

Fuck! I'm so tired.
This presentation
really did a number
on my body.

I can't believe I managed to survive in this outfit all day. How do women even do this on a daily basis? I should get rid of this make-up.

Okay, done.
Now what?

Man, I look so hot. No wonder everyone had their eyes on me, including Leo and Mr. Austin.

Heh, it feels so weird that everyone wants to talk to me because of my body. But it's also a little tempting in a way.

I wish that instead of men, there were girls who were crazy about me while I'm still a man. I wouldn't mind men either... if they're hot though.

What the!? Did I just say that? What the fuck is wrong with me!? Uhh... Man, I need to get one thing straight. I'm straight!

But... being straight right now means I might be into men? No... I'm not... I'm straight as a... male! Yes! I'm not gay. I love boobs! Not dicks. Get these facts straight, you stupid brain!

I need to do something. If it keeps going like this, what if I actually become gay? No... that would be a nightmare for me as a straight... man...

Maybe I should watch some erotic movies? Yes, that'll help me get horny watching hot girls, then I'll just jerk off! Perfect way to prove that I'm straight... man.

A woman with blonde hair tied back, wearing a grey lace bra, is sitting at a desk with a laptop. She has a thoughtful or slightly annoyed expression. The background is a blurred room with a window and a bed.

Hmm, 365 Days? Fuck no! I hate this movie... Oh wait, Anyone But You... Isn't this that Sydney Sweeney movie?

Hehe, yes! This is the perfect movie to prove my masculinity. I mean, who wouldn't get hard watching Sydney Sweeney, right? Let's watch!

After Awhile

Uhh, please get hard, my dick. Your pride is on the line. If not Sydney Sweeney, then who, you dumb dick!?

She looks so hot... Also Glen Powell... He's so tall and looks so hot. Kinda reminds me of Leo. Both have the same physique. Ohh, just look at his arms...

W-wait! Something's happening...
I... I can feel it... Ohh, it must be
because I was admiring Sydney
Sweeney for a while, haha, right?
Now let's get to work.

After Many Tries

Nothing's working... I'm horny and hard... but I'm not able to feel that thrill which I used to feel. It's almost like my dick has died. I've lost hope. If only I had toys... Wait...

Why didn't I throw all this in the garbage already? I mean, there's not a single toy I see which can be of use to me...

But... they can be of use to me. It's just that I'll have the experience from a different point of view. Like the experience and feel which girls... get... or... gays... which I'm DEFINITELY not.

It's soo... Big,
compared to mine..
it's making me feel
insecure..

A woman with blonde hair, wearing a black bra, is holding a large, realistic-looking pink and orange dildo. She has a concerned expression. The background is a blurred indoor setting. Two speech bubbles are overlaid on the left side of the image.

Should I use these? I'm very horny right now and nothing's working. It won't hurt to try this too. But... wouldn't using this make me gay? Like, what if someone saw me?

But they won't know it's me, Taylor, right? They'll think it's just some woman enjoying herself. And besides, I'm a woman now, right? So doing this will still make me look straight. Yes!

A woman with blonde hair and blue eyes is shown from the chest up, holding a large, pink, realistic-looking dildo. She has a slight smile and is looking directly at the camera. The background is a blurred indoor setting. Two speech bubbles are overlaid on the left side of the image.

Ohh, I'm so genius. I'm straight,
so it's only natural for me to use
these things. What was I thinking?
Since I'm not a straight man but
still straight,

I can now say and do
whatever I want and it
won't make me gay. Haha,
this is definitely not copium,
right?

A photograph of a woman with blonde hair, topless, sitting on a white couch with a black geometric pattern. She is holding a large, pink, realistic-looking dildo. A speech bubble is positioned above her, containing text. The background is a blurred indoor setting.

Uh, now how do I use this? I mean, currently as a temporary heterosexual woman and a permanent straight man, I don't have a pussy, so that means...

