

# No Nut November Curse

by TGedNathan

*When you nut in november  
you remain like this forever*

It was the night after halloween. The first of november. Four college teens decide that they will celebrate the scary feast with a visit...

I don't know guys... maybe it's best that we should go when it's...

daylight?

oh....

Krrr...

...at the mysterious mansion outside of town that stood many centuries.

Kreee...

Come on nerd, don't be such a pussy! Let's go in!

sorry...

Wow... it's so much bigger that I thought! And much darker!

Damn... this is awesome!

oh god...

TAP!

Don't worry about the darkness. Let's explore it!

We examined the mansion. It looked pretty scary, but it was safe... except for one room.

Wow...

hmm...

Damn... this is so exciting! Why didn't we do this earlier, fattie?

Babe...?

BEEEK!

What's wrong babe? Is there some creepy dude harrassing you?

No... it's even worse!

BAM!

**HOLY CRAP!  
IS THAT ME?**

**We look ridiculous!  
I'm scared...**

**I do look pretty hot as a chick.  
I'm even more busty than you are,  
haha!**

**THIS ISN'T  
FUNNY!**

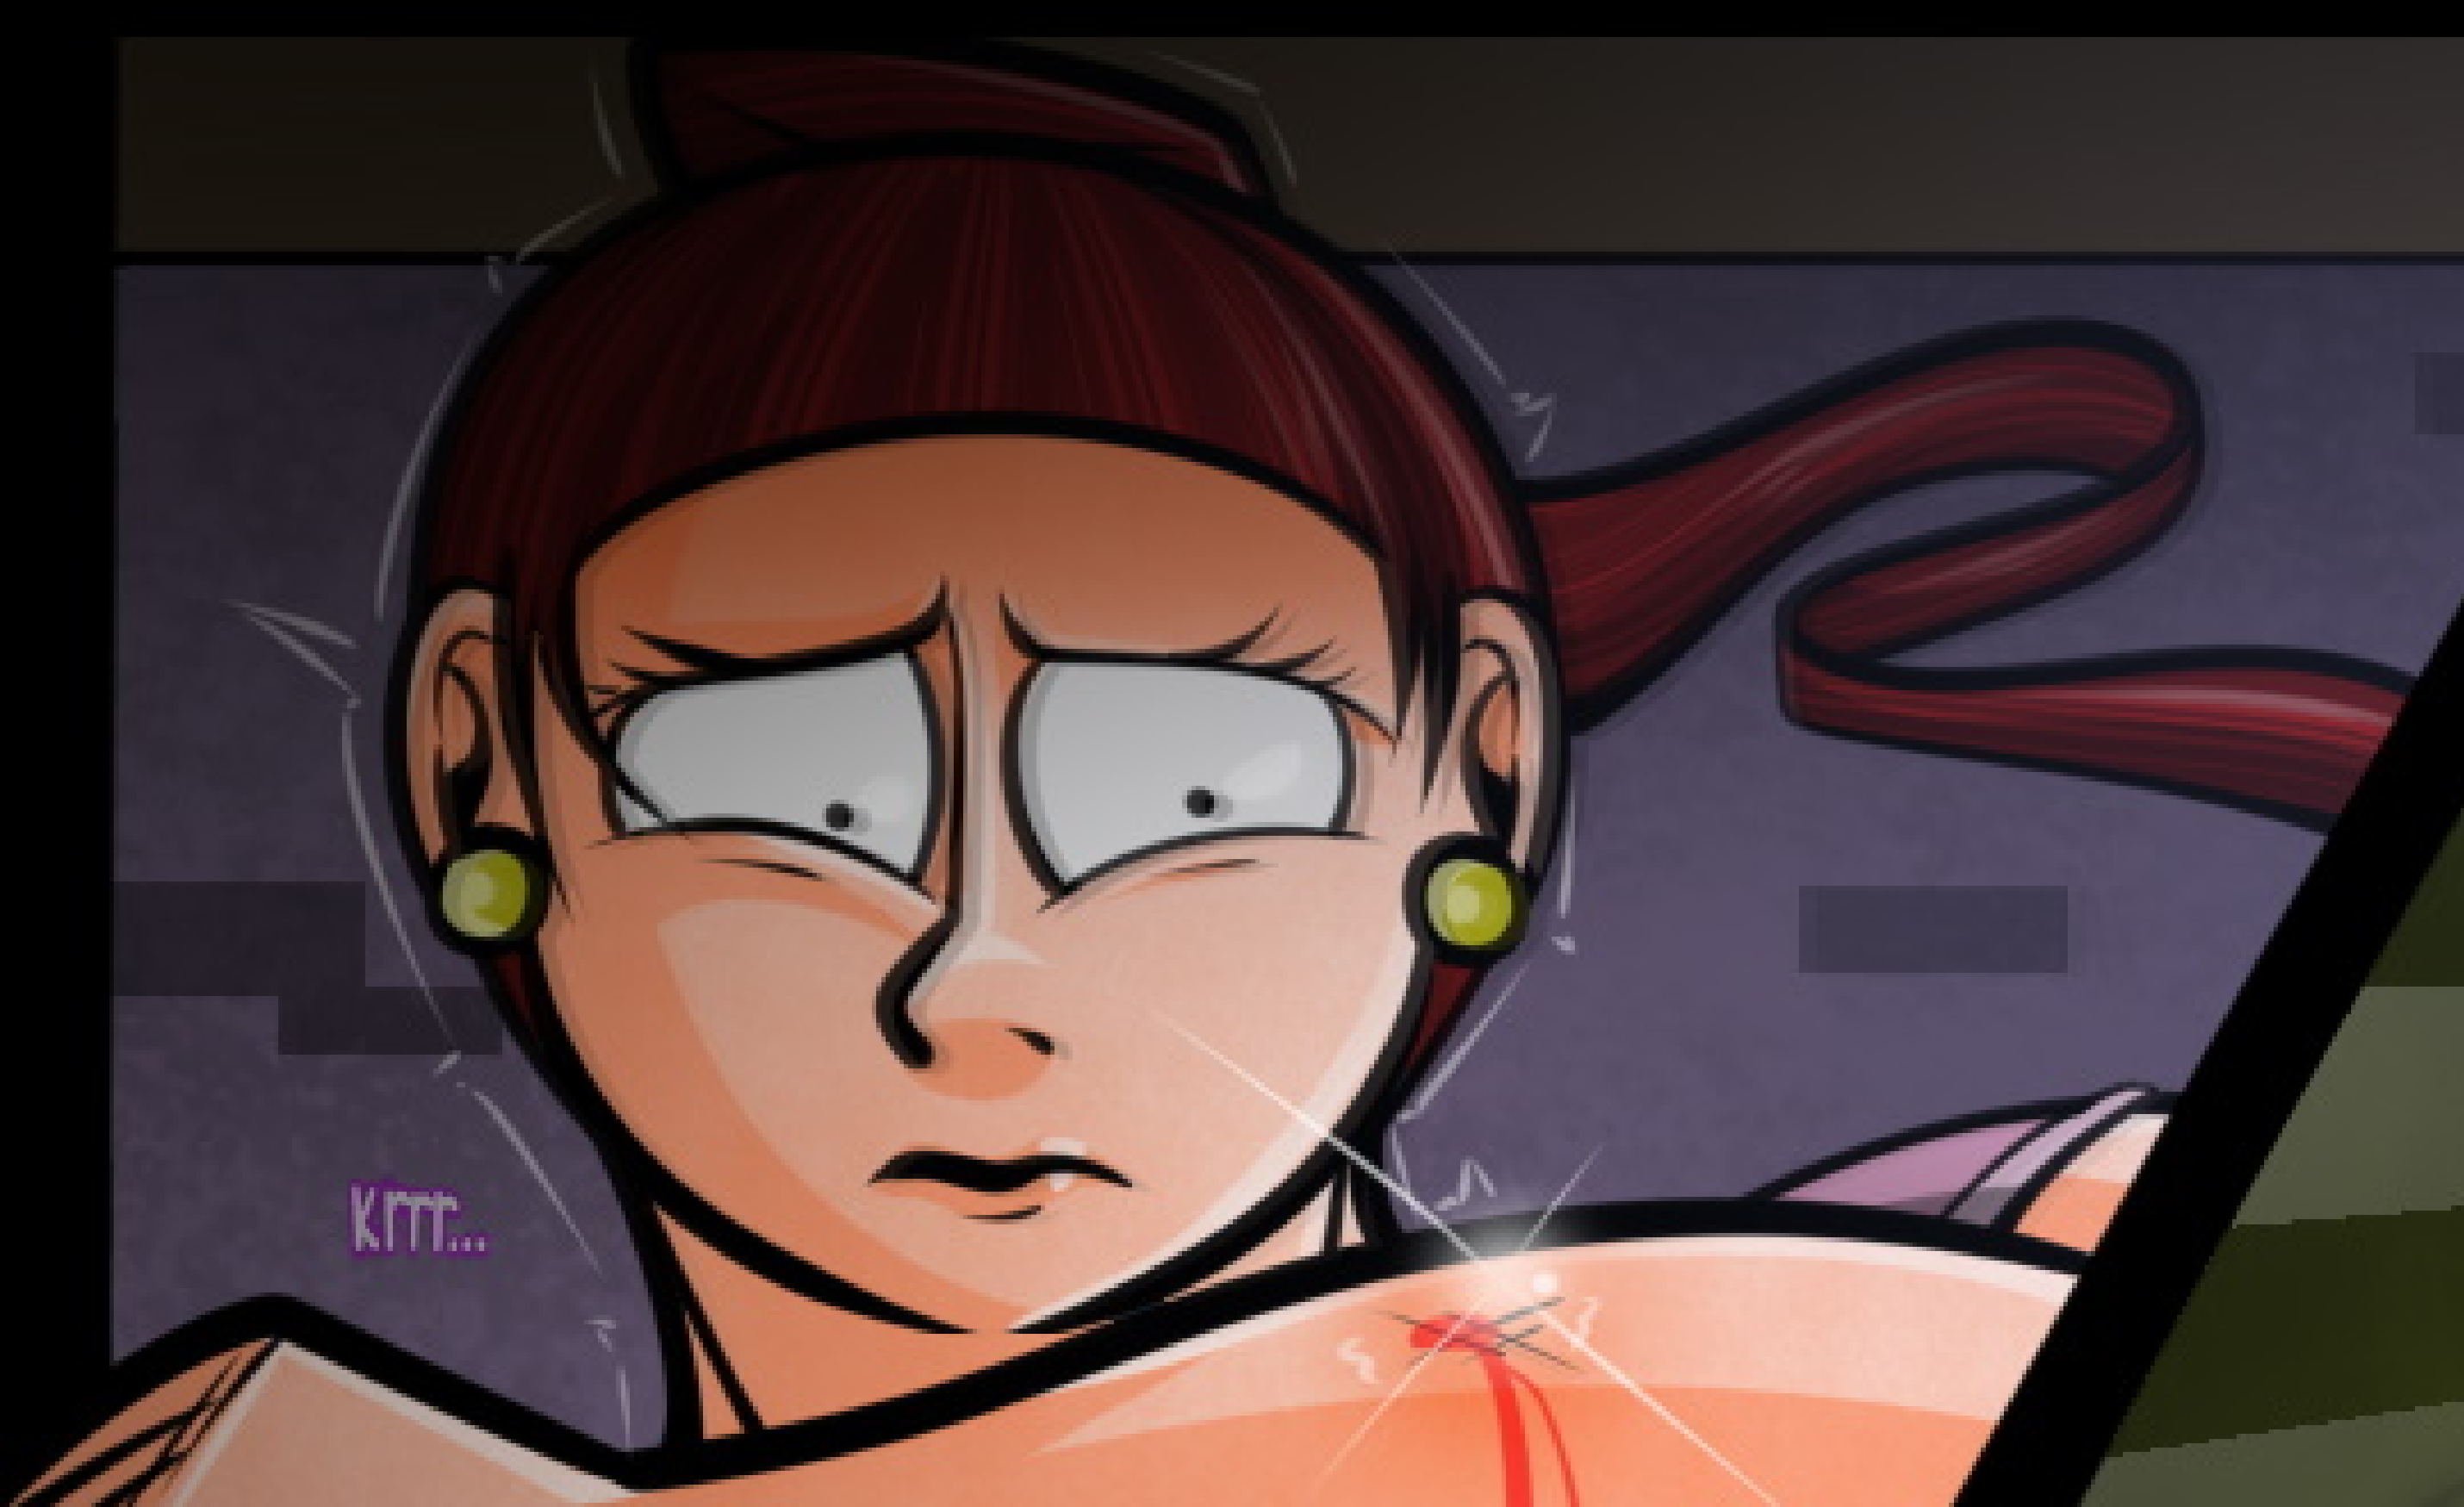

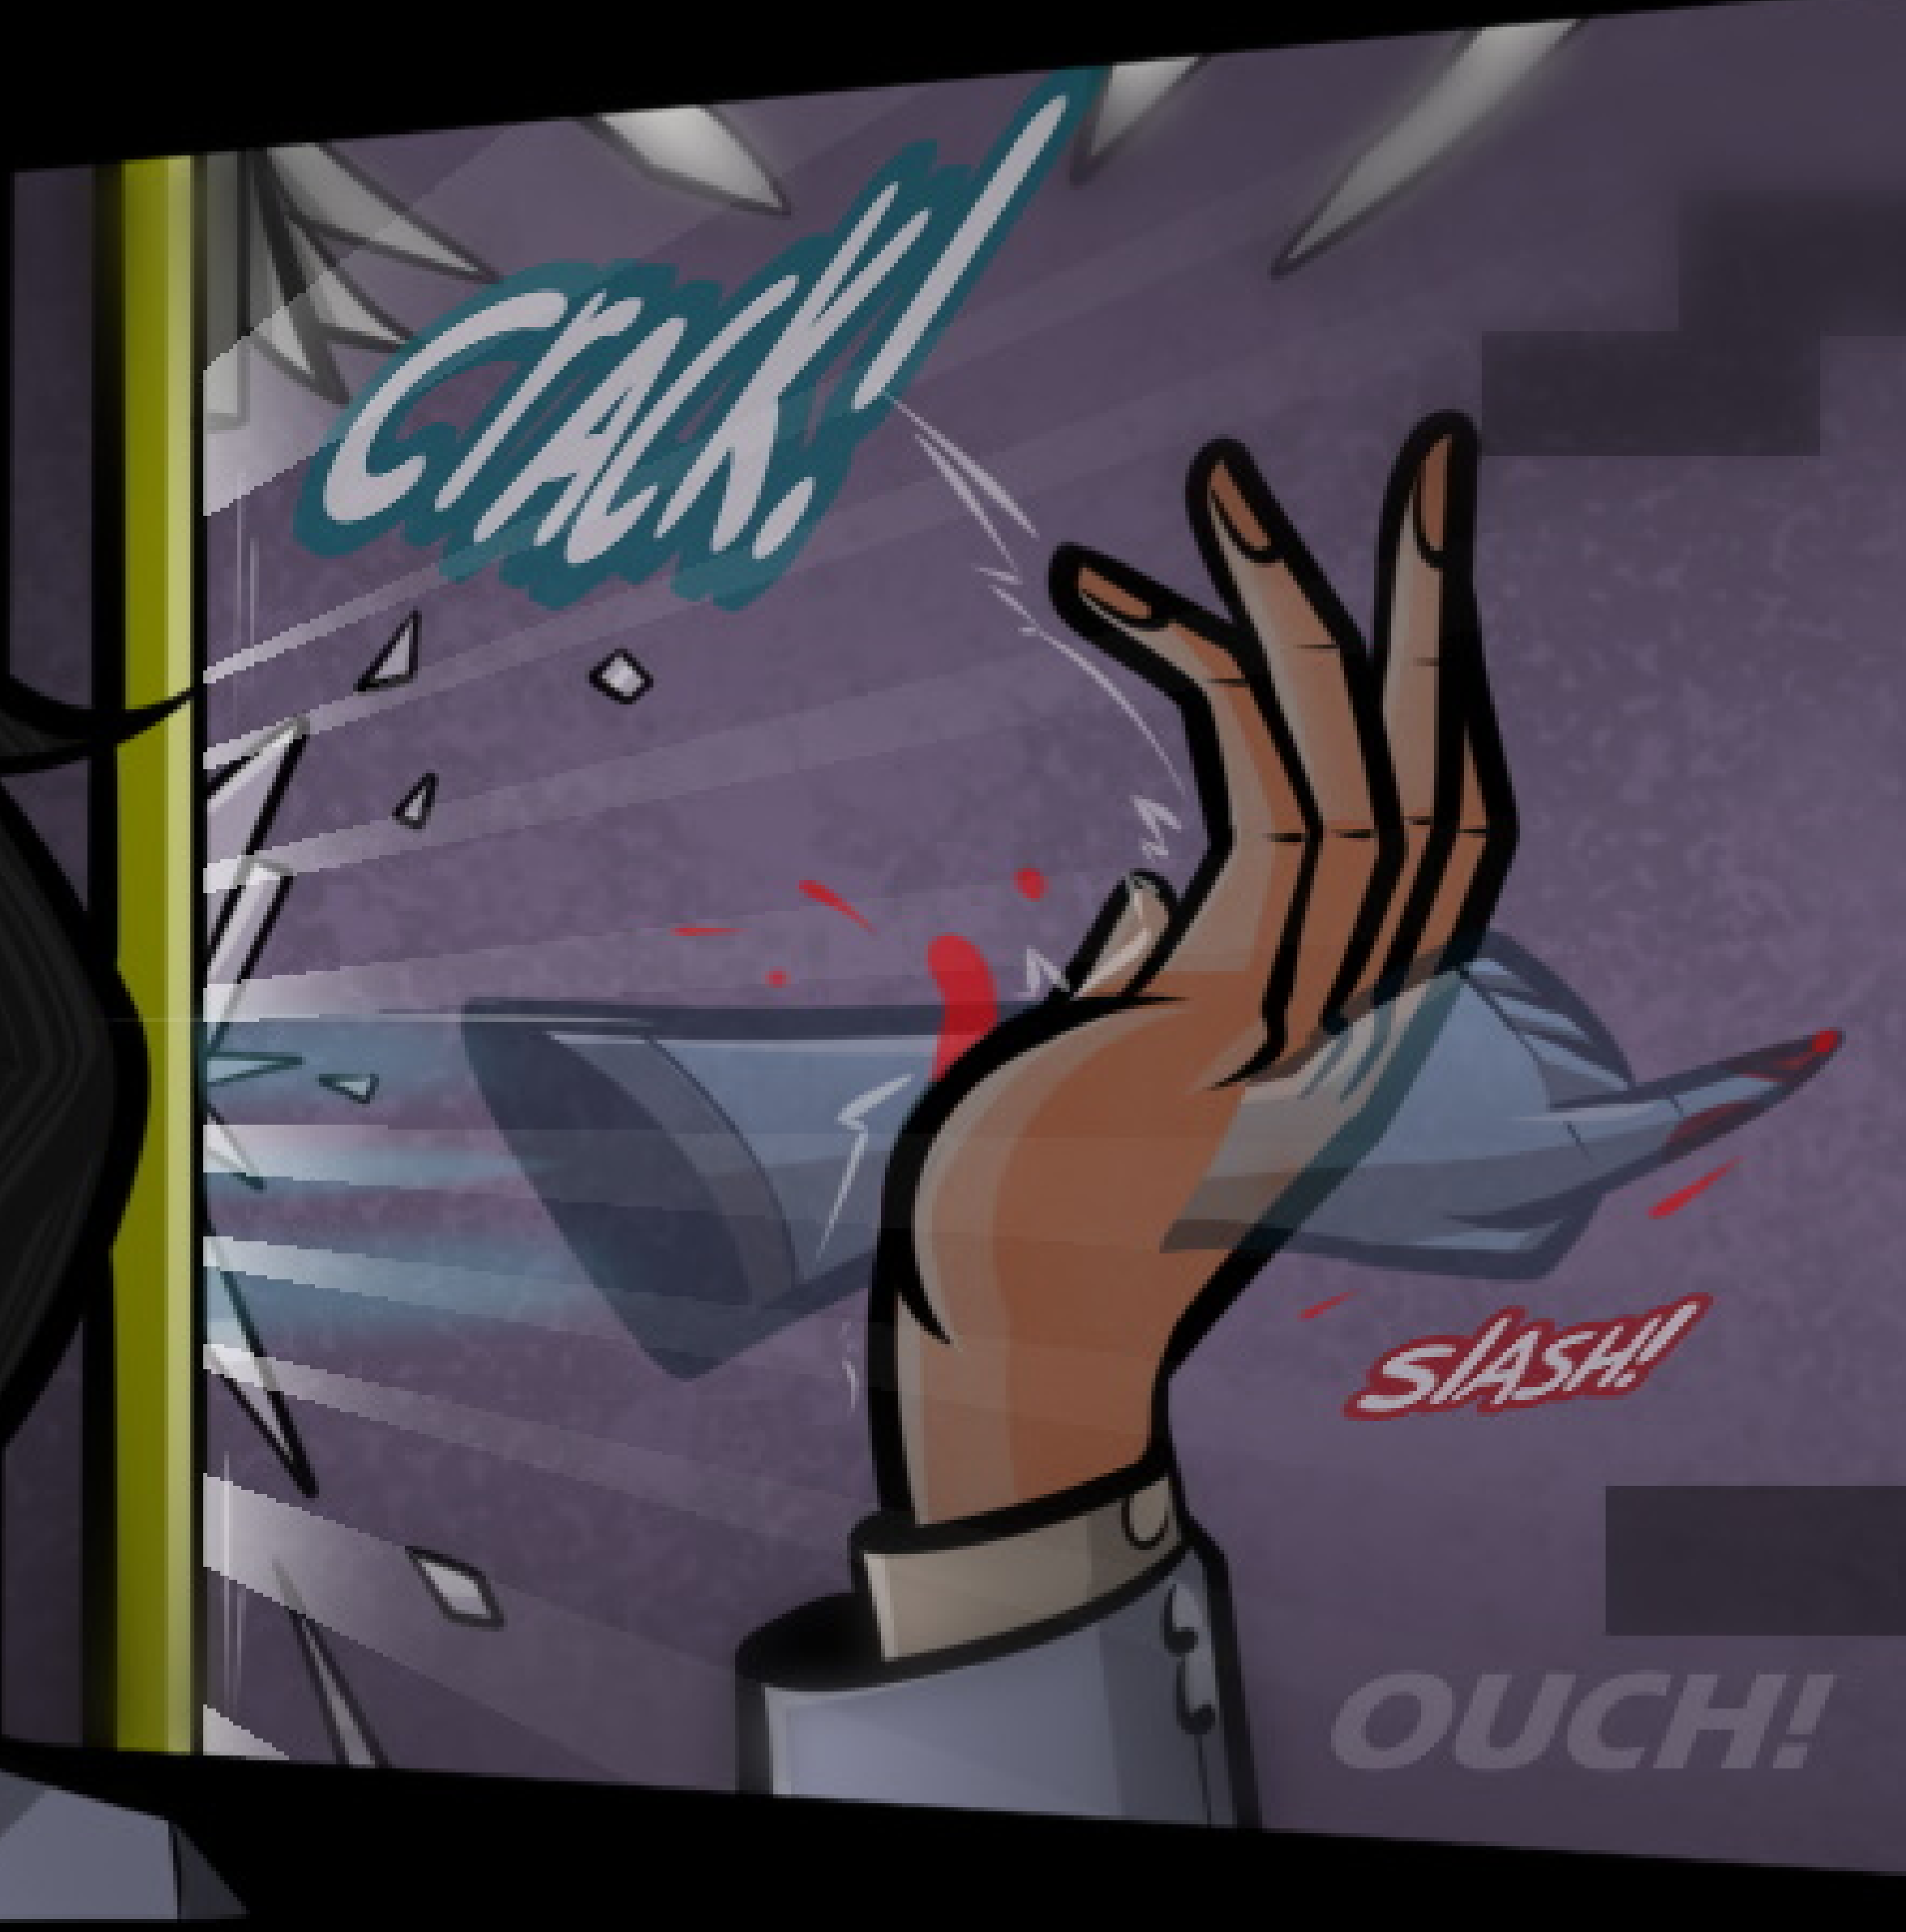

**What's  
going on...**

**woah!**

**This is pretty neat! Is it some kind  
of digital hologram?  
Are we in a TV  
show?**

**Hmm... strange...  
I don't see any  
cables.**

**OH MY GOD... THIS WAS TOO CREEPY! EEK!**

**Calm down babe, it was nothing, we're all fine.**

**Fine? I'm sorry, but I think we're totally cursed right now.**

**Remember what stood on the mirror? Will we change genders if we nut this month?**  
*I don't want tits!*

