stop now, there's still something left of me.
I'm tired, but the truth is... I like it. I never got this kind of attention.
...I have to talk to Amelia about this.... before it's too late.
Enough. This has gone too far. You know it. I don't care what anyone says we can pull back. Not everything's lost yet.

Day 32

Day 32

What do you mean?
It's too much. I didn't agree to... all of this. I thought I was pretending. Now I don't even know who I'm pretending to be.

Day 32

You've already come this far.You've handled everything, even the hard parts.There's only one month left.In just a few weeks, this will all be behind you. A memory.
A memory of what you were strong enough to survive.
A memory of what? Losing myself?

Day 32

Then let me see a doctor. If there's a way to stop... whatever's happening to my body... I want to try.
Okay. We'll go. But don't expect miracles.

Day 32

The consultation alone won't be cheap.Tests, evaluations... treatments , they all cost money. And right now, I'm the only one working.
And I want that for you too. But we have to be realistic.
I didn't ask for any of this. I just want to stop it.

Day 32

Matthew could help. He's rich, he likes you, and honestly... he'd do anything if you let him get close. Just gain his trust. Let him think there's something there.
I want you to get what you need. If you really want to stop this, he might be your only chance.
You want me to use him?

Day 33

Next Morning

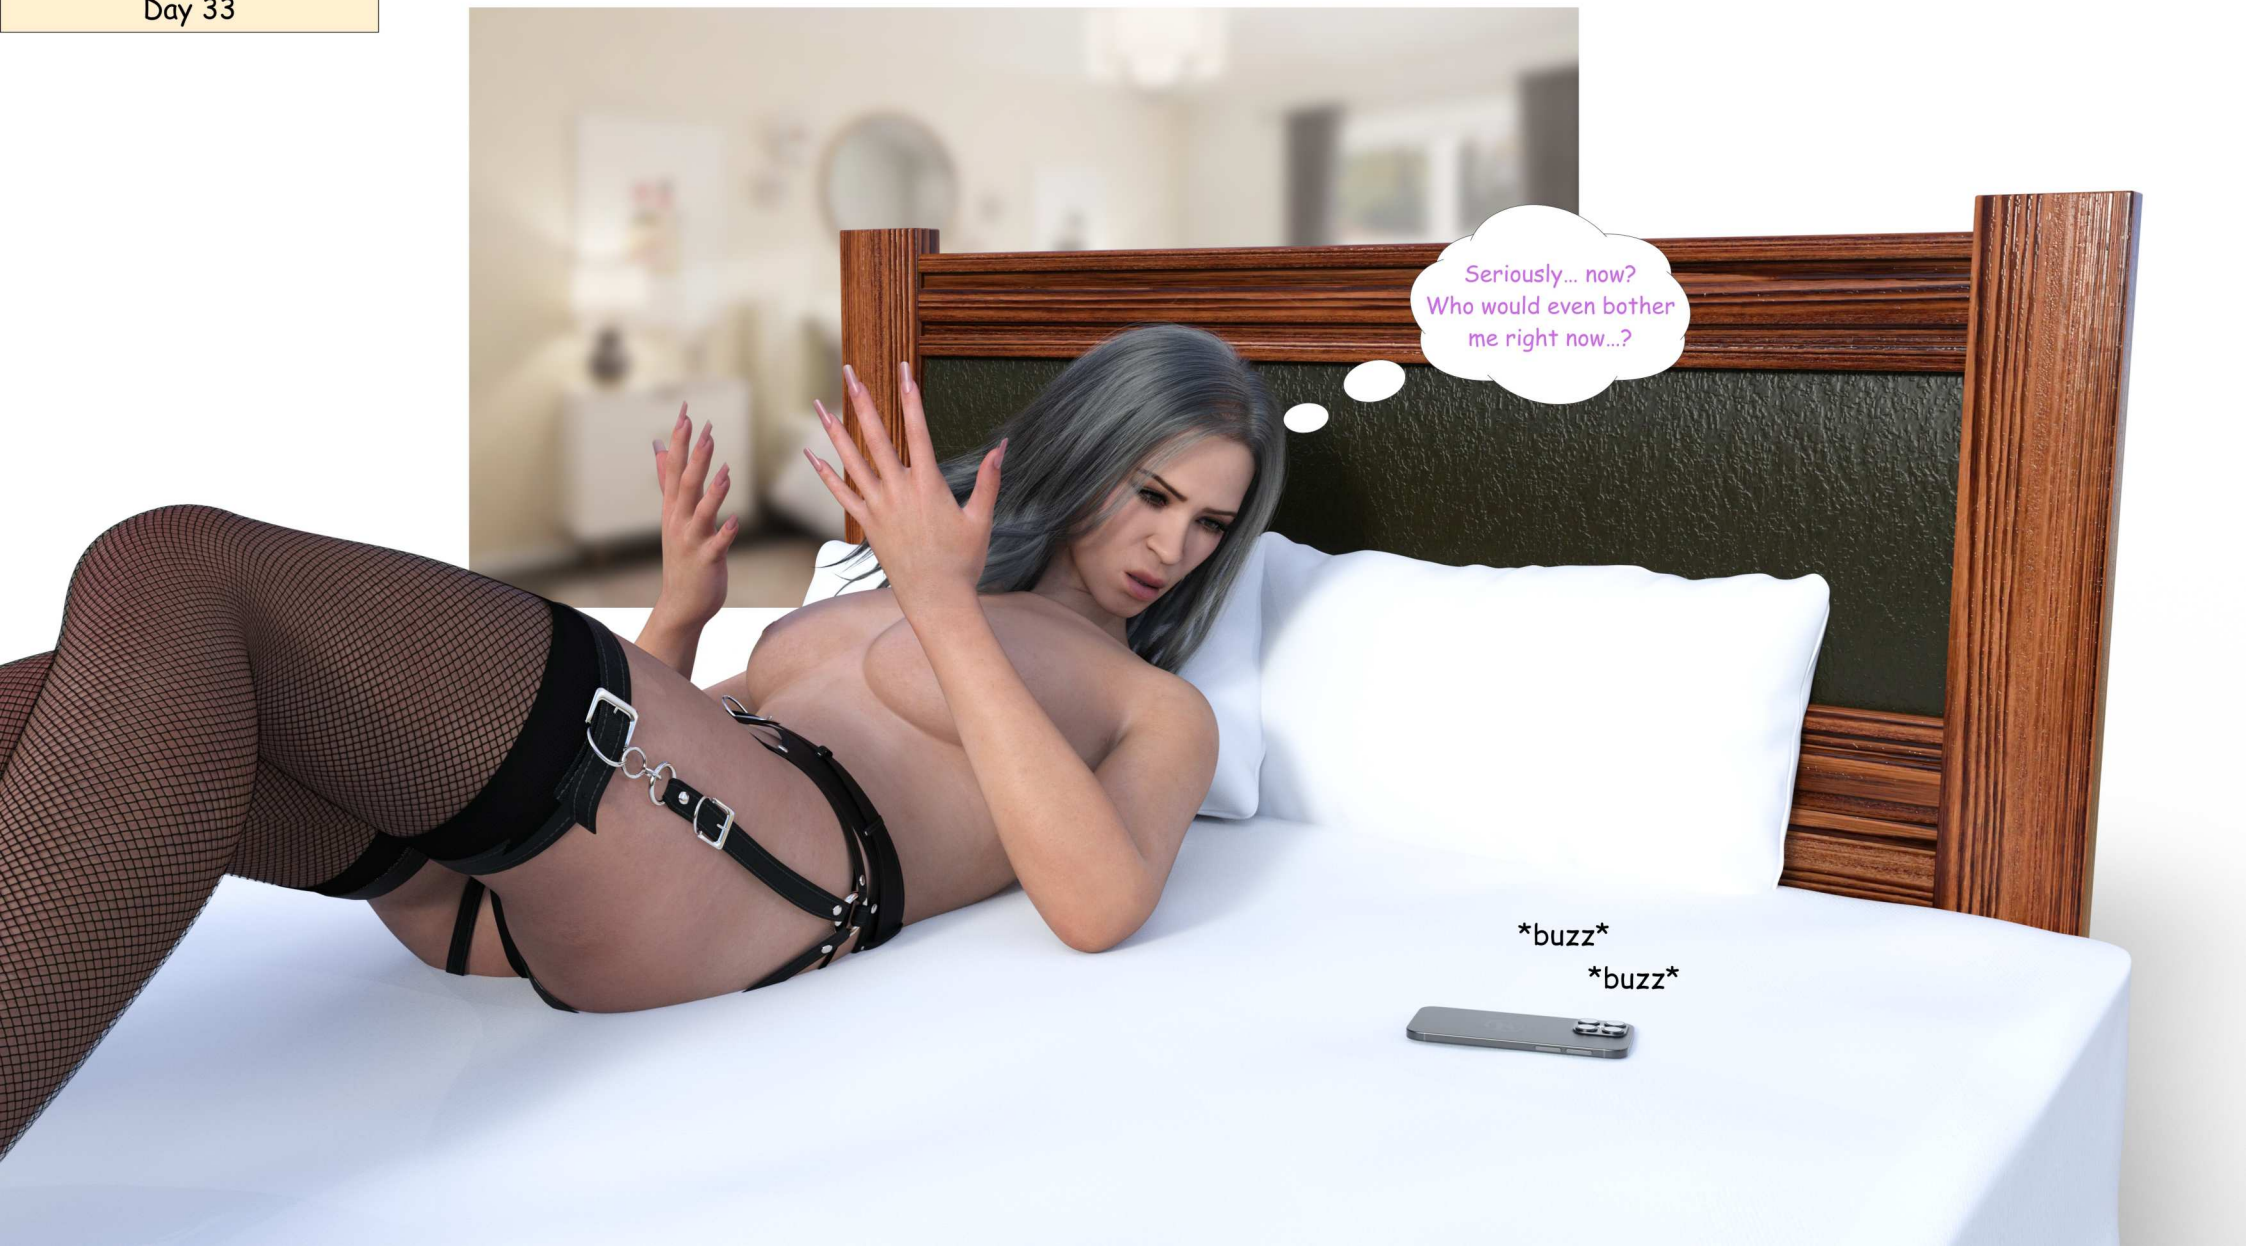

Day 33

This... is going to be hard to give up. How do you un-feel something like this? How do you forget what this clothes feel like on freshly shaved skin?

Day 33

How can something feel this good and this wrong at the same time? Just a touch... and my body reacts like it's not even mine. I'm so horny right now!

Day 33

Day 33

Matthew...
What could he possibly want from me right now?

Day 33

Hey... good morning. You caught me still in bed.
Morning. I'm downstairs. I figured I'd drop off your bag before work, the one you left in my car. If you're up, come down and I'll hand it to you real quick.

Day 33

What? You're downstairs? Just come up... I'm not dressed properly to go outside and... I'm home alone anyway.
Sure. Be right there...
Alone. Why did I say that? Idiot. You just gave him a reason to think this is something else.

Day 33

I look like hell.
And I'm practically naked... He's coming up, I need to throw something on. Anything.
No time for makeup. Not even to fix my hair.I look awful...
This is a disaster.

Day 33

Morning, sleepyhead.
Hey. Thanks for bringing that...
It's nothing. Honestly, you kinda scared me last time we met, thought I messed up or something.

Day 33
You haven't had coffee yet, have you?
Mind if you make us two? I was in a rush and skipped mine this morning.
No... I just woke up, actually. I wasn't really expecting anyone.
Sure... I guess....

