

Overeaters Guide to the Multiverse

Part 3

By Berggie

100+ frames over 33 pages!

My ASS!

A touching
reunion :F

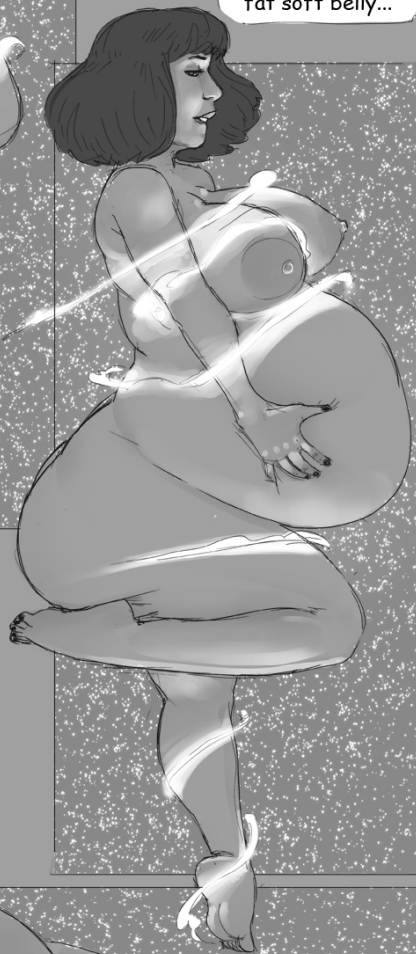

MMMMM..
That hit the spot..
And I'm soooo big..

I could get used
being this.. Massive!

With these.. huge..
lush tits.. And my
fat soft belly...

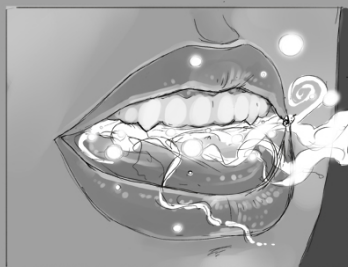

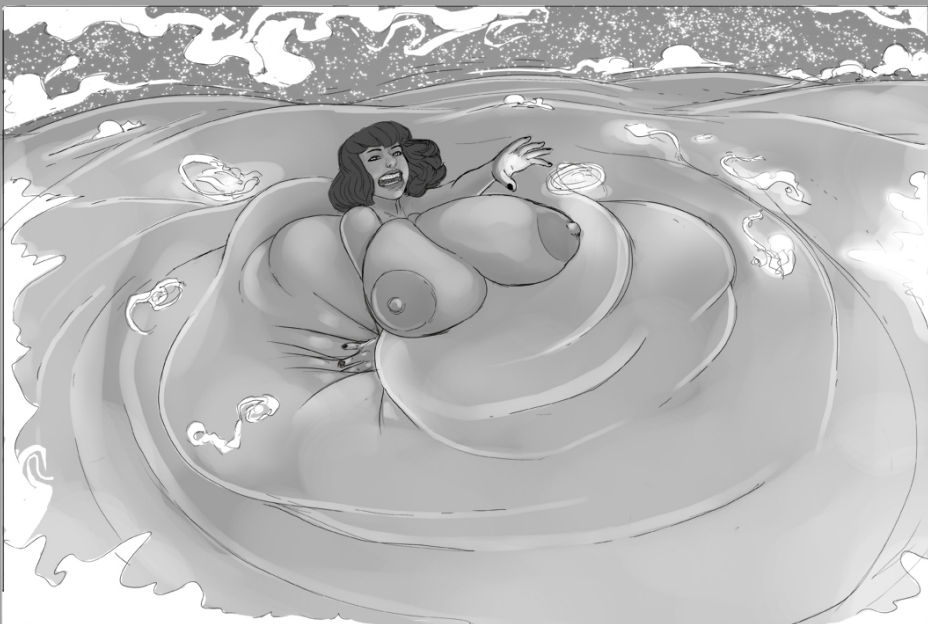

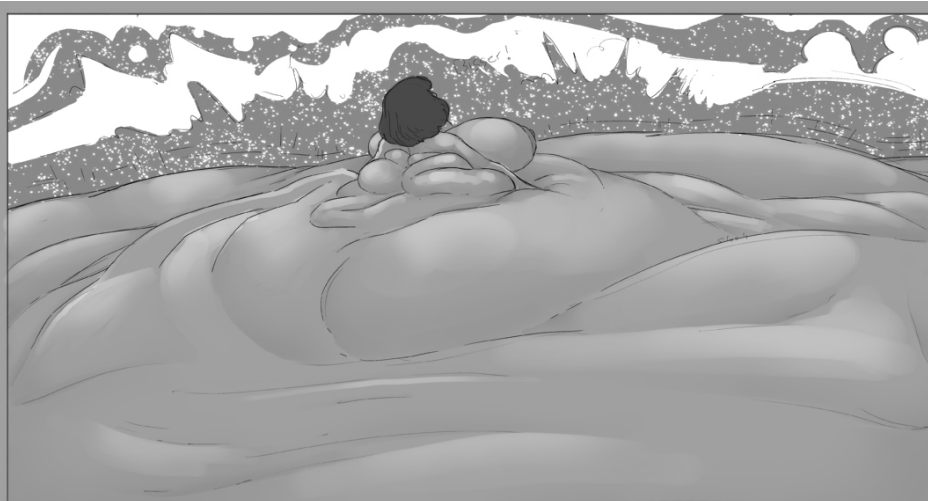

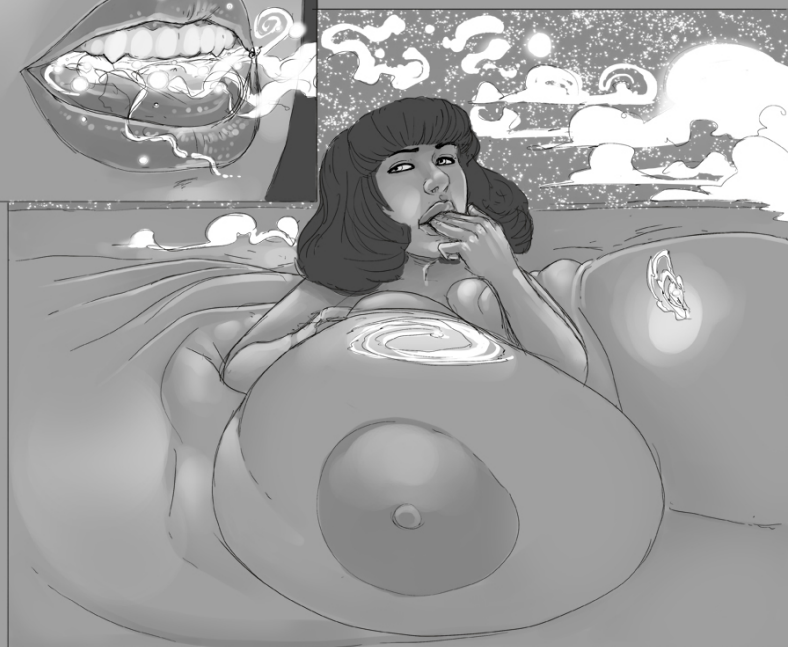

OH GOSH
I'm blowing up again!
YES! MORE!

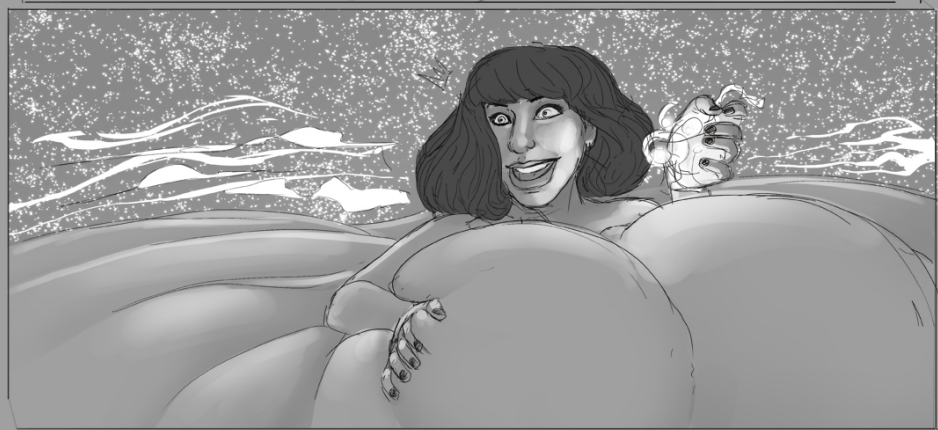

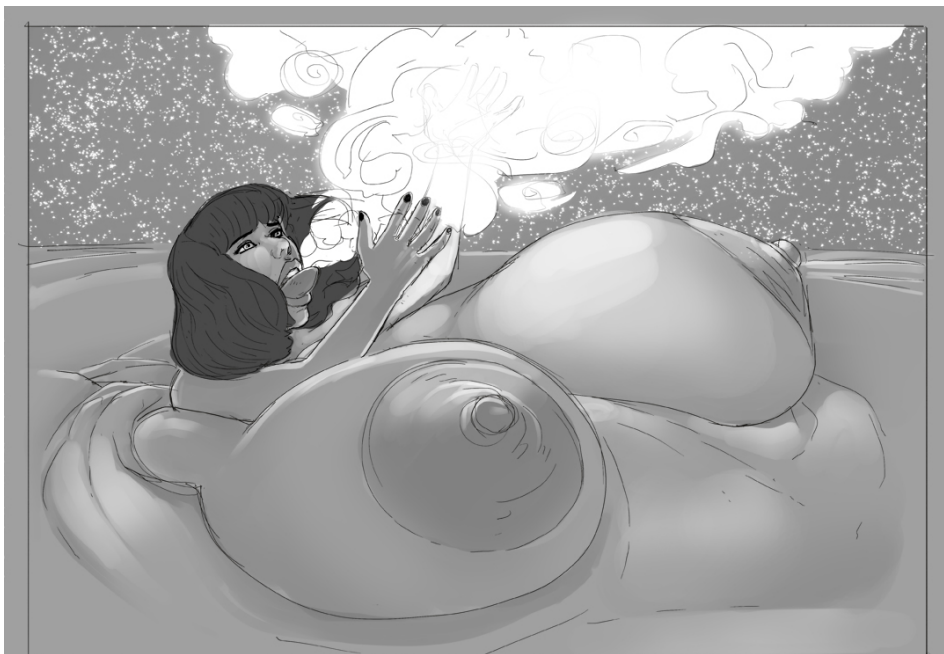

Bigger!.. I wa..
I NEED to be bigger!