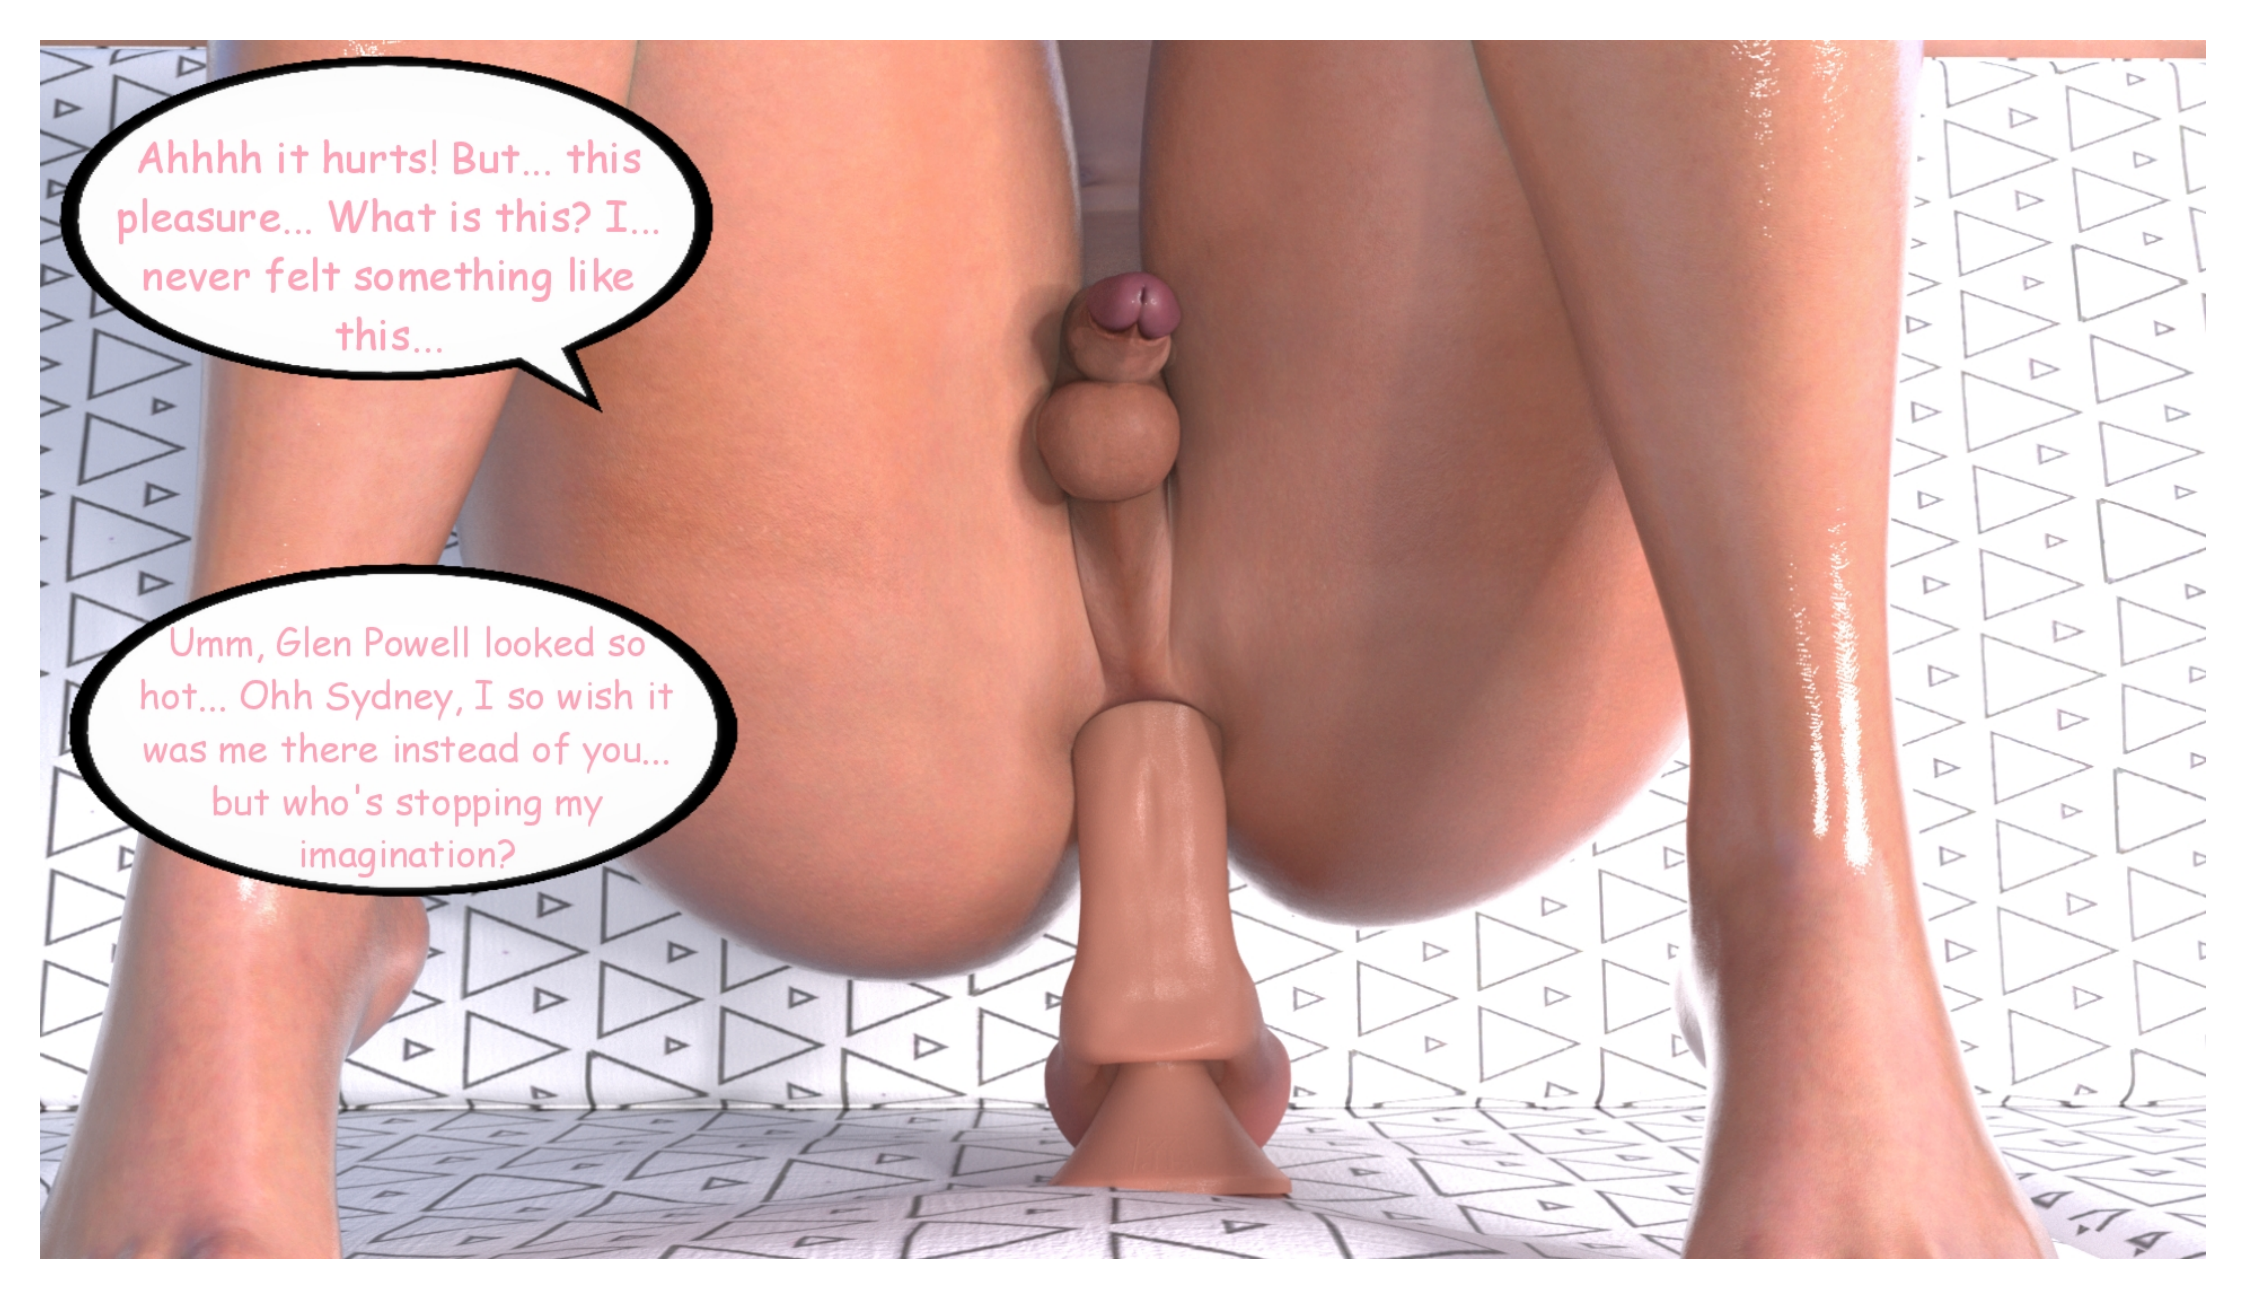

A woman with blonde hair tied back is sitting on a white couch with a black geometric pattern. She is nude and holding a large, realistic-looking anal dildo in her hands. She is looking down at the toy with a pained expression.

Omg! It hurts!
Ahh! I remember
those anal porn
videos I used to
watch. Ahh, they
always said it hurts
at the start, so
maybe I should
wait..

But... fuck, am I really okay
with this? I mean, yes I'm
currently not a man but... I still
feel like I'm doing the gayest
thing ever.

Ohh yes! Omg! What's
this feeling!? I-It's even
better than last time...
Fuck! I should go a little
faster!

Ahhh it hurts! But... this pleasure... What is this? I... never felt something like this...

Umm, Glen Powell looked so hot... Ohh Sydney, I so wish it was me there instead of you... but who's stopping my imagination?