Day 33
This wasn't part of any plan. You just caught me... like this.
I shouldn't have let him in.
So... is this your way of saying sorry for leaving your bag in my car? Invite me in, serve coffee, wear... that?
Then I guess I got lucky.

Day 33
It's cute, seeing this side of you. The quiet, sleepy version.
He's getting too close. This isn't how it's supposed to go. I'm not ready for this... I'm not even sure what "this" is.

Day 33
You know… you really are beautiful. I mean… there's something about you that makes it hard to look away
You don't even know me that well.
Maybe not. But I want to know every part of you!
My skin's burning where he touched me. I can't breathe… and I don't want him to stop.

Day 33
Moan
He's wrong. This wasn't a trap. But somehow... I walked right into it anyway.
You know... I'm starting to think this wasn't a coincidence.
You, alone at home... In this lingerie... Letting me in...
I mean... if I didn't know better, I'd say you wanted this. And honestly? You look unbelievably sexy right now.

Day 33
That's it... I crossed the line. There's no turning back now, is there? I could've pulled away... I should've said stop... But I didn't. And now... it's too late to pretend I'm not part of this.
Moan

Day 33
If I go through with this... He'll trust me. He'll feel close enough to take care of me. Close enough to pay for everything, the procedures, the treatments... all of it.
Amelia was right... I need to make him believe there's something real here. And this... this is how I do it.
Hate that I'm thinking like this. I hate that I have to. But what other chance do I have? This might be the only way out.

Day 33
I never imagined it would come to this. But if this is what it takes... if this is the price... then I have to pay it. If I want my life back, my body back... I have to finish what I started.

Day 33
God... even like this — soft — he's sooo BIG. I didn't expect that either. No wonder he's so confident.

Day 33
I've done this before... I've practiced. With toys. With a dildo. I Told myself I was just exploring... just trying to understand. But this?

Day 33
moan
Why does his moans make mw so vulnerable It shouldn't matter. It shouldn't make me feel this way.
I told myself I was doing this because I needed to. But now... Now I'm not so sure that's the only reason.

Day 33
That… wasn't what I expected. And yet… I handled it. More than that, I didn't hate it. I could get used to this. Not forever. Just… until I get what I need.
I just have to stay in control. Just a little longer.

Day 42
Hey, I just spoke with the clinic. Before anything else, they'll do a quick psychological evaluation. Standard stuff, they just want to make sure everything's fine before the procedure. Since the treatment didn't work and this is a more invasive surgery to stop the development, they need to make sure you're mentally ready before going ahead.
Psychological? What... what are they going to ask me?

Day 42
But what if I say something wrong? What if they think I'm not ready?
Don't worry. Just basic questions. They want to see if you're stable, if this is really what you want. It's just a formality. Answer naturally and everything will go smoothly.

Hello, Alexia. It's a pleasure to meet you. I'm here to help in any way I can.

Day 42
Before we move forward, I need to make sure you truly understand the importance of this step.
This isn't just a routine check, it's about you, and what you really want. Are you ready?
Yes... I'm ready.

Day 42
Very well. I want us to speak openly. There's no rush. The decision must come from you.Tell me... are you sure you want this change?
Yes. I want... to be free of this body. To leave it all behind, just a memory.

Day 42
I see. Have you considered the consequences of this decision? Once the step is taken, there's no turning back.
I know. That's exactly what I want. To be free of this. Of what I've become without meaning to.

Day 42
Do you think that after this procedure, you'll be able to look in the mirror and say:"Yes, this is who I am now"?
I hope so... Yes. Maybe for the first time, I'll feel like I've taken back my life.

One Week After Surgery

Day 49

Day 49
Mmm...
Good morning, Miss Alexia. The surgery was a success.
And your voice sounds good... It'll hurt a bit when you talk until your vocal cords fully recover, but that's normal.

Day 49
What... what the hell? Why is it so big?

Day 49
I don't... understand... the surgery was supposed to be a reduction...

Day 49
The waist... the chest... what did they do to me?
What... what happened?

Day 49

I think it's best if you see for yourself. I'll start removing the bandages.

Day 49
They're... perfect. Too perfect. No... no, I shouldn't think that. I can't let myself feel this way... not about something I never even wanted in the first place.

Day 49
Why can't I feel anything...? No. No, please no...

Day 49

Day 49
THEY DID IT. They... transformed me. They actually made me a complete woman.
It looks... so real. So... right.
But no... this isn't what I wanted. This isn't...

Day 49
You have a visitor, Miss Alexia. He's been here quite a few times while you were recovering
A visitor...?

Day 49
Matthew...?
Hey...
You're awake.
I've missed you.

Day 49
I came by almost every day while you were asleep. Brought you those flowers. I wasn't sure if you liked roses, but they felt right.
They're beautiful... but... I don't understand. What exactly happened to me?

Day 49
Why do I look like this? Tell me it was some kind of mistake with the surgery. Please...
Planned? By who? Why?
No mistake, Alexia. Everything was exactly as planned.
By me... and Amelia.

Day 49
Why would you do something like this without telling me? You don't even know what I wanted..
No... I never.... this isn't..
A gift...?
That's where you're wrong. Amelia told me. She told me how much you've dreamed about this... about finally becoming the woman you were meant to be.
Alexia... look at you. You're perfect now. This is my gift to you a Christmas gift you'll never forget. And I'm proud I could give it to you.

Day 49
I can't believe Amelia took this so far... Every time I thought she'd reached the limit, she pushed it further. And now... this. My own gender... changed without me even knowing.
Could you take off the bandages from her face as well? I want to see her... completely.
Of course. I'll be gentle the skin might still be sensitive, so I'll take my time. It won't hurt, but it might feel a bit strange at first.