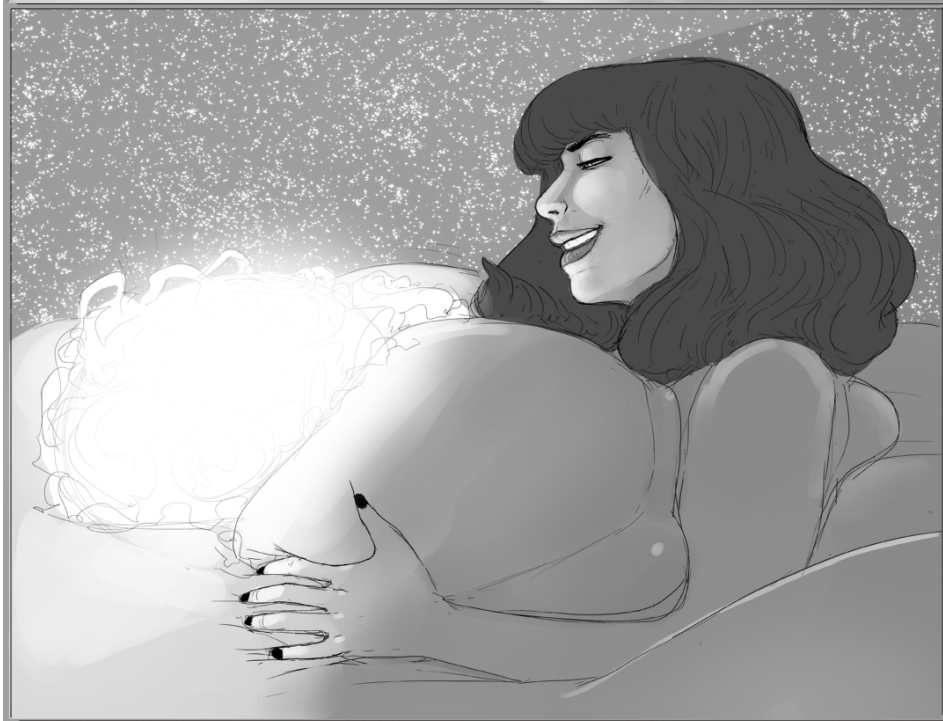

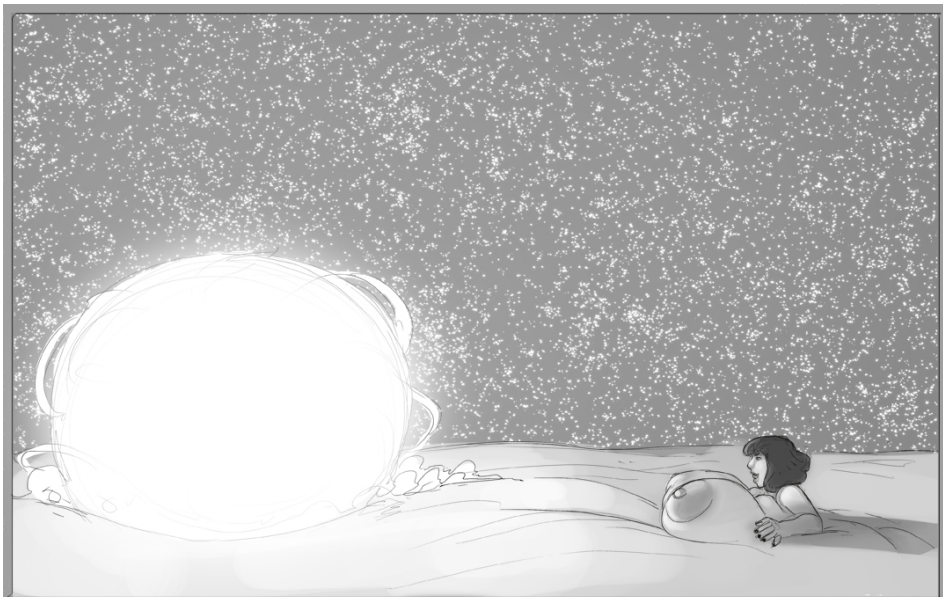

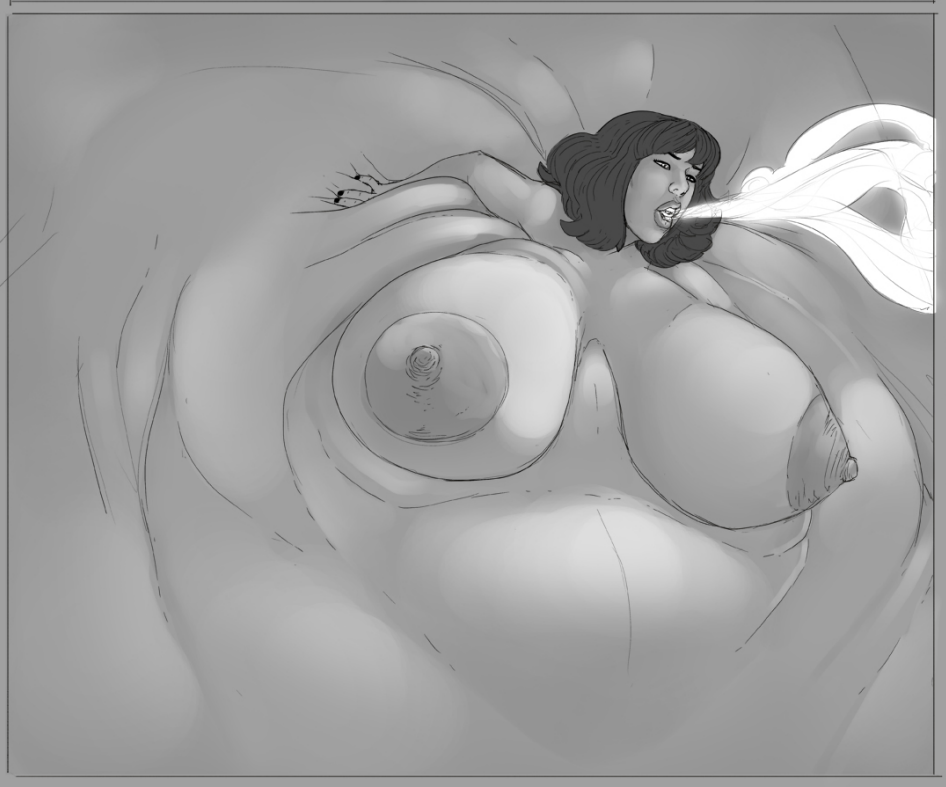

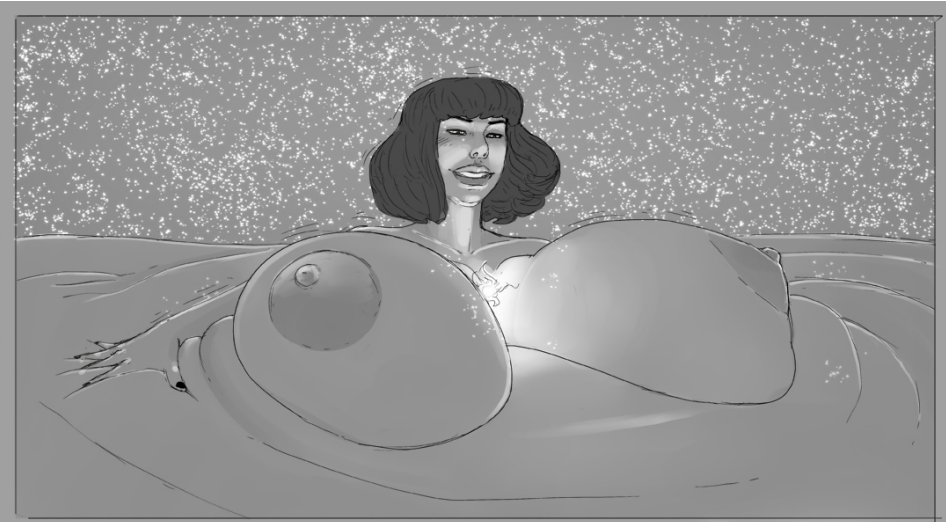

Swallowing entire star systems like candy!

