

NOT

HER

MOM

Uhhh, what are you talking about... I... I'm sorry, I can't do that. I get really shy being naked in front of anyone

Uhh, fuck, man, she won't listen. If I don't do it, she'll get suspicious that something's wrong.

What? But we're both women, what are you so scared about? It's completely fine. C'mon, do it. Let me see.

Whoa, are they really your breasts? I can't believe it. I mean, just like your face, even your breasts don't match the age you are, they're not even a little bit saggy. How is this possible?

Hmm... I guess I'll have to do the same now. I thought you were just joking before about all this, but now that I see them, you might actually be telling the truth.

I mean, if I wasn't aware who you are, I probably would've thought you were a woman in her mid-20s. I mean, just look at you, it's like you stopped aging. Can I touch your breasts?

Umm... didn't I tell you? Eat green vegetables, a good diet, and some genes. That's my secret. Haha.

Whoa, whoa, what happened to you? It's okay if you don't wanna show, I wasn't that serious or desperate

It's completely alright, Linda. No need to be so worried. We're both women, I understand. A woman has many secrets about her body that she'll avoid telling. Forget that Let's go.

No! S-stay back!

No... it's... it's not like that. It's just... umm... it's just that... I have a condition. Umm... which I can't tell you. I'm sorry.

Thank you for understanding, Jessica. Let's go.

Uhh... Aunt Jessica, Mom is... umm... taking rest today, so I'm taking care of things here.

Uhh... umm... no, I...

Hey, Aiden, where's your mom? You don't have classes today?

Hmm, I see. So, found any girl your age to stare at?

Haha, relax, kid. Look at your face, I'm just kidding, honey. Btw, this is my friend Linda, and Linda, this is Aiden.

It's nice to meet you, Ms. Linda. Uhh... umm... you're very beautiful...

Let's go, Linda.

What?
Umm... it's nice to meet you too, kid.

The image shows two women standing side-by-side in a brightly lit, blurred indoor setting. The woman on the left is wearing a yellow two-piece athletic outfit and has a confident, slightly smug expression. The woman on the right is wearing a brown two-piece athletic outfit and has a more serious, somewhat annoyed expression. Both women have their hair pulled up in buns. Three speech bubbles are overlaid on the image, containing text that appears to be a conversation between them.

Heh, look at your face,
got flustered just
because he called you
beautiful?

I see. Well, how
about I give him a
little show? See
this.

What? No, it's not
like that. He's just a
boy. I don't care.

Haha, relax. I'm just giving him a show. I'm sure he'll enjoy this view. Now stop talking and join me.

What are you doing?
Are you trying to tempt him?

Yeah, pretty often. Maybe you should join me too. It's nice to have someone around. The owner here is really nice, she'll give you a discount if I talk to her.

Ohh, don't worry. He's a good kid. Besides, he's just reading.

So, you come here often?

Huh, I see. I'll see if I get time. Btw... he's not watching us, right?

So, you come here often?

I'll definitely tell my friends about this. Maybe I'll go a little far and tell them that one of the two Ms. Linda, gave me a peek of her tits.

Mmm, gosh, look at her ass. Her husband must be so lucky.

Also her son or
daughter who got
to suck such milfy
tits!

Mmm, I wish I had some power to
control them. I would've fucked these
MILFs, especially Ms. Linda. Heh, just
imagine Ms. Linda and Jessica
begging for my cock!

The image shows two women in a brightly lit room. The woman on the left is standing and wearing a brown two-piece outfit, with her hands near her chest. The woman on the right is sitting on a dark surface, wearing a yellow two-piece outfit. The background is a blurred indoor setting with several glowing yellow hearts floating in the air. Three speech bubbles are overlaid on the image, containing flirtatious dialogue.

Hey, Aiden, do you like my
boobs? C'mon, I know you
love MILFs. Well, we love
you too, Aiden.

Yeah, Aiden. Me and Linda are
very unsatisfied with our married
life. You're our only hope, Aiden.
You're the savior of MILFs like
us.

Ohh, Aiden, please
fuck me. Look, I have
more delicious tits
than her!

