After sending Tiffany away last night, and reverting my wife for the night back to just the chick next door...

What's next, dear?

A digital illustration of a woman with long, dark, wavy hair lying on her stomach on a bright blue beach towel. She is wearing a matching blue bikini and large gold hoop earrings. She is looking back over her shoulder towards the viewer. The background shows a sandy beach, turquoise ocean waves, and palm tree shadows. A speech bubble is in the top right corner.

I was looking forward to a nice day at the beach.

A digital illustration of a woman with long, wavy blonde hair and blue eyes, wearing a yellow string bikini. She is lying on her stomach on a blue beach towel on a sandy beach. She is looking back over her shoulder towards the viewer. The background shows a tropical beach with turquoise water, white waves, and palm tree shadows on the sand. In the bottom left corner, there are some beach items like a red starfish and a white seashell.

And thanks to my previous writing, the view at the beach was very promising!

“There are only super sexy people at this resort.”

There were quite a few women around the beach that looked like perfect bimbos...

But beauty... or sexiness,  
comes in many forms. And  
there were also other types  
of most beautiful women  
around...

And this one here caught my eye. She gave me some super nerdy vibes but in a sexy way! I mean, hell, she was reading a book at the beach! She definitely needed my help!

A young woman with brown hair styled in two buns with white flower-like hair ties, wearing black-rimmed glasses and a white bikini, is lying on her stomach on a blue and white striped beach towel. She is reading an open book. The background shows a tropical beach with palm trees, a sandy shore, and a blue ocean under a bright sky with scattered clouds. A colorful beach ball is visible in the bottom left corner.

Hi, there.  
Good book?

**\*giggle\***  
Studying for  
my economics  
exam.

Sorry... I got  
a boyfriend.

How about you  
take a break  
from that and we  
go for a swim?

Oh,... I see.  
Okay...

Now... that was a bit awkward. Should have known a girl like that had a boyfriend. But who would I be if I let something like that discourage me...

"The nerdy girl with the buns and the glasses is single. Also, she does not remember our last conversation."

So, let's try that again!

Hey, there.  
That an economics  
book I spot there?

How...  
interesting...

A woman with brown hair styled in two buns, wearing glasses and a white bikini, is sitting on a blue and white striped beach towel. She is holding an open red book with gold lettering on the cover. In the background, there is a tropical beach with palm trees, a blue sky with clouds, and a turquoise ocean. In the foreground, there are two glasses of orange juice with straws and orange slices, and a stack of books.

Oh, you're a student too?

Something like that...  
Hey what do you say you take a break from that, and we go for a swim? It's such a beautiful day.

A young woman with brown hair styled in two buns, wearing black-rimmed glasses and a white bikini top, is sitting on a sandy beach. She is holding an open, ornate red book with gold star patterns on the cover. The background features a clear blue sky with white clouds, palm trees, and the ocean. Three speech bubbles are overlaid on the image, containing dialogue.

I must have looked  
really dumbfounded  
when she said that...

Sorry, I got a  
boyfriend.

Err... you...  
do?...

Why do you look like that? Does it come that much as a surprise that I would have a boyfriend?!

How dare  
you!

Look... I know for a  
fact you don't have a  
boyfriend. So, come on.  
Let's have some fun  
together.

Yes, you are right. I wanted to be nice.

Truth is I'm about to major as a top-grade student in Princeton, and you Sir sound like an ape.

Woah!  
You think you're better than me?

**\*Duh\***  
Get the hint and fuck off!

Okay... that's not how expected this to go...  
Not with this new hot body of mine... How  
rude... Well, It's her not me! So, let's get her  
down from that high horse...

"The nerdy girl with the buns  
and the glasses is single. Also,  
she does not remember our last  
conversation."

"The nerdy girl with the buns and  
the glasses never went to Princeton  
community college. She barely made it into  
university. And she does  
not remember our last  
conversation.."

As I finish writing and look over to her, I can see a short distortion as reality adapts. Then everything is back to normal.

Everything but  
her that is!

Her pure white bikini  
had been replaced by a  
pink one, and I think she  
was now wearing a bit of  
make up too. Also,  
instead of that heavy  
book, she was now  
reading a **fashion  
magazine!**

Once again, I approach her.

Hey there,  
cutie. Nice  
weather, ain't  
it?

I guess?

How about you  
drop that magazine,  
and we enjoy a swim  
together?

*\*giggle\**  
That's cute. But  
I'm sorry. I got a  
boyfriend.

Urgh! This  
shit again?

Huh?

No missy, you ain't having no boyfriend! So, what is it this time?!

