Fuuu...
what a run!
But geez!
This mask doesn't
let much breeze in...
Being sunshine
on legs sure
gets hot under
the spotlight

Pheew~
This heat's unreal!
It's like every breath
just sticks to me...
Haah... And this face
isn't helping either
Still I've gotta keep
the smile shining
right~?

Hehe~
hold on... Hold on!
Gah this thing
always slips after a run!
Gotta stretch it a little
here... Mmph...
Mmphm...
Yeah just
like that!

Ehehe~
Ugh this part's always tricky!
If I pull too hard boing! I'll look way too happy and that's not the vibe~

Fuuu~
There we go...
Snug as ever...
Hehe~ Can't let even a single smile wrinkle...Right?
Gotta keep my masterpiece picture perfect~

And...
Just like that~
The mask is back on...
The spirit is bright
and showtime resumes!
Ehehe~ No matter
how many times
I fall apart
I'll always come back
shining even
harder~
