Transform or Command

Nicole, Amara, Vadim, and Dylan are watching some crappy TV show when Lana and Elizabeth come in and turn it off to introduce them to a new game they bought at the magic shop. It‘s supposed to be a variation of truth or dare called „Transform or Command“. The game starts with everyone doing an oath while touching the game thingy. Then people can ask each other „Transform or Command“ and the target has to choose… Maybe that strange light during the oaths should have given it away… but the players are kind of shocked when they find out that they actually have to follow those commands… or that they actually transform according to another player‘s statements!

Featuring

Lana…	a female student, she and Liz found the game
Nicole…	a female student
Elizabeth…	a female student, she has a crush on Dylan
Amara…	a female student, Vadim‘s girlfriend
Dylan…	a cynic guy who crushes on Nicole and Lana
Vadim…	a very tall guy, Amara‘s boyfriend

We join some students in a student leisure room on campus. They are more or less watching some show on TV...
This show is lame...
So bored...
Why are we watching this again?

When two friends of theirs enter...
Oh, dear. They are watching that shit show again.
Heya! What's up, guys?
snore

Let's hope this is fun to play.

So, guys.
Liz and I bought this little game at the magic shop downtown.
Transform or Command
You'll laugh and cry

Turning off the TV is met with a little resistance even though nobody cared about watching in the first place ...
Hey!
Why turn off the TV?!
A game could be fun...

It's called **Transform or Command** - Something like Truth or Dare.
The guy at the magic shop said it will be a „**unique experience**"!
Really guys? You were not really watching anyway!
Let's play!

A game sounds fun. Really, anything's better than that shit show.

Thank you, Dylan! That's the enthusiasm we need. *chuckle*
Oh... There are quite a few pages of game guide...
Let's just wing it!

Alright.
So the first step is. We all gotta put our hand on the disc and do a player oath. 1
Why? 2
It's a magic game! It's for the ambiance! 3
Transform or Command
You'll laugh and cry

Okay. The oath is rather simple...
So, I place my hand here and...
Nobody cares about that stupid oath stuff. Let's play already!
I, Lana, solemnly swear to adhere to the rules of ToC.

Woah!
You did see that as well, right?!

That was a bit... strange. What was that?
I guess the oath worked?
Duh! Magic!
giggle
Yeah... but how did it do that?
Maybe this game won't be lame after all!
That was kinda cool!

You in?
Let's do this!

I, Nicole, solemnly swear to adhere to the rules of ToC.
I, Amara, solemnly swear to adhere to the rules of ToC.
It's a bit scary... But I must not show fear or they'll make fun of me!
So cool!

You up for it, big guy?
Hm... I'm not a big fan of truth or dare...

Hey! Don't puss out on me now!
Okay... okay!

Man. This must be some sort of AI voice recognition!
I, Liz, solemnly swear to adhere to the rules of ToC.
I, Vadim, solemnly swear to adhere to the rules of ToC.

Dylan...
You in?
Magic
blinky game?
How can I say
no to tha?.
chuckle

I, The D-Man, solemnly swear to adhere to the rules of ToC.
blush
I know he's just using the disc... but his hand's touching mine...

Alright next... I declare player selection complete.
Okay... from here on out it gets a bit complicated...
Everybody starts with 80 ToC Points. Those Points can be used to toc somebody...
Huge changes/commands or stuff that goes against a target's will cost more points...
Uff... I wonder how we should keep track of all that...

No way!
What is that?!
The fuck?!

That wall thing... is a bit scary...
Yeah... I'm not sure whether we should really play...
Yo, Vadim hon! Transform or Command?
What?!

You can't be serious! I won't...
Fine... Command!
What the! Why did I choose? I did not want to play!

I've got a bad feeling...
Hm... I can make you do anything I want now...

Maybe we should not overdo it, Amara.

But Vadim! You may kiss me like that more often, you know!
I... I'm sorry guys... All of a sudden...
I had this urge... and there was no way I could resist it...
Not that I wanted, love! But... it was kinda scary.

This should be fun!
Okay. I wanna try something!
Amara! Transform or Command?
Please choose transform.

Urgh. Fine! I choose transform.

Now what?
Now, you grow up.

Did Liz... the game really just make her grow?! Scary!
But you should be close to Lana now I think.

Vadim! Stand up!
You are my scale! Chop-chop!
Did she really get taller?

Oh, Dylan! What... are you looking at?
Transform or Command?!
WHAT?!

I... I can't choose command. He could make me tell the truth... and I might confess my feelings for him... that would be too embarrassing!
And if he transforms me... he'd make me more attractive to him... I guess... That shouldn't be too bad...
I wouldn't mind changing a bit for him...

I... I chose transform!
Awesome! Grow a D-Cup!

You can't be serious!
Oh, don't look at me like that.
You girls knew this was coming down to boobs!

Pervert!

This feels strange!

Oh, my god!
I have got boobs!
Who's the pervert now?
The board says that only cost me 30 points!
The End.

Thank you for reading!

Hello, Hexxet here,

The first chapter starts out a bit slow, but we are finally in the midst of the changes, and we will continue right from here with the next part. ToC is planned to be a multi-chapter series of at least 5 chapters… probably more (depending on how much you like it and how the story development goes ☺).

Transform or Command II

Our six students have started to play a game called Transform or Command – thinking it was just a version of Truth or Dare. But soon they realize the game is actually magical as the players act and transform according to each other specifications. So far, we‘ve seen Elizabeth‘s breasts expand, Lana‘s hair turn blonde and Amara, the tiny girl, grow up 10 cm. Also, Amara commanded her boyfriend Vadim to kiss her passionately - but he would have done that anyway. Everybody is rather thrilled with the game so far… everybody but Lana who hates being a blonde and thinks of revenge against Nicole who ToCed her into being one!

Let‘s see where the game leads us next ...

Featuring

Lana…	a female student, she and Liz found the game
Nicole…	a female student
Elizabeth…	a female student, she has a crush on Dylan
Amara…	a female student, Vadim‘s girlfriend
Dylan…	a cynic guy who crushes on Nicole and Lana
Vadim…	a very tall guy, Amara‘s boyfriend

After her expansion, Elizabeth went to the restroom... now she's coming back.
I had to get rid of my bra... it was... too constricting with their new size.
Inspecting the goods?
They look really good on you, Liz.
I wouldn't mind one more cup size myself... right after growing some more inches. *giggle*
Thanks. That extra weight feels a bit strange though.

By the way, are they... you know... real? Or fake?
You'll get used to it.

So, I'd say they are all-natural.
Not an expert here... but... they jiggle a lot.

Awesome!

When we are done with this we'll be superstars on campus!
This game is incredible!

While the girls keep talking about Liz's boobs Dylan explains the board to Vadim.

The board follows several complicated rules we need to find out?

As you can see, I only lost 30 points. Which is the same amount Liz lost when she made Amara grow.

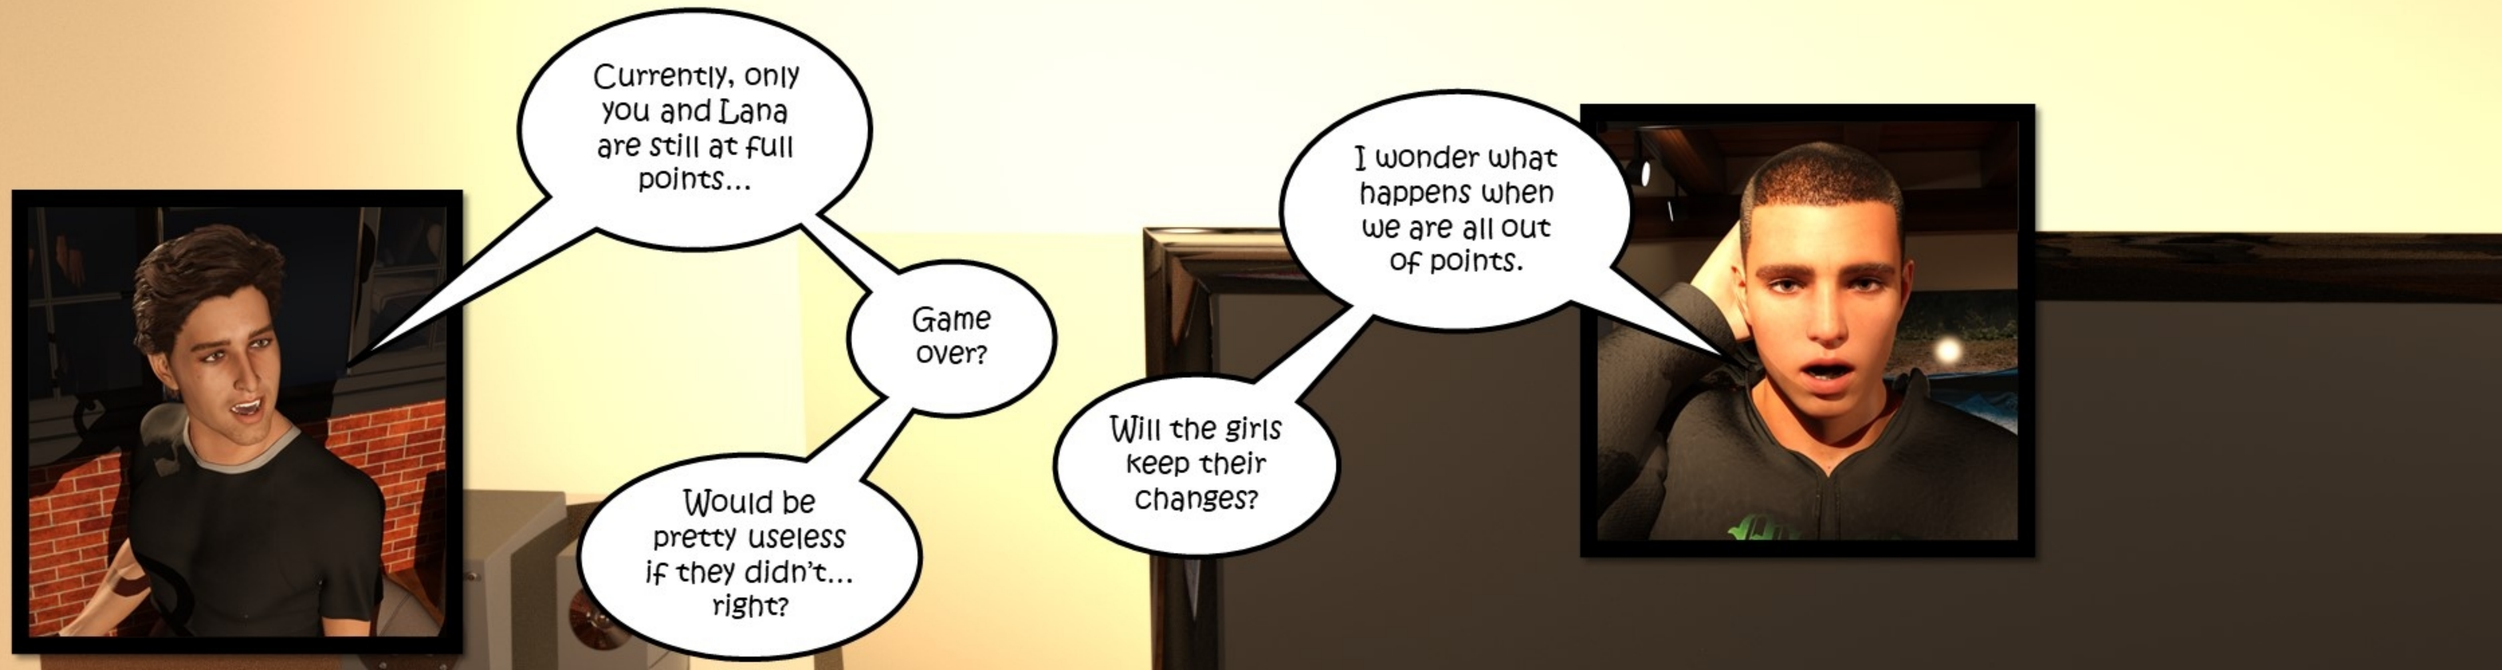

And thanks to Nicole we know that unwanted changes tend to cost more as she paid 40 for a simple hair change.

You see where I am going with this?

No man! Liz always wanted to have big boobs!

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
80 0	40 10	60 0	50 0	80 0	50 0

Just imagine. Anything we don't like about our bodies. We can change it! Right here and now!
Grrr!
Well, ain't I glad you are all having so much fun!

Oh, come on, Lana. You can't still be pissed about your hair...
Yes, I can!
And I'm gonna show you how angry I am about it!
Transform or command, Nicole?!
Really?! Tsk! Fine! I choose transform. Then we are even!

Your hair shall transform into some super long pigtails reaching all the way down to your butt!

Nice! That sounds like a big change!

Hiding?

You are always hiding behind that hair of yours.

I'm not hiding behind my hair!

That's just the way it falls.

Oh, my!
It's already done, isn't it?
This feels so strange!

Holy cow!
That's a lot of hair!

It looks really good though!
And I can see so much better!

Wow! You look absolutely stunning!

Look... Lana... I'm sorry for upsetting you so much.
I just thought trying out something new would be fun.
I'm sorry. Though I still think you look good.
Are we good?

... that she can just cut off if she doesn't want it anymore while you are stuck as a blonde for good.
You totally got back at her, giving her super awesome hair...
Yeah, Lana. Are you two besties again?

While Nicole tries to apologize to Lana and Dylan teases her, Amara wants to grow some more...
I want you to make me bigger!

You sure, love?

I've been small all my life. I want to be as tall as Liz!
Yes! Absolutely!

I always thought you...
What are you talking about!? I always hated being this small!
I always wanted to be bigger!
Do it already!
Give me those sweet inches!

Okay, okay! Transform or Command, honey?

How do I look with porn star titties?

Absolutely amazing...
Well... I could get used to that look on your face. *giggle*

Wow!
Those are some nice boobs there! Well done, Vadim!
Looks like everybody's getting what they always wanted... except you Lana.
Why is he picking on her like that?
What's he up to?
Dylan! I'm warning you. I'm in a very bad mood, and you are under the game's spell as well!

Uhhh, scary!
What you gonna do to me? Give me awesome hair as well? Maybe more muscles? Come on, hit me girl!
This should be fun.
Alright!
You asked for it, Dylan! Transform or Command?!
He wants her to toc him but why...

I choose transform!
Give me your best shot you little grumpy frumpy.
Wait! Lana, it's a trap!
LoL. I wanna see that. *giggle*

Oh, my!
Nothing's happening. How unexpected?

Did somebody not take care of her points?
Nicole's hair growth was quite the big-unwanted change I guess.
So, I'm sorry – not sorry, Lana, but you are out of points!
Though I really had hoped to see some punishment when tocing over your point range... *cuckle*
But why... Why is it not working?!
So mean! *giggle*

Oh my, look there! You seem to have gotten punished for that pink hair after all. Look at all that Anti-Karma.
As you can see, Lana has only 10 points left.
Lana 10 15
Nicole 40 10
Amara 60 0
Elizabeth 50 0
Vadim 30 5
Dylan 50 0
Well... it's A LOT of hair!
Why did I lose 70 points for Nicole's hair!?
And while I'm happy with this new look, I did not ask for the change either...

So unfair! 1
Liz's breasts were bigger to begin with, and you went for the double D, so your change was bigger. Also, Liz wanted those fun bags, while your girl was a bit reluctant. You also got some Anit-Karma for that btw. 3
Why did I lose 70 points. You only lost 30 for the same change, Dylan! 2
Vadim got only 30 points left...
Can you guys please stop talking about my breasts?! 4

Yeah?
What a fascinating game...
By the way, Nicole?
Transform or command?

Oh, come on! Really?
I've just been transformed by Lana!
There is always room for improvement, no?
So, what shall it be?

You just want to blow up these babies as well!
Not gonna happen! They are perfect as they are!
I choose command!
Well, since you are so proud of your boobs...
Why don't you "present" them to us while we are in here?!
-40
+5

Wait!
You can't be serious!
Oh, but I am.
Uhh... Look at that board. That was a close call! 50 points exactly!
Only 5 Anti Karma? I knew you were kind of a slut. *chuckle*
Bastard!

This can't be happening!
I don't want to do this.
Can we please stop the game?

Oh, god...

My hands are moving on their own!

Fuck!

I can't believe I'm stripping in front of my friends!

I can't believe I just did that!
Dylan, you are an idiot!
And I think you are not done yet. *chuckle*

No, no, no!
fidget
Darn! Getting this open is hard with all that hair in the way!

There! Happy?!
Very!