**SHUT IT! YOU'RE SCARING MY GIRL!**

**Let's just go home, it was a fun halloween trip, and that's it!**

**Y...yes love, let's go home and forget this!**

**Maybe, they're right. Let's go, I see you later.**

*Yeah... bye!*

**And so we went on our own ways ending the night, trying to forget this all happened.**

**Toot!**

**Ting!**

**Froom...**

A few days later, I was looking at some porn.

But I just kept thinking about that curse. So I decided not to nut it off.

Bonk... Bonk...

sigh...

TAP...

Later I heard that Fat Max also tempted to jerk off but didn't.

grrr...

I wished it was the same for the two lovers...

I don't know... I'm not sure if I want to do it.

Come on! It has been days since we had last sex. Don't worry babe, it will be fun!

Okay!

Ah...  
I love  
you!

Shake...

Oh yeah,  
this feels good...  
ah...ah!

Why can't I  
get into the mood?  
sigh... at least  
he gets off.

I'm coming!  
urgh...

Damn, that fuck  
was really good.  
You're the best!

Uhm... love?  
What is that  
light coming  
from your...

WHAT THE  
HELL?!

EH...?!

SPLASH!

I CAN'T MOVE...  
HELP ME BABE!

THE  
FUCK...?!

Love...?

FLOOSH!

FLOOSH!

KITC...

KITC...

BLUB...

**BOOM!**

**BOING!**

**BOING!**

**SPLASH!**

**Urgh... my head feels so freaking fuzzy!**

**Love? Is that you?**

**Scratch...**

**Jiggle!**

**Jiggle!**

Of course it is me...

Your boyfriend!  
Who else?

Wait... my voice sounds off...

WOW!

WATCH OUT!

Weight!

Weight!

Wobble...

Wait, are those t...  
**TITS?!**

Squeeze...

Squeeze...

The next day at college...

EEEEK!

Where are those two?

They should be here any minute now.

