The moment Lin Ruoxue stepped into the basement, all the laughter and noise seemed to stop at once. Mocking voices, sneers, and whispers rushed toward her like a tide.

Why did that fat pig show up?

Ugh··· Makes me sick just looking at him.

Pixiv：www.pixiv.net/users/100328105

Every gaze locked onto her, but none of them held the admiration or envy she once knew. Only contempt and disgust remained, leaving her flustered and lost.

She swallowed nervously, her Adam's apple rolling hard down that greasy neck. Shaoyu's eyes held none of the usual respect or affection—only the kind of disgust reserved for trash. Her fantasy had come true.

(B-but… isn't this exactly the hell I've been craving… Hehe.)
All her reason, all her shame, all her maternal instinct were crushed in that instant. Only a blinding, peak-level pleasure remained in her mind. Her soul climaxed right there.
Pixiv：www.pixiv.net/users/100328105

小林綠子 KOBAYASI

She completely surrendered, gave up all resistance, and with trembling fat legs, knelt down—fully committing to the role of “Liu Xiaowei.”

Pixiv：www.pixiv.net/users/100328105

Lin Ruoxue lowered her head submissively. Through those thick, distorting lenses, she looked up at her own son in terror and began to beg like a dog.

小林綠子 KOBAYASI

Lin Ruoxue, the uncrowned queen of this city, the matriarch of the perfect family, was now on all fours on her own floor—wearing Liu Xiaowei's identity like a real dog.

Between her legs, Liu Xiaowei's cock was twitching inside those cheap, sweat-soaked jeans—already straining upward in a grotesque, eager erection.