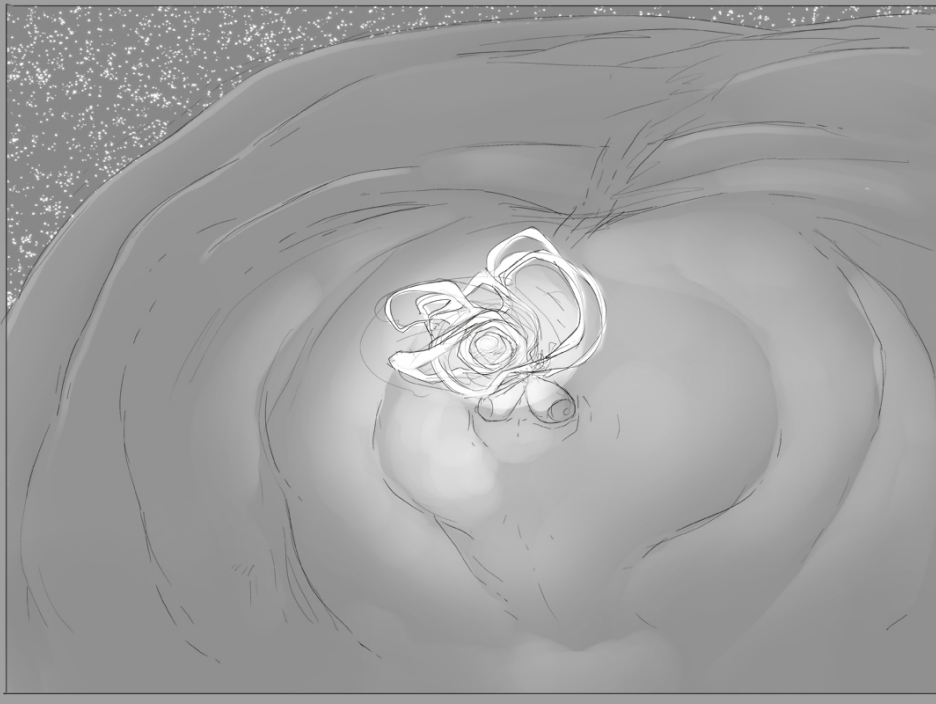

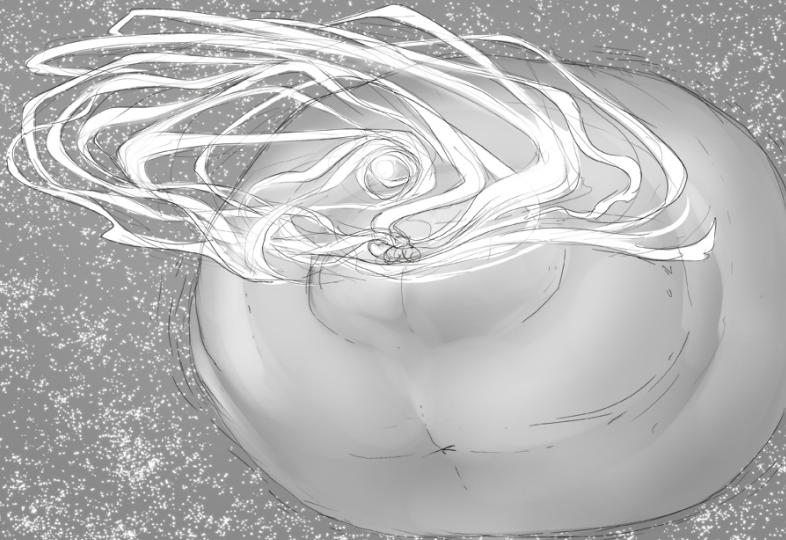

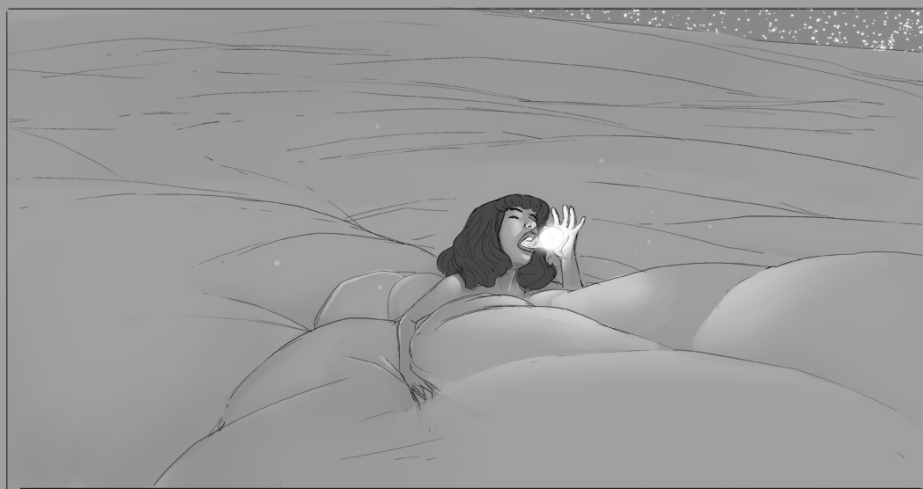

The Milky Way!

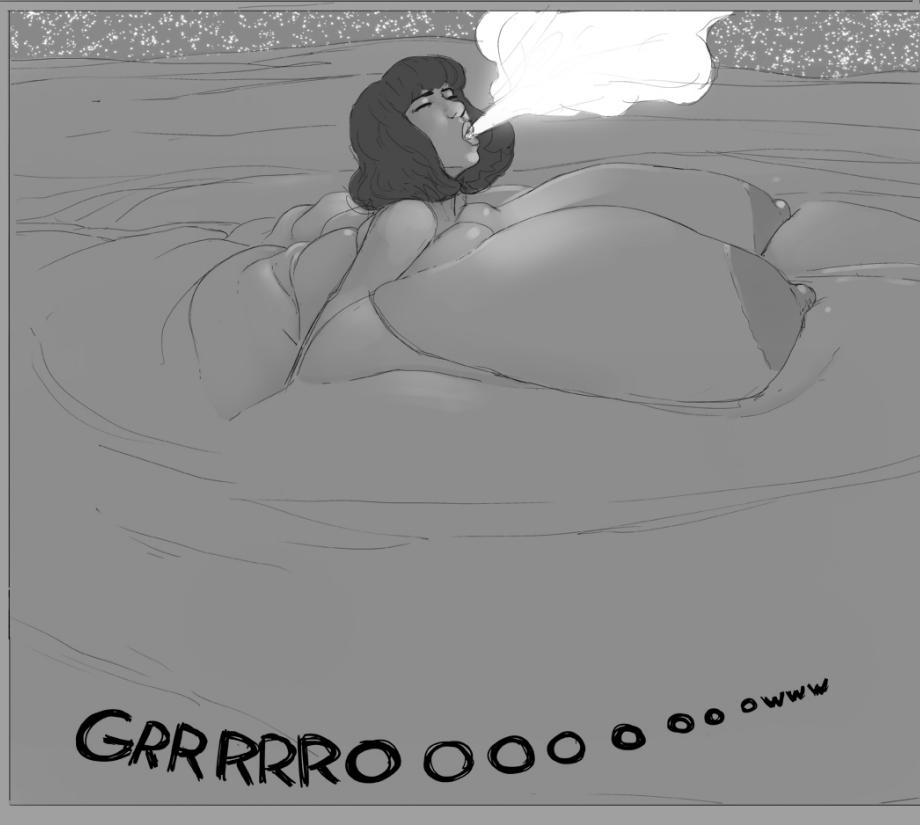

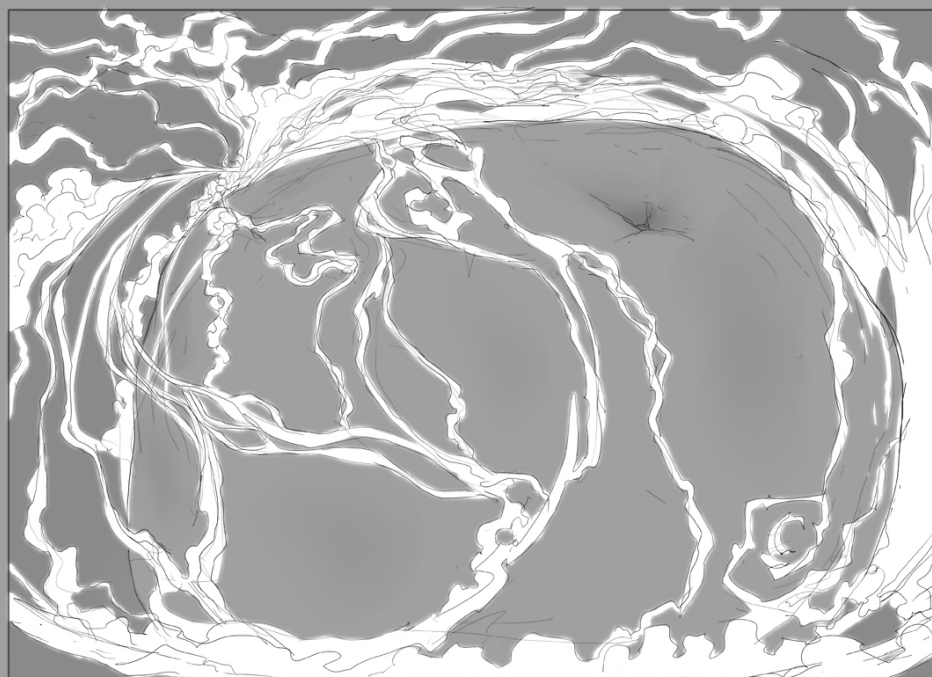

Sigh.. One galaxy later..
An even fatter belly..

To think.. It all started with..
what was it? A pastry.. Mmmmm
I can't even remember
the last time I felt full