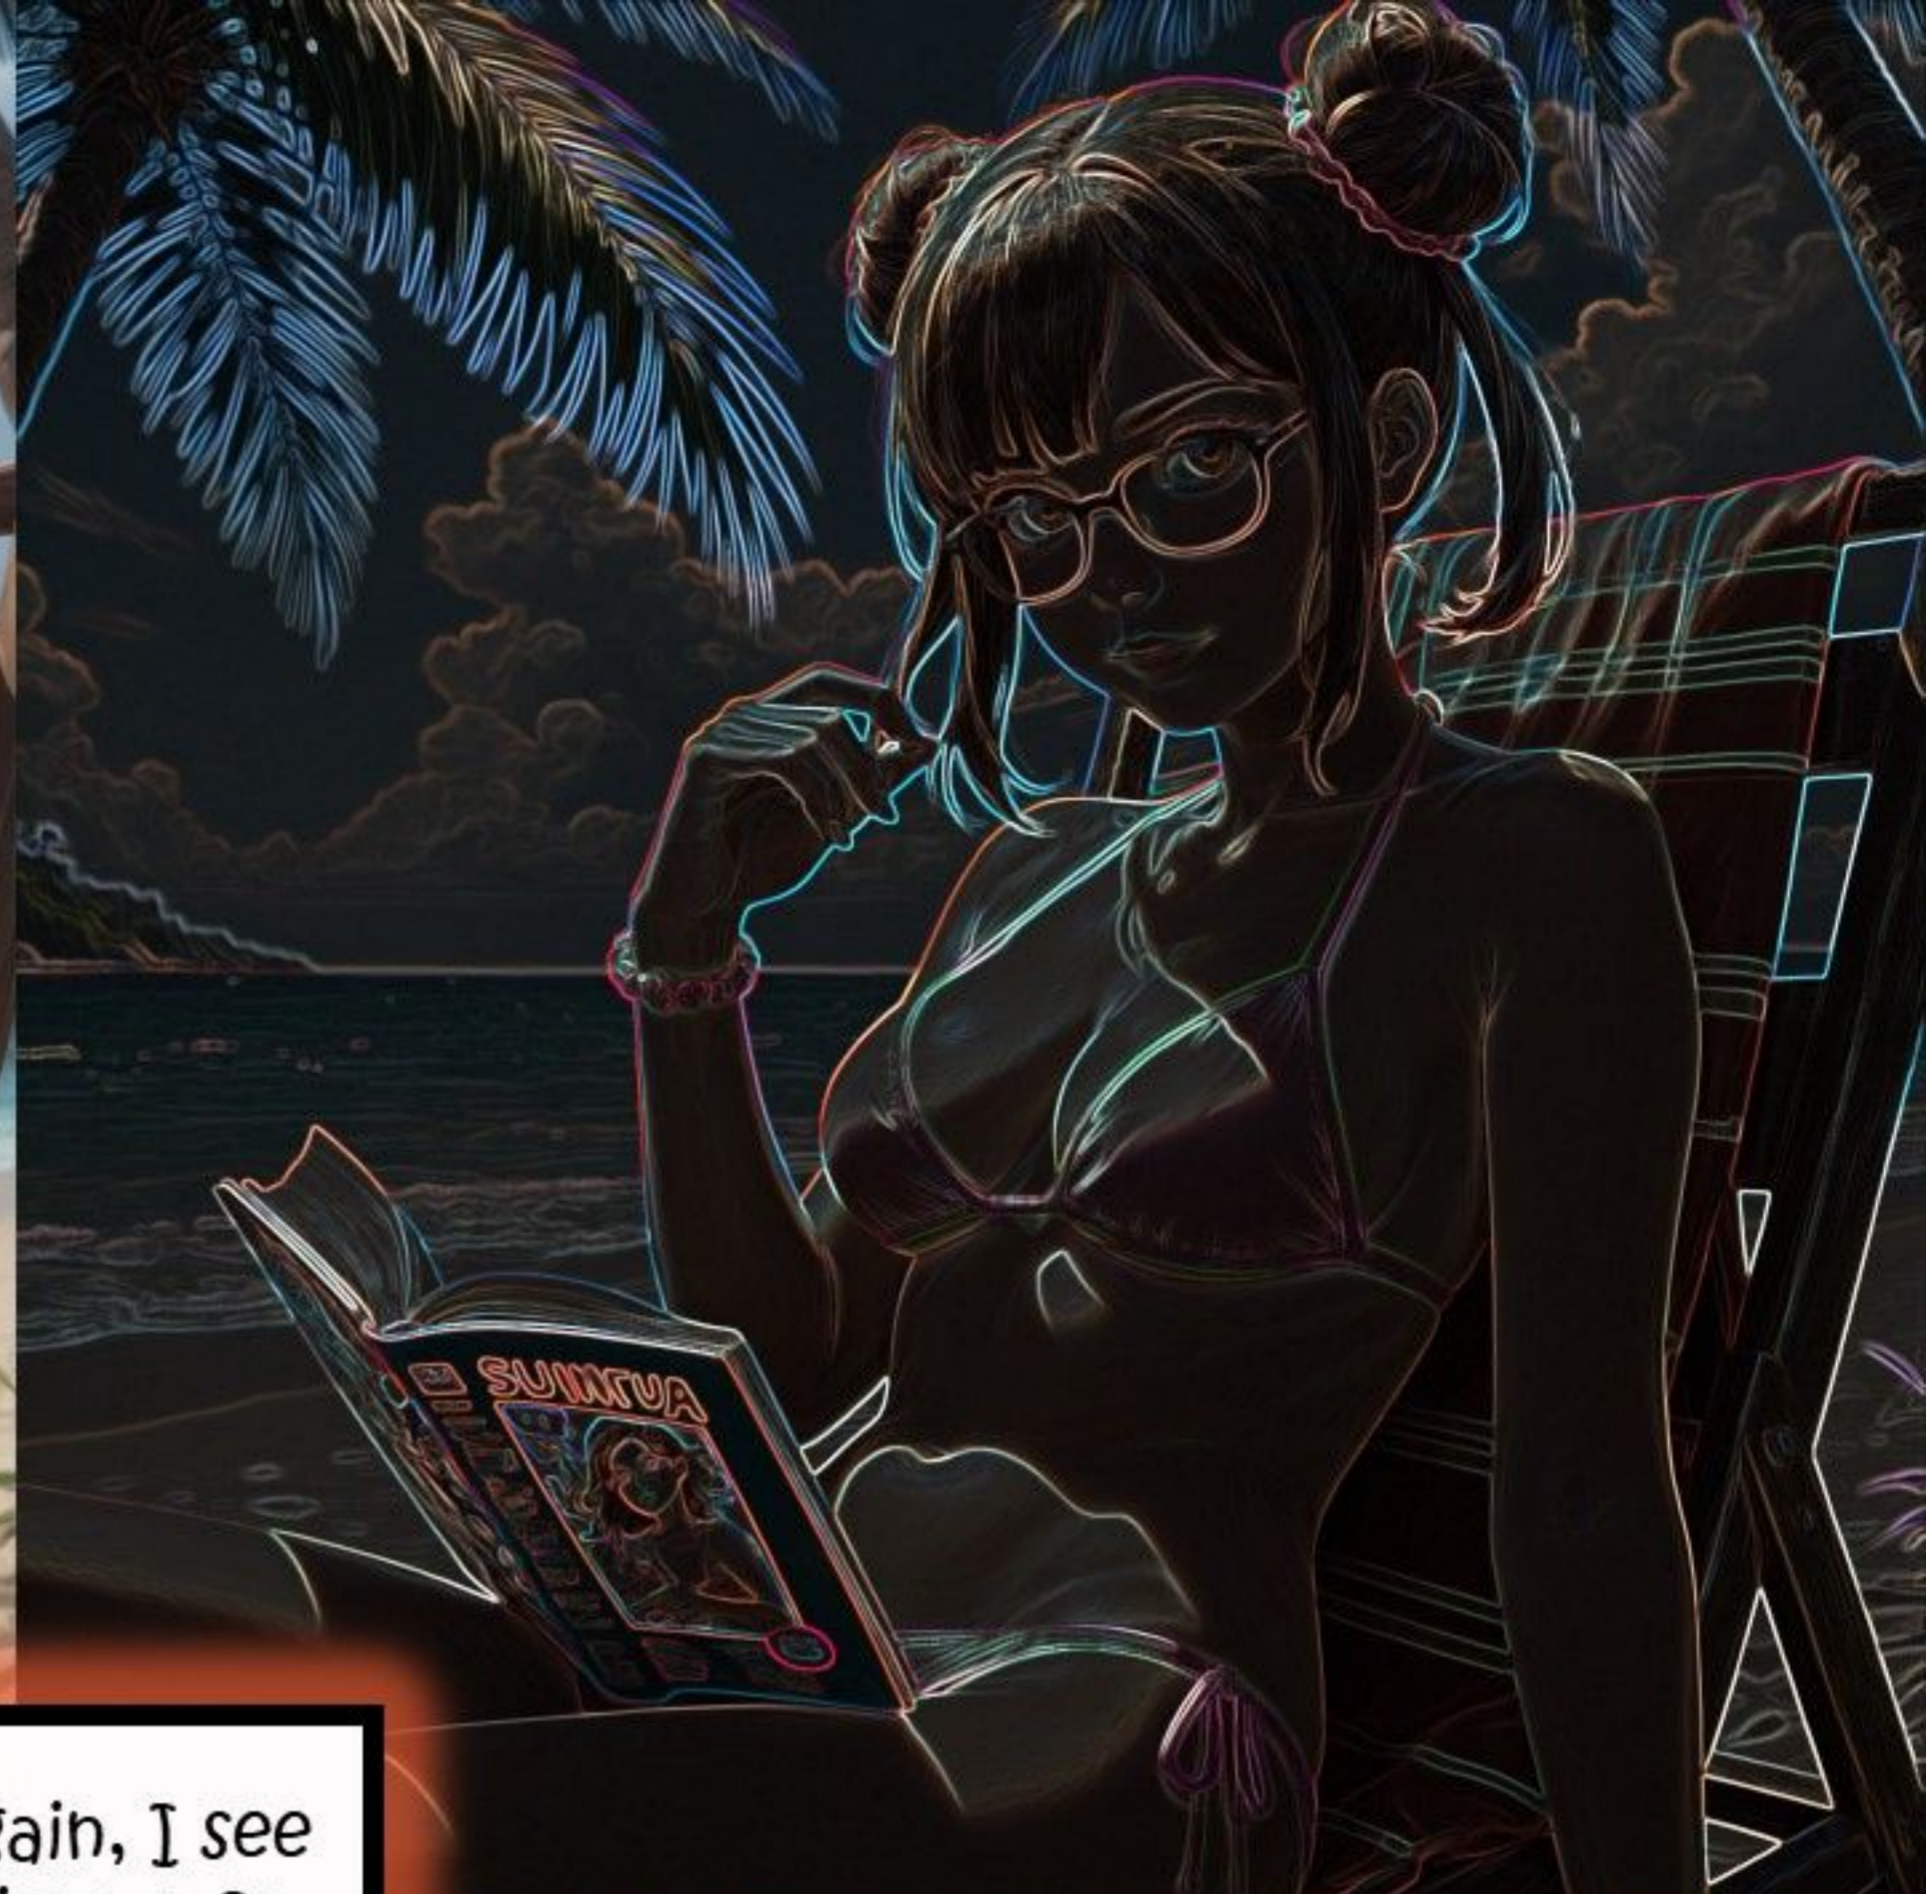

Alright. Y-O-U A-R-E NOT my type!

I like blonde guys. Also, you are super rude!