Mmm, yeah, yeah, ladies,
one at a time. I'll choose
who I wanna fuck first.

Ohh, I'm so happy you chose me, Aiden. My life is fulfilled now. You're the best, Aiden!

No, me, Aiden!

Umm... yeah, sorry, Jess, but I'll go with Linda first.

No, Aiden, please choose me!

Heh... I'm so lucky. Two women are crazy about me...

Huh!? Wh-what happened!? Where!?

Aiden!

You're at your mom's fitness center, boy. Were you daydreaming?

Umm... yeah... I'm sorry. I shouldn't sleep during active hours. What happened, Aunt Jessica?

Ohh, I see. Okay,
Aunt Jessica. I'll tell
Mom that you were
here.

Ohh, it's nothing. Me
and Linda were done,
so we were leaving.

Fine. Bye and
take care!

See? He was sleeping
and you were worried
that he might be
checking you out.

Umm... yeah,
my bad...

Hooff! Thank God I didn't say anything while I was... otherwise Mom would've beaten me to death... Uhh, but I'm so rock hard from imagining those two.

Looks like I'll have to give my little buddy some alone time. Heh, let's go.

Later At Night.

Gosh, I'm so horny. I don't even remember the last time I masturbated. Hope it gets hard this time.

Fuck! It's not even reacting! I try, but it doesn't even get hard! Moreover, it's gotten so dark hiding behind that fake pussy. And it's also shrinking.

There must be something wrong. I can feel that I'm horny, very horny, but when I try to do something, it doesn't even get hard.

I tried watching every porn video, imagining fucking every actress in the world, but still... nothing! What's wrong with me?

Maybe I should give up. Maybe I'm not the man I thought I was. I mean, a man is like this guy in the screen fucking that woman. He's a true man, not me.

Though... damn, I have to admit he's hot. I mean, look at her, he's practically breaking this woman. Huh, lucky woman, I'll say!

Mmm, look at his dick. It's so large. Man, I wish I was that woman.

Ehh, wait what am I saying? Have I gone crazy? Also... is my dick getting hard??

It is getting hard! How is this possible!? All this time I wanted it to be hard, but this time I didn't even do anything and it's hard! How!?

Could it be that it's because... because I was admiring the man instead of the woman? No, that's... impossible! I'm not gay! Or am I becoming!?

There's only one way to find out. I'll try to masturbate by watching both! Let's see by whom I get more horny. But first, I should get rid of these fake breasts! They'll only get in the way!

What the fuck! My chest has gotten a little bigger since the last time. They're almost like small tits now. Fuck, what is going on? Uhh, forget that.

I should focus on getting my dick hard first! Mmm, god, her tits are huge! I wish I could squeeze them. Uhh... no response. Nothing is happening.

Gosh! Look at his muscles. I wish his large hands would squeeze my now-small tits. Mmm... wait... it's... it's responding! My dick is alive! It's not dead!!

Uhh... I missed this feeling.
It's finally hard again. I'm so
happy! I'm still a man! But... it's
hard because I imagined that
man... am I gay now!?

No! I'm sure I'm not gay. I've
always preferred women all my life!
But now... Uhhh, fuck it! I'll think
about this tomorrow.

Now I'm hard and I wanna feel
like old times, like a man, even
if... even if I'm getting hard by
imagining a man!

Yes! Ahhh, fuck! This was the feeling I missed. Ahh, yes, fuck her... Mmmm, god, I wish so much I was in her place!

Mmm... yes... ahh... even my nipples are so sensitive. Gosh, I love touching them. I wonder what it would be like if someone else touched them!

But... who's stopping me? I can use my imagination like I do all my life. Ohh, yes fuck me hard, darling!

Ahhh, I love how your cock feels inside... inside me... yes... just like that. Ohh, yes... mmm... yes, it feels so good!

Yes! Ahh, fuck, this bitch is so lucky. She's in my place. I deserve to be there! Not her! Ummm...

Ahh, I... wait... I'm about to cum... ohh, yes! Finally no more nightfall! I can cum on my own like a real man now! Haha, like a real-

Man! Yes! I'm
a man again!