I can't believe you'd make me do this!
Wow!
Well... you kinda provoked it.
So my boyfriend can stop staring...
Pillow? To cover up?

But that's what games like Truth or Dare are all about... right?
This game got lewd quickly...
I should not have bought this game!
Thanks!
You are welcome!

I do look good... Flashing them once is not that bad, right?

What am I doing?!
Wah...

BOOBIES!
throw
Nicole!
Huh?
What the!

I can't cover them up because of the wording!
What did you do that for?

I have to present them to you guys while I'm here!
Dylan, you are an asshole!

Wish I could say I had planned that. But I certainly won't complain. *chuckle*

Dylan! Arggggh!
You went too far! Somebody gotta teach you a lesson, Dylan!
Yeah! Show that idiot!
Transform or Command?!

Go on! Give it to me Liz!

Why would you do that? And why do you sound so excited?
I command you to drop your bottoms and present your privates!

Hello, Hexxet here,

Now we are still far away from any sexual interaction, but I think the situation actually escalated quite fast while keeping the character's acting plausible… (At least I hope I managed to do that XD).

As you can guess from the last page the next chapter will be a bit dick-themed, but we'll keep it fun while the rest of the players lose eh use their remaining ToC points, and the game… ends… **or NOT!**

Transform or Command III

The game is escalating with Dylan having Nicole go topless. In return, Elizabeth commanded Dylan to drop his pants which is where we join our six students once again. As Dylan proudly presents his goods Nicole is pissed this seems to not embarrass him in the slightest and thinks of a stupid way to get back at him…

Featuring

Lana…	a female student, she and Liz found the game
Nicole…	a female student
Elizabeth…	a female student, she has a crush on Dylan
Amara…	a female student, Vadim‘s girlfriend
Dylan…	a cynic guy who crushes on Nicole and Lana
Vadim…	a very tall guy, Amara‘s boyfriend

Totally NOT fine with his girlfriend staring!
Oh, wow! It's big!
I've seen bigger.
Highly doubt that. This is premium D you are seeing here.
Oh, my! It's Dylan's cock! *blush*
This game is getting out of hand quickly...

Don't be so proud of that.
It's just cock.
Oh, don't be like that. You are staring quite a bit there.
Admit it. You love it.
Ok. Time to get you off your high horse.

That's cheating!
Will that even fit?
Oh, poor guy. Boohoo! How's the "little Dylan" doing now?

I really like Dylan... but I can't stop staring at that huge rod between Vadim's legs!
Still pointing, even though nobody but Liz cares anymore.
Oh, shut up, Nicole!

Does it hurt?

Moan

Now, where do you wanna cum?
Holy shit! That was amazing!
How about those freshly minted boobs of yours?

My breasts... I do you one better!
Boob Job, now!

First, let's get that rod all lubed up.
Oh, god, babe! That feels amazing!
This was way easier before...
GAK

Alright!

All slippery and lubed up.

Let's get that monster between my porn star tiddies.

Groan
How does it feel?
They are amazing! YOU are amazing!
You like it when I call them **porn star tiddies**, don't ya?

Groan
Do it!
Cum all over my pornstar tiddies!
Groan

Yes!
Let it all out! Give me that load!

Woah!
What a huge load!
He never came this much before!
giggle
Just look at this mess you made!

Wow!
That was... god this game really helped us out, didn't it?
Yup!
I literally can't wait for tomorrow!

But how are our other players fairing?

Nicole's student campus room.
I can't believe I flashed my breasts to them...
Now... let's finally get a good look at the new me...

Oh, Wow!
I look gorgeous with this new hair!

I wonder what we'll do tomorrow...
I never thought it would be this thrilling... to change people...

Elizabeth's mansion...

So far, I was just a stick in the mud...
I'm still too tall for most guys...

But now this stick got some melons on! *giggle*
I wonder how I will tell my parents...
Thankfully they are currently away... Let's see where this game leads us...

I'm a little scared... but I'm also looking forward to tomorrow...

Zzzzzzzz

Mhhh.. Oh, Dylan. Stop it. Uh... *moan*

I love you.

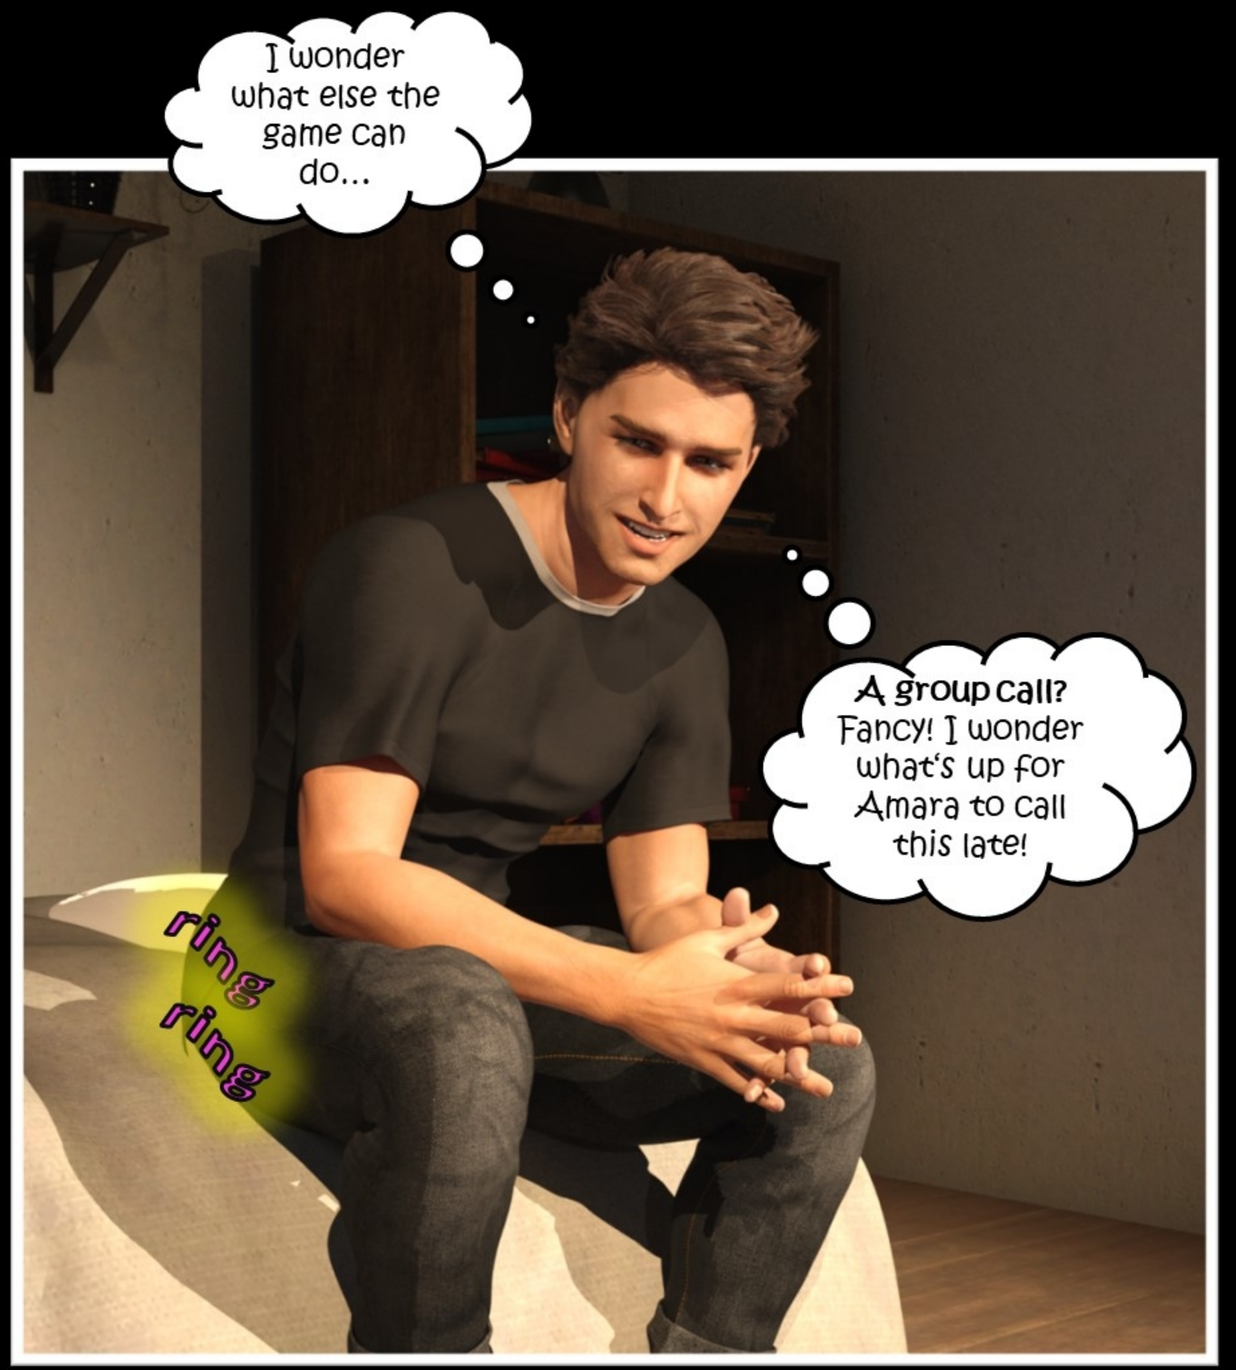

Lana's room at home...
I can't believe they were all picking on me!

Two minutes later...
Hmm... Maybe ... they were not so wrong...
I do look good as a blonde...

But I really don't get why they all want bigger tits...
These are always jiggling and getting in the way!
jiggle
jiggle
Previously not blonde!
I don't like being changed...
I don't want to play tomorrow.
I'll just skip out and stay like this!

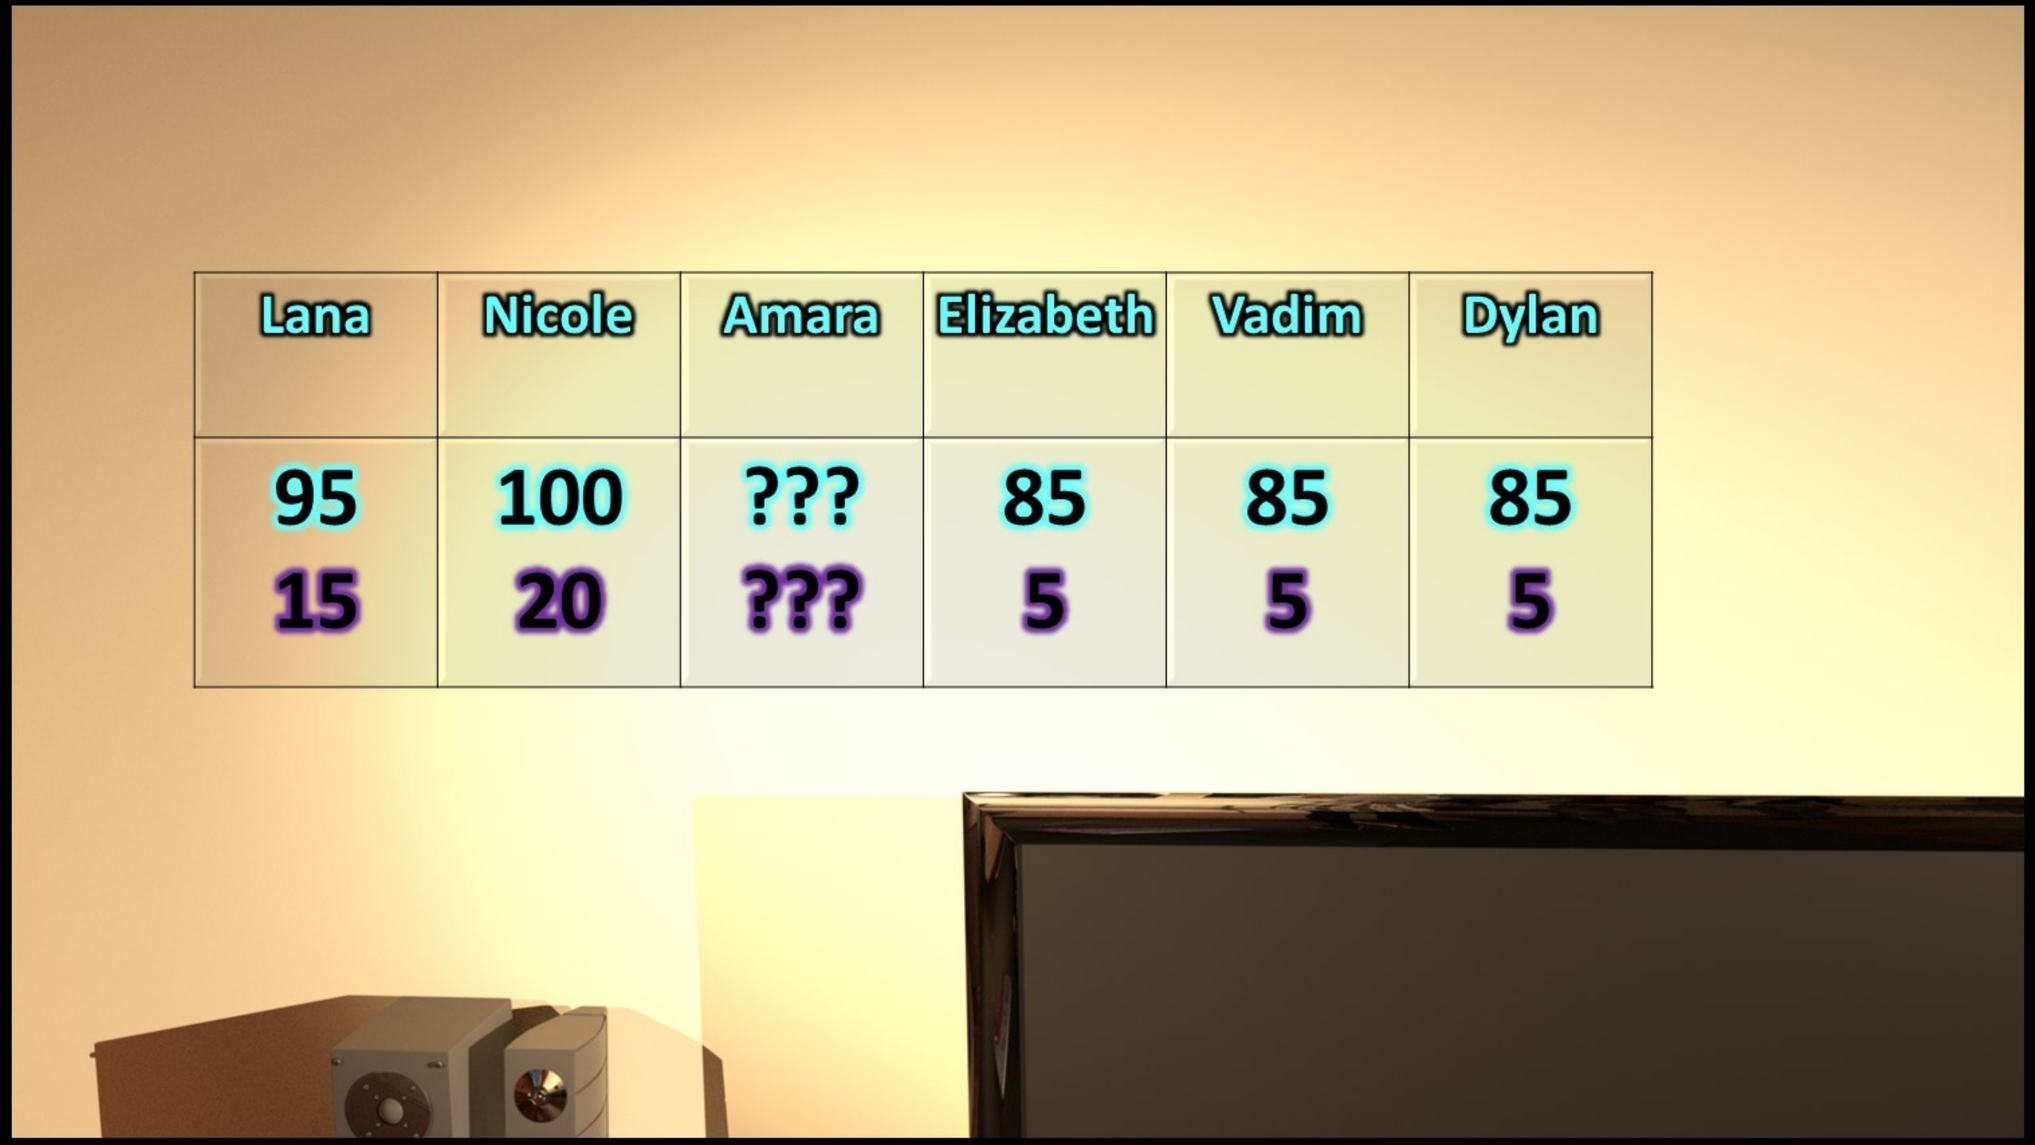

Dylan's student campus room.
Nicole has some nice boobies!
But... I guess now all of the girls do. *chuckle*
What a day!