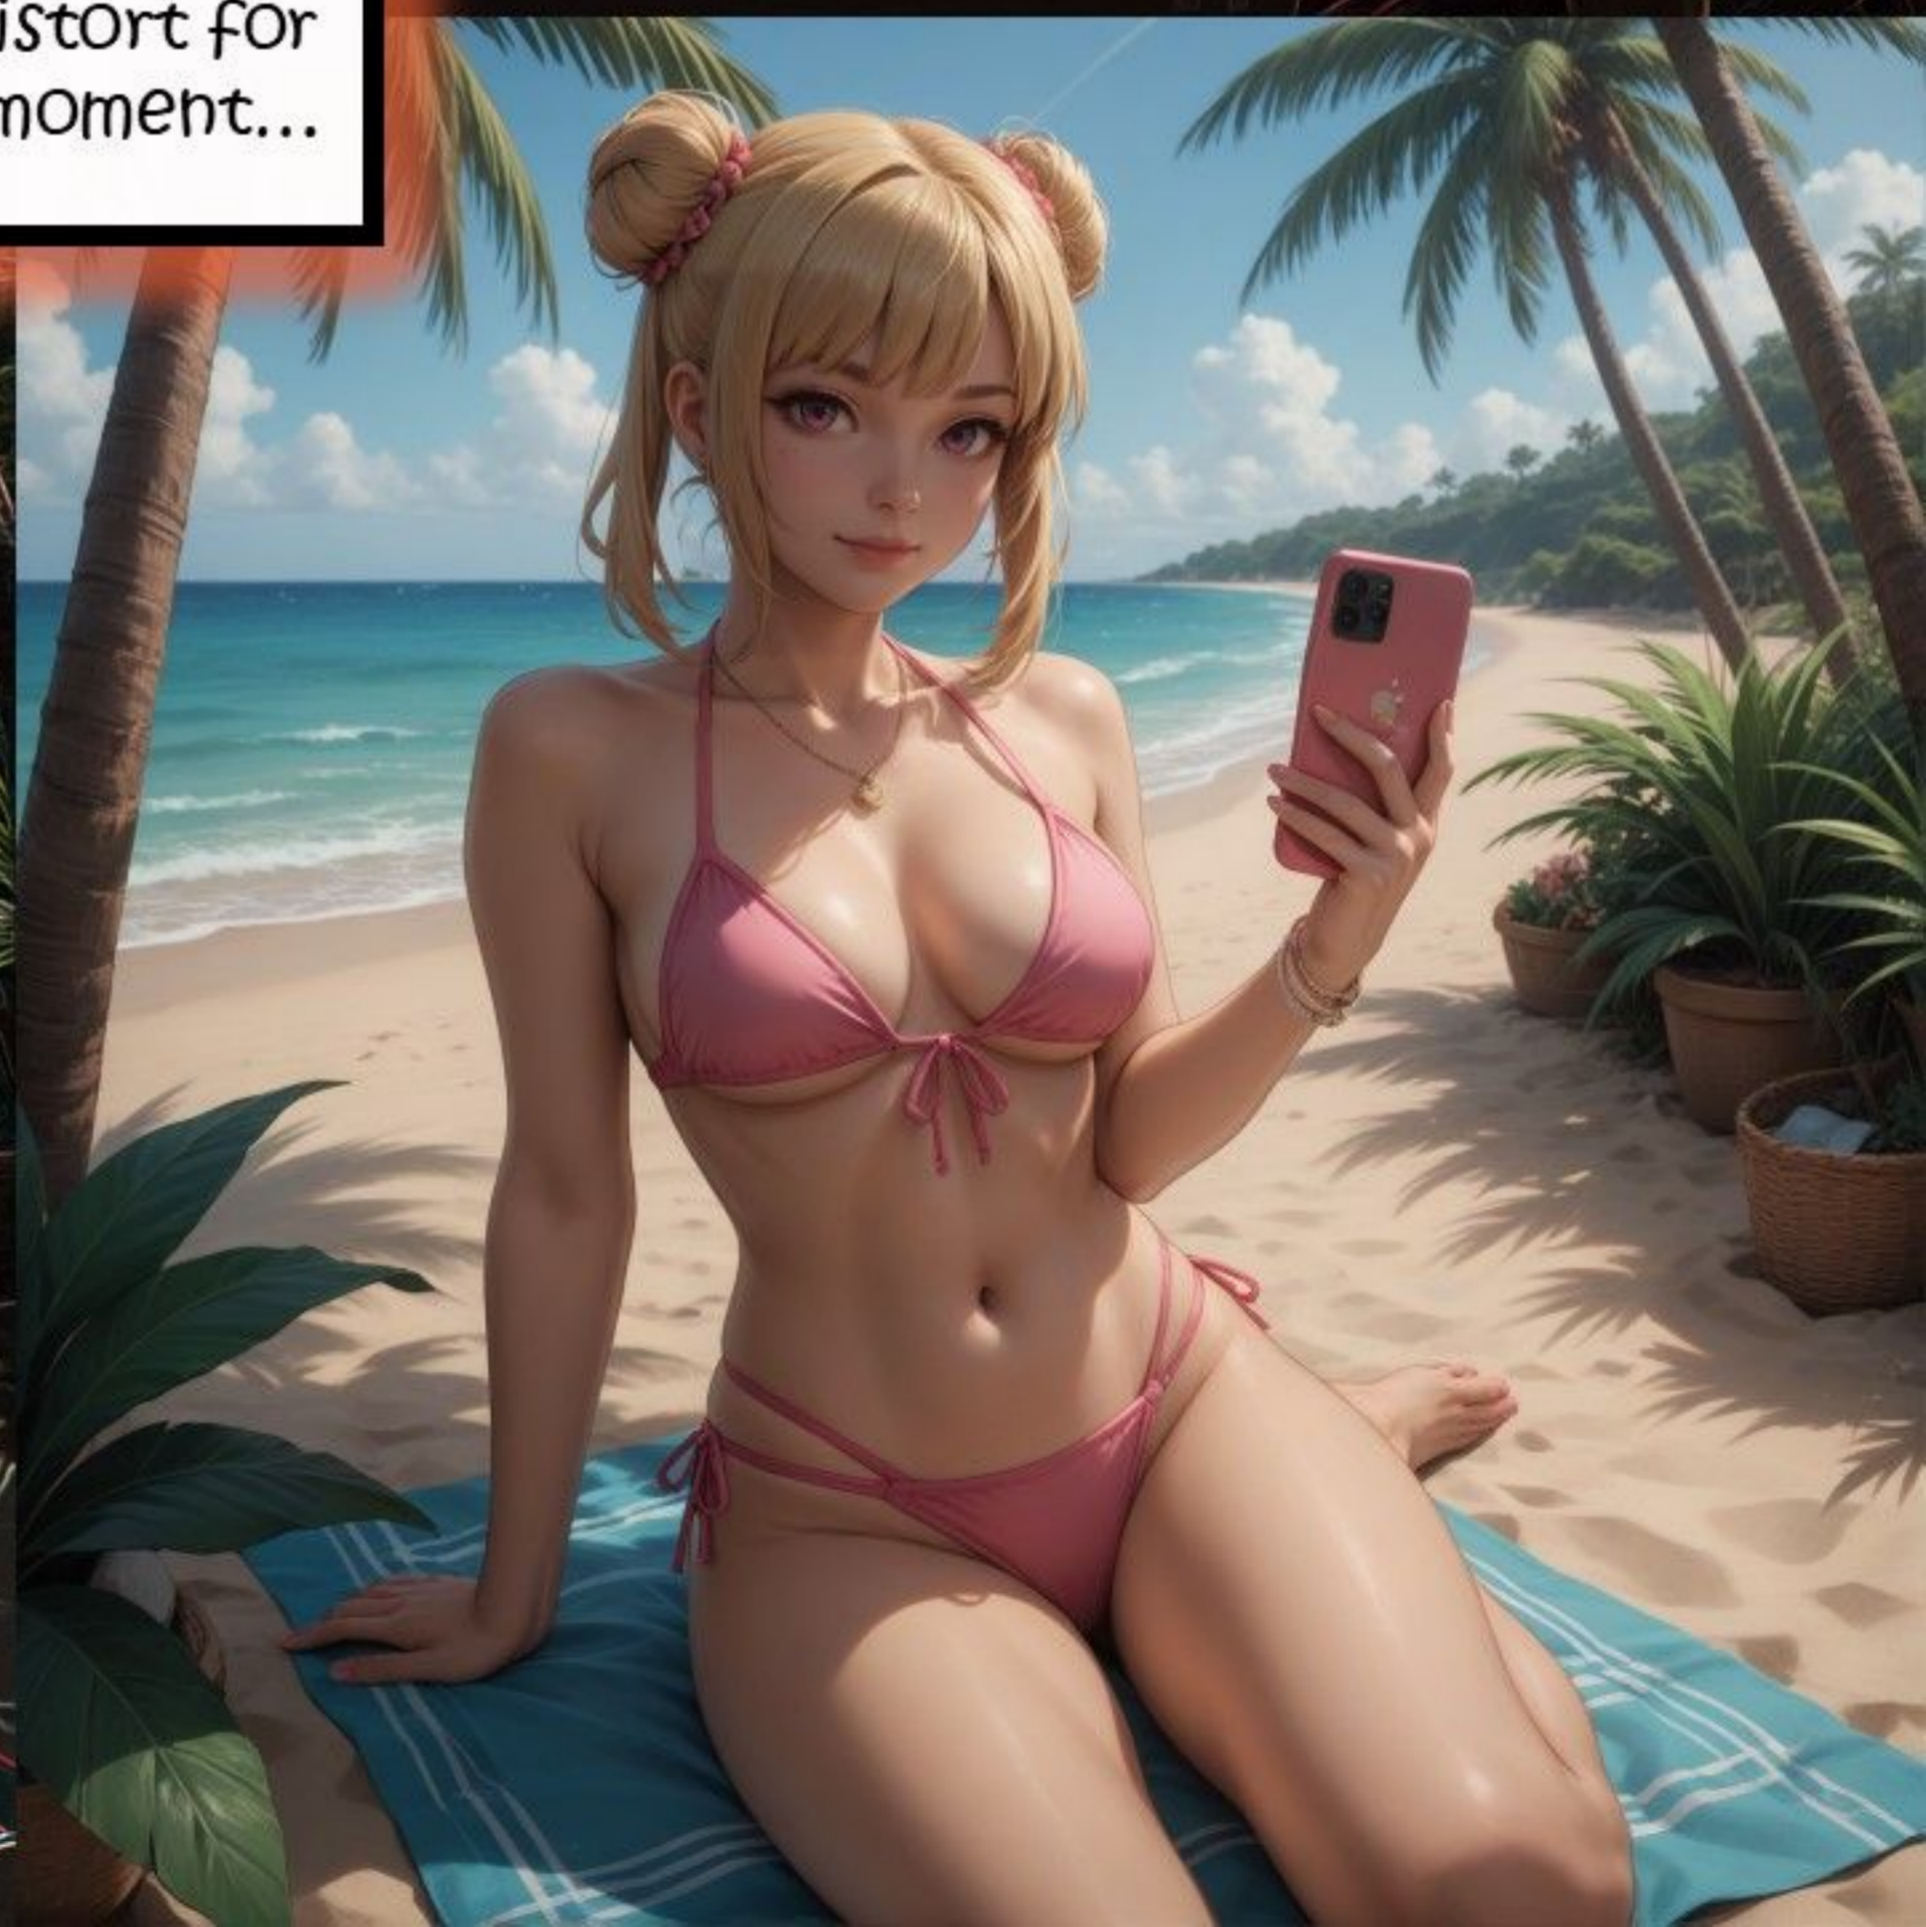

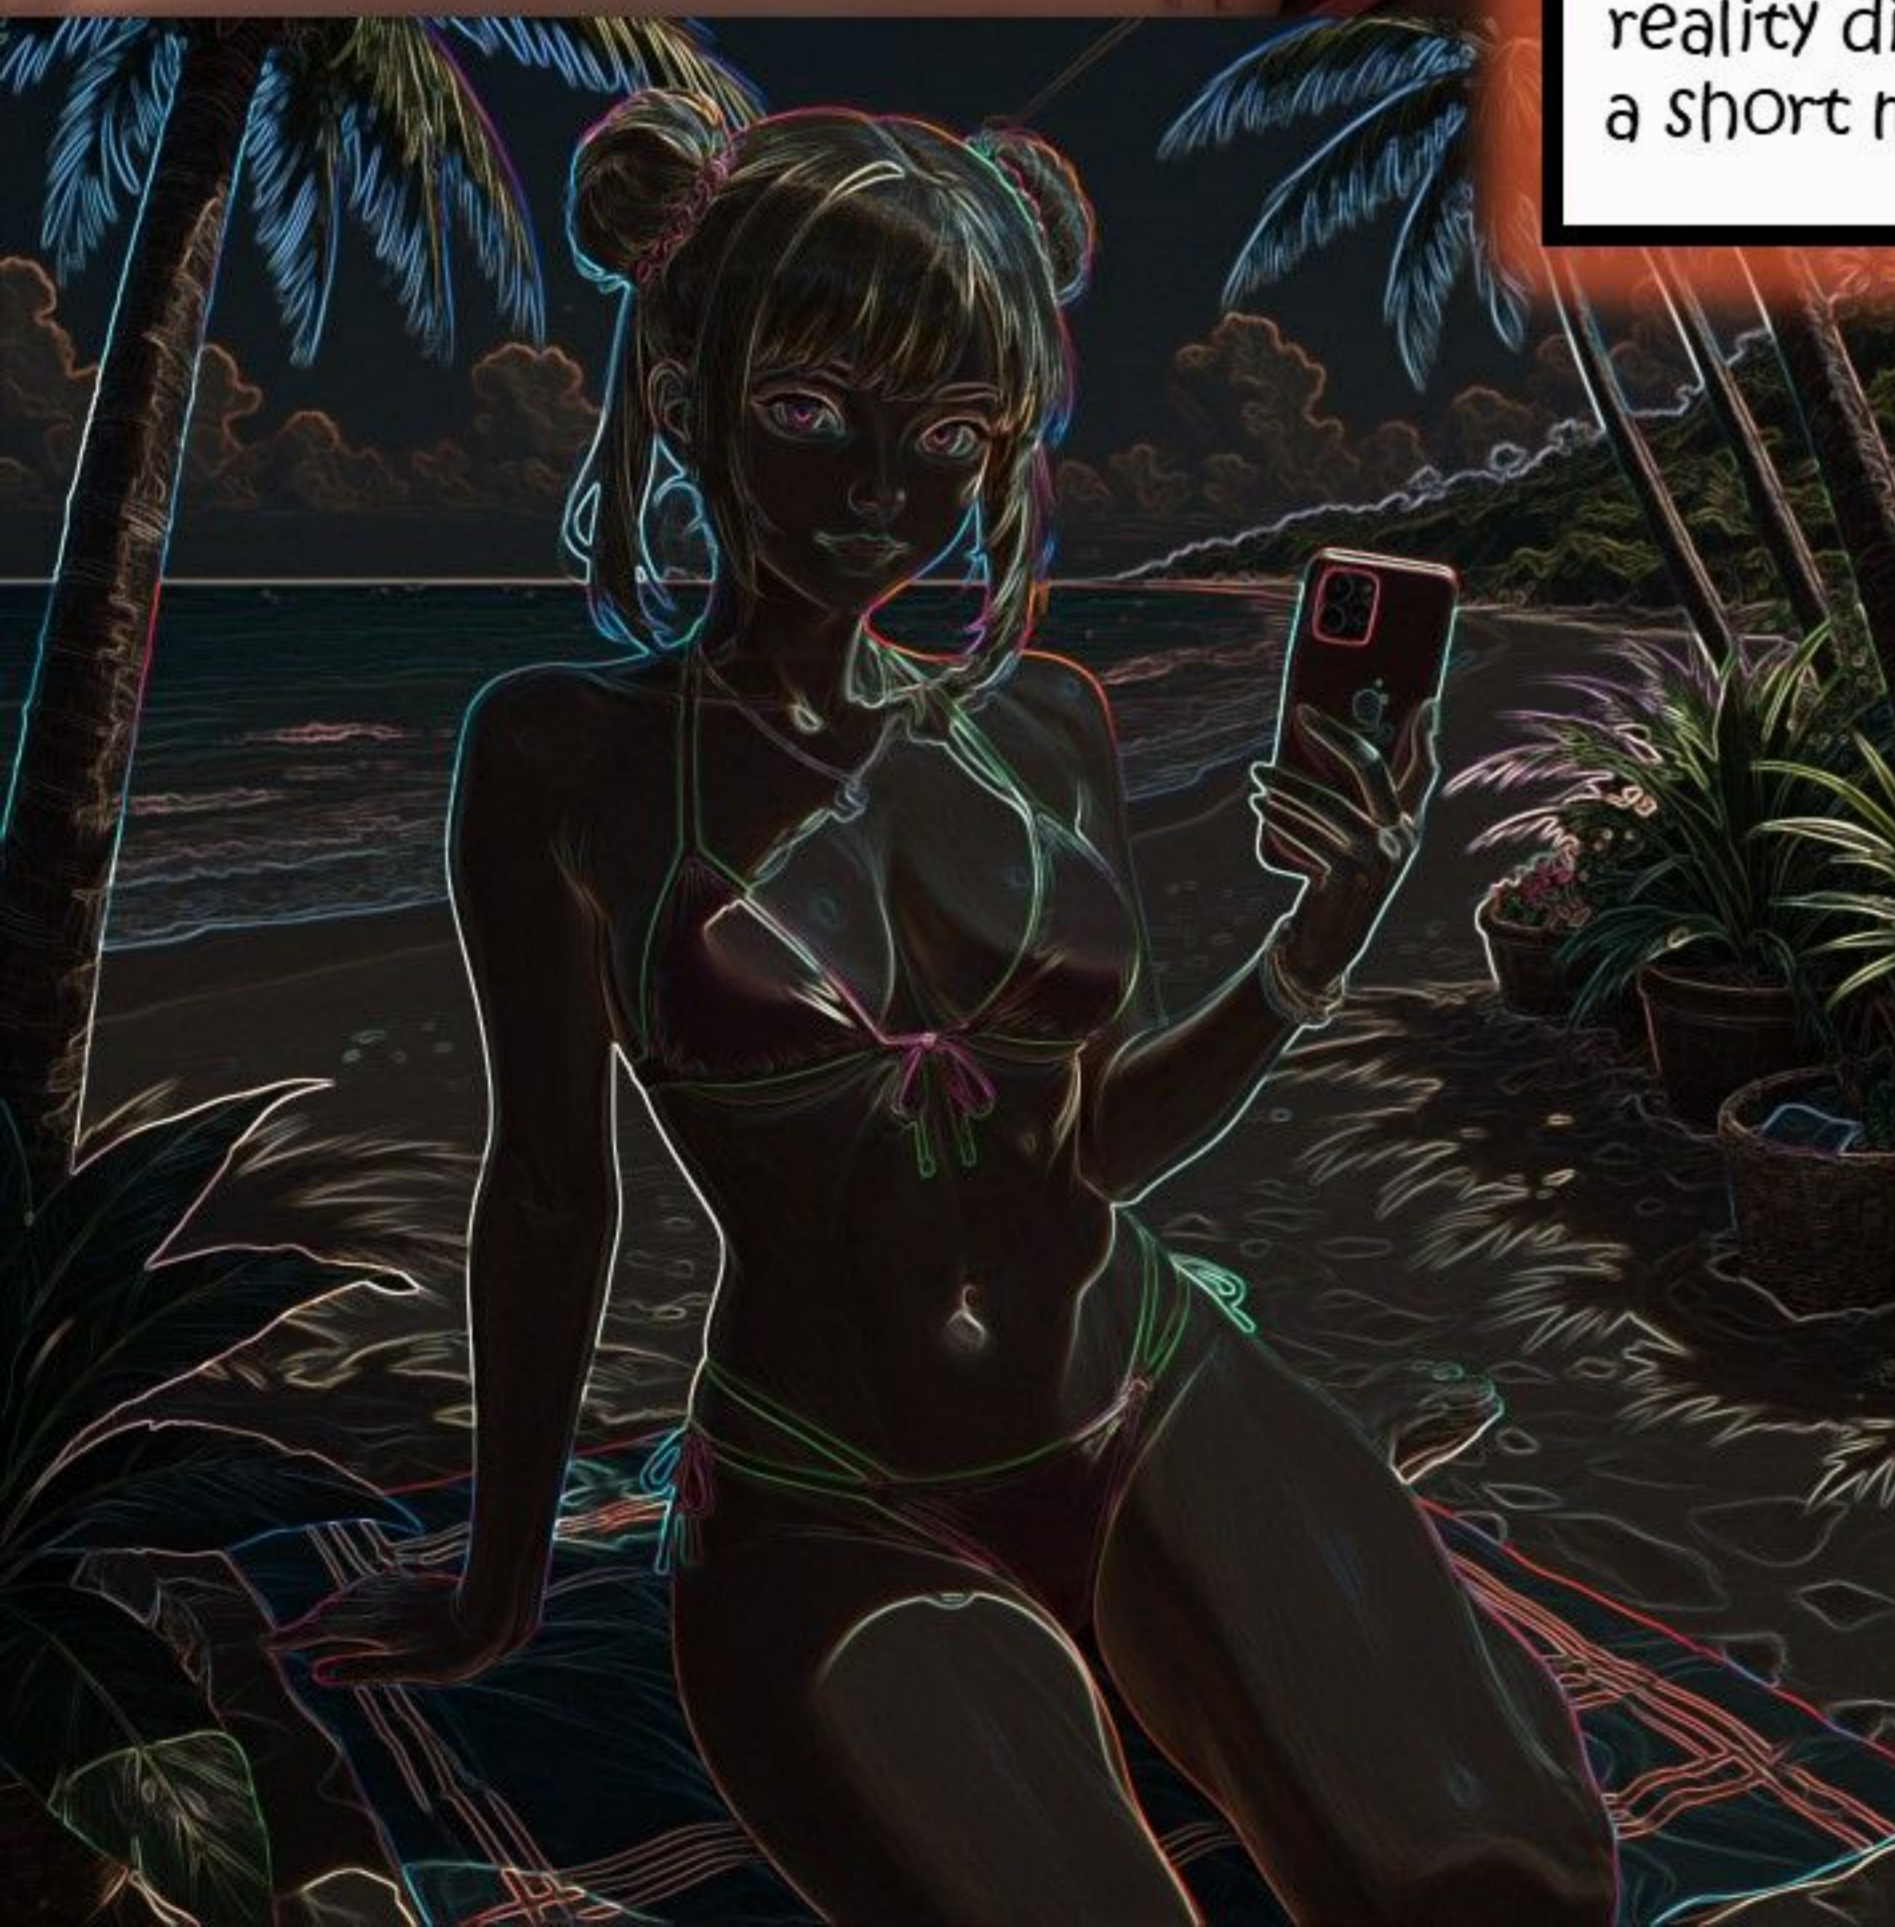

Piss off!

I guess some people are just not meant to be together... I guess it was time to turn to a new page... in my reality note, that is!

"The nerdy girl with the buns and the glasses broke up high school. She does not remember our last conversation. And she's into dark-haired guys!"

Once again, I see reality distort for a short moment...

Now, instead of reading any print material, she's playing around on her phone. Also, her hair is now dyed blonde! \*chuckle\* I did not intend for this change, but I guess it comes with her new milieu.

Once again, I approach her, and despite my previous rejections, I throw her a big smile.

Hey there, cutie. What's your name?

Oh, \*giggle\*. Hi. I'm Isabel.

Wanna go  
for a swim?

Yes! I'd  
love to!

Finally! Isabel  
and I went into  
the water!

And we had a  
great time!

*\*giggle\**  
This is so  
much fun.

After some time we went  
back to the loungers...

As Isabel sat down, I marveled at her glistening skin as the water slowly pearly down her delicious body.

That was fun!

I had a lot of  
fun as well.  
What do you say  
we have some  
more?

Like what  
do you  
mean?

How about we  
get ourselves  
some drinks and  
go to my room?

Oh!...  
I...I'm  
sorry.

But I'm not  
that kinda  
girl.

Oh, come on  
babe. I'll be  
gentle.

Maybe we'll  
start with a  
long massage?

Err... no. I'm  
sorry I gave you  
the wrong idea.

I just wanted  
to have some  
fun in the sun.

Disappointed I start to walk off... you wouldn't believe what she shouted after...

It's not you. It's me...

I have a boyfriend?