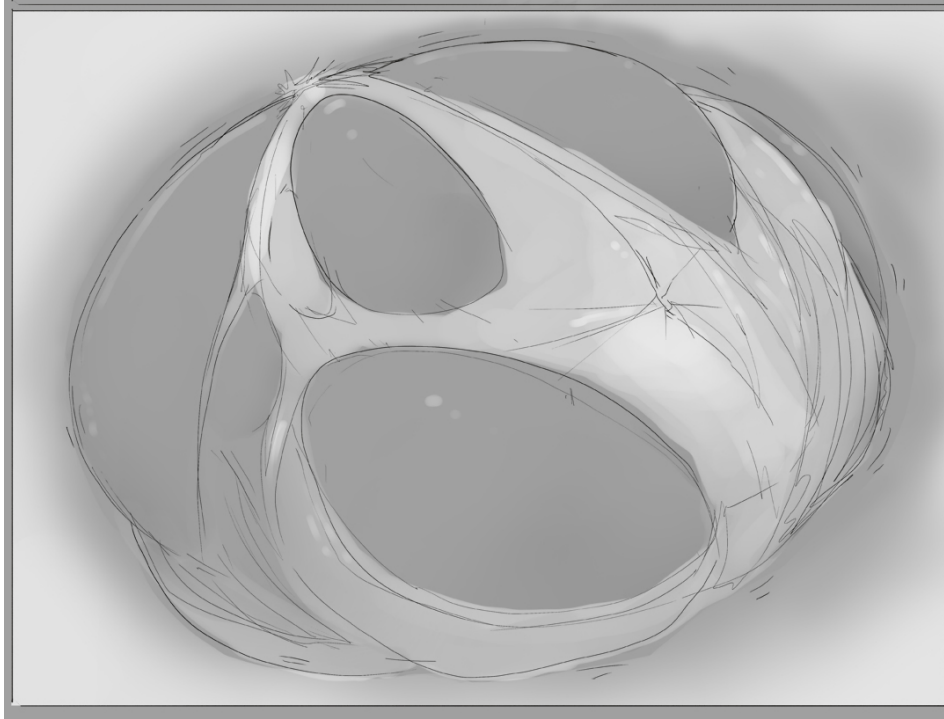

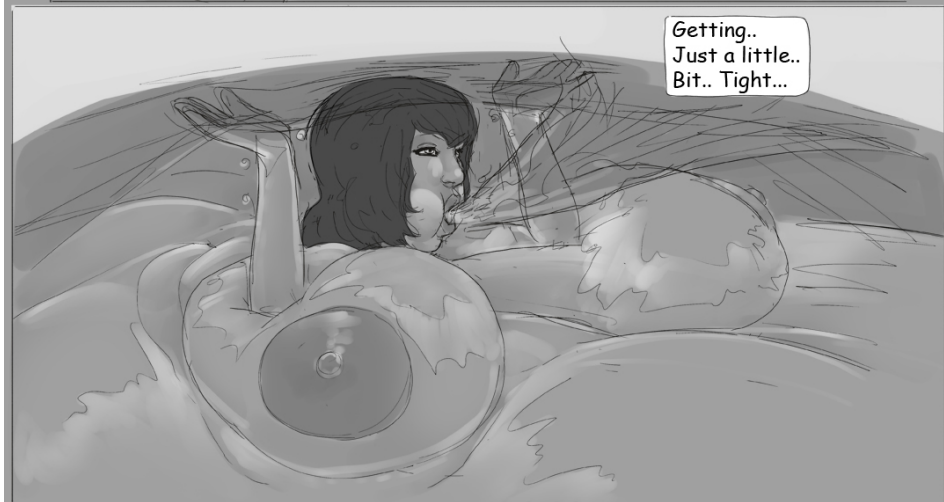

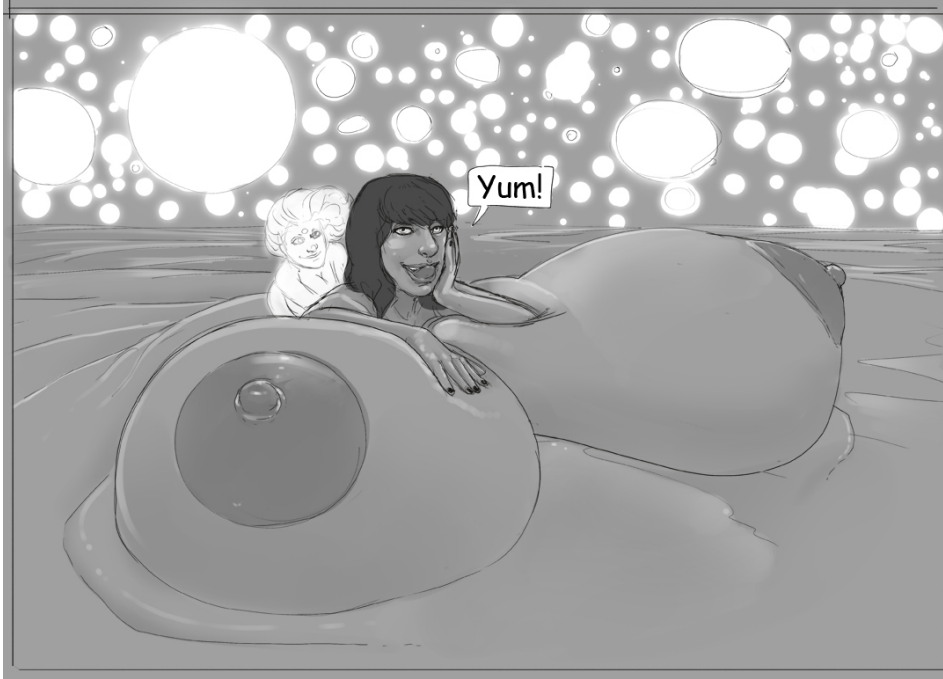

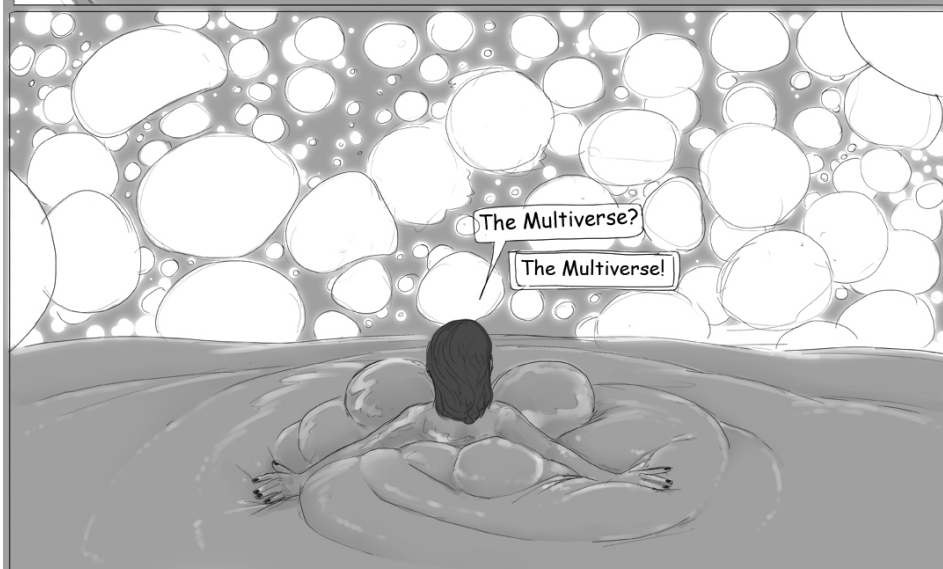

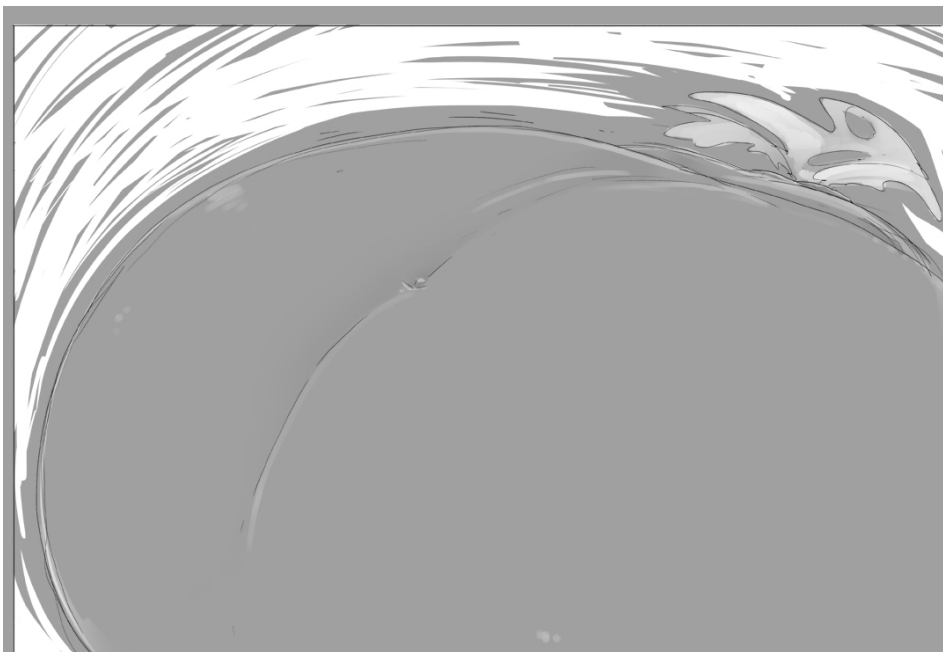

Is this what's
squeezing my
tummy? „ Squishy
Just what is.. oh.. OH!
OH MY GOSH!

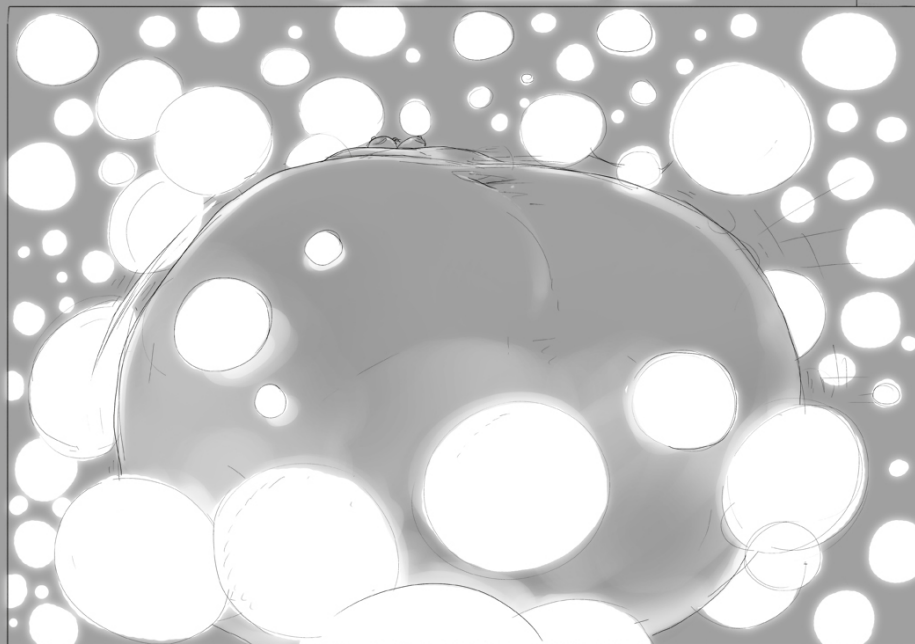

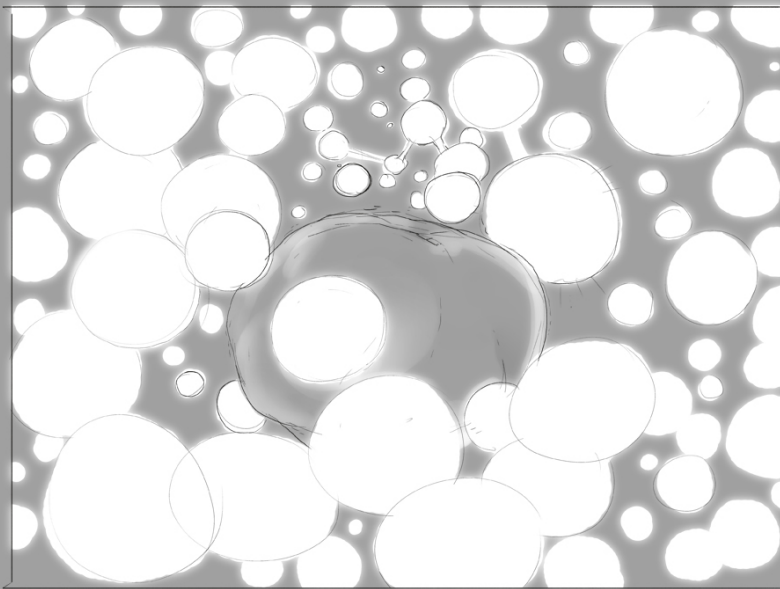

I've filled the
UNIVERSE!
Haha! My fatness
truly knows no bounds..
And this stuff looks tasty.

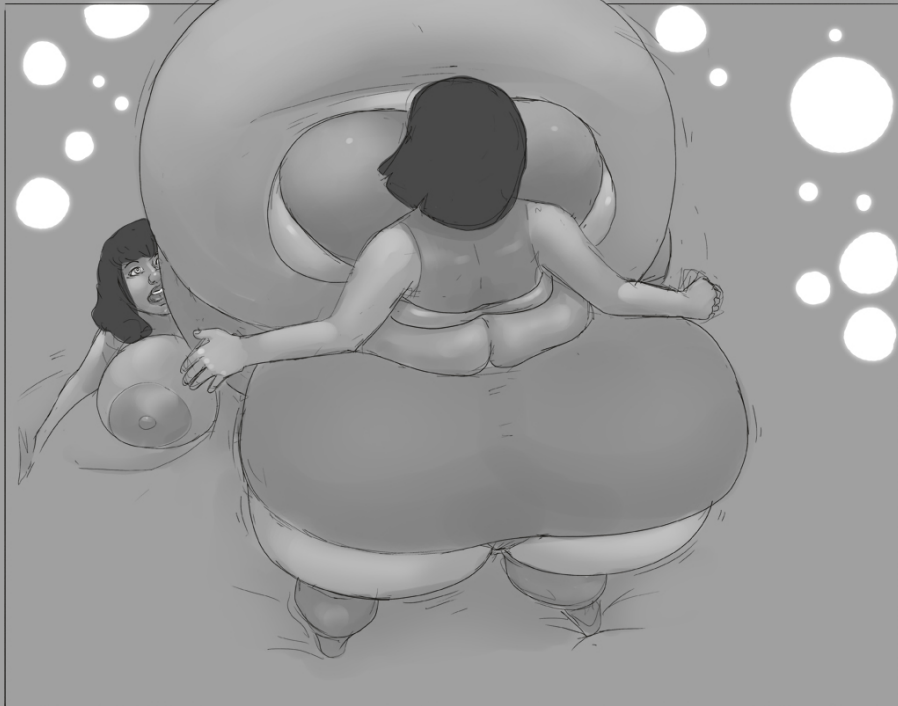

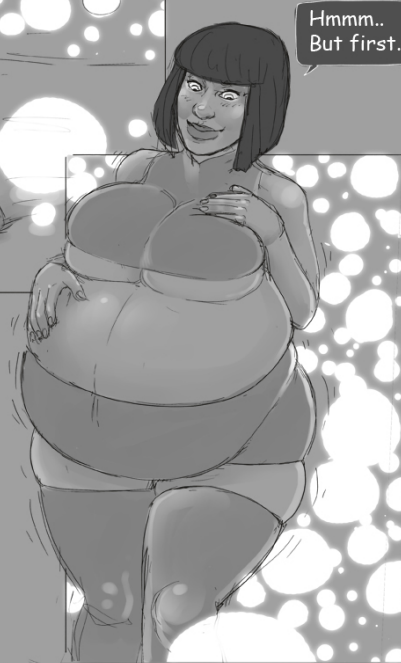

Everything is
tasty at this
point!