I wonder what else the game can do...
A group call? Fancy! I wonder what's up for Amara to call this late!
ring ring

Can someone please go back to the frat room and look up the rules?
Guys! I need your help. The game is not over!
You did WHAT?!
Amara... what did you do?
I just...
Are you fucking kidding me?!
WHY!?
HOW?!
Zzzzzzz
Amara explaining her problem to the group but not to you, cause Cliffhanger!

Thank you for reading!

Hello, Hexxet here,

The first day… or rather evening of playing the game has concluded and the players enjoy their new benefits at home… But what did Amara do? Will the group finally read up on the rules in the next chapter? And can they beat the game together as a group? Or will hunger for power and intrigue bring the friends apart and turn them against each other?

Transform or Command IV

The first game night has brought about a few changes. Nicole now has awesome twin tails for hair, Amara has grown a bit in height and a decent amount in bust. Elizabeth got an upgrade in the Boob department as well and Vadim has grown down there… Oh, and Lana has been turned into a blue-eyed blonde against her will, but actually thinks it‘s not that bad once she inspects herself in the mirror at home. In general, everybody seems happy… until they all get a phone call… it‘s Amara… THE GAME IS NOT OVER! Oh dear! What did she do? Find out now as we follow Dylan and Nicole back to the frat room to read up on the rules while we see the events happening at Vadim‘s place in parallel. ☺

Featuring

Lana…	a female student, she and Liz found the game
Nicole…	a female student
Elizabeth…	a female student, she has a crush on Dylan
Amara…	a female student, Vadim‘s girlfriend
Dylan…	a cynic guy who crushes on Nicole and Lana
Vadim…	a very tall guy, Amara‘s boyfriend

Previously on Transform or Command...

After a long game night with various changes and commands, our player ran out of points and went home where they started to inspect their new goods. All of them rather happy with the results (even Lana) and some of them were getting new ideas...

Guys!
I need your help.
The game is not over!
Can someone please go back to the frat room and look up the rules?
You did WHAT?!
Amara... what did you do?
I just...
Are you fucking kidding me?!
WHY!?
HOW?!
Zzzzzzz
Amara explaining her problem to the group but not to you, cause Cliffhanger!

Back to the present… kinda.

We will now follow Nicole and Dylan back to the frat room as they study the rules. But, there will be many pages of flashbacks showing what happened at Vadim/Amara‘s place.

Dylan and Nicole meet in front of the frat room where they left the game. They were the only ones to follow Amara's call since Liz was deep asleep and Lana was living too far away without a bus at this hour of the night.

Can you believe it?
Thanks...
Well... If you asked me yesterday morning I would not have believed seeing you with that kinda hair either... Suits you very well by the way.
But that... Even if the game was capable of doing... that... there were no indications when we played before that such a change would be affordable. Even with maximum points.

But speculating doesn't help. Let's get in there and study up on those rules.

Oh, no!

No, no, no!
This can't be happening...
Ha! There it is!
You'll laugh and cry
Fuck!
You can not ToC somebody who just ToCed you within 10 minutes.
Unless you've been ToCed by somebody else in between.
Yup. This is the rulebook.

You can not ToC the same target within a time frame of 15 minutes.

Somebody really thought this through. There is quite some text in here.

You better sit down...
OH...

I'm sorry!
Yes! Of course!
gulp

Let's ignore my state of dress and focus on the rules... okay?
blush

A game Of Transform or Command ends after 10 days!
Changes will persist after the game is over!
Look here: The game also ends when more than half of the players decide to terminate it. In front of the board.
Don't say that out loud, girl!
Phew Okay, that should be no problem then...
Damn girl! Those are some fine boobs.
Obviously staring at Nicole's breasts.

punch
Hey!
Sorry!
Quit ogling my boobs and focus on the rules!

Oh, boy...
I've got a big dick!
This game is awesome!

What are you working on?
My change list!

This game really works!
And there are so many things I want!
So, I'm making a list. Prioritizing changes etc.
Duh! Some more inches of course! I'm still small!
Your what?
chuckle Okay... What's on top of the list, babe?

After some reading, Nicole and Dylan decided to study the ToC Board on the wall...

They are talking about this number!
Huh?!
How... how the hell did that happen?
That is a lot of Anti-Karma!

I don't think you can do that... unintentionally...
But why the fuck amass Anti Karma?
And how did she do it?

I just had a really great idea!
You still have 10 points left, after all!
Chose transform. *wink*
Transform or Command, love?

I don't like that gleam in your eyes babe...
Babe? The game is over...
... Transform?

Brilliant!
Now shrink down to half your size!
Bloop
+15

What?!

There!
If you do not have enough points a change or command will not go through. Anti Karma will be applied anyway.
You mean when you tricked Lana into doing a change she could not afford.
Duh!
But it was hilarious when she fell for it.
giggle
Yeah!
We saw that when Lana tried changing my hair color.
You saw right through me.

What was that about? You want me to be a midget?!
Are you crazy?!
Calm down, love.
It's the perfect command for my plan.

My football career would be over at that size!
This would be literally the worst that could happen to me!
And that's why I said it!
It's a huge change, so it could never go through.
And you hate it. So, I can build up Anti Karma!
And once I have enough Anti Karma you can change me some more even with your remaining points!

The cost equals 10 + 10 x [size-level] x [like-level].
Each Transformation or Command costs ToC Points.
What's a like or size level?
Commands and transformations can be classified into 4 size levels.
Where level 1 equals a very small change or a reasonable command.
I guess this includes change of hair color or asking your boyfriend for a kiss.
And level 4 – anything goes...
ELEPHANTOONS
You'll laugh and cry

And the like-level?
Corresponds to the targets feelings towards that change or command at the time of the ToC.
Hint: It can be a valid strategy to first convince a target of a changes benefits...
Level 1: The target approves of that change or likes doing that command.
Level 4: The target absolutely hates what you make him/her do or change into.
So basically... the bigger a change or command and the more the target hates it the more expensive a change.

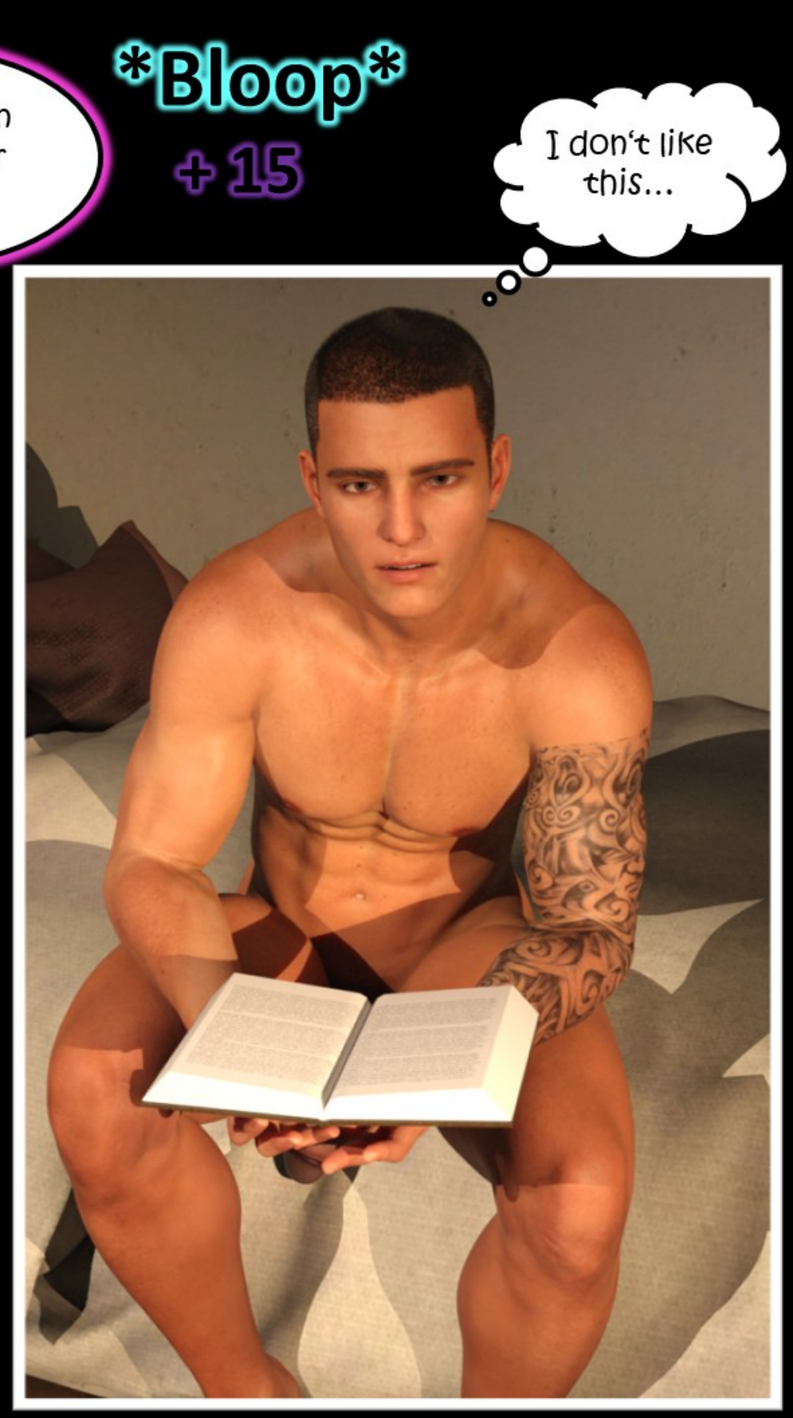

Alright.
So, Amara used some high-cost commands to gain Anti-Karma.
But... so what?
It should have no effect on Vadim.
Correct.
Except... there is also Anti Karma.
The amount of Anti Karma you obtain from a change is determined by 5 x ([like-level] – 1).
Subtract a target's Anti Karma from the ToC cost of any change or command.
Anti Karma can not exceed a limit of 90.
So, yeah.
It would only make Amara more susceptible to ToCs...

Transform or Command, love?
sigh Transform.

Shrink down to half your size!

I don't like this...

At this point, Amara has popped the question various times on him already, and it really annoys him.
sigh Transform.
Can we please stop this?
I really don't like it!

Scared?
I think you'd look adorable smaller than me! *giggle*
And don't tell me you wouldn't like the view!
Just imagine how big my new Porn Star Tits would look like from down there.
Damn it! Now, I'm horny again!
scoff

The game resets at midnight.
Each player's ToC points are reset to 80...
PLUS Anti Karma!
So, while Anti Karma does make you an easy target it also gives you more power in points!
Yup!
So... I assume Amara was doing whatever stupid she was doing...
And then...
BAM! Midnight!

Amara was still typing down her list, thinking of new changes she wanted to receive while Vadim watched her gorgeous bottom... thinking of her new enhanced breasts... which led to...
Hey, babe. How about another round?
Your sexy curves really turn me on.

Intriguing... But First.

And that... is a total mood killer...

The game is not over!

Yes, that is what I said!
"Help, I shrunk my boyfriend!"

Fuuck... Look at that ass...

No, I'm not kidding!
He's standing right in front of me.
His head barely reaches up to my hips!

When she's sitting down my head's exactly at the height of her boobs!
Gulp They are huge!

Wow!

Everything will be fine. Dylan and Nicole are on their way to read up on those rules.

We'll have you back to normal size in no time! Promise!

Amara turns around - not able to look her poor boyfriend in the eye any longer. This in turn confronts Vadim with an impressive backside view.
Oh, god, oh god, oh god.
Wow!

Amara?!
Yes, love?
Transform or Command?

What?!
You can't be serious?! I mean... in this kinda situation?!
My change list can wait until we have you back to normal size, really Babe!

The End.

Thank you for reading!

Hello, Hexxet here,

That's quite the mess Vadim is in. But surely once Dylan and Nicole finish up reading the rules the group will find a way to restore Vadim to his original size. But what about Amara? Is Vadim really about to help her check off her change list? Or does he have his own agenda with his cheeky and now, in comparison, huge girlfriend? ☺

I wanted to choose transform!

Amara is not too thrilled about fucking her midget boyfriend... Or is it just the situational stress?

I should be careful and keep my options open in the future...
So, far I've been commanded once...
So, if you choose transform twice, the next time you are ToCed it defaults to command?
Well, I guess it keeps the game fresh...
You cannot choose the same option more than twice in a row.
Yup, and vice versa.

You can't be serious!
I mean... you are tiny!

This is ridiculous...
Let's make the best out of a bad situation!
Will it even work?
Sure thing! My dick's the only thing that did not shrink!
That dick is fixed to 10 inches by a ToC. Only a ToC directly targeting that cock can change it again.

I don't want to hurt you.
Are you sure about this?
Hell, yeah!
Oh, god... I can feel my body move on its own already!

Nervously Lana starts walking up and down in her room. Her place is too far away from the university and there is no bus at this time of the night.

Hint section:
Aside from your typical body transformations you can use the transform action to permanently change memories or personalities.
The Command action can be used to install reoccurring commands or triggers forcing a target to always do something under certain conditions.
Once you have enough points or your target has enough Anti Karma, there is basically no limit to what you can do to your fellow players!

There was a passage stating it was used to resolve conflicts in ancient times...
What is this game?!
Resolve... by turning the other party into your slave or what? *Chuckle*
Ha...ha .... ha...
She's saying it like a joke... but that's probably exactly what the rule book meant...
So, with Amara having maxed out her Anti Karma. She gets 170 Toc Points every midnight.
And with that, she could literally do anything to us!
Holy shit!

I wouldn't mind Nicole being my slave...

I don't have enough points for a limitless change...