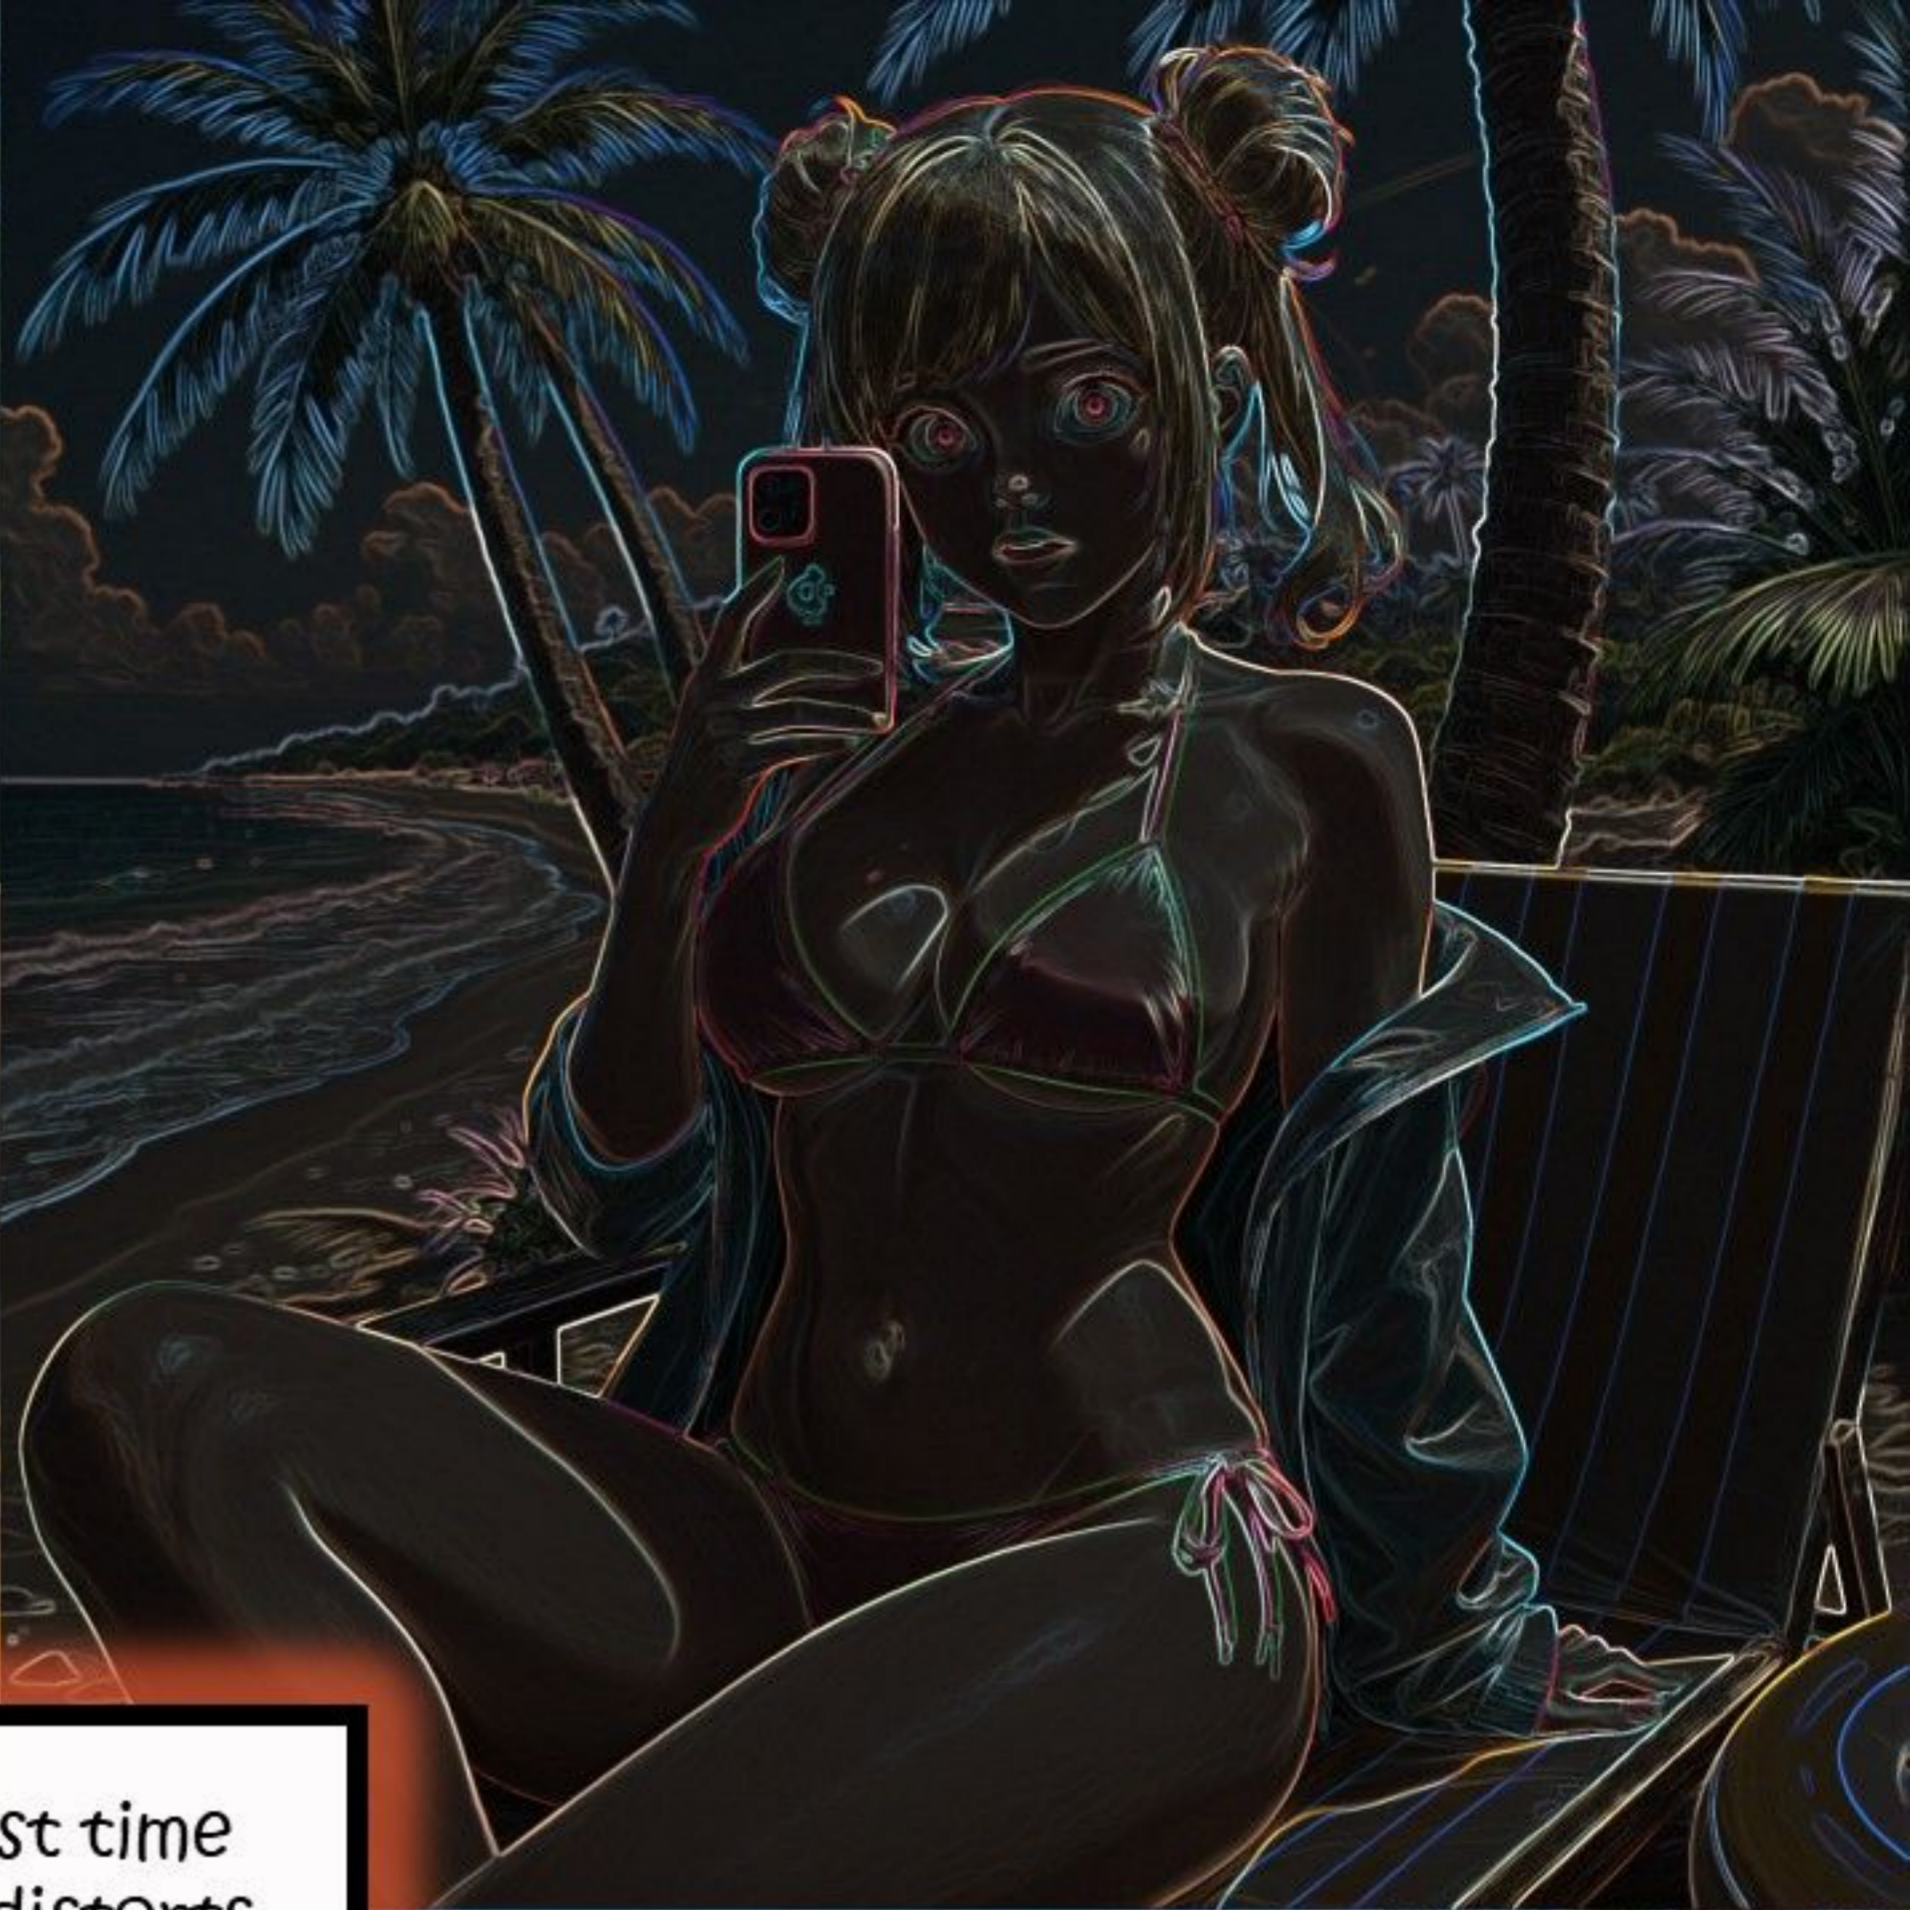

FUCK YOU!