**Guys, there is a huge problem!**

**What do you mean?**

**OH GOD! Is that?**

*Wah*

*Wah*

**Hey, it's me...**

**You are a... a chick!**

*Sigh...*

**Thank god you still recognize me. Only you three recognize me as your friend.**

*The curse is real...*

*Jiggle!*

*Jiggle!*

*Swing!*

**Now everybody remembers me as the busty head cheerleader instead of the quarterback. My whole identity is flipped inside-out!**

*Wah*

*squeeze!*

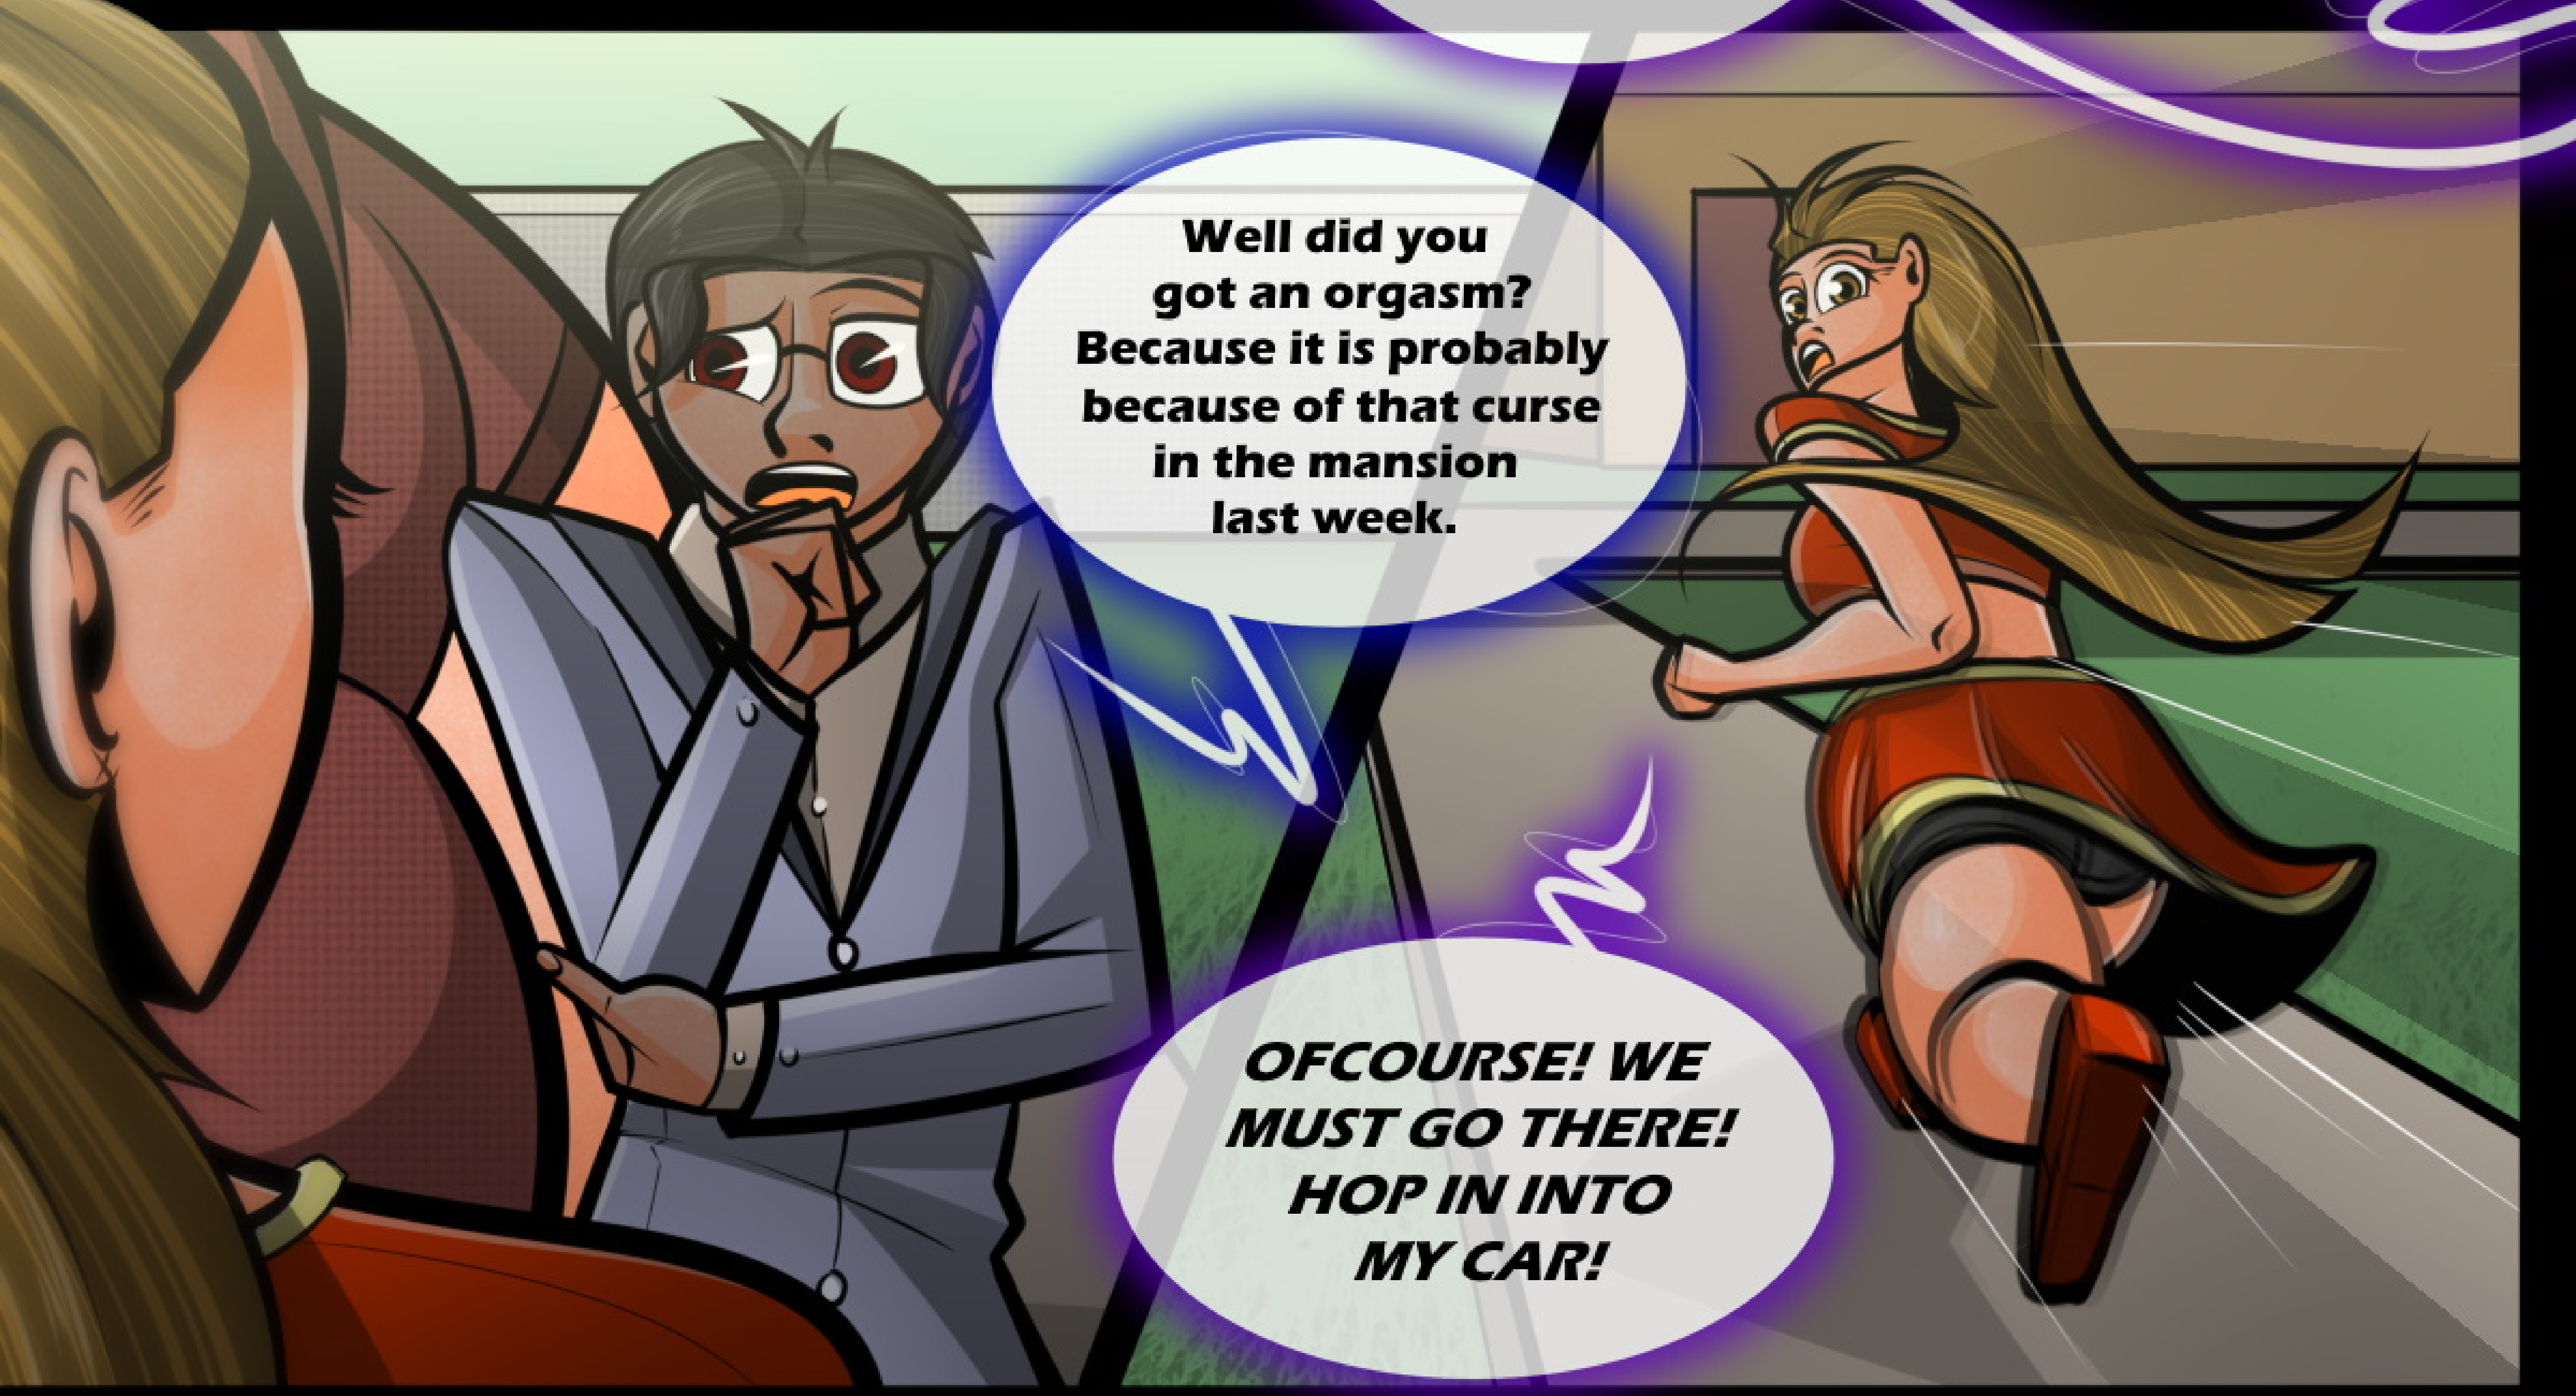

*Is that...him?*

Hey gal, we have practice in ten minutes, so be ready, captain.

Uhm... yeah, I'll be there in a moment...

**This is fucking insane! Help me!**

Well did you got an orgasm? Because it is probably because of that curse in the mansion last week.

**OFCOURSE! WE MUST GO THERE! HOP IN INTO MY CAR!**

at the mansion...