Ohh yes, Glen! Ahh yes, just like that! Tell me I'm hotter than Sydney. Ohh, I'm sooooo horny! I have no idea what I'm even saying!

Ahh fuck, yes! Fuck me harder! Yes, just like that! I love your arms, your... chest. You're so masculine. I can only dream..

I... wish it was Leo instead of you, Glen... Ohh, how naughty a girl I am... Ahhh, something... is happening... Noo... I... This feeling... I'm about to cum...

Yes, don't stop now! Fuck me harder! Omg, I love this! I love getting fucked in my ass. It's so much better than jerking off, haha. Oh no... I...

A woman with blonde hair is shown in a virtual reality environment. She is sitting on a white couch with a repeating geometric pattern of triangles. She is holding a VR controller in her mouth, which is emitting a white, string-like vibration. She is also holding a VR controller in her hand, which is positioned near her groin. A speech bubble above her head contains the text "Ahhh!!!!".

Ahhh!!!!

This Is Heaven

My dick just came... I can... uhh, I can cum with my... That means I'm not gay. I... I'm so...

A 3D rendered female figure is shown from the waist down, sitting on a white surface with a black geometric pattern of triangles. The figure's skin is a smooth, light pinkish-red color with a glossy, reflective texture. Her legs are spread apart, and her feet are visible at the bottom. A speech bubble with a black outline and white background is positioned on the left side of the figure's torso. Inside the speech bubble, the text "Manly... man..." is written in a pink, sans-serif font. The background consists of a white wall and floor with a repeating pattern of black triangles of various sizes and orientations.

Manly... man...