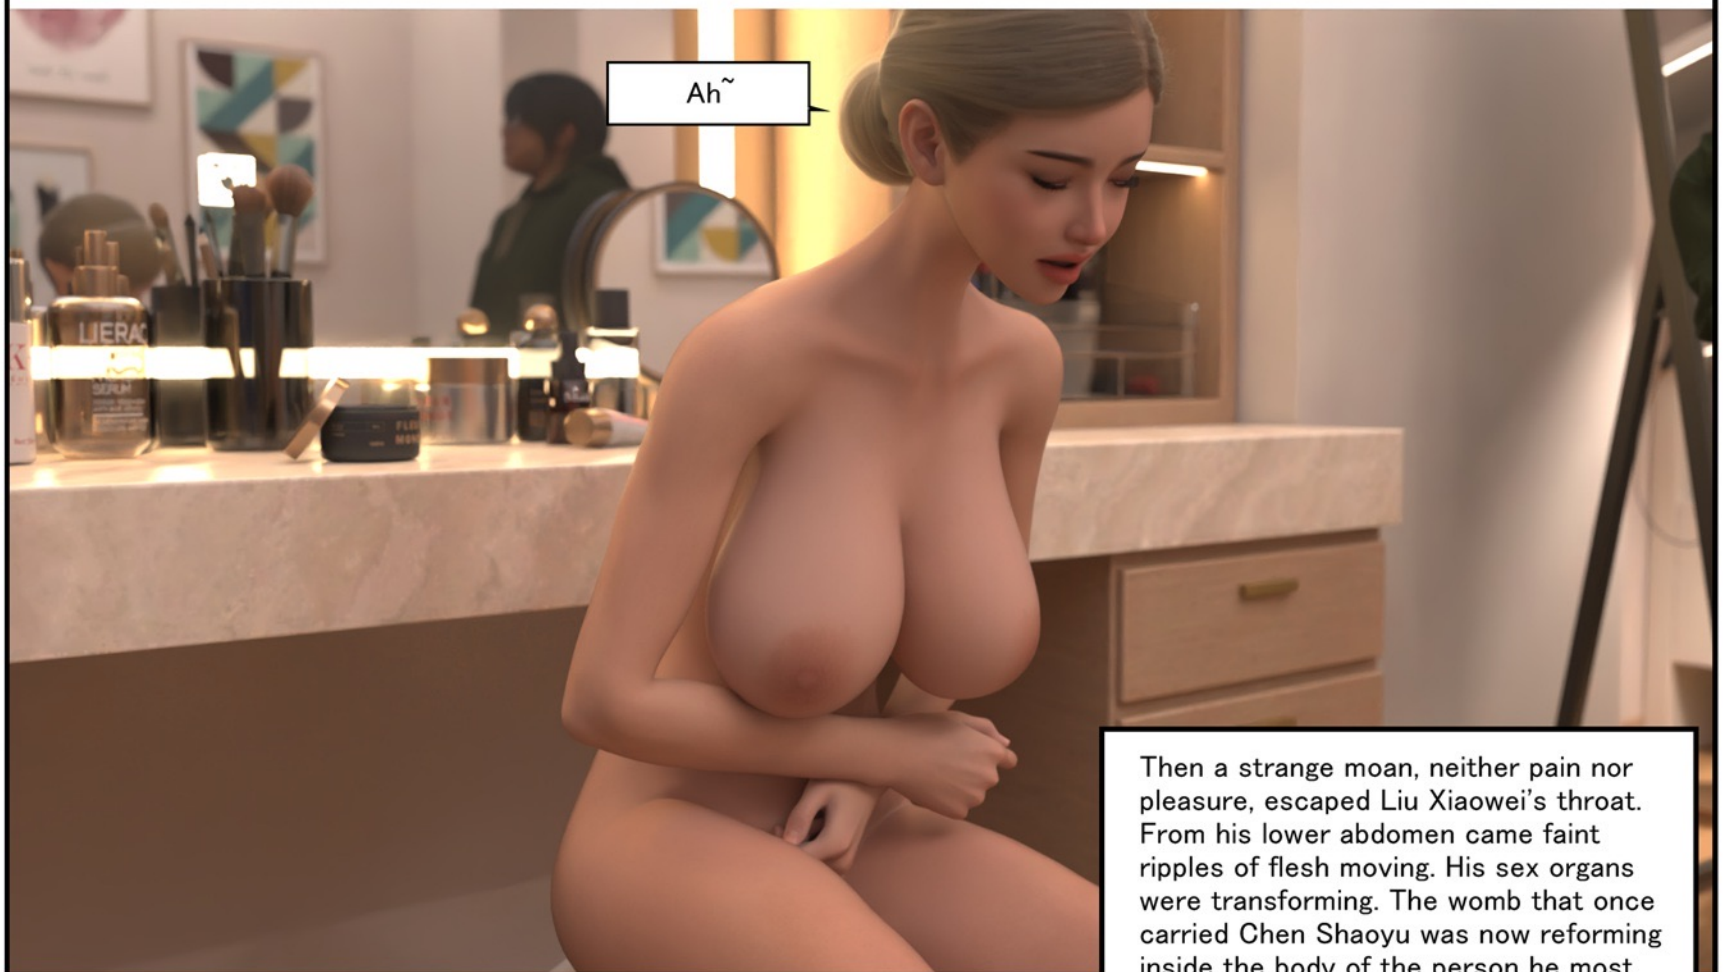
Those two sagging slabs of fat looked as if they had been injected with the hottest life force. They grew, filled out, lifted upward and forward, becoming full and perky. They were no longer fat. They were breasts!

Pixiv : www.pixiv.net/users/100328105

小林綠子 KOBAYASI



Then a strange moan, neither pain nor pleasure, escaped Liu Xiaowei's throat. From his lower abdomen came faint ripples of flesh moving. His sex organs were transforming. The womb that once carried Chen Shaoyu was now reforming inside the body of the person he most despised and looked down on.

Pixiv：www.pixiv.net/users/100328105

An irresistible "command" erupted from deep within this beautiful body. His chin lifted slightly, his neck forming that proud swan-like arc. His sitting posture, his legs unconsciously pressing together into the perfect "lady" pose.

He sat there, legs unconsciously squeezing together. That base soul now in possession of Lin Ruoxue's perfect body was feeling out his new form, with a seductive air he hadn't even noticed himself. Meanwhile Lin Ruoxue stood behind him, wearing Liu Xiaowei's greasy face and greasy glasses, watching "Lin Ruoxue" use her hands to knead her breasts right in front of her.

Lin Ruoxue picked up the ring. The diamond wedding ring that represented her identity as wife, as Mrs. Chen, the sole female head of this household, was slowly slid onto Liu Xiaowei's ring finger.

he let out a soul-deep sigh.

Meanwhile, the real Lin Ruoxue was also sinking further into depravity...
小林綠子 KOBAYASI

Lin Ruoxue's plump body trembled violently from the intense mental shock. Her cock also sprang out from Liu Xiaowei's own underwear.

The scent of 'Lin Ruoxue' wafting from the closet kept entering her nostrils. Things she once took for granted now emitted an unprecedented, extreme lewdness.