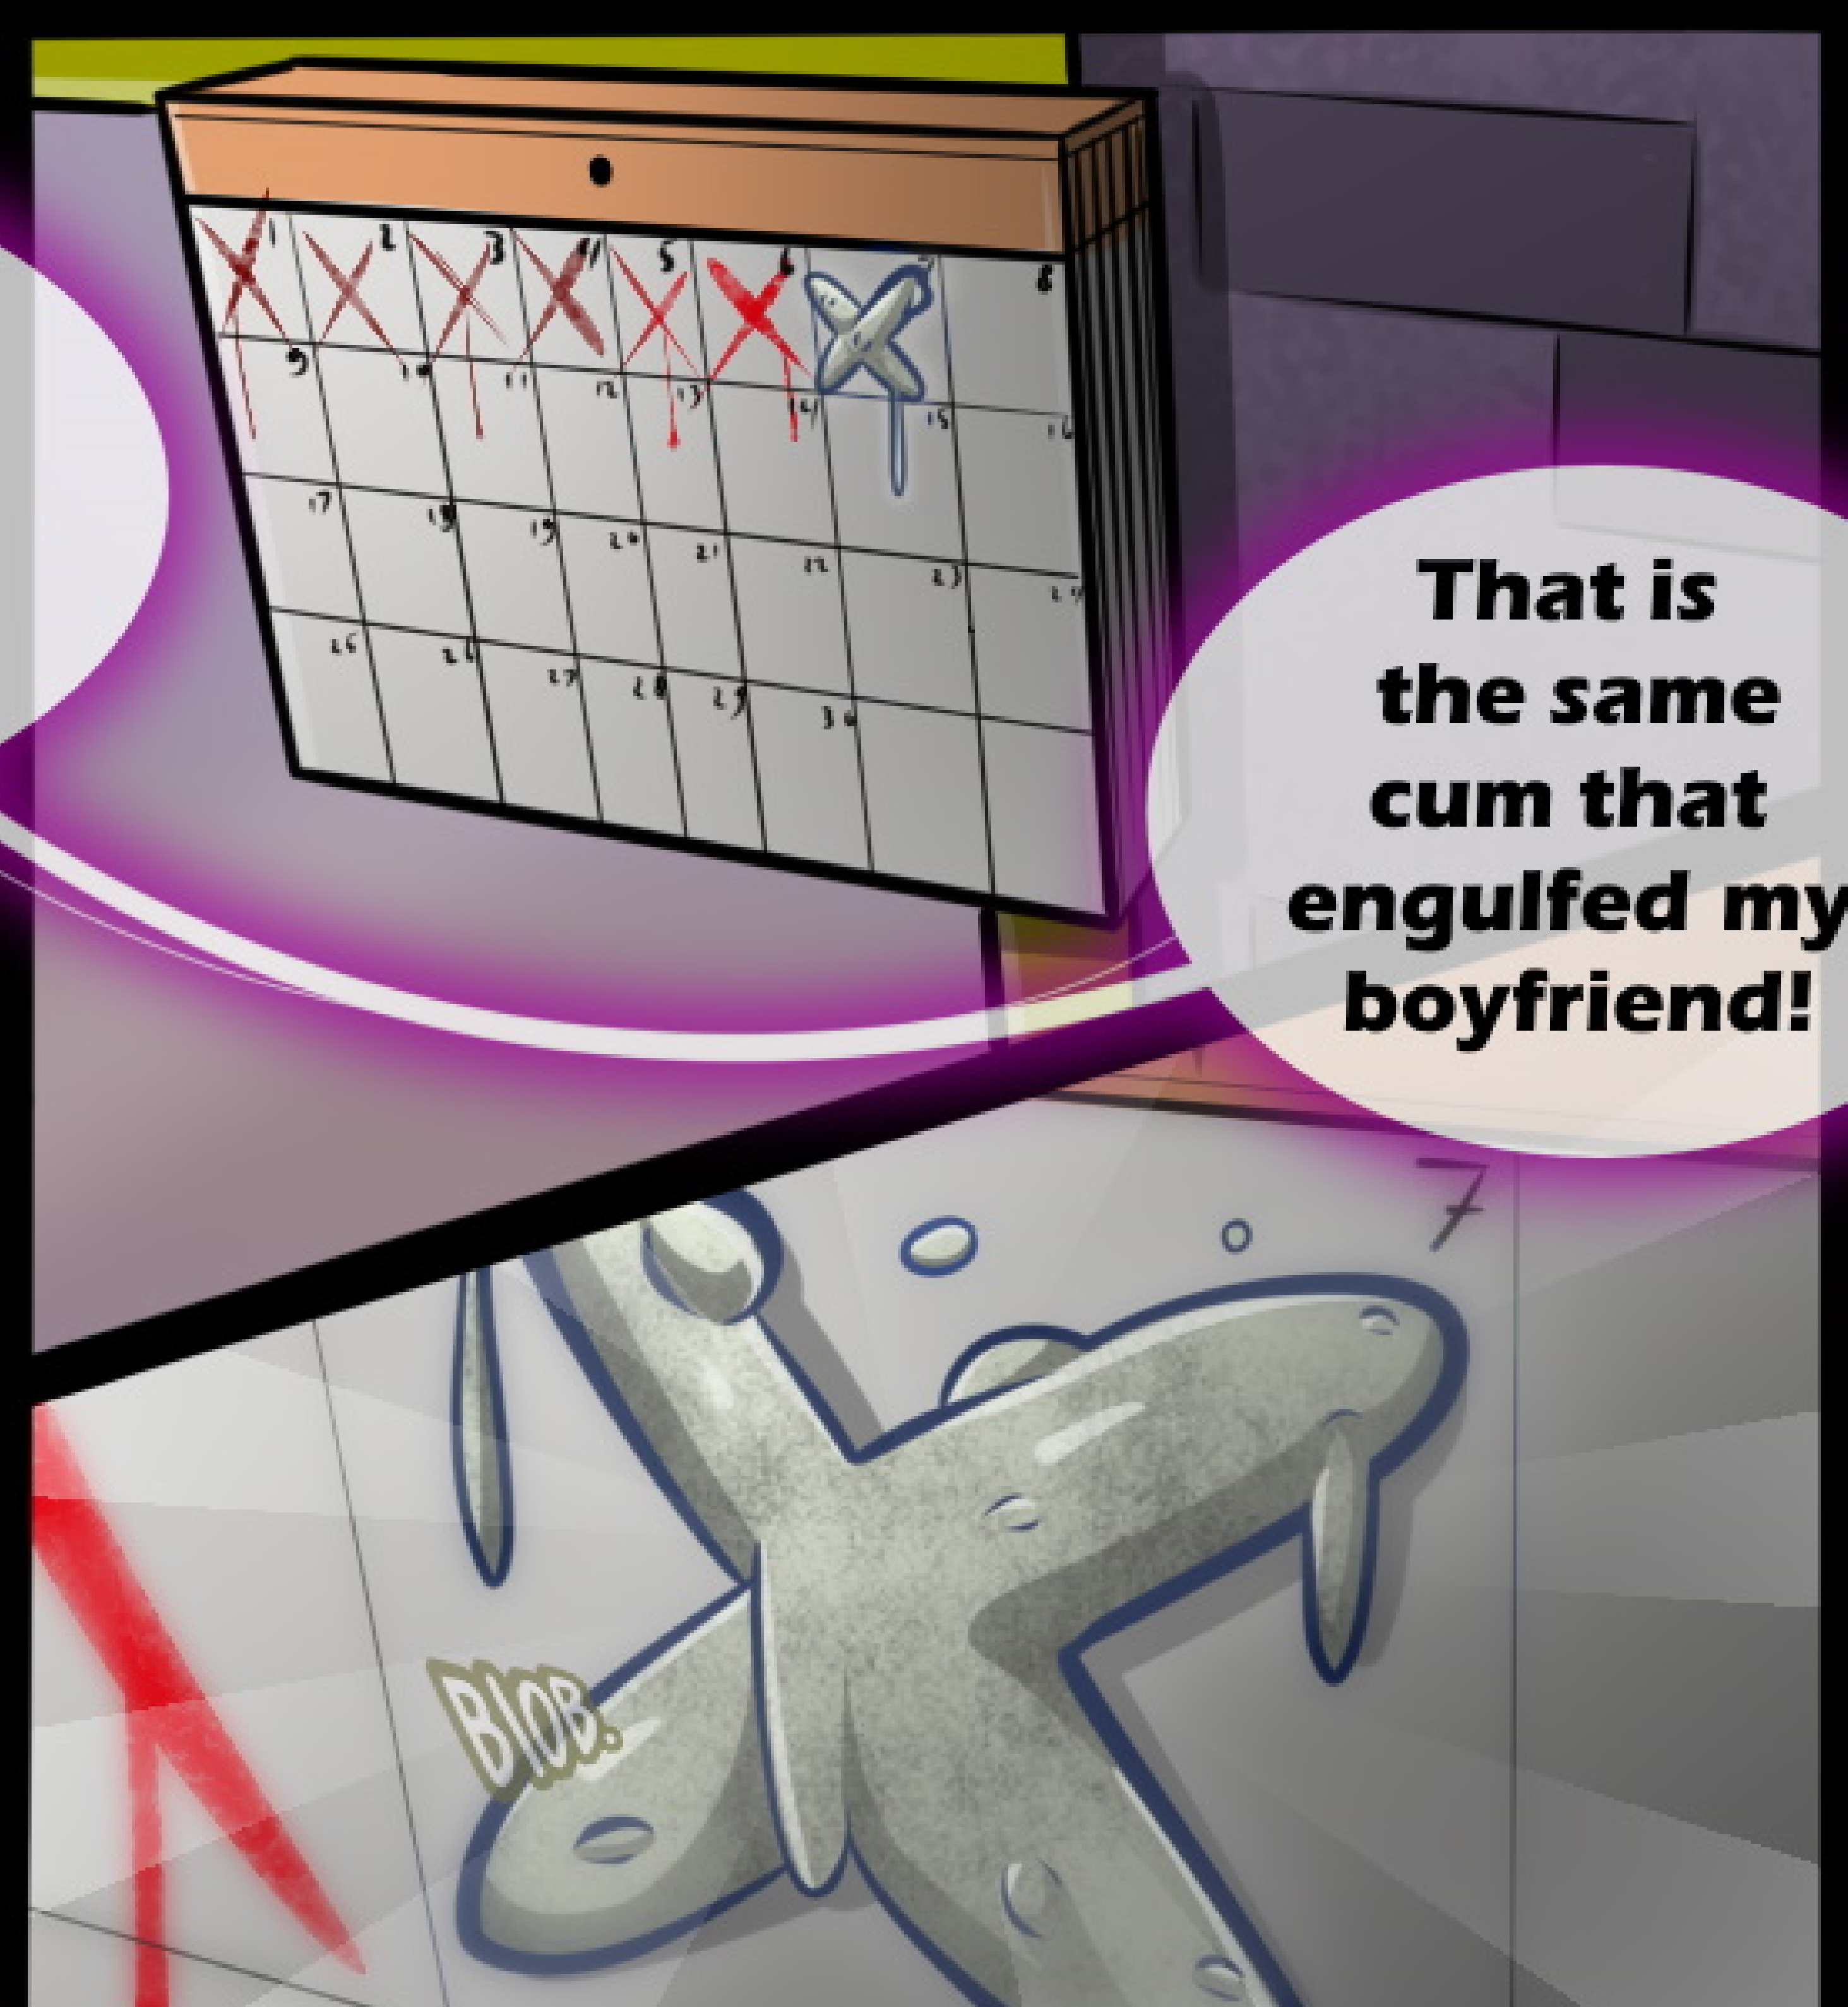

Huh...? I can't get through... why only me?

I think that's because the curse already got to you.

I can't get you through it, what should we do?

urgh... Just go on without me and kick that ghost in it's balls!

Crack!

It's photo of a girl...

No, a BOY dressed as a girl.

*We should figure out who this is.*

...LEAVE ME ALONE!

KAPOOSH!

OR ELSE I'LL CHANGE YOUR GENDER RIGHT NOW PERMANENTLY!

BOOM!

Are you guys okay? Did you find anything?

*My god, I really made a girl squeak...*

eek!

Well, the ghost was really mad when we took this picture.

*It looked scary!*

Hmm... that boy looks hella gay! Haha!

But how is this gonna get my junk back?

Or else everyone will come looking here and we won't find a way to turn you back...

I don't know. But for now we need to stay low and don't attract too much attention.

But that means...

This is so scary...