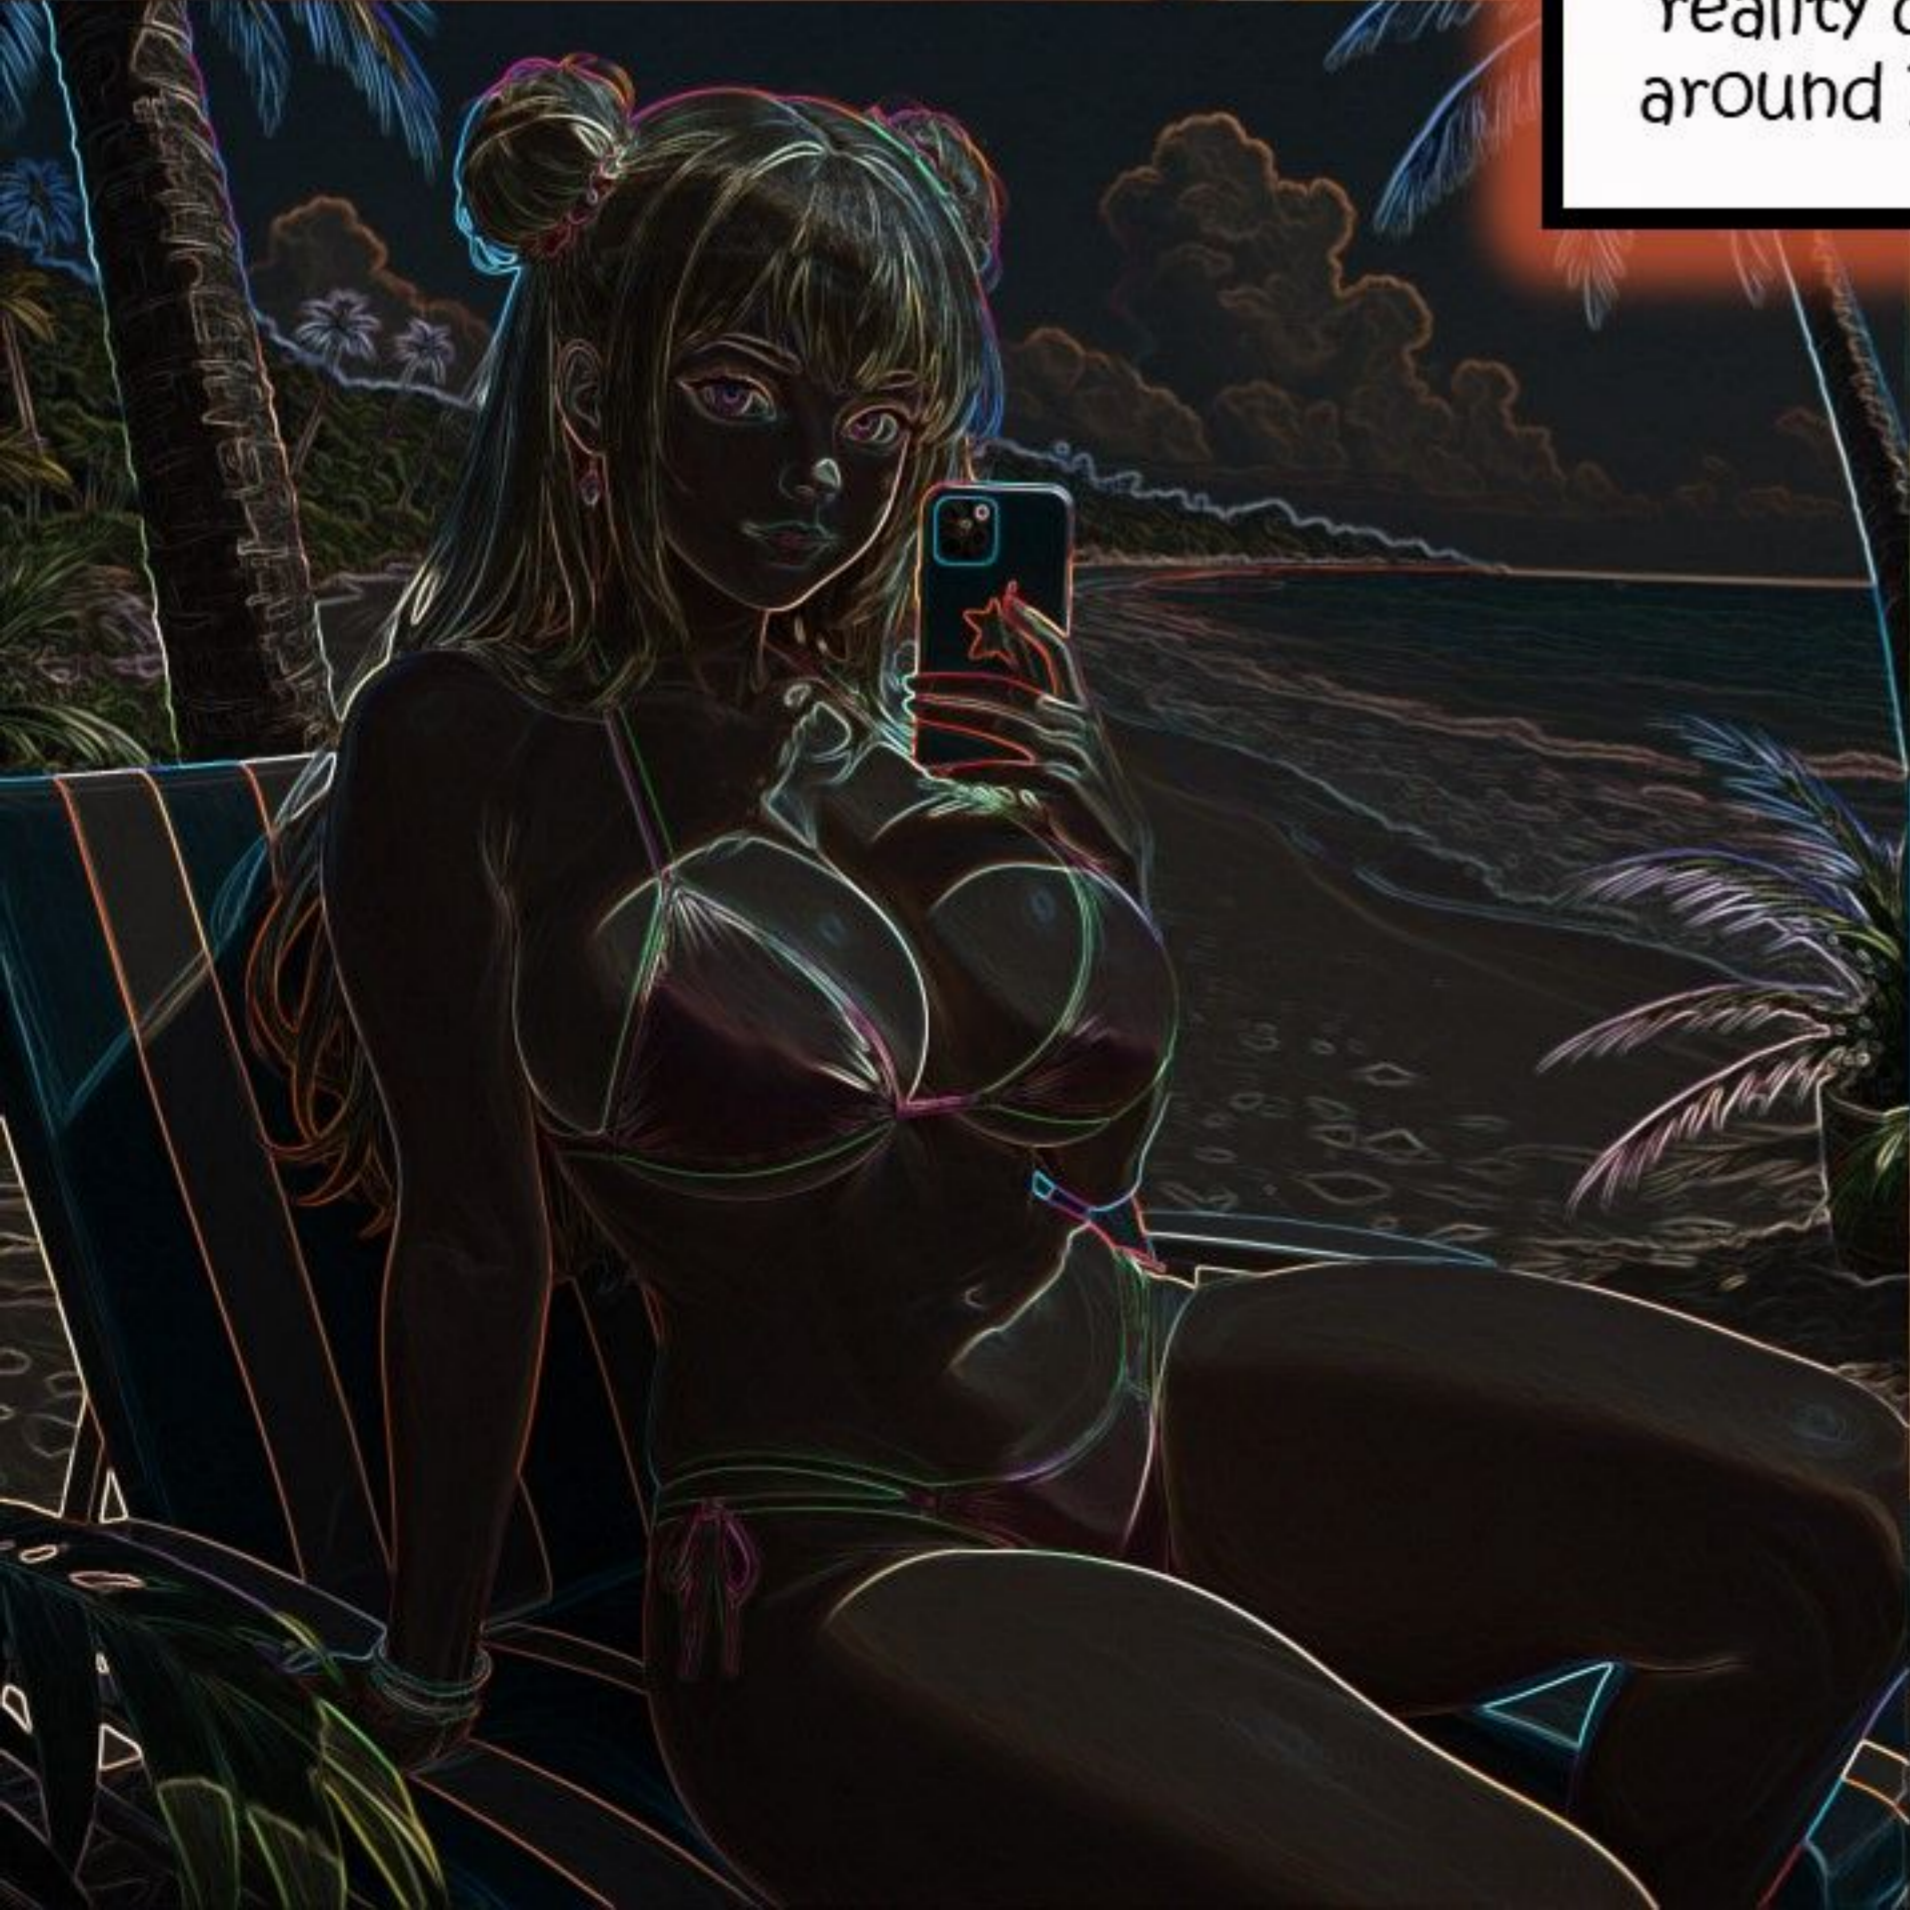

And back to the drawing board... Fuck this! I've already changed her so much that, at this point, I did not really care anymore about getting her the "conventional way".

"The nerdy girl with the buns and the glasses broke up high school. She does not remember our last conversation. And she's into dark-haired guys!"

"Isabel is a nymphomaniac middle school dropout with huge fake tits and very long hair. She does not remember our last conversation!"

One last time  
reality distorts  
around Isabel...

Nothing was left of Isabel's original self. Where once set an intelligent brown-haired woman with big glasses a curvy bimbo, with long blonde hair resided now.

Hey there,  
cutie.

Wanna  
fuck?

Uh! I'd  
love that!

I take Isabel by the hand and lead her to close-by changing room.

I'm Izzy, by the way.

Mhm...

Why don't you put the phone away and start with a blowjob?

As soon as we  
are inside the  
eager slut drops  
to her knees.

Ready to  
suck you  
off!

*giggle*

I step out of my swim trunks and IZZY starts licking my tip.

lick

Yummy!  
You have a  
really big  
cock, Sir.

*slurp*

Soon she's gobbling up my cock in her wet mouth.

It feels amazing!

SUCK

I have her service  
me hands-free...

And I guide her  
head to maximize  
my pleasure...

Before I tell her to use her tits.

Take me between those melons of yours and make me cum.

Mpf hmp!

Obediently she wraps her still bikini-clad tits around my cock and starts pumping them!

Like this?  
\*giggle\*

squish

She keeps my dick wedged between her breasts as she slobbers it up with her mouth.

Just...  
like... that.  
\*groan\*

Soon I give in to  
the pressure  
building in my balls  
and shoot my load  
all over her pretty  
face and giant  
cleavage.

Here it  
cums babe!

Wow!  
You came a  
lot! \*giggle\*

Can we like fuck now?

No way, babe. I need to regenerate.

Why don't you lead me to your room and we continue there?

wiggle

Just let me like  
freshen up real  
quick and we  
can...

Nah. Let's go  
like this, Izzy.

A cum  
walk?!

Yup. You up  
for it, Izzy?

Kinky!

Let's do it!

An so we get on the way to the hotel – walking out of the cabin and along the beach...

**\*Giggle\***  
That guy we just walked by totally looked!

There are quite a few people in the hotel lobby area but either they are too busy to spot the scandalous behavior, or they are too perplexed to say anything.

Anyway, we make it to Isabel's room without a hitch.

That was so naughty!  
\*giggle\*

But we made it!

Can we fuck now?

Got any idea how you look right now, girl?

Go take a shower!

Tsk,  
boys!

Fine I'll  
clean off  
your spunk.  
\*giggle\*

I watch Izzy get under the shower... It was a lovely sight.

But I expect a good hard fuck as a reward.  
\*giggle\*

And soon the water  
washes away the last  
traces of my juices on  
her face and body.

There. Squeaky  
clean again!  
*\*giggle\**

Seems you like watching me shower.

That cock of yours already looks kinda hard again!

And with those words  
Izzy leaves the shower as  
is, water droplets still  
running down her skin.

A highly detailed digital illustration of a woman with long, wavy blonde hair styled in two buns. She has large, prominent breasts and is unclothed. Her skin is wet, with numerous water droplets visible, particularly on her chest and shoulders. She has a soft, smiling expression and is looking directly at the viewer. The background is a bedroom with a bed covered in white linens, framed pictures on the wall, and a window with curtains. A speech bubble is positioned to her right, and a text box is in the top left corner.

Now let's  
fuck!

With an enthusiastic laugh, Izzy hops onto the bed...

Does this position give you any ideas, stud?

Hell, yeah it did! I got behind her and I stuck it in her already dripping wet cunt.

Fuck! Your cock feels like so big inside of me!

moan

Oh, yes!  
Give it to me!  
Give it to me  
hard!

I enjoyed taking her doggy style...

moan

But we also tried different positions...

Yes, yes,  
yes!

In fact, Izzy was totally insatiable!

You like watching my ass slap up and down as I ride your COCK?