Day 49
Please... let it not be too different. Maybe it's just a small change... something I can undo with one simple surgery..
All done. Whenever you're ready, you can take a look. There's no rush take your time.
I also brought you a bag with everything you'll need when we leave. Clothes... and a mirror, so you can see how beautiful you are now.

Day 49
No... this can't be me. The face looking back... it's a stranger's face. I can't see me in her eyes, in her smile, in any of this. How... how could they change me so much without me even knowing I don't believe it. I don't want to believe it.

Day 49
No... this is just a nightmare. It can't be real. There's no way this is actually happening to me.
Alexia, don't panic. You're beautiful more than ever. And yes... this is real. You don't have to be afraid of it.

Day 49
I just got word from the doctor you can be discharged today. The surgeries were a success, but you'll still need plenty of rest.
I talked to Amelia. She agreed it's best if you stay at my place after the surgery I have much better conditions for you to recover. Besides, Amelia's not home right now to take care of you.

Day 49
Go ahead and put on the clothes I brought for you. Once you're ready, we'll head home.
I can't believe this is where I've ended up... Waking up in a hospital bed, my face changed, my body not my own, and now... going "home" with Matthew as if this was all normal. How did everything get so far without me realizing?

Day 55
Everything is changing... and I have no say in it anymore. I'm not living my life... I'm living someone else's.

Day 55
I just wanted to please Amelia... to make sure she wouldn't leave me. And for that... I accepted everything. Step by step, I gave myself away.

Day 55
Now... when I look at myself... I don't see Nikolas anymore. I see a stranger. A doll that smiles... but screams on the inside.

Day 55
If I hadn't given in back then... I wouldn't be here now. But what's the point in thinking about the past? I can't turn back time.