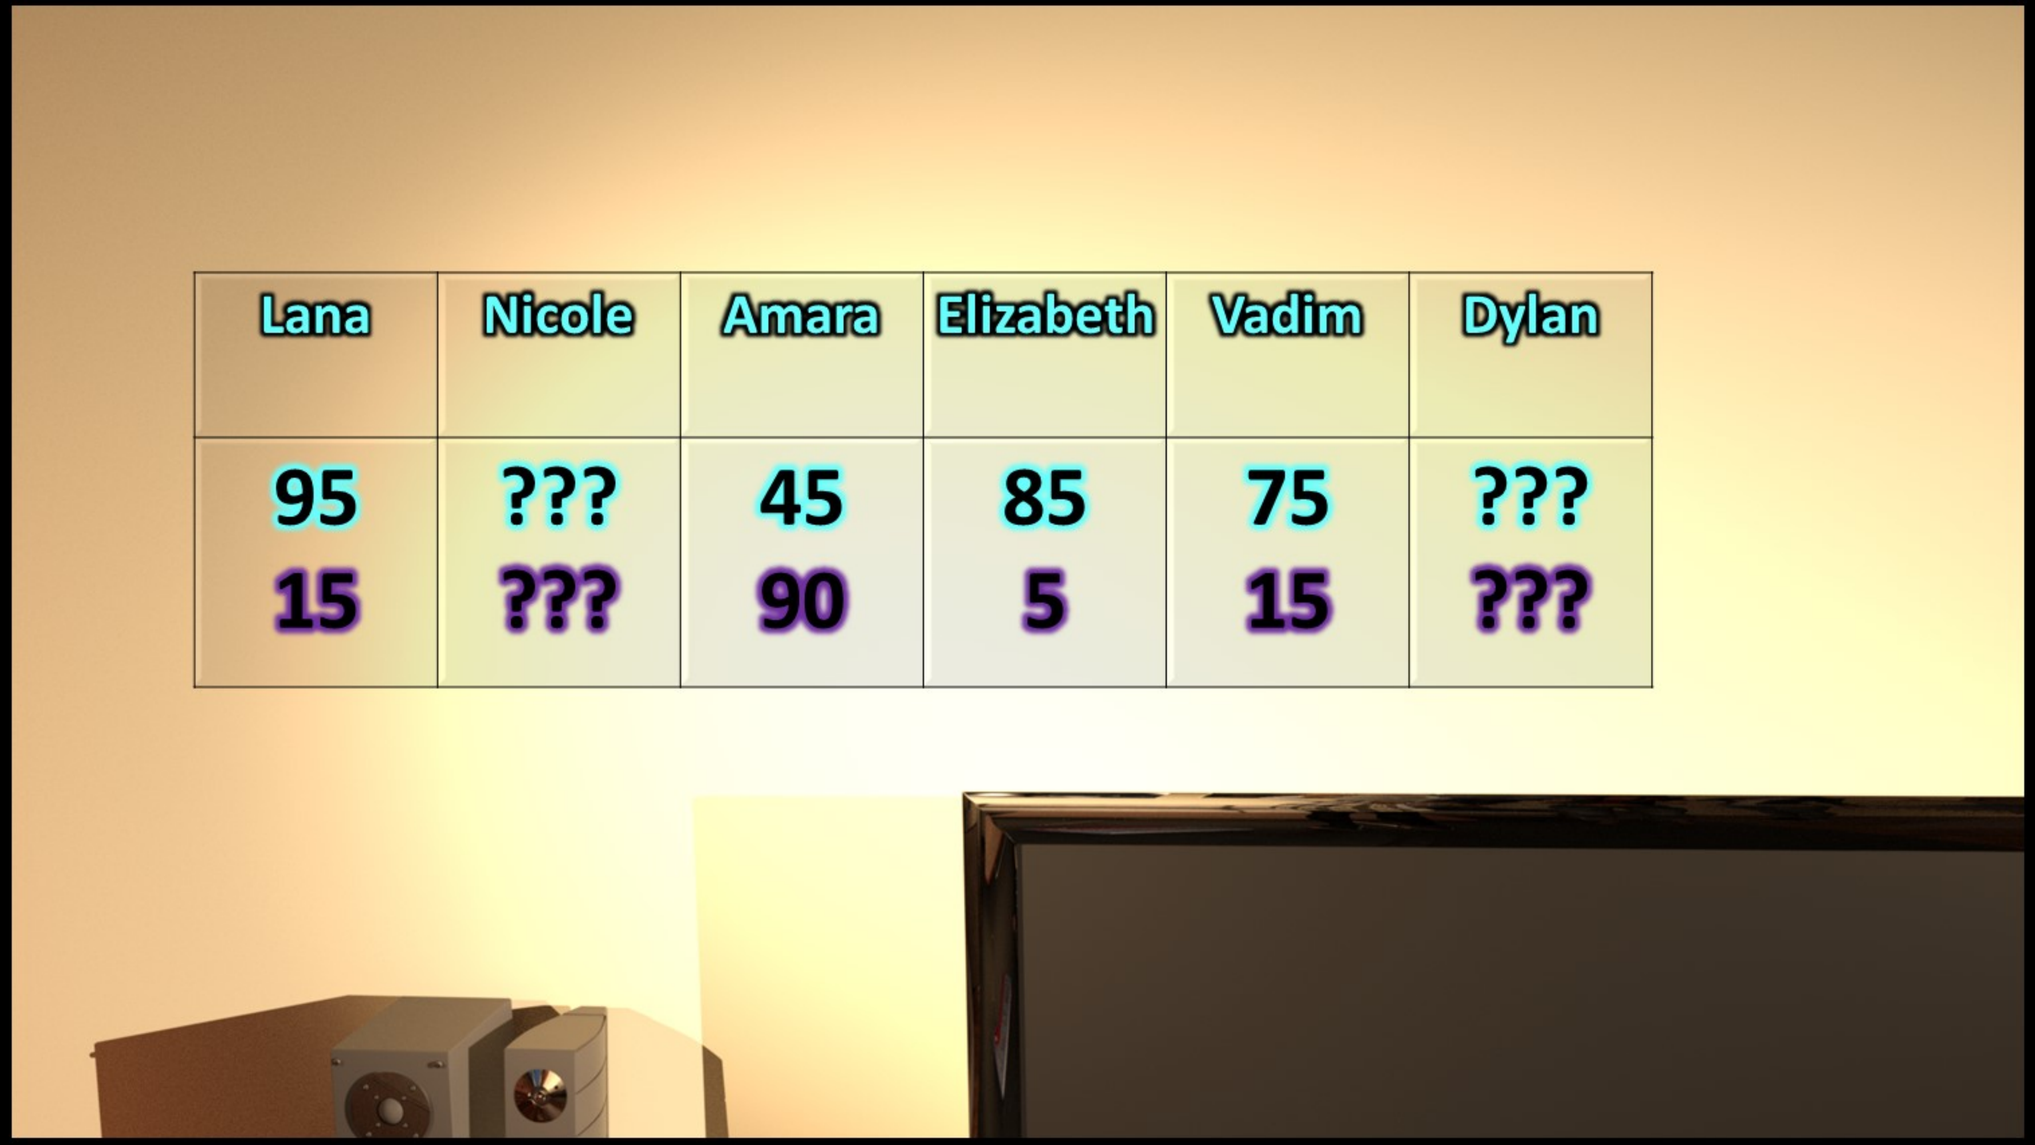

Look at those boobs... I've been horny this whole time... Maybe I should just...
But it should be enough to have some fun...

Both our players jump up at the exact same time facing each other...
Transform or Command?
Transform or Command?

Who will prevail? And what do they have planned for each other?
Transform or Command?

Previously on Transform or Command our two rule-knowing protagonists come down to a similar train of thoughts...
I wouldn't mind turning Nicole into my slave...

We continue from here...
Oh, no!
He ToCed me?!
Was he faster than me? Do both count?
Do I need to choose? What shall I choose?

No fricking way!

Who was faster?

Fuck!
Do I need to choose? What will she do to me?

Oh, shit!
I... I need to choose!
No clue what she's about to do... But I don't wanna get transformed!
Fuck!
I choose command.

Nice!
So mine was first, and since you can't instantly ToC the person who ToCed you his got canceled!

Looks like I win. *chuckle*
What... are you going to do?

I don't like that smile...
You'll like it!
Oh, don't you worry.

You've been staring at these the whole night...
You'd like to touch them, don't ya?

Those are some fine boobs.
It does not really matter who's in control as long as you get your hands on these, no?
Nicole's using the trick from the rulebook to lower the ToC costs of her upcoming command!
Where is she going with this?
I guess?

I command you to be my love slave for the next hour.

Oh, don't act so shocked. As if you were planning to do anything else to me. *chuckle*

Oh, don't get too egocentric. *chuckle*
Stand at attention!

This really is all about the control - not you...

So, what... you are just gonna rape me?

Harsh words! But according to the board and that Anti Karma you do not really object.

Now, get hard!

But it's not half bad. If a hot girl's into that... I'd play along anyway...
Don't be shy now. I've given you an order.

Diligently Dylan removes Nicole's pants.

Now my knickers.

Take them off.

You like that, don't ya?

Now smell them!

That's it! Keep doing just that!

Quite some time later…

Alright. That's enough.
I'm ready for the main course.

And judging from your hard-on you are ready as well. *chuckle*
Hasn't gone down ever since Dylan was commanded to get hard!

Now come on, big boy. Put that dick in my juicy pussy.

Oh, fuck, yeah!

But be gentle! Not too fast!

Following Nicole's instructions, Dylan slowly starts probing her pussy with his dick before gently putting it in...

At the same time – Nicole facer cam...

Oh, yeah.
Put it in.
Give me

Thank you for reading!

Hello, Hexxet here,

So… this was probably not the chapter you were hoping for. But ToC is a successor in spirit of GoC (A Game of Change) and we had some FD elements in there as well. Also, I think it is important to show a girl is capable of taking over from time to time to keep you guys on your toes such that Dylan's revenge over Nicole feels all the sweeter (once we get there ^^).

So, I hope you guys are not too mad about this FD–flavored chapter. Poor Dylan will be a target once more at the start of the next chapter but from there on out we will get some more MD in. Though… Nicole will remain a dominant opponent with the option for an alternate FD ending at some point. Also, Vadim, at his current shrunken size, might have discovered his taste for having less power… We will see how future chapters are going to develop ☺.

Previously on Transform or Command Nicole has temporarily taken control of Dylan. And just as we thought it was over...

We continue from here...

There is no need for you to remember what we did in here.
What?!
Once that one hour of control over you ends, I want you to forget everything that happened since I ToCed you.
-??
+??
Now stand up.

You think I'll let you run around bragging about fucking me?
Why?!
You won't remember the taste of my delicious pussy. *giggle*
You'll have no clue what I sound like when I moan. *chuckle*

And also... No memory – No retaliation! *chuckle*
Oh, boohoo! Now get dressed.
Oh, come on! That's unfair!
grope

Didn't we both enjoy it?!
Oh, don't worry.

I certainly did enjoy myself.

That feeling of power.
Having total control over another person?
I've never experienced such a rush!
It was ecstatic!
I've never been this wet! *giggle*
And I don't plan on stopping!
What are you planning?!

Ha-ha! Revealing my big plan like some cheesy supervillain?
Well... I guess I can. You forget it soon anyway! *chuckle*
I will use the game to take over our little group one by one.
Once I have one of you under my control, I can command him or her to use her points for my goals! Making this even faster! Muhahaha!
But... aren't we friends?
Oh, don't worry. We'll still all be friends.

Fuck!
I'll enjoy myself with one or more of you! It will be great!
And every so often... when I feel frisky...
But behind the shadows, I will make the big decisions. *chuckle*

Damn! She hatched a really big plan...
While all I was after was sexual relief!
And once I'm your secret mistress, we can invite even more people to another round.
Now that we know how the game works it should be easy tricking them into becoming my slaves.
I'll be a queen! *chuckle*

You... really thought this through...
I know!
And now it's time to forget. The hour is up.
Snap

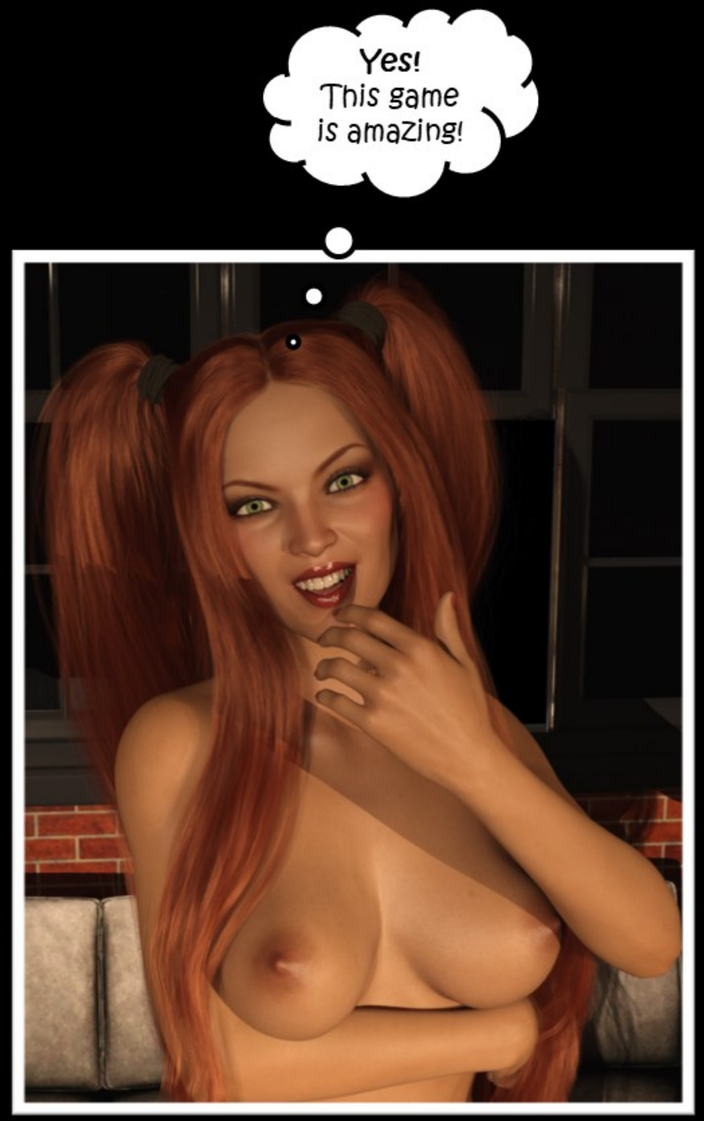

No!
Please! I...
Uh...

What were we talking about?
Nothing important. *chuckle*

Are you feeling alright?

You look confused.
Ha-ha! It worked!
And it's getting late.
Must be from reading all those rules
Yeah. Sorry. I spaced out for a sec.
Let's go home. Hit the bed.

Yeah, let's...