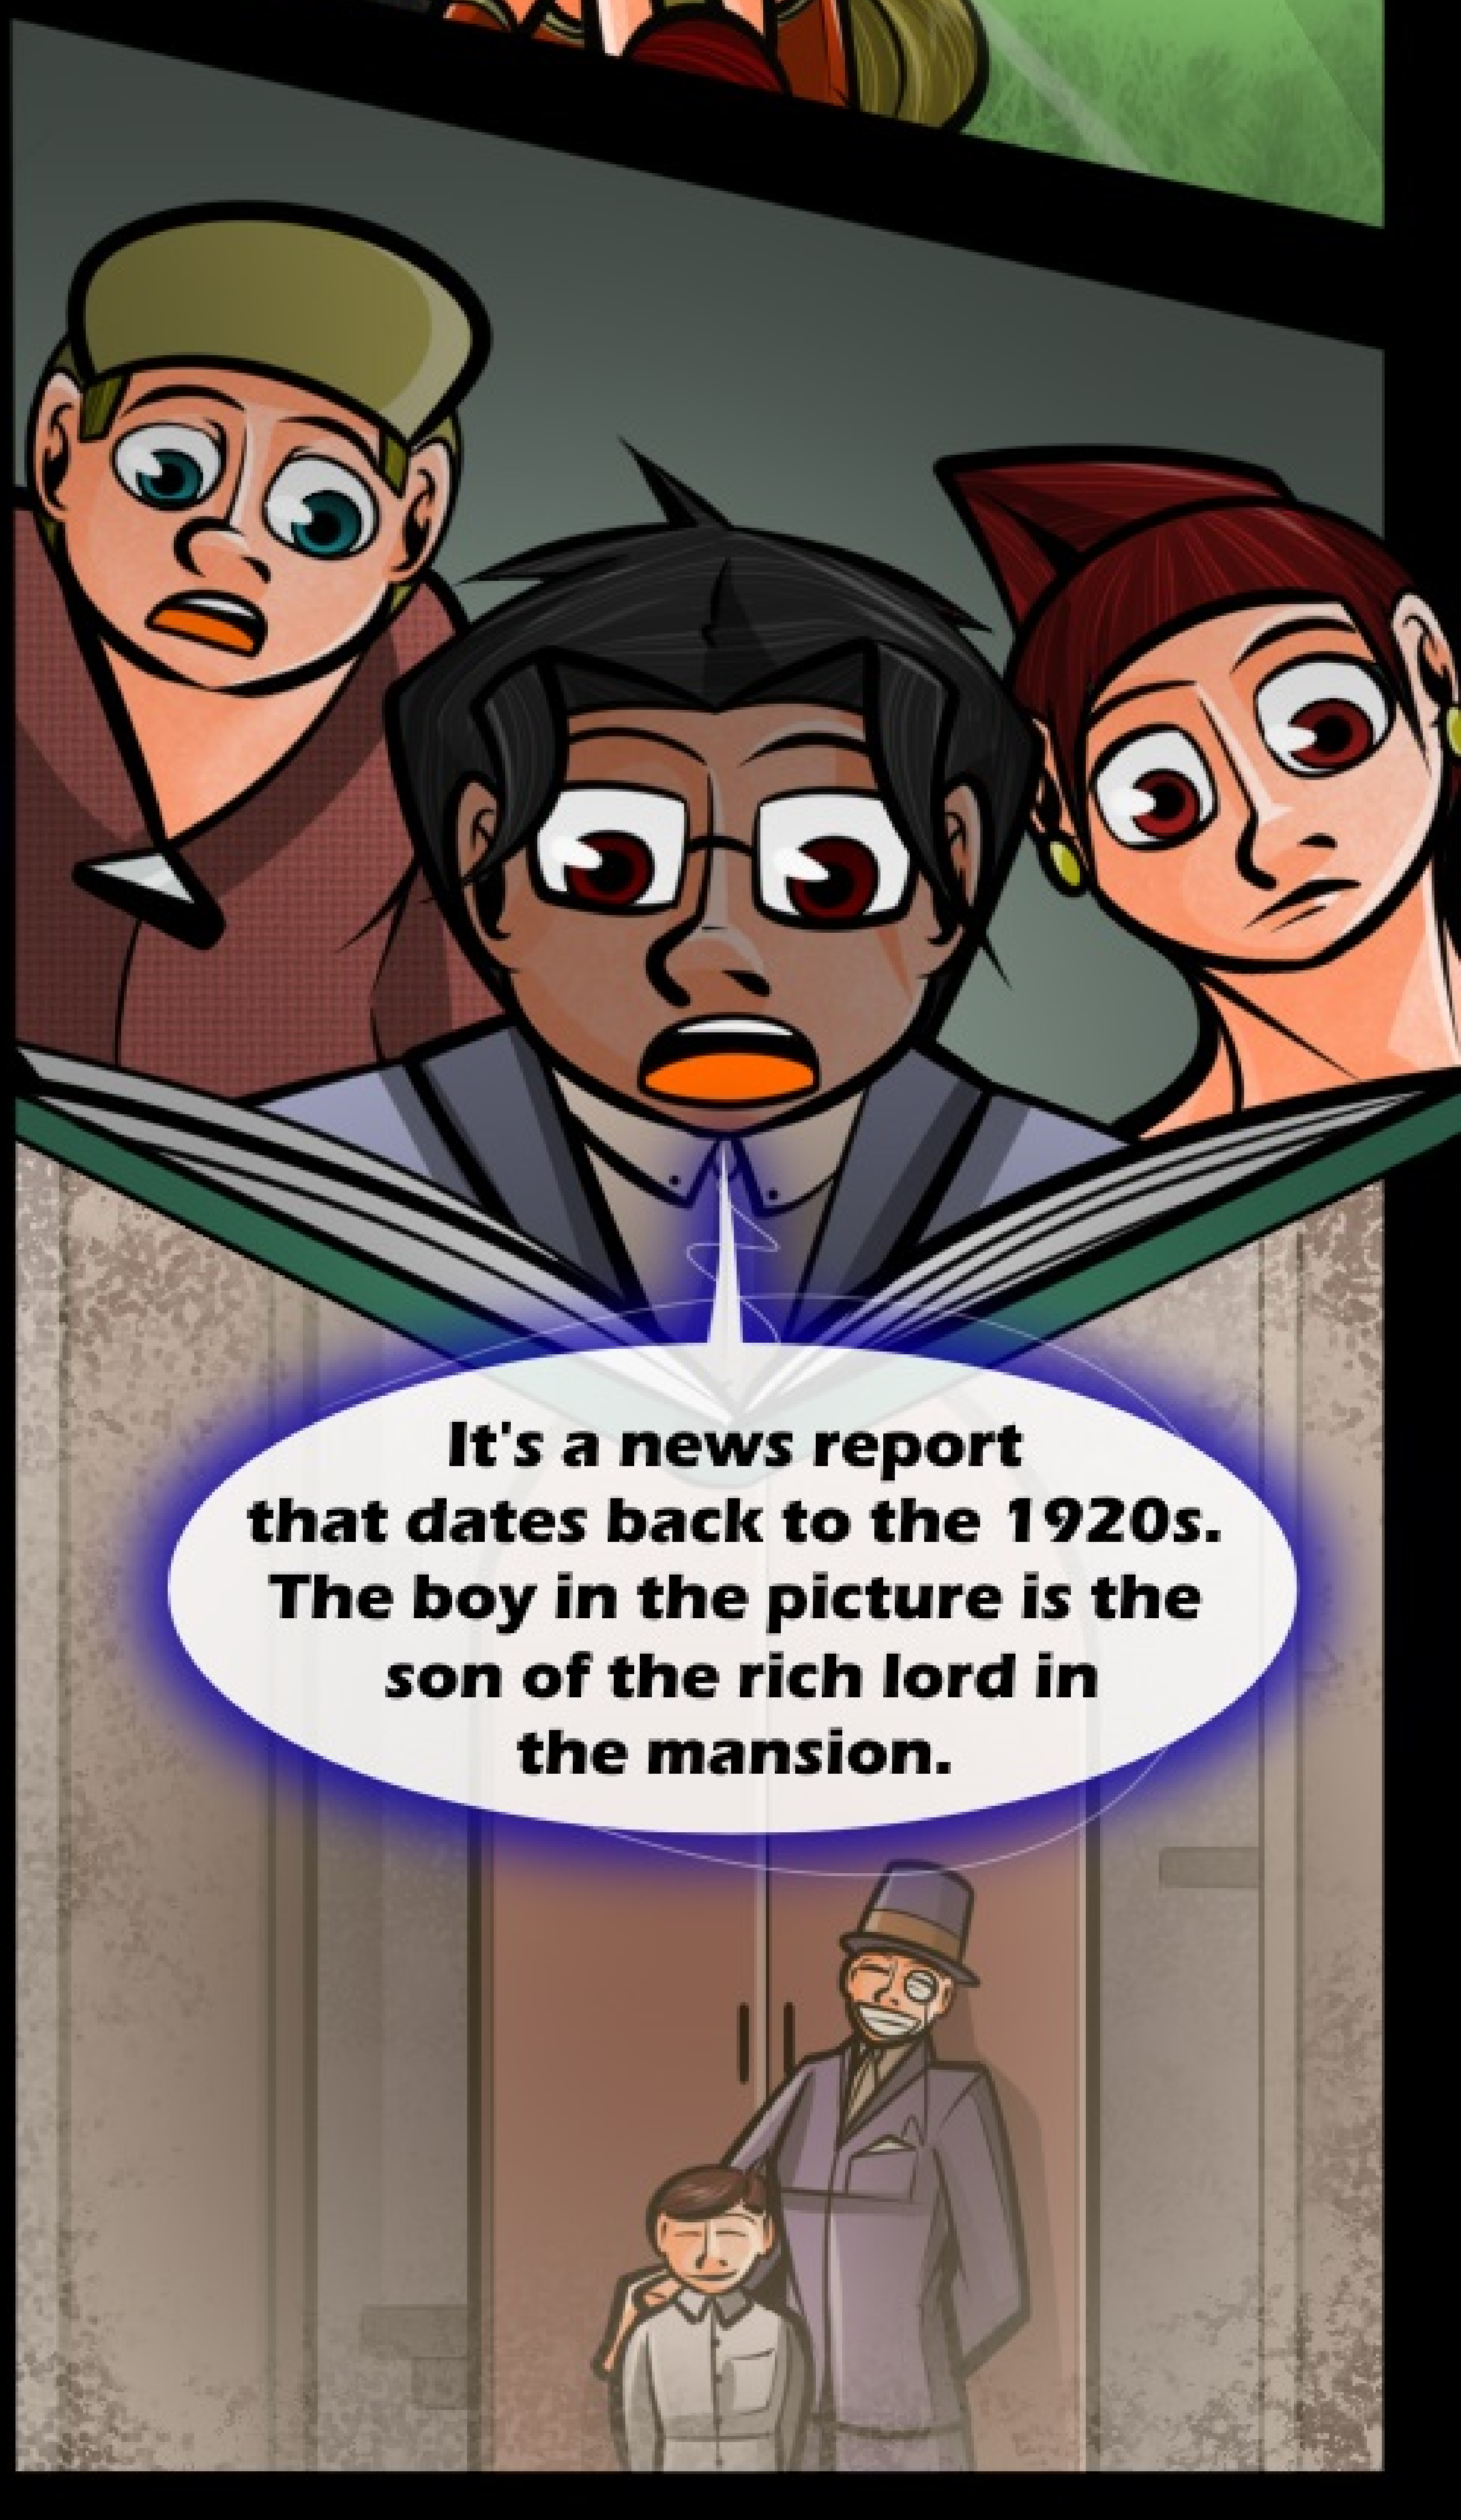

As the Jock pretends to act as the head cheerleader on campus,

the rest went to the old town library to research more about the mansion and its history.

Look, I found something interesting.

It's a news report that dates back to the 1920s. The boy in the picture is the son of the rich lord in the mansion.