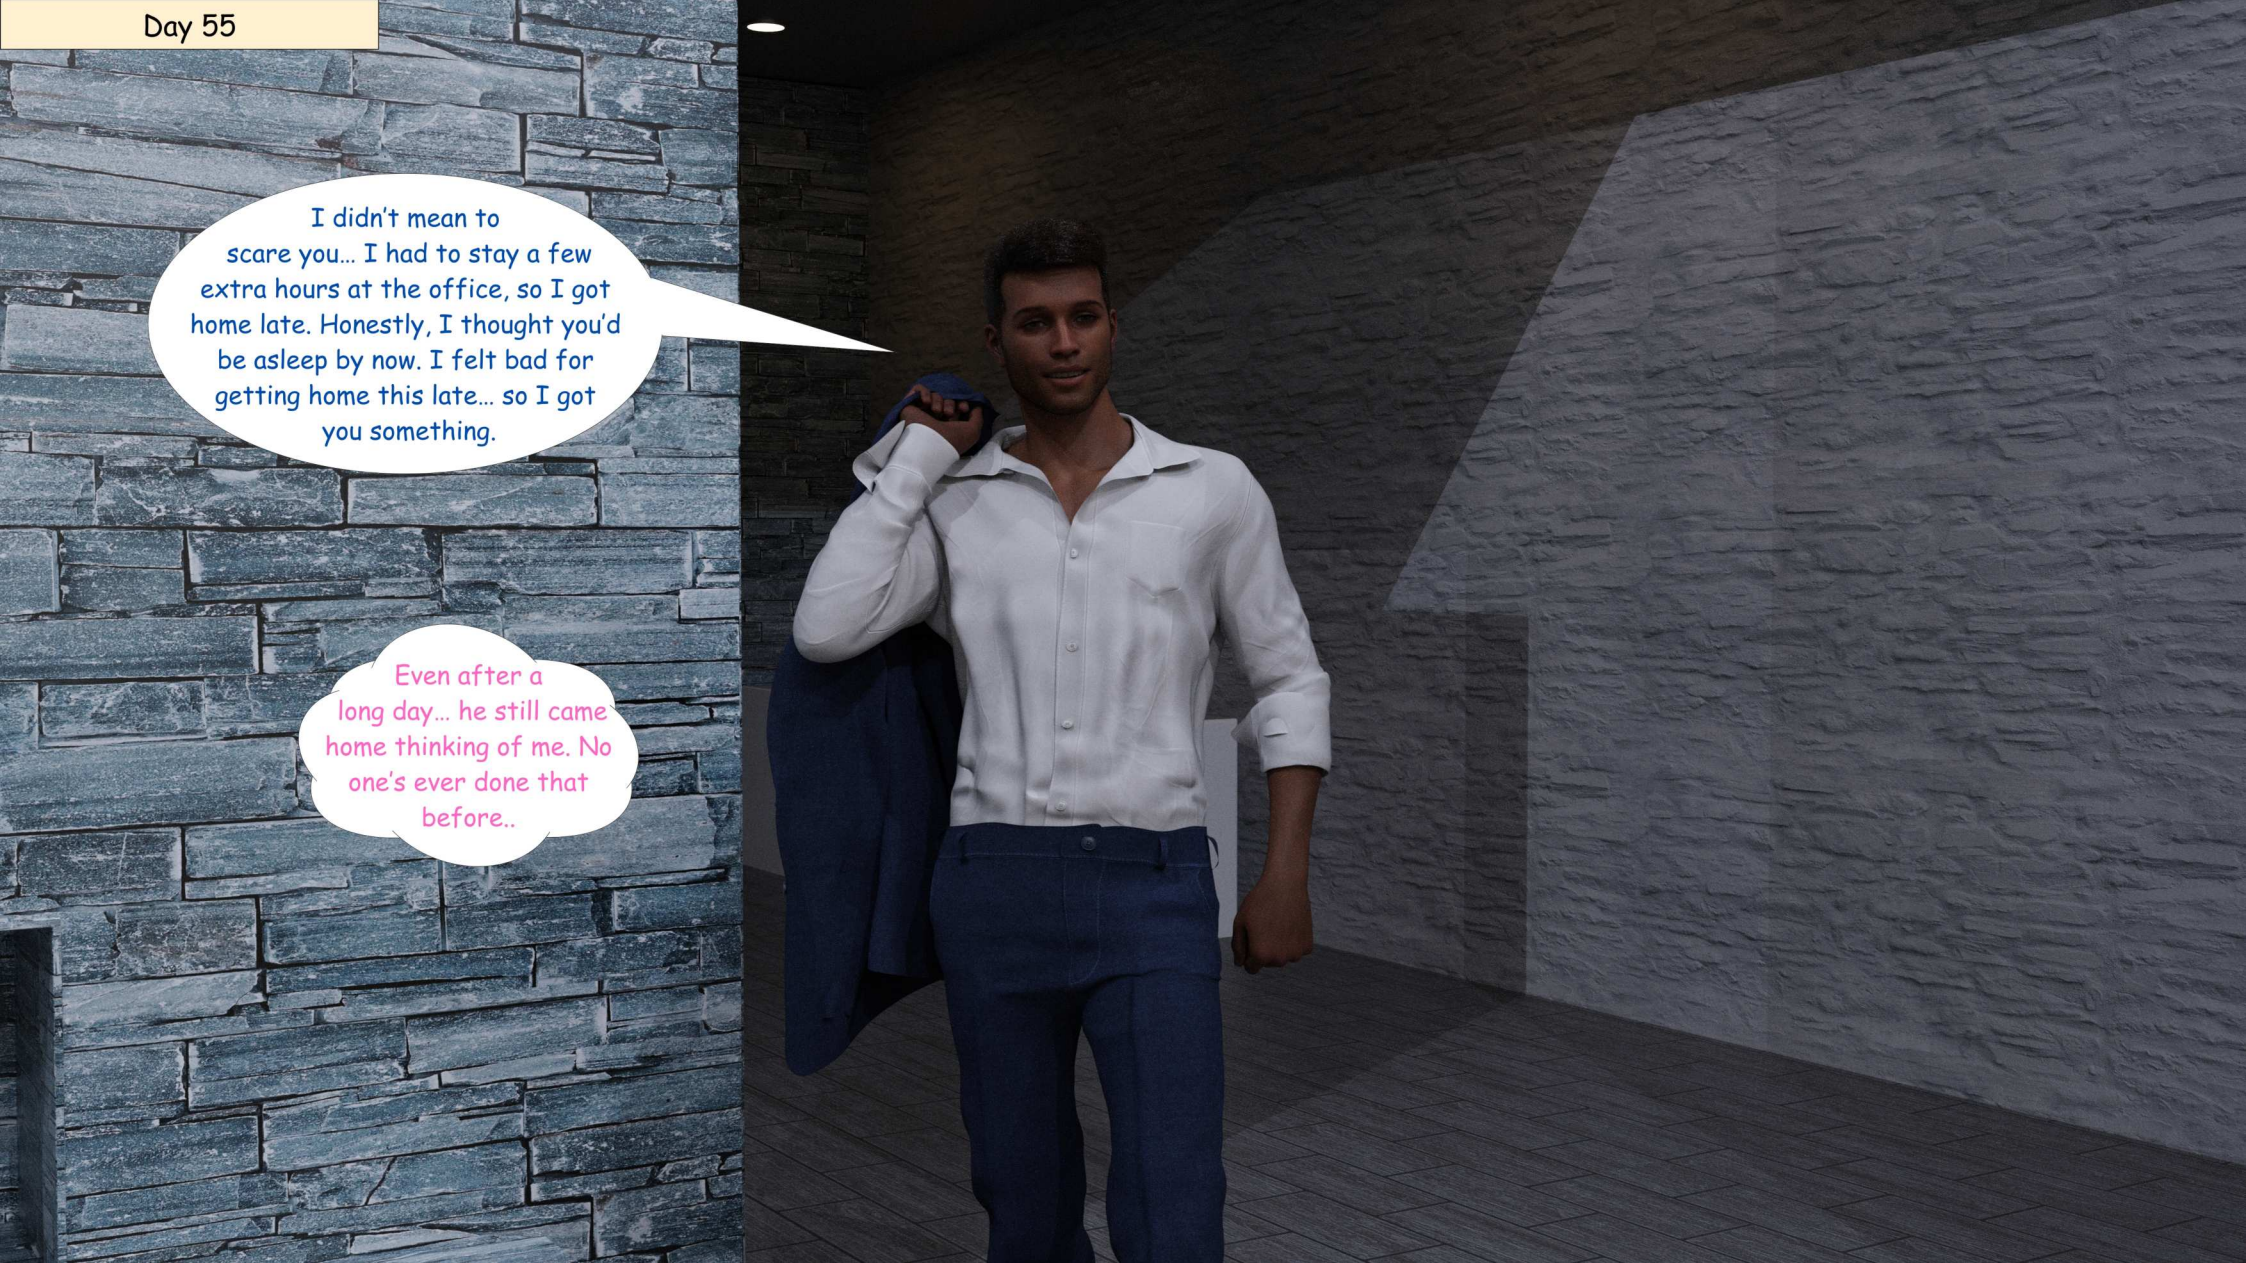

Day 55
I'm stuck between who I was... and who I'm supposed to be. And... I don't know how much longer I can run from that truth.
DULCIURI DE POVEȘTE

Day 55
Maybe... if I just accept it all... I won't feel this constant regret anymore. Maybe... it will hurt less.

Day 55
It's strange... I don't even know who I really am anymore. But when I'm with Matthew... it doesn't feel that bad. He's the kind of man I once wished I could become.

Day 55
Ahhh!

Day 55
CRACK

Day 55
I didn't mean to scare you... I had to stay a few extra hours at the office, so I got home late. Honestly, I thought you'd be asleep by now. I felt bad for getting home this late... so I got you something.
Even after a long day... he still came home thinking of me. No one's ever done that before..