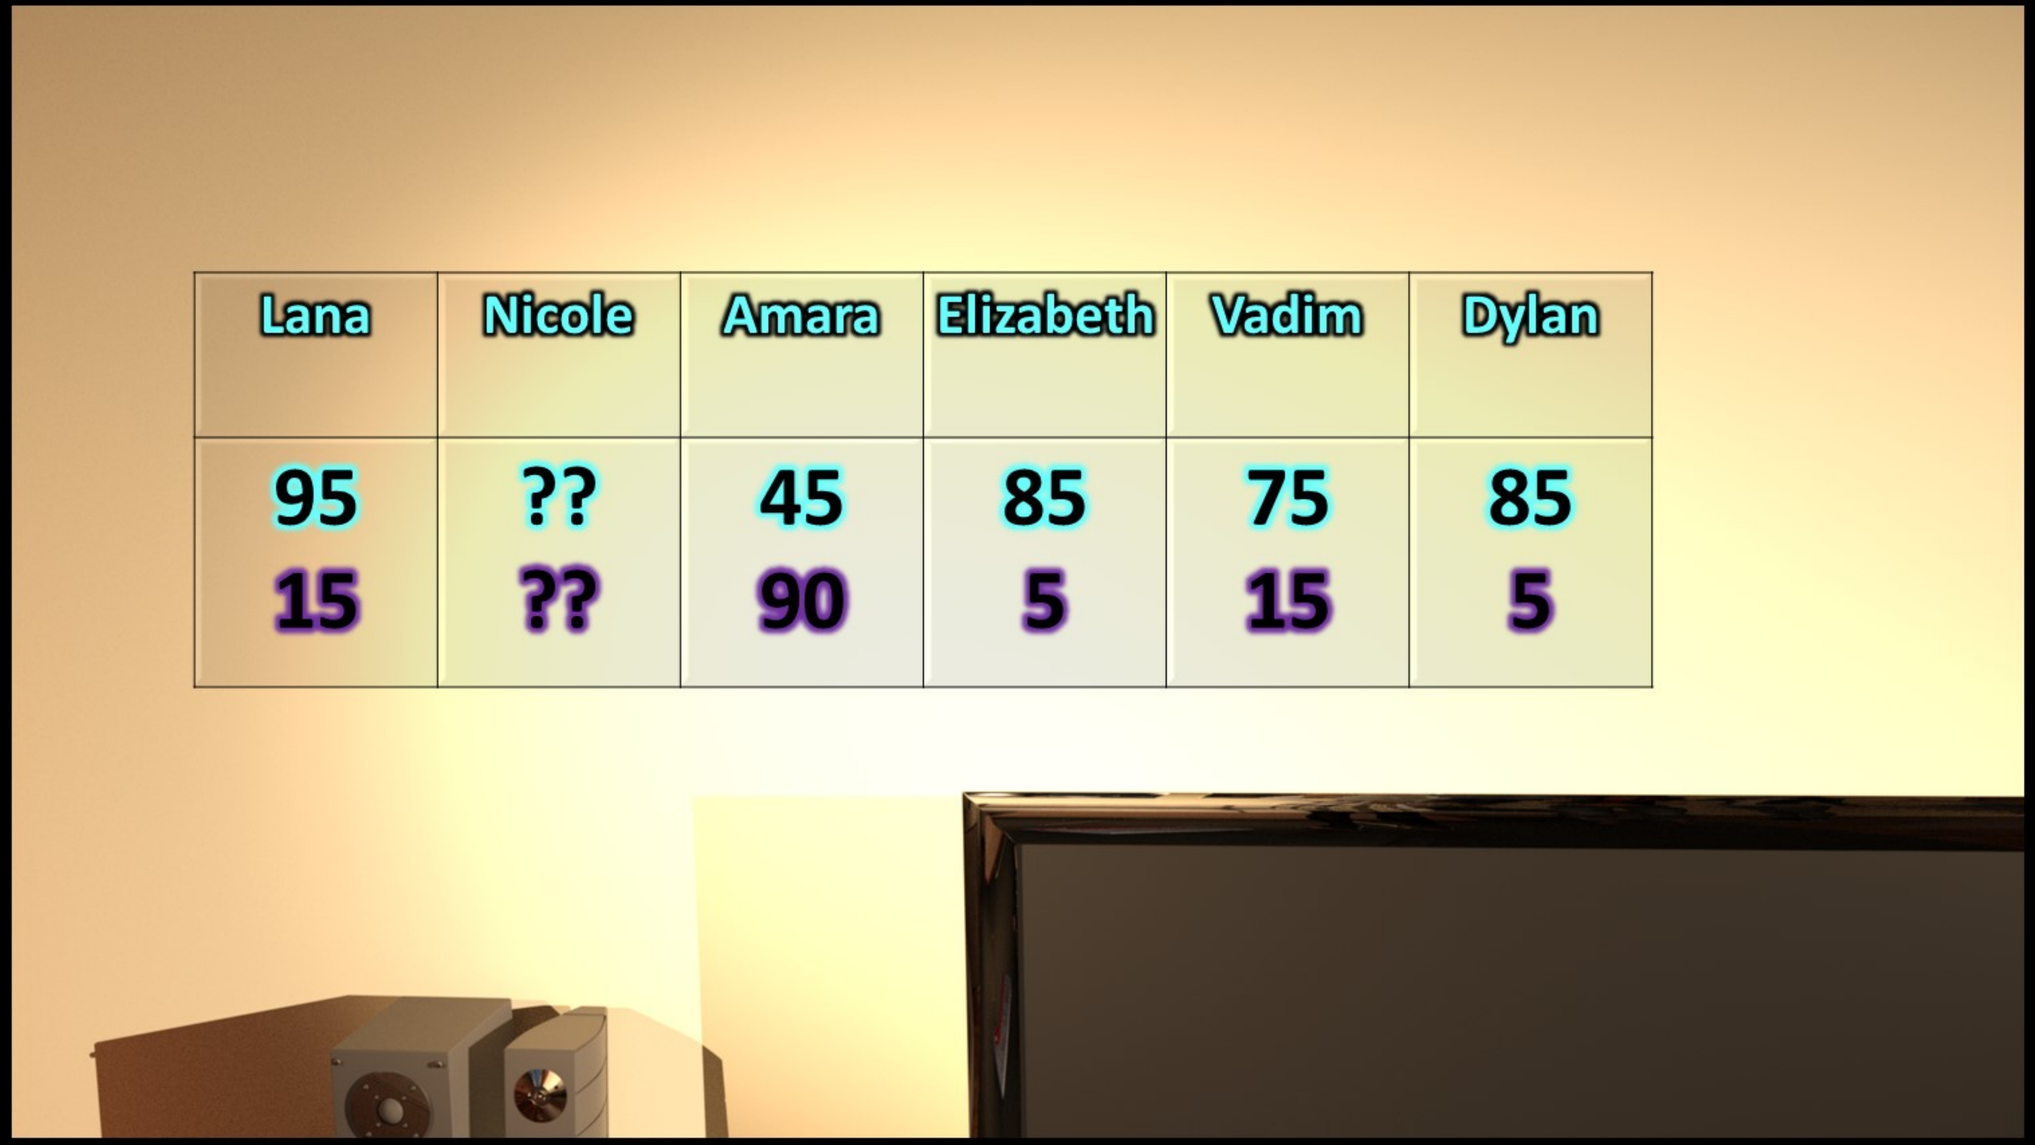

Yes! This game is amazing!

He got no clue!

And all of this did not even cost me that many points!
Wonderful!
Taking a look back at the ToC Board on the wall.

Yawwwn
Morning.

Wow!
What a view!

I could get used to this...

suckle

Hey!
Stop that!
What's wrong babe?
Not in the mood!

We could change that with a ToC...
Don't you dare!
Fuck! I've got no bras for these!
Gotta attend today's lecture. Need to dress up.

Uh, yeah. I should get ready for training.
We've got a big game coming up next week.

Are you fucking kidding me?
You are not going out like this!
But the game...
Could you even catch a ball like that?!
What would your buddies say if they saw you like this?!
I'm sure I could!
Alright alright! I stay in...

Alright, babe. I gotta run.
Missing training sucks...

Don't worry too much. I'll meet up with the guys.
And we'll have you back to normal in no time!
Thanks, babe.
Goodbye kiss?

God! He's so small... except for that ridiculous huge cock...

kiss

See you soon. Don't do anything stupid.
Stay inside!
Yes, yes! Just hurry.

Man, being small sucks...
Boobs...
But it also has ist perks...

Moments later down at the bus stop. A lone man is sitting on the bench seemingly waiting for the bus as Amara approaches the station.

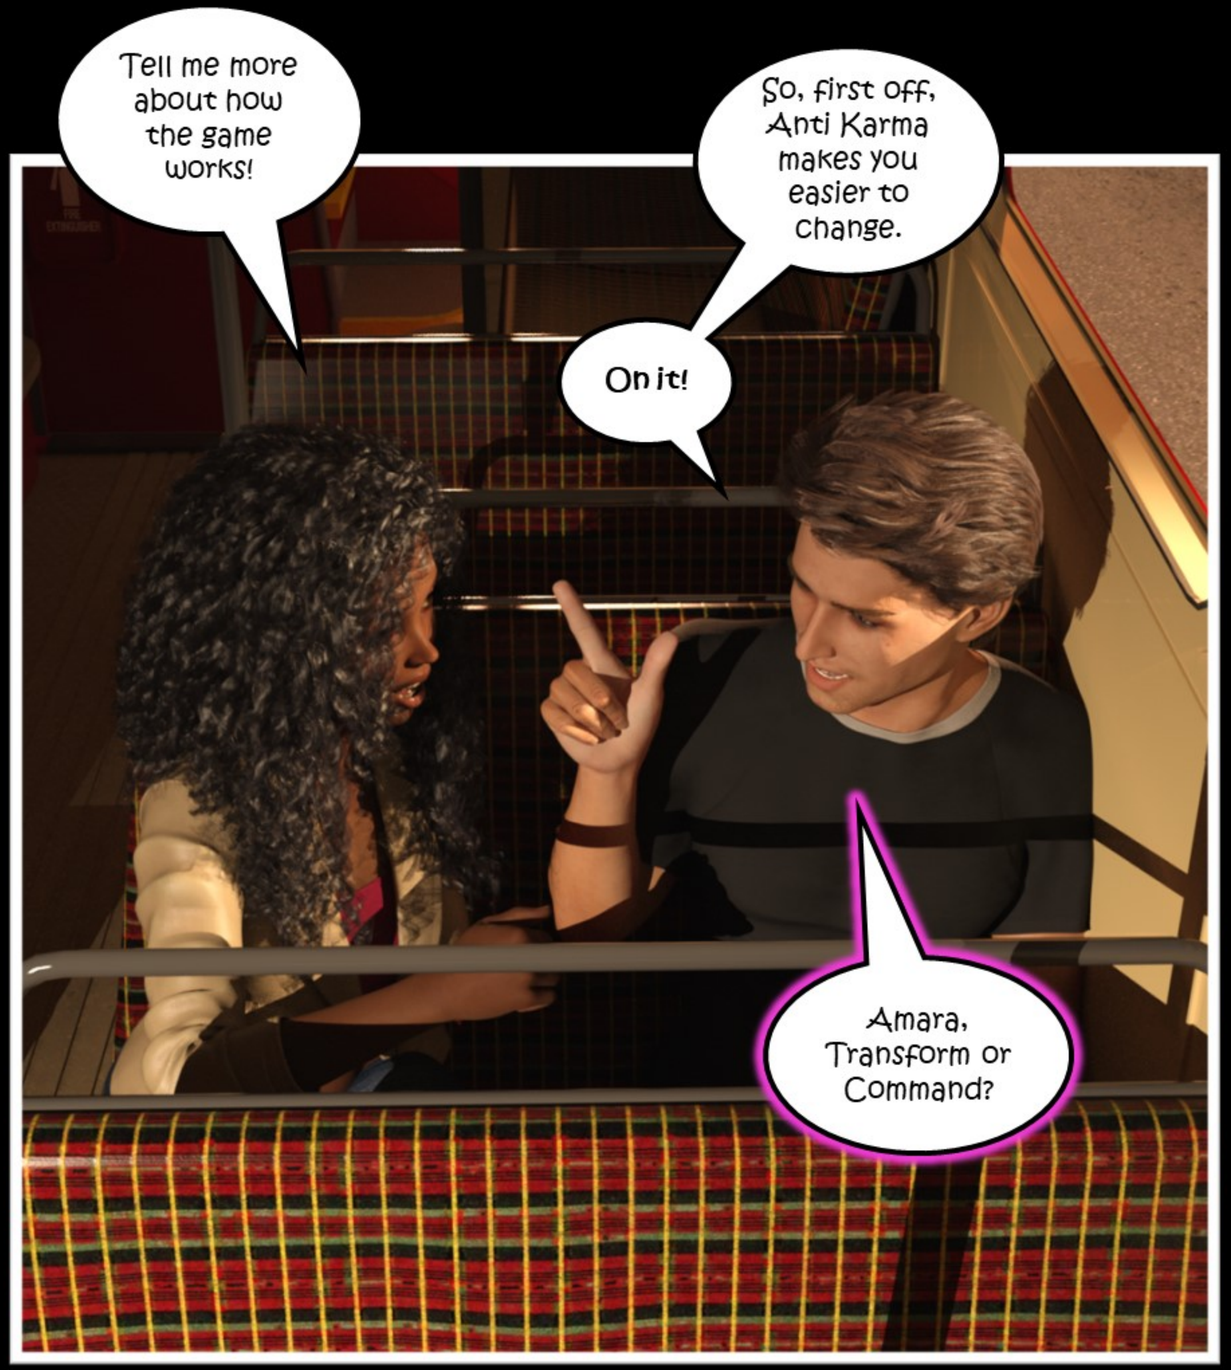

Hi! What a coincidence!
Finally!
Yawn Morning!
This is perfect timing. I really need to know more about those rules. You read them, right?
Sure!

We need to get Vadim back to his normal size!
Please, don't tell me changes can't be reversed!
Why would you think that?
I see... Don't worry. There is no rule against change-backs. But one needs to address them directly.
Cause while his whole body shrunk his cock remained at ten inches!
He also used a command action on me and... I don't want to talk about it!
Phew! What a relief!

Tell me more about how the game works!
So, first off, Anti Karma makes you easier to change.
On it!
Amara, Transform or Command?

Hey, not fair!

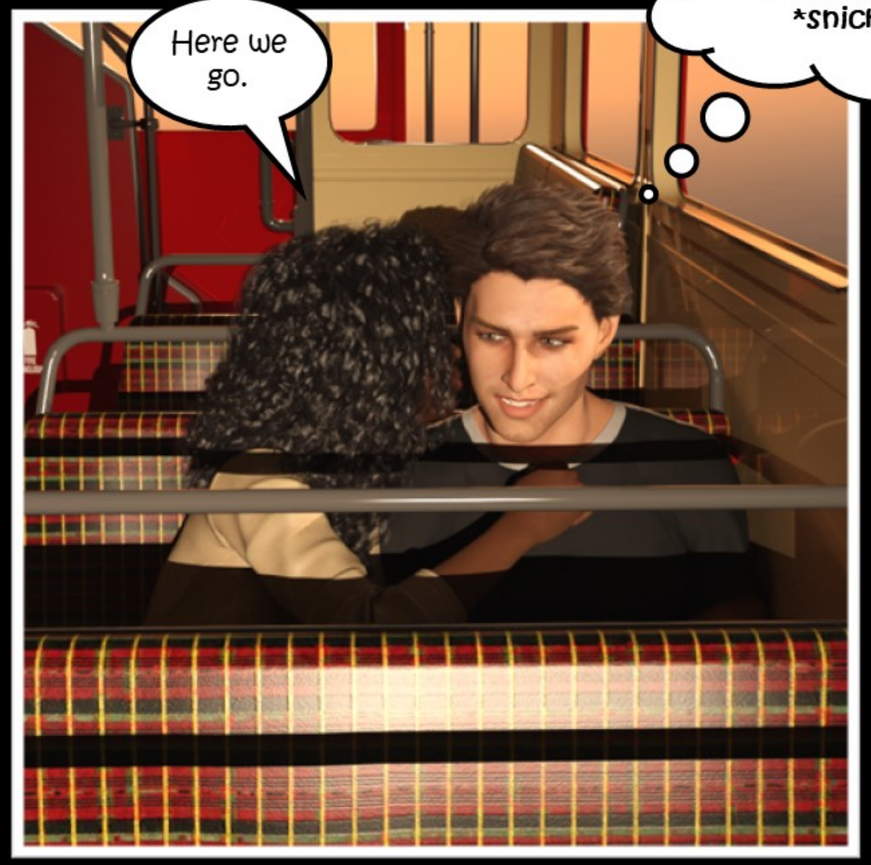

He won't have me do anything too humiliating, right?
Don't make me do anything silly in public!
Fine! I choose "Command".

Don't worry. This is just to showcase.

-0
+0

Just give me a peck on the cheek.

Phew
You had me worried for a second.

Here we go.
You choose command... and Vadim used a command on you previously...
snicker

SMOOCH

There, happy?
giggle
Oh, yes. Very hot!

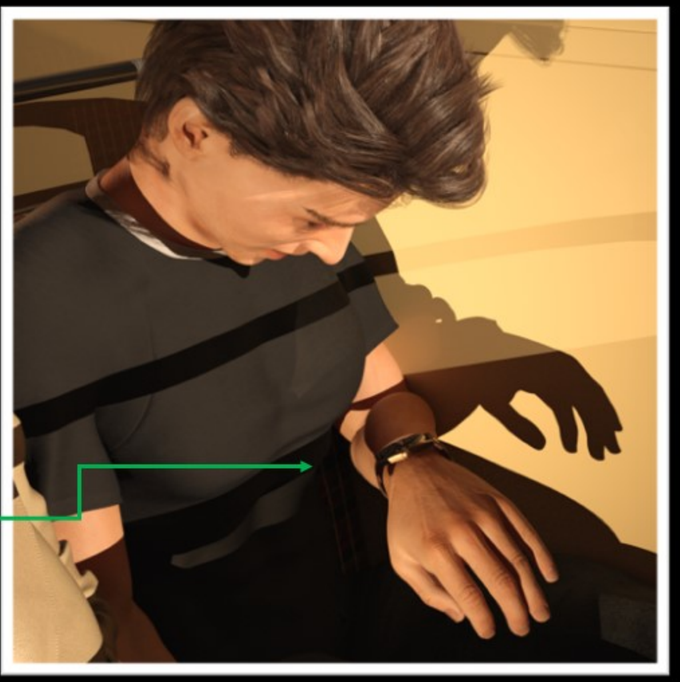

So, this little command did not cost me anything.
Cause it was only a small one you did not hate.
And of course, because of your maxed out Anti Karma.
Yeah, 90 AK is max. You can't amass any more.
I figured that much out...
Though I did not know I was maxed out.

On midnight our ToC points reset to 80 plus AK.
But that's not all about Anti Karma.
...Hell, Yes! That means I'm super powerful. Right?!
Correct. Though you blew most of your points on Vadim's change.

But once midnight strikes, you are back to full power and can basically change one of us any way you like.

Cool!

Dylan is repeatedly checking his watch...

Everything alright?

Oh, yeah... all good...

You are checking your watch a lot?
Isn't there more about the rules you can tell me?
chuckle Actually, this is about one of the rules.