**One day,  
the son got  
caught with him  
jacking off by  
his father.**

**As a punishment  
he was dressed up  
in girly clothes and  
was raised up as a  
daughter from  
then on.**

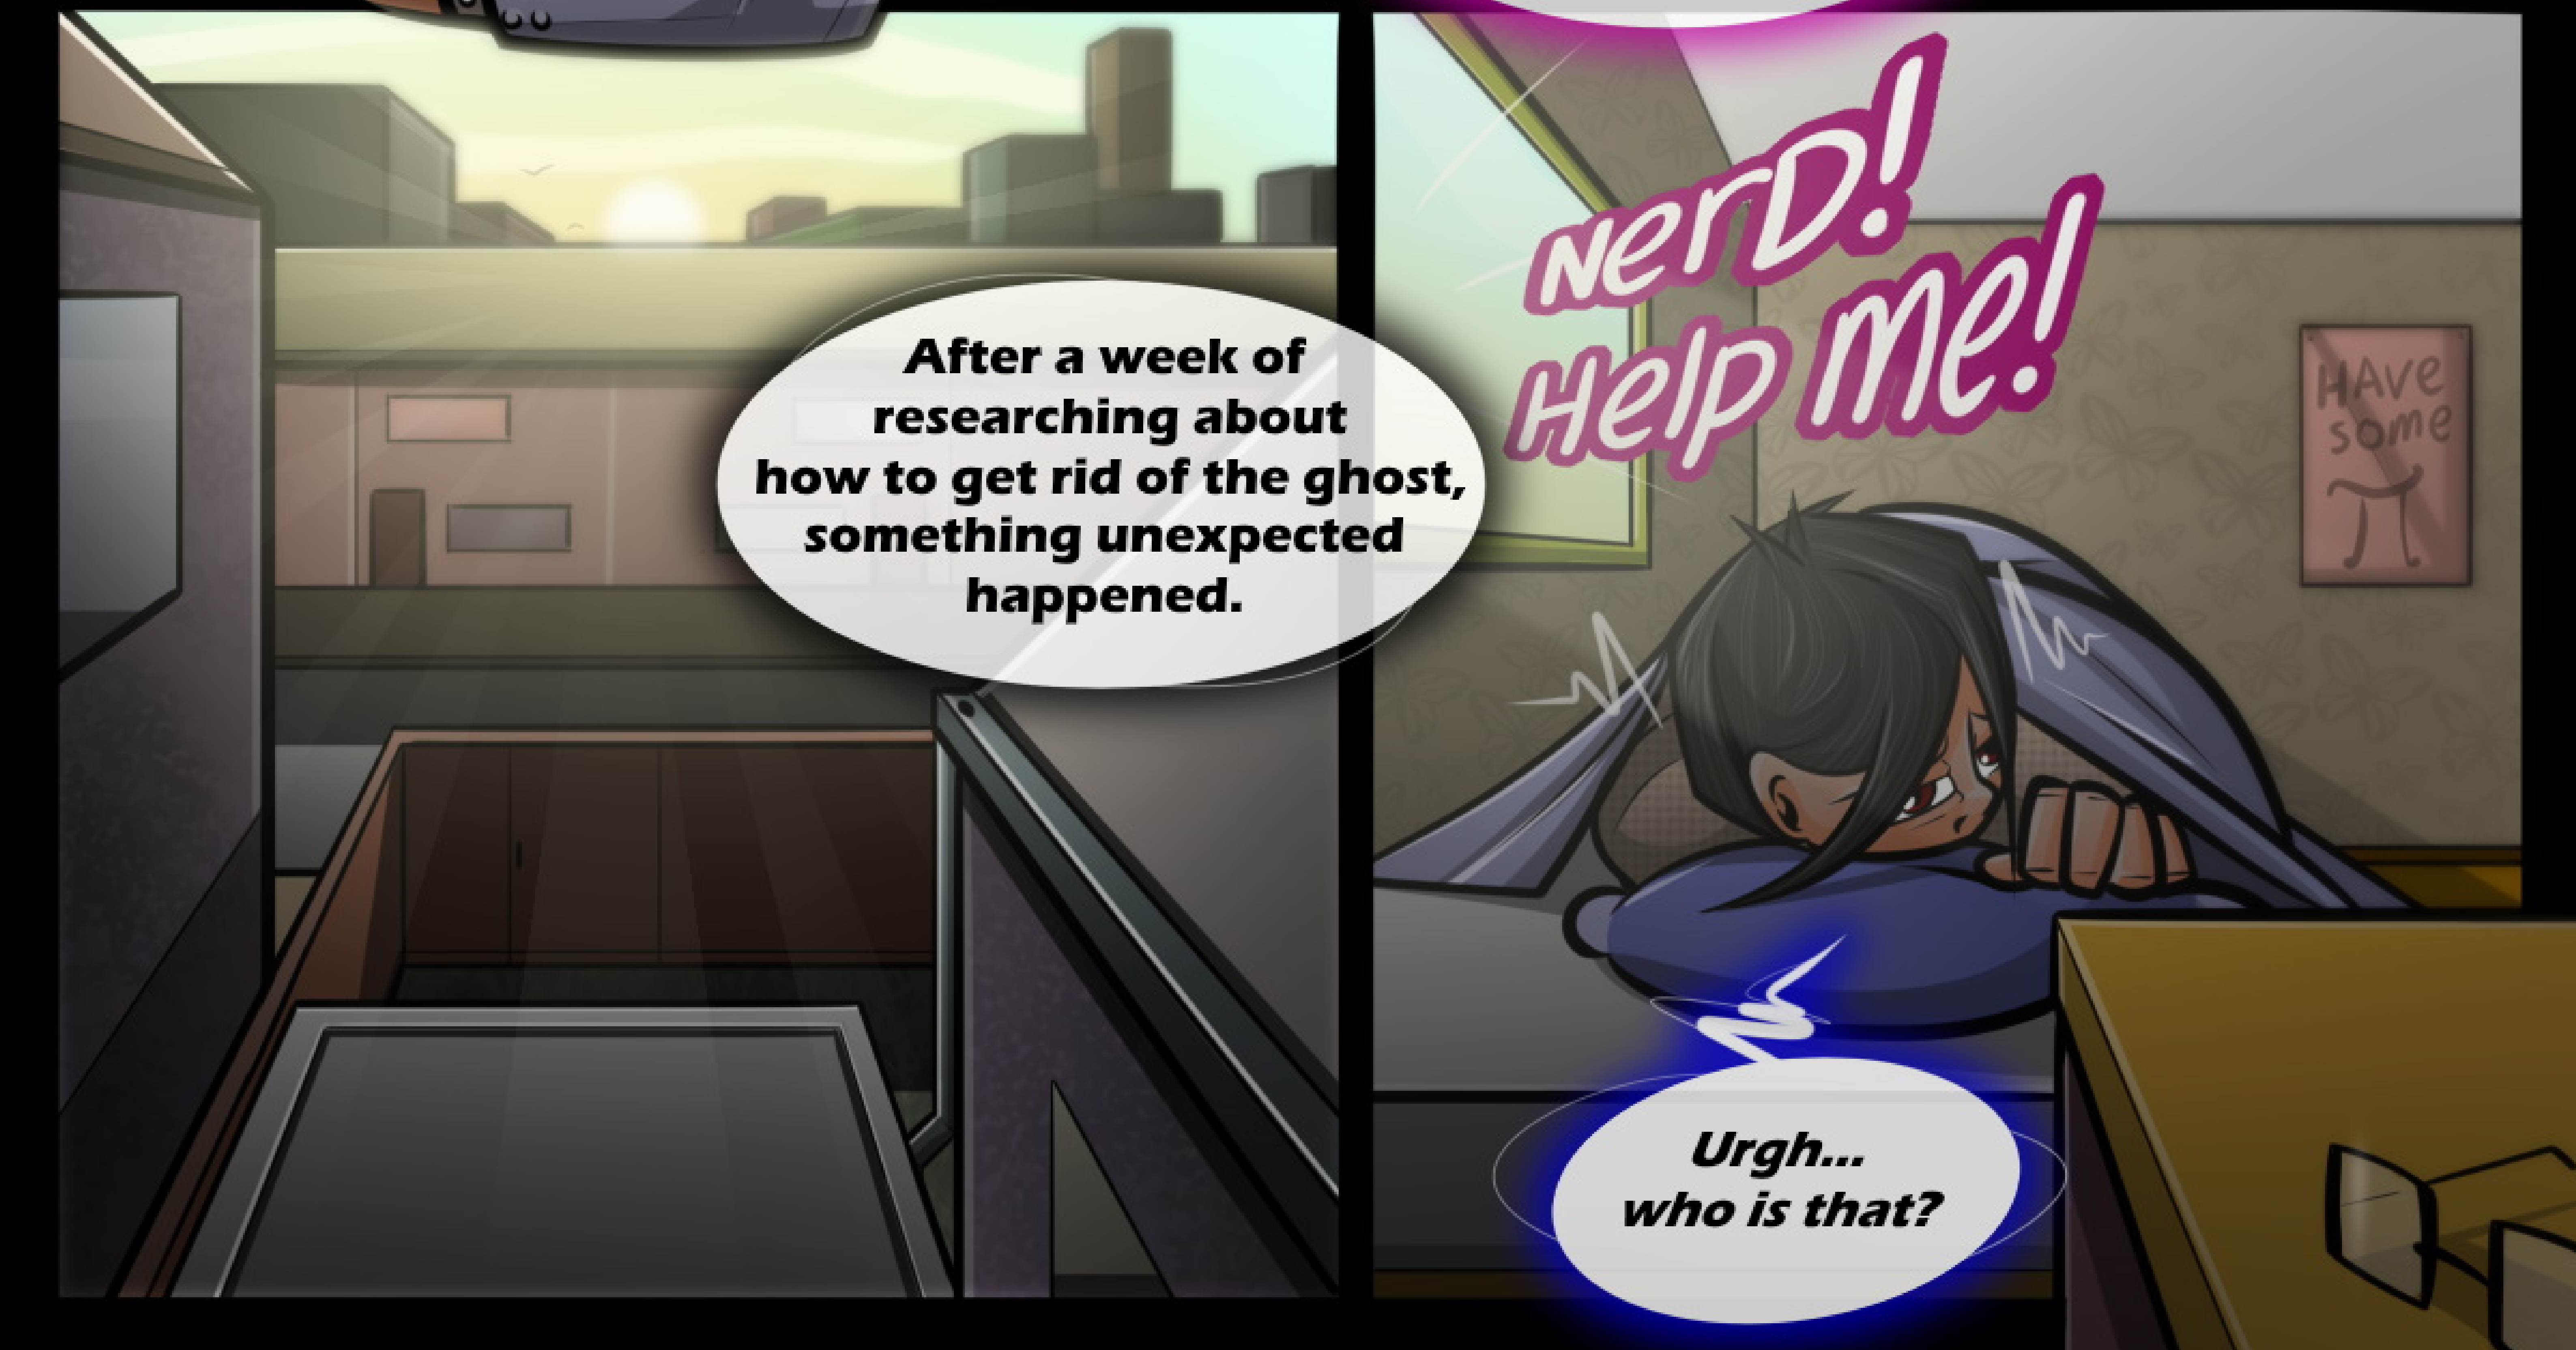

**After  
many years of  
mental abuse,  
he committed  
suicide.**

**Damn...  
that's dark.**

**So sad...  
he must be the  
ghost who  
cursed us.**

**If we try to  
make him move  
on to the after life,  
maybe that will lift  
the curse?**

**After a week of  
researching about  
how to get rid of the ghost,  
something unexpected  
happened.**

**nerd!  
Help me!**

**Urgh...  
who is that?**

Who are you...

**OH MY GOD!!!**

*SHOCK!*

**Do you wanna talk about it?**

*Poor Max...*

**What's left to say?**

**I don't know... I can't even believe this is real.**

**How did it happend?**

**I didn't jack off at all, but I've got those huge morning woods, and last night I got a wet dream about...**

*Hey!*

*They're heavy!*

**Some random chick.**

*URGH...*

Before I could react, I was engulfed in my semen.

What the... f...

And the next thing I knew...

SPLASH!

fuuuuck!

Blub...

eh...?!

I have this chicks body!

I used to have tits as a guy, but these knockers are ridiculous!

I used to be Big Max...

SQUEEZE...

SNIFF...

Woah?!

but now people call me Big Bitch!

Damn... these are huge...

squeeze...

Squeeze...

STUFF!

STOP!

Huh?

I'm sorry but...

I can't hug you now.

Oh... I see. I'll be going then and try to adjust to...everything.

SNiff...