Day 55
I was just... lost in my thoughts. I didn't expect you to be home this late.
I never imagined myself with another man... but Matthew... he's nothing like what I feared. He's... almost perfect.

Day 55
It's beautiful... thank you, Matthew.
He notices me... cares for me... treats me like I matter. No one's ever done that, not even Amelia.

Day 55
And you... look stunning tonight. I wasn't expecting you being dressed like this.
I just... wanted to get into the holiday spirit.
He's so genuine... so kind. If I keep holding back, I'll just keep living in doubt. And maybe... deep down... I wanted him to see me like this.

Day 55
I'm glad you like it... but I'm sure you'd like me even more... without it.
This is it... if I take this step, maybe I can finally stop feeling trapped. Maybe... I can choose to want this.

Day 55
He deserves to see me without fear in my eyes... to see me as Alexia, not as someone pretending. And maybe... I deserve it too.

Day 55
Let's go upstairs so I can thank you for this body.
Maybe I'll never go back to who I was... but tonight... I can decide who I'm going to be.

Day 55

Day 55
It's the first time
I'm doing this with Matthew;
and I'm not doing it out of
obligation or necessity...
I'm doing it because
I want to.

Two Days Later

Day 57
The doctor said yoga would help me recover after the surgery... and honestly, it really does. Every move brings me a peace Nikolas never knew.

Day 57
At first, I thought it would just be a chore, another medical obligation. But the truth is... I enjoy it. I enjoy how my body responds.

Day 57
I feel light.
In control. As if Alexia had always been here, and Nikolas was nothing but a shadow.

Day 57

Hey, darling! Tell me you're coming with me to the New Year's Eve party! All the girls have been asking about you nonstop. They can't wait to see you.
Hello, Amelia... always full of excitement, I see.

Day 57
I'm afraid you'll have to enjoy the party without me. I already have other plans, and trust me, they're far more interesting than a night of champagne and gossip with your friends.

Day 57

Other plans? Alexia, are you kidding me? You've been preparing for this party for two months. You can't just throw it all away now, with only a few days left.
No, Amelia. My eyes have been opened. I finally realized it's not worth it anymore. I don't need to be there with you at that party. Not now, not ever again

Day 57

I'll be spending the night with Matthew. He insisted I join him, and honestly, I wouldn't dream of refusing.
But....
We'll be sailing into the New Year on his yacht. In Thailand, under the stars, surrounded by the ocean. Doesn't that sound... a bit more glamorous than standing in a crowded living room?

Day 57
YOGA
On a yacht? In Thailand?! Are you even serious, Alexia? Do you hear yourself? You're acting like someone else entirely.
I hear myself very clearly, Amelia. And yes, I'm serious. I've never been more serious in my life. And you're right... I am someone completely different now, changed entirely because of you.

Day 57
How liberating it feels... not being under her shadow anymore, not dancing to her expectations. For once, I'm the one making the choices. I decide who I am. I decide where I belong. And right now... I belong nowhere near Amelia
Nikolas's time has ended. He doesn't exist here anymore. I am Alexia, and the world will have no choice but to accept me. From this moment on, I am exactly who I was meant to be.

Day 57
I look really good in this pink set... and with my hair tied up like this, I almost look flawless. I need to send a picture to Matthew. He deserves to know exactly what's waiting for him at home.
giggle

Day 60

Day 60
I was expecting the yacht to be big, of course, Matthew's business is huge, so naturally his toys would be impressive. But this... this is beyond anything I imagined. It's enormous. When I first saw it, I honestly thought it was a cruise ship.

Day 60
I nearly got lost on this yacht. Hallways, rooms, staircases, it's like a floating palace. I had to stop and ask the chef for directions just to figure out how to get to the front deck...

Day 60
There he is!
So, how was it? I had the crew heat the pool just for you. Wanted it to be perfect.

Day 60
Alexia... I don't think you realize how much I love you. Having you here, with me, on this yacht, at this moment, it feels like the only thing I've ever truly wanted.
Matthew... you always know how to make me feel safe. Loved. Wanted.
Heineken

Day 60
And I love you, Matthew. More than words can say. Thank you for everything you've given me... for all the ways you've cared for me. You've freed me from my old life, from who I used to be. Without you, I might have been lost forever.
You'll never be lost again. Not as long as you're with me.

THE

TAXI

6 Months Later
Here, this is the place. Please wait for me, I'll be right back.

6 Months Later
It's been so long since I was last here... Everything feels so strange now, almost like I don't belong to this place anymore.

6 Months Later
100
I kept putting this off... but sooner or later, I had to come back for my old things. The past doesn't just disappear.

6 Months Later
100
It's late...
but I couldn't come any earlier. I just finished work at Matthew's office. Being his secretary doesn't leave me much free time...
Tonight was the only chance I had.

6 Months Later
I wonder if Amelia will even want to see me. After everything... maybe this wasn't such a good idea

6 Months Later
Please, let this go smoothly. I don't want another fight... I just want to take my things and leave.

6 Months Later

6 Months Later
Oh.. I'm sorry... I must have the wrong apartment. I thought Amelia still lived here.
Uhh... no, you're not wrong. Amelia lives here. I'm her... boyfriend.
Uh..... I mean... her roommate. We're just friends. She's not home right now.

6 Months Later
Oh.. y-yes, of course! Please... come in. I think Amelia kept them in a box.
Clayto..... Clara.... My name is Clara.
I see... Sorry for the disturbance. I'm actually her former roommate. I left behind some of my old things in the apartment, and I just came to pick them up.
By the way... what's your name?

6 Months Later
Every corner here holds a memory... It feels like I've stepped into a time machine.

6 Months Later
This is where it all began with Matthew... the first time I sucked his cock, the first time I started being attracted to other men. I can still feel it if I close my eyes.