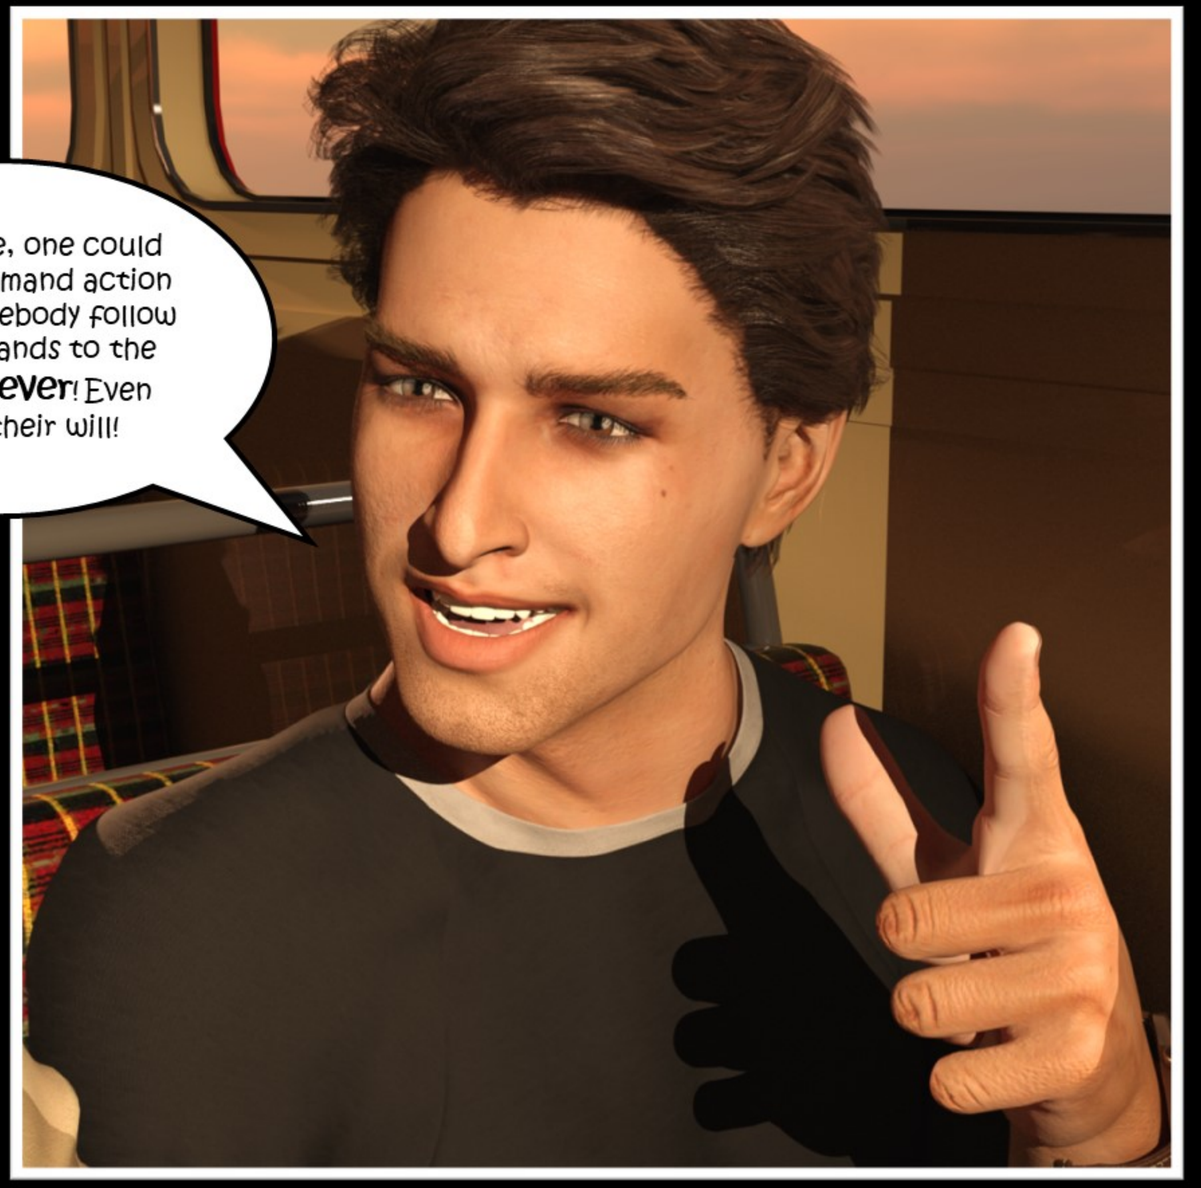

You see, one cannot ToC the same person twice within 15 minutes.
Okay. So, what?

So... Transform or Command, Amara?
I choose... Transform! ... Fuck! Why did I?
Oh, come on!
I'll just choose command again.
Oh, and by the way. Next rule: "One can only choose the same action twice in a row."

Okay...
Make me a little taller, I still could use a little more height.
That would be one option...
But you see, the game was designed to completely dominate others...
And with 180 points, one can do basically anything.

FUCK!
But you don't have 180 points...
On you, with all that Anti-Karma, I do. *smirk*

Stop it! You are scaring me!

For example, one could use the command action to make somebody follow your commands to the letter forever! Even against their will!

Don't worry! I'm not that kind of guy. I don't want to make you feel bad.
Also, this is a Transform action.

So, you won't mind at all.
You'll love being my slave.

Huh?!

What?!
I want your brain to transform in such a way that you become my devoted, obedient, and loving slave.
-80
+15

You
can't!

Surely this won't...

...work...

I...
won't...

Ehh...

Amara stops talking...

Her expression relaxing...

Her mouth slowly closing...

As the transform action reforms her brain...

Turning her mind and thoughts to comply with Dylan's request...

Turning her compliant...

Obedient...

And totally in love with her new Master.

Did it work?

Yes, Master!
I love you with all my heart and soul!

You are not mad for turning you into my slave?
No, way! It's like a veil has been lifted.
I am all yours, Master! And I love it!

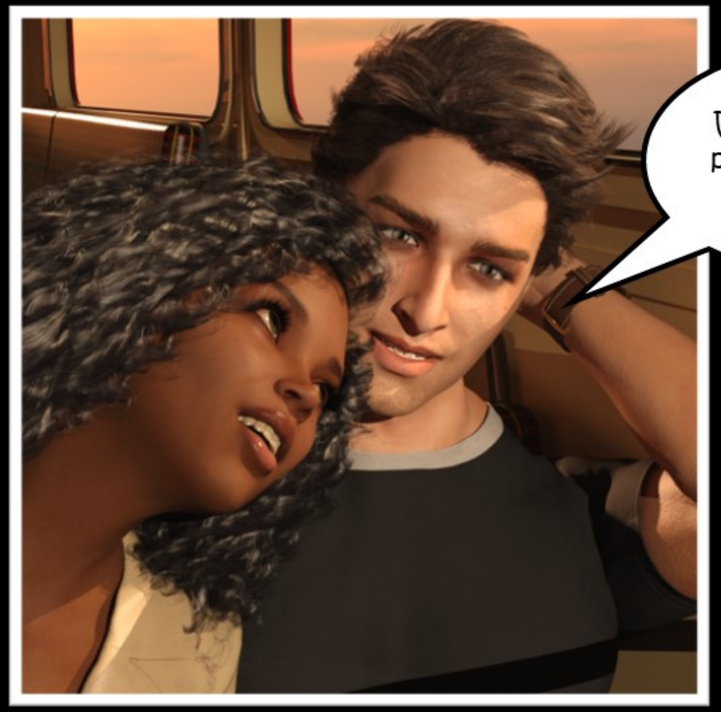

Anything!
And you'll do anything I say?
Kiss me. Passionately!

Mhhh
My pleasure,
Master.
lick

Tongue kiss

You'd even leave Vadim for me?
Of course! One word from you and he's history, Master!

I don't care about Vadim. Master is all that matters.
Don't worry. I really don't hold a grudge against him.
But I need you to fulfill my goals.

With your 180 points you will be my nuke.

Yes, Master. I'll be your nuke.

Too bad you are out of plutonium right now *chuckle*... So, we'll have to wait a day before we act...

But then... I will get my revenge on her!
Nicole will regret what she has done to me!
And revealing her plan to him which he is now copying!
grope

You see... she made me do things
I was totally at her mercy!
And then she wanted to make me forget it all!

You will forget it all...
BLOOP
+ 15

Why, Master?
But her ToC failed, and I played along to fool her!
You know why her action failed?

Brilliant, Master!
Because there is nothing, I'd hate more than to forget a pussy I have fucked!
So, she did not have enough points for that!

The time of revenge is neigh...
But... Nicole or somebody else might notice my loss of Points on the board...
So, to avoid suspicion, we need to do something that explains it...
You'll love anything I do to you, right?
Of course, Master!
I'd love for you to change me in any way that pleases you!

Great! Amara, Transform or Command?
Please choose "Transform".
Yes, Master! I choose "Transform"!
The End.

Thank you for reading!

Hello, Hexxet here,

So, I hope you liked that little “double twist” of Nicole trying to wipe Dylan’s memories but instead ending up serving him a new plan on the silver platter.

Note that I decided to have Dylan use the transform action to enslave Amara. I did this because I think it should not be possible to command somebody to change their feelings/beliefs. You can command them to act like it but you can’t change it for real. Only Transform can change such stuff. Also, this way there is a clear difference between the brute force Command approach Nicole uses and Dylan’s smoother Transform approach. ☺

Sorry, for dropping your package.
Please open it and check for damages.
Gulp Nice hotpants!
Though, I'd really like to know what happened to you... how can it be that you are this small all of a sudden?

Urgh... Short version... I'm undergoing an experimental treatment...
yeah... for my sports scholarship!
They shrunk you for sports?
She's taller than Amara... I feel even smaller around her!

cough Yeah!
It's like... the training pays more off when smaller.
And the muscle mass translates to when I'm made tall again.

Wow!
That's so fricking Sifi!
I didn't know science was already this far...

He looks so cute at this size!

This too part of that experiment?
Nah... that's all homegrown... just did not shrink with the rest of the body.
Totally lying about his original dick size right now!

That's really impressive.
You... *gulp* You think so?

I've never seen such a big one... not even online!
Err... Yeah. I'm.. Very gifted...

But damn... that was soo hot... Being small like that doesn't feel bad at all... *chuckle*

That's a lot of cum!

A short bathroom break later, our delivery girl is ready to leave.

And if it doesn't work out with the "unshrinking" I mean...
Think of me! I really like the whole package.

What a strange girl... But wow!
Okay... I'm getting hungry... time for an after-sex snack!

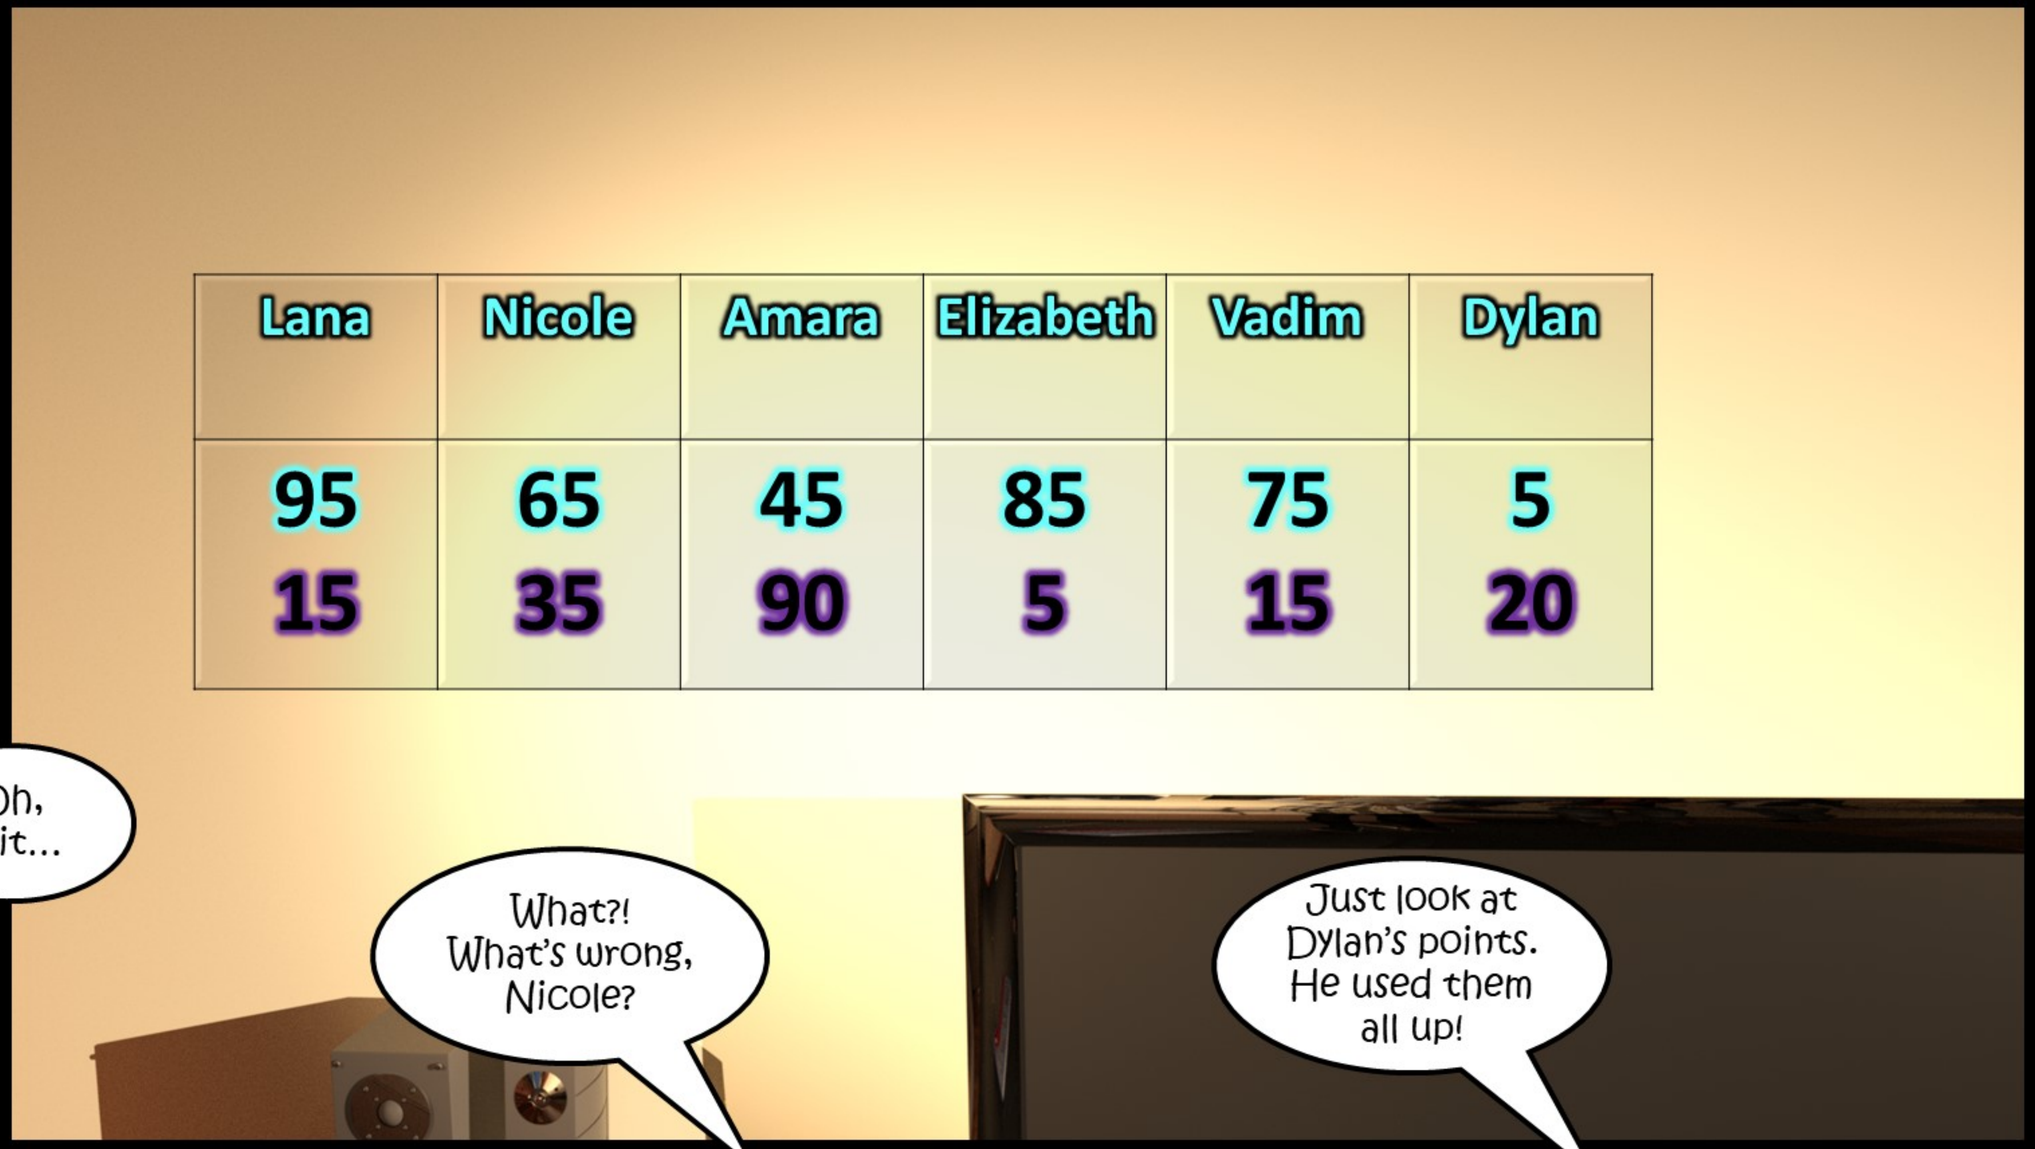

Nah... fuck...