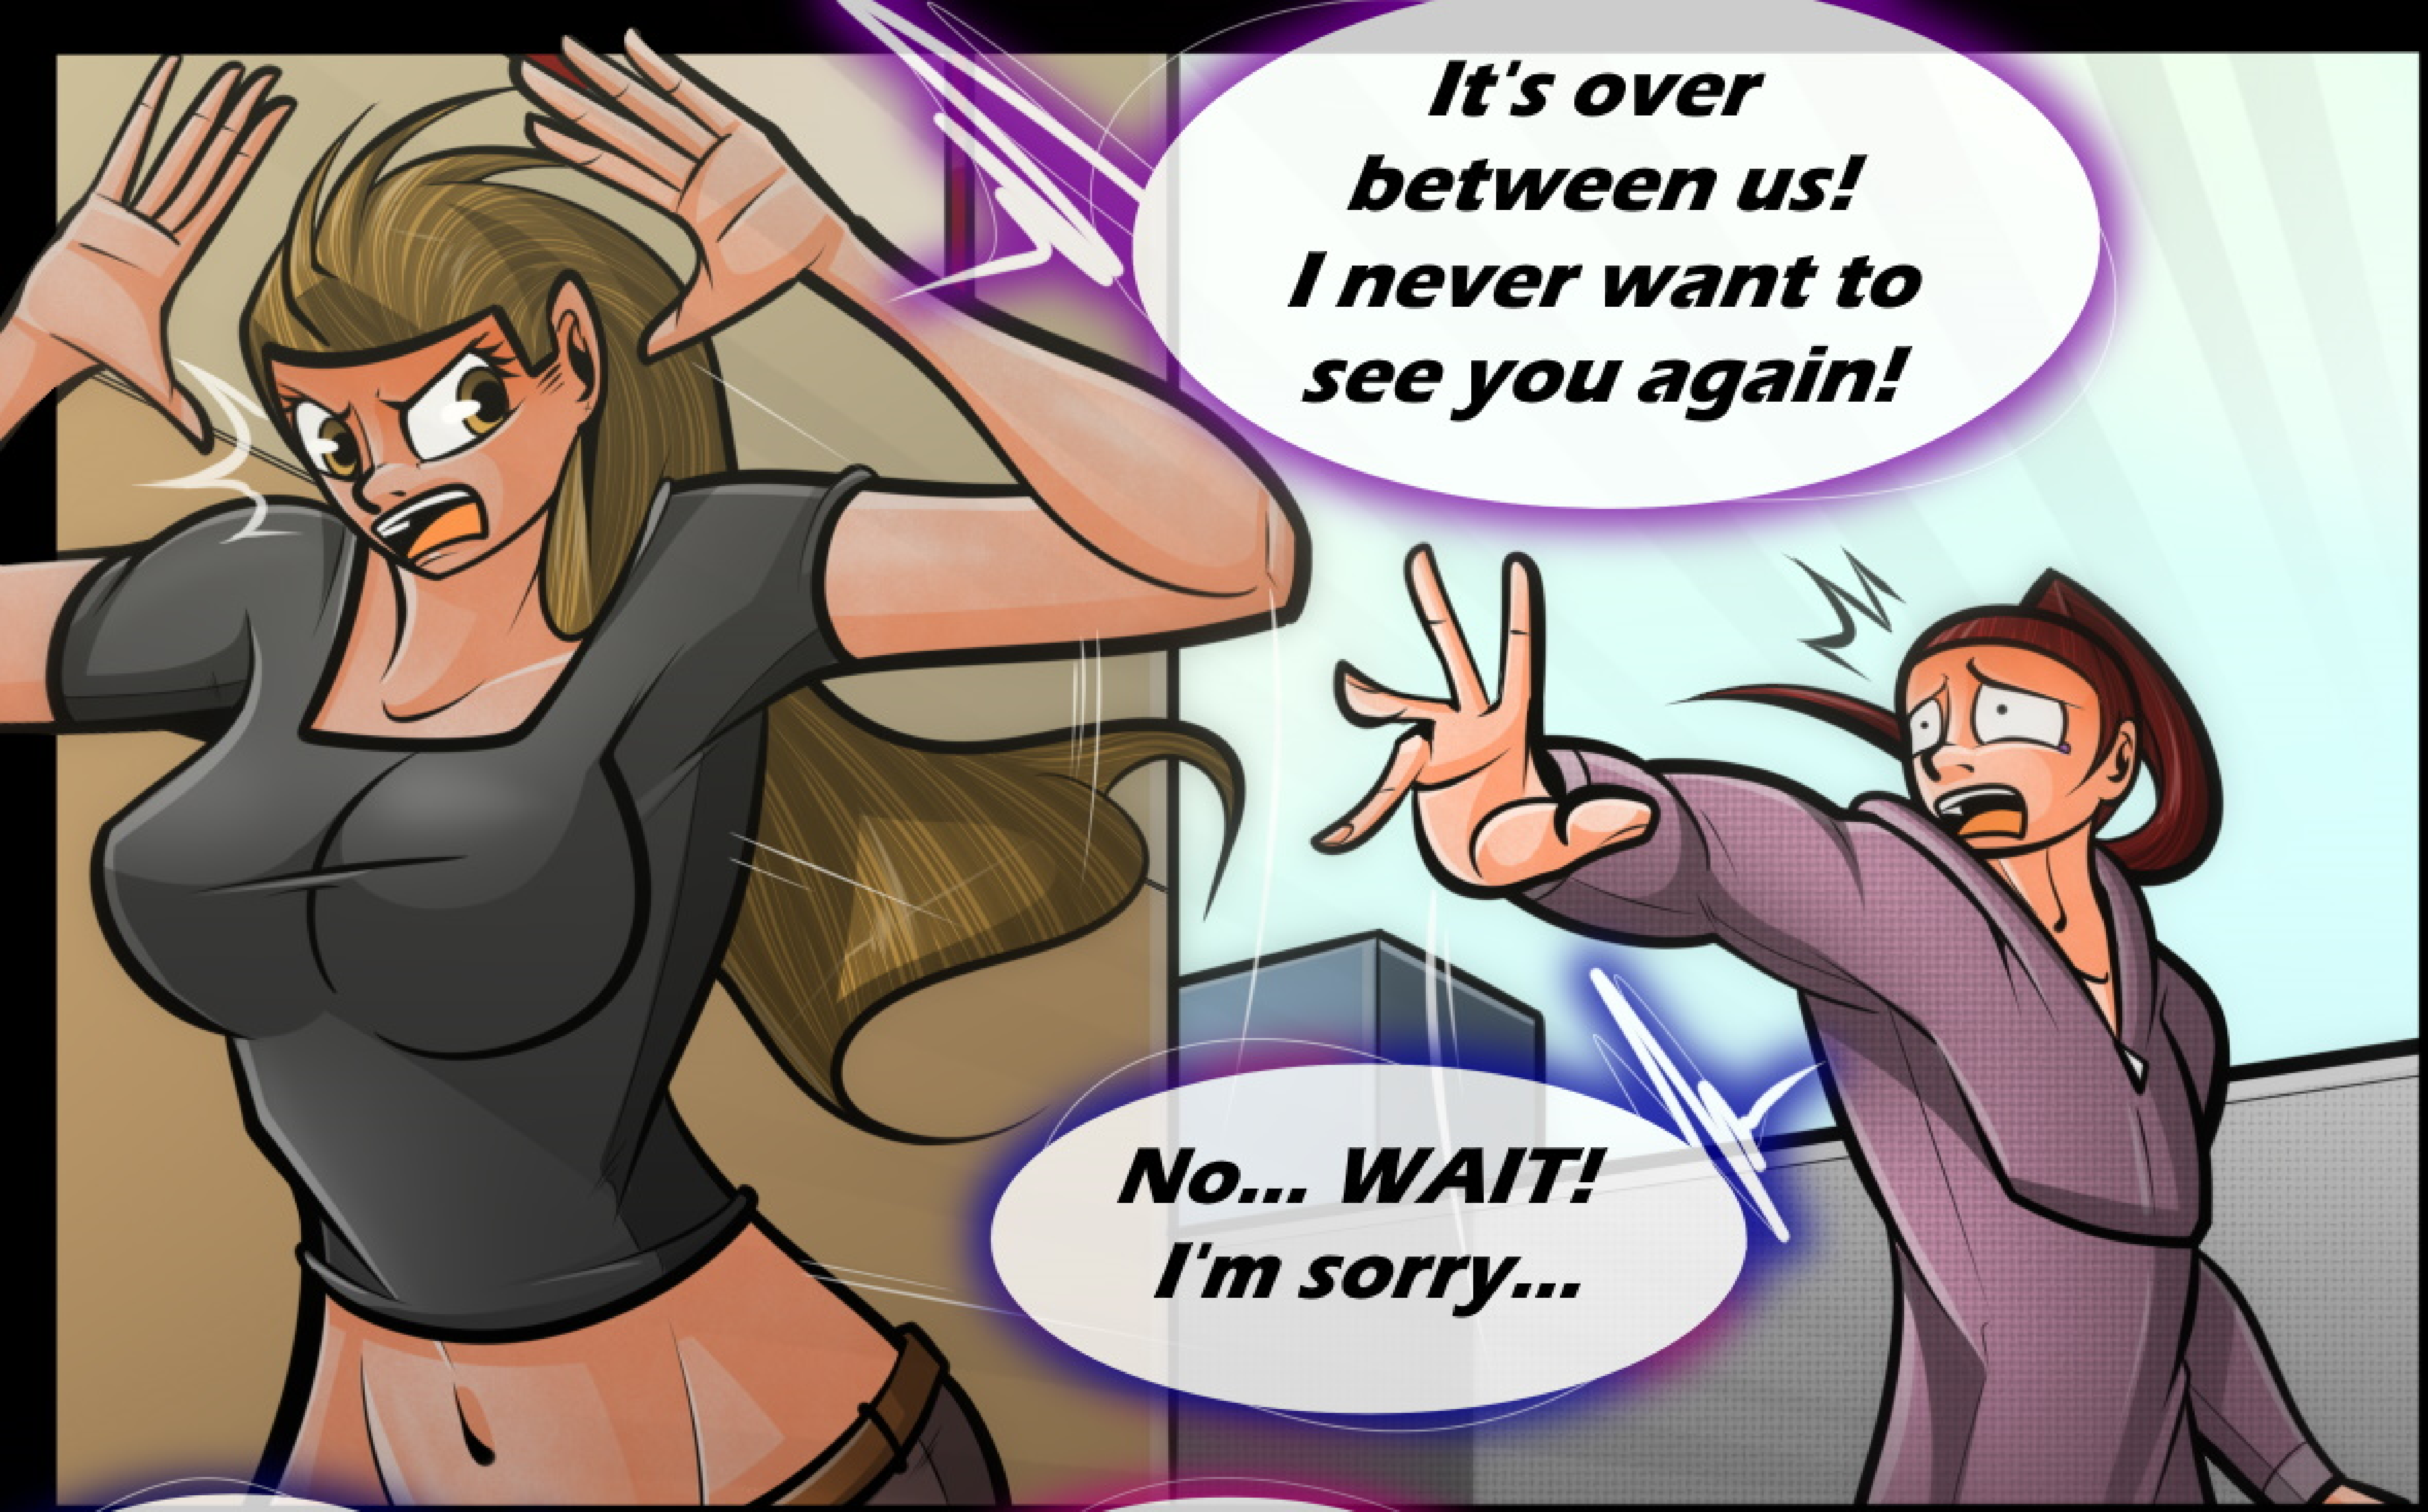

Oh my god...

But the tragedy didn't end there. A week later, the third victim is claimed by the curse.

I'm not gay! Why would you think that?!

You can at least give it a chance?

***It's over  
between us!  
I never want to  
see you again!***

***No... WAIT!  
I'm sorry...***

***Why have  
you changed  
into a guy?***

***Oh no...  
Not you too?***

***I made a  
mistake...***

***GASP!***

*sob...  
sob...*

***I only  
wanted  
me and my  
boyfriend to  
be a match  
again...***

***This is a  
nightmare!***

***Our research went  
nowhere to find a  
reverse to this curse...  
and in this reality we  
weren't a couple...***

*Krrr...*

Why did we go to the mansion in the first place. I can't stand living as... this!

You're the only one who can go to the mansion. You must go and destroy it!

Maybe that will reverse everything?

I don't want to...

What...?

but we paid the price for it while you keep acting like a chicken.

I don't want to insult you...

TAP...

You're the biggest pussy out all of us!

PUSH!

It is only one day before the month is over. We should act quick...

Maybe we can hire someone else to do it for us? Someone who is at least a little bit brave?

Don't be such a girl!

Grrr...

**FINE! YOU GUYS WANTED ME TO HAVE BALLS?**

**OH GOD!**

**What are you doing?**

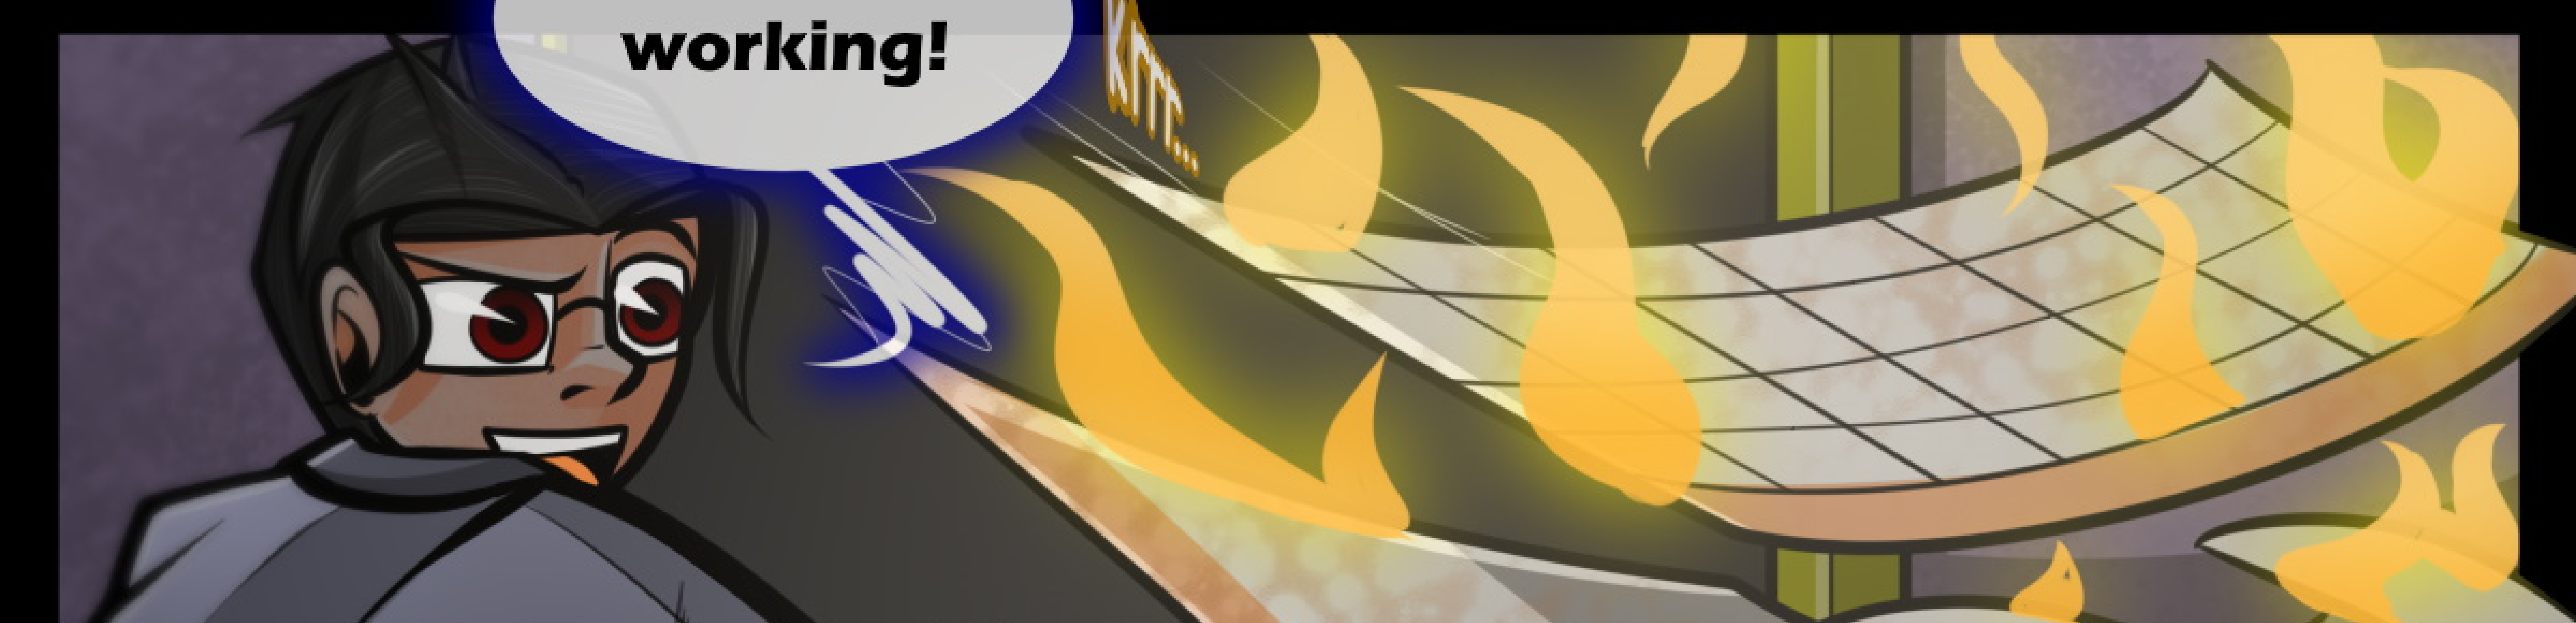

**I'M SICK OF YOU CALLING ME OUT!**

**I'LL SHOW YOU I'M A MAN BY DESTROYING THAT MANSION ONCE AND FOR ALL!**

**WOOSH!**

I need to get out of here quick...

Krrt...

SLAM!

OH CRAP!

Don't leave so soon. After all, you've finally freed me from my prison! I can finally do what I want and be who I want to be!

As a thank you, I can give you some service...

with my body!

CRACK!

CRACK!

Tittle!

What are you doing?!

Just enjoy this moment. It's your last handjob as a man after all.