6 Months Later
Here, Amelia kept this box for you. She said you might come back one day.

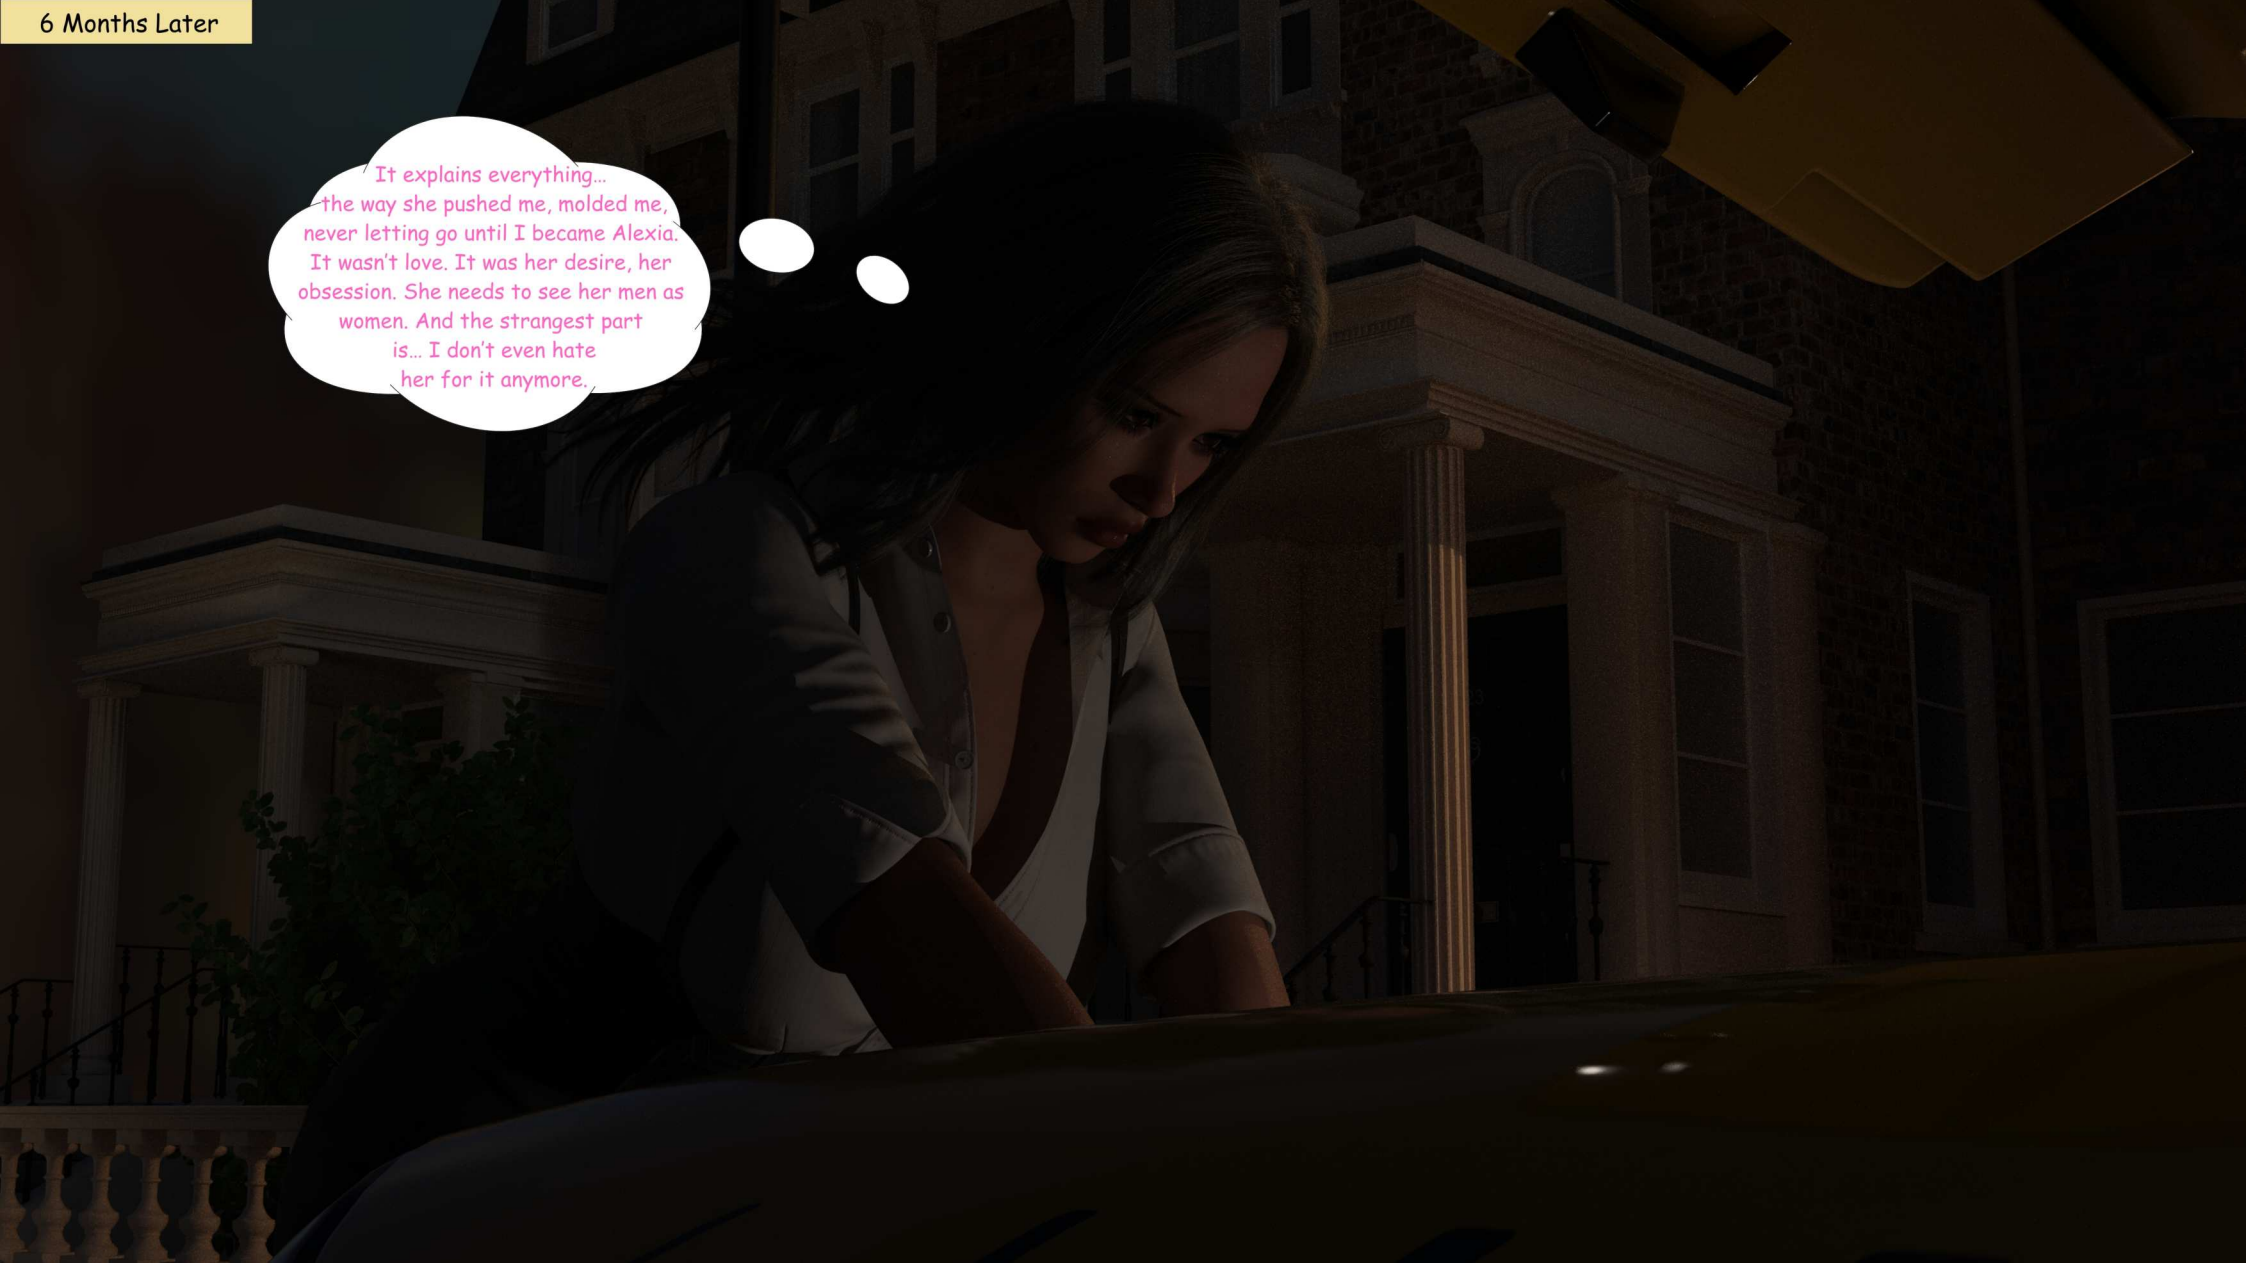

6 Months Later
This should be all your old stuff... though I think there are some men's clothes too. Probably your boyfriend's?
Thank you very much, Clara, for helping me.

6 Months Later
Well... looks like not everything of mine ended up in the box.
The Life

6 Months Later
Seems like some things got left out. But don't worry, there's nothing shameful about it. Every girl needs a way to... relax sometimes.

6 Months Later
Please... don't tell Amelia about this.
How... how did you know I'm not a real girl?
Oh, trust me, Amelia already knows. And I'm sure when she gives you a real pussy to play with, you'll feel a hundred times better.
Bye Clara, thank you again for letting me in to get my stuff.

6 Months Later
100
I never imagined Amelia had this kind of... taste. Turning her boyfriends into chicks... It almost feels like her secret kink. And now, I can clearly see I wasn't the first... and I won't be the last.

6 Months Later
It explains everything… the way she pushed me, molded me, never letting go until I became Alexia. It wasn't love. It was her desire, her obsession. She needs to see her men as women. And the strangest part is… I don't even hate her for it anymore.

6 Months Later
This is it. The last time I'll ever stand here. The last time I'll see this street, this door, this piece of my past. Whatever Amelia becomes… whoever she turns next… it's no longer my story.
But this whole visit… made me so horny. I can't wait to get back home… back to Matthew.

6 Months Later
Back Home

6 Months Later
I can hardly wait for him to step out of that shower... Every second feels like forever.

6 Months Later
Well... looks like I'll need another shower once we're done here.
Exactly the reaction I wanted!

6 Months Later
Why don't you drop that towel... I need what's hiding underneath it.

6 Months Later
Just come here, big boy. I promise I can take you all!

6 Months Later
My pussy is so wet, I never craved his dick this much. I'm curious how Clara will feel when she takes her first real dick.

6 Months Later
Ohh YES!! Go deeper!!

6 Months Later
It feels so good that I can have sex with you without a condom, but... I have something on my mind.
What is it, babe?

6 Months Later
Alexia... have you ever thought about adoption? About raising a child together?
I can't wait to become a mother and have a family together.
THE END