Dylan! How could you?!
It was an accident!
I did not expect it to go this far!
She said she wanted to go really tall... so I complied...
But with Amara's Anti Karma the game kinda totally went nuts with the height change.

What really happened...

Now grow, like we discussed, Amara!
Holy moly! You turned out huge!

Let's go, master.
The others are waiting.

As the infighting continues Liz tries to get the situation under control.
Stop it, you guys!

What's up with the interrogation? **Why fight?** We are all in the same boat here!

We are better than this!
Let's just think logically and we will make it through.

Amara, you wanna go back to normal size, right?

Well... I can't stay like this I guess... This is my only set of clothing...

Then let's fix that first. Amara, transform or command?

gulp I... choose command.

Well, then. Amara, I want you to shrink back to your original height.

Liz's ToC Action takes effect immediately.

And Lana's huge frame...

Get's smaller and smaller

As she slowly...

But surely...

Shrinks back to her original size...

The size before the first ToC of the game ever influenced her height! (Not just Dylan's last increase!)

Why?!!
You know I hate being the tiny one!

I'm sorry!
I did not think my wording through...
Seeing the game's power in action always has me in awe...

It's better this way. It's more natural.

Natural?
Natural?!!

What Lana sees / Nicole trying not to laugh.

Lana had no choice here. She was transformed twice in a row already. (Hair and Eyes)

Oh, Shit.
Lana's very sensible about her body...
OH, GOD!
Oh, yeah!

My hands... are moving on their own!

No!!!

Why are you doing this?!
Because Master will like that view!
Cause you are a stuck-up bitch!

She's totally covering up! Surely you are not done?
What!?

I've no control of my body! I'm showing them my breasts!
Go on, show those tiddies to ~~master~~ Dylan and the others
Oh god! Please don't look!

Of course, they looked!
Every single one of them!
Hm... A day ago I would have been impressed...
Nice!
Master likes them! I'm glad!

Poor girl...
You guys are awful!

Having shown off the goods, Lana is free to move again and redresses quickly.

Lana did not know that! Poor protected girl!

In the meantime, Vadim had a very special encounter with a delivery girl at home...

But we don't really care about that as it has no implications on the further story whatsoever. :P

You sure it was not your secret wish to show them off?
Wha?!
It was the game!
Sure, sure.
giggle

It's not that bad Lana.
I'm running around like this for hours now.
And you have a beautiful chest.

A call for **Game Termination** has been made.

6 Players in game. 4 Votes in favor needed to end the game pre-emptively.

Lana	Nicole	Amara	Elizabeth	Vadim	Dylan
95 15	65 35	20 90	5 20	75 15	5 20

Fuck!
I don't want this to end! But If I vote against it, Lana will not like it...
Well... with Vadim not here... Slave, you are up! *chuckle*
Was that me? Can... can we really end it? Just like that!
Please vote now.

Yes! Please end the game!
Well... if Lana does not want to play anymore. I don't wanna force anyone.
I vote in favor as well.
Shit! What do I do?

Are you guys fucking kidding me?!
We will not leave my boyfriend a fucking midget!
We keep playing!

The changes won't go away when the game ends?!

It is to reason that they are permanent...

And for that reason, I have to vote against "no".
Vadim's life would be ruined at this size!

Oh, god!
Vote for **Game Termination** has ended.
The game will go on.
Next Voting possible in 24 hours.

Oh, shut up!
Oh, Lana...
I really don't like it when girls cry...
sniff
sob

Instead, we join our other five players as they meet up in the frat room to discuss what to do next.

Everything will be okay, Lana.
There there.
sniff
sob

It's just one more day, Lana.
Amara will fix Vadim tomorrow.
And then we can stop.
When you show me your boobs and more...
Lana, I'll make sure you won't have to cry anymore
Right! Everything will be okay, tomorrow. Promise!

It's getting late. I really gotta go.
Will you look after her?

I'm gonna take really good care of her!
Of course! Don't worry.

I'll be heading home as well.
Yeah, me too.
See ya tomorrow.

This all worked out as Master predicted.
Tomorrow I'll get my revenge, Nicole!

whisper You know... Amara's really has it out for you these days.
And 10 minutes are already over... If you wanna get back at her this would be the time.

Hey, Amara!
Huh?

10 minutes are up!
Transform or Command!
Totally not faking surprise here by Lana's reaction. ☺

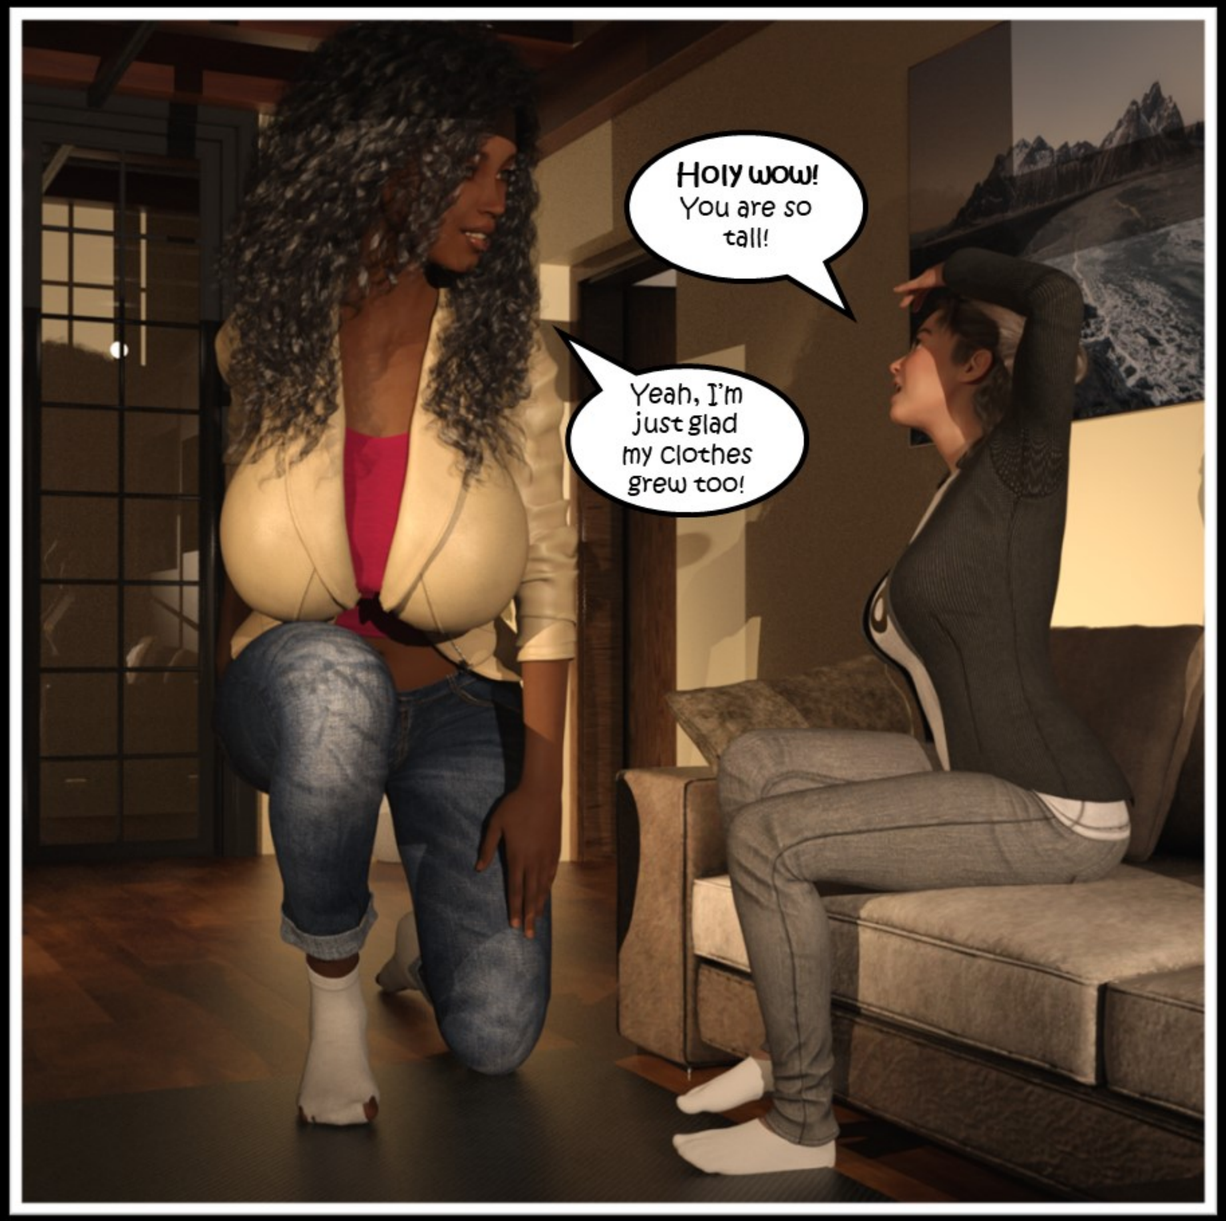

Since you are so obsessed with size...
Hit me!
I won't be a whiny bitch. I choose "Transform".
Alright. We are doing this.

Your breasts should shrink down to zero! Go completely flat!

There we go. Good girl. 15 more Anti Karma.
10 was all I needed. *chuckle*

As a demonstration of her resolution, Amara dumped her jacket to grant Lana (and us!) a better view.

We continue from here...

Oh, boy.
I was looking
forward to playing
with them...

What is this game doing to us?!
Oh, god...
Oh, god...
Oh, god...
sob
And how exactly did you turn out like this?
Even standing up Nicole is smaller than Amara kneeling down!
Wow!

I asked Dylan for some more height on our way here.

Did you now...

I did...
But yeah... it kinda got out of hand.
Something feels fishy about this. Did Dylan really waste all his points on this?

Previously on "Transform or Command"...

Liz tried to mediate and fix the situation in the frat room by shrinking Amara back down...

But with the wrong wording, and Amara ending up at her original height, she only made things worse.

Lana said the wrong thing, enraging Amara who retaliates with a ToC Action!

A vote for game termination is called. Lana wants the game to end... others... don't...
A vote for termination has been called.
Please vote now.

The vote is cancelled and Lana is devastated!

Oh, shut up!

Nicole whispers into Lana's ear and Lana retaliates with a ToC action on Amara.

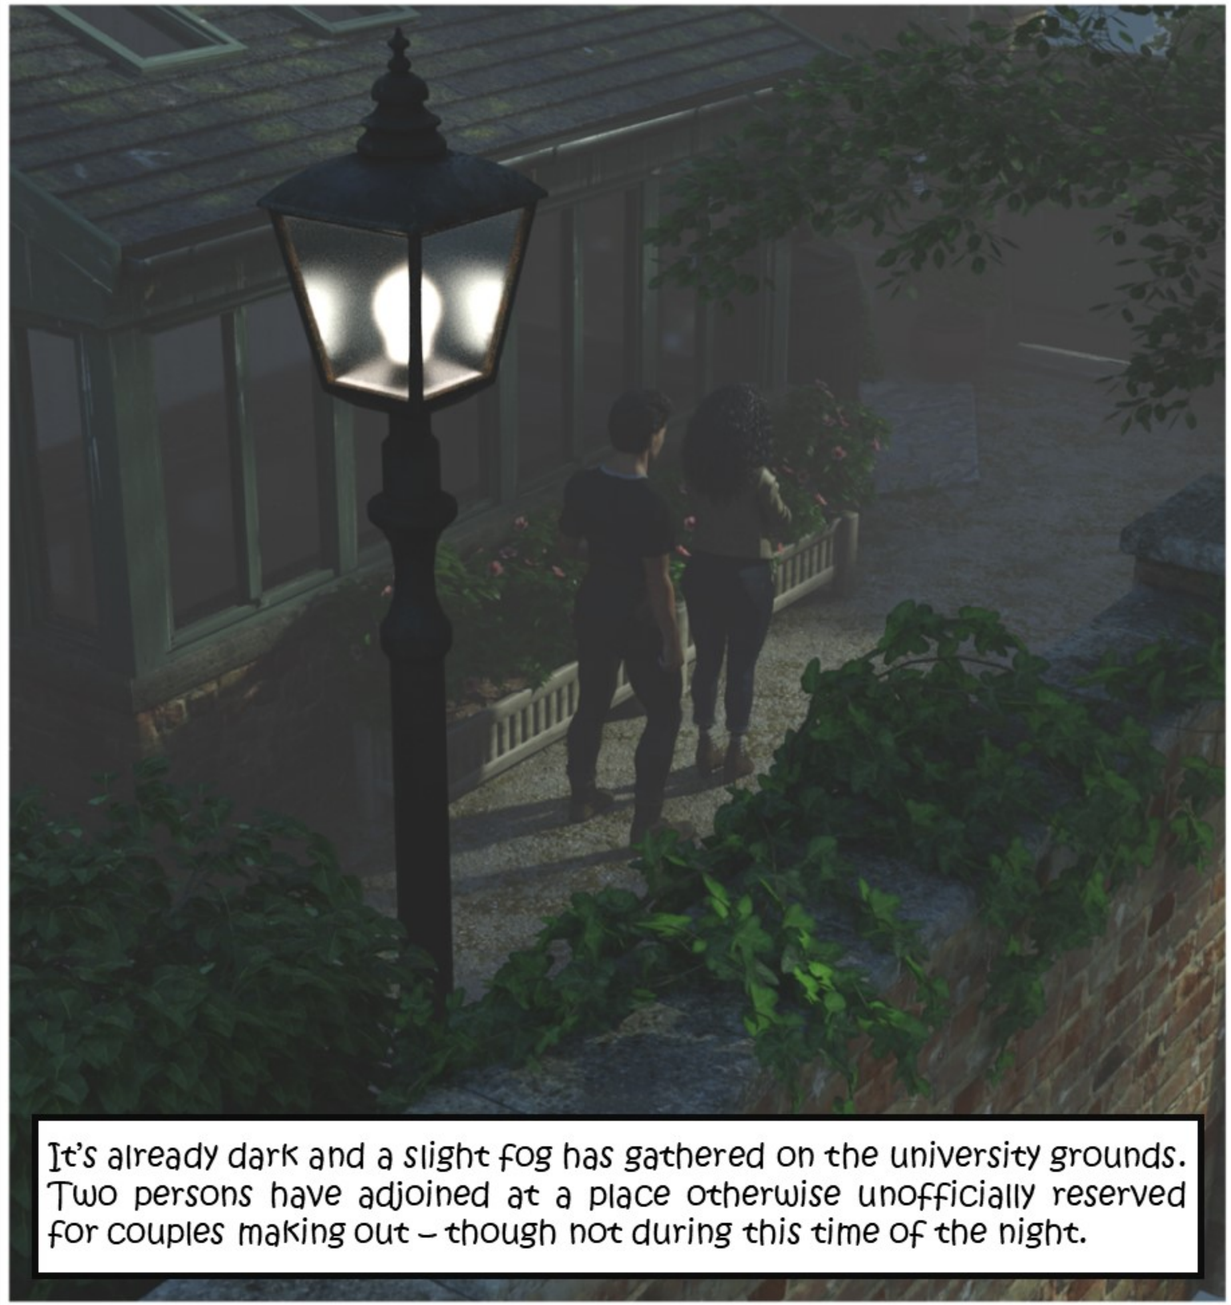

Amara ends up with bug bites for tits, but plays it down before leaving with Dylan. Nicole keeps whispering into Lana's ear...

What is Niole planning? And is Amara really that tough?

We continue from here...

It's already dark and a slight fog has gathered on the university grounds. Two persons have adjoined at a place otherwise unofficially reserved for couples making out – though not during this time of the night.

It's Dylan and Amara who walked here after the happenings in the frat room.

gulp
Amara?
sob

Are you
okay?
sniff

Cause you annoyed them first? You are always picking on Lana. And Liz actually just wanted to help...
sob
No, I'm not!
Why is everybody so mean to me?
My height? My breasts?! I don't understand! *sniff*
Also, it was kinda the plan to push their Anti Karma a bit so we can get to Liz tomorrow...
There there...

Oh, Master! You are the only person I can rely on.
You are the only one I can trust.