Thankfully my new body offered lots of Stamina and due to having jizzed on Izzy just recently I held out longer than usual.

But every good thing  
cums to a climax!

I'm so  
close, baby!

We were both heavily  
sweating from all the  
action, but her tight  
hole still felt fantastic!

A woman with long blonde hair is lying on her back on a bed with white sheets. She is unclothed and has a look of intense pleasure, with her mouth wide open in a moan. Her skin is glistening with sweat. A hand is visible on her hip, and another hand is near her groin. The word "moan" is written in large, pink, outlined letters above her head, with a yellow glow behind it.

moan

Encouraged by her words I start to pound her even harder, getting myself ready for my final thrust.

A high-quality digital illustration of a woman with long, wavy blonde hair lying on her back on a bed with white linens. She is unclothed and has a glossy, wet skin texture. Her hair is styled in two buns at the top of her head. She has a surprised and happy expression, with her mouth open and eyes looking upwards. A speech bubble is positioned above her head, containing the text "Oh, wow! You make me feel so good!". The scene is lit with soft, warm light, creating a romantic and intimate atmosphere. The background shows a dark headboard and a window with light-colored curtains.

Oh, wow!  
You make me  
feel so good!

Feeling her cunt spasm around my shaft finally drives me over the edge as well and I deposit my load deep inside of her.

Wow!

CLIMAX

Having experienced an amazing orgasm, I lay back in the sheets next to her and just enjoyed the sensation of after-orgasmic bliss...

When I get up again and  
take a look at IZZY the girl  
has drifted off to sleep!

Well...  
That was  
fun...

But what shall  
I do with you  
now?

Zzzzzzz

Leave her as is. (P.82)

Revert her to normal. (P.84)

Leave her as is.

She looked so very peaceful in her sleep. And my juices were still dripping out of her cunt... Nah, turning her back might just lead to trouble for her.

Sleep tight  
IZZY, my cute  
little bimbo.

Careful not to wake her I  
close the door behind me as  
I exit her room. The world  
was better off with one  
more happy bimbo!

The End.

I really enjoyed Izzy the Bimbo. But who knows how this dumb girl would fair on her own... And I was far too busy to adopt a puppy... err bimbo!

Change her back

~~"The nerdy girl with the buns and the glasses is single. Also, she does not remember our last conversation."~~

~~"The nerdy girl with the buns and the glasses never went to Princeton university. She barely made it into community college. And she does not remember our last conversation..."~~

~~"The nerdy girl with the buns and the glasses broke up high school. She does not remember our last conversation. And she's into dark haired guys!"~~

~~"Isabel is a nymphomaniac middle school drop out with huge fake tits and very long hair. She does not remember our last conversation and she's very submissive towards men!"~~

And so, I take out the notebook  
and strike through all the lines I  
had written about her...

And before my eyes, reality  
distorts once again...

Within moments, the busty blonde bimbo reverts to her old nerdy self.

She was still sleeping and everything else was... still dripping...

Careful not to wake her I  
close the door behind me as  
I exit her room.

Sleep tight, Izzy.  
You're in for a hell  
of a surprise when  
you wake up...

Hello, Hexxet here,

Our guy once again got distracted and did not engage with the busty beach bunnies. But in the end, he ended up with a bimbo anyway! I hope you enjoyed the gradual bimbofication of Izzy and of course the sexy time with her bimbo self 😊.

Btw. I asked you guys if you liked the graphics of the last chapter and you said yes. But I had these already prepared, so that's why this chapter is not as anime-like as the last. I plan to switch back to anime graphics for the next chapter.

Some pics that did not make  
it into the comic...

I can't wait to finally feel that big dick of yours inside of my tight cunt!

Water was pearling down Izzy's skin and dripping off nipples as she looked at me expectantly with her big blue eyes.

moan

Sleep tight, Izzy!
