An anime-style illustration of two characters in a futuristic city at night. On the left, a girl with long, wavy orange hair and green eyes looks towards the right. She wears a black crop top with a gold cross necklace and a black jacket. On the right, a girl with short orange hair and purple eyes looks back at her. She wears a black jacket with purple trim and a watch. A speech bubble from the girl on the right contains the text. The background is a vibrant, stylized cityscape with neon lights and geometric shapes.