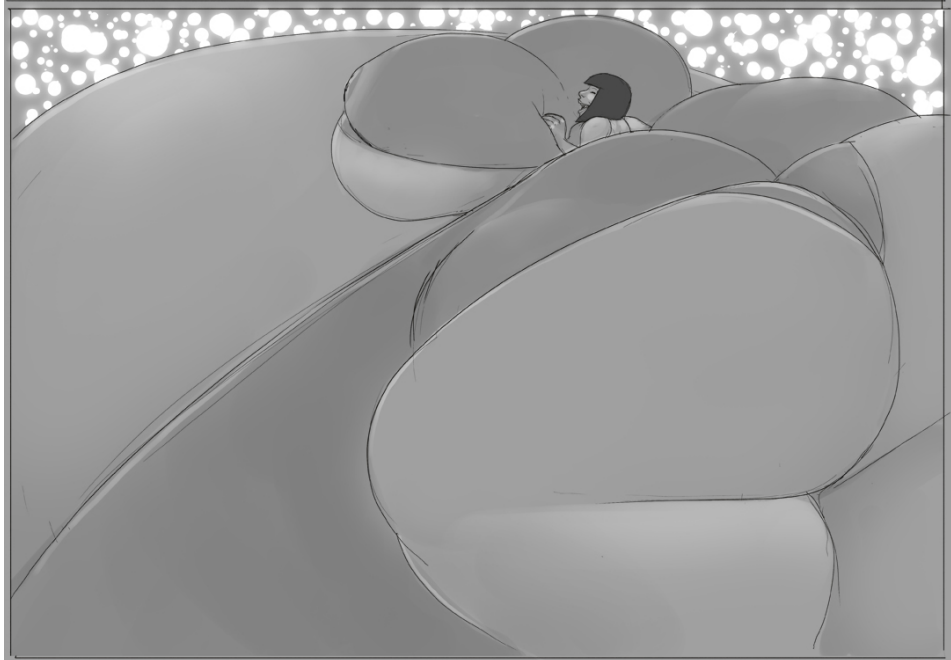

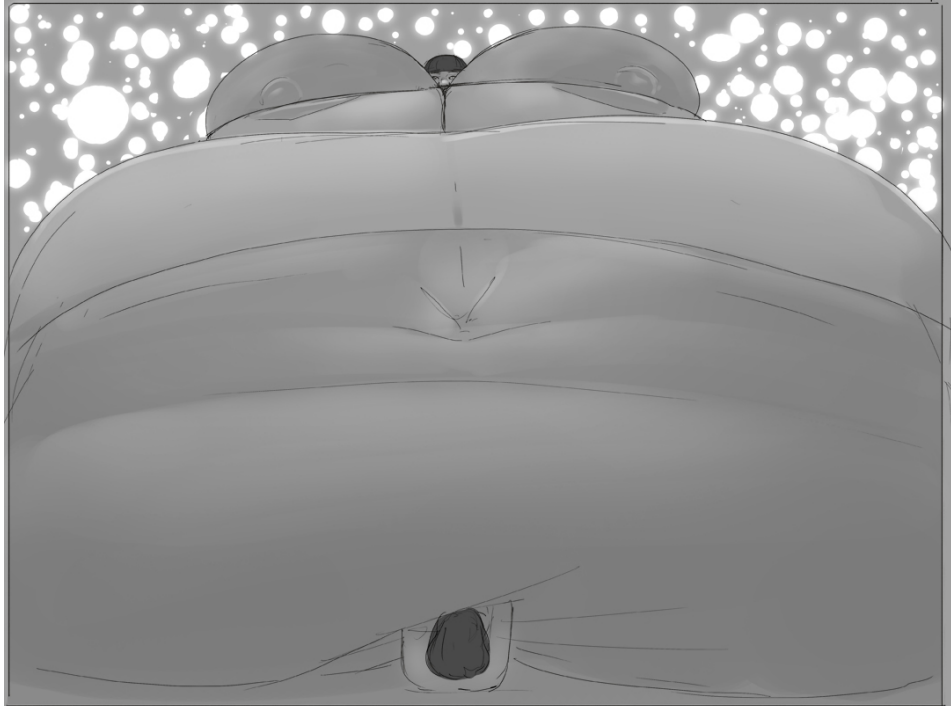

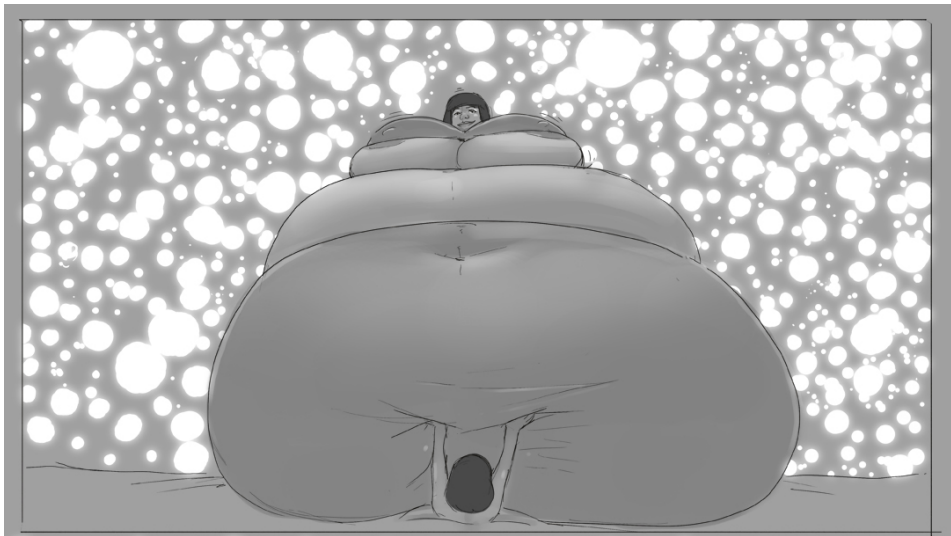

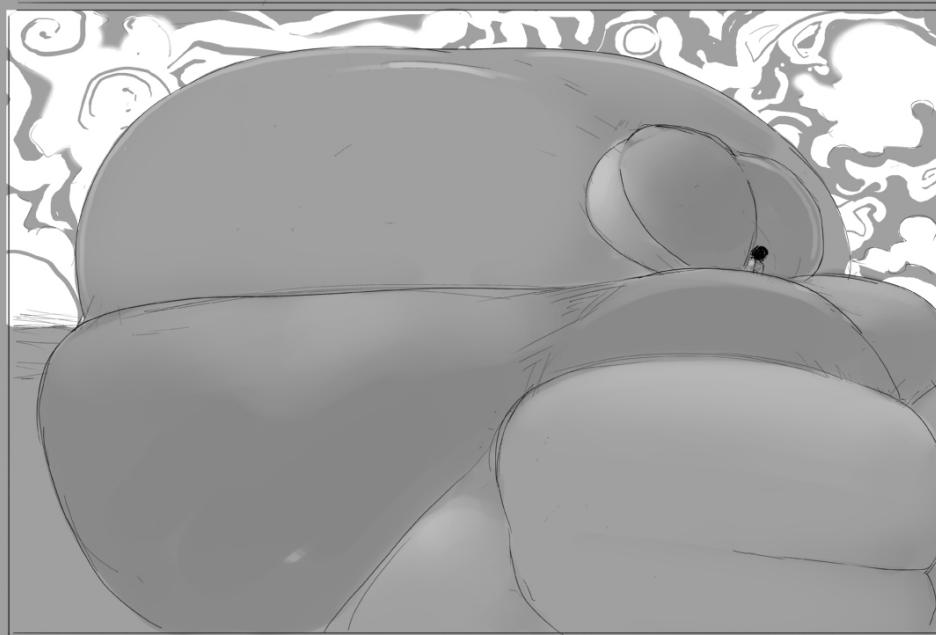

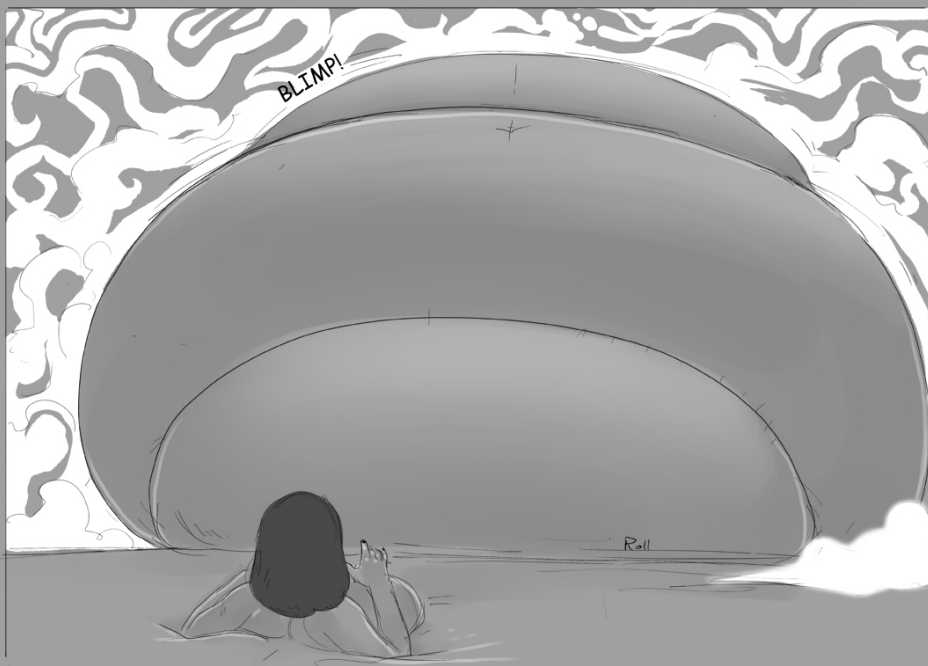

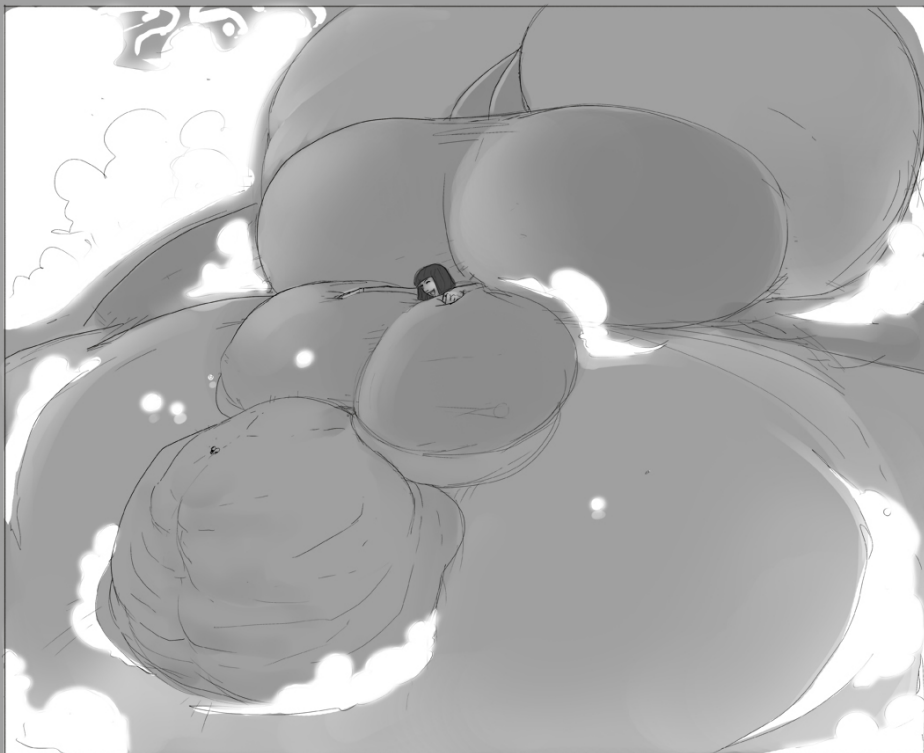

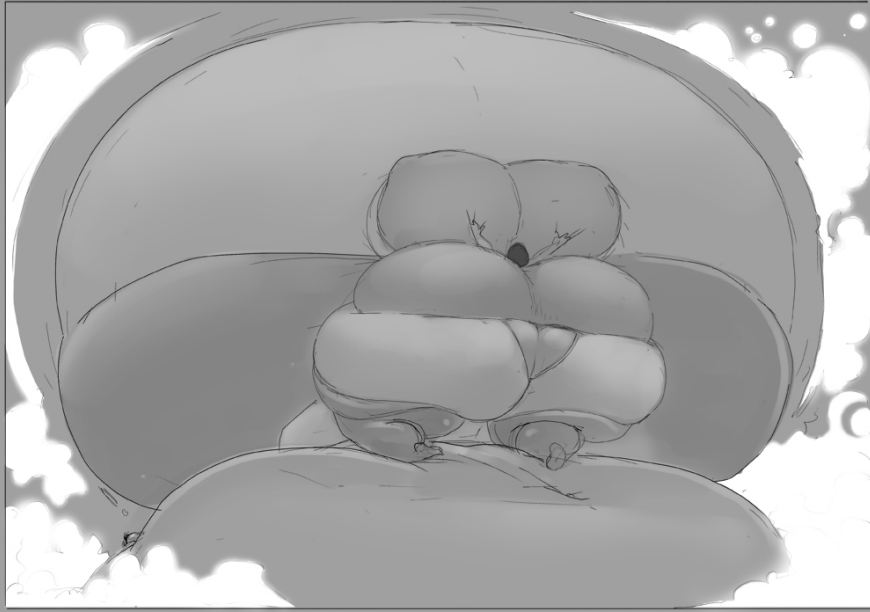

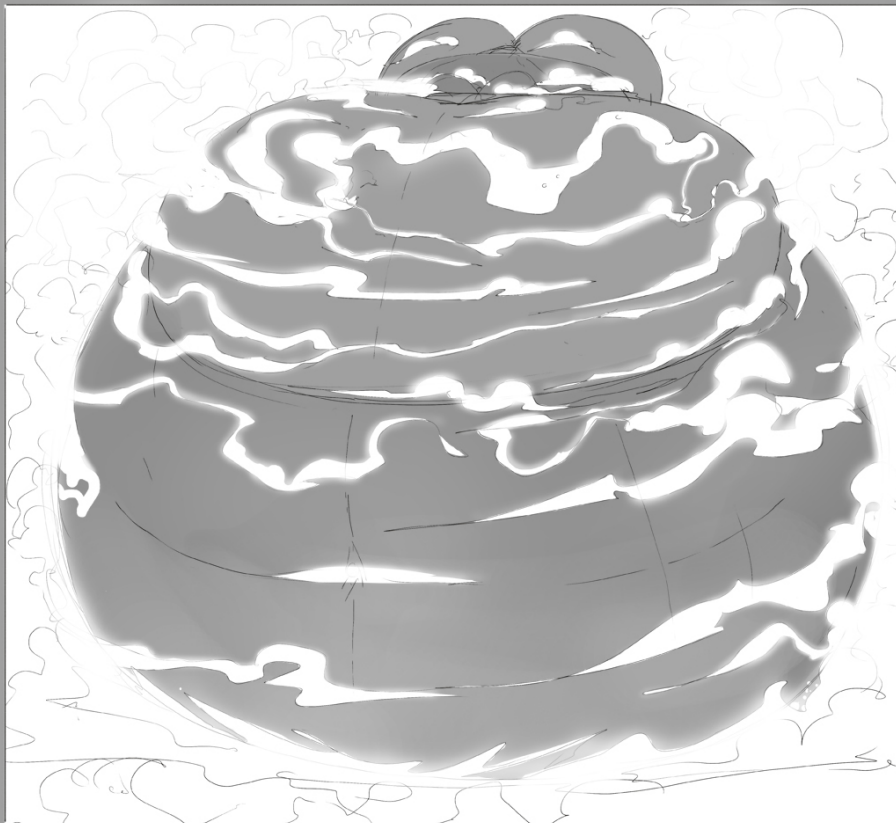

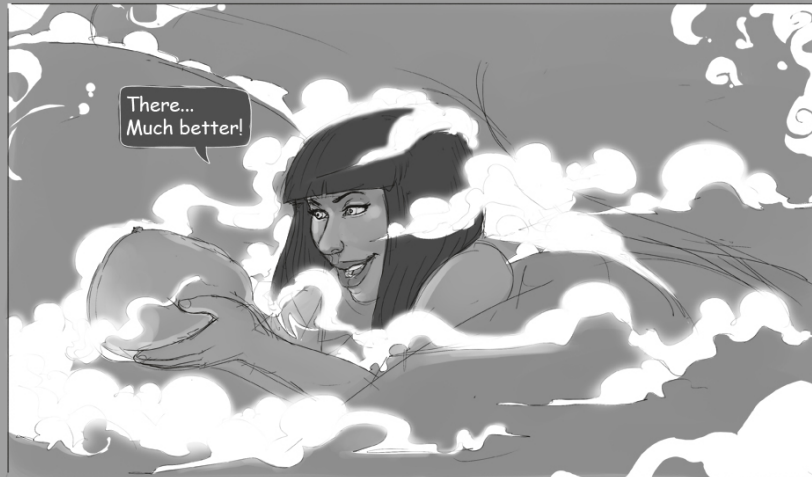

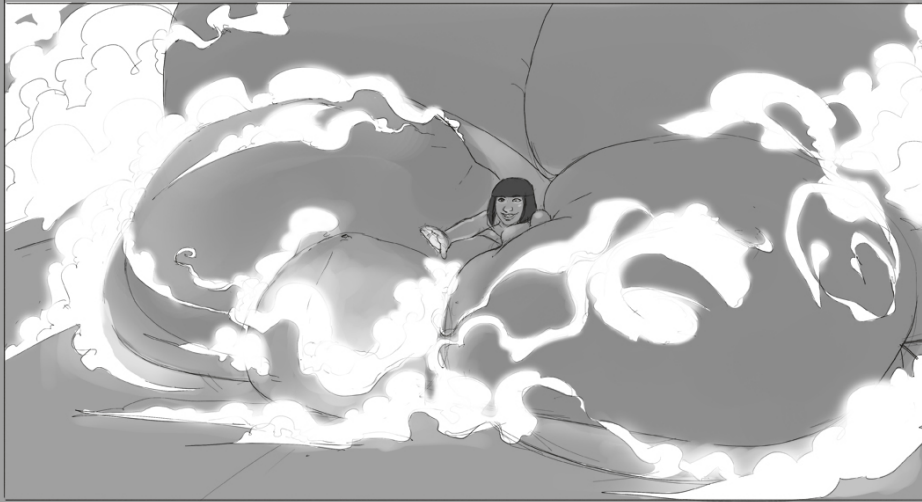

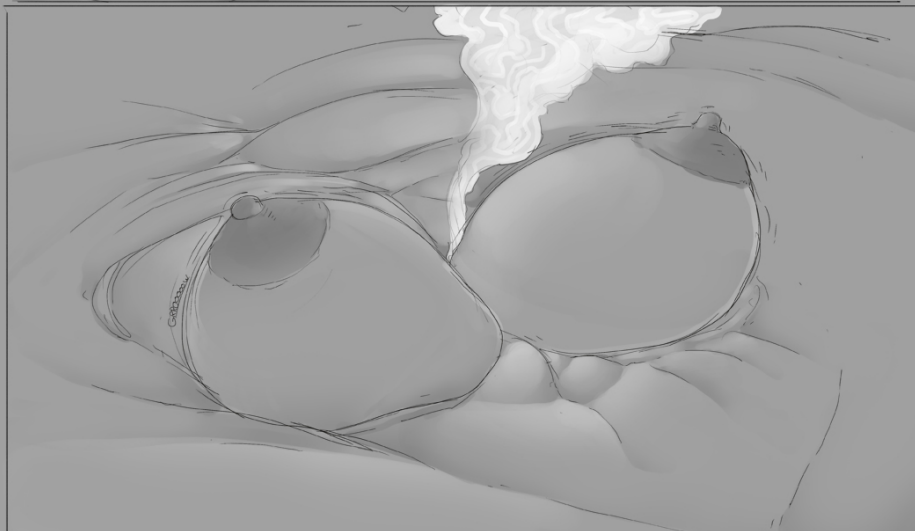

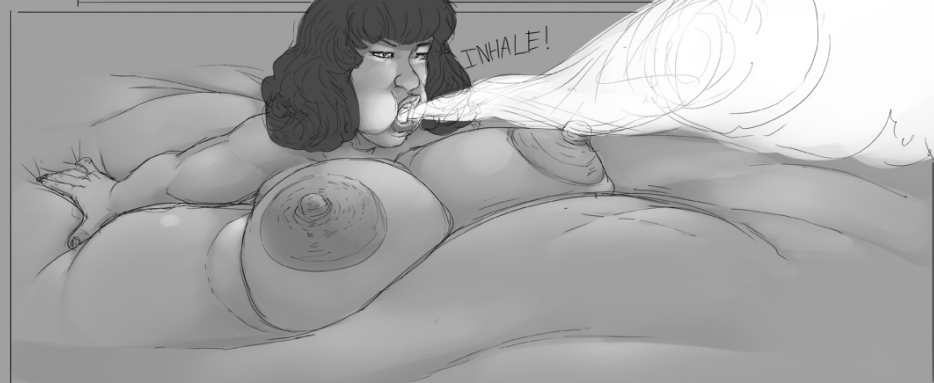

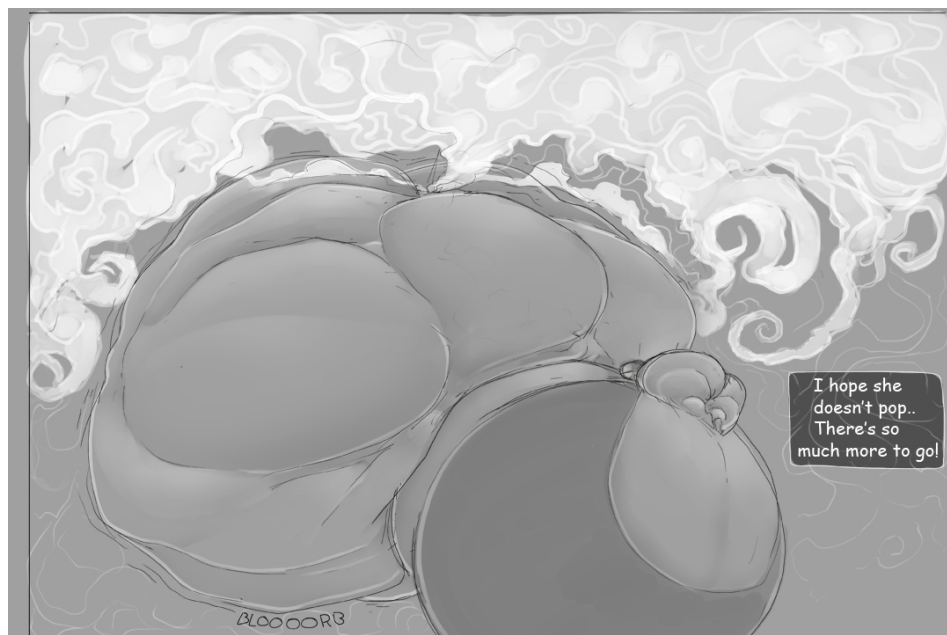

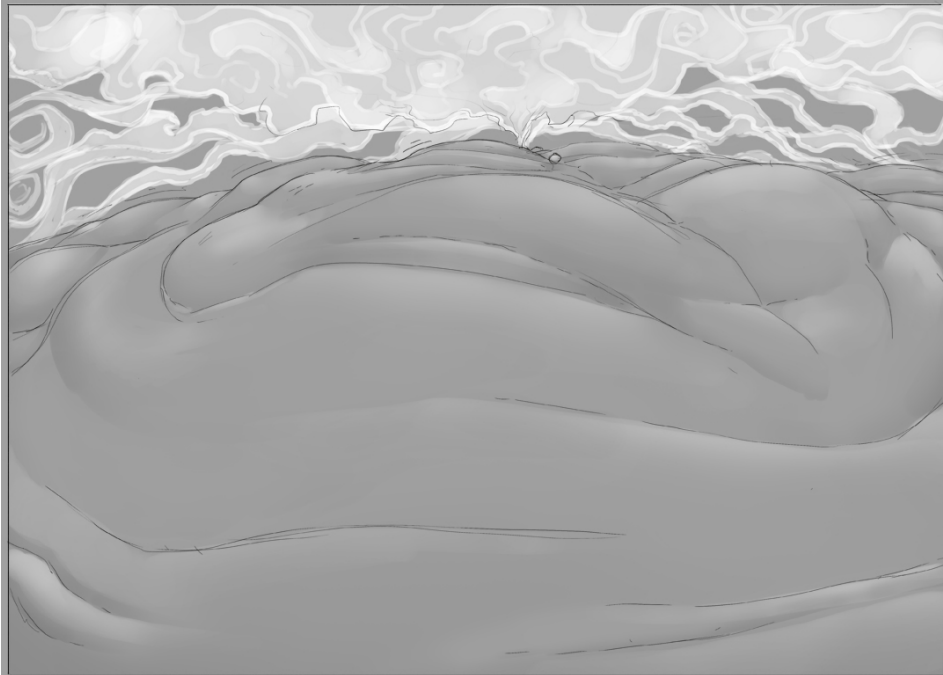

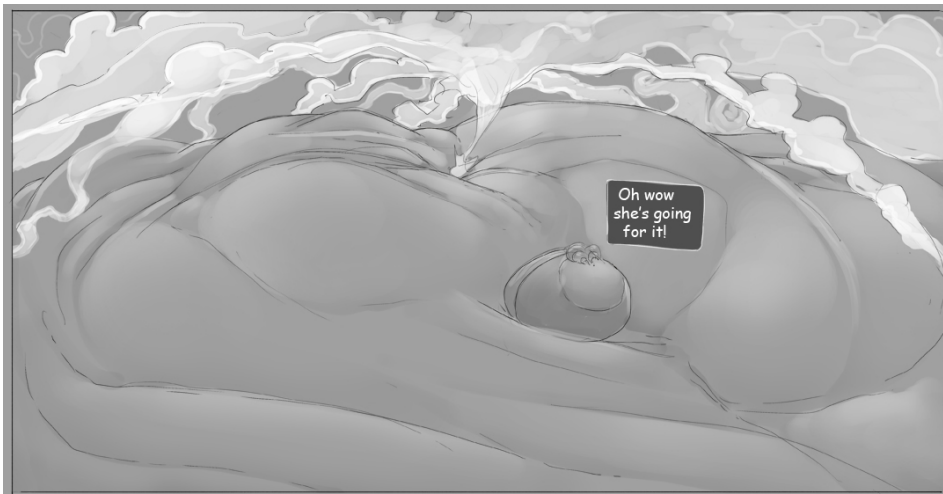

Guh! I need to get bigger