Indeed I am... My brainwashed toy...
Tomorrow, everything will be fine.

I'm sorry I lost them, Master!
Though... I was looking forward to seeing your big boobs...
Don't be... we can fix it... I have an idea!
Amara, Transform or command?
Please choose Transform.

Of course, Master! I choose Transform!
I want your breasts to slowly expand whenever you give head.

Uhhh! A permanent one? Does that work?
Can I try it out right now, Master?
Please, be my guest. *chuckle*

Amara squeals in delight as Dylan unzips his pants. She takes off her jacket and shirt and sinks down in front of him.

Oh, I'm gonna suck some big boobs out of this rod!

Eagerly Amara grabs Dylan's cock and wraps her lips around its tip.

She starts bobbing her head up and down Dylan's shaft...

And really, her breasts slowly but surely start to fill out once again!

It's really working! Genius move, Master!
Feeling the growth on her chest Amara doubles down!

Not that she needed any encouragement to suck her master's cock of course...

But feeling her chest expand
made her happy.

And so, Amara kept sucking and slurping on Dylan's rod as her breasts kept growing!

Until Dylan was finally about to pop!
Oh, fuck! I'm gonna cum!

Yes, Master! Please give me that load!

Oh, wow!
What a load,
Master!

Oh, my!
Look at them!
These are even bigger than before!
And so jiggly!

Grope

Thank you so much, Master!
You are welcome!
They look great on you!
cough can I request a cleanup?
Mhhh! Of course, Master!

Yummy!

Shortly later, Amara used her jacket to clean up the mess on her face and tits and they started to talk about their planned agenda for tomorrow.
You sure about this?
Meaning... I could do it using my ToC Points!
Duh!
Liz is head over heels for you, Master!
I'm pretty sure becoming your love slave would not be something she'd hate...

Alright!
I'll work on my seduction game for tomorrow.
I love the new tits Master gave me!
Let's meet up tomorrow and pay her visit first thing in the morning.
Yes, Master!

Meanwhile back in the frat room...

What do you mean, the others don't want the game to end?!

Well...
When I got here yesterday to read up on the rules Dylan was here as well...

And... he did something to me...
Well... he's a guy... and he used a ToC action on me...
I don't want to talk about it!
Gulp What did he do?
Oh, God!
Totally imagining what Nicole wants her to think!

But I'm pretty sure he wants more... meaning... all of us girls...
Clearly, Amara has no interest in ending the game either. And I'm pretty sure it's not just about Vadim.
And Liz... have you seen how cheery she is ever since the game started?
WHAT?!
Amara...
She really looked happy today...

You are the only one I can trust... maybe...

You can totally trust me!
There is nothing I want more than for this god-forsaken game to end!

Huh?!
sigh
I don't know... It's probably too late anyway.

No!
No, no, no!
sniff
sob
They probably got to you already.
There is no sense in fighting back.
I should just give up.

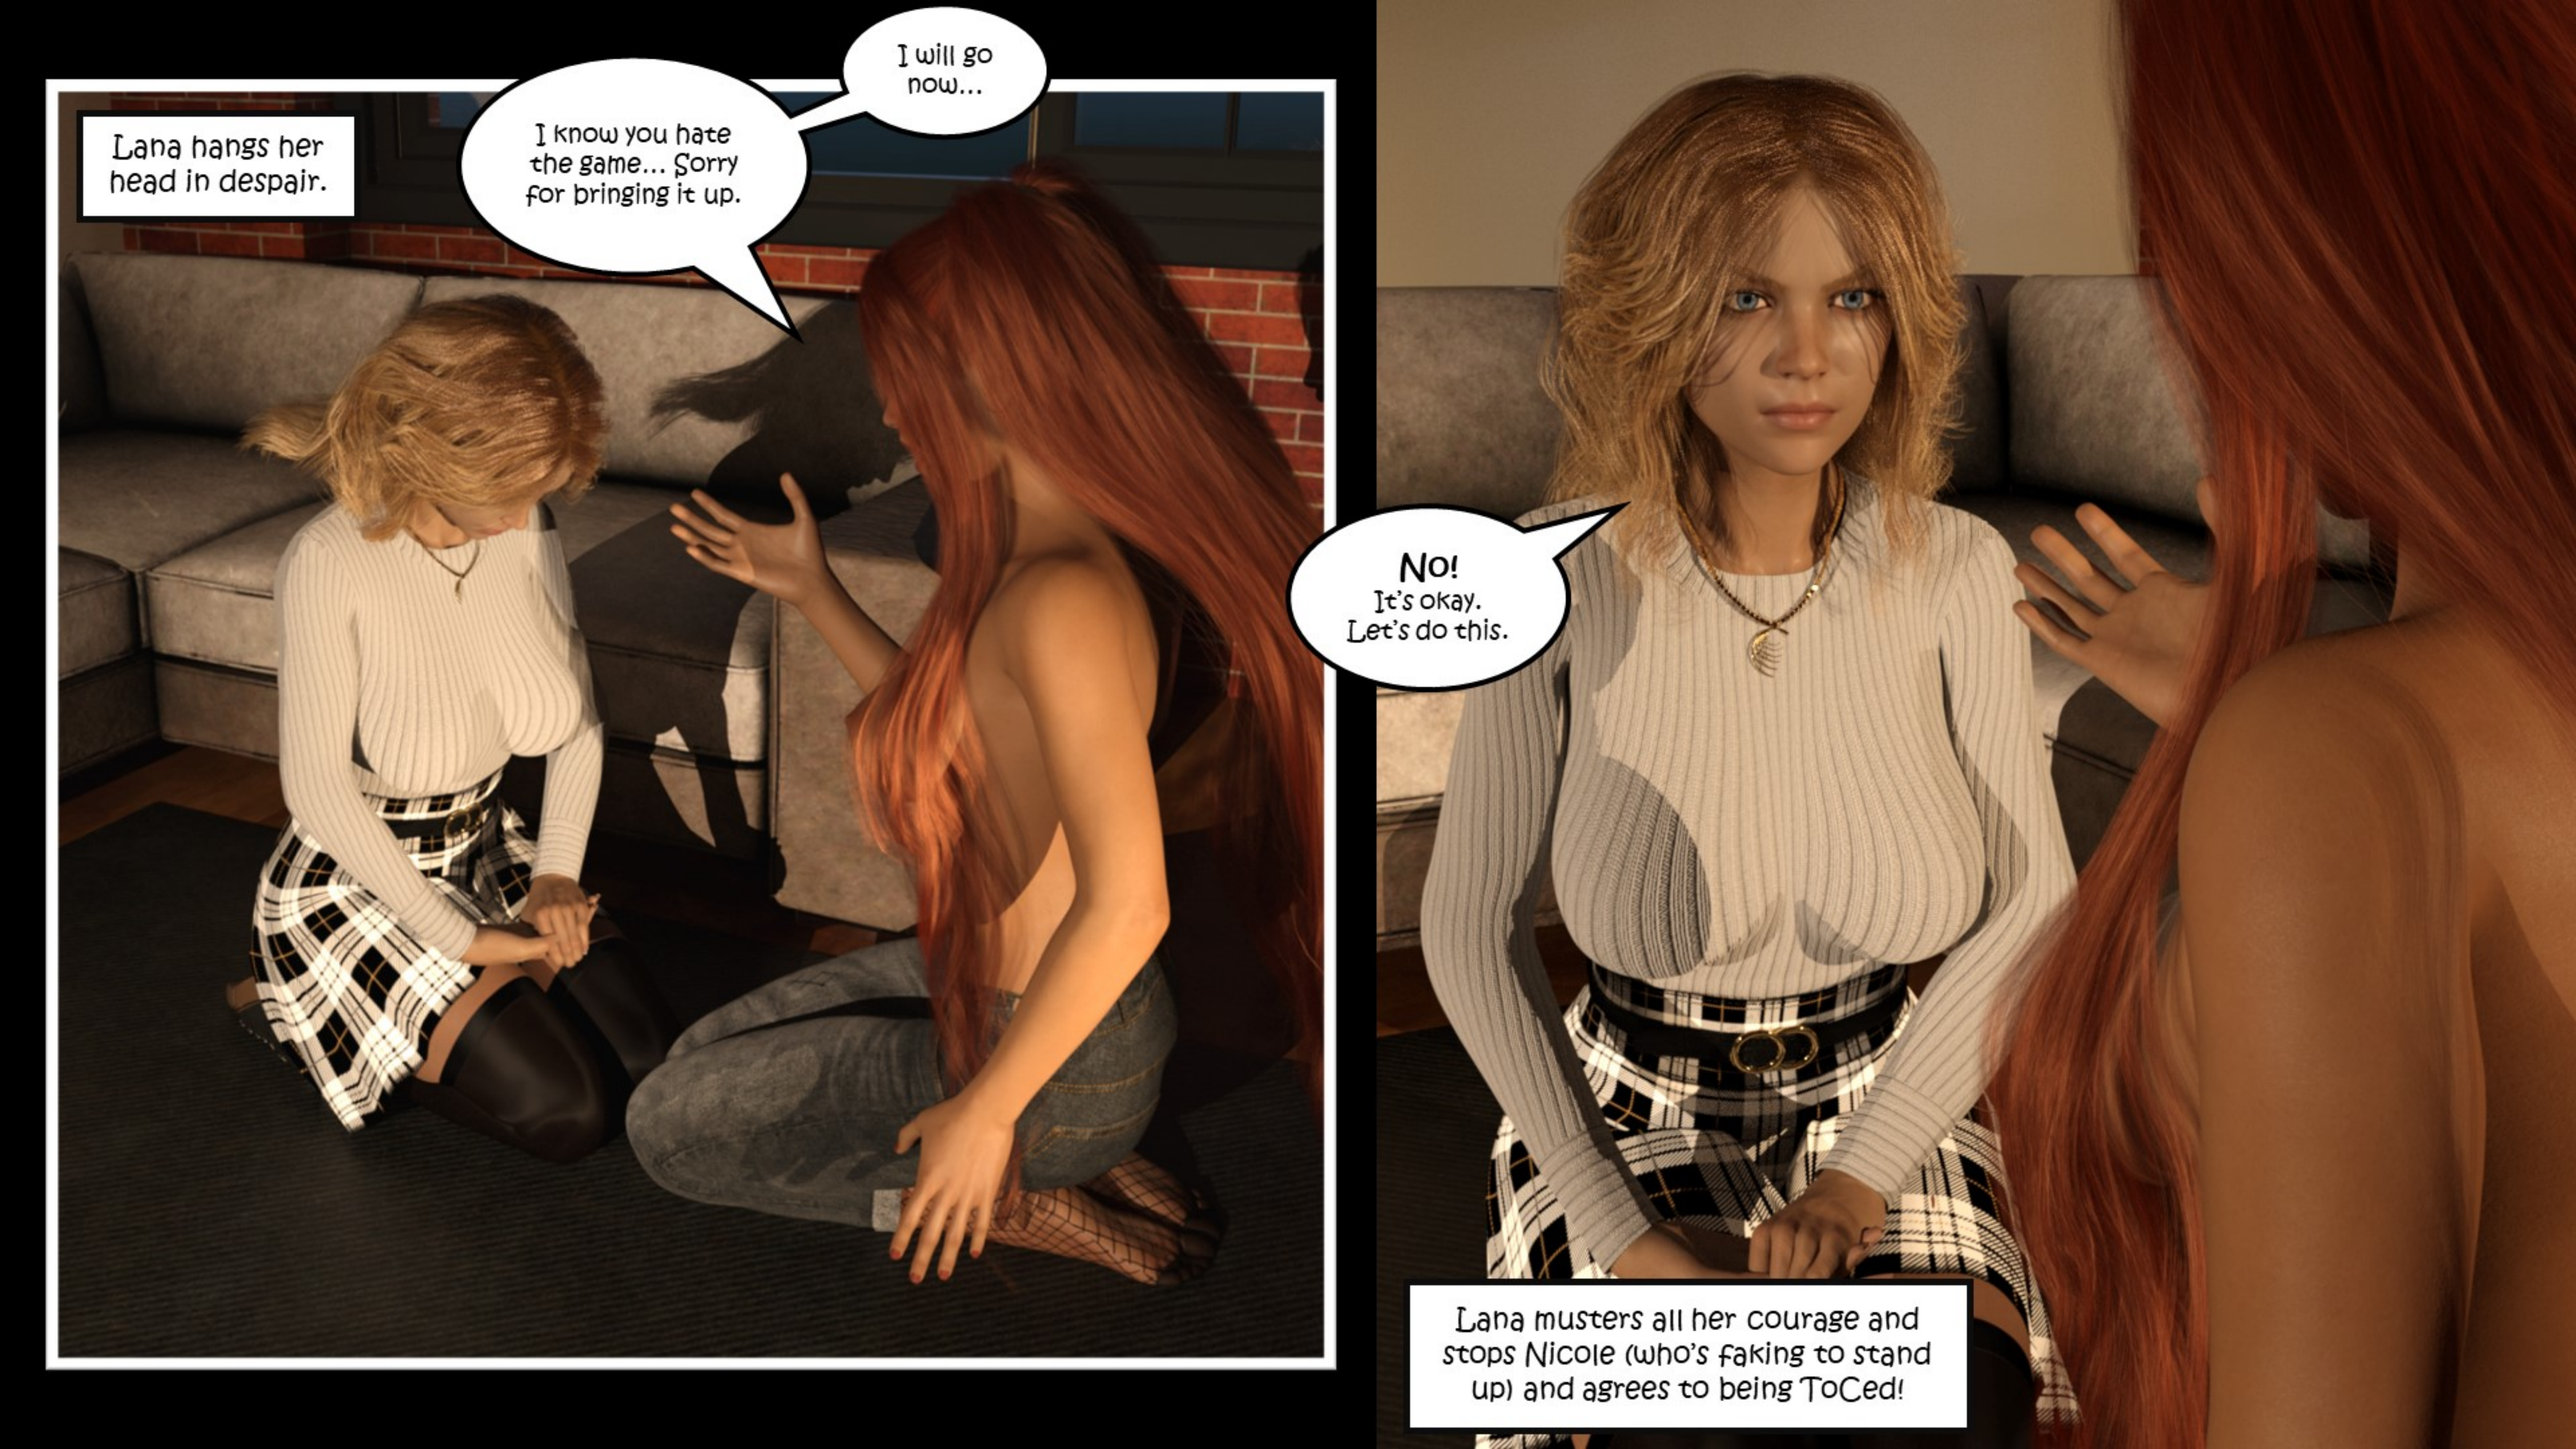

No!
Don't give up, Nicole!
I'm with you!
There must be something we can do!
I'll do anything!
Anything?

Well... I guess... If I could really trust you...
You can trust me! And I trust you!
I don't know... with the game at the works... nothing might be as it seems... I'm sorry Lana...
No, no... there must be something...

Well... if you insist... we could use the game to ensure mutual trust...

Not the game!

I'd ToC you to trust me, then you do me...
I mean... we already trust each other... so... if you were telling the truth... there is really no harm in this change...

Lana hangs her head in despair.
I know you hate the game... Sorry for bringing it up.
I will go now...
No!
It's okay.
Let's do this.
Lana musters all her courage and stops Nicole (who's faking to stand up) and agrees to being ToCed!

Alright.
Thank you!
So...
Transform or
Command,
Lana?
Please choose
Transform.

The tension is weighing on Lana and she almost screams the next part.
I choose "Transform"!

I want your mind to adapt such that you trust me completely.

Meanwhile back at Vadim/Amara's place: Amara is just getting home.
Hm... a package?

Heya, I'm home.
Welcome back, babe.

Busy day? Your boobs look even bigger!
Oh, you noticed! So sweet of you!

Damn, my girlfriend has a fine Ass!
Phew, I'm thirsty.
Wow!

Really?
I'm sitting home alone all day while you have fun with the game and you simply walk past me?
slurp
Omitting to tell the story about a certain delivery girl...

Oh, come on babe. Don't be grumpy.

Amara bends down – bringing her head close to Vadims...
Gulp

Love you, babe.

Mmmm

Kiss

slurp
Err... I was looking for a bit more than just a kiss, babe.
Just wait for tomorrow. We'll fix you up and then...
You really don't like me this small, do you?!
But it's your fault I am like this!
And not only my height! This dick! I'm hornier than ever! That's all on you!

You need to take responsibility!
Transform or Command?!
pshhhht
The End.

Thank you for reading!

Hello, Hexxet here,

What does Nicole have in store for Lana? What will Amara choose? And what does Vadim have in mind? Will Dylan be able to seduce Liz and ToC her? The story is heating up as we draw closer to the end ☺.