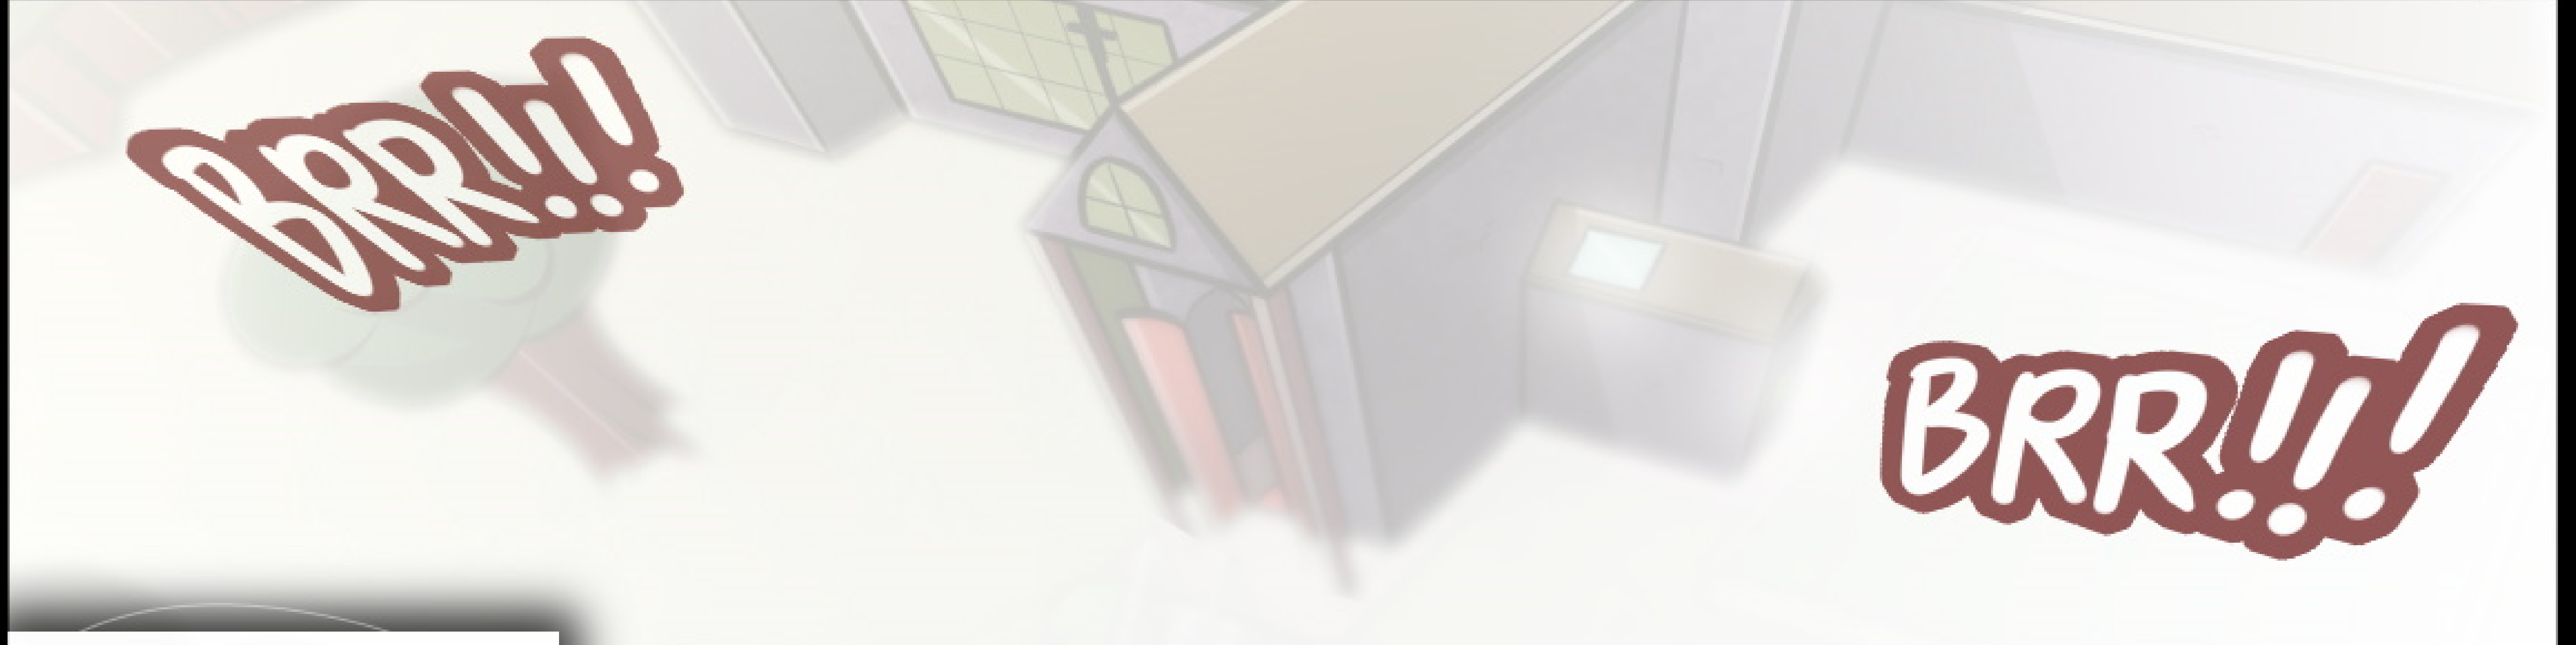

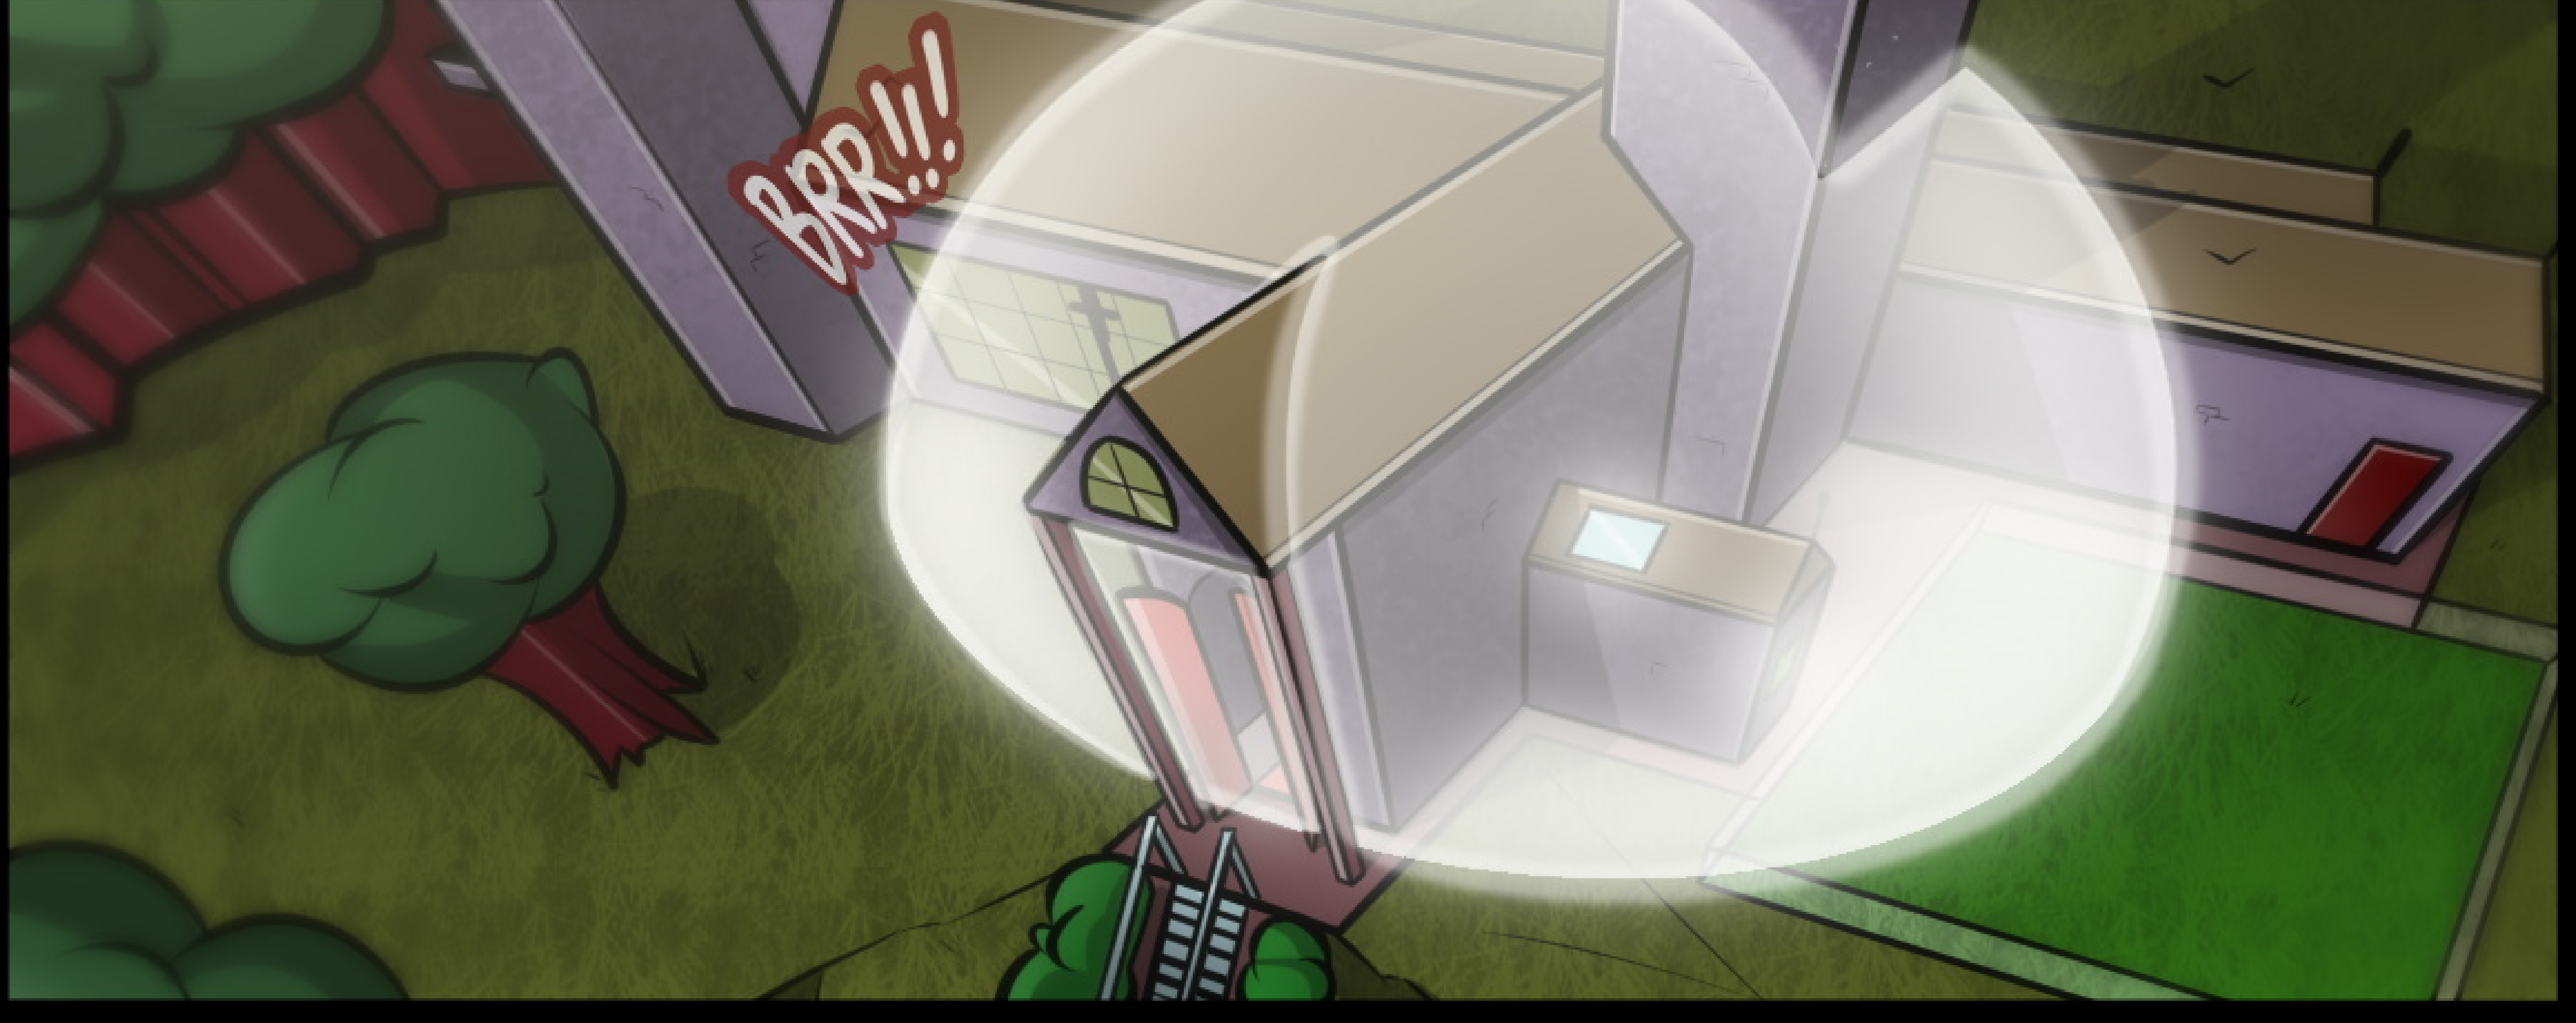

WOOSHI!

Squeeze...

You squeeze them nicely tight! Hold your horses, you'll soon get your own pair to play with.

NO! Not that spot!

The next day...

I hope that nerd has found something to change us back.

Oh shut up! You've only been a girl for a couple of days.

SQUEAL!

SQUEAL!

What happened?

I don't want to talk about it.

SHAKE...

Oh god...

In the end, I've paid for my macho behaviour with my masculinity literally. We never knew why the ghost was the way he is.

We were never comfortable with our new bodies and felt like we were trapped inside our new gender roles. Please help us!

THE END...