to keep this up!

Woohoo!
You're just
the fatty
I need!

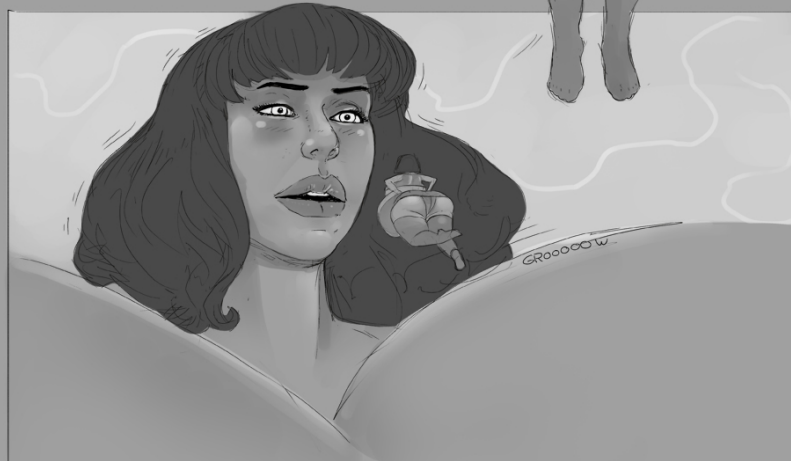

Don't eat me just yet!
Lemme try to make amends!
Ya see I needed to find out
if you could help or not!

Help me get out of this place,
and by this place I mean a relatively
small Bit of Existence!

So I apologize for
the aggressive introduction.
But you, and your Fantastically
Flabby Frame are just what I
need to break out of this place!

I'm not truly
your friend from earlier in the comic.
I saw her in your memories and
changed to appear as her..

I thought you'd like
to see a familiar face.
What I really am is this
Bit's conciousness..
The Multiverse personified!

