# Not So Lil Red

So that very night after taking care of Grandma's needs, she starts her training...

Heeei!

... she thinks doing katas naked at the moonlight will help her spirit.

And in fact it makes her more confident...

HAAYAA!

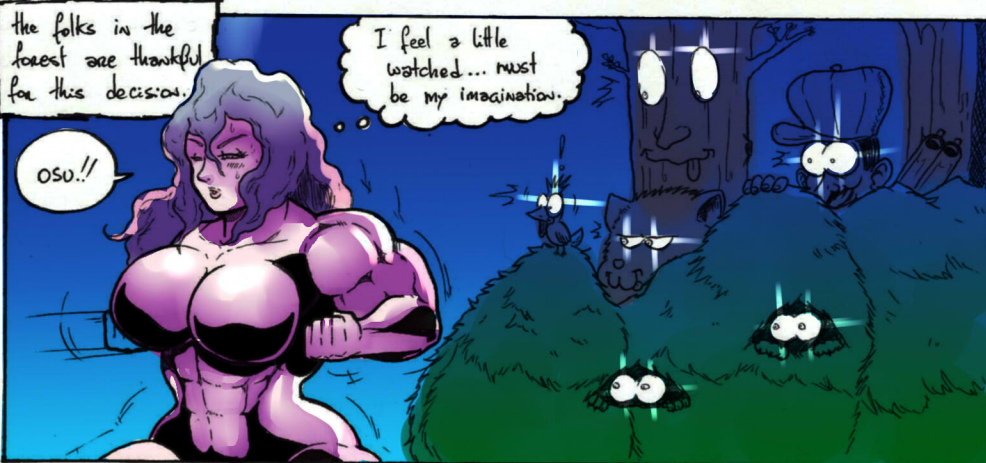

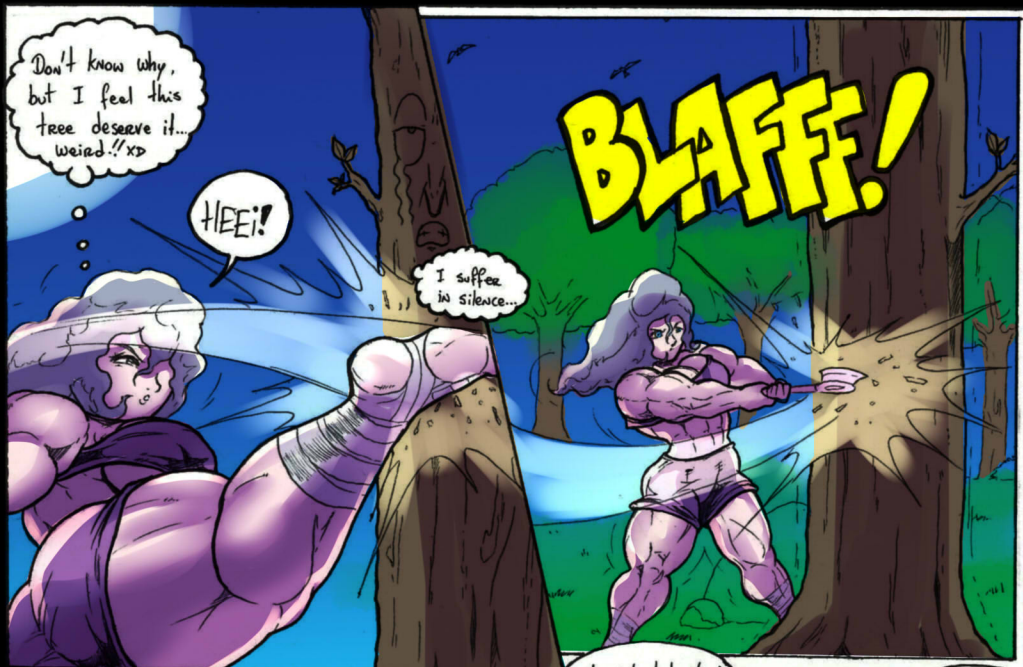

...but just one thing is sure...

the folks in the forest are thankful for this decision.

osu!!

I feel a little watched... must be my imagination.

Don't know why,  
but I feel this  
tree deserve it...  
weird!!xp

HEEI!

I suffer  
in silence...

the day...

martial artist...