Beyond the seemingly infinite
vale of delicious universes is the Bit's walls

And you want
me to eat it?

I want you to get so
impossibly fat that you
bust us out of here!
Something I'm incapable
of doing, I might add...
But you and your
Glorious Gut are not
affected by those rules!

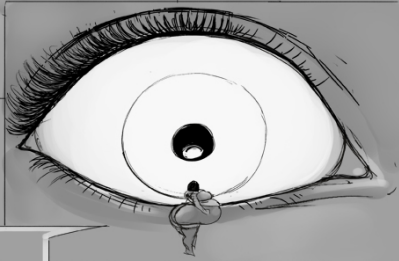

Reasons!

MMMM...

Excellent!

Allow me to sweeten the deal!

I'll transform the rest of the universes into yummy stuff!

Jackpot!

Deal?

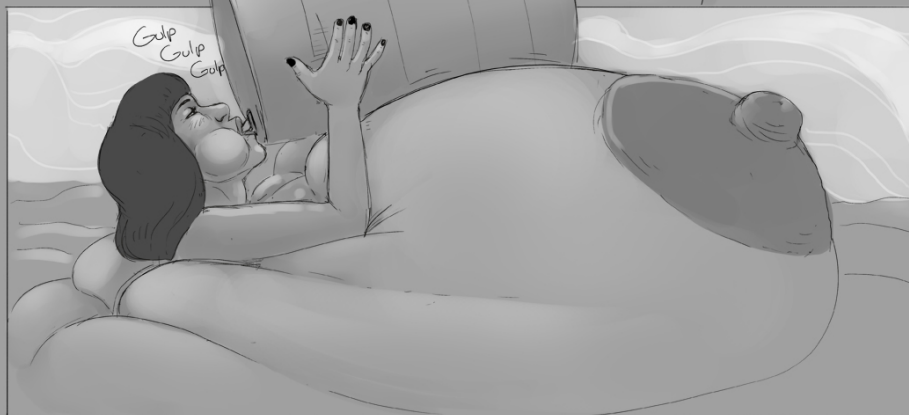

Tell ya what..
In the interest of time,
just make everything
tasty and throw it at me
as fast as I can eat it..

Now another
eating montage!

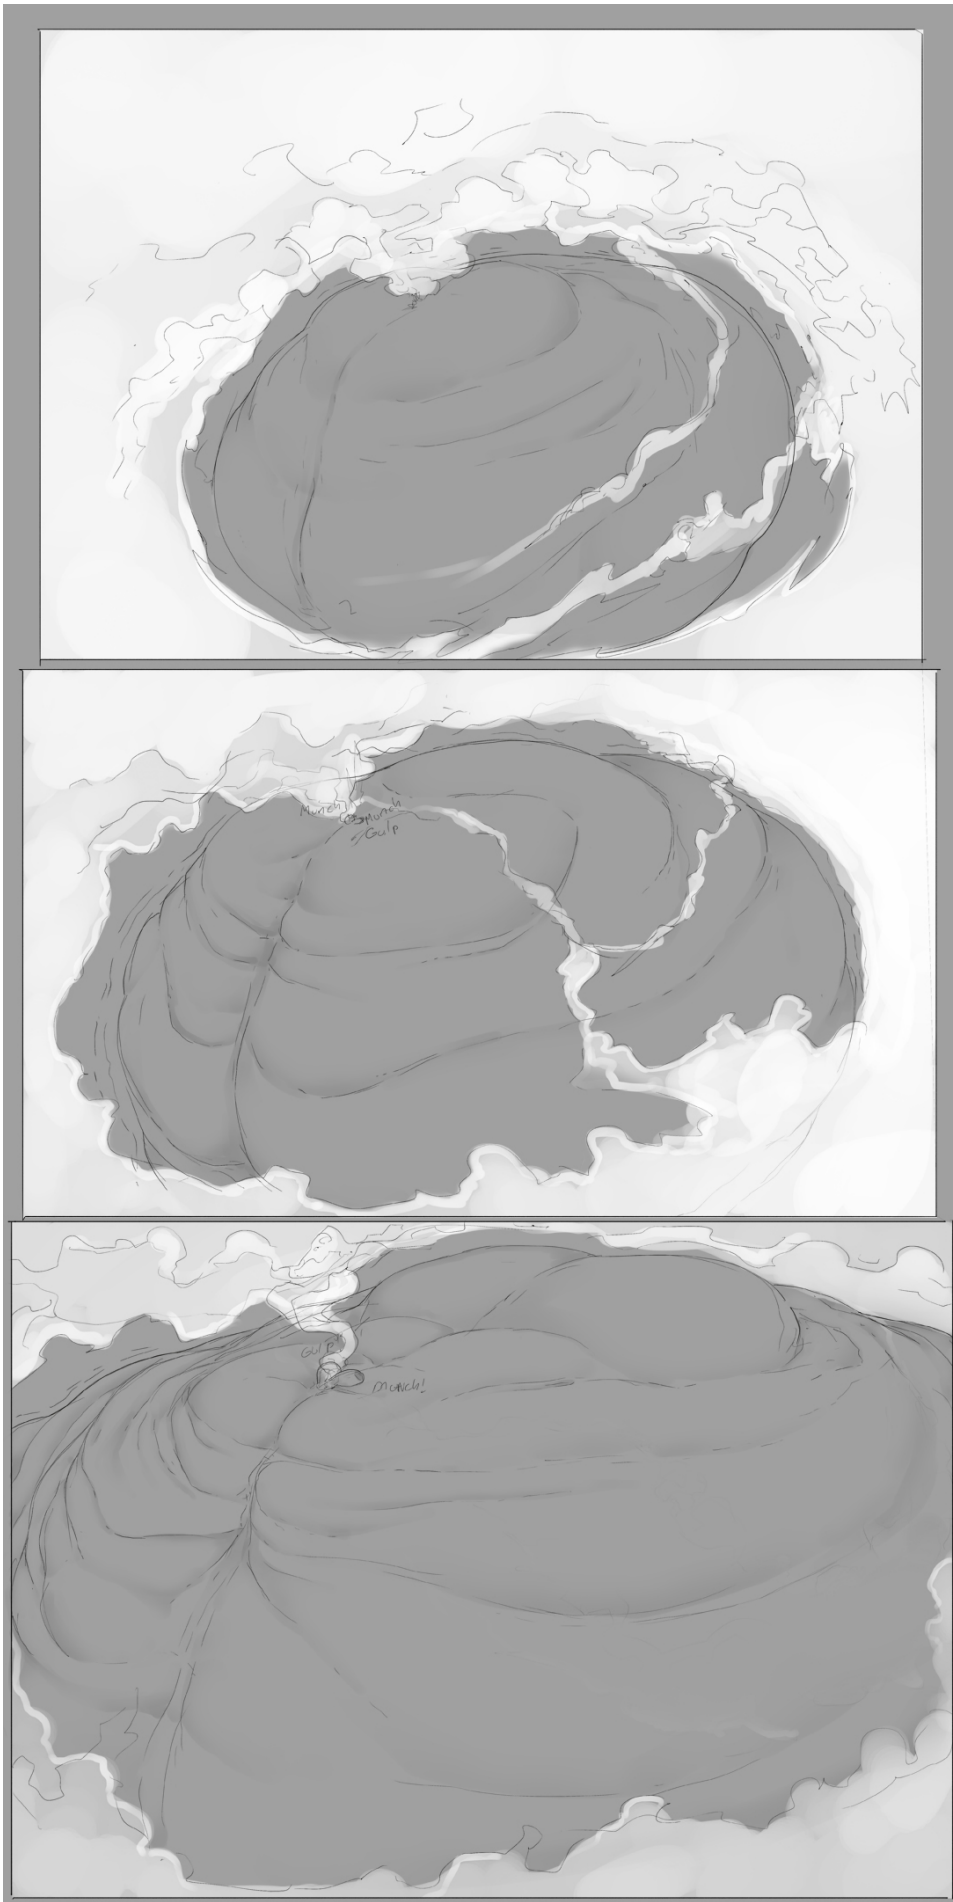

MMMF!

Munch!

Gulp
Gulp
Gulp

No, no don't speak up.
Keep that mouth-a
chewing..
Just think it, and
I'll hear it

Mmm
Melon

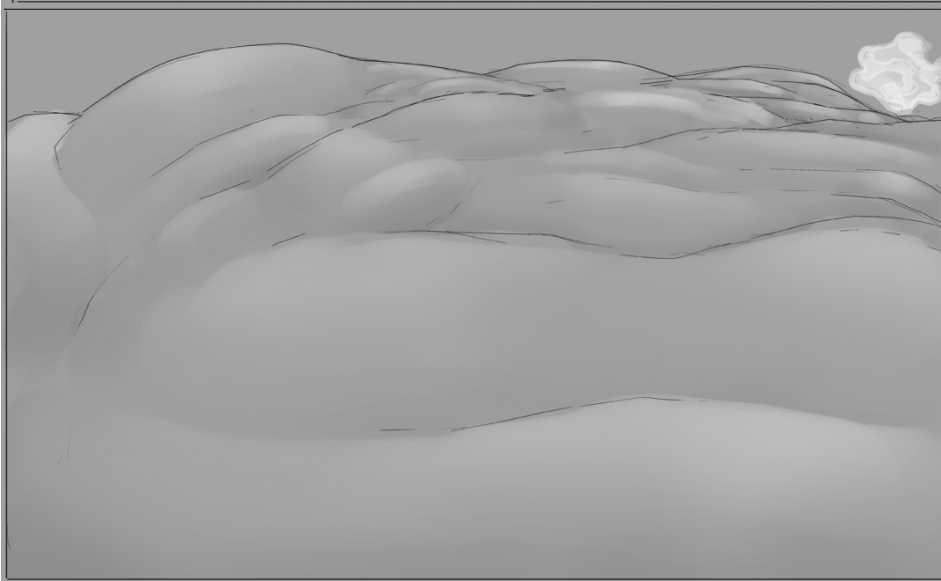

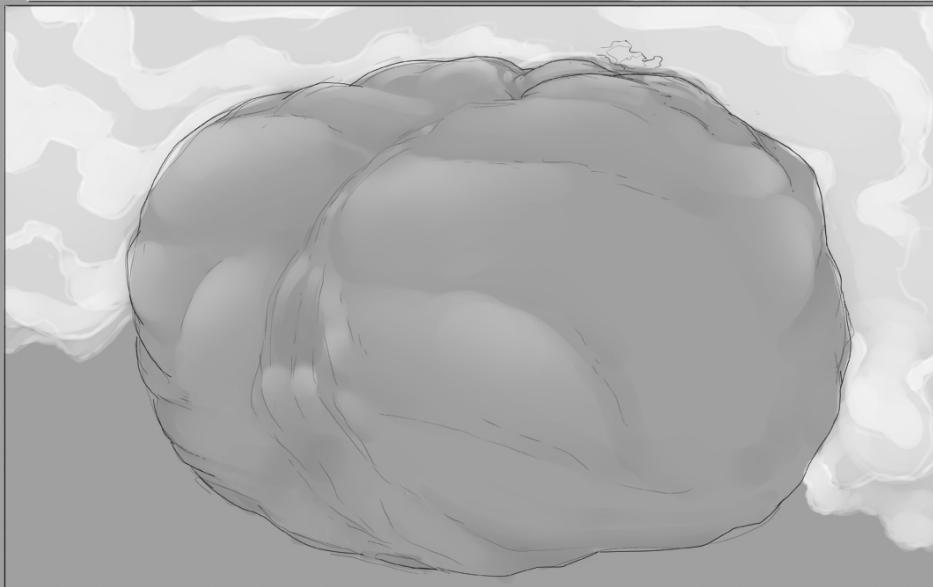

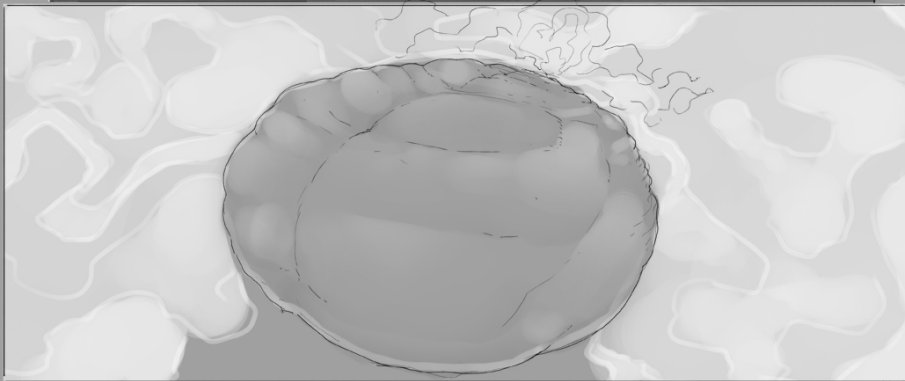

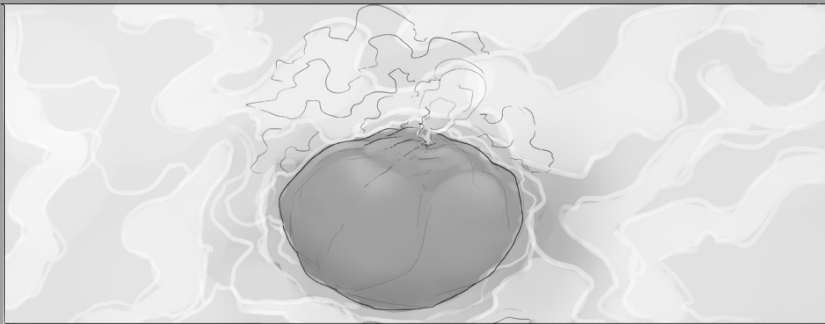

Yep.. Earth!
It's deep inside my gut now
like everything else from my
univer-
OH MY GOSH MORE CAKE!

Woww.. Earth is like a
speck of a speck of
a speck of a speck..
Haha I could go on and on
about how teeny
you once were!

MMf!
Pastrami!
so gud

Sigh..
Where's
the rest?

Incredible..
You've eaten
the lot!

Wow..
I feel myself growing still,
yet I haven't felt the walls..

No worries! You just need a
little boost.. Something tells me
you're still hungry!

Are you ready to
eat a Goddess!?

To be Continued
